the case of an emergency as defined in section 323.17 of the Revised Code, the tax commissioner, by journal entry, may extend the times for delivery of the duplicate for an additional fifteen days upon receiving a written application from the county auditor regarding an extension for the delivery of the duplicate, or from the county treasurer regarding an extension of the time for the billing and collection of taxes. The application shall contain a statement describing the emergency that will cause the unavoidable delay and must be received by the tax commissioner on or before the last day of the month preceding the day delivery of the duplicate is otherwise required. When an extension is granted for delivery of the duplicate, the time period for payment of taxes shall be extended for a like period of time. When a delay in the closing of a tax collection period becomes unavoidable, the tax commissioner, upon application by the county auditor and county treasurer, may order the time for payment of taxes to be extended if the tax commissioner determines that penalties have accrued or would otherwise accrue for reasons beyond the control of the taxpayers of the county. The order shall prescribe the final extended date for payment of taxes for that collection period.

(4) After January 1, 1999, the owner of a manufactured or mobile home taxed pursuant to division (D)(1) of this section may elect to have the home taxed pursuant to division (D)(2) of this section by filing a written request with the county auditor of the taxing district in which the home is located on or before the first day of December of any year. Upon the filing of the request, the county auditor shall determine whether all taxes levied under division (D)(1) of this section have been paid, and if those taxes have been paid, the county auditor shall tax the

manufactured or mobile home pursuant to division (D) (2) of this 96833
section commencing in the next tax year. 96834

(5) A manufactured or mobile home that acquired situs in 96835
this state prior to January 1, 2000, shall be taxed pursuant to 96836
division (D) (2) of this section if no manufactured home tax had 96837
been paid for the home and the home was not exempted from 96838
taxation pursuant to division (E) of this section for the year 96839
for which the taxes were not paid. 96840

(6) (a) Immediately upon receipt of any manufactured home 96841
tax duplicate from the county auditor, but not less than twenty 96842

may be paid without penalty as prescribed in division (F) of 96844
this section, the county treasurer shall cause to be prepared 96845
and mailed or delivered to each person charged on that duplicate 96846
with taxes, or to an agent designated by such person, the tax 96847
bill prescribed by the tax commissioner under division (D) (7) of 96848
this section. When taxes are paid by installments, the county 96849
treasurer shall mail or deliver to each person charged on such 96850
duplicate or the agent designated by that person a second tax 96851
bill showing the amount due at the time of the second tax 96852

delivered at least twenty days prior to the close of the second 96854
half tax collection period. A change in the mailing address, 96855
electronic mail address, or telephone number of any tax bill 96856
shall be made in writing to the county treasurer. Failure to 96857
receive a bill required by this section does not excuse failure 96858
or delay to pay any taxes shown on the bill or, except as 96859
provided in division (B) (1) of section 5715.39 of the Revised 96860
Code, avoid any penalty, interest, or charge for such delay. 96861

A policy adopted by a county treasurer under division (A) 96862

(2) of section 323.13 of the Revised Code shall also allow any person required to receive a tax bill under division (D) (6) (a) of this section to request electronic delivery of that tax bill in the same manner. A person may rescind such a request in the same manner as a request made under division (A) (2) of section 323.13 of the Revised Code. The request shall terminate upon a change in the name of the person charged with the taxes pursuant to section 4503.061 of the Revised Code.

(b) After delivery of the copy of the delinquent manufactured home tax list under division (H) of this section, the county treasurer may prepare and mail to each person in whose name a home is listed an additional tax bill showing the total amount of delinquent taxes charged against the home as shown on the list. The tax bill shall include a notice that the interest charge prescribed by division (G) of this section has begun to accrue.

(7) Each tax bill prepared and mailed or delivered under division (D) (6) of this section shall be in the form and contain the information required by the tax commissioner. The commissioner may prescribe different forms for each county and may authorize the county auditor to make up tax bills and tax receipts to be used by the county treasurer. The tax bill shall not contain or be mailed or delivered with any information or material that is not required by this section or that is not authorized by section 321.45 of the Revised Code or by the tax commissioner. In addition to the information required by the commissioner, each tax bill shall contain the following information:

(a) The taxes levied and the taxes charged and payable against the manufactured or mobile home;

(b) The following notice: "Notice: If the taxes are not
paid within sixty days after the county auditor delivers the
delinquent manufactured home tax list to the county treasurer,
you and your home may be subject to collection proceedings for
tax delinquency." Failure to provide such notice has no effect
upon the validity of any tax judgment to which a home may be
subjected.

under division (D) (2) of this section, the following additional
information:

(i) The effective tax rate. The words "effective tax rate"

reduction for residences occupied by the owner but the home is
not a residence occupied by the owner, the owner must notify the
county auditor's office not later than March 31 of the year for
which the taxes are due. Failure to do so may result in the
owner being convicted of a fourth degree misdemeanor, which is
punishable by imprisonment up to 30 days, a fine up to \$250, or
both, and in the owner having to repay the amount by which the
taxes were erroneously or illegally reduced, plus any interest
that may apply.

If the taxes charged against this home have not been
reduced by the 2-1/2 per cent tax reduction and the home is a
residence occupied by the owner, the home may qualify for the
tax reduction. To obtain an application for the tax reduction or
further information, the owner may contact the county auditor's
office at _____ (insert the address and telephone number of
the county auditor's office)."

(c) The annual tax has been paid on the home in this state 96939
for the current year. 96940

(d) The tax commissioner has determined, pursuant to 96941

from taxation, or would be exempt from taxation under Chapter 96943
5709. of the Revised Code if it were classified as real 96944
property. 96945

(2) A travel trailer or park trailer, as these terms are 96946
defined in section 4501.01 of the Revised Code, is not subject 96947

state, as provided in this section, on the first day of January, 96971
one-half of the amount of the tax is due and payable on or 96972

on or before the thirty-first day of July, next thereafter, or 96989
on or before the last day for payment as extended pursuant to 96990
section 4503.063 of the Revised Code, a like penalty shall be 96991
charged on the balance of the total amount of the unpaid current 96992
taxes. 96993

(b) After a valid delinquent tax contract that includes 96994
unpaid current taxes from a first-half collection period 96995
described in division (F) of this section has been entered into 96996
under section 323.31 of the Revised Code, no ten per cent 96997
penalty shall be charged against such taxes after the second- 96998
half collection period while the delinquent tax contract remains 96999
in effect. On the day a delinquent tax contract becomes void, 97000
the ten per cent penalty shall be charged against such taxes and 97001
shall equal the amount of penalty that would have been charged 97002
against unpaid current taxes outstanding on the date on which 97003
the second-half penalty would have been charged thereon under 97004
division (G)(1)(a) of this section if the contract had not been 97005
in effect. 97006

(2)(a) On the first day of the month following the last 97007
day the second installment of taxes may be paid without penalty 97008
beginning in 2000, interest shall be charged against and 97009
computed on all delinquent taxes other than the current taxes 97010

shall be for interest that accrued during the period that began 97013
on the preceding first day of December and ended on the last day 97014
of the month that included the last date such second installment 97015
could be paid without penalty. The interest shall be computed at 97016
the rate per annum prescribed by section 5703.47 of the Revised 97017
Code and shall be entered as a separate item on the delinquent 97018
manufactured home tax list compiled under division (H) of this 97019
section. 97020

(b) On the first day of December beginning in 2000, the 97021
interest shall be charged against and computed on all delinquent 97022
taxes. The charge shall be for interest that accrued during the 97023
period that began on the first day of the month following the 97024
last date prescribed for the payment of the second installment 97025
of taxes in the current year and ended on the immediately 97026
preceding last day of November. The interest shall be computed 97027
at the rate per annum prescribed by section 5703.47 of the 97028
Revised Code and shall be entered as a separate item on the 97029
delinquent manufactured home tax list. 97030

(c) After a valid undertaking has been entered into for 97031
the payment of any delinquent taxes, no interest shall be 97032
charged against such delinquent taxes while the undertaking 97033
remains in effect in compliance with section 323.31 of the 97034
Revised Code. If a valid undertaking becomes void, interest 97035
shall be charged against the delinquent taxes for the periods 97036
that interest was not permitted to be charged while the 97037
undertaking was in effect. The interest shall be charged on the 97038
day the undertaking becomes void and shall equal the amount of 97039
interest that would have been charged against the unpaid 97040
delinquent taxes outstanding on the dates on which interest 97041
would have been charged thereon under divisions (G) (1) and (2) 97042

of this section had the undertaking not been in effect. 97043

(3) If the full amount of the taxes due at either of the 97044
times prescribed by division (F) of this section is paid within 97045
ten days after such time, the county treasurer shall waive the 97046
collection of and the county auditor shall remit one-half of the 97047
penalty provided for in this division for failure to make that 97048
payment by the prescribed time. 97049

(4) The treasurer shall compile and deliver to the county 97050
auditor a list of all tax payments the treasurer has received as 97051
provided in division (G)(3) of this section. The list shall 97052
include any information required by the auditor for the 97053
remission of the penalties waived by the treasurer. The taxes so 97054
collected shall be included in the settlement next succeeding 97055
the settlement then in process. 97056

(H)(1) The county auditor shall compile annually a 97057
"delinquent manufactured home tax list" consisting of homes the 97058
county treasurer's records indicate have taxes that were not 97059
paid within the time prescribed by divisions (D)(3) and (F) of 97060
this section, have taxes that remain unpaid from prior years, or 97061
have unpaid tax penalties or interest that have been assessed. 97062

(2) Within thirty days after the settlement under division 97063
(H)(2) of section 321.24 of the Revised Code, the county auditor 97064
shall deliver a copy of the delinquent manufactured home tax 97065
list to the county treasurer. The auditor shall update and 97066
publish the delinquent manufactured home tax list annually in 97067
the same manner as delinquent real property tax lists are 97068
published. The county auditor may apportion the cost of 97069
publishing the list among taxing districts in proportion to the 97070
amount of delinquent manufactured home taxes so published that 97071
each taxing district is entitled to receive upon collection of 97072

those taxes, or the county auditor may charge the owner of a 97073
home on the list a flat fee established under section 319.54 of 97074
the Revised Code for the cost of publishing the list and, if the 97075
fee is not paid, may place the fee upon the delinquent 97076
manufactured home tax list as a lien on the listed home, to be 97077
collected as other manufactured home taxes. 97078

(3) When taxes, penalties, or interest are charged against 97079
a person on the delinquent manufactured home tax list and are 97080
not paid within sixty days after the list is delivered to the 97081
county treasurer, the county treasurer shall, in addition to any 97082
other remedy provided by law for the collection of taxes, 97083
penalties, and interest, enforce collection of such taxes, 97084
penalties, and interest by civil action in the name of the 97085
treasurer against the owner for the recovery of the unpaid taxes 97086
following the procedures for the recovery of delinquent real 97087
property taxes in sections 323.25 to 323.28 of the Revised Code. 97088
The action may be brought in municipal or county court, provided 97089
the amount charged does not exceed the monetary limitations for 97090
original jurisdiction for civil actions in those courts. 97091

It is sufficient, having made proper parties to the suit, 97092
for the county treasurer to allege in the treasurer's bill of 97093
particulars or petition that the taxes stand chargeable on the 97094
books of the county treasurer against such person, that they are 97095
due and unpaid, and that such person is indebted in the amount 97096
of taxes appearing to be due the county. The treasurer need not 97097
set forth any other matter relating thereto. If it is found on 97098
the trial of the action that the person is indebted to the 97099
state, judgment shall be rendered in favor of the county 97100
treasurer prosecuting the action. The judgment debtor is not 97101
entitled to the benefit of any law for stay of execution or 97102
exemption of property from levy or sale on execution in the 97103

enforcement of the judgment.

97104

Upon the filing of an entry of confirmation of sale or an order of forfeiture in a proceeding brought under this division, title to the manufactured or mobile home shall be in the purchaser. The clerk of courts shall issue a certificate of title to the purchaser upon presentation of proof of filing of the entry of confirmation or order and, in the case of a forfeiture, presentation of the county auditor's certificate of sale.

(I) The total amount of taxes collected shall be distributed in the following manner: four per cent shall be allowed as compensation to the county auditor for the county auditor's service in assessing the taxes; two per cent shall be allowed as compensation to the county treasurer for the services the county treasurer renders as a result of the tax levied by this section. Such amounts shall be paid into the county treasury, to the credit of the county general revenue fund, on the warrant of the county auditor. (J) An agreement to purchase or a bill of sale for a 97136
manufactured home shall show whether or not the furnishings and 97137
equipment are included in the purchase price. 97138

(K) If the county treasurer and the county prosecuting 97139
attorney agree that an item charged on the delinquent 97140
manufactured home tax list is uncollectible, they shall certify 97141
that determination and the reasons to the county board of 97142
revision. If the board determines the amount is uncollectible, 97143
it shall certify its determination to the county auditor, who 97144
shall strike the item from the list. 97145

(L) (1) The county auditor shall appraise at its true value 97146
any manufactured or mobile home in which ownership is 97147
transferred or which first acquires situs in this state on or 97148
after January 1, 2000, and any manufactured or mobile home the 97149
owner of which has elected, under division (D) (4) of this 97150
section, to have the home taxed under division (D) (2) of this 97151
section. The true value shall include the value of the home, any 97152
additions, and any fixtures, but not any furnishings in the 97153
home. In determining the true value of a manufactured or mobile 97154
home, the auditor shall consider all facts and circumstances 97155
relating to the value of the home, including its age, its 97156
capacity to function as a residence, any obsolete 97157
characteristics, and other factors that may tend to prove its 97158
true value. 97159

(2) (a) If a manufactured or mobile home has been the 97160
subject of an arm's length sale between a willing seller and a 97161
willing buyer within a reasonable length of time prior to the 97162
determination of true value, the county auditor shall consider 97163
the sale price of the home to be the true value for taxation 97164

purposes. 97165

(b) The sale price in an arm's length transaction between 97166
a willing seller and a willing buyer shall not be considered the 97167
true value of the home if either of the following occurred after 97168
the sale: 97169

(i) The home has lost value due to a casualty. 97170

(ii) An addition or fixture has been added to the home. 97171

(3) The county auditor shall have each home viewed and 97172
appraised at least once in each six-year period in the same year 97173
in which real property in the county is appraised pursuant to 97174
Chapter 5713. of the Revised Code, and shall update the 97175
appraised values in the third calendar year following the 97176
appraisal. The person viewing or appraising a home may enter the 97177
home to determine by actual view any additions or fixtures that 97178
have been added since the last appraisal. In conducting the 97179
appraisals and establishing the true value, the auditor shall 97180
follow the procedures set forth for appraising real property in 97181
sections 5713.01 and 5713.03 of the Revised Code. 97182

(4) The county auditor shall place the true value of each 97183
home on the manufactured home tax list upon completion of an 97184
appraisal. 97185

(5) (a) If the county auditor changes the true value of a 97186
home, the auditor shall notify the owner of the home in writing, 97187
delivered by mail or in person. The notice shall be given at 97188
least thirty days prior to the issuance of any tax bill that 97189
reflects the change. Failure to receive the notice does not 97190
invalidate any proceeding under this section. 97191

(b) Any owner of a home or any other person or party that 97192
would be authorized to file a complaint under division (A) of 97193

section 5715.19 of the Revised Code if the home was real 97194
property may file a complaint against the true value of the home 97195
as appraised under this section. The complaint shall be filed 97196
with the county auditor on or before the thirty-first day of 97197
March of the current tax year or the date of closing of the 97198
collection for the first half of manufactured home taxes for the 97199
current tax year, whichever is later. The auditor shall present 97200
to the county board of revision all complaints filed with the 97201
auditor under this section. The board shall hear and investigate 97202
the complaint and may take action on it as provided under 97203
sections 5715.11 to 5715.19 of the Revised Code. 97204

(c) If the county board of revision determines, pursuant 97205
to a complaint against the valuation of a manufactured or mobile 97206
home filed under this section, that the amount of taxes, 97207
assessments, or other charges paid was in excess of the amount 97208
due based on the valuation as finally determined, then the 97209
overpayment shall be refunded in the manner prescribed in 97210
section 5715.22 of the Revised Code. 97211

(d) Payment of all or part of a tax under this section for 97212
any year for which a complaint is pending before the county 97213
board of revision does not abate the complaint or in any way 97214
affect the hearing and determination thereof. 97215

(M) If the county auditor determines that any tax or other 97216
charge or any part thereof has been erroneously charged as a 97217
result of a clerical error as defined in section 319.35 of the 97218
Revised Code, the county auditor shall call the attention of the 97219
county board of revision to the erroneous charges. If the board 97220
finds that the taxes or other charges have been erroneously 97221
charged or collected, it shall certify the finding to the 97222
auditor. Upon receipt of the certification, the auditor shall 97223

remove the erroneous charges on the manufactured home tax list 97224
or delinquent manufactured home tax list in the same manner as 97225
is prescribed in section 319.35 of the Revised Code for 97226
erroneous charges against real property, and refund any 97227
erroneous charges that have been collected, with interest, in 97228
the same manner as is prescribed in section 319.36 of the 97229
Revised Code for erroneous charges against real property. 97230

(N) As used in this section and section 4503.061 of the 97231
Revised Code: 97232

(1) "Manufactured home taxes" includes taxes, penalties, 97233
and interest charged under division (C) or (G) of this section 97234
and any penalties charged under division (G) or (H) (5) of 97235
section 4503.061 of the Revised Code. 97236

(2) "Current taxes" means all manufactured home taxes 97237
charged against a manufactured or mobile home that have not 97238
appeared on the manufactured home tax list for any prior year. 97239
Current taxes become delinquent taxes if they remain unpaid 97240
after the last day prescribed for payment of the second 97241
installment of current taxes without penalty, whether or not 97242
they have been certified delinquent. 97243

(3) "Delinquent taxes" means: 97244

(a) Any manufactured home taxes that were charged against 97245
a manufactured or mobile home for a prior year, including any 97246
penalties or interest charged for a prior year and the costs of 97247
publication under division (H) (2) of this section, and that 97248
remain unpaid; 97249

(b) Any current manufactured home taxes charged against a 97250
manufactured or mobile home that remain unpaid after the last 97251
day prescribed for payment of the second installment of current 97252

taxes without penalty, whether or not they have been certified 97253
delinquent, including any penalties or interest and the costs of 97254
publication under division (H) (2) of this section. 97255

Sec. 4503.0610. (A) If a board of county commissioners 97256
adopts a resolution granting a partial real property tax 97257
exemption under section 323.158 of the Revised Code, it also 97258
shall adopt a resolution under this section granting a partial 97259
manufactured home tax exemption. The partial exemption shall 97260
take the form of a reduction each year in the manufactured home 97261
tax charged against each manufactured home in the county under 97262
section 4503.06 of the Revised Code, by the same percentage by 97263
which real property taxes were reduced for the preceding year in 97264
the resolution adopted under section 323.158 of the Revised 97265
Code. Upon adopting the resolution under this section, the board 97266
shall certify copies of it to the county auditor and the tax 97267
commissioner. 97268

(B) After complying with sections 319.304, 4503.06, and 97269
4503.065 of the Revised Code, the county auditor shall reduce 97270
the remaining sum to be levied against a manufactured home by 97271
the percentage called for in the resolution adopted under 97272
division (A) of this section. The auditor shall certify the 97273
amount of tax remaining after the reduction to the county 97274
treasurer for collection as the manufactured home tax charged 97275
and payable on the manufactured home. 97276

(C) For each tax year, the county auditor shall certify to 97277
the board of county commissioners the total amount by which 97278
manufactured home taxes are reduced under this section. At the 97279
time of each semi-annual distribution of manufactured home taxes 97280
in the county, the board shall pay to the auditor one-half of 97281
that total amount. Upon receipt of the payment, the auditor 97282

shall distribute it among the various taxing districts in the 97283
county as though it had been levied and collected as 97284
manufactured home taxes. The board shall make the payment from 97285
the county general fund or from any other county revenue that 97286
may be used for that purpose. 97287

(D) If a board of county commissioners repeals a 97288
resolution adopted under section 323.158 of the Revised Code, it 97289
also shall repeal the resolution adopted under this section. 97290

Sec. 4503.0611. Whenever it is made to appear to the 97291
county auditor, based on inspection by the county auditor or 97292
based on notice provided to the county auditor, on a form 97293
prescribed by the department of taxation, by an owner of the 97294
manufactured home or two disinterested persons who are residents 97295
of the township or municipal corporation in which the 97296
manufactured home is or was situated, that the home is subject 97297
to taxation for the current year under section 4503.06 of the 97298
Revised Code and has been destroyed or injured after the first 97299
day of January of the current year, the county auditor shall 97300
investigate the matter, and shall refund or waive the payment of 97301
the current year's taxes on such home as prescribed by divisions 97302
(A) and (B) of this section. Such notice may also be provided by 97303
the manufactured home park operator, as defined in section 97304
4781.01 of the Revised Code, if applicable, provided the notice 97305
is accompanied by photographic evidence. If a form has not been 97306
filed with the county auditor by ~~either an owner, manufactured~~ 97307
home park operator, or two disinterested persons but it appears 97308
to the county auditor, based on an inspection and investigation, 97309
that the owner's manufactured home is subject to taxation for 97310
the current year under section 4503.06 of the Revised Code and 97311
has been destroyed or injured after the first day of January of 97312
the current year, the auditor may complete the form on behalf of 97313

an owner. 97314

To obtain a deduction under this section, an owner, 97315
manufactured home park operator, or two disinterested persons 97316
shall file the form with the county auditor, or the county 97317
auditor shall complete the form on behalf of an owner, not later 97318
than the thirty-first day of January of the year after the year 97319
in which the manufactured home was injured or destroyed. 97320

(A) If the auditor determines the injury or destruction 97321
occurred during the first half of the calendar year, the auditor 97322
shall deduct from the taxes payable on the manufactured home for 97323
the current year an amount that, in the county auditor's 97324
judgment, bears the same ratio to those taxes as the extent of 97325
the injury or destruction bears to the cost or market value of 97326
the manufactured home. The auditor shall draw a warrant on the 97327
county treasurer to refund that amount. If the taxes have not 97328
been paid at the time of the auditor's determination, the 97329
auditor may waive the payment of the portion of the tax that 97330
would otherwise be refunded under this division. 97331

(B) If the auditor determines the injury or destruction 97332
occurred during the second half of the calendar year, the 97333
auditor shall deduct from the taxes payable on the manufactured 97334
home for the current year one-half of the amount that, in the 97335
county auditor's judgment, bears the same ratio to those taxes 97336
as the extent of the injury or destruction bears to the cost or 97337
market value of the manufactured home. The auditor shall draw a 97338
warrant on the county treasurer to refund that amount. If the 97339
taxes have not been paid at the time of the auditor's 97340
determination, the auditor may waive the payment of the portion 97341
of the tax that would otherwise be refunded under this division. 97342

(C) Taxes refunded under this section shall be paid from 97343

the county undivided general property tax fund. 97344

Sec. 4503.10. (A) The owner of every snowmobile, off- 97345
highway motorcycle, and all-purpose vehicle required to be 97346
registered under section 4519.02 of the Revised Code shall file 97347
an application for registration under section 4519.03 of the 97348
Revised Code. The owner of a motor vehicle, other than a 97349
snowmobile, off-highway motorcycle, or all-purpose vehicle, that 97350
is not designed and constructed by the manufacturer for 97351
operation on a street or highway may not register it under this 97352
chapter except upon certification of inspection pursuant to 97353
section 4513.02 of the Revised Code by the sheriff, or the chief 97354
of police of the municipal corporation or township, with 97355
jurisdiction over the political subdivision in which the owner 97356
of the motor vehicle resides. Except as provided in sections 97357
4503.103 and 4503.107 of the Revised Code, every owner of every 97358
other motor vehicle not previously described in this section and 97359
every person mentioned as owner in the last certificate of title 97360

deputy registrar, a written or electronic application or a 97364

4503.102 of the Revised Code, the form of which shall be 97366
prescribed by the registrar, for registration for the following 97367
registration year, which shall begin on the first day of January 97368
of every calendar year and end on the thirty-first day of 97369
December in the same year. Applications for registration and 97370
registration renewal notices shall be filed at the times 97371
established by the registrar pursuant to section 4503.101 of the 97372
Revised Code. A motor vehicle owner also may elect to apply for 97373
or renew a motor vehicle registration by electronic means using 97374

electronic signature in accordance with rules adopted by the 97375
registrar. Except as provided in division (J) of this section, 97376
applications for registration shall be made on blanks furnished 97377
by the registrar for that purpose, containing the following 97378

for registration shall be signed by the owner, either manually 97406
or by electronic signature, or pursuant to obtaining a limited 97407

the registrar of the amounts so deposited, together with any 97585

the director and the treasurer of state, may prescribe. The 97602

an application for a motor vehicle license directly to the 97605
registrar by mail, by electronic means, or in person at any of 97606
the registrar's offices, upon payment of a service fee equal to 97607

Code. 97627

(2) (a) The registrar shall adopt rules ensuring that each 97628
owner registering a motor vehicle in a county where a motor 97629

section 3704.14 of the Revised Code and rules adopted under it 97631
receives information about the requirements established in that 97632
section and those rules and about the need in those counties to 97633
present an inspection certificate or an alternative emissions 97634
certificate with an application for registration or 97635
preregistration. 97636

(I) For purposes of this section, "owner" does not include 100155
a licensed motor vehicle leasing dealer as defined in section 100156
4517.01 of the Revised Code, but does include a motor vehicle 100157

renting dealer as defined in section 4549.65 of the Revised 100158
Code. Nothing in this section or in section 4509.51 of the 100159
Revised Code shall be construed to prohibit a motor vehicle 100160
renting dealer from entering into a contractual agreement with a 100161
person whereby the person renting the motor vehicle agrees to be 100162
solely responsible for maintaining proof of financial 100163
responsibility, in accordance with this section, with respect to 100164
the operation, maintenance, or use of the motor vehicle during 100165
the period of the motor vehicle's rental. 100166

(J) The purpose of this section is to require the 100167
maintenance of proof of financial responsibility with respect to 100168
the operation of motor vehicles on the highways of this state, 100169
so as to minimize those situations in which persons are not 100170
compensated for injuries and damages sustained in motor vehicle 100171
accidents. The general assembly finds that this section contains 100172
reasonable civil penalties and procedures for achieving this 100173
purpose. 100174

(K) Nothing in this section shall be construed to be 100175
subject to section 4509.78 of the Revised Code. 100176

(L) (1) The registrar may terminate any suspension imposed 100177
under this section and not require the owner to comply with 100178
division (A) (5) of this section if the registrar with or without 100179
a hearing determines that the owner of the vehicle has 100180
established by clear and convincing evidence that all of the 100181
following apply: 100182

(a) The owner customarily maintains proof of financial 100183
responsibility. 100184

(b) Proof of financial responsibility was not in effect 100185
for the vehicle on the date in question for one of the following 100186

reasons: 100187

(i) The vehicle was inoperable. 100188

(ii) The vehicle is operated only seasonally, and the date 100189
in question was outside the season of operation. 100190

(iii) A person other than the vehicle owner or driver was 100191
at fault for the lapse of proof of financial responsibility 100192
through no fault of the owner or driver. 100193

(iv) The lapse of proof of financial responsibility was 100194
caused by excusable neglect under circumstances that are not 100195
likely to recur and do not suggest a purpose to evade the 100196
requirements of this chapter. 100197

(2) The registrar may grant an owner or driver relief for 100198
a reason specified in division (L)(1)(b)(iii) or (iv) of this 100199
section only if the owner or driver has not previously been 100200
granted relief under division (L)(1)(b)(iii) or (iv) of this 100201
section. 100202

(M) The registrar shall adopt rules in accordance with 100203
Chapter 119. of the Revised Code that are necessary to 100204
administer and enforce this section. The rules shall include 100205
provisions relating to acceptable forms of proof of financial 100206
responsibility, the use of an electronic wireless communications 100207
device to present proof of financial responsibility, and 100208
verification of the existence of financial responsibility during 100209
the period of registration. 100210

(N) (1) When a person utilizes an electronic wireless 100211
communications device to present proof of financial 100212
responsibility, only the evidence of financial responsibility 100213
displayed on the device shall be viewed by the registrar, peace 100214
officer, employee or official of the traffic violations bureau, 100215

or the court. No other content of the device shall be viewed for 100216
purposes of obtaining proof of financial responsibility. 100217

(2) When a person provides an electronic wireless 100218
communications device to the registrar, a peace officer, an 100219
employee or official of a traffic violations bureau, or the 100220
court, the person assumes the risk of any resulting damage to 100221
the device unless the registrar, peace officer, employee, or 100222
official, or court personnel purposely, knowingly, or recklessly 100223
commits an action that results in damage to the device. 100224

Sec. 4509.70. (A) After consultation with the insurance 100225
companies authorized to issue automobile liability or physical 100226
damage policies, or both, in this state, the superintendent of 100227
insurance shall approve a reasonable plan, fair and equitable to 100228
the insurers and to their policyholders, for the apportionment 100229
among such companies of applicants for such policies and for 100230
motor-vehicle liability policies who are in good faith entitled 100231
to but are unable to procure such policies through ordinary 100232
methods. When any such plan has been approved by the 100233
superintendent, all such insurance companies shall subscribe and 100234
participate. Any applicant for such policy, any person insured 100235
under such plan of operation, and any insurance company 100236
affected, may appeal to the superintendent of insurance from any 100237
ruling or decision of the manager or committee designated in the 100238

act of the superintendent under this section is subject to 100240
review as provided in sections 119.01 to 119.13 of the Revised 100241
Code, at the instance of any party in interest. 100242

(B) The plan described in division (A) of this section may 100243
permit the assigned risk insurance plan to directly issue and 100244
process claims arising from such policies described in division 100245

(A) of this section to applicants of automobile insurance 100246
policies who are in good faith entitled to but are unable to 100247
procure such policies through ordinary methods. 100248

(C) Every form of a policy, endorsement, rider, manual of 100249
classifications, rules, and rates, every rating plan, and every 100250
modification of any of them proposed to be used by the assigned 100251
risk insurance plan shall be filed, or the plan may satisfy its 100252
obligation to make such filings, as described in section 3937.03 100253
of the Revised Code. 100254

(D) Any automobile insurance policy issued by the assigned 100255
risk insurance plan under division (B) of this section: 100256

(1) Shall be recognized as if issued by an insurance 100257
company authorized to do business in this state; 100258

(2) Shall meet all requirements of proof of financial 100259
responsibility as described in division (K) of section 4509.01 100260
of the Revised Code. 100261

(G) (1) (a) or (b) of section 4509.101 of the Revised Code shall 100265
be recognized as if issued by an insurance company authorized to 100266
do business in this state to demonstrate proof of financial 100267
responsibility under section 4509.101 of the Revised Code. 100268

(F) The assigned risk insurance plan designated in 100269
division (A) of this section shall do both of the following: 100270

(1) Make annual audited financial reports available to the 100271
superintendent of insurance promptly upon the completion of such 100272
audit; 100273

superintendent of insurance all books and records relating to 100275
the insurance transactions of the assigned risk insurance plan. 100276

(G) (1) Except as provided in division (G) (2) of this 100277
section, records created, held by, or pertaining to the assigned 100278
risk insurance plan are not public records under section 149.43 100279
of the Revised Code, are confidential, and are not subject to 100280
inspection or disclosure. 100281

(2) Division (G) (1) of this section does not apply to the 100282

prohibited from release by law. 100285

(H) (1) For the purposes of division (H) of this section, 100286
"insurance agent" has the same meaning as in section 3905.01 of 100287
the Revised Code. 100288

(2) Provided that the assigned risk insurance plan 100289
establishes registration procedures for insurance agents under 100290
division (H) (3) of this section, the plan shall not accept an 100291
application for an automobile insurance policy issued under 100292
division (B) of this section unless that application is 100293
submitted through an insurance agent registered in accordance 100294
with those procedures. 100295

(3) The plan may do all of the following: 100296

(a) Establish procedures to register insurance agents; 100297

(4) If an insurance agent is denied registration with the 100303
plan, or the insurance agent's registration is revoked, the plan 100304
may notify the superintendent of the plan's decision. The plan 100305
and manager are immune from civil liability for any decision to 100306
deny or revoke registration and from any decision to report 100307
denials or revocations to the superintendent. 100308

(5) All insurance agents submitting applications to the 100309

insurance is unable to obtain coverage through an insurer 100316
authorized to do business in this state. 100317

(b) For the purposes of this section, due diligence 100318
requires an insurance agent to contact at least five of the 100319
authorized insurers the agent represents or, if the agent does 100320
not represent five authorized insurers that customarily write 100321
automobile insurance coverage, as many of such insurers as the 100322
agent represents. 100323

(c) An insurance agent may assume that insurance coverage 100324
cannot be procured for the applicant through ordinary methods 100325
after each insurer contacted under division (H) (6) (b) of this 100326
section declines to provide coverage. 100327

(d) An insurance agent may assume that an authorized 100328
insurer declines to provide coverage to the applicant seeking 100329
insurance upon either of the following: 100330

<u>(ii) Receiving no response from the insurer within ten</u>	100332
<u>days after the date the insurance agent initially makes contact</u>	100333
<u>with the insurer.</u>	100334

and recall obligations of diagnosing, repairing, and servicing 101563
motor vehicles, including all parts and components manufactured 101564

(B) Each franchisor shall compensate each of its 101566

recall obligations of diagnostic, repair-and, servicing, 101568
updates to vehicle accessories or functions, and initialization 101569
or repair of vehicle parts, systems, accessories, or functions 101570
at rates not less than the rates charged by the franchisee to 101571
its retail customers for warranty-like diagnosis, labor, and 101572
parts for nonwarranty work. A-Diagnostic work includes the time 101573
spent by a technician, who meets the franchisor's qualifications 101574
and requirements for the repair work, communicating with the 101575
franchisor's technical assistance or external franchisor source 101576
in order to complete a warranty repair. 101577

A franchisee, other than a franchisee that deals in 101578
recreational vehicles, may establish rates of compensation for 101579
labor performed and parts used by the franchisee for purposes of 101580
this section if all of the following apply: 101581

(1) The franchisee submits to the franchisor either of the 101582

following: 101583

(b) All service repair orders for warranty-like repairs, 101587
that have been paid by a customer and closed by the time of 101588
submission, for a period of ninety consecutive days. 101589

A franchisee either may submit a set of repair orders for 101590
purposes of calculating both its retail labor rate and its 101591
retail parts markup percentage, or may submit separate sets of 101592
repair orders for purposes of calculating its retail labor rate 101593
and its retail parts markup percentage separately. The repair 101594
orders submitted under division (B) (1) (a) or (b) of this section 101595
must be from a period occurring not more than one hundred eighty 101596
days before the submission. 101597

Subject to division (C) (3) of this section, if a 101598
franchisor determines from any set of repair orders submitted 101599
under this section that the retail labor rate or parts markup 101600
percentage calculated under division (B) (2) or (3) of this 101601
section is substantially higher or lower than the rate currently 101602
on record with the franchisor for labor or parts, the franchisor 101603
may request additional documentation for a period of either 101604
~~ninety-sixty~~ days prior to or ~~ninety-sixty~~ days subsequent to 101605
the time period for which the repair orders were submitted for 101606
purposes of an alteration. 101607

(2) The franchisee calculates its retail labor rate by 101608
determining the franchisee's total labor sales from the service 101609
repair orders submitted under division (B) (1) of this section 101610
and dividing that amount by the total number of labor hours that 101611

generated those sales. 101612

(3) The franchisee calculates its retail parts markup 101613
percentage by determining the franchisee's total parts sales 101614
from the service repair orders submitted under division (B) (1) 101615
of this section and dividing that amount by the franchisee's 101616
total cost for the purchase of those parts, subtracting one from 101617
that amount, and then multiplying the amount by one hundred. 101618

(4) In calculating the retail labor rate in division (B) 101619
(2) of this section and the retail parts markup percentage in 101620
division (B) (3) of this section, the franchisee omits charges 101621
for any of the following from the calculation: 101622

(a) Manufacturer or distributor special events, specials, 101623
or promotional discounts for retail customer repairs; 101624

(b) Parts sold, or repairs performed, at wholesale; 101625

customer warranty, including the replacement of fluids, filters, 101627

hazard, the force of the elements, vandalism, theft, or operator 101634
negligence; 101635

(h) Parts sold or repairs performed for insurance 101636
carriers; 101637

(i) Vehicle emission or safety inspections required by 101638

law; 101639

(j) Goodwill or policy repairs or replacements; 101640

(k) Repairs for which volume discounts have been 101641
negotiated with government agencies or insurance carriers; 101642

(l) Repairs performed on vehicles from a different line- 101643
make; 101644

(m) Replacement of tires or related elements. 101645

(5) The franchisee provides notice of its retail labor 101646
rate and retail parts markup percentage calculated in accordance 101647
with this section to the franchisor. 101648

(C) (1) A franchisor may contest the retail labor rate or 101649
retail parts markup percentage that was calculated by the 101650
franchisee under division (B) of this section within thirty days 101651
after receiving notice from the franchisee. If the franchisor 101652
seeks to contest the retail labor rate or retail parts markup 101653
percentage, the franchisor shall notify the franchisee that the 101654
franchisor believes the rate or markup percentage is materially 101655
~~inaccurate or substantially different than that of other~~ 101656
~~similarly situated, same line make new motor vehicle dealers in~~ 101657
~~the vicinity,~~ provide a full explanation of the reasons the 101658
franchisor disagrees with the rate or markup percentage, provide 101659
evidence substantiating the franchisor's position, and propose 101660
an adjustment of the contested rate or markup percentage. The 101661
franchisor shall not modify its notice to the franchisee or its 101662
grounds for contesting the rate or markup percentage after 101663
submitting a notice to the franchisee under division (C) (1) of 101664
this section. 101665

(2) If the franchisor does not contest the rate or markup 101666
percentage that was calculated by the franchisee under division 101667

(B) of this section within thirty days after receiving notice of 101668
the rate or markup percentage from the franchisee, the 101669
uncontested rate or markup percentage takes effect. The 101670
franchisor then shall use the rate and markup percentage to 101671
determine compensation for any warranty and recall work and 101672
service performed by the franchisee until the rate or markup 101673
percentage is modified. 101674

(3) If the franchisor contests a rate or markup percentage 101675
established by the franchisee under division (B) of this 101676
section, the franchisor and franchisee shall resolve the 101677
disagreement through the franchisor's internal dispute 101678
resolution process. However, the franchisee may appeal a 101679
determination made as part of the dispute resolution process to 101680
a court of competent jurisdiction. Any rate or markup percentage 101681
established either through an internal dispute resolution 101682
process or by a court as part of an appeal under this section 101683
shall be applied retroactively to govern reimbursement for labor 101684
or parts, as applicable, beginning thirty days after the date 101685
the franchisee submitted the disputed rate or markup percentage 101686
under division (B) of this section. 101687

(4) A franchisee shall not establish or modify a retail 101688
labor rate or retail parts markup percentage more frequently 101689
than once per calendar year. 101690

(D) When calculating the compensation that must be 101691
provided to a franchisee for labor and parts used to fulfill 101692
warranty and recall obligations under this section, all of the 101693
following apply: 101694

(1) The franchisor shall use time allowances for the 101695
diagnosis and performance of the warranty and recall work and 101696
service that are reasonable and adequate for the work or 101697

services to be performed by a qualified technician. 101698

(2) The franchisor shall use any retail labor rate and any 101699
retail parts markup percentage established in accordance with 101700
this section in calculating the compensation. 101701

(3) If the franchisor provided a part or component to the 101702
franchisee at a reduced cost or no cost to use in performing 101703
repairs under a recall, campaign service action, or warranty 101704
repair, the franchisor shall provide to the franchisee an amount 101705
equal to the retail parts markup for that part or component, 101706
which shall be calculated by multiplying the dealer cost for the 101707
part or component as listed in the franchisor's price schedule 101708
by the retail parts markup percentage. 101709

(4) A franchisor shall not assess penalties, surcharges, 101710
or similar costs to a franchisee, transfer or shift any costs to 101711
a franchisee, limit allocation of vehicles or parts to a 101712
franchisee, or otherwise take retaliatory action against a 101713
franchisee based on any franchisee's exercise of its rights 101714
under this section. It is the burden of the franchisee to prove 101715
any claims under division (D) (4) of this section by a 101716
preponderance of the evidence. Nothing in this section prohibits 101717
a franchisor from increasing the price of a vehicle or part in 101718
the normal course of business. 101719

(5) A franchisor shall fully reimburse a franchisee for 101720
the cost of any rental vehicle provided to a customer when the 101721
rental is required, offered, advertised as available, or 101722
otherwise agreed to by the franchisor. The franchisor shall not 101723
deny or reduce the reimbursement to the franchisee because the 101724
franchisee is unable to provide a specific type of vehicle, 101725
including a particular line-make, size, or category of vehicle. 101726

(E) A franchisor shall not require a franchisee to 101727
establish a retail labor rate or retail parts markup percentage 101728
using any method that is unduly burdensome or time consuming, or 101729
require the use of information that is unduly burdensome or time 101730
consuming to obtain, including part-by-part or transaction-by- 101731
transaction calculations or utilization of the franchisee's 101732
financial statement. Further, no franchisor shall unilaterally 101733
calculate a retail labor rate or retail parts markup percentage 101734
for a franchisee. 101735

Divisions (A), (C), (D), and (E) of this section do not 101736
apply to franchisors or franchisees who deal in recreational 101737
vehicles. Division (B) of this section as it pertains to 101738
diagnostic work does not apply to franchisors or franchisees who 101739
deal in recreational vehicles. 101740

Sec. 4517.521. (A) As used in this section: 101741

(1) "Stop-sale or do-not-drive order" means a notification 101742
issued by a motor vehicle manufacturer to its franchised motor 101743
vehicle dealers stating that certain used motor vehicles in 101744
inventory shall not be sold, either at retail or wholesale, 101745
leased, or driven due to a federal safety recall or a federal or 101746
state emissions recall. 101747

(2) "Average trade-in value" means the approximate 101748
monetary value for a used motor vehicle that is indicated in an 101749
independent third-party guide, based on the year, make, and 101750
model of a vehicle. 101751

