(SUCCESSOR TO HF 137)

(As Amended and Passed by the House March 12, 2025)

A BILL FOR

1 An Act relating to medical residency and fellowship positions,
2 including priority for admission to the university of
3 Iowa's colleges of medicine and dentistry, and hospitals and
4 clinics.
5 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. Section 262.9, Code 2025, is amended by adding
2 the following new subsection:

3 NEW SUBSECTION. 39. Adopt a policy requiring that not
4 less than eighty percent of the students who are accepted at
5 the college of medicine in the doctor of medicine program,
6 and who are accepted at the college of dentistry at the state
7 university of Iowa be residents of Iowa or persons who were,
8 prior to applying to such college, enrolled in an eligible
9 postsecondary institution as defined in section 261E.2.

10 Sec. 2. Section 263.2, Code 2025, is amended to read as
11 follows:

12 **263.2 Degrees — reports.**

13 1. A person shall not be admitted to courses of instruction
14 in the university if the person has not completed the
15 elementary instruction in such branches as are taught in the
16 public or accredited nonpublic schools throughout the state.

17 2. Graduates of the university shall receive degrees or
18 diplomas, or other evidences of distinction such as are usually
19 conferred and granted by universities and are authorized by the
20 state board of regents.

21 3. The university of Iowa, in collaboration with the
22 university hospitals and clinics, shall submit an annual report
23 to the general assembly providing the following information:

24 a. The states in which members of each graduating class
25 from the college of dentistry and the college of medicine's
26 doctor of medicine program reside during the year immediately
27 following graduation. The information shall be divided by
28 residents of Iowa at the time of application to the college and
29 nonresidents at the time of application to the college.

30 b. The states in which the university of Iowa hospitals
31 and clinics primary care and specialty residents reside in the
32 year following completion of medical residency and whether
33 following residency such residents accepted fellowships. The
34 information shall be divided by primary care and various areas
35 of specialty, and whether the medical residents were residents

1 of Iowa prior to applying for admission at an undergraduate
 2 college or university, received a baccalaureate degree from
 3 a postsecondary institution in Iowa, or graduated from a
 4 medical school in Iowa, whether or not the medical residents
 5 were residents of the state at the time of acceptance into the
 6 university of Iowa hospitals and clinics' residency programs
 7 and, if any residents accepted fellowships following residency,
 8 the states in which the fellowships are offered and the areas
 9 of specialty under the fellowships.

10 Sec. 3. NEW SECTION. **263.6 Residency and fellowship**
 11 **positions — priority for certain candidates — rural rotations.**

12 The university of Iowa hospitals and clinics shall give
 13 priority in awarding federal residency positions as established
 14 under the federal Balanced Budget Act of 1997, Pub. L. No.
 15 105-33, and fellowships to applicants who are residents of
 16 Iowa, attended and earned an undergraduate degree from an
 17 Iowa college or university, or attended and earned a medical
 18 degree from a medical school in Iowa. The university of Iowa
 19 hospitals and clinics shall also provide the opportunity to
 20 participate in a rural rotation to persons to whom a primary
 21 care residency or fellowship position, including such positions
 22 in psychiatry, is awarded in order to expose the resident or
 23 fellow to rural areas of the state.

24 Sec. 4. **MEDICAL RESIDENCY POSITIONS — APPLICANTS MEETING**
 25 **CERTAIN CRITERIA — ANNUAL REPORT.**

26 1. The university of Iowa hospitals and clinics shall offer
 27 an interview for an available medical residency position to
 28 any applicant who has a residency specialty in obstetrics and
 29 gynecology, psychiatry, general surgery, emergency medicine,
 30 neurology, or primary care, or an available cardiology
 31 fellowship position to any applicant who has a fellowship
 32 specialty in cardiology, and who also is a resident of Iowa,
 33 attended and earned an undergraduate degree from an Iowa
 34 college or university, or attended and earned a medical degree
 35 from a medical school in Iowa.

1 2. The university of Iowa hospitals and clinics shall
2 submit a report to the governor and the general assembly by
3 January 15, annually, regarding the interviews as specified
4 in this section during the prior fiscal year. Specifically,
5 the report shall include for each interview the name of the
6 applicant's medical school, whether an applicant was offered
7 and participated in an interview, whether the applicant was
8 accepted for one of the residency or fellowship positions,
9 and the total number of available residency and fellowship
10 positions filled by an applicant meeting the criteria under
11 this section.
