SECTION 3. Notwithstanding any general or special law to the contrary, for the fiscal year ending June 30, 2014 the distribution to cities and towns of the balance of the State Lottery Fund, as paid from the General Fund in accordance with clause (c) of the second paragraph of section 35 of chapter 10 of the General Laws, and additional funds from the General Fund shall be \$920,230,293 and shall be apportioned to the cities and towns in accordance with this section.

Notwithstanding section 2 of chapter 70 of the General Laws or any other general or special law to the contrary, except for section 12B of chapter 76 and section 89 of chapter 71 of the General Laws, for fiscal year 2014 the total amounts to be distributed and paid to each city and town from item 7061-0008 of section 2 shall be as set forth in the following lists. The specified amounts to be distributed from said item 7061-0008 of said section 2 shall be in full satisfaction of the amounts due under chapter 70 of the General Laws.

For fiscal year 2014, the foundation budget categories for each district shall be calculated in the same manner as in fiscal year 2013. The target local share shall be calculated using the same methodology used in fiscal year 2013. Preliminary local contribution shall be the municipality's fiscal year 2013 minimum required local contribution, increased or decreased by the municipal revenue growth factor; provided, that if a municipality's preliminary contribution as a percentage of its foundation budget is more than 5 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 1 percentage point; and if a municipality's preliminary contribution as a percentage of its foundation budget is more than 10 percentage points lower than the target local share, the preliminary contribution shall be recalculated using the municipality's revenue growth factor plus 2 percentage points. Minimum required local contribution for fiscal year 2014 shall be, for any municipality with a fiscal year 2014 preliminary contribution greater than its fiscal year 2014 target contribution, the preliminary local contribution reduced by 15 per cent of the gap between the preliminary local contribution and the target local contribution; provided, that no minimum required local contribution shall be greater than the district's foundation budget amount. Required local contribution shall be allocated among the districts to which a municipality belongs in direct proportion to the foundation budgets for the municipality's pupils at each of those districts. No non-operating district shall receive chapter 70 aid in an amount greater than the district's foundation budget.

If there is a conflict between the language of this section and the distribution listed below, the distribution below shall control.

The department of elementary and secondary education shall not consider health care costs for retired teachers to be part of net school spending for any district in which such costs were not considered part of net school spending in fiscal year 1994.

No payments to cities, towns or counties maintaining an agricultural school pursuant to this section shall be made after November 30 of the fiscal year until the commissioner of revenue certifies acceptance of the prior fiscal year's annual financial reports submitted pursuant to section 43 of chapter 44 of the General Laws. Advance payments shall be made for some or all of periodic local reimbursement or assistance programs to any city, town, regional school district or independent agricultural and technical school that demonstrates an emergency cash shortfall, as certified by the commissioner of revenue and approved by the secretary of the executive office for administration and finance, pursuant to guidelines established by the secretary.

SECTION 22. Said chapter 62C is hereby further amended by striking out section 24A, as so appearing, and inserting in place thereof the following section:-

Section 24A. (a) Members or indirect owners of a pass-through entity shall report items of income, expense or credit derived from the pass-through entity in a manner consistent with the reporting of the pass-through entity, except to the extent that a taxpayer member or indirect owner makes a declaration of inconsistency with its original return.

(b) The commissioner shall establish by regulation unified audit procedures. The commissioner may audit, in a unified proceeding, a pass-through entity 1 or more of whose members or indirect owners are subject to tax under chapters 62 or 63; provided, however, that nothing in this section shall limit the ability of the commissioner to audit or assess individual members or indirect owners with respect to items derived from a pass-through entity or the ability of the commissioner to inspect books and records of a pass-through entity outside of a unified audit procedure. The determination of pass-through entity items shall be binding on all members and indirect owners participating in the unified audit procedure. For purposes of this section, "members and indirect owners participating in the unified audit procedure" shall mean all members and indirect owners of a pass-through entity subject to audit in a unified proceeding pursuant to

this section, other than any such members or indirect owners that elect, pursuant to subsection (e), not to participate in the unified audit proceeding. The commissioner's regulations shall establish the types of pass-through entities subject to a unified audit procedure which may include, but shall not be limited to, partnerships and S corporations. The regulations shall also provide for the designation by the pass-through entity of a tax matters partner who shall have the authority to represent all the members and indirect owners participating in the unified proceeding. The authority of the tax matters partner in a unified audit procedure shall include, but not be limited to, the following on behalf of members and indirect owners participating in the unified audit procedure: (i) receiving tax notices, (ii) representing members and indirect owners during the unified audit proceeding and in administrative appeals with the commissioner, (iii) entering into settlement agreements with the commissioner under section 37C with regard to pass-through entity items and (iv) filing petitions with the appellate tax board and pursuing any subsequent judicial appeal with respect to a determination of pass-through entity items by the commissioner. So far as practicable, the commissioner's regulations shall be modeled on federal rules.