(B) (1) Pursuant to division (B) (2) of this section, a 101752
franchisor shall compensate a franchisee of not less than one 101753
and twenty-five hundredths per cent of the average trade-in 101754
value for a used motor vehicle that is the subject of a stop- 101755

sale or do-not-drive order if both of the following apply: 101756

(a) The franchisee is authorized to sell or perform recall 101757
repairs on motor vehicles that are the same line-make as the 101758
subject motor vehicle; 101759

(b) The parts or remedy that are necessary to perform the 101760
recall service or repair on the subject motor vehicle are not 101761
reasonably available to perform that service or repair within 101762
thirty days of the franchisor issuing the recall notice and 101763
associated stop-sale or do-not-drive order. 101764

(2) The compensation described in division (B) (1) of this 101765
section shall be paid per month, or prorated for a portion of 101766
the month. The compensation shall commence on the thirtieth day 101767
after the recall notice and stop-sale or do-not-drive order was 101768
issued. The compensation shall end on the earlier of the 101769
following dates: 101770

(a) The date that the remedy or repair parts that are 101771
necessary to resolve the recall notice and stop-sale or do-not- 101772
drive order are available to the franchisee for the subject 101773
motor vehicle; 101774

(b) The franchisee sells, trades, or otherwise disposes of 101775
the subject motor vehicle. 101776

(3) A franchisor is not required to compensate a 101777
franchisee for more than the total average trade-in value of the 101778
subject motor vehicle. 101779

(C) Division (B) of this section does not apply to motor 101780
vehicles purchased by a franchisee after the date the recall 101781
notice or stop-sale or do-not-drive order was issued or to motor 101782
vehicles that were purchased outside of the ordinary course of 101783
business. 101784

(D) A franchisor may compensate a franchisee under a 101785
national recall compensation program if the compensation under 101786
that program equals or exceeds the compensation specified in 101787
division (B) of this section or per any agreement between the 101788
franchisor and franchisee. 101789

(E) A franchisor shall not attempt to recover all or any 101790
other portion of its costs for compensating a franchisee in 101791
accordance with this section either through a reduction in the 101792
amount due to a franchisee or through a separate charge, 101793
surcharge, or other imposition related to the costs of recalled 101794
vehicles, parts, diagnostic work, or other services. Nothing in 101795
division (E) of this section prohibits a franchisor from 101796
changing its prices in the ordinary course of business or 101797
prohibits a franchisor from charging back a franchisee for an 101798
unnecessary or improperly performed repair. 101799

(F) A franchisor may determine the manner and method in 101800
which a franchisee demonstrates the inventory status of a motor 101801
vehicle that is eligible for compensation in accordance with 101802
this section. The manner, method, and type of information 101803
required shall not be unduly burdensome for the franchisee. 101804

(G) Any remedy provided to a franchisee in accordance with 101805
this section shall be the exclusive remedy provided to that 101806
franchisee for compensation related to a used motor vehicle that 101807
is the subject of a stop-sale or do-not-drive order. A remedy 101808
provided in accordance with this section shall not be combined 101809
with any other state or federal recall compensation remedy for 101810
used motor vehicles subject to a stop-sale or do-not-drive 101811
order. 101812

(H) This section does not apply to franchisors or 101813
franchisees who deal in recreational vehicles. 101814

Sec. 4517.60. Notwithstanding the terms, conditions, or 101815
provisions of any franchise, or the date such franchise was 101816

Sec. 4582.024. After a port authority has been created, 101910
any municipal corporation, township, or county, acting by 101911
ordinance, resolution of the township trustees, or resolution of 101912
the county commissioners, respectively, which is contiguous to 101913

time and is contiguous to such port authority, or any county 101916
within which such port authority is situated, may join such port 101917

port authority shall include such municipal corporation, county, 101919

jurisdiction and territory of a port authority shall, on such 101926

municipality, the political subdivision or subdivisions 101931
theretofore comprising such port authority shall agree upon the 101932

such political subdivision or subdivisions shall be considered 101936
to have participated in the creation of such port authority, 101937
except that the initial term of any director of the port 101938

directors of the port authority shall by resolution either 101943

including a county within which such port authority is located, 101947
are to be joined has authority under section 4582.14 of the 101948

then such joinder shall not be effective until approved by the 101950
affirmative vote of a majority of the electors voting on the 101951

is to be joined to the port authority, then the electors of such 101953
subdivision shall vote as a district and the majority 101954
affirmative vote shall be determined by the vote cast in such 101955
district as a whole. 101956

If a tax on property is to be levied, the board of 101957
directors of the port authority and the county auditor shall 101958
proceed in the same manner as required for a tax levy under 101959
section 5705.03 of the Revised Code, except that the levy's 101960
annual collections shall be estimated assuming that the 101961
additional subdivision or subdivisions have joined the port 101962
authority. 101963

The election shall be called by the board of directors of 101964
the port authority and shall be held, canvassed, and certified 101965

in the manner provided for the submission of tax levies under 101966
section 5705.191 of the Revised Code except that the question 101967
appearing on the ballot shall read: 101968

county auditor estimates will collect \$_____ annually, at a rate 101973

not exceeding 101974

_____ mill(s) for each \$1 of taxable value, which amounts to 101975

\$_____ (effective rate) for each \$100,000 of the county 101976

auditor's ~~appraised~~ market value, be authorized to be 101977

immediately effective and the port authority shall be authorized 101982

to extend the levy of such tax against all the taxable property 101983

within the political subdivision or political subdivisions which 101984

have been joined. If such question is approved at a general 101985

election then the port authority may amend its budget and 101986

resolution adopted pursuant to section 5705.34 of the Revised 101987

Code and such levy shall be placed on the current tax list and 101988

duplicate and collected as other taxes are collected from all 101989

As used in this section, "the county auditor's ~~appraised~~

township, county, or other political subdivision which proposes
to join the port authority at the same time and is contiguous to
any municipal corporation, township, county, or other political
subdivision which participated in the creation of such port
authority, may join such port authority, and thereupon the
jurisdiction and territory of the port authority includes the
municipal corporation, county, township, or other political
subdivision so joining. If more than one such political
subdivision is to be joined to the port authority at the same

or municipal corporation not included in a port authority and
which is annexed to a municipal corporation included within the
jurisdiction and territory of a port authority shall, on such
annexation and without further proceedings, be annexed to and be

joined to a port authority, other than by annexation to a
municipal corporation, the political subdivision or subdivisions
theretofore comprising such port authority shall agree upon the
terms and conditions pursuant to which such political
subdivision or subdivisions are to be joined. For all purposes

of sections 4582.21 to 4582.59 of the Revised Code, such 102024
political subdivision or subdivisions shall be considered to 102025
have participated in the creation of such port authority, except 102026
that the initial term of any director of the port authority 102027

After each ordinance or resolution proposing joinder to the port 102029
authority has become effective and the terms and conditions of 102030
joinder have been agreed to, the board of directors of the port 102031
authority shall by resolution either accept or reject such 102032
joinder. Such joinder shall be effective upon adoption of the 102033
resolution accepting such joinder, unless the port authority to 102034
which a political subdivision or subdivisions, including a 102035
county within which such port authority is located, are to be 102036
joined, has authority under section 4582.40 of the Revised Code 102037
to levy a tax on property within its jurisdiction, then such 102038
joinder shall not be effective until approved by the affirmative 102039
vote of a majority of the electors voting on the question of the 102040
joinder. If more than one political subdivision is to be joined 102041
to the port authority, then the electors of such subdivisions 102042
shall vote as a district and the majority affirmative vote shall 102043
be determined by the vote cast in such district as a whole. 102044

If a tax on property is to be levied, the board of 102045
directors of the port authority and the county auditor shall 102046
proceed in the manner as required for a tax levy under section 102047
5705.03 of the Revised Code, except that the levy's annual 102048
collections shall be estimated assuming that the additional 102049
subdivision or subdivisions have joined the port authority. 102050

The election shall be called by the board of directors of 102051
the port authority and shall be held, canvassed, and certified 102052
in the manner provided for the submission of tax levies under 102053
section 5705.191 of the Revised Code except that the question 102054

appearing on the ballot shall read: 102055

"Shall _____ 102056

(Name or names of political subdivisions to be joined) 102057

_____ 102058

be joined to _____ (Name) port authority 102059

and the existing tax levy (levies) of such port authority, that 102060

the county auditor estimates will collect \$_____ annually, at a 102061

rate not exceeding _____ mill(s) for each \$1 of 102062

taxable value, which amounts to \$_____ (effective rate) for 102063

each \$100,000 of the county auditor's ~~appraised~~ market value, 102064

be authorized to be levied against properties within 102065

_____?" 102066

(Name or names of political subdivisions to be joined) 102067

If the question is approved the joinder becomes 102068

immediately effective and the port authority is authorized to 102069

extend the levy of such tax against all the taxable property 102070

within the political subdivision or political subdivisions which 102071

have been joined. If such question is approved at a general 102072

election, then the port authority may amend its budget and 102073

resolution adopted pursuant to section 5705.34 of the Revised 102074

Code and such levy shall be placed on the current tax list and 102075

duplicate and collected as other taxes are collected from all 102076

taxable property within the port authority including the 102077

political subdivision or political subdivisions joined as a 102078

Interest earned in the account shall be credited to the seller 102674
unless otherwise agreed to by the parties in the auction listing 102675

money from the account. The interest money then shall be 102678

individual to withhold testimony or evidence at issue. 102881

determine whether the registered nurse, licensed practical 102912

adjudication that the registered nurse, licensed practical 102915
nurse, or dialysis technician committed the act, or if the 102916
registered nurse, licensed practical nurse, or dialysis 102917

the act. 102921

If the board takes action on the basis of a conviction, 102922

nurse, licensed practical nurse, or dialysis technician may, on 102925
exhaustion of the appeal process, petition the board for 102926
reconsideration of its action. On receipt of the petition and 102927
supporting court documents, the board shall temporarily rescind 102928
its action. If the board determines that the decision on appeal 102929
was a decision on the merits, it shall permanently rescind its 102930
action. If the board determines that the decision on appeal was 102931
not a decision on the merits, it shall conduct an adjudication 102932
to determine whether the registered nurse, licensed practical 102933
nurse, or dialysis technician committed the act on which the 102934
original conviction, plea, or judicial finding was based. If the 102935
board determines on the basis of the adjudication that the 102936
registered nurse, licensed practical nurse, or dialysis 102937

licensed practical nurse, or dialysis technician does not 102939
request an adjudication, the board shall reinstate its action; 102940
otherwise, the board shall permanently rescind its action. 102941

Notwithstanding the provision of division (D) (2) of 102942
section 2953.32 or division (F) (1) of section 2953.39 of the 102943
Revised Code specifying that if records pertaining to a criminal 102944
case are sealed or expunged under that section the proceedings 102945
in the case shall be deemed not to have occurred, sealing or 102946
expungement of the following records on which the board has 102947
based an action under this section shall have no effect on the 102948
board's action or any sanction imposed by the board under this 102949
section: records of any conviction, guilty plea, judicial 102950
finding of guilt resulting from a plea of no contest, or a 102951
judicial finding of eligibility for a pretrial diversion program 102952
or intervention in lieu of conviction. 102953

The board shall not be required to seal, destroy, redact, 102954
or otherwise modify its records to reflect the court's sealing 102955
or expungement of conviction records. 102956

(F) The board may investigate an individual's criminal 102957
background in performing its duties under this section. As part 102958
of such investigation, the board may order the individual to 102959
submit, at the individual's expense, a request to the bureau of 102960

check and check of federal bureau of investigation records in 102962

(G) During the course of an investigation conducted under 102965
this section, the board may compel any registered nurse, 102966
licensed practical nurse, or dialysis technician or applicant 102967
under this chapter to submit to a mental or physical 102968
examination, or both, as required by the board and at the 102969
expense of the individual, if the board finds reason to believe 102970
that the individual under investigation may have a physical or 102971
mental impairment that may affect the individual's ability to 102972
provide safe nursing care. 102973

The board shall not compel an individual who has been 102974
referred to the safe haven program as described in sections 102975
4723.35 and 4723.351 of the Revised Code to submit to a mental 102976
or physical examination. 102977

Failure of any individual to submit to a mental or 102978
physical examination when directed constitutes an admission of 102979
the allegations, unless the failure is due to circumstances 102980
beyond the individual's control, and a default and final order 102981
may be entered without the taking of testimony or presentation 102982
of evidence. 102983

If the board finds that an individual is impaired, the board shall require the individual to submit to care, counseling, or treatment approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. The individual shall be afforded an opportunity to demonstrate to the board that the individual can begin or resume the individual's occupation in compliance with acceptable and prevailing standards of care under the provisions of the individual's authority to practice.

For purposes of this division, any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(H) The board shall investigate evidence that appears to show that any person has violated any provision of this chapter or any rule of the board. Any person may report to the board any information the person may have that appears to show a violation of any provision of this chapter or rule of the board. In the absence of bad faith, any person who reports such information or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of the report or testimony.

(I) All of the following apply under this chapter with respect to the confidentiality of information:

(1) Information received by the board pursuant to a complaint or an investigation is confidential and not subject to discovery in any civil action, except that the board may

disclose information to law enforcement officers and government 103014
entities for purposes of an investigation of either a licensed 103015
health care professional, including a registered nurse, licensed 103016
practical nurse, or dialysis technician, or a person who may 103017
have engaged in the unauthorized practice of nursing or dialysis 103018
care. No law enforcement officer or government entity with 103019
knowledge of any information disclosed by the board pursuant to 103020
this division shall divulge the information to any other person 103021
or government entity except for the purpose of a government 103022
investigation, a prosecution, or an adjudication by a court or 103023
government entity. 103024

(2) If an investigation requires a review of patient 103025
records, the investigation and proceeding shall be conducted in 103026
such a manner as to protect patient confidentiality. 103027

(3) All adjudications and investigations of the board 103028
shall be considered civil actions for the purposes of section 103029
2305.252 of the Revised Code. 103030

(4) Any board activity that involves continued monitoring 103031
of an individual as part of or following any disciplinary action 103032
taken under this section shall be conducted in a manner that 103033
maintains the individual's confidentiality. Information received 103034
or maintained by the board with respect to the board's 103035
monitoring activities is not subject to discovery in any civil 103036
action and is confidential, except that the board may disclose 103037
information to law enforcement officers and government entities 103038
for purposes of an investigation of a licensee or certificate 103039
holder. 103040

(J) Any action taken by the board under this section 103041
resulting in a suspension from practice shall be accompanied by 103042
a written statement of the conditions under which the person may 103043

be reinstated to practice. 103044

(K) When the board refuses to grant a license or 103045
certificate to an applicant, revokes a license or certificate, 103046
or refuses to reinstate a license or certificate, the board may 103047
specify that its action is permanent. An individual subject to 103048
permanent action taken by the board is forever ineligible to 103049
hold a license or certificate of the type that was refused or 103050
revoked and the board shall not accept from the individual an 103051
application for reinstatement of the license or certificate or 103052

not renewable, but an individual may reapply for registration if 104690
the individual's previous registration has lapsed for more than 104691
five years or the board grants its approval. 104692

Sec. 4730.25. (A) The state medical board, by an 104693
affirmative vote of not fewer than six members, may refuse to 104694

(C) Disciplinary actions taken by the board under 104827
divisions (A) and (B) of this section shall be taken pursuant to 104828
an adjudication under Chapter 119. of the Revised Code, except 104829
that in lieu of an adjudication, the board may enter into a 104830
consent agreement with a physician assistant or applicant to 104831
resolve an allegation of a violation of this chapter or any rule 104832
adopted under it. A consent agreement, when ratified by an 104833
affirmative vote of not fewer than six members of the board, 104834
shall constitute the findings and order of the board with 104835
respect to the matter addressed in the agreement. If the board 104836
refuses to ratify a consent agreement, the admissions and 104837
findings contained in the consent agreement shall be of no force 104838
or effect. 104839

(D) For purposes of divisions (B) (12), (15), and (16) of 104840
this section, the commission of the act may be established by a 104841
finding by the board, pursuant to an adjudication under Chapter 104842

119. of the Revised Code, that the applicant or license holder 104843
committed the act in question. The board shall have no 104844
jurisdiction under these divisions in cases where the trial 104845
court renders a final judgment in the license holder's favor and 104846
that judgment is based upon an adjudication on the merits. The 104847
board shall have jurisdiction under these divisions in cases 104848
where the trial court issues an order of dismissal upon 104849
technical or procedural grounds. 104850

(E) The sealing or expungement of conviction records by 104851
any court shall have no effect upon a prior board order entered 104852
under the provisions of this section or upon the board's 104853
jurisdiction to take action under the provisions of this section 104854
if, based upon a plea of guilty, a judicial finding of guilt, or 104855
a judicial finding of eligibility for intervention in lieu of 104856
conviction, the board issued a notice of opportunity for a 104857
hearing prior to the court's order to seal or expunge the 104858
records. The board shall not be required to seal, destroy, 104859
redact, or otherwise modify its records to reflect the court's 104860
sealing or expungement of conviction records. 104861

(F) For purposes of this division, any individual who 104862
holds a license issued under this chapter, or applies for a 104863
license issued under this chapter, shall be deemed to have given 104864
consent to submit to a mental or physical examination when 104865
directed to do so in writing by the board and to have waived all 104866
objections to the admissibility of testimony or examination 104867
reports that constitute a privileged communication. 104868

(1) In enforcing division (B)(4) of this section, the 104869
board, upon a showing of a possible violation, shall refer any 104870
individual who holds, or has applied for, a license issued under 104871
this chapter to the monitoring organization that conducts the 104872

confidential monitoring program established under section 104873
4731.25 of the Revised Code. The board also may compel the 104874
individual to submit to a mental examination, physical 104875
examination, including an HIV test, or both a mental and 104876
physical examination. The expense of the examination is the 104877
responsibility of the individual compelled to be examined. 104878
Failure to submit to a mental or physical examination or consent 104879
to an HIV test ordered by the board constitutes an admission of 104880
the allegations against the individual unless the failure is due 104881
to circumstances beyond the individual's control, and a default 104882
and final order may be entered without the taking of testimony 104883
or presentation of evidence. If the board finds a physician 104884
assistant unable to practice because of the reasons set forth in 104885
division (B)(4) of this section, the board shall require the 104886
physician assistant to submit to care, counseling, or treatment 104887
by physicians approved or designated by the board, as a 104888
condition for an initial, continued, reinstated, or renewed 104889
license. An individual affected under this division shall be 104890
afforded an opportunity to demonstrate to the board the ability 104891
to resume practicing in compliance with acceptable and 104892
prevailing standards of care. 104893

(2) For purposes of division (B)(5) of this section, if 104894
the board has reason to believe that any individual who holds a 104895
license issued under this chapter or any applicant for a license 104896
suffers such impairment, the board shall refer the individual to 104897
the monitoring organization that conducts the confidential 104898
monitoring program established under section 4731.25 of the 104899
Revised Code. The board also may compel the individual to submit 104900
to a mental or physical examination, or both. The expense of the 104901
examination is the responsibility of the individual compelled to 104902
be examined. Any mental or physical examination required under 104903

this division shall be undertaken by a treatment provider or 104904
physician qualified to conduct such examination and approved 104905
under section 4731.251 of the Revised Code. 104906

Failure to submit to a mental or physical examination 104907
ordered by the board constitutes an admission of the allegations 104908
against the individual unless the failure is due to 104909
circumstances beyond the individual's control, and a default and 104910
final order may be entered without the taking of testimony or 104911
presentation of evidence. If the board determines that the 104912
individual's ability to practice is impaired, the board shall 104913
suspend the individual's license or deny the individual's 104914
application and shall require the individual, as a condition for 104915
initial, continued, reinstated, or renewed licensure, to submit 104916
to treatment. 104917

Before being eligible to apply for reinstatement of a 104918
license suspended under this division, the physician assistant 104919
shall demonstrate to the board the ability to resume practice or 104920
prescribing in compliance with acceptable and prevailing 104921
standards of care. The demonstration shall include the 104922
following: 104923

(a) Certification from a treatment provider approved under 104924
section 4731.251 of the Revised Code that the individual has 104925
successfully completed any required inpatient treatment; 104926

(b) Evidence of continuing full compliance with an 104927
aftercare contract or consent agreement; 104928

(c) Two written reports indicating that the individual's 104929
ability to practice has been assessed and that the individual 104930
has been found capable of practicing according to acceptable and 104931
prevailing standards of care. The reports shall be made by 104932

individuals or providers approved by the board for making such 104933
assessments and shall describe the basis for their 104934
determination. 104935

The board may reinstate a license suspended under this 104936
division after such demonstration and after the individual has 104937
entered into a written consent agreement. 104938

When the impaired physician assistant resumes practice or 104939
prescribing, the board shall require continued monitoring of the 104940
physician assistant. The monitoring shall include compliance 104941
with the written consent agreement entered into before 104942
reinstatement or with conditions imposed by board order after a 104943
hearing, and, upon termination of the consent agreement, 104944
submission to the board for at least two years of annual written 104945
progress reports made under penalty of falsification stating 104946
whether the physician assistant has maintained sobriety. 104947

(G) (1) If either of the following circumstances occur, the 104948
secretary and supervising member may recommend that the board 104949
suspend the individual's license without a prior hearing: 104950

(a) The secretary and supervising member determine that 104951
there is clear and convincing evidence that a physician 104952
assistant has violated division (B) of this section and that the 104953
individual's continued practice or prescribing presents a danger 104954
of immediate and serious harm to the public. 104955

(b) The board receives verifiable information that a 104956
licensee has been charged in any state or federal court with a 104957
crime classified as a felony under the charging court's law and 104958
the conduct charged constitutes a violation of division (B) of 104959
this section. 104960

(2) If a recommendation is made to suspend without a prior 104961

hearing pursuant to division (G)(1) of this section, written 104962
allegations shall be prepared for consideration by the board. 104963

The board, upon review of those allegations and by an 104964
affirmative vote of not fewer than six of its members, excluding 104965
the secretary and supervising member, may suspend a license 104966
without a prior hearing. A telephone conference call may be 104967
utilized for reviewing the allegations and taking the vote on 104968
the summary suspension. 104969

The board shall serve a written order of suspension in 104970
accordance with sections 119.05 and 119.07 of the Revised Code. 104971
~~The order shall not be subject to suspension by the court during~~ 104972
~~pendency of any appeal filed under section 119.12 of the Revised~~ 104973
~~Code.~~ If the physician assistant requests an adjudicatory 104974
hearing by the board, the date set for the hearing shall be 104975
within fifteen days, but not earlier than seven days, after the 104976
physician assistant requests the hearing, unless otherwise 104977
agreed to by both the board and the license holder. 104978

(3) A summary suspension imposed under ~~this~~ division (G) 104979
(2) of this section is not a final appealable order and is not 104980
an adjudication that may be appealed under section 119.12 of the 104981
Revised Code. The summary suspension shall remain in effect, 104982
~~unless reversed on appeal,~~ until a final adjudicative order 104983
issued by the board pursuant to this section and Chapter 119. of 104984
the Revised Code becomes effective. Once a final adjudicative 104985
order has been issued by the board, any party adversely affected 104986
by it may file an appeal in accordance with the requirements of 104987
Chapter 119. of the Revised Code. ~~The~~ 104988

The board shall issue its final adjudicative order within 104989
seventy-five days after completion of its hearing. Failure to 104990
issue the order within seventy-five days shall result in 104991

dissolution of the summary suspension order, but shall not 104992
invalidate any subsequent, final adjudicative order. 104993

(H) If the board takes action under division (B) (11), 104994
(13), or (14) of this section, and the judicial finding of 104995
guilt, guilty plea, or judicial finding of eligibility for 104996
intervention in lieu of conviction is overturned on appeal, upon 104997
exhaustion of the criminal appeal, a petition for 104998
reconsideration of the order may be filed with the board along 104999
with appropriate court documents. Upon receipt of a petition and 105000
supporting court documents, the board shall reinstate the 105001
individual's license. The board may then hold an adjudication 105002
under Chapter 119. of the Revised Code to determine whether the 105003
individual committed the act in question. Notice of opportunity 105004
for hearing shall be given in accordance with Chapter 119. of 105005
the Revised Code. If the board finds, pursuant to an 105006
adjudication held under this division, that the individual 105007
committed the act, or if no hearing is requested, it may order 105008
any of the sanctions identified under division (B) of this 105009
section. 105010

(I) The license to practice issued to a physician 105011
assistant and the physician assistant's practice in this state 105012
are automatically suspended as of the date the physician 105013
assistant pleads guilty to, is found by a judge or jury to be 105014
guilty of, or is subject to a judicial finding of eligibility 105015
for intervention in lieu of conviction in this state or 105016
treatment or intervention in lieu of conviction in another state 105017
for any of the following criminal offenses in this state or a 105018
substantially equivalent criminal offense in another 105019
jurisdiction: aggravated murder, murder, voluntary manslaughter, 105020
felonious assault, trafficking in persons, kidnapping, rape, 105021
sexual battery, gross sexual imposition, aggravated arson, 105022

aggravated robbery, or aggravated burglary. Continued practice 105023
after the suspension shall be considered practicing without a 105024
license. 105025

The board shall notify the individual subject to the 105026
suspension in accordance with sections 119.05 and 119.07 of the 105027
Revised Code. If an individual whose license is suspended under 105028
this division fails to make a timely request for an adjudication 105029
under Chapter 119. of the Revised Code, the board shall enter a 105030
final order permanently revoking the individual's license to 105031
practice. 105032

(J) In any instance in which the board is required by 105033
Chapter 119. of the Revised Code to give notice of opportunity 105034
for hearing and the individual subject to the notice does not 105035
timely request a hearing in accordance with section 119.07 of 105036
the Revised Code, the board is not required to hold a hearing, 105037
but may adopt, by an affirmative vote of not fewer than six of 105038
its members, a final order that contains the board's findings. 105039
In that final order, the board may order any of the sanctions 105040
identified under division (A) or (B) of this section. 105041

(K) Any action taken by the board under division (B) of 105042
this section resulting in a suspension shall be accompanied by a 105043
written statement of the conditions under which the physician 105044

rules in accordance with Chapter 119. of the Revised Code 105046
governing conditions to be imposed for reinstatement. 105047
Reinstatement of a license suspended pursuant to division (B) of 105048

applicant a license to practice as a physician assistant, 105052

revokes an individual's license, refuses to renew an 105053
individual's license, or refuses to reinstate an individual's 105054
license, the board may specify that its action is permanent. An 105055

forever thereafter ineligible to hold the license and the board 105057
shall not accept an application for reinstatement of the license 105058

(3) Failure by an individual to renew a license in 105068
accordance with section 4730.14 of the Revised Code does not 105069
remove or limit the board's jurisdiction to take disciplinary 105070
action under this section against the individual. 105071

(4) The placement of an individual's license on retired 105072
status, as described in section 4730.141 of the Revised Code, 105073
does not remove or limit the board's jurisdiction to take any 105074
disciplinary action against the individual with regard to the 105075
license as it existed before being placed on retired status. 105076

(N) The board shall not refuse to issue a license to an 105077
applicant because of a conviction, plea of guilty, judicial 105078
finding of guilt, judicial finding of eligibility for 105079
intervention in lieu of conviction, or the commission of an act 105080
that constitutes a criminal offense, unless the refusal is in 105081

accordance with section 9.79 of the Revised Code. 105082

certificate, refuse to renew a license or certificate, refuse to 105160
reinstate a license or certificate, or reprimand or place on 105161

found by the board to have committed fraud during the 105164
administration of the examination for a license or certificate 105165
to practice or to have committed fraud, misrepresentation, or 105166
deception in applying for, renewing, or securing any license or 105167

(B) Except as provided in division (P) of this section, 105170
the board, by an affirmative vote of not fewer than six members, 105171
shall, to the extent permitted by law, limit, revoke, or suspend 105172
a license or certificate to practice or certificate to 105173

intervention in lieu of conviction of, a violation of any 105191
federal or state law regulating the possession, distribution, or 105192
use of any drug; 105193

(4) Willfully betraying a professional confidence. 105194

For purposes of this division, "willfully betraying a 105195
professional confidence" does not include providing any 105196
information, documents, or reports under sections 307.621 to 105197
307.629 of the Revised Code to a child fatality review board; 105198

include the making of a report of an employee's use of a drug of 105213
abuse, or a report of a condition of an employee other than one 105214
involving the use of a drug of abuse, to the employer of the 105215
employee as described in division (B) of section 2305.33 of the 105216
Revised Code. Nothing in this division affects the immunity from 105217
civil liability conferred by section 2305.33 or 4731.62 of the 105218
Revised Code upon a physician who makes a report in accordance 105219
with section 2305.33 or notifies a mental health professional in 105220
accordance with section 4731.62 of the Revised Code. As used in 105221
this division, "employee," "employer," and "physician" have the 105222
same meanings as in section 2305.33 of the Revised Code. 105223

secure any license or certificate to practice issued by the 105229

As used in this division, "false, fraudulent, deceptive, 105231
or misleading statement" means a statement that includes a 105232
misrepresentation of fact, is likely to mislead or deceive 105233
because of a failure to disclose material facts, is intended or 105234

favorable results, or includes representations or implications 105236
that in reasonable probability will cause an ordinarily prudent 105237
person to misunderstand or be deceived. 105238

(6) A departure from, or the failure to conform to, 105239
minimal standards of care of similar practitioners under the 105240
same or similar circumstances, whether or not actual injury to a 105241
patient is established; 105242

(7) Representing, with the purpose of obtaining 105243
compensation or other advantage as personal gain or for any 105244
other person, that an incurable disease or injury, or other 105245

this state, regardless of the jurisdiction in which the act was 105254
committed; 105255

(11) A plea of guilty to, a judicial finding of guilt of, 105256

practice; 105259

(12) Commission of an act in the course of practice that 105260
constitutes a misdemeanor in this state, regardless of the 105261
jurisdiction in which the act was committed; 105262

(13) A plea of guilty to, a judicial finding of guilt of, 105263
or a judicial finding of eligibility for intervention in lieu of 105264
conviction for, a misdemeanor involving moral turpitude; 105265

(14) Commission of an act involving moral turpitude that 105266
constitutes a misdemeanor in this state, regardless of the 105267
jurisdiction in which the act was committed; 105268

(15) Violation of the conditions of limitation placed by 105269
the board upon a license or certificate to practice; 105270

(16) Failure to pay license renewal fees specified in this 105271
chapter; 105272

(17) Except as authorized in section 4731.31 of the 105273
Revised Code, engaging in the division of fees for referral of 105274
patients, or the receiving of a thing of value in return for a 105275
specific referral of a patient to utilize a particular service 105276
or business; 105277

(18) Subject to section 4731.226 of the Revised Code, 105278
violation of any provision of a code of ethics of the American 105279
medical association, the American osteopathic association, the 105280
American podiatric medical association, or any other national 105281
professional organizations that the board specifies by rule. The 105282
state medical board shall obtain and keep on file current copies 105283
of the codes of ethics of the various national professional 105284
organizations. The individual whose license or certificate is 105285
being suspended or revoked shall not be found to have violated 105286
any provision of a code of ethics of an organization not 105287

appropriate to the individual's profession. 105288

For purposes of this division, a "provision of a code of 105289
ethics of a national professional organization" does not include 105290
any provision that would preclude the making of a report by a 105291
physician of an employee's use of a drug of abuse, or of a 105292
condition of an employee other than one involving the use of a 105293
drug of abuse, to the employer of the employee as described in 105294
division (B) of section 2305.33 of the Revised Code. Nothing in 105295
this division affects the immunity from civil liability 105296
conferred by that section upon a physician who makes either type 105297
of report in accordance with division (B) of that section. As 105298
used in this division, "employee," "employer," and "physician" 105299
have the same meanings as in section 2305.33 of the Revised 105300
Code. 105301

(19) Inability to practice according to acceptable and 105302
prevailing standards of care by reason of mental illness or 105303
physical illness, including, but not limited to, physical 105304
deterioration that adversely affects cognitive, motor, or 105305
perceptive skills. 105306

In enforcing this division, the board, upon a showing of a 105307
possible violation, shall refer any individual who is authorized 105308
to practice by this chapter or who has submitted an application 105309
pursuant to this chapter to the monitoring organization that 105310
conducts the confidential monitoring program established under 105311
section 4731.25 of the Revised Code. The board also may compel 105312
the individual to submit to a mental examination, physical 105313
examination, including an HIV test, or both a mental and a 105314
physical examination. The expense of the examination is the 105315
responsibility of the individual compelled to be examined. 105316
Failure to submit to a mental or physical examination or consent 105317

to an HIV test ordered by the board constitutes an admission of 105318
the allegations against the individual unless the failure is due 105319
to circumstances beyond the individual's control, and a default 105320
and final order may be entered without the taking of testimony 105321
or presentation of evidence. If the board finds an individual 105322
unable to practice because of the reasons set forth in this 105323
division, the board shall require the individual to submit to 105324
care, counseling, or treatment by physicians approved or 105325
designated by the board, as a condition for initial, continued, 105326
reinstated, or renewed authority to practice. An individual 105327
affected under this division shall be afforded an opportunity to 105328
demonstrate to the board the ability to resume practice in 105329
compliance with acceptable and prevailing standards under the 105330
provisions of the individual's license or certificate. For the 105331
purpose of this division, any individual who applies for or 105332
receives a license or certificate to practice under this chapter 105333
accepts the privilege of practicing in this state and, by so 105334
doing, shall be deemed to have given consent to submit to a 105335
mental or physical examination when directed to do so in writing 105336
by the board, and to have waived all objections to the 105337
admissibility of testimony or examination reports that 105338
constitute a privileged communication. 105339

(20) Except as provided in division (F)(1)(b) of section 105340
4731.282 of the Revised Code or when civil penalties are imposed 105341
under section 4731.225 of the Revised Code, and subject to 105342
section 4731.226 of the Revised Code, violating or attempting to 105343
violate, directly or indirectly, or assisting in or abetting the 105344
violation of, or conspiring to violate, any provisions of this 105345
chapter or any rule promulgated by the board. 105346

This division does not apply to a violation or attempted 105347
violation of, assisting in or abetting the violation of, or a 105348

conspiracy to violate, any provision of this chapter or any rule 105349
adopted by the board that would preclude the making of a report 105350
by a physician of an employee's use of a drug of abuse, or of a 105351
condition of an employee other than one involving the use of a 105352
drug of abuse, to the employer of the employee as described in 105353
division (B) of section 2305.33 of the Revised Code. Nothing in 105354
this division affects the immunity from civil liability 105355
conferred by that section upon a physician who makes either type 105356
of report in accordance with division (B) of that section. As 105357
used in this division, "employee," "employer," and "physician" 105358
have the same meanings as in section 2305.33 of the Revised 105359
Code. 105360

(21) The violation of section 3701.79 of the Revised Code 105361
or of any abortion rule adopted by the director of health 105362
pursuant to section 3701.341 of the Revised Code; 105363

(22) Any of the following actions taken by an agency 105364
responsible for authorizing, certifying, or regulating an 105365
individual to practice a health care occupation or provide 105366
health care services in this state or another jurisdiction, for 105367
any reason other than the nonpayment of fees: the limitation, 105368
revocation, or suspension of an individual's license to 105369
practice; acceptance of an individual's license surrender; 105370
denial of a license; refusal to renew or reinstate a license; 105371
imposition of probation; or issuance of an order of censure or 105372
other reprimand; 105373

(23) The violation of section 2919.12 of the Revised Code 105374
or the performance or inducement of an abortion upon a pregnant 105375
woman with actual knowledge that the conditions specified in 105376
division (B) of section 2317.56 of the Revised Code have not 105377
been satisfied or with a heedless indifference as to whether 105378

those conditions have been satisfied, unless an affirmative 105379
defense as specified in division (H) (2) of that section would 105380
apply in a civil action authorized by division (H) (1) of that 105381
section; 105382

(24) The revocation, suspension, restriction, reduction, 105383
or termination of clinical privileges by the United States 105384
department of defense or department of veterans affairs or the 105385
termination or suspension of a certificate of registration to 105386
prescribe drugs by the drug enforcement administration of the 105387
United States department of justice; 105388

(25) Termination or suspension from participation in the 105389
medicare or medicaid programs by the department of health and 105390
human services or other responsible agency; 105391

(26) Impairment of ability to practice according to 105392
acceptable and prevailing standards of care because of substance 105393
use disorder or excessive use or abuse of drugs, alcohol, or 105394
other substances that may impair ability to practice. 105395

For the purposes of this division, any individual 105396
authorized to practice by this chapter accepts the privilege of 105397
practicing in this state subject to supervision by the board. By 105398
filing an application for or holding a license or certificate to 105399
practice under this chapter, an individual shall be deemed to 105400
have given consent to submit to a mental or physical examination 105401
when ordered to do so by the board in writing, and to have 105402
waived all objections to the admissibility of testimony or 105403
examination reports that constitute privileged communications. 105404

If it has reason to believe that any individual authorized 105405
to practice by this chapter or any applicant for licensure or 105406
certification to practice suffers such impairment, the board 105407

shall refer the individual to the monitoring organization that 105408
conducts the confidential monitoring program established under 105409
section 4731.25 of the Revised Code. The board also may compel 105410
the individual to submit to a mental or physical examination, or 105411
both. The expense of the examination is the responsibility of 105412
the individual compelled to be examined. Any mental or physical 105413
examination required under this division shall be undertaken by 105414
a treatment provider or physician who is qualified to conduct 105415
the examination and who is approved under section 4731.251 of 105416
the Revised Code. 105417

Failure to submit to a mental or physical examination 105418
ordered by the board constitutes an admission of the allegations 105419
against the individual unless the failure is due to 105420
circumstances beyond the individual's control, and a default and 105421
final order may be entered without the taking of testimony or 105422
presentation of evidence. If the board determines that the 105423
individual's ability to practice is impaired, the board shall 105424
suspend the individual's license or certificate or deny the 105425

Before being eligible to apply for reinstatement of a 105429
license or certificate suspended under this division, the 105430
impaired practitioner shall demonstrate to the board the ability 105431
to resume practice in compliance with acceptable and prevailing 105432

shall not be limited to, the following: 105435

(a) Certification from a treatment provider approved under 105436
section 4731.251 of the Revised Code that the individual has 105437

successfully completed any required inpatient treatment; 105438

(b) Evidence of continuing full compliance with an 105439

(c) Two written reports indicating that the individual's 105441

individuals or providers approved by the board for making the 105445
assessments and shall describe the basis for their 105446
determination. 105447

The board may reinstate a license or certificate suspended 105448
under this division after that demonstration and after the 105449

shall require continued monitoring of the individual. The 105452
monitoring shall include, but not be limited to, compliance with 105453
the written consent agreement entered into before reinstatement 105454
or with conditions imposed by board order after a hearing, and, 105455
upon termination of the consent agreement, submission to the 105456
board for at least two years of annual written progress reports 105457
made under penalty of perjury stating whether the individual has 105458
maintained sobriety. 105459

(27) A second or subsequent violation of section 4731.66 105460

patients to receive health care services from that individual; 105468

(b) Advertising that the individual will waive the payment 105469
of all or any part of a deductible or copayment that a patient, 105470

in an investigative interview, an investigative office	105500

4731.911 of the Revised Code following an abortion or attempted 105566

that is not a hospital when a child is born alive; 105568

(52) Violation of section 4731.77 of the Revised Code; 105569

(53) Failure of a physician supervising a certified mental 105570

(C) Disciplinary actions taken by the board under 105578
divisions (A) and (B) of this section shall be taken pursuant to 105579
an adjudication under Chapter 119. of the Revised Code, except 105580
that in lieu of an adjudication, the board may enter into a 105581

consent agreement with an individual to resolve an allegation of 105582
a violation of this chapter or any rule adopted under it. A 105583
consent agreement, when ratified by an affirmative vote of not 105584
fewer than six members of the board, shall constitute the 105585
findings and order of the board with respect to the matter 105586
addressed in the agreement. If the board refuses to ratify a 105587
consent agreement, the admissions and findings contained in the 105588
consent agreement shall be of no force or effect. 105589

A telephone conference call may be utilized for 105590
ratification of a consent agreement that revokes or suspends an 105591
individual's license or certificate to practice or certificate 105592
to recommend. The telephone conference call shall be considered 105593
a special meeting under division (F) of section 121.22 of the 105594
Revised Code. 105595

If the board takes disciplinary action against an 105596
individual under division (B) of this section for a second or 105597
subsequent plea of guilty to, or judicial finding of guilt of, a 105598
violation of section 2919.123 or 2919.124 of the Revised Code, 105599
the disciplinary action shall consist of a suspension of the 105600
individual's license or certificate to practice for a period of 105601
at least one year or, if determined appropriate by the board, a 105602
more serious sanction involving the individual's license or 105603
certificate to practice. Any consent agreement entered into 105604
under this division with an individual that pertains to a second 105605
or subsequent plea of guilty to, or judicial finding of guilt 105606
of, a violation of that section shall provide for a suspension 105607
of the individual's license or certificate to practice for a 105608
period of at least one year or, if determined appropriate by the 105609
board, a more serious sanction involving the individual's 105610
license or certificate to practice. 105611

(D) For purposes of divisions (B) (10), (12), and (14) of
this section, the commission of the act may be established by a
finding by the board, pursuant to an adjudication under Chapter
119. of the Revised Code, that the individual committed the act.
The board does not have jurisdiction under those divisions if
the trial court renders a final judgment in the individual's
favor and that judgment is based upon an adjudication on the
merits. The board has jurisdiction under those divisions if the
trial court issues an order of dismissal upon technical or
procedural grounds.

(E) The sealing or expungement of conviction records by
any court shall have no effect upon a prior board order entered
under this section or upon the board's jurisdiction to take
action under this section if, based upon a plea of guilty, a
judicial finding of guilt, or a judicial finding of eligibility
for intervention in lieu of conviction, the board issued a
notice of opportunity for a hearing prior to the court's order
to seal or expunge the records. The board shall not be required
to seal, expunge, destroy, redact, or otherwise modify its
records to reflect the court's sealing of conviction records.

