Synopsis: Local government finance. Places restrictions on the issuance of certain general obligation bonds. Amends a capitalization rate percentage under the statewide agricultural land base rate determination. Provides that the percentage cap used to determine the maximum levy growth quotient is 4% in 2026. Provides that, notwithstanding any growth in a political subdivision's assessed value (AV) in the previous year, a political subdivision's ad valorem property tax levy shall not exceed the ad valorem property tax levy for its last preceding annual budget, unless the fiscal body of the political subdivision adopts an affirmative tax rate and tax levy increase by ordinance following a separate public hearing. Requires a resulting decrease in tax rates for each political subdivision in which there was

an increase in the political subdivision's AV in the previous year, subject to any affirmative tax rate and tax levy increase adopted by the fiscal body of the political subdivision. Phases out the authority for the department of local government finance (department) to permit an excess tax levy that is based on AV growth, school transportation costs, and other circumstances. Retains the provisions that permit an excess tax levy if the civil taxing unit cannot carry out its governmental functions in the case of annexation, a natural disaster, an accident, or an emergency. Phases in an increase in the acquisition cost threshold for the business personal property tax exemption from \$80,000 to \$2,000,000. Provides that the 30% minimum valuation limitation does not apply to business personal property placed in service after January 1, 2025. Phases down the homestead standard deduction over five years to zero beginning for taxes due and payable in 2031. Phases in an increase in the supplemental homestead deduction to 2/3 of the AV of the homestead. Phases in an AV deduction for all property that is subject to the 2% circuit breaker credit for excessive property taxes for assessment dates beginning in 2025 up to a 1/3 AV deduction for taxes due and payable in 2031, and each taxable year thereafter. Expires certain property tax deductions allowed in current law, and instead allows a credit against local property taxes in certain instances. Makes certain changes to the qualification requirements and credit amount for the over 65 circuit breaker credit. Provides a supplemental homestead tax credit for property taxes for a person's homestead if the person qualifies for a standard homestead deduction for the same homestead property. Provides that specified referendums may be placed on the ballot only at a general election. Amends the ballot language for controlled project, school operating, and school public safety referendums. Provides that a school corporation may not adopt a resolution to place a controlled project referendum on the ballot during the second calendar year after the final calendar year in which a previously approved controlled project referendum levy is imposed. Modifies the threshold amounts used for determining whether a political subdivision's project is a controlled project and whether the petition and remonstrance process or the referendum process applies based on the political subdivision's total debt service tax rate. Adds provisions to authorize a county fiscal body to adopt an ordinance to establish a property tax payment deferral program (program). Provides that a qualified individual participating in the program may defer the payment of part of the property taxes that would otherwise be due on a homestead. Provides that property taxes deferred under the program are due after the occurrence of a deferral termination event. Provides that the maximum amount of taxes that may be deferred cumulatively year over year may not exceed \$10,000. Increases, beginning in 2028, the maximum local income tax (LIT) expenditure rate for all counties to 2.9%. Authorizes a city or town to impose a municipal LIT rate beginning in 2028 not to exceed 1.2%. Provides that within a county's total expenditure rate, the county may adopt: (1) up to a 1.2% rate for county general purpose revenue; (2) up to a 0.4% rate for fire protection and emergency medical services; (3) up to a 0.2% rate for nonmunicipal civil taxing unit general purpose revenue; and (4) up to 1.2% for certain cities and towns that are not eligible to adopt a municipal LIT rate. Eliminates provisions that provide for a distribution of LIT expenditure rate revenue to schools and civil taxing units in counties that imposed a rate under the prior county adjusted gross income tax. Authorizes a county fiscal body to impose a local income tax expenditure rate to provide property tax relief for property tax liability attributable to homesteads in the county before January 1, 2028. Expires the authority to impose a property tax relief rate under the LIT and repeals the levy freeze rate. Provides that, in order to continue to impose an expenditure tax rate after 2027, each county must adopt a new ordinance on or before October 1, 2027, to impose

(Continued next page)

the rate. Provides that, for counties that fail to adopt an ordinance to renew an existing expenditure tax rate in 2027, the expenditure tax rate for the county in 2028 shall be the minimum tax rate necessary for existing debt service. Specifies that this does not prevent the county from renewing, imposing, or modifying an expenditure tax rate in subsequent years. Eliminates local income tax councils beginning July 1, 2027, and instead provides that the county fiscal body is the adopting body in all counties for purposes of the county LIT, and the city or town fiscal body is the adopting body in the case of a municipal LIT. Establishes the state and local income tax holding account within the state general fund for purposes of LIT distributions. Requires the budget agency to maintain an accounting for each county imposing a county LIT based on annual returns filed by or for county taxpayers (same as current law). Requires undistributed amounts so accounted to be held for purposes of the state and local income tax holding account beginning after December 31, 2026. (Under current law, undistributed amounts are required to be held in reserve separate from the state general fund.) Requires the budget agency to present each December to the budget committee a report of the following: (1) An estimate of the monthly certified distribution amounts for the immediately succeeding calendar year. (2) A description of the method used to determine the monthly estimates. Beginning in 2028, requires the budget agency to make monthly transfers to the state and local income tax holding account of the amount determined for the month in the budget agency's report to the budget committee. Repeals a provision that requires the budget agency to adjust the certified distribution of a county for the succeeding year following a tax rate change. Requires the department to develop and maintain a property tax transparency portal through which taxpayers may: (1) compare the property tax liability in their current tax statement compared to their potential property tax liability based on changes under a proposed tax rate; and (2) provide taxpayer feedback to the department. Prohibits the northern Indiana commuter transportation district from issuing new bonds after May 9, 2025, that are payable in whole or in part from amounts distributed from the commuter rail service fund or the electric rail service fund. Requires all school corporations that adopt a resolution for an operating referendum tax levy that is imposed for the first time with property taxes first due and payable beginning after 2027 to share revenue with certain charter schools. Requires, beginning with distributions in 2028, that all school corporations begin sharing revenue from the school corporation's operations fund levy with certain charter schools. Provides for the phasing in of the sharing of revenue with certain charter schools from the school corporation's operations fund levy. Provides for the appointment of additional board members to the governing board of a charter school that receives property tax revenue. Sets forth additional procedures related to the closure of a charter school. Dissolves the Union School Corporation. Provides that for a fire protection territory established after January 1, 2025, each unit in a territory may not impose a tax rate that exceeds \$0.40 per \$100 of assessed valuation. Makes conforming changes. Makes technical corrections. Makes an appropriation.

SECTION 2. IC 5-1-14-14, AS AMENDED BY P.L.197-2016, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 14. (a) Notwithstanding any other law, a municipality may sell the municipality's interest in any notes payable to the municipality at a negotiated sale.

(b) A county or municipality may establish a revolving fund from grants, the revenue received by the county or municipality under IC 6-3.6-9 and allocated for economic development purposes, ~~under IC 6-3.6-9~~, the proceeds of the sale of notes, or the proceeds of bonds issued under this section and IC 36-9-32. The county or municipality may loan the money in the revolving fund to any borrower if the county or municipal fiscal body finds that the loan will be used by the borrower for one (1) or more of the following economic development purposes:

(1) Promoting significant opportunities for the gainful employment of the county's or municipality's residents.

(2) Attracting a major new business enterprise to the county or municipality.

(3) Retaining or expanding a significant business enterprise in the county or municipality.

(c) Activities that may be undertaken by the borrower in carrying out an economic development purpose include expenditures for any of the following:

(1) Acquisition of land.

(2) Acquisition of property interests.

(3) Site improvements.

(4) Infrastructure improvements.

(5) Buildings.

(6) Structures.

(7) Rehabilitation, renovation, or enlargement of buildings or structures.

(8) Machinery.

(9) Equipment.

(10) Furnishings.

(d) Local governmental entities may borrow under subsection (b) if the local governmental entity's jurisdiction includes the geographic area within the boundaries of the county or municipality that established the revolving fund. Notwithstanding any other law, the following provisions apply to the borrowing:

(1) The county or municipality that established the revolving fund and the local governmental entity borrower may each authorize the loan from the revolving fund and the issuance of notes

evidencing the loan by resolution. In each case, the resolution shall be adopted by the body with control over fiscal matters.

(2) A resolution adopted under subdivision (1) must approve:

(A) the term of the loan;

(B) the interest rate;

(C) the form of the note or notes;

(D) the medium of payment;

(E) the place and manner of payment;

(F) the manner of execution of the note or notes;

(G) the terms of redemption;

(H) the funds or sources of funds from which the note or notes are payable, which may be any funds and sources of funds available to the borrower; and

(I) any other provisions not inconsistent with this section.

(3) The notes and the authorization, issuance, sale, and delivery of the notes are not subject to any general statute concerning obligations issued by the local governmental entity borrower. This section contains full and complete authority for the making of the loan, the authorization, issuance, sale, and delivery of the notes, and the repayment of the loan by the borrower, and no law, procedure, proceedings, publications, notices, consents, approvals, orders, or acts by any officer, department, agency, or instrument of the state or of any political subdivision is required to make the loan, issue the notes, or repay the loan except as prescribed in this section.

(4) The notes issued by a local governmental entity borrower are exempt from taxation for all purposes and are exempt from any security registration requirements provided for in Indiana statutes.

(5) Notes issued by a local governmental entity borrower under this section are obligations for all purposes of this chapter.

(e) A municipality may issue bonds under IC 36-9-32-7(b) through IC 36-9-32-7(j) for the economic development purposes listed in subsection (c) and may repay the indebtedness solely from revenues derived from the repayment of any notes, including notes evidencing loans made under subsection (b).

(f) To the extent a revolving fund under subsection (b) is funded from:

(1) revenues received by the county under IC 6-3.6-9 and allocated for economic development purposes; ~~under IC 6-3.6-6-9~~; or

(2) repayments of principal and interest on loans from the revolving fund that were funded with revenues described in

subdivision (1);
 money in the revolving fund may at any time be transferred in whole
 or in part to the unit's economic development income tax fund, as
 determined by ordinance of the unit's fiscal body.

(g) The general assembly finds that counties and municipalities in
 Indiana have a need to foster economic development and industrial and
 commercial growth. The general assembly finds that it is necessary and
 proper to provide an alternative method for municipalities to foster the
 following:

- (1) Economic development.
- (2) Industrial and commercial growth.
- (3) Employment opportunities.
- (4) Diversification of industry and commerce.

It is declared that the fostering of economic development under this
 section for the benefit of the general public, including industrial and
 commercial enterprises, is a public purpose.

SECTION 3. IC 5-1-14-17 IS ADDED TO THE INDIANA CODE
 AS A **NEW SECTION TO READ AS FOLLOWS [EFFECTIVE
 UPON PASSAGE]: Sec. 17. (a) This section applies to a qualified
 political subdivision.**

**(b) As used this section, "general obligation bond" means a
 bond issued for a short term period of not more than five (5) years
 and payable from property taxes for a purpose or project that is
 not a controlled project (as defined in IC 6-1.1-20-1.1) for which
 the bond is not required to be issued using the procedures in
 IC 6-1.1-20.**

**(c) As used in this section, "qualified political subdivision"
 means a county, city, town, township, or school corporation.**

**(d) Notwithstanding any other law, and except as provided in
 subsection (e), if a qualified political subdivision issues new general
 obligation bonds, or has issued general obligation bonds before
 May 1, 2025, for a period of two (2) years or less, then at the
 expiration of those general obligation bonds, the qualified political
 subdivision must wait one (1) year from that date before the
 qualified political subdivision may issue general obligation bonds.**

**(e) Subsection (d) shall not apply to a qualified political
 subdivision in the case of a natural disaster, an accident, or another
 unanticipated emergency as determined by the department of local
 government finance.**

SECTION 4. IC 5-16-9-3, AS AMENDED BY P.L.197-2016,
 SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 JULY 1, 2027]: Sec. 3. (a) If a public agency has no parking facility

under its jurisdiction or control available to private persons who desire to conduct business with the public agency, the public agency shall direct the local authority having jurisdiction over the portion of the streets which are adjacent to the facilities of the public agency to reserve parking spaces for the use of persons with physical disabilities.

(b) If a retail shopping mall is constructed in whole or in part with revenue derived from a local income tax imposed under IC 6-3.6-6 and allocated for economic development purposes, ~~under IC 6-3.6-6-9~~, the local authority having jurisdiction over the portion of the streets adjacent to the retail shopping mall shall reserve parking spaces for the use of persons with physical disabilities.

SECTION 5. IC 6-1.1-2-11 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: **Sec. 11. (a) As used in this section, "tax increment financing allocation area" means any area authorized by statute in which ad valorem property taxes are allocated, including the following:**

- (1) IC 6-1.1-39 (economic development districts).
- (2) IC 8-22-3.5 (airport development zones).
- (3) IC 36-7-14 (redevelopment of areas needing redevelopment generally).
- (4) IC 36-7-15.1 (redevelopment of areas in Marion County).
- (5) IC 36-7-30 (reuse of federal military bases).
- (6) IC 36-7-30.5 (development of multicounty federal military bases).
- (7) IC 36-7-32 (certified technology parks).
- (8) IC 36-7-32.5 (innovation development districts).
- (9) IC 36-7.5-4.5 (rail transit development districts).

(b) The department shall, in each year beginning after December 31, 2025, and ending before January 1, 2034, adjust the base assessed value of each tax increment financing allocation area to neutralize the effect of the changing tax rates resulting year to year from the homestead deduction under IC 6-1.1-12-37(c)(2) and IC 6-1.1-12-37.5(c) and the deduction for eligible property under IC 6-1.1-12-47. It is the intent of the general assembly that an increase in revenue from a change in tax rates resulting from these statutes accrue only to the base assessed value and not to the tax increment financing allocation area. However, in the case of a decrease in revenue from a change in tax rates resulting from these statutes, the department may neutralize the change under this subsection in a positive manner with regard to the tax increment financing allocation area to protect the ability to pay bonds based

1 **on incremental revenue, if the tax increment financing allocation**
 2 **area demonstrates to the department that an adjustment is needed**
 3 **before the department calculates a positive neutralization**
 4 **adjustment.**

5 SECTION 6. IC 6-1.1-3-7.2, AS AMENDED BY P.L.137-2022,
 6 SECTION 11, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 7 JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7.2. (a) This section
 8 applies to assessment dates occurring after December 31, 2015.

9 (b) As used in this section, "affiliate" means an entity that
 10 effectively controls or is controlled by a taxpayer or is associated with
 11 a taxpayer under common ownership or control, whether by
 12 shareholdings or other means.

13 (c) As used in this section, "business personal property" means
 14 personal property that:

15 (1) is otherwise subject to assessment and taxation under this
 16 article;

17 (2) is used in a trade or business or otherwise held, used, or
 18 consumed in connection with the production of income; and

19 (3) was:

20 (A) acquired by the taxpayer in an arms length transaction
 21 from an entity that is not an affiliate of the taxpayer, if the
 22 personal property has been previously used in Indiana before
 23 being placed in service in the county; or

24 (B) acquired in any manner, if the personal property has never
 25 been previously used in Indiana before being placed in service
 26 in the county.

27 The term does not include mobile homes assessed under IC 6-1.1-7,
 28 personal property held as an investment, or personal property that is
 29 assessed under IC 6-1.1-8 and is owned by a public utility subject to
 30 regulation by the Indiana utility regulatory commission. However, the
 31 term does include the personal property of a telephone company or a
 32 communications service provider if that personal property meets the
 33 requirements of subdivisions (1) through (3), regardless of whether that
 34 personal property is assessed under IC 6-1.1-8 and regardless of
 35 whether the telephone company or communications service provider is
 36 subject to regulation by the Indiana utility regulatory commission.

37 (d) Notwithstanding section 7 of this chapter, if the acquisition cost
 38 of a taxpayer's total business personal property in a county is less than:

39 (1) eighty thousand dollars (\$80,000) for ~~that assessment date;~~
 40 **assessment dates before 2025;**

41 (2) **one million dollars (\$1,000,000) for the 2025 assessment**
 42 **date; and**

(3) two million dollars (\$2,000,000) for the 2026 assessment date, and each assessment date thereafter;

the taxpayer's business personal property in the county for that assessment date is exempt from taxation.

(e) Subject to subsection (f), a taxpayer that is eligible for the exemption under this section for an assessment date shall include the following information on the taxpayer's personal property tax return:

(1) A declaration that the taxpayer's business personal property in the county is exempt from property taxation.

(2) Whether the taxpayer's business personal property within the county is in one (1) location or multiple locations.

(3) An address for the location of the property.

If the business personal property is in multiple locations within a county, the taxpayer shall provide an address for the location where the sum of acquisition costs for business personal property is greatest. If two (2) or more addresses contain the greatest equivalent sum of acquisition costs for business personal property within a given county, the taxpayer shall choose only one (1) address to list on the return.

(f) Beginning after December 31, 2022, a taxpayer that has included the information required under subsection (e) on the taxpayer's personal property tax return to claim the exemption under this section is not required to file a personal property return for the taxpayer's business personal property for an assessment date that occurs after the assessment date for which the information is first provided under subsection (e), unless or until the taxpayer no longer qualifies for the exemption under subsection (d) for a subsequent assessment date.

SECTION 7. IC 6-1.1-3-22, AS AMENDED BY P.L.159-2020, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 22. (a) Except to the extent that it conflicts with a statute and subject to subsection (f), 50 IAC 4.2 (as in effect January 1, 2001), which was formerly incorporated by reference into this section, is reinstated as a rule.

(b) Tangible personal property within the scope of 50 IAC 4.2 (as in effect January 1, 2001) shall be assessed on the assessment dates in calendar years 2003 and thereafter in conformity with 50 IAC 4.2 (as in effect January 1, 2001).

(c) The publisher of the Indiana Administrative Code shall publish 50 IAC 4.2 (as in effect January 1, 2001) in the Indiana Administrative Code.

(d) 50 IAC 4.3 and any other rule to the extent that it conflicts with this section is void.

(e) A reference in 50 IAC 4.2 to a governmental entity that has been

terminated or a statute that has been repealed or amended shall be treated as a reference to its successor.

(f) The department of local government finance may not amend or repeal the following (all as in effect January 1, 2001):

- (1) 50 IAC 4.2-4-3(f).
- (2) 50 IAC 4.2-4-7.
- (3) 50 IAC 4.2-4-9.
- (4) 50 IAC 4.2-5-7.
- (5) 50 IAC 4.2-5-13.
- (6) 50 IAC 4.2-6-1.
- (7) 50 IAC 4.2-6-2.
- (8) 50 IAC 4.2-8-9.

However, the department of local government finance may amend these rules to conform with statutory changes.

(g) Notwithstanding any other provision of this section, 50 IAC 4.2-4-6(c) is void effective July 1, 2015. The publisher of the Indiana Administrative Code and the Indiana Register shall remove this provision from the Indiana Administrative Code.

(h) Notwithstanding any other provision of this section, the department of local government finance shall adopt rules amending 50 IAC 4.2 to reflect the enactment of section 29 of this chapter.

SECTION 8. IC 6-1.1-3-23, AS AMENDED BY P.L.220-2011, SECTION 119, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 23. (a) In enacting this section, the general assembly finds the following:

- (1) The economy of northern Indiana has historically been heavily dependent upon:
 - (A) the domestic steel industry, particularly the integrated steel mill business, which produces steel from basic raw materials through blast furnace and related operations; and
 - (B) the oil refining and petrochemical industry.
- (2) Northern Indiana is the only area of Indiana with integrated steelmaking facilities.
- (3) During the last thirty (30) years, the domestic steel industry has experienced significant financial difficulties. More than one-half (1/2) of the integrated steel mills in the United States were shut down or deintegrated, with the remainder requiring significant investment and the addition of new processes to make the facilities economically competitive with newer foreign and domestic steelmaking facilities and processes.
- (4) The United States needs to protect the capacity of the oil

refining and petrochemical industry. No oil refineries have been built in the United States since 1976.

(5) Given the economic conditions affecting older integrated steelmaking facilities, integrated steel mills claimed abnormal obsolescence in reporting the assessed value of equipment located at the integrated steelmaking facilities that began operations before 1970, thereby reporting the equipment's assessed value at far below thirty percent (30%) of the equipment's total cost (far below the "thirty percent (30%) floor" value generally applicable to equipment exhibiting only normal obsolescence under the current department of local government finance rules).

(6) Current law existing before January 1, 2003, obligates the taxpayers making abnormal obsolescence claims to pay personal property taxes based only on, and permits communities to determine property tax budgets and rates based only on, the reported personal property assessed values until the personal property appeals are resolved. Consequently, as a result of abnormal obsolescence claims, the property tax base of communities in northern Indiana is severely reduced for an indeterminate period (if not permanently). The prospect of future appeals and their attendant problems on an ongoing basis must be addressed.

(7) A new, optional method for valuing the equipment of integrated steel mills and entities that are at least fifty percent (50%) owned by an affiliate of an integrated steel mill ("related entities") and the oil refining and petrochemical industry in northern Indiana is needed. That optional method:

(A) recognizes the loss of value and difficulty in valuing equipment at integrated steelmaking facilities and facilities of the oil refining and petrochemical industry that commenced operations decades ago and at the facilities of related entities;

(B) recognizes that depreciable personal property used in integrated steelmaking and in oil refinery or petrochemical operations and by related entities is affected by different economic and market forces than depreciable personal property used in other industries and certain other segments of the steel industry and therefore experiences different amounts of obsolescence and depreciation; and

(C) can be used to simply and efficiently arrive at a value commensurate with that property's age, use, obsolescence, and market circumstances instead of the current method and its potentially contentious and lengthy appeals. Such an optional

- 1 method would benefit the communities where these older
 2 facilities are located.
- 3 (8) Such an optional method would be to authorize a fifth pool in
 4 the depreciation schedule for valuing the equipment of integrated
 5 steel mills, related entities, and the oil refining and petrochemical
 6 industry that reflects all adjustments to the value of that
 7 equipment for depreciation and obsolescence, including abnormal
 8 obsolescence, which precludes any taxpayer electing such a
 9 method from taking any other obsolescence adjustment for the
 10 equipment, and which applies only at the election of the taxpayer.
- 11 (9) The purpose for authorizing the Pool 5 method is to provide
 12 a more simplified and efficient method for valuing the equipment
 13 of integrated steel mills and the oil refining and petrochemical
 14 industry that recognizes the loss of value and unusual problems
 15 associated with the valuation of the equipment or facilities that
 16 began operations before 1970 in those industries in northern
 17 Indiana, as well as for valuing the equipment of related entities,
 18 to stabilize local property tax revenue by eliminating the need for
 19 abnormal obsolescence claims, and to encourage those industries
 20 to continue to invest in northern Indiana, thereby contributing to
 21 the economic life and well-being of communities in northern
 22 Indiana, the residents of northern Indiana, and Indiana generally.
- 23 (10) The specific circumstances described in this section do not
 24 exist throughout the rest of Indiana.
- 25 (b) For purposes of this section:
- 26 (1) "adjusted cost" refers to the adjusted cost established in 50
 27 IAC 4.2-4-4 (as in effect on January 1, 2003);
- 28 (2) "depreciable personal property" has the meaning set forth in
 29 50 IAC 4.2-4-1 (as in effect on January 1, 2003);
- 30 (3) "integrated steel mill" means a person, including a subsidiary
 31 of a corporation, that produces steel by processing iron ore and
 32 other raw materials in a blast furnace in Indiana;
- 33 (4) "oil refinery/petrochemical company" means a person that
 34 produces a variety of petroleum products by processing an annual
 35 average of at least one hundred thousand (100,000) barrels of
 36 crude oil per day;
- 37 (5) "permanently retired depreciable personal property" has the
 38 meaning set forth in 50 IAC 4.2-4-3 (as in effect on January 1,
 39 2003);
- 40 (6) "pool" refers to a pool established in 50 IAC 4.2-4-5(a) (as in
 41 effect on January 1, 2003);
- 42 (7) "special integrated steel mill or oil refinery/petrochemical

equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property:

(A) that:

(i) is owned, leased, or used by an integrated steel mill or an entity that is at least fifty percent (50%) owned by an affiliate of an integrated steel mill; and

(ii) falls within Asset Class 33.4 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647; or

(B) that:

(i) is owned, leased, or used as an integrated part of an oil refinery/petrochemical company or its affiliate; and

(ii) falls within Asset Class 13.3 or 28.0 as set forth in IRS Rev. Proc. 87-56, 1987-2, C.B. 647;

(8) "special tools" has the meaning set forth in 50 IAC 4.2-6-2 (as in effect on January 1, 2003); and

(9) "year of acquisition" refers to the year of acquisition determined under 50 IAC 4.2-4-6 (as in effect on January 1, 2003).

(c) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, a taxpayer may elect to calculate the true tax value of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment by multiplying the adjusted cost of that equipment by the percentage set forth in the following table:

Year of Acquisition	Percentage
1	40%
2	56%
3	42%
4	32%
5	24%
6	18%
7	15%
8 and older	10%

(d) The department of local government finance shall designate the table under subsection (c) as "Pool No. 5" on the business personal property tax return.

(e) The percentage factors in the table under subsection (c) automatically reflect all adjustments for depreciation and obsolescence, including abnormal obsolescence, for special integrated steel mill or oil refinery/petrochemical equipment. The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(f) The minimum valuation limitations under ~~50 IAC 4.2-4-9~~

section 29 of this chapter do not apply to special integrated steel mill or oil refinery/petrochemical equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

(g) An election to value special integrated steel mill or oil refinery/petrochemical equipment under this section:

(1) must be made by reporting the equipment under this section on a business personal property tax return;

(2) applies to all of the taxpayer's special integrated steel mill or oil refinery/petrochemical equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and

(3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the March 1, 2003, assessment date. Any special integrated steel mill or oil refinery/petrochemical equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(h) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than Pool No. 5 is attributable to special integrated steel mill or oil refinery/petrochemical equipment, the taxpayer may elect to calculate the true tax value of all of that property as special integrated steel mill or oil refinery/petrochemical equipment. The true tax value of property for which an election is made under this subsection is calculated under subsections (c) through (g).

SECTION 9. IC 6-1.1-3-23.5, AS AMENDED BY P.L.236-2023, SECTION 13, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 23.5. (a) For purposes of this section:

(1) "adjusted cost" has the meaning set forth in section 23(b)(1) of this chapter;

(2) "depreciable personal property" has the meaning set forth in section 23(b)(2) of this chapter;

(3) "mini-mill" means a person, including a subsidiary of a corporation, that produces steel using an electric arc furnace in Indiana;

(4) "permanently retired depreciable personal property" has the meaning set forth in section 23(b)(5) of this chapter;

(5) "pool" has the meaning set forth in section 23(b)(6) of this

chapter;

(6) "mini-mill equipment" means depreciable personal property, other than special tools and permanently retired depreciable personal property, that is owned, leased, or used by a mini-mill or an entity that is at least fifty percent (50%) owned by an affiliate of a mini-mill in the production of steel;

(7) "special tools" has the meaning set forth in section 23(b)(8) of this chapter; and

(8) "year of acquisition" for purposes of applying the table in section 23(c) of this chapter, has the meaning set forth in section 23(b)(9) of this chapter.

(b) Notwithstanding 50 IAC 4.2-4-4, 50 IAC 4.2-4-6, and 50 IAC 4.2-4-7, beginning with the January 1, 2023, assessment date, a taxpayer may elect to calculate the true tax value of the taxpayer's mini-mill equipment by multiplying the adjusted cost of that equipment by the applicable percentage set forth in the table designated as "Pool No. 5" under section 23(c) and 23(d) of this chapter.

(c) The percentage factors in the table under section 23(c) of this chapter automatically reflect all adjustments for depreciation and obsolescence, including abnormal obsolescence, for mini-mill equipment. The equipment is entitled to all exemptions, credits, and deductions for which it qualifies.

(d) The minimum valuation limitations under ~~50 IAC 4.2-4-9~~ **section 29 of this chapter** do not apply to mini-mill equipment valued under this section. The value of the equipment is not included in the calculation of that minimum valuation limitation for the taxpayer's other assessable depreciable personal property in the taxing district.

(e) An election to value mini-mill equipment under this section:

(1) must be made by reporting the equipment under this section on a business personal property tax return;

(2) applies to all of the taxpayer's mini-mill equipment located in the state (whether owned or leased, or used as an integrated part of the equipment); and

(3) is binding on the taxpayer for the assessment date for which the election is made.

The department of local government finance shall prescribe the forms to make the election beginning with the January 1, 2023, assessment date. Any mini-mill equipment acquired by a taxpayer that has made an election under this section is valued under this section.

(f) If fifty percent (50%) or more of the adjusted cost of a taxpayer's property that would, notwithstanding this section, be reported in a pool other than "Pool No. 5" (as designated under section 23 of this chapter)

1 is attributable to mini-mill equipment, the taxpayer may elect to
 2 calculate the true tax value of all of that property as mini-mill
 3 equipment. The true tax value of property for which an election is made
 4 under this subsection is calculated under subsections (b) through (e).

5 SECTION 10. IC 6-1.1-3-25, AS ADDED BY P.L.238-2017,
 6 SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 7 JANUARY 1, 2025 (RETROACTIVE)]: Sec. 25. (a) As used in this
 8 section, "district" refers to an entrepreneur and enterprise district
 9 designated under IC 5-28-15.5.

10 (b) Notwithstanding section 22(b) of this chapter and
 11 IC 6-1.1-8-44(b), assessable depreciable personal property that:

12 (1) is located in a district;

13 (2) is placed in service in the district by the owner of the property
 14 after the designation of the district under IC 5-28-15.5; and

15 (3) is used within the district by one (1) or more employees who
 16 perform the majority of their service within the district;

17 is not subject to the valuation limitations in ~~50 IAC 4.2-4-9~~ **section 29**
 18 **of this chapter** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45.**

19 SECTION 11. IC 6-1.1-3-29 IS ADDED TO THE INDIANA CODE
 20 AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE
 21 JANUARY 1, 2025 (RETROACTIVE)]: **Sec. 29. (a) This subsection**
 22 **applies only to a taxpayer's assessable depreciable personal**
 23 **property that is placed in service on or before January 1, 2025.**
 24 **Except as provided in subsections (b) and (c), for each assessment**
 25 **date, the total valuation of a taxpayer's assessable depreciable**
 26 **personal property in a single taxing district may not be less than**
 27 **thirty percent (30%) of the adjusted cost of all the taxpayer's**
 28 **assessable depreciable personal property in the taxing district.**

29 (b) The limitation set forth in subsection (a) is to be applied
 30 before any special adjustment for abnormal obsolescence. The
 31 limitation does not apply to equipment not placed in service,
 32 special tooling, and permanently retired depreciable personal
 33 property.

34 (c) Depreciable personal property that is placed in service after
 35 January 1, 2025, is not subject to the minimum valuation limitation
 36 under this section. However, if depreciable personal property is
 37 placed in service after January 1, 2025, and:

38 (1) is located in an existing tax increment allocation area for
 39 which the base assessed value is determined before January
 40 1, 2025; or

41 (2) property tax revenue that is attributable to the depreciable
 42 personal property is pledged as payment for bonds, leases, or

1 **other obligations;**
 2 **the depreciable personal property remains subject to the minimum**
 3 **valuation limitations under this section.**

4 SECTION 12. IC 6-1.1-4-4.5, AS AMENDED BY P.L.8-2022,
 5 SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 6 JANUARY 1, 2025 (RETROACTIVE)]: Sec. 4.5. (a) The department
 7 of local government finance shall adopt rules establishing a system for
 8 annually adjusting the assessed value of real property to account for
 9 changes in value in those years since a reassessment under section 4.2
 10 of this chapter for the property last took effect.

11 (b) Subject to subsection (f), the system must be applied to adjust
 12 assessed values beginning with the 2006 assessment date and each year
 13 thereafter that is not a year in which a reassessment under section 4.2
 14 of this chapter for the property becomes effective.

15 (c) The rules adopted under subsection (a) must include the
 16 following characteristics in the system:

17 (1) Promote uniform and equal assessment of real property within
 18 and across classifications.

19 (2) Require that assessing officials:

20 (A) reevaluate the factors that affect value;

21 (B) express the interactions of those factors mathematically;

22 (C) use mass appraisal techniques to estimate updated property
 23 values within statistical measures of accuracy; and

24 (D) provide notice to taxpayers of an assessment increase that
 25 results from the application of annual adjustments.

26 (3) Prescribe procedures that permit the application of the
 27 adjustment percentages in an efficient manner by assessing
 28 officials.

29 (d) The department of local government finance must review and
 30 certify each annual adjustment determined under this section.

31 (e) For an assessment beginning after December 31, 2022,
 32 agricultural improvements such as but not limited to barns, grain bins,
 33 or silos on land assessed as agricultural shall not be adjusted using
 34 factors, such as neighborhood delineation, that are appropriate for use
 35 in adjusting residential, commercial, and industrial real property. Those
 36 portions of agricultural parcels that include land and buildings not used
 37 for an agricultural purpose, such as homes, homesites, and excess
 38 residential land and commercial or industrial land and buildings, shall
 39 be adjusted by the factor or factors developed for other similar property
 40 within the geographic stratification. The residential portion of
 41 agricultural properties shall be adjusted by the factors applied to
 42 similar residential purposes.

(f) In making the annual determination of the base rate to satisfy the requirement for an annual adjustment for each assessment date, the department of local government finance shall, not later than March 1 of each year, determine the base rate using the methodology reflected in Table 2-18 of Book 1, Chapter 2 of the department of local government finance's Real Property Assessment Guidelines (as in effect on January 1, 2005), except that the department shall adjust the methodology as follows:

(1) Use a six (6) year rolling average adjusted under subdivision (3) instead of a four (4) year rolling average.

(2) Use the data from the six (6) most recent years preceding the year in which the assessment date occurs for which data is available, before one (1) of those six (6) years is eliminated under subdivision (3) when determining the rolling average.

(3) Eliminate in the calculation of the rolling average the year among the six (6) years for which the highest market value in use of agricultural land is determined.

(4) After determining a preliminary base rate that would apply for the assessment date without applying the adjustment under this subdivision, the department of local government finance shall adjust the preliminary base rate as follows:

(A) If the preliminary base rate for the assessment date would be at least ten percent (10%) greater than the final base rate determined for the preceding assessment date, a capitalization rate of:

(i) for purposes of determining the preliminary base rate for the January 1, 2025, and the January 1, 2026, assessment dates, nine percent (9%); and

(ii) for purposes of determining the preliminary base rate for assessment dates before January 1, 2025, and for assessment dates after December 31, 2026, eight percent (8%);

shall be used to determine the final base rate.

(B) If the preliminary base rate for the assessment date would be at least ten percent (10%) less than the final base rate determined for the preceding assessment date, a capitalization rate of six percent (6%) shall be used to determine the final base rate.

(C) If neither clause (A) nor clause (B) applies, a capitalization rate of seven percent (7%) shall be used to determine the final base rate.

(D) In the case of a market value in use for a year that is used

in the calculation of the six (6) year rolling average under subdivision (1) for purposes of determining the base rate for the assessment date:

(i) that market value in use shall be recalculated by using the capitalization rate determined under clauses (A) through (C) for the calculation of the base rate for the assessment date; and

(ii) the market value in use recalculated under item (i) shall be used in the calculation of the six (6) year rolling average under subdivision (1).

(g) For assessment dates after December 31, 2009, an adjustment in the assessed value of real property under this section shall be based on the estimated true tax value of the property on the assessment date that is the basis for taxes payable on that real property.

(h) The department shall release the department's annual determination of the base rate on or before March 1 of each year.

SECTION 13. IC 6-1.1-8-44, AS AMENDED BY P.L.38-2021, SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 44. (a) Except to the extent that it conflicts with a statute and subject to subsection (f), 50 IAC 5.1 (as in effect January 1, 2001), which was formerly incorporated by reference into this section, is reinstated as a rule.

(b) Tangible personal property within the scope of 50 IAC 5.1 (as in effect January 1, 2001) shall be assessed on the assessment dates in calendar years 2003 and thereafter in conformity with 50 IAC 5.1 (as in effect January 1, 2001).

(c) The publisher of the Indiana Administrative Code shall publish 50 IAC 5.1 (as in effect January 1, 2001) in the Indiana Administrative Code.

(d) 50 IAC 5.2 and any other rule to the extent that it conflicts with this section is void.

(e) A reference in 50 IAC 5.1 to a governmental entity that has been terminated or a statute that has been repealed or amended shall be treated as a reference to its successor.

(f) The department of local government finance may not amend or repeal the following (all as in effect January 1, 2001):

(1) 50 IAC 5.1-6-6.

(2) 50 IAC 5.1-6-7.

(5) 50 IAC 5.1-8-1.

(6) 50 IAC 5.1-9-1.

1 (7) 50 IAC 5.1-9-2.

2 However, the department of local government finance may amend
3 these rules to reflect statutory changes.

4 **(g) Notwithstanding any other provision of this section, the**
5 **department of local government finance shall adopt rules**
6 **amending 50 IAC 5.1 to reflect the enactment of section 45 of this**
7 **chapter.**

22 **property.**

23 **(c) Depreciable personal property that is placed in service after**
24 **January 1, 2025, is not subject to the minimum valuation limitation**

The department shall prescribe the form and manner of the certification process required by this subsection.

(c) If the department of environmental management receives an application for certification, the department shall determine whether the system or device qualifies for a deduction. If the department fails to make a determination under this subsection before December 31 of the year in which the application is received, the system or device is considered certified.

(d) A denial of a deduction claimed under section 33 **(before its expiration)** or 34 **(before its expiration)** of this chapter may be appealed as provided in IC 6-1.1-15. The appeal is limited to a review

of a determination made by the township assessor county property tax assessment board of appeals, or department of local government finance.

(1) that is equipped with a geothermal energy heating or cooling device; and

(2) whose previous owner received a property tax deduction under section 34 of this chapter **(before its expiration)** for the geothermal energy heating or cooling device prior to the change in ownership;

the new owner shall be eligible for the property tax deduction following the change in ownership and, in subsequent taxable years, shall not be required to obtain a determination of qualification from the department of environmental management under subsection (b) and shall not be required to file a certified statement of qualification with the county auditor under subsection (a) to remain eligible for the property tax deduction.

(f) This section applies only to property taxes imposed for an assessment date before January 1, 2025.

(g) This section expires January 1, 2027.

(b) A person who receives a deduction provided under section 26 **(before its expiration)**, 29 **(before its expiration)**, 33 **(before its expiration)**, 34 **(before its expiration)**, or 38 **(before its expiration)** of this chapter for a particular year and who becomes ineligible for the deduction for the following year shall notify the auditor of the county in which the real property or mobile home for which the person received the deduction is located of the person's ineligibility before March 31 of the year for which the person becomes ineligible.

(c) The auditor of each county shall, in a particular year, apply a deduction provided under section 26 **(before its expiration)**, 29 **(before its expiration)**, 33 **(before its expiration)**, 34 **(before its expiration)**, or 38 **(before its expiration)** of this chapter to each

1 person who received the deduction in the preceding year unless the

If more than one (1) individual or entity qualifies property as a homestead under subsection (a)(2)(B) for an assessment date, only one (1) standard deduction from the assessed value of the homestead may be applied for the assessment date. Subject to subsection (c), the auditor of the county shall record and make the deduction for the individual or entity qualifying for the deduction.

(c) Except as provided in section 40.5 of this chapter, the total amount of the deduction that a person may receive under this section for a particular year is: ~~the lesser of:~~

 11 **dates after December 31, 2024, with regard to mobile homes that**
 12 **are not assessed as real property and manufactured homes not**
 13 **assessed as real property shall be construed and applied in the**
 14 **same manner in terms of timing and consistent with its application**
 15 **for real property.**

16 (d) A person who has sold real property, a mobile home not assessed
 17 as real property, or a manufactured home not assessed as real property
 18 to another person under a contract that provides that the contract buyer

 21 section with respect to that real property, mobile home, or
 22 manufactured home.