(c) (1) A unified audit procedure commences when the commissioner so notifies the tax matters partner. Except as otherwise provided, the commissioner shall commence a unified audit procedure and issue a notice of determination of pass-through entity items within 3 years after the date on which the entity's return for the taxable year was either filed or required to be filed, taking extensions into account whichever is later. The 3-year period shall be extended to the extent the statute of limitations for audit or assessment is extended under subsection (d). It shall be the responsibility of the tax matters partner to provide notice to members of the pendency of the unified audit procedure. Such notice shall be provided in the manner and to the extent required in the partnership or other agreement governing the pass-through entity and its members. The failure of the tax matters partner to provide notice shall not affect the validity of the unified audit procedure with respect to all members and indirect owners participating in the unified audit procedure. The determination of pass-through entity items after the commencement of a unified audit procedure shall be made exclusively under the unified audit process, which, except as specified in this section, shall supersede the assessment and abatement process otherwise applicable pursuant to this chapter to members and indirect owners with respect to pass-through entity items. If, in the course of a unified audit procedure, it appears to the commissioner that the statement of pass-through entity items on the entity's return will result in an incorrect amount of tax liability of members and indirect owners, the commissioner shall give notice of proposed adjustments to the tax matters partner and other members specified in regulations issued by the commissioner. Within 30 days of such notice, the tax matters partner or other members specified in regulations issued by the commissioner may request a conference with regard to proposed adjustments of pass-through entity items. After unified audit administrative proceedings are concluded, the commissioner shall issue a notice of determination of pass-through entity items to the tax matters partner. The tax matters partner or other members specified in regulations issued by the commissioner may petition the appellate tax board for review of the determination of pass-through entity items within 60 days after the determination of pass-through entity items has been sent to the tax matters partner. The appellate tax board shall have jurisdiction to decide petitions under this section, and its decision shall be a final decision of the board for the purpose of the right to a judicial appeal.

(2) If no petition is filed with the appellate tax board as provided in this subsection, the determination of pass-through entity items shall become a final determination the day after the last date on which the pass-through entity may appeal the determination of pass-through entity items. If a timely petition is filed with the appellate tax board, the determination of pass-through entity items shall become a final determination on: (i) the date of the appellate tax board decision or subsequent final judicial decision, or (ii) the day after the date on which the right to any further appeal expires, whichever is later. After a final determination of pass-through entity items is made, the commissioner shall assess or abate members and indirect owners in accordance with such final determination. The commissioner shall not be required to issue a notice of intent to assess prior to assessment.

(d)(1) Except as provided in this subsection, the statute of limitations for the assessment of tax of a member or indirect owner with respect to a pass-through entity item or an item affected by a pass-through entity item for a taxable year to which pass-through entity items relate shall not expire before the latest of: (i) the assessment period, including subsections (d) or (h) of section 26, applicable to the taxpayer member or indirect owner for tax periods to which pass-through entity items relate; or (ii) one year after the date the determination of pass-through entity items becomes a final determination of pass-through entity items as described in paragraph (2) of subsection (c).

(2) Subsections (d) and (h) of section 26 shall apply to returns filed by a pass-through entity; in such cases, the commissioner may conduct a unified audit of pass-through entity items and reach final determination of such items during such extended time periods as are consistent with those described in said subsections (d) and (h).

(3) The tax matters partner or other person authorized by a pass-through entity may enter into a written agreement with the commissioner following the procedures of section 27 to extend the statute of limitations for the conduct of a unified audit procedure and determination of pass-through entity items.

(4) A member or indirect owner participating in the unified audit procedure may, within 6 months of such assessment or abatement made after a final determination of pass-through entity items in accordance with paragraph (2) of subsection (d), challenge the computation of tax as it applies to that taxpayer by filing an application for abatement pursuant to the procedures under section 37; provided, however, that such application shall be limited to computational matters on the member's or indirect owner's return attributable to pass-through entity items and shall not contest the underlying determination of the pass-through entity items.

