director. Upon the receipt of any application for qualification, 132186
the director shall examine the application to determine whether 132187
the applicant is competent and responsible and possesses the 132188
financial resources required by section 5525.04 of the Revised 132189
Code. If the applicant is found to possess the qualifications 132190
prescribed by sections 5525.02 to 5525.09 of the Revised Code 132191
and by rules adopted by the director, ~~including a certificate of 132192
compliance with affirmative action programs,~~ a certificate of 132193
qualification shall be issued to the applicant, which shall be 132194
valid for the period of one year or such shorter period of time 132195

as the director prescribes, unless revoked by the director for 132196
cause as defined by rules adopted by the director under section 132197
5525.05 of the Revised Code. 132198

(C) The certificate of qualification shall contain a 132199
statement fixing the aggregate amount of work, for any or all 132200
owners, that the applicant may have under construction and 132201

such bidder to the submission of bids upon a certain class of 132203

therein contained, the certificate of qualification shall 132205
authorize its holder to bid on all work on which bids are taken 132206
by the department of transportation during the period of time 132207
therein specified. 132208

(D) An applicant who has received a certificate of 132209
qualification and desires to amend the certificate by the dollar 132210
amount or by the classes of work may submit to the director such 132211
documentation as the director considers appropriate. The 132212
director shall review the documentation submitted by the 132213
applicant and, within fifteen days, shall either amend the 132214
certificate of qualification or deny the request. If the 132215
director denies the request to amend the certificate, the 132216
applicant may appeal that decision to the director's 132217
prequalification review board in accordance with section 5525.07 132218
of the Revised Code. Two or more persons, partnerships, or 132219
corporations may bid jointly on any one project, but only on 132220

the bidders make a joint application for qualification and 132222
obtain a joint certificate qualification. 132223

(E) The director may debar from participating in future 132224
contracts with the department any bidding company as well as any 132225

partner of a partnership, or the officers and directors of an 132226
association or corporation if the certificate of qualification 132227
of the company, partnership, association, or corporation is 132228
revoked or not renewed by the director. When the director 132229
reasonably believes that grounds for revocation and debarment 132230
exist, the director shall send the bidding company and any 132231
individual involved a notice of proposed revocation and 132232
debarment indicating the grounds for such action as established 132233
in rules adopted by the director under section 5525.05 of the 132234
Revised Code and the procedure for requesting a hearing. The 132235
notice and hearing shall be in accordance with Chapter 119. of 132236
the Revised Code. If the bidding company or individual does not 132237
respond with a request for a hearing in the manner specified in 132238
Chapter 119. of the Revised Code, the director shall revoke the 132239
certificate and issue the debarment decision without a hearing 132240
and shall notify the bidding company or individual of the 132241
decision by certified mail, return receipt requested. 132242

director shall not issue a certificate of qualification for any 132246
company, partnership, association, or corporation affiliated 132247
with a debarred individual. After the debarment period expires, 132248
the bidding company or individual, and any partnership, 132249
association, or corporation affiliated with the individual may 132250
make an application for qualification if such entity or 132251
individual is not otherwise debarred. 132252

~~turnpike system or a district located in the vicinity of a~~ 132524
~~turnpike project that is part of the Ohio turnpike system.~~ 132525

(2) The members appointed by the governor shall be 132526
residents of the state, shall have been qualified electors 132527
therein for a period of at least five years next preceding their 132528
appointment. In making the appointments, the governor may 132529
appoint persons who reside in different geographic areas of the 132530
state, taking into consideration the various turnpike and 132531
infrastructure projects in the state. Members appointed to the 132532
commission prior to July 1, 2013, shall serve terms of eight 132533
years commencing on the first day of July and ending on the 132534
thirtieth day of June. Thereafter, members appointed by the 132535
governor shall serve terms of five years commencing on the first 132536
day of July and ending on the thirtieth day of June. Those 132537
members appointed by the president of the senate or the speaker 132538
of the house of representatives shall serve a term of the 132539
remainder of the general assembly during which the senator or 132540
representative is appointed. Each appointed member shall hold 132541
office from the date of appointment until the end of the term 132542
for which the member was appointed. If a commission member dies 132543
or resigns, or if a senator or representative who is a member of 132544
the commission ceases to be a senator or representative, or if 132545
an ex officio member ceases to hold the applicable office, the 132546
vacancy shall be filled in the same manner as provided in 132547
division (B)(1) of this section. Any member who fills a vacancy 132548
occurring prior to the end of the term for which the member's 132549
predecessor was appointed shall, if appointed by the governor, 132550
hold office for the remainder of such term or, if appointed by 132551
the president of the senate or the speaker of the house of 132552
representatives, shall hold office for the remainder of the term 132553

or for a shorter period of time as determined by the president 132554
or the speaker. Any member appointed by the governor shall 132555
continue in office subsequent to the expiration date of the 132556
member's term until the member's successor takes office, or 132557
until a period of sixty days has elapsed, whichever occurs 132558
first. A member of the commission is eligible for reappointment. 132559
Each member of the commission appointed by the governor, before 132560
entering upon the member's duties, shall take an oath as 132561
provided by Section 7 of Article XV, Ohio Constitution. The 132562
governor, the president of the senate, or the speaker of the 132563
house of representatives, may at any time remove their 132564
respective appointees to the commission for misfeasance, 132565
nonfeasance, or malfeasance in office. 132566

(3) (a) A member of the commission who is appointed by the 132567
president of the senate or the speaker of the house of 132568
representatives shall not participate in any vote of the 132569
commission. Serving as an appointed member of the commission 132570
under divisions (B) (1) (c), (1) (d), or (2) of this section does 132571
not constitute grounds for resignation from the senate or the 132572
house of representatives under section 101.26 of the Revised 132573
Code. 132574

(b) The director of budget and management shall not 132575
participate in any vote of the commission. 132576

chairperson, and shall appoint a secretary-treasurer who need 132579
not be a member of the commission. Four of the voting members of 132580
the commission constitute a quorum, and the affirmative vote of 132581
four voting members is necessary for any action taken by the 132582
commission. No vacancy in the membership of the commission 132583

impairs the rights of a quorum to exercise all the rights and 132584
perform all the duties of the commission. 132585

(D) Each member of the commission appointed by the 132586
governor shall give a surety bond to the commission in the penal 132587
sum of twenty-five thousand dollars and the secretary-treasurer 132588
shall give such a bond in at least the penal sum of fifty 132589
thousand dollars. The commission may require any of its officers 132590
or employees to file surety bonds including a blanket bond as 132591
provided in section 3.06 of the Revised Code. Each such bond 132592
shall be in favor of the commission and shall be conditioned 132593
upon the faithful performance of the duties of the office, 132594
executed by a surety company authorized to transact business in 132595
this state, approved by the governor, and filed in the office of 132596
the secretary of state. The costs of the surety bonds shall be 132597
paid or reimbursed by the commission from revenues. Each member 132598
of the commission appointed by the governor shall receive an 132599
annual salary of five thousand dollars, payable in monthly 132600
installments. Each member shall be reimbursed for the member's 132601
actual expenses necessarily incurred in the performance of the 132602
member's duties. All costs and expenses incurred by the 132603
commission in carrying out this chapter shall be payable solely 132604
from revenues and state taxes, and no liability or obligation 132605
shall be incurred by the commission beyond the extent to which 132606
revenues have been provided for pursuant to this chapter. 132607

Sec. 5537.03. In order to remove present and anticipated 132608
impediments and potential hazards on the congested highways in 132609
this state, to facilitate vehicular traffic throughout the 132610
state, to finance infrastructure projects that improve and 132611
enhance mobility in Ohio, and also to promote the agricultural, 132612
recreational, tourism, and commercial, industrial, and economic 132613
development of the state, and to provide for the general welfare 132614

in accordance with alignment and design standards that are 132626
approved by the director of transportation, and issue revenue 132627

pay the cost of those projects. The turnpikes and turnpike 132629
projects authorized by this chapter are hereby or shall be made 132630
part of the Ohio turnpike system. 132631

(B) Provide the infrastructure funds to pay the cost or a 132632
portion of the cost of infrastructure projects as recommended by 132633
the director of transportation pursuant to a determination made 132634
by the commission based on criteria set forth in rules adopted 132635
by the commission under section 5537.18 of the Revised Code. A 132636
determination by the commission to provide infrastructure funds 132637
for an infrastructure project shall be conclusive and 132638
incontestable. 132639

Sec. 5537.27. The Ohio turnpike and infrastructure 132640
commission, the director of transportation or the director's 132641
designee, and another person designated by the governor shall 132642
establish a procedure whereby a political subdivision or other 132643
government agency or agencies may submit a written application 132644

to the commission, requesting the commission to construct and 132645
operate a turnpike project within the boundaries of the 132646
subdivision, agency, or agencies making the request. The 132647
procedure shall include a requirement that the commission send a 132648
written reply to the subdivision, agency, or agencies, 132649
explaining the disposition of the request. The procedure 132650

unless it is approved by the commission and by the director or 132652
the director's designee and the designee of the governor, ~~and~~ 132653
~~shall require submission of the proposed turnpike project to the~~ 132654
~~turnpike legislative review committee if the project must be~~ 132655
~~approved by the governor.~~ 132656

Sec. 5540.02. (A) A transportation improvement district 132657
may be created by the board of county commissioners of a county. 132658
The board, by resolution, shall determine the structure of the 132659
board of trustees of the transportation improvement district it 132660
creates by adopting the structure contained either in division 132661
(C) (1) or (2) of this section. 132662

(B) A transportation improvement district is a body both 132663
corporate and politic, and the exercise by it of the powers 132664
conferred by this chapter in the financing, construction, 132665
maintenance, repair, and operation of a project are and shall be 132666
held to be essential governmental functions. 132667

(C) (1) If the board of county commissioners so elects, a 132668
transportation improvement district shall be governed by a board 132669
of trustees consisting of the following members: 132670

(a) Two members appointed by the board of county 132671
commissioners; 132672

(b) Three members appointed by the legislative authority 132673

of the most populous municipal corporation in the district; 132674

(c) Two members appointed by the legislative authority of 132675
the second most populous municipal corporation in the district; 132676

(d) Two members appointed by the board of township 132677
trustees of the township in the county that is most populous in 132678
its unincorporated area; 132679

(e) The county engineer; 132680

(f) One member appointed by the legislative authority of 132681
any township or municipal corporation that cannot otherwise 132682
appoint a member to the board pursuant to this section, and that 132683
is wholly or partially within the area of the transportation 132684
improvement district as the district was originally designated 132685
by the board of county commissioners; 132686

(g) If the area of a transportation improvement district 132687
is expanded by the board of county commissioners, the 132688
legislative authority of any township or municipal corporation 132689
that is wholly or partially within the area of expansion and 132690
that cannot otherwise appoint a member to the board pursuant to 132691
this section, with the consent of the board of trustees of the 132692
district, may appoint one member to the board; 132693

(h) One member appointed by the regional planning 132694
commission for the county, who shall be a nonvoting member of 132695
the board; 132696

~~(i) One member appointed at the discretion of the speaker 132697
of the house of representatives, who, if appointed, shall be a 132698
nonvoting member of the board and who may be a member of the 132699
house of representatives. 132700~~

One of each of the appointments made by the board of 132701

county commissioners, the legislative authority of a municipal 132702
corporation, and the board of township trustees under divisions 132703
(C) (1) (a), (b), (c), and (d) of this section, shall be members 132704
of the chamber of commerce for the respective political 132705
subdivision. 132706

Whenever the addition of members to the board of trustees 132707
of a transportation improvement district pursuant to division 132708
(C) (1) (f) or (g) of this section results in an even number of 132709
total voting members on the board, the board of trustees of the 132710
district may appoint an additional person to its membership to 132711
maintain an odd number of voting members. 132712

(2) As an alternative to the structure prescribed in 132713
division (C) (1) of this section, a board of county 132714
commissioners, by resolution, may elect that the transportation 132715
improvement district it creates be governed by a board of 132716
trustees consisting of ~~the following members:~~ 132717

~~(a) Five~~ five members appointed by the board of county 132718
commissioners. 132719

~~(b) One member appointed at the discretion of the speaker~~ 132720
~~of the house of representatives, who, if appointed, shall be a~~ 132721
~~nonvoting member of the board and who may be a member of the~~ 132722
~~house of representatives.~~ 132723

(D) Each appointed member of the board shall hold office 132724
for a term of two years but subject to removal at the pleasure 132725
of the authority that appointed the member. Members may be 132726
reappointed. Except as otherwise provided in this division, any 132727
vacancy on the board shall be filled in the same manner as the 132728
original appointment. Any vacancy on a board appointed under 132729
division (C) (1) of this section lasting longer than thirty days 132730

due to the failure of the legislative authority of a municipal 132731
corporation or a board of township trustees to make an 132732
appointment shall be filled by the board of trustees of the 132733
transportation improvement district. 132734

(E) The voting members of the board shall elect from the 132735
entire board membership a chairperson, vice-chairperson, and 132736
secretary-treasurer. A majority of the voting members of the 132737
board constitutes a quorum, the affirmative vote of which is 132738
necessary for any action of the district. No vacancy in the 132739
membership of the board impairs the right of a quorum to 132740
exercise all the rights and perform all duties of the district. 132741

(F) The board of county commissioners of any county, the 132742
legislative authority of any municipal corporation, and the 132743
board of township trustees of any township may make 132744
appropriations from moneys available to them and not otherwise 132745
appropriated to pay costs incurred by the district in the 132746
exercise of its functions under this chapter, provided those 132747
moneys are available to use for that purpose. 132748

(G) An organizational meeting of the board of trustees of 132749
a transportation improvement district created under this section 132750
shall be held at the time and place designated by the board 132751
member who has served the most years as a member of the board of 132752
county commissioners that created the transportation improvement 132753
district. 132754

Sec. 5595.02. (A) The boards of county commissioners of 132755
two or more counties may undertake a regional transportation 132756
improvement project for the purpose of completing transportation 132757
improvements within the territory of the counties. The project 132758
shall be administered by a governing board in accordance with a 132759
cooperative agreement. 132760

~~(B)~~ (B) (1) The cooperative agreement shall provide for the 132761
creation of a governing board consisting of ~~one~~ the following 132762
individuals: 132763

(a) One county commissioner from each county that is a 132764
party to the agreement or a designee appointed by the board of 132765
county commissioners of the county for the purpose of serving on 132766
the governing board, ~~and the~~ ; 132767

(b) The county engineer of each such county or a designee 132768
appointed by the county engineer for the purpose of serving on 132769
the governing board. 132770

(2) The cooperative agreement may authorize the chief 132771
executive officer of the JobsOhio network partner that covers 132772
the majority of the area encompassed by the regional 132773
transportation improvement project or a designee appointed by 132774
the chief executive officer to serve as an additional member of 132775
the governing board. ~~Membership~~ 132776

(3) Membership on the board is not a direct or indirect 132777
interest in a contract or expenditure of money by the county. 132778
The board is a public body for the purposes of section 121.22 of 132779
the Revised Code and a public office for the purposes of section 132780
149.43 of the Revised Code. Chapter 2744. of the Revised Code 132781
applies to the board. 132782

(C) The governing board of a regional transportation 132783
improvement project is a body both corporate and politic, and 132784
the exercise by it of the powers conferred by this chapter in 132785
the financing, construction, maintenance, repair, and operation 132786
of transportation improvements are essential governmental 132787
functions. 132788

(D) A board of county commissioners, in accordance with 132789

the cooperative agreement, may make appropriations to pay costs 132790
incurred by the governing board in the exercise of its functions 132791
under this chapter so long as such costs are approved by the 132792
director of transportation under section 5595.12 of the Revised 132793
Code. 132794

Sec. 5701.11. The effective date to which this section 132795
refers is the effective date of this section as amended by H.B. 132796
14 of the 136th general assembly. 132797

(A) (1) Except as provided under division (A) (2) or (B) of 132798
this section, any reference in Title LVII or section 149.311, 132799
3123.90, 3770.07, 3770.071, 3770.072, 3770.073, ~~or~~ 3772.37, or 132800
3775.16 of the Revised Code to the Internal Revenue Code, to the 132801
Internal Revenue Code "as amended," to other laws of the United 132802
States, or to other laws of the United States, "as amended," 132803

States as they exist on the effective date. 132805

(2) This section does not apply to any reference in Title 132806
LVII of the Revised Code to the Internal Revenue Code as of a 132807
date certain specifying the day, month, and year, or to other 132808
laws of the United States as of a date certain specifying the 132809

taxpayer may irrevocably elect to incorporate the provisions of 132814
the Internal Revenue Code or other laws of the United States 132815
that are in effect for federal income tax purposes for that 132816
taxable year if those provisions differ from the provisions 132817
that, under division (A) of this section, would otherwise apply. 132818
The filing by the taxpayer for that taxable year of a report or 132819

return that incorporates the provisions of the Internal Revenue 132820
Code or other laws of the United States applicable for federal 132821
income tax purposes for that taxable year, and that does not 132822
include any adjustments to reverse the effects of any 132823
differences between those provisions and the provisions that 132824
would otherwise apply, constitutes the making of an irrevocable 132825
election under this division for that taxable year. 132826

(2) Elections under prior versions of division (B) (1) of 132827
this section remain in effect for the taxable years to which 132828
they apply. 132829

Sec. 5703.052. (A) There is hereby created in the state 132830
treasury the tax refund fund, from which refunds shall be paid 132831
for amounts illegally or erroneously assessed or collected, or 132832
for any other reason overpaid, with respect to taxes levied by 132833

commissioner, or for any other reason overpaid to the 132850

Code shall be paid from the fund. However, refunds for amounts 132852
illegally or erroneously assessed or collected by the 132853
commissioner, or for any other reason overpaid to the 132854
commissioner, with respect to taxes levied under section 132855

refund fund, but shall be paid as provided in section 5739.104 132857
of the Revised Code. 132858

(B) (1) Upon certification by the tax commissioner to the 132859

certified amount transferred shall be derived from the receipts 132865
of the same tax, fee, wireless 9-1-1 charge, next generation 9- 132866

recover the amount of that refund from the next distribution of 132872
that tax, fee, wireless 9-1-1 charge, next generation 9-1-1 132873
access fee, or other amount that otherwise would be made to the 132874
taxing jurisdiction. If the amount to be recovered would exceed 132875
twenty-five per cent of the next distribution of that tax, fee, 132876
wireless 9-1-1 charge, next generation 9-1-1 access fee, or 132877
other amount, the commissioner may spread the recovery over more 132878

section and refuses to comply with that demand, a penalty of 132899
five hundred dollars shall be imposed upon the person or public 132900
utility for each day the person or public utility refuses to 132901
comply with the demand. Penalties imposed under this division 132902

Any information acquired as the result of that access and 132928
examination shall not be divulged for any purpose other than as 132929
required for the audit or unless the officers and employees are 132930
required to testify in a court or proceeding under compulsion of 132931

be disqualified from acting as an officer or employee or in any 132933

vendor's license, direct payment permit, or seller's use tax 132982
account; 132983

(5) Providing to a county auditor notices or documents 132984
concerning or affecting the taxable value of property in the 132985

documents so provided, the county auditor shall not disclose 132987
such documents; 132988

return or audit information under section 333.06 of the Revised 132990
Code; 132991

(7) Disclosing to a state or federal government agency, 132992
for use in the performance of that agency's official duties in 132993
this state, information in the possession of the tax 132994
commissioner necessary to verify compliance with any provision 132995
of the Revised Code or federal law relating to that agency. 132996
Unless disclosure is otherwise authorized by law, information 132997

section remains confidential and is not subject to further 132999
disclosure; 133000

(8) Disclosing to a current or former employee, for use in 133001

(9) Publishing or disclosing the amount of revenue 133008
distributed to a county, municipal corporation, township, school 133009

(10) Disclosing to a county auditor information in or 133012

Sec. 5703.37. (A) (1) Except as provided in division (B) of 133015
this section, whenever service of a notice or order is required 133016
in the manner provided in this section, a copy of the notice or 133017
order shall be served upon the person affected thereby either by 133018
personal service, by certified mail, or by a delivery service 133019
authorized under section 5703.056 of the Revised Code that 133020
notifies the tax commissioner of the date of delivery. 133021

(2) In lieu of serving a copy of a notice or order through 133022
one of the means provided in division (A) (1) of this section, 133023
the commissioner may serve a notice or order upon the person 133024
affected thereby through alternative means as provided in this 133025
section, including, but not limited to, delivery by secure 133026
electronic mail as provided in division (F) of this section or 133027
by ordinary mail. Delivery by such means satisfies the 133028
requirements for delivery under this section. 133029

(B) (1) (a) If certified or ordinary mail is returned 133030
because of an undeliverable address, the commissioner shall 133031
first utilize reasonable means to ascertain a new last known 133032
address, including the use of a change of address service 133033
offered by the United States postal service or an authorized 133034
delivery service under section 5703.056 of the Revised Code. If, 133035
after using reasonable means, the commissioner is unable to 133036
ascertain a new last known address, the assessment is final for 133037
purposes of section 131.02 of the Revised Code sixty days after 133038
the notice or order ~~sent by certified mail~~ is first returned to 133039
the commissioner, and the commissioner shall certify the notice 133040
or order, if applicable, to the attorney general for collection 133041
under section 131.02 of the Revised Code. 133042

