Senate Amendments in [] - January 25, 2012

A BILL to amend and reenact § 29.1-521 of the Code of Virginia, relating to hunting on Sunday.

Be it enacted by the General Assembly of Virginia:

10 1. That § 29.1-521 of the Code of Virginia is amended and reenacted as follows:

11 § 29.1-521. Unlawful to hunt, trap, possess, sell or transport wild birds and wild animals except as
12 permitted; exception; penalty.

13 A. The following shall be unlawful:

14 1. To hunt or kill any wild bird or wild animal, including any nuisance species, with a gun, firearm
15 or other weapon on Sunday, which is hereby declared a rest day for all species of wild bird and wild
16 animal life, except raccoons, which may be hunted until 2:00 a.m. on Sunday mornings, except as
17 provided in this subdivision. The provision of this subdivision that prohibits the hunting or killing on
18 Sunday of any wild bird or wild animal, including any nuisance species, shall not apply to (i) any
19 person who hunts or kills raccoons prior to 2:00 a.m. on Sunday morning or (ii) any person who hunts
20 or kills any wild bird or wild animal, including nuisance species, with a gun, firearm or other weapon
21 on Sunday (a) on private property, either as a landowner, the landowner's spouse or the children of the
22 landowner, or with the written permission of the landowner, or (b) on the waters of the Commonwealth,
23 only to the extent not prohibited by formal action of the Board. Notwithstanding the provisions of this
24 subdivision, it shall be unlawful to hunt or kill [(i) any wild bird or wild animal, including any
25 nuisance species, on Sunday within 250 yards of a place of worship or any accessory structure or
26 facility thereof or (ii)] any deer on Sunday with the aid or assistance of dogs. However, a person
27 lawfully carrying a gun, firearm or other weapon on Sunday in an area that could be used for hunting
28 shall not be presumed to be hunting on Sunday, absent evidence to the contrary.

29 2. To destroy or molest the nest, eggs, dens or young of any wild bird or wild animal, except
30 nuisance species, at any time without a permit as required by law.

31 3. To hunt or attempt to kill or trap any species of wild bird or wild animal after having obtained the
32 daily bag or season limit during such day or season. However, any properly licensed person, or a person
33 exempt from having to obtain a license, who has obtained such daily bag or season limit while hunting
34 may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting
35 drives if the weapon in his possession is an unloaded firearm, a bow without a nocked arrow or an
36 unloaded crossbow. Any properly licensed person, or person exempt from having to obtain a license,
37 who has obtained such season limit prior to commencement of the hunt may assist others who are
38 hunting game by calling game, retrieving game, handling dogs, or conducting drives, provided he does
39 not have a firearm, bow or crossbow in his possession.

40 4. To knowingly occupy any baited blind or other baited place for the purpose of taking or
41 attempting to take any wild bird or wild animal or to put out bait or salt for any wild bird or wild
42 animal for the purpose of taking or killing them. There shall be a rebuttable presumption that a person
43 charged with violating this subdivision knows that he is occupying a baited blind or other baited place
44 for the purpose of taking or attempting to take any wild bird or wild animal. However, this shall not
45 apply to baiting nuisance species of animals and birds, or to baiting traps for the purpose of taking
46 fur-bearing animals that may be lawfully trapped.

47 5. To kill or capture any wild bird or wild animal adjacent to any area while a field or forest fire is
48 in progress.

49 6. To shoot or attempt to take any wild bird or wild animal from an automobile or other vehicle,
50 except as provided in § 29.1-521.3.

7. To set a trap of any kind on the lands or waters of another without attaching to the trap: (i) the name and address of the trapper; or (ii) an identification number issued by the Department.

53 8. To set a trap where it would be likely to injure persons, dogs, stock or fowl.

54 9. To fail to visit all traps once each day and remove all animals caught, and immediately report to
55 the landowner as to stock, dogs or fowl that are caught and the date. However, the Director or his
56 designee may authorize employees of federal, state, and local government agencies, and persons holding
57 a valid Commercial Nuisance Animal Permit issued by the Department, to visit conibear-style
58 body-gripping traps that are completely submerged at least once every 72 hours and the Board may
59 adopt regulations permitting trappers to visit traps less frequently under specified conditions.

60 10. To hunt, trap, take, capture, kill, attempt to take, capture or kill, possess, deliver for
61 transportation, transport, cause to be transported, by any means whatever, receive for transportation or
62 export, or import, at any time or in any manner, any wild bird or wild animal or the carcass or any part
63 thereof, except as specifically permitted by law and only by the manner or means and within the
64 numbers stated. However, the provisions of this section shall not be construed to prohibit the (i) use or
65 transportation of legally taken turkey carcasses, or portions thereof, for the purposes of making or
66 selling turkey callers, (ii) the manufacture or sale of implements, including, but not limited to, tools or
67 utensils, made from legally harvested deer skeletal parts, including antlers, or (iii) the possession of shed
68 antlers.

69 11. To offer for sale, sell, offer to purchase, or purchase, at any time or in any manner, any wild
70 bird or wild animal or the carcass or any part thereof, except as specifically permitted by law, including,
71 but not limited to, subsection D of § 29.1-553. However, any nonprofit organization exempt from
72 taxation under § 501(c) (3) of the Internal Revenue Code, which is (i) organized to provide wild game
73 as food to the hungry and (ii) authorized by the Department to possess, transport and distribute donated
74 or unclaimed meat to the hungry, may pay a processing fee in order to obtain such meat. Such fees shall
75 not exceed the actual cost for processing the meat. In addition, any nonprofit organization exempt from
76 taxation under § 501(c) (3) of the Internal Revenue Code, that is (a) organized to support wildlife habitat
77 conservation and (b) approved by the Department, shall be allowed to offer wildlife mounts that have
78 undergone the taxidermy process for sale in conjunction with fundraising activities. A violation of this
79 subdivision shall be punishable as provided in § 29.1-553.

80 B. Notwithstanding any other provision of this article, any American Indian, who produces
81 verification that he is an enrolled member of a tribe recognized by the Commonwealth, another state or
82 the U.S. government, may possess, offer for sale or sell to another American Indian, or offer to purchase
83 or purchase from another American Indian, parts of legally obtained fur-bearing animals, nonmigratory
84 game birds, and game animals, except bear. Such legally obtained parts shall include antlers, hooves,
85 feathers, claws and bones.

86 "Verification" as used in this section shall include, but is not limited to, (i) showing a valid tribal
87 identification card, (ii) confirmation through a central tribal registry, (iii) a letter from a tribal chief or
88 council, or (iv) certification from a tribal office that the person is an enrolled member of the tribe.

89 C. A violation of subdivisions A 1 through A 10 of subsection A of this section shall be punishable
90 as a Class 3 misdemeanor.