(F) (1) The board shall investigate evidence that appears
to show that a person has violated any provision of this chapter
or any rule adopted under it. Any person may report to the board
in a signed writing any information that the person may have
that appears to show a violation of any provision of this
chapter or any rule adopted under it. In the absence of bad
faith, any person who reports information of that nature or who
testifies before the board in any adjudication conducted under
Chapter 119. of the Revised Code shall not be liable in damages
in a civil action as a result of the report or testimony. Each
complaint or allegation of a violation received by the board

shall be assigned a case number and shall be recorded by the board. 105643
105644

(2) Investigations of alleged violations of this chapter 105645
or any rule adopted under it shall be supervised by the 105646
supervising member elected by the board in accordance with 105647
section 4731.02 of the Revised Code and by the secretary as 105648
provided in section 4731.39 of the Revised Code. The president 105649
may designate another member of the board to supervise the 105650
investigation in place of the supervising member. Upon a vote of 105651
the majority of the board to authorize the addition of a 105652
consumer member in the supervision of any part of any 105653
investigation, the president shall designate a consumer member 105654
for supervision of investigations as determined by the 105655
president. The authorization of consumer member participation in 105656
investigation supervision may be rescinded by a majority vote of 105657
the board. No member of the board who supervises the 105658
investigation of a case shall participate in further 105659
adjudication of the case. 105660

(3) In investigating a possible violation of this chapter 105661
or any rule adopted under this chapter, or in conducting an 105662
inspection under division (E) of section 4731.054 of the Revised 105663
Code, the board may question witnesses, conduct interviews, 105664
administer oaths, order the taking of depositions, inspect and 105665
copy any books, accounts, papers, records, or documents, issue 105666
subpoenas, and compel the attendance of witnesses and production 105667
of books, accounts, papers, records, documents, and testimony, 105668
except that a subpoena for patient record information shall not 105669
be issued without consultation with the attorney general's 105670
office and approval of the secretary of the board. 105671

(a) Before issuance of a subpoena for patient record 105672

information, the secretary shall determine whether there is 105673
probable cause to believe that the complaint filed alleges a 105674
violation of this chapter or any rule adopted under it and that 105675
the records sought are relevant to the alleged violation and 105676
material to the investigation. The subpoena may apply only to 105677
records that cover a reasonable period of time surrounding the 105678
alleged violation. 105679

(b) On failure to comply with any subpoena issued by the 105680
board and after reasonable notice to the person being 105681
subpoenaed, the board may move for an order compelling the 105682
production of persons or records pursuant to the Rules of Civil 105683
Procedure. 105684

(c) A subpoena issued by the board may be served by a 105685
sheriff, the sheriff's deputy, or a board employee or agent 105686
designated by the board. Service of a subpoena issued by the 105687
board may be made by delivering a copy of the subpoena to the 105688
person named therein, reading it to the person, or leaving it at 105689
the person's usual place of residence, usual place of business, 105690
or address on file with the board. When serving a subpoena to an 105691
applicant for or the holder of a license or certificate issued 105692
under this chapter, service of the subpoena may be made by 105693
certified mail, return receipt requested, and the subpoena shall 105694
be deemed served on the date delivery is made or the date the 105695
person refuses to accept delivery. If the person being served 105696
refuses to accept the subpoena or is not located, service may be 105697
made to an attorney who notifies the board that the attorney is 105698
representing the person. 105699

(d) A sheriff's deputy who serves a subpoena shall receive 105700
the same fees as a sheriff. Each witness who appears before the 105701
board in obedience to a subpoena shall receive the fees and 105702

mileage provided for under section 119.094 of the Revised Code. 105703

(4) All hearings, investigations, and inspections of the 105704
board shall be considered civil actions for the purposes of 105705
section 2305.252 of the Revised Code. 105706

(5) A report required to be submitted to the board under 105707
this chapter, a complaint, or information received by the board 105708
pursuant to an investigation or pursuant to an inspection under 105709
division (E) of section 4731.054 of the Revised Code is 105710
confidential and not subject to discovery in any civil action. 105711

The board shall conduct all investigations or inspections 105712
and proceedings in a manner that protects the confidentiality of 105713
patients and persons who file complaints with the board. The 105714
board shall not make public the names or any other identifying 105715
information about patients or complainants unless proper consent 105716
is given or, in the case of a patient, a waiver of the patient 105717
privilege exists under division (B) of section 2317.02 of the 105718
Revised Code, except that consent or a waiver of that nature is 105719
not required if the board possesses reliable and substantial 105720
evidence that no bona fide physician-patient relationship 105721
exists. 105722

The board may share any information it receives pursuant 105723
to an investigation or inspection, including patient records and 105724
patient record information, with law enforcement agencies, other 105725
licensing boards, and other governmental agencies that are 105726
prosecuting, adjudicating, or investigating alleged violations 105727
of statutes or administrative rules. An agency or board that 105728
receives the information shall comply with the same requirements 105729
regarding confidentiality as those with which the state medical 105730
board must comply, notwithstanding any conflicting provision of 105731
the Revised Code or procedure of the agency or board that 105732

applies when it is dealing with other information in its 105733
possession. In a judicial proceeding, the information may be 105734
admitted into evidence only in accordance with the Rules of 105735
Evidence, but the court shall require that appropriate measures 105736
are taken to ensure that confidentiality is maintained with 105737
respect to any part of the information that contains names or 105738
other identifying information about patients or complainants 105739
whose confidentiality was protected by the state medical board 105740
when the information was in the board's possession. Measures to 105741
ensure confidentiality that may be taken by the court include 105742
sealing its records or deleting specific information from its 105743
records. 105744

No person shall knowingly access, use, or disclose 105745
confidential investigatory information in a manner prohibited by 105746
law. 105747

(6) On a quarterly basis, the board shall prepare a report 105748
that documents the disposition of all cases during the preceding 105749
three months. The report shall contain the following information 105750
for each case with which the board has completed its activities: 105751

(a) The case number assigned to the complaint or alleged 105752
violation; 105753

(b) The type of license or certificate to practice, if 105754
any, held by the individual against whom the complaint is 105755
directed; 105756

(c) A description of the allegations contained in the 105757
complaint; 105758

(d) Whether witnesses were interviewed; 105759

(e) Whether the individual against whom the complaint is 105760
directed is the subject of any pending complaints; 105761

(f) The disposition of the case. 105762

The report shall state how many cases are still pending 105763
and shall be prepared in a manner that protects the identity of 105764
each person involved in each case. The report shall be a public 105765
record under section 149.43 of the Revised Code. 105766

(7) The board may provide a status update regarding an 105767
investigation to a complainant on request if the board verifies 105768
the complainant's identity. 105769

(G) (1) If either of the following circumstances occur, the 105770
secretary and supervising member may recommend that the board 105771
suspend an individual's license or certificate to practice or 105772
certificate to recommend without a prior hearing: 105773

(a) The secretary and supervising member determine both of 105774
the following: 105775

(i) That there is clear and convincing evidence that an 105776
individual has violated division (B) of this section; 105777

(ii) That the individual's continued practice presents a 105778
danger of immediate and serious harm to the public. 105779

(b) The board receives verifiable information that a 105780
licensee has been charged in any state or federal court with a 105781
crime classified as a felony under the charging court's law and 105782
the conduct constitutes a violation of division (B) of this 105783
section. 105784

(2) If a recommendation is made to suspend without a prior 105785
hearing pursuant to division (G) (1) of this section, written 105786
allegations shall be prepared for consideration by the board. 105787
The board, upon review of those allegations and by an 105788
affirmative vote of not fewer than six of its members, excluding 105789

the secretary and supervising member, may suspend a license or 105790
certificate without a prior hearing. A telephone conference call 105791
may be utilized for reviewing the allegations and taking the 105792
vote on the summary suspension. 105793

The board shall serve a written order of suspension in 105794
accordance with sections 119.05 and 119.07 of the Revised Code. 105795
~~The order shall not be subject to suspension by the court during~~ 105796
~~pendency of any appeal filed under section 119.12 of the Revised~~ 105797
~~Code.~~ If the individual subject to the summary suspension 105798
requests an adjudicatory hearing by the board, the date set for 105799
the hearing shall be within fifteen days, but not earlier than 105800
seven days, after the individual requests the hearing, unless 105801
otherwise agreed to by both the board and the individual. 105802

(3) Any summary suspension imposed under ~~this division~~ (G) 105803
(2) of this section is not a final appealable order and is not 105804
an adjudication that may be appealed under section 119.12 of the 105805
Revised Code. The summary suspension shall remain in effect, 105806
~~unless reversed on appeal,~~ until a final adjudicative order 105807
issued by the board pursuant to this section and Chapter 119. of 105808
the Revised Code becomes effective. Once a final adjudicative 105809
order has been issued by the board, any party adversely affected 105810
by it may file an appeal in accordance with the requirements of 105811
Chapter 119. of the Revised Code. ~~The~~ 105812

The board shall issue its final adjudicative order within 105813
seventy-five days after completion of its hearing. A failure to 105814
issue the order within seventy-five days shall result in 105815
dissolution of the summary suspension order but shall not 105816
invalidate any subsequent, final adjudicative order. 105817

(H) If the board takes action under division (B) (9), (11), 105818
or (13) of this section and the judicial finding of guilt, 105819

guilty plea, or judicial finding of eligibility for intervention 105820
in lieu of conviction is overturned on appeal, upon exhaustion 105821
of the criminal appeal, a petition for reconsideration of the 105822
order may be filed with the board along with appropriate court 105823
documents. Upon receipt of a petition of that nature and 105824
supporting court documents, the board shall reinstate the 105825
individual's license or certificate to practice. The board may 105826
then hold an adjudication under Chapter 119. of the Revised Code 105827
to determine whether the individual committed the act in 105828
question. Notice of an opportunity for a hearing shall be given 105829
in accordance with Chapter 119. of the Revised Code. If the 105830
board finds, pursuant to an adjudication held under this 105831
division, that the individual committed the act or if no hearing 105832
is requested, the board may order any of the sanctions 105833

in accordance with Chapter 119. of the Revised Code to waive the 107077
requirement that an applicant under division (D) (1) (a) of this 107078
section has been actively engaged in the activity for three of 107079
the five years immediately preceding the date the application is 107080
submitted. 107081

(E) The board secretary, or the secretary's designee, 107082

that division. 107086

(F) When an applicant for licensure as a contractor in a 107087
licensed trade meets the qualifications set forth in division 107088

(H) All licenses a contractor holds pursuant to this 107108
chapter shall expire annually on the same date, which shall be 107109
the expiration date of the original license the contractor 107110
holds. An individual holding a valid, unexpired license may 107111
renew the license, without reexamination, by submitting an 107112
application to the appropriate specialty section of the board 107113
not more than ninety calendar days before the expiration of the 107114
license, along with the renewal fee the specialty section 107115

meet the requirements of divisions (B) (2), (4), and (5) of this 107120
section. 107121

Upon application and within one calendar year after a 107122
license has expired, a section may waive any of the requirements 107123
for renewal of a license upon finding that an applicant 107124
substantially meets the renewal requirements or that failure to 107125
timely apply for renewal is due to excusable neglect. A section 107126
that waives requirements for renewal of a license may impose 107127
conditions upon the licensee and assess a late filing fee of not 107128

more than double the usual renewal fee. An applicant shall 107129
satisfy any condition the section imposes before a license is 107130

(I) An individual holding a valid license may request the 107132
section of the board that authorized that license to place the 107133
license in inactive status under conditions, and for a period of 107134
time, as that section determines. 107135

(J) Except for the ninety-day extension provided for a 107136
license assigned to a contracting company under division (D) of 107137
section 4740.07 of the Revised Code, a license held by an 107138
individual immediately terminates upon the death of the 107139
individual. 107140

(K) Nothing in any license issued by the Ohio construction 107141
industry licensing board shall be construed to limit or 107142
eliminate any requirement of or any license issued by the Ohio 107143
fire marshal. 107144

(L) (1) Subject to division (L) (3) of this section, no 107145
specialty section of the board shall adopt, maintain, renew, or 107146
enforce any rule, or otherwise preclude in any way, an 107147
individual from renewing a license under this chapter due to any 107148
past criminal activity or interpretation of moral character. If 107149
the specialty section denies an individual a license renewal, 107150
the reasons for such denial shall be put in writing. 107151

(2) The section may refuse to issue a license to an 107152
applicant because of a conviction of or plea of guilty to an 107153
offense if the refusal is in accordance with section 9.79 of the 107154
Revised Code. 107155

(3) In considering a renewal of an individual's license, 107156
the section shall not consider any conviction or plea of guilty 107157

prior to the initial licensing. However, the board may consider 107158
a conviction or plea of guilty if it occurred after the 107159
individual was initially licensed, or after the most recent 107160
license renewal. 107161

(4) The section may grant an individual a conditional 107162
license that lasts for one year. After the one-year period has 107163
expired, the license is no longer considered conditional, and 107164
the individual shall be considered fully licensed. 107165

(M) Notwithstanding divisions (H) and (L) of this section 107166
and sections 4740.04 and 4740.05 of the Revised Code, the board 107167
may establish rules that amend the continuing education 107168
requirements and license renewal schedule for licensees as 107169
provided in or adopted pursuant to those sections for the 107170
purpose of establishing a compliance incentive program. These 107171
rules may include provisions for the creation of the program and 107172
the qualifications, continuing education requirements, and 107173
renewal schedule for the program. 107174

ratification of a consent agreement that revokes or suspends an 108968
individual's license or permit. The telephone conference call 108969
shall be considered a special meeting under division (F) of 108970
section 121.22 of the Revised Code. 108971

(F) In enforcing division (A)(14) of this section, the 108972

Revised Code. The board also may compel the individual to submit 108978
to a mental examination, physical examination, including an HIV 108979
test, or both a mental and a physical examination. The expense 108980
of the examination is the responsibility of the individual 108981
compelled to be examined. Failure to submit to a mental or 108982
physical examination or consent to an HIV test ordered by the 108983
board constitutes an admission of the allegations against the 108984
individual unless the failure is due to circumstances beyond the 108985
individual's control, and a default and final order may be 108986
entered without the taking of testimony or presentation of 108987
evidence. If the board finds an individual unable to practice 108988
because of the reasons set forth in division (A)(14) of this 108989
section, the board shall require the individual to submit to 108990
care, counseling, or treatment by physicians approved or 108991
designated by the board, as a condition for initial, continued, 108992
reinstated, or renewed authority to practice. An individual 108993
affected under this division shall be afforded an opportunity to 108994
demonstrate to the board the ability to resume practice in 108995
compliance with acceptable and prevailing standards under the 108996
provisions of the individual's license or permit. For the 108997
purpose of division (A)(14) of this section, any individual who 108998

applies for or receives a license or permit under this chapter 108999
accepts the privilege of practicing in this state and, by so 109000
doing, shall be deemed to have given consent to submit to a 109001
mental or physical examination when directed to do so in writing 109002
by the board, and to have waived all objections to the 109003
admissibility of testimony or examination reports that 109004
constitute a privileged communication. 109005

(G) For the purposes of division (A) (18) of this section, 109006
any individual authorized to practice by this chapter accepts 109007
the privilege of practicing in this state subject to supervision 109008
by the board. By filing an application for or holding a license 109009
or permit under this chapter, an individual shall be deemed to 109010
have given consent to submit to a mental or physical examination 109011
when ordered to do so by the board in writing, and to have 109012
waived all objections to the admissibility of testimony or 109013
examination reports that constitute privileged communications. 109014

If it has reason to believe that any individual authorized 109015
to practice by this chapter or any applicant for a license or 109016
permit suffers such impairment, the board shall refer the 109017
individual to the monitoring organization that conducts the 109018
confidential monitoring program established under section 109019
4731.25 of the Revised Code. The board also may compel the 109020
individual to submit to a mental or physical examination, or 109021
both. The expense of the examination is the responsibility of 109022
the individual compelled to be examined. Any mental or physical 109023
examination required under this division shall be undertaken by 109024
a treatment provider or physician who is qualified to conduct 109025
the examination and who is approved under section 4731.251 of 109026
the Revised Code. 109027

Failure to submit to a mental or physical examination 109028

ordered by the board constitutes an admission of the allegations 109029
against the individual unless the failure is due to 109030
circumstances beyond the individual's control, and a default and 109031
final order may be entered without the taking of testimony or 109032
presentation of evidence. If the board determines that the 109033
individual's ability to practice is impaired, the board shall 109034
suspend the individual's license or permit or deny the 109035
individual's application and shall require the individual, as a 109036
condition for an initial, continued, reinstated, or renewed 109037
license or permit, to submit to treatment. 109038

Before being eligible to apply for reinstatement of a 109039
license or permit suspended under this division, the impaired 109040
practitioner shall demonstrate to the board the ability to 109041
resume practice in compliance with acceptable and prevailing 109042
standards of care under the provisions of the practitioner's 109043
license or permit. The demonstration shall include, but shall 109044
not be limited to, the following: 109045

(1) Certification from a treatment provider approved under 109046
section 4731.251 of the Revised Code that the individual has 109047
successfully completed any required inpatient treatment; 109048

(2) Evidence of continuing full compliance with an 109049
aftercare contract or consent agreement; 109050

(3) Two written reports indicating that the individual's 109051
ability to practice has been assessed and that the individual 109052
has been found capable of practicing according to acceptable and 109053
prevailing standards of care. The reports shall be made by 109054
individuals or providers approved by the board for making the 109055
assessments and shall describe the basis for their 109056
determination. 109057

The board may reinstate a license or permit suspended 109058
under this division after that demonstration and after the 109059
individual has entered into a written consent agreement. 109060

When the impaired practitioner resumes practice, the board 109061
shall require continued monitoring of the individual. The 109062
monitoring shall include, but not be limited to, compliance with 109063
the written consent agreement entered into before reinstatement 109064
or with conditions imposed by board order after a hearing, and, 109065
upon termination of the consent agreement, submission to the 109066
board for at least two years of annual written progress reports 109067
made under penalty of perjury stating whether the individual has 109068
maintained sobriety. 109069

(H) (1) If either of the following circumstances occur, the 109070
secretary and supervising member may recommend that the board 109071
suspend an individual's license or permit without a prior 109072
hearing: 109073

(a) The secretary and supervising member determine both of 109074
the following: 109075

(i) That there is clear and convincing evidence that an 109076
individual has violated division (A) of this section; 109077

(ii) That the individual's continued practice presents a 109078
danger of immediate and serious harm to the public. 109079

(b) The board receives verifiable information that a 109080
licensee has been charged in any state or federal court for a 109081
crime classified as a felony under the charging court's law and 109082
the conduct charged constitutes a violation of division (A) of 109083
this section. 109084

(2) If a recommendation is made to suspend without a prior 109085
hearing pursuant to division (H) (1) of this section, written 109086

allegations shall be prepared for consideration by the board. 109087
The board, upon review of those allegations and by an 109088
affirmative vote of not fewer than six of its members, excluding 109089
the secretary and supervising member, may suspend a license or 109090
permit without a prior hearing. A telephone conference call may 109091
be utilized for reviewing the allegations and taking the vote on 109092
the summary suspension. 109093

The board shall serve a written order of suspension in 109094
accordance with sections 119.05 and 119.07 of the Revised Code. 109095
~~The order shall not be subject to suspension by the court during~~ 109096
~~pendency of any appeal filed under section 119.12 of the Revised~~ 109097
~~Code.~~ If the individual subject to the summary suspension 109098
requests an adjudicatory hearing by the board, the date set for 109099
the hearing shall be within fifteen days, but not earlier than 109100
seven days, after the individual requests the hearing, unless 109101
otherwise agreed to by both the board and the individual. 109102

(3) Any summary suspension imposed under ~~this division~~ (H) 109103
(2) of this section is not a final appealable order and is not 109104
an adjudication that may be appealed under section 119.12 of the 109105
Revised Code. The summary suspension shall remain in effect, 109106
~~unless reversed on appeal,~~ until a final adjudicative order 109107
issued by the board pursuant to this section and Chapter 119. of 109108
the Revised Code becomes effective. Once a final adjudicative 109109
order has been issued by the board, any party adversely affected 109110
by it may file an appeal in accordance with the requirements of 109111
Chapter 119. of the Revised Code. ~~The~~ 109112

The board shall issue its final adjudicative order within 109113
seventy-five days after completion of its hearing. A failure to 109114
issue the order within seventy-five days shall result in 109115
dissolution of the summary suspension order but shall not 109116

invalidate any subsequent, final adjudicative order. 109117

(I) If the board is required by Chapter 119. of the 109118
Revised Code to give notice of an opportunity for a hearing and 109119
if the individual subject to the notice does not timely request 109120
a hearing in accordance with section 119.07 of the Revised Code, 109121
the board is not required to hold a hearing, but may adopt, by 109122
an affirmative vote of not fewer than six of its members, a 109123
final order that contains the board's findings. In the final 109124
order, the board may order any of the sanctions identified under 109125
division (A) of this section. 109126

(J) For purposes of divisions (A) (5), (7), and (9) of this 109127
section, the commission of the act may be established by a 109128
finding by the board, pursuant to an adjudication under Chapter 109129
119. of the Revised Code, that the individual committed the act. 109130
The board does not have jurisdiction under those divisions if 109131
the trial court renders a final judgment in the individual's 109132
favor and that judgment is based upon an adjudication on the 109133
merits. The board has jurisdiction under those divisions if the 109134
trial court issues an order of dismissal upon technical or 109135
procedural grounds. 109136

(K) The sealing or expungement of conviction records by 109137
any court shall have no effect upon a prior board order entered 109138
under this section or upon the board's jurisdiction to take 109139
action under this section if, based upon a plea of guilty, a 109140
judicial finding of guilt, or a judicial finding of eligibility 109141
for intervention in lieu of conviction, the board issued a 109142
notice of opportunity for a hearing prior to the court's order 109143
to seal or expunge the records. The board shall not be required 109144
to seal, destroy, redact, or otherwise modify its records to 109145
reflect the court's sealing or expungement of conviction 109146

records. 109147

(L) If the board takes action under division (A) (4), (6), 109148
or (8) of this section, and the judicial finding of guilt, 109149
guilty plea, or judicial finding of eligibility for intervention 109150
in lieu of conviction is overturned on appeal, upon exhaustion 109151
of the criminal appeal, a petition for reconsideration of the 109152
order may be filed with the board along with appropriate court 109153
documents. Upon receipt of a petition for reconsideration and 109154
supporting court documents, the board shall reinstate the 109155
individual's license or permit. The board may then hold an 109156
adjudication under Chapter 119. of the Revised Code to determine 109157
whether the individual committed the act in question. Notice of 109158
an opportunity for a hearing shall be given in accordance with 109159
Chapter 119. of the Revised Code. If the board finds, pursuant 109160
to an adjudication held under this division, that the individual 109161
committed the act or if no hearing is requested, the board may 109162
order any of the sanctions identified under division (A) of this 109163
section. 109164

(M) The license or permit issued to an individual under 109165
this chapter and the individual's practice in this state are 109166
automatically suspended as of the date the individual pleads 109167
guilty to, is found by a judge or jury to be guilty of, or is 109168
subject to a judicial finding of eligibility for intervention in 109169
lieu of conviction in this state or treatment or intervention in 109170
lieu of conviction in another jurisdiction for any of the 109171
following criminal offenses in this state or a substantially 109172
equivalent criminal offense in another jurisdiction: aggravated 109173
murder, murder, voluntary manslaughter, felonious assault, 109174
trafficking in persons, kidnapping, rape, sexual battery, gross 109175
sexual imposition, aggravated arson, aggravated robbery, or 109176
aggravated burglary. Continued practice after suspension shall 109177

be considered practicing without a license or permit. 109178

The board shall serve the individual subject to the 109179
suspension in accordance with sections 119.05 and 119.07 of the 109180
Revised Code. If an individual whose license or permit is 109181
automatically suspended under this division fails to make a 109182
timely request for an adjudication under Chapter 119. of the 109183
Revised Code, the board shall enter a final order permanently 109184
revoking the individual's license or permit. 109185

(N) Notwithstanding any other provision of the Revised 109186
Code, all of the following apply: 109187

(1) The surrender of a license or permit issued under this 109188
chapter shall not be effective unless or until accepted by the 109189
board. A telephone conference call may be utilized for 109190
acceptance of the surrender of an individual's license or 109191
permit. The telephone conference call shall be considered a 109192
special meeting under division (F) of section 121.22 of the 109193
Revised Code. Reinstatement of a license or permit surrendered 109194
to the board requires an affirmative vote of not fewer than six 109195
members of the board. 109196

(2) An application for a license or permit made under the 109197
provisions of this chapter may not be withdrawn without approval 109198
of the board. 109199

(3) Failure by an individual to renew a license or permit 109200
in accordance with this chapter does not remove or limit the 109201
board's jurisdiction to take any disciplinary action under this 109202
section against the individual. 109203

(4) The placement of an individual's license on retired 109204
status, as described in section 4759.064 of the Revised Code, 109205
does not remove or limit the board's jurisdiction to take any 109206

disciplinary action against the individual with regard to the 109207
license as it existed before being placed on retired status. 109208

(5) At the request of the board, a license or permit 109209
holder shall immediately surrender to the board a license or 109210
permit that the board has suspended, revoked, or permanently 109211
revoked. 109212

Sec. 4759.99. Whoever violates section 4759.02 of the 109213
Revised Code is guilty of a minor misdemeanor. If the offender 109214
has been previously convicted once of a violation of ~~the~~ section 109215
4759.02 of the Revised Code, then the ~~violation~~ offender is 109216
guilty of a misdemeanor of the fourth degree. If the offender 109217
has been previously convicted more than once of a violation of 109218
~~the~~ section 4759.02 of the Revised Code, then the ~~violation~~ 109219
offender is guilty of a misdemeanor of the first degree. 109220

Whoever violates division (B) (1) or (2) of section 4759.14 109221
of the Revised Code is guilty of ~~failure to report criminal~~ 109222
~~conduct or sexual misconduct~~, a misdemeanor of the fourth 109223
degree. ~~If the offender has previously been convicted of a~~ 109224
~~violation of this division, the failure to report on a first~~ 109225
offense; on each subsequent offense, the offender is guilty of a 109226
misdemeanor of the first degree. 109227

Whoever violates division (B) of section 4759.05 of the 109228
Revised Code is guilty of ~~disclosing confidential investigatory~~ 109229
~~information~~, a misdemeanor of the first degree. 109230

Sec. 4760.13. (A) The state medical board, by an 109231
affirmative vote of not fewer than six members, may refuse to 109232
grant a license to practice as an anesthesiologist assistant to, 109233
or may revoke the license held by, an individual found by the 109234
board to have committed fraud, misrepresentation, or deception 109235

in applying for or securing the license. 109236

(B) The board, by an affirmative vote of not fewer than 109237
six members, shall, except as provided in division (C) of this 109238
section, and to the extent permitted by law, limit, revoke, or 109239
suspend an individual's license to practice as an 109240
anesthesiologist assistant, refuse to issue a license to an 109241
applicant, refuse to renew a license, refuse to reinstate a 109242
license, or reprimand or place on probation the holder of a 109243
license for any of the following reasons: 109244

(1) Permitting the holder's name or license to be used by 109245
another person; 109246

(2) Failure to comply with the requirements of this 109247
chapter, Chapter 4731. of the Revised Code, or any rules adopted 109248
by the board; 109249

(3) Violating or attempting to violate, directly or 109250
indirectly, or assisting in or abetting the violation of, or 109251
conspiring to violate, any provision of this chapter, Chapter 109252
4731. of the Revised Code, or the rules adopted by the board; 109253

(4) A departure from, or failure to conform to, minimal 109254
standards of care of similar practitioners under the same or 109255
similar circumstances whether or not actual injury to the 109256
patient is established; 109257

(5) Inability to practice according to acceptable and 109258
prevailing standards of care by reason of mental illness or 109259
physical illness, including physical deterioration that 109260
adversely affects cognitive, motor, or perceptive skills; 109261

(6) Impairment of ability to practice according to 109262
acceptable and prevailing standards of care because of substance 109263
use disorder or excessive use or abuse of drugs, alcohol, or 109264

other substances that may impair ability to practice; 109265

(7) Willfully betraying a professional confidence; 109266

(8) Making a false, fraudulent, deceptive, or misleading 109267
statement in securing or attempting to secure a license to 109268
practice as an anesthesiologist assistant. 109269

As used in this division, "false, fraudulent, deceptive, 109270
or misleading statement" means a statement that includes a 109271
misrepresentation of fact, is likely to mislead or deceive 109272
because of a failure to disclose material facts, is intended or 109273
is likely to create false or unjustified expectations of 109274
favorable results, or includes representations or implications 109275
that in reasonable probability will cause an ordinarily prudent 109276
person to misunderstand or be deceived. 109277

(9) The obtaining of, or attempting to obtain, money or a 109278
thing of value by fraudulent misrepresentations in the course of 109279
practice; 109280

(10) A plea of guilty to, a judicial finding of guilt of, 109281
or a judicial finding of eligibility for intervention in lieu of 109282
conviction for, a felony; 109283

(11) Commission of an act that constitutes a felony in 109284
this state, regardless of the jurisdiction in which the act was 109285
committed; 109286

(12) A plea of guilty to, a judicial finding of guilt of, 109287
or a judicial finding of eligibility for intervention in lieu of 109288
conviction for, a misdemeanor committed in the course of 109289
practice; 109290

(13) A plea of guilty to, a judicial finding of guilt of, 109291
or a judicial finding of eligibility for intervention in lieu of 109292

conviction for, a misdemeanor involving moral turpitude; 109293

(14) Commission of an act in the course of practice that 109294
constitutes a misdemeanor in this state, regardless of the 109295
jurisdiction in which the act was committed; 109296

(15) Commission of an act involving moral turpitude that 109297
constitutes a misdemeanor in this state, regardless of the 109298
jurisdiction in which the act was committed; 109299

(16) A plea of guilty to, a judicial finding of guilt of, 109300
or a judicial finding of eligibility for intervention in lieu of 109301
conviction for violating any state or federal law regulating the 109302
possession, distribution, or use of any drug, including 109303
trafficking in drugs; 109304

(17) Any of the following actions taken by the state 109305
agency responsible for regulating the practice of 109306
anesthesiologist assistants in another jurisdiction, for any 109307
reason other than the nonpayment of fees: the limitation, 109308
revocation, or suspension of an individual's license to 109309
practice; acceptance of an individual's license surrender; 109310
denial of a license; refusal to renew or reinstate a license; 109311
imposition of probation; or issuance of an order of censure or 109312
other reprimand; 109313

(18) Violation of the conditions placed by the board on a 109314
license to practice; 109315

(19) Failure to use universal blood and body fluid 109316
precautions established by rules adopted under section 4731.051 109317
of the Revised Code; 109318

(20) Failure to cooperate in an investigation conducted by 109319
the board under section 4760.14 of the Revised Code, including 109320
failure to comply with a subpoena or order issued by the board 109321

or failure to answer truthfully a question presented by the 109322
board at a deposition or in written interrogatories, except that 109323
failure to cooperate with an investigation shall not constitute 109324
grounds for discipline under this section if a court of 109325
competent jurisdiction has issued an order that either quashes a 109326
subpoena or permits the individual to withhold the testimony or 109327
evidence in issue; 109328

(21) Failure to comply with any code of ethics established 109329
by the national commission for the certification of 109330
anesthesiologist assistants; 109331

(22) Failure to notify the state medical board of the 109332
revocation or failure to maintain certification from the 109333
national commission for certification of anesthesiologist 109334
assistants. 109335

(C) The board shall not refuse to issue a certificate to 109336
an applicant because of a plea of guilty to, a judicial finding 109337
of guilt of, or a judicial finding of eligibility for 109338
intervention in lieu of conviction for an offense unless the 109339
refusal is in accordance with section 9.79 of the Revised Code. 109340

(D) Disciplinary actions taken by the board under 109341
divisions (A) and (B) of this section shall be taken pursuant to 109342
an adjudication under Chapter 119. of the Revised Code, except 109343
that in lieu of an adjudication, the board may enter into a 109344
consent agreement with an anesthesiologist assistant or 109345
applicant to resolve an allegation of a violation of this 109346
chapter or any rule adopted under it. A consent agreement, when 109347
ratified by an affirmative vote of not fewer than six members of 109348
the board, shall constitute the findings and order of the board 109349
with respect to the matter addressed in the agreement. If the 109350
board refuses to ratify a consent agreement, the admissions and 109351

findings contained in the consent agreement shall be of no force 109352
or effect. 109353

(E) For purposes of divisions (B) (11), (14), and (15) of 109354
this section, the commission of the act may be established by a 109355
finding by the board, pursuant to an adjudication under Chapter 109356
119. of the Revised Code, that the applicant or license holder 109357
committed the act in question. The board shall have no 109358
jurisdiction under these divisions in cases where the trial 109359
court renders a final judgment in the license holder's favor and 109360
that judgment is based upon an adjudication on the merits. The 109361
board shall have jurisdiction under these divisions in cases 109362
where the trial court issues an order of dismissal on technical 109363
or procedural grounds. 109364

(F) The sealing or expungement of conviction records by 109365
any court shall have no effect on a prior board order entered 109366
under the provisions of this section or on the board's 109367
jurisdiction to take action under the provisions of this section 109368
if, based upon a plea of guilty, a judicial finding of guilt, or 109369
a judicial finding of eligibility for intervention in lieu of 109370
conviction, the board issued a notice of opportunity for a 109371
hearing prior to the court's order to seal or expunge the 109372
records. The board shall not be required to seal, destroy, 109373
redact, or otherwise modify its records to reflect the court's 109374
sealing or expungement of conviction records. 109375

(G) For purposes of this division, any individual who 109376
holds a license to practice issued under this chapter, or 109377
applies for a license to practice, shall be deemed to have given 109378
consent to submit to a mental or physical examination when 109379
directed to do so in writing by the board and to have waived all 109380
objections to the admissibility of testimony or examination 109381

reports that constitute a privileged communication. 109382

(1) In enforcing division (B) (5) of this section, the 109383
board, on a showing of a possible violation, shall refer any 109384
individual who holds, or has applied for, a license issued under 109385
this chapter to the monitoring organization that conducts the 109386
confidential monitoring program established under section 109387
4731.25 of the Revised Code. The board also may compel the 109388
individual to this chapter to submit to a mental or physical 109389
examination, or both. A physical examination may include an HIV 109390
test. The expense of the examination is the responsibility of 109391
the individual compelled to be examined. Failure to submit to a 109392
mental or physical examination or consent to an HIV test ordered 109393
by the board constitutes an admission of the allegations against 109394
the individual unless the failure is due to circumstances beyond 109395
the individual's control, and a default and final order may be 109396
entered without the taking of testimony or presentation of 109397
evidence. If the board finds an anesthesiologist assistant 109398
unable to practice because of the reasons set forth in division 109399
(B) (5) of this section, the board shall require the 109400
anesthesiologist assistant to submit to care, counseling, or 109401
treatment by physicians approved or designated by the board, as 109402
a condition for an initial, continued, reinstated, or renewed 109403
license to practice. An individual affected by this division 109404
shall be afforded an opportunity to demonstrate to the board the 109405
ability to resume practicing in compliance with acceptable and 109406
prevailing standards of care. 109407

(2) For purposes of division (B) (6) of this section, if 109408
the board has reason to believe that any individual who holds a 109409
license to practice issued under this chapter or any applicant 109410
for a license to practice suffers such impairment, the board 109411
shall report the individual to the monitoring organization that 109412

conducts the confidential monitoring program established under 109413
section 4731.25 of the Revised Code. The board also may compel 109414
the individual to submit to a mental or physical examination, or 109415
both. The expense of the examination is the responsibility of 109416
the individual compelled to be examined. Any mental or physical 109417
examination required under this division shall be undertaken by 109418
a treatment provider or physician qualified to conduct such 109419
examination and approved under section 4731.251 of the Revised 109420
Code. 109421

Failure to submit to a mental or physical examination 109422
ordered by the board constitutes an admission of the allegations 109423
against the individual unless the failure is due to 109424
circumstances beyond the individual's control, and a default and 109425
final order may be entered without the taking of testimony or 109426
presentation of evidence. If the board determines that the 109427
individual's ability to practice is impaired, the board shall 109428
suspend the individual's license or deny the individual's 109429
application and shall require the individual, as a condition for 109430
an initial, continued, reinstated, or renewed license to 109431
practice, to submit to treatment. 109432

Before being eligible to apply for reinstatement of a 109433
license suspended under this division, the anesthesiologist 109434
assistant shall demonstrate to the board the ability to resume 109435
practice in compliance with acceptable and prevailing standards 109436
of care. The demonstration shall include the following: 109437

(a) Certification from a treatment provider approved under 109438
section 4731.251 of the Revised Code that the individual has 109439
successfully completed any required inpatient treatment; 109440

(b) Evidence of continuing full compliance with an 109441
aftercare contract or consent agreement; 109442

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired anesthesiologist assistant resumes practice, the board shall require continued monitoring of the anesthesiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the anesthesiologist assistant has maintained sobriety.

(H) (1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend the individual's license without a prior hearing:

(a) The secretary and supervising member determine that there is clear and convincing evidence that an anesthesiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public.