(b) Notwithstanding certification to the attorney general 133043
under division (B) (1) (a) of this section, once the commissioner 133044
or attorney general, or the designee of either, makes an initial 133045
contact with the person to whom the notice or order is directed, 133046
the person may protest an assessment by filing a petition for 133047
reassessment within sixty days after the initial contact. The 133048
certification of an assessment under division (B) (1) (a) of this 133049
section is prima-facie evidence that delivery is complete and 133050
that the notice or order is served. 133051

(2) If mailing of a notice or order by certified or 133052
ordinary mail is returned for some cause other than an 133053
undeliverable address or if a person does not access an 133054
electronic notice or order within the time provided in division 133055
(F) of this section, the commissioner shall resend the notice or 133056
order by ordinary mail. The notice or order shall show the date 133057
the commissioner sends the notice or order and include the 133058
following statement: 133059

"This notice or order is deemed to be served on the 133060
addressee under applicable law ten days from the date this 133061
notice or order was mailed by the commissioner as shown on the 133062
notice or order, and all periods within which an appeal may be 133063
filed apply from and after that date." 133064

Unless the mailing is returned because of an undeliverable 133065
address, the mailing of that information is prima-facie evidence 133066
that delivery of the notice or order was completed ten days 133067
after the commissioner ~~sent~~ resent the notice or order by 133068
ordinary mail and that the notice or order was served. 133069

If the ~~ordinary mail mailing~~ is subsequently returned 133070
because of an undeliverable address, the commissioner shall 133071
proceed under division (B) (1) (a) of this section. A person may 133072
challenge the presumption of delivery and service under this 133073
division in accordance with division (C) of this section. 133074

(C) (1) A person disputing the presumption of delivery and 133075
service under division (B) of this section bears the burden of 133076
proving by a preponderance of the evidence that the address to 133077
which the notice or order was sent was not an address with which 133078
the person was associated at the time the commissioner 133079
originally mailed the notice or order ~~by certified mail~~. For the 133080
purposes of this section, a person is associated with an address 133081
at the time the commissioner originally mailed the notice or 133082
order if, at that time, the person was residing, receiving legal 133083
documents, or conducting business at the address; or if, before 133084
that time, the person had conducted business at the address and, 133085
when the notice or order was mailed, the person's agent or the 133086
person's affiliate was conducting business at the address. For 133087
the purposes of this section, a person's affiliate is any other 133088
person that, at the time the notice or order was mailed, owned 133089

or controlled at least twenty per cent, as determined by voting 133090
rights, of the addressee's business. 133091

(2) If the person elects to protest an assessment 133092
certified to the attorney general for collection, the person 133093
must do so within sixty days after the attorney general's 133094
initial contact with the person. The attorney general may enter 133095
into a compromise with the person under sections 131.02 and 133096
5703.06 of the Revised Code if the person does not file a 133097
petition for reassessment with the commissioner. 133098

(D) Nothing in this section prohibits the commissioner or 133099
the commissioner's designee from delivering a notice or order by 133100
personal service. 133101

(E) Collection actions taken pursuant to section 131.02 of 133102
the Revised Code upon any assessment being challenged under 133103
division (B)(1)(b) of this section shall be stayed upon the 133104
pendency of an appeal under this section. If a petition for 133105
reassessment is filed pursuant to this section on a claim that 133106
has been certified to the attorney general for collection, the 133107
claim shall be uncertified. 133108

(F)(1) The commissioner may serve a notice or order upon 133109
the person affected by the notice or order or that person's 133110
authorized representative through secure electronic means 133111
associated with the person's or representative's last known 133112
address, but only with the person's consent. The commissioner 133113
must inform the recipient, electronically or by mail, that a 133114
notice or order is available for electronic review and provide 133115
instructions to access and print the notice or order. The types 133116
of electronic notification the commissioner may use include 133117
electronic mail, text message, or any other form of electronic 133118
communication. The recipient's electronic access of the notice 133119

or order satisfies the requirements for delivery under this 133120
section. If the recipient fails to access the notice or order 133121
electronically within ten business days, then the commissioner 133122
shall inform the recipient a second time, electronically or by 133123
mail, that a notice or order is available for electronic review 133124
and provide instructions to access and print the notice or 133125
order. If the recipient fails to access the notice or order 133126
electronically within ten business days of the second 133127
notification, the notice or order shall be served upon the 133128
person through the means provided in division (B) (2) of this 133129
section. 133130

(2) The tax commissioner shall establish a system to issue 133131
notification of assessments to taxpayers through secure 133132
electronic means. 133133

(G) As used in this section: 133134

(1) "Last known address" means the address the department 133135
has at the time the document is originally sent by certified or 133136
ordinary mail, or any address the department can ascertain using 133137
reasonable means such as the use of a change of address service 133138
offered by the United States postal service or an authorized 133139
delivery service under section 5703.056 of the Revised Code. For 133140
documents sent by secure electronic means, "last known address" 133141
means an electronic mode of communication that is identified on 133142
a form prescribed by the commissioner for such purpose or that 133143
is associated with the person or the authorized representative 133144
of the person as of the date the notification was sent on the 133145
Ohio business gateway, as defined in section 718.01 of the 133146
Revised Code, as of the date the notification was sent or another 133147
electronic filing or payment system prescribed by the 133148
commissioner. 133149

(2) "Undeliverable address" means an address to which the United States postal service or an authorized delivery service under section 5703.056 of the Revised Code is not able to deliver a notice or order, except when the reason for nondelivery is because the addressee fails to acknowledge or accept the notice or order.

If sent electronically, the notice shall be sent to the person or the person's authorized representative through secure electronic means associated with the person's or representative's last known electronic mail address, but only with the person's consent. The applicant shall have sixty days from the date the commissioner electronically sends or mails the notice to provide additional information to the commissioner or request a hearing, or both.

(B) If the applicant neither requests a hearing nor provides additional information to the tax commissioner within the time prescribed by division (A) of this section, the

commissioner shall take no further action, and the refund or 133181
compensation amount denied becomes final. 133182

(C) (1) If the applicant requests a hearing within the time 133183
prescribed by division (A) of this section, the tax commissioner 133184
shall assign a time and place for the hearing and notify the 133185
applicant of such time and place, but the commissioner may 133186
continue the hearing from time to time, as necessary. After the 133187
hearing, the commissioner may make such adjustments to the 133188
refund or compensation as the commissioner finds proper, and 133189
shall issue a final determination thereon. 133190

(2) If the applicant does not request a hearing, but 133191
provides additional information, within the time prescribed by 133192
division (A) of this section, the commissioner shall review the 133193
information, make such adjustments to the refund or compensation 133194
as the commissioner finds proper, and issue a final 133195
determination thereon. The commissioner may review such 133196
information and make such adjustments as many times as the 133197
commissioner finds proper before the issuance of a final 133198
determination. 133199

(3) If the applicant requests a hearing and provides 133200
additional information within the time prescribed by division 133201
(A) of this section, the commissioner may review the information 133202
and make such adjustments to the refund or compensation as the 133203
commissioner finds proper. The commissioner may review such 133204
information and make such adjustments as many times as the 133205
commissioner finds proper before the issuance of a final 133206
determination. 133207

The commissioner shall assign a time and place for the 133208
hearing and notify the applicant of such time and place, but the 133209
commissioner may continue the hearing from time to time, as 133210

necessary. After the hearing, the commissioner may make any 133211
additional adjustments to the refund or compensation as the 133212

thereon. 133214

(4) The commissioner shall serve a copy of the final 133215
determination made under division (C) (1), (2), or (3) of this 133216
section on the applicant in the manner provided in section 133217

notify the department of taxation of the error. 133242

(C) If the department of taxation discovers through the 133243

~~fund, and any additions to principal arising from sources other~~ 133786
~~than the reinvestment of investment earnings arising from the~~ 133787

~~or revenue of the subdivision under division (A) of section~~ 133789
~~5705.35 or division (A) (1) of section 5705.36 of the Revised~~ 133790

~~considered an unencumbered balance or revenue of the subdivision~~ 133793
~~under that division.~~ 133794

Sec. 5705.132. In addition to any reserve balance account 133795
established under section 5705.13 of the Revised Code, a board 133796
of township trustees, by resolution, may establish a reserve 133797
balance account to accumulate currently available resources for 133798
any purpose for which the board may lawfully expend money of the 133799
township other than for the purposes for which a reserve balance 133800
account may be established under section 5705.13 of the Revised 133801
Code. Money may be transferred to the reserve balance account 133802
from another fund or account of the township only if money in 133803
that fund or account may lawfully be expended for the purpose 133804
for which the reserve balance account is created. A reserve 133805
balance account created under this section may exist for not 133806

more than five fiscal years beginning with the first fiscal year 133807
in which money is credited to the account. The total amount of 133808
money to the credit of all reserve balance accounts established 133809
under this section at any time in any fiscal year shall not 133810
exceed five per cent of the total of the township's revenue from 133811
all sources for the preceding fiscal year and any unencumbered 133812
balances carried over to the current fiscal year from the 133813
preceding fiscal year. Money in a reserve balance account shall 133814
be expended only for the purpose for which the account is 133815
established. More than one reserve balance account may be 133816
established under this section. 133817

The resolution establishing a reserve balance account 133818
shall state the specific purpose for which the account is 133819
established, the fund within which the account is established, 133820
the fund or account from which money shall be transferred to the 133821
account, and the number of years the account will exist. The 133822
resolution shall specify the maximum total amount of money that 133823
may be credited to the account during its existence and the 133824
maximum amount of money to be credited to the account each 133825
fiscal year the account exists. The board, by subsequent 133826
resolution, may change the amount to be credited and the source 133827
from which money is transferred, subject to the limitations of 133828
this section. 133829

The board, by resolution, may rescind a reserve balance 133830
account established under this section before the expiration of 133831
the account. The board, by resolution, may extend the life of a 133832
reserve balance account, provided that the total number of years 133833
the fund exists shall not exceed five fiscal years beginning 133834
with the first fiscal year in which money is credited to the 133835
account. 133836

Upon the expiration or rescission of a reserve balance 133837
account established under this section, any unexpended balance 133838
in the account shall be transferred to the fund or account from 133839
which money in the account was originally transferred. If money 133840
in the account originally was transferred from more than one 133841
fund or account, a pro rata share of the unexpended balance 133842
shall be transferred to each such fund or account proportionate 133843
to the amount originally transferred from that fund or account. 133844

~~The balance to the credit of a reserve balance account 133845~~
~~shall not be considered part of the unencumbered balance or 133846~~
~~revenue of the township under division (A) of section 5705.35 or 133847~~
~~division (A) (1) of section 5705.36 of the Revised Code. 133848~~

Sec. 5705.14. No transfer shall be made from one fund of a 133849
subdivision to any other fund, by order of the court or 133850
otherwise, except as follows: 133851

(A) The unexpended balance in a bond fund that is no 133852
longer needed for the purpose for which such fund was created 133853
shall be transferred to the sinking fund or bond retirement fund 133854
from which such bonds are payable. 133855

(B) The unexpended balance in any specific permanent 133856
improvement fund, other than a bond fund, after the payment of 133857
all obligations incurred in the acquisition of such improvement, 133858
shall be transferred to the sinking fund or bond retirement fund 133859
of the subdivision; provided that if such money is not required 133860
to meet the obligations payable from such funds, it may be 133861
transferred to a special fund for the acquisition of permanent 133862
improvements, or, with the approval of the court of common pleas 133863
of the county in which such subdivision is located, to the 133864
general fund of the subdivision. 133865

(C) (1) Except as provided in division (C) (2) of this 133866
section, the unexpended balance in the sinking fund or bond 133867
retirement fund of a subdivision, after all indebtedness, 133868
interest, and other obligations for the payment of which such 133869
fund exists have been paid and retired, shall be transferred, in 133870
the case of the sinking fund, to the bond retirement fund, and 133871
in the case of the bond retirement fund, to the sinking fund; 133872
provided that if such transfer is impossible by reason of the 133873
nonexistence of the fund to receive the transfer, such 133874
unexpended balance, with the approval of the court of common 133875
pleas of the county in which such division is located, may be 133876
transferred to any other fund of the subdivision. 133877

(2) Money in a bond fund or bond retirement fund of a 133878
city, local, exempted village, cooperative education, or joint 133879
vocational school district may be transferred to a specific 133880
permanent improvement fund provided that the county budget 133881
commission of the county in which the school district is located 133882
approves the transfer upon its determination that the money 133883
transferred will not be required to meet the obligations payable 133884
from the bond fund or bond retirement fund. In arriving at such 133885
a determination, the county budget commission shall consider the 133886
balance of the bond fund or bond retirement fund, the 133887
outstanding obligations payable from the fund, and the sources 133888
and timing of the fund's revenue. 133889

(D) The unexpended balance in any special fund, other than 133890
an improvement fund, existing in accordance with division (D), 133891
(F), or (G) of section 5705.09 or section 5705.12 of the Revised 133892
Code, may be transferred to the general fund or to the sinking 133893
fund or bond retirement fund after the termination of the 133894
activity, service, or other undertaking for which such special 133895
fund existed, but only after the payment of all obligations 133896

incurred and payable from such special fund. 133897

(E) Money may be transferred from the general fund to any 133898
other fund of the subdivision. 133899

(F) Moneys retained or received by a county under section 133900
4501.04 or division (A) (2) of section 5735.27 of the Revised 133901
Code may be transferred from the fund into which they were 133902
deposited to the sinking fund or bond retirement fund from which 133903
any principal, interest, or charges for which such moneys may be 133904
used is payable. 133905

(G) Moneys retained or received by a municipal corporation 133906
under section 4501.04 or division (A) (1) of section 5735.27 of 133907
the Revised Code may be transferred from the fund into which 133908
they were deposited to the sinking fund or bond retirement fund 133909
from which any principal, interest, or charges for which such 133910
moneys may be used is payable. 133911

(H) (1) Money may be transferred from the county 133912
developmental disabilities general fund to the county 133913
developmental disabilities capital fund established under 133914
section 5705.091 of the Revised Code or to any other fund 133915
created for the purposes of the county board of developmental 133916
disabilities, so long as money in the fund to which the money is 133917
transferred can be spent for the particular purpose of the 133918
transferred money. The county board of developmental 133919
disabilities may request, by resolution, that the board of 133920
county commissioners make the transfer. The county board of 133921
developmental disabilities shall transmit a certified copy of 133922
the resolution to the board of county commissioners. Upon 133923
receiving the resolution, the board of county commissioners may 133924
make the transfer. Money transferred to a fund shall be credited 133925
to an account appropriate to its particular purpose. 133926

(2) An unexpended balance in an account in the county 133927
developmental disabilities capital fund or any other fund 133928
created for the purposes of the county board of developmental 133929
disabilities may be transferred back to the county developmental 133930
disabilities general fund. The transfer may be made if the 133931
unexpended balance is no longer needed for its particular 133932
purpose and all outstanding obligations have been paid. Money 133933
transferred back to the county developmental disabilities 133934
general fund shall be credited to an account for current 133935
expenses within that fund. The county board of developmental 133936
disabilities may request, by resolution, that the board of 133937
county commissioners make the transfer. The county board of 133938
developmental disabilities shall transmit a certified copy of 133939
the resolution to the board of county commissioners. Upon 133940
receiving the resolution, the board of county commissioners may 133941
make the transfer. 133942

(I) Money may be transferred from the public assistance 133943
fund established under section 5101.161 of the Revised Code to 133944
either of the following funds, so long as the money to be 133945
transferred from the public assistance fund may be spent for the 133946
purposes for which money in the receiving fund may be used: 133947

(1) The children services fund established under section 133948
~~5101.144~~ 5180.411 of the Revised Code; 133949

(2) The child support enforcement administrative fund 133950
established, as authorized under rules adopted by the director 133951
of job and family services, in the county treasury for use by 133952
any county family services agency. 133953

(J) Notwithstanding this section, money in any fund or 133954
account of a village dissolved in accordance with sections 133955
703.31 to 703.39 of the Revised Code may be transferred by the 133956

receiver-trustee to a special account for the purpose of paying 133957
the debts, obligations, and liabilities of the dissolved village 133958
or to the general fund of any township into which the territory 133959
of the village is dissolved for any purpose that directly or 133960
indirectly benefits the former territory of the dissolved 133961
village. 133962

(K) Except in the case of transfer pursuant to division 133963
(E) or (J) of this section, transfers authorized by this section 133964
shall only be made by resolution of the taxing authority passed 133965
with the affirmative vote of two-thirds of the members. 133966

Sec. 5705.17. (A) As used in this section: 133967

(1) "Qualifying levy" means any levy in excess of the ten- 133968
mill limitation for current expenses or current operating 133969
expenses. 133970

(2) "School district" means a city, local, or exempted 133971
village school district. 133972

(B) Notwithstanding anything in the Revised Code to the 133973
contrary, any election notice and ballot language for qualifying 133974
levy submitted to electors by a school district shall display 133975
the information certified by the county auditor in division (B) 133976
(2) (f) of section 5705.03 of the Revised Code. The secretary of 133977
state shall prescribe the form of the notice and ballot to 133978
incorporate this information. 133979

Sec. 5705.194. The board of education of any city, local, 133980
exempted village, cooperative education, or joint vocational 133981
school district at any time before the effective date of this 133982
amendment may declare by resolution that the revenue that will 133983
be raised by all tax levies which the district is authorized to 133984
impose, when combined with state and federal revenues, will be 133985

insufficient to provide for the emergency requirements of the 133986
school district or to avoid an operating deficit, and that it is 133987
therefore necessary to levy an additional tax in excess of the 133988
ten-mill limitation. The resolution shall be confined to a 133989
single purpose and shall specify that purpose. If the levy is 133990
proposed to renew all or a portion of the proceeds derived from 133991
one or more existing levies imposed pursuant to this section, it 133992
shall be called a renewal levy and shall be so designated on the 133993
ballot. If two or more existing levies are to be included in a 133994
single renewal levy but are not scheduled to expire in the same 133995
year, the resolution shall specify that the existing levies to 133996
be renewed shall not be levied after the year preceding the year 133997
in which the renewal levy is first imposed. Notwithstanding the 133998
original purpose of any one or more existing levies that are to 133999
be in any single renewal levy, the purpose of the renewal levy 134000
may be either to avoid an operating deficit or to provide for 134001
the emergency requirements of the school district. The 134002
resolution shall further specify the amount of money it is 134003
necessary to raise for the specified purpose for each calendar 134004
year the millage is to be imposed; if a renewal levy, whether 134005
the levy is to renew all, or a portion of, the proceeds derived 134006
from one or more existing levies; and the number of years in 134007
which the millage is to be in effect, which may include a levy 134008
upon the current year's tax list. The number of years may be any 134009
number not exceeding ten. 134010

The question shall be submitted at a special election on a 134011
date specified in the resolution. The date shall not be earlier 134012
than eighty days after the adoption and certification of the 134013
resolution to the county auditor and shall be consistent with 134014
the requirements of section 3501.01 of the Revised Code. A 134015
resolution for a renewal levy shall not be placed on the ballot 134016

unless the question is submitted on a date on which a special 134017
election may be held under division (D) of section 3501.01 of 134018
the Revised Code, except for the first Tuesday after the first 134019
Monday in August, during the last year the levy to be renewed 134020
may be extended on the real and public utility property tax list 134021
and duplicate, or at any election held in the ensuing year, 134022
except that if the resolution proposes renewing two or more 134023
existing levies, the question shall be submitted on the date of 134024
the general or primary election held during the last year at 134025
least one of the levies to be renewed may be extended on that 134026
list and duplicate, or at any election held during the ensuing 134027
year. For purposes of this section ~~and sections 5705.197 and~~ 134028
section 5705.199 of the Revised Code, a levy shall be considered 134029
to be an "existing levy" through the year following the last 134030
year it can be placed on the real and public utility property 134031
tax list and duplicate. 134032

The submission of questions to the electors under this 134033
section is subject to the limitation on the number of election 134034
dates established by section 5705.214 of the Revised Code. 134035

The resolution shall go into immediate effect upon its 134036
passage, and no publication of the resolution shall be necessary 134037
other than that provided for in the notice of election. A copy 134038
of the resolution shall immediately after its passing be 134039
certified to the county auditor of the proper county. ~~Section~~ 134040
~~5705.195 of the Revised Code shall govern the arrangements for~~ 134041
~~the submission of questions to the electors under this section~~ 134042
~~and other matters concerning the election.~~ Publication of notice 134043
of the election shall be made in one newspaper of general 134044
circulation in the county once a week for two consecutive weeks, 134045
or as provided in section 7.16 of the Revised Code, prior to the 134046
election. If the board of elections operates and maintains a web 134047

site, the board of elections shall post notice of the election 134048
on its web site for thirty days prior to the election. If a 134049
majority of the electors voting on the question submitted in an 134050
election vote in favor of the levy, the board of education of 134051
the school district may make the additional levy necessary to 134052
raise the amount specified in the resolution for the purpose 134053
stated in the resolution. The tax levy shall be included in the 134054
next tax budget that is certified to the county budget 134055
commission. 134056

