"SECTION 36. 22-28-102 (1), Colorado Revised Statutes, is amended to read:
22-28-102. Legislative declaration. (1) The general assembly hereby finds, determines, and declares that there are substantial numbers of children in this state entering kindergarten and the primary grades who are not adequately prepared to learn. The general assembly further finds that early school failure may ultimately contribute to such children dropping out of school at an early age, failing to achieve their full potential, becoming dependent upon public assistance, or becoming involved in criminal activities. By enacting this article, the general assembly acknowledges the need to adequately prepare all children to learn through preschool ~~and full-day kindergarten~~ programs in school districts with high dropout rates or low performance of children in kindergarten and primary grades. In establishing the programs, the general assembly encourages school districts and parents to work together to ensure that the children benefit from the programs.
SECTION 37. 22-28-103 (5) and (9), Colorado Revised Statutes, are amended, and the said 22-28-103 is further amended BY THE ADDITION OF A NEW SUBSECTION, to read:

22-28-104. Establishment of public preschool programs.

(1) There is hereby established a state preschool and kindergarten program, which shall be implemented in school districts beginning in the 2006-07 budget year. The purposes of the program are:

(2) (a) (I) For the 2006-07 budget year, fourteen thousand three hundred sixty children may annually participate in the state preschool and kindergarten program.

(II) For the 2007-08 budget year, sixteen thousand three hundred sixty children may annually participate in the state preschool and kindergarten program.

(3) A school district that participates in the state preschool and kindergarten program shall be entitled to count children enrolled in the district preschool and kindergarten program in accordance with the provisions of section 22-54-103 (9.5) for purposes of determining preschool and kindergarten program enrollment under the "Public School Finance Act of 1994", article 54 of this title.

(4) (a) Subject to the limitations in paragraph (b) of this subsection (4), the per pupil operating reimbursement provided to any school district that participates in the preschool portion of the state preschool and kindergarten program shall be increased to allow a single child to enroll in the preschool portion of the program using two positions so that the child may attend a full day of preschool.

(5) Nothing in this article shall be construed to:

(b) Prohibit school districts from establishing and maintaining other preschool or kindergarten programs using any funds available for that purpose, but children enrolled in such other preschool or kindergarten programs shall not be counted for purposes of determining preschool and kindergarten program enrollment or pupil enrollment under the "Public School Finance Act of 1994", article 54 of this title.

(b) The state board shall establish, by rule, criteria for school districts to use in establishing district preschool and kindergarten programs, subject to the following requirements:

(II) The maximum number of pupils in a preschool class shall not exceed sixteen. ~~and the maximum number of pupils in a full-day kindergarten class shall not exceed twenty.~~

SECTION 42. The introductory portion to 22-28-109 (1) and 22-28-109 (1) (a) and (3), Colorado Revised Statutes, are amended to read:

22-28-109. District preschool programs provided by a head start agency or child care agencies. (1) The state recognizes that there is significant value in using existing and established infrastructure through a head start agency or child care agencies, where available, for the provision of a district preschool and kindergarten program. Before the board of education of any school district whose pupil enrollment was less than or equal to seven hundred fifty pupils for the preceding budget year expends money for capital projects to provide additional facilities for a district preschool and kindergarten program, the board shall consider whether the district preschool and kindergarten program may be contracted out, in whole or in part, to a head start agency or one or more child care agencies located in the school district. SECTION 44. 22-54-103 (9.5), Colorado Revised Statutes, is amended to read:

22-54-103. Definitions - repeal. As used in this article, unless the context otherwise requires:
