15 southerly to the international boundary from the intersection of
16 the centerline of the Gulf Intracoastal Waterway and the
17 Brownsville Ship Channel must include in any executory contract for
18 conveyance a statement in substantially the following form:

19 CONCERNING THE PROPERTY AT _____

20 DISCLOSURE NOTICE CONCERNING LEGAL AND ECONOMIC RISKS

21 OF PURCHASING COASTAL REAL PROPERTY NEAR A BEACH

22 WARNING: THE FOLLOWING NOTICE OF POTENTIAL RISKS OF ECONOMIC
23 LOSS TO YOU AS THE PURCHASER OF COASTAL REAL PROPERTY IS REQUIRED BY
24 STATE LAW.

25 ● READ THIS NOTICE CAREFULLY. DO NOT SIGN THIS CONTRACT
26 UNTIL YOU FULLY UNDERSTAND THE RISKS YOU ARE ASSUMING.

27 ● BY PURCHASING THIS PROPERTY, YOU MAY BE ASSUMING

1 ECONOMIC RISKS OVER AND ABOVE THE RISKS INVOLVED IN PURCHASING
2 INLAND REAL PROPERTY.

3 ● IF YOU OWN A STRUCTURE LOCATED ON COASTAL REAL PROPERTY
4 NEAR A GULF COAST BEACH, IT MAY COME TO BE LOCATED ON THE PUBLIC
5 BEACH BECAUSE OF COASTAL EROSION AND STORM EVENTS.

6 ● AS THE OWNER OF A STRUCTURE LOCATED ON THE PUBLIC BEACH,
7 YOU COULD BE SUED BY THE STATE OF TEXAS AND ORDERED TO REMOVE THE
8 STRUCTURE.

9 ● THE COSTS OF REMOVING A STRUCTURE FROM THE PUBLIC BEACH
10 AND ANY OTHER ECONOMIC LOSS INCURRED BECAUSE OF A REMOVAL ORDER
11 WOULD BE SOLELY YOUR RESPONSIBILITY.

12 The real property described in this contract is located
13 seaward of the Gulf Intracoastal Waterway to its southernmost point
14 and then seaward of the longitudinal line also known as 97 degrees,
15 12', 19" which runs southerly to the international boundary from
16 the intersection of the centerline of the Gulf Intracoastal
17 Waterway and the Brownsville Ship Channel. If the property is in
18 close proximity to a beach fronting the Gulf of America [~~Gulf of~~
19 ~~Mexico~~], the purchaser is hereby advised that the public has
20 acquired a right of use or easement to or over the area of any public
21 beach by prescription, dedication, or presumption, or has retained
22 a right by virtue of continuous right in the public since time
23 immemorial, as recognized in law and custom.

24 The extreme seaward boundary of natural vegetation that
25 spreads continuously inland customarily marks the landward
26 boundary of the public easement. If there is no clearly marked
27 natural vegetation line, the landward boundary of the easement is

as provided by Sections 61.016 and 61.017, Natural Resources Code.

Much of the Gulf of America [~~Gulf of Mexico~~] coastline is eroding at rates of more than five feet per year. Erosion rates for all Texas Gulf property subject to the open beaches act are available from the Texas General Land Office.

State law prohibits any obstruction, barrier, restraint, or interference with the use of the public easement, including the placement of structures seaward of the landward boundary of the easement. OWNERS OF STRUCTURES ERECTED SEAWARD OF THE VEGETATION LINE (OR OTHER APPLICABLE EASEMENT BOUNDARY) OR THAT BECOME SEAWARD OF THE VEGETATION LINE AS A RESULT OF PROCESSES SUCH AS SHORELINE EROSION ARE SUBJECT TO A LAWSUIT BY THE STATE OF TEXAS TO REMOVE THE STRUCTURES.

The purchaser is hereby notified that the purchaser should:

(1) determine the rate of shoreline erosion in the vicinity of the real property; and

(2) seek the advice of an attorney or other qualified person before executing this contract or instrument of conveyance as to the relevance of these statutes and facts to the value of the property the purchaser is hereby purchasing or contracting to purchase.

4 lifeguard unit at each pier, jetty, or other structure that
5 protrudes into the Gulf of America [~~Gulf of Mexico~~] that is located
6 on a public beach described by Subsection (a) if the single tower
7 provides an unobstructed view of both sides of the structure; and

8 (2) post within 100 yards of each side of each

24 state that the state-owned beaches bordering on the seaward shore
25 of the Gulf of America [~~Gulf of Mexico~~], and any larger area
26 extending from the line of mean low tide to the line of vegetation
27 bordering on the Gulf of America [~~Gulf of Mexico~~], if the public has

1 acquired a right of use or easement to or over the area by the
2 prescription or dedication or has retained a right by virtue of
3 continuous right in the public, shall be used primarily for
4 recreational purposes, and any use which substantially interferes
5 with the enjoyment of the beach area by the public shall constitute
6 an offense against the public policy of the state. Nothing in this
7 subchapter prevents any agency, department, political subdivision,
8 or municipal corporation of this state from exercising its lawful
9 authority under any law of this state to regulate safety conditions
10 on any beach area subject to public use.

11 SECTION 11.45. Section 61.162(a), Natural Resources Code,
12 is amended to read as follows:

13 (a) The legislature finds that the operation and
14 maintenance of business establishments at fixed or permanent
15 locations on the public beaches of this state bordering on the
16 seaward shore of the Gulf of America [~~Gulf of Mexico~~] constitute a
17 potential public health hazard and a substantial interference with
18 the free and unrestricted rights of ingress and egress of the
19 public, both individually and collectively, to and from the
20 state-owned beaches bordering on the seaward shore of the Gulf of
21 America [~~Gulf of Mexico~~] or any larger area extending from the line
22 of mean low tide to the line of vegetation bordering on the Gulf of
23 America [~~Gulf of Mexico~~] if the public has acquired a right of use
24 or easement to or over the area by prescription, dedication, or has
25 retained a right by virtue of continuous right in the public.

26 SECTION 11.46. Section 61.211, Natural Resources Code, is
27 amended to read as follows:

1 Sec. 61.211. FINDINGS. The legislature finds that the
2 unregulated excavation, taking, removal, and carrying away of sand,
3 marl, gravel, and shell from islands and peninsulas bordering on
4 the Gulf of America [~~Gulf of Mexico~~] and from the public beaches of
5 the state constitute a substantial interference with public
6 enjoyment of Texas beaches and a hazard to life and property.

7 SECTION 11.47. Section 61.213, Natural Resources Code, is
8 amended to read as follows:

9 Sec. 61.213. APPLICATION. Before a person excavates,
10 takes, removes, or carries away sand, marl, gravel, or shell from
11 land located on an exposed island or peninsula bordering on the Gulf
12 of America [~~Gulf of Mexico~~] or from land located within 1,500 feet
13 of a mainland public beach that is located outside the boundaries of
14 an incorporated city, town, or village, he must submit a written
15 application to the commissioners court of the county in which the
16 excavation, taking, removal, or carrying away is to take place.

17 SECTION 11.48. Section 61.223, Natural Resources Code, is
18 amended to read as follows:

19 Sec. 61.223. SUITS FOR ORDERS AND INJUNCTIONS. The
20 attorney general, any county attorney, district attorney, or
21 criminal district attorney of the state shall file in a district
22 court in the county in which the conduct takes place, a suit seeking
23 temporary or permanent court orders or injunctions to prohibit any
24 excavating, taking, removing, or carrying away of any sand, marl,
25 gravel, or shell from land located on an exposed island or peninsula
26 bordering on the Gulf of America [~~Gulf of Mexico~~] or from land
27 located within 1,500 feet of a public beach of this state if the

land is located outside the boundaries of an incorporated city, town, or village in violation of the provisions of this subchapter.

SECTION 11.49. Section 61.224, Natural Resources Code, is amended to read as follows:

Sec. 61.224. PENALTY. A person who for himself or on behalf of or under the direction of another person excavates, takes, removes, or carries away sand, marl, gravel, or shell from land located on an exposed island or peninsula bordering on the Gulf of America [~~Gulf of Mexico~~] or from land located within 1,500 feet of a public beach of this state, if the land is located outside the boundaries of any incorporated city, town, or village, in violation of the provisions of this subchapter shall be fined not less than \$10 nor more than \$200. Each day a violation occurs constitutes a separate offense.