23 (e) Except as provided in sections 17.8 and 44 of this chapter and
 24 subject to section 45 of this chapter, an individual who desires to claim

36 (i) as the names appear in the records of the United States
 37 Social Security Administration for the purposes of the
 38 issuance of a Social Security card and Social Security
 39 number; or

40 (ii) that they use as their legal names when they sign their
 41 names on legal documents;

42 if the applicant is an individual; or

- 1 (B) each individual who qualifies property as a homestead
 2 under subsection (a)(2)(B) and the individual's spouse (if any):
 3 (i) as the names appear in the records of the United States
 4 Social Security Administration for the purposes of the
 5 issuance of a Social Security card and Social Security
 6 number; or
 7 (ii) that they use as their legal names when they sign their

 18 number.
 19 (ii) The last five (5) digits of the individual's state
 20 identification card number.
 21 (iii) The last five (5) digits of a preparer tax identification
 22 number that is obtained by the individual through the

 24 (iv) If the individual does not have a driver's license, a state
 25 identification card, or an Internal Revenue Service preparer
 26 tax identification number, the last five (5) digits of a control
 27 number that is on a document issued to the individual by the
 28 United States government.
 29 If a form or statement provided to the county auditor under this section,
 30 IC 6-1.1-22-8.1, or IC 6-1.1-22.5-12 includes the telephone number or
 31 part or all of the Social Security number of a party or other number
 32 described in subdivision (4)(B) of a party, the telephone number and
 33 the Social Security number or other number described in subdivision
 34 (4)(B) included are confidential. The statement may be filed in person
 35 or by mail. If the statement is mailed, the mailing must be postmarked
 36 on or before the last day for filing. The statement applies for that first
 37 year and any succeeding year for which the deduction is allowed. ~~To~~
 38 ~~obtain the deduction for a desired calendar year in which property~~
 39 ~~taxes are first due and payable, the statement must be completed and~~
 40 ~~dated in the immediately preceding calendar year and filed with the~~
 41 ~~county auditor on or before January 5 of the calendar year in which~~
 42 ~~the property taxes are first due and payable.~~

1 (f) To obtain the deduction for a desired calendar year under this
 2 section in which property taxes are first due and payable, the
 3 individual desiring to claim the deduction must do the following as
 4 applicable:

5 (1) Complete, date, and file the certified statement described in
 6 subsection (e) on or before January 15 of the calendar year in
 7 which the property taxes are first due and payable.

8 (2) Satisfy any recording requirements on or before January 15
 9 of the calendar year in which the property taxes are first due and
 10 payable for a homestead described in subsection (a)(2).

11 ~~(f)~~ (g) Except as provided in subsection ~~(k)~~, (l), if a person who is
 12 receiving, or seeks to receive, the deduction provided by this section in
 13 the person's name:

14 (1) changes the use of the individual's property so that part or all
 15 of the property no longer qualifies for the deduction under this
 16 section; or

17 (2) is not eligible for a deduction under this section because the
 18 person is already receiving:

19 (A) a deduction under this section in the person's name as an
 20 individual or a spouse; or

21 (B) a deduction under the law of another state that is
 22 equivalent to the deduction provided by this section;

23 the person must file a certified statement with the auditor of the county,
 24 notifying the auditor of the person's ineligibility, not more than sixty
 25 (60) days after the date of the change in eligibility. A person who fails
 26 to file the statement required by this subsection may, under
 27 IC 6-1.1-36-17, be liable for any additional taxes that would have been
 28 due on the property if the person had filed the statement as required by
 29 this subsection plus a civil penalty equal to ten percent (10%) of the
 30 additional taxes due. The civil penalty imposed under this subsection
 31 is in addition to any interest and penalties for a delinquent payment that
 32 might otherwise be due. One percent (1%) of the total civil penalty
 33 collected under this subsection shall be transferred by the county to the
 34 department of local government finance for use by the department in
 35 establishing and maintaining the homestead property data base under
 36 subsection ~~(f)~~ (j) and, to the extent there is money remaining, for any
 37 other purposes of the department. This amount becomes part of the
 38 property tax liability for purposes of this article.

39 ~~(g)~~ (h) The department of local government finance may adopt rules
 40 or guidelines concerning the application for a deduction under this
 41 section.

42 ~~(h)~~ (i) This subsection does not apply to property in the first year for

1 which a deduction is claimed under this section if the sole reason that
 2 a deduction is claimed on other property is that the individual or
 3 married couple maintained a principal residence at the other property
 4 on the assessment date in the same year in which an application for a
 5 deduction is filed under this section or, if the application is for a
 6 homestead that is assessed as personal property, on the assessment date
 7 in the immediately preceding year and the individual or married couple
 8 is moving the individual's or married couple's principal residence to the
 9 property that is the subject of the application. Except as provided in
 10 subsection ~~(A)~~, (I), the county auditor may not grant an individual or a
 11 married couple a deduction under this section if:

12 (1) the individual or married couple, for the same year, claims the
 13 deduction on two (2) or more different applications for the
 14 deduction; and

15 (2) the applications claim the deduction for different property.

16 ~~(j)~~ (j) The department of local government finance shall provide
 17 secure access to county auditors to a homestead property data base that
 18 includes access to the homestead owner's name and the numbers
 19 required from the homestead owner under subsection (e)(4) for the sole
 20 purpose of verifying whether an owner is wrongly claiming a deduction
 21 under this chapter or a credit under IC 6-1.1-20.4, IC 6-1.1-20.6, or
 22 IC 6-3.6-5 ~~(after December 31, 2016):~~ **(before its expiration)**. Each
 23 county auditor shall submit data on deductions applicable to the current
 24 tax year on or before March 15 of each year in a manner prescribed by
 25 the department of local government finance.

26 ~~(k)~~ (k) A county auditor may require an individual to provide
 27 evidence proving that the individual's residence is the individual's
 28 principal place of residence as claimed in the certified statement filed
 29 under subsection (e). The county auditor may limit the evidence that an
 30 individual is required to submit to a state income tax return, a valid
 31 driver's license, or a valid voter registration card showing that the
 32 residence for which the deduction is claimed is the individual's
 33 principal place of residence. The county auditor may not deny an
 34 application filed under section 44 of this chapter because the applicant
 35 does not have a valid driver's license or state identification card with
 36 the address of the homestead property. The department of local
 37 government finance shall work with county auditors to develop
 38 procedures to determine whether a property owner that is claiming a
 39 standard deduction or homestead credit is not eligible for the standard
 40 deduction or homestead credit because the property owner's principal
 41 place of residence is outside Indiana.

42 ~~(l)~~ (l) A county auditor shall grant an individual a deduction under

1 this section regardless of whether the individual and the individual's
 2 spouse claim a deduction on two (2) different applications and each
 3 application claims a deduction for different property if the property
 4 owned by the individual's spouse is located outside Indiana and the
 5 individual files an affidavit with the county auditor containing the
 6 following information:

7 (1) The names of the county and state in which the individual's
 8 spouse claims a deduction substantially similar to the deduction
 9 allowed by this section.

10 (2) A statement made under penalty of perjury that the following
 11 are true:

12 (A) That the individual and the individual's spouse maintain
 13 separate principal places of residence.

14 (B) That neither the individual nor the individual's spouse has
 15 an ownership interest in the other's principal place of
 16 residence.

17 (C) That neither the individual nor the individual's spouse has,
 18 for that same year, claimed a standard or substantially similar
 19 deduction for any property other than the property maintained
 20 as a principal place of residence by the respective individuals.

21 A county auditor may require an individual or an individual's spouse to
 22 provide evidence of the accuracy of the information contained in an
 23 affidavit submitted under this subsection. The evidence required of the
 24 individual or the individual's spouse may include state income tax
 25 returns, excise tax payment information, property tax payment
 26 information, ~~driver~~ driver's license information, and voter registration
 27 information.

28 ~~(b)~~ (m) If:

29 (1) a property owner files a statement under subsection (e) to
 30 claim the deduction provided by this section for a particular
 31 property; and

32 (2) the county auditor receiving the filed statement determines
 33 that the property owner's property is not eligible for the deduction;
 34 the county auditor shall inform the property owner of the county
 35 auditor's determination in writing. If a property owner's property is not
 36 eligible for the deduction because the county auditor has determined
 37 that the property is not the property owner's principal place of
 38 residence, the property owner may appeal the county auditor's
 39 determination as provided in IC 6-1.1-15. The county auditor shall
 40 inform the property owner of the owner's right to appeal when the
 41 county auditor informs the property owner of the county auditor's
 42 determination under this subsection.

1 ~~(m)~~ (n) An individual is entitled to the deduction under this section
 2 for a homestead for a particular assessment date if:

3 (1) either:

4 (A) the individual's interest in the homestead as described in
 5 subsection (a)(2)(B) is conveyed to the individual after the
 6 assessment date, but within the calendar year in which the
 7 assessment date occurs; or

8 (B) the individual contracts to purchase the homestead after
 9 the assessment date, but within the calendar year in which the
 10 assessment date occurs;

11 (2) on the assessment date:

12 (A) the property on which the homestead is currently located
 13 was vacant land; or

14 (B) the construction of the dwelling that constitutes the
 15 homestead was not completed; and

16 (3) either:

17 (A) the individual files the certified statement required by
 18 subsection (e); or

19 (B) a sales disclosure form that meets the requirements of
 20 section 44 of this chapter is submitted to the county assessor
 21 on or before December 31 of the calendar year for the
 22 individual's purchase of the homestead.

23 An individual who satisfies the requirements of subdivisions (1)
 24 through (3) is entitled to the deduction under this section for the
 25 homestead for the assessment date, even if on the assessment date the
 26 property on which the homestead is currently located was vacant land
 27 or the construction of the dwelling that constitutes the homestead was
 28 not completed. The county auditor shall apply the deduction for the
 29 assessment date and for the assessment date in any later year in which
 30 the homestead remains eligible for the deduction. A homestead that
 31 qualifies for the deduction under this section as provided in this
 32 subsection is considered a homestead for purposes of section 37.5 of
 33 this chapter and IC 6-1.1-20.6.

34 ~~(m)~~ (o) This subsection applies to an application for the deduction
 35 provided by this section that is filed for an assessment date occurring
 36 after December 31, 2013. Notwithstanding any other provision of this
 37 section, an individual buying a mobile home that is not assessed as real
 38 property or a manufactured home that is not assessed as real property
 39 under a contract providing that the individual is to pay the property
 40 taxes on the mobile home or manufactured home is not entitled to the
 41 deduction provided by this section unless the parties to the contract
 42 comply with IC 9-17-6-17.

~~(p)~~ (p) This subsection:

(1) applies to an application for the deduction provided by this section that is filed for an assessment date occurring after December 31, 2013; and

(2) does not apply to an individual described in subsection ~~(n)~~ (o).

The owner of a mobile home that is not assessed as real property or a manufactured home that is not assessed as real property must attach a copy of the owner's title to the mobile home or manufactured home to the application for the deduction provided by this section.

~~(p)~~ (q) For assessment dates after 2013, the term "homestead" includes property that is owned by an individual who:

(1) is serving on active duty in any branch of the armed forces of the United States;

(2) was ordered to transfer to a location outside Indiana; and

(3) was otherwise eligible, without regard to this subsection, for the deduction under this section for the property for the assessment date immediately preceding the transfer date specified in the order described in subdivision (2).

For property to qualify under this subsection for the deduction provided by this section, the individual described in subdivisions (1) through (3) must submit to the county auditor a copy of the individual's transfer orders or other information sufficient to show that the individual was ordered to transfer to a location outside Indiana. The property continues to qualify for the deduction provided by this section until the individual ceases to be on active duty, the property is sold, or the individual's ownership interest is otherwise terminated, whichever occurs first. Notwithstanding subsection (a)(2), the property remains a homestead regardless of whether the property continues to be the individual's principal place of residence after the individual transfers to a location outside Indiana. The property continues to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana and is serving on active duty, if the individual has lived at the property at any time during the past ten (10) years. Otherwise, the property ceases to qualify as a homestead under this subsection if the property is leased while the individual is away from Indiana. Property that qualifies as a homestead under this subsection shall also be construed as a homestead for purposes of section 37.5 of this chapter.

~~(q)~~ (r) As used in this section, "homestead" includes property that satisfies each of the following requirements:

(1) The property is located in Indiana and consists of a dwelling

and includes up to one (1) acre of land immediately surrounding that dwelling, and any of the following improvements:

(A) Any number of decks, patios, gazebos, or pools.

(B) One (1) additional building that is not part of the dwelling if the building is predominately used for a residential purpose and is not used as an investment property or as a rental property.

(C) One (1) additional residential yard structure other than a deck, patio, gazebo, or pool.

(2) The property is the principal place of residence of an individual.

(3) The property is owned by an entity that is not described in subsection (a)(2)(B).

(4) The individual residing on the property is a shareholder, partner, or member of the entity that owns the property.

(5) The property was eligible for the standard deduction under this section on March 1, 2009.

SECTION 45. IC 6-1.1-12-37.5, AS AMENDED BY P.L.239-2023, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 37.5. (a) A person who is entitled to a standard deduction from the assessed value of property under section 37 of this chapter is also entitled to receive a supplemental deduction from the assessed value of the homestead to which the standard deduction applies after the application of the standard deduction but before the application of any other deduction, exemption, or credit for which the person is eligible.

(b) **This subsection applies to taxes first due and payable before January 1, 2026.** The amount of the deduction under this section is equal to the sum of the following:

(1) For property taxes first due and payable:

(A) before January 1, 2024, thirty-five percent (35%);

(B) in 2024, forty percent (40%); **and**

(C) in 2025, thirty-seven and five-tenths percent (37.5%); ~~and~~

~~(D) after December 31, 2025, thirty-five percent (35%);~~

of the assessed value determined under subsection (a) that is not more than six hundred thousand dollars (\$600,000).

(2) For property taxes first due and payable:

(A) before January 1, 2024, twenty-five percent (25%);

(B) in 2024, thirty percent (30%); **and**

(C) in 2025, twenty-seven and five-tenths percent (27.5%);

and

~~(D) after December 31, 2025, twenty-five percent (25%);~~

of the assessed value determined under subsection (a) that is more than six hundred thousand dollars (\$600,000).

(c) This subsection applies to taxes first due and payable after December 31, 2025. The amount of the deduction under this section is equal to:

SECTION 53. IC 6-1.1-12.1-4.5, AS AMENDED BY P.L.8-2022, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 4.5. (a) An applicant must provide a statement of benefits to the designating body. The applicant must provide the completed statement of benefits form to the designating body before the hearing specified in section 2.5(c) of this chapter or before the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment for which the person desires to claim a deduction under this chapter. The department of local government finance shall prescribe a form for the statement of benefits. The statement of benefits must include the following information:

(1) A description of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that the person proposes to acquire. A statement of benefits for new farm equipment must describe each piece of new farm equipment with sufficient detail to afford identification.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment;

an estimate of the number of individuals who will be employed or whose employment will be retained by the person as a result of

the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment and an estimate of the annual salaries of these individuals.

(3) An estimate of the cost of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, an estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products by the new manufacturing equipment.

The statement of benefits may be incorporated in a designation application. Notwithstanding any other law, a statement of benefits is a public record that may be inspected and copied under IC 5-14-3-3.

(b) The designating body must review the statement of benefits required under subsection (a). The designating body shall determine whether an area should be designated an economic revitalization area or whether the deduction shall be allowed, based on (and after it has made) the following findings:

(1) Whether the estimate of the cost of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment is reasonable for equipment of that type.

(2) With respect to:

(A) new manufacturing equipment not used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products; and

(B) new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment;

whether the estimate of the number of individuals who will be employed or whose employment will be retained can be reasonably expected to result from the installation of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(3) Whether the estimate of the annual salaries of those

individuals who will be employed or whose employment will be retained can be reasonably expected to result from the proposed installation of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(4) With respect to new manufacturing equipment used to dispose of solid waste or hazardous waste by converting the solid waste or hazardous waste into energy or other useful products, whether the estimate of the amount of solid waste or hazardous waste that will be converted into energy or other useful products can be reasonably expected to result from the installation of the new manufacturing equipment.

(5) Whether any other benefits about which information was requested are benefits that can be reasonably expected to result from the proposed installation of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment.

(6) Whether the totality of benefits is sufficient to justify the deduction.

The designating body may not designate an area an economic revitalization area or approve the deduction unless it makes the findings required by this subsection in the affirmative.

(c) Except as provided in subsection (f), and subject to subsection (g) and section 15 of this chapter, an owner of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment whose statement of benefits is approved is entitled to a deduction from the assessed value of that equipment for the number of years determined by the designating body under section 17 or 18 of this chapter. Except as provided in subsection (d) and in section 2(i)(3) of this chapter, and subject to subsection (g) and section 15 of this chapter, the amount of the deduction that an owner is entitled to for a particular year equals the product of:

- (1) the assessed value of the new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment in the year of deduction under the abatement schedule established under section 17 or 18 of this chapter; multiplied by
- (2) the percentage prescribed by the designating body under section 17 or 18 of this chapter.

(d) With respect to new manufacturing equipment and new research and development equipment installed before March 2, 2001, the deduction under this section is the amount that causes the net assessed value of the property after the application of the deduction under this section to equal the net assessed value after the application of the deduction under this section that results from computing:

(1) the deduction under this section as in effect on March 1, 2001; and

(2) the assessed value of the property under 50 IAC 4.2, as in effect on March 1, 2001, or, in the case of property subject to IC 6-1.1-8, 50 IAC 5.1, as in effect on March 1, 2001.

(e) The designating body shall determine the number of years the deduction is allowed under section 17 or 18 of this chapter. Except as provided by section 18 of this chapter, the deduction may not be allowed for more than ten (10) years. This determination shall be made:

(1) as part of the resolution adopted under section 2.5 of this chapter; or

(2) by resolution adopted within sixty (60) days after receiving a copy of a property owner's certified deduction application from the county auditor. A certified copy of the resolution shall be sent to the county auditor.

A determination about the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by following the procedure under subdivision (2).

(f) The owner of new manufacturing equipment that is directly used to dispose of hazardous waste is not entitled to the deduction provided by this section for a particular assessment year if during that assessment year the owner:

(1) is convicted of a criminal violation under IC 13, including IC 13-7-13-3 (repealed) or IC 13-7-13-4 (repealed); or

(2) is subject to an order or a consent decree with respect to property located in Indiana based on a violation of a federal or state rule, regulation, or statute governing the treatment, storage, or disposal of hazardous wastes that had a major or moderate potential for harm.

(g) For purposes of subsection (c), the assessed value of new manufacturing equipment, new farm equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment that is part of an owner's assessable depreciable personal property in a single taxing district subject to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45** is the product of:

(1) the assessed value of the equipment determined without regard to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~; **IC 6-1.1-8-45**; multiplied by

(2) the quotient of:

(A) the amount of the valuation limitation determined under ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45** for all of the owner's depreciable personal property in the taxing district; divided by

(B) the total true tax value of all of the owner's depreciable personal property in the taxing district that is subject to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45** determined:

(i) under the depreciation schedules in the rules of the department of local government finance before any adjustment for abnormal obsolescence; and

(ii) without regard to the valuation limitation in ~~50 IAC 4.2-4-9~~ **IC 6-1.1-3-29** or ~~50 IAC 5.1-6-9~~ **IC 6-1.1-8-45**.

SECTION 55. IC 6-1.1-17-3, AS AMENDED BY P.L.220-2021, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3. (a) The proper officers of a political subdivision shall formulate its estimated budget and its proposed tax rate and tax levy on the form prescribed by the department of local government finance and approved by the state board of accounts. In formulating a political subdivision's estimated budget under this section, the proper officers of the political subdivision must consider the net property tax revenue that will be collected by the political subdivision during the ensuing year, after taking into account the estimate by the department of local government finance under IC 6-1.1-20.6-11.1 of the amount by which the political subdivision's distribution of property taxes will be reduced by credits under IC 6-1.1-20.6-9.5 in the ensuing year, after

taking into account the estimate by the department of local government finance under section 0.7 of this chapter of the maximum amount of net property tax revenue and miscellaneous revenue that the political subdivision will receive in the ensuing year, and after taking into account all payments for debt service obligations that are to be made by the political subdivision during the ensuing year. The political subdivision or appropriate fiscal body, if the political subdivision is subject to section 20 of this chapter, shall submit the following information to the department's computer gateway:

- (1) The estimated budget.
- (2) The estimated maximum permissible levy, as provided by the department under IC 6-1.1-18.5-24.
- (3) The current and proposed tax levies of each fund.
- (4) The percentage change between the current and proposed tax levies of each fund.
- (5) The amount by which the political subdivision's distribution of property taxes may be reduced by credits granted under IC 6-1.1-20.6, as estimated by the department of local government finance under IC 6-1.1-20.6-11.1.
- (6) The amounts of excessive levy appeals to be requested.
- (7) The time and place at which the political subdivision or appropriate fiscal body will hold a public hearing on the items described in subdivisions (1) through (6).
- (8) The amount of any increase in the tax rate and tax levies of the political subdivision in an ordinance adopted under section 23 of this chapter.**
- ~~(8)~~ **(9)** The time and place at which the political subdivision or appropriate fiscal body will meet to fix the budget, tax rate, and levy under section 5 of this chapter.
- ~~(9)~~ **(10)** The date, time, and place of the final adoption of the budget, tax rate, and levy under section 5 of this chapter.

Except as provided in section 5.6(b) of this chapter, the political subdivision or appropriate fiscal body shall submit this information to the department's computer gateway at least ten (10) days before the public hearing required by this subsection in the manner prescribed by the department. If the date, time, or place of the final adoption subsequently changes, the political subdivision shall update the information submitted to the department's computer gateway. The department shall make this information available to taxpayers, at least ten (10) days before the public hearing, through its computer gateway and provide a telephone number through which taxpayers may request mailed copies of a political subdivision's information under this

subsection. The department's computer gateway must allow a taxpayer to search for the information under this subsection by the taxpayer's address. The department shall review only the submission to the department's computer gateway for compliance with this section.

(b) The board of directors of a solid waste management district established under IC 13-21 or IC 13-9.5-2 (before its repeal) may conduct the public hearing required under subsection (a):

(1) in any county of the solid waste management district; and

(2) in accordance with the annual notice of meetings published under IC 13-21-5-2.

(c) The trustee of each township in the county shall estimate the amount necessary to meet the cost of township assistance in the township for the ensuing calendar year. The township board shall, **subject to section 23 of this chapter**, adopt with the township budget a tax rate sufficient to meet the estimated cost of township assistance. The taxes collected as a result of the tax rate adopted under this subsection are credited to the township assistance fund.

(d) A political subdivision for which any of the information under subsection (a) is not submitted to the department's computer gateway in the manner prescribed by the department shall have its most recent annual appropriations and annual tax levy continued for the ensuing budget year.

(e) If a political subdivision or appropriate fiscal body timely submits the information under subsection (a) but subsequently discovers the information contains an error, the political subdivision or appropriate fiscal body may submit amended information to the department's computer gateway. However, submission of an amendment to information described in subsection (a)(1) through (a)(7) must occur at least ten (10) days before the public hearing held under subsection (a), and submission of an amendment to information described in subsection (a)(8) **through (a)(9)** must occur at least twenty-four (24) hours before the time in which the meeting to fix the budget, tax rate, and levy was originally advertised to commence.

(f) Each year, the governing body of a school corporation that imposes property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project under IC 6-1.1-20, property taxes under an operating referendum tax levy under IC 20-46-1, or property taxes under a school safety referendum tax levy under IC 20-46-9, shall submit the following information at least ten (10) days before the public hearing required by subsection (a) in the manner prescribed by the department:

(1) the purposes specified in the public question submitted to the

voters or any revenue spending plans adopted under IC 6-1.1-20-13, IC 20-46-1-8, or IC 20-46-9-6 for:

(A) debt service on bonds or lease rentals on a lease for a controlled project under IC 6-1.1-20;

(B) an operating referendum tax levy approved by the voters of the school corporation under IC 20-46-1; or

(C) a school safety referendum tax levy approved by the voters of the school corporation under IC 20-46-9;

as applicable; and

(2) the debt service levy fund, operating referendum tax levy fund, or school safety referendum tax levy fund of the school corporation, whichever is applicable;

to show whether the school corporation is using revenue collected from the referendum tax levy in the amounts and for the purposes established in the purposes specified in the public question submitted to the voters or the revenue spending plan, as applicable. The department shall make this information available to taxpayers at least ten (10) days before the public hearing.

SECTION 56. IC 6-1.1-17-16, AS AMENDED BY P.L.9-2024, SECTION 169, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 16. (a) The department of local government finance shall certify the tax rates and tax levies for all funds of political subdivisions subject to the department of local government finance's review.

(b) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3, the department of local government finance shall calculate and certify the allowable budget of the fund if the political subdivision adopts a tax levy that exceeds the estimated maximum levy limits as provided by the department of local government finance under IC 6-1.1-18.5-24.

(c) For a fund of a political subdivision subject to levy limits under IC 6-1.1-18.5-3 and for which the political subdivision adopts a tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, the department of local government finance shall review the fund to ensure the adopted budget is fundable based on the unit's adopted tax levy and estimates of available revenues. If the adopted budget is fundable, the department of local government finance shall use the adopted budget as the approved appropriation for the fund for the budget year. As needed, the political subdivision may complete the additional appropriation process through IC 6-1.1-18-5 for these funds during the budget year.

(d) For a fund of the political subdivision subject to levy limits

1 under IC 6-1.1-18.5-3 and for which the political subdivision adopts a
2 tax levy that is not more than the levy limits under IC 6-1.1-18.5-3, if
3 the department of local government finance has determined the adopted
4 budget is not fundable based on the unit's adopted tax levy and
5 estimates of available revenues, the department of local government
6 finance shall calculate and certify the allowable budget that is fundable
7 based on the adopted tax levy and the department's estimates of
8 available revenues.

9 (e) For all other funds of a political subdivision not described in
10 subsections (b), (c), and (d), the department of local government
11 finance shall certify a budget for the fund.

12 (f) Except as provided in section 16.1 of this chapter, the department
13 of local government finance is not required to hold a public hearing
14 before the department of local government finance reviews, revises,
15 reduces, or increases a political subdivision's budget by fund, tax rate,
16 or tax levy under this section.

17 (g) Except as provided in subsection (l), IC 20-46, or IC 6-1.1-18.5,
18 the department of local government finance may not increase a political
19 subdivision's budget by fund, tax rate, or tax levy to an amount which
20 exceeds the amount originally fixed by the political subdivision.
21 However, if the department of local government finance determines
22 that IC 5-3-1-2.3(b) applies to the tax rate, tax levy, or budget of the
23 political subdivision, the maximum amount by which the department
24 may increase the tax rate, tax levy, or budget is the amount originally
25 fixed by the political subdivision, and not the amount that was
26 incorrectly published or omitted in the notice described in
27 IC 5-3-1-2.3(b). The department of local government finance shall give
28 the political subdivision notification electronically in the manner
29 prescribed by the department of local government finance specifying
30 any revision, reduction, or increase the department proposes in a
31 political subdivision's tax levy or tax rate. The political subdivision has
32 ten (10) calendar days from the date the political subdivision receives
33 the notice to provide a response electronically in the manner prescribed
34 by the department of local government finance. The response may
35 include budget reductions, reallocation of levies, a revision in the
36 amount of miscellaneous revenues, and further review of any other
37 item about which, in the view of the political subdivision, the
38 department is in error. The department of local government finance
39 shall consider the adjustments as specified in the political subdivision's
40 response if the response is provided as required by this subsection and
41 shall deliver a final decision to the political subdivision. The
42 department of local government finance may not consider any

1 adjustments that are suggested by the political subdivision after the
 2 expiration of the ten (10) day period allowed for the political
 3 subdivision's response.

4 (h) The department of local government finance may not approve a
 5 levy for lease payments by a city, town, county, library, or school
 6 corporation if the lease payments are payable to a building corporation
 7 for use by the building corporation for debt service on bonds and if:

8 (1) no bonds of the building corporation are outstanding; or

9 (2) the building corporation has enough legally available funds on
 10 hand to redeem all outstanding bonds payable from the particular
 11 lease rental levy requested.

12 (i) The department of local government finance shall certify its
 13 action to:

14 (1) the county auditor;

15 (2) if the budget and levy of the political subdivision are being
 16 continued:

17 (A) the state board of accounts;

18 (B) the state comptroller; and

19 (C) the department of state revenue;

20 (3) the political subdivision if the department acts pursuant to an
 21 appeal initiated by the political subdivision; and

22 (4) a taxpayer that owns property that represents at least ten
 23 percent (10%) of the taxable assessed valuation in the political
 24 subdivision.

25 (j) The following may petition for judicial review of the final
 26 determination of the department of local government finance under
 27 subsection (i):

28 (1) If the department acts under an appeal initiated by a political
 29 subdivision, the political subdivision.

30 (2) A taxpayer that owns property that represents at least ten
 31 percent (10%) of the taxable assessed valuation in the political
 32 subdivision.

33 The petition must be filed in the tax court not more than forty-five (45)
 34 days after the department certifies its action under subsection (i).

35 (k) The department of local government finance is expressly
 36 directed to complete the duties assigned to it under this section as
 37 follows:

38 (1) Not later than December 31 of the year preceding that budget
 39 year, unless subdivision (2) applies.

40 (2) Not later than January 15 of the budget year if any of the
 41 following are true:

42 (A) A taxing unit in a county intends to issue debt after

- 1 December 1 in the year preceding the budget year and has
 2 indicated its intent to issue debt after December 1 in the year
 3 preceding the budget year as specified in section 5 of this
 4 chapter.
- 5 (B) A taxing unit intends to file a shortfall appeal under
 6 IC 6-1.1-18.5-16 and has indicated its intent to file a shortfall
 7 appeal as specified in section 5 of this chapter.
- 8 (C) The deadline for a city in the county to fix the budget, tax
 9 rate, and tax levy has been extended, in accordance with
 10 section 5.2 of this chapter, due to the executive's veto of the
 11 ordinance fixing the budget, tax rate, and tax levy.
- 12 (l) Subject to the provisions of all applicable statutes, and
 13 notwithstanding IC 6-1.1-18-1, the department of local government
 14 finance shall, unless the department finds extenuating circumstances,
 15 increase a political subdivision's tax levy to an amount that exceeds the
 16 amount originally advertised or adopted by the political subdivision if:
- 17 (1) the increase is requested in writing by the officers of the
 18 political subdivision;
 - 19 (2) the request includes:
 - 20 (A) the corrected budget, tax rate, or levy, as applicable; and
 - 21 (B) the time and place of the meeting described in subdivision
 - 22 (4);
 - 23 (3) the political subdivision publishes the requested increase on
 24 the department's advertising website;
 - 25 (4) the political subdivision adopts the needed changes to its
 26 budget, tax levy, or rate in a public meeting of the governing
 27 body; and
 - 28 (5) notice is given to the county fiscal body of the department's
 29 correction.
- 30 The political subdivision shall publish notice of the meeting described
 31 in subdivision (4) on the Indiana transparency website in the manner
 32 prescribed by the department not later than forty-eight (48) hours
 33 (excluding weekends and holidays) before the meeting. If the
 34 department increases a levy beyond what was advertised or adopted
 35 under this subsection, it shall, unless the department finds extenuating
 36 circumstances, reduce the certified levy affected below the maximum
 37 allowable levy by the lesser of five percent (5%) of the difference
 38 between the advertised or adopted levy and the increased levy, or one
 39 hundred thousand dollars (\$100,000).
- 40 **(m) If the department of local government finance has**
 41 **determined that the proposed tax levy for a political subdivision's**
 42 **budget exceeds the permissible tax levy for the political subdivision**

under section 23 of this chapter, the department of local government finance shall calculate and certify the allowable tax levy and tax rate for the political subdivision based on the provisions in section 23 of this chapter.

SECTION 57. IC 6-1.1-17-17, AS AMENDED BY P.L.146-2008, SECTION 161, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 17. Subject to the limitations contained in IC 6-1.1-18.5 and IC 20-46, **and notwithstanding section 23 of this chapter**, the department of local government finance may at any time increase the tax rate and tax levy of a political subdivision for the following reasons:

- (1) To pay the principal or interest upon a funding, refunding, or judgment funding obligation of a political subdivision.
- (2) To pay the interest or principal upon an outstanding obligation of the political subdivision.
- (3) To pay a judgment rendered against the political subdivision.
- (4) To pay lease rentals that have become an obligation of the political subdivision under IC 20-47-2 or IC 20-47-3.

SECTION 58. IC 6-1.1-17-23 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 23. (a) This section applies beginning after December 31, 2028, to the formulation and adoption of a budget, tax rate, and tax levy under this chapter.**

(b) Notwithstanding any growth in a political subdivision's assessed value in the previous year, the ad valorem property tax levy for the budget of a political subdivision shall not exceed the ad valorem property tax levy for its last preceding annual budget, except as provided in subsections (c) and (d).

(c) The fiscal body of a political subdivision may by ordinance authorize the proper officers of the political subdivision to formulate and submit a budget, tax rate, and tax levy under section 3 of this chapter that exceeds the ad valorem property tax levy restriction in subsection (b), subject to all other limits under this article, if the following conditions are met:

- (1) The fiscal body of the political subdivision must hold a public hearing at which the only item on the agenda is the proposal to adopt an ordinance under this subsection. The hearing shall be conducted in accordance with IC 5-14-1.5, and notice of the hearing shall be published in accordance with IC 5-3-1.**
- (2) After conducting a public hearing under subdivision (1) and subject to subdivision (3), the fiscal body of the political**

subdivision may adopt an ordinance under this subsection, which must contain:

(A) a general statement of the reasons for the tax levy and tax rate increase;

(B) the dollar amount of the tax levy increase; and

(C) the percentage increase in the tax rate from the previous year.

(3) An ordinance may not be adopted under this section after the date that is fifteen (15) days before the public hearing under section 3 of this chapter.

(d) If an ordinance is adopted by the fiscal body of a political subdivision under subsection (c), the limitation in subsection (b) shall not apply and instead the ad valorem property tax levy for the budget of the political subdivision shall not exceed the sum of:

(1) the ad valorem property tax levy for the political subdivision's last preceding annual budget; plus

(2) the additional ad valorem property tax levy authorized in the ordinance adopted by the fiscal body under subsection (c);

subject to all other limits under this article.

(e) The provisions of this section shall be applied to decrease the tax rate of each political subdivision in which there was an increase in the political subdivision's assessed value in the previous year, subject to subsections (c) and (d).

SECTION 59. IC 6-1.1-18.5-2, AS AMENDED BY P.L.239-2023, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) As used in this section, "Indiana nonfarm personal income" means the estimate of total nonfarm personal income for Indiana in a calendar year as computed by the federal Bureau of Economic Analysis using any actual data for the calendar year and any estimated data determined appropriate by the federal Bureau of Economic Analysis.

(b) Except as provided in subsections (c) and (e), for purposes of determining a civil taxing unit's maximum permissible ad valorem property tax levy for an ensuing calendar year, the civil taxing unit shall use the maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest

one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results.

STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

(A) The STEP THREE quotient.

(B) One and six-hundredths (1.06).

(c) Except as provided in subsection (f), a school corporation shall use for its operations fund maximum levy calculation under IC 20-46-8-1 the maximum levy growth quotient determined in the last STEP of the following STEPS:

STEP ONE: Determine for each school corporation, the average annual growth in net assessed value using the three (3) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year.

STEP TWO: Determine the greater of:

(A) zero (0); or

(B) the STEP ONE amount minus the sum of:

(i) the maximum levy growth quotient determined under subsection (b) minus one (1); plus

(ii) two-hundredths (0.02).

STEP THREE: Determine the lesser of:

(A) the STEP TWO amount; or

(B) four-hundredths (0.04).

STEP FOUR: Determine the sum of:

(A) the STEP THREE amount; plus

(B) the maximum levy growth quotient determined under subsection (b).

STEP FIVE: Determine the greater of:

(A) the STEP FOUR amount; or

(B) the maximum levy growth quotient determined under subsection (b).

(d) The budget agency shall provide the maximum levy growth quotient for the ensuing year to civil taxing units, school corporations, and the department of local government finance before July 1 of each year.

(e) This subsection applies only for purposes of determining the maximum levy growth quotient to be used in determining a civil taxing unit's maximum permissible ad valorem property tax levy in calendar years 2024, ~~and~~ 2025, **and 2026**. For purposes of determining the maximum levy growth quotient in calendar years 2024, ~~and~~ 2025, **and 2026**, instead of the result determined in the last STEP in subsection

(b), the maximum levy growth quotient is determined in the last STEP of the following STEPS:

STEP ONE: Determine the result of STEP FOUR of subsection (b), calculated as if this subsection was not in effect.

STEP TWO: Subtract one (1) from the STEP ONE result.

STEP THREE: Multiply the STEP TWO result by eight-tenths (0.8).

STEP FOUR: Add one (1) to the STEP THREE result.

STEP FIVE: Determine the lesser of:

(A) the STEP FOUR result; or

(B) one and four-hundredths (1.04).

(f) This subsection applies only for purposes of determining the maximum levy growth quotient to be used in determining a school corporation's operations fund maximum levy in calendar years 2024, **and 2025, and 2026**. For purposes of determining the maximum levy growth quotient in calendar years 2024, ~~and 2025~~, **and 2026**, instead of the result determined in the last STEP in subsection (c), the maximum levy growth quotient is determined in the last STEP of the following STEPS:

STEP ONE: Determine the result of STEP FIVE of subsection (c), calculated as if this subsection was not in effect.

STEP TWO: Subtract one (1) from the STEP ONE result.

STEP THREE: Multiply the STEP TWO result by eight-tenths (0.8).

STEP FOUR: Add one (1) to the STEP THREE result.

STEP FIVE: Determine the lesser of:

(A) the STEP FOUR result; or

(B) one and four-hundredths (1.04).

SECTION 60. IC 6-1.1-18.5-3, AS AMENDED BY P.L.247-2017, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 3. (a) A civil taxing unit may not impose an ad valorem property tax levy for an ensuing calendar year that exceeds the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year.

STEP TWO: Multiply the amount determined in STEP ONE by the amount determined in the last STEP of section 2(b) of this chapter.

STEP THREE: Determine the lesser of one and fifteen hundredths (1.15) or the quotient (rounded to the nearest ten-thousandth (0.0001)), of the assessed value of all taxable property subject to

the civil taxing unit's ad valorem property tax levy for the ensuing calendar year, divided by the assessed value of all taxable property that is subject to the civil taxing unit's ad valorem property tax levy for the ensuing calendar year and that is contained within the geographic area that was subject to the civil taxing unit's ad valorem property tax levy in the preceding calendar year.

STEP FOUR: Determine the greater of the amount determined in STEP THREE or one (1).

STEP FIVE: Multiply the amount determined in STEP TWO by the amount determined in STEP FOUR.

STEP SIX: Add the amount determined under STEP TWO to the amount of an excessive levy appeal granted under section 13 of this chapter for the ensuing calendar year.

STEP SEVEN: Determine the greater of STEP FIVE or STEP SIX.

(b) This subsection applies only to a civil taxing unit that is located in a county that is covered by IC 6-3.6-11-1. For purposes of subsection (a), revenue under IC 6-3.6-6 that is applied for purposes of a levy freeze shall not be included in the amount determined under STEP ONE of subsection (a) for the civil taxing unit. Notwithstanding any provision in this section, any other section of this chapter, or IC 12-20-21-3.2, and except as provided in subsection (c), if the adopting body has adopted a resolution specifying that any increase in the maximum levy is to be funded using local income tax revenue, the maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year for the civil taxing unit is equal to the civil taxing unit's maximum permissible ad valorem property tax levy for the current calendar year. If the adopting body has adopted a resolution specifying that any increase in the maximum levy is not to be funded using local income tax revenue, the maximum permissible ad valorem property tax levy for the civil taxing unit is equal to the civil taxing unit's maximum permissible ad valorem property tax levy calculated under this section for the ensuing calendar year.

(c) In the case of a civil taxing unit that:

(1) is partially located in a county that is covered by IC 6-3.6-11-1; and

(2) is partially located in a county that is not described in subdivision (1);

the department of local government finance shall, notwithstanding subsection (b), adjust the portion of the civil taxing unit's maximum

1 permissible ad valorem property tax levy that is attributable (as
 2 determined by the department of local government finance) to the
 3 county or counties described in subdivision (2). The department of
 4 local government finance shall adjust this portion of the civil taxing
 5 unit's maximum permissible ad valorem property tax levy so that,
 6 notwithstanding subsection (b); this portion is allowed to increase as
 7 otherwise provided in this section. If the department of local
 8 government finance increases the civil taxing unit's maximum
 9 permissible ad valorem property tax levy under this subsection, any
 10 additional property taxes imposed by the civil taxing unit under the
 11 adjustment shall be paid only by the taxpayers in the county or counties
 12 described in subdivision (2).

13 (b) In the case of a county that was covered by IC 6-3.6-11-1
 14 (before its repeal), the maximum permissible property tax levy for
 15 the civil taxing unit under STEP ONE of subsection (a) shall be
 16 increased to the extent and in the amount that revenue from a levy
 17 freeze was applied to adjust the civil taxing unit's maximum
 18 permissible property tax levy in the tax year immediately
 19 preceding the repeal of IC 6-3.6-11-1. The increase shall apply to
 20 each tax year after the repeal. Notwithstanding any other provision
 21 of law, if a county has a stabilization fund, the county may use
 22 money from that fund for operations of the county in lieu of levy
 23 increases pursuant to this subsection. A county to which this
 24 subsection applies shall adopt a plan to phase in a multi-year
 25 gradual spend down of money in its stabilization fund or other
 26 available funds over a specified number of years that allows for the
 27 gradual increase of the county's levy in combination with money
 28 from its stabilization fund.

29 SECTION 61. IC 6-1.1-18.5-12, AS AMENDED BY P.L.156-2024,
 30 SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 31 JANUARY 1, 2026]: Sec. 12. (a) Any civil taxing unit that **incurs**
 32 **increased costs resulting from annexation, a natural disaster, an**
 33 **accident, or another unanticipated emergency, and** determines that
 34 it cannot carry out its governmental functions for an ensuing calendar
 35 year under the levy limitations imposed by section 3 or 25 of this
 36 chapter, as applicable, may, subject to subsections (h) and (i):

37 (1) before October 20 of the calendar year immediately preceding
 38 the ensuing calendar year; or

39 (2) in the case of a request described in section 16 of this chapter,
 40 before December 31 of the calendar year immediately preceding
 41 the ensuing calendar year;

42 appeal to the department of local government finance for relief from

1 those levy limitations. In the appeal the civil taxing unit must state that
 2 it will be unable to carry out the governmental functions committed to
 3 it by law unless it is given the authority that it is petitioning for. The
 4 civil taxing unit must support these allegations by reasonably detailed
 5 statements of fact.

6 (b) The department of local government finance shall immediately
 7 proceed to the examination and consideration of the merits of the civil
 8 taxing unit's appeal.

9 (c) In considering an appeal, the department of local government
 10 finance has the power to conduct hearings, require any officer or
 11 member of the appealing civil taxing unit to appear before it, or require
 12 any officer or member of the appealing civil taxing unit to provide the
 13 department with any relevant records or books.

14 (d) If an officer or member:

15 (1) fails to appear at a hearing after having been given written
 16 notice requiring that person's attendance; or

17 (2) fails to produce the books and records that the department by
 18 written notice required the officer or member to produce;

19 then the department may file an affidavit in the circuit court, superior
 20 court, or probate court in the jurisdiction in which the officer or
 21 member may be found setting forth the facts of the failure.

22 (e) Upon the filing of an affidavit under subsection (d), the court
 23 shall promptly issue a summons, and the sheriff of the county within
 24 which the court is sitting shall serve the summons. The summons must
 25 command the officer or member to appear before the department to
 26 provide information to the department or to produce books and records
 27 for the department's use, as the case may be. Disobedience of the
 28 summons constitutes, and is punishable as, a contempt of the court that
 29 issued the summons.

30 (f) All expenses incident to the filing of an affidavit under
 31 subsection (d) and the issuance and service of a summons shall be
 32 charged to the officer or member against whom the summons is issued,
 33 unless the court finds that the officer or member was acting in good
 34 faith and with reasonable cause. If the court finds that the officer or
 35 member was acting in good faith and with reasonable cause or if an
 36 affidavit is filed and no summons is issued, the expenses shall be
 37 charged against the county in which the affidavit was filed and shall be
 38 allowed by the proper fiscal officers of that county.

39 (g) The fiscal officer of a civil taxing unit that appeals under section
 40 16 of this chapter for relief from levy limitations shall immediately file
 41 a copy of the appeal petition with the county auditor and the county
 42 treasurer of the county in which the unit is located.

(h) This subsection applies to a civil taxing unit whose budget for the upcoming year is subject to review by a fiscal body under:

- (1) IC 6-1.1-17-20;
- (2) IC 6-1.1-17-20.3; or
- (3) IC 6-1.1-17-20.4.

A civil taxing unit described in this subsection may not submit an appeal under this section unless the civil taxing unit receives approval from the appropriate fiscal body to submit the appeal.

(i) A participating unit of a fire protection territory may not submit an appeal under this section unless each participating unit of the fire protection territory has adopted a resolution approving submission of the appeal.

SECTION 62. IC 6-1.1-18.5-13, AS AMENDED BY P.L. 174-2022, SECTION 37, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2026]: Sec. 13. (a) With respect to an appeal filed under section 12 of this chapter, the department may find that a civil taxing unit should receive **any one (1) or more of the following types of the following relief:**

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if in the judgment of the department the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation. ~~consolidation; or other extensions of governmental services by the civil taxing unit to additional geographic areas. With respect to annexation, consolidation; or other extensions of governmental services in a calendar year, If~~ those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

- (A) The first calendar year in which those costs are incurred.
- (B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) ~~Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable; if the department finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):~~

~~STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year.~~

~~STEP TWO: Compute separately, for each of the calendar~~

years determined in STEP ONE; the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year:

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3):

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE; the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties divided by the sum determined under this STEP for the calendar year immediately preceding the particular calendar year:

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3):

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount:

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 or 25 of this chapter, as applicable, based on the maximum levy growth quotient determined under section 2 of this chapter:

(3) (2) A levy increase may be granted under this subdivision only for property taxes first due and payable after December 31, 2008. Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 or 25 of this chapter, as applicable, if **the department determines that** the civil taxing unit cannot carry out its governmental functions for an ensuing calendar year under the levy limitations imposed by section 3 or 25 of this chapter, as applicable, due to a natural disaster, an accident, or another unanticipated emergency.

(b) The department of local government finance shall increase the maximum permissible ad valorem property tax levy under section 3 of this chapter for the city of Goshen for 2012 and thereafter by an amount equal to the greater of zero (0) or the result of:

(1) the city's total pension costs in 2009 for the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7); minus

(2) the sum of:

(A) the total amount of state funds received in 2009 by the city and used to pay benefits to members of the 1925 police

pension fund (IC 36-8-6) or the 1937 firefighters' pension fund (IC 36-8-7); plus
 (B) any previous permanent increases to the city's levy that were authorized to account for the transfer to the state of the responsibility to pay benefits to members of the 1925 police pension fund (IC 36-8-6) and the 1937 firefighters' pension fund (IC 36-8-7).

SECTION 63. IC 6-1.1-18.5-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 19. (a) If a township levied an ad valorem property tax levy for a township firefighting fund under IC 36-8-13-4 for calendar year 1989, the maximum permissible ad valorem property tax levy that will apply to the township's firefighting fund under section 3 of this chapter for calendar year 1990 is the amount determined in STEP FIVE of the following STEPS:

STEP ONE: Determine the part of the township's ad valorem property tax levy for calendar year 1989 that was dedicated to the township firefighting fund.

STEP TWO: If the township incurred any loans or bonded indebtedness to pay for fire protection or emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing), determine the number of calendar years during that period in which the township incurred the loans or bonded indebtedness.

STEP THREE: Calculate the quotient of:

(A) the total amounts of loans or bonded indebtedness incurred by the township for fire protection and emergency services during the period from January 1, 1987, through December 31, 1989 (excluding loans or bonded indebtedness used to purchase firefighting apparatus or equipment or housing); divided by

(B) the number determined in STEP TWO.

STEP FOUR: Add the result determined in STEP ONE to the result determined in STEP THREE.

STEP FIVE: Calculate the maximum ad valorem property tax levy that would result from making the calculations contained in section 3 of this chapter as those calculations apply to the township, using the result obtained in STEP FOUR for the civil taxing unit's maximum permissible ad valorem property tax levy for the preceding calendar year under section 3(a) or 3(b) of this chapter **(as in effect at the time of the calculation)**, whichever

1 applies to the township.

2 If the amount determined under this subsection is substantially lower

3 than the township's normal expenditure patterns for fire protection and

4 emergency services (excluding the expenditures for the purchase of

5 firefighting apparatus or equipment or housing), the township may

6 appeal to the local government tax control board for an increase in the

7 1990 maximum permissible ad valorem property tax levy for its

8 township firefighting fund. In considering the appeal, the local

9 government tax control board shall consider other sources of revenue

10 used by the township during calendar year 1989 to fund fire protection

11 and emergency services that are also available for such funding in 1990

12 and thereafter and the board shall also consider any other relevant

13 factors.

14 (b) If a township did not have a township firefighting fund under

15 IC 36-8-13-4 for calendar year 1989, but appropriated funds for fire

16 protection or emergency services for that calendar year, the township's

17 maximum ad valorem property tax levy that will apply to the township's

18 firefighting fund under section 3 of this chapter for calendar year 1990

19 is the amount determined in STEP FIVE of the following STEPS:

20 STEP ONE: Determine the amount that the township appropriated

21 from its general fund for fire protection and emergency services

22 (excluding appropriations for the purchase of firefighting

23 apparatus or equipment or housing).

24 STEP TWO: If the township incurred any loans or bonded

25 indebtedness to pay for fire protection or emergency services

26 during the period from January 1, 1987, through December 31,

27 1989 (excluding loans or bonded indebtedness used to purchase

28 firefighting apparatus or equipment or housing), determine the

29 number of calendar years during that period in which the

30 township incurred the loans or bonded indebtedness.

31 STEP THREE: Calculate the quotient of:

32 (A) the total amounts of loans or bonded indebtedness

33 incurred by the township for fire protection and emergency

34 services during the period from January 1, 1987, through

35 December 31, 1989 (excluding loans or bonded indebtedness

36 used to purchase firefighting apparatus or equipment or

37 housing); divided by

38 (B) the number determined in STEP TWO.

39 STEP FOUR: Add the result of STEP ONE to the result of STEP

40 THREE.

41 STEP FIVE: Calculate the maximum ad valorem property tax levy

42 that would result from making the calculations contained in

1 section 3 of this chapter, as those calculations apply to the
 2 township, using the result obtained in STEP FOUR for the civil
 3 taxing unit's maximum permissible ad valorem property tax levy
 4 for the preceding calendar year under section 3(a) or 3(b) of this
 5 chapter (**as in effect at the time of the calculation**), whichever
 6 applies to the township.

7 If the amount determined under this subsection is substantially lower
 8 than the township's normal expenditure patterns for fire protection and
 9 emergency services (excluding the expenditures for the purchase of
 10 firefighting apparatus or equipment or housing), the township may
 11 appeal to the local government tax control board for an increase in its
 12 1990 maximum permissible levy for its township firefighting fund. In
 13 considering the appeal, the local government tax control board shall
 14 consider other sources of revenue used by the township during calendar
 15 year 1989 to fund fire protection and emergency services that are also
 16 available for such funding in 1990 and thereafter and the board shall
 17 also consider any other relevant factors.

18 (c) If for calendar year 1989:

19 (1) a township had a township firefighting fund under
 20 IC 36-8-13-4 but did not have an ad valorem property tax levy for
 21 that fund; or

22 (2) a township did not have a township firefighting fund and
 23 appropriated no money for fire protection or emergency services;
 24 the township's maximum permissible ad valorem property tax levy for
 25 its township firefighting fund shall be determined under section 7 of
 26 this chapter in the calendar year in which the township first establishes
 27 such a levy.

28 SECTION 64. IC 6-1.1-18.5-25, AS AMENDED BY P.L.236-2023,
 29 SECTION 32, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 30 JULY 1, 2025]: Sec. 25. (a) The ad valorem property tax levy limits
 31 imposed under section 3 of this chapter do not apply to a municipality
 32 in a year if all the following apply:

33 (1) The percentage growth in the municipality's assessed value for
 34 the preceding year compared to the year before the preceding year
 35 is at least two (2) times the maximum levy growth quotient
 36 determined under section 2 of this chapter for the preceding year.

37 (2) The municipality's population increased by at least one
 38 hundred fifty percent (150%) between the last two (2) decennial
 39 censuses. The computation of an increase of one hundred fifty
 40 percent (150%) under this subdivision shall be determined
 41 according to the last STEP of the following STEPS:

42 STEP ONE: Determine the municipality's population as

1 tabulated following the first decennial census.

2 STEP TWO: Determine the municipality's population as
3 tabulated following the second decennial census.

4 STEP THREE: Multiply the amount determined under STEP
5 ONE by a factor of two and five-tenths (2.5).

6 STEP FOUR: Determine whether the population determined
7 under STEP TWO is greater than or equal to the STEP THREE
8 product.

9 (b) A municipality that meets all the requirements under subsection
10 (a) may increase its ad valorem property tax levy in excess of the limits
11 imposed under section 3 of this chapter by a percentage equal to the
12 lesser of:

13 (1) the percentage growth in the municipality's assessed value for
14 the preceding year compared to the year before the preceding
15 year; or

16 (2) six percent (6%).

17 (c) A municipality's maximum levy growth that results from either
18 annexation or the pass through of assessed value from a tax increment
19 financing district may not be included for the purposes of determining
20 a municipality's maximum levy growth under this section.

21 (d) This section applies to property tax levies imposed after
22 December 31, 2016, **and before January 1, 2026.**

23 **(e) This section expires December 31, 2026.**

24 SECTION 65. IC 6-1.1-20-1.1, AS AMENDED BY P.L.136-2024,
25 SECTION 22, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
26 JULY 1, 2025]: Sec. 1.1. (a) As used in this chapter, "controlled
27 project" means any project financed by bonds or a lease, except for the
28 following:

29 (1) A project for which the political subdivision reasonably
30 expects to pay:

31 (A) debt service; or

32 (B) lease rentals;

33 from funds other than property taxes that are exempt from the
34 levy limitations of IC 6-1.1-18.5 or (before January 1, 2009)
35 IC 20-45-3. A project is not a controlled project even though the
36 political subdivision has pledged to levy property taxes to pay the
37 debt service or lease rentals if those other funds are insufficient.

38 (2) Subject to subsection (b), a project that will not cost the
39 political subdivision more than the lesser of the following:

40 (A) An amount equal to the following:

41 (i) In the case of an ordinance or resolution adopted before
42 January 1, 2018, making a preliminary determination to

1 issue bonds or enter into a lease for the project, two million
2 dollars (\$2,000,000).

3 (ii) In the case of an ordinance or resolution adopted after
4 December 31, 2017, and before January 1, 2019, making a
5 preliminary determination to issue bonds or enter into a
6 lease for the project, five million dollars (\$5,000,000).

7 (iii) In the case of an ordinance or resolution adopted in a
8 calendar year after December 31, 2018, making a
9 preliminary determination to issue bonds or enter into a
10 lease for the project, an amount (as determined by the
11 department of local government finance) equal to the result
12 of the maximum levy growth quotient determined under
13 IC 6-1.1-18.5-2 for the year multiplied by the amount
14 determined under this clause for the preceding calendar
15 year.

16 The department of local government finance shall publish the
17 threshold determined under item (iii) in the Indiana Register
18 under IC 4-22-7-7 not more than sixty (60) days after the date
19 the budget agency releases the maximum levy growth quotient
20 for the ensuing year under IC 6-1.1-18.5-2.

21 (B) An amount equal to the following:

22 (i) One percent (1%) of the total gross assessed value of
23 property within the political subdivision on the last
24 assessment date, if that total gross assessed value is more
25 than one hundred million dollars (\$100,000,000).

26 (ii) One million dollars (\$1,000,000), if the total gross
27 assessed value of property within the political subdivision
28 on the last assessment date is not more than one hundred
29 million dollars (\$100,000,000).

30 (3) A project that is being refinanced for the purpose of providing
31 gross or net present value savings to taxpayers.

32 (4) A project for which bonds were issued or leases were entered
33 into before January 1, 1996, or where the state board of tax
34 commissioners has approved the issuance of bonds or the
35 execution of leases before January 1, 1996.

36 (5) A project that:

37 (A) is required by a court order holding that a federal law
38 mandates the project; or

39 (B) is in response to a court order holding that:

40 (i) a federal law has been violated; and

41 (ii) the project is to address the deficiency or violation.

42 (6) A project that is in response to:

- 1 (A) a natural disaster;
- 2 (B) an accident; or
- 3 (C) an emergency;
- 4 in the political subdivision that makes a building or facility
- 5 unavailable for its intended use.
- 6 (7) A project that was not a controlled project under this section
- 7 as in effect on June 30, 2008, and for which:
- 8 (A) the bonds or lease for the project were issued or entered
- 9 into before July 1, 2008; or
- 10 (B) the issuance of the bonds or the execution of the lease for
- 11 the project was approved by the department of local
- 12 government finance before July 1, 2008.
- 13 (8) A project of the Little Calumet River basin development
- 14 commission for which bonds are payable from special
- 15 assessments collected under IC 14-13-2-18.6.
- 16 (9) A project for engineering, land and right-of-way acquisition,
- 17 construction, resurfacing, maintenance, restoration, and
- 18 rehabilitation exclusively for or of:
- 19 (A) local road and street systems, including bridges that are
- 20 designated as being in a local road and street system;
- 21 (B) arterial road and street systems, including bridges that are
- 22 designated as being in an arterial road and street system; or
- 23 (C) any combination of local and arterial road and street
- 24 systems, including designated bridges.
- 25 (b) This subsection does not apply to a project for which a public
- 26 hearing to issue bonds or enter into a lease has been conducted under
- 27 IC 20-26-7-37 before July 1, 2023, **or to a project for which an**
- 28 **ordinance or resolution making a preliminary determination to**
- 29 **issue bonds or enter into a lease is adopted after June 30, 2025.** If:
- 30 (1) a political subdivision's total debt service tax rate is more than
- 31 forty cents (\$0.40) per one hundred dollars (\$100) of assessed
- 32 value; and
- 33 (2) subsection (a)(1) and subsection (a)(3) through (a)(9) are not
- 34 applicable;
- 35 the term includes any project to be financed by bonds or a lease,
- 36 including a project that does not otherwise meet the threshold amount
- 37 provided in subsection (a)(2). This subsection expires December 31,
- 38 2025. For purposes of this subsection, a political subdivision's total
- 39 debt service tax rate does not include a tax rate imposed in a
- 40 referendum debt service tax levy approved by voters.
- 41 (c) **This subsection applies to a project for which an ordinance**
- 42 **or resolution making a preliminary determination to issue bonds**

or enter into a lease is adopted after June 30, 2025. If subsection (a)(1) and subsection (a)(3) through (a)(9) are not applicable, the term includes any project to be financed by bonds or a lease, including a project that does not otherwise meet the threshold amount provided in subsection (a)(2), if:

- (1) in the case of a school corporation, the school corporation's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value;
- (2) in the case of a city, county, or town, the city's, county's, or town's total debt service tax rate is more than twenty-five cents (\$0.25) per one hundred dollars (\$100) of assessed value;
- or
- (3) in the case of a political subdivision not described in subdivision (1) or (2), the political subdivision's total debt service tax rate is more than five cents (\$0.05) per one hundred dollars (\$100) of assessed value.

However, this subsection does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this subsection, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

SECTION 66. IC 6-1.1-20-3.1, AS AMENDED BY P.L.136-2024, SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3.1. (a) Subject to section 3.5(a)(1)(C) of this chapter, this section applies only to the following:

- (1) A controlled project (as defined in section 1.1 of this chapter as in effect June 30, 2008) for which the proper officers of a political subdivision make a preliminary determination in the manner described in subsection (b) before July 1, 2008.
- (2) An elementary school building, middle school building, high school building, or other school building for academic instruction that:
 - (A) is a controlled project;
 - (B) will be used for any combination of kindergarten through grade 12; and
 - (C) will not cost more than the lesser of the following:
 - (i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or

1 resolution adopted after December 31, 2017, and before
 2 January 1, 2019, making a preliminary determination to
 3 issue bonds or enter into a lease for the project, the threshold
 4 amount is fifteen million dollars (\$15,000,000). In the case
 5 of an ordinance or resolution adopted in a calendar year after
 6 December 31, 2018, making a preliminary determination to
 7 issue bonds or enter into a lease for the project, the threshold
 8 amount is an amount (as determined by the department of
 9 local government finance) equal to the result of the
 10 maximum levy growth quotient determined under
 11 IC 6-1.1-18.5-2 for the year multiplied by the threshold
 12 amount determined under this item for the preceding
 13 calendar year. In the case of a threshold amount determined
 14 under this item that applies for a calendar year after
 15 December 31, 2018, the department of local government
 16 finance shall publish the threshold in the Indiana Register
 17 under IC 4-22-7-7 not more than sixty (60) days after the
 18 date the budget agency releases the maximum levy growth
 19 quotient for the ensuing year under IC 6-1.1-18.5-2.

20 (ii) An amount equal to one percent (1%) of the total gross
 21 assessed value of property within the political subdivision
 22 on the last assessment date, if that total gross assessed value
 23 is more than one billion dollars (\$1,000,000,000), or ten
 24 million dollars (\$10,000,000), if the total gross assessed
 25 value of property within the political subdivision on the last
 26 assessment date is not more than one billion dollars
 27 (\$1,000,000,000).

28 (3) Any other controlled project that:

29 (A) is not a controlled project described in subdivision (1) or
 30 (2); and

31 (B) will not cost the political subdivision more than the lesser
 32 of the following:

33 (i) The threshold amount determined under this item. In the
 34 case of an ordinance or resolution adopted before January 1,
 35 2018, making a preliminary determination to issue bonds or
 36 enter into a lease for the project, the threshold amount is
 37 twelve million dollars (\$12,000,000). In the case of an
 38 ordinance or resolution adopted after December 31, 2017,
 39 and before January 1, 2019, making a preliminary
 40 determination to issue bonds or enter into a lease for the
 41 project, the threshold amount is fifteen million dollars
 42 (\$15,000,000). In the case of an ordinance or resolution

adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government finance shall publish the threshold in the Indiana Register under IC 4-22-7-7 not more than sixty (60) days after the date the budget agency releases the maximum levy growth quotient for the ensuing year under IC 6-1.1-18.5-2.

(ii) An amount equal to one percent (1%) of the total gross assessed value of property within the political subdivision on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000), or one million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars (\$100,000,000).

(4) A controlled project funded by debt service if the scope of the project changes from the purpose of the project initially advertised to taxpayers as determined under section 4.2(c) of this chapter.

(5) This subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, **or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.** Any other controlled project if both of the following apply:

(A) The political subdivision's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but less than eighty cents (\$0.80) per one hundred dollars (\$100) of assessed value.

(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.

This subdivision expires December 31, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate

does not include a tax rate imposed in a referendum debt service levy approved by voters.

(6) Any other controlled project if the following apply:

(A) An ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for the project is adopted after June 30, 2025.

(B) The controlled project is not otherwise described in section 3.5(a)(1) of this chapter.

(C) In the case of a:

(i) school corporation, the school corporation's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value, but not more than seventy cents (\$0.70) per one hundred dollars (\$100) of assessed value;

(ii) city, county, or town, the city's, county's, or town's total debt service tax rate is more than twenty-five cents (\$0.25) per one hundred dollars (\$100) of assessed value, but not more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; or

(iii) political subdivision not described in item (i) or (ii), the political subdivision's total debt service tax rate is more than five cents (\$0.05) per one hundred dollars (\$100) of assessed value, but not more than ten cents (\$0.10) per one hundred dollars (\$100) of assessed value.

However, this subdivision does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this subdivision, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

(b) A political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for such notices of any meeting to consider adoption of a resolution or an ordinance making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on a preliminary determination before adoption of the resolution or ordinance. The political subdivision must at

each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long term debt plus the outstanding long term debt of other taxing units that include any of the territory of the political subdivision; divided by

(ii) the net assessed value of taxable property within the political subdivision.

(C) The information specified in subdivision (3)(A) through (3)(H).

(2) When the proper officers of a political subdivision make a preliminary determination to issue bonds or enter into a lease for a controlled project, the officers shall give notice of the preliminary determination by:

(A) publication in accordance with IC 5-3-1; and

(B) first class mail to the circuit court clerk and to the organizations described in subdivision (1).

(3) A notice under subdivision (2) of the preliminary determination of the political subdivision to issue bonds or enter into a lease for a controlled project must include the following information:

(A) The maximum term of the bonds or lease.

(B) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(C) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(D) The purpose of the bonds or lease.

(E) A statement that any owners of property within the political subdivision or registered voters residing within the political subdivision who want to initiate a petition and remonstrance process against the proposed debt service or lease payments must file a petition that complies with subdivisions (4) and (5) not later than thirty (30) days after publication in accordance with IC 5-3-1.

- 1 (F) With respect to bonds issued or a lease entered into to
2 open:
 - 3 (i) a new school facility; or
 - 4 (ii) an existing facility that has not been used for at least
5 three (3) years and that is being reopened to provide
6 additional classroom space;
7 the estimated costs the school corporation expects to incur
8 annually to operate the facility.
- 9 (G) A statement of whether the school corporation expects to
10 appeal for a new facility adjustment (as defined in
11 IC 20-45-1-16 (repealed) before January 1, 2009) for an
12 increased maximum permissible tuition support levy to pay the
13 estimated costs described in clause (F).
- 14 (H) The following information:
 - 15 (i) The political subdivision's current debt service levy and
16 rate.
 - 17 (ii) The estimated increase to the political subdivision's debt
18 service levy and rate that will result if the political
19 subdivision issues the bonds or enters into the lease.
 - 20 (iii) The estimated amount of the political subdivision's debt
21 service levy and rate that will result during the following ten
22 (10) years if the political subdivision issues the bonds or
23 enters into the lease, after also considering any changes that
24 will occur to the debt service levy and rate during that
25 period on account of any outstanding bonds or lease
26 obligations that will mature or terminate during that period.
- 27 (I) The information specified in subdivision (1)(A) through
28 (1)(B).
- 29 (4) After notice is given, a petition requesting the application of
30 a petition and remonstrance process may be filed by the lesser of:
 - 31 (A) five hundred (500) persons who are either owners of
32 property within the political subdivision or registered voters
33 residing within the political subdivision; or
 - 34 (B) five percent (5%) of the registered voters residing within
35 the political subdivision.
- 36 (5) The state board of accounts shall design and, upon request by
37 the county voter registration office, deliver to the county voter
38 registration office or the county voter registration office's
39 designated printer the petition forms to be used solely in the
40 petition process described in this section. The county voter
41 registration office shall issue to an owner or owners of property
42 within the political subdivision or a registered voter residing

1 within the political subdivision the number of petition forms
 2 requested by the owner or owners or the registered voter. Each
 3 form must be accompanied by instructions detailing the
 4 requirements that:

5 (A) the carrier and signers must be owners of property or
 6 registered voters;

7 (B) the carrier must be a signatory on at least one (1) petition;

8 (C) after the signatures have been collected, the carrier must
 9 swear or affirm before a notary public that the carrier
 10 witnessed each signature; and

11 (D) govern the closing date for the petition period.

12 Persons requesting forms may be required to identify themselves
 13 as owners of property or registered voters and may be allowed to
 14 pick up additional copies to distribute to other owners of property
 15 or registered voters. Each person signing a petition must indicate
 16 whether the person is signing the petition as a registered voter
 17 within the political subdivision or is signing the petition as the
 18 owner of property within the political subdivision. A person who
 19 signs a petition as a registered voter must indicate the address at
 20 which the person is registered to vote. A person who signs a
 21 petition as an owner of property must indicate the address of the
 22 property owned by the person in the political subdivision.

23 (6) Each petition must be verified under oath by at least one (1)
 24 qualified petitioner in a manner prescribed by the state board of
 25 accounts before the petition is filed with the county voter
 26 registration office under subdivision (7).

27 (7) Each petition must be filed with the county voter registration
 28 office not more than thirty (30) days after publication under
 29 subdivision (2) of the notice of the preliminary determination.

30 (8) The county voter registration office shall determine whether
 31 each person who signed the petition is a registered voter.
 32 However, after the county voter registration office has determined
 33 that at least five hundred twenty-five (525) persons who signed
 34 the petition are registered voters within the political subdivision,
 35 the county voter registration office is not required to verify
 36 whether the remaining persons who signed the petition are
 37 registered voters. If the county voter registration office does not
 38 determine that at least five hundred twenty-five (525) persons
 39 who signed the petition are registered voters, the county voter
 40 registration office shall, not more than fifteen (15) business days
 41 after receiving a petition, forward a copy of the petition to the
 42 county auditor. Not more than ten (10) business days after

1 receiving the copy of the petition, the county auditor shall provide
2 to the county voter registration office a statement verifying:

3 (A) whether a person who signed the petition as a registered
4 voter but is not a registered voter, as determined by the county
5 voter registration office, is the owner of property in the
6 political subdivision; and

7 (B) whether a person who signed the petition as an owner of
8 property within the political subdivision does in fact own
9 property within the political subdivision.

10 (9) The county voter registration office, not more than ten (10)
11 business days after determining that at least five hundred
12 twenty-five (525) persons who signed the petition are registered
13 voters or receiving the statement from the county auditor under
14 subdivision (8), as applicable, shall make the final determination
15 of the number of petitioners that are registered voters in the
16 political subdivision and, based on the statement provided by the
17 county auditor, the number of petitioners that own property within
18 the political subdivision. Whenever the name of an individual
19 who signs a petition form as a registered voter contains a minor
20 variation from the name of the registered voter as set forth in the
21 records of the county voter registration office, the signature is
22 presumed to be valid, and there is a presumption that the
23 individual is entitled to sign the petition under this section. Except
24 as otherwise provided in this chapter, in determining whether an
25 individual is a registered voter, the county voter registration office
26 shall apply the requirements and procedures used under IC 3 to
27 determine whether a person is a registered voter for purposes of
28 voting in an election governed by IC 3. However, an individual is
29 not required to comply with the provisions concerning providing
30 proof of identification to be considered a registered voter for
31 purposes of this chapter. A person is entitled to sign a petition
32 only one (1) time in a particular petition and remonstrance
33 process under this chapter, regardless of whether the person owns
34 more than one (1) parcel of real property, mobile home assessed
35 as personal property, or manufactured home assessed as personal
36 property, or a combination of those types of property within the
37 subdivision and regardless of whether the person is both a
38 registered voter in the political subdivision and the owner of
39 property within the political subdivision. Notwithstanding any
40 other provision of this section, if a petition is presented to the
41 county voter registration office within forty-five (45) days before
42 an election, the county voter registration office may defer acting

on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the township board; or

(B) the body that has the authority to authorize the issuance of the bonds or the execution of a lease, if the political subdivision is not a township;

within thirty-five (35) business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of property within the political subdivision and the number of petitioners who are registered voters residing within the political subdivision.

If a sufficient petition requesting a petition and remonstrance process is not filed by owners of property or registered voters as set forth in this section, the political subdivision may issue bonds or enter into a lease by following the provisions of law relating to the bonds to be issued or lease to be entered into.

(c) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. A person that owns property within a political subdivision or a person that is a registered voter residing within a political subdivision may file a petition with the department of local government finance objecting that the political subdivision has divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. The petition must be filed not more than ten (10) days after the political subdivision gives notice of the political subdivision's decision to issue bonds or enter into leases for a capital project that the person believes is the result of a division of a controlled project that is prohibited by this subsection. If the department of local government finance receives a petition under this subsection, the department shall not later than thirty (30) days after receiving the petition make a final determination on the issue of whether the political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter. If the department of local government finance determines that a political subdivision divided a controlled project in order to avoid the requirements of this section and section 3.2 of this chapter and the political subdivision continues to desire to proceed with the project, the political subdivision shall fulfill the

requirements of this section and section 3.2 of this chapter, if applicable, regardless of the cost of the project in dispute. A political subdivision shall be considered to have divided a capital project in order to avoid the requirements of this section and section 3.2 of this chapter if the result of one (1) or more of the subprojects cannot reasonably be considered an independently desirable end in itself without reference to another capital project. This subsection does not prohibit a political subdivision from undertaking a series of capital projects in which the result of each capital project can reasonably be considered an independently desirable end in itself without reference to another capital project.

SECTION 67. IC 6-1.1-20-3.5, AS AMENDED BY P.L.136-2024, SECTION 24, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 3.5. (a) This section applies only to a controlled project that meets the following conditions:

(1) The controlled project is described in one (1) of the following categories:

(A) An elementary school building, middle school building, high school building, or other school building for academic instruction that will be used for any combination of kindergarten through grade 12 and will cost more than the lesser of the following:

(i) The threshold amount determined under this item. In the case of an ordinance or resolution adopted before January 1, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is ten million dollars (\$10,000,000). In the case of an ordinance or resolution adopted after December 31, 2017, and before January 1, 2019, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is fifteen million dollars (\$15,000,000). In the case of an ordinance or resolution adopted in a calendar year after December 31, 2018, making a preliminary determination to issue bonds or enter into a lease for the project, the threshold amount is an amount (as determined by the department of local government finance) equal to the result of the maximum levy growth quotient determined under IC 6-1.1-18.5-2 for the year multiplied by the threshold amount determined under this item for the preceding calendar year. In the case of a threshold amount determined under this item that applies for a calendar year after December 31, 2018, the department of local government

1 finance shall publish the threshold in the Indiana Register
 2 under IC 4-22-7-7 not more than sixty (60) days after the
 3 date the budget agency releases the maximum levy growth
 4 quotient for the ensuing year under IC 6-1.1-18.5-2.

5 (ii) An amount equal to one percent (1%) of the total gross
 6 assessed value of property within the political subdivision
 7 on the last assessment date, if that total gross assessed value
 8 is more than one billion dollars (\$1,000,000,000), or ten
 9 million dollars (\$10,000,000), if the total gross assessed
 10 value of property within the political subdivision on the last
 11 assessment date is not more than one billion dollars
 12 (\$1,000,000,000).

13 (B) Any other controlled project that is not a controlled project
 14 described in clause (A) and will cost the political subdivision
 15 more than the lesser of the following:

16 (i) The threshold amount determined under this item. In the
 17 case of an ordinance or resolution adopted before January 1,
 18 2018, making a preliminary determination to issue bonds or
 19 enter into a lease for the project, the threshold amount is
 20 twelve million dollars (\$12,000,000). In the case of an
 21 ordinance or resolution adopted after December 31, 2017,
 22 and before January 1, 2019, making a preliminary
 23 determination to issue bonds or enter into a lease for the
 24 project, the threshold amount is fifteen million dollars
 25 (\$15,000,000). In the case of an ordinance or resolution
 26 adopted in a calendar year after December 31, 2018, making
 27 a preliminary determination to issue bonds or enter into a
 28 lease for the project, the threshold amount is an amount (as
 29 determined by the department of local government finance)
 30 equal to the result of the maximum levy growth quotient
 31 determined under IC 6-1.1-18.5-2 for the year multiplied by
 32 the threshold amount determined under this item for the
 33 preceding calendar year. In the case of a threshold amount
 34 determined under this item that applies for a calendar year
 35 after December 31, 2018, the department of local
 36 government finance shall publish the threshold in the
 37 Indiana Register under IC 4-22-7-7 not more than sixty (60)
 38 days after the date the budget agency releases the maximum
 39 levy growth quotient for the ensuing year under
 40 IC 6-1.1-18.5-2.

41 (ii) An amount equal to one percent (1%) of the total gross
 42 assessed value of property within the political subdivision

on the last assessment date, if that total gross assessed value is more than one hundred million dollars (\$100,000,000), or one million dollars (\$1,000,000), if the total gross assessed value of property within the political subdivision on the last assessment date is not more than one hundred million dollars (\$100,000,000).

(C) Any other controlled project for which a political subdivision adopts an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for the project, if the sum of:

- (i) the cost of that controlled project; plus
- (ii) the costs of all other controlled projects for which the political subdivision has previously adopted within the preceding three hundred sixty-five (365) days an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease for those other controlled projects;

exceeds twenty-five million dollars (\$25,000,000).

(D) A controlled project funded by debt service if the scope of the project changes from the purpose of the project initially advertised to taxpayers as determined under section 4.3(c) of this chapter.

(E) This clause does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2023, **or to a project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025.** Except as provided in section 4.5 of this chapter, any other controlled project if the political subdivision's total debt service tax rate is at least eighty cents (\$0.80) per one hundred dollars (\$100) of assessed value. This clause expires December 31, 2025. For purposes of this clause, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

(F) Except as provided in section 4.5 of this chapter, any other project for which an ordinance or resolution making a preliminary determination to issue bonds or enter into a lease is adopted after June 30, 2025, if:

- (i) in the case of a school corporation, the school corporation's total debt service tax rate is more than seventy cents (\$0.70) per one hundred dollars (\$100) of**

assessed value;

(ii) in the case of a city, county, or town, the city's, county's, or town's total debt service tax rate is more than forty cents (\$0.40) per one hundred dollars (\$100) of assessed value; or

(iii) in the case of a political subdivision not described in item (i) or (ii), the political subdivision's total debt service tax rate is more than ten cents (\$0.10) per one hundred dollars (\$100) of assessed value.

However, this clause does not apply to a project for which a public hearing to issue bonds or enter into a lease has been conducted under IC 20-26-7-37 before July 1, 2025. For purposes of this clause, a political subdivision's total debt service tax rate does not include a tax rate imposed in a referendum debt service tax levy approved by voters.

(2) The proper officers of the political subdivision make a preliminary determination after June 30, 2008, in the manner described in subsection (b) to issue bonds or enter into a lease for the controlled project.

(b) Subject to subsection (d), a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project without completing the following procedures:

(1) The proper officers of a political subdivision shall publish notice in accordance with IC 5-3-1 and send notice by first class mail to the circuit court clerk and to any organization that delivers to the officers, before January 1 of that year, an annual written request for notices of any meeting to consider the adoption of an ordinance or a resolution making a preliminary determination to issue bonds or enter into a lease and shall conduct at least two (2) public hearings on the preliminary determination before adoption of the ordinance or resolution. The political subdivision must at each of the public hearings on the preliminary determination allow the public to testify regarding the preliminary determination and must make the following information available to the public at each of the public hearings on the preliminary determination, in addition to any other information required by law:

(A) The result of the political subdivision's current and projected annual debt service payments divided by the net assessed value of taxable property within the political subdivision.

(B) The result of:

(i) the sum of the political subdivision's outstanding long

- 1 term debt plus the outstanding long term debt of other taxing
 2 units that include any of the territory of the political
 3 subdivision; divided by
 4 (ii) the net assessed value of taxable property within the
 5 political subdivision.
 6 (C) The information specified in subdivision (3)(A) through
 7 (3)(G).
 8 (2) If the proper officers of a political subdivision make a
 9 preliminary determination to issue bonds or enter into a lease, the
 10 officers shall give notice of the preliminary determination by:
 11 (A) publication in accordance with IC 5-3-1; and
 12 (B) first class mail to the circuit court clerk and to the
 13 organizations described in subdivision (1).
 14 (3) A notice under subdivision (2) of the preliminary
 15 determination of the political subdivision to issue bonds or enter
 16 into a lease must include the following information:
 17 (A) The maximum term of the bonds or lease.
 18 (B) The maximum principal amount of the bonds or the
 19 maximum lease rental for the lease.
 20 (C) The estimated interest rates that will be paid and the total
 21 interest costs associated with the bonds or lease.
 22 (D) The purpose of the bonds or lease.
 23 (E) A statement that the proposed debt service or lease
 24 payments must be approved in an election on a local public
 25 question held under section 3.6 of this chapter.
 26 (F) With respect to bonds issued or a lease entered into to
 27 open:
 28 (i) a new school facility; or
 29 (ii) an existing facility that has not been used for at least
 30 three (3) years and that is being reopened to provide
 31 additional classroom space;
 32 the estimated costs the school corporation expects to annually
 33 incur to operate the facility.
 34 (G) The following information:
 35 (i) The political subdivision's current debt service levy and
 36 rate.
 37 (ii) The estimated increase to the political subdivision's debt
 38 service levy and rate that will result if the political
 39 subdivision issues the bonds or enters into the lease.
 40 (iii) The estimated amount of the political subdivision's debt
 41 service levy and rate that will result during the following ten
 42 (10) years if the political subdivision issues the bonds or

- 1 enters into the lease, after also considering any changes that
 2 will occur to the debt service levy and rate during that
 3 period on account of any outstanding bonds or lease
 4 obligations that will mature or terminate during that period.
 5 (H) The information specified in subdivision (1)(A) through
 6 (1)(B).
- 7 (4) This subdivision does not apply to a controlled project
 8 described in subsection (a)(1)(E) (before its expiration) **or**
 9 **subsection (a)(1)(F)**. After notice is given, a petition requesting
 10 the application of the local public question process under section
 11 3.6 of this chapter may be filed by the lesser of:
- 12 (A) five hundred (500) persons who are either owners of
 13 property within the political subdivision or registered voters
 14 residing within the political subdivision; or
 15 (B) five percent (5%) of the registered voters residing within
 16 the political subdivision.
- 17 (5) This subdivision does not apply to a controlled project
 18 described in subsection (a)(1)(E) (before its expiration) **or**
 19 **subsection (a)(1)(F)**. The state board of accounts shall design
 20 and, upon request by the county voter registration office, deliver
 21 to the county voter registration office or the county voter
 22 registration office's designated printer the petition forms to be
 23 used solely in the petition process described in this section. The
 24 county voter registration office shall issue to an owner or owners
 25 of property within the political subdivision or a registered voter
 26 residing within the political subdivision the number of petition
 27 forms requested by the owner or owners or the registered voter.
 28 Each form must be accompanied by instructions detailing the
 29 requirements that:
- 30 (A) the carrier and signers must be owners of property or
 31 registered voters;
 32 (B) the carrier must be a signatory on at least one (1) petition;
 33 (C) after the signatures have been collected, the carrier must
 34 swear or affirm before a notary public that the carrier
 35 witnessed each signature; and
 36 (D) govern the closing date for the petition period.
- 37 Persons requesting forms may be required to identify themselves
 38 as owners of property or registered voters and may be allowed to
 39 pick up additional copies to distribute to other owners of property
 40 or registered voters. Each person signing a petition must indicate
 41 whether the person is signing the petition as a registered voter
 42 within the political subdivision or is signing the petition as the

owner of property within the political subdivision. A person who signs a petition as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition as an owner of property must indicate the address of the property owned by the person in the political subdivision.

(6) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county voter registration office under subdivision (7).

(7) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. Each petition must be filed with the county voter registration office not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office shall determine whether each person who signed the petition is a registered voter. However, after the county voter registration office has determined that at least five hundred twenty-five (525) persons who signed the petition are registered voters within the political subdivision, the county voter registration office is not required to verify whether the remaining persons who signed the petition are registered voters. If the county voter registration office does not determine that at least five hundred twenty-five (525) persons who signed the petition are registered voters, the county voter registration office, not more than fifteen (15) business days after receiving a petition, shall forward a copy of the petition to the county auditor. Not more than ten (10) business days after receiving the copy of the petition, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of property in the political subdivision; and

(B) whether a person who signed the petition as an owner of property within the political subdivision does in fact own property within the political subdivision.

(9) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office, not more than ten (10) business days after determining that at least five hundred twenty-five (525) persons who signed the petition are registered voters or after receiving the statement from the county auditor under subdivision (8), as applicable, shall make the final determination of whether a sufficient number of persons have signed the petition. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular referendum process under this chapter, regardless of whether the person owns more than one (1) parcel of real property, mobile home assessed as personal property, or manufactured home assessed as personal property or a combination of those types of property within the political subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within forty-five (45) days before an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

(10) This subdivision does not apply to a controlled project described in subsection (a)(1)(E) (before its expiration) **or subsection (a)(1)(F)**. The county voter registration office must file a certificate and each petition with:

(A) the township trustee, if the political subdivision is a township, who shall present the petition or petitions to the

- 1 township board; or
 2 (B) the body that has the authority to authorize the issuance of
 3 the bonds or the execution of a lease, if the political
 4 subdivision is not a township;
 5 within thirty-five (35) business days of the filing of the petition
 6 requesting the referendum process. The certificate must state the
 7 number of petitioners who are owners of property within the
 8 political subdivision and the number of petitioners who are
 9 registered voters residing within the political subdivision.
 10 (11) This subdivision does not apply to a controlled project
 11 described in subsection (a)(1)(E) (before its expiration) **or**
 12 **subsection (a)(1)(F)**. If a sufficient petition requesting the local
 13 public question process is not filed by owners of property or
 14 registered voters as set forth in this section, the political
 15 subdivision may issue bonds or enter into a lease by following the
 16 provisions of law relating to the bonds to be issued or lease to be
 17 entered into.
 18 (c) If the proper officers of a political subdivision make a
 19 preliminary determination to issue bonds or enter into a lease, the
 20 officers shall provide to the county auditor:
 21 (1) a copy of the notice required by subsection (b)(2); and
 22 (2) any other information the county auditor requires to fulfill the
 23 county auditor's duties under section 3.6 of this chapter.
 24 (d) In addition to the procedures in subsection (b), if any capital
 25 improvement components addressed in the most recent:
 26 (1) threat assessment of the buildings within the school
 27 corporation; or
 28 (2) school safety plan (as described in IC 20-26-18.2-2(b));
 29 concerning a particular school have not been completed or require
 30 additional funding to be completed, before the school corporation may
 31 impose property taxes to pay debt service on bonds or lease rentals for
 32 a lease for a controlled project, and in addition to any other components
 33 of the controlled project, the controlled project must include any capital
 34 improvements necessary to complete those components described in
 35 subdivisions (1) and (2) that have not been completed or that require
 36 additional funding to be completed.
 37 (e) In addition to the other procedures in this section, an ordinance
 38 or resolution making a preliminary determination to issue bonds or
 39 enter into leases that is considered for adoption must include a
 40 statement of:
 41 (1) the maximum annual debt service for the controlled project for
 42 each year in which the debt service will be paid; and

(2) the schedule of the estimated annual tax levy and rate over a ten (10) year period; factoring in changes that will occur to the debt service levy and tax rate during the period on account of any outstanding bonds or lease obligations that will mature or terminate during the period.

SECTION 68. IC 6-1.1-20-3.6, AS AMENDED BY P.L.136-2024, SECTION 25, AND AS AMENDED BY P.L.156-2024, SECTION 17, AND AS AMENDED BY THE TECHNICAL CORRECTIONS BILL OF THE 2025 GENERAL ASSEMBLY, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]:
Sec. 3.6. (a) Except as provided in sections 3.7 and 3.8 of this chapter, this section applies only to a controlled project described in section 3.5(a) of this chapter.

(b) In the case of a controlled project:

(1) described in section 3.5(a)(1)(A) through 3.5(a)(1)(C) of this chapter, if a sufficient petition requesting the application of the local public question process has been filed as set forth in section 3.5 of this chapter; or

(2) described in section ~~3.5(a)(1)(D)~~ 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter; ~~(before its expiration)~~; a political subdivision may not impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project unless the political subdivision's proposed debt service or lease rental is approved in an election on a local public question held under this section.

(c) Except as provided in subsection (k), the following question shall be submitted to the eligible voters at the election conducted under this section:

"Shall _____ (insert the name of the political subdivision) increase property taxes paid to the _____ (insert the type of taxing unit) by homeowners and businesses? If this public question is approved by the voters, the average property tax paid to the _____ (insert the type of taxing unit) per year on a residence would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision as determined under subsection (n)) and the average property tax paid to the _____ (insert the type of taxing unit) per year on a business property would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision as determined under subsection (o)). The political

subdivision may issue bonds or enter into a lease to _____
 (insert a brief description of the controlled project); which is
 estimated to cost _____ (insert the total cost of the project)
 over _____ (insert number of years to bond maturity or
 termination of lease) years. The most recent property tax
 referendum within the boundaries of the political subdivision for
 which this public question is being considered was proposed by
 _____ (insert name of political subdivision) in _____ (insert
 year of most recent property tax referendum) and _____
 (insert whether the measure passed or failed).".

"Shall _____ (insert the name of the political subdivision)
 increase property taxes paid to the _____ (insert the type of
 political subdivision) for no more than _____ (insert the
 number of years immediately following the holding of the
 referendum) years for the purpose of funding _____ (insert
 a brief description of the project use or purpose) for which the
 principal debt amount for the project will cost no more than
 _____ (insert the total cost of the project principal amount)
 and the financing cost including interest and fees will cost no
 more than an additional _____ (insert the total financing
 costs including interest and fees) and is estimated to increase
 the property taxes paid to the _____ (insert the type of
 political subdivision) by imposing a property tax rate that
 results in a maximum annual amount that does not exceed
 _____ (insert maximum amount of annual levy). If this
 capital referendum public question is approved by the voters,
 for a median residence of _____ (insert the political
 subdivision's median household assessed value, rounded up to
 the next fifty thousand dollars (\$50,000)), the property's
 annual property tax bill would increase by _____ (insert
 dollar amount, rounded up to the next whole dollar) per
 year.".

The public question must appear on the ballot in the form approved by
 the county election board. If the political subdivision proposing to issue
 bonds or enter into a lease is located in more than one (1) county, the
 county election board of each county shall jointly approve the form of
 the public question that will appear on the ballot in each county. The
 form approved by the county election board may differ from the
 language certified to the county election board by the county auditor.
 If the county election board approves the language of a public question
 under this subsection, the county election board shall submit the
 language and the certification of the county auditor ~~described in~~

1 subsection (p) to the department of local government finance for
2 review.

3 (d) The department of local government finance shall review the
4 language of the public question to evaluate whether the description of
5 the controlled project is accurate and is not biased against either a vote
6 in favor of the controlled project or a vote against the controlled
7 project. The department of local government finance shall post the
8 estimated average percentage of property tax increases to be paid to a
9 political subdivision on a residence and business property that are
10 certified by the county auditor under subsection (p) on the department's
11 ~~Internet web site: website~~. The department of local government finance
12 may either approve the ballot language as submitted or recommend that
13 the ballot language be modified as necessary to ensure that the
14 description of the controlled project is accurate and is not biased. The
15 department of local government finance shall certify its approval or
16 recommendations to the county auditor and the county election board
17 not more than ten (10) days after *both the certification of the county*
18 *auditor described in subsection (p) and* the language of the public
19 question ~~is~~ submitted to the department for review. If the
20 department of local government finance recommends a modification to
21 the ballot language, the county election board shall, after reviewing the
22 recommendations of the department of local government finance,
23 submit modified ballot language to the department for the department's
24 approval or recommendation of any additional modifications. The
25 public question may not be certified by the county auditor under
26 subsection (e) unless the department of local government finance has
27 first certified the department's final approval of the ballot language for
28 the public question.

29 (e) The county auditor shall certify the finally approved public
30 question ~~under IC 3-10-9-3~~ to the county election board of each county
31 in which the political subdivision is located. The certification must
32 occur not later than noon **August 1**.

33 (1) ~~seventy-four (74) days before a primary election if the public~~
34 ~~question is to be placed on the primary or municipal primary~~
35 ~~election ballot; or~~

36 (2) ~~August 1 if the public question is to be placed on the general~~
37 ~~or municipal election ballot.~~

38 Subject to the certification requirements and deadlines under this
39 subsection and except as provided in subsection (j), the public question
40 shall be placed on the ballot at the next ~~primary election; general~~
41 ~~election. or municipal election in which all voters of the political~~
42 ~~subdivision are entitled to vote. However, if a primary election; general~~

election; or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election; the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November). The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(f) The circuit court clerk shall certify the results of the public question to the following:

(1) The county auditor of each county in which the political subdivision is located.

(2) The department of local government finance.

(g) Subject to the requirements of IC 6-1.1-18.5-8, the political subdivision may issue the proposed bonds or enter into the proposed lease rental if a majority of the eligible voters voting on the public question vote in favor of the public question.

(h) If a majority of the eligible voters voting on the public question vote in opposition to the public question, both of the following apply:

(1) The political subdivision may not issue the proposed bonds or enter into the proposed lease rental.

(2) Another public question under this section on the same or a substantially similar project may not be submitted to the voters earlier than:

(A) except as provided in clause (B), seven hundred (700) days after the date of the public question; or

(B) three hundred fifty (350) days after the date of the election, if a petition that meets the requirements of subsection (m) is submitted to the county auditor.

(i) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(j) A political subdivision may not divide a controlled project in order to avoid the requirements of this section and section 3.5 of this chapter. A person that owns property within a political subdivision or

1 a person that is a registered voter residing within a political subdivision
 2 may file a petition with the department of local government finance
 3 objecting that the political subdivision has divided a controlled project
 4 into two (2) or more capital projects in order to avoid the requirements
 5 of this section and section 3.5 of this chapter. The petition must be filed
 6 not more than ten (10) days after the political subdivision gives notice
 7 of the political subdivision's decision under section 3.5 of this chapter
 8 or a determination under section 5 of this chapter to issue bonds or
 9 enter into leases for a capital project that the person believes is the
 10 result of a division of a controlled project that is prohibited by this
 11 subsection. If the department of local government finance receives a
 12 petition under this subsection, the department shall not later than thirty
 13 (30) days after receiving the petition make a final determination on the
 14 issue of whether the political subdivision divided a controlled project
 15 in order to avoid the requirements of this section and section 3.5 of this
 16 chapter. If the department of local government finance determines that
 17 a political subdivision divided a controlled project in order to avoid the
 18 requirements of this section and section 3.5 of this chapter and the
 19 political subdivision continues to desire to proceed with the project, the
 20 political subdivision may appeal the determination of the department
 21 of local government finance to the Indiana board of tax review. A
 22 political subdivision shall be considered to have divided a capital
 23 project in order to avoid the requirements of this section and section
 24 3.5 of this chapter if the result of one (1) or more of the subprojects
 25 cannot reasonably be considered an independently desirable end in
 26 itself without reference to another capital project. This subsection does
 27 not prohibit a political subdivision from undertaking a series of capital
 28 projects in which the result of each capital project can reasonably be
 29 considered an independently desirable end in itself without reference
 30 to another capital project.

31 (k) This subsection applies to a political subdivision for which a
 32 petition requesting a public question has been submitted under section
 33 3.5 of this chapter. The legislative body (as defined in IC 36-1-2-9) of
 34 the political subdivision may adopt a resolution to withdraw a
 35 controlled project from consideration in a public question. If the
 36 legislative body provides a certified copy of the resolution to the county
 37 auditor and the county election board not later than sixty-three (63)
 38 days before the election at which the public question would be on the
 39 ballot, the public question on the controlled project shall not be placed
 40 on the ballot and the public question on the controlled project shall not
 41 be held, regardless of whether the county auditor has certified the
 42 public question to the county election board. If the withdrawal of a

public question under this subsection requires the county election board to reprint ballots, the political subdivision withdrawing the public question shall pay the costs of reprinting the ballots. If a political subdivision withdraws a public question under this subsection that would have been held at a special election and the county election board has printed the ballots before the legislative body of the political subdivision provides a certified copy of the withdrawal resolution to the county auditor and the county election board, the political subdivision withdrawing the public question shall pay the costs incurred by the county in printing the ballots. If a public question on a controlled project is withdrawn under this subsection, a public question under this section on the same controlled project or a substantially similar controlled project may not be submitted to the voters earlier than three hundred fifty (350) days after the date the resolution withdrawing the public question is adopted.

(l) If a public question regarding a controlled project is placed on the ballot to be voted on at an election under this section, the political subdivision shall submit to the department of local government finance, at least thirty (30) days before the election, the following information regarding the proposed controlled project for posting on the department's ~~Internet web site~~ website:

(1) The cost per square foot of any buildings being constructed as part of the controlled project.

(2) The effect that approval of the controlled project would have on the political subdivision's property tax rate.

(3) The maximum term of the bonds or lease.

(4) The maximum principal amount of the bonds or the maximum lease rental for the lease.

(5) The estimated interest rates that will be paid and the total interest costs associated with the bonds or lease.

(6) The purpose of the bonds or lease.

(7) In the case of a controlled project proposed by a school corporation:

(A) the current and proposed square footage of school building space per student;

(B) enrollment patterns within the school corporation; and

(C) the age and condition of the current school facilities.

(m) If a majority of the eligible voters voting on the public question vote in opposition to the public question, a petition may be submitted to the county auditor to request that the limit under subsection (h)(2)(B) apply to the holding of a subsequent public question by the political subdivision. If such a petition is submitted to the county

auditor and is signed by the lesser of:

- (1) five hundred (500) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision; or
- (2) five percent (5%) of the registered voters residing within the political subdivision;

the limit under subsection (h)(2)(B) applies to the holding of a second public question by the political subdivision and the limit under subsection (h)(2)(A) does not apply to the holding of a second public question by the political subdivision.

(n) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project, the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the political subdivision:

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the political subdivision; subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE:

STEP THREE: Divide the result of STEP TWO by one hundred (100):

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision:

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the political subdivision:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5(a)(1):

STEP SIX: Determine the amount of the political subdivision's

part of the result determined in STEP FIVE:

STEP SEVEN: Determine the estimated tax rate that will be imposed if the public question is approved by the voters:

STEP EIGHT: Multiply the result of STEP SEVEN by the result of STEP THREE:

STEP NINE: Divide the result of STEP EIGHT by the result of STEP SIX, expressed as a percentage:

(o) At the request of a political subdivision that proposes to impose property taxes to pay debt service on bonds or lease rentals on a lease for a controlled project; the county auditor of a county in which the political subdivision is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the political subdivision that must be included in the public question under subsection (c) as follows:

STEP ONE: Determine the average assessed value of business property located within the political subdivision:

STEP TWO: Divide the result of STEP ONE by one hundred (100):

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the political subdivision:

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the political subdivision:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%):

STEP FIVE: Determine the amount of the political subdivision's part of the result determined in STEP FOUR:

STEP SIX: Determine the estimated tax rate that will be imposed if the public question is approved by the voters:

STEP SEVEN: Multiply the result of STEP TWO by the result of STEP SIX:

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP FIVE, expressed as a percentage:

(p) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to the political subdivision determined under subsection (n); and the estimated average percentage of property tax increase on a business

property to be paid to the political subdivision determined under subsection (o); in a manner prescribed by the department of local government finance; and provide the certification to the political subdivision that proposes to impose property taxes. The political subdivision shall provide the certification to the county election board and include the estimated average percentages in the language of the public question at the time the language of the public question is submitted to the county election board for approval as described in subsection (c).

SECTION 69. IC 6-1.1-20-4.1 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 4.1. This section applies to all school corporations. During the calendar year immediately succeeding the final calendar year in which a school corporation's previously approved controlled project referendum tax levy is imposed under this chapter, the school corporation may not adopt a resolution under section 3.5 of this chapter making a preliminary determination to issue bonds or enter into a lease or adopt a resolution to extend a referendum tax levy under this chapter.**

SECTION 70. IC 6-1.1-20-4.3, AS ADDED BY P.L.136-2024, SECTION 27, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: **Sec. 4.3. (a)** This section applies only if, with respect to a particular controlled project that fulfilled the referendum process under sections 3.5 and 3.6 of this chapter, the political subdivision subsequently changes the scope of the controlled project beyond that initially presented.

(b) Notwithstanding any other provision in this chapter, if at least ten (10) persons who are either owners of property within the political subdivision or registered voters residing within the political subdivision file a petition with the proper officers of the political subdivision contending that the scope of a controlled project has changed from how it was initially presented, the proper officers of the political subdivision shall hold a public hearing to determine whether any change in scope is significant enough to warrant a new referendum process. A petition under this subsection must be filed not later than one (1) year after the controlled project received final approval.

(c) Notwithstanding any other provision in this chapter, if it is determined at the hearing described in subsection (b) that the political subdivision has subsequently changed the scope of a controlled project beyond that initially presented as described in subsection (a), the following procedures apply:

(1) A petition requesting the application of the local public

question process under this section may be filed using, and in compliance with, the provisions that initially applied to the particular controlled project under section 3.5 of this chapter. For purposes of this subdivision, the relevant provisions in section 3.5 of this chapter shall be construed in a manner consistent with this section.

(2) If a sufficient petition requesting the application of the local public question process for purposes of this section has been filed under subdivision (1), the following question shall be submitted to the eligible voters at the election conducted under this section:

"On _____ (insert date) the voters approved a public question to increase property taxes paid to the _____ (insert the type of taxing unit) by homeowners and businesses. The political subdivision has determined that the scope of the project for which the public question was placed on the ballot has changed beyond that initially presented. To fund the increase in the scope of the project, the average property tax paid to the _____ (insert the type of taxing unit) per year on a residence is estimated to increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision) and the average property tax paid to the _____ (insert the type of taxing unit) per year on a business property would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision). Shall _____ (insert the name of the political subdivision) increase property taxes paid to the _____ (insert the type of taxing unit) by homeowners and businesses to fund the increase in the scope of the project previously approved? If this public question is approved by the voters, the average property tax paid to the _____ (insert the type of taxing unit) per year on a residence would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a residence within the political subdivision) and the average property tax paid to the _____ (insert the type of taxing unit) per year on a business property would increase by _____% (insert the estimated average percentage of property tax increase paid to the political subdivision on a business property within the political subdivision)."

"Shall _____ (insert the name of the political subdivision) increase property taxes paid to the _____ (insert the type of

political subdivision) for no more than _____ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding _____ (insert a brief description of the project use or purpose) for which the principal debt amount for the project will cost no more than _____ (insert the total cost of the project principal amount) and the financing cost including interest and fees will cost no more than an additional _____ (insert the total financing costs including interest and fees) and is estimated to increase the property taxes paid to the _____ (insert the type of political subdivision) by imposing a property tax rate that results in a maximum annual amount that does not exceed _____ (insert maximum amount of annual levy). If this capital referendum public question is approved by the voters, for a median residence of _____ (insert the political subdivision's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual property tax bill would increase by _____ (insert dollar amount, rounded up to the next whole dollar) per year."

(3) The public question must appear on the ballot in the form approved by the county election board. If the political subdivision in which the particular controlled project is located in more than one (1) county, the county election board of each county shall jointly approve the form of the public question that will appear on the ballot in each county. The form approved by the county election board may differ from the language certified to the county election board by the county auditor. If the county election board approves the language of a public question under this subsection, the county election board shall submit the language to the department of local government finance for review.

(4) The department of local government finance shall review the language of the public question to evaluate whether the description of the controlled project is accurate and is not biased against either a vote in favor of the controlled project or a vote against the controlled project. The department of local government finance may either approve the ballot language as submitted or recommend that the ballot language be modified as necessary to ensure that the description of the controlled project is accurate and is not biased. The department of local government finance shall certify its approval or recommendations to the county auditor and the county election board not more than ten

(10) days after the language of the public question is submitted to the department for review. If the department of local government finance recommends a modification to the ballot language, the county election board shall, after reviewing the recommendations of the department of local government finance, submit modified ballot language to the department for the department's approval or recommendation of any additional modifications. The public question may not be certified by the county auditor under subdivision (5) unless the department of local government finance has first certified the department's final approval of the ballot language for the public question.

(5) The county auditor shall certify the finally approved public question ~~under IC 3-10-9-3~~ to the county election board of each county in which the political subdivision is located. The certification must occur not later than noon **August 1**.

(A) ~~seventy-four (74) days before a primary election if the public question is to be placed on the primary or municipal primary election ballot; or~~

(B) ~~August 1 if the public question is to be placed on the general or municipal election ballot.~~

(6) The public question shall be placed on the ballot at the next ~~primary election; general election or municipal election~~ in which all voters of the political subdivision are entitled to vote. However, if a ~~primary election; general election; or municipal election~~ will not be held during the first year in which the public question is eligible to be placed on the ballot under this section and if the political subdivision requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon ~~seventy-four (74) days before a special election to be held in May (if the special election is to be held in May) or noon on August 1 (if the special election is to be held in November).~~ The fiscal body of the political subdivision that requests the special election shall pay the costs of holding the special election. The county election board shall give notice under IC 5-3-1 of a special election conducted under this subsection. A special election conducted under this subsection is under the direction of the county election board. The county election board shall take all steps necessary to carry out the special election.

(7) The circuit court clerk shall certify the results of the public

question to the following:

(A) The county auditor of each county in which the political subdivision is located.

(B) The department of local government finance.

(8) IC 3, to the extent not inconsistent with this section, applies to an election held under this section.

(9) If a majority of the eligible voters voting on the public question vote in opposition to the public question, or if a petition is not filed under subdivision (1), the political subdivision may not proceed with the changed scope of the controlled project. In that case, the political subdivision may either:

(A) proceed with the controlled project as it was initially presented; or

(B) terminate the controlled project as it was initially presented and initiate procedures for the controlled project that reflects the change in scope.

(10) If a majority of the eligible voters voting on the public question vote in favor of the public question, the political subdivision may impose property taxes to fund the increase in the scope of the controlled project previously approved.

SECTION 71. IC 6-1.1-20-4.5, AS AMENDED BY P.L.136-2024, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 4.5. (a) As used in this section, "maintenance emergency" refers to a response to a condition that is not otherwise subject to the application of section 1.1(a)(6) of this chapter and includes:

(1) repair of a boiler or chiller system;

(2) roof repair;

(3) storm damage repair; or

(4) any other repair that the department determines is a maintenance emergency for which waiver of the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter ~~(before its expiration)~~ is warranted.

(b) A political subdivision may submit a request to the department to waive the application of section 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter, ~~(before its expiration)~~; if the proposed controlled project of the political subdivision is to address a maintenance emergency with respect to a building owned or leased by the political subdivision.

(c) The department shall require the political subdivision to submit any information that the department considers necessary to determine whether the condition that the political subdivision contends is a

1 maintenance emergency.

2 (d) The department shall review a request and issue a determination
3 not later than forty-five (45) days after the department receives a
4 request under this section determining whether the condition that the
5 political subdivision contends is a maintenance emergency is sufficient
6 to waive the application of section 3.5(a)(1)(E) **(before its expiration)**
7 **or 3.5(a)(1)(F)** of this chapter. ~~(before its expiration)~~. If the department
8 determines that the condition is a maintenance emergency then section
9 3.5(a)(1)(E) **(before its expiration) or 3.5(a)(1)(F)** of this chapter
10 ~~(before its expiration)~~ is waived and does not apply to the proposed
11 controlled project.

12 (e) A waiver of the application of section 3.5(a)(1)(E) **(before its**
13 **expiration) or 3.5(a)(1)(F)** of this chapter ~~(before its expiration)~~ in
14 accordance with this section may not be construed as a waiver of any
15 other requirement of this chapter with respect to the proposed
16 controlled project.

17 ~~(f) This section expires December 31, 2025.~~

18 SECTION 72. IC 6-1.1-20-4.6 IS ADDED TO THE INDIANA
19 CODE AS A **NEW** SECTION TO READ AS FOLLOWS
20 [EFFECTIVE JULY 1, 2025]: **Sec. 4.6. Each year, the county**

(B) in the case of an individual who filed a joint income tax return with the individual's spouse, combined adjusted gross income (as defined in Section 62 of the Internal Revenue Code) not exceeding ~~forty thousand dollars (\$40,000)~~, **seventy thousand dollars (\$70,000)**, and beginning for the January 1, 2023, assessment date, and each assessment date thereafter, adjusted annually by an amount equal to the percentage cost of living increase applied for Social Security benefits for the immediately preceding calendar year;

for the calendar year preceding by two (2) years the calendar year in which property taxes are first due and payable.

For purposes of applying the annual cost of living increases described in subdivision (4)(A) and (4)(B), the annual percentage increase is applied to the adjusted amount of income from the immediately preceding year.

(b) Except as provided in subsection (g), this section does not apply if:

(1) for an individual who received a credit under this section before January 1, 2020, the gross assessed value of the homestead on the assessment date for which property taxes are imposed is at least two hundred thousand dollars (\$200,000);

(3) the filing requirements under subsection (e) are met.

(d) The amount of the credit is equal to the greater of zero (0) or the result of:

(e) Applications for a credit under this section shall be filed in the manner provided for an application for a deduction under IC 6-1.1-12-9 **(before its expiration)**. However, an individual who remains eligible for the credit in the following year is not required to file a statement to apply for the credit in the following year. An individual who receives a credit under this section in a particular year and who becomes ineligible for the credit in the following year shall notify the auditor of the county in which the homestead is located of the individual's ineligibility not later than sixty (60) days after the individual becomes ineligible.

Where there is an increase in assessed value for purposes of the credit under this section, the assessor shall provide a report to the county auditor describing the substantial renovation or new improvements, if any, that were made to the property prior to the increase in assessed value.

 21 penalties that result from the removal of the deduction, if any, are
 22 imposed for property taxes first due and payable for an assessment date
 23 occurring before the earlier of the date of the notation made under
 24 subsection (c)(2)(A) or the date a notice of an ineligible homestead lien
 25 is recorded under subsection (e)(2) in the office of the county recorder.
 26 The notice must require full payment of the amount owed within:

27 (1) one (1) year with no penalties and interest, if:

28 (A) the taxpayer did not comply with the requirement to return
 29 the homestead verification form under IC 6-1.1-22-8.1(b)(9)
 30 (expired January 1, 2015); and

31 (B) the county auditor allowed the taxpayer to receive the
 32 standard deduction in error; or

8 specified in subsection (b), the county treasurer shall deposit that
9 amount:

10 (1) in the nonreverting fund, if the county contains a consolidated
11 city; or

12 (2) if the county does not contain a consolidated city:

13 (A) in the nonreverting fund, to the extent that the amount
14 collected, after deducting the direct cost of any contract,
15 including contract related expenses, under which the
16 contractor is required to identify homestead deduction
17 eligibility, does not cause the total amount deposited in the
18 nonreverting fund under this subsection for the year during
19 which the amount is collected to exceed one hundred thousand
20 dollars (\$100,000); or

21 (B) in the county general fund, to the extent that the amount
22 collected exceeds the amount that may be deposited in the
23 nonreverting fund under clause (A).

24 (e) Any part of the amount due under subsection (b) that is not
25 collected by the due date is subject to collection under one (1) or more

32 amount) after the termination of a deduction or credit as specified in
33 subsection (b) shall be deposited as specified in subsection (d) only in
34 the first year in which that amount is collected. Upon the collection of

36 under subdivision (2), the county auditor shall submit the appropriate
37 documentation to the county recorder, who shall amend the information
38 recorded under subdivision (2) without charge to indicate that the lien
39 has been released or the amount has been paid in full.

41 county general fund under subsection (d) includes adjustments in the
42 tax due as a result of the termination of deductions or credits available

only for property that satisfies the eligibility for a standard deduction under IC 6-1.1-12-37, including the following:

- (1) Supplemental deductions under IC 6-1.1-12-37.5.
- (2) Homestead credits under IC 6-1.1-20.4, IC 6-3.6-5 **(before its expiration)**, IC 6-3.6-11-3 **(before its expiration)**, or any other law.

Sec. 0.5. Each credit against local property taxes to which an individual is entitled for a particular year under this chapter shall be applied to an individual's property tax liability for the year after the application of any credit under IC 6-1.1-20.6-7.5, but before application of any other credits under this article or IC 6-3.6.

1 other individuals with whom:

2 (i) the individual shares ownership; or

3 (ii) the individual is purchasing the property under a
4 contract;

5 as joint tenants or tenants in common did not exceed
6 seventy thousand dollars (\$70,000);

7 for the calendar year preceding by two (2) years the calendar
8 year in which the property taxes are first due and payable.

9 (b) The amount of the credit is equal to one hundred fifty dollars
10 (\$150).

11 (c) An individual may not be denied the credit provided under
12 this section because the individual is absent from the real property,
13 mobile home, or manufactured home while in a nursing home or
14 hospital.

15 (d) For purposes of this section, if real property, a mobile home,
16 or a manufactured home is owned by:

17 (1) tenants by the entirety;

18 (2) joint tenants; or

32 under a contract that provides that the contract buyer is to pay the

34 provided under this section against that real property.

35 (g) If individuals share ownership or are purchasing the
36 property under a contract as joint tenants or tenants in common
37 and all of the tenants are not at least sixty-five (65) years of age, the
38 credit allowed under this section shall be reduced by an amount
39 equal to the credit multiplied by a fraction. The numerator of the
40 fraction is the number of tenants who are not at least sixty-five (65)
41 years of age, and the denominator is the total number of tenants.

 2 local government finance, with the county auditor and provide
 3 documentation necessary to substantiate the individual's eligibility

interest as the individual's principal place of residence. An
individual shall be treated as using a homestead as the
individual's principal place of residence if the individual:

(A) is absent from the homestead while in a health care
facility (as defined in IC 16-18-2-161 or IC 16-28-13-0.5)
for which payment is received from the United States
Department of Health and Human Services for the
individual's care; but

(B) used the homestead as the individual's principal place
of residence immediately before being admitted to a health
care facility (as defined in IC 16-18-2-161 or
IC 16-28-13-0.5);

(4) is not delinquent in the payment of any property taxes,
special assessments, or fees or charges that are included by

1 law on a tax statement issued under IC 6-1.1-22-8.1 or
2 IC 6-1.1-22.5; and

3 (5) meets any other qualifications that a county may choose to
4 require in an ordinance adopted under this chapter, which
5 may include:

6 (A) an age requirement for senior citizens;

7 (B) an assessed value limitation (such as an assessed value
8 limit of three hundred thousand dollars (\$300,000));

9 (C) veteran status; or

10 (D) an income based limitation.

11 Sec. 5. As used in this chapter, "qualified interest" means the
12 following:

13 (1) An ownership interest in a homestead.

14 (2) An interest in a contract for the purchase of a homestead
15 that:

16 (A) is recorded in the county recorder's office; and

17 (B) provides that a person purchasing the homestead is to
18 pay the property taxes on the homestead.

19 Sec. 6. (a) A county fiscal body may adopt an ordinance to
20 establish a homestead property tax deferral program to be
21 administered by the county treasurer as provided in this chapter.

22 (b) An ordinance adopted under this section must apply to all of
23 the territory of the county and allow a qualified individual to apply
24 for and receive deferral of the qualified individual's homestead
25 property tax liability as set forth in this chapter.

26 (c) For a homestead property tax deferral program to be first
27 applicable to property taxes first due and payable in a particular
28 calendar year, the county fiscal body must adopt the ordinance to
29 establish the homestead property tax deferral program not later
30 than November 1 of the immediately preceding calendar year.

31 Sec. 7. (a) Beginning with property taxes first due and payable
32 in 2026, and subject to subsection (g), a qualified individual in a
33 county with a homestead property tax deferral program may apply
34 to the county auditor to defer the due date for the qualified
35 individual's homestead property tax liability as permitted under
36 this chapter.

37 (b) A qualified individual may defer at least one hundred dollars
38 (\$100), but not more than five hundred dollars (\$500), of the
39 qualified individual's homestead property tax liability in a given
40 calendar year.

41 (c) Except as provided in subsections (d) and (f), amounts
42 deferred under this chapter for prior years may continue to

1 accumulate until the delayed due date under this chapter.

2 (d) A qualified individual may not defer more than ten thousand
3 dollars (\$10,000) of the qualified individual's homestead property
4 tax liability over consecutive years.

5 (e) The county treasurer may accrue interest on a qualified
6 individual's deferred tax balance amount on a monthly basis not to
7 exceed four percent (4%) beginning on the date of the deferral.

8 (f) No deferral of homestead property tax liability shall be
9 granted if the total amount of deferred taxes under this chapter
10 plus the total amount of all other liens on the homestead property
11 plus the outstanding principal on all mortgages on the homestead
12 property exceed one hundred percent (100%) of the homestead's
13 assessed value.

14 (g) To be eligible for the homestead property tax deferral
15 program, a qualified individual must:

16 (1) submit with the homestead property tax deferral program
17 application the written approval of any holder of a lien on the
18 homestead property; and

19 (2) agree to not pay the individual's remaining non-deferred
20 payments by escrow.

21 Sec. 8. (a) Before October 1, 2025, the department of local
22 government finance shall prescribe and make available to the
23 public a tax deferral loan application and agreement that must be
24 used for purposes of this chapter.

25 (b) A qualified individual wishing to obtain a deferral of
26 homestead property tax liability for a calendar year must file with
27 the county auditor a completed loan application on or before
28 January 15 of the calendar year in which the property taxes are
29 first due and payable and enter into a tax deferral agreement with
30 the county auditor before March 1 of that year. Any recording fees
31 required by a county recorder to file the application shall be paid
32 by the taxpayer.

33 (c) An application for a deferral must be filed with the county
34 auditor in the county where the homestead is located. Upon the
35 filing of an application, the county auditor shall immediately:

36 (1) notify the county treasurer and transmit the information
37 that the county treasurer needs to match the application with
38 the county treasurer's records related to the homestead; and

39 (2) review the application to determine:

40 (A) whether the applicant qualifies for a deferral; and

41 (B) the amount that may be deferred.

42 (d) After an initial application, an applicant remains eligible for

1 a deferral in subsequent years so long as the applicant continues to
 2 meet the eligibility requirements for deferral under this chapter.

3 Sec. 9. (a) If the applicant is qualified for a deferral, the county
 4 auditor shall:

5 (1) approve the deferral in the lesser of:

6 (A) the amount requested by the applicant, which may not
 7 be less than one hundred dollars (\$100); or

8 (B) the maximum amount, which is five hundred dollars
 9 (\$500);

10 (2) provide for the recording of the deferral in the county
 11 recorder's office specifying the amount of property tax
 12 deferred; and

13 (3) notify the county treasurer and the department of local
 14 government finance of the amount deferred.

15 (b) An applicant must enter into a tax deferral agreement with
 16 the county auditor for each year that homestead property taxes are
 17 deferred under this chapter.

18 (c) The recording of a deferral in the county recorder's office
 19 shall constitute a lien on the homestead property.

20 Sec. 10. (a) Property taxes deferred under this chapter are due
 21 and payable one hundred eighty (180) days after the date on which
 22 a deferral termination event occurs.

23 (b) Subject to subsection (c), a deferral termination event occurs
 24 on the earlier of the following dates:

25 (1) The first date on which the qualified individual who had a
 26 qualified interest in the homestead when the property taxes
 27 were deferred:

28 (A) ceases to use the homestead as the individual's
 29 principal place of residence as provided in section 4(3) of
 30 this chapter; or

31 (B) no longer has a qualified interest in the homestead.

32 (2) The date of the death of the qualified individual who had
 33 a qualified interest in the homestead when property taxes
 34 were deferred.

35 (c) This subsection applies only to a surviving spouse who was
 36 not a qualified individual on the date on which property taxes were
 37 deferred. If a deceased individual was a qualified individual on the
 38 date on which property taxes were deferred, the deceased
 39 individual's surviving spouse shall be treated after the deceased
 40 individual's death as if the surviving spouse had been a qualified
 41 individual on the date on which property taxes were deferred if:

42 (1) the homestead was the surviving spouse's principal place

1 of residence when the deceased qualified individual died; and
 2 (2) the surviving spouse has a qualified interest in the
 3 homestead not later than the later of:

4 (A) the date of the deceased individual's death; or

5 (B) the date on which the estate of the deceased individual
 6 transfers any part of the ownership of the homestead from
 7 the estate.

8 Sec. 11. Deferred property taxes and accrued interest may be
 9 paid at any time on or before the delayed due date under section 10
 10 of this chapter. Payment of deferred property taxes after the
 11 delayed due date shall be collected in the same manner as
 12 delinquent property taxes.

13 Sec. 12. (a) If a payment of deferred property taxes is made, the
 14 county treasurer shall notify the county auditor, the county
 15 recorder, and the state board of accounts on the form and in the
 16 manner prescribed by the state board of accounts. Notice to the
 17 county recorder must be in the form of a release of the lien on the
 18 homestead for the deferred property taxes. Any payment of
 19 deferred property taxes made within a particular installment
 20 period must be delineated by taxing district throughout the
 21 settlement process.

22 (b) When payment of deferred property taxes is made, the
 23 deferred property taxes shall be apportioned and distributed
 24 among the respective funds of the taxing units in the same manner
 25 as other property taxes are apportioned and distributed in the
 26 calendar year in which the payment of deferred property taxes is
 27 made.

28 Sec. 13. Whenever an individual who is a qualified individual on
 29 an assessment date for which property taxes were deferred:

30 (1) ceases to use the homestead as the individual's principal
 31 place of residence as provided in section 4(3) of this chapter;

32 (2) ceases to have a qualified interest in the homestead; or

33 (3) changes the individual's qualified interest in the
 34 homestead;

35 or a surviving spouse becomes a qualified individual, a person
 36 responsible for paying the property taxes on the homestead shall
 37 notify the county auditor in the county where the homestead is
 38 located on the form and in the manner prescribed by the
 39 department of local government finance. The county auditor shall
 40 review the information filed under this section to determine
 41 whether a deferral termination event has occurred.