After the approval of the levy and prior to the time when 134057
the first tax collection from the levy can be made, the board of 134058
education may anticipate a fraction of the proceeds of the levy 134059
and issue anticipation notes in an amount not exceeding the 134060
total estimated proceeds of the levy to be collected during the 134061
first year of the levy. 134062

The notes shall be issued as provided in section 133.24 of 134063
the Revised Code, shall have principal payments during each year 134064
after the year of their issuance over a period not to exceed 134065
five years, and may have principal payment in the year of their 134066
issuance. 134067

Sec. 5705.199. (A) At any time before the effective date 134068
of this amendment the board of education of a city, local, 134069
exempted village, cooperative education, or joint vocational 134070
school district, by a vote of two-thirds of all its members, may 134071
declare by resolution that the revenue that will be raised by 134072
all tax levies that the district is authorized to impose, when 134073
combined with state and federal revenues, will be insufficient 134074
to provide for the necessary requirements of the school 134075
district, and that it is therefore necessary to levy a tax in 134076
excess of the ten-mill limitation for the purpose of providing 134077

for the necessary requirements of the school district. Such a 134078
levy shall be proposed as a substitute for all or a portion of 134079
one or more existing levies imposed under ~~sections~~ section 134080
5705.194 ~~to 5705.197~~ of the Revised Code or under this section, 134081
by levying a tax as follows: 134082

(1) In the initial year the levy is in effect, the levy 134083
shall be in a specified amount of money equal to the aggregate 134084
annual dollar amount of proceeds derived from the levy or 134085
levies, or portion thereof, being substituted. 134086

(2) In each subsequent year the levy is in effect, the 134087
levy shall be in a specified amount of money equal to the sum of 134088
the following: 134089

(a) The dollar amount of the proceeds derived from the 134090
levy in the prior year; and 134091

(b) The dollar amount equal to the product of the total 134092
taxable value of all taxable real property in the school 134093
district in the then-current year, excluding carryover property 134094
as defined in section 319.301 of the Revised Code, multiplied by 134095
the annual levy, expressed in mills for each one dollar of 134096
taxable value, that was required to produce the annual dollar 134097
amount of the levy under this section in the prior year; 134098
provided, that the amount under division (A) (2) (b) of this 134099
section shall not be less than zero. 134100

~~(B) The resolution proposing the substitute levy shall 134101
specify the annual dollar amount the levy is to produce in its 134102
initial year; the first calendar year in which the levy will be 134103
due; and the term of the levy expressed in years, which may be 134104
any number not exceeding ten, or for a continuing period of 134105
time. The resolution shall specify the date of holding the 134106~~

~~election, which shall not be earlier than ninety days after~~ 134107
~~certification of the resolution to the board of elections, and~~ 134108
~~which shall be consistent with the requirements of section~~ 134109
~~3501.01 of the Revised Code. If two or more existing levies are~~ 134110
~~to be included in a single substitute levy, but are not~~ 134111
~~scheduled to expire in the same year, the resolution shall~~ 134112
~~specify that the existing levies to be substituted shall not be~~ 134113
~~levied after the year preceding the year in which the substitute~~ 134114
~~levy is first imposed.~~ 134115

~~The resolution shall go into immediate effect upon its~~ 134116
~~passage, and no publication of the resolution shall be necessary~~ 134117
~~other than that provided for in the notice of election. A copy~~ 134118
~~of the resolution shall immediately after its passage be~~ 134119
~~certified to the county auditor in the manner provided by~~ 134120
~~section 5705.195 of the Revised Code, and sections 5705.194 and~~ 134121
~~5705.196 of the Revised Code shall govern the arrangements for~~ 134122
~~the submission of the question and other matters concerning the~~ 134123
~~notice of election and the election, except as may be provided~~ 134124
~~otherwise in this section.~~ 134125

~~(C) The form of the ballot to be used at the election on~~ 134126

~~(E)~~ If a majority of the electors voting on the question 134166
so submitted in an election vote in favor of the levy, the board 134167
of education may make the necessary levy within the school 134168
district at the rate and for the purpose stated in the 134169
resolution. The tax levy shall be included in the next tax 134170
budget that is certified to the county budget commission. 134171

~~(F)~~ (C) A levy for a continuing period of time may be 134172
decreased pursuant to section 5705.261 of the Revised Code. 134173

~~(G) A levy under this section substituting for all or a~~ 134174
~~portion of one or more existing levies imposed under sections~~ 134175
~~5705.194 to 5705.197 of the Revised Code or under this section~~ 134176
~~shall be treated as having renewed the levy or levies being~~ 134177
~~substituted for purposes of the payments made under sections~~ 134178
~~5751.20 to 5751.22 of the Revised Code.~~ 134179

~~(H)~~ (D) After the approval of a levy on the current tax 134180
list and duplicate, and prior to the time when the first tax 134181
collection from the levy can be made, the board of education may 134182
anticipate a fraction of the proceeds of the levy and issue 134183
anticipation notes in a principal amount not exceeding fifty per 134184
cent of the total estimated proceeds of the levy to be collected 134185
during the first year of the levy. The notes shall be issued as 134186
provided in section 133.24 of the Revised Code, shall have 134187
principal payments during each year after the year of their 134188
issuance over a period not to exceed five years, and may have a 134189
principal payment in the year of their issuance. 134190

Sec. 5705.21. (A) At any time, the board of education of 134191
any city, local, exempted village, cooperative education, or 134192

joint vocational school district, by a vote of two-thirds of all 134193
its members, may declare by resolution that the amount of taxes 134194
that may be raised within the ten-mill limitation by levies on 134195
the current tax list will be insufficient to provide an adequate 134196
amount for the necessary requirements of the school district, 134197
that it is necessary to levy a tax in excess of such limitation 134198
for one of the purposes specified in division (A), (D), (F), 134199
(H), or (DD) of section 5705.19 of the Revised Code, for general 134200
permanent improvements, for the purpose of operating a cultural 134201
center, for the purpose of providing for school safety and 134202
security, or for the purpose of providing education technology, 134203
and that the question of such additional tax levy shall be 134204
submitted to the electors of the school district at a special 134205
election on a day to be specified in the resolution. In the case 134206
of a qualifying library levy for the support of a library 134207
association or private corporation, the question shall be 134208
submitted to the electors of the association library district. 134209
If the resolution states that the levy is for the purpose of 134210
operating a cultural center, the ballot shall state that the 134211
levy is "for the purpose of operating the_____ (name of 134212
cultural center)." 134213

As used in this division, "cultural center" means a 134214
freestanding building, separate from a public school building, 134215
that is open to the public for educational, musical, artistic, 134216
and cultural purposes; "education technology" means, but is not 134217
limited to, computer hardware, equipment, materials, and 134218
accessories, equipment used for two-way audio or video, and 134219
software; "general permanent improvements" means permanent 134220
improvements without regard to the limitation of division (F) of 134221
section 5705.19 of the Revised Code that the improvements be a 134222
specific improvement or a class of improvements that may be 134223

included in a single bond issue; and "providing for school 134224
safety and security" includes but is not limited to providing 134225
for permanent improvements to provide or enhance security, 134226
employment of or contracting for the services of safety 134227
personnel, providing mental health services and counseling, or 134228
providing training in safety and security practices and 134229
responses. 134230

A resolution adopted under this division shall be confined 134231
to a single purpose and shall specify the amount of the increase 134232
in rate that it is necessary to levy, the purpose of the levy, 134233
and the number of years during which the increase in rate shall 134234
be in effect. The number of years may be any number not 134235
exceeding five or, if the levy is for current expenses of the 134236
district or for general permanent improvements, for a continuing 134237
period of time. 134238

(B) (1) The board of education of a qualifying school 134239
district, by resolution, may declare that it is necessary to 134240
levy a tax in excess of the ten-mill limitation for the purpose 134241
of paying the current expenses of partnering community schools 134242
and, if any of the levy proceeds are so allocated, of the 134243
district. A qualifying school district that is not a municipal 134244
school district may allocate all of the levy proceeds to 134245
partnering community schools. A municipal school district shall 134246
allocate a portion of the levy proceeds to the current expenses 134247
of the district. The resolution shall declare that the question 134248
of the additional tax levy shall be submitted to the electors of 134249
the school district at a special election on a day to be 134250
specified in the resolution. The resolution shall state the 134251
purpose of the levy, the rate of the tax expressed in mills for 134252
each one dollar of taxable value, the number of such mills to be 134253
levied for the current expenses of the partnering community 134254

schools and the number of such mills, if any, to be levied for 134255
the current expenses of the school district, the number of years 134256
the tax will be levied, and the first year the tax will be 134257
levied. The number of years the tax may be levied may be any 134258
number not exceeding ten years, or for a continuing period of 134259
time. 134260

The levy of a tax for the current expenses of a partnering 134261
community school under this section and the distribution of 134262
proceeds from the tax by a qualifying school district to 134263
partnering community schools is hereby determined to be a proper 134264
public purpose. 134265

(2) (a) If any portion of the levy proceeds are to be 134266
allocated to the current expenses of the qualifying school 134267
district, the form of the ballot at an election held pursuant to 134268
division (B) of this section shall be as follows: 134269

"Shall a levy be imposed by the_____ (insert the name 134270
of the qualifying school district) for the purpose of current 134271
expenses of the school district and of partnering community 134272
schools, that the county auditor estimates will collect \$_____ 134273
annually, at a rate not exceeding_____ mills for each \$1 of 134274
taxable value, of which_____ (insert the number of mills to be 134275

(3) Upon each receipt of a tax distribution by the
qualifying school district, the board of education shall credit
the portion allocated to partnering community schools to the
partnering community schools fund. All income from the
investment of money in the partnering community schools fund
shall be credited to that fund.

134302

134303

134304

134305

134306

134307

(a) If the qualifying school district is a municipal 134308
school district, the board of education shall distribute the 134309
partnering community schools amount among the then qualifying 134310
community schools not more than forty-five days after the school 134311
district receives and deposits each tax distribution. From each 134312
tax distribution, each such partnering community school shall 134313
receive a portion of the partnering community schools amount in 134314
the proportion that the number of its resident students bears to 134315
the aggregate number of resident students of all such partnering 134316
community schools as of the date of receipt and deposit of the 134317
tax distribution. 134318

(b) If the qualifying school district is not a municipal 134319
school district, the board of education may distribute all or a 134320
portion of the amount in the partnering community schools fund 134321
during a fiscal year to partnering community schools on or 134322
before the first day of June of the preceding fiscal year. Each 134323
such partnering community school shall receive a portion of the 134324
amount distributed by the board from the partnering community 134325
schools fund during the fiscal year in the proportion that the 134326
number of its resident students bears to the aggregate number of 134327
resident students of all such partnering community schools as of 134328
the date the school district received and deposited the most 134329
recent tax distribution. On or before the fifteenth day of June 134330
of each fiscal year, the board of education shall announce an 134331
estimated allocation to partnering community schools for the 134332
ensuing fiscal year. The board is not required to allocate to 134333
partnering community schools the entire partnering community 134334
schools amount in the fiscal year in which a tax distribution is 134335
received and deposited in the partnering community schools fund. 134336
The estimated allocation shall be published on the web site of 134337
the school district and expressed as a dollar amount per 134338

resident student. The actual allocation to community schools in 134339
a fiscal year need not conform to the estimate published by the 134340
school district so long if the estimate was made in good faith. 134341

Distributions by a school district under division (B) (3) 134342
(b) of this section shall be made in accordance with 134343
distribution agreements entered into by the board of education 134344
and each partnering community school eligible for distributions 134345
under this division. The distribution agreements shall be 134346
certified to the department of education each fiscal year before 134347
the thirtieth day of July. Each agreement shall provide for at 134348
least three distributions by the school district to the 134349
partnering community school during the fiscal year and shall 134350
require the initial distribution be made on or before the 134351
thirtieth day of July. 134352

(c) For the purposes of division (B) of this section, the 134353
number of resident students shall be the number of such students 134354
reported under section 3317.03 of the Revised Code and 134355
established by the department of education as of the date of 134356
receipt and deposit of the tax distribution. 134357

(4) To the extent an agreement whereby the qualifying 134358
school district and a community school endorse each other's 134359
programs is necessary for the community school to qualify as a 134360
partnering community school under division (B) (6) (b) of this 134361
section, the board of education of the school district shall 134362
certify to the department of education the agreement along with 134363
the determination that such agreement satisfies the requirements 134364
of that division. The board's determination is conclusive. 134365

(5) For the purposes of Chapter 3317. of the Revised Code 134366
or other laws referring to the "taxes charged and payable" for a 134367
school district, the taxes charged and payable for a qualifying 134368

school district that levies a tax under division (B) of this 134369
section includes only the taxes charged and payable under that 134370
levy for the current expenses of the school district, and does 134371
not include the taxes charged and payable for the current 134372
expenses of partnering community schools. The taxes charged and 134373
payable for the current expenses of partnering community schools 134374
shall not affect the calculation of "state education aid" as 134375
defined in section 5751.20 of the Revised Code. 134376

(6) As used in division (B) of this section: 134377

(a) "Qualifying school district" means a municipal school 134378
district, as defined in section 3311.71 of the Revised Code or a 134379
school district that contains within its territory a partnering 134380
community school. 134381

(b) "Partnering community school" means a community school 134382
established under Chapter 3314. of the Revised Code that is 134383
located within the territory of the qualifying school district 134384
and meets one of the following criteria: 134385

(i) If the qualifying school district is a municipal 134386
school district, the community school is sponsored by the 134387
district or is a party to an agreement with the district whereby 134388
the district and the community school endorse each other's 134389
programs; 134390

(ii) If the qualifying school district is not a municipal 134391
school district, the community school is sponsored by a sponsor 134392
that was rated as "exemplary" in the ratings most recently 134393
published under section 3314.016 of the Revised Code before the 134394
resolution proposing the levy is certified to the board of 134395
elections. 134396

(c) "Partnering community schools amount" means the 134397

product obtained, as of the receipt and deposit of the tax 134398
distribution, by multiplying the amount of a tax distribution by 134399
a fraction, the numerator of which is the number of mills per 134400
dollar of taxable value of the property tax to be allocated to 134401
partnering community schools, and the denominator of which is 134402
the total number of mills per dollar of taxable value authorized 134403
by the electors in the election held under division (B) of this 134404
section, each as set forth in the resolution levying the tax. If 134405
the resolution allocates all of the levy proceeds to partnering 134406
community schools, the "partnering schools amount" equals the 134407
amount of the tax distribution. 134408

(d) "Partnering community schools fund" means a separate 134409
fund established by the board of education of a qualifying 134410
school district for the deposit of partnering community school 134411
amounts under this section. 134412

(e) "Resident student" means a student enrolled in a 134413
partnering community school who is entitled to attend school in 134414
the qualifying school district under section 3313.64 or 3313.65 134415
of the Revised Code. 134416

(f) "Tax distribution" means a distribution of proceeds of 134417
the tax authorized by division (B) of this section under section 134418
321.24 of the Revised Code and distributions that are 134419
attributable to that tax under sections 323.156 and 4503.068 of 134420
the Revised Code or other applicable law. 134421

(C) A resolution adopted under this section shall specify 134422
the date of holding the election, which shall not be earlier 134423
than ninety days after the adoption and certification of the 134424
resolution and which shall be consistent with the requirements 134425
of section 3501.01 of the Revised Code. 134426

A resolution adopted under this section may propose to
renew one or more existing levies imposed under division (A) or
(B) of this section or to ~~increase or decrease~~ a single levy
imposed under either such division.

If the board of education imposes one or more existing
levies for the purpose specified in division (F) of section
5705.19 of the Revised Code, the resolution may propose to renew
one or more of those existing levies, or to ~~increase or decrease~~
a single such existing levy, for the purpose of general
permanent improvements.

If the resolution proposes to renew two or more existing
levies, the levies shall be levied for the same purpose. The
resolution shall identify those levies and the rates at which
they are levied. The resolution also shall specify that the
existing levies shall not be extended on the tax lists after the
year preceding the year in which the renewal levy is first
imposed, regardless of the years for which those levies
originally were authorized to be levied.

If the resolution proposes to renew an existing levy
imposed under division (B) of this section, the rates allocated
to the qualifying school district and to partnering community
schools each may be increased or decreased or remain the same,
and the total rate may be ~~increased, decreased,~~ or remain the
same. The resolution and notice of election shall specify the
number of the mills to be levied for the current expenses of the
partnering community schools and the number of the mills, if
any, to be levied for the current expenses of the qualifying
school district.

A resolution adopted under this section shall go into
immediate effect upon its passage, and no publication of the

resolution shall be necessary other than that provided for in 134457
the notice of election. A copy of the resolution shall 134458
immediately after its passing be certified, along with the 134459
county auditor's certification provided under section 5705.03 of 134460
the Revised Code, to the board of elections of the proper county 134461
in the manner provided by section 5705.25 of the Revised Code. 134462
That section shall govern the arrangements for the submission of 134463
such question and other matters concerning the election to which 134464
that section refers, including publication of notice of the 134465
election, except that the election shall be held on the date 134466
specified in the resolution. In the case of a resolution adopted 134467
under division (B) of this section, the publication of notice of 134468
that election shall state the number of the mills, if any, to be 134469
levied for the current expenses of partnering community schools 134470
and the number of the mills to be levied for the current 134471
expenses of the qualifying school district. If a majority of the 134472
electors voting on the question so submitted in an election vote 134473
in favor of the levy, the board of education may make the 134474
necessary levy within the school district or, in the case of a 134475
qualifying library levy for the support of a library association 134476
or private corporation, within the association library district, 134477
at the additional rate, or at any lesser rate in excess of the 134478
ten-mill limitation on the tax list, for the purpose stated in 134479
the resolution. A levy for a continuing period of time may be 134480
reduced pursuant to section 5705.261 of the Revised Code. The 134481
tax levy shall be included in the next tax budget that is 134482
certified to the county budget commission. 134483

(D) (1) After the approval of a levy on the current tax 134484
list and duplicate for current expenses, for recreational 134485
purposes, for community centers provided for in section 755.16 134486
of the Revised Code, or for a public library of the district 134487

under division (A) of this section, and prior to the time when 134488
the first tax collection from the levy can be made, the board of 134489
education may anticipate a fraction of the proceeds of the levy 134490
and issue anticipation notes in a principal amount not exceeding 134491
fifty per cent of the total estimated proceeds of the levy to be 134492
collected during the first year of the levy. 134493

(2) After the approval of a levy for general permanent 134494
improvements for a specified number of years or for permanent 134495
improvements having the purpose specified in division (F) of 134496
section 5705.19 of the Revised Code, the board of education may 134497
anticipate a fraction of the proceeds of the levy and issue 134498
anticipation notes in a principal amount not exceeding fifty per 134499
cent of the total estimated proceeds of the levy remaining to be 134500
collected in each year over a period of five years after the 134501
issuance of the notes. 134502

The notes shall be issued as provided in section 133.24 of 134503
the Revised Code, shall have principal payments during each year 134504
after the year of their issuance over a period not to exceed 134505
five years, and may have a principal payment in the year of 134506
their issuance. 134507

(3) After approval of a levy for general permanent 134508
improvements for a continuing period of time, the board of 134509
education may anticipate a fraction of the proceeds of the levy 134510
and issue anticipation notes in a principal amount not exceeding 134511
fifty per cent of the total estimated proceeds of the levy to be 134512
collected in each year over a specified period of years, not 134513
exceeding ten, after the issuance of the notes. 134514

The notes shall be issued as provided in section 133.24 of 134515
the Revised Code, shall have principal payments during each year 134516
after the year of their issuance over a period not to exceed ten 134517

years, and may have a principal payment in the year of their 134518
issuance. 134519

(4) After the approval of a levy on the current tax list 134520
and duplicate under division (B) of this section, and prior to 134521
the time when the first tax collection from the levy can be 134522
made, the board of education may anticipate a fraction of the 134523
proceeds of the levy for the current expenses of the school 134524
district and issue anticipation notes in a principal amount not 134525
exceeding fifty per cent of the estimated proceeds of the levy 134526
to be collected during the first year of the levy and allocated 134527
to the school district. The portion of the levy proceeds to be 134528
allocated to partnering community schools under that division 134529
shall not be included in the estimated proceeds anticipated 134530
under this division and shall not be used to pay debt charges on 134531
any anticipation notes. 134532

The notes shall be issued as provided in section 133.24 of 134533
the Revised Code, shall have principal payments during each year 134534
after the year of their issuance over a period not to exceed 134535
five years, and may have a principal payment in the year of 134536
their issuance. 134537

(E) The submission of questions to the electors under this 134538
section is subject to the limitation on the number of election 134539
dates established by section 5705.214 of the Revised Code. 134540

(F) The board of education of any school district that 134541
levies a tax under this section for the purpose of providing for 134542
school safety and security may report to the department of 134543
education how the district is using revenue from that tax. 134544

The board of education of any school district that 134545
proposes to levy a tax for the purpose of providing for school 134546

safety and security may share the proceeds of the tax with 134547
chartered nonpublic schools, as defined by section 3310.01 of 134548
the Revised Code, that are located in the territory of the 134549
school district as provided in this division. The resolution 134550
levying the tax and the form of the ballot shall state that 134551
proceeds from the levy are to be shared with chartered nonpublic 134552
schools and shall state the percentage of the proceeds that is 134553
to be shared with those schools. 134554

If a percentage of the proceeds of such a tax are to be 134555
shared with chartered nonpublic schools under this division, 134556
such proceeds shall be shared with all chartered nonpublic 134557
schools located in the territory of the school district. Of the 134558
percentage of the proceeds to be shared with chartered nonpublic 134559
schools, each such school shall receive an amount that bears the 134560
same proportion of that percentage that the number of resident 134561
students attending that school bears to the total number of 134562
resident students attending all such schools in the territory of 134563
the school district. For the purposes of this section, a 134564
resident student is a student enrolled in a chartered nonpublic 134565
school located in the territory of the school district who is 134566
entitled to attend school in the school district under section 134567
3313.64 or 3313.65 of the Revised Code. 134568

All proceeds of the levy shall be credited to a fund of 134569
the school district created for that purpose, and the board of 134570
education shall pay each chartered nonpublic school its share of 134571
the proceeds from that fund not less frequently than once after 134572
each settlement of taxes under divisions (A) and (C) of section 134573
321.24 of the Revised Code. Any chartered nonpublic school 134574
receiving payments under this section shall use all of such 134575
payments only for providing for school safety and security. 134576

Sec. 5705.212. (A) (1) The board of education of any school district, at any time and by a vote of two-thirds of all of its members, may declare by resolution that the amount of taxes that may be raised within the ten-mill limitation will be insufficient to provide an adequate amount for the present and future requirements of the school district, that it is necessary to levy not more than five taxes in excess of that limitation for current expenses, and that each of the proposed taxes first will be levied in a different year, over a specified period of time. The board shall identify the taxes proposed under this section as follows: the first tax to be levied shall be called the "original tax." Each tax subsequently levied shall be called an "incremental tax." The rate of each incremental tax shall be identical, but the rates of such incremental taxes need not be the same as the rate of the original tax. The resolution also shall state that the question of these additional taxes shall be submitted to the electors of the school district at a special election. The resolution shall specify separately for each tax proposed: the amount of the increase in rate that it is necessary to levy, expressed separately for the original tax and each incremental tax; that the purpose of the levy is for current expenses; the number of years during which the original tax shall be in effect; a specification that the last year in which the original tax is in effect shall also be the last year in which each incremental tax shall be in effect; and the year in which each tax first is proposed to be levied. The original tax may be levied for any number of years not exceeding ten, or for a continuing period of time. The resolution shall specify the date of holding the special election, which shall not be earlier than ninety days after the adoption and certification of the resolution and shall be consistent with the requirements of section 3501.01 of the Revised Code.

(2) The board of education, by a vote of two-thirds of all 134609
of its members, may adopt a resolution proposing to renew taxes 134610
levied other than for a continuing period of time under division 134611
(A) (1) of this section. Such a resolution shall provide for 134612
levying a tax and specify all of the following: 134613

(a) That the tax shall be called and designated on the 134614
ballot as a renewal levy; 134615

(b) The rate of the renewal tax, which shall be a single 134616
rate that combines the rate of the original tax and each 134617
incremental tax into a single rate. The rate of the renewal tax 134618
shall not exceed the aggregate rate of the original and 134619
incremental taxes. 134620

(c) The number of years, not to exceed ten, that the 134621
renewal tax will be levied, or that it will be levied for a 134622
continuing period of time; 134623

(d) That the purpose of the renewal levy is for current 134624
expenses; 134625

(e) Subject to the certification and notification 134626
requirements of section 5705.251 of the Revised Code, that the 134627
question of the renewal levy shall be submitted to the electors 134628
of the school district at the general election held during the 134629
last year the original tax may be extended on the real and 134630
public utility property tax list and duplicate or at a special 134631
election held during the ensuing year. 134632

(3) A resolution adopted under division (A) (1) or (2) of 134633
this section shall go into immediate effect upon its adoption 134634
and no publication of the resolution is necessary other than 134635
that provided for in the notice of election. Immediately after 134636
its adoption, a copy of the resolution shall be certified to the 134637

board of elections of the proper county in the manner provided 134638
by division (A) of section 5705.251 of the Revised Code, and 134639
that division shall govern the arrangements for the submission 134640
of the question and other matters concerning the election to 134641
which that section refers. The election shall be held on the 134642
date specified in the resolution. If a majority of the electors 134643
voting on the question so submitted in an election vote in favor 134644
of the taxes or a renewal tax, the board of education, if the 134645
original or a renewal tax is authorized to be levied for the 134646
current year, immediately may make the necessary levy within the 134647
school district at the authorized rate, or at any lesser rate in 134648
excess of the ten-mill limitation, for the purpose stated in the 134649
resolution. No tax shall be imposed prior to the year specified 134650
in the resolution as the year in which it is first proposed to 134651
be levied. The rate of the original tax and the rate of each 134652
incremental tax shall be cumulative, so that the aggregate rate 134653
levied in any year is the sum of the rates of both the original 134654
tax and all incremental taxes levied in or prior to that year 134655
under the same proposal. A tax levied for a continuing period of 134656
time under this section may be reduced pursuant to section 134657
5705.261 of the Revised Code. 134658

(B) Notwithstanding section 133.30 of the Revised Code, 134659
after the approval of a tax to be levied in the current or the 134660
succeeding year and prior to the time when the first tax 134661
collection from that levy can be made, the board of education 134662
may anticipate a fraction of the proceeds of the levy and issue 134663
anticipation notes in an amount not to exceed fifty per cent of 134664
the total estimated proceeds of the levy to be collected during 134665
the first year of the levy. The notes shall be sold as provided 134666
in Chapter 133. of the Revised Code. If anticipation notes are 134667
issued, they shall mature serially and in substantially equal 134668

amounts during each year over a period not to exceed five years; 134669
and the amount necessary to pay the interest and principal as 134670
the anticipation notes mature shall be deemed appropriated for 134671
those purposes from the levy, and appropriations from the levy 134672
by the board of education shall be limited each fiscal year to 134673
the balance available in excess of that amount. 134674

If the auditor of state has certified a deficit pursuant 134675
to section 3313.483 of the Revised Code, the notes authorized 134676
under this section may be sold in accordance with Chapter 133. 134677
of the Revised Code, except that the board may sell the notes 134678
after providing a reasonable opportunity for competitive 134679
bidding. 134680

(C) (1) The board of education of a qualifying school 134681
district, at any time and by a vote of two-thirds of all its 134682
members, may declare by resolution that it is necessary to levy 134683
not more than five taxes in excess of the ten-mill limitation 134684
for the current expenses of partnering community schools and, if 134685
any of the levy proceeds are so allocated, of the school 134686
district, and that each of the proposed taxes first will be 134687
levied in a different year, over a specified period of time. A 134688
qualifying school district that is not a municipal school 134689
district may allocate all of the levy proceeds to partnering 134690
community schools. A municipal school district shall allocate a 134691
portion of the levy proceeds to the current expenses of the 134692
district. The board shall identify the taxes proposed under this 134693
division in the same manner as in division (A) (1) of this 134694
section. The rate of each incremental tax shall be identical, 134695
but the rates of such incremental taxes need not be the same as 134696
the rate of the original tax. In addition to the specifications 134697
required of the resolution in division (A) of this section, the 134698
resolution shall state the number of the mills to be levied each 134699

year for the current expenses of the partnering community 134700
schools and the number of the mills, if any, to be levied each 134701
year for the current expenses of the school district. The number 134702
of mills for the current expenses of partnering community 134703
schools shall be the same for each of the incremental taxes, and 134704
the number of mills for the current expenses of the qualifying 134705
school district shall be the same for each of the incremental 134706
taxes. 134707

The levy of taxes for the current expenses of a partnering 134708
community school under division (C) of this section and the 134709
distribution of proceeds from the tax by a qualifying school 134710
district to partnering community schools is hereby determined to 134711
be a proper public purpose. 134712

(2) The board of education, by a vote of two-thirds of all 134713
of its members, may adopt a resolution proposing to renew taxes 134714
levied other than for a continuing period of time under division 134715
(C)(1) of this section. In such a renewal levy, the rates 134716
allocated to the qualifying school district and to partnering 134717
community schools each may be increased or decreased or remain 134718
the same, and the total rate may be ~~increased, decreased,~~ or 134719
remain the same. In addition to the requirements of division (A) 134720
(2) of this section, the resolution shall state the number of 134721
the mills to be levied for the current expenses of the 134722
partnering community schools and the number of the mills to be 134723
levied for the current expenses of the school district. 134724

(3) A resolution adopted under division (C)(1) or (2) of 134725
this section is subject to the rules and procedures prescribed 134726
by division (A)(3) of this section. 134727

(4) The proceeds of each tax levied under division (C)(1) 134728
or (2) of this section shall be credited and distributed in the 134729

manner prescribed by division (B) (3) of section 5705.21 of the Revised Code, and divisions (B) (4), (5), and (6) of that section apply to taxes levied under division (C) of this section.

(5) Notwithstanding section 133.30 of the Revised Code, after the approval of a tax to be levied under division (C) (1) or (2) of this section, in the current or succeeding year and prior to the time when the first tax collection from that levy can be made, the board of education may anticipate a fraction of the proceeds of the levy for the current expenses of the qualifying school district and issue anticipation notes in a principal amount not exceeding fifty per cent of the estimated proceeds of the levy to be collected during the first year of the levy and allocated to the school district. The portion of levy proceeds to be allocated to partnering community schools shall not be included in the estimated proceeds anticipated under this division and shall not be used to pay debt charges on any anticipation notes.

The notes shall be sold as provided in Chapter 133. of the Revised Code. If anticipation notes are issued, they shall mature serially and in substantially equal amounts during each year over a period not to exceed five years. The amount necessary to pay the interest and principal as the anticipation notes mature shall be deemed appropriated for those purposes from the levy, and appropriations from the levy by the board of education shall be limited each fiscal year to the balance available in excess of that amount.

If the auditor of state has certified a deficit pursuant to section 3313.483 of the Revised Code, the notes authorized under this section may be sold in accordance with Chapter 133. of the Revised Code, except that the board may sell the notes

after providing a reasonable opportunity for competitive 134760
bidding. 134761

As used in division (C) of this section, "qualifying 134762
school district" and "partnering community schools" have the 134763
same meanings as in section 5705.21 of the Revised Code. 134764

(D) The submission of questions to the electors under this 134765
section is subject to the limitation on the number of election 134766
dates established by section 5705.214 of the Revised Code. 134767

(E) When a school board certifies a resolution to the 134768
county auditor under division (B) (1) of section 5705.03 of the 134769
Revised Code proposing to levy a tax under division (A) (1) or 134770
(C) (1) of this section, the county auditor shall certify, in 134771
addition to the other information the auditor is required to 134772
certify under that section, an estimate of both the levy's 134773
annual collections for the tax year for which the original tax 134774
applies and the levies' aggregate annual collections for the tax 134775
year for which the final incremental tax applies, in both cases 134776
rounded to the nearest dollar, which shall be calculated 134777
assuming that the amount of the tax list of the taxing authority 134778
remains throughout the life of the levy the same as the amount 134779
of the tax list most recently certified by the county auditor 134780
under division (A) of section 319.28 of the Revised Code. If a 134781
school district is located in more than one county, the county 134782
auditor shall obtain from the county auditor of each other 134783
county in which the district is located the current tax 134784
valuation for the portion of the district in that county. 134785

Sec. 5705.213. (A) (1) The board of education of any school 134786
district, at any time and by a vote of two-thirds of all of its 134787
members, may declare by resolution that the amount of taxes that 134788
may be raised within the ten-mill limitation will be 134789

insufficient to provide an adequate amount for the present and 134790
future requirements of the school district and that it is 134791
necessary to levy a tax in excess of that limitation for current 134792
expenses. The resolution also shall state that the question of 134793
the additional tax shall be submitted to the electors of the 134794
school district at a special election. The resolution shall 134795
specify, for each year the levy is in effect, the amount of 134796
money that the levy is proposed to raise, which may, for years 134797
after the first year the levy is made, be expressed in terms of 134798
a dollar or percentage increase over the prior year's amount. 134799
The resolution also shall specify that the purpose of the levy 134800
is for current expenses, the number of years during which the 134801
tax shall be in effect which may be for any number of years not 134802
exceeding ten, and the year in which the tax first is proposed 134803
to be levied. The resolution shall specify the date of holding 134804
the special election, which shall not be earlier than ninety- 134805
five days after the adoption and certification of the resolution 134806
to the county auditor and not earlier than ninety days after 134807
certification to the board of elections. The date of the 134808
election shall be consistent with the requirements of section 134809
3501.01 of the Revised Code. 134810

(2) The board of education, by a vote of two-thirds of all 134811
of its members, may adopt a resolution proposing to renew a tax 134812
levied under division (A) (1) of this section. Such a resolution 134813
shall provide for levying a tax and specify all of the 134814
following: 134815

(a) That the tax shall be called and designated on the 134816
ballot as a renewal levy; 134817

(b) The amount of the renewal tax, which shall be no more 134818
than the amount of tax levied during the last year the tax being 134819

renewed is authorized to be in effect; 134820

(c) The number of years, not to exceed ten, that the 134821
renewal tax will be levied, or that it will be levied for a 134822
continuing period of time; 134823

(d) That the purpose of the renewal levy is for current 134824
expenses; 134825

(e) Subject to the certification and notification 134826
requirements of section 5705.251 of the Revised Code, that the 134827
question of the renewal levy shall be submitted to the electors 134828
of the school district at the general election held during the 134829
last year the tax being renewed may be extended on the real and 134830
public utility property tax list and duplicate or at a special 134831
election held during the ensuing year. 134832

(3) A resolution adopted under division (A) (1) or (2) of 134833
this section shall go into immediate effect upon its adoption 134834
and no publication of the resolution is necessary other than 134835
that provided for in the notice of election. Immediately after 134836
its adoption, a copy of the resolution shall be certified to the 134837
county auditor of the proper county, who shall, within ten days, 134838
calculate and certify to the board of education the estimated 134839
levy, for the first year, and for each subsequent year for which 134840
the tax is proposed to be in effect. The estimates shall be made 134841
both in mills for each one dollar of taxable value and in 134842
dollars for each one hundred thousand dollars of the county 134843
auditor's ~~appraised~~ market value. In making the estimates, the 134844
auditor shall assume that the amount of the tax list remains 134845
throughout the life of the levy, the same as the tax list most 134846
recently certified by the county auditor under division (A) of 134847
section 319.28 of the Revised Code. 134848

If the board desires to proceed with the submission of the 134849
question, it shall certify its resolution, with the estimated 134850
tax levy expressed in mills for each one dollar of taxable value 134851
and dollars for each one hundred thousand dollars of the county 134852
auditor's ~~appraised~~ market value for each year that the tax is 134853
proposed to be in effect, to the board of elections of the 134854
proper county in the manner provided by division (A) of section 134855
5705.251 of the Revised Code. Section 5705.251 of the Revised 134856
Code shall govern the arrangements for the submission of the 134857
question and other matters concerning the election to which that 134858
section refers. The election shall be held on the date specified 134859
in the resolution. If a majority of the electors voting on the 134860
question so submitted in an election vote in favor of the tax, 134861
and if the tax is authorized to be levied for the current year, 134862
the board of education immediately may make the additional levy 134863
necessary to raise the amount specified in the resolution or a 134864
lesser amount for the purpose stated in the resolution. 134865

(4) The submission of questions to the electors under this 134866
section is subject to the limitation on the number of election 134867
dates established by section 5705.214 of the Revised Code. 134868

(B) Notwithstanding section 133.30 of the Revised Code, 134869
after the approval of a tax to be levied in the current or the 134870
succeeding year and prior to the time when the first tax 134871
collection from that levy can be made, the board of education 134872
may anticipate a fraction of the proceeds of the levy and issue 134873
anticipation notes in an amount not to exceed fifty per cent of 134874
the total estimated proceeds of the levy to be collected during 134875
the first year of the levy. The notes shall be sold as provided 134876
in Chapter 133. of the Revised Code. If anticipation notes are 134877
issued, they shall mature serially and in substantially equal 134878
amounts during each year over a period not to exceed five years; 134879

and the amount necessary to pay the interest and principal as 134880
the anticipation notes mature shall be deemed appropriated for 134881
those purposes from the levy, and appropriations from the levy 134882
by the board of education shall be limited each fiscal year to 134883
the balance available in excess of that amount. 134884

If the auditor of state has certified a deficit pursuant 134885
to section 3313.483 of the Revised Code, the notes authorized 134886
under this section may be sold in accordance with Chapter 133. 134887
of the Revised Code, except that the board may sell the notes 134888
after providing a reasonable opportunity for competitive 134889
bidding. 134890

Sec. 5705.215. (A) The governing board of an educational 134891
service center that is the taxing authority of a county school 134892
financing district, upon receipt of identical resolutions 134893
adopted within a sixty-day period by a majority of the members 134894
of the board of education of each school district that is within 134895
the territory of the county school financing district, may 134896
submit a tax levy to the electors of the territory in the same 134897
manner as a school board may submit a levy under division (C) of 134898
section 5705.21 of the Revised Code, except that: 134899

(1) The levy may be for a period not to exceed ten years, 134900
or, if the levy is solely for the purpose or purposes described 134901
in division (A) (2) (a), (c), or (f) of this section, for a 134902
continuing period of time. 134903

(2) The purpose of the levy shall be one or more of the 134904
following: 134905

(a) For current expenses for the provision of special 134906
education and related services within the territory of the 134907
district; 134908

(b) For permanent improvements within the territory of the 134909
district for special education and related services; 134910

(c) For current expenses for specified educational 134911
programs within the territory of the district; 134912

(d) For permanent improvements within the territory of the 134913
district for specified educational programs; 134914

(e) For permanent improvements within the territory of the 134915
district; 134916

(f) For current expenses for school safety and security 134917
and mental health services, including training and employment of 134918
or contracting for the services of safety personnel, mental 134919
health personnel, social workers, and counselors. 134920

(B) If the levy provides for but is not limited to current 134921
expenses, the resolutions shall apportion the annual rate of the 134922
levy between current expenses and the other purposes. The 134923
apportionment need not be the same for each year of the levy, 134924
but the respective portions of the rate actually levied each 134925
year for current expenses and the other purposes shall be 134926
limited by that apportionment. 134927

(C) Prior to the application of section 319.301 of the 134928
Revised Code, the rate of a levy that is limited to, or to the 134929
extent that it is apportioned to, purposes other than current 134930
expenses shall be reduced in the same proportion in which the 134931
district's total valuation increases during the life of the levy 134932
because of additions to such valuation that have resulted from 134933
improvements added to the tax list and duplicate. 134934

(D) After the approval of a county school financing 134935
district levy under this section, the taxing authority may 134936
anticipate a fraction of the proceeds of such levy and may from 134937

time to time during the life of such levy, but in any given year 134938
prior to the time when the tax collection from such levy can be 134939
made for that year, issue anticipation notes in an amount not 134940
exceeding fifty per cent of the estimated proceeds of the levy 134941
to be collected in each year up to a period of five years after 134942
the date of the issuance of such notes, less an amount equal to 134943
the proceeds of such levy obligated for each year by the 134944
issuance of anticipation notes, provided that the total amount 134945
maturing in any one year shall not exceed fifty per cent of the 134946
anticipated proceeds of the levy for that year. Each issue of 134947
notes shall be sold as provided in Chapter 133. of the Revised 134948
Code, and shall, except for the limitation that the total amount 134949
of such notes maturing in any one year shall not exceed fifty 134950
per cent of the anticipated proceeds of such levy for that year, 134951
mature serially in substantially equal installments during each 134952
year over a period not to exceed five years after their 134953
issuance. 134954

(E) (1) In a resolution to be submitted to the taxing 134955
authority of a county school financing district under division 134956
(A) of this section calling for a ballot issue on the question 134957
of the levying of a tax for a continuing period of time by the 134958
taxing authority, the board of education of a school district 134959
that is part of the territory of the county school financing 134960
district also may propose to reduce the rate of one or more of 134961
that school district's property taxes levied for a continuing 134962
period of time in excess of the ten-mill limitation. The 134963
reduction in the rate of a property tax may be any amount, not 134964
exceeding the rate at which the tax is authorized to be levied. 134965
The reduction in the rate of a tax shall first take effect in 134966
the same year that the county school financing district tax 134967
takes effect, and shall continue for each year that the county 134968

school financing district tax is in effect. A board of 134969
education's resolution proposing to reduce the rate of one or 134970
more of its school district property taxes shall, in addition to 134971
including information required for a resolution under division 134972
(B) (1) of section 5705.03 of the Revised Code, specifically 134973
identify each such tax and shall state for each tax the maximum 134974
rate at which it currently may be levied and the maximum rate at 134975
which it could be levied after the proposed reduction, expressed 134976
in mills for each one dollar of taxable value. 134977