(e) Members or indirect owners of a pass-through entity may elect not to participate in a unified audit procedure by providing notice to the commissioner in such time and manner as the commissioner may require. SECTION 47. Section 26 of chapter 121B of the General Laws, as appearing in the 2010 Official Edition, is hereby amended by adding the following clause:

(p) Notwithstanding this section or section 34 to the contrary, to dispose of or demolish any part or all of an existing housing project assisted by the commonwealth pursuant to chapter 689 of the acts of 1974, chapter 167 of the acts of 1987 or chapter 705 of the acts of 1966, if: (1) the department and the housing authority have determined that it is not financially feasible to bring the units up to a reasonable program standard for occupancy or permissible to convert the units to another low rent housing program; (2) the inventory of available housing units remaining in the surrounding community is not substantially diminished as a result of such demolition; and (3) for units financed pursuant to chapter 705 of the acts of 1966, the units were vacant as of November 1, 2012, or, for units financed by the chapter 689 of the acts of 1974 or chapter 167 of the acts of 1987, the department has received written confirmation from both the department of developmental services and the department of mental health that those units are obsolete and inappropriate for housing their respective clients. Upon approval by the department, the authority may dispose of the property by sale, ground lease or other transfer of its interest in the property; provided, that the department shall review and approve of any appraisal and request for proposals related to the disposition, as well as the selection of the selected bidder. The request for proposals shall provide that: in reviewing responses to the request for proposals, first priority for selecting from among the responsive and responsible bidders shall be those bidders that offer a feasible plan to provide housing on the site that is permanently affordable to households under 80 per cent of area median income as defined by the department. Those bidders shall obtain the property for \$1, subject to an enforceable agreement to meet the requirements of its proposal. If no responsive and responsible bidder meets the above standard, the property shall be sold to the bidder offering the highest price for the property. Notwithstanding anything to the contrary in this chapter, proceeds from the disposition, after paying for the costs of the disposition, shall be deposited in an expendable trust controlled by the department, the purpose of which shall be to fund capital improvements that the department determines are necessary and appropriate at existing housing developments that serve households that would have been eligible for occupancy of the units that had been sited on the property.

SECTION 48. Subsection (b) of section 31 of said chapter 121B, as so appearing, is hereby amended by striking out the second and third sentences and inserting in place thereof the following sentence:- The department shall approve such a project only if it makes the following determinations: (i) the design and layout of the proposed project is appropriate to the neighborhood in which it is to be located; and (ii) an adequate supply of dwelling units for families of low income is not then available in the private market, and the housing authority, after reasonable effort, has been unable to obtain such units either through reconstruction, remodeling, or repair of existing buildings or by the purchase of completed dwelling units.

SECTION 49. Said chapter 121B is hereby further amended by adding the following section:-

Section 60. (a) There is hereby established a Housing Preservation and Stabilization Trust Fund, in this section called the fund, to be administered by the undersecretary of housing and community development, in this section called the undersecretary. Monies in the fund shall be deposited with the state treasurer in a manner that will secure the highest interest rate available consistent with safety of the fund and with the requirement that all amounts on deposit be available for the immediate use.

(b) The undersecretary shall appoint the fund's trustee, who shall serve until a successor is appointed.

(c) There shall be credited to the fund: (1) any unexpended funds from items 7004-0100, 7004-0101, 7004-0108, 7004-9024 and 7004-9316, which shall not revert to the General Fund, but instead be deposited in the fund; (2) other funds appropriated or transferred by the general court; and (3) all interest earned on monies in the fund.

(d) Expenditures from the fund shall not be subject to appropriation, and balances remaining at the end of a fiscal year shall not revert to the General Fund. Expenditures from the fund shall be made only for providing affordable housing for low-income families and individuals in the commonwealth, particularly those most at risk of becoming homeless.

(e) Before making expenditures from the fund, each fiscal year the undersecretary shall submit a spending plan to the secretary of administration and finance and the house and senate committees on ways and means. Spending from the fund shall be subject to the approval of the secretary of administration and finance. For the purpose of accommodating discrepancies between the receipt of revenues and related expenditures, the undersecretary may incur obligations and the comptroller may certify payment amounts not to exceed the most recent revenue estimate submitted by the undersecretary and approved by the secretary of administration and finance, but the fund shall be in balance by the close of each fiscal year.

(f) The undersecretary shall determine eligibility and benefit levels for programs supported by the fund, but programs shall be structured in a sustainable manner.

(g) Eligible grantees of the fund shall include but are not limited to: local housing agencies, regional housing centers, private housing providers of affordable housing, other state agencies and municipalities.

SECTION.50 Chapter 149 of the General Laws is hereby amended by adding the following section:-

Section 14Q. (a)(1) There is hereby established a Medical Assistance Trust Fund, hereinafter the fund, which shall be administered by the director of unemployment assistance without further appropriation, to fund the provision of subsidized health care for low-income residents of the commonwealth. The fund shall consist of employer contributions required by this section. Each quarter, the department of unemployment assistance shall transfer funds to MassHealth and the Connector to be used exclusively for providing subsidized health insurance for low-income residents. Each employer, subject to sections 14, 14A, and 14C of chapter 151A, except those employers who employ 5 or fewer employees, shall pay, in the same manner and at the same times as the director of unemployment assistance prescribes for the contribution required by said section 14, a health insurance employer responsibility contribution computed by multiplying the wages paid its employees by the medical assistance employer contribution rate of .36 of 1 per cent.

(b) The receipts from such contributions shall be placed in the fund; provided however, that \$1 for each employee whose wages determine each employer's total health insurance employer responsibility contribution shall be deposited annually in the Catastrophic Illness in Children Relief Fund established by section 2ZZ of chapter 29. Prior to depositing the receipts, the director of unemployment assistance may deduct all administrative costs incurred by the department as a result of this section, including an amount as determined by the United States Secretary of Labor in accordance with federal cost rules; provided that in no calendar year may such deduction exceed 5 per cent of the amounts collected pursuant to this section. For the purpose of accommodating discrepancies between the receipt of revenues and related expenditures, the department may incur obligations and the comptroller may certify payment amounts not

to exceed the most recent revenue estimate submitted by the department and approved by the comptroller; provided, however, that the fund shall be in balance by the close of each fiscal year.

(c)(1) For the purposes of this section, the term "wages" shall not include that part of remuneration which, after remuneration equal to the health insurance employer responsibility contribution wage base with respect to employment with such employer has been paid to an individual during the calendar year, is paid to such individual during such year. For the purposes of this paragraph, remuneration shall include remuneration paid to an individual during the calendar year with respect to employment with a transferring employer, as that term is used in subsection (n) of section 14 of chapter 151A.

(2) For the purposes of this section, the term "health insurance employer responsibility contribution wage base" shall have the same meaning as the term "unemployment insurance taxable wage base" as defined in section 14 of chapter 151A.

(d)(1) The provisions of this section shall not apply to an employer subject to chapter 151A, as defined in paragraphs (2) and (3) of subsection (i) of section 14 of said chapter, until such employer has been an employer for a minimum of 12 consecutive months, as specified in paragraph (1) of subsection (b) of said section 14.

(3) During the first calendar year in which this section shall apply to an employer pursuant to paragraph (1), the employer's health insurance contribution rate shall be .12 of 1 per cent.

(4) During the second calendar year in which this section shall apply to an employer newly subject to this chapter pursuant to paragraph (1), the employer's health insurance contribution shall be .24 of 1 per cent.

(e) Except where inconsistent with the provisions of this section, the terms and conditions of chapter 151A that are applicable to the payment and collection of contributions or payments in lieu of contributions shall apply to the same extent to the payment of and the collection of such employer contribution; provided, however, that such contributions shall not be credited to the employer's account or to the solvency account established pursuant to section 14, section 14A, or section 14C of chapter 151A.

(f) There shall be a rate review board composed of the director of the office of Medicaid, or a designee, the director of unemployment assistance, or a designee, and the executive director of the health connector, or a designee. On or before November 30, the rate review board shall determine if the medical assistance employer contribution rates established in this section shall be adequate to provide for the estimated costs of providing subsidized health care to low-income residents of the commonwealth. In determining the costs to the commonwealth of providing subsidized care, the board shall consider costs exclusive of amounts to be covered by premiums, copayments, deductibles and co-insurance paid by covered individuals and any anticipated appropriations. The board shall file a report detailing its cost review determination with the general court and the division of insurance on or before December 31 of each year. If the board determines that the costs to the commonwealth in providing subsidized care have increased from the previous fiscal year, the board shall confirm the projected cost increase with the division of insurance and submit any recommended increase to the health insurance employer responsibility contribution with its annual report to the general court.

(g) The director of unemployment assistance, the commissioner of medical assistance, and the executive director of the health connector shall report annually, after the end of each calendar year, to the governor, the house committee on ways and means and the senate committee on ways and means. The report shall include the amount collected in the fund, the amount needed to administer the fund, the amount transferred, how the funds were used and the method for determining how much was transferred to each program. The report may also make recommendations for changes in the law and regulations governing the fund.

(h) Any employer notified of a liability determination under this section by the director of unemployment assistance may request a hearing on such determination. The request for hearing shall be filed within 10 days after mailing of the notice of the determination. If a hearing is requested, said director shall give the employer a reasonable opportunity for a fair hearing before an impartial hearing officer designated by the director. The conduct of such hearing shall be in accordance with the procedures prescribed by subsection (b) of section 39 of chapter 151A. Any employer aggrieved by the decision following such hearing may appeal such decision in accordance with the procedures prescribed by sections 40 to 42, inclusive, of chapter 151A. Unless action is taken under section 40 of chapter 151A, the decision of said director shall be final on all questions of fact and law.

SECTION 75. Whenever the secretary of administration and finance determines that procurement reforms or initiatives have resulted in cost savings for an agency of the executive department during fiscal year 2014, the secretary may reduce allotments under section 9B of chapter 29 of the General Laws to reflect some or all of the amounts saved, and within 15 days shall notify in writing the house and senate committees on ways and means. SECTION 77. SECTION 130. Chapter 279 of the General Laws, as so appearing, is hereby amended by striking sections 68 through 71 and inserting the following new sections:- Section 68. Upon a plea or verdict of guilty of murder committed with deliberately premeditated malice aforethought or murder with extreme atrocity or cruelty by an individual who has attained the age of 18 years at the time of the murder and who is not convicted under the provisions of the felony murder rule, in cases where the commonwealth has alleged in its indictment or indictments the presence of one or more of the aggravating circumstances set forth in section 69 of this chapter, a presentence hearing shall be conducted before the jury before which the case was tried; provided, however, that if in the opinion of the judge presiding at the presentence hearing, it is impossible or impracticable for the trial jury to sit at the presentence hearing, or if the matter of guilt was determined by a plea of guilty rather than by a jury, a new jury shall be impaneled to sit at the presentencing hearing. The selection of that jury shall be according to the laws and rules governing the selection of a jury for the trial of a capital case. A presentence hearing need not be conducted if the commonwealth determines either that it cannot prove beyond a reasonable doubt the existence of one or more of the aggravating circumstances set forth in section 69 of this chapter, or that the penalty of death should not be imposed, in which case the court shall impose the sentence of imprisonment for life as provided in section 2 of chapter 265. During the presentence hearing, the only issue shall be the determination of the punishment to be imposed. During such hearing the jury shall hear all additional relevant evidence in mitigation of punishment including evidence relevant to any statutory mitigating circumstance set forth in paragraph (b) of section 69 of this chapter, and evidence relevant to any other aspect of the defendant's character or record or any of the circumstances of the offense that the defendant or the commonwealth may proffer as a basis for a sentence less than death, regardless of its admissibility under the rules governing the admission of evidence at criminal trials. During such hearing, the jury shall also hear such evidence in aggravation of punishment as is relevant to any statutory aggravating circumstance set forth in paragraph (a) of said section 69, and which is alleged in the indictment; provided, however, that only such evidence in aggravation of punishment as the commonwealth has made known to the defendant prior to his trial shall be admissible, and provided further, that said evidence is otherwise admissible according to the rules governing the admission of evidence at criminal trials. The jury shall also hear arguments by the defendant or his counsel or both and by the commonwealth regarding the punishment to be imposed. The commonwealth and the defendant or his counsel shall be allowed to make opening statements and closing arguments at the presentence hearing. The order of those statements and arguments and the order of presentation of evidence shall be the same as at trial. Upon the conclusion of evidence and arguments at the presentence hearing, the court shall instruct the jury orally as to, and shall provide to the jury in writing copies of, any statutory aggravating circumstance or circumstances which are set forth in the indictment and which it determines to be warranted by the evidence. The court shall instruct the jury that it may choose to find that the penalty of death shall be imposed upon the defendant, or it may choose not to find that the penalty of