SECTION 11.50. Section 61.252(a), Natural Resources Code, is amended to read as follows:

(a) To protect the public health, safety, and welfare, the commissioners court of a county bordering on the Gulf of America [~~Gulf of Mexico~~] or its tidewater limits, by order, may regulate mass gatherings of individuals on any beach in the unincorporated area of the county by requiring a person to obtain a permit and pay a permit fee set by the commissioners court before the person may hold a mass gathering.

SECTION 11.51. Sections 62.001(a) and (e), Natural Resources Code, are amended to read as follows:

(a) The provisions of this chapter apply to counties that are located or border on the Gulf of America [~~Gulf of Mexico~~] and

1 have within their boundaries beaches that are suitable for park
 2 purposes. The suitability of a beach for park purposes is
 3 established conclusively when the commissioners court of the county
 4 makes a finding that the beach located within its boundaries, but
 5 not located within the boundaries of an incorporated city, is
 6 suitable for park purposes.

7 (e) The provisions of this chapter do not permit any
 8 interference with the right the public has under the provisions of
 9 Subchapter B, Chapter 61, to the free and unrestricted use of, and
 10 to ingress and egress to, the area bordering on the Gulf of America
 11 [~~Gulf of Mexico~~] from mean low tide to the line of vegetation, as
 12 that term is defined in Section 61.001. A county, county official,
 13 or anyone acting under the authority of this chapter may not
 14 exercise any authority, contract out a right to exercise authority,
 15 or otherwise delegate authority beyond that specifically granted to
 16 it in Sections 61.122 through 61.128 over that area notwithstanding
 17 any of the specific provisions of this chapter. The rights
 18 established in Subchapters B and D, Chapter 61, are paramount over
 19 the rights or interests that might otherwise be created by the
 20 provisions of this chapter, and nothing in this chapter encroaches
 21 on those rights or upon land, or interests in land, that may
 22 ultimately be held subject to those rights.

23 SECTION 11.52. Section 62.011, Natural Resources Code, is
 24 amended to read as follows:

25 Sec. 62.011. PURPOSE AND AUTHORITY. A county located or
 26 bordering on the Gulf of America [~~Gulf of Mexico~~] with a beach
 27 suitable for park purposes may create a board in the manner provided

1 in this subchapter for the purpose of improving, equipping,
2 maintaining, financing, and operating a public park or parks, or
3 any facilities owned by the county, or to be acquired by the county,
4 or to be managed by the county under the terms of a written
5 contract. The board, to be designated Beach Park Board of Trustees,
6 has the powers and duties specified in this chapter.

7 SECTION 11.53. Section 62.091(a), Natural Resources Code,
8 is amended to read as follows:

9 (a) The following land is under the jurisdiction of the
10 board:

- 11 (1) public beaches owned in fee by the county; and
- 12 (2) land used as parks in connection with public
13 beaches not located inside the boundaries of an incorporated city
14 and not inside the area bordering on the Gulf of America [~~Gulf of~~
15 ~~Mexico~~] from the line of mean low tide to the line of vegetation as
16 that term is defined in Section 61.001.

17 SECTION 11.54. Section 63.001, Natural Resources Code, is
18 amended to read as follows:

19 Sec. 63.001. FINDINGS OF FACT. The legislature finds and
20 declares:

- 21 (1) that the mainland gulf shoreline, barrier islands,
22 and peninsulas of this state contain a significant portion of the
23 state's human, natural, and recreational resources;
- 24 (2) that these areas are and historically have been
25 wholly or in part protected from the action of the water of the Gulf
26 of America [~~Gulf of Mexico~~] and storms on the Gulf by a system of
27 vegetated and unvegetated sand dunes that provide a protective

1 barrier for adjacent land and inland water and land against the
2 action of sand, wind, and water;

3 (3) that certain persons have from time to time
4 modified or destroyed the effectiveness of the protective barriers
5 and caused environmental damage in the process of developing the
6 shoreline for various purposes;

7 (4) that the operation of recreational vehicles and
8 other activities over these dunes have destroyed the natural
9 vegetation on them;

10 (5) that these practices constitute serious threats to
11 the safety of adjacent properties, to public highways, to the
12 taxable basis of adjacent property and constitute a real danger to
13 natural resources and to the health, safety, and welfare of persons
14 living, visiting, or sojourning in the area;

15 (6) that it is necessary to protect these dunes as
16 provided in this chapter because stabilized, vegetated dunes offer
17 the best natural defense against storms and are areas of
18 significant biological diversity;

19 (7) that vegetated stabilized dunes help preserve
20 state-owned beaches and shores by protecting against erosion of the
21 shoreline; and

22 (8) that different areas of the coast are
23 characterized by dunes of various types and values, all of which
24 should be afforded protection.