(b) The board receives verifiable information that a

licensee has been charged in any state or federal court for a 109472
crime classified as a felony under the charging court's law and 109473
the conduct charged constitutes a violation of division (B) of 109474
this section. 109475

(2) If a recommendation is made to suspend without a prior 109476
hearing pursuant to division (H)(1) of this section, written 109477
allegations shall be prepared for consideration by the board. 109478

The board, on review of the allegations and by an 109479
affirmative vote of not fewer than six of its members, excluding 109480
the secretary and supervising member, may suspend a license 109481
without a prior hearing. A telephone conference call may be 109482
utilized for reviewing the allegations and taking the vote on 109483
the summary suspension. 109484

The board shall serve a written order of suspension in 109485
accordance with sections 119.05 and 119.07 of the Revised Code. 109486
~~The order shall not be subject to suspension by the court during~~ 109487
~~pendency of any appeal filed under section 119.12 of the Revised~~ 109488
~~Code.~~ If the anesthesiologist assistant requests an adjudicatory 109489
hearing by the board, the date set for the hearing shall be 109490
within fifteen days, but not earlier than seven days, after the 109491
anesthesiologist assistant requests the hearing, unless 109492
otherwise agreed to by both the board and the license holder. 109493

(3) A summary suspension imposed under ~~this division~~ (H) 109494
(2) of this section is not a final appealable order and is not 109495
an adjudication that may be appealed under section 119.12 of the 109496
Revised Code. The summary suspension shall remain in effect, 109497
~~unless reversed on appeal,~~ until a final adjudicative order 109498
issued by the board pursuant to this section and Chapter 119. of 109499
the Revised Code becomes effective. Once a final adjudicative 109500
order has been issued by the board, any party adversely affected 109501

by it may file an appeal in accordance with the requirements of 109502
Chapter 119. of the Revised Code. ~~The~~ 109503

The board shall issue its final adjudicative order within 109504
~~sixty-seventy-five~~ days after completion of its hearing. Failure 109505
to issue the order within ~~sixty-seventy-five~~ days shall result 109506
in dissolution of the summary suspension order, but shall not 109507
invalidate any subsequent, final adjudicative order. 109508

(I) If the board takes action under division (B) (11), 109509
(13), or (14) of this section, and the judicial finding of 109510
guilt, guilty plea, or judicial finding of eligibility for 109511
intervention in lieu of conviction is overturned on appeal, on 109512
exhaustion of the criminal appeal, a petition for 109513
reconsideration of the order may be filed with the board along 109514
with appropriate court documents. On receipt of a petition and 109515
supporting court documents, the board shall reinstate the 109516
license to practice. The board may then hold an adjudication 109517
under Chapter 119. of the Revised Code to determine whether the 109518
individual committed the act in question. Notice of opportunity 109519
for hearing shall be given in accordance with Chapter 119. of 109520
the Revised Code. If the board finds, pursuant to an 109521
adjudication held under this division, that the individual 109522
committed the act, or if no hearing is requested, it may order 109523
any of the sanctions specified in division (B) of this section. 109524

(J) The license to practice of an anesthesiologist 109525
assistant and the assistant's practice in this state are 109526
automatically suspended as of the date the anesthesiologist 109527
assistant pleads guilty to, is found by a judge or jury to be 109528
guilty of, or is subject to a judicial finding of eligibility 109529
for intervention in lieu of conviction in this state or 109530
treatment or intervention in lieu of conviction in another 109531

jurisdiction for any of the following criminal offenses in this 109532
state or a substantially equivalent criminal offense in another 109533
jurisdiction: aggravated murder, murder, voluntary manslaughter, 109534
felonious assault, trafficking in persons, kidnapping, rape, 109535
sexual battery, gross sexual imposition, aggravated arson, 109536
aggravated robbery, or aggravated burglary. Continued practice 109537
after the suspension shall be considered practicing without a 109538
license. 109539

The board shall serve the individual subject to the 109540
suspension in accordance with sections 119.05 and 119.07 of the 109541
Revised Code. If an individual whose license is suspended under 109542
this division fails to make a timely request for an adjudication 109543
under Chapter 119. of the Revised Code, the board shall enter a 109544
final order permanently revoking the individual's license to 109545
practice. 109546

(K) In any instance in which the board is required by 109547
Chapter 119. of the Revised Code to give notice of opportunity 109548
for hearing and the individual subject to the notice does not 109549
timely request a hearing in accordance with section 119.07 of 109550
the Revised Code, the board is not required to hold a hearing, 109551
but may adopt, by an affirmative vote of not fewer than six of 109552
its members, a final order that contains the board's findings. 109553
In the final order, the board may order any of the sanctions 109554
identified under division (A) or (B) of this section. 109555

(L) Any action taken by the board under division (B) of 109556
this section resulting in a suspension shall be accompanied by a 109557
written statement of the conditions under which the 109558
anesthesiologist assistant's license may be reinstated. The 109559
board shall adopt rules in accordance with Chapter 119. of the 109560
Revised Code governing conditions to be imposed for 109561

reinstatement. Reinstatement of a license suspended pursuant to 109562
division (B) of this section requires an affirmative vote of not 109563
fewer than six members of the board. 109564

(M) When the board refuses to grant or issue a license to 109565
practice as an anesthesiologist assistant to an applicant, 109566
revokes an individual's license, refuses to renew an 109567
individual's license, or refuses to reinstate an individual's 109568
license, the board may specify that its action is permanent. An 109569
individual subject to a permanent action taken by the board is 109570
forever thereafter ineligible to hold a license to practice as 109571
an anesthesiologist assistant and the board shall not accept an 109572
application for reinstatement of the license or for issuance of 109573
a new license. 109574

(N) Notwithstanding any other provision of the Revised 109575
Code, all of the following apply: 109576

(1) The surrender of a license to practice issued under 109577
this chapter is not effective unless or until accepted by the 109578
board. Reinstatement of a license surrendered to the board 109579
requires an affirmative vote of not fewer than six members of 109580
the board. 109581

(2) An application made under this chapter for a license 109582
to practice may not be withdrawn without approval of the board. 109583

(3) Failure by an individual to renew a license to 109584
practice in accordance with section 4760.06 of the Revised Code 109585
does not remove or limit the board's jurisdiction to take 109586
disciplinary action under this section against the individual. 109587

(4) The placement of an individual's license on retired 109588
status, as described in section 4760.062 of the Revised Code, 109589
does not remove or limit the board's jurisdiction to take any 109590

disciplinary action against the individual with regard to the 109591
license as it existed before being placed on retired status. 109592

Sec. 4760.99. (A) Whoever violates section 4760.02 of the 109593
Revised Code is guilty of a misdemeanor of the first degree on a 109594
first offense; on each subsequent offense, the person is guilty 109595
of a felony of the fourth degree. 109596

(B) (1) Whoever violates division (B) (1), (C) (1), (C) (2), 109597
(D), or (E) of section 4760.16 of the Revised Code is guilty of 109598
a minor misdemeanor on a first offense; on each subsequent 109599
offense the person is guilty of a misdemeanor of the fourth 109600
degree, except that an individual guilty of a subsequent offense 109601
shall not be subject to imprisonment, but to a fine alone of up 109602
to one thousand dollars for each offense. 109603

(2) Whoever violates division (B) (2) or (C) (3) of section 109604
4760.16 of the Revised Code is guilty of ~~failure to report~~ 109605
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 109606
fourth degree. ~~If the offender has previously been convicted of~~ 109607
~~a violation of this division, the failure to report on a first~~ 109608
~~offense; on each subsequent offense, the person is guilty of a~~ 109609
misdemeanor of the first degree. 109610

(C) Whoever violates division (E) of section 4760.14 of 109611
the Revised Code is guilty of ~~disclosing confidential~~ 109612
~~investigatory information,~~ a misdemeanor of the first degree. 109613

Sec. 4761.09. (A) The state medical board, by an 109614
affirmative vote of not fewer than six members, shall, except as 109615
provided in division (B) of this section, and to the extent 109616
permitted by law, limit, revoke, or suspend an individual's 109617
license or limited permit, refuse to issue a license or limited 109618
permit to an individual, refuse to renew a license or limited 109619

permit, refuse to reinstate a license or limited permit, or 109620
reprimand or place on probation the holder of a license or 109621
limited permit for one or more of the following reasons: 109622

(1) A plea of guilty to, a judicial finding of guilt of, 109623
or a judicial finding of eligibility for intervention in lieu of 109624
conviction for, a felony; 109625

(2) Commission of an act that constitutes a felony in this 109626
state, regardless of the jurisdiction in which the act was 109627
committed; 109628

(3) A plea of guilty to, a judicial finding of guilt of, 109629
or a judicial finding of eligibility for intervention in lieu of 109630
conviction for, a misdemeanor committed in the course of 109631
practice; 109632

(4) Commission of an act in the course of practice that 109633
constitutes a misdemeanor in this state, regardless of the 109634
jurisdiction in which the act was committed; 109635

(5) A plea of guilty to, a judicial finding of guilt of, 109636
or a judicial finding of eligibility for intervention in lieu of 109637
conviction for, a misdemeanor involving moral turpitude; 109638

(6) Commission of an act involving moral turpitude that 109639
constitutes a misdemeanor in this state, regardless of the 109640
jurisdiction in which the act was committed; 109641

(7) Except when civil penalties are imposed under section 109642
4761.091 of the Revised Code, violating or attempting to 109643
violate, directly or indirectly, or assisting in or abetting the 109644
violation of, or conspiring to violate, any provision of this 109645
chapter or the rules adopted by the board; 109646

(8) Making a false, fraudulent, deceptive, or misleading 109647

statement in the solicitation of or advertising for patients; in 109648
relation to the practice of respiratory care; or in securing or 109649
attempting to secure any license or permit issued by the board 109650
under this chapter. 109651

As used in division (A) (8) of this section, "false, 109652
fraudulent, deceptive, or misleading statement" means a 109653
statement that includes a misrepresentation of fact, is likely 109654
to mislead or deceive because of a failure to disclose material 109655
facts, is intended or is likely to create false or unjustified 109656
expectations of favorable results, or includes representations 109657
or implications that in reasonable probability will cause an 109658
ordinarily prudent person to misunderstand or be deceived. 109659

(9) Committing fraud during the administration of the 109660
examination for a license to practice or committing fraud, 109661
misrepresentation, or deception in applying for, renewing, or 109662
securing any license or permit issued by the board; 109663

(10) A departure from, or failure to conform to, minimal 109664
standards of care of similar practitioners under the same or 109665

the board, in the practice of respiratory care; 109669

of practice; 109672

(13) Violation of the conditions of limitation placed by 109673
the board upon a license or permit; 109674

(14) Inability to practice according to acceptable and 109675
prevailing standards of care by reason of mental illness or 109676

physical illness, including physical deterioration that 109677
adversely affects cognitive, motor, or perceptive skills; 109678

(15) Any of the following actions taken by an agency 109679
responsible for authorizing, certifying, or regulating an 109680
individual to practice a health care occupation or provide 109681
health care services in this state or another jurisdiction, for 109682
any reason other than the nonpayment of fees: the limitation, 109683
revocation, or suspension of an individual's license; acceptance 109684
of an individual's license surrender; denial of a license; 109685
refusal to renew or reinstate a license; imposition of 109686
probation; or issuance of an order of censure or other 109687
reprimand; 109688

(16) The revocation, suspension, restriction, reduction, 109689
or termination of practice privileges by the United States 109690
department of defense or department of veterans affairs; 109691

(17) Termination or suspension from participation in the 109692
medicare or medicaid programs by the department of health and 109693

that also would constitute a violation of division (A) (10), 109695
(12), or (14) of this section; 109696

(18) Impairment of ability to practice according to 109697
acceptable and prevailing standards of care because of substance 109698

(19) Failure to cooperate in an investigation conducted by 109701
the board under division (E) of section 4761.03 of the Revised 109702
Code, including failure to comply with a subpoena or order 109703
issued by the board or failure to answer truthfully a question 109704
presented by the board in an investigative interview, an 109705

investigative office conference, at a deposition, or in written 109706
interrogatories, except that failure to cooperate with an 109707
investigation shall not constitute grounds for discipline under 109708
this section if a court of competent jurisdiction has issued an 109709
order that either quashes a subpoena or permits the individual 109710
to withhold the testimony or evidence in issue; 109711

(20) Practicing in an area of respiratory care for which 109712
the person is clearly untrained or incompetent or practicing in 109713

the practice of respiratory care; 109721

(23) Assisting suicide as defined in section 3795.01 of 109722
the Revised Code; 109723

(24) Representing, with the purpose of obtaining 109724
compensation or other advantage as personal gain or for any 109725
other person, that an incurable disease or injury, or other 109726
incurable condition, can be permanently cured. 109727

Disciplinary actions taken by the board under division (A) 109728
of this section shall be taken pursuant to an adjudication under 109729
Chapter 119. of the Revised Code, except that in lieu of an 109730
adjudication, the board may enter into a consent agreement with 109731
an individual to resolve an allegation of a violation of this 109732
chapter or any rule adopted under it. A consent agreement, when 109733
ratified by an affirmative vote of not fewer than six members of 109734

the board, shall constitute the findings and order of the board 109735
with respect to the matter addressed in the agreement. If the 109736
board refuses to ratify a consent agreement, the admissions and 109737
findings contained in the consent agreement shall be of no 109738
effect. 109739

A telephone conference call may be utilized for 109740
ratification of a consent agreement that revokes or suspends an 109741
individual's license or permit. The telephone conference call 109742
shall be considered a special meeting under division (F) of 109743
section 121.22 of the Revised Code. 109744

(B) The board shall not refuse to issue a license or 109745
limited permit to an applicant because of a plea of guilty to, a 109746
judicial finding of guilt of, or a judicial finding of 109747
eligibility for intervention in lieu of conviction for an 109748
offense unless the refusal is in accordance with section 9.79 of 109749
the Revised Code. 109750

(C) Any action taken by the board under division (A) of 109751
this section resulting in a suspension from practice shall be 109752
accompanied by a written statement of the conditions under which 109753
the individual's license or permit may be reinstated. The board 109754
shall adopt rules governing conditions to be imposed for 109755
reinstatement. Reinstatement of a license or permit suspended 109756
pursuant to division (A) of this section requires an affirmative 109757
vote of not fewer than six members of the board. 109758

(D) When the board refuses to grant or issue a license or 109759
permit to an applicant, revokes an individual's license or 109760
permit, refuses to renew an individual's license or permit, or 109761
refuses to reinstate an individual's license or permit, the 109762
board may specify that its action is permanent. An individual 109763
subject to a permanent action taken by the board is forever 109764

thereafter ineligible to hold a license or permit and the board 109765
shall not accept an application for reinstatement of the license 109766
or permit or for issuance of a new license or permit. 109767

(E) If the board is required by Chapter 119. of the 109768
Revised Code to give notice of an opportunity for a hearing and 109769
if the individual subject to the notice does not timely request 109770
a hearing in accordance with section 119.07 of the Revised Code, 109771
the board is not required to hold a hearing, but may adopt, by 109772
an affirmative vote of not fewer than six of its members, a 109773
final order that contains the board's findings. In the final 109774
order, the board may order any of the sanctions identified under 109775
division (A) of this section. 109776

(F) In enforcing division (A) (14) of this section, the 109777
board, upon a showing of a possible violation, shall refer any 109778
individual authorized to practice by this chapter or who has 109779
submitted an application pursuant to this chapter to the 109780
monitoring organization that conducts the confidential 109781
monitoring program established under section 4731.25 of the 109782
Revised Code. The board also may compel the individual to submit 109783
to a mental examination, physical examination, including an HIV 109784
test, or both a mental and a physical examination. The expense 109785
of the examination is the responsibility of the individual 109786
compelled to be examined. Failure to submit to a mental or 109787
physical examination or consent to an HIV test ordered by the 109788
board constitutes an admission of the allegations against the 109789
individual unless the failure is due to circumstances beyond the 109790
individual's control, and a default and final order may be 109791
entered without the taking of testimony or presentation of 109792
evidence. If the board finds an individual unable to practice 109793
because of the reasons set forth in division (A) (14) of this 109794
section, the board shall require the individual to submit to 109795

care, counseling, or treatment by physicians approved or 109796
designated by the board, as a condition for initial, continued, 109797
reinstated, or renewed authority to practice. An individual 109798
affected under this division shall be afforded an opportunity to 109799
demonstrate to the board the ability to resume practice in 109800
compliance with acceptable and prevailing standards under the 109801
provisions of the individual's license or permit. For the 109802
purpose of division (A) (14) of this section, any individual who 109803
applies for or receives a license or permit to practice under 109804
this chapter accepts the privilege of practicing in this state 109805
and, by so doing, shall be deemed to have given consent to 109806
submit to a mental or physical examination when directed to do 109807
so in writing by the board, and to have waived all objections to 109808
the admissibility of testimony or examination reports that 109809
constitute a privileged communication. 109810

(G) For the purposes of division (A) (18) of this section, 109811
any individual authorized to practice by this chapter accepts 109812
the privilege of practicing in this state subject to supervision 109813
by the board. By filing an application for or holding a license 109814
or permit under this chapter, an individual shall be deemed to 109815
have given consent to submit to a mental or physical examination 109816
when ordered to do so by the board in writing, and to have 109817
waived all objections to the admissibility of testimony or 109818
examination reports that constitute privileged communications. 109819

If it has reason to believe that any individual authorized 109820
to practice by this chapter or any applicant for a license or 109821
permit suffers such impairment, the board shall refer the 109822
individual to the monitoring organization that conducts the 109823
confidential monitoring program established under section 109824
4731.25 of the Revised Code. The board also may compel the 109825
individual to submit to a mental or physical examination, or 109826

both. The expense of the examination is the responsibility of 109827
the individual compelled to be examined. Any mental or physical 109828
examination required under this division shall be undertaken by 109829
a treatment provider or physician who is qualified to conduct 109830
the examination and who is approved under section 4731.251 of 109831
the Revised Code. 109832

Failure to submit to a mental or physical examination 109833
ordered by the board constitutes an admission of the allegations 109834
against the individual unless the failure is due to 109835
circumstances beyond the individual's control, and a default and 109836
final order may be entered without the taking of testimony or 109837
presentation of evidence. If the board determines that the 109838
individual's ability to practice is impaired, the board shall 109839
suspend the individual's license or permit or deny the 109840
individual's application and shall require the individual, as a 109841
condition for an initial, continued, reinstated, or renewed 109842
license or permit, to submit to treatment. 109843

Before being eligible to apply for reinstatement of a 109844
license or permit suspended under this division, the impaired 109845
practitioner shall demonstrate to the board the ability to 109846
resume practice in compliance with acceptable and prevailing 109847
standards of care under the provisions of the practitioner's 109848
license or permit. The demonstration shall include, but shall 109849
not be limited to, the following: 109850

(1) Certification from a treatment provider approved under 109851
section 4731.251 of the Revised Code that the individual has 109852
successfully completed any required inpatient treatment; 109853

(2) Evidence of continuing full compliance with an 109854
aftercare contract or consent agreement; 109855

(3) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or permit suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(H) (1) If either of the following circumstances occur, the secretary and supervising member may recommend that the board suspend an individual's license or permit without a prior hearing:

(a) The secretary and supervising member determine both of the following:

(i) That there is clear and convincing evidence that an individual has violated division (A) of this section;

(ii) That the individual's continued practice presents a danger of immediate and serious harm to the public.

(b) The board receives verifiable information that a
licensee has been charged in any state or federal court for a
crime classified as a felony under the charging court's law and
the conduct charged constitutes a violation of division (A) of
this section.

(2) If a recommendation is made to suspend without a prior
hearing pursuant to division (H) (1) of this section, written
allegations shall be prepared for consideration by the board.
The board, upon review of those allegations and by an
affirmative vote of not fewer than six of its members, excluding
the secretary and supervising member, may suspend a license or
permit without a prior hearing. A telephone conference call may
be utilized for reviewing the allegations and taking the vote on
the summary suspension.

The board shall serve a written order of suspension in
accordance with sections 119.05 and 119.07 of the Revised Code.
~~The order shall not be subject to suspension by the court during
pendency of any appeal filed under section 119.12 of the Revised
Code.~~ If the individual subject to the summary suspension
requests an adjudicatory hearing by the board, the date set for
the hearing shall be within fifteen days, but not earlier than
seven days, after the individual requests the hearing, unless
otherwise agreed to by both the board and the individual.

(3) Any summary suspension imposed under ~~this division (H)~~
(2) of this section is not a final appealable order and is not
an adjudication that may be appealed under section 119.12 of the
Revised Code. The summary suspension shall remain in effect,
~~unless reversed on appeal,~~ until a final adjudicative order
issued by the board pursuant to this section and Chapter 119. of
the Revised Code becomes effective. Once a final adjudicative

order has been issued by the board, any party adversely affected 109915
by it may file an appeal in accordance with the requirements of 109916
Chapter 119. of the Revised Code. The— 109917

The board shall issue its final adjudicative order within 109918
seventy-five days after completion of its hearing. A failure to 109919
issue the order within seventy-five days shall result in 109920
dissolution of the summary suspension order but shall not 109921
invalidate any subsequent, final adjudicative order. 109922

(I) For purposes of divisions (A) (2), (4), and (6) of this 109923
section, the commission of the act may be established by a 109924
finding by the board, pursuant to an adjudication under Chapter 109925
119. of the Revised Code, that the individual committed the act. 109926
The board does not have jurisdiction under those divisions if 109927
the trial court renders a final judgment in the individual's 109928
favor and that judgment is based upon an adjudication on the 109929
merits. The board has jurisdiction under those divisions if the 109930
trial court issues an order of dismissal upon technical or 109931
procedural grounds. 109932

(J) The sealing or expungement of conviction records by 109933
any court shall have no effect upon a prior board order entered 109934
under this section or upon the board's jurisdiction to take 109935
action under this section if, based upon a plea of guilty, a 109936
judicial finding of guilt, or a judicial finding of eligibility 109937
for intervention in lieu of conviction, the board issued a 109938
notice of opportunity for a hearing prior to the court's order 109939
to seal or expunge the records. The board shall not be required 109940
to seal, destroy, redact, or otherwise modify its records to 109941
reflect the court's sealing or expungement of conviction 109942
records. 109943

(K) If the board takes action under division (A) (1), (3), 109944

or (5) of this section, and the judicial finding of guilt, 109945
guilty plea, or judicial finding of eligibility for intervention 109946
in lieu of conviction is overturned on appeal, upon exhaustion 109947
of the criminal appeal, a petition for reconsideration of the 109948

supporting court documents, the board shall reinstate the 109951
individual's license or permit. The board may then hold an 109952
adjudication under Chapter 119. of the Revised Code to determine 109953
whether the individual committed the act in question. Notice of 109954
an opportunity for a hearing shall be given in accordance with 109955
Chapter 119. of the Revised Code. If the board finds, pursuant 109956
to an adjudication held under this division, that the individual 109957

be considered practicing without a license or permit. 109974

The board shall serve the individual subject to the 109975

suspension in accordance with sections 119.05 and 119.07 of the Revised Code. If an individual whose license or permit is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license or permit.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or permit. (D) Disciplinary actions taken by the board under 110150
divisions (A) and (B) of this section shall be taken pursuant to 110151
an adjudication under Chapter 119. of the Revised Code, except 110152
that in lieu of an adjudication, the board may enter into a 110153
consent agreement with an oriental medicine practitioner or 110154
acupuncturist or applicant to resolve an allegation of a 110155
violation of this chapter or any rule adopted under it. A 110156
consent agreement, when ratified by an affirmative vote of not 110157
fewer than six members of the board, shall constitute the 110158
findings and order of the board with respect to the matter 110159
addressed in the agreement. If the board refuses to ratify a 110160
consent agreement, the admissions and findings contained in the 110161
consent agreement shall be of no force or effect. 110162

(E) For purposes of divisions (B) (12), (15), and (16) of 110163
this section, the commission of the act may be established by a 110164
finding by the board, pursuant to an adjudication under Chapter 110165
119. of the Revised Code, that the applicant or license holder 110166
committed the act in question. The board shall have no 110167
jurisdiction under these divisions in cases where the trial 110168
court renders a final judgment in the license holder's favor and 110169
that judgment is based upon an adjudication on the merits. The 110170
board shall have jurisdiction under these divisions in cases 110171
where the trial court issues an order of dismissal upon 110172
technical or procedural grounds. 110173

(F) The sealing or expungement of conviction records by 110174
any court shall have no effect upon a prior board order entered 110175
under the provisions of this section or upon the board's 110176
jurisdiction to take action under the provisions of this section 110177
if, based upon a plea of guilty, a judicial finding of guilt, or 110178
a judicial finding of eligibility for intervention in lieu of 110179
conviction, the board issued a notice of opportunity for a 110180

hearing or entered into a consent agreement prior to the court's 110181
order to seal or expunge the records. The board shall not be 110182
required to seal, destroy, redact, or otherwise modify its 110183
records to reflect the court's sealing or expungement of 110184
conviction records. 110185

(G) For purposes of this division, any individual who 110186
holds a license to practice issued under this chapter, or 110187
applies for a license to practice, shall be deemed to have given 110188
consent to submit to a mental or physical examination when 110189
directed to do so in writing by the board and to have waived all 110190
objections to the admissibility of testimony or examination 110191
reports that constitute a privileged communication. 110192

(1) In enforcing division (B)(5) of this section, the 110193
board, upon a showing of a possible violation, shall refer any 110194
individual who holds, or has applied for, a license under this 110195
chapter to the monitoring organization that conducts the 110196
confidential monitoring program established under section 110197
4731.25 of the Revised Code. The board also may compel the 110198
individual to submit to a mental examination, physical 110199
examination, including an HIV test, or both a mental and 110200
physical examination. The expense of the examination is the 110201
responsibility of the individual compelled to be examined. 110202
Failure to submit to a mental or physical examination or consent 110203
to an HIV test ordered by the board constitutes an admission of 110204
the allegations against the individual unless the failure is due 110205
to circumstances beyond the individual's control, and a default 110206
and final order may be entered without the taking of testimony 110207
or presentation of evidence. If the board finds an oriental 110208
medicine practitioner or acupuncturist unable to practice 110209
because of the reasons set forth in division (B)(5) of this 110210
section, the board shall require the individual to submit to 110211

care, counseling, or treatment by physicians approved or 110212
designated by the board, as a condition for an initial, 110213
continued, reinstated, or renewed license to practice. An 110214
individual affected by this division shall be afforded an 110215
opportunity to demonstrate to the board the ability to resume 110216
practicing in compliance with acceptable and prevailing 110217
standards of care. 110218

(2) For purposes of division (B)(6) of this section, if 110219
the board has reason to believe that any individual who holds a 110220
license to practice issued under this chapter or any applicant 110221
for a license suffers such impairment, the board shall refer the 110222
individual to the monitoring organization that conducts the 110223
confidential monitoring program established under section 110224
4731.25 of the Revised Code. The board also may compel the 110225
individual to submit to a mental or physical examination, or 110226
both. The expense of the examination is the responsibility of 110227
the individual compelled to be examined. Any mental or physical 110228
examination required under this division shall be undertaken by 110229
a treatment provider or physician qualified to conduct such 110230
examination and approved under section 4731.251 of the Revised 110231
Code. 110232

Failure to submit to a mental or physical examination 110233
ordered by the board constitutes an admission of the allegations 110234
against the individual unless the failure is due to 110235
circumstances beyond the individual's control, and a default and 110236
final order may be entered without the taking of testimony or 110237
presentation of evidence. If the board determines that the 110238
individual's ability to practice is impaired, the board shall 110239
suspend the individual's license or deny the individual's 110240
application and shall require the individual, as a condition for 110241
an initial, continued, reinstated, or renewed license, to submit 110242

to treatment. 110243

Before being eligible to apply for reinstatement of a 110244
license suspended under this division, the oriental medicine 110245
practitioner or acupuncturist shall demonstrate to the board the 110246
ability to resume practice in compliance with acceptable and 110247
prevailing standards of care. The demonstration shall include 110248
the following: 110249

(a) Certification from a treatment provider approved under 110250
section 4731.251 of the Revised Code that the individual has 110251
successfully completed any required inpatient treatment; 110252

(b) Evidence of continuing full compliance with an 110253
aftercare contract or consent agreement; 110254

(c) Two written reports indicating that the individual's 110255
ability to practice has been assessed and that the individual 110256
has been found capable of practicing according to acceptable and 110257
prevailing standards of care. The reports shall be made by 110258
individuals or providers approved by the board for making such 110259
assessments and shall describe the basis for their 110260
determination. 110261

The board may reinstate a license suspended under this 110262
division after such demonstration and after the individual has 110263
entered into a written consent agreement. 110264

When the impaired individual resumes practice, the board 110265
shall require continued monitoring of the individual. The 110266
monitoring shall include monitoring of compliance with the 110267
written consent agreement entered into before reinstatement or 110268
with conditions imposed by board order after a hearing, and, 110269
upon termination of the consent agreement, submission to the 110270
board for at least two years of annual written progress reports 110271

made under penalty of falsification stating whether the 110272
individual has maintained sobriety. 110273

(H) (1) If either of the following circumstances occur, the 110274
secretary and supervising member may recommend that the board 110275
suspend an individual's license to practice without a prior 110276
hearing: 110277

(a) The secretary and supervising member determine both of 110278
the following: 110279

(i) That there is clear and convincing evidence that an 110280
oriental medicine practitioner or acupuncturist has violated 110281
division (B) of this section; 110282

(ii) That the individual's continued practice presents a 110283
danger of immediate and serious harm to the public. 110284

(b) The board receives verifiable information that a 110285
licensee has been charged in any state or federal court for a 110286
crime classified as a felony under the charging court's law and 110287
the conduct charged constitutes a violation of division (B) of 110288
this section. 110289

(2) If a recommendation is made to suspend without a prior 110290
hearing pursuant to division (H) (1) of this section, written 110291
allegations shall be prepared for consideration by the board. 110292
The board, upon review of the allegations and by an affirmative 110293
vote of not fewer than six of its members, excluding the 110294
secretary and supervising member, may suspend a license without 110295
a prior hearing. A telephone conference call may be utilized for 110296
reviewing the allegations and taking the vote on the summary 110297
suspension. 110298

The board shall serve a written order of suspension in 110299
accordance with sections 119.05 and 119.07 of the Revised Code. 110300

~~The order shall not be subject to suspension by the court during~~ 110301
~~pendency of any appeal filed under section 119.12 of the Revised~~ 110302
~~Code.~~ If the oriental medicine practitioner or acupuncturist 110303
requests an adjudicatory hearing by the board, the date set for 110304
the hearing shall be within fifteen days, but not earlier than 110305
seven days, after the hearing is requested, unless otherwise 110306
agreed to by both the board and the license holder. 110307

(3) A summary suspension imposed under ~~this~~ division (H) 110308
(2) of this section is not a final appealable order and is not 110309
an adjudication that may be appealed under section 119.12 of the 110310
Revised Code. The summary suspension shall remain in effect, 110311
~~unless reversed on appeal,~~ until a final adjudicative order 110312
issued by the board pursuant to this section and Chapter 119. of 110313
the Revised Code becomes effective. Once a final adjudicative 110314
order has been issued by the board, any party adversely affected 110315
by it may file an appeal in accordance with the requirements of 110316
Chapter 119. of the Revised Code. ~~The~~ 110317

The board shall issue its final adjudicative order within 110318
~~sixty-seventy-five~~ days after completion of its hearing. Failure 110319
to issue the order within ~~sixty-seventy-five~~ days shall result 110320
in dissolution of the summary suspension order, but shall not 110321
invalidate any subsequent, final adjudicative order. 110322

(I) If the board takes action under division (B) (11), 110323
(13), or (14) of this section, and the judicial finding of 110324
guilt, guilty plea, or judicial finding of eligibility for 110325
intervention in lieu of conviction is overturned on appeal, upon 110326
exhaustion of the criminal appeal, a petition for 110327
reconsideration of the order may be filed with the board along 110328
with appropriate court documents. Upon receipt of a petition and 110329
supporting court documents, the board shall reinstate the 110330

license. The board may then hold an adjudication under Chapter 110331
119. of the Revised Code to determine whether the individual 110332
committed the act in question. Notice of opportunity for hearing 110333
shall be given in accordance with Chapter 119. of the Revised 110334
Code. If the board finds, pursuant to an adjudication held under 110335
this division, that the individual committed the act, or if no 110336
hearing is requested, it may order any of the sanctions 110337
specified in division (B) of this section. 110338

(J) The license to practice of an oriental medicine 110339
practitioner or acupuncturist and the practitioner's or 110340
acupuncturist's practice in this state are automatically 110341
suspended as of the date the practitioner or acupuncturist 110342
pleads guilty to, is found by a judge or jury to be guilty of, 110343
or is subject to a judicial finding of eligibility for 110344
intervention in lieu of conviction in this state or treatment or 110345
intervention in lieu of conviction in another jurisdiction for 110346
any of the following criminal offenses in this state or a 110347
substantially equivalent criminal offense in another 110348
jurisdiction: aggravated murder, murder, voluntary manslaughter, 110349
felonious assault, trafficking in persons, kidnapping, rape, 110350
sexual battery, gross sexual imposition, aggravated arson, 110351
aggravated robbery, or aggravated burglary. Continued practice 110352
after the suspension shall be considered practicing without a 110353
license. 110354

The board shall serve the individual subject to the 110355
suspension in accordance with sections 119.05 and 119.07 of the 110356
Revised Code. If an individual whose license is suspended under 110357
this division fails to make a timely request for an adjudication 110358
under Chapter 119. of the Revised Code, the board shall enter a 110359
final order permanently revoking the individual's license. 110360

(K) In any instance in which the board is required by 110361
Chapter 119. of the Revised Code to give notice of opportunity 110362
for hearing and the individual subject to the notice does not 110363
timely request a hearing in accordance with section 119.07 of 110364
the Revised Code, the board is not required to hold a hearing, 110365
but may adopt, by an affirmative vote of not fewer than six of 110366
its members, a final order that contains the board's findings. 110367
In the final order, the board may order any of the sanctions 110368
identified under division (A) or (B) of this section. 110369

(L) Any action taken by the board under division (B) of 110370
this section resulting in a suspension shall be accompanied by a 110371
written statement of the conditions under which the license may 110372
be reinstated. The board shall adopt rules in accordance with 110373
Chapter 119. of the Revised Code governing conditions to be 110374
imposed for reinstatement. Reinstatement of a license suspended 110375
pursuant to division (B) of this section requires an affirmative 110376
vote of not fewer than six members of the board. 110377

Sec. 4772.20. (A) The state medical board, by an 110800
affirmative vote of not fewer than six members, may revoke or 110801
may refuse to grant a license to practice as a certified mental 110802
health assistant to an individual found by the board to have 110803
committed fraud, misrepresentation, or deception in applying for 110804
or securing the license. 110805

(B) The board, by an affirmative vote of not fewer than 110806
six members, shall, except as provided in division (C) of this 110807
section, and to the extent permitted by law, limit, revoke, or 110808
suspend an individual's license to practice as a certified 110809
mental health assistant, refuse to issue a license to an 110810
applicant, refuse to renew a license, refuse to reinstate a 110811
license, or reprimand or place on probation the holder of a 110812
license for any of the following reasons: 110813

(1) Permitting the holder's name or license to be used by 110814
another person; 110815

(2) Failure to comply with the requirements of this 110816
chapter, Chapter 4731. of the Revised Code, or any rules adopted 110817
by the board; 110818

(3) Violating or attempting to violate, directly or 110819
indirectly, or assisting in or abetting the violation of, or 110820
conspiring to violate, any provision of this chapter, Chapter 110821
4731. of the Revised Code, or the rules adopted by the board; 110822

(4) A departure from, or failure to conform to, minimal 110823
standards of care of similar practitioners under the same or 110824
similar circumstances whether or not actual injury to the 110825
patient is established; 110826

(5) Inability to practice according to acceptable and 110827
prevailing standards of care by reason of mental illness or 110828

physical illness, including physical deterioration that 110829
adversely affects cognitive, motor, or perceptive skills; 110830

(6) Impairment of ability to practice according to 110831
acceptable and prevailing standards of care because of habitual 110832
or excessive use or abuse of drugs, alcohol, or other substances 110833
that impair ability to practice; 110834

(7) Willfully betraying a professional confidence; 110835

(8) Making a false, fraudulent, deceptive, or misleading 110836
statement in securing or attempting to secure a license to 110837
practice as a certified mental health assistant. 110838

As used in this division, "false, fraudulent, deceptive, 110839
or misleading statement" means a statement that includes a 110840
misrepresentation of fact, is likely to mislead or deceive 110841
because of a failure to disclose material facts, is intended or 110842
is likely to create false or unjustified expectations of 110843
favorable results, or includes representations or implications 110844
that in reasonable probability will cause an ordinarily prudent 110845
person to misunderstand or be deceived. 110846

(9) The obtaining of, or attempting to obtain, money or a 110847
thing of value by fraudulent misrepresentations in the course of 110848
practice; 110849

(10) A plea of guilty to, a judicial finding of guilt of, 110850
or a judicial finding of eligibility for intervention in lieu of 110851
conviction for, a felony; 110852

(11) Commission of an act that constitutes a felony in 110853
this state, regardless of the jurisdiction in which the act was 110854
committed; 110855

(12) A plea of guilty to, a judicial finding of guilt of, 110856

or a judicial finding of eligibility for intervention in lieu of 110857
conviction for, a misdemeanor committed in the course of 110858
practice; 110859

(13) A plea of guilty to, a judicial finding of guilt of, 110860
or a judicial finding of eligibility for intervention in lieu of 110861
conviction for, a misdemeanor involving moral turpitude; 110862

(14) Commission of an act in the course of practice that 110863
constitutes a misdemeanor in this state, regardless of the 110864
jurisdiction in which the act was committed; 110865

(15) Commission of an act involving moral turpitude that 110866
constitutes a misdemeanor in this state, regardless of the 110867
jurisdiction in which the act was committed; 110868

(16) A plea of guilty to, a judicial finding of guilt of, 110869
or a judicial finding of eligibility for intervention in lieu of 110870
conviction for violating any state or federal law regulating the 110871
possession, distribution, or use of any drug, including 110872
trafficking in drugs; 110873

(17) Any of the following actions taken by the state 110874
agency responsible for regulating the practice of certified 110875
mental health assistants in another jurisdiction, for any reason 110876
other than the nonpayment of fees: the limitation, revocation, 110877
or suspension of an individual's license to practice; acceptance 110878
of an individual's license surrender; denial of a license; 110879
refusal to renew or reinstate a license; imposition of 110880
probation; or issuance of an order of censure or other 110881
reprimand; 110882

(18) Violation of the conditions placed by the board on a 110883
license to practice as a certified mental health assistant; 110884

(19) Failure to use universal blood and body fluid 110885

precautions established by rules adopted under section 4731.051 110886
of the Revised Code; 110887

(20) Failure to cooperate in an investigation conducted by 110888
the board under section 4772.21 of the Revised Code, including 110889
failure to comply with a subpoena or order issued by the board 110890
or failure to answer truthfully a question presented by the 110891
board at a deposition or in written interrogatories, except that 110892
failure to cooperate with an investigation shall not constitute 110893
grounds for discipline under this section if a court of 110894
competent jurisdiction has issued an order that either quashes a 110895
subpoena or permits the individual to withhold the testimony or 110896
evidence in issue; 110897

(21) Failure to practice in accordance with the 110898
supervising physician's supervision agreement with the certified 110899
mental health assistant; 110900

(22) Administering drugs for purposes other than those 110901
authorized under this chapter; 110902

(23) Failure to comply with section 4772.13 of the Revised 110903
Code, unless the board no longer maintains a drug database 110904
pursuant to section 4729.75 of the Revised Code; 110905

(24) Assisting suicide, as defined in section 3795.01 of 110906
the Revised Code. 110907

(C) The board shall not refuse to issue a license to an 110908
applicant because of a plea of guilty to, a judicial finding of 110909
guilt of, or a judicial finding of eligibility for intervention 110910
in lieu of conviction for an offense unless the refusal is in 110911
accordance with section 9.79 of the Revised Code. 110912

(D) Disciplinary actions taken by the board under 110913
divisions (A) and (B) of this section shall be taken pursuant to 110914

an adjudication under Chapter 119. of the Revised Code, except 110915
that in lieu of an adjudication, the board may enter into a 110916
consent agreement with a certified mental health assistant or 110917
applicant to resolve an allegation of a violation of this 110918
chapter or any rule adopted under it. A consent agreement, when 110919
ratified by an affirmative vote of not fewer than six members of 110920
the board, shall constitute the findings and order of the board 110921
with respect to the matter addressed in the agreement. If the 110922
board refuses to ratify a consent agreement, the admissions and 110923
findings contained in the consent agreement shall be of no force 110924
or effect. 110925

(E) For purposes of divisions (B) (11), (14), and (15) of 110926
this section, the commission of the act may be established by a 110927
finding by the board, pursuant to an adjudication under Chapter 110928
119. of the Revised Code, that the applicant or license holder 110929
committed the act in question. The board shall have no 110930
jurisdiction under these divisions in cases where the trial 110931
court renders a final judgment in the license holder's favor and 110932
that judgment is based upon an adjudication on the merits. The 110933
board shall have jurisdiction under these divisions in cases 110934
where the trial court issues an order of dismissal on technical 110935
or procedural grounds. 110936

(F) The sealing or expungement of conviction records by 110937
any court shall have no effect on a prior board order entered 110938
under the provisions of this section or on the board's 110939
jurisdiction to take action under the provisions of this section 110940
if, based upon a plea of guilty, a judicial finding of guilt, or 110941
a judicial finding of eligibility for intervention in lieu of 110942
conviction, the board issued a notice of opportunity for a 110943
hearing prior to the court's order to seal or expunge the 110944
records. The board shall not be required to seal, destroy, 110945

redact, or otherwise modify its records to reflect the court's 110946
sealing or expungement of conviction records. 110947

(G) For purposes of this division, any individual who 110948
holds a license to practice as a certified mental health 110949
assistant issued under this chapter, or applies for a license, 110950
shall be deemed to have given consent to submit to a mental or 110951
physical examination when directed to do so in writing by the 110952
board and to have waived all objections to the admissibility of 110953
testimony or examination reports that constitute a privileged 110954
communication. 110955

(1) In enforcing division (B)(5) of this section, the 110956
board, on a showing of a possible violation, may compel any 110957
individual who holds a license to practice as a certified mental 110958
health assistant issued under this chapter or who has applied 110959
for a license to submit to a mental or physical examination, or 110960
both. A physical examination may include an HIV test. The 110961
expense of the examination is the responsibility of the 110962
individual compelled to be examined. Failure to submit to a 110963
mental or physical examination or consent to an HIV test ordered 110964
by the board constitutes an admission of the allegations against 110965
the individual unless the failure is due to circumstances beyond 110966
the individual's control, and a default and final order may be 110967
entered without the taking of testimony or presentation of 110968
evidence. If the board finds a certified mental health assistant 110969
unable to practice because of the reasons set forth in division 110970
(B)(5) of this section, the board shall require the certified 110971
mental health assistant to submit to care, counseling, or 110972
treatment by physicians approved or designated by the board, as 110973
a condition for an initial, continued, reinstated, or renewed 110974
license. An individual affected by this division shall be 110975
afforded an opportunity to demonstrate to the board the ability 110976

to resume practicing in compliance with acceptable and 110977
prevailing standards of care. 110978

(2) For purposes of division (B)(6) of this section, if 110979
the board has reason to believe that any individual who holds a 110980
license to practice as a certified mental health assistant 110981
issued under this chapter or any applicant for a license suffers 110982
such impairment, the board may compel the individual to submit 110983
to a mental or physical examination, or both. The expense of the 110984
examination is the responsibility of the individual compelled to 110985
be examined. Any mental or physical examination required under 110986
this division shall be undertaken by a treatment provider or 110987
physician qualified to conduct such examination and chosen by 110988
the board. 110989

Failure to submit to a mental or physical examination 110990
ordered by the board constitutes an admission of the allegations 110991
against the individual unless the failure is due to 110992
circumstances beyond the individual's control, and a default and 110993
final order may be entered without the taking of testimony or 110994
presentation of evidence. If the board determines that the 110995
individual's ability to practice is impaired, the board shall 110996
suspend the individual's license or deny the individual's 110997
application and shall require the individual, as a condition for 110998
an initial, continued, reinstated, or renewed license to 110999
practice, to submit to treatment. 111000

Before being eligible to apply for reinstatement of a 111001
license suspended under this division, the certified mental 111002
health assistant shall demonstrate to the board the ability to 111003
resume practice in compliance with acceptable and prevailing 111004
standards of care. The demonstration shall include the 111005
following: 111006

(a) Certification from a treatment provider approved under 111007
section 4731.25 of the Revised Code that the individual has 111008
successfully completed any required inpatient treatment; 111009

(b) Evidence of continuing full compliance with an 111010
aftercare contract or consent agreement; 111011

(c) Two written reports indicating that the individual's 111012
ability to practice has been assessed and that the individual 111013
has been found capable of practicing according to acceptable and 111014
prevailing standards of care. The reports shall be made by 111015
individuals or providers approved by the board for making such 111016
assessments and shall describe the basis for their 111017
determination. 111018

The board may reinstate a license suspended under this 111019
division after such demonstration and after the individual has 111020
entered into a written consent agreement. 111021

When the impaired certified mental health assistant 111022
resumes practice, the board shall require continued monitoring 111023
of the certified mental health assistant. The monitoring shall 111024
include monitoring of compliance with the written consent 111025
agreement entered into before reinstatement or with conditions 111026
imposed by board order after a hearing, and, on termination of 111027
the consent agreement, submission to the board for at least two 111028
years of annual written progress reports made under penalty of 111029
falsification stating whether the certified mental health 111030
assistant has maintained sobriety. 111031

~~(H)~~ (H) (1) If either of the following circumstances occur, 111032
the secretary and supervising member ~~determine that may~~ 111033
recommend that the board suspend the individual's license 111034
without a prior hearing: 111035

(a) The secretary and supervising member determine both of 111036
the following: 111037

(i) That there is clear and convincing evidence that a 111038
certified mental health assistant has violated division (B) of 111039
this section ~~and that;~~ 111040

(ii) That the individual's continued practice presents a 111041
danger of immediate and serious harm to the public, ~~they may~~ 111042
~~recommend that the board suspend the individual's license to~~ 111043
~~practice without a prior hearing.~~ 111044

(b) The board receives verifiable information that a 111045
licensee has been charged in any state or federal court with a 111046
crime classified as a felony under the charging court's law and 111047
the conduct charged constitutes a violation of division (B) of 111048
this section. ~~Written~~ 111049

(2) If a recommendation is made to suspend without a prior 111050
hearing pursuant to division (H) (1) of this section, written 111051
allegations shall be prepared for consideration by the board. 111052

The board, on review of the allegations and by an 111053
affirmative vote of not fewer than six of its members, excluding 111054
the secretary and supervising member, may suspend a license 111055
without a prior hearing. A telephone conference call may be 111056
utilized for reviewing the allegations and taking the vote on 111057
the summary suspension. 111058

The board shall issue a written order of suspension by 111059
certified mail or in person in accordance with section 119.07 of 111060
the Revised Code. ~~The order shall not be subject to suspension~~ 111061
~~by the court during pendency of any appeal filed under section~~ 111062
~~119.12 of the Revised Code.~~ If the certified mental health 111063
assistant requests an adjudicatory hearing by the board, the 111064

date set for the hearing shall be within fifteen days, but not 111065
earlier than seven days, after the certified mental health 111066
assistant requests the hearing, unless otherwise agreed to by 111067
both the board and the license holder. 111068