42 Sec. 14. (a) If, as the result of the filing of information with the

1 county auditor or on the county auditor's own motion, the county
 2 auditor determines that a deferral termination event has occurred,
 3 the county auditor shall notify the county treasurer, the county
 4 recorder, and the department of local government finance on the
 5 form and in the manner prescribed by the department of local
 6 government finance.

7 (b) A county auditor shall give written notice of each
 8 determination under this chapter to the qualified individuals for
 9 the affected homestead.

10 **Sec. 15. The county recorder shall record the following without**
 11 **charge in the miscellaneous records of the county recorder:**

12 (1) A statement of the amount of property tax deferred.

13 (2) A statement of payment of deferred property taxes.

14 (3) A notice of termination of a deferral.

15 SECTION 86. IC 6-3-2-27.5, AS ADDED BY P.L.194-2023,
 16 SECTION 16, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 17 JULY 1, 2027]: Sec. 27.5. (a) As used in this section, "compensation"
 18 means any wages, salaries, tips, or similar income that is subject to the
 19 withholding requirements under IC 6-3-4-8, or would otherwise be
 20 subject to the withholding requirements under IC 6-3-4-8 if not for the
 21 application of:

22 (1) IC 6-3-4-8(d);

23 (2) IC 6-3-5; or

24 (3) this section.

25 (b) As used in this section, "professional athlete" means:

26 (1) an athlete, other than a team member (as defined in section
 27 2.7(a)(4) of this chapter) or a race team member (as defined in
 28 section 3.2(a)(4) of this chapter), who performs services in a
 29 professional athletic event for compensation;

30 (2) a team member (as defined in section 2.7(a)(4) of this chapter)
 31 who has at least one (1) duty day in Indiana during a taxable year;
 32 or

33 (3) a race team member (as defined in section 3.2(a)(4) of this
 34 chapter) who has at least one (1) duty day in Indiana during a
 35 taxable year.

36 (c) As used in this section, "professional entertainer" means a
 37 person who performs services in the professional performing arts for
 38 compensation on a per-event basis.

39 (d) As used in this section, "public figure" means a person of
 40 prominence who performs services at discrete events, including
 41 speeches, public appearances, and similar events, for compensation on
 42 a per-event basis.

(e) As used in this section, "time and attendance system" means a system:

(1) through which an employee is required, on a contemporaneous basis, to record the employee's work location for each day worked outside the state in which the employee's employment duties are primarily performed; and

(2) which is designed to allow the employer to allocate the employee's compensation for income tax purposes among all states in which the employee performs employment duties.

(f) Except as provided in subsection (j), compensation is exempt from the adjusted gross income tax imposed under this article and IC 6-3.6 if all of the following conditions are met:

(1) The individual is not a resident of Indiana at any time during the calendar year in which the employee performs employment duties.

(2) The individual receives compensation for employment duties performed by the individual in Indiana for thirty (30) days or less during the calendar year.

(3) The compensation is not paid for employment duties performed by the individual in the individual's capacity as a professional athlete, professional entertainer, or public figure.

(g) Except as otherwise provided in this section, an employer is not required to withhold taxes imposed under this article or IC 6-3.6 from compensation paid to an employee described in subsection (f). However, if the number of days that an employee performs employment duties in Indiana exceeds thirty (30) days, the employer shall withhold and remit tax to the state of Indiana from all compensation paid to the employee for every day on which the employee performed employment duties in Indiana, including the first thirty (30) days.

(h) The department may not require payment of any penalties otherwise applicable for a failure to deduct and withhold income taxes under IC 6-3-4-8, if, when making the determination of whether withholding was required, either of the following applied:

(1) The employer relied on a time and attendance system maintained by the employer specifically designed to allocate employee wages for income tax purposes among all taxing jurisdictions in which the employee performs employment duties for the employer.

(2) The employer did not maintain a time and attendance system and the employer relied on the employee's annual determination of the time the employee expected to spend performing

employment duties in Indiana, if:

- (A) the employer did not have actual knowledge of fraud on the part of the employee in making the determination; and
- (B) the employer and the employee did not collude to evade taxation in making the determination.

An employer's maintaining of records as described in subdivision (1) does not preclude an employer's ability to rely on an employee's determination of the time the employee expected to spend performing employment duties in Indiana as described in subdivision (2) when making the determination of whether withholding is required.

(i) For purposes of this section:

- (1) subject to subdivision (3), an employee shall be considered present and performing employment duties within Indiana if the employee performs more of the employee's employment duties within Indiana than in any other state during a particular day;
- (2) any portion of the day during which an employee is in transit may not be considered in determining the location of the employee's performance of employment duties; and
- (3) if an employee performs employment duties in the employee's state of residence and in only one (1) nonresident state during a particular day, the employee shall be considered to have performed more of the employee's employment duties in the nonresident state than in the state of residence for that day.

(j) The following apply for purposes of this section:

- (1) If an individual receives compensation for employment duties performed by the individual both:
 - (A) in the individual's capacity as a professional athlete, professional entertainer, or public figure; and
 - (B) in some capacity other than the individual's capacity as a professional athlete, professional entertainer, or public figure;
 the exemption under this section may not be applied to the portion of compensation described in clause (B).
- (2) If an employee is working at a location other than a physical location of the employer, the employee shall be considered to be working in the state or states in which the services for the employer are performed, regardless of the physical location of the employer.
- (3) If an individual performs employment duties in Indiana for more than thirty (30) days during a calendar year, compensation received by the individual is not eligible for the exemption under this section.
- (4) If an individual performs substantially similar job duties for an

1 employer both while designated as an employee and in some
 2 capacity other than as an employee during a calendar year, the
 3 number of days for which the individual shall be considered to
 4 have worked in Indiana with regard to that employer must be
 5 determined by aggregating the days for which the individual
 6 performed duties for the employer, whether designated as an
 7 employee or not.

8 (5) If an employer or individual reasonably believes that an
 9 individual is an employee for a calendar year but the individual is
 10 later determined to not be an employee, the individual:

11 (A) is subject to tax under this article and IC 6-3.6 on any
 12 income that otherwise would have been exempt under this
 13 section; and

14 (B) is not subject to penalties under IC 6-3-4-4.1 or
 15 IC 6-8.1-10-2.1 based on the inclusion of amounts claimed as
 16 exempt under this section as income.

17 (6) If an individual is not a resident of Indiana, amounts paid for
 18 vacation, sick, personal, or any other type of leave may not be
 19 considered as compensation in Indiana, and any day for which a
 20 type of leave is used may not be considered as a day for which the
 21 individual performed services for an employer unless the
 22 individual performed services for the employer in Indiana on that
 23 day and the day would otherwise be counted as a day of services
 24 performed in Indiana under this section.

25 (7) The exemption provided under this section shall not apply to
 26 an individual's compensation that is deferred or delayed from a
 27 previous calendar year to a subsequent calendar year unless:

28 (A) the individual was exempt from taxation under this section
 29 on the compensation for the calendar year in which the
 30 compensation was earned; and

31 (B) the individual is not a resident of Indiana when the
 32 individual includes the compensation in the individual's
 33 federal gross income.

34 (k) Nothing in this section may be construed to prevent an
 35 individual from being considered a local taxpayer ~~(as defined in~~
 36 ~~IC 6-3.6-2-13(2)); (as defined in IC 6-3.6)~~, regardless of whether the
 37 individual's compensation is exempt under this section.

SECTION 91. IC 6-3.6-1-1, AS AMENDED BY P.L.130-2018, SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 1. (a) The purpose of this article is to consolidate and simplify the various local income tax laws (referred to as a "former tax" in this article) that are in effect on May 1, 2016, into a uniform law that transitions each county from the former taxes to the tax governed by this article.

(b) Notwithstanding the effective date of the repeal of the former tax laws on January 1, 2017, an adopting body may not adopt any ordinances under a former tax after June 30, 2016. In addition, notwithstanding the effective date of this article being July 1, 2015, an adopting body may not take any action under this article before July 1, 2016.

(c) To carry out the transition, the office of management and budget, along with the appropriate state agencies and in cooperation with each county, shall do the following:

(1) Document all terms, conditions, limitations, and obligations that exist under the former taxes.

(2) Categorize the tax rate under the former taxes into the appropriate tax rate or rates under this article to provide revenue for all the same purposes for which revenue under a former tax was used in 2016, except to the extent required under this article and to the extent that an adopting body takes action under this article after June 30, 2016, to change the purposes and allocation of the revenue as permitted under this article. Matching the purposes of a former tax to the purposes under this article,

1 including the apportionment, allocation, and distribution of
 2 revenue under this article shall be accomplished by using the best
 3 information available. These purposes include, but are not limited
 4 to, one (1) or more of the following:

5 (A) Property tax credits using the options set forth in
 6 IC 6-3.6-5 **(before its expiration)**. This categorization is
 7 limited to former tax rates that were dedicated to providing
 8 credits against property taxes under IC 6-3.5-1.1-26 (repealed),
 9 IC 6-3.5-6 (repealed), or IC 6-3.5-7 (repealed).

10 (B) School corporation distributions and additional revenue.
 11 All former tax rates not used for a specified project or
 12 categorized under clause (A) shall be categorized under
 13 IC 6-3.6-6 using the former tax rates or dollar amounts that

 17 rate that was dedicated to the project.

 20 purposes of the distribution and allocation of revenue under this article

 26 transition from the former taxes to the taxes governed under this article
 27 shall include the transition of the homestead credit under IC 6-3.5-6-13
 28 (before its repeal January 1, 2017) to a property tax relief rate under
 29 IC 6-3.6-5 **(before its expiration)**.

30 (b) To accomplish the transition under this section, the department
 31 of local government finance shall determine the portion of the income
 32 tax rate under IC 6-3.5-6-8 (before its repeal January 1, 2017) that is
 33 attributable to the homestead credit approved under IC 6-3.5-6-13
 34 (before its repeal January 1, 2017) and shall allocate that portion of the
 35 income tax rate that is attributable to the homestead credit under
 36 IC 6-3.5-6-13 (before its repeal January 1, 2017) to the property tax
 37 relief rate under IC 6-3.6-5 **(before its expiration)**.

38 (c) The department of local government finance shall notify each
 39 affected county of the rate that will be allocated to the property tax
 40 relief rate not later than July 1, 2016. In addition, the department of
 41 local government finance shall notify the state budget agency of the
 42 transition under this section.

(d) The approval of the local income tax council is not required for the transition of the homestead credit under IC 6-3.5-6-13 (before its repeal January 1, 2017) to a property tax relief rate as set forth in this section.

(d) This section expires July 1, 2028.

The fiscal body of each county, city, or town shall certify the roll call vote on a resolution or a proposed ordinance; either for or against; to the county auditor as set forth under this chapter. This subsection expires May 31, 2025.

1 other obligations for which the tax from ~~additional~~ **general purpose**
 2 revenue has been pledged. To inform an adopting body with regard to

 18 **allocation that is less than the amount necessary for the civil taxing**
 19 **unit to make the payments to the northwest Indiana regional**
 20 **development authority for the payment of the bonds, leases, or**
 21 **other obligations.**

11 (c) The money may be used by the city or town fiscal body for
 12 any of the purposes of the city or town, including public safety (as
 13 defined in IC 6-3.6-2-14) and economic development purposes
 14 described in IC 6-3.6-10. The city or town fiscal body may pledge
 15 its general purpose revenue to the payment of bonds or to lease
 16 payments as set forth in this chapter.

17 (d) An eligible city or town wishing to receive a share of revenue
 18 under this section in a year must adopt a resolution requesting the
 19 distribution from the county and must provide a certified copy of
 20 the resolution to the adopting body not later than July 1 of the year
 21 immediately preceding the distribution year. Not later than August
 22 1 of the year immediately preceding the distribution year, the
 23 adopting body shall hold a public hearing on the resolution
 24 requesting the distribution and provide the public with notice of
 25 the time and place where the public hearing will be held. The notice
 26 must be given in accordance with IC 5-3-1 and include a
 27 description of the resolution requesting the distribution from the
 28 county.

29 (e) Subject to subsection (g), if an eligible city or town adopts a
 30 resolution under this subsection and provides the resolution to the
 31 adopting body as set forth in this subsection, the county shall
 32 distribute to the eligible city or town unit an amount of revenue
 33 raised from the tax rate under section 2(b)(4) of this chapter for
 34 the distribution year as set forth in subsection (f).

35 (f) Subject to subsection (g), if one (1) or more, but not all,
 36 eligible cities or towns adopt a resolution under subsection (d)
 37 requesting a distribution in a given year, the county may either
 38 distribute the total amount of revenue raised from the tax rate
 39 under section 2(b)(4) of this chapter to only those eligible cities or
 40 towns that have provided a resolution request, or the county may
 41 distribute the total amount of revenue raised from a tax rate under
 42 section 2(b)(4) of this chapter to all eligible cities or towns as set

1 forth in this section. If no eligible city or town adopts a resolution
 2 to request a distribution in a given year, the county may retain the
 3 revenue raised from a tax rate for the eligible city or town for that
 4 year and use the revenue as general purpose revenue for the county
 5 under section 4 of this chapter.

6 (g) Notwithstanding any provision to the contrary in this
 7 section, if an adopting body that imposes a tax rate of one and
 8 two-tenths percent (1.2%) under section 2(b)(1) of this chapter
 9 subsequently adopts an ordinance to concurrently impose a tax
 10 rate under section 2(b)(4) of this chapter:

11 (1) seventy-five percent (75%) of the revenue received from
 12 the tax rate imposed under section 2(b)(4) of this chapter shall
 13 be retained by the county and may be used for the purposes
 14 described in section 4 of this chapter; and

15 (2) twenty-five percent (25%) of the revenue received from
 16 the tax rate imposed under section 2(b)(4) of this chapter shall
 17 be distributed among the eligible cities and towns as set forth
 18 in this section and may be used for the purposes set forth in
 19 this section.

20 However, the adopting body may, by ordinance, determine to
 21 allocate any percentage of the revenue that would otherwise be
 22 retained by the county under subdivision (1) to instead be allocated
 23 among the eligible cities and towns under subdivision (2).

24 SECTION 130. IC 6-3.6-6-8, AS AMENDED BY P.L.101-2024,
 25 SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 26 JULY 1, 2027]: Sec. 8. (a) This section applies to the allocation of
 27 additional revenue from a tax under this chapter to public safety
 28 purposes. Funding dedicated for a PSAP under a former tax continues
 29 to apply under this chapter until it is rescinded or modified. If funding
 30 was not dedicated for a PSAP under a former tax, the adopting body
 31 may adopt a resolution providing that all or part of the additional
 32 revenue allocated to public safety is to be dedicated for a PSAP. The
 33 resolution first applies in the following year and then thereafter until it
 34 is rescinded or modified. Funding dedicated for a PSAP shall be
 35 allocated and distributed as provided in IC 6-3.6-11-4.

36 (b) Except as provided in subsections (c) and (d), the amount of the
 37 certified distribution that is allocated to public safety purposes, and
 38 after making allocations under IC 6-3.6-11, shall be allocated to the
 39 county and to each municipality in the county that is carrying out or
 40 providing at least one (1) public safety purpose. For purposes of this
 41 subsection, in the case of a consolidated city, the total property taxes
 42 imposed by the consolidated city include the property taxes imposed by

the consolidated city and all special taxing districts (except for a public library district, a public transportation corporation, and a health and hospital corporation); and all special service districts. The amount allocated under this subsection to a county or municipality is equal to the result of:

(1) the amount of the remaining certified distribution that is allocated to public safety purposes; multiplied by

(2) a fraction equal to:

(A) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-6 (repealed); the result of the total property taxes imposed in the county by the county or municipality for the calendar year preceding the distribution year; divided by the sum of the total property taxes imposed in the county by the county and each municipality in the county that is entitled to a distribution under this section for that calendar year; or

(B) in the case of a county that initially imposed a rate for public safety under IC 6-3.5-1.1 (repealed) or a county that did not impose a rate for public safety under either IC 6-3.5-1.1 (repealed) or IC 6-3.5-6 (repealed); the result of the attributed allocation amount of the county or municipality for the calendar year preceding the distribution year; divided by the sum of the attributed allocation amounts of the county and each municipality in the county that is entitled to a distribution under this section for that calendar year.

(e) (a) A fire department, volunteer fire department, or emergency medical services provider that:

(1) provides fire protection or emergency medical services within the county; and

(2) is operated by or serves a political subdivision that is not otherwise entitled to receive a distribution of tax revenue under this section;

may, before July 1 of a year, apply to the adopting body for a distribution of tax revenue under ~~this section~~ **4.3 of this chapter** during the following calendar year. The adopting body shall review an application submitted under this subsection. However, after giving notice under IC 5-3-1, the adopting body shall review an application by a township that provided fire protection or emergency medical services in the most recent calendar year and imposed a property tax levy for the provision of fire protection or emergency medical services within the county in the most recent calendar year at a public hearing. The adopting body may review multiple applications submitted under this

1 subsection at one (1) public hearing. If applicable, a township shall
 2 present and explain its application at the public hearing. Not later than
 3 ten (10) days after the public hearing, if applicable, but before
 4 September 1 of a year, the adopting body may adopt a resolution
 5 requiring that one (1) or more of the applicants shall receive a specified
 6 amount of the tax revenue to be distributed under ~~this~~ **section 4.3 of**
 7 **this chapter** during the following calendar year. The adopting body
 8 shall provide a copy of the resolution to the county auditor and the
 9 department of local government finance not more than fifteen (15) days
 10 after the resolution is adopted. A resolution adopted under this
 11 subsection and provided in a timely manner to the county auditor and
 12 the department applies only to distributions in the following calendar
 13 year. ~~Any amount of tax revenue distributed under this subsection to a~~
 14 ~~fire department; volunteer fire department; or emergency medical~~
 15 ~~services provider shall be distributed before the remainder of the tax~~
 16 ~~revenue is allocated under subsection (b)-~~

17 ~~(d)~~ **(b)** A township fire department, volunteer fire department, fire
 18 protection territory, or fire protection district that:

19 (1) provides fire protection or emergency medical services within
 20 a county; and

21 (2) is operated by or serves a political subdivision;

22 may, before July 1 of a year, apply to the adopting body for a
 23 distribution of tax revenue under ~~this~~ **section 4.3 of this chapter** during
 24 the following calendar year. The adopting body shall review an
 25 application submitted under this subsection. However, after giving
 26 notice under IC 5-3-1, the adopting body shall review an application
 27 submitted by a township that provided fire protection or emergency
 28 medical services in the most recent calendar year and that imposed a
 29 property tax levy for the provision of fire protection or emergency
 30 medical services within the county in the most recent calendar year at
 31 a public hearing. The adopting body may review multiple applications
 32 submitted under this subsection at one (1) public hearing. If applicable,
 33 a township shall present and explain its application at the public
 34 hearing. From the amount of the certified distribution that is allocated
 35 to public safety purposes, and after making allocations under
 36 IC 6-3.6-11, the adopting body may adopt a resolution that one (1) or
 37 more township fire departments, volunteer fire departments, fire
 38 protection territories, or fire protection districts shall receive an amount
 39 of the tax revenue to be distributed under ~~this~~ **section 4.3 of this**
 40 **chapter** during the following calendar year up to one hundred percent
 41 (100%) of the revenue collected from that portion of the tax rate
 42 imposed for allocations for public safety purposes that does not exceed

1 a rate of five one-hundredths of one percent (0.05%). A resolution
 2 adopted under this subsection must include information on the service
 3 area for each township fire department, volunteer fire department, fire
 4 protection territory, or fire protection district, as applicable. Any
 5 distribution under this subsection must be based on the assessed value
 6 of real property, not including land, that is served by each township fire
 7 department, volunteer fire department, fire protection territory, or fire
 8 protection district, as applicable. The adopting body shall provide a
 9 copy of the resolution to the county auditor and the department of local
 10 government finance not more than fifteen (15) days after the resolution
 11 is adopted. A resolution adopted under this subsection and provided in
 12 a timely manner to the county auditor and the department applies only
 13 to distributions in the following calendar year. ~~Any amount of tax~~
 14 ~~revenue distributed under this subsection to a township fire department;~~
 15 ~~volunteer fire department; fire protection territory; or fire protection~~
 16 ~~district, as applicable, shall be distributed before the remainder of the~~
 17 ~~tax revenue is allocated under subsection (b).~~

18 SECTION 131. IC 6-3.6-6-8.5, AS AMENDED BY P.L.104-2022,
 19 SECTION 28, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 20 JULY 1, 2027]: Sec. 8.5. (a) This section applies only to Marion
 21 County.

22 (b) The adopting body may allocate ~~additional~~ **general purpose**
 23 revenue to fund the operation of a public library in Marion County as
 24 provided in an election, if any, made by the county fiscal body under
 25 IC 36-3-7-6. ~~An allocation under this section shall be made from the~~
 26 ~~part of the additional revenue that would otherwise be allocated as~~
 27 ~~certified shares.~~

28 (c) The adopting body may allocate ~~additional~~ **general purpose**
 29 revenue to fund the operation of a public transportation corporation as
 30 provided in an election, if any, made by the county fiscal body under
 31 IC 36-9-4-42. ~~An allocation under this section shall be made from the~~
 32 ~~part of the additional revenue that would otherwise be allocated as~~
 33 ~~certified shares.~~

34 (d) The adopting body may allocate ~~additional~~ **general purpose**
 35 revenue to fund the operation of a public communications systems and
 36 computer facilities district as provided in an election, if any, made by
 37 the county fiscal body under IC 36-8-15-19(b). ~~The additional revenue~~
 38 ~~shall be allocated and distributed before the allocation and distribution~~
 39 ~~of the remaining tax revenue under this chapter.~~

40 SECTION 132. IC 6-3.6-6-9 IS REPEALED [EFFECTIVE JULY
 41 1, 2027]. Sec. 9: (a) This section applies to the allocation of additional
 42 revenue from a tax under this chapter for economic development

purposes:

(b) Money designated for economic development purposes shall be allocated to the county, cities, and towns for use by the taxing unit's fiscal body for any of the purposes described in IC 6-3.6-10. Except as provided in subsections (c) and (d) and IC 6-3.6-11, and subject to adjustment as provided in IC 36-8-19-7.5, the amount of the certified distribution allocated to economic development purposes that the county and each city or town in a county is entitled to receive each month of each year equals the amount determined using the following formula:

STEP ONE: Determine the sum of:

(A) the total property taxes being imposed by the county, city, or town during the calendar year preceding the distribution year; plus

(B) for a county, the welfare allocation amount.

STEP TWO: Determine the quotient of:

(A) The STEP ONE amount; divided by

(B) the sum of the total property taxes that are first due and payable to the county and all cities and towns of the county during the calendar year preceding the distribution year plus the welfare allocation amount.

STEP THREE: Determine the product of:

(A) the amount of the certified distribution allocated to economic development purposes for that month; multiplied by

(B) the STEP TWO amount.

(c) The body imposing the tax may adopt an ordinance before August 2 of a year to provide for a distribution of the amount allocated to economic development purposes based on population instead of a distribution under subsection (b). The following apply if an ordinance is adopted under this subsection:

(1) The ordinance is effective January 1 of the following year.

(2) The amount of the certified distribution allocated to economic development purposes that the county and each city and town in the county are entitled to receive during each month of each year equals the product of:

(A) the amount of the certified distribution that is allocated to economic development purposes for the month; multiplied by

(B) the quotient of:

(i) for a city or town, the population of the city or the town that is located in the county and for a county, the population of the part of the county that is not located in a city or town; divided by

(ii) the population of the entire county.

(3) The ordinance may be made irrevocable for the duration of specified lease rental or debt service payments.

(d) In a county having a consolidated city, only the consolidated city is entitled to the amount of the certified distribution that is allocated to economic development purposes.

SECTION 133. IC 6-3.6-6-9.5, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 9.5. (a) The executive of a county, city, or town may:

(1) adopt a capital improvement plan specifying the uses of ~~the additional general purpose~~ revenue to be allocated for economic development purposes; or

(2) designate the county or a city or town in the county as the recipient of all or a part of its ~~share of the additional general purpose~~ revenue that is distributed to it for economic development purposes.

(b) If a designation is made under subsection (a)(2), the county treasurer shall transfer the share or part of the share to the designated unit unless that unit does not have a capital improvement plan.

(c) A county, city, or town that fails to adopt a capital improvement plan may not receive

~~(1) its fractional amount of the additional revenue to be allocated for economic development purposes; or~~

~~(2) any amount designated under subsection (a)(2)~~

for the year or years in which the unit does not have a plan. The county treasurer shall retain the amounts not distributed for such a unit in a separate account until the unit adopts a plan. Interest on the separate account becomes part of the account. If a unit fails to adopt a plan for a period of three (3) years, the balance in the separate account shall be distributed to the other units in the county in the same manner that other ~~additional general purpose~~ revenue allocated for economic development purposes is distributed.

(d) A capital improvement plan must include the following components:

(1) Identification and general description of each project that would be funded by other ~~additional general purpose~~ revenue allocated for economic development purposes.

(2) The estimated total cost of the project.

(3) Identification of all sources of funds expected to be used for each project.

(4) The planning, development, and construction schedule of each

project.

(e) A capital improvement plan:

- (1) must encompass a period of not less than two (2) years; and
- (2) must incorporate projects the cost of which is at least seventy-five percent (75%) of the fractional amount of ~~additional~~ **general purpose** revenue allocated for economic development purposes that is expected to be received by the county, city, or town in that period.

(f) In making a designation under subsection (a)(2), the executive must specify the purpose and duration of the designation. If the designation is made to provide for the payment of lease rentals or bond payments, the executive may specify that the designation and its duration are irrevocable.

SECTION 134. IC 6-3.6-6-10 IS REPEALED [EFFECTIVE JULY 1, 2027]. ~~Sec. 10: (a) This section applies to additional revenue from a tax under this chapter that is allocated for certified shares.~~

~~(b) Additional revenue remaining from a tax imposed under this chapter, after deducting the amounts allocated to public safety purposes and economic development purposes, shall be allocated among the civil taxing units as certified shares.~~

SECTION 135. IC 6-3.6-6-11 IS REPEALED [EFFECTIVE JULY 1, 2027]. ~~Sec. 11: (a) Except as provided in this chapter and IC 6-3.6-11, this section applies to an allocation of certified shares in all counties:~~

~~(b) Any civil taxing unit that imposed an ad valorem property tax levy in the county for the calendar year preceding the distribution year is eligible for an allocation for the distribution year under this chapter.~~

~~(c) A school corporation is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter. The distributions to school corporations and civil taxing units in counties that formerly imposed a tax under IC 6-3.5-1.1 (repealed) as provided in section 3(a)(2) of this chapter is not considered an allocation of certified shares. A school corporation's allocation amount for purposes of section 3(a)(2) of this chapter shall be determined under section 12 of this chapter.~~

~~(d) A county solid waste management district (as defined in IC 13-11-2-47) or a joint solid waste management district (as defined in IC 13-11-2-113) is not a civil taxing unit for the purpose of receiving an allocation of certified shares under this chapter unless a majority of the members of each of the county fiscal bodies of the counties within the district passes a resolution approving the distribution.~~

~~(e) A resolution passed by a county fiscal body under subsection (d)~~

1 may:

- 2 (1) expire on a date specified in the resolution; or
 3 (2) remain in effect until the county fiscal body revokes or
 4 rescinds the resolution.

5 SECTION 136. IC 6-3.6-6-12 IS REPEALED [EFFECTIVE JULY
 6 1, 2027]. Sec. 12: (a) Except as provided in this chapter and
 7 IC 6-3.6-11, this section applies to an allocation of certified shares in
 8 all counties.

9 (b) The allocation amount of a civil taxing unit during a calendar
 10 year must be based on the amounts for the calendar year preceding the
 11 distribution year and is equal to the amount determined using the
 12 following formula:

13 STEP ONE: Determine the sum of the total property taxes being
 14 imposed by the civil taxing unit:

15 STEP TWO: Determine the sum of the following:

16 (A) Amounts appropriated from property taxes to pay the
 17 principal of or interest on any debenture or other debt
 18 obligation issued after June 30, 2005, other than an obligation
 19 described in subsection (c):

20 (B) Amounts appropriated from property taxes to make
 21 payments on any lease entered into after June 30, 2005, other
 22 than a lease described in subsection (d):

23 STEP THREE: Subtract the STEP TWO amount from the STEP
 24 ONE amount:

25 STEP FOUR: Determine the sum of:

26 (A) the STEP THREE amount; plus

27 (B) the civil taxing unit's certified shares plus the amount
 28 distributed under section 3(a)(2) of this chapter for the
 29 previous calendar year:

30 The allocation amount is subject to adjustment as provided in
 31 IC 36-8-19-7.5:

32 (c) Except as provided in this subsection, an appropriation for the
 33 calendar year preceding the distribution year from property taxes to
 34 repay interest and principal of a debt obligation is not deducted from
 35 the allocation amount for a civil taxing unit if:

36 (1) the debt obligation was issued; and

37 (2) the proceeds were appropriated from property taxes;

38 to refund or otherwise refinance a debt obligation or a lease issued
 39 before July 1, 2005. However, an appropriation from property taxes
 40 related to a debt obligation issued after June 30, 2005, is deducted if
 41 the debt extends payments on a debt or lease beyond the time in which
 42 the debt or lease would have been payable if the debt or lease had not

1 been refinanced or increases the total amount that must be paid on a
 2 debt or lease in excess of the amount that would have been paid if the
 3 debt or lease had not been refinanced. The amount of the deduction is
 4 the annual amount for each year of the extension period or the annual
 5 amount of the increase over the amount that would have been paid.

6 (d) Except as provided in this subsection, an appropriation for the
 7 calendar year preceding the distribution year from property taxes to
 8 make payments on a lease is not deducted from the allocation amount
 9 for a civil taxing unit if:

10 (1) the lease was issued; and

11 (2) the proceeds were appropriated from property taxes;
 12 to refinance a debt obligation or lease issued before July 1, 2005.
 13 However, an appropriation from property taxes related to a lease
 14 entered into after June 30, 2005, is deducted if the lease extends
 15 payments on a debt or lease beyond the time in which the debt or lease
 16 would have been payable if the debt or lease had not been refinanced
 17 or increases the total amount that must be paid on a debt or lease in
 18 excess of the amount that would have been paid if the debt or lease had
 19 not been refinanced. The amount of the deduction is the annual amount
 20 for each year of the extension period or the annual amount of the
 21 increase over the amount that would have been paid.

22 SECTION 137. IC 6-3.6-6-14 IS REPEALED [EFFECTIVE JULY
 23 1, 2027]. Sec. 14: (a) This section applies to an allocation of certified
 24 shares in a county other than Marion County:

25 (b) Subject to this chapter, certified shares must be allocated among
 26 civil taxing units based on the attributed allocation amount.

27 (c) The amount of certified shares to be allocated to each civil
 28 taxing unit is equal to:

29 (1) the total amount of the certified distribution that is allocated
 30 to certified shares for the county for the month; multiplied by

31 (2) the quotient of:

32 (A) the attributed allocation amount for the civil taxing unit in
 33 the county during the calendar year; divided by

34 (B) the sum of the attributed allocation amounts for all civil
 35 taxing units in the county during the calendar year.

36 SECTION 138. IC 6-3.6-6-15 IS REPEALED [EFFECTIVE JULY
 37 1, 2027]. Sec. 15: (a) This section applies to an allocation or
 38 distribution, or both, of certified shares that is required to be made to
 39 a civil taxing unit in a county other than Marion County:

40 (b) IC 36-8-19-7.5 applies to the adjustment of the amounts
 41 distributed to a civil taxing unit that participates in a fire protection
 42 territory.

1 SECTION 139. IC 6-3.6-6-16 IS REPEALED [EFFECTIVE JULY
2 1, 2027]. ~~Sec. 16. IC 6-3.6-11 applies to the allocation of certified~~
3 ~~shares in Marion County.~~

4 SECTION 140. IC 6-3.6-6-17, AS ADDED BY P.L.243-2015,
5 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
6 JULY 1, 2027]: Sec. 17. A **county, city, town, or nonmunicipal** civil
7 taxing unit may use its ~~certified shares~~ **general purpose revenue** for
8 any of the purposes of the ~~civil taxing~~ unit.

9 SECTION 141. IC 6-3.6-6-18, AS ADDED BY P.L.243-2015,
10 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
11 JULY 1, 2027]: Sec. 18. (a) A **county, city, town, or nonmunicipal**
12 civil taxing unit may pledge its ~~certified shares~~ **general purpose**
13 **revenue** to the payment of bonds or to lease payments for:

- 14 (1) any purpose of the ~~civil taxing~~ unit;
- 15 (2) any purpose of another governmental entity located in any part
16 in the county, including a governmental entity organized on a
17 regional basis; or
- 18 (3) any purpose for which ~~certified shares~~ **general purpose**
19 **revenue** may be used **by the unit** under ~~IC 6-3.6-10: this~~
20 **chapter.**

21 (b) The pledge must be approved in an ordinance adopted by the
22 fiscal body of the political subdivision.

23 SECTION 142. IC 6-3.6-6-19, AS ADDED BY P.L.243-2015,
24 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
25 JULY 1, 2027]: Sec. 19. (a) A **county, city, town, or nonmunicipal**
26 civil taxing unit may distribute any part of its ~~certified shares~~ **general**
27 **purpose revenue** to any governmental entity located in any part of its
28 county to:

- 29 (1) carry out a joint purpose; or
- 30 (2) fund the purposes of the other governmental entity;
31 including a governmental entity organized on a regional basis to serve
32 an area in more than one (1) county.

33 (b) The distribution must be authorized by ordinance of the fiscal
34 body of the ~~civil taxing~~ unit to which the revenue is allocated by this
35 chapter. An ordinance must specify the purpose of the designation and
36 its duration.

37 (c) The fiscal ~~body officer~~ of the ~~civil taxing~~ unit may direct the
38 county auditor in **accordance with** the ordinance to withhold from the
39 ~~civil taxing~~ unit's allocation the amount that is the subject of the
40 ordinance and distribute the amount directly to the other governmental
41 entity authorized to receive the money.

42 SECTION 143. IC 6-3.6-6-20 IS REPEALED [EFFECTIVE JULY

1 1, 2027]. Sec. 20: (a) This section does not apply to distributions of
2 revenue under section 9 of this chapter:

3 (b) This section applies only to the following:

4 (1) Any allocation or distribution of revenue under section 3(a)(2)
5 of this chapter that is made on the basis of property tax levies in
6 counties that formerly imposed a tax under IC 6-3.5-1.1 (before
7 its repeal January 1, 2017):

8 (2) Any allocation or distribution of revenue under section 3(a)(3)
9 of this chapter that is made on the basis of property tax levies in
10 counties that formerly imposed a tax under IC 6-3.5-6 (before its
11 repeal January 1, 2017):

12 (c) Subject to subsection (b), if a school corporation or civil taxing
13 unit of an adopting county does not impose a property tax levy that is
14 first due and payable in the calendar year preceding the year in which
15 revenue under section 3(a)(2) or 3(a)(3) of this chapter is being
16 allocated or distributed, that school corporation or civil taxing unit is
17 entitled to receive a part of the revenue under section 3(a)(2) or 3(a)(3)
18 of this chapter (as appropriate) to be distributed within the county. The
19 fractional amount that such a school corporation or civil taxing unit is
20 entitled to receive each month during that calendar year equals the
21 product of:

22 (1) the amount of revenue under section 3(a)(2) or 3(a)(3) of this
23 chapter to be distributed on the basis of property tax levies during
24 that month; multiplied by

25 (2) a fraction: The numerator of the fraction equals the budget of
26 that school corporation or civil taxing unit for the distribution
27 year. The denominator of the fraction equals the aggregate
28 budgets of all school corporations or civil taxing units of that
29 county for the distribution year:

30 (d) Subject to subsection (b), if for a calendar year a school
31 corporation or civil taxing unit is allocated a part of a county's revenue
32 under section 3(a)(2) or 3(a)(3) of this chapter by subsection (c); the
33 calculations used to determine the shares of revenue of all other school
34 corporations and civil taxing units under section 3(a)(2) or 3(a)(3) of

38 under subsection (c) for that same month. The department of local
39 government finance shall make any adjustments required by this
40 subsection and provide them to the appropriate county auditors:

SECTION 147. IC 6-3.6-6-22 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 22. (a) As used in this section, "municipality" means only a city or town that:

(1) has a population of three thousand five hundred (3,500) or more; and

(2) in the case of a city or town whose population decreased in the most recent federal decennial census from three thousand five hundred (3,500) or more to less than three thousand five hundred (3,500), has elected by ordinance to continue to use its previous population of three thousand five hundred (3,500) or more as set forth in section 23(b)(2) of this chapter for purposes of the allocation determination under section 6.1 of this chapter.

The term does not include a city or town that has made an election under section 23(b)(3) of this chapter.

(b) Beginning after December 31, 2027, the fiscal body of a municipality may by ordinance and subject to subsection (e), impose a local income tax rate on the adjusted gross income of local taxpayers in the municipality that does not exceed one and two-tenths percent (1.2%).

(c) The following apply if a municipality imposes a local income tax rate under this section:

(1) A local income tax rate imposed by a municipality under this section applies only to local taxpayers within the territory of the municipality.

(2) The local income tax is imposed in addition to a tax imposed by the county in which the municipality is located in accordance with IC 6-3.6-4-1(a) and IC 6-3.6-4-1(c).

(3) The following provisions of this article apply to a local income tax rate imposed by a municipality under subsection (b):

(B) IC 6-3.6-4 (imposition of the tax), except that IC 6-3.6-4-2 and IC 6-3.6-4-3 do not apply.

(C) IC 6-3.6-8 (administration of the tax).

(4) A local income tax rate imposed by a municipality shall apply to professional athletes who compete in the municipality, unless exempted under IC 6-3-2-27.5 or other provision of law.

6 (e) Beginning after December 31, 2030, a tax rate imposed under
7 subsection (b) shall expire on December 31 of each calendar year.
8 A municipality wishing to continue, increase, or decrease a tax rate
9 in the succeeding year must pass an ordinance to readopt a tax rate
10 in accordance with IC 6-3.6-3-3.3. This subsection applies
11 regardless of whether there is a modification in the tax rate or the
12 rate is unchanged from the previous year.

13 SECTION 148. IC 6-3.6-6-23 IS ADDED TO THE INDIANA
14 CODE AS A NEW SECTION TO READ AS FOLLOWS
15 [EFFECTIVE JULY 1, 2027]: Sec. 23. (a) This section applies in
16 determining the population of a city or town for the purposes of
17 this chapter.

18 (b) The following apply:

19 (1) Except as provided in subdivisions (2) and (3), the
20 population of a city or town is the population of the city or
21 town that is reported by the 2020 federal decennial census.

22 (2) Beginning after 2030, if the population of a city or town:

23 (A) increases from a population of less than three thousand
24 five hundred (3,500), as reported by the immediately
25 preceding federal decennial census, to a population of
26 three thousand five hundred (3,500) or more, as reported
27 by the most recent federal decennial census, or, if
28 applicable, any corrected population count (as defined in
29 IC 1-1-3.5-1.5) issued for the city or town in the year
30 succeeding the most recent federal decennial census; or

31 (B) decreases from a population of three thousand five
32 hundred (3,500) or more, as reported by the immediately
33 preceding federal decennial census, to a population of less
34 than three thousand five hundred (3,500), as reported by
35 the most recent federal decennial census, or, if applicable,
36 any corrected population count (as defined in
37 IC 1-1-3.5-1.5) issued for the city or town in the year
38 succeeding the most recent federal decennial census;

39 the fiscal body of the city or town may adopt an ordinance on
40 or before September 1 of the calendar year immediately
41 succeeding the most recent federal decennial census to
42 continue to use the population of the city or town as reported

1 by the immediately preceding federal decennial census and
 2 the resulting determination for the city or town under section
 3 22 of this chapter, notwithstanding the increase or decrease in
 4 its population as reported by the most recent federal
 5 decennial census as described in this subdivision. An
 6 ordinance adopted under this subdivision shall take effect on
 7 January 1 of the calendar year that immediately succeeds the
 8 year in which the ordinance is adopted. The fiscal officer of
 9 the city or town shall provide a certified copy of an ordinance
 10 adopted under this subdivision to the department of local
 11 government finance.