25 SECTION 11.55. Sections [63.002\(2\)](#), (3), and (5), Natural
26 Resources Code, are amended to read as follows:

27 (2) "Barrier island" means an island bordering on the

1 Gulf of America [~~Gulf of Mexico~~] and entirely surrounded by water.

2 (3) "Peninsula" means an arm of land bordering on the
3 Gulf of America [~~Gulf of Mexico~~] surrounded on three sides by water.

4 (5) "Mainland shoreline" means all shoreline fronting
5 on the open Gulf of America [~~Gulf of Mexico~~] that is not located on a
6 barrier island or a peninsula.

7 SECTION 11.56. Section 63.011(a), Natural Resources Code,
8 is amended to read as follows:

9 (a) After notice and hearing, the commissioners court of
10 each county that has within its boundaries mainland shoreline, a
11 barrier island, or a peninsula located on the seaward shore of the
12 Gulf of America [~~Gulf of Mexico~~] shall establish a dune protection
13 line on any such shoreline, island, or peninsula within its
14 boundaries for the purpose of preserving sand dunes.

15 SECTION 11.57. Section 63.012, Natural Resources Code, is
16 amended to read as follows:

17 Sec. 63.012. LOCATION OF DUNE PROTECTION LINE. The dune
18 protection line shall not be located further landward than a line
19 drawn parallel to and 1,000 feet landward of the line of mean high
20 tide of the Gulf of America [~~Gulf of Mexico~~].

21 SECTION 11.58. Section 92.002(4), Natural Resources Code,
22 is amended to read as follows:

23 (4) "Barrier island" means an island bordering on the
24 Gulf of America [~~Gulf of Mexico~~] and entirely surrounded by water.

25 ARTICLE 12. OCCUPATIONS CODE PROVISIONS

26 SECTION 12.01. Section 2025.152, Occupations Code, is
27 amended to read as follows:

ARTICLE II

This compact shall become operative immediately as to those states ratifying it whenever any two or more of the states of Florida, Alabama, Mississippi, Louisiana and Texas have ratified it and the Congress has given its consent, pursuant to Article I, Section 10 of the Constitution of the United States. Any state contiguous to any of the aforementioned states or riparian upon waters which flow into waters under the jurisdiction of any of the aforementioned States and which are frequented by anadromous fish or marine species, may become a party hereto as hereinafter provided.

ARTICLE III

Each state joining herein shall appoint three representatives to a commission hereby constituted and designated as the Gulf States Marine Fisheries Commission. One shall be the head of the administrative agency of such State charged with the conservation of the fishery resources to which this compact pertains; or, if there be more than one officer or agency, the official of that State named by the Governor thereof. The second shall be a member of the Legislature of such State designated by such Legislature, or in the absence of such designation, such legislator shall be designated by the Governor thereof; provided that if it is constitutionally impossible to appoint a legislator as a commissioner from such State, the second member shall be appointed in such manner as may be established by law. The third shall be a citizen who shall have a knowledge of and interest in the

15 from the fishery resources of the aforementioned States. To that
16 end the commission shall draft and recommend to the Governors and
17 Legislatures of the various signatory States, legislation dealing
18 with the conservation of the marine, shell and anadromous fisheries
19 of the Gulf seaboard. The commission shall from time to time
20 present to the Governor of each compacting State its

18 powers of the proprietary interest of any signatory State, or to
19 repeal or prevent the enactment of any legislation or the
20 enforcement of any requirement by a signatory State, imposing
21 additional conditions and restrictions to conserve its fisheries.

24 further amend this compact by acts of their respective
25 Legislatures, subject to approval of Congress as provided in
26 Article I, Section X, of the Constitution of the United States, to
27 designate the Gulf States Marine Fisheries Commission as a joint

7 compacting of any of their privileges or powers in the Gulf States
8 Marine Fisheries Commission as constituted under the other Articles
9 of this compact.

10 ARTICLE XI

11 Continued absence of representation or of any representative
12 on the commission from any State party hereto, shall be brought to