(3) A summary suspension imposed under this division is 111069
not a final appealable order and is not an adjudication that may 111070
be appealed under section 119.12 of the Revised Code. The 111071
summary suspension shall remain in effect,~~unless reversed on~~ 111072
~~appeal,~~ until a final adjudicative order issued by the board 111073
pursuant to this section and Chapter 119. of the Revised Code 111074
becomes effective. Once a final adjudicative order has been 111075
issued by the board, any party adversely affected by it may file 111076
an appeal in accordance with Chapter 119. of the Revised Code. 111077
~~The~~ 111078

The board shall issue its final adjudicative order within 111079
~~sixty-seventy-five~~ days after completion of its hearing. Failure 111080
to issue the order within ~~sixty-seventy-five~~ days shall result 111081
in dissolution of the summary suspension order, but shall not 111082
invalidate any subsequent, final adjudicative order. 111083

(I) If the board takes action under division (B) (10), 111084
(12), or (13) of this section, and the judicial finding of 111085
guilt, guilty plea, or judicial finding of eligibility for 111086
intervention in lieu of conviction is overturned on appeal, on 111087
exhaustion of the criminal appeal, a petition for 111088
reconsideration of the order may be filed with the board along 111089
with appropriate court documents. On receipt of a petition and 111090
supporting court documents, the board shall reinstate the 111091
license to practice as a certified mental health assistant. The 111092
board may then hold an adjudication under Chapter 119. of the 111093
Revised Code to determine whether the individual committed the 111094

act in question. Notice of opportunity for hearing shall be 111095
given in accordance with Chapter 119. of the Revised Code. If 111096
the board finds, pursuant to an adjudication held under this 111097
division, that the individual committed the act, or if no 111098
hearing is requested, it may order any of the sanctions 111099
specified in division (B) of this section. 111100

(J) The license to practice of a certified mental health 111101
assistant and the assistant's practice in this state are 111102
automatically suspended as of the date the certified mental 111103
health assistant pleads guilty to, is found by a judge or jury 111104
to be guilty of, or is subject to a judicial finding of 111105
eligibility for intervention in lieu of conviction in this state 111106
or treatment of intervention in lieu of conviction in another 111107
jurisdiction for any of the following criminal offenses in this 111108
state or a substantially equivalent criminal offense in another 111109
jurisdiction: aggravated murder, murder, voluntary manslaughter, 111110
felonious assault, trafficking in persons, kidnapping, rape, 111111
sexual battery, gross sexual imposition, aggravated arson, 111112
aggravated robbery, or aggravated burglary. Continued practice 111113
after the suspension shall be considered practicing without a 111114
license. 111115

The board shall notify the individual subject to the 111116
suspension by certified mail or in person in accordance with 111117
section 119.07 of the Revised Code. If an individual whose 111118
license is suspended under this division fails to make a timely 111119
request for an adjudication under Chapter 119. of the Revised 111120
Code, the board shall enter a final order permanently revoking 111121
the individual's license. 111122

(K) In any instance in which the board is required by 111123
Chapter 119. of the Revised Code to give notice of opportunity 111124

for hearing and the individual subject to the notice does not 111125
timely request a hearing in accordance with section 119.07 of 111126
the Revised Code, the board is not required to hold a hearing, 111127
but may adopt, by an affirmative vote of not fewer than six of 111128
its members, a final order that contains the board's findings. 111129
In the final order, the board may order any of the sanctions 111130
identified under division (A) or (B) of this section. 111131

(L) Any action taken by the board under division (B) of 111132
this section resulting in a suspension shall be accompanied by a 111133
written statement of the conditions under which the certified 111134
mental health assistant's license may be reinstated. The board 111135
shall adopt rules in accordance with Chapter 119. of the Revised 111136
Code governing conditions to be imposed for reinstatement. 111137
Reinstatement of a license suspended pursuant to division (B) of 111138
this section requires an affirmative vote of not fewer than six 111139
members of the board. 111140

(M) When the board refuses to grant or issue a license to 111141
practice as a certified mental health assistant to an applicant, 111142
revokes an individual's license, refuses to renew an 111143
individual's license, or refuses to reinstate an individual's 111144
license, the board may specify that its action is permanent. An 111145
individual subject to a permanent action taken by the board is 111146
forever thereafter ineligible to hold a license to practice as a 111147
certified mental health assistant and the board shall not accept 111148
an application for reinstatement of the license or for issuance 111149
of a new license. 111150

(N) Notwithstanding any other provision of the Revised 111151
Code, all of the following apply: 111152

(1) The surrender of a license to practice as a certified 111153
mental health assistant issued under this chapter is not 111154

effective unless or until accepted by the board. Reinstatement 111155
of a license surrendered to the board requires an affirmative 111156
vote of not fewer than six members of the board. 111157

(2) An application made under this chapter for a license 111158
to practice may not be withdrawn without approval of the board. 111159

(3) Failure by an individual to renew a license to 111160
practice in accordance with section 4772.08 of the Revised Code 111161
shall not remove or limit the board's jurisdiction to take 111162
disciplinary action under this section against the individual. 111163

Sec. 4772.21. (A) The state medical board shall 111164
investigate evidence that appears to show that any person has 111165
violated this chapter or the rules adopted under it. Any person 111166
may report to the board in a signed writing any information the 111167
person has that appears to show a violation of any provision of 111168
this chapter or the rules adopted under it. In the absence of 111169
bad faith, a person who reports such information or testifies 111170
before the board in an adjudication conducted under Chapter 119. 111171
of the Revised Code shall not be liable for civil damages as a 111172
result of reporting the information or providing testimony. Each 111173
complaint or allegation of a violation received by the board 111174
shall be assigned a case number and be recorded by the board. 111175

(B) Investigations of alleged violations of this chapter 111176
or rules adopted under it shall be supervised by the supervising 111177
member elected by the board in accordance with section 4731.02 111178
of the Revised Code and by the secretary as provided in section 111179
4772.24 of the Revised Code. The board's president may designate 111180
another member of the board to supervise the investigation in 111181
place of the supervising member. Upon a vote of the majority of 111182
the board to authorize the addition of a consumer member in the 111183
supervision of any part of any investigation, the president 111184

shall designate a consumer member for supervision of 111185
investigations as determined by the president. The authorization 111186
of consumer member participation in investigation supervision 111187
may be rescinded by a majority vote of the board. A member of 111188
the board who supervises the investigation of a case shall not 111189
participate in further adjudication of the case. 111190

(C) In investigating a possible violation of this chapter 111191
or the rules adopted under it, the board may administer oaths, 111192
order the taking of depositions, issue subpoenas, and compel the 111193
attendance of witnesses and production of books, accounts, 111194
papers, records, documents, and testimony, except that a 111195
subpoena for patient record information shall not be issued 111196
without consultation with the attorney general's office and 111197
approval of the secretary and supervising member of the board. 111198
Before issuance of a subpoena for patient record information, 111199
the secretary and supervising member shall determine whether 111200
there is probable cause to believe that the complaint filed 111201
alleges a violation of this chapter or the rules adopted under 111202
it and that the records sought are relevant to the alleged 111203
violation and material to the investigation. The subpoena may 111204
apply only to records that cover a reasonable period of time 111205
surrounding the alleged violation. 111206

that judgment is based upon an adjudication on the merits. The 111605
board shall have jurisdiction under these divisions in cases 111606
where the trial court issues an order of dismissal on technical 111607
or procedural grounds. 111608

(F) The sealing or expungement of conviction records by 111609
any court shall have no effect on a prior board order entered 111610
under the provisions of this section or on the board's 111611
jurisdiction to take action under the provisions of this section 111612
if, based upon a plea of guilty, a judicial finding of guilt, or 111613
a judicial finding of eligibility for intervention in lieu of 111614
conviction, the board issued a notice of opportunity for a 111615
hearing prior to the court's order to seal or expunge the 111616
records. The board shall not be required to seal, destroy, 111617
redact, or otherwise modify its records to reflect the court's 111618
sealing or expungement of conviction records. 111619

(G) For purposes of this division, any individual who 111620
holds a license to practice as a radiologist assistant issued 111621
under this chapter, or applies for a license, shall be deemed to 111622
have given consent to submit to a mental or physical examination 111623
when directed to do so in writing by the board and to have 111624
waived all objections to the admissibility of testimony or 111625

examination reports that constitute a privileged communication. 111626

(1) In enforcing division (B) (5) of this section, the 111627
board, on a showing of a possible violation, shall refer any 111628
individual who holds, or has applied for, a license to practice 111629
as a radiologist assistant issued under this chapter to the 111630
monitoring organization that conducts the confidential 111631
monitoring program established under section 4731.25 of the 111632
Revised Code. The board also may compel the individual to submit 111633
to a mental or physical examination, or both. A physical 111634
examination may include an HIV test. The expense of the 111635
examination is the responsibility of the individual compelled to 111636
be examined. Failure to submit to a mental or physical 111637
examination or consent to an HIV test ordered by the board 111638
constitutes an admission of the allegations against the 111639
individual unless the failure is due to circumstances beyond the 111640
individual's control, and a default and final order may be 111641
entered without the taking of testimony or presentation of 111642
evidence. If the board finds a radiologist assistant unable to 111643
practice because of the reasons set forth in division (B) (5) of 111644
this section, the board shall require the radiologist assistant 111645
to submit to care, counseling, or treatment by physicians 111646
approved or designated by the board, as a condition for an 111647
initial, continued, reinstated, or renewed license. An 111648
individual affected by this division shall be afforded an 111649
opportunity to demonstrate to the board the ability to resume 111650
practicing in compliance with acceptable and prevailing 111651
standards of care. 111652

(2) For purposes of division (B) (6) of this section, if 111653
the board has reason to believe that any individual who holds a 111654
license to practice as a radiologist assistant issued under this 111655
chapter or any applicant for a license suffers such impairment, 111656

the board shall refer the individual to the monitoring 111657
organization that conducts the confidential monitoring program 111658
established under section 4731.25 of the Revised Code. The board 111659
also may compel the individual to submit to a mental or physical 111660
examination, or both. The expense of the examination is the 111661
responsibility of the individual compelled to be examined. Any 111662
mental or physical examination required under this division 111663
shall be undertaken by a treatment provider or physician 111664
qualified to conduct such examination and approved under section 111665
4731.251 of the Revised Code. 111666

Failure to submit to a mental or physical examination 111667
ordered by the board constitutes an admission of the allegations 111668
against the individual unless the failure is due to 111669
circumstances beyond the individual's control, and a default and 111670
final order may be entered without the taking of testimony or 111671
presentation of evidence. If the board determines that the 111672
individual's ability to practice is impaired, the board shall 111673
suspend the individual's license or deny the individual's 111674
application and shall require the individual, as a condition for 111675
an initial, continued, reinstated, or renewed license to 111676
practice, to submit to treatment. 111677

Before being eligible to apply for reinstatement of a 111678
license suspended under this division, the radiologist assistant 111679
shall demonstrate to the board the ability to resume practice in 111680
compliance with acceptable and prevailing standards of care. The 111681
demonstration shall include the following: 111682

(a) Certification from a treatment provider approved under 111683
section 4731.251 of the Revised Code that the individual has 111684
successfully completed any required inpatient treatment; 111685

(b) Evidence of continuing full compliance with an 111686

aftercare contract or consent agreement; 111687

(c) Two written reports indicating that the individual's 111688
ability to practice has been assessed and that the individual 111689
has been found capable of practicing according to acceptable and 111690
prevailing standards of care. The reports shall be made by 111691
individuals or providers approved by the board for making such 111692
assessments and shall describe the basis for their 111693
determination. 111694

The board may reinstate a license suspended under this 111695
division after such demonstration and after the individual has 111696
entered into a written consent agreement. 111697

When the impaired radiologist assistant resumes practice, 111698
the board shall require continued monitoring of the radiologist 111699
assistant. The monitoring shall include monitoring of compliance 111700
with the written consent agreement entered into before 111701
reinstatement or with conditions imposed by board order after a 111702
hearing, and, on termination of the consent agreement, 111703
submission to the board for at least two years of annual written 111704
progress reports made under penalty of falsification stating 111705
whether the radiologist assistant has maintained sobriety. 111706

(H) (1) If either of the following circumstances occur, the 111707
secretary and supervising member may recommend that the board 111708
suspend the individual's license to practice without a prior 111709
hearing: 111710

(a) The secretary and supervising member determine that 111711
there is clear and convincing evidence that a radiologist 111712
assistant has violated division (B) of this section and that the 111713
individual's continued practice presents a danger of immediate 111714
and serious harm to the public. 111715

(b) The board receives verifiable information that a
licensee has been charged in any state or federal court for a
crime classified as a felony under the charging court's law and
the conduct charged constitutes a violation of division (B) of
this section.

(2) If a recommendation is made to suspend without a prior
hearing pursuant to division (H) (1) of this section, written
allegations shall be prepared for consideration by the board.

The board, on review of the allegations and by an
affirmative vote of not fewer than six of its members, excluding
the secretary and supervising member, may suspend a license
without a prior hearing. A telephone conference call may be
utilized for reviewing the allegations and taking the vote on
the summary suspension.

The board shall serve a written order of suspension in
accordance with sections 119.05 and 119.07 of the Revised Code.
~~The order shall not be subject to suspension by the court during
pendency of any appeal filed under section 119.12 of the Revised
Code.~~ If the radiologist assistant requests an adjudicatory
hearing by the board, the date set for the hearing shall be
within fifteen days, but not earlier than seven days, after the
radiologist assistant requests the hearing, unless otherwise
agreed to by both the board and the license holder.

(3) A summary suspension imposed under ~~this~~ division (H)
(2) of this section is not a final appealable order and is not
an adjudication that may be appealed under section 119.12 of the
Revised Code. The summary suspension shall remain in effect,
~~unless reversed on appeal,~~ until a final adjudicative order
issued by the board pursuant to this section and Chapter 119. of
the Revised Code becomes effective. Once a final adjudicative

order has been issued by the board, any party adversely affected 111746
by it may file an appeal in accordance with the requirements of 111747
Chapter 119. of the Revised Code. The— 111748

The board shall issue its final adjudicative order within 111749
~~sixty-seventy-five~~ days after completion of its hearing. Failure 111750
to issue the order within ~~sixty-seventy-five~~ days shall result 111751
in dissolution of the summary suspension order, but shall not 111752
invalidate any subsequent, final adjudicative order. 111753

(I) If the board takes action under division (B) (10), 111754
(12), or (13) of this section, and the judicial finding of 111755
guilt, guilty plea, or judicial finding of eligibility for 111756
intervention in lieu of conviction is overturned on appeal, on 111757
exhaustion of the criminal appeal, a petition for 111758
reconsideration of the order may be filed with the board along 111759
with appropriate court documents. On receipt of a petition and 111760
supporting court documents, the board shall reinstate the 111761
license to practice as a radiologist assistant. The board may 111762
then hold an adjudication under Chapter 119. of the Revised Code 111763
to determine whether the individual committed the act in 111764
question. Notice of opportunity for hearing shall be given in 111765
accordance with Chapter 119. of the Revised Code. If the board 111766
finds, pursuant to an adjudication held under this division, 111767
that the individual committed the act, or if no hearing is 111768
requested, it may order any of the sanctions specified in 111769
division (B) of this section. 111770

(J) The license to practice of a radiologist assistant and 111771
the assistant's practice in this state are automatically 111772
suspended as of the date the radiologist assistant pleads guilty 111773
to, is found by a judge or jury to be guilty of, or is subject 111774
to a judicial finding of eligibility for intervention in lieu of 111775

conviction in this state or treatment or intervention in lieu of 111776
conviction in another jurisdiction for any of the following 111777
criminal offenses in this state or a substantially equivalent 111778
criminal offense in another jurisdiction: aggravated murder, 111779
murder, voluntary manslaughter, felonious assault, trafficking 111780
in persons, kidnapping, rape, sexual battery, gross sexual 111781
imposition, aggravated arson, aggravated robbery, or aggravated 111782
burglary. Continued practice after the suspension shall be 111783
considered practicing without a license. 111784

The board shall serve the individual subject to the 111785
suspension in accordance with sections 119.05 and 119.07 of the 111786
Revised Code. If an individual whose license is suspended under 111787
this division fails to make a timely request for an adjudication 111788
under Chapter 119. of the Revised Code, the board shall enter a 111789
final order permanently revoking the individual's license. 111790

(K) In any instance in which the board is required by 111791
Chapter 119. of the Revised Code to give notice of opportunity 111792
for hearing and the individual subject to the notice does not 111793
timely request a hearing in accordance with section 119.07 of 111794
the Revised Code, the board is not required to hold a hearing, 111795
but may adopt, by an affirmative vote of not fewer than six of 111796
its members, a final order that contains the board's findings. 111797
In the final order, the board may order any of the sanctions 111798
identified under division (A) or (B) of this section. 111799

(L) Any action taken by the board under division (B) of 111800
this section resulting in a suspension shall be accompanied by a 111801
written statement of the conditions under which the radiologist 111802
assistant's license may be reinstated. The board shall adopt 111803
rules in accordance with Chapter 119. of the Revised Code 111804
governing conditions to be imposed for reinstatement. 111805

Reinstatement of a license suspended pursuant to division (B) of 111806
this section requires an affirmative vote of not fewer than six 111807
members of the board. 111808

(M) When the board refuses to grant or issue a license to 111809
practice as a radiologist assistant to an applicant, revokes an 111810
individual's license, refuses to renew an individual's license, 111811
or refuses to reinstate an individual's license, the board may 111812
specify that its action is permanent. An individual subject to a 111813
permanent action taken by the board is forever thereafter 111814
ineligible to hold a license to practice as a radiologist 111815
assistant and the board shall not accept an application for 111816
reinstatement of the license or for issuance of a new license. 111817

(N) Notwithstanding any other provision of the Revised 111818
Code, all of the following apply: 111819

(1) The surrender of a license to practice as a 111820
radiologist assistant issued under this chapter is not effective 111821
unless or until accepted by the board. Reinstatement of a 111822
license surrendered to the board requires an affirmative vote of 111823
not fewer than six members of the board. 111824

(2) An application made under this chapter for a license 111825
to practice may not be withdrawn without approval of the board. 111826

(3) Failure by an individual to renew a license to 111827
practice in accordance with section 4774.06 of the Revised Code 111828
does not remove or limit the board's jurisdiction to take 111829
disciplinary action under this section against the individual. 111830

(4) The placement of an individual's license on retired 111831
status, as described in section 4774.062 of the Revised Code, 111832
does not remove or limit the board's jurisdiction to take any 111833
disciplinary action against the individual with regard to the 111834

license as it existed before being placed on retired status. 111835

Sec. 4774.99. (A) Whoever violates division (A) (1) or (2) 111836
of section 4774.02 of the Revised Code is guilty of a 111837
misdemeanor of the first degree on a first offense; on each 111838
subsequent offense, the person is guilty of a felony of the 111839
fourth degree. 111840

(B) (1) Whoever violates division (B) (1), (C) (1), (C) (2), 111841
(D), or (E) of section 4774.16 of the Revised Code is guilty of 111842
a minor misdemeanor on a first offense; on each subsequent 111843
offense the person is guilty of a misdemeanor of the fourth 111844
degree, except that an individual guilty of a subsequent offense 111845
shall not be subject to imprisonment, but to a fine alone of up 111846
to one thousand dollars for each offense. 111847

(2) Whoever violates division (B) (2) or (C) (3) of section 111848
4774.16 of the Revised Code is guilty of ~~failure to report~~ 111849
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 111850
fourth degree. ~~If the offender has previously been convicted of~~ 111851
~~a violation of this division, the failure to report on a first~~ 111852
offense; on each subsequent offense, the person is guilty of a 111853
misdemeanor of the first degree. 111854

(C) Whoever violates division (E) of section 4774.14 of 111855
the Revised Code is guilty of ~~disclosing confidential~~ 111856
~~investigatory information,~~ a misdemeanor of the first degree. 111857

Sec. 4778.14. (A) The state medical board, by an 111858
affirmative vote of not fewer than six members, may refuse to 111859
grant a license to practice as a genetic counselor to, or may 111860
revoke the license held by, an individual found by the board to 111861
have committed fraud, misrepresentation, or deception in 111862
applying for or securing the license. 111863

(B) The board, by an affirmative vote of not fewer than 111864
six members, shall, except as provided in division (C) of this 111865
section, and to the extent permitted by law, limit, revoke, or 111866
suspend an individual's license to practice as a genetic 111867
counselor, refuse to issue a license to an applicant, refuse to 111868
renew a license, refuse to reinstate a license, or reprimand or 111869
place on probation the holder of a license for any of the 111870
following reasons: 111871

(1) Permitting the holder's name or license to be used by 111872
another person; 111873

(2) Failure to comply with the requirements of this 111874
chapter, Chapter 4731. of the Revised Code, or any rules adopted 111875
by the board; 111876

(3) Violating or attempting to violate, directly or 111877
indirectly, or assisting in or abetting the violation of, or 111878
conspiring to violate, any provision of this chapter, Chapter 111879
4731. of the Revised Code, or the rules adopted by the board; 111880

(4) A departure from, or failure to conform to, minimal 111881
standards of care of similar practitioners under the same or 111882
similar circumstances whether or not actual injury to the 111883
patient is established; 111884

(5) Inability to practice according to acceptable and 111885
prevailing standards of care by reason of mental illness or 111886
physical illness, including physical deterioration that 111887
adversely affects cognitive, motor, or perceptive skills; 111888

(6) Impairment of ability to practice according to 111889
acceptable and prevailing standards of care because of substance 111890
use disorder or excessive use or abuse of drugs, alcohol, or 111891
other substances that may impair ability to practice; 111892

- (7) Willfully betraying a professional confidence; 111893
- (8) Making a false, fraudulent, deceptive, or misleading 111894
statement in securing or attempting to secure a license to 111895
practice as a genetic counselor. 111896
- As used in this division, "false, fraudulent, deceptive, 111897
or misleading statement" means a statement that includes a 111898
misrepresentation of fact, is likely to mislead or deceive 111899
because of a failure to disclose material facts, is intended or 111900
is likely to create false or unjustified expectations of 111901
favorable results, or includes representations or implications 111902
that in reasonable probability will cause an ordinarily prudent 111903
person to misunderstand or be deceived. 111904
- (9) The obtaining of, or attempting to obtain, money or a 111905
thing of value by fraudulent misrepresentations in the course of 111906
practice; 111907
- (10) A plea of guilty to, a judicial finding of guilt of, 111908
or a judicial finding of eligibility for intervention in lieu of 111909
conviction for, a felony; 111910

this state, regardless of the jurisdiction in which the act was 111912
committed; 111913
- (12) A plea of guilty to, a judicial finding of guilt of, 111914
or a judicial finding of eligibility for intervention in lieu of 111915
conviction for, a misdemeanor committed in the course of 111916
practice; 111917
- (13) A plea of guilty to, a judicial finding of guilt of, 111918
or a judicial finding of eligibility for intervention in lieu of 111919
conviction for, a misdemeanor involving moral turpitude; 111920

constitutes a misdemeanor in this state, regardless of the 111922
jurisdiction in which the act was committed; 111923

(15) Commission of an act involving moral turpitude that 111924
constitutes a misdemeanor in this state, regardless of the 111925
jurisdiction in which the act was committed; 111926

(16) A plea of guilty to, a judicial finding of guilt of, 111927
or a judicial finding of eligibility for intervention in lieu of 111928

trafficking in drugs; 111931

(17) Any of the following actions taken by an agency 111932
responsible for authorizing, certifying, or regulating an 111933
individual to practice a health care occupation or provide 111934
health care services in this state or in another jurisdiction, 111935

failure to comply with a subpoena or order issued by the board 111946
or failure to answer truthfully a question presented by the 111947
board at a deposition or in written interrogatories, except that 111948
failure to cooperate with an investigation shall not constitute 111949

grounds for discipline under this section if a court of 111950

subpoena or permits the individual to withhold the testimony or 111952
evidence in issue; 111953

(20) Failure to maintain the individual's status as a 111954
certified genetic counselor; 111955

(21) Failure to comply with the code of ethics established 111956
by the national society of genetic counselors. 111957

(C) The board shall not refuse to issue a license to an 111958
applicant because of a plea of guilty to, a judicial finding of 111959
guilt of, or a judicial finding of eligibility for intervention 111960
in lieu of conviction for an offense unless the refusal is in 111961
accordance with section 9.79 of the Revised Code. 111962

(D) Disciplinary actions taken by the board under 111963
divisions (A) and (B) of this section shall be taken pursuant to 111964
an adjudication under Chapter 119. of the Revised Code, except 111965
that in lieu of an adjudication, the board may enter into a 111966
consent agreement with a genetic counselor or applicant to 111967
resolve an allegation of a violation of this chapter or any rule 111968
adopted under it. A consent agreement, when ratified by an 111969
affirmative vote of not fewer than six members of the board, 111970
shall constitute the findings and order of the board with 111971
respect to the matter addressed in the agreement. If the board 111972
refuses to ratify a consent agreement, the admissions and 111973
findings contained in the consent agreement shall be of no force 111974
or effect. 111975

A telephone conference call may be utilized for 111976
ratification of a consent agreement that revokes or suspends an 111977
individual's license. The telephone conference call shall be 111978

considered a special meeting under division (F) of section 111979
121.22 of the Revised Code. 111980

(E) For purposes of divisions (B) (11), (14), and (15) of 111981
this section, the commission of the act may be established by a 111982
finding by the board, pursuant to an adjudication under Chapter 111983
119. of the Revised Code, that the applicant or license holder 111984
committed the act in question. The board shall have no 111985
jurisdiction under these divisions in cases where the trial 111986
court renders a final judgment in the license holder's favor and 111987
that judgment is based upon an adjudication on the merits. The 111988
board shall have jurisdiction under these divisions in cases 111989
where the trial court issues an order of dismissal on technical 111990
or procedural grounds. 111991

(F) The sealing or expungement of conviction records by 111992
any court shall have no effect on a prior board order entered 111993
under the provisions of this section or on the board's 111994
jurisdiction to take action under the provisions of this section 111995
if, based upon a plea of guilty, a judicial finding of guilt, or 111996
a judicial finding of eligibility for intervention in lieu of 111997
conviction, the board issued a notice of opportunity for a 111998
hearing or took other formal action under Chapter 119. of the 111999
Revised Code prior to the court's order to seal or expunge the 112000
records. The board shall not be required to seal, destroy, 112001
redact, or otherwise modify its records to reflect the court's 112002
sealing or expungement of conviction records. 112003

(G) For purposes of this division, any individual who 112004
holds a license to practice as a genetic counselor, or applies 112005
for a license, shall be deemed to have given consent to submit 112006
to a mental or physical examination when directed to do so in 112007
writing by the board and to have waived all objections to the 112008

admissibility of testimony or examination reports that 112009
constitute a privileged communication. 112010

(1) In enforcing division (B)(5) of this section, the 112011
board, on a showing of a possible violation, shall refer any 112012
individual who holds, or has applied for, a license to practice 112013
as a genetic counselor to the monitoring organization that 112014
conducts the confidential monitoring program established under 112015
section 4731.25 of the Revised Code. The board also may compel 112016
the individual to submit to a mental or physical examination, or 112017
both. A physical examination may include an HIV test. The 112018
expense of the examination is the responsibility of the 112019
individual compelled to be examined. Failure to submit to a 112020
mental or physical examination or consent to an HIV test ordered 112021
by the board constitutes an admission of the allegations against 112022
the individual unless the failure is due to circumstances beyond 112023
the individual's control, and a default and final order may be 112024
entered without the taking of testimony or presentation of 112025
evidence. If the board finds a genetic counselor unable to 112026
practice because of the reasons set forth in division (B)(5) of 112027
this section, the board shall require the genetic counselor to 112028
submit to care, counseling, or treatment by physicians approved 112029
or designated by the board, as a condition for an initial, 112030
continued, reinstated, or renewed license to practice. An 112031
individual affected by this division shall be afforded an 112032
opportunity to demonstrate to the board the ability to resume 112033
practicing in compliance with acceptable and prevailing 112034
standards of care. 112035

(2) For purposes of division (B)(6) of this section, if 112036
the board has reason to believe that any individual who holds a 112037
license to practice as a genetic counselor or any applicant for 112038
a license suffers such impairment, the board shall refer the 112039

individual to the monitoring organization that conducts the 112040
confidential monitoring program established under section 112041
4731.25 of the Revised Code. The board also may compel the 112042
individual to submit to a mental or physical examination, or 112043
both. The expense of the examination is the responsibility of 112044
the individual compelled to be examined. Any mental or physical 112045
examination required under this division shall be undertaken by 112046
a treatment provider or physician qualified to conduct such 112047
examination and approved under section 4731.251 of the Revised 112048
Code. 112049

Failure to submit to a mental or physical examination 112050
ordered by the board constitutes an admission of the allegations 112051
against the individual unless the failure is due to 112052
circumstances beyond the individual's control, and a default and 112053
final order may be entered without the taking of testimony or 112054
presentation of evidence. If the board determines that the 112055
individual's ability to practice is impaired, the board shall 112056
suspend the individual's license or deny the individual's 112057
application and shall require the individual, as a condition for 112058
an initial, continued, reinstated, or renewed license, to submit 112059
to treatment. 112060

Before being eligible to apply for reinstatement of a 112061
license suspended under this division, the genetic counselor 112062
shall demonstrate to the board the ability to resume practice in 112063
compliance with acceptable and prevailing standards of care. The 112064
demonstration shall include the following: 112065

(a) Certification from a treatment provider approved under 112066
section 4731.251 of the Revised Code that the individual has 112067
successfully completed any required inpatient treatment; 112068

(b) Evidence of continuing full compliance with an 112069

aftercare contract or consent agreement; 112070

(c) Two written reports indicating that the individual's 112071
ability to practice has been assessed and that the individual 112072
has been found capable of practicing according to acceptable and 112073
prevailing standards of care. The reports shall be made by 112074
individuals or providers approved by the board for making such 112075
assessments and shall describe the basis for their 112076
determination. 112077

The board may reinstate a license suspended under this 112078
division after such demonstration and after the individual has 112079
entered into a written consent agreement. 112080

When the impaired genetic counselor resumes practice, the 112081
board shall require continued monitoring of the genetic 112082
counselor. The monitoring shall include monitoring of compliance 112083
with the written consent agreement entered into before 112084
reinstatement or with conditions imposed by board order after a 112085
hearing, and, on termination of the consent agreement, 112086
submission to the board for at least two years of annual written 112087
progress reports made under penalty of falsification stating 112088
whether the genetic counselor has maintained sobriety. 112089

(H) (1) If either of the following circumstances occur, the 112090
secretary and supervising member may recommend that the board 112091
suspend an individual's license to practice without a prior 112092
hearing: 112093

(a) The secretary and supervising member determine both of 112094
the following: 112095

(i) That there is clear and convincing evidence that a 112096
genetic counselor has violated division (B) of this section; 112097

(ii) That the individual's continued practice presents a 112098

danger of immediate and serious harm to the public. 112099

(b) The board receives verifiable information that a 112100
licensee has been charged in any state or federal court for a 112101
crime classified as a felony under the charging court's law and 112102
the conduct charged constitutes a violation of division (B) of 112103
this section. 112104

(2) If a recommendation is made to suspend without a prior 112105
hearing pursuant to division (H) (1) of this section, written 112106
allegations shall be prepared for consideration by the board. 112107
The board, on review of the allegations and by an affirmative 112108
vote of not fewer than six of its members, excluding the 112109
secretary and supervising member, may suspend a license without 112110
a prior hearing. A telephone conference call may be utilized for 112111
reviewing the allegations and taking the vote on the summary 112112
suspension. 112113

The board shall serve a written order of suspension in 112114
accordance with sections 119.05 and 119.07 of the Revised Code. 112115
~~The order shall not be subject to suspension by the court during~~ 112116
~~pendency of any appeal filed under section 119.12 of the Revised~~ 112117
~~Code.~~ If the genetic counselor requests an adjudicatory hearing 112118
by the board, the date set for the hearing shall be within 112119
fifteen days, but not earlier than seven days, after the genetic 112120
counselor requests the hearing, unless otherwise agreed to by 112121
both the board and the genetic counselor. 112122

(3) A summary suspension imposed under ~~this~~ division (H) 112123
(2) of this section is not a final appealable order and is not 112124
an adjudication that may be appealed under section 119.12 of the 112125
Revised Code. The summary suspension shall remain in effect, 112126
~~unless reversed on appeal,~~ until a final adjudicative order 112127
issued by the board pursuant to this section and Chapter 119. of 112128

the Revised Code becomes effective. Once a final adjudicative 112129
order has been issued by the board, any party adversely affected 112130
by it may file an appeal in accordance with the requirements of 112131
Chapter 119. of the Revised Code. The— 112132

The board shall issue its final adjudicative order within 112133
~~sixty-seventy-five~~ days after completion of its hearing. Failure 112134
to issue the order within ~~sixty-seventy-five~~ days shall result 112135
in dissolution of the summary suspension order, but shall not 112136
invalidate any subsequent, final adjudicative order. 112137

(I) If the board takes action under division (B) (10), 112138
(12), or (13) of this section, and the judicial finding of 112139
guilt, guilty plea, or judicial finding of eligibility for 112140
intervention in lieu of conviction is overturned on appeal, on 112141
exhaustion of the criminal appeal, a petition for 112142
reconsideration of the order may be filed with the board along 112143
with appropriate court documents. On receipt of a petition and 112144
supporting court documents, the board shall reinstate the 112145
license to practice as a genetic counselor. The board may then 112146
hold an adjudication under Chapter 119. of the Revised Code to 112147
determine whether the individual committed the act in question. 112148
Notice of opportunity for hearing shall be given in accordance 112149
with Chapter 119. of the Revised Code. If the board finds, 112150
pursuant to an adjudication held under this division, that the 112151
individual committed the act, or if no hearing is requested, it 112152
may order any of the sanctions specified in division (B) of this 112153
section. 112154

(J) The license to practice as a genetic counselor and the 112155
counselor's practice in this state are automatically suspended 112156
as of the date the genetic counselor pleads guilty to, is found 112157
by a judge or jury to be guilty of, or is subject to a judicial 112158

finding of eligibility for intervention in lieu of conviction in 112159
this state or treatment or intervention in lieu of conviction in 112160
another jurisdiction for any of the following criminal offenses 112161
in this state or a substantially equivalent criminal offense in 112162
another jurisdiction: aggravated murder, murder, voluntary 112163
manslaughter, felonious assault, trafficking in persons, 112164
kidnapping, rape, sexual battery, gross sexual imposition, 112165
aggravated arson, aggravated robbery, or aggravated burglary. 112166
Continued practice after the suspension shall be considered 112167
practicing without a license. 112168

The board shall serve the individual subject to the 112169
suspension in accordance with sections 119.05 and 119.07 of the 112170
Revised Code. If an individual whose license is suspended under 112171
this division fails to make a timely request for an adjudication 112172
under Chapter 119. of the Revised Code, the board shall enter a 112173
final order permanently revoking the individual's license to 112174
practice. 112175

(K) In any instance in which the board is required by 112176
Chapter 119. of the Revised Code to give notice of opportunity 112177
for hearing and the individual subject to the notice does not 112178
timely request a hearing in accordance with section 119.07 of 112179
the Revised Code, the board is not required to hold a hearing, 112180
but may adopt, by an affirmative vote of not fewer than six of 112181
its members, a final order that contains the board's findings. 112182
In the final order, the board may order any of the sanctions 112183
identified under division (A) or (B) of this section. 112184

(L) Any action taken by the board under division (B) of 112185
this section resulting in a suspension shall be accompanied by a 112186
written statement of the conditions under which the license of 112187
the genetic counselor may be reinstated. The board shall adopt 112188

rules in accordance with Chapter 119. of the Revised Code 112189
governing conditions to be imposed for reinstatement. 112190
Reinstatement of a license suspended pursuant to division (B) of 112191
this section requires an affirmative vote of not fewer than six 112192
members of the board. 112193

(M) When the board refuses to grant or issue a license to 112194
practice as a genetic counselor to an applicant, revokes an 112195
individual's license, refuses to renew an individual's license, 112196
or refuses to reinstate an individual's license, the board may 112197
specify that its action is permanent. An individual subject to a 112198
permanent action taken by the board is forever thereafter 112199
ineligible to hold a license to practice as a genetic counselor 112200
and the board shall not accept an application for reinstatement 112201
of the license or for issuance of a new license. 112202

(N) Notwithstanding any other provision of the Revised 112203
Code, all of the following apply: 112204

(1) The surrender of a license to practice as a genetic 112205
counselor is not effective unless or until accepted by the 112206
board. A telephone conference call may be utilized for 112207
acceptance of the surrender of an individual's license. The 112208
telephone conference call shall be considered a special meeting 112209
under division (F) of section 121.22 of the Revised Code. 112210
Reinstatement of a license surrendered to the board requires an 112211
affirmative vote of not fewer than six members of the board. 112212

(2) An application made under this chapter for a license 112213
to practice may not be withdrawn without approval of the board. 112214

(3) Failure by an individual to renew a license in 112215
accordance with section 4778.06 of the Revised Code does not 112216
remove or limit the board's jurisdiction to take disciplinary 112217

action under this section against the individual. 112218

(4) The placement of an individual's license on retired 112219
status, as described in section 4778.072 of the Revised Code, 112220
does not remove or limit the board's jurisdiction to take any 112221
disciplinary action against the individual with regard to the 112222
license as it existed before being placed on retired status. 112223

Sec. 4778.99. Whoever violates section 4778.02 of the 112224
Revised Code is guilty of a misdemeanor of the first degree on a 112225
first offense and felony of the fifth degree on each subsequent 112226
offense. 112227

Whoever violates division (B) (1) or (2) of section 112228
4778.171 of the Revised Code is guilty of ~~failure to report~~ 112229
~~criminal conduct or sexual misconduct,~~ a misdemeanor of the 112230
fourth degree. ~~If the offender has previously been convicted of~~ 112231
~~a violation of this division, the failure to report is on a~~ 112232
first offense and a misdemeanor of the first degree on each 112233
subsequent offense. 112234

Whoever violates division (E) of section 4778.18 of the 112235
Revised Code is guilty of ~~disclosing confidential investigatory~~ 112236
~~information,~~ a misdemeanor of the first degree. 112237

Sec. 4785.041. (A) The division of industrial compliance 112238
within the department of commerce may renew a license issued 112239
under section 4785.04 of the Revised Code if the licensee does 112240
all of the following: 112241

(1) Submits an application for license renewal on a form 112242
prescribed by the division; 112243

(2) Pays the license renewal fee established by the 112244
division; 112245

(3) If the licensee is an elevator mechanic, submits 112246
evidence that the applicant has completed the continuing 112247
education coursework described in division (B) of this section; 112248

(4) If the license is an elevator contractor's license, 112249
submits proof that the applicant is in compliance with the 112250
insurance requirements prescribed in section 4785.07 of the 112251
Revised Code. 112252

(B) The continuing education courses described in division 112253
(A) (3) of this section shall: 112254

(1) Instruct licensees on new and existing rules and 112255
standards adopted by the division; 112256

(2) Consist of not less than eight hours of instruction; 112257

(3) Be attended and completed within one year immediately 112258
preceding the scheduled date for the license renewal; 112259

(4) Be taught by instructors through continuing education 112260
providers approved by the division. 112261

(C) A continuing education instructor who holds a license 112262
under this chapter is exempt from the continuing education 112263
requirement prescribed in division (A) (3) of this section, 112264
provided that any such applicant was qualified as an instructor 112265
at any time during the year immediately preceding the scheduled 112266
date for the license renewal. 112267

(D) (1) A licensee who is unable to complete the continuing 112268
education coursework required under this section before the 112269
expiration of the licensee's license due to a temporary 112270
disability may apply for a temporary continuing education waiver 112271
from the division. 112272

(2) An application for a temporary continuing education 112273

waiver shall be made in a form prescribed by the division, which 112274
shall be signed by the applicant ~~under the penalty of perjury~~ 112275
and accompanied by a ~~certified~~ statement from a competent 112276
physician attesting to the temporary disability. If the division 112277
grants the waiver, the licensee's license does not expire but is 112278
placed on inactive status. 112279

(3) On the termination of the temporary disability, the 112280
licensee shall submit to the division a ~~certified~~ statement from 112281
the same physician, if practicable, attesting to the termination 112282
of the temporary disability. The division shall then take the 112283
licensee's license off inactive status and shall issue a waiver 112284
sticker, valid for ninety days, to the licensee and affix the 112285
sticker to the license. The licensee may then perform the tasks 112286
the license authorizes the licensee to perform but the licensee 112287
shall meet the continuing education requirement during this 112288
ninety-day period or be considered to have not met the 112289
continuing education requirement and the license shall be deemed 112290
to be expired. 112291

(E) (1) Approved continuing education providers shall keep 112292
uniform records, for a period of ten years, of attendance of 112293
licensees in a format approved by the division. Such records 112294
shall be available for inspection by the division on request. 112295

(2) Approved training providers are responsible for the 112296
security of all attendance records and certificates of 112297
completion, provided, however, that falsifying or knowingly 112298
allowing another to falsify such attendance records or 112299
certificates of completion constitutes grounds for suspension or 112300
revocation of a continuing education provider's division 112301
approval. 112302

(F) The division shall not renew the license of an 112303

individual or entity if the individual or entity would be denied 112304
an initial license for a reason listed in division (E) of 112305
section 4785.04 of the Revised Code. 112306

Sec. 4903.10. After any order has been made by the public 112307
utilities commission, any party who has entered an appearance in 112308
person or by counsel in the proceeding may apply for a rehearing 112309
in respect to any matters determined in the proceeding. Such 112310
application shall be filed within thirty days after the entry of 112311
the order upon the journal of the commission. 112312

Notwithstanding the preceding paragraph, in any 112313
uncontested proceeding or, by leave of the commission first had 112314
in any other proceeding, any affected person, firm, or 112315
corporation may make an application for a rehearing within 112316
thirty days after the entry of any final order upon the journal 112317
of the commission. Leave to file an application for rehearing 112318
shall not be granted to any person, firm, or corporation who did 112319
not enter an appearance in the proceeding unless the commission 112320
first finds: 112321

(A) The applicant's failure to enter an appearance prior 112322
to the entry upon the journal of the commission of the order 112323
complained of was due to just cause; and, 112324

(B) The interests of the applicant were not adequately 112325
considered in the proceeding. 112326

Every applicant for rehearing or for leave to file an 112327
application for rehearing shall give due notice of the filing of 112328
such application to all parties who have entered an appearance 112329
in the proceeding in the manner and form prescribed by the 112330
commission. 112331