12 (3) This subdivision applies only to cities and towns with a
 13 population of more than three thousand five hundred (3,500)
 14 but less than seven thousand (7,000). Notwithstanding any
 15 other provision, a fiscal body of a city or town may adopt an
 16 ordinance to elect to be treated as if the city's or town's
 17 population is less than three thousand five hundred (3,500) for
 18 purposes of a county local income tax rate and distribution
 19 under this chapter. An ordinance adopted under this
 20 subdivision shall take effect on January 1 of the calendar year
 21 that immediately succeeds the year in which the ordinance is
 22 adopted. The fiscal officer of the city or town shall provide a
 23 certified copy of an ordinance adopted under this subdivision
 24 to the department of local government finance. An ordinance
 25 adopted by a city or town under this subdivision is not
 26 revocable and shall not expire following the next federal
 27 decennial census.

28 SECTION 149. IC 6-3.6-7-9, AS AMENDED BY P.L.239-2023,
 29 SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 30 JULY 1, 2027]: Sec. 9. (a) This section applies only to Hancock
 31 County.

32 (b) The county fiscal body may, by ordinance, allocate part of the
 33 tax rate imposed under IC 6-3.6-5 (**before its expiration**), not to
 34 exceed a tax rate of fifteen hundredths percent (0.15%), to a property
 35 tax credit against the property tax liability imposed for public libraries
 36 in the county, if all territory in the county is included in a library
 37 district. The county treasurer shall establish a library property tax
 38 replacement fund to be used only for the purposes described in this
 39 section. Tax revenues derived from the part of the tax rate imposed
 40 under ~~IC 6-3-5~~ **IC 6-3.6-5 (before its expiration)** that is designated for
 41 property tax replacement credits under this section shall be deposited
 42 in the library property tax replacement fund. Any interest earned on

1 money in the library property tax replacement fund shall be credited to
2 the library property tax replacement fund.

3 (c) The amount of property tax replacement credits that each public
4 library in the county is entitled to receive during a calendar year under
5 this section **(before the expiration of IC 6-3.6-5)** equals the lesser of:

6 (1) the product of:

7 (A) the amount of revenue deposited by the county auditor in
8 the library property tax replacement fund; multiplied by

9 (B) a fraction described as follows:

10 (i) The numerator of the fraction equals the sum of the total
11 property taxes that would have been collected by the public
12 library during the previous calendar year from taxpayers
13 located within the library district if the property tax
14 replacement under this section had not been in effect.

15 (ii) The denominator of the fraction equals the sum of the
16 total property taxes that would have been collected during
17 the previous year from taxpayers located within the county
18 by all public libraries that are eligible to receive property tax
19 replacement credits under this section if the property tax
20 replacement under this section had not been in effect; or

21 (2) the total property taxes that would otherwise be collected by
22 the public library for the calendar year if the property tax
23 replacement credit under this section were not in effect.

24 The department of local government finance shall make any
25 adjustments necessary to account for the expansion of a library district.
26 However, a public library is eligible to receive property tax
27 replacement credits under this section only if it has entered into
28 reciprocal borrowing agreements with all other public libraries in the
29 county. If the total amount of tax revenue deposited by the county
30 auditor in the library property tax replacement fund for a calendar year
31 exceeds the total property tax liability that would otherwise be imposed
32 for public libraries in the county for the year, the excess must remain
33 in the library property tax replacement fund and may be used for library
34 property tax replacement purposes in the following calendar year.

35 (d) A public library receiving property tax replacement credits under
36 this section shall allocate the credits among each fund for which a
37 distinct property tax levy is imposed in proportion to the property taxes
38 levied for each fund. However, if a public library did not impose a
39 property tax levy during the previous calendar year or did not impose
40 a property tax levy for a particular fund during the previous calendar
41 year, but the public library is imposing a property tax levy in the
42 current calendar year or is imposing a property tax levy for the

particular fund in the current calendar year, the department of local government finance shall adjust the amount of property tax replacement credits allocated among the various funds of the public library and shall provide the adjustment to the county auditor. If a public library receiving property tax replacement credits under this section does not impose a property tax levy for a particular fund that is first due and payable in a calendar year in which the property tax replacement credits are being distributed, the public library is not required to allocate to that fund a part of the property tax replacement credits to be distributed to the public library. Notwithstanding IC 6-1.1-20-1.1(a)(1), a public library that receives property tax replacement credits under this section is subject to the procedures for the issuance of bonds set forth in IC 6-1.1-20.

(e) A public library shall treat property tax replacement credits received during a particular calendar year under this section as a part of the public library's property tax levy for each fund for that same calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

(f) For the purpose of allocating tax revenue under IC 6-3.6-6 and computing and distributing tax revenue under IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar year.

SECTION 150. IC 6-3.6-7-28, AS AMENDED BY P.L.136-2024, SECTION 30, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 28. (a) This section applies to Grant County and only if the ~~local income tax council~~ **county adopting body** repeals provisions of its local income tax ordinance providing that under IC 6-3.6-10-2(7) one-hundredth of one percent (0.01%) of the county's special purpose rate revenue is used to fund the Grant County Economic Growth Council, Inc.

(b) The ~~local income tax council~~ **county adopting body** may, by ordinance, determine that additional local income tax revenue is needed in the county to do the following:

(1) Finance, construct, acquire, improve, renovate, and equip the county jail, including costs related to the demolition of existing buildings, the acquisition of land, and any other reasonably related costs.

(2) Repay bonds issued or leases entered into for the purposes described in subdivision (1).

(c) If the ~~local income tax council~~ **county adopting body** makes the determination set forth in subsection (b), the ~~local income tax council~~

county adopting body may impose a tax on the adjusted gross income of local taxpayers at a tax rate that does not exceed the lesser of the following:

(1) Five-tenths percent (0.5%).

(2) The rate necessary to carry out the purposes described in this section.

The tax rate may not be greater than the rate necessary to pay for the purposes described in subsection (b).

(d) The tax rate used to pay for the purposes described in subsection (b)(1) and (b)(2) may be imposed only until the latest of the following dates:

(1) The date on which the financing, construction, acquisition, improvement, renovation, and equipping of the facilities as described in subsection (b) are completed.

(2) The date on which the last of any bonds issued (including refunding bonds) or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping of the facilities described in subsection (b) are fully paid.

(3) The date on which an ordinance adopted under subsection (c) is rescinded.

(e) The tax rate under this section may be imposed beginning in the year following the year the ordinance is adopted and until the date on which the ordinance adopted under this section is rescinded.

(f) The term of a bond issued (including any refunding bond) or a lease entered into under subsection (b) may not exceed twenty-five (25) years.

(g) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. Local income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund.

(h) Local income tax revenues derived from the tax rate imposed under this section:

(1) may be used only for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and

(3) may be pledged to the repayment of bonds issued or leases entered into for the purposes described in subsection (b).

(i) Grant County possesses unique governmental challenges and opportunities due to deficiencies in the current county jail. The use of local income tax revenues as provided in this section is necessary for

the county to provide adequate jail capacity in the county and to maintain low property tax rates essential to economic development. The use of local income tax revenues as provided in this section to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping of the facilities described in subsection (b), rather than the use of property taxes, promotes those purposes.

(j) Money accumulated from the local income tax rate imposed under this section after the termination of the tax under this section shall be transferred to the county rainy day fund under IC 36-1-8-5.1.

SECTION 151. IC 6-3.6-8-3, AS ADDED BY P.L.243-2015, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2028]: Sec. 3. (a) For purposes of this article, an individual shall be treated as a resident of the county **(or the municipality in the case of a local income tax imposed under IC 6-3.6-6-22)** in which the individual:

- (1) maintains a home, if the individual maintains only one (1) home in Indiana;
- (2) if subdivision (1) does not apply, is registered to vote;
- (3) if subdivision (1) or (2) does not apply, registers the individual's personal automobile; or
- (4) spent the majority of the individual's time in Indiana during the taxable year in question, if subdivision (1), (2), or (3) does not apply.

(b) ~~The residence or principal place of business or employment of~~ an individual is to be determined on January 1 of the calendar year in which the individual's taxable year commences. If an individual changes the location of the individual's residence ~~or principal place of employment or business~~ to another county **(or municipality in the case of a local income tax imposed under IC 6-3.6-6-22)** in Indiana during a calendar year, the individual's liability for tax is not affected.

(c) Notwithstanding subsection (b), if an individual becomes a local taxpayer for purposes of IC 36-7-27 during a calendar year because the individual

- ~~(1) changes the location of the individual's residence to a county~~ **(1) changes the location of the individual's residence to a county or municipality in which the individual begins employment or business at a qualified economic development tax project (as defined in IC 36-7-27-9), or**
- ~~(2) changes the location of the individual's principal place of employment or business to a qualified economic development tax project and does not reside in another county in which a tax is in effect;~~

1 the individual's adjusted gross income attributable to employment or
 2 business at the qualified economic development tax project is taxable
 3 only by the county **or municipality** containing the qualified economic
 4 development tax project.

5 SECTION 152. IC 6-3.6-8-4, AS ADDED BY P.L.243-2015,
 6 SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 7 JULY 1, 2027]: Sec. 4. (a) Using procedures provided under this
 8 chapter, the adopting body of any adopting county **or municipality**
 9 may pass an ordinance to enter into reciprocity agreements with the
 10 taxing authority of any city, town, municipality, county, or other similar
 11 local governmental entity of any other state. The reciprocity
 12 agreements must provide that the income of resident local taxpayers is
 13 exempt from income taxation by the other local governmental entity to
 14 the extent income of the residents of the other local governmental
 15 entity is exempt from the tax in the adopting county **or municipality**.

16 (b) A reciprocity agreement adopted under this section may not
 17 become effective until it is also made effective in the other local
 18 governmental entity that is a party to the agreement.

19 (c) The form and effective date of any reciprocity agreement
 20 described in this section must be approved by the department.

21 SECTION 153. IC 6-3.6-8-5, AS AMENDED BY P.L.197-2016,
 22 SECTION 64, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE

 35 imposed by this article.

36 (b) IC 6-3-3-3, IC 6-3-3-5, and IC 6-3-5-1 do not apply to the tax
 37 imposed by this article.

38 (c) Notwithstanding subsections (a) and (b), each employer shall
 39 report to the department of state revenue the amount of withholdings
 40 attributable to each county **(or each municipality in the case of a**
 41 **local income tax imposed under IC 6-3.6-6-22)**. This report shall be
 42 submitted to the department of state revenue:

(1) each time the employer remits to the department the tax that is withheld; and

(2) annually along with the employer's annual withholding report.

SECTION 154. IC 6-3.6-9-1, AS AMENDED BY P.L.165-2021, SECTION 93, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 1. (a) The budget agency shall maintain an accounting for each county imposing a tax based on annual returns filed by or for county taxpayers. Any undistributed amounts so accounted for shall be held in reserve for the respective counties separate from the state general fund.

Revenue derived from the imposition of the tax shall, in the manner prescribed by this chapter, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of tax revenue that the budget agency determines has been:

(1) attributed to that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and

(2) reported on an annual return or amended return filed by or for a county taxpayer and processed by the department in the state fiscal year ending before July 1, or for a federal income tax deadline set after July 1, a date set by the department for a period of not more than sixty (60) days beyond the federal deadline, of the calendar year in which the determination is made;

without adjustment based on the enactment of a tax rate change under IC 6-3.6-6-2 or IC 6-3.6-6-22 in the first preceding calendar year it becomes effective.

SECTION 157. IC 6-3.6-9-4.1, AS ADDED BY P.L.165-2021, SECTION 95, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 4.1. The budget agency shall adjust the amounts

14 article.

15 SECTION 183. IC 6-3.6-11-6, AS AMENDED BY P.L.9-2024,
16 SECTION 194, IS AMENDED TO READ AS FOLLOWS
17 [EFFECTIVE JANUARY 1, 2028]: Sec. 6. (a) This section applies to
18 Lake County, LaPorte County, Porter County, and any municipality in
19 those counties that is a member of the northwest Indiana regional
20 development authority (IC 36-7.5) for purposes of categorizations,
21 allocations, and distributions of ~~additional revenue~~ **general purpose**
22 **revenue** that is allocated each year for economic development purposes
23 under ~~IC 6-3.6-6-9~~ **IC 6-3.6-6**.

24 (b) This subsection applies only to Lake County. The county or a
25 city described in IC 36-7.5-2-3(b) may use ~~additional revenue~~ **general**
26 **purpose revenue** that is allocated each year for economic development
27 purposes under ~~IC 6-3.6-6-9~~ **IC 6-3.6-6** for making transfers required
28 by IC 36-7.5-4-2 or to provide rail project funding under IC 36-7.5-4.5.
29 The ~~additional revenue~~ **general purpose revenue** allocated for
30 economic development and used to make the transfers required by
31 IC 36-7.5-4-2 or to provide rail project funding shall be paid by the
32 treasurer of state to the treasurer of the northwest Indiana regional
33 development authority before certified distributions are made to the
34 county or any cities or towns in the county. ~~The county or a city or town~~
35 ~~in the county may use additional revenue that is allocated each year for~~
36 ~~economic development purposes under IC 6-3.6-6-9 to provide~~
37 ~~homestead credits in the county, city, or town. The following apply to~~
38 ~~homestead credits provided under this subsection:~~

39 (1) ~~The county, city, or town fiscal body must adopt an ordinance~~
40 ~~authorizing the homestead credits. The ordinance must specify the~~
41 ~~amount of additional revenue that will be used to provide~~
42 ~~homestead credits in the following year:~~

(2) The county, city, or town fiscal body that adopts an ordinance under this subsection must forward a copy of the ordinance to the county auditor and the department of local government finance not more than thirty (30) days after the ordinance is adopted.

(3) The homestead credits must be applied uniformly to provide a homestead credit for homesteads in the county, city, or town.

(4) The homestead credits shall be treated for all purposes as property tax levies.

(5) The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1-1.

(6) The state comptroller shall determine the homestead credit percentage for a particular year based on the amount of additional revenue that will be used under this subsection to provide homestead credits in that year.

(c) This subsection applies only to Porter County. From the general purpose revenue received each year from the rate imposed under IC 6-3.6-6, the first three million five hundred thousand dollars (\$3,500,000) shall be used by the county to make transfers as required under IC 36-7.5-4-2 to the northwest Indiana regional development authority before any certified distributions are made to the county unit or any other taxing unit in the county. The adopting body for Porter County may not reduce the proportional allocation of the general purpose revenue allocated to Porter County if the reduction would result in an amount less than the amount necessary for Porter County to fulfill its obligation to the northwest Indiana regional development authority to pay to support northwest Indiana rail projects (as defined in IC 5-1.3-2-14) and projects described in IC 36-7.5-4-2.5.

(e) This subsection applies only to LaPorte County as follows:

(1) This subsection applies if:

(A) the county fiscal body has adopted an ordinance under IC 36-7.5-2-3(d) providing that the county is joining the northwest Indiana regional development authority; and

(B) the fiscal body of the city described in IC 36-7.5-2-3(d) has adopted an ordinance under IC 36-7.5-2-3(d) providing that the city is joining the development authority.

(2) Additional revenue that is allocated each year for economic development purposes under IC 6-3.6-6-9 may be used by a county or a city described in IC 36-7.5-2-3(d) for making transfers required by IC 36-7.5-4-2. In addition, if the allocation of

1 additional revenue for economic development purposes under
 2 IC 6-3.6-6-9 is increased in the county; the first three million five
 3 hundred thousand dollars (\$3,500,000) of the tax revenue that
 4 results each year from the allocation increase shall be used by the
 5 county only to make the county's transfer required by
 6 IC 36-7.5-4-2 and shall be paid by the treasurer of state to the
 7 treasurer of the northwest Indiana regional development authority
 8 under IC 36-7.5-4-2 before certified distributions are made to the
 9 county or any cities or towns in the county.

10 (3) All of the additional revenue allocated for economic
 11 development purposes under IC 6-3.6-6-9 that results each year
 12 from an allocation increase described in subdivision (2) and that
 13 is in excess of the first three million five hundred thousand dollars
 14 (\$3,500,000) must be used by the county and cities and towns in
 15 the county for homestead credits under this subsection. The
 16 following apply to homestead credits provided under this
 17 subsection:

18 (A) The homestead credits must be applied uniformly to
 19 provide a homestead credit for homesteads in the county; city;
 20 or town.

23 (C) The homestead credits shall be applied to the net property
 24 taxes due on the homestead after the application of all other
 25 assessed value deductions or property tax deductions and
 26 credits that apply to the amount owed under IC 6-1.1.

27 (D) The state comptroller shall determine the homestead credit
 28 percentage for a particular year based on the amount of
 29 additional revenue that will be used under this subdivision to
 30 provide homestead credits in that year.

31 (d) This subsection applies only to Porter County. The additional
 32 revenue designated each year for economic development purposes
 33 under IC 6-3.6-6 shall be allocated and used as follows:

34 (1) First, the revenue attributable to an income tax rate of
 35 twenty-five hundredths percent (0.25%) shall be allocated to the
 36 county and cities and towns as provided in IC 6-3.6-6-9.

37 (2) Second, the next three million five hundred thousand dollars
 38 (\$3,500,000) of the revenue shall be used for the county or for
 39 eligible municipalities (as defined in IC 36-7.5-1-11.3) in the
 40 county; to make transfers as provided in and required under
 41 IC 36-7.5-4-2. The additional revenue used to make the transfers
 42 as provided in IC 36-7.5-4-2 shall be paid by the treasurer of state

to the treasurer of the northwest Indiana regional development authority before certified distributions are made to the county or any taxing unit in the county. If Porter County ceases to be a member of the northwest Indiana regional development authority under IC 36-7.5 but two (2) or more municipalities in the county have become members of the northwest Indiana regional development authority as authorized by IC 36-7.5-2-3(h), the treasurer of state shall continue to transfer this amount to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2.

(3) Third; except as provided in IC 36-7.5-3-5, all of the revenue each year that is in excess of the amounts described in subdivisions (1) and (2) must be used by the county and cities and towns in the county for homestead credits. The following apply to homestead credits provided under this subdivision:

(A) The homestead credits must be applied uniformly to provide a homestead credit for homesteads in the county; city; or town.

(B) The homestead credits shall be treated for all purposes as property tax levies.

(C) The homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(D) The state comptroller shall determine the homestead credit percentage for a particular year based on the amount of additional revenue that will be used under this subdivision to provide homestead credits in that year.

(e) (d) A transfer made on behalf of a city, town, or county under this section after December 31, 2018, is to be considered a payment for services provided to residents by a rail project as those services are rendered.

(f) (e) A pledge by the northwest Indiana regional development authority of transferred revenue under this section to the payment of bonds, leases, or obligations under this article or IC 5-1.3:

(1) constitutes the obligations of the northwest Indiana regional development authority; and

(2) does not constitute an indebtedness of:

(A) a county or municipality described in this section; or

(B) the state;

within the meaning or application of any constitutional or statutory provision or limitation.

1 ~~(g)~~ (f) Neither the transfer of revenue nor the pledge of revenue
 2 transferred under this section is an impairment of contract within the
 3 meaning or application of any constitutional provision or limitation
 4 because of the following:

5 (1) The statutes governing local income taxes, including the
 6 transferred revenue, have been the subject of legislation annually
 7 since 1973, and during that time the statutes have been revised,
 8 amended, expanded, limited, and recodified dozens of times.

9 (2) Owners of bonds, leases, or other obligations to which local
 10 income tax revenues have been pledged recognize that the
 11 regulation of local income taxes has been extensive and
 12 consistent.

13 (3) All bonds, leases, or other obligations, due to their essential
 14 contractual nature, are subject to relevant state and federal law
 15 that is enacted after the date of a contract.

16 (4) The state has a legitimate interest in assisting the northwest
 17 Indiana regional development authority in financing rail projects
 18 (as defined in IC 36-7.5-1-13.5).

19 ~~(h)~~ (g) All proceedings had and actions described in this section are
 20 valid pledges under IC 5-1-14-4 as of the date of those pledges or
 21 actions and are hereby legalized and declared valid if taken before
 22 March 15, 2018.

SECTION 192. IC 8-5-15-5.3 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE MAY 10, 2025 (RETROACTIVE)]: **Sec. 5.3. Notwithstanding any other law, the northern Indiana commuter transportation district established under this chapter may not issue new bonds, new notes, or other new evidences of indebtedness after May 9, 2025, that are payable in whole or in part from amounts**

distributed to the northern Indiana commuter transportation district from the commuter rail service fund (IC 8-3-1.5-20.5) or the electric rail service fund (IC 8-3-1.5-20.6). However, this section may not be construed to prohibit the refinancing of outstanding indebtedness originally incurred before May 10, 2025.

SECTION 193. IC 8-5-15-5.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE MAY 10, 2025 (RETROACTIVE)]: Sec. 5.4. (a) **Subject to section 5.3 of this chapter**, the board may provide by resolution, at one (1) time or from time to time, for the issuance of revenue bonds of the district for the purpose of paying all or any part of the cost of a railroad project. The principal of and the interest on the bonds are payable solely from the revenues specifically pledged to the payment thereof. The bonds of each issue shall be dated, bear interest at any rate, and mature at a time or times not exceeding forty (40) years from the date thereof, as may be determined by the board, and may be made redeemable before maturity, at the option of the board, at such price or prices and under such terms and conditions as may be fixed by the board in the authorizing resolution.

(b) The board shall determine the form of the bonds, including any interest coupons to be attached to the bonds, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest.

(c) The bonds shall be issued in the name of the district and executed by the manual or facsimile signature of the president of the board. The manual or facsimile seal of the district shall be affixed or imprinted on the bonds and attested by the manual or facsimile signature of the secretary of the district. However, one (1) of the signatures must be manual, unless the bonds are authenticated by the manual signature of an authorized representative of a trustee for the bondholders. Any coupons attached to the bonds must bear the facsimile signature of the treasurer of the board. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons ceases to be an officer before the delivery of the bonds, the signature or facsimile shall nevertheless be considered valid and sufficient for all purposes the same as if he had remained in office until the delivery. The bonds must contain on their face a statement to the effect that the bonds, as to both principal and interest, are payable solely from the revenues pledged for their payment.

(d) All bonds issued under this chapter have all the qualities and incidents of negotiable instruments under the negotiable instruments law of Indiana.

(e) The bonds may be issued in coupon, registered, or book entry

1 form, or any combination of these, as the board may determine, and
 2 provision may be made for the registration of any coupon bonds as to
 3 principal alone and also as to both principal and interest, and for the
 4 reconversion into coupon bonds of any bonds registered as to both
 5 principal and interest.

6 (f) The board may sell the bonds in such manner and for such price
 7 as it may determine to be in the best interest of the district, either at
 8 public sale under IC 5-1-11 or at private sale.

9 (g) The board may issue bonds under this chapter only after
 10 obtaining approval of the issuance by the Indiana department of
 11 transportation. Before giving approval, the Indiana department of
 12 transportation shall give due consideration to any contract terms and
 13 conditions that impinge on the continuation of revenues for the term of
 14 any bond.

15 (h) This chapter constitutes full and complete authority for the
 16 issuance of bonds. No law, procedure or proceedings, publications,
 17 notices, consents, approvals, orders, acts, or things by the board or any
 18 other officer, department, agency or instrumentality of the state, county,
 19 or any municipality shall be required to issue such bonds except as may
 20 be prescribed in this chapter.

21 (i) Bonds issued under the provisions of this section shall constitute

 27 guaranty companies, small loan companies, industrial loan and
 28 investment companies, and any other financial institutions organized
 29 under the laws of the state of Indiana.

30 (j) Bonds may not be sold to purchase or lease assets or purchase
 31 capital stock of a railroad unless the board has a written undertaking
 32 from the seller or lessor that the seller or lessor will take no direct
 33 action calculated to cause the reduction of levels of freight service
 34 being rendered or revenues being generated on any such railroad for a
 35 period of time not less than the term of the bonds.

(D) This clause applies to an amendment to a plan that is required because of an emergency that results in costs that exceed the amount accumulated in the fund for repair, replacement, or site acquisition that is necessitated by an emergency. The charter board is not required to comply with clause (C). If the charter board determines that an emergency exists, the governing body may adopt an amendment to the plan. An amendment to a plan is not subject to the deadline and procedures for adoption of a plan described in this subdivision.

(E) This clause sets forth an exclusive list of the expenditures that may be made from the operations fund under clause (B), as set forth in the charter board's plan or amended plan. Subject to the expenditures that are identified in the charter school's plan or amended plan, the operations fund shall be used for the following:

- 42 services considered to be a skilled trade by the United States

Department of Labor, Employment and Training Administration. For purposes of this item, skilled trade services do not include janitorial or comparable routine services normally provided in the daily operation of school facilities or equipment. Payment may be made for employee services only if the employees perform construction of, renovation of, remodeling of, repair of, or maintenance on the facilities and equipment of the charter school.

(2) Pay transportation costs under the following conditions:

(A) A charter school shall use the operations fund to pay the transportation costs attributable to transportation of school children as specified in clause (B).

(B) The department of local government finance shall

prescribe the format of the plan. A plan must apply to at least the five (5) budget years immediately following the year the plan is adopted and include at least an estimate for each year to which it applies of the nature and amount of proposed expenditures from the fund, and if the school corporation is seeking to acquire or contract for transportation services that will provide additional school buses or school buses with a larger seating capacity as compared with the number and type of school buses from the prior school year, evidence of a demand for increased transportation services within the school corporation. However, the evidence requirement regarding a contract for transportation services does not apply if contracted transportation services are not paid from the fund.

(C) If the charter school is seeking to require a contractor to replace a school bus, evidence that the need exists for the replacement of the school bus. This clause does not apply if contracted transportation services are not paid from the operations fund.

(D) Evidence that the charter school that seeks to acquire additional school buses under this subdivision is acquiring or contracting for the school buses only for the purposes specified in clause (B) or for replacement purposes.

(E) If a charter school wants to use money in the operations fund during the year to pay for school bus replacement, the governing body must adopt a resolution approving the bus replacement plan or amended plan. (1) The governing body of the school corporation determines that it cannot, in a calendar year, carry out its public educational duty unless it imposes a referendum tax levy under this chapter.

~~(3) Except for resolutions described in subsection (b), the governing body makes the determination required under subdivision (1) or (2) and determines to share a portion of the referendum proceeds with a charter school, excluding a virtual charter school, in the manner prescribed in subsection (c).~~

(b) A resolution for a referendum for a county described in:

(1) section 21 of this chapter; ~~that is adopted after May 10, 2023;~~

(c) The governing body of the school corporation shall certify a copy of the resolution to place a referendum on the ballot to the following:

(1) The department of local government finance, including:

A school corporation may request from the designated charter school or charter schools any financial documentation necessary to demonstrate the financial need of the charter school or charter schools. Distribution to a charter school of proceeds from a referendum held before May 10, 2023, does not provide exemption from this chapter.~~

(f) This subsection applies to a resolution described in subsection (a) for a county described in section 21(a) of this chapter that is adopted after May 10, 2023. The resolution described in subsection (a) shall include a projection of the amount that the school corporation

 31 **the department shall notify the school corporation, and the**
 32 **school corporation is not required to contact charter schools**

 34 **distributions to charter schools under section 22 of this**
 35 **chapter, and shall exclude charter schools from the projection**
 36 **described in this subsection.**

37 **(2) If the school corporation is not determined to be exempt**

 42 **or adult high schools; and**

(B) receive not more than fifty percent (50%) virtual instruction.

Not later than ten (10) days after receiving the request, the department shall provide the school corporation with the requested information, which shall be disaggregated for each particular charter school. Subject to subsection (h), the resolution shall include a projection of the amount that the school corporation expects, based on the information provided by the department under this subsection, to be distributed to a particular charter school under section 21 or 22 of this chapter.

~~(g)~~ (f) As part of the resolution described in subsection (a), the governing body of the school corporation shall adopt a revenue spending plan for the proposed referendum tax levy that includes:

- (1) an estimate of the amount of annual revenue expected to be collected if a levy is imposed under this chapter;
- (2) the specific purposes for which the revenue collected from a levy imposed under this chapter will be used;
- (3) an estimate of the annual dollar amounts that will be expended for each purpose described in subdivision (2); and

The resolution shall include for each charter school that elects to participate under subsection ~~(i)~~ **(h)** information described in subdivisions (1) through (3).

~~(h)~~ (g) A school corporation shall specify in its proposed budget the school corporation's revenue spending plan adopted under subsection ~~(g)~~ (f) and annually present the revenue spending plan at its public hearing on the proposed budget under IC 6-1.1-17-3.

~~(i)~~ This subsection applies to a resolution described in subsection (a) for a county described in section 21(a) of this chapter that is adopted after May 10, 2023. At least forty-five (45) days before the resolution described in subsection (a) is voted on by the governing body, the school corporation shall contact each charter school, excluding virtual charter schools or adult high schools, disclosed by the department to the school corporation under subsection (f) to determine whether the charter school will participate in the referendum. *The*

notice must include the total amount of the school corporation's expected need; the corresponding estimate for that amount divided by the number of students enrolled in the school corporation; and the date on which the governing body of the school corporation will vote on the resolution. The charter school must respond in writing to the school corporation, which may be by electronic mail addressed to the superintendent of the school corporation, at least fifteen (15) days prior to the date that the resolution described in subsection (a) is to be voted on by the governing body. If the charter school elects to not participate in the referendum, the school corporation may exclude distributions to the charter school under section 21 of this chapter and from the projection described in subsection (f). If the charter school elects to participate in the referendum, the charter school may receive distributions under section 21 of this chapter and must be included in the projection described in subsection (f). In addition, a charter school that elects to participate in the referendum under this subsection shall contribute a proportionate share of the cost to conduct the referendum based on the total combined ADM of the school corporation and any participating charter schools.

(h) This subsection applies to a resolution described in section 21 or 22 of this chapter. Except as provided in subsection (e), not later than forty-five (45) days before the resolution is voted on by the governing body, the school corporation shall contact each charter school disclosed by the department to the school corporation under subsection (e) to determine whether the charter school will:

- (1) in the case of a resolution described in section 21 of this chapter, elect to participate; or
- (2) in the case of a resolution described in section 22 of this chapter, elect to not participate;

in the referendum. The notice must include the total amount of the school corporation's expected need, the corresponding estimate for that amount divided by the number of students enrolled in the school corporation, and the date on which the governing body of the school corporation will vote on the resolution. Not later than thirty (30) days prior to the date that the resolution is to be voted on by the governing body, the charter school must respond in writing to the school corporation and to the department, which may be by electronic mail, and, in the case of the school corporation, addressed to the superintendent of the school corporation. A charter school that elects to not participate in the referendum may not subsequently change that election during the

term of the referendum.

(i) If a charter school will not participate in the referendum, the school corporation shall exclude distributions to the charter school under this chapter and from the projection described in subsection (e). If a charter school will participate in the referendum, the charter school:

(1) must be included in the projection described in subsection (e); and

(2) shall contribute a proportionate share of the cost to conduct the referendum based on the total combined ADM of the school corporation and any participating charter schools.

(j) This subsection applies to a resolution described in ~~subsection (a) for a county described in section 21(a) section 21 or 22~~ of this chapter. ~~that is adopted after May 10, 2023:~~ At least thirty (30) days before the ~~resolution described in subsection (a)~~ referendum submitted to the voters under this chapter is voted on by the ~~governing body, public in a primary or general election,~~ the school corporation that is pursuing the ~~resolution~~ referendum and any charter school that ~~has elected to~~ will participate under subsection ~~(j)~~ (h) shall post a referendum disclosure statement on each school's respective website that contains the following information:

(B) the result of STEP THREE:

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX, expressed as a percentage:

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE, expressed as a percentage.

(c) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to schools determined under subsection (c); and the estimated average percentage of property tax increase on a business property to be paid to schools determined under subsection (d); in a manner prescribed by the department of local government finance; and provide the certification to the governing body of the school corporation that proposes to impose property taxes:

 3 operating referendum public question is NOT approved by
 4 the voters, for a median residence of _____ (insert the
 5 school corporation's median household assessed value,

SECTION 221. IC 20-46-1-21, AS ADDED BY P.L.189-2023, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 21. (a) This section:

(1) **except as provided in subdivision (2)**, applies to revenue received from a resolution that is approved by the governing body to impose a referendum levy under section 8 or 8.5 of this chapter after May 10, 2023, for a school corporation located in:

(+) (A) Lake County;

(-) (B) Marion County;

(-) (C) St. Joseph County; or

(+) (D) Vanderburgh County;

through the full term of the referendum levy; and

(2) **does not apply to revenue received from a referendum levy if:**

(A) **the governing body of the school corporation approves the referendum levy in a resolution adopted under section 8 or 8.5 of this chapter; and**

(B) **the referendum levy is imposed for the first time with property taxes first due and payable in a calendar year beginning after December 31, 2027.**

(b) **Subject to subsections (f) and (h)**, the county auditor in the county in which the school corporation is located shall distribute an amount of revenue as provided under subsection ~~(d)~~ (e) from the revenue collected from a tax levy imposed under this chapter by a school corporation that is attributable to the territory of the school corporation that is located within the boundaries of a county listed in subsection (a)(1) to each charter school, excluding virtual charter schools or adult high schools, that a student who resides within the attendance area of the school corporation attends if the charter school elects to participate in the referendum under section 8~~(f)~~ **8(h)** of this chapter.

(c) The department shall provide the county auditor with data and information necessary for the county auditor to determine:

(1) which charter schools are eligible to receive a distribution under this section; and

(2) the number of students who:

(A) reside within the attendance area of the school corporation

who are included in the ADM for each charter school, excluding virtual charter schools or adult high schools, described in subdivision (1); **and**

(B) receive not more than fifty percent (50%) virtual instruction.

~~(e)~~ **(d)** The following schools are not eligible to receive a distribution under this section:

(1) A virtual charter school.

(2) An adult high school.

~~(d)~~ **(e)** For the purposes of the calculations made in this subsection, each eligible school that has entered into an agreement with a school corporation to participate as a participating innovation network charter school under IC 20-25.7-5 is considered to have an ADM that is separate from the school corporation. The amount that the county auditor shall distribute to a charter school, excluding virtual charter schools or adult high schools, under this section is the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine, for each charter school, excluding virtual charter schools or adult high schools, that is eligible to receive a distribution under this section, the number of students who reside within the attendance area of the school corporation who are currently included in the ADM of the charter school **and receive not more than fifty percent (50%) virtual instruction.**

STEP TWO: Determine the sum of:

(A) the current ADM count for the school corporation; plus
(B) total number of all students who reside within the attendance area of the school corporation who are currently included in the ADM of a charter school, **and receive not more than fifty percent (50%) virtual instruction**, excluding virtual charter schools or adult high schools.

STEP THREE: Determine the result of:

(A) the STEP ONE amount; divided by

(B) the STEP TWO amount.

STEP FOUR: Determine the result of:

(A) the **sum of:**

(i) the STEP THREE amount; plus

(ii) any amount withheld in the previous year under subsection (i); multiplied by

(B) the amount collected by the county auditor during the most recent installment period **that is attributable to the territory of the school corporation that is located within the boundaries of a county listed in subsection (a).**

1 (f) A charter school is not eligible for a distribution under this
 2 section from property tax revenue collected from a particular
 3 referendum levy if the charter school does not have a certified fall
 4 ADM count in the calendar year immediately preceding the
 5 calendar year in which the public question for the referendum
 6 appears on the ballot.

7 (g) Not later than August 15, 2025, and not later than August 15
 8 of each calendar year thereafter, the department shall provide to
 9 each school corporation and eligible charter school an estimate of
 10 the amount of property tax levy revenue the school corporation
 11 and charter school are expected to receive under this section in the
 12 subsequent calendar year based on the most recent fall ADM
 13 count.

14 (h) This subsection applies beginning with distributions of
 15 property tax revenue under this section in 2026 and thereafter. In
 16 order to receive a distribution under this section, the governing
 17 body of a charter school shall, not later than October 15, 2025, and
 18 not later than October 15 of each calendar year thereafter, adopt
 19 a budget for the current school year. Not later than ten (10) days
 20 before its adoption, the budget must be fixed and presented to the
 21 charter board in a public meeting in the county in which the
 22 charter school is incorporated. Not later than November 1, 2025,
 23 and not later than November 1 of each calendar year thereafter,
 24 the governing body of the charter school shall submit:

- 25 (1) the budget that is adopted under this subsection;
- 26 (2) the dates on which each requirement under this subsection
- 27 were met; and
- 28 (3) a statement from the governing body of the charter school
- 29 attesting that the dates provided in subdivision (2) are true
- 30 and accurate and that the budget was properly adopted under
- 31 this subsection;

32 to the charter authorizer for review and to the department of local
 33 government finance to be posted publicly on the computer gateway
 34 under IC 6-1.1-17-3.

35 (i) If a charter school does not satisfy the requirements of
 36 subsection (h) to receive distributions under this section during a
 37 calendar year, as determined by the department of local
 38 government finance, the charter school may not receive a
 39 distribution of property tax revenue in that calendar year and the
 40 county auditor shall withhold the charter school's distribution
 41 amount. The department of local government finance's
 42 determination of compliance consists only of a confirmation that

the adopted budget and attestation statement are submitted not later than the applicable date under subsection (h). Any distribution amount withheld under this subsection shall be:

(1) added to the property tax revenue collections as described in STEP TWO of subsection (e); and

(2) distributed among the school corporation and remaining charter schools according to subsection (e);

in the calendar year that immediately follows the calendar year in which the distribution amount was withheld.

SECTION 222. IC 20-46-1-22 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 22. (a) This section applies to revenue received from a referendum levy if both of the following apply:

(1) The:

(A) governing body of the school corporation approves the referendum levy in a resolution adopted under section 8 or 8.5 of this chapter; and

(B) resulting referendum levy is imposed for the first time with property taxes first due and payable in a calendar year beginning after December 31, 2027.

(2) The number of students who have legal settlement in the school corporation but attend a charter school, excluding virtual charter schools and adult high schools, and receive not more than fifty percent (50%) virtual instruction is at least the greater of:

(A) one hundred (100) students; or

(B) two percent (2%) of the school corporation's spring ADM count, excluding students who receive more than fifty percent (50%) virtual instruction.

(b) As used in this section, "eligible charter school" means a charter school attended by a student who:

(1) has legal settlement in a school corporation that imposes a referendum levy under this chapter; and

(2) receives not more than fifty percent (50%) virtual instruction.

However, the term does not include a virtual charter school or an adult high school.

(c) The following schools are not eligible to receive, and may not be considered in a calculation made for purposes of, a distribution under this section:

(1) A virtual charter school.

1 **(2) An adult high school.**

2 **(d) Subject to subsections (j) and (l), the county auditor in the**
 3 **county in which the school corporation is located shall distribute**
 4 **to each eligible charter school, in the manner provided under this**
 5 **section, an amount of revenue received from a tax levy imposed by**
 6 **a school corporation under this chapter unless the charter school**
 7 **elects to not participate in the referendum under section 8(h) of**
 8 **this chapter.**

9 **(e) For the purposes of the calculations made in this section,**
 10 **each eligible charter school that has entered into an agreement**
 11 **with a school corporation to participate as a participating**
 12 **innovation network charter school under IC 20-25.7-5 is**
 13 **considered to have an ADM that is separate from the school**
 14 **corporation.**

15 **(f) Not later than January 1, 2028, and not later than January**
 16 **1 of each year thereafter, the department, in consultation with the**
 17 **department of local government finance, shall determine, for each**
 18 **school corporation, the corresponding percentages of revenue**
 19 **received from the tax levy that must be distributed among the**
 20 **school corporation and each eligible charter school according to**
 21 **the following formula:**

22 **STEP ONE: Determine, for each eligible charter school, the**
 23 **number of students who:**

- 24 **(A) have legal settlement within the school corporation;**
- 25 **(B) are currently included in the fall ADM count for the**
- 26 **charter school; and**
- 27 **(C) receive not more than fifty percent (50%) virtual**
- 28 **instruction.**

29 **STEP TWO: Determine the sum of:**

- 30 **(A) the aggregate of the STEP ONE results for all eligible**
- 31 **charter schools with respect to the school corporation; plus**
- 32 **(B) the fall ADM count for the school corporation for**
- 33 **students receiving not more than fifty percent (50%)**
- 34 **virtual instruction.**

35 **STEP THREE: For each eligible charter school, determine the**
 36 **result of:**

- 37 **(A) the applicable STEP ONE amount; divided by**
- 38 **(B) the STEP TWO amount;**
- 39 **expressed as a percentage.**

40 **STEP FOUR: Determine the sum of all the amounts computed**
 41 **under STEP THREE and subtract the result from one**
 42 **hundred percent (100%).**

1 (g) The department shall provide to the county auditor,
2 immediately after calculation under subsection (g):

3 (1) each eligible charter school and the eligible charter
4 school's corresponding percentage calculated under STEP
5 THREE of subsection (f); and

6 (2) the percentage calculated under STEP FOUR of
7 subsection (f) for the school corporation.