death be imposed on the defendant, but that it may not find that the penalty of death shall be imposed unless it shall first make a unanimous determination of the existence of one or more of the aggravating circumstances set forth in section 69 of this chapter and the indictment, beyond a reasonable doubt. The jury shall further be instructed that if it finds the existence of such an aggravating circumstance beyond a reasonable doubt, it must then consider all of the evidence presented to it relevant to any of the mitigating circumstances set forth in paragraph (b) of section 69 of this chapter, or to any other mitigating circumstance and determine whether, in view of all the relevant circumstances of the offense and of the defendant, the sentence shall be life imprisonment or death. The jury shall further be instructed that the penalty of death may not be imposed unless it unanimously finds after a review of all of the evidence of mitigation proffered as a basis for a sentence less than death, that the penalty of death should be imposed. If the jury is unable to reach a unanimous verdict, the court shall impose the sentence of imprisonment for life as provided in section 2 of chapter 265. If its unanimous verdict is to impose the penalty of death, the jury shall designate in writing, signed by the foreperson of the jury, the statutory aggravating circumstance or circumstances which it unanimously found existed beyond a reasonable doubt, and that the jury after consideration of all of the evidence of mitigation relevant to the circumstances of the defendant and the offense proffered as a basis for a sentence less than death, unanimously found that the death penalty should be imposed. After the jury has made its findings, the court shall set a sentence in accordance with section 70. The declaration of a mistrial during the course of the presentence hearing or any error in the presentence hearing determined or otherwise shall not affect the validity of the conviction. Section 69. (a) In all cases in which the death penalty may be authorized, the statutory aggravating circumstances are: (1) the murder was knowingly committed on a victim because of his position as, or while engaged in the performance of his official duties as one or more of the following: police officer, special police officer, parole officer, probation officer, state or federal law enforcement officer, court officer, firefighter, officer or employee of the department of correction, officer or employee of a sheriff's department, officer or employee of a jail or officer or employee of a house of correction; (2) the murder was committed by a defendant who was at the time incarcerated in a jail, or a correctional or penal institution, or the Massachusetts Treatment Center for the Sexually Dangerous or a facility used for the housing or treatment or housing and treatment of prisoners; or while on escape, furlough or work release from such jail, correctional or penal institution or facility; (3) the murder was knowingly committed on a victim because of his position as, or while engaged in the performance of his official duties as a judge, prosecuting attorney, juror, or witness; (4) the murder was committed by a defendant who had previously been convicted of murder in the first or second degree, or of an offense in any other federal, state or territorial jurisdiction of the United States which is the same as or necessarily includes the elements of the offense of murder in the first or second degree; (5) the murder was committed by a defendant who had previously been convicted of two or more federal or state offenses, committed on different occasions, for which a sentence of life in prison or death was authorized by statute; (6) the murder involved torture to the victim or the intentional infliction of extreme pain prior to death demonstrating a total disregard to the suffering of the victim; (7) the murder was committed by means of a destructive device, bomb, or explosive planted, hidden, mailed, delivered, or concealed in any place, area, dwelling, building or structure by the defendant; or the murder was committed by means such that the defendant knew or reasonably should have known that his act or acts would create a grave risk of death or serious bodily injury to more than one person; or the murder was committed by means of a machine gun or other automatic weapon; (8) the murder occurred during the commission of or in furtherance of a violation of the drug trafficking laws of the commonwealth as set forth in section 32E of chapter 94C, or during the commission of or in furtherance of an attempt or conspiracy to violate said drug trafficking laws; (9) the murder was committed as an act of political terrorism, which include murders committed for the purpose of attacking the government of the United States or any political subdivision thereof (10) the murder was knowingly committed on a victim because of his position as, or while engaged in the performance of his official duties as one of the following: governor or governor-elect, lieutenant governor or lieutenant governor elect, secretary of the commonwealth, treasurer of the commonwealth, attorney general, member of the governor's council, district attorney, representative or senator in the general court or mayor . (11) the murder was committed by means of a biological, chemical or nuclear agent or device, including but not limited to an act of terrorism (b) In all cases in which the death penalty may be authorized, the mitigating circumstances shall be any factors proffered by the defendant or the commonwealth which are relevant in determining whether to impose a sentence less than death, including, but not limited to, any aspect of the defendant's character, propensities, or record