Such application shall be in writing and shall set forth 112332

specifically the ground or grounds on which the applicant 112333
considers the order to be unreasonable or unlawful. No party 112334
shall in any court urge or rely on any ground for reversal, 112335
vacation, or modification not so set forth in the application. 112336

Where such application for rehearing has been filed before 112337
the effective date of the order as to which a rehearing is 112338
sought, the effective date of such order, unless otherwise 112339
ordered by the commission, shall be postponed or stayed pending 112340
disposition of the matter by the commission or by operation of 112341
law. In all other cases the making of such an application shall 112342
not excuse any person from complying with the order, or operate 112343
to stay or postpone the enforcement thereof, without a special 112344
order of the commission. 112345

Where such application for rehearing has been filed, the 112346
commission may grant and hold such rehearing on the matter 112347
specified in such application, if in its judgment sufficient 112348
reason therefor is made to appear. Notice of such rehearing 112349
shall be given by regular mail to all parties who have entered 112350
an appearance in the proceeding. 112351

If the commission does not grant or deny such application 112352
for rehearing within thirty days from the date of filing 112353
thereof, it is denied by operation of law. 112354

If the commission grants such rehearing, it shall specify 112355
in the notice of such granting the purpose for which it is 112356
granted. The commission shall also specify the scope of the 112357
additional evidence, if any, that will be taken, but it shall 112358
not upon such rehearing take any evidence that, with reasonable 112359
diligence, could have been offered upon the original hearing. 112360

If, after such rehearing, the commission is of the opinion 112361

that the original order or any part thereof is in any respect 112362
unjust or unwarranted, or should be changed, the commission may 112363
abrogate or modify the same; otherwise such order shall be 112364
affirmed. An order made after such rehearing, abrogating or 112365
modifying the original order, shall have the same effect as an 112366
original order, but shall not affect any right or the 112367
enforcement of any right arising from or by virtue of the 112368
original order prior to the receipt of notice by the affected 112369
party of the filing of the application for rehearing. 112370

If the commission does not affirm, abrogate, or modify the 112371
original order within ninety days from the date granting such 112372
rehearing, the order is affirmed by operation of law. 112373

No cause of action arising out of any order of the 112374
commission, other than in support of the order, shall accrue in 112375
any court to any person, firm, or corporation unless such 112376
person, firm, or corporation has made a proper application to 112377
the commission for a rehearing. 112378

Sec. 4905.311. (A) As used in this section, "electric 112379
distribution utility" has the same meaning as in section 4928.01 112380
of the Revised Code. 112381

(B) Notwithstanding any provision of the Revised Code to 112382
the contrary, an electric distribution utility may supply behind 112383
the meter electric generation service, provided that an 112384
application for any behind the meter electric generation 112385
facilities that the utility intends to use to supply such 112386
service ~~were~~ was filed with the public utilities commission 112387
under section 4928.47 of the Revised Code, as that section 112388
existed prior to its repeal by H.B. 15 of the 136th General 112389
Assembly, no later than March 31, 2025. 112390

(C) No electric distribution utility shall recover any of 112391
the following costs through any rate, charge, or recovery from 112392
retail electric service customers that are not receiving behind 112393
the meter electric generation service from the utility: 112394

(1) Costs associated with supplying behind the meter 112395
electric generation service; 112396

(2) Costs associated with any behind the meter electric 112397
generation service facility; 112398

(3) Stranded costs associated with the closing of any 112399
behind the meter electric generation service facility or an end- 112400
use customer of the behind the meter electric generation service 112401
ceasing operations. 112402

(D) No electric distribution utility shall offer direct, 112403
associated inducements for contracting with the utility for any 112404
behind the meter electric generation service. 112405

(E) The public utilities commission shall periodically 112406
audit all electric distribution utilities that provide any 112407
behind the meter electric generation service to ensure 112408
compliance with this section. 112409

Sec. 4906.07. (A) Upon the receipt of an application 112410
complying with section 4906.06 of the Revised Code, the power 112411
siting board shall promptly fix a date for a public hearing 112412
thereon, not less than forty-five nor more than sixty days after 112413
such receipt, and shall conclude the proceeding as expeditiously 112414
as practicable. 112415

(B) On an application for an amendment of a certificate, 112416
the board shall hold a hearing in the same manner as a hearing 112417
is held on an application for a certificate if the proposed 112418
change in the facility would result in any material increase in 112419

any environmental impact of the facility or a substantial change 112420
in the location of all or a portion of such facility other than 112421
as provided in the alternates set forth in the application. 112422

shall not be subject to supervision and regulation by a 112895
municipal corporation under Chapter 743. of the Revised Code or 112896
by the public utilities commission under Chapters 4901. to 112897
4909., 4933., 4935., and 4963. of the Revised Code, except 112898
sections 4905.10 and 4905.31, division (B) of section 4905.33, 112899

and except as otherwise provided in this chapter. The 112903
commission's authority to enforce those excepted provisions with 112904

authority as is provided for their enforcement under Chapters 112906
4901. to 4909., 4933., 4935., and 4963. of the Revised Code and 112907
this chapter. Nothing in this division shall be construed to 112908
limit the commission's authority under sections 4928.141, 112909

4928.142, and 4928.144 of the Revised Code. 112910

(2) A competitive retail electric service supplied by an 112911

expressly provided in sections 4928.01 to 4928.10 and 4928.16 of 112915
the Revised Code. 112916

(B) (1) A noncompetitive retail electric service supplied 112917
by an electric utility shall be subject to supervision and 112918
regulation by the commission under Chapters 4901. to 4909., 112919
4933., 4935., and 4963. of the Revised Code and this chapter, to 112920
the extent that authority is not preempted by federal law. The 112921
commission's authority to enforce those provisions with respect 112922
to a noncompetitive retail electric service shall be the 112923
authority provided under those chapters and this chapter, to the 112924
extent the authority is not preempted by federal law. 112925
Notwithstanding Chapters 4905. and 4909. of the Revised Code, 112926
commission authority under this chapter shall include the 112927
authority to provide for the recovery, through a reconcilable 112928
rider on an electric distribution utility's distribution rates, 112929
of all transmission and transmission-related costs, including 112930
ancillary and congestion costs, imposed on or charged to the 112931
utility by the federal energy regulatory commission or a 112932
regional transmission organization, independent transmission 112933
operator, or similar organization approved by the federal energy 112934
regulatory commission. 112935

The commission shall adopt, for each electric distribution 112936
utility that provides customers with a standard service offer in 112937
compliance with sections 4928.141 and 4928.142 of the Revised 112938
Code, a ~~nonbypassable~~ bypassable cost recovery mechanism 112939

relating to transmission, ancillary, congestion, or any related 112940
service required for such standard service offer that includes 112941
provisions for the recovery of any cost of such service that the 112942
electric distribution utility incurs pursuant to the standard 112943
service offer. 112944

(2) The commission shall exercise its jurisdiction with 112945
respect to the delivery of electricity by an electric utility in 112946
this state so as to ensure that no aspect of the delivery of 112947
electricity by the utility to consumers in this state that 112948
consists of a noncompetitive retail electric service is 112949
unregulated. 112950

(3) A noncompetitive retail electric service supplied by 112951
an electric cooperative shall not be subject to supervision and 112952
regulation by the commission under Chapters 4901. to 4909., 112953
4933., 4935., and 4963. of the Revised Code, except sections 112954
4933.81 to 4933.90 and 4935.03 of the Revised Code. The 112955
commission's authority to enforce those excepted sections with 112956
respect to a noncompetitive retail electric service of an 112957
electric cooperative shall be such authority as is provided for 112958
their enforcement under Chapters 4933. and 4935. of the Revised 112959
Code. 112960

Sec. 4928.06. (A) Beginning on the starting date of 112961
competitive retail electric service, the public utilities 112962
commission shall ensure that the policy specified in section 112963
4928.02 of the Revised Code is effectuated. To the extent 112964
necessary, the commission shall adopt rules to carry out this 112965
chapter. Initial rules necessary for the commencement of the 112966
competitive retail electric service under this chapter shall be 112967
adopted within one hundred eighty days after the effective date 112968
of this section. Except as otherwise provided in this chapter, 112969

the proceedings and orders of the commission under the chapter 112970
shall be subject to and governed by Chapter 4903. of the Revised 112971
Code. 112972

(B) If the commission determines, on or after the starting 112973
date of competitive retail electric service, that there is a 112974
decline or loss of effective competition with respect to a 112975
competitive retail electric service of an electric utility, 112976
which service was declared competitive by commission order 112977
issued pursuant to division (A) of section 4928.04 of the 112978
Revised Code, the commission shall ensure that that service is 112979
provided at compensatory, fair, and nondiscriminatory prices and 112980
terms and conditions. 112981

(C) In addition to its authority under section 4928.04 of 112982
the Revised Code and divisions (A) and (B) of this section, the 112983
commission, on an ongoing basis, shall monitor and evaluate the 112984
provision of retail electric service in this state for the 112985
purpose of discerning any noncompetitive retail electric service 112986
that should be available on a competitive basis on or after the 112987
starting date of competitive retail electric service pursuant to 112988
a declaration in the Revised Code, and for the purpose of 112989
discerning any competitive retail electric service that is no 112990
longer subject to effective competition on or after that date. 112991
Upon such evaluation, the commission periodically shall report 112992
its findings and any recommendations for legislation to the 112993
standing committees of both houses of the general assembly that 112994
have primary jurisdiction regarding public utility legislation. 112995
~~Until 2008, the commission and the consumer's counsel also shall~~ 112996
~~provide biennial reports to those standing committees, regarding~~ 112997
~~the effectiveness of competition in the supply of competitive~~ 112998
~~retail electric services in this state. In addition, until the~~ 112999
~~end of all market development periods as determined by the~~ 113000

~~commission under section 4928.40 of the Revised Code, those~~ 113001
~~standing committees shall meet at least biennially to consider~~ 113002
~~the effect on this state of electric service restructuring and~~ 113003
~~to receive reports from the commission, consumers' counsel, and~~ 113004
~~director of development.~~ 113005

(D) In determining, for purposes of division (B) or (C) of 113006
this section, whether there is effective competition in the 113007
provision of a retail electric service or reasonably available 113008
alternatives for that service, the commission shall consider 113009
factors including, but not limited to, all of the following: 113010

(1) The number and size of alternative providers of that 113011
service; 113012

(2) The extent to which the service is available from 113013
alternative suppliers in the relevant market; 113014

(3) The ability of alternative suppliers to make 113015
functionally equivalent or substitute services readily available 113016
at competitive prices, terms, and conditions; 113017

(4) Other indicators of market power, which may include 113018
market share, growth in market share, ease of entry, and the 113019
affiliation of suppliers of services. 113020

The burden of proof shall be on any entity requesting, 113021
under division (B) or (C) of this section, a determination by 113022
the commission of the existence of or a lack of effective 113023
competition or reasonably available alternatives. 113024

(E) (1) Beginning on the starting date of competitive 113025
retail electric service, the commission has authority under 113026
Chapters 4901. to 4909. of the Revised Code, and shall exercise 113027
that authority, to resolve abuses of market power by any 113028
electric utility that interfere with effective competition in 113029

the provision of retail electric service. 113030

(2) In addition to the commission's authority under 113031
division (E)(1) of this section, the commission, beginning the 113032
first year after the market development period of a particular 113033
electric utility and after reasonable notice and opportunity for 113034
hearing, may take such measures within a transmission 113035
constrained area in the utility's certified territory as are 113036
necessary to ensure that retail electric generation service is 113037
provided at reasonable rates within that area. The commission 113038
may exercise this authority only upon findings that an electric 113039
utility is or has engaged in the abuse of market power and that 113040
that abuse is not adequately mitigated by rules and practices of 113041
any independent transmission entity controlling the transmission 113042
facilities. Any such measure shall be taken only to the extent 113043
necessary to protect customers in the area from the particular 113044
abuse of market power and to the extent the commission's 113045
authority is not preempted by federal law. The measure shall 113046
remain in effect until the commission, after reasonable notice 113047
and opportunity for hearing, determines that the particular 113048
abuse of market power has been mitigated. 113049

(F) An electric utility, electric services company, 113050
electric cooperative, or governmental aggregator subject to 113051
certification under section 4928.08 of the Revised Code shall 113052
provide the commission with such information, regarding a 113053
competitive retail electric service for which it is subject to 113054
certification, as the commission considers necessary to carry 113055
out this chapter. An electric utility shall provide the 113056
commission with such information as the commission considers 113057
necessary to carry out divisions (B) to (E) of this section. The 113058
commission shall take such measures as it considers necessary to 113059
protect the confidentiality of any such information. 113060

The commission shall require each electric utility to file 113061
with the commission on and after the starting date of 113062
competitive retail electric service an annual report of its 113063
intrastate gross receipts and sales of kilowatt hours of 113064
electricity, and shall require each electric services company, 113065
electric cooperative, and governmental aggregator subject to 113066
certification to file an annual report on and after that 113067
starting date of such receipts and sales from the provision of 113068
those retail electric services for which it is subject to 113069
certification. For the purpose of the reports, sales of kilowatt 113070
hours of electricity are deemed to occur at the meter of the 113071
retail customer. 113072

Sec. 4928.102. (A) If a competitive retail electric 113073
service supplier offers a residential or small commercial 113074
customer a contract for a fixed introductory rate that converts 113075
to a variable rate upon the expiration of the fixed rate, the 113076
supplier shall send two notices to each residential and small 113077
commercial customer that enters into such a contract. Each 113078
notice shall provide all of the following information to the 113079
customer: 113080

(1) The fixed rate that is expiring under the contract; 113081

(2) The expiration date of the contract's fixed rate; 113082

(3) The public utilities commission web site that, as a 113083
comparison tool, lists rates offered by competitive retail 113084
electric service suppliers; 113085

(4) A statement explaining that appearing on each 113086
customer's bill is a price-to-compare notice that lists the 113087
utility's standard service offer price. 113088

(B) The second notice shall include all the requirements 113089

as stated in division (A) of this section and shall also 113090
identify the initial rate to be charged upon the contract's 113091
conversion to a variable rate. 113092

(C) The notices shall be sent by standard United States 113093
mail or electronically with a customer's verifiable consent as 113094
follows: 113095

(1) The supplier shall send the first notice not earlier 113096
than ninety days, and not later than sixty days, prior to the 113097
expiration of the fixed rate. 113098

(2) The supplier shall send the second notice not earlier 113099
than forty-five days, and not later than fifteen days, prior to 113100
the expiration of the fixed rate. 113101

(D) A competitive retail electric service supplier shall 113102
provide an annual notice, by standard United States mail or 113103
electronically with a customer's verifiable consent, to each 113104
residential and small commercial customer that has entered into 113105
a contract with the supplier that has converted to a variable 113106
rate upon the expiration of the contract's fixed introductory 113107
rate. The notice shall inform the customer that the customer is 113108
currently subject to a variable rate and that other fixed rate 113109
contracts are available. 113110

(E) Not later than one hundred fifty days after ~~the~~ 113111
~~effective date of this section~~ August 14, 2025, the commission 113112
shall adopt rules in order to implement divisions (A) to (D) of 113113
this section. The rules, at a minimum, shall include the 113114
following requirements regarding the notices required under 113115
divisions (A) to (D) of this section: 113116

(1) To use clear and unambiguous language in order to 113117
enable the customer to make an informed decision; 113118

(2) To design the notices in a way to ensure that they 113119
cannot be confused with marketing materials. 113120

(F) Notwithstanding any provision of section 121.95 of the 113121
Revised Code to the contrary, a regulatory restriction contained 113122
in a rule adopted under this section ~~4928.101 of the Revised~~ 113123
~~Code~~ is not subject to sections 121.95 to 121.953 of the Revised 113124
Code. 113125

Sec. 4928.34. (A) The public utilities commission shall 113126
not approve or prescribe a transition plan under division (A) or 113127
(B) of section 4928.33 of the Revised Code unless the commission 113128
first makes all of the following determinations: 113129

(1) The unbundled components for the electric transmission 113130
component of retail electric service, as specified in the 113131
utility's rate unbundling plan required by division (A)(1) of 113132
section 4928.31 of the Revised Code, equal the tariff rates 113133
determined by the federal energy regulatory commission that are 113134
in effect on the date of the approval of the transition plan 113135
under sections 4928.31 to 4928.40 of the Revised Code, as each 113136
such rate is determined applicable to each particular customer 113137
class and rate schedule by the commission. The unbundled 113138
transmission component shall include a sliding scale of charges 113139
under division (B) of section 4905.31 of the Revised Code to 113140
ensure that refunds determined or approved by the federal energy 113141
regulatory commission are flowed through to retail electric 113142
customers. 113143

(2) The unbundled components for retail electric 113144
distribution service in the rate unbundling plan equal the 113145
difference between the costs attributable to the utility's 113146
transmission and distribution rates and charges under its 113147
schedule of rates and charges in effect on the effective date of 113148

this section, based upon the record in the most recent rate proceeding of the utility for which the utility's schedule was established, and the tariff rates for electric transmission service determined by the federal energy regulatory commission as described in division (A) (1) of this section.

(3) All other unbundled components required by the commission in the rate unbundling plan equal the costs attributable to the particular service as reflected in the utility's schedule of rates and charges in effect on the effective date of this section.

(4) The unbundled components for retail electric generation service in the rate unbundling plan equal the residual amount remaining after the determination of the transmission, distribution, and other unbundled components, and after any adjustments necessary to reflect the effects of the amendment of section 5727.111 of the Revised Code by Sub. S.B. No. 3 of the 123rd general assembly.

(5) All unbundled components in the rate unbundling plan have been adjusted to reflect any base rate reductions on file with the commission and as scheduled to be in effect by December 31, 2005, under rate settlements in effect on the effective date of this section. However, all earnings obligations, restrictions, or caps imposed on an electric utility in a commission order prior to the effective date of this section are void.

(6) Subject to division (A) (5) of this section, the total of all unbundled components in the rate unbundling plan are capped and shall equal during the market development period, except as specifically provided in this chapter, the total of all rates and charges in effect under the applicable bundled

schedule of the electric utility pursuant to section 4905.30 of 113179
the Revised Code in effect on the day before the effective date 113180
of this section, including the transition charge determined 113181
under section 4928.40 of the Revised Code, adjusted for any 113182
changes in the taxation of electric utilities and retail 113183
electric service under Sub. S.B. No. 3 of the 123rd General 113184
Assembly, and the universal service percentage of income payment 113185
plan rider authorized by section ~~4928.51-4928.52~~ of the Revised 113186
Code, ~~and the temporary rider authorized by section 4928.61 of~~ 113187
~~the Revised Code.~~ For the purpose of this division, the rate cap 113188
applicable to a customer receiving electric service pursuant to 113189
an arrangement approved by the commission under section 4905.31 113190
of the Revised Code is, for the term of the arrangement, the 113191
total of all rates and charges in effect under the arrangement. 113192
For any rate schedule filed pursuant to section 4905.30 of the 113193
Revised Code or any arrangement subject to approval pursuant to 113194
section 4905.31 of the Revised Code, the initial tax-related 113195
adjustment to the rate cap required by this division shall be 113196
equal to the rate of taxation specified in section 5727.81 of 113197
the Revised Code and applicable to the schedule or arrangement. 113198
To the extent such total annual amount of the tax-related 113199
adjustment is greater than or less than the comparable amount of 113200
the total annual tax reduction experienced by the electric 113201
utility as a result of the provisions of Sub. S.B. No. 3 of the 113202
123rd general assembly, such difference shall be addressed by 113203
the commission through accounting procedures, refunds, or an 113204
annual surcharge or credit to customers, or through other 113205
appropriate means, to avoid placing the financial responsibility 113206
for the difference upon the electric utility or its 113207
shareholders. Any adjustments in the rate of taxation specified 113208
in section 5727.81 of the Revised Code shall not occur without a 113209
corresponding adjustment to the rate cap for each such rate 113210

schedule or arrangement. The department of taxation shall advise 113211
the commission and self-assessors under section 5727.81 of the 113212
Revised Code prior to the effective date of any change in the 113213
rate of taxation specified under that section, and the 113214
commission shall modify the rate cap to reflect that adjustment 113215
so that the rate cap adjustment is effective as of the effective 113216
date of the change in the rate of taxation. This division shall 113217

member's predecessor was appointed shall hold office as a member 113601
for the remainder of that term. A member shall continue in 113602
office after the expiration date of the member's term until the 113603
member's successor takes office or until a period of sixty days 113604
has elapsed, whichever occurs first. 113605

(C) Board members shall be reimbursed for their actual and 113606
necessary expenses incurred in the performance of board duties. 113607
The reimbursements constitute, as applicable, administrative 113608
costs of the low-income customer assistance programs for the 113609
purpose of ~~division (A) of section~~ sections 4928.51 and 4928.52 113610
of the Revised Code ~~or administrative costs of the advanced-~~ 113611
~~energy program for the purpose of division (A) of section~~ 113612
~~4528.61 of the Revised Code.~~ 113613

(D) The advisory board shall select a chairperson from 113614
among its members. Only board members appointed by the governor 113615
with the advice and consent of the senate shall be voting 113616
members of the board; each shall have one vote in all 113617
deliberations of the board. A majority of the voting members 113618
constitute a quorum. 113619

(E) ~~The duties of the advisory board shall be as follows:~~ 113620

~~(1) Advise~~ advise the director of job and family services 113621
in the administration of ~~the universal service fund and the low-~~ 113622
income customer assistance programs ~~and advise the director on~~ 113623
~~the director's recommendation to the commission regarding the~~ 113624
~~appropriate level of the universal service rider;~~ 113625

~~(2) Advise the director on the administration of the~~ 113626

~~advanced energy program and the advanced energy fund under~~ 113627
~~sections 4928.61 to 4928.63 of the Revised Code.~~ 113628

(F) The advisory board is not an agency for purposes of 113629
sections 101.82 to 101.87 of the Revised Code. 113630

Sec. 4928.61. (A) There is hereby established in the state 113631
treasury the advanced energy fund, into which shall be deposited 113632
all advanced energy revenues remitted to the director of 113633
development under division (B) of this section, for the 113634
exclusive purposes of funding the advanced energy program 113635
created under section 4928.62 of the Revised Code and paying the 113636
program's administrative costs. Interest on the fund shall be 113637
credited to the fund. 113638

(B) Advanced energy revenues shall include all of the 113639
following: 113640

(1) ~~Revenues remitted to the director after collection by~~ 113641
~~each electric distribution utility in this state of a temporary~~ 113642
~~rider on retail electric distribution service rates as such~~ 113643
~~rates are determined by the public utilities commission pursuant~~ 113644
~~to this chapter. The rider shall be a uniform amount statewide,~~ 113645
~~determined by the director of development, after consultation~~ 113646
~~with the public benefits advisory board created by section~~ 113647
~~4928.58 of the Revised Code. The amount shall be determined by~~ 113648
~~dividing an aggregate revenue target for a given year as~~ 113649
~~determined by the director, after consultation with the advisory~~ 113650
~~board, by the number of customers of electric distribution~~ 113651
~~utilities in this state in the prior year. Such aggregate~~ 113652
~~revenue target shall not exceed more than fifteen million~~ 113653
~~dollars in any year through 2005 and shall not exceed more than~~ 113654
~~five million dollars in any year after 2005. The rider shall be~~ 113655
~~imposed beginning on the effective date of the amendment of this~~ 113656

~~section by Sub. H.B. 251 of the 126th general assembly, January 4, 2007, and shall terminate at the end of ten years following the starting date of competitive retail electric service or until the advanced energy fund, including interest, reaches one hundred million dollars, whichever is first.~~

~~(2) Revenues from payments, repayments, and collections under the advanced energy program and from program income;~~

~~(3) (2) Revenues remitted to the director after collection by a municipal electric utility or electric cooperative in this state upon the utility's or cooperative's decision to participate in the advanced energy fund;~~

~~(4) (3) Revenues from renewable energy compliance payments as provided under division (C) (2) of section 4928.64 of the Revised Code;~~

~~(6) (5) Funds transferred pursuant to division (B) of Section 512.10 of S.B. 315 of the 129th general assembly;~~

~~(7) (6) Interest earnings on the advanced energy fund.~~

~~(C) (1) Each electric distribution utility in this state shall remit to the director on a quarterly basis the revenues described in divisions (B) (1) and (2) of this section. Such remittances shall occur within thirty days after the end of each calendar quarter.~~

~~(2) Each participating electric cooperative and participating municipal electric utility shall remit to the director on a quarterly basis the revenues described in division (B) (3) of this section. Such remittances shall occur within~~

~~thirty days after the end of each calendar quarter. For the~~ 113685
~~purpose of division (B) (3) of this section, the participation of~~ 113686
~~an electric cooperative or municipal electric utility in the~~ 113687
~~energy efficiency revolving loan program as it existed~~ 113688
~~immediately prior to the effective date of the amendment of this~~ 113689
~~section by Sub. H.B. 251 of the 126th general assembly, January~~ 113690
~~4, 2007, does not constitute a decision to participate in the~~ 113691
~~advanced energy fund under this section as so amended.~~ 113692

~~(3) All remittances under divisions (C) (1) and (2) of this~~ 113693
~~section shall continue only until the end of ten years following~~ 113694
~~the starting date of competitive retail electric service or~~ 113695
~~until the advanced energy fund, including interest, reaches one~~ 113696
~~hundred million dollars, whichever is first.~~ 113697

~~(D) Any moneys collected in rates for non-low-income~~ 113698
~~customer energy efficiency programs, as of October 5, 1999, and~~ 113699
~~not contributed to the energy efficiency revolving loan fund~~ 113700
~~authorized under this section prior to the effective date of its~~ 113701
~~amendment by Sub. H.B. 251 of the 126th general assembly,~~ 113702
~~January 4, 2007, shall be used to continue to fund cost-~~ 113703
~~effective, residential energy efficiency programs, be~~ 113704
~~contributed into the universal service fund as a supplement to~~ 113705
~~that required under section 4928.53 of the Revised Code, or be~~ 113706
~~returned to ratepayers in the form of a rate reduction at the~~ 113707
~~option of the affected electric distribution utility.~~ 113708

Sec. 4928.62. (A) There is hereby created the advanced 113709
energy program, which shall be administered by the director of 113710
development. Under the program, the director may authorize the 113711
use of moneys in the advanced energy fund for financial, 113712
technical, and related assistance for advanced energy projects 113713
in this state or for economic development assistance, in 113714

furtherance of the purposes set forth in section 4928.63 of the Revised Code.

(1) To the extent feasible given approved applications for assistance, the assistance shall be distributed among the certified territories of electric distribution utilities and participating electric cooperatives, and among the service areas of participating municipal electric utilities, in amounts proportionate to the remittances of each utility and cooperative under ~~divisions (B) (1) and (3)~~ division (B) (2) of section 4928.61 of the Revised Code.

(2) The funds described in division ~~(B) (6)~~ (B) (5) of section 4928.61 of the Revised Code shall not be subject to the territorial requirements of division (A) (1) of this section.

(3) The director shall not authorize financial assistance for an advanced energy project under the program unless the director first determines that the project will create new jobs or preserve existing jobs in this state or use innovative technologies or materials.

(B) In carrying out sections 4928.61 to 4928.63 of the Revised Code, the director may do all of the following to further the public interest in advanced energy projects and economic development:

(1) Award grants, contracts, loans, loan participation agreements, linked deposits, and energy production incentives;

(2) Acquire in the name of the director any property of any kind or character in accordance with this section, by purchase, purchase at foreclosure, or exchange, on such terms and in such manner as the director considers proper;

(3) Make and enter into all contracts and agreements

necessary or incidental to the performance of the director's 113744
duties and the exercise of the director's powers under sections 113745
4928.61 to 4928.63 of the Revised Code; 113746

(4) Employ or enter into contracts with financial 113747
consultants, marketing consultants, consulting engineers, 113748
architects, managers, construction experts, attorneys, technical 113749
monitors, energy evaluators, or other employees or agents as the 113750
director considers necessary, and fix their compensation; 113751

(5) Adopt rules prescribing the application procedures for 113752
financial assistance under the advanced energy program; the 113753
fees, charges, interest rates, payment schedules, local match 113754
requirements, and other terms and conditions of any grants, 113755
contracts, loans, loan participation agreements, linked 113756
deposits, and energy production incentives; criteria pertaining 113757
to the eligibility of participating lending institutions; and 113758
any other matters necessary for the implementation of the 113759
program; 113760

(6) Do all things necessary and appropriate for the 113761
operation of the program. 113762

(C) The department of development may hold ownership to 113763
any unclaimed energy efficiency and renewable energy emission 113764
allowances provided for in Chapter 3745-14 of the Administrative 113765
Code or otherwise, that result from advanced energy projects 113766
that receive funding from the advanced energy fund, and it may 113767
use the allowances to further the public interest in advanced 113768
energy projects or for economic development. 113769

(D) Financial statements, financial data, and trade 113770
secrets submitted to or received by the director from an 113771
applicant or recipient of financial assistance under sections 113772

4928.61 to 4928.63 of the Revised Code, or any information taken 113773
from those statements, data, or trade secrets for any purpose, 113774
are not public records for the purpose of section 149.43 of the 113775
Revised Code. 113776

(E) Nothing in the amendments of sections 4928.61, 113777
4928.62, and 4928.63 of the Revised Code by Sub. H.B. 251 of the 113778
126th general assembly shall affect any pending or effected 113779
assistance, pending or effected purchases or exchanges of 113780
property made, or pending or effected contracts or agreements 113781
entered into pursuant to division (A) or (B) of this section as 113782
the section existed prior to the effective date of those 113783
amendments, January 4, 2007, or shall affect the exemption 113784
provided under division (C) of this section as the section 113785
existed prior to that effective date. 113786

(F) Any assistance a school district receives for an 113787
advanced energy project, including a geothermal heating, 113788
ventilating, and air conditioning system, shall be in addition 113789
to any assistance provided under Chapter 3318. of the Revised 113790
Code and shall not be included as part of the district or state 113791
portion of the basic project cost under that chapter. 113792

Sec. 4928.63. The director of development ~~and the public-~~ 113793
~~benefits advisory board have~~ has the powers and duties provided 113794
in sections 4928.61 and 4928.62 of the Revised Code, in order to 113795
promote the welfare of the people of this state; stabilize the 113796
economy; assist in the improvement and development within this 113797
state of not-for-profit entity, industrial, commercial, 113798
distribution, residential, and research buildings and activities 113799
required for the people of this state; improve the economic 113800
welfare of the people of this state by reducing energy costs and 113801
by reducing energy usage in a cost-efficient manner using, as 113802

determined by the director, both the most appropriate national, 113803
federal, or other standards for products and the best practices 113804
for the use of technology, products, or services in the context 113805
of a total facility or building; and assist in the lowering of 113806
energy demand to reduce air, water, or thermal pollution. It is 113807
hereby determined that the accomplishment of those purposes is 113808
essential so that the people of this state may maintain their 113809
present high standards in comparison with the people of other 113810
states and so that opportunities for improving the economic 113811
welfare of the people of this state, for improving the housing 113812
of residents of this state, and for favorable markets for the 113813
products of this state's natural resources, agriculture, and 113814
manufacturing shall be improved; and that it is necessary for 113815
this state to establish the program authorized pursuant to 113816
sections 4928.61 and 4928.62 of the Revised Code. 113817

Sec. 4928.66. (A) (1) (a) Beginning in 2009, an electric 113818
distribution utility shall implement energy efficiency programs 113819
that achieve energy savings equivalent to at least three-tenths 113820
of one per cent of the total, annual average, and normalized 113821
kilowatt-hour sales of the electric distribution utility during 113822
the preceding three calendar years to customers in this state. 113823
An energy efficiency program may include a combined heat and 113824
power system placed into service or retrofitted on or after the 113825
effective date of the amendment of this section by S.B. 315 of 113826
the 129th general assembly, September 10, 2012, or a waste 113827
energy recovery system placed into service or retrofitted on or 113828
after September 10, 2012, except that a waste energy recovery 113829
system described in division (A) (38) (b) of section 4928.01 of 113830
the Revised Code may be included only if it was placed into 113831
service between January 1, 2002, and December 31, 2004. For a 113832
waste energy recovery or combined heat and power system, the 113833

savings shall be as estimated by the public utilities 113834
commission. The savings requirement, using such a three-year 113835
average, shall increase to an additional five-tenths of one per 113836
cent in 2010, seven-tenths of one per cent in 2011, eight-tenths 113837
of one per cent in 2012, nine-tenths of one per cent in 2013, 113838
and one per cent in 2014. In 2015 and 2016, an electric 113839
distribution utility shall achieve energy savings equal to the 113840
result of subtracting the cumulative energy savings achieved 113841
since 2009 from the product of multiplying the baseline for 113842
energy savings, described in division (A)(2)(a) of this section, 113843
by four and two-tenths of one per cent. If the result is zero or 113844
less for the year for which the calculation is being made, the 113845
utility shall not be required to achieve additional energy 113846
savings for that year, but may achieve additional energy savings 113847
for that year. The annual savings requirements shall be, for 113848
years 2017, 2018, 2019, and 2020, an additional one per cent of 113849
the baseline. For purposes of a waste energy recovery or 113850
combined heat and power system, an electric distribution utility 113851
shall not apply more than the total annual percentage of the 113852
electric distribution utility's industrial-customer load, 113853
relative to the electric distribution utility's total load, to 113854
the annual energy savings requirement. 113855

(b) Beginning in 2009, an electric distribution utility 113856
shall implement peak demand reduction programs designed to 113857
achieve a one per cent reduction in peak demand in 2009 and an 113858
additional seventy-five hundredths of one per cent reduction 113859
each year through 2014. In 2015 and 2016, an electric 113860
distribution utility shall achieve a reduction in peak demand 113861
equal to the result of subtracting the cumulative peak demand 113862
reductions achieved since 2009 from the product of multiplying 113863
the baseline for peak demand reduction, described in division 113864

(A) (2) (a) of this section, by four and seventy-five hundredths 113865
of one per cent. If the result is zero or less for the year for 113866
which the calculation is being made, the utility shall not be 113867
required to achieve an additional reduction in peak demand for 113868
that year, but may achieve an additional reduction in peak 113869
demand for that year. In 2017 and each year thereafter through 113870
2020, the utility shall achieve an additional seventy-five 113871
hundredths of one per cent reduction in peak demand. 113872

(2) For the purposes of divisions (A) (1) (a) and (b) of 113873
this section: 113874

(a) The baseline for energy savings under division (A) (1) 113875
(a) of this section shall be the average of the total kilowatt 113876
hours the electric distribution utility sold in the preceding 113877
three calendar years. The baseline for a peak demand reduction 113878
under division (A) (1) (b) of this section shall be the average 113879
peak demand on the utility in the preceding three calendar 113880
years, except that the commission may reduce either baseline to 113881
adjust for new economic growth in the utility's certified 113882
territory. Neither baseline shall include the load and usage of 113883
any of the following customers: 113884

(i) Beginning January 1, 2017, a customer for which a 113885
reasonable arrangement has been approved under section 4905.31 113886
of the Revised Code; 113887

(ii) A customer that has opted out of the utility's 113888
portfolio plan under section 4928.6611 of the Revised Code; 113889

(iii) A customer that has opted out of the utility's 113890
portfolio plan under Section 8 of S.B. 310 of the 130th general 113891
assembly. 113892

(b) The commission may amend the benchmarks set forth in 113893

division (A) (1) (a) or (b) of this section if, after application 113894
by the electric distribution utility, the commission determines 113895
that the amendment is necessary because the utility cannot 113896
reasonably achieve the benchmarks due to regulatory, economic, 113897
or technological reasons beyond its reasonable control. 113898

(c) Compliance with divisions (A) (1) (a) and (b) of this 113899
section shall be measured by including the effects of all 113900
demand-response programs for mercantile customers of the subject 113901
electric distribution utility, all waste energy recovery systems 113902
and all combined heat and power systems, and all such mercantile 113903
customer-sited energy efficiency, including waste energy 113904
recovery and combined heat and power, and peak demand reduction 113905
programs, adjusted upward by the appropriate loss factors. Any 113906
mechanism designed to recover the cost of energy efficiency, 113907
including waste energy recovery and combined heat and power, and 113908
peak demand reduction programs under divisions (A) (1) (a) and (b) 113909
of this section may exempt mercantile customers that commit 113910
their demand-response or other customer-sited capabilities, 113911
whether existing or new, for integration into the electric 113912
distribution utility's demand-response, energy efficiency, 113913
including waste energy recovery and combined heat and power, or 113914
peak demand reduction programs, if the commission determines 113915
that that exemption reasonably encourages such customers to 113916
commit those capabilities to those programs. If a mercantile 113917
customer makes such existing or new demand-response, energy 113918
efficiency, including waste energy recovery and combined heat 113919
and power, or peak demand reduction capability available to an 113920
electric distribution utility pursuant to division (A) (2) (c) of 113921
this section, the electric utility's baseline under division (A) 113922
(2) (a) of this section shall be adjusted to exclude the effects 113923
of all such demand-response, energy efficiency, including waste 113924

energy recovery and combined heat and power, or peak demand 113925
reduction programs that may have existed during the period used 113926
to establish the baseline. The baseline also shall be normalized 113927
for changes in numbers of customers, sales, weather, peak 113928
demand, and other appropriate factors so that the compliance 113929
measurement is not unduly influenced by factors outside the 113930
control of the electric distribution utility. 113931

(d) (i) Programs implemented by a utility may include the 113932
following: 113933

(I) Demand-response programs; 113934

(II) Smart grid investment programs, provided that such 113935
programs are demonstrated to be cost-beneficial; 113936

(III) Customer-sited programs, including waste energy 113937
recovery and combined heat and power systems; 113938

(IV) Transmission and distribution infrastructure 113939
improvements that reduce line losses; 113940

(V) Energy efficiency savings and peak demand reduction 113941
that are achieved, in whole or in part, as a result of funding 113942
provided from the ~~universal service~~ electric partnership plan 113943
fund established by section 4928.51 of the Revised Code to 113944
benefit low-income customers through programs that include, but 113945
are not limited to, energy audits, the installation of energy 113946
efficiency insulation, appliances, and windows, and other 113947
weatherization measures. 113948

(ii) No energy efficiency or peak demand reduction 113949
achieved under divisions (A) (2) (d) (i) (IV) and (V) of this 113950
section shall qualify for shared savings. 113951

(iii) Division (A) (2) (c) of this section shall be applied 113952

to include facilitating efforts by a mercantile customer or 113953
group of those customers to offer customer-sited demand- 113954
response, energy efficiency, including waste energy recovery and 113955
combined heat and power, or peak demand reduction capabilities 113956
to the electric distribution utility as part of a reasonable 113957
arrangement submitted to the commission pursuant to section 113958
4905.31 of the Revised Code. 113959

(e) No programs or improvements described in division (A) 113960
(2) (d) of this section shall conflict with any statewide 113961
building code adopted by the board of building standards. 113962

(B) In accordance with rules it shall adopt, the public 113963
utilities commission shall produce and docket at the commission 113964
an annual report containing the results of its verification of 113965
the annual levels of energy efficiency and of peak demand 113966
reductions achieved by each electric distribution utility 113967
pursuant to division (A) of this section. A copy of the report 113968
shall be provided to the consumers' counsel. 113969

(C) If the commission determines, after notice and 113970
opportunity for hearing and based upon its report under division 113971
(B) of this section, that an electric distribution utility has 113972
failed to comply with an energy efficiency or peak demand 113973
reduction requirement of division (A) of this section, the 113974
commission shall assess a forfeiture on the utility as provided 113975
under sections 4905.55 to 4905.60 and 4905.64 of the Revised 113976
Code, either in the amount, per day per undercompliance or 113977
noncompliance, relative to the period of the report, equal to 113978
that prescribed for noncompliances under section 4905.54 of the 113979
Revised Code, or in an amount equal to the then existing market 113980
value of one renewable energy credit per megawatt hour of 113981
undercompliance or noncompliance. Revenue from any forfeiture 113982

assessed under this division shall be deposited to the credit of 113983
the advanced energy fund created under section 4928.61 of the 113984
Revised Code. 113985

(D) The commission may establish rules regarding the 113986
content of an application by an electric distribution utility 113987
for commission approval of a revenue decoupling mechanism under 113988
this division. Such an application shall not be considered an 113989
application to increase rates and may be included as part of a 113990
proposal to establish, continue, or expand energy efficiency or 113991
conservation programs. The commission by order may approve an 113992
application under this division if it determines both that the 113993
revenue decoupling mechanism provides for the recovery of 113994
revenue that otherwise may be forgone by the utility as a result 113995
of or in connection with the implementation by the electric 113996
distribution utility of any energy efficiency or energy 113997
conservation programs and reasonably aligns the interests of the 113998
utility and of its customers in favor of those programs. 113999

(E) The commission additionally shall adopt rules that 114000
require an electric distribution utility to provide a customer 114001

(F) (1) As used in divisions (F) (2), (3), and (4) of this 114004
section, "portfolio plan" has the same meaning as in division 114005
(C) (1) of section 4928.6610 of the Revised Code. 114006

(2) If an electric distribution utility has a portfolio 114007
plan in effect as of October 22, 2019, and that plan expires 114008

plan's budget shall be increased for the extended term to 114014
include an amount equal to the annual average of the approved 114015
budget for all years of the portfolio plan in effect as of 114016
October 22, 2019. 114017

(4) All other terms and conditions of a portfolio plan 114018
extended beyond its commission-approved term by division (F) (2) 114019

this state as of December 31, 2020. In determining that 114025
cumulative total, the commission shall do both of the following: 114026

(2) (a) If the cumulative energy savings collectively 114039
achieved as determined by the commission under division (G) (1) 114040

of this section is at least seventeen and one-half per cent of 114041
the baseline described in division (G) (1) (b) of this section, 114042
then full compliance with division (A) (1) (a) of this section 114043

as determined by the commission under division (G) (1) of this 114047
section is less than seventeen and one-half per cent of the 114048
baseline described in division (G) (1) (b) of this section, then 114049
both of the following shall apply: 114050

(i) The commission shall determine the manner in which 114051
further implementation of energy efficiency programs shall occur 114052
as may be reasonably necessary for collective achievement of 114053
cumulative energy savings equal to seventeen and one-half per 114054
cent, and not more, of the baseline described in division (G) (1) 114055
(b) of this section. 114056