8 (h) Subject to subsections (k) and (m), when the county auditor
9 distributes property tax revenue, the county auditor shall
10 distribute to the school corporation and each eligible charter
11 school the amount determined in the last STEP of the following
12 STEPS:

13 STEP ONE: Determine the amount collected in the most
14 recent installment period by the school corporation from the
15 school corporation's referendum levy imposed under this
16 chapter.

17 STEP TWO: To determine the distribution for the school
18 corporation and each eligible charter school, determine the
19 result of:

20 (A) the sum of:

21 (i) the STEP ONE result; plus

22 (ii) any amount withheld in the previous year under
23 subsection (k); multiplied by

24 (B) the following percentage:

25 (i) In the case of an eligible charter school, the charter
26 school's percentage under STEP THREE of subsection
27 (f).

28 (ii) In the case of the school corporation, the school
29 corporation's percentage under STEP FOUR of
30 subsection (f).

31 (i) Not later than August 15, 2027, and not later than August 15
32 of each calendar year thereafter, the department shall provide to
33 each school corporation and each eligible charter school an
34 estimate of the amount of property tax levy revenue the school
35 corporation and eligible charter school are expected to receive
36 under this section in the subsequent calendar year based on the
37 most recent fall ADM count.

38 (j) This subsection applies beginning with distributions of
39 property tax revenue under this section in 2028 and thereafter. In
40 order to receive a distribution under this section, the governing
41 body of an eligible charter school shall, not later than October 15,
42 2027, and not later than October 15 of each calendar year

thereafter, adopt a budget for the current school year. Not later than ten (10) days before its adoption, the budget must be fixed and presented to the charter board in a public meeting in the county in which the eligible charter school is incorporated. Not later than November 1, 2027, and not later than November 1 of each calendar year thereafter, the governing body of the charter school shall submit:

- (1) the budget that is adopted under this subsection;
- (2) the dates on which each requirement under this subsection were met; and
- (3) a statement from the governing body of the charter school attesting that the dates provided in subdivision (2) are true and accurate and that the budget was properly adopted under this subsection;

to the charter authorizer for review and to the department of local government finance to be posted publicly on the computer gateway under IC 6-1.1-17-3.

(k) If an eligible charter school does not satisfy the requirements of subsection (j) to receive distributions under this section during a calendar year, as determined by the department of local government finance, the eligible charter school may not receive a distribution of property tax revenue in that calendar year and the county auditor shall withhold the eligible charter school's distribution amount. The department of local government finance's determination of compliance consists only of a confirmation that the adopted budget and attestation statement are submitted not later than the applicable date under subsection (j). Any distribution amount withheld under this subsection shall be:

- (1) added to the property tax revenue collections as described in STEP TWO of subsection (h); and
- (2) distributed among the school corporation and eligible charter schools according to subsection (h);

in the calendar year that immediately follows the calendar year in which the distribution amount was withheld.

(l) A charter school is not eligible for a distribution under this section from property tax revenue collected from a particular referendum levy if the charter school does not have a certified fall ADM count in the calendar year immediately preceding the calendar year in which the public question for the referendum appears on the ballot.

31 STEP TWO: Determine the product of:

32 (A) The amount determined in STEP ONE, after eliminating
33 the effects of temporary excessive levy appeals and any other
34 temporary adjustments made to each of these levies for 2018
35 (regardless of whether the school corporation imposed the
36 entire amount of that maximum permissible levy for the
37 previous year); multiplied by

38 (B) the maximum levy growth quotient determined under
39 IC 6-1.1-18.5-2.

40 STEP THREE: Determine the result of the following:

41 (A) Determine the sum of:

42 (i) the amount determined in STEP TWO; plus

1 (ii) the amount granted due to an appeal to increase the levy
2 for transportation for 2019.

3 (B) Make the school bus replacement adjustment for 2019.

4 (c) After 2019, the maximum permissible property tax levy a school
5 corporation may impose for its operations fund for a particular year is
6 the following:

7 STEP ONE: Determine the product of:

8 (A) the maximum permissible property tax levy for the school
9 corporation's operations fund for the previous year, after
10 eliminating the effects of temporary excessive levy appeals
11 and any other temporary adjustments made to the levy for the
12 previous year (regardless of whether the school corporation
13 imposed the entire amount of the maximum permissible levy
14 for the previous year); multiplied by

15 (B) the maximum levy growth quotient determined under
16 IC 6-1.1-18.5-2.

17 STEP TWO: Determine the result of the following:

18 (A) Determine the sum of:

19 (i) the amount determined in STEP ONE; plus

20 (ii) the amount granted due to an appeal to increase the
21 maximum permissible operations fund levy for the year
22 under section 3 of this chapter for transportation **(before its
23 expiration)**.

24 (B) Make the school bus replacement adjustment permitted by
25 section 3 of this chapter.

26 SECTION 224. IC 20-46-8-3, AS AMENDED BY P.L.156-2024,
27 SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
28 JULY 1, 2025]: Sec. 3. (a) **This section applies to property tax levies
29 imposed before January 1, 2026.**

30 **(b)** Subject to subsection ~~(b)~~; **(c)**, a school corporation may appeal
31 to the department of local government finance under IC 6-1.1-19 to
32 increase the school corporation's maximum permissible operations fund
33 levy. The appeal must be filed with the department of local government
34 finance before October 20 of the year before the increase is proposed
35 to take effect. To be granted an increase by the department of local
36 government finance, the school corporation must establish that the
37 increase is necessary because of either or both of the following:

38 (1) A cost increase of at least ten percent (10%) over the
39 preceding year for at least one (1) of the following:

40 (A) A fuel expense increase.

41 (B) A cost increase due to an increase in the number of
42 students enrolled in the school corporation who need

transportation or an increase in the mileage traveled by the school corporation's buses compared with the previous year.

(C) A cost increase due to an increase in the number of students enrolled in special education who need transportation or an increase in the mileage traveled by the school corporation's buses due to students enrolled in special education as compared with the previous year.

(D) Increased transportation operating costs due to compliance with a court ordered desegregation plan.

(E) A cost increase due to the closure of a school building within the school corporation that results in a significant increase in the distances that students must be transported to attend another school building.

(F) A cost increase due to restructuring or redesigning transportation services due to a need for additional, expanded, consolidated, or modified routes.

(G) A labor cost increase due to a labor shortage affecting the school corporation's ability to hire qualified transportation employees.

To obtain the increase, the school corporation must establish that it will be unable to provide transportation services without an increase.

(2) A cost increase associated with the school corporation's bus replacement plan adopted or amended under IC 20-40-18-9 (after December 31, 2018). To obtain the increase, the school corporation must show that the school corporation must incur reasonable and necessary expenses to acquire additional buses under the plan.

The department of local government finance may grant a levy increase that is less than the increase requested by the school corporation. If the department of local government finance determines that a permanent increase in the maximum permissible levy is necessary, the increase granted under this section shall be added to the school corporation's maximum permissible operations fund levy as provided in section 1 of this chapter.

~~(b)~~ (c) This subsection applies to a school corporation whose budget for the upcoming year is subject to review by a fiscal body under IC 6-1.1-17-20. A school corporation described in this subsection may not submit an appeal under this section unless the school corporation receives approval from the fiscal body to submit the appeal.

(d) This section expires December 31, 2026.

41 **result of:**

- 42 (A) the sum of:

1 (i) the STEP ONE result; plus

2 (ii) any amount withheld in the previous year under
3 subsection (k); multiplied by

4 (B) the following percentage:

13 each school corporation and each eligible charter school an
14 estimate of the amount of property tax levy revenue the school
15 corporation and eligible charter school are expected to receive
16 under this section in the subsequent calendar year based on the
17 most recent fall ADM count.

18 (j) Beginning with distributions of property tax revenue under
19 this section in 2028 and thereafter, in order to receive a
20 distribution under this section, the governing body of an eligible
21 charter school shall, not later than October 15, 2027, and not later

(b) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the school corporation that must be included in the public question under subsection (a) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the school corporation.

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the school corporation, subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100).

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the school corporation:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20-6-7.5(a)(1).

STEP SIX: Determine the amount of the school corporation's part of the result determined in STEP FIVE.

STEP SEVEN: Multiply:

(A) the tax rate that will be imposed if the public question is approved by the voters; by

(B) the result of STEP THREE.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX, expressed as a percentage.

(c) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter, the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on

a business property to be paid to the school corporation that must be included in the public question under subsection (a) as follows:

STEP ONE: Determine the average assessed value of business property located within the school corporation:

STEP TWO: Divide the result of STEP ONE by one hundred (100):

STEP THREE: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation:

STEP FOUR: For purposes of determining net property tax liability of the average business property located within the school corporation:

(A) multiply the result of STEP TWO by the result of STEP THREE; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage was three percent (3%):

STEP FIVE: Determine the amount of the school corporation's part of the result determined in STEP FOUR:

STEP SIX: Multiply:

(A) the result of STEP TWO; by

(B) the tax rate that will be imposed if the public question is approved by the voters:

STEP SEVEN: Divide the result of STEP SIX by the result of STEP FIVE, expressed as a percentage:

(d) The county auditor shall certify the estimated average percentage of property tax increase on a homestead to be paid to schools determined under subsection (b); and the estimated average percentage of property tax increase on a business property to be paid to schools determined under subsection (c); in a manner prescribed by the department of local government finance; and provide the certification to the governing body of the school corporation that proposes to impose property taxes:

SECTION 229. IC 20-46-9-10, AS AMENDED BY P.L.236-2023, SECTION 156, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2026]: Sec. 10. (a) This section applies only to a referendum to allow a school corporation to extend a referendum tax levy.

(b) The question to be submitted to the voters in the referendum must read as follows:

"Shall the school corporation continue to impose increased

property taxes paid to the school corporation by homeowners and businesses for _____ (insert number of years) years immediately following the holding of the referendum for the purpose of funding _____ (insert short description of purposes)? The property tax increase requested in this referendum was originally approved by the voters in _____ (insert the year in which the referendum tax levy was approved) and if extended will increase the average property tax paid to the school corporation per year on a residence within the school corporation by _____% (insert the estimated average percentage of property tax increase on a residence within the school corporation) and if extended will increase the average property tax paid to the school corporation per year on a business property within the school corporation by _____% (insert the estimated average percentage of property tax increase on a business within the school corporation).".

"Shall _____ (insert the name of the school corporation) continue to increase property taxes paid to the school corporation for no more than _____ (insert the number of years immediately following the holding of the referendum) years for the purpose of funding _____ (insert brief description of the purposes) by imposing a property tax rate that does not exceed _____ (insert property tax rate) and results in a maximum annual amount that does not exceed _____ (insert maximum amount of annual levy). If this school safety referendum public question is NOT approved by the voters, for a median residence of _____ (insert the school corporation's median household assessed value, rounded up to the next fifty thousand dollars (\$50,000)), the property's annual tax bill would decrease by _____ (insert dollar amount, rounded up to the next whole dollar) per year. If this school safety referendum public question is approved by the voters, it would be a renewal of the most recent school safety referendum public question passed in _____ (insert year the original operating referendum public question passed) with a property tax rate of _____ (insert property tax rate of the original school safety referendum public question).".

(c) The number of years for which a referendum tax levy may be extended if the public question under this section is approved may not exceed the number of years for which the expiring referendum tax levy was imposed.

(d) At the request of the governing body of a school corporation that

proposes to impose property taxes under this chapter; the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a homestead to be paid to the school corporation that must be included in the public question under subsection (b) as follows:

STEP ONE: Determine the average assessed value of a homestead located within the school corporation.

STEP TWO: For purposes of determining the net assessed value of the average homestead located within the school corporation; subtract:

(A) an amount for the homestead standard deduction under IC 6-1.1-12-37 as if the homestead described in STEP ONE was eligible for the deduction; and

(B) an amount for the supplemental homestead deduction under IC 6-1.1-12-37.5 as if the homestead described in STEP ONE was eligible for the deduction;

from the result of STEP ONE.

STEP THREE: Divide the result of STEP TWO by one hundred (100):

STEP FOUR: Determine the overall average tax rate per one hundred dollars (\$100) of assessed valuation for the current year imposed on property located within the school corporation.

STEP FIVE: For purposes of determining net property tax liability of the average homestead located within the school corporation:

(A) multiply the result of STEP THREE by the result of STEP FOUR; and

(B) as appropriate, apply any currently applicable county property tax credit rates and the credit for excessive property taxes under IC 6-1.1-20.6-7.5(a)(1).

STEP SIX: Determine the amount of the school corporation's part of the result determined in STEP FIVE.

STEP SEVEN: Multiply:

(A) the tax rate that will be imposed if the public question is approved by the voters; by

(B) the result of STEP THREE.

STEP EIGHT: Divide the result of STEP SEVEN by the result of STEP SIX; expressed as a percentage.

(e) At the request of the governing body of a school corporation that proposes to impose property taxes under this chapter; the county auditor of the county in which the school corporation is located shall determine the estimated average percentage of property tax increase on a business property to be paid to the school corporation that must be

1 included in the public question under subsection (b) as follows:

2 STEP ONE: Determine the average assessed value of business
3 property located within the school corporation:

4 STEP TWO: Divide the result of STEP ONE by one hundred
5 (100):

6 STEP THREE: Determine the overall average tax rate per one
7 hundred dollars (\$100) of assessed valuation for the current year
8 imposed on property located within the school corporation:

9 STEP FOUR: For purposes of determining net property tax
10 liability of the average business property located within the school
11 corporation:

12 (A) multiply the result of STEP TWO by the result of STEP
13 THREE; and

14 (B) as appropriate, apply any currently applicable county
15 property tax credit rates and the credit for excessive property
16 taxes under IC 6-1.1-20.6-7.5 as if the applicable percentage
17 was three percent (3%):

18 STEP FIVE: Determine the amount of the school corporation's
19 part of the result determined in STEP FOUR:

20 STEP SIX: Multiply:

21 (A) the result of STEP TWO; by

22 (B) the tax rate that will be imposed if the public question is
23 approved by the voters:

24 STEP SEVEN: Divide the result of STEP SIX by the result of
25 STEP FIVE; expressed as a percentage:

26 (f) The county auditor shall certify the estimated average percentage
27 of property tax increase on a homestead to be paid to the school
28 corporation determined under subsection (d); and the estimated average
29 percentage of property tax increase on a business property to be paid
30 to the school corporation determined under subsection (e); in a manner
31 prescribed by the department of local government finance; and provide
32 the certification to the governing body of the school corporation that
33 proposes to impose property taxes:

34 SECTION 230. IC 20-46-9-10.5 IS ADDED TO THE INDIANA
35 CODE AS A NEW SECTION TO READ AS FOLLOWS

41 determine all other information needed for the ballot language in
42 those sections.

SECTION 231. IC 20-46-9-14, AS AMENDED BY P.L.227-2023, SECTION 136, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 14. ~~(a)~~ The referendum shall be held in the next ~~primary election~~ general election, ~~or municipal election~~ **as provided under IC 3-10-9-3(b)**, in which all the registered voters who are residents of the school corporation are entitled to vote after certification of the question. ~~under IC 3-10-9-3~~. ~~(1) seventy-four (74) days before a primary election if the question is to be placed on the primary or municipal primary election ballot; or~~

~~(2) August 1. if the question is to be placed on the general or municipal election ballot.~~

~~(b) However, if a primary election; general election; or municipal election will not be held during the first year in which the public question is eligible to be placed on the ballot under this chapter and if the school corporation requests the public question to be placed on the ballot at a special election, the public question shall be placed on the ballot at a special election to be held on the first Tuesday after the first Monday in May or November of the year. The certification must occur not later than noon:~~

~~(1) seventy-four (74) days before a special election to be held in May (if the special election is to be held in May); or~~

~~(2) August 1 (if the special election is to be held in November).~~

SECTION 232. IC 20-46-9-22, AS ADDED BY P.L.189-2023, SECTION 38, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2025]: Sec. 22. (a) This section:

(1) applies to revenue received from a resolution that is approved by the governing body to impose a referendum levy under section 6 or 7 of this chapter after May 10, 2023, for a school corporation located in:

~~(1)~~ (A) Lake County;

~~(2)~~ (B) Marion County;

~~(3)~~ (C) St. Joseph County; or

~~(4)~~ (D) Vanderburgh County;

through the full term of the referendum levy; and

(2) does not apply to revenue received from a referendum levy if:

(A) the governing body of the school corporation approves the referendum levy in a resolution adopted under section 6 or 7 of this chapter; and

(B) the referendum levy is imposed for the first time with property taxes first due and payable in a calendar year beginning after December 31, 2027.

(b) The county auditor shall distribute an amount under subsection (d) to each charter school, excluding virtual charter schools or adult high schools, that a student who resides within the attendance area of the school corporation attends if the charter school, excluding virtual charter schools or adult high schools, elects to participate in the referendum under section 6(i) of this chapter. The department shall provide the county auditor with data and information necessary for the county auditor to determine:

(1) which charter schools, excluding virtual charter schools or adult high schools, are eligible to receive a distribution under this section; and

(2) the number of all students who reside within the attendance area of the school corporation who are included in the ADM for each charter school, excluding virtual charter schools or adult high schools, described in subdivision (1).

(c) The following schools are not eligible to receive a distribution under this section:

(1) A virtual charter school.

(2) An adult high school.

(d) For the purposes of the calculations made in this subsection, each eligible school that has entered into an agreement with a school corporation to participate as a participating innovation network charter school under IC 20-25.7-5 is considered to have an ADM that is separate from the school corporation. The amount that the county auditor shall distribute to a charter school, excluding virtual charter schools or adult high schools, under this section is the amount determined in the last STEP of the following STEPS:

STEP ONE: Determine, for each charter school, excluding virtual charter schools or adult high schools, that is eligible to receive a distribution under this section, the number of students who reside within the attendance area of the school corporation who are currently included in the ADM of the charter school.

STEP TWO: Determine the sum of:

(A) the current ADM count for the school corporation; plus

(B) the total number of students who reside within the attendance area of the school corporation who are currently

- 1 included in the ADM of a charter school, excluding virtual
 2 charter schools or adult high schools.
 3 STEP THREE: Determine the result of:
 4 (A) the STEP ONE amount; divided by
 5 (B) the STEP TWO amount.
 6 STEP FOUR: Determine the result of:
 7 (A) the STEP THREE amount; multiplied by
 8 (B) the amount collected by the county auditor during the most
 9 recent installment period.
 10 (e) If a charter school receives a distribution under this section, the
 11 distribution may be used only for the purposes described in
 12 IC 20-40-20-6(a).
 13 SECTION 233. IC 36-1-8-5.1, AS AMENDED BY P.L.38-2021,
 14 SECTION 79, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 15 JULY 1, 2026]: Sec. 5.1. (a) A political subdivision may establish a
 16 rainy day fund by the adoption of:
 17 (1) an ordinance, in the case of a county, city, or town; or
 18 (2) a resolution, in the case of any other political subdivision.
 19 (b) An ordinance or a resolution adopted under this section must
 20 specify the following:
 21 (1) The purposes of the rainy day fund.
 22 (2) The sources of funding for the rainy day fund, which may
 23 include the following:
 24 (A) Unused and unencumbered funds under
 25 ~~(i) section 5 of this chapter. or~~
 26 ~~(ii) IC 6-3.6-9-15.~~
 27 (B) Any other funding source:
 28 (i) specified in the ordinance or resolution adopted under
 29 this section; and
 30 (ii) not otherwise prohibited by law.
 31 (c) The rainy day fund is subject to the same appropriation process
 32 as other funds that receive tax money.
 33 (d) In any fiscal year, a political subdivision may, at any time, do the
 34 following:
 35 (1) Transfer any unused and unencumbered funds specified in
 36 subsection (b)(2)(A) from any fiscal year to the rainy day fund.
 37 (2) Transfer any other unobligated cash balances from any fiscal
 38 year that are not otherwise identified in subsection (b)(2)(A) or
 39 section 5 of this chapter to the rainy day fund as long as the
 40 transfer satisfies the following requirements:
 41 (A) The amount of the transfer is authorized by and identified
 42 in an ordinance or resolution.

(B) The amount of the transfer is not more than:

(i) before January 1, 2021, ten percent (10%);

(ii) after December 31, 2020, and before January 1, 2025, fifteen percent (15%); and

(iii) after December 31, 2024, ten percent (10%);

of the political subdivision's total annual budget adopted under IC 6-1.1-17 for that fiscal year.

(C) The transfer is not made from a debt service fund.

(e) A political subdivision may use only the funding sources specified in subsection (b)(2)(A) or in the ordinance or resolution establishing the rainy day fund. The political subdivision may adopt a subsequent ordinance or resolution authorizing the use of another funding source.

(f) The department of local government finance may not reduce the actual or maximum permissible levy of a political subdivision as a result of a balance in the rainy day fund of the political subdivision.

(g) A county, city, or town may at any time, by ordinance or resolution, transfer to:

(1) its general fund; or

(2) any other appropriated funds of the county, city, or town; money that has been deposited in the rainy day fund of the county, city, or town.

(h) A school corporation may at any time, by resolution, transfer to its education fund or operations fund money that has been deposited in its rainy day fund.

SECTION 234. IC 36-7-14-39, AS AMENDED BY P.L.136-2024, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 39. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a declaratory resolution adopted under section 15 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net

- 1 assessed value of property that is assessed as residential
- 2 property under the rules of the department of local government
- 3 finance, within the allocation area, as finally determined for
- 4 the current assessment date.
- 5 (2) If an allocation provision is adopted after June 30, 1997, in a
- 6 declaratory resolution or an amendment to a declaratory
- 7 resolution establishing a redevelopment project area:
- 8 (A) the net assessed value of all the property as finally
- 9 determined for the assessment date immediately preceding the
- 10 effective date of the allocation provision of the declaratory
- 11 resolution, as adjusted under subsection (h); plus
- 12 (B) to the extent that it is not included in clause (A), the net
- 13 assessed value of property that is assessed as residential
- 14 property under the rules of the department of local government
- 15 finance, as finally determined for the current assessment date.
- 16 (3) If:
- 17 (A) an allocation provision adopted before June 30, 1995, in
- 18 a declaratory resolution or an amendment to a declaratory
- 19 resolution establishing a redevelopment project area expires
- 20 after June 30, 1997; and
- 21 (B) after June 30, 1997, a new allocation provision is included
- 22 in an amendment to the declaratory resolution;
- 23 the net assessed value of all the property as finally determined for
- 24 the assessment date immediately preceding the effective date of
- 25 the allocation provision adopted after June 30, 1997, as adjusted
- 26 under subsection (h).
- 27 (4) Except as provided in subdivision (5), for all other allocation
- 28 areas, the net assessed value of all the property as finally
- 29 determined for the assessment date immediately preceding the
- 30 effective date of the allocation provision of the declaratory
- 31 resolution, as adjusted under subsection (h).
- 32 (5) If an allocation area established in an economic development
- 33 area before July 1, 1995, is expanded after June 30, 1995, the
- 34 definition in subdivision (1) applies to the expanded part of the
- 35 area added after June 30, 1995.
- 36 (6) If an allocation area established in a redevelopment project
- 37 area before July 1, 1997, is expanded after June 30, 1997, the
- 38 definition in subdivision (2) applies to the expanded part of the
- 39 area added after June 30, 1997.
- 40 Except as provided in section 39.3 of this chapter, "property taxes"
- 41 means taxes imposed under IC 6-1.1 on real property. However, upon
- 42 approval by a resolution of the redevelopment commission adopted

1 before June 1, 1987, "property taxes" also includes taxes imposed
2 under IC 6-1.1 on depreciable personal property. If a redevelopment
3 commission adopted before June 1, 1987, a resolution to include within
4 the definition of property taxes, taxes imposed under IC 6-1.1 on
5 depreciable personal property that has a useful life in excess of eight
6 (8) years, the commission may by resolution determine the percentage
7 of taxes imposed under IC 6-1.1 on all depreciable personal property
8 that will be included within the definition of property taxes. However,
9 the percentage included must not exceed twenty-five percent (25%) of
10 the taxes imposed under IC 6-1.1 on all depreciable personal property.

11 (b) A declaratory resolution adopted under section 15 of this chapter
12 on or before the allocation deadline determined under subsection (i)
13 may include a provision with respect to the allocation and distribution
14 of property taxes for the purposes and in the manner provided in this
15 section. A declaratory resolution previously adopted may include an
16 allocation provision by the amendment of that declaratory resolution on
17 or before the allocation deadline determined under subsection (i) in
18 accordance with the procedures required for its original adoption. A
19 declaratory resolution or amendment that establishes an allocation
20 provision must include a specific finding of fact, supported by
21 evidence, that the adoption of the allocation provision will result in
22 new property taxes in the area that would not have been generated but
23 for the adoption of the allocation provision. For an allocation area
24 established before July 1, 1995, the expiration date of any allocation
25 provisions for the allocation area is June 30, 2025, or the last date of
26 any obligations that are outstanding on July 1, 2015, whichever is later.
27 A declaratory resolution or an amendment that establishes an allocation
28 provision after June 30, 1995, must specify an expiration date for the
29 allocation provision. For an allocation area established before July 1,
30 2008, the expiration date may not be more than thirty (30) years after
31 the date on which the allocation provision is established. For an
32 allocation area established after June 30, 2008, the expiration date may
33 not be more than twenty-five (25) years after the date on which the first
34 obligation was incurred to pay principal and interest on bonds or lease
35 rentals on leases payable from tax increment revenues. However, with
36 respect to bonds or other obligations that were issued before July 1,
37 2008, if any of the bonds or other obligations that were scheduled when
38 issued to mature before the specified expiration date and that are
39 payable only from allocated tax proceeds with respect to the allocation
40 area remain outstanding as of the expiration date, the allocation
41 provision does not expire until all of the bonds or other obligations are
42 no longer outstanding. Notwithstanding any other law, in the case of an

allocation area that is established after June 30, 2019, and that is located in a redevelopment project area described in section 25.1(c)(3)(C) of this chapter, an economic development area described in section 25.1(c)(3)(C) of this chapter, or an urban renewal project area described in section 25.1(c)(3)(C) of this chapter, the expiration date of the allocation provision may not be more than thirty-five (35) years after the date on which the allocation provision is established. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) This subdivision applies to a fire protection territory established after December 31, 2022. If a unit becomes a participating unit of a fire protection territory that is established after a declaratory resolution is adopted under section 15 of this chapter, the excess of the proceeds of the property taxes attributable to an increase in the property tax rate for the participating unit of a fire protection territory:

(A) except as otherwise provided by this subdivision, shall be determined as follows:

STEP ONE: Divide the unit's tax rate for fire protection for the year before the establishment of the fire protection territory by the participating unit's tax rate as part of the fire protection territory.

STEP TWO: Subtract the STEP ONE amount from one (1).

STEP THREE: Multiply the STEP TWO amount by the allocated property tax attributable to the participating unit of the fire protection territory; and

(B) to the extent not otherwise included in subdivisions (1) and (3), the amount determined under STEP THREE of clause

(A) shall be allocated to and distributed in the form of an allocated property tax revenue pass back to the participating unit of the fire protection territory for the assessment date with

- 1 respect to which the allocation is made.
- 2 However, if the redevelopment commission determines that it is
- 3 unable to meet its debt service obligations with regards to the
- 4 allocation area without all or part of the allocated property tax
- 5 revenue pass back to the participating unit of a fire protection area
- 6 under this subdivision, then the allocated property tax revenue
- 7 pass back under this subdivision shall be reduced by the amount
- 8 necessary for the redevelopment commission to meet its debt
- 9 service obligations of the allocation area. The calculation under
- 10 this subdivision must be made by the redevelopment commission
- 11 in collaboration with the county auditor and the applicable fire
- 12 protection territory. Any calculation determined according to
- 13 clause (A) must be submitted to the department of local
- 14 government finance in the manner prescribed by the department
- 15 of local government finance. The department of local government
- 16 finance shall verify the accuracy of each calculation.
- 17 (3) The excess of the proceeds of the property taxes imposed for
- 18 the assessment date with respect to which the allocation and
- 19 distribution is made that are attributable to taxes imposed after
- 20 being approved by the voters in a referendum or local public
- 21 question conducted after April 30, 2010, not otherwise included
- 22 in subdivisions (1) and (2) shall be allocated to and, when
- 23 collected, paid into the funds of the taxing unit for which the
- 24 referendum or local public question was conducted.
- 25 (4) Except as otherwise provided in this section, property tax
- 26 proceeds in excess of those described in subdivisions (1), (2), and
- 27 (3) shall be allocated to the redevelopment district and, when
- 28 collected, paid into an allocation fund for that allocation area that
- 29 may be used by the redevelopment district only to do one (1) or
- 30 more of the following:
- 31 (A) Pay the principal of and interest on any obligations
- 32 payable solely from allocated tax proceeds which are incurred
- 33 by the redevelopment district for the purpose of financing or
- 34 refinancing the redevelopment of that allocation area.
- 35 (B) Establish, augment, or restore the debt service reserve for
- 36 bonds payable solely or in part from allocated tax proceeds in
- 37 that allocation area.
- 38 (C) Pay the principal of and interest on bonds payable from
- 39 allocated tax proceeds in that allocation area and from the
- 40 special tax levied under section 27 of this chapter.
- 41 (D) Pay the principal of and interest on bonds issued by the
- 42 unit to pay for local public improvements that are physically

located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) For property taxes first due and payable before January 1, 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; times

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit

in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter (before its repeal) in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(L) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

- (i) Make, when due, any payments required under clauses (A) through (K), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.
- (ii) Make any reimbursements required under this subdivision.
- (iii) Pay any expenses required under this subdivision.
- (iv) Establish, augment, or restore any debt service reserve under this subdivision.

(M) Expend money and provide financial assistance as

1 authorized in section 12.2(a)(27) of this chapter.

2 (N) Expend revenues that are allocated for police and fire
3 services on both capital expenditures and operating expenses
4 as authorized in section 12.2(a)(28) of this chapter.

5 The allocation fund may not be used for operating expenses of the
6 commission.

7 (5) Except as provided in subsection (g), before June 15 of each
8 year, the commission shall do the following:

9 (A) Determine the amount, if any, by which the assessed value
10 of the taxable property in the allocation area for the most
11 recent assessment date minus the base assessed value, when
12 multiplied by the estimated tax rate of the allocation area, will
13 exceed the amount of assessed value needed to produce the
14 property taxes necessary to make, when due, principal and
15 interest payments on bonds described in subdivision (4), plus
16 the amount necessary for other purposes described in
17 subdivision (4).

18 (B) Provide a written notice to the county auditor, the fiscal
19 body of the county or municipality that established the
20 department of redevelopment, and the officers who are
21 authorized to fix budgets, tax rates, and tax levies under
22 IC 6-1.1-17-5 for each of the other taxing units that is wholly
23 or partly located within the allocation area. The county auditor,
24 upon receiving the notice, shall forward this notice (in an
25 electronic format) to the department of local government
26 finance not later than June 15 of each year. The notice must:

27 (i) state the amount, if any, of excess assessed value that the
28 commission has determined may be allocated to the
29 respective taxing units in the manner prescribed in
30 subdivision (1); or

31 (ii) state that the commission has determined that there is no
32 excess assessed value that may be allocated to the respective
33 taxing units in the manner prescribed in subdivision (1).

34 The county auditor shall allocate to the respective taxing units
35 the amount, if any, of excess assessed value determined by the
36 commission. The commission may not authorize an allocation
37 of assessed value to the respective taxing units under this
38 subdivision if to do so would endanger the interests of the
39 holders of bonds described in subdivision (4) or lessors under
40 section 25.3 of this chapter.

41 (C) If:

42 (i) the amount of excess assessed value determined by the

- 1 commission is expected to generate more than two hundred
 2 percent (200%) of the amount of allocated tax proceeds
 3 necessary to make, when due, principal and interest
 4 payments on bonds described in subdivision (4); plus
 5 (ii) the amount necessary for other purposes described in
 6 subdivision (4);
 7 the commission shall submit to the legislative body of the unit
 8 its determination of the excess assessed value that the
 9 commission proposes to allocate to the respective taxing units
 10 in the manner prescribed in subdivision (1). The legislative
 11 body of the unit may approve the commission's determination
 12 or modify the amount of the excess assessed value that will be
 13 allocated to the respective taxing units in the manner
 14 prescribed in subdivision (1).
 15 (6) Notwithstanding subdivision (5), in the case of an allocation
 16 area that is established after June 30, 2019, and that is located in
 17 a redevelopment project area described in section 25.1(c)(3)(C)
 18 of this chapter, an economic development area described in
 19 section 25.1(c)(3)(C) of this chapter, or an urban renewal project
 20 area described in section 25.1(c)(3)(C) of this chapter, for each
 21 year the allocation provision is in effect, if the amount of excess
 22 assessed value determined by the commission under subdivision
 23 (5)(A) is expected to generate more than two hundred percent
 24 (200%) of:
 25 (A) the amount of allocated tax proceeds necessary to make,
 26 when due, principal and interest payments on bonds described
 27 in subdivision (4) for the project; plus
 28 (B) the amount necessary for other purposes described in
 29 subdivision (4) for the project;
 30 the amount of the excess assessed value that generates more than
 31 two hundred percent (200%) of the amounts described in clauses
 32 (A) and (B) shall be allocated to the respective taxing units in the
 33 manner prescribed by subdivision (1).
 34 (c) For the purpose of allocating taxes levied by or for any taxing
 35 unit or units, the assessed value of taxable property in a territory in the
 36 allocation area that is annexed by any taxing unit after the effective
 37 date of the allocation provision of the declaratory resolution is the
 38 lesser of:
 39 (1) the assessed value of the property for the assessment date with
 40 respect to which the allocation and distribution is made; or
 41 (2) the base assessed value.
 42 (d) Property tax proceeds allocable to the redevelopment district

1 under subsection (b)(4) may, subject to subsection (b)(5), be
 2 irrevocably pledged by the redevelopment district for payment as set
 3 forth in subsection (b)(4).

4 (e) Notwithstanding any other law, each assessor shall, upon
 5 petition of the redevelopment commission, reassess the taxable
 6 property situated upon or in, or added to, the allocation area, effective
 7 on the next assessment date after the petition.

8 (f) Notwithstanding any other law, the assessed value of all taxable
 9 property in the allocation area, for purposes of tax limitation, property
 10 tax replacement, and formulation of the budget, tax rate, and tax levy
 11 for each political subdivision in which the property is located is the
 12 lesser of:

13 (1) the assessed value of the property as valued without regard to
 14 this section; or

15 (2) the base assessed value.

16 (g) If any part of the allocation area is located in an enterprise zone
 17 created under IC 5-28-15, the unit that designated the allocation area
 18 shall create funds as specified in this subsection. A unit that has
 19 obligations, bonds, or leases payable from allocated tax proceeds under
 20 subsection (b)(4) shall establish an allocation fund for the purposes
 21 specified in subsection (b)(4) and a special zone fund. Such a unit
 22 shall, until the end of the enterprise zone phase out period, deposit each
 23 year in the special zone fund any amount in the allocation fund derived
 24 from property tax proceeds in excess of those described in subsection
 25 (b)(1), (b)(2), and (b)(3) from property located in the enterprise zone
 26 that exceeds the amount sufficient for the purposes specified in
 27 subsection (b)(4) for the year. The amount sufficient for purposes
 28 specified in subsection (b)(4) for the year shall be determined based on
 29 the pro rata portion of such current property tax proceeds from the part
 30 of the enterprise zone that is within the allocation area as compared to
 31 all such current property tax proceeds derived from the allocation area.
 32 A unit that has no obligations, bonds, or leases payable from allocated
 33 tax proceeds under subsection (b)(4) shall establish a special zone fund
 34 and deposit all the property tax proceeds in excess of those described
 35 in subsection (b)(1), (b)(2), and (b)(3) in the fund derived from
 36 property tax proceeds in excess of those described in subsection (b)(1),
 37 (b)(2), and (b)(3) from property located in the enterprise zone. The unit
 38 that creates the special zone fund shall use the fund (based on the
 39 recommendations of the urban enterprise association) for programs in
 40 job training, job enrichment, and basic skill development that are
 41 designed to benefit residents and employers in the enterprise zone or
 42 other purposes specified in subsection (b)(4), except that where

reference is made in subsection (b)(4) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment in an area under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection:

- (1) may not include the effect of phasing in assessed value due to property tax abatements under IC 6-1.1-12.1;
- (2) may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(4) than would otherwise have been received if the reassessment under the reassessment plan or the annual adjustment had not occurred; and
- (3) may decrease base assessed value only to the extent that assessed values in the allocation area have been decreased due to annual adjustments or the reassessment under the reassessment plan.

Assessed value increases attributable to the application of an abatement schedule under IC 6-1.1-12.1 may not be included in the base assessed value of an allocation area. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

- (1) The initial allocation deadline is December 31, 2011.
- (2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.
- (3) At least one (1) year before the date of an allocation deadline

determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If a redevelopment commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the redevelopment commission makes either of the filings required under section 17(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2025, "residential property" refers to the assessed value of property that is allocated to the one percent (1%) homestead land and improvement categories in the county tax and billing software system, along with the residential assessed value as defined for purposes of calculating the rate for the local income tax property tax relief credit designated for residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

SECTION 235. IC 36-7-15.1-26, AS AMENDED BY P.L. 174-2022, SECTION 72, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2027]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a redevelopment project area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means, subject to subsection (j), the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net

- 1 assessed value of property that is assessed as residential
 2 property under the rules of the department of local government
 3 finance, within the allocation area, as finally determined for
 4 the current assessment date.
- 5 (2) If an allocation provision is adopted after June 30, 1997, in a
 6 declaratory resolution or an amendment to a declaratory
 7 resolution establishing a redevelopment project area:
- 8 (A) the net assessed value of all the property as finally
 9 determined for the assessment date immediately preceding the
 10 effective date of the allocation provision of the declaratory
 11 resolution, as adjusted under subsection (h); plus
 12 (B) to the extent that it is not included in clause (A), the net
 13 assessed value of property that is assessed as residential
 14 property under the rules of the department of local government
 15 finance, within the allocation area, as finally determined for
 16 the current assessment date.
- 17 (3) If:
- 18 (A) an allocation provision adopted before June 30, 1995, in
 19 a declaratory resolution or an amendment to a declaratory
 20 resolution establishing a redevelopment project area expires
 21 after June 30, 1997; and
 22 (B) after June 30, 1997, a new allocation provision is included
 23 in an amendment to the declaratory resolution;
 24 the net assessed value of all the property as finally determined for
 25 the assessment date immediately preceding the effective date of
 26 the allocation provision adopted after June 30, 1997, as adjusted
 27 under subsection (h).
- 28 (4) Except as provided in subdivision (5), for all other allocation
 29 areas, the net assessed value of all the property as finally
 30 determined for the assessment date immediately preceding the
 31 effective date of the allocation provision of the declaratory
 32 resolution, as adjusted under subsection (h).
- 33 (5) If an allocation area established in an economic development
 34 area before July 1, 1995, is expanded after June 30, 1995, the
 35 definition in subdivision (1) applies to the expanded part of the
 36 area added after June 30, 1995.
- 37 (6) If an allocation area established in a redevelopment project
 38 area before July 1, 1997, is expanded after June 30, 1997, the
 39 definition in subdivision (2) applies to the expanded part of the
 40 area added after June 30, 1997.
- 41 Except as provided in section 26.2 of this chapter, "property taxes"
 42 means taxes imposed under IC 6-1.1 on real property. However, upon

1 approval by a resolution of the redevelopment commission adopted
2 before June 1, 1987, "property taxes" also includes taxes imposed
3 under IC 6-1.1 on depreciable personal property. If a redevelopment
4 commission adopted before June 1, 1987, a resolution to include within
5 the definition of property taxes, taxes imposed under IC 6-1.1 on
6 depreciable personal property that has a useful life in excess of eight
7 (8) years, the commission may by resolution determine the percentage
8 of taxes imposed under IC 6-1.1 on all depreciable personal property
9 that will be included within the definition of property taxes. However,
10 the percentage included must not exceed twenty-five percent (25%) of
11 the taxes imposed under IC 6-1.1 on all depreciable personal property.