and any of the circumstances of the murder, including but not limited to the following: (1) the defendant has no significant history of prior criminal convictions; (2) the victim was a co-conspirator or willing participant in the defendant's homicidal conduct, or in the criminal conduct which resulted in the murder; (3) the murder was committed while the defendant was under extreme duress or under the domination or control of another which was insufficient to establish a defense to the murder but which substantially affected his judgment; (4) the offense was committed while the capacity of the defendant to appreciate the criminality of his conduct or to conform his conduct to the requirements of the law was impaired as a result of: (a) a mental disease or defect; (b) organic brain damage; (c) emotional illness brought on by stress or prescribed medication; or (d) intoxication, or legal or illegal drug use by the defendant; which was insufficient to establish a defense to the murder but which substantially affected his judgment; (5) the defendant was over the age of 75 at the time of the murder, or any other relevant consideration regarding the age of the defendant at the time of the murder; (6) the defendant was battered or otherwise physically or sexually abused by the victim in connection with or prior to the murder for which the defendant was convicted and such abuse was a contributing factor in the murder; (7) the defendant was experiencing post-traumatic stress syndrome caused by military service during a declared or undeclared war. Section 70. Where a person is convicted or pleads guilty to a crime which is punishable by death, a sentence of death shall not be imposed unless findings in accordance with section 68 are made. Further, such a sentence shall not be imposed unless the jury finds that there is conclusive scientific evidence, including physical or other associative evidence, enabling it to reach a high level of scientific certainty connecting the defendant to the crime. Physical or other associative evidence may include any tangible image, object, or item that can be independently examined for the purpose of obtaining pertinent investigative information. The jury may use the scientific, physical or other associative, evidence to corroborate the defendant's guilt and need not rely entirely on human evidence and testimony. Where such findings are made and the jury finds that the death penalty shall be imposed, the court shall sentence the defendant to death unless the court determines that a sentence of death should not be imposed under section 71. Where such findings are not made or not unanimously made or where a sentence of death is not a unanimous finding by the jury, the court shall sentence the defendant to life imprisonment as provided in section two of chapter 265. Section 71. (a) The supreme judicial court shall establish, by rule, such reports or checklists to be utilized by the trial court, the prosecuting attorney, and defense counsel prior to, during, and after the trial of cases in which the death penalty is sought, as it deems necessary to ensure that all possible matters which could be raised in defense have been considered by the defendant and defense counsel and either asserted in a timely and correct manner or waived in accordance with applicable legal requirements, so that, for purposes of any pretrial review and the trial and post-trial review, the record and transcript of proceedings will be as complete as possible for a review by the sentencing court and the supreme judicial court of challenges to the trial, conviction, sentence and detention of the defendant. (b) In any case in which the sentence of death has been imposed, the trial judge shall conduct a review of the entire record and shall report to the supreme Judicial court any observations which it deems pertinent to the question of the appropriateness of the sentence, including the credibility and effectiveness of mitigation evidence offered by the defense; the strength of the commonwealth's case on the merits including observations with respect to its reliance on circumstantial or eyewitness testimony and on the possibility, if any, of innocence being subsequently established, and the possibility of passion or prejudice having affected the jury's sentencing decision. If, based on the trial court's review of the record, the court determines that despite findings by the jury, the death penalty should not be imposed, the judge may set aside the sentence of death and impose a sentence of life imprisonment without parole. In such case the judges shall set forth in writing the findings and reasons which support such determination. The commonwealth shall have a right to appeal to the supreme judicial court any such determination, and the supreme judicial court may set aside said determination if it is unsupported by the record of the case, and may thereafter reimpose the penalty of death. (c) In any case in which a sentence of death has been imposed, the trial judge may suspend for a period of time or set aside the penalty of death and impose in its place a sentence of life in prison without possibility of parole at any time, upon a showing that there is newly discovered evidence that casts substantial doubt on the justice of the conviction, or raises the substantial possibility of innocence being subsequently established, even though said evidence is not then sufficient to grant a new trial. (d) Nothing in this section shall limit or restrict review, rights or remedies available through the procedures under Rule 30 of the Massachusetts Rules of Criminal Procedure. Section 72. (a) In addition to a unified review procedure administered by the supreme judicial court, the court shall conduct a formal process to ensure the