(ii) Full compliance with division (A) (1) (a) of this 114057
section shall be deemed to be achieved as of a date certain 114058
established by the commission notwithstanding any provision of 114059
this section to the contrary. 114060

(3) Upon the date that full compliance with division (A) 114061
(1) (a) of this section is deemed achieved under division (G) (2) 114062
(a) or (b) of this section, any electric distribution utility 114063
cost recovery mechanisms authorized by the commission for 114064
compliance with this section shall terminate except as may be 114065
necessary to reconcile the difference between revenue collected 114066
and the allowable cost of compliance associated with compliance 114067
efforts occurring prior to December 31, 2021, for programs re- 114068
established under section 4928.661 of the Revised Code, and 114069

in accordance with the provisions of this chapter and are exempt 116857
from any other provision of the Revised Code that regulates 116858
state contracts or contracts involving the expenditure of state 116859
or federal funds. 116860

(B) Each contract for publicly funded child care shall 116861
specify at least the following: 116862

to be paid ~~for rendering services at the lower of the rate~~ 116864

child care resource and referral service organization is 116882
required to complete required eligibility determinations or to 116883

transmit to the county department any information collected for 116884
the purpose of making eligibility determinations; 116885

~~(4)~~(3) That the provider, other than a border state child 116886
care provider, shall continue to be licensed, approved, or 116887
certified pursuant to this chapter and shall comply with all 116888
standards and other requirements in this chapter and in rules 116889

or otherwise approved by the state in which the provider is 116894
located and shall comply with all standards and other 116895
requirements established by that state for maintaining the 116896
provider's license, certificate, or other approval; 116897

~~(6)~~(5) Whether the provider will be paid by the 116898
department of children and youth or in some other manner as 116899
prescribed by rules adopted under section 5104.42 of the Revised 116900
Code; 116901

calculate payments for publicly funded child care based on a 116908
child's enrollment, as described in 45 C.F.R. 98.45(m), rather 116909
than on a child's attendance. 116910

(2) Each eligible provider that provides publicly funded 116911
child care shall participate in the automated child care system. 116912

A provider participating in the system shall not do any of the following: 116913
116914

(a) Use or have possession of a personal identification number or password issued to a caretaker parent under the automated child care system; 116915

116923

(D) The department may withhold any money due under this chapter and may recover through any appropriate method any money erroneously paid under this chapter if evidence demonstrates that a provider of publicly funded child care failed to comply with either of the following: 116924
116925
116926
116927
116928

(1) The terms of the contract entered into under this section; 116929
116930

(2) This chapter or any rules adopted under it. 116931

(E) If the department has evidence that a provider has employed an individual who is ineligible for employment under section 5104.013 of the Revised Code and the provider has not released the individual from employment upon notice that the individual is ineligible, the department may terminate immediately the contract entered into under this section to provide publicly funded child care. 116932
116933
116934
116935
116936
116937
116938

(F) Any decision by the department concerning publicly funded child care, including the recovery of funds, overpayment 116939
116940

determinations, and contract terminations is final and is not 116941
subject to appeal, hearing, or further review under Chapter 119. 116942
of the Revised Code. 116943

Sec. 5104.34. (A) (1) Each county department of job and 116944
family services shall implement procedures for making 116945
determinations of eligibility for publicly funded child care. 116946
Under those procedures, the eligibility determination for each 116947
applicant shall be made no later than thirty calendar days from 116948
the date the county department receives a completed application 116949
for publicly funded child care. Each applicant shall be notified 116950
promptly of the results of the eligibility determination. An 116951
applicant aggrieved by a decision or delay in making an 116952
eligibility determination may appeal the decision or delay to 116953
the department of children and youth in accordance with section 116954
5101.35 of the Revised Code. The due process rights of 116955
applicants shall be protected. 116956

To the extent permitted by federal law, the county 116957
department may make all determinations of eligibility for 116958
publicly funded child care, may contract with child care 116959
providers or child care resource and referral service 116960
organizations for the providers or resource and referral service 116961
organizations to make all or any part of the determinations, and 116962
may contract with child care providers or child care resource 116963
and referral service organizations for the providers or resource 116964
and referral service organizations to collect specified 116965
information for use by the county department in making 116966
determinations. If a county department contracts with a child 116967
care provider or a child care resource and referral service 116968
organization for eligibility determinations or for the 116969
collection of information, the contract shall require the 116970
provider or resource and referral service organization to make 116971

each eligibility determination no later than thirty calendar 116972
days from the date the provider or resource and referral 116973
organization receives a completed application that is the basis 116974
of the determination and to collect and transmit all necessary 116975
information to the county department within a period of time 116976
that enables the county department to make each eligibility 116977
determination no later than thirty days after the filing of the 116978
application that is the basis of the determination. 116979

The county department may station employees of the 116980
department in various locations throughout the county to collect 116981
information relevant to applications for publicly funded child 116982
care and to make eligibility determinations. The county 116983
department, child care provider, and child care resource and 116984
referral service organization shall make each determination of 116985
eligibility for publicly funded child care no later than thirty 116986
days after the filing of the application that is the basis of 116987
the determination, shall make each determination in accordance 116988
with any relevant rules adopted pursuant to section 5104.38 of 116989
the Revised Code, and shall notify promptly each applicant for 116990
publicly funded child care of the results of the determination 116991
of the applicant's eligibility. 116992

The director of children and youth shall adopt rules in 116993
accordance with Chapter 119. of the Revised Code for monitoring 116994
the eligibility determination process. In accordance with those 116995
rules, the state department shall monitor eligibility 116996
determinations made by county departments of job and family 116997
services and shall direct any entity that is not in compliance 116998
with this division or any rule adopted under this division to 116999
implement corrective action specified by the department. 117000

(2) (a) All eligibility determinations for publicly funded 117001

child care shall be made in accordance with rules adopted 117002
pursuant to division (A) of section 5104.38 of the Revised Code. 117003
Except as otherwise provided in this section, all of the 117004
following apply: 117005

(i) Publicly funded child care may be provided only to 117006
eligible infants, toddlers, preschool-age children, school-age 117007
children under age thirteen, or children receiving special needs 117008
child care. 117009

(ii) For an applicant to be eligible for publicly funded 117010
child care, the caretaker parent must be employed or 117011
participating in a program of education or training for an 117012
amount of time reasonably related to the time that the parent's 117013
children are receiving publicly funded child care. This 117014
restriction does not apply to families whose children are 117015
eligible for protective child care. 117016

(iii) The eligibility period for publicly funded child 117017
care shall be at least twelve months. 117018

~~(b) In accordance with rules adopted under division (B) of 117019
section 5104.38 of the Revised Code, an applicant may receive 117020
publicly funded child care while the county department 117021
determines eligibility. An applicant may receive publicly funded 117022
child care while a county department determines eligibility only 117023
once during a twelve-month period. If the county department 117024
determines that an applicant is not eligible for publicly funded 117025
child care, the child care provider shall be paid for providing 117026
publicly funded child care for up to five days after that 117027
determination if the county department received a completed 117028
application with all required documentation. A program may 117029
appeal a denial of payment under this division. 117030~~

~~(e)~~—If a caretaker parent who has been determined eligible 117031
to receive publicly funded child care no longer meets the 117032
requirements of division (A) (2) (a) (ii) of this section, the 117033
caretaker parent may continue to receive publicly funded child 117034
care for a period of at least three but not more than four 117035
months not to extend beyond the caretaker parent's eligibility 117036
period. 117037

~~(d)~~ (c) If a child turns thirteen, or if a child receiving 117038
special needs child care turns eighteen, during the eligibility 117039
period, the caretaker parent may continue to receive publicly 117040
funded child care until the end of that eligibility period. 117041

Subject to available funds, the department of children and 117042
youth shall allow a family to receive publicly funded child care 117043
unless the family's income exceeds the maximum income 117044
eligibility limit. Initial and continued eligibility for 117045
publicly funded child care is subject to available funds unless 117046
the family is receiving child care pursuant to division (A) (1), 117047
(2), (3), or (4) of section 5104.30 of the Revised Code. If the 117048
department must limit eligibility due to lack of available 117049
funds, it shall give first priority for publicly funded child 117050
care to an assistance group whose income is not more than the 117051
maximum income eligibility limit that received transitional 117052
child care in the previous month but is no longer eligible 117053
because the eligibility period has expired. Such an assistance 117054
group shall continue to receive priority for publicly funded 117055
child care until its income exceeds the maximum income 117056
eligibility limit. 117057

(3) An assistance group that ceases to participate in the 117058
Ohio works first program established under Chapter 5107. of the 117059
Revised Code is eligible for transitional child care at any time 117060

during the immediately following twelve-month period that both 117061
of the following apply: 117062

(a) The assistance group requires child care due to 117063
employment; 117064

(b) The assistance group's income is not more than one 117065
hundred fifty per cent of the federal poverty line. 117066

An assistance group ineligible to participate in the Ohio 117067
works first program pursuant to section 5101.83 or section 117068
5107.16 of the Revised Code is not eligible for transitional 117069
child care. 117070

(B) To the extent permitted by federal law, the department 117071
of children and youth may require a caretaker parent determined 117072
to be eligible for publicly funded child care to pay a fee 117073
according to the schedule of fees established in rules adopted 117074
under section 5104.38 of the Revised Code. The department shall 117075
make protective child care services and homeless child care 117076
services available to children without regard to the income or 117077
assets of the caretaker parent of the child. 117078

(C) A caretaker parent receiving publicly funded child 117079
care shall report to the entity that determined eligibility any 117080
changes in status with respect to employment or participation in 117081
a program of education or training not later than ten calendar 117082
days after the change occurs. 117083

(D) If the department of children and youth determines 117084
that available resources are not sufficient to provide publicly 117085
funded child care to all eligible families who request it, the 117086
department may establish a waiting list. The department may 117087
establish separate waiting lists within the waiting list based 117088
on income. 117089

(E) A caretaker parent shall not receive publicly funded child care from more than one child care provider per child during a week, unless a county department grants the family an exemption for one of the following reasons:

(1) The child needs additional care during non-traditional hours;

(2) The child needs to change providers in the middle of the week and the hours of care provided by the providers do not overlap;

(3) The child's provider is closed on scheduled school days off or on calamity days.

(F) As used in this section, "maximum income eligibility limit" means the amount of income specified in rules adopted under division (A) of section 5104.38 of the Revised Code.

Sec. 5104.36. The licensee or administrator of a child care center, type A family child care home, or licensed type B family child care home, an in-home aide providing child care services, the director or administrator of an approved child day camp, and a border state child care provider shall keep a record for each eligible child enrolled with the center, home, in-home aide, camp, or provider, to be made available to the county department of job and family services or the department of children and youth on request. The record shall include all of the following:

(E) Any other information required by the county 117121
department of job and family services or the department of 117122
children and youth. 117123

Sec. 5104.37. (A) In addition to the duties described in 117124
division (D) of section 5104.30 of the Revised Code, the 117125
director of ~~job and family services~~ children and youth shall 117126
engage in activities to do the following: 117127

(B) The director may contract with one or more third-party 117135
entities to assist the director in performing the duties 117136
described in division (A) of this section. 117137

(C) Not later than May 30, 2023, and periodically 117138

not be erected or such business carried on and that by the
erection or carrying on of the business at the point named, the
institution will sustain no detriment, the court may issue an
order granting the prayer of the petitioner. Thereafter the
petitioner may locate such establishment or carry on such
business at the point named in the petition.

director has determined that the licensee has demonstrated a 119409
pattern of serious noncompliance or that a violation creates a 119410
substantial risk to the health and safety of patients, the 119411
director may issue an order imposing the suspension of 119412
admissions before providing an opportunity for an adjudication 119413

(f) Not later than five days after receiving the report 119447
and recommendations, the licensee may file objections with the 119448
department. 119449

(g) Not later than fifteen days after the hearing examiner 119450
files the report and recommendations, the department shall issue 119451
an order approving, modifying, or disapproving the report and 119452
recommendations. 119453

(h) Notwithstanding the pendency of the hearing, the 119454

if the department determines the violation that formed the basis 119456

for the order has been corrected. 119457

of a residential facility resident to be free from abuse, 119768
neglect, or exploitation. 119769

(2) Proceedings initiated to deny applications for full or 119770
probationary licenses, to refuse to renew full or probationary 119771

safety of residents, the director may issue an order imposing 119799
the suspension of admissions before providing an opportunity for 119800
an adjudication under Chapter 119. of the Revised Code. The 119801

director shall lift the order for the suspension of admissions 119802
if the director determines that the violation that formed the 119803
basis for the order has been corrected. 119804

(2) Appeals from proceedings initiated to order the 119805
suspension of admissions to a facility shall be conducted in 119806
accordance with Chapter 119. of the Revised Code, unless the 119807
order was issued before providing an opportunity for an 119808
adjudication, in which case all of the following apply: 119809

(a) The licensee may request a hearing not later than ten 119810
days after being served in accordance with sections 119.05 and 119811

request. 119816

(c) After commencing, the hearing shall continue 119817
uninterrupted, except for Saturdays, Sundays, and legal 119818
holidays, unless other interruptions are agreed to by the 119819

and recommendations, the licensee may file objections with the 119835
department. 119836

(g) Not later than fifteen days after the hearing examiner 119837
files the report and recommendations, the department shall issue 119838
an order approving, modifying, or disapproving the report and 119839
recommendations. 119840

(h) Notwithstanding the pendency of the hearing, the 119841
department shall lift the order for the suspension of admissions 119842
if the department determines the violation that formed the basis 119843
for the order has been corrected. 119844

(I) The department may issue an interim license to operate 119845
a residential facility if both of the following conditions are 119846
met: 119847

(1) The department determines that the closing of or the 119848
need to remove residents from another residential facility has 119849

available. 119852

(2) The residential facility applying for an interim 119853

pursuant to section 5119.34 of the Revised Code, when conditions 120010
existing at the residential facility present a substantial risk 120011

the residents. 120014

Petitions filed pursuant to this section shall include: 120015

that the circumstances necessitate such action. 120041

Following a hearing on the petition, and upon a 120042
determination that the appointment of a receiver is warranted, 120043

Notwithstanding division (C) (2) of this section, the court 120066
shall not terminate a receivership for a residential facility 120067

approved by the court, judge, or clerk, execute a bond to such 120086
person, and in such sum as the court or judge directs, to the 120087

(3) A principal, employee, resident, volunteer, or 120175

this section, if a mental health service or alcohol and drug 120243
addiction service has been specified in rules adopted under this 120244
section as a service that is required to be certified, no person 120245
or government entity shall provide that service unless it has 120246
been certified under section 5119.36 of the Revised Code. 120247

(B) Division (A) of this section does not apply to either 120248
of the following: 120249

(1) An individual who holds a valid license, certificate, 120250

(1) of this section for a violation of division (A) of this 120277
section. 120278

(D) The director may adopt rules in accordance with 120279
Chapter 119. of the Revised Code to specify mental health 120280

to the director of ~~mental-behavioral health-and-addiction-~~ 120288

determine whether the standards established by ~~divisions-~~ 120290
division (B) ~~and (C)~~ of this section and any rules adopted under 120291
this section are satisfied or continue to be satisfied by the 120292
applicant. As part of the determination the director may conduct 120293
an on-site review of the applicant. In doing so, the director 120294
may conduct the review in cooperation with a board of alcohol, 120295
drug addiction, and mental health services that seeks to 120296
contract or has a contract with the applicant under section 120297
340.036 of the Revised Code. 120298

Not later than fourteen days after receipt of an ~~initial-~~ 120299

surrender of the certification, or the issuance of a final order 120311
for disciplinary action under division ~~(G)~~ (F) or ~~(M)~~ (L) of this 120312
section, the director shall provide notice to the applicable 120313
board of alcohol, drug addiction, and mental health services of 120314
the reason the certification ceased to be valid and the date it 120315
became invalid. 120316

(B) (1) Except as provided in division (B) (4) of this 120317

section, beginning on ~~the effective date of this amendment~~ 120318

certifiable services and supports shall be accredited by one or 120320
more national accrediting organizations specified in division 120321
(B) (3) of this section for certifiable services and supports for 120322
which national accreditation exists for such services and 120323
supports or equivalent services and supports. 120324

(2) Except as provided in division (B) (4) of this section, 120325
beginning October 1, 2025, an applicant seeking to renew 120326
certification of certifiable services and supports shall be 120327
accredited by one or more national accrediting organizations 120328
specified in division (B) (3) of this section for certifiable 120329
services and supports for which national accreditation exists 120330
for such services and supports or equivalent services and 120331
supports. 120332

(3) For purposes of divisions (B) (1) and (2) of this 120333
section, the director shall accept appropriate accreditation of 120334
an applicant's certifiable services and supports from any of the 120335
following national accrediting organizations: 120336

(a) The joint commission; 120337

(b) The commission on accreditation of rehabilitation 120338
facilities; 120339

(c) The council on accreditation; 120340

(d) Any other national accrediting organization the 120341
director considers appropriate. 120342

(4) The accreditation requirements of divisions (B) (1) and 120343
(2) of this section do not apply to an applicant seeking an 120344
initial or renewed certification to provide prevention services, 120345
as that term is defined in rules adopted under this section. For 120346

such applicants, accreditation is optional.

120347

~~(C) In addition to meeting the accreditation standard set forth in division (B) of this section, an applicant seeking initial or renewed certification of one or more certifiable services and supports is eligible to receive the certification only if both of the following are the case, as determined by the director:—~~

(2) Prior to October 1, 2025, if an applicant that seeks 120376
to renew certification of certifiable services and supports is 120377
not accredited to provide those services and supports by one or 120378
more national accrediting organizations specified in division 120379
(B) (3) of this section, the director shall conduct an evaluation 120380
of the applicant to determine whether the applicant's 120381
certifiable services and supports satisfy the standards for 120382
certification. The evaluation is in addition to any on-site 120383
review conducted under division (A) of this section and shall be 120384
performed in cooperation with a board of alcohol, drug 120385
addiction, and mental health services that seeks to contract or 120386
has a contract with the applicant under section 340.036 of the 120387
Revised Code. If the director determines that an applicant has 120388
paid any required certification fee, that the applicant's 120389
certifiable services and supports satisfy the standards for 120390
renewed certification, ~~that the applicant meets the requirements~~ 120391
~~of division (C) of this section,~~ and that the applicant meets 120392
any other requirements established by this section or the rules 120393
adopted under it, the director shall certify the certifiable 120394
services and supports. 120395

~~(E)~~ (D) For purposes of the accreditation requirements of 120396
this section, both of the following apply: 120397

(1) The director may review the accrediting organizations 120398
specified in division (B) (3) of this section to evaluate whether 120399
the accreditation standards and processes used by the 120400
organizations are consistent with service delivery models the 120401
director considers appropriate for mental health services, 120402
alcohol and drug addiction services, or physical health 120403
services. The director may communicate to an accrediting 120404
organization any identified concerns, trends, needs, and 120405
recommendations. 120406

(2) The director shall require a community mental health services provider and a community addiction services provider to notify the director not later than ten days after any change in the provider's accreditation status. The provider may notify the director by providing a copy of the relevant document the provider received from the accrediting organization.

~~(F)~~ (E) The director may require a community mental health services provider or a community addiction services provider to submit to the director cost reports pertaining to the provider.

~~(G)~~ (F) The director may refuse to certify certifiable services and supports, refuse to renew certification, or revoke certification if any of the following apply to an applicant for certification or the holder of the certification:

(1) The applicant or holder is not in compliance with rules adopted under this section.

(2) The applicant or holder has been cited for a pattern of serious noncompliance or repeated violations of statutes or rules during the current certification period or any previous certification period.

(3) The applicant or holder has been found to be in violation of section 5119.396 of the Revised Code;

subsidiary of the applicant or owner has been the subject of an 120436
adverse action, as defined in that section, taken during the 120437
three-year period immediately preceding the date of notification 120438
or date of becoming aware of the adverse action. 120439

~~(H)~~ (G) Proceedings initiated to deny applications to 120440
certify certifiable services and supports, to refuse to renew 120441
certification, or to revoke certification are governed by 120442
Chapter 119. of the Revised Code. If an order has been issued 120443
suspending admissions to a community addiction services 120444
provider, as provided in division ~~(M)~~ (L) of this section, the 120445
order remains in effect during the pendency of those 120446
proceedings. 120447

~~(I)~~ (H) The director may conduct an on-site review or 120448
otherwise evaluate a community mental health services provider 120449
or a community addiction services provider at any time based on 120450
cause, including complaints made by or on behalf of persons 120451
receiving mental health services or alcohol and drug addiction 120452
services and confirmed or alleged deficiencies brought to the 120453
attention of the director. This authority does not affect the 120454
director's duty to conduct the inspections required by section 120455
5119.37 of the Revised Code. 120456

In conducting an on-site review under this division, the 120457
director may do so in cooperation with a board of alcohol, drug 120458
addiction, and mental health services that seeks to contract or 120459
has a contract with the applicant under section 340.036 of the 120460
Revised Code. In conducting any other evaluation under this 120461
division, the director shall do so in cooperation with such a 120462
board. 120463

~~(J)~~ (I) If the director proposes to take action under 120464

division ~~(G)~~(F) of this section, the director shall notify the 120465
board of alcohol, drug addiction, and mental health services 120466
serving the alcohol, drug addiction, and mental health service 120467
district in which the certifiable services and supports will be 120468
or were provided, and provide the board opportunity to respond 120469
as specified in division (A) of this section with respect to 120470
initial or renewal applications. 120471

When a final order is issued by the director under 120472
division ~~(G)~~(F) of this section, the director may request that 120473
the appropriate board of alcohol, drug addiction, and mental 120474
health services reallocate any funds for the certifiable 120475
services and supports the applicant was to provide to a 120476
community mental health services provider or community addiction 120477
services provider whose certifiable services and supports 120478
satisfy the standards. If the board does not reallocate such 120479
funds in a reasonable period of time, the director may withhold 120480
state and federal funds for the certifiable services and 120481
supports and allocate those funds directly to a community mental 120482
health services provider or community addiction services 120483
provider whose certifiable services and supports satisfy the 120484
standards. 120485

~~(K)~~(J) Each applicant seeking initial or renewed 120486
certification of its certifiable services and supports shall pay 120487
a fee for the certification required by this section, unless the 120488
applicant is exempt under rules adopted under this section. Fees 120489
shall be paid into the state treasury to the credit of the sale 120490
of goods and services fund created pursuant to section 5119.45 120491
of the Revised Code. 120492

~~(L)~~(K) The director shall adopt rules in accordance with 120493
Chapter 119. of the Revised Code to implement this section. The 120494

rules shall do all of the following: 120495

specify the types of recovery supports that are required to be 120497
certified under this section; 120498

(2) Establish certification standards for certifiable 120499
services and supports that are consistent with nationally 120500
recognized applicable standards and facilitate participation in 120501
federal assistance programs. The rules shall include as 120502
certification standards only requirements that improve the 120503
quality of certifiable services and supports or the health and 120504
safety of persons receiving certifiable services and supports. 120505
The standards shall address at a minimum all of the following: 120506

(a) Reporting major unusual incidents to the director; 120507

(g) Standards for evaluating certifiable services and 120517
supports; 120518

(h) Standards and procedures for granting full, 120519
probationary, and interim certification of the certifiable 120520
services and supports of an applicant; 120521

- (i) Standards and procedures for revoking the certification of a community mental health services provider's or community addiction services provider's certifiable services and supports that do not continue to meet the minimum standards established pursuant to this section;

- (k) Development of written policies addressing the rights of persons receiving certifiable services and supports, including all of the following:
- (i) The right to a copy of the written policies addressing the rights of persons receiving certifiable services and supports;
- (ii) The right at all times to be treated with consideration and respect for the person's privacy and dignity;
- (iii) The right to have access to the person's own psychiatric, medical, or other treatment records unless access is specifically restricted in the person's treatment plan for clear treatment reasons;
- (iv) The right to have a client rights officer provided by the provider or board of alcohol, drug addiction, and mental health services advise the person of the person's rights, including the person's rights under Chapter 5122. of the Revised Code if the person is committed to the provider or board.
- (l) Documentation that must be submitted as evidence of holding appropriate accreditation;
- (m) A process by which the director may review the

accreditation standards and process used by the national 120550

section. 120552

(3) Establish the process for certification of certifiable 120553
services and supports; 120554

fees; 120557

(5) Specify the type of notice and hearing to be provided 120558
prior to a decision on whether to reallocate funds; 120559

(6) Establish a process by which the director, based on 120560
deficiencies identified as a result of conducting an on-site 120561
review or otherwise evaluating a community mental health 120562
services provider or community addiction services provider under 120563
division ~~(I)~~ (H) of this section, may take any range of 120564
correction actions, including revocation of the provider's 120565
certification. 120566

~~(M) (1)~~ (L) (1) The director may issue an order suspending 120567
admissions to a community addiction services provider that 120568
provides overnight accommodations if the director finds either 120569
of the following: 120570

(a) The provider's certifiable services and supports are 120571
not in compliance with rules adopted under this section; 120572

(b) The provider has been cited for more than one 120573

period of the provider. 120575

(2) (a) Except as provided in division ~~(M) (2) (b)~~ (L) (2) (b) 120576
of this section, proceedings initiated to suspend admissions to 120577

a community addiction services provider that provides overnight accommodations are governed by Chapter 119. of the Revised Code. 120578
120579

(b) If a suspension of admissions is proposed because the director has determined that the provider has demonstrated a pattern of serious noncompliance or that a violation creates a substantial risk to the health and safety of patients, the director may issue an order suspending admissions before providing an opportunity for an adjudication under Chapter 119. of the Revised Code. The director shall lift the order for the suspension of admissions if the director determines that the violation that formed the basis for the order has been corrected. 120580

120584
120585
120586
120587
120588
120589

(3) Appeals from proceedings initiated to order the suspension of admissions shall be conducted in accordance with Chapter 119. of the Revised Code, unless the order was issued before providing an opportunity for an adjudication, in which case all of the following apply: 120590
120591
120592
120593
120594

Once a license is issued under this section, the 121069

an opioid treatment program unless all clients receiving 121096

provider has engaged in any practice declared to be illegal or 121115
prohibited by section 3719.61 of the Revised Code, or any other 121116
state or federal laws or regulations relating to drug abuse, or 121117
when the department believes it to be in the best interest of 121118
the public and necessary for the protection of the citizens of 121119
the state, the department may request criminal proceedings by 121120
laying before the prosecuting attorney of the proper county any 121121

mental or physical condition. 121460

(D) (1) In the case of a nursing facility resident who has 121461

facility; 121479

(d) Provide for or arrange for the provision of 121480
specialized services for the resident's mental illness in the 121481

continuously resided in a nursing facility for less than thirty 121484
months before the date of the review and determination under 121485
division (C) of this section, if the resident is determined not 121486
to require the level of services provided by a nursing facility, 121487
but is determined to require specialized services for mental 121488
illness, or if the resident is determined to require neither the 121489

accordance with its alternative disposition plan approved by the 121492
United States department of health and human services under 121493

(3) In the case of an individual who is determined under 121495
division (B) or (C) of this section to require both the level of 121496
services provided by a nursing facility and specialized services 121497
for mental illness, the department of ~~mental-behavioral~~ health 121498
~~and addiction services~~ shall provide or arrange for the 121499
provision of the specialized services needed by the individual 121500
or resident while residing in a nursing facility. 121501

(E) The department of ~~mental-behavioral~~ health ~~and~~ 121502
~~addiction services~~ shall adopt rules in accordance with Chapter 121503
119. of the Revised Code that do all of the following: 121504

(1) Establish criteria to be used in making the 121505

determinations required by divisions (B) and (C) of this 121506
section. The criteria shall not exceed the criteria established 121507

which determinations under divisions (B) and (C) of this section 121515
are not required to be made. 121516

Sec. 5119.41. (A) The department of ~~mental-behavioral~~ 121517
~~health and addiction services~~ shall implement the residential 121518
state supplement program under which the state supplements the 121519
amounts received by aged, blind, or disabled adults as 121520
supplemental security income payments under Title XVI of the 121521
"Social Security Act," 42 U.S.C. 1381 et seq., or as social 121522
security benefits or social security disability insurance 121523
benefits under Title II of the "Social Security Act," 42 U.S.C. 121524
401 et seq. Residential state supplement payments shall be used 121525
for the provision of accommodations, supervision, and personal 121526
care services to recipients of supplemental security income 121527
payments, social security benefits, and social security 121528
disability insurance benefits who the department determines are 121529
at risk of needing institutional care. 121530

In implementing the program, the department may designate 121531
one or more entities to be responsible for providing 121532
administrative services regarding the program. The department 121533

services. 121537

(B) To be eligible for residential state supplement 121538
payments, an individual must satisfy all eligibility 121539

necessary to implement the residential state supplement program, 121543
including the requirements that an individual must satisfy to be 121544
eligible for payments under the program. The rules shall be 121545
adopted in accordance with Chapter 119. of the Revised Code. 121546

The rules adopted by the director of ~~mental-behavioral~~ 121547
health and addiction services may establish the method to be 121548
used to determine the payment an eligible individual will 121549
receive under the program. The amount the general assembly 121550
appropriates for the program may be a factor included in the 121551
method that director establishes. 121552

To the extent permitted by Title XVI of the "Social 121553
Security Act" and any other provision of federal law, the rules 121554
adopted by the medicaid director may establish standards for 121555
adjusting the eligibility requirements concerning the level of 121556
impairment an individual must have so that the amount 121557
appropriated for the program by the general assembly is adequate 121558
for the number of eligible individuals. The rules shall not 121559
limit the eligibility of individuals who are disabled solely on 121560
a basis classifying disabilities as physical or mental. 121561

(D) The county department of job and family services of 121562
the county in which an applicant for the residential state 121563
supplement program resides or the department of medicaid shall 121564

determine whether the applicant meets income and resource 121565
requirements for the program. 121566

The county department of job and family services or the 121567

Code. 121572

(E) An individual in a licensed or certified living 121573
arrangement receiving state supplementation on November 15, 121574
1990, under former section 5101.531 of the Revised Code shall 121575
not become ineligible for payments under this program solely by 121576
reason of the individual's living arrangement as long as the 121577
individual remains in the living arrangement in which the 121578
individual resided on November 15, 1990. 121579

Sec. 5119.42. (A) As used in this section, "private, 121580
nonprofit organization" means a private association, 121581

"Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 501. 121584

(B) To the extent funds are available and on application 121585

~~services~~ may approve state reimbursement of, or state grants 121588

application for reimbursement or a grant for such programs 121592
submitted by other governmental entities or by private, 121593
nonprofit organizations, after the application has been reviewed 121594

and recommended for approval or disapproval by the board of 121595
alcohol, drug addiction, and mental health services for the 121596
district from which the application came, and the application is 121597
consistent with the board's approved community addiction and 121598
mental health plan submitted under division (A) of section 121599
340.03 of the Revised Code and the board's approved budget and 121600
list of addiction services, mental health services, and recovery 121601
supports submitted under divisions (A) and (B) of section 340.08 121602
of the Revised Code. 121603

(C) (1) The director of ~~mental behavioral health and~~ 121604
~~addiction services~~ shall adopt rules in accordance with Chapter 121605
119. of the Revised Code that specify procedures for applying 121606
for state reimbursement of and state grants for community 121607
construction programs, including residential housing for persons 121608
with severe mental disabilities and persons with substance use 121609
disorders and procedures and criteria for approval of such 121610
reimbursement and grants. 121611

(2) The director of ~~mental behavioral health and addiction~~ 121612
~~services~~ shall not approve state reimbursement or a state grant 121613
unless all of the following conditions are met: 121614

(a) The applicant includes with the application a plan 121615
specifying the services, in addition to housing, that will be 121616
provided to persons who will reside in the residential housing. 121617
Services specified may include any of the services described in 121618
section 340.09 of the Revised Code. 121619

(b) The director is satisfied that the residential housing 121620
for persons with severe mental disabilities will be developed to 121621
promote the maximum practical integration of persons with severe 121622
mental disabilities with persons at the same site who do not 121623
have severe mental disabilities. 121624

(c) The use of any funds distributed pursuant to the 121625
reimbursement or grant will not subject any obligation from 121626
which the funds are derived to federal income taxation. 121627

(3) The director may enter into an agreement establishing 121628
terms for any reimbursement or grant approved under this 121629
division with the organization, board, or other government 121630
entity that is the recipient of the reimbursement or grant. Any 121631
such agreement is subject to any covenant or agreement 121632
pertaining to any obligation issued to provide funds for the 121633
reimbursement or grant. 121634

Sec. 5119.421. (A) This section applies to a board of 121635
alcohol, drug addiction, and mental health services, another 121636
governmental entity, or a private, nonprofit organization that 121637
received a grant or reimbursement under section 5119.42 of the 121638
Revised Code for a facility on which the department of ~~mental-~~ 121639
behavioral health and addiction services holds a security 121640
interest. 121641

(B) A board of alcohol, drug addiction, and mental health 121642
services, another governmental entity, or a private, nonprofit 121643
organization to which this section applies may apply to the 121644
director of ~~mental-behavioral health and addiction services~~ for 121645
approval to sell its facility and acquire, construct, or 121646

director shall prescribe the form of the application. Before 121648
submitting an application to the director, a governmental entity 121649
or private, nonprofit organization must obtain approval of the 121650
application from the board of alcohol, drug addiction, and 121651
mental health services with jurisdiction over the service 121652
district in which the existing facility is located. The director 121653
shall approve an application for a replacement project upon 121654

determining that the project provides for the continuation of 121655
appropriate mental health and addiction services to the 121656
population served by the board, entity, or organization. 121657

(C) A board, entity, or organization that obtains approval 121658
for a project under division (B) of this section shall pay the 121659
proceeds of the sale of its facility to the director of ~~mental-~~ 121660
behavioral health ~~and addiction services~~. The director shall 121661
deposit the proceeds to the credit of the community capital 121662
replacement facilities fund. 121663

(D) When a board, entity, or organization that has sold 121664
its facility notifies the director of ~~mental-~~behavioral health 121665
~~and addiction services~~ that it is ready to acquire, construct, 121666
or renovate a replacement facility, the director shall do one of 121667
the following: 121668

(1) If the replacement facility is located in the same 121669
alcohol, drug addiction, and mental health service district as 121670
the original facility, and if the purposes for which the 121671
replacement facility will be used are the same as or similar to 121672
those for the original facility, the director shall pay to the 121673
board, entity, or organization from the community capital 121674
replacement facilities fund an amount equal to the lesser of an 121675
amount equal to the proceeds of the sale of the original 121676
facility or the amount of the state's agreed-upon participation 121677
(as a per cent of the total cost) in the cost of the replacement 121678
facility. If the amount of the state's agreed-upon participation 121679
in the cost of the replacement facility is less than the value 121680
of the state's security interest in the original facility, the 121681
difference between the state's agreed-upon participation in the 121682
cost of the replacement facility and the value of the state's 121683
security interest in the original facility shall be retained in 121684

the community capital replacement facilities fund, and any 121685
excess proceeds shall be paid to the board, entity, or 121686
organization. 121687

(2) If the replacement facility is located in a different 121688
alcohol, drug addiction, and mental health service district than 121689
the original facility, or if the purposes for which the 121690
replacement facility will be used are not the same as or similar 121691
to those for the original facility, the director shall request 121692
controlling board approval for release of funds for the project. 121693
If the controlling board so approves, the director shall pay to 121694
the board, entity, or organization from the community capital 121695
replacement facilities fund the lesser of an amount equal to the 121696
proceeds of the sale of the original facility or the amount of 121697
the state's agreed-upon participation (as a per cent of the 121698
total cost) in the cost of the replacement facility. If the 121699
amount of the state's agreed-upon participation in the cost of 121700
the replacement facility is less than the value of the state's 121701
security interest in the original facility, the difference 121702
between the state's agreed-upon participation in the cost of the 121703
replacement facility and the value of the state's security 121704
interest in the original facility shall be retained in the 121705
community capital replacement facilities fund, and any excess 121706
proceeds shall be paid to the board, entity, or organization. 121707

(E) The director of ~~mental-behavioral health and addiction~~ 121708
~~services~~ and a board, entity, or organization shall enter into 121709
an agreement specifying the terms of any payment made to the 121710
board, entity, or organization under division (D) of this 121711
section. The terms may include provision for the department of 121712
~~mental-behavioral health and addiction services~~ to hold a 121713
security interest in the facility. 121714

(F) (1) When approving an application under division (B) of this section, the director of ~~mental-behavioral health and addiction~~ services shall establish a deadline by which the board, entity, or organization must notify the director that it is ready to acquire, construct, or renovate a replacement facility. If the board, entity, or organization does not notify the director on or before the deadline, the director may cancel the project. Upon canceling the project, the director shall pay to the board, entity, or organization from the community capital replacement facilities fund an amount equal to the portion of the proceeds of the sale of the original facility that exceeds the value of the state's security interest in the facility.

(2) Notwithstanding the deadline established under division (F) (1) of this section, if at any time a board, entity, or organization notifies the director that it does not intend to acquire, construct, or renovate a replacement facility under this section, the director shall cancel the replacement project and pay to the board, entity, or organization from the community capital replacement facilities fund an amount equal to the portion of the proceeds of the sale of the original facility that exceeds the value of the state's security interest in the facility.

(G) If a replacement project is canceled after the sale of the original facility, the director of ~~mental-behavioral health and addiction services~~ shall use funds equal to the value of the state's security interest in the original facility for additional grants or reimbursements under section 5119.42 of the Revised Code. The director shall obtain the approval of the controlling board before releasing the additional grants or reimbursements.

(H) The community capital replacement facilities fund is hereby created in the state treasury. The director of ~~mental-behavioral health and addiction services~~ shall use the fund for the purposes of this section.

Sec. 5119.43. (A) The director of ~~mental-behavioral health and addiction services~~ may enter into agreements with any person, political subdivision, or state agency for the sale or lease of land or facilities under the jurisdiction of the director of ~~mental-behavioral health and addiction services~~ in the following manner:

The appraiser shall deliver to the director of ~~mental-behavioral health and addiction services~~ a signed certificate of the probable market value of the lands and facilities as determined from the preliminary appraisal.