Before submitting the resolution to the taxing authority 134978
of the county school financing district, the board of education 134979
of the school district shall certify a copy of it to the tax 134980
commissioner and the county auditor. The county auditor shall 134981
certify to the board all information required under division (B) 134982
(2) of section 5705.03 of the Revised Code, in the manner 134983
required under that division, and both of the following: 134984

(a) An estimate of the levy's annual collections beginning 134985
for the first year for which the reduction applies, rounded to 134986
the nearest dollar, which shall be calculated assuming that the 134987
amount of the tax list of the taxing authority remains 134988
throughout the life of the reduced levy the same as the amount 134989
of the tax list most recently certified by the county auditor 134990
under division (A) of section 319.28 of the Revised Code. 134991

If a school district is located in more than one county, 134992
the county auditor shall obtain from the county auditor of each 134993
other county in which the district is located the current tax 134994
valuation for the portion of the district in that county. 134995

(b) The effective rate of the levy for the last year 134996
before the proposed reduction and the first year that the 134997
reduction applies, both expressed in dollars for each one 134998

hundred thousand dollars of the county auditor's ~~appraised-~~ 134999
market value. 135000

The tax commissioner, within ten days of receiving the 135001
resolution, shall certify to the board the reduction in the 135002
school district's total effective tax rate for each class of 135003
property that would have resulted if the proposed reduction in 135004
the rate or rates had been in effect the previous year. As used 135005
in this paragraph, "effective tax rate" has the same meaning as 135006
in section 323.08 of the Revised Code. 135007

After receiving these certifications from the commissioner 135008
and the auditor, the board may amend its resolution to change 135009
the proposed property tax rate reduction before submitting the 135010
resolution to the financing district taxing authority, provided 135011
the board certifies a copy of the amended resolution to the 135012
county auditor with a request to provide the information 135013
required under divisions (E)(1)(a) and (b) of this section and 135014
the auditor transmits that information to the taxing authority. 135015

If the board of education of a school district that is 135016
part of the territory of a county school financing district 135017
adopts a resolution proposing to reduce the rate of one or more 135018
of its property taxes in conjunction with the levying of a tax 135019
by the financing district, the resolution submitted by the board 135020
to the taxing authority of the financing district under division 135021
(A) of this section does not have to be identical in this 135022
respect to the resolutions submitted by the boards of education 135023
of the other school districts that are part of the territory of 135024
the county school financing district. 135025

(2) Each school district that is part of the territory of 135026
a county school financing district may tailor to its own 135027
situation a proposed reduction in one or more property tax rates 135028

in conjunction with the proposed levying of a tax by the county 135029
school financing district; if one such school district proposes 135030
a reduction in one or more tax rates, another school district 135031
may propose a reduction of a different size or may propose no 135032
reduction. Within each school district that is part of the 135033
territory of the county school financing district, the electors 135034
shall vote on one ballot issue combining the question of the 135035
levying of the tax by the taxing authority of the county school 135036
financing district with, if any such reduction is proposed, the 135037
question of the reduction in the rate of one or more taxes of 135038
the school district. If a majority of the electors of the county 135039
school financing district voting on the question of the proposed 135040
levying of a tax by the taxing authority of the financing 135041
district vote to approve the question, any tax reductions 135042
proposed by school districts that are part of the territory of 135043
the financing district also are approved. 135044

(3) The form of the ballot for an issue proposing to levy 135045
a county school financing district tax in conjunction with the 135046
reduction of the rate of one or more school district taxes shall 135047
be as follows: 135048

"Shall the _____ (name of the county school financing 135049
district) be authorized to levy an additional tax for _____ 135050
(purpose stated in the resolutions), that the county auditor 135051
estimates will collect \$_____ annually, at a rate not exceeding 135052
_____ mills for each \$1 of taxable value, which amounts to 135053
\$_____ for each \$100,000 of the county auditor's ~~appraised~~ 135054
market value, for a continuing period of time? If the county 135055
school financing district tax is approved, the rate of an 135056
existing tax currently levied by the _____ (name of the school 135057
district of which the elector is a resident) at the rate of 135058
_____ mills shall be reduced to _____ mills for each \$1 of 135059

taxable value, which amounts to a reduction from \$_____ 135060
(effective rate) to \$_____ (effective rate) for each \$100,000 135061
of the county auditor's ~~appraised~~ market value, that the county 135062
auditor estimates will collect \$_____ annually, until any such 135063
time as the county school financing district tax is decreased or 135064
repealed. 135065
135066

	FOR THE TAX LEVY	"
	AGAINST THE TAX LEVY	

If the board of education of the school district proposes 135067
to reduce the rate of more than one of its existing taxes, the 135068
second sentence of the ballot language shall be modified for 135069
residents of that district to express the rates and effective 135070
rates at which those taxes currently are levied and the rates 135071
and effective rates to which they would be reduced as well as 135072
each levy's estimated annual collections, as provided by the 135073
county auditor under division (E) (1) (a) of this section. If the 135074
board of education of the school district does not propose to 135075
reduce the rate of any of its taxes, the second sentence of the 135076
ballot language shall not be used for residents of that 135077
district. In any case, the first sentence of the ballot language 135078
shall be the same for all the electors in the county school 135079
financing district, but the second sentence shall be different 135080
in each school district depending on whether and in what amount 135081
the board of education of the school district proposes to reduce 135082
the rate of one or more of its property taxes. 135083

(4) If the rate of a school district property tax is 135084
reduced pursuant to this division, the tax commissioner shall 135085
compute the percentage required to be computed for that tax 135086

under division (D) of section 319.301 of the Revised Code each 135087
year the rate is reduced as if the tax had been levied in the 135088
preceding year at the rate to which it has been reduced. If the 135089
reduced rate of a tax is increased under division (E) (5) of this 135090
section, the commissioner shall compute the percentage required 135091
to be computed for that tax under division (D) of section 135092
319.301 of the Revised Code each year the rate is increased as 135093
if the tax had been levied in the preceding year at the rate to 135094
which it has been increased. 135095

(5) After the levying of a county school financing 135096
district tax in conjunction with the reduction of the rate of 135097
one or more school district taxes is approved by the electors 135098
under this division, if the rate of the county school financing 135099
district tax is decreased pursuant to an election under section 135100
5705.261 of the Revised Code, the rate of each school district 135101
tax that had been reduced shall be increased by the number of 135102
mills obtained by multiplying the number of mills of the 135103
original reduction by the same percentage that the financing 135104
district tax rate is decreased. If the county school financing 135105
district tax is repealed pursuant to an election under section 135106
5705.261 of the Revised Code, each school district may resume 135107
levying the property taxes that had been reduced at the full 135108
rate originally approved by the electors. A reduction in the 135109
rate of a school district property tax under this division is a 135110
reduction in the rate at which the board of education may levy 135111
that tax only for the period during which the county school 135112
financing district tax is levied prior to any decrease or repeal 135113
under section 5705.261 of the Revised Code. The resumption of 135114
the authority of the board of education to levy an increased or 135115
the full rate of tax does not constitute the levying of a new 135116
tax in excess of the ten-mill limitation. 135117

(F) If a county school financing district has a tax in 135118
effect under this section, the territory of a city, local, or 135119
exempted village school district that is not a part of the 135120
county school financing district shall not become a part of the 135121
county school financing district unless approved by the electors 135122
of the city, local, or exempted village school district in 135123
accordance with division (C) of section 3311.50 of the Revised 135124
Code. 135125

Sec. 5705.217. (A) The board of education of a city, 135126
local, or exempted village school district, at any time by a 135127
vote of two-thirds of all its members, may declare by resolution 135128
that the amount of taxes that can be raised within the ten-mill 135129
limitation will be insufficient to provide an adequate amount 135130
for the present and future requirements of the school district; 135131
that it is necessary to levy an additional tax in excess of that 135132
limitation for the purposes of providing funds for current 135133
operating expenses and for general permanent improvements as 135134
defined in section 5705.21 of the Revised Code; and that the 135135
question of the tax shall be submitted to the electors of the 135136
district at a special election. The tax may be levied for a 135137
specified number of years not exceeding five or for a continuing 135138
period of time. The resolution shall specify the proposed tax 135139
rate, the first year the tax will be levied, and the number of 135140
years it will be levied, or that it will be levied for a 135141
continuing period of time. The resolution shall apportion the 135142
annual rate of the tax between current operating expenses and 135143
permanent improvements. The apportionment may but need not be 135144
the same for each year of the tax, but the respective portions 135145
of the rate actually levied each year for current operating 135146
expenses and permanent improvements shall be limited by the 135147
apportionment. 135148

The resolution shall specify the date of holding the special election, which shall not be earlier than ninety days after certification of the resolution to the board of elections and shall be consistent with the requirements of section 3501.01 of the Revised Code. The resolution shall go into immediate effect upon its passage, and no publication of it is necessary other than that provided in the notice of election. The board of education shall certify a copy of the resolution to the board of elections immediately after its adoption. Section 5705.25 of the Revised Code governs the arrangements and form of the ballot for the submission of the question to the electors.

If a majority of the electors voting on the question vote in favor of the tax, the board of education may make the levy at the additional rate, or at any lesser rate in excess of the ten-mill limitation. If the tax is for a continuing period of time, it may be decreased in accordance with section 5705.261 of the Revised Code.

A board of education may adopt a resolution to renew one or more existing levies imposed under this section, or to ~~increase or~~ decrease the rate of a tax levied under this section, for the purpose of providing funds for either current expenses and general permanent improvements or solely for general permanent improvements.

(B) (1) After the approval of a tax for current operating expenses under this section and prior to the time the first collection and distribution from the levy can be made, the board of education may anticipate a fraction of the proceeds of such levy and issue anticipation notes in a principal amount not exceeding fifty per cent of the total estimated proceeds of the tax to be collected during the first year of the levy.

(2) After the approval of a tax for general permanent 135179
improvements levied under this section for a specified number of 135180
years, the board of education may anticipate a fraction of the 135181
proceeds of such tax and issue anticipation notes in a principal 135182
amount not exceeding fifty per cent of the total estimated 135183
proceeds of the tax remaining to be collected in each year over 135184
a specified period of years, not exceeding the number of years 135185
for which the tax was levied, after issuance of the notes. 135186

(3) After the approval of a tax for general permanent 135187
improvements levied under this section for a continuing period 135188
of time, the board of education may anticipate a fraction of the 135189
proceeds of such tax and issue anticipation notes in a principal 135190
amount not exceeding fifty per cent of the total estimated 135191
proceeds of the tax to be collected in each year over a 135192
specified period of years, not exceeding ten, after issuance of 135193
the notes. 135194

Anticipation notes under this section shall be issued as 135195
provided in section 133.24 of the Revised Code. Notes issued 135196
under division (B) (1) or (2) of this section shall have 135197
principal payments during each year after the year of their 135198
issuance over a period not to exceed five years, and may have a 135199
principal payment in the year of their issuance. Notes issued 135200
under division (B) (3) of this section shall have principal 135201
payments during each year after the year of their issuance over 135202
a period not to exceed ten years, and may have a principal 135203
payment in the year of their issuance. 135204

(C) The submission of a question to the electors under 135205
this section is subject to the limitation on the number of 135206
elections that can be held in a year under section 5705.214 of 135207
the Revised Code. 135208

Sec. 5705.218. (A) The board of education of a city, 135209
local, or exempted village school district, at any time by a 135210
vote of two-thirds of all its members, may declare by resolution 135211
that it may be necessary for the school district to issue 135212
general obligation bonds for permanent improvements. The 135213
resolution shall state all of the following: 135214

(1) The necessity and purpose of the bond issue; 135215

(2) The date of the special election at which the question 135216
shall be submitted to the electors; 135217

(3) The amount, approximate date, estimated rate of 135218
interest, and maximum number of years over which the principal 135219
of the bonds may be paid; 135220

(4) The necessity of levying a tax outside the ten-mill 135221
limitation to pay debt charges on the bonds and any anticipatory 135222
securities. 135223

On adoption of the resolution, the board shall certify a 135224
copy of it to the county auditor. The county auditor promptly 135225
shall estimate and certify to the board the average annual 135226
property tax rate, expressed in mills for each one dollar of 135227
taxable value and in dollars for each one hundred thousand 135228
dollars of the county auditor's ~~appraised~~-market value, required 135229
throughout the stated maturity of the bonds to pay debt charges 135230
on the bonds in the same manner as under division (C) of section 135231
133.18 of the Revised Code. 135232

(B) After receiving the county auditor's certification 135233
under division (A) of this section, the board of education of 135234
the city, local, or exempted village school district, by a vote 135235
of two-thirds of all its members, may declare by resolution that 135236
the amount of taxes that can be raised within the ten-mill 135237

limitation will be insufficient to provide an adequate amount 135238
for the present and future requirements of the school district; 135239
that it is necessary to issue general obligation bonds of the 135240
school district for permanent improvements and to levy an 135241
additional tax in excess of the ten-mill limitation to pay debt 135242
charges on the bonds and any anticipatory securities; that it is 135243
necessary for a specified number of years or for a continuing 135244
period of time to levy additional taxes in excess of the ten- 135245
mill limitation to provide funds for the acquisition, 135246
construction, enlargement, renovation, and financing of 135247
permanent improvements or to pay for current operating expenses, 135248
or both; and that the question of the bonds and taxes shall be 135249
submitted to the electors of the school district at a special 135250
election, which shall not be earlier than ninety days after 135251
certification of the resolution to the board of elections, and 135252
the date of which shall be consistent with section 3501.01 of 135253
the Revised Code. The resolution shall specify all of the 135254
following: 135255

(1) The county auditor's estimate of the average annual 135256
property tax rate required throughout the stated maturity of the 135257
bonds to pay debt charges on the bonds; 135258

(2) The proposed rate of the tax, if any, for current 135259
operating expenses expressed in mills for each one dollar of 135260
taxable value and in dollars for each one hundred thousand 135261
dollars of the county auditor's ~~appraised~~ market value, the 135262
first year the tax will be levied, and the number of years it 135263
will be levied, or that it will be levied for a continuing 135264
period of time; 135265

(3) The proposed rate of the tax, if any, for permanent 135266
improvements expressed in mills for each one dollar of taxable 135267

value and in dollars for each one hundred thousand dollars of 135268
the county auditor's ~~appraised~~ market value, the first year the 135269
tax will be levied, and the number of years it will be levied, 135270
or that it will be levied for a continuing period of time. 135271

The resolution shall apportion the annual rate of the tax 135272
between current operating expenses and permanent improvements, 135273
if both taxes are proposed. The apportionment may but need not 135274
be the same for each year of the tax, but the respective 135275
portions of the rate actually levied each year for current 135276
operating expenses and permanent improvements shall be limited 135277
by the apportionment. The resolution shall go into immediate 135278
effect upon its passage, and no publication of it is necessary 135279
other than that provided in the notice of election. The board of 135280
education shall certify a copy of the resolution, along with 135281
copies of the auditor's estimates and its resolution under 135282
division (A) of this section, to the board of elections 135283
immediately after its adoption. 135284

(C) The board of elections shall make the arrangements for 135285
the submission to the electors of the school district of the 135286
question proposed under division (B) or (J) of this section, and 135287
the election shall be conducted, canvassed, and certified in the 135288
same manner as regular elections in the district for the 135289
election of county officers. The resolution shall be put before 135290
the electors as one ballot question, with a favorable vote 135291
indicating approval of the bond issue, the levy to pay debt 135292
charges on the bonds and any anticipatory securities, the 135293
current operating expenses levy, the permanent improvements 135294
levy, and the levy for the current expenses of a qualifying 135295
school district and of partnering community schools, as those 135296
levies may be proposed. The board of elections shall publish 135297
notice of the election in a newspaper of general circulation in 135298

the school district once a week for two consecutive weeks, or as 135299
provided in section 7.16 of the Revised Code, prior to the 135300
election. If a board of elections operates and maintains a web 135301
site, that board also shall post notice of the election on its 135302
web site for thirty days prior to the election. The notice of 135303
election shall state all of the following: 135304

(1) The principal amount of the proposed bond issue; 135305

(2) The permanent improvements for which the bonds are to 135306
be issued; 135307

(3) The maximum number of years over which the principal 135308
of the bonds may be paid; 135309

(4) The estimated additional average annual property tax 135310
rate to pay the debt charges on the bonds, as certified by the 135311
county auditor and expressed in mills for each one dollar of 135312
taxable value and in dollars for each one hundred thousand 135313
dollars of the county auditor's ~~appraised~~-market value; 135314

(5) The proposed rate of the additional tax, if any, for 135315
current operating expenses expressed in mills for each one 135316
dollar of taxable value and in dollars for each one hundred 135317
thousand dollars of the county auditor's ~~appraised~~-market value 135318
and, if the question is proposed under division (J) of this 135319
section, the portion of the rate to be allocated to the school 135320
district and the portion to be allocated to partnering community 135321
schools; 135322

(6) The number of years the current operating expenses tax 135323
will be in effect, or that it will be in effect for a continuing 135324
period of time; 135325

(7) The proposed rate of the additional tax, if any, for 135326
permanent improvements expressed in mills for each one dollar of 135327

taxable value and in dollars for each one hundred thousand 135328
dollars of the county auditor's ~~appraised~~-market value; 135329

(8) The number of years the permanent improvements tax 135330
will be in effect, or that it will be in effect for a continuing 135331
period of time; 135332

(9) The annual estimated collections, if applicable, of 135333
the current operating expenses levy and permanent improvements 135334
levy, as certified by the county auditor; 135335

(10) The time and place of the special election. 135336

(D) The form of the ballot for an election under this 135337
section is as follows: 135338

"Shall the _____ school district be authorized to do 135339
the following: 135340

(1) Issue bonds for the purpose of _____ in the 135341
principal amount of \$_____, to be repaid annually over a 135342
maximum period of _____ years, and levy a property tax outside 135343
the ten-mill limitation, estimated by the county auditor to 135344
average over the bond repayment period _____ mills for each \$1 135345
of taxable value, which amounts to \$_____ for each \$100,000 of 135346
the county auditor's ~~appraised~~-market value, to pay the annual 135347
debt charges on the bonds, and to pay debt charges on any notes 135348
issued in anticipation of those bonds?" 135349

If either a levy for permanent improvements or a levy for 135350
current operating expenses is proposed, or both are proposed, 135351
the ballot also shall contain the following language, as 135352
appropriate: 135353

"(2) Levy an additional property tax to provide funds for 135354

\$100,000 of the county auditor's ~~appraised-market~~ value, for 135366
_____ (number of years of the levy, or a continuing period of 135367
time)? 135368
135369

	FOR THE BOND ISSUE AND LEVY (OR LEVIES)
	AGAINST THE BOND ISSUE AND LEVY (OR LEVIES)

"

If the question is proposed under division (J) of this 135370
section, the form of the ballot shall be modified as prescribed 135371
by division (J) (4) of this section. 135372

(E) The board of elections promptly shall certify the 135373
results of the election to the tax commissioner and the county 135374
auditor of the county in which the school district is located. 135375
If a majority of the electors voting on the question vote for 135376
it, the board of education may proceed with issuance of the 135377
bonds and with the levy and collection of the property tax or 135378
taxes at the additional rate or any lesser rate in excess of the 135379
ten-mill limitation. Any securities issued by the board of 135380
education under this section are Chapter 133. securities, as 135381
that term is defined in section 133.01 of the Revised Code. 135382

(F) (1) After the approval of a tax for current operating 135383
expenses under this section and prior to the time the first 135384
collection and distribution from the levy can be made, the board 135385
of education may anticipate a fraction of the proceeds of such 135386
levy and issue anticipation notes in a principal amount not 135387
exceeding fifty per cent of the total estimated proceeds of the 135388
tax to be collected during the first year of the levy. 135389

(2) After the approval of a tax under this section for 135390

number of years the tax will be levied or that the tax will be 135795
levied for a continuing period of time. The aggregate rate of 135796
tax levied by a career-technical cooperative education district 135797
under this section at any time shall not exceed three mills per 135798
dollar of taxable value in the district. A tax levied under this 135799
section may be renewed, subject to section 5705.25 of the 135800
Revised Code, except that the tax may not be renewed and 135801
increased. 135802

(2) The resolution shall take effect immediately upon 135803
passage, and no publication of the resolution is necessary other 135804
than that provided in the notice of election. The resolution 135805
shall be certified and submitted in the manner provided under 135806
section 5705.25 of the Revised Code, and that section governs 135807
the arrangements governing submission of the question and other 135808
matters concerning the election. 135809

Sec. 5705.221. (A) At any time, the board of county 135810
commissioners of any county by a majority vote of the full 135811
membership may declare by resolution and certify to the board of 135812
elections of the county that the amount of taxes which may be 135813
raised within the ten-mill limitation by levies on the current 135814
tax duplicate will be insufficient to provide the necessary 135815
requirements of the county's alcohol, drug addiction, and mental 135816
health service district established pursuant to Chapter 340. of 135817
the Revised Code, or the county's contribution to a joint-county 135818
district of which the county is a part, and that it is necessary 135819

to levy a tax in excess of such limitation for the operation of 135820
community addiction services providers and community mental 135821
health services providers and the acquisition, construction, 135822
renovation, financing, maintenance, and operation of alcohol and 135823
drug addiction facilities and mental health facilities. 135824