independent scientific review of all scientific, physical or other associative, evidence in every capital case in which a sentence of capital punishment is imposed. (b) The court shall create an Independent Scientific Review (ISR) Advisory Committee which shall draft policies, processes, and criterion for the ISR Panel for reviewing scientific evidence used in each capital case in which a sentence of capital punishment is imposed. (c) Members of the ISR Advisory Committee shall be appointed by the court from a list of nominees submitted by the governor and shall be recognized experts in the evaluation of forensic evidence. If any appointed member of the committee is employed by a commonwealth crime laboratory, said member shall not participate in the review of any capital case in which said member's laboratory had involvement. The members of the committee shall appoint an independent expert panel to review each forensic-science sub-discipline relevant to each case. (d) At the conclusion of any capital trial in which the defendant has been convicted and a sentence of capital punishment has been imposed, the ISR Committee shall appoint an ISR Panel which shall include independent members from each forensic-science sub-discipline relevant to the particular case. Members of said panel shall be selected from among recognized and accredited experts not employed by the commonwealth's state or city crime laboratories. (e) Once selected, the ISR Panel shall conduct a thorough review of the collection, handling, evaluation, analysis, preservation, and interpretation of, and testimony and all other matters relating to scientific evidence used in the particular case. This review shall be conducted pursuant to the policies drafted and adopted by the ISR Advisory Committee. The panel review shall include, but not be limited to, an examination of the following: (1) whether the integrity of the evidence was sufficient to allow for consideration of subsequent procedures (2) whether appropriate guidelines and standards of practice were followed during crime scene and autopsy procedures; the recognition, documentation, recovery, packaging, and preservation of evidence; the examination and comparison of evidence; the interpretation and reporting of results; and the reconstruction by experts relying on other examinations or reports (3) whether any new research or novel science played a role in the particular case and whether it was appropriately documented and provided for review under the relevant legal standard (4) whether the ISR process revealed any specific scientific or technical issues requiring additional information, or suggesting that errors may have been made. (f) A copy of the ISR Panel's report shall be provided, upon completion, to the trial judge, prosecutor, defense attorney, and the supreme judicial court. (g) If, based on panel's review of the record, the court determines that despite findings by the jury, the death penalty should not be imposed, the judge may set aside the sentence of death and impose a sentence of life imprisonment without parole. In such case, the judges shall set forth in writing the findings and reasons which support such determination. Section 73. In addition to a review of the entire case pursuant to section 33E of chapter 278, and section 71 of chapter 279, the supreme Judicial court shall review the sentence of death imposed pursuant to sections 68, 69, and 70 of chapter 279. If the supreme Judicial court determines that (1) the sentence of death was imposed under the influence of passion, prejudice or any other arbitrary factor; or (2) the evidence does not support the jury's finding of a statutory aggravating circumstance or circumstances as defined in section sixty-nine; or (3) the evidence of mitigation warranted the imposition of a life sentence rather than a sentence of death; or (4) the weight of the evidence does not warrant a sentence of death the court shall (1) reverse the sentence of death and remand for a new presentence hearing pursuant to section 68 of chapter 279; or (2) reverse the sentence of death and remand to the superior court department of the trial court for sentence of imprisonment in the state prison for life. The court shall also have the authority to affirm the sentence of death.

Notwithstanding any special or general law to the contrary, the provisions of this section shall not take effect until such time as (i) the executive office of public safety and security, in conjunction with the administrative office of the trial court, has furnished a study of the legislation's impact on the judicial system of the commonwealth, including a fiscal analysis of the impact on the court system due to death penalty trials; the cost of housing death row inmates in the state prison system; the means by which other states with comparable economies have absorbed such fiscal costs; and any other ancillary activity; and (ii) the study with recommended changes to the legislation has been filed with the joint committee on judiciary and passed pursuant to Part 2, Chap. 1, Sec. 1, Art. II of the Constitution.

The municipality shall be entitled to reimbursement for the difference between the amount called for in such assessment and the amount of the tax receipts, including payments in lieu of taxes or other compensation paid in the year prior to the full or partial decommissioning or other change in operating status of the facility, provided that such independent assessment is filed with any request for funds under this clause. Payments from the fund shall be prioritized so that the first payments from the fund shall be made to municipalities under this clause;

(ii) to reimburse a municipality in which the property tax receipts from an electric generating station including, for the purposes of this clause, payments in lieu of taxes and other compensation specified in an agreement between a municipality and an affected property owner, are reduced due to a reduction in capacity factor, occurring after July 1, 2012, at a dual coal and oil fired facility of at least 50 per cent from the average capacity factor of the previous 10 years, if such action also reduces the commonwealth's greenhouse gas emissions from the electric generator sector under the goals established under chapter 21N; provided, however, that the amount of such reimbursement shall be determined by calculating the difference between the amount of the tax receipts, including payments in lieu of taxes or other compensation paid by the electric generating station in the current tax year and the amount of the tax receipts, including payments in lieu of taxes or other compensation paid by the electric generating station in the year prior to the full or partial decommissioning or other change in operating status of the facility; provided further, that no reimbursement shall be made if, in a tax year, the aggregate amount paid to a municipality by the owner of an electric generating station including, but not limited to, payments in lieu of taxes and other compensation, exceeds the aggregate amount paid to that municipality by that owner in the year prior to the full or partial decommissioning or other change in operating status of the facility; provided further, that the amount of such reimbursement shall not exceed \$3,000,000 in a calendar year;