12 (b) A resolution adopted under section 8 of this chapter on or before
13 the allocation deadline determined under subsection (i) may include a
14 provision with respect to the allocation and distribution of property
15 taxes for the purposes and in the manner provided in this section. A
16 resolution previously adopted may include an allocation provision by
17 the amendment of that resolution on or before the allocation deadline
18 determined under subsection (i) in accordance with the procedures
19 required for its original adoption. A declaratory resolution or
20 amendment that establishes an allocation provision must include a
21 specific finding of fact, supported by evidence, that the adoption of the
22 allocation provision will result in new property taxes in the area that
23 would not have been generated but for the adoption of the allocation
24 provision. For an allocation area established before July 1, 1995, the
25 expiration date of any allocation provisions for the allocation area is
26 June 30, 2025, or the last date of any obligations that are outstanding
27 on July 1, 2015, whichever is later. However, for an allocation area
28 identified as the Consolidated Allocation Area in the report submitted
29 in 2013 to the fiscal body under section 36.3 of this chapter, the
30 expiration date of any allocation provisions for the allocation area is
31 January 1, 2051. A declaratory resolution or an amendment that
32 establishes an allocation provision after June 30, 1995, must specify an
33 expiration date for the allocation provision. For an allocation area
34 established before July 1, 2008, the expiration date may not be more
35 than thirty (30) years after the date on which the allocation provision
36 is established. For an allocation area established after June 30, 2008,
37 the expiration date may not be more than twenty-five (25) years after
38 the date on which the first obligation was incurred to pay principal and
39 interest on bonds or lease rentals on leases payable from tax increment
40 revenues. However, with respect to bonds or other obligations that were
41 issued before July 1, 2008, if any of the bonds or other obligations that
42 were scheduled when issued to mature before the specified expiration

1 date and that are payable only from allocated tax proceeds with respect
 2 to the allocation area remain outstanding as of the expiration date, the
 3 allocation provision does not expire until all of the bonds or other
 4 obligations are no longer outstanding. The allocation provision may
 5 apply to all or part of the redevelopment project area. The allocation
 6 provision must require that any property taxes subsequently levied by
 7 or for the benefit of any public body entitled to a distribution of
 8 property taxes on taxable property in the allocation area be allocated
 9 and distributed as follows:

10 (1) Except as otherwise provided in this section, the proceeds of
 11 the taxes attributable to the lesser of:

12 (A) the assessed value of the property for the assessment date
 13 with respect to which the allocation and distribution is made;
 14 or

15 (B) the base assessed value;
 16 shall be allocated to and, when collected, paid into the funds of
 17 the respective taxing units.

18 (2) The excess of the proceeds of the property taxes imposed for
 19 the assessment date with respect to which the allocation and
 20 distribution is made that are attributable to taxes imposed after
 21 being approved by the voters in a referendum or local public
 22 question conducted after April 30, 2010, not otherwise included
 23 in subdivision (1) shall be allocated to and, when collected, paid
 24 into the funds of the taxing unit for which the referendum or local
 25 public question was conducted.

26 (3) Except as otherwise provided in this section, property tax
 27 proceeds in excess of those described in subdivisions (1) and (2)
 28 shall be allocated to the redevelopment district and, when
 29 collected, paid into a special fund for that allocation area that may
 30 be used by the redevelopment district only to do one (1) or more
 31 of the following:

32 (A) Pay the principal of and interest on any obligations
 33 payable solely from allocated tax proceeds that are incurred by
 34 the redevelopment district for the purpose of financing or
 35 refinancing the redevelopment of that allocation area.

36 (B) Establish, augment, or restore the debt service reserve for
 37 bonds payable solely or in part from allocated tax proceeds in
 38 that allocation area.

39 (C) Pay the principal of and interest on bonds payable from
 40 allocated tax proceeds in that allocation area and from the
 41 special tax levied under section 19 of this chapter.

42 (D) Pay the principal of and interest on bonds issued by the

consolidated city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

(J) Pay the costs of carrying out an eligible efficiency project (as defined in IC 36-9-41-1.5) within the unit that established the redevelopment commission. However, property tax proceeds may be used under this clause to pay the costs of carrying out an eligible efficiency project only if those property tax proceeds exceed the amount necessary to do the following:

(i) Make, when due, any payments required under clauses (A) through (I), including any payments of principal and interest on bonds and other obligations payable under this subdivision, any payments of premiums under this

subdivision on the redemption before maturity of bonds, and any payments on leases payable under this subdivision.

(ii) Make any reimbursements required under this subdivision.

(iii) Pay any expenses required under this subdivision.

(iv) Establish, augment, or restore any debt service reserve under this subdivision.

(K) Expend money and provide financial assistance as authorized in section 7(a)(21) of this chapter.

The special fund may not be used for operating expenses of the commission.

(4) Before June 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area, and (in an electronic format) the department of local government finance. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (3).

1 (C) If:

2 (i) the amount of excess assessed value determined by the
3 commission is expected to generate more than two hundred
4 percent (200%) of the amount of allocated tax proceeds
5 necessary to make, when due, principal and interest
6 payments on bonds described in subdivision (3); plus

7 (ii) the amount necessary for other purposes described in
8 subdivision (3) and subsection (g);

9 the commission shall submit to the legislative body of the unit
10 the commission's determination of the excess assessed value
11 that the commission proposes to allocate to the respective
12 taxing units in the manner prescribed in subdivision (1). The
13 legislative body of the unit may approve the commission's
14 determination or modify the amount of the excess assessed
15 value that will be allocated to the respective taxing units in the
16 manner prescribed in subdivision (1).

17 (c) For the purpose of allocating taxes levied by or for any taxing
18 unit or units, the assessed value of taxable property in a territory in the
19 allocation area that is annexed by any taxing unit after the effective
20 date of the allocation provision of the resolution is the lesser of:

21 (1) the assessed value of the property for the assessment date with
22 respect to which the allocation and distribution is made; or

23 (2) the base assessed value.

24 (d) Property tax proceeds allocable to the redevelopment district
25 under subsection (b)(3) may, subject to subsection (b)(4), be
26 irrevocably pledged by the redevelopment district for payment as set
27 forth in subsection (b)(3).

28 (e) Notwithstanding any other law, each assessor shall, upon
29 petition of the commission, reassess the taxable property situated upon
30 or in, or added to, the allocation area, effective on the next assessment
31 date after the petition.

32 (f) Notwithstanding any other law, the assessed value of all taxable
33 property in the allocation area, for purposes of tax limitation, property
34 tax replacement, and formulation of the budget, tax rate, and tax levy
35 for each political subdivision in which the property is located is the
36 lesser of:

37 (1) the assessed value of the property as valued without regard to
38 this section; or

39 (2) the base assessed value.

40 (g) If any part of the allocation area is located in an enterprise zone
41 created under IC 5-28-15, the unit that designated the allocation area
42 shall create funds as specified in this subsection. A unit that has

obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(3). However, where reference is made in subsection (b)(3) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each reassessment under a reassessment plan prepared under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the redevelopment district under this section.

After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(3) than would otherwise have been received if the reassessment under the reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

(j) If the commission adopts a declaratory resolution or an amendment to a declaratory resolution that contains an allocation provision and the commission makes either of the filings required under section 10(e) of this chapter after the first anniversary of the effective date of the allocation provision, the auditor of the county in which the unit is located shall compute the base assessed value for the allocation area using the assessment date immediately preceding the later of:

(1) the date on which the documents are filed with the county auditor; or

(2) the date on which the documents are filed with the department of local government finance.

(k) For an allocation area established after June 30, 2024, "residential property" refers to the assessed value of property that is

1 allocated to the one percent (1%) homestead land and improvement
 2 categories in the county tax and billing software system, along with the
 3 residential assessed value as defined for purposes of calculating the
 4 rate for the local income tax property tax relief credit designated for
 5 residential property under IC 6-3.6-5-6(d)(3) **(before its expiration).**

6 SECTION 236. IC 36-7-15.1-53, AS AMENDED BY P.L.174-2022,
 7 SECTION 73, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 8 JULY 1, 2027]: Sec. 53. (a) As used in this section:

9 "Allocation area" means that part of a redevelopment project area
 10 to which an allocation provision of a resolution adopted under section
 11 40 of this chapter refers for purposes of distribution and allocation of
 12 property taxes.

13 "Base assessed value" means, subject to subsection (j):

14 (1) the net assessed value of all the property as finally determined
 15 for the assessment date immediately preceding the effective date
 16 of the allocation provision of the declaratory resolution, as
 17 adjusted under subsection (h); plus

18 (2) to the extent that it is not included in subdivision (1), the net
 19 assessed value of property that is assessed as residential property
 20 under the rules of the department of local government finance, as
 21 finally determined for the current assessment date.

22 Except as provided in section 55 of this chapter, "property taxes"
 23 means taxes imposed under IC 6-1.1 on real property.

24 (b) A resolution adopted under section 40 of this chapter on or
 25 before the allocation deadline determined under subsection (i) may
 26 include a provision with respect to the allocation and distribution of
 27 property taxes for the purposes and in the manner provided in this
 28 section. A resolution previously adopted may include an allocation
 29 provision by the amendment of that resolution on or before the
 30 allocation deadline determined under subsection (i) in accordance with
 31 the procedures required for its original adoption. A declaratory
 32 resolution or an amendment that establishes an allocation provision
 33 must be approved by resolution of the legislative body of the excluded
 34 city and must specify an expiration date for the allocation provision.
 35 For an allocation area established before July 1, 2008, the expiration
 36 date may not be more than thirty (30) years after the date on which the
 37 allocation provision is established. For an allocation area established
 38 after June 30, 2008, the expiration date may not be more than
 39 twenty-five (25) years after the date on which the first obligation was
 40 incurred to pay principal and interest on bonds or lease rentals on
 41 leases payable from tax increment revenues. However, with respect to
 42 bonds or other obligations that were issued before July 1, 2008, if any

of the bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution is made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

- 1 (D) Pay the principal of and interest on bonds issued by the
- 2 excluded city to pay for local public improvements that are
- 3 physically located in or physically connected to that allocation
- 4 area.
- 5 (E) Pay premiums on the redemption before maturity of bonds
- 6 payable solely or in part from allocated tax proceeds in that
- 7 allocation area.
- 8 (F) Make payments on leases payable from allocated tax
- 9 proceeds in that allocation area under section 46 of this
- 10 chapter.
- 11 (G) Reimburse the excluded city for expenditures for local
- 12 public improvements (which include buildings, park facilities,
- 13 and other items set forth in section 45 of this chapter) that are
- 14 physically located in or physically connected to that allocation
- 15 area.
- 16 (H) Reimburse the unit for rentals paid by it for a building or
- 17 parking facility that is physically located in or physically
- 18 connected to that allocation area under any lease entered into
- 19 under IC 36-1-10.
- 20 (I) Reimburse public and private entities for expenses incurred
- 21 in training employees of industrial facilities that are located:
- 22 (i) in the allocation area; and
- 23 (ii) on a parcel of real property that has been classified as
- 24 industrial property under the rules of the department of local
- 25 government finance.
- 26 However, the total amount of money spent for this purpose in
- 27 any year may not exceed the total amount of money in the
- 28 allocation fund that is attributable to property taxes paid by the
- 29 industrial facilities described in this clause. The
- 30 reimbursements under this clause must be made within three
- 31 (3) years after the date on which the investments that are the
- 32 basis for the increment financing are made.
- 33 The special fund may not be used for operating expenses of the
- 34 commission.
- 35 (4) Before June 15 of each year, the commission shall do the
- 36 following:
- 37 (A) Determine the amount, if any, by which the assessed value
- 38 of the taxable property in the allocation area for the most
- 39 recent assessment date minus the base assessed value, when
- 40 multiplied by the estimated tax rate of the allocation area, will
- 41 exceed the amount of assessed value needed to provide the
- 42 property taxes necessary to make, when due, principal and

1 interest payments on bonds described in subdivision (3) plus
 2 the amount necessary for other purposes described in
 3 subdivision (3) and subsection (g).

4 (B) Provide a written notice to the county auditor, the fiscal
 5 body of the county or municipality that established the
 6 department of redevelopment, the officers who are authorized
 7 to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for
 8 each of the other taxing units that is wholly or partly located
 9 within the allocation area, and (in an electronic format) the
 10 department of local government finance. The notice must:

11 (i) state the amount, if any, of excess assessed value that the
 12 commission has determined may be allocated to the
 13 respective taxing units in the manner prescribed in
 14 subdivision (1); or

15 (ii) state that the commission has determined that there is no
 16 excess assessed value that may be allocated to the respective
 17 taxing units in the manner prescribed in subdivision (1).

18 The county auditor shall allocate to the respective taxing units
 19 the amount, if any, of excess assessed value determined by the
 20 commission. The commission may not authorize an allocation
 21 to the respective taxing units under this subdivision if to do so
 22 would endanger the interests of the holders of bonds described
 23 in subdivision (3).

24 (c) For the purpose of allocating taxes levied by or for any taxing
 25 unit or units, the assessed value of taxable property in a territory in the
 26 allocation area that is annexed by any taxing unit after the effective
 27 date of the allocation provision of the resolution is the lesser of:

28 (1) the assessed value of the property for the assessment date with
 29 respect to which the allocation and distribution is made; or

30 (2) the base assessed value.

31 (d) Property tax proceeds allocable to the redevelopment district
 32 under subsection (b)(3) may, subject to subsection (b)(4), be
 33 irrevocably pledged by the redevelopment district for payment as set
 34 forth in subsection (b)(3).

35 (e) Notwithstanding any other law, each assessor shall, upon
 36 petition of the commission, reassess the taxable property situated upon
 37 or in, or added to, the allocation area, effective on the next assessment
 38 date after the petition.

39 (f) Notwithstanding any other law, the assessed value of all taxable
 40 property in the allocation area, for purposes of tax limitation, property
 41 tax replacement, and formulation of the budget, tax rate, and tax levy
 42 for each political subdivision in which the property is located, is the

1 lesser of:

- 2 (1) the assessed value of the property as valued without regard to
 3 this section; or
 4 (2) the base assessed value.

5 (g) If any part of the allocation area is located in an enterprise zone
 6 created under IC 5-28-15, the unit that designated the allocation area
 7 shall create funds as specified in this subsection. A unit that has
 8 obligations, bonds, or leases payable from allocated tax proceeds under
 9 subsection (b)(3) shall establish an allocation fund for the purposes
 10 specified in subsection (b)(3) and a special zone fund. Such a unit
 11 shall, until the end of the enterprise zone phase out period, deposit each
 12 year in the special zone fund the amount in the allocation fund derived
 13 from property tax proceeds in excess of those described in subsection
 14 (b)(1) and (b)(2) from property located in the enterprise zone that
 15 exceeds the amount sufficient for the purposes specified in subsection
 16 (b)(3) for the year. A unit that has no obligations, bonds, or leases
 17 payable from allocated tax proceeds under subsection (b)(3) shall
 18 establish a special zone fund and deposit all the property tax proceeds
 19 in excess of those described in subsection (b)(1) and (b)(2) in the fund
 20 derived from property tax proceeds in excess of those described in
 21 subsection (b)(1) and (b)(2) from property located in the enterprise
 22 zone. The unit that creates the special zone fund shall use the fund,
 23 based on the recommendations of the urban enterprise association, for
 24 one (1) or more of the following purposes:

- 25 (1) To pay for programs in job training, job enrichment, and basic
 26 skill development designed to benefit residents and employers in
 27 the enterprise zone. The programs must reserve at least one-half
 28 (1/2) of the enrollment in any session for residents of the
 29 enterprise zone.
 30 (2) To make loans and grants for the purpose of stimulating
 31 business activity in the enterprise zone or providing employment
 32 for enterprise zone residents in an enterprise zone. These loans
 33 and grants may be made to the following:
 34 (A) Businesses operating in the enterprise zone.
 35 (B) Businesses that will move their operations to the enterprise
 36 zone if such a loan or grant is made.
 37 (3) To provide funds to carry out other purposes specified in
 38 subsection (b)(3). However, where reference is made in
 39 subsection (b)(3) to the allocation area, the reference refers, for
 40 purposes of payments from the special zone fund, only to that part
 41 of the allocation area that is also located in the enterprise zone.
 42 (h) The state board of accounts and department of local government

1 finance shall make the rules and prescribe the forms and procedures
 2 that they consider expedient for the implementation of this chapter.
 3 After each reassessment of real property in an area under a county's
 4 reassessment plan prepared under IC 6-1.1-4-4.2, the department of
 5 local government finance shall adjust the base assessed value one (1)
 6 time to neutralize any effect of the reassessment of the real property in
 7 the area on the property tax proceeds allocated to the redevelopment
 8 district under this section. After each annual adjustment under
 9 IC 6-1.1-4-4.5, the department of local government finance shall adjust
 10 the base assessed value to neutralize any effect of the annual
 11 adjustment on the property tax proceeds allocated to the redevelopment
 12 district under this section. However, the adjustments under this
 13 subsection may not include the effect of property tax abatements under
 14 IC 6-1.1-12.1, and these adjustments may not produce less property tax
 15 proceeds allocable to the redevelopment district under subsection
 16 (b)(3) than would otherwise have been received if the reassessment
 17 under the county's reassessment plan or annual adjustment had not
 18 occurred. The department of local government finance may prescribe
 19 procedures for county and township officials to follow to assist the
 20 department in making the adjustments.

21 (i) The allocation deadline referred to in subsection (b) is
 22 determined in the following manner:

23 (1) The initial allocation deadline is December 31, 2011.

24 (2) Subject to subdivision (3), the initial allocation deadline and
 25 subsequent allocation deadlines are automatically extended in
 26 increments of five (5) years, so that allocation deadlines
 27 subsequent to the initial allocation deadline fall on December 31,
 28 2016, and December 31 of each fifth year thereafter.

29 (3) At least one (1) year before the date of an allocation deadline
 30 determined under subdivision (2), the general assembly may enact
 31 a law that:

32 (A) terminates the automatic extension of allocation deadlines
 33 under subdivision (2); and

34 (B) specifically designates a particular date as the final
 35 allocation deadline.

36 (j) If the commission adopts a declaratory resolution or an
 37 amendment to a declaratory resolution that contains an allocation
 38 provision and the commission makes either of the filings required
 39 under section 10(e) of this chapter after the first anniversary of the
 40 effective date of the allocation provision, the auditor of the county in
 41 which the unit is located shall compute the base assessed value for the
 42 allocation area using the assessment date immediately preceding the

1 later of:

2 (1) the date on which the documents are filed with the county
3 auditor; or

4 (2) the date on which the documents are filed with the department
5 of local government finance.

6 (k) For an allocation area established after June 30, 2024,
7 "residential property" refers to the assessed value of property that is
8 allocated to the one percent (1%) homestead land and improvement
9 categories in the county tax and billing software system, along with the
10 residential assessed value as defined for purposes of calculating the
11 rate for the local income tax property tax relief credit designated for
12 residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

13 SECTION 237. IC 36-7-30-25, AS AMENDED BY P.L.174-2022,
14 SECTION 74, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
15 JULY 1, 2027]: Sec. 25. (a) The following definitions apply throughout
16 this section:

17 (1) "Allocation area" means that part of a military base reuse area
18 to which an allocation provision of a declaratory resolution
19 adopted under section 10 of this chapter refers for purposes of
20 distribution and allocation of property taxes.

21 (2) "Base assessed value" means, subject to subsection (i):

22 (A) the net assessed value of all the property as finally
23 determined for the assessment date immediately preceding the
24 adoption date of the allocation provision of the declaratory
25 resolution, as adjusted under subsection (h); plus

26 (B) to the extent that it is not included in clause (A) or (C), the
27 net assessed value of any and all parcels or classes of parcels
28 identified as part of the base assessed value in the declaratory
29 resolution or an amendment thereto, as finally determined for
30 any subsequent assessment date; plus

31 (C) to the extent that it is not included in clause (A) or (B), the
32 net assessed value of property that is assessed as residential
33 property under the rules of the department of local government
34 finance, within the allocation area, as finally determined for
35 the current assessment date.

36 Clause (C) applies only to allocation areas established in a
37 military reuse area after June 30, 1997, and to the part of an
38 allocation area that was established before June 30, 1997, and that
39 is added to an existing allocation area after June 30, 1997.

40 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
41 property.

42 (b) A declaratory resolution adopted under section 10 of this chapter

before the date set forth in IC 36-7-14-39(b) pertaining to declaratory resolutions adopted under IC 36-7-14-15 may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution in accordance with the procedures set forth in section 13 of this chapter. The allocation provision may apply to all or part of the military base reuse area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) The excess of the proceeds of the property taxes imposed for the assessment date with respect to which the allocation and distribution are made that are attributable to taxes imposed after being approved by the voters in a referendum or local public question conducted after April 30, 2010, not otherwise included in subdivision (1) shall be allocated to and, when collected, paid into the funds of the taxing unit for which the referendum or local public question was conducted.

(3) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivisions (1) and (2) shall be allocated to the military base reuse district and, when collected, paid into an allocation fund for that allocation area that may be used by the military base reuse district and only to do one

(1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse

authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay expenses incurred by the reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of this chapter.

(F) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(G) Expend money and provide financial assistance as authorized in section 9(a)(25) of this chapter.

Except as provided in clause (E), the allocation fund may not be used for operating expenses of the reuse authority.

(4) Except as provided in subsection (g), before July 15 of each year the reuse authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivision (3).

(B) Provide a written notice to the county auditor, the fiscal

body of the unit that established the reuse authority, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

- (i) state the amount, if any, of excess property taxes that the reuse authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or
- (ii) state that the reuse authority has determined that there are no excess property tax proceeds that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess property tax proceeds determined by the reuse authority. The reuse authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 19 of this chapter.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish an allocation fund for the purposes specified in subsection (b)(3) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(3) for the year. The amount sufficient for purposes specified in subsection (b)(3) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(3) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) and (b)(2) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(3), except that where reference is made in subsection (b)(3) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each reassessment of real property in an area under the county's reassessment plan under IC 6-1.1-4-4.2, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the reassessment of the real property in the area on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under

1 IC 6-1.1-12.1, and these adjustments may not produce less property tax
 2 proceeds allocable to the military base reuse district under subsection
 3 (b)(3) than would otherwise have been received if the reassessment
 4 under the county's reassessment plan or annual adjustment had not
 5 occurred. The department of local government finance may prescribe
 6 procedures for county and township officials to follow to assist the
 7 department in making the adjustments.

8 (i) If the reuse authority adopts a declaratory resolution or an
 9 amendment to a declaratory resolution that contains an allocation
 10 provision and the reuse authority makes either of the filings required
 11 under section 12(c) or 13(f) of this chapter after the first anniversary of
 12 the effective date of the allocation provision, the auditor of the county
 13 in which the military base reuse district is located shall compute the
 14 base assessed value for the allocation area using the assessment date
 15 immediately preceding the later of:

- 16 (1) the date on which the documents are filed with the county
- 17 auditor; or
- 18 (2) the date on which the documents are filed with the department
- 19 of local government finance.

20 (j) For an allocation area established after June 30, 2024,
 21 "residential property" refers to the assessed value of property that is
 22 allocated to the one percent (1%) homestead land and improvement
 23 categories in the county tax and billing software system, along with the
 24 residential assessed value as defined for purposes of calculating the
 25 rate for the local income tax property tax relief credit designated for
 26 residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

27 SECTION 238. IC 36-7-30.5-30, AS AMENDED BY P.L. 174-2022,
 28 SECTION 75, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 29 JULY 1, 2027]: Sec. 30. (a) The following definitions apply throughout
 30 this section:

- 31 (1) "Allocation area" means that part of a military base
- 32 development area to which an allocation provision of a
- 33 declaratory resolution adopted under section 16 of this chapter
- 34 refers for purposes of distribution and allocation of property taxes.
- 35 (2) "Base assessed value" means, subject to subsection (i):
- 36 (A) the net assessed value of all the property as finally
- 37 determined for the assessment date immediately preceding the
- 38 adoption date of the allocation provision of the declaratory
- 39 resolution, as adjusted under subsection (h); plus
- 40 (B) to the extent that it is not included in clause (A) or (C), the
- 41 net assessed value of any and all parcels or classes of parcels
- 42 identified as part of the base assessed value in the declaratory

1 resolution or an amendment to the declaratory resolution, as
 2 finally determined for any subsequent assessment date; plus
 3 (C) to the extent that it is not included in clause (A) or (B), the
 4 net assessed value of property that is assessed as residential
 5 property under the rules of the department of local government
 6 finance, within the allocation area, as finally determined for
 7 the current assessment date.

8 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
 9 property.

10 (b) A declaratory resolution adopted under section 16 of this chapter
 11 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
 12 resolutions adopted under IC 36-7-14-15 may include a provision with
 13 respect to the allocation and distribution of property taxes for the
 14 purposes and in the manner provided in this section. A declaratory
 15 resolution previously adopted may include an allocation provision by
 16 the amendment of that declaratory resolution in accordance with the
 17 procedures set forth in section 18 of this chapter. The allocation
 18 provision may apply to all or part of the military base development
 19 area. The allocation provision must require that any property taxes
 20 subsequently levied by or for the benefit of any public body entitled to
 21 a distribution of property taxes on taxable property in the allocation
 22 area be allocated and distributed as follows:

23 (1) Except as otherwise provided in this section, the proceeds of
 24 the taxes attributable to the lesser of:

25 (A) the assessed value of the property for the assessment date
 26 with respect to which the allocation and distribution is made;
 27 or

28 (B) the base assessed value;

29 shall be allocated to and, when collected, paid into the funds of
 30 the respective taxing units.

31 (2) The excess of the proceeds of the property taxes imposed for
 32 the assessment date with respect to which the allocation and
 33 distribution is made that are attributable to taxes imposed after
 34 being approved by the voters in a referendum or local public
 35 question conducted after April 30, 2010, not otherwise included
 36 in subdivision (1) shall be allocated to and, when collected, paid
 37 into the funds of the taxing unit for which the referendum or local
 38 public question was conducted.

39 (3) Except as otherwise provided in this section, property tax
 40 proceeds in excess of those described in subdivisions (1) and (2)
 41 shall be allocated to the development authority and, when
 42 collected, paid into an allocation fund for that allocation area that

may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) (before their repeal) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2 (before its repeal)) for that year as determined under IC 6-1.1-21-4 (before its repeal) that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; by

(ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2 (before its repeal)) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit

in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 32 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the development authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are the basis for the increment financing are made.

(H) Expend money and provide financial assistance as authorized in section 15(26) of this chapter.

The allocation fund may not be used for operating expenses of the development authority.

(4) Except as provided in subsection (g), before July 15 of each year the development authority shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (3) plus the amount necessary for other purposes described in subdivisions (2) and (3).

(B) Provide a written notice to the appropriate county auditors and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in

subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (3) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21 (before its repeal).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(3) may, subject to subsection (b)(4), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(3).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the development authority shall create funds as specified in this subsection. A development authority that has obligations, bonds, or leases payable from allocated tax proceeds under

1 subsection (b)(3) shall establish an allocation fund for the purposes
 2 specified in subsection (b)(3) and a special zone fund. The
 3 development authority shall, until the end of the enterprise zone phase
 4 out period, deposit each year in the special zone fund any amount in the
 5 allocation fund derived from property tax proceeds in excess of those
 6 described in subsection (b)(1) and (b)(2) from property located in the
 7 enterprise zone that exceeds the amount sufficient for the purposes
 8 specified in subsection (b)(3) for the year. The amount sufficient for
 9 purposes specified in subsection (b)(3) for the year shall be determined
 10 based on the pro rata part of such current property tax proceeds from
 11 the part of the enterprise zone that is within the allocation area as
 12 compared to all such current property tax proceeds derived from the
 13 allocation area. A development authority that does not have
 14 obligations, bonds, or leases payable from allocated tax proceeds under
 15 subsection (b)(3) shall establish a special zone fund and deposit all the
 16 property tax proceeds in excess of those described in subsection (b)(1)
 17 and (b)(2) that are derived from property in the enterprise zone in the
 18 fund. The development authority that creates the special zone fund
 19 shall use the fund (based on the recommendations of the urban
 20 enterprise association) for programs in job training, job enrichment,
 21 and basic skill development that are designed to benefit residents and
 22 employers in the enterprise zone or for other purposes specified in
 23 subsection (b)(3), except that where reference is made in subsection
 24 (b)(3) to an allocation area it shall refer for purposes of payments from
 25 the special zone fund only to that part of the allocation area that is also
 26 located in the enterprise zone. The programs shall reserve at least
 27 one-half (1/2) of their enrollment in any session for residents of the
 28 enterprise zone.

29 (h) After each reassessment of real property in an area under a
 30 reassessment plan prepared under IC 6-1.1-4-4.2, the department of
 31 local government finance shall adjust the base assessed value one (1)
 32 time to neutralize any effect of the reassessment of the real property in
 33 the area on the property tax proceeds allocated to the military base
 34 development district under this section. After each annual adjustment
 35 under IC 6-1.1-4-4.5, the department of local government finance shall
 36 adjust the base assessed value to neutralize any effect of the annual
 37 adjustment on the property tax proceeds allocated to the military base
 38 development district under this section. However, the adjustments
 39 under this subsection may not include the effect of property tax
 40 abatements under IC 6-1.1-12.1, and these adjustments may not
 41 produce less property tax proceeds allocable to the military base
 42 development district under subsection (b)(3) than would otherwise

1 have been received if the reassessment under the county's reassessment
 2 plan or annual adjustment had not occurred. The department of local
 3 government finance may prescribe procedures for county and township
 4 officials to follow to assist the department in making the adjustments.

5 (i) If the development authority adopts a declaratory resolution or
 6 an amendment to a declaratory resolution that contains an allocation
 7 provision and the development authority makes either of the filings
 8 required under section 17(e) or 18(f) of this chapter after the first
 9 anniversary of the effective date of the allocation provision, the auditor
 10 of the county in which the military base development district is located
 11 shall compute the base assessed value for the allocation area using the
 12 assessment date immediately preceding the later of:

13 (1) the date on which the documents are filed with the county
 14 auditor; or

15 (2) the date on which the documents are filed with the department
 16 of local government finance.

17 (j) For an allocation area established after June 30, 2024,
 18 "residential property" refers to the assessed value of property that is
 19 allocated to the one percent (1%) homestead land and improvement
 20 categories in the county tax and billing software system, along with the
 21 residential assessed value as defined for purposes of calculating the
 22 rate for the local income tax property tax relief credit designated for
 23 residential property under IC 6-3.6-5-6(d)(3) **(before its expiration)**.

24 SECTION 239. IC 36-7.5-4-2.5, AS ADDED BY P.L.189-2018,
 25 SECTION 173, IS AMENDED TO READ AS FOLLOWS
 26 [EFFECTIVE JULY 1, 2027]: Sec. 2.5. (a) This section applies to a
 27 unit that has previously:

28 (1) entered into an interlocal cooperation or other similar
 29 agreement;

30 (2) adopted an ordinance or resolution; or

31 (3) taken any other action offering to support and finance:

32 (A) a rail project or rail projects under this chapter; or

33 (B) the double tracking project under IC 36-7.5-4.5.

34 (b) The unit may use any legally available revenue to support and
 35 finance the projects described in subsection (a)(3), including ~~additional~~
 36 ~~revenue~~ **general purpose revenue** allocated each year for economic
 37 development under ~~IC 6-3.6-6-9~~ **IC 6-3.6-6**.

38 (c) Additional revenue allocated for economic development to
 39 support and finance the projects under this section shall be paid by the
 40 treasurer of state to the treasurer of the northwest Indiana regional
 41 development authority under section 2 of this chapter before certified
 42 distributions are made to the county or any civil taxing unit in the

1 county or counties in which the unit is located.

2 (d) A transfer made on behalf of a unit under subsection (c) after
3 December 31, 2018, is considered to be a payment for services
4 provided to residents by a rail project as those services are rendered.

5 (e) A pledge by the development authority of transferred revenue
6 under this section to the payment of bonds, leases, or obligations under
7 this article or IC 5-1.3:

8 (1) constitutes the obligations of the northwest Indiana regional
9 development authority; and

10 (2) does not constitute an indebtedness of:

11 (A) a unit described in this section; or

12 (B) the state;

13 within the meaning or application of any constitutional or
14 statutory provision or limitation.

15 (f) Neither the transfer of revenue nor the pledge of revenue
16 transferred under this section is an impairment of contract within the
17 meaning or application of any constitutional provision or limitation
18 because of the following:

19 (1) The statutes governing local income taxes, including the
20 transferred revenue, have been the subject of legislation annually
21 since 1973, and during that time the statutes have been revised,
22 amended, expanded, limited, and recodified dozens of times.

23 (2) Owners of bonds, leases, or other obligations to which local
24 income tax revenues have been pledged recognize that the
25 regulation of local income taxes has been extensive and
26 consistent.

27 (3) All bonds, leases, or other obligations, due to their essential
28 contractual nature, are subject to relevant state and federal law
29 that is enacted after the date of a contract.

30 (4) The state of Indiana has a legitimate interest in assisting the
31 northwest Indiana regional development authority in financing
32 rail projects.

33 (g) All proceedings had and actions described in this section are
34 valid pledges under IC 5-1-14-4 as of the date of those proceedings or
35 actions and are hereby legalized and declared valid if taken before
36 March 15, 2018.

37 SECTION 240. IC 36-8-19-7, AS AMENDED BY P.L.95-2022,
38 SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
39 JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7. (a) **Subject to**
40 **subsection (d)**, a tax levied under this chapter may be levied at:

41 (1) a uniform rate upon all taxable property within the territory;
42 or

(2) different rates for the participating units included within the territory, so long as a tax rate applies uniformly to all of a unit's or fire protection district's taxable property within the territory.

(b) If a uniform tax rate is levied upon all taxable property within a territory upon the formation of the territory, different tax rates may be levied for the participating units included within the territory in subsequent years.

(c) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2022. A total tax rate levied under this chapter upon taxable property within a territory upon the formation of the territory may be implemented over a number of years, not exceeding five (5), and in a manner subject to review and approval by the department of local government finance.

(d) This subsection applies to a territory established by an ordinance or a resolution adopted under this chapter after December 31, 2024. The provider unit and each participating unit in a territory may not impose a tax rate on the unit's or fire protection district's taxable property within the territory that exceeds forty cents (\$0.40) per one hundred dollars (\$100) of assessed valuation.

SECTION 241. IC 36-8-19-7.5, AS AMENDED BY P.L.38-2021, SECTION 100, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)]: Sec. 7.5. (a) This section applies to:

- (1) local income tax distributions; and
- (2) excise tax distributions;

made after December 31, 2009.

(b) Except as provided in subsection (c), for purposes of allocating local income tax distributions that are based on a taxing unit's allocation amount **before January 1, 2028**, or that an adopting body allocates under IC 6-3.6-6 to economic development **before January 1, 2028**, or excise tax distributions that are distributed based on the amount of a taxing unit's property tax levies, each participating unit in a territory is considered to have imposed a part of the property tax levy imposed for the territory. The part of the property tax levy imposed for the territory for a particular year that shall be attributed to a participating unit is equal to the amount determined in the following STEPS:

STEP ONE: Determine the total amount of all property taxes imposed by the participating unit in the year before the year in which a property tax levy was first imposed for the territory.

STEP TWO: Determine the sum of the STEP ONE amounts for

1 all participating units.

2 STEP THREE: Divide the STEP ONE result by the STEP TWO
3 result.

4 STEP FOUR: Multiply the STEP THREE result by the property
5 tax levy imposed for the territory for the particular year.

6 (c) This subsection applies to a determination under subsection (b)
7 made in calendar years 2018, 2019, and 2020. The department of local
8 government finance may, for distributions made in calendar year 2022,
9 adjust the allocation amount determined under subsection (b) to correct
10 for any clerical or mathematical errors made in any determination for
11 calendar year 2018, 2019, or 2020, as applicable, including the
12 allocation amount for any taxing unit whose distribution was affected
13 by the clerical or mathematical error in those years. The department of
14 local government finance may apply the adjustment to the allocation
15 amount for a taxing unit over a period not to exceed ten (10) years in
16 order to offset the effect of the adjustment on the distribution.

17 **(d) This subsection applies to a territory established by an**
18 **ordinance or a resolution adopted under this chapter after**
19 **December 31, 2024. Before additional revenue from a local income**
20 **tax rate may be allocated to the provider unit of a new territory**
21 **due to an increased property tax levy resulting from the**
22 **establishment of the territory, the county fiscal body must adopt an**
23 **ordinance or resolution approving the allocation.**

24 SECTION 242. IC 36-8-19-8, AS AMENDED BY P.L.236-2023,
25 SECTION 209, IS AMENDED TO READ AS FOLLOWS
26 [EFFECTIVE JULY 1, 2027]: Sec. 8. (a) Upon the adoption of
27 identical ordinances or resolutions, or both, by the participating units
28 under section 6 of this chapter, the designated provider unit must
29 establish a fire protection territory fund from which all expenses of
30 operating and maintaining the fire protection services within the
31 territory, including repairs, fees, salaries, depreciation on all
32 depreciable assets, rents, supplies, contingencies, and all other
33 expenses lawfully incurred within the territory shall be paid. The
34 purposes described in this subsection are the sole purposes of the fund,
35 and money in the fund may not be used for any other expenses. Except
36 as allowed in subsections (d) and (e) and section 8.5 of this chapter, the
37 provider unit is not authorized to transfer money out of the fund at any
38 time.

39 (b) The fund consists of the following:

40 (1) All receipts from the tax imposed under this section.

41 (2) Any money transferred to the fund by the provider unit as
42 authorized under subsection (d).

(3) Any receipts from a false alarm fee or service charge imposed by the participating units under IC 36-8-13-4.

(4) Any money transferred to the fund by a participating unit under section 8.6 of this chapter.

(5) Any receipts from a distribution made under ~~IC 6-3.6-6-8(d)~~; **IC 6-3.6-6-8(b)**, which shall be deposited in the fund.

(c) The provider unit, with the assistance of each of the other participating units, shall annually budget the necessary money to meet the expenses of operation and maintenance of the fire protection services within the territory. The provider unit may maintain a reasonable balance, not to exceed one hundred twenty percent (120%) of the budgeted expenses. Except as provided in IC 6-1.1-18.5-10.5, and subject to section 7(c) of this chapter, after estimating expenses and receipts of money, the provider unit shall establish the tax levy required to fund the estimated budget. Subject to IC 6-1.1-18.5-10.5(c), the amount budgeted under this subsection shall be considered a part of each of the participating unit's budget.

(d) If the amount levied in a particular year is insufficient to cover the costs incurred in providing fire protection services within the territory, the provider unit may transfer from available sources to the fire protection territory fund the money needed to cover those costs. In this case:

(1) the levy in the following year shall be increased by the amount required to be transferred; and

(2) the provider unit is entitled to transfer the amount described in subdivision (1) from the fund as reimbursement to the provider unit.

(e) If the amount levied in a particular year exceeds the amount necessary to cover the costs incurred in providing fire protection services within the territory, the levy in the following year shall be reduced by the amount of surplus money that is not transferred to the equipment replacement fund established under section 8.5 of this chapter. The amount that may be transferred to the equipment replacement fund may not exceed five percent (5%) of the levy for that fund for that year. Each participating unit must agree to the amount to be transferred by adopting an ordinance (if the unit is a county or municipality) or a resolution (if the unit is a township) that specifies an identical amount to be transferred.

(f) The tax under this section is subject to the tax levy limitations imposed under IC 6-1.1-18.5-10.5.

SECTION 243. [EFFECTIVE JANUARY 1, 2025 (RETROACTIVE)] (a) **IC 6-1.1-51.3, as added by this act, applies to**

4 IC 6-3.6 before July 1, 2027, continues in effect after June 30, 2027,
5 and is valid and binding until it is rescinded or otherwise amended

12 the county fiscal body.