Such resolution shall conform to section 5705.19 of the 135825
Revised Code, except that the increased rate may be in effect 135826
for any number of years not exceeding ten. 135827

The resolution shall be certified and submitted in the 135828
manner provided in section 5705.25 of the Revised Code, except 135829
that it may be placed on the ballot in any election, and except 135830
as otherwise provided in division (G) of this section. The 135831
resolution shall be certified to the board of elections not less 135832
than ninety days before the election at which it will be voted 135833
upon. 135834

If the majority of the electors voting on a levy to 135835
supplement general fund appropriations for the support of the 135836
comprehensive community addiction and mental health services 135837
providers vote in favor of the levy, the board may levy a tax 135838
within the county at the additional rate outside the ten-mill 135839
limitation during the specified period, for the purpose stated 135840
in the resolution. 135841

(B) When electors have approved a tax levy under this 135842
section, the board of county commissioners may anticipate a 135843
fraction of the proceeds of the levy and, from time to time, 135844
issue anticipation notes in accordance with section 5705.191 or 135845
5705.193 of the Revised Code. 135846

(C) The county auditor who is the fiscal officer of the 135847
alcohol, drug addiction, and mental health service district, 135848

upon receipt of a resolution from the board of alcohol, drug 135849
addiction, and mental health services, shall establish for the 135850
district a capital improvements account or a reserve balance 135851
account, or both, as specified in the resolution. The capital 135852
improvements account shall be a contingency fund for the 135853
necessary acquisition, replacement, renovation, or construction 135854
of facilities and movable and fixed equipment. Upon the request 135855
of the board, funds not needed to pay for current expenses may 135856
be appropriated to the capital improvements account, in amounts 135857
such that the account does not exceed twenty-five per cent of 135858
the replacement value of all capital facilities and equipment 135859
currently used by the board for programs and services. Other 135860
funds which are available for current capital expenses from 135861
federal, state, or local sources may also be appropriated to 135862
this account. 135863

The reserve balance account shall contain those funds that 135864
are not needed to pay for current operating expenses and not 135865
deposited in the capital improvements account but that will be 135866
needed to pay for operating expenses in the future. Upon the 135867
request of a board, such funds shall be appropriated to the 135868
reserve balance account. Payments from the capital improvements 135869
account and the reserve balance account shall be made by the 135870
county treasurer who is the custodian of funds for the district 135871
upon warrants issued by the county auditor who is the fiscal 135872
officer of the district pursuant to orders of the board. 135873

(D) If a board of county commissioners levies a tax under 135874
this section for the county's contribution to a joint-county 135875
district of which the county is a part, revenue from the tax 135876
shall only be expended for the benefit of the residents of the 135877
county. 135878

(E) If a board of county commissioners levies a tax under 135879
this section for the county's contribution to a joint-county 135880
district of which the county is a part and that district expands 135881
or contracts due to the addition or withdrawal of another 135882
county, the board, provided that county remains a part of the 135883
newly expanded or contracted joint-county district, shall 135884
continue to levy and collect that tax, pursuant to the terms 135885
originally approved by electors, for the county's contribution 135886
to the newly expanded or contracted joint-county district of 135887
which the county is a part. Notwithstanding ~~sections 5705.192-~~ 135888
~~and section~~ 5705.25 of the Revised Code, the election notice and 135889
ballot language of a renewal ~~or replacement~~ of such a levy shall 135890
identify the name of the newly expanded or contracted joint- 135891
county district. 135892

(F) If a board of county commissioners levies a tax under 135893
this section for the county's contribution to a joint-county 135894
district of which the county is a part and the county withdraws 135895
from the district, the board shall continue to levy and collect 135896
that tax, pursuant to the terms originally approved by electors, 135897
for one of the following purposes, if either situation applies: 135898

(1) For the county's contribution to a newly joined joint- 135899
county district, if the county joins such a joint-county 135900
district in the tax year after the year in which the county 135901
withdraws from the other joint-county district; 135902

(2) To provide the necessary requirements of the county's 135903
alcohol, drug addiction, and mental health service district, if 135904
the county establishes such a district under Chapter 340. of the 135905
Revised Code in the tax year after the year in which the county 135906
withdraws from the joint-county district. 135907

Notwithstanding ~~sections 5705.192 and section~~ 5705.25 of 135908

the Revised Code, the election notice and ballot language of a 135909
renewal ~~or replacement~~ of such a levy shall identify the name of 135910
the newly established district or newly joined joint-county 135911
district. 135912

(G) Division (G) of this section applies only if all of 135913
the following apply: 135914

(1) The county withdraws from a joint-county district. 135915

(2) The board of alcohol, drug addiction, and mental 135916
health services of that joint-county district levies a tax under 135917
section 5705.19 of the Revised Code in the tax year for which 135918
the county withdraws from the joint-county district. 135919

(3) The board of county commissioners of the withdrawing 135920
county adopts a resolution under division (A) of this section 135921
proposing a tax under this section that specifies that the first 135922
tax year the tax is to be levied by the board is the tax year 135923
after the year the tax described in division (G) (2) of this 135924
section expires or is renewed ~~or replaced~~, as authorized under 135925
division (B) of section 340.01 of the Revised Code. 135926

The proposed tax described in division (G) (3) of this 135927
section may be a renewal, renewal and decrease, or renewal and 135928
increase of the tax described in division (G) (2) of this 135929
section, except that, notwithstanding section 5705.25 of the 135930
Revised Code, the election notice and ballot language of a 135931
renewal of such a levy shall identify the county as the 135932
subdivision within which the tax will be levied and not the 135933
joint-county district from which the county withdrew. 135934

~~Alternatively, the tax described in division (G) (3) of~~ 135935
~~this section may be a replacement, replacement and decrease, or~~ 135936
~~replacement and increase of the tax described in division (G) (2)~~ 135937

~~of this section, as authorized under section 5705.192 of the~~ 135938
~~Revised Code, except that, notwithstanding that section, the~~ 135939
~~election notice and ballot language of a replacement of such a~~ 135940
~~levy shall identify the county as the subdivision within which~~ 135941
~~the tax will be levied and not the joint-county district from~~ 135942
~~which the county withdrew.~~ 135943

Sec. 5705.222. (A) At any time the board of county 135944
commissioners of any county by a majority vote of the full 135945
membership may declare by resolution and certify to the board of 135946
elections of the county that the amount of taxes which may be 135947
raised within the ten-mill limitation by levies on the current 135948
tax duplicate will be insufficient to provide the necessary 135949
requirements of the county board of developmental disabilities 135950
established pursuant to Chapter 5126. of the Revised Code and 135951
that it is necessary to levy a tax in excess of such limitation 135952
for the operation of community programs and services authorized 135953
by county boards of developmental disabilities, for the 135954
acquisition, construction, renovation, financing, maintenance, 135955
and operation of developmental disabilities facilities, or for 135956
both of such purposes. 135957

The resolution shall conform to section 5705.19 of the 135958
Revised Code, except that the increased rate may be in effect 135959
for any number of years not exceeding ten or for a continuing 135960
period of time. 135961

The resolution shall be certified and submitted in the 135962
manner provided in section 5705.25 of the Revised Code, except 135963
that it may be placed on the ballot in any election, and shall 135964
be certified to the board of elections not less than ninety days 135965
before the election at which it will be voted upon. 135966

If the majority of the electors voting on a levy for the 135967

support of the programs and services of the county board of 135968
developmental disabilities vote in favor of the levy, the board 135969
of county commissioners may levy a tax within the county at the 135970
additional rate outside the ten-mill limitation during the 135971
specified or continuing period, for the purpose stated in the 135972
resolution. 135973

The county board of developmental disabilities, within its 135974
budget and with the approval of the board of county 135975
commissioners through annual appropriations, shall use the 135976
proceeds of a levy approved under this section or division (L) 135977
of section 5705.19 of the Revised Code solely for the purposes 135978
authorized by that section or division. 135979

A board of county commissioners that levies a tax under 135980
this section or for the purpose authorized by division (L) of 135981
section 5705.19 of the Revised Code, by a majority vote of the 135982
full membership, may adopt a resolution to renew such a levy, or 135983
renew two or more such levies as a single ballot question, in 135984
the manner provided by section 5705.25 of the Revised Code for 135985
the renewal of existing levies. The purpose of the renewal levy 135986
may be for any of the purposes authorized for a levy imposed 135987
under this section or division (L) of section 5705.19 of the 135988
Revised Code. The term of the renewal levy may be for any number 135989
of years not exceeding ten or for a continuing period of time. 135990

(B) When electors have approved a tax levy under this 135991
section, the county commissioners may anticipate a fraction of 135992
the proceeds of the levy and issue anticipation notes in 135993
accordance with section 5705.191 or 5705.193 of the Revised 135994
Code. 135995

(C) The county auditor, upon receipt of a resolution from 135996
the county board of developmental disabilities, shall establish 135997

a capital improvements account or a reserve balance account, or 135998
both, as specified in the resolution. The capital improvements 135999
account shall be a contingency account for the necessary 136000
acquisition, replacement, renovation, or construction of 136001
facilities and movable and fixed equipment. Upon the request of 136002
the county board of developmental disabilities, moneys not 136003
needed to pay for current expenses may be appropriated to this 136004
account, in amounts such that this account does not exceed 136005
twenty-five per cent of the replacement value of all capital 136006
facilities and equipment currently used by the county board of 136007
developmental disabilities for developmental disabilities 136008
programs and services. Other moneys available for current 136009
capital expenses from federal, state, or local sources may also 136010
be appropriated to this account. 136011

The reserve balance account shall contain those moneys 136012
that are not needed to pay for current operating expenses and 136013
not deposited in the capital improvements account but that will 136014
be needed to pay for operating expenses in the future. Upon the 136015
request of a county board of developmental disabilities, the 136016
board of county commissioners may appropriate county funds, 136017
including funds from federal and state sources, to the reserve 136018
balance account. 136019

The total balance in a reserve balance account shall not 136020
exceed forty per cent of the county board of developmental 136021
disabilities' expenditures for all services in the preceding 136022

board of commissioners of such county may make an appropriation 136033
under section 307.45 of the Revised Code. 136034

(B) The board of county commissioners of any county, at 136035
any time, may declare by resolution that it may be necessary for 136036
the county to issue general obligation bonds for permanent 136037
improvements to a criminal justice facility, including the 136038

On adoption of the resolution, the board of county 136051
commissioners shall certify a copy of it to the county auditor. 136052
The county auditor promptly shall estimate and certify to the 136053
board the average annual property tax rate, expressed in mills 136054

market value, required throughout the stated maturity of the 136057
bonds to pay debt charges on the bonds, in the same manner as 136058
under division (C) of section 133.18 of the Revised Code. Except 136059
as provided in division (C) of this section, division (B) of 136060
section 5705.03 of the Revised Code does not apply to tax levy 136061

(C) After receiving the county auditor's certification 136063
under division (B) of this section and, if applicable, section 136064
5705.03 of the Revised Code, the board of county commissioners 136065
may declare by resolution that the amount of taxes that can be 136066
raised within the ten-mill limitation will be insufficient to 136067

additional tax in excess of the ten-mill limitation to pay debt 136072
charges on the bonds and any anticipatory securities; that it is 136073
necessary for a specified number of years or for a continuing 136074
period of time to levy additional taxes in excess of the ten- 136075
mill limitation to provide funds for the acquisition, 136076
construction, enlargement, renovation, maintenance, and 136077
financing of permanent improvements to such a criminal justice 136078
facility or to pay for operating expenses of the facility and 136079
other criminal justice services for which the board may make an 136080
appropriation under section 307.45 of the Revised Code, or both; 136081
and that the question of the bonds and taxes shall be submitted 136082
to the electors of the county at a general or special election, 136083
which shall not be earlier than ninety days after certification 136084
of the resolution to the board of elections, and the date of 136085
which shall be consistent with section 3501.01 of the Revised 136086

vote for it, the board of county commissioners may proceed with 136192
issuance of the bonds and the levy and collection of the 136193
property tax for the debt service on the bonds and any 136194
anticipatory securities in the same manner and subject to the 136195
same limitations as for securities issued under section 133.18 136196
of the Revised Code, and with the levy and collection of the 136197
property tax or taxes for operating expenses and criminal 136198
justice services and for permanent improvements at the 136199
additional rate or any lesser rate in excess of the ten-mill 136200
limitation. Any securities issued by the board of commissioners 136201
under this section are Chapter 133. securities, as that term is 136202
defined in section 133.01 of the Revised Code. 136203

(G) (1) After the approval of a tax for operating expenses 136204
and criminal justice services under this section and before the 136205
time the first collection and distribution from the levy can be 136206
made, the board of county commissioners may anticipate a 136207
fraction of the proceeds of the levy and issue anticipation 136208
notes in a principal amount not exceeding fifty per cent of the 136209
total estimated proceeds of the tax to be collected during the 136210
first year of the levy. 136211

(2) After the approval of a tax under this section for 136212
permanent improvements to a criminal justice facility, the board 136213
of county commissioners may anticipate a fraction of the 136214
proceeds of the tax and issue anticipation notes in a principal 136215
amount not exceeding fifty per cent of the total estimated 136216
proceeds of the tax remaining to be collected in each year over 136217
a period of five years after issuance of the notes. 136218

Anticipation notes under this section shall be issued as 136219
provided in section 133.24 of the Revised Code. Notes issued 136220
under division (G) of this section shall have principal payments 136221
during each year after the year of their issuance over a period 136222
not to exceed five years, and may have a principal payment in 136223
the year of their issuance. 136224

(H) A tax for operating expenses and criminal justice 136225
services or for permanent improvements levied under this section 136226
for a specified number of years may be renewed ~~or replaced~~ in 136227
the same manner as a tax for current operating expenses or 136228
permanent improvements levied under section 5705.19 of the 136229
Revised Code. A tax levied under this section for a continuing 136230
period of time may be decreased in accordance with section 136231
5705.261 of the Revised Code. 136232

Sec. 5705.25. (A) (1) A copy of any resolution adopted as 136233

provided in section 5705.19 or 5705.2111 of the Revised Code 136234
shall be certified by the taxing authority to the board of 136235
elections of the proper county not less than ninety days before 136236
the general election in any year, and the board shall submit the 136237
proposal to the electors of the subdivision at the succeeding 136238
November election. In the case of a qualifying library levy, the 136239
board shall submit the question to the electors of the library 136240
district or association library district. 136241

(2) Except as otherwise provided in this division, a 136242
resolution to renew or to renew and increase or renew and 136243
decrease an existing levy, regardless of the section of the 136244
Revised Code under which the tax was imposed, shall not be 136245
placed on the ballot unless the question is submitted at the 136246
general election held during the last year the tax to be renewed 136247
may be extended on the real and public utility property tax list 136248
and duplicate, or at any election held in the ensuing year. The 136249
limitation of the foregoing sentence does not apply to a 136250
resolution to renew and increase or to renew and decrease an 136251
existing levy that was imposed under section 5705.191 of the 136252
Revised Code to supplement the general fund for the purpose of 136253
making appropriations for one or more of the following purposes: 136254
for public assistance, human or social services, relief, 136255
welfare, hospitalization, health, and support of general 136256
hospitals. The limitation of the second preceding sentence also 136257
does not apply to a resolution that proposes to renew two or 136258
more existing levies imposed under section 5705.222 or division 136259
(L) of section 5705.19 of the Revised Code, or under section 136260
5705.21 or 5705.217 of the Revised Code, in which case the 136261
question shall be submitted on the date of the general or 136262
primary election held during the last year at least one of the 136263
levies to be renewed may be extended on the real and public 136264

utility property tax list and duplicate, or at any election held 136265
during the ensuing year. A resolution proposing to renew or 136266
renew and increase or decrease an existing levy may specify that 136267
the renewal, increase, or decrease of the existing levy shall be 136268
extended on the tax list for the tax year specified in the 136269
resolution, which may be the last year the existing levy may be 136270
extended on the list or the ensuing year. If the renewal, 136271
increase, or decrease is to be extended on the tax list for the 136272
last tax year the existing levy would otherwise be extended, the 136273
existing levy shall not be extended on the tax list for that 136274
last year unless the question of the renewal, increase, or 136275
decrease is not approved by a majority of electors voting on the 136276
question, in which case the existing levy shall be extended on 136277
the tax list for that last year. 136278

For purposes of this section, a levy shall be considered 136279
to be an "existing levy" through the year following the last 136280
year it can be placed on the tax list and duplicate. 136281

(3) The board of elections shall make the necessary 136282
arrangements for the submission of such questions to the 136283
electors of such subdivision, library district, or association 136284
library district, and the election shall be conducted, 136285
canvassed, and certified in the same manner as regular elections 136286
in such subdivision, library district, or association library 136287
district for the election of county officers. Notice of the 136288
election shall be published in a newspaper of general 136289
circulation in the subdivision, library district, or association 136290
library district once a week for two consecutive weeks, or as 136291
provided in section 7.16 of the Revised Code, prior to the 136292
election. If the board of elections operates and maintains a web 136293
site, the board of elections shall post notice of the election 136294
on its web site for thirty days prior to the election. The 136295

notice shall state the purpose, the levy's estimated annual
collections if the levy is not to pay debt charges, the proposed
increase in rate, expressed in mills for each one dollar of
taxable value, either that rate or the effective rate, as
applicable, expressed in dollars for each one hundred thousand
dollars of the county auditor's ~~appraised~~ market value, the
number of years during which the increase will be in effect, the
first month and year in which the tax will be levied, and the
time and place of the election.

(B) The form of the ballots cast at an election held
pursuant to division (A) of this section shall be as follows:

mills for each \$1 of taxable value, which amounts to
\$_____ for each \$100,000 of the county auditor's
~~appraised~~ market value, for _____ (life of indebtedness or
number of years the levy is to run).

	For the Tax Levy
	Against the Tax Levy

"

(C) If the levy is to be in effect for a continuing period
of time, the notice of election and the form of ballot shall so
state instead of setting forth a specified number of years for
the levy.