(3) The director of ~~mental-behavioral health and addiction services~~ shall certify to the clerk of the house of representatives and to the clerk of the senate a list of all lands and facilities which may be sold or leased, and shall include with the list the results of the preliminary appraisals of the lands and facilities, a general description of the land and facilities, and a description of the current use of the land

(4) Every list of lands and facilities certified by the 121776
director of ~~mental-behavioral health and addiction services~~ to 121777
the clerk of the house of representatives and to the clerk of 121778
the senate under division (A) (3) of this section, shall 121779
immediately be transmitted by the respective clerks to the 121780
committees in the house and the senate to which land conveyance 121781
bills are usually referred. If either committee files in its 121782
clerk's office, within sixty calendar days of the original 121783
certification of the lands and facilities by the director of 121784
~~mental-behavioral health and addiction services~~, a report 121785

sale or lease of lands and facilities that has not been 121789
disapproved under this division, the director of ~~mental-~~ 121790
~~behavioral health and addiction services~~ shall certify those 121791

(5) After certification to the director of administrative 121793
services under division (A) (4) of this section, the director of 121794
~~mental-behavioral health and addiction services~~ shall have a 121795
formal appraisal made of the lands and facilities by a 121796
disinterested professional appraiser from the department of 121797
administrative services. The director of ~~mental-behavioral~~ 121798
~~health and addiction services~~ may accept the formal appraisal or 121799
may reject it and order a new formal appraisal by a 121800
disinterested professional appraiser who shall not be from the 121801
department of administrative services. The director of ~~mental-~~ 121802
~~behavioral health and addiction services~~ may then sell or lease 121803
the lands or facilities in accordance with this division and 121804
department of administrative services procedures as set forth in 121805

Chapter 123. of the Revised Code. Any such deed or lease shall 121806

best interests of the state, agree to sell surplus land for an 121815
amount less than the formal appraised value but shall not sell 121816
any land for less than two-thirds of the formal appraised value. 121817

(B) Coincident with the certification made under division 121818
(A) (3) of this section concerning lands which may be sold, the 121819
director of ~~mental-behavioral health and addiction services~~ 121820
shall give written notice of intention to sell the lands by 121821
certified mail to the executive officer of each county, 121822
township, municipal corporation, and school district within 121823
which the lands are situated. In each notice, the director of 121824
~~mental-behavioral health and addiction services~~ shall specify 121825
the conditions under which the lands shall be sold, including 121826

release from the chief clinical officer to the court, indicating 123466
that the required affidavit has been mailed, is sufficient 123467

receipt of the request by the chief clinical officer, the 123470
request shall serve as a request for an initial hearing under 123471
section 5122.141 of the Revised Code. If the court finds that 123472

release or discharge the person immediately unless a court has 123570
issued a temporary order of detention applicable to the person 123571
under section 5122.11 of the Revised Code. After the 123572

right to attend the hearing may be waived only by the respondent 123607
or counsel for the respondent after consultation with the 123608

respondent, requests that the hearing be open to the public. 123628

(6) If the hearing is closed to the public, the court, for 123629

interest in the proceedings. If the respondent, the respondent's 123631
counsel, or the designee of the director or of the chief 123632
clinical officer objects to the admission of any person, the 123633
court shall hear the objection and any opposing argument and 123634
shall rule upon the admission of the person to the hearing. 123635

the respondent's counsel of the nature and content of the 123640
documents and the reason for which the respondent is being 123641
detained, or for which the respondent's placement is being 123642
sought. 123643

(9) The court shall receive only reliable, competent, and 123644
material evidence. 123645

(10) Unless proceedings are initiated pursuant to section 123646
5120.17 or 5139.08 of the Revised Code, an attorney that the 123647

respondent is a person with a mental illness subject to court 123649
order. The attorney shall offer evidence of the diagnosis, 123650

evidence of the diagnosis, prognosis, record of treatment, if 123657
any, and less restrictive treatment plans, if any. 123658

(11) The respondent or the respondent's counsel has the 123659
right to subpoena witnesses and documents and to examine and 123660
cross-examine witnesses. 123661

(12) The respondent has the right, but shall not be 123662
compelled, to testify, and shall be so advised by the court. 123663

(13) On motion of the respondent or the respondent's 123664
counsel for good cause shown, or on the court's own motion, the 123665
court may order a continuance of the hearing. 123666

(14) If the respondent is represented by counsel and the 123667
respondent's counsel requests a transcript and record, or if the 123668
respondent is not represented by counsel, the court shall make 123669
and maintain a full transcript and record of the proceeding. If 123670
the respondent is indigent and the transcript and record is 123671
made, a copy shall be provided to the respondent upon request 123672
and be treated as an expense under section 5122.43 of the 123673
Revised Code. 123674

(15) To the extent not inconsistent with this chapter, the 123675
Rules of Civil Procedure are applicable. 123676

(B) Unless, upon completion of the hearing the court finds 123677

by clear and convincing evidence that the respondent is a person 123678
with a mental illness subject to court order, it shall order the 123679
respondent's discharge immediately. 123680

(C) If, upon completion of the hearing, the court finds by 123681
clear and convincing evidence that the respondent is a person 123682
with a mental illness subject to court order, the court shall 123683
order the respondent for a period not to exceed ninety days to 123684
any of the following: 123685

(1) A hospital operated by the department of ~~mental~~ 123686

facility. 123699

(D) Any order made pursuant to division (C) (2), (3), (5), 123700
or (6) of this section shall be conditioned upon the receipt by 123701
the court of consent by the hospital, facility, agency, or 123702
person to accept the respondent and may include a requirement 123703
that a person or entity described in division (C) (2), (3), (5), 123704
or (6) of this section inform the board of alcohol, drug 123705

addiction, and mental health services or community mental health 123706
services provider the board designates about the progress of the 123707
respondent with the treatment plan. 123708

(E) In determining the entity or person to which the 123709
respondent is to be committed under division (C) of this 123710
section, the court shall consider all of the following: 123711

(1) The respondent's diagnosis and prognosis made by a 123712
psychiatrist, licensed clinical psychologist, clinical nurse 123713
specialist who is certified as a psychiatric-mental health 123714

alternative available that is consistent with treatment goals is 123724
inpatient hospitalization, the court's order shall so state. 123725

(F) During the ninety-day period the entity or person 123726
shall examine and treat the respondent. If the respondent is 123727
receiving treatment in an outpatient setting, or receives 123728
treatment in an outpatient setting during a subsequent period of 123729
continued commitment under division (H) of this section, the 123730
entity or person to whom the respondent is committed shall 123731
determine the appropriate outpatient treatment for the 123732
respondent. If, at any time prior to the expiration of the 123733
ninety-day period, it is determined by the entity or person that 123734

the respondent's treatment needs could be equally well met in an 123735

least restrictive setting. 123750

(G) (1) Except as provided in division (G) (2) of this 123751
section, any person for whom proceedings for treatment have been 123752
commenced pursuant to section 5122.11 of the Revised Code, may 123753
apply at any time for voluntary admission or treatment to the 123754
entity or person to which the person was committed. Upon 123755
admission as a voluntary patient the chief clinical officer of 123756
the entity or the person immediately shall notify the court, the 123757
patient's counsel, and the attorney designated by the board, if 123758
the attorney has entered the proceedings, in writing of that 123759
fact, and, upon receipt of the notice, the court shall dismiss 123760
the case. 123761

(2) A person who is found incompetent to stand trial or 123762
not guilty by reason of insanity and who is committed pursuant 123763

to section 2945.39, 2945.40, 2945.401, or 2945.402 of the 123764
Revised Code shall not voluntarily commit the person pursuant to 123765
this section until after the final termination of the 123766
commitment, as described in division (J) of section 2945.401 of 123767
the Revised Code. 123768

(H) If, at the end of the first ninety-day period or any 123769
subsequent period of continued commitment, there has been no 123770
disposition of the case, either by discharge or voluntary 123771
admission or treatment, the entity or person shall discharge the 123772
patient immediately, unless at least ten days before the 123773
expiration of the period the attorney the board designates or 123774
the prosecutor files with the court an application for continued 123775
commitment. The application of the attorney or the prosecutor 123776
shall include a written report containing the diagnosis, 123777
prognosis, past treatment, a list of alternative treatment 123778
settings and plans, and identification of the treatment setting 123779
that is the least restrictive consistent with treatment needs. 123780
The attorney the board designates or the prosecutor shall file 123781
the written report at least three days prior to the full 123782
hearing. A copy of the application and written report shall be 123783
provided to the respondent's counsel immediately. 123784

The court shall hold a full hearing on applications for 123785
continued commitment at the expiration of the first ninety-day 123786
period and at least every two years after the expiration of the 123787
first ninety-day period. 123788

Hearings following any application for continued 123789
commitment are mandatory and may not be waived. 123790

For a respondent who is ordered to receive treatment in an 123791
outpatient setting, if at any time after the first ninety-day 123792
period the entity or person to whom the respondent was ordered 123793

determines that the respondent has demonstrated voluntary 123794
consent for treatment, that entity or person shall immediately 123795
notify the respondent, the respondent's counsel, the attorney 123796
designated by the board, and the court. The entity or person 123797
shall submit to the court a report of the findings and 123798
recommendations. The court may dismiss the case upon review of 123799
the facts. 123800

Upon request of a person who is involuntarily committed 123801
under this section, or the person's counsel, that is made more 123802
than one hundred eighty days after the person's last full 123803
hearing, mandatory or requested, the court shall hold a full 123804
hearing on the person's continued commitment. Upon the 123805
application of a person involuntarily committed under this 123806
section, supported by an affidavit of a psychiatrist or licensed 123807
clinical psychologist, alleging that the person no longer is a 123808
person with a mental illness subject to court order, the court 123809
for good cause shown may hold a full hearing on the person's 123810
continued commitment prior to the expiration of one hundred 123811
eighty days after the person's last full hearing. Section 123812
5122.12 of the Revised Code applies to all hearings on continued 123813
commitment. 123814

If the court, after a hearing for continued commitment 123815
finds by clear and convincing evidence that the respondent is a 123816
person with a mental illness subject to court order, the court 123817
may order continued commitment at places or to persons specified 123818
in division (C) of this section. 123819

(I) Unless the admission is pursuant to section 5120.17 or 123820
5139.08 of the Revised Code, the chief clinical officer of the 123821
entity admitting a respondent pursuant to a judicial proceeding, 123822
within ten working days of the admission, shall make a report of 123823

the admission to the board of alcohol, drug addiction, and 123824
mental health services serving the respondent's county of 123825
residence. 123826

(J) A referee appointed by the court may make all orders 123827
that a judge may make under this section and sections 5122.11 123828
and 5122.141 of the Revised Code, except an order of contempt of 123829
court. The orders of a referee take effect immediately. Within 123830
fourteen days of the making of an order by a referee, a party 123831
may file written objections to the order with the court. The 123832
filed objections shall be considered a motion, shall be 123833
specific, and shall state their grounds with particularity. 123834
Within ten days of the filing of the objections, a judge of the 123835
court shall hold a hearing on the objections and may hear and 123836
consider any testimony or other evidence relating to the 123837
respondent's mental condition. At the conclusion of the hearing, 123838
the judge may ratify, rescind, or modify the referee's order. 123839

(K) An order of the court under division (C), (H), or (J) 123840
of this section is a final order. 123841

(L) Before a board, or a services provider the board 123842
designates, may place an unconsenting respondent in an inpatient 123843
setting from a less restrictive placement, the board or services 123844
provider shall do all of the following: 123845

(1) Determine that the respondent is in immediate need of 123846
treatment in an inpatient setting because the respondent 123847
represents a substantial risk of physical harm to the respondent 123848
or others if allowed to remain in a less restrictive setting; 123849

(2) On the day of placement in the inpatient setting or on 123850
the next court day, file with the court a motion for transfer to 123851
an inpatient setting or communicate to the court by telephone 123852

that the required motion has been mailed; 123853

(3) Ensure that every reasonable and appropriate effort is 123854
made to take the respondent to the inpatient setting in the 123855
least conspicuous manner possible; 123856

(4) Immediately notify the board's designated attorney and 123857
the respondent's attorney. 123858

At the respondent's request, the court shall hold a 123859
hearing on the motion and make a determination pursuant to 123860
division (E) of this section within five days of the placement. 123861

(M) Before a board, or a services provider the board 123862
designates, may move a respondent from one residential placement 123863
to another, the board or services provider shall consult with 123864
the respondent about the placement. If the respondent objects to 123865
the placement, the proposed placement and the need for it shall 123866
be reviewed by a qualified mental health professional who 123867
otherwise is not involved in the treatment of the respondent. 123868

(N) The entity or person to whom the respondent was 123869
ordered for treatment in an outpatient setting may submit a 123870
report to the court indicating that the respondent has either 123871
failed to comply with the treatment plan or begun to demonstrate 123872
signs of decompensation that may be grounds for hospitalization. 123873
On receipt of the report, the court shall promptly schedule a 123874
hearing to review the case. The court shall conduct the hearing 123875
in a manner consistent with this chapter and due process of law. 123876
The board shall receive notice of the hearing and the board and 123877
entity or person treating the respondent shall submit a report 123878
to the court with a plan for appropriate alternative treatment, 123879
if any, or recommend that the court discontinue the court- 123880
ordered treatment. The court shall consider available and 123881

appropriate alternative placements but shall not impose criminal 123882
sanctions that result in confinement in a jail or other local 123883
correctional facility based on the respondent's failure to 123884
comply with the treatment plan. The court may not order the 123885
respondent to a more restrictive placement unless the criteria 123886
specified in division (L) of this section are met and may not 123887
order the respondent to an inpatient setting unless the court 123888
determines by clear and convincing evidence presented by the 123889
board that the respondent meets the criteria specified in 123890
divisions (A) and (B) (1), (2), (3), or (4) of section 5122.01 of 123891
the Revised Code. 123892

Sec. 5122.20. The director of ~~mental-behavioral health and~~ 123893
~~addiction services~~ or the director's designee may transfer, or 123894
authorize the transfer of, an involuntary patient, or a 123895
consenting voluntary patient hospitalized pursuant to section 123896
5122.02 or sections 5122.11 to 5122.15 of the Revised Code, from 123897
one public hospital to another, or to a hospital, community 123898
mental health services provider, or other facility offering 123899
treatment or other services for mental illness, if the medical 123900
director of the department of ~~mental-behavioral health and~~ 123901
~~addiction services~~ determines that it would be consistent with 123902
the medical needs of the patient to do so. If such a transfer is 123903
made to a private facility, the transfer shall be conditioned 123904
upon the consent of the facility. 123905

Before an involuntary patient may be transferred to a more 123906
restrictive setting, the chief clinical officer shall file a 123907
motion with the court requesting the court to amend its order of 123908
placement issued under section 5122.15 of the Revised Code. At 123909
the patient's request, the court shall hold a hearing on the 123910
motion at which the patient has the same rights as at a full 123911
hearing under section 5122.15 of the Revised Code. The hearing 123912

shall be held within ten days after the date on which the 123913
respondent was transferred to the more restrictive setting or on 123914
which the motion was filed, whichever is earlier. On the motion 123915
of the respondent, the respondent's counsel, or the chief 123916
clinical officer, or on its own motion, and for good cause 123917
shown, the court may order a continuance of the hearing for up 123918
to ten days. 123919

Whenever an involuntary patient is transferred, written 123920
notice of the transfer shall be given to the patient's legal 123921
guardian, parents, spouse, and counsel, or, if none is known, to 123922
the patient's nearest known relative or friend. If the patient 123923
is a minor, the department, before making such a transfer, shall 123924
make a minute of the order for the transfer and the reason for 123925
it upon its record and shall send a certified copy at least 123926
seven days prior to the transfer to the person shown by its 123927
record to have had the care or custody of the minor immediately 123928
prior to the minor's commitment. Whenever a consenting voluntary 123929
patient is transferred, the notification shall be given only at 123930
the patient's request. The chief clinical officer shall advise a 123931
voluntary patient who is being transferred that the patient may 123932
decide if the notification shall be given. In all such 123933
transfers, due consideration shall be given to the wishes of the 123934
patient, and the relationship of the patient to the patient's 123935
family, legal guardian, or friends, so as to maintain the 123936
relationship and encourage visits beneficial to the patient. 123937

When a voluntary patient whose medical or psychological 123938
needs are found by the chief clinical officer to warrant a 123939
transfer refuses to be transferred to an alternate facility, the 123940
chief clinical officer may file an affidavit for a hearing under 123941
section 5122.11 of the Revised Code. 123942

Sec. 5122.21. (A) The chief clinical officer shall as 123943
frequently as practicable, and at least once every thirty days, 123944
examine or cause to be examined every patient, and, whenever the 123945
chief clinical officer determines that the conditions justifying 123946
involuntary hospitalization or commitment no longer obtain, 123947
shall discharge the patient not under indictment or conviction 123948
for crime and immediately make a report of the discharge to the 123949
department of ~~mental behavioral health and addiction services~~. 123950
The chief clinical officer may discharge a patient who is under 123951
an indictment, a sentence of imprisonment, a community control 123952
sanction, or a post-release control sanction or on parole ten 123953

been given by personal service or certified mail, return receipt 123955
requested, to the court having criminal jurisdiction over the 123956
patient. Except when the patient was found not guilty by reason 123957
of insanity and the defendant's commitment is pursuant to 123958
section 2945.40 of the Revised Code, the chief clinical officer 123959
has final authority to discharge a patient who is under an 123960

the person is ordered or to which the person is transferred 123967
under section 5122.20 of the Revised Code, may grant a discharge 123968
without the consent or authorization of any court. 123969

Upon discharge, the chief clinical officer shall notify 123970
the court that caused the judicial hospitalization of the 123971
discharge from the hospital. 123972

Sec. 5122.23. The chief clinical officer of a public 123973
hospital shall immediately report to the department of ~~mental-~~ 123974

escaped or visiting patient to the department, the probate judge 123980
of the county from which such patient was hospitalized, and the 123981
probate judge of the county of residence of such patient. In 123982
case of death, the chief clinical officer also shall notify one 123983
or more of the nearest relatives of the deceased patient, if 123984
known to the chief clinical officer, by letter, telegram, or 123985
telephone. If the place of residence of such relative is unknown 123986
to the chief clinical officer, immediately upon receiving 123987
notification the probate judge shall in the speediest manner 123988

a receiver to take possession of and operate a residential 124964
facility licensed by the department of developmental 124965
disabilities, in causes pending in such courts respectively, 124966
when conditions existing at the facility present a substantial 124967
risk of physical or mental harm to residents and no other 124968
remedies at law are adequate to protect the health, safety, and 124969
welfare of the residents. Conditions at the facility that may 124970
present such risk of harm include, but are not limited to, 124971
instances when any of the following occur: 124972

(1) The residential facility is in violation of state or 124973
federal law or regulations. 124974

five court days of the time it was filed, except that the court 124992

in receivership is insufficient to meet its operating expenses, 125004
including the cost of bringing the facility into compliance with 125005
state or federal laws or regulations, the court may order the 125006
state to provide necessary funding, except as provided in 125007
division (K) of this section. The state shall provide such 125008
funding, subject to the approval of the controlling board. The 125009

certification of a facility, and order a facility to be closed 125012
if it determines that reasonable efforts cannot bring the 125013
facility into substantial compliance with the law. 125014

(E) In establishing a receivership, the court shall set 125015

forth the powers and duties of the receiver. The court may 125016
generally authorize the receiver to do all that is prudent and 125017
necessary to safely and efficiently operate the residential 125018
facility within the requirements of state and federal law, but 125019
shall require the receiver to obtain court approval prior to 125020

Notwithstanding division (F)(2) of this section, the court 125037
shall not terminate a receivership for a residential facility 125038
that has previously operated under another receivership unless 125039
the responsibility for the operation of the facility is 125040
transferred to an operator approved by the court and the 125041
department of developmental disabilities. 125042

(G) The department of developmental disabilities may, upon 125043
its own initiative or at the request of an owner, operator, or 125044

resident of a residential facility, or at the request of a 125045
resident's guardian or relative or a county board of 125046
developmental disabilities, petition the court to appoint a 125047
receiver to take possession of and operate a residential 125048
facility. When the department has been requested to file a 125049
petition by any of the parties listed above, it shall, within 125050
forty-eight hours of such request, either file such a petition 125051
or notify the requesting party of its decision not to file. If 125052
the department refuses to file, the requesting party may file a 125053
petition with the court requesting the appointment of a receiver 125054
to take possession of and operate a residential facility. 125055

Petitions filed pursuant to this division shall include 125056
the following: 125057

the facility which present a substantial risk of physical or 125059
mental harm to residents; 125060

(2) A statement of the absence of other adequate remedies 125061
at law; 125062

(3) The number of individuals residing at the facility; 125063

(4) A statement that the facts have been brought to the 125064
attention of the owner or licensee and that conditions have not 125065
been remedied within a reasonable period of time or that the 125066
conditions, though remedied periodically, habitually exist at 125067

unless the superintendent of the institution in which the child 125849

Sec. 5160.37. (A) A medical assistance recipient's 126546
enrollment in a medical assistance program gives an automatic 126547
right of recovery to the department of medicaid and a county 126548
department of job and family services against the liability of a 126549
third party for the cost of medical assistance paid on behalf of 126550
the recipient. When an action or claim is brought against a 126551
third party by a medical assistance recipient, any payment, 126552
settlement or compromise of the action or claim, or any court 126553
award or judgment, is subject to the recovery right of the 126554
department of medicaid or county department. Except in the case 126555
of a medical assistance recipient who receives medical 126556
assistance through a medicaid managed care organization, the 126557
department's or county department's claim shall not exceed the 126558
amount of medical assistance paid by the department or county 126559
department on behalf of the recipient. A payment, settlement, 126560
compromise, judgment, or award that excludes the cost of medical 126561
assistance paid for by the department or county department shall 126562
not preclude a department from enforcing its rights under this 126563
section. 126564

(B) (1) In the case of a medical assistance recipient who 126565
receives medical assistance through a medicaid managed care 126566
organization that has a capitation agreement with a provider, 126567
the amount of the department's or county department's claim 126568
shall be the amount the medicaid managed care organization would 126569
have paid in the absence of a capitation agreement. 126570

(2) In the case of a medical assistance recipient who 126571
receives medical assistance through a medicaid managed care 126572
organization that does not have a capitation agreement with a 126573
provider, the amount of the department's or county department's 126574

claim shall be the amount the medicaid managed care organization 126575
pays for medical assistance rendered to the recipient, even if 126576
that amount is more than the amount the department or county 126577
department pays to the medicaid managed care organization for 126578
the recipient's medical assistance. 126579

(C) A medical assistance recipient, and the recipient's 126580
attorney, if any, shall cooperate with the departments. In 126581
furtherance of this requirement, the medical assistance 126582
recipient, or the recipient's attorney, if any, shall, not later 126583
than thirty days after initiating informal recovery activity or 126584
filing a legal recovery action against a third party, provide 126585
written notice of the activity or action to the department of 126586
medicaid or county department if it has paid for medical 126587
assistance under a medical assistance program. 126588

(D) The written notice that must be given under division 126589
(C) of this section shall disclose the identity and address of 126590
any third party against whom the medical assistance recipient 126591
has or may have a right of recovery. 126592

(E) No settlement, compromise, judgment, or award or any 126593
recovery in any action or claim by a medical assistance 126594
recipient where the department or county department has a right 126595
of recovery shall be made final without first giving the 126596
department or county department written notice as described in 126597
division (C) of this section and a reasonable opportunity to 126598
perfect its rights of recovery. If the department or county 126599
department is not given the appropriate written notice, the 126600
medical assistance recipient and, if there is one, the 126601
recipient's attorney, are liable to reimburse the department or 126602
county department for the recovery received to the extent of 126603
medical assistance payments made by the department or county 126604

department. 126605

(F) The department or county department shall be permitted 126606
to enforce its recovery rights against the third party even 126607
though it accepted prior payments in discharge of its rights 126608
under this section if, at the time the department or county 126609
department received such payments, it was not aware that 126610
additional medical expenses had been incurred but had not yet 126611
been paid by the department or county department. The third 126612
party becomes liable to the department or county department as 126613
soon as the third party is notified in writing of the valid 126614
claims for recovery under this section. 126615

(G) (1) Subject to division (G) (2) of this section, the 126616
right of recovery of the department or county department does 126617
not apply to that portion of any judgment, award, settlement, or 126618
compromise of a claim, to the extent of attorneys' fees, costs, 126619
or other expenses incurred by a medical assistance recipient in 126620
securing the judgment, award, settlement, or compromise, or to 126621
the extent of medical, surgical, and hospital expenses paid by 126622
such recipient from the recipient's own resources. 126623

(2) Reasonable attorneys' fees, not to exceed one-third of 126624
the total judgment, award, settlement, or compromise, plus costs 126625
and other expenses incurred by the medical assistance recipient 126626
in securing the judgment, award, settlement, or compromise, 126627
shall first be deducted from the total judgment, award, 126628
settlement, or compromise. After fees, costs, and other expenses 126629
are deducted from the total judgment, award, settlement, or 126630
compromise, there shall be a rebuttable presumption that the 126631
department of medicaid or county department shall receive no 126632
less than one-half of the remaining amount, or the actual amount 126633
of medical assistance paid, whichever is less. A party may rebut 126634

the presumption in accordance with division (L) (1) ~~or~~, (2), or
(3) of this section, as applicable.

(H) A right of recovery created by this section may be
enforced separately or jointly by the department of medicaid or
county department. To enforce its recovery rights, the
department or county department may do any of the following:

(1) Intervene or join in any action or proceeding brought
by the medical assistance recipient or on the recipient's behalf
against any third party who may be liable for the cost of
medical assistance paid;

(2) Institute and pursue legal proceedings against any
third party who may be liable for the cost of medical assistance
paid;

(3) Initiate legal proceedings in conjunction with any
injured, diseased, or disabled medical assistance recipient or
the recipient's attorney or representative.

(I) A medical assistance recipient shall not assess
attorney fees, costs, or other expenses against the department
of medicaid or a county department when the department or county
department enforces its right of recovery created by this
section.

(J) The right of recovery given to the department under
this section includes payments made by a third party under
contract with a person having a duty to support.

(K) The department of medicaid may assign to a medical
assistance provider the right of recovery given to the
department under this section with respect to any claim for
which the department has notified the provider that the
department intends to recoup the department's prior payment for

the claim. 126664

(L) (1) Prior to any payment to the department or a county 126665
department pursuant to the department's or county department's 126666
right of recovery under this section, a party that desires to 126667
rebut the presumption in division (G) of this section shall 126668
submit to the department or county department a request for a 126669
hearing in accordance with the procedure the department 126670
establishes in rules required by division (O) of this section. 126671
The amount sought by the department or county department shall 126672
be held in escrow or in an interest on lawyers' trust account 126673
until the hearing examiner renders a decision or the case is 126674
otherwise concluded. A party successfully rebuts the presumption 126675
by a showing of clear and convincing evidence that a different 126676
allocation is warranted. 126677

(2) A medical assistance recipient who has repaid money, 126678
on or after September 29, 2007, to the department or a county 126679
department pursuant to the department's or county department's 126680
right of recovery under this section, section 5160.38 of the 126681
Revised Code, or former section 5101.58 or 5101.59 of the 126682
Revised Code may request a hearing to rebut the presumption in 126683
division (G) of this section. The request shall be made in 126684
accordance with the procedure the department establishes for 126685
this purpose in rules required by division (O) of this section. 126686
It must be made not later than one hundred eighty days after 126687
September 29, 2015, or ninety days after the payment is made, 126688
whichever is later. A party successfully rebuts the presumption 126689
by a showing of clear and convincing evidence that a different 126690
allocation is warranted. 126691

(3) A medical assistance recipient who has repaid money, 126692
between April 6, 2007 and September 28, 2007, to the department 126693

or a county department pursuant to the department's or county 126694
department's right of recovery under this section, section 126695
5160.38 of the Revised Code, or former section 5101.58 or 126696
5101.59 of the Revised Code may request a hearing to rebut the 126697
presumption in division (G) of this section. The request shall 126698
be made not later than one hundred eighty days after the 126699
effective date of this amendment in accordance with the 126700
procedure the department establishes for this purpose in rules 126701

other clinical settings. A health care provider may only charge 127609
a fee to the patient based on the direct costs of producing the 127610
results in a format usable in other clinical settings. A patient 127611
or a patient's legal guardian shall have the right to rescind 127612
the original consent to the use of the data in scientific 127613
research at any time, and upon receipt of a written revocation 127614

Revised Code; 127621

(2) Any other administrative action determined to be 127622
necessary to implement the requirements of this section. 127623

Sec. 5165.19. (A) (1) Semiannually, except as provided in 127624
division (A) (2) of this section, the department of medicaid 127625
shall determine each nursing facility's per medicaid day payment 127626
rate for direct care costs by multiplying the facility's 127627
semiannual case-mix score determined under section 5165.192 of 127628
the Revised Code by the cost per case-mix unit determined under 127629

division (C) of this section for the facility's peer group. 127630

(2) Beginning January 1, 2024, during state fiscal years 127631
2024 and 2025, the department shall determine each nursing 127632
facility's per medicaid day payment rate for direct care costs 127633
by multiplying the cost per case-mix unit determined under 127634
division (C) of this section for the facility's peer group by 127635
the case-mix score specified in division (A) (2) (a) or (b) of 127636
this section, as selected by the nursing facility not later than 127637
October 1, 2023. If the nursing facility does not make a 127638
selection by October 1, 2023, the case-mix score specified in 127639
division (A) (2) (a) of this section shall apply. The case-mix 127640
score may be either of the following: 127641

(a) The semiannual case-mix score determined for the 127642
facility under division (A) (1) of this section; 127643

(b) The facility's quarterly case-mix score from March 31, 127644
2023, which shall apply to the facility's direct care rate from 127645
January 1, 2024, to June 30, 2025. 127646

(B) For the purpose of determining nursing facilities' 127647
rates for direct care costs, the department shall establish 127648
three peer groups. 127649

(1) Each nursing facility located in any of the following 127650
counties shall be placed in peer group one: Brown, Butler, 127651

(2) Each nursing facility located in any of the following 127653
counties shall be placed in peer group two: Allen, Ashtabula, 127654
Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, 127655
Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, 127656
Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, 127657

(3) Each nursing facility located in any of the following 127660
counties shall be placed in peer group three: Adams, Ashland, 127661
Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, 127662
Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, 127663
Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, 127664
Lawrence, Logan, Meigs, Mercer, Monroe, Morgan, Muskingum, 127665
Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, 127666
Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and 127667
Wyandot. 127668

(C) (1) The Except as provided in division (C) (4) of this 127669
section, the department shall determine a cost per case-mix unit 127670
for each peer group established under division (B) of this 127671
section. The cost per case-mix unit determined under this 127672
division for a peer group shall be used for subsequent years 127673
until the department conducts a rebasing. To determine a peer 127674
group's cost per case-mix unit, the department shall do both of 127675
the following: 127676

(a) Determine the cost per case-mix unit for each nursing 127677
facility in the peer group for the applicable calendar year by 127678
dividing each facility's desk-reviewed, actual, allowable, per 127679
diem direct care costs for the applicable calendar year by the 127680
facility's annual average case-mix score determined under 127681
section 5165.192 of the Revised Code for the applicable calendar 127682
year; 127683

(b) Subject to division (C) (2) of this section, identify 127684
which nursing facility in the peer group is at the seventieth 127685
percentile of the cost per case-mix units determined under 127686
division (C) (1) (a) of this section. 127687

(2) In making the identification under division (C) (1) (b) 127688
of this section, the department shall exclude both of the 127689
following: 127690

(a) Nursing facilities that participated in the medicaid 127691
program under the same provider for less than twelve months in 127692
the applicable calendar year; 127693

(b) Nursing facilities whose cost per case-mix unit is 127694
more than one standard deviation from the mean cost per case-mix 127695
unit for all nursing facilities in the nursing facility's peer 127696
group for the applicable calendar year. 127697

(3) The department shall not redetermine a peer group's 127698
cost per case-mix unit under this division based on additional 127699
information that it receives after the peer group's per case-mix 127700
unit is determined. The department shall redetermine a peer 127701
group's cost per case-mix unit only if it made an error in 127702
determining the peer group's cost per case-mix unit based on 127703
information available to the department at the time of the 127704
original determination. 127705

(4) The department shall multiply each cost per case-mix 127706
unit determined under division (C) (1) of this section by the 127707
peer group average case-mix score in effect on December 31, 127708
2025, divided by the peer group average case-mix score 127709
determined under section 5165.192 of the Revised Code for the 127710
semiannual period beginning January 1, 2026. The product 127711
determined under this division for each nursing facility's peer 127712
group shall be the cost per case-mix unit used to determine the 127713
nursing facility's per medicaid day payment rate for direct care 127714
costs under division (A) (1) of this section for the period 127715
beginning January 1, 2026, and ending on the day before the 127716
department's next rebasing conducted after that date takes 127717

effect. 127718

Sec. 5165.192. (A) (1) Except as provided in division (B) 127719
of this section and in accordance with the process specified in 127720
rules authorized by this section, the department of medicaid 127721
shall do all of the following: 127722

(a) Every quarter, determine the following two case-mix 127723
scores for each nursing facility: 127724

(i) A quarterly case-mix score that includes each resident 127725
who is a medicaid recipient and is not a low case-mix resident; 127726

(ii) A quarterly case-mix score that includes each 127727
resident regardless of payment source. 127728

(b) Every six months, determine a semiannual average case- 127729
mix score for each nursing facility by using the quarterly case- 127730
mix scores determined for the nursing facility pursuant to 127731
division (A) (1) (a) (i) of this section; 127732

(c) After the end of each calendar year, determine an 127733
annual average case-mix score for each nursing facility by using 127734
the quarterly case-mix scores determined for the nursing 127735
facility pursuant to division (A) (1) (a) (ii) of this section. 127736

(2) When determining case-mix scores under division (A) (1) 127737
of this section, the department shall use all of the following: 127738

(a) Data from a resident assessment instrument specified 127739
in rules authorized by section 5165.191 of the Revised Code; 127740

(b) Except as provided in rules authorized by this 127741
section, the case-mix values established by the United States 127742
department of health and human services; 127743

(c) Except as modified in rules authorized by this 127744

section, the grouper methodology used on ~~June 30, 1999~~October 1, 127745
2019, for the patient driven payment model nursing index, by the 127746
United States department of health and human services for 127747
prospective payment of skilled nursing facilities under the 127748
medicare program. 127749

(B) (1) Subject to division (B) (2) of this section, the 127750
department, for one or more months of a calendar quarter, may 127751
assign to a nursing facility a case-mix score that is five per 127752
cent less than the nursing facility's case-mix score for the 127753
immediately preceding calendar quarter if any of the following 127754
apply: 127755

(a) The provider does not timely submit complete and 127756
accurate resident assessment data necessary to determine the 127757
nursing facility's case-mix score for the calendar quarter; 127758

(b) The nursing facility was subject to an exception 127759
review under section 5165.193 of the Revised Code for the 127760
immediately preceding calendar quarter; 127761

(c) The nursing facility was assigned a case-mix score for 127762
the immediately preceding calendar quarter. 127763

(2) Before assigning a case-mix score to a nursing 127764
facility due to the submission of incorrect resident assessment 127765
data, the department shall permit the provider to correct the 127766
data. The department may assign the case-mix score if the 127767
provider fails to submit the corrected resident assessment data 127768
not later than the earlier of the forty-fifth day after the end 127769
of the calendar quarter to which the data pertains or the 127770
deadline for submission of such corrections established by 127771
regulations adopted by the United States department of health 127772
and human services under Title XVIII and Title XIX. 127773

(3) If, for more than six months in a calendar year, a provider is paid a rate determined for a nursing facility using a case-mix score assigned to the nursing facility under division (B) (1) of this section, the department may assign the nursing facility a cost per case-mix unit that is five per cent less than the nursing facility's actual or assigned cost per case-mix unit for the immediately preceding calendar year. The department may use the assigned cost per case-mix unit, instead of determining the nursing facility's actual cost per case-mix unit in accordance with section 5165.19 of the Revised Code, to establish the nursing facility's rate for direct care costs for the fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.

(4) The department shall take action under division (B) (1), (2), or (3) of this section only in accordance with rules authorized by this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5165.41 and 5165.42 of the Revised Code.

(C) The medicaid director shall adopt rules under section 5165.02 of the Revised Code as necessary to implement this section.

(1) The rules shall do all of the following:

(a) Specify the process for determining the semiannual and annual average case-mix scores for nursing facilities;

~~(b) Adjust the case-mix values specified in division (A) (2) (b) of this section to reflect changes in relative wage differentials that are specific to this state;~~

~~(c) Express all of those case-mix values in numeric terms~~

~~that are different from the terms specified by the United States~~ 127803
~~department of health and human services but that do not alter~~ 127804
~~the relationship of the case-mix values to one another;~~ 127805

~~(d)~~ Modify the grouper methodology specified in division 127806
(A) (2) (c) of this section as follows: 127807

~~(i) Establish a different hierarchy for assigning~~ 127808
~~residents to case-mix categories under the methodology;~~ 127809

~~(ii) Allow the use of the index maximizer element of the~~ 127810
~~methodology;~~ 127811

~~(iii)~~ Incorporate ~~changes to the~~ grouper methodology for 127812
the patient driven payment model nursing index used by the 127813
United States department of health and human services ~~makes~~ 127814
~~after June 30, 1999~~ on October 1, 2019, for prospective payment 127815
of skilled nursing facilities under the medicare program; 127816

~~(iv)~~ (ii) Make other changes the department determines are 127817
necessary. 127818

~~(e)~~ (c) Establish procedures under which resident 127819
assessment data shall be reviewed for accuracy and providers 127820
shall be notified of any data that requires correction; 127821

~~(f)~~ (d) Establish procedures for providers to correct 127822
resident assessment data and specify a reasonable period of time 127823
by which providers shall submit the corrections. The procedures 127824
may limit the content of corrections in the manner required by 127825
regulations adopted by the United States department of health 127826
and human services under Title XVIII and Title XIX. 127827

~~(g)~~ (e) Specify when and how the department will assign 127828
case-mix scores or costs per case-mix unit to a nursing facility 127829
under division (B) of this section if information necessary to 127830

calculate the nursing facility's case-mix score is not provided 127831
or corrected in accordance with the procedures established by 127832
the rules. 127833

(2) Notwithstanding any other provision of this chapter, 127834
the rules may provide for the exclusion of case-mix scores 127835
assigned to a nursing facility under division (B) of this 127836
section from the determination of the nursing facility's 127837
semiannual or annual average case-mix score and the cost per 127838
case-mix unit for the nursing facility's peer group. 127839

Sec. 5165.26. (A) As used in this section: 127840

(1) "Base rate" means the portion of a nursing facility's 127841
total per medicaid day payment rate determined under divisions 127842
(A) and (B) of section 5165.15 of the Revised Code. 127843

(2) "CMS" means the United States centers for medicare and 127844
medicaid services. 127845

(3) "Long-stay resident" means an individual who has 127846
resided in a nursing facility for at least one hundred one days. 127847

(4) "Nursing facilities for which a quality score was 127848
determined" includes nursing facilities that are determined to 127849
have a quality score of zero. 127850

(5) "SFF list" means the list of nursing facilities that 127851
the United States department of health and human services 127852
creates under the special focus facility program. 127853

(6) "Special focus facility program" means the program 127854
conducted by the United States secretary of health and human 127855
services pursuant to section 1919(f)(10) of the "Social Security 127856
Act," 42 U.S.C. 1396r(f)(10). 127857

(B) Subject to divisions (D) and (E) and except as 127858

provided in division (F) of this section, the department of 127859
medicaid shall determine each nursing facility's per medicaid 127860
day quality incentive payment rate as follows: 127861

(1) Determine the sum of the quality scores determined 127862
under division (C) of this section for all nursing facilities. 127863

(2) Determine the average quality score by dividing the 127864
sum determined under division (B) (1) of this section by the 127865
number of nursing facilities for which a quality score was 127866
determined. 127867

(3) Determine the sum of the total number of medicaid days 127868
for all of the calendar year preceding the fiscal year for which 127869
the rate is determined for all nursing facilities for which a 127870
quality score was determined. 127871

(4) Multiply the average quality score determined under 127872
division (B) (2) of this section by the sum determined under 127873
division (B) (3) of this section. 127874

(5) Determine the value per quality point by determining 127875
the quotient of the following: 127876

(a) The sum determined under division (E) (2) of this 127877
section. 127878

(b) The product determined under division (B) (4) of this 127879
section. 127880

(6) Multiply the value per quality point determined under 127881
division (B) (5) of this section by the nursing facility's 127882
quality score determined under division (C) of this section. 127883

(C) (1) Except as provided in divisions (C) (2) and (3) of 127884
this section, a nursing facility's quality score for a state 127885
fiscal year shall be the sum of the following: 127886

(a) The total number of points that CMS assigned to the nursing facility under CMS's nursing facility five-star quality rating system for the following quality metrics, or CMS's successor metrics as described below, based on the most recent four-quarter average data, or the average data for fewer quarters in the case of successor metrics, available in the database maintained by CMS and known as nursing home compare in the most recent month of the calendar year during which the fiscal year for which the rate is determined begins:

(i) The percentage of the nursing facility's long-stay residents at high risk for pressure ulcers who had pressure ulcers;

(ii) The percentage of the nursing facility's long-stay residents who had a urinary tract infection;

(iii) The percentage of the nursing facility's long-stay residents whose ability to move independently worsened;

(iv) The percentage of the nursing facility's long-stay residents who had a catheter inserted and left in their bladder.

If CMS ceases to publish any of the metrics specified in division (C)(1)(a) of this section, the department shall use the nursing facility quality metrics on the same topics that CMS subsequently publishes.

(b) Seven and five-tenths points for fiscal year 2024 and three points for fiscal year 2025 and subsequent fiscal years if the nursing facility's occupancy rate is greater than seventy-five per cent. For purposes of this division, the department shall utilize the facility's occupancy rate for licensed beds reported on its cost report for the calendar year preceding the fiscal year for which the rate is determined or, if the facility

is not required to be licensed, the facility's occupancy rate 127916
for certified beds. If the facility surrenders licensed or 127917
certified beds before the first day of July of the calendar year 127918
in which the fiscal year begins, the department shall calculate 127919
a nursing facility's occupancy rate by dividing the inpatient 127920
days reported on the facility's cost report for the calendar 127921
year preceding the fiscal year for which the rate is determined 127922
by the product of the number of days in the calendar year and 127923
the facility's number of licensed, or if applicable, certified 127924
beds on the first day of July of the calendar year in which the 127925
fiscal year begins. 127926

(c) Beginning with state fiscal year 2025, the total 127927
number of points that CMS assigned to the nursing facility under 127928
CMS's nursing facility five-star quality rating system for the 127929
following quality metrics, or successor metrics designated by 127930
CMS, based on the most recent four-quarter average data 127931
available in the database maintained by CMS and known as nursing 127932
home compare in the most recent month of the calendar year 127933
during which the fiscal year for which the rate is determined 127934
begins: 127935

(i) The percentage of the nursing facility's long-stay 127936
residents whose need for help with daily activities has 127937
increased; 127938

(ii) The percentage of the nursing facility's long-stay 127939
residents experiencing one or more falls with major injury; 127940

(iii) The percentage of the nursing facility's long-stay 127941
residents who were administered an antipsychotic medication; 127942

(iv) Adjusted total nurse staffing hours per resident per 127943
day using quintiles instead of deciles by using the points 127944

assigned to the higher of the two deciles that constitute the 127945
quintile. 127946

If CMS ceases to publish any of the metrics specified in 127947
division (C) (1) (c) of this section, the department shall use the 127948
nursing facility quality metrics on the same topics CMS 127949
subsequently publishes. 127950

(2) In determining a nursing facility's quality score for 127951
a state fiscal year, the department shall make the following 127952
adjustment to the number of points that CMS assigned to the 127953
nursing facility for each of the quality metrics specified in 127954
divisions (C) (1) (a) and (c) of this section: 127955

(a) Unless division (C) (2) (b) or (c) of this section 127956
applies, divide the number of the nursing facility's points for 127957
the quality metric by twenty. 127958

(b) If CMS assigned the nursing facility to the lowest 127959
percentile for the quality metric, reduce the number of the 127960
nursing facility's points for the quality metric to zero. 127961

(c) If the nursing facility's total number of points 127962
calculated for or during a state fiscal year for all of the 127963
quality metrics specified in divisions (C) (1) (a), and if 127964
applicable, division (C) (1) (c) of this section is less than a 127965
number of points that is equal to the twenty-fifth percentile of 127966
all nursing facilities, calculated using the points for the July 127967
1 rate setting of that fiscal year reduce the nursing facility's 127968
points to zero until the next point calculation. If a facility's 127969
recalculated points under division (C) (3) of this section are 127970
below the number of points determined to be the twenty-fifth 127971
percentile for that fiscal year, the facility shall receive zero 127972
points for the remainder of that fiscal year. 127973

(3) A nursing facility's quality score shall be 127974
recalculated for the second half of the state fiscal year based 127975
on the most recent four quarter average data, or the average 127976
data for fewer quarters in the case of successor metrics, 127977
available in the database maintained by CMS and known as the 127978
care compare, in the most recent month of the calendar year 127979
during which the fiscal year for which the rate is determined 127980
begins. The metrics specified by division (C) (1) (b) of this 127981
section shall not be recalculated. In redetermining the quality 127982
payment for each facility based on the recalculated points, the 127983
department shall use the same per point value determined for the 127984
quality payment at the start of the fiscal year. 127985

(D) A nursing facility shall not receive a quality 127986
incentive payment if the Department of Health assigned the 127987
nursing facility to the SFF list under the special focus 127988
facility program and the nursing facility is listed in table A, 127989
on the first day of May of the calendar year for which the rate 127990
is being determined. 127991

diem amount by which the nursing facility's rate for direct care 128001
costs determined for the fiscal year under section 5165.19 of 128002
the Revised Code changed as a result of the rebasing conducted 128003

under section 5165.36 of the Revised Code. 128004

(b) Multiply the amount determined under division (E) (1) 128005
(a) of this section by the number of the nursing facility's 128006
medicaid days for the calendar year preceding the fiscal year 128007
for which the rate is determined. 128008

(2) Determine the sum of the products determined under 128009
division (E) (1) (b) of this section for all nursing facilities 128010
for which the product was determined for the state fiscal year. 128011

(3) To the sum determined under division (E) (2) of this 128012
section, add one hundred twenty-five million dollars. 128013