If the additional tax or the renewal, increase, or
decrease of an existing levy is to be placed on the current tax

list, the form of the ballot shall be modified by adding, after 136322
the statement of the number of years the levy is to run, the 136323
phrase ", commencing in _____ (first year the tax is to be 136324
levied), first due in calendar year _____ (first calendar 136325
year in which the tax shall be due).". 136326

If the levy submitted is a proposal to renew, increase, or 136327
decrease an existing levy, the form of the ballot specified in 136328
division (B) of this section must be changed by substituting for 136329
the words "An additional" at the beginning of the form, the 136330
words "A renewal of a" in case of a proposal to renew an 136331
existing levy in the same amount; the words "A renewal of 136332
_____ mills and an increase of _____ mills for each \$1 of 136333
taxable value to constitute a" in the case of an increase; or 136334
the words "A renewal of part of an existing levy, being a 136335
reduction of _____ mills for each \$1 of taxable value, to 136336
constitute a" in the case of a decrease in the proposed levy. 136337
Additionally, the effective rate, in lieu of the rate, shall be 136338
expressed for each one hundred thousand dollars of the county 136339
auditor's ~~appraised~~ market value. 136340

If the levy submitted is a proposal to renew two or more 136341
existing levies imposed under section 5705.222 or division (L) 136342
of section 5705.19 of the Revised Code, or under section 5705.21 136343
or 5705.217 of the Revised Code, the form of the ballot 136344
specified in division (B) of this section shall be modified by 136345
substituting for the words "an additional tax" the words "a 136346
renewal of ____ (insert the number of levies to be renewed) 136347
existing taxes.". 136348

If the levy submitted is a levy under section 5705.72 of 136349
the Revised Code or a proposal to renew, increase, or decrease 136350
an existing levy imposed under that section, the name of the 136351

subdivision shall be "the unincorporated area of _____ 136352
(name of township)." 136353

If the levy is for the payment of debt charges, the form 136354
of the ballot shall be modified by omitting the phrase ", that 136355
the county auditor estimates will collect \$_____ annually." 136356

The question covered by a resolution adopted under this 136357
section shall be submitted as a separate proposition but may be 136358
printed on the same ballot with any other proposition submitted 136359
at the same election, other than the election of officers. More 136360
than one such question may be submitted at the same election. 136361

(D) A levy voted in excess of the ten-mill limitation 136362
under this section shall be certified to the tax commissioner. 136363
In the first year of the levy, it shall be extended on the tax 136364
lists after the February settlement succeeding the election. If 136365
the additional tax is to be placed upon the tax list of the 136366
current year, as specified in the resolution providing for its 136367
submission, the result of the election shall be certified 136368
immediately after the canvass by the board of elections to the 136369
taxing authority, who shall make the necessary levy and certify 136370
it to the county auditor, who shall extend it on the tax lists 136371
for collection. After the first year, the tax levy shall be 136372
included in the annual tax budget that is certified to the 136373
county budget commission. 136374

(E) A tax levied under section 5705.2111 of the Revised 136375
Code shall not be renewed and increased. 136376

the proper county not less than ninety days before the date of 136380

the election specified in the resolution, and the board of 136381
elections shall submit the proposal to the electors of the 136382
school district at a special election to be held on that date. 136383
The board of elections shall make the necessary arrangements for 136384
the submission of the question or questions to the electors of 136385
the school district, and the election shall be conducted, 136386
canvassed, and certified in the same manner as regular elections 136387
in the school district for the election of county officers. 136388
Notice of the election shall be published in a newspaper of 136389
general circulation in the subdivision once a week for two 136390
consecutive weeks, or as provided in section 7.16 of the Revised 136391
Code, prior to the election. If the board of elections operates 136392
and maintains a web site, the board of elections shall post 136393
notice of the election on its web site for thirty days prior to 136394

5705.212 of the Revised Code, the notice shall state separately, 136397
for each tax being proposed, the purpose; the proposed increase 136398
in rate, expressed in dollars for each one hundred thousand 136399
dollars of the county auditor's ~~appraised-market~~ value as well 136400

portion of the total rate to be allocated to the qualifying 136415
school district and the portion to be allocated to partnering 136416
community schools. 136417

(2) In the case of a resolution adopted under section 136418

(E) Taxes voted in excess of the ten-mill limitation under 136551

time, the rate allocated to the school district and to 136645
partnering community schools shall each be decreased by a number 136646

rate of the levy in proportion to the rate at which the levy was 136648
imposed before the decrease. 136649

Sec. 5705.27. There is hereby created in each county a 136650
county budget commission consisting of the county auditor, the 136651

member of the board of county commissioners selected by the 136654
board of county commissioners shall serve in lieu of the 136655
prosecuting attorney. Upon petition filed with the board of 136656
elections, signed by the number of electors of the county equal 136657

for governor at the most recent election therefor, there shall 136659

voted in the affirmative. In such counties, where the electors 136668
have voted in the affirmative, the county budget commission 136669
shall consist of such two elected members in addition to the 136670

county auditor, the county treasurer and the prosecuting 136671

one public meeting annually, testimony from a member of the 136681
commission or an invited speaker describing the concept and 136682

actual and necessary expenses. The elected members of the 136694
commission shall also receive twenty dollars for each day in 136695
attendance at commission meetings and in discharge of official 136696
duties. Any vacancy among such elected members shall be filled 136697
by the presiding judge of the court of common pleas. In 136698
adjusting the rates of taxation and fixing the amount of taxes 136699
to be levied each year, the commissioners shall be governed by 136700
the amount of the taxable property shown on the auditor's tax 136701

list for the current year; provided that if the auditor's tax 136702
list has not been completed, the auditor shall estimate, as 136703
nearly as practicable, the amount of the taxable property for 136704
such year, and such officers shall be governed by such estimate. 136705

In any county in which two members of the commission are 136706
elected, upon petition filed with the board of elections, signed 136707
by the number of electors of the county equal in amount to three 136708
per cent of the votes cast for governor at the most recent 136709
election therefor, there shall be submitted to the electors of 136710
the county at the next general election occurring not sooner 136711
than ninety days after the filing of the petition, the question 136712

commission?" If the majority of the electors voting thereon 136714
shall have voted in the affirmative, the county budget 136715
commission shall consist solely of the county auditor, the 136716
county treasurer, and the prosecuting attorney or commissioner 136717
as applicable. 136718

pursuant to section 5705.32 of the Revised Code. 136998

The commission shall ascertain that the following levies 136999
have been properly authorized and, if so authorized, shall 137000

approve them without modification: 137001

(A) All levies in excess of the ten-mill limitation, in 137002
the first year they are levied, unless the levy is the renewal 137003
of an existing tax or the subdivision or taxing unit requests an 137004
amount requiring a lower rate for the succeeding fiscal year. 137005
Such a request for an amount requiring a lower rate applies only 137006
to the succeeding fiscal year unless the subdivision or taxing 137007
unit expressly states that the request is permanent. 137008

(B) All levies for unsatisfied debt charges ~~not provided~~ 137009
~~for by levies in excess of the ten-mill limitation,~~ including 137010
levies that remain necessary to pay notes issued for emergency 137011
purposes; 137012

(C) The levies prescribed by division (B) of sections 137013
742.33 and 742.34 of the Revised Code; 137014

(D) Except as otherwise provided in this division, a 137015
minimum levy within the ten-mill limitation for the current 137016
expense and debt service of each subdivision or taxing unit, 137017
which shall equal two-thirds of the average levy for current 137018
expenses and debt service allotted within the fifteen-mill 137019
limitation to such subdivision or taxing unit during the last 137020
five years the fifteen-mill limitation was in effect unless such 137021
subdivision or taxing unit requests an amount requiring a lower 137022
rate. ~~Except~~ for the succeeding fiscal year, or if it expressed 137023
its intent to forgo collections from such a levy under division 137024
(E) of section 5705.29 of the Revised Code. Such a request for 137025
an amount requiring a lower rate applies only to the succeeding 137026
fiscal year unless the subdivision or taxing unit expressly 137027
states that the request is permanent. 137028

Except as provided in section 5705.312 of the Revised 137029

Code, if the levies required in divisions (B) and (C) of this 137030
section for the subdivision or taxing unit equal or exceed the 137031
entire minimum levy of the subdivision as fixed, the minimum 137032
levies of the other subdivisions or taxing units shall be 137033
reduced by the commission to provide for the levies and an 137034
operating levy for the subdivision. Such additional levy shall 137035
be deducted from the minimum levies of each of the other 137036
subdivisions or taxing units, but the operating levy for a 137037
school district shall not be reduced below a figure equivalent 137038
to forty-five per cent of the millage available within the ten- 137039
mill limitation after all the levies in divisions (B) and (C) of 137040
this section have been provided for. 137041

If a municipal corporation and a township have entered 137042
into an annexation agreement under section 709.192 of the 137043
Revised Code in which they agree to reallocate their shares of 137044
the minimum levies established under this division and if that 137045
annexation agreement is submitted along with the annual tax 137046
budget of both the township and the municipal corporation, then, 137047
when determining the minimum levy under this division, the 137048
auditor shall allocate, to the extent possible, the minimum levy 137049
for that municipal corporation and township in accordance with 137050
their annexation agreement. 137051

~~(E) The levies prescribed by section 3709.29 of the~~ 137052
~~Revised Code.~~ 137053

Divisions (A) to ~~(E)~~ (D) of this section are mandatory, and 137054
commissions shall be without discretion to reduce such minimum 137055
levies except as provided in ~~such divisions~~ section 5705.316 of 137056
the Revised Code. 137057

If any debt charge is omitted from the budget, the 137058
commission shall include it therein. 137059

Sec. 5705.314. (A) If the board of education of a city, 137060
local, or exempted village school district proposes to change 137061
its levy within the ten-mill limitation in a manner that will 137062
result in an increase in the amount of real property taxes 137063
levied by the board in the tax year the change takes effect, the 137064
board shall hold a public hearing solely on the proposal and 137065
obtain approval from the county budget commission of each county 137066
in which the district has territory before adopting a resolution 137067
to implement the proposal. 137068

~~The~~ (B) Before holding the board of education hearing 137069
required by division (A) of this section, the board shall 137070
publish notice of the hearing in a newspaper of general 137071
circulation in the school district once a week for two 137072
consecutive weeks or as provided in section 7.16 of the Revised 137073
Code. The second publication shall be not less than ten nor more 137074
than thirty days before the date of the hearing, and the notice 137075
shall include the date, time, place, and subject of the hearing, 137076
and a statement that the change proposed by the board may result 137077
in an increase in the amount of real property taxes levied by 137078
the board. At the time the board submits the notice for 137079
publication, the board shall send a copy of the notice to the 137080
auditor of the county where the school district is located or, 137081
if the school district is located in more than one county, to 137082
the auditor of each of those counties. Upon receipt of the 137083
notice, the county auditor shall certify a copy of the notice to 137084
the county budget commission. 137085

(C) Upon certification of a notice to a county budget 137086
commission pursuant to division (B) of this section, the county 137087
budget commission shall schedule a hearing for a date that is 137088
not less than ten and not more than thirty days after the date 137089
of certification. 137090

The hearing shall not be held on the same day as the 137091
hearing required by division (A) of this section, and if more 137092
than one county budget commission is required under this 137093
division to hold a hearing on the proposed levy, the county 137094
budget commission hearings shall not be held on the same day. 137095
Each commission shall publish the date, time, location, and 137096
purpose of the meeting on the county auditor's web site. The 137097
school district shall publish that information on the school's 137098
web site. 137099

During the hearing before each commission, the school 137100
district shall present evidence demonstrating the need to change 137101
the levy to the county budget commission. The district shall not 137102
change the levy unless, by majority vote, the county budget 137103
commission approves the need to change the levy. 137104

Sec. 5705.316. (A) A board of education of a city, local, 137105
or exempted village school district shall make the certification 137106
required under section 5705.36 of the Revised Code to the county 137107
auditor of each county in which the district is located on or 137108
before the fifteenth day of July. A district that has designated 137109
funds for permanent improvements as provided in division (B) of 137110
this section shall, at the same time, certify to each such 137111
county auditor an accounting of the amount of such designation, 137112
the amount spent towards permanent improvements, and the amount 137113
remaining of the designation. 137114

(B) The county budget commission or, if applicable, joint 137115
budget commission shall convene on or before the fifteenth day 137116
of August to review the certifications from each such school 137117
district to determine if the amount of carry-over balance in the 137118
district's general operating budget from the preceding fiscal 137119
year exceeds forty per cent of the district's general fund 137120

expenditures made in the preceding fiscal year. A board may, by 137121
resolution, designate an amount of the district's carry-over 137122
balance as reserved for expenditure on current or future 137123
permanent improvements within the following three years. Upon 137124
certification of the resolution to the commission on or before 137125
the fifteenth day of July, the commission shall not consider the 137126
designated amount in determining whether the district's carry- 137127
over balance exceeded the threshold for those three years. If 137128
such funds are not expended as designated within those three 137129
years, the commission shall consider them as a part of the 137130
carry-over balance in all subsequent years. 137131

(C) If a district's carry-over balance exceeds the 137132
threshold, the commission shall reduce the rate of, or the 137133
annual amount of money to be raised by, any or all of the 137134
current expense taxes levied by the district for the current tax 137135
year so as to reduce the district's collections by the amount by 137136
which the district's general operating budget carry-over balance 137137
exceeded the threshold multiplied by a percentage as provided in 137138
the following table relative to the amount of the carry-over 137139
balance: 137140
137141

1

2

A	<u>Carry-over balance less than \$2 million</u>	<u>0%</u>
B	<u>Carry-over balance is \$2 million or more but</u> <u>less than \$4 million</u>	<u>25%</u>
C	<u>Carry-over balance is \$4 million or more but</u> <u>less than \$6 million</u>	<u>50%</u>
D	<u>Carry-over balance is \$6 million or more but</u>	<u>75%</u>

less than \$10 million

E Carry-over balance \$10 million or more 100%

.These reductions apply only for the current tax year and 137142
shall be made without regard to maintaining the reduction limit 137143
imposed under division (E) (2) of section 319.301 of the Revised 137144
Code. The tax commissioner shall treat such a reduction as a 137145
reduction in the rate at which the tax is authorized to be 137146
levied. 137147

(D) Nothing in this section prohibits a county budget 137148
commission from reducing the rate of a current levy as otherwise 137149
authorized by law. This section does not apply to any of the 137150
following: 137151

(1) A school district with a current operating expenditure 137152
per equivalent pupil that is less than eighty per cent of the 137153
state average, as determined under section 3302.21 of the 137154
Revised Code, unless the district's carry-over balance exceeds 137155
fifty per cent of the preceding year's expenditures as otherwise 137156
determined under division (B) of this section. 137157

(2) An island school district. 137158

(3) A joint state school district. 137159

Sec. 5705.32. (A) The county budget commission shall 137160
adjust the estimated amounts required from the general property 137161
tax for each fund, as shown by the tax budgets or other 137162
information required to be provided under section 5705.281 of 137163
the Revised Code, so as to bring the tax levies required 137164
therefor within the limitations specified in sections 5705.01 to 137165
5705.47 of the Revised Code, for such levies, ~~but no levy shall~~ 137166
~~be reduced below a minimum fixed by law.~~ The commission may 137167

revise and adjust the estimate of balances and receipts from all 137168
sources for each fund and shall determine the total 137169
appropriations that may be made therefrom. 137170

If a taxing unit declared its intent to forgo all or a 137171
portion of collections under division (E) of section 5705.29 of 137172
the Revised Code, the commission shall adjust the rate of each 137173
levy as required to result in that reduction in collections. 137174

(B) Except as otherwise provided in section 5705.31 of the 137175
Revised Code, the county budget commission may adjust the 137176
estimated amounts required from the general property tax for 137177
each fund, as shown by the tax budgets or other information 137178
required to be provided under section 5705.281 of the Revised 137179
Code, so as to bring the tax levies required therefor within 137180
levels the commission finds reasonable and prudent to avoid 137181
unnecessary, excessive, or unneeded collections. If the county 137182
budget commission adjusts amounts from any tax levied by a 137183
taxing unit other than a qualifying subdivision, the adjustment 137184
shall be subject to both of the following: 137185

(1) Except as authorized by section 5705.316 of the 137186
Revised Code, no levy shall be reduced below the level that 137187
would cause it to collect less than what the levy collected in 137188
the preceding year, unless funds are available from reserve 137189
balance accounts, nonexpendable trust funds, or carryover 137190
amounts to offset a reduction below that level, and the budget 137191
commission shall consider reserve balance accounts, 137192
nonexpendable trust funds, and carryover amounts for that 137193
purpose; 137194

(2) Except as authorized by division (A) of this section 137195
or section 5705.316 of the Revised Code, no levy may be reduced 137196
to a level that would cause a school district subject to 137197

division (A) of section 3317.01 of the Revised Code to levy less 137198
than twenty mills for current operating expenses as required by 137199
that division. 137200

(C) The commission shall fix the amount of the county 137201
public library fund to be distributed to each board of public 137202
library trustees that has qualified under section 5705.28 of the 137203
Revised Code for participation in the proceeds of such fund. The 137204
amount paid to all libraries in the county from such fund shall 137205
never be a smaller per cent of the fund than the average of the 137206
percentages of the county's classified taxes that were 137207
distributed to libraries in 1982, 1983, and 1984, as determined 137208
by the county auditor. The commission shall base the amount for 137209
distribution on the needs of such library for the construction 137210
of new library buildings, parts of buildings, improvements, 137211
operation, maintenance, or other expenses. In determining the 137212
needs of each library board of trustees, and in calculating the 137213
amount to be distributed to any library board of trustees on the 137214
basis of its needs, the commission shall make no reduction in 137215
its allocation from the fund on account of additional revenues 137216
realized by a library from increased taxes or service charges 137217
voted by its electorate, from revenues received through federal 137218
or state grants, projects, or programs, or from grants from 137219
private sources. 137220

~~(C)~~ (D) Notwithstanding the fact that alternative methods 137221
of financing such needs are available, after fixing the amount 137222
to be distributed to libraries, the commission shall fix the 137223
amount, if any, of the county public library fund to be 137224
distributed to each board of township park commissioners, the 137225
county, and each municipal corporation in accordance with the 137226
following: 137227

(1) Each municipal corporation in the county shall receive 137228
a per cent of the remainder that equals the per cent that the 137229
county auditor determines the classified property taxes 137230
originating in such municipal corporation in 1984 were of the 137231
total of all of the county's classified property taxes in 1984. 137232
The commission may deduct from this amount any amount that the 137233
budget commission allows to the board of township park 137234
commissioners of a township park district, the boundaries of 137235
which are coextensive with or contained within the boundaries of 137236
the municipal corporation. 137237

(2) The county shall receive a per cent of the remainder 137238
that equals the per cent that the county auditor determines the 137239
classified property taxes originating outside of the boundaries 137240
of municipal corporations in the county in 1984 were of the 137241
total of all of the county's classified property taxes in 1984. 137242
The commission may deduct from this amount any amount that the 137243
budget commission allows to the board of township park 137244
commissioners of a township park district, the boundaries of 137245
which are not coextensive with or contained within those of any 137246
municipal corporation in the county. 137247

~~(D)~~ (E) The commission shall separately set forth the 137248
amounts fixed and determined under divisions ~~(B)~~ (C) and ~~(C)~~ (D) 137249
of this section in the "official certificate of estimated 137250
resources," as provided in section 5705.35 of the Revised Code, 137251
and separately certify such amount to the county auditor who 137252
shall be guided thereby in the distribution of the county public 137253
library fund for and during the fiscal year. In determining such 137254
amounts, the commission shall be guided by the estimate 137255
certified by the tax commissioner and presented by the auditor 137256
under section 5705.31 of the Revised Code, as to the total 137257
amount of revenue to be received in the county public library 137258

fund during such fiscal year. 137259

~~(E)~~ (F) (1) At least five days before the date of any 137260
meeting at which the budget commission plans to discuss the 137261
distribution of the county public library fund, it shall notify 137262
each legislative authority and board of public library trustees, 137263
county commissioners, and township park commissioners eligible 137264
to participate in the distribution of the fund of the date, 137265
time, place, and agenda for the meeting. Any legislative 137266
authority or board entitled to notice under this division may 137267
designate an officer or employee of such legislative authority 137268
or board to whom the commission shall deliver the notice. 137269

(2) Before the final determination of the amount to be 137270
allotted to each subdivision from any source, the commission 137271
shall permit representatives of each subdivision and of each 137272
board of public library trustees to appear before it to explain 137273
its financial needs. 137274

~~(F)~~ (G) If any public library receives and expends any 137275
funds allocated to it under this section for the construction of 137276
new library buildings or parts of buildings, such library shall 137277
be free and open to the inhabitants of the county in which it is 137278
located. Any board of library trustees that receives funds under 137279
this section and section 5747.48 of the Revised Code shall have 137280
its financial records open for public inspection at all 137281
reasonable times. 137282

Sec. 5705.321. (A) As used in this section: 137283

(1) "City, located wholly or partially in the county, with 137284
the greatest population" means the city, located wholly or 137285
partially in the county, with the greatest population residing 137286
in the county; however, if the county budget commission on or 137287

before January 1, 1998, adopted an alternative method of 137288
apportionment that was approved by the city, located partially 137289
in the county, with the greatest population but not the greatest 137290
population residing in the county, "city, located wholly or 137291
partially in the county, with the greatest population" means the 137292
city, located wholly or partially in the county, with the 137293
greatest population whether residing in the county or not, if 137294
this alternative meaning is adopted by action of the board of 137295
county commissioners and a majority of the boards of township 137296
trustees and legislative authorities of municipal corporations 137297
located wholly or partially in the county. 137298

(2) "Participating political subdivision" means a 137299
municipal corporation or township that satisfies all of the 137300
following: 137301

(a) It is located wholly or partially in the county. 137302

(b) It is not the city, located wholly or partially in the 137303
county, with the greatest population. 137304

(c) Public library fund moneys are apportioned to it under 137305
the county's alternative method or formula of apportionment in 137306
the current calendar year. 137307

(B) In lieu of the method of apportionment of the county 137308
public library fund provided by division ~~(C)~~ (D) of section 137309
5705.32 of the Revised Code, the county budget commission may 137310
provide for the apportionment of the fund under an alternative 137311
method or on a formula basis as authorized by this section. 137312

Except as otherwise provided in division (C) of this 137313
section, the alternative method of apportionment shall have 137314
first been approved by all of the following governmental units: 137315
the board of county commissioners; the legislative authority of 137316

the city, located wholly or partially in the county, with the
greatest population; and a majority of the boards of township
trustees and legislative authorities of municipal corporations,
located wholly or partially in the county, excluding the
legislative authority of the city, located wholly or partially
in the county, with the greatest population. In granting or
denying approval for an alternative method of apportionment, the
board of county commissioners, boards of township trustees, and
legislative authorities of municipal corporations shall act by
motion. A motion to approve shall be passed upon a majority vote
of the members of a board of county commissioners, board of
township trustees, or legislative authority of a municipal
corporation, shall take effect immediately, and need not be
published.

Any alternative method of apportionment adopted and
approved under this division may be revised, amended, or
repealed in the same manner as it may be adopted and approved.
If an alternative method of apportionment adopted and approved
under this division is repealed, the county public library fund
shall be apportioned among the subdivisions eligible to
participate in the fund, commencing in the ensuing calendar
year, under the apportionment provided in divisions ~~(B)~~(C) and
~~(C)~~(D) of section 5705.32 of the Revised Code, unless the repeal
occurs by operation of division (C) of this section or a new
method for apportionment of the fund is provided in the action
of repeal.

(C) This division applies only in counties in which the
city, located wholly or partially in the county, with the
greatest population has a population of twenty thousand or less
and a population that is less than fifteen per cent of the total
population of the county. In such a county, the legislative

authorities or boards of township trustees of two or more 137348
participating political subdivisions, which together have a 137349
population residing in the county that is a majority of the 137350
total population of the county, each may adopt a resolution to 137351
exclude the approval otherwise required of the legislative 137352
authority of the city, located wholly or partially in the 137353
county, with the greatest population. All of the resolutions to 137354
exclude that approval shall be adopted not later than the first 137355
Monday of August of the year preceding the calendar year in 137356
which distributions are to be made under an alternative method 137357
of apportionment. 137358

A motion granting or denying approval of an alternative 137359
method of apportionment under this division shall be adopted by 137360
a majority vote of the members of the board of county 137361
commissioners and by a majority vote of a majority of the boards 137362
of township trustees and legislative authorities of the 137363
municipal corporations located wholly or partially in the 137364
county, other than the city, located wholly or partially in the 137365
county, with the greatest population, shall take effect 137366
immediately, and need not be published. The alternative method 137367
of apportionment under this division shall be adopted and 137368
approved annually, not later than the first Monday of August of 137369
the year preceding the calendar year in which distributions are 137370
to be made under it. A motion granting approval of an 137371
alternative method of apportionment under this division repeals 137372
any existing alternative method of apportionment, effective with 137373
distributions to be made from the fund in the ensuing calendar 137374
year. An alternative method of apportionment under this division 137375
shall not be revised or amended after the first Monday of August 137376
of the year preceding the calendar year in which distributions 137377
are to be made under it. 137378

(D) In determining an alternative method of apportionment 137379
authorized by this section, the county budget commission may 137380
include in the method any factor considered to be appropriate 137381
and reliable, in the sole discretion of the county budget 137382
commission. 137383

(E) On the basis of any alternative method of 137384
apportionment adopted and approved as authorized by this 137385
section, as certified by the auditor to the county treasurer, 137386
the county treasurer shall make distribution of the money in the 137387
county public library fund to each subdivision eligible to 137388
participate in the fund, and the auditor, when the amount of 137389
those shares is in the custody of the treasurer in the amounts 137390
so computed to be due the respective subdivisions, shall at the 137391
same time certify to the tax commissioner the percentage share 137392
of the county as a subdivision. All money received into the 137393
treasury of a subdivision from the county public library fund in 137394
a county treasury shall be paid into the general fund and used 137395
for the current operating expenses of the subdivision. 137396

(F) The actions of the county budget commission taken 137397
pursuant to this section are final and may not be appealed to 137398
the board of tax appeals, except on the issues of abuse of 137399
discretion and failure to comply with the formula. 137400

Sec. 5705.35. (A) The certification of the budget 137401
commission to the taxing authority of each subdivision or taxing 137402

~~is not an unencumbered balance for the purposes of this~~ 137426
~~division.~~ 137427

There shall be attached to the certification a summary, 137428
which shall be known as the "official certificate of estimated 137429
resources," that shall state the total estimated resources of 137430
each fund of the subdivision that are available for 137431

by transfer, and a statement of the amount of the total tax 137433
duplicate of the school district to be used in the collection of 137434

taxing unit shall revise its tax budget, if one was adopted, so 137437
that the total contemplated expenditures from any fund during 137438
the ensuing fiscal year will not exceed the total appropriations 137439

that may be made from such fund, as determined by the budget 137440
commission in its certification; and such revised budget shall 137441
be the basis of the annual appropriation measure. 137442

(B) Revenue from real property taxes scheduled to be 137443
settled on or before the tenth day of August and the fifteenth 137444
day of February of a fiscal year under divisions (A) and (C) of 137445
section 321.24 of the Revised Code shall not be available for 137446
appropriation by a board of education prior to the fiscal year 137447
in which such latest scheduled settlement date occurs, except 137448
that moneys advanced to the treasurer of a board of education 137449
under division (A) (2) (b) of section 321.34 of the Revised Code 137450
shall be available for appropriation in the fiscal year in which 137451
they are paid to the treasurer under such section. If the date 137452
for any settlement of taxes is extended under division (E) of 137453
section 321.24 of the Revised Code, the latest date set forth in 137454
divisions (A) to (D) of that section shall be used to determine 137455
in which fiscal year the revenues are first available for 137456
appropriation. 137457

Sec. 5705.36. (A) (1) On or about the first day of each 137458
fiscal year, the fiscal officer of each subdivision and other 137459
taxing unit shall certify to the county auditor the total amount 137460
from all sources available for expenditures from each fund set 137461
up in the tax budget or, if adoption of a tax budget was waived 137462
under section 5705.281 of the Revised Code, from each fund 137463
created by or on behalf of the taxing authority. The amount 137464
certified shall include any unencumbered balances that existed 137465
at the end of the preceding year, ~~excluding any of the~~ 137466
~~following:~~ 137467

~~(a) Subject to division (F) of section 5705.29 of the~~ 137468
~~Revised Code, any reserve balance in an account established~~ 137469

~~under section 5705.13 of the Revised Code for the purpose~~ 137470
~~described in division (A) (1) of that section;~~ 137471

~~(b) The principal of a nonexpendable trust fund~~ 137472
~~established under section 5705.131 of the Revised Code and any~~ 137473
~~additions to principal arising from sources other than the~~ 137474
~~reinvestment of investment earnings arising from that fund;~~ 137475

~~(c) The balance in a reserve balance account established~~ 137476
~~under section 5705.132 of the Revised Code.~~ 137477

A school district's certification shall separately show 137478
the amount of any notes and unpaid and outstanding expenses on 137479
the preceding thirtieth day of June that are to be paid from 137480
property taxes that are to be settled during the current fiscal 137481
year under divisions (C) and (D) of section 321.24 of the 137482
Revised Code. The budget commission, taking into consideration 137483
the balances and revenues to be derived from taxation and other 137484
sources, shall revise its estimate of the amounts that will be 137485
credited to each fund from such sources, and shall certify to 137486
the taxing authority of each subdivision an amended official 137487
certificate of estimated resources. 137488

(2) Subject to divisions (A) (3) and (4) of this section, 137489
upon a determination by the fiscal officer of a subdivision that 137490
the revenue to be collected by the subdivision will be greater 137491
or less than the amount included in an official certificate, the 137492
fiscal officer may certify the amount of the deficiency or 137493
excess to the commission, and if the commission determines that 137494
the fiscal officer's certification is reasonable, the commission 137495
shall certify an amended official certificate reflecting the 137496
deficiency or excess. 137497

(3) Upon a determination by the fiscal officer of a 137498

subdivision that the revenue to be collected by the subdivision 137499
will be greater than the amount included in an official 137500
certificate and the legislative authority intends to appropriate 137501
and expend the excess revenue, the fiscal officer shall certify 137502
the amount of the excess to the commission, and if the 137503
commission determines that the fiscal officer's certification is 137504
reasonable, the commission shall certify an amended official 137505
certificate reflecting the excess. 137506

(4) Upon a determination by the fiscal officer of a 137507
subdivision that the revenue to be collected by the subdivision 137508
will be less than the amount included in an official certificate 137509
and that the amount of the deficiency will reduce available 137510
resources below the level of current appropriations, the fiscal 137511
officer shall certify the amount of the deficiency to the 137512
commission, and the commission shall certify an amended 137513
certificate reflecting the deficiency. 137514

(5) The total appropriations made during the fiscal year 137515
from any fund shall not exceed the amount set forth as available 137516
for expenditure from such fund in the official certificate of 137517
estimated resources, or any amendment thereof, certified prior 137518
to the making of the appropriation or supplemental 137519
appropriation. 137520

(B) At the time of settlement of taxes against which notes 137521
have been issued under division (D) of section 133.10 of the 137522
Revised Code and at the time a tax duplicate is delivered 137523
pursuant to section 319.28 or 319.29 of the Revised Code, the 137524
county auditor shall determine whether the total amount to be 137525
distributed to each school district from such settlement or 137526
duplicate, when combined with the amounts to be distributed from 137527
any subsequent settlement, will increase or decrease the amount 137528

available for appropriation during the current fiscal year from 137529
any fund. The county auditor shall certify this finding to the 137530
budget commission, which shall certify an amended official 137531
certificate reflecting the finding or certify to the school 137532
district that no amended certificate needs to be issued. 137533

Sec. 5705.37. The taxing authority of any subdivision, or 137534
the board of trustees of any public library, nonprofit 137535
corporation, or library association maintaining a free public 137536
library that has adopted and certified rules under section 137537
5705.28 of the Revised Code, that is dissatisfied with any 137538
action of the county budget commission may, through its fiscal 137539
officer, appeal to the board of tax appeals within thirty days 137540
after the receipt by the subdivision of the official certificate 137541
or notice of the commission's action. In like manner, but 137542
through its clerk, any park district may appeal to the board of 137543
tax appeals. An appeal under this section shall be taken by the 137544
filing of a notice of appeal, either in person or by certified 137545
mail, express mail, or authorized delivery service as provided 137546
in section 5703.056 of the Revised Code, with the board and with 137547
the commission. If notice of appeal is filed by certified mail, 137548
express mail, or authorized delivery service, date of the United 137549
States postmark placed on the sender's receipt by the postal 137550
service or the date of receipt recorded by the authorized 137551
delivery service shall be treated as the date of filing. Upon 137552
receipt of the notice of appeal, the commission, by certified 137553
mail, shall notify all persons who were parties to the 137554
proceeding before the commission of the filing of the notice of 137555
appeal and shall file proof of notice with the board of tax 137556
appeals. The secretary of the commission shall forthwith certify 137557
to the board a transcript of the full and accurate record of all 137558
proceedings before the commission, together with all evidence 137559

presented in the proceedings or considered by the commission, 137560
pertaining to the action from which the appeal is taken. The 137561
secretary of the commission also shall certify to the board any 137562
additional information that the board may request. 137563

The board of tax appeals, in a de novo proceeding, shall 137564
forthwith consider the matter presented to the commission, and 137565
may modify any action of the commission with reference to the 137566
budget, the estimate of revenues and balances, the allocation of 137567
the public library fund, or the fixing of tax rates. ~~The~~ If the 137568
appeal is taken in response to the fixing of tax rates through a 137569
reduction made by the county budget commission, the burden of 137570
proof is on the appellant to show the need for a different rate 137571
or amount to meet expenses in the ensuing fiscal year. 137572

The finding of the board of tax appeals shall be 137573
substituted for the findings of the commission, and shall be 137574
sent to the tax commissioner, the county auditor, and the taxing 137575
authority of the subdivision affected, or to the board of public 137576
library trustees affected, as the action of the commission under 137577
sections 5705.01 to 5705.47 of the Revised Code. At the request 137578
of the taxing authority, board of trustees, or park district 137579
that appealed an action of the county budget commission under 137580
this section, the findings of the board of tax appeals shall be 137581
sent by certified mail at the requestor's expense. 137582

This section does not give the board of tax appeals any 137583
authority to place any tax levy authorized by law within the 137584
ten-mill limitation outside of that limitation, or to reduce any 137585
levy below any minimum fixed by law. 137586

Sec. 5705.38. (A) This division does not apply to school 137587
district appropriation measures. On or about the first day of 137588
each fiscal year, the taxing authority of each subdivision or 137589

other taxing unit shall pass an appropriation measure, and 137590
thereafter during the year it may pass any supplemental 137591
appropriation measures as it finds necessary, based on the 137592
revised tax budget or the official certificate of estimated 137593
resources or amendments of the certificate. If it desires to 137594
postpone the passage of the annual appropriation measure until 137595
an amended certificate is received based on the actual balances, 137596
it may pass a temporary appropriation measure for meeting the 137597
ordinary expenses of the taxing unit until no later than the 137598
first day of April or, in the case of the city of Cincinnati, 137599
the first day of October, of the current year, and the 137600
appropriations made in the temporary measure shall be chargeable 137601
to the appropriations in the annual appropriation measure for 137602
that fiscal year when passed. 137603

(B) A board of education shall pass its annual 137604
appropriation measure by the first day of October. If, by the 137605
first day of October, a board has not received either the 137606
amended certificates of estimated resources required by division 137607
(B) of section 5705.36 of the Revised Code or certifications 137608
that no amended certificates need be issued, the adoption of the 137609
annual appropriation measure shall be delayed until the amended 137610
certificates or certifications are received. Prior to the 137611
passage of the annual appropriation measure, the board may pass 137612
a temporary appropriation measure for meeting the ordinary 137613
expenses of the district until it passes an annual appropriation 137614
measure, and appropriations made in the temporary measure shall 137615
be chargeable to the appropriations in the annual appropriation 137616
measure for that fiscal year when passed. During the fiscal year 137617
and after the passage of the annual appropriation measure, a 137618
district may pass any supplemental appropriation measures as it 137619
finds necessary, based on the revised tax budget or the official 137620

certificate of estimated resources or amendments of the 137621
certificate. ~~School district appropriation measures shall be in~~ 137622
~~the form as the auditor of state, after consultation with the~~ 137623
~~tax commissioner, prescribes.~~ 137624

(C) Appropriation measures shall be classified so as to 137625
set forth separately the amounts appropriated for each office, 137626
department, and division, and, within each, the amount 137627
appropriated for personal services. In the case of a municipal 137628
university, the board of directors of which have assumed, in the 137629
manner provided by law, custody and control of the funds of the 137630
university, funds shall be appropriated as a lump sum for the 137631
use of the university. 137632

Sec. 5705.391. (A) Not later than the thirty-first day of 137633
August of each fiscal year, each school district board of 137634
education shall submit to the department of education and 137635
workforce appropriations, revenue, and fund balance assumptions 137636
contained in the budget adopted by the board for that fiscal 137637
year and projections of expenditures, revenues, and fund balance 137638
for the three succeeding fiscal years. 137639

Not later than the last day of February of each fiscal 137640
year, each school district board of education shall submit 137641
updated appropriations, revenue, and fund balance information 137642
for the budget adopted for the fiscal year and updated 137643
projections of expenditures, revenues, and fund balance for the 137644
three succeeding fiscal years. 137645

The department of education and workforce and the auditor 137646
of state shall jointly adopt rules ~~requiring boards of education~~ 137647
~~to submit five-year~~ governing the submission of current budget 137648
information and three-year projections of operational revenues 137649
and expenditures by boards of education. The rules shall specify 137650

the information required for current budget information and 137651
three-year forecast submissions and any additional school 137652
district financial and operating information necessary for the 137653
audits and analyses conducted by the auditor of state or the 137654
department, including special and federal funds expenditures, 137655
revenues, and balances. The rules shall provide for the auditor 137656
of state or the department to examine the ~~five-year current~~ 137657
budget information and three-year projections and to determine 137658
whether any further fiscal analysis is needed to ascertain 137659
whether a district has the potential to incur a deficit during 137660
the first ~~three~~ two years of the ~~five-year~~ three-year period. 137661

The auditor of state or the department may conduct any 137662
further audits or analyses necessary to assess any district's 137663
fiscal condition. If further audits or analyses are conducted by 137664
the auditor of state, the auditor of state shall notify the 137665
department of the district's fiscal condition, and the 137666
department shall immediately notify the district of any 137667
potential to incur a deficit in the current fiscal year or of 137668
any strong indications that a deficit will be incurred in either 137669
of the ensuing two years. If such audits or analyses are 137670
conducted by the department, the department shall immediately 137671
notify the district and the auditor of state of such potential 137672
deficit or strong indications thereof. 137673

A district notified under this section shall take 137674
immediate steps to eliminate any deficit in the current fiscal 137675
year and shall begin to plan to avoid the projected future 137676
deficits. 137677

(B) The state board of education, in accordance with 137678
sections 3319.31 and 3319.311 of the Revised Code, may limit, 137679
suspend, or revoke a license as defined under section 3319.31 of 137680

the Revised Code that has been issued to any school employee 137681
found to have willfully contributed erroneous, inaccurate, or 137682
incomplete data required for the submission of the ~~five-~~ 137683
~~year~~ current budget information and three-year projection 137684
required by this section. 137685

~~(C) The department and the auditor of state, in their 137686
joint adoption of rules under division (A) of this section, 137687
shall not require a board of education to submit its five-year 137688
projection of operational revenues and expenditures prior to the 137689
thirtieth day of November of any fiscal year. 137690~~

~~(D) Beginning with submissions required in for fiscal year 137691
2024-2026 and for each fiscal year in which a submission is 137692
required under this section thereafter, the department and the 137693
auditor shall label the projections regarding property tax 137694
allocation in the projection as "state share of local property 137695
taxes, state reimbursement for property tax credits. 137696~~

(D) A school district may submit to the county budget 137697
commission the most recent projection prepared pursuant to this 137698
section with its tax budget as required by section 5705.28 of 137699
the Revised Code or other information as allowed by section 137700
5705.281 of the Revised Code. 137701

Sec. 5705.40. Any appropriation ordinance or measure may 137702
be amended or supplemented, provided that such amendment or 137703
supplement shall comply with all provisions of law governing the 137704
taxing authority in making an original appropriation and that no 137705
appropriation for any purpose shall be reduced below an amount 137706
sufficient to cover all unliquidated and outstanding contracts 137707
or obligations certified from or against the appropriation. 137708
Transfers may be made by resolution or ordinance from one 137709
appropriation item to another, except that a board of county 137710

commissioners shall, at the request of the county board of 137711
elections, adopt a resolution to transfer funds from one 137712
appropriation item of the board of elections to another 137713
appropriation item of the board of elections unless the board of 137714
county commissioners determines that the transfer is sought for 137715
the purpose of providing employee bonuses or salary increases 137716
other than increases necessary to reimburse employees for 137717
overtime worked. At the close of each fiscal year, the 137718
unencumbered balance of each appropriation shall revert to the 137719
respective fund from which it was appropriated and shall be 137720
subject to future appropriations, provided that funds unexpended 137721
at the end of such fiscal year previously appropriated for the 137722
payment of obligations unliquidated and outstanding, or 137723
previously appropriated pursuant to section 321.261 of the 137724
Revised Code for the collection of delinquent taxes, need not be 137725
reappropriated, ~~but such unexpended funds shall not be included~~ 137726
~~by any budget-making body or board or any county budget~~ 137727
~~commission in estimating the balance available for the purposes~~ 137728
~~of the next or any succeeding fiscal year.~~ 137729

The annual appropriation measure, or an amendment or 137730
supplement thereto, may contain an appropriation for 137731
contingencies not to exceed the amount authorized by section 137732
5705.29 of the Revised Code and in the case of a school district 137733
may also include a voluntary contingency reserve balance in the 137734
amount authorized by such section. By a two-thirds vote of all 137735
members of the taxing authority of a subdivision or taxing unit, 137736
expenditures may be authorized in pursuance of such contingency 137737
appropriation or voluntary contingency reserve balance for any 137738
lawful purpose for which public funds may be expended, if such 137739
purpose could not have reasonably been foreseen at the time of 137740
the adoption of the appropriation measure or, in the case of a 137741

voluntary contingency reserve balance, if the board of education 137742
requests payment of any portion of such balance. 137743

Sec. 5705.412. (A) As used in this section, "qualifying 137744
contract" means any agreement for the expenditure of money under 137745
which aggregate payments from the funds included in the school 137746
district's ~~five-year~~ three-year forecast under section 5705.391 137747
of the Revised Code will exceed the lesser of the following 137748
amounts: 137749

(1) Five hundred thousand dollars; 137750

(2) One per cent of the total revenue to be credited in 137751
the current fiscal year to the district's general fund, as 137752
specified in the district's most recent certificate of estimated 137753
resources certified under section 5705.36 of the Revised Code. 137754

(B) (1) Notwithstanding section 5705.41 of the Revised 137755
Code, no school district shall adopt any appropriation measure, 137756
make any qualifying contract, or increase during any school year 137757
any wage or salary schedule unless there is attached thereto a 137758
certificate, signed as required by this section, that the school 137759
district has in effect the authorization to levy taxes including 137760
the renewal ~~or replacement~~ of existing levies which, when 137761
combined with the estimated revenue from all other sources 137762
available to the district at the time of certification, are 137763
sufficient to provide the operating revenues necessary to enable 137764
the district to maintain all personnel and programs for all the 137765
days set forth in its adopted school calendars for the current 137766
fiscal year and for a number of days in succeeding fiscal years 137767
equal to the number of days instruction was held or is scheduled 137768
for the current fiscal year, as follows: 137769

(a) A certificate attached to an appropriation measure 137770

under this section shall cover only the fiscal year in which the 137771
appropriation measure is effective and shall not consider the 137772
renewal ~~or replacement~~ of an existing levy as the authority to 137773
levy taxes that are subject to appropriation in the current 137774
fiscal year unless the renewal ~~or replacement~~ levy has been 137775
approved by the electors and is subject to appropriation in the 137776
current fiscal year. 137777

(b) A certificate attached, in accordance with this 137778
section, to any qualifying contract shall cover the term of the 137779
contract. 137780

(c) A certificate attached under this section to a wage or 137781
salary schedule shall cover the term of the schedule. 137782

If the board of education has not adopted a school 137783
calendar for the school year beginning on the first day of the 137784
fiscal year in which a certificate is required, the certificate 137785
attached to an appropriation measure shall include the number of 137786
days on which instruction was held in the preceding fiscal year 137787
and other certificates required under this section shall include 137788
that number of days for the fiscal year in which the certificate 137789
is required and any succeeding fiscal years that the certificate 137790
must cover. 137791

The certificate shall be signed by the treasurer and 137792
president of the board of education and the superintendent of 137793
the school district, unless the district is in a state of fiscal 137794
emergency declared under Chapter 3316. of the Revised Code. In 137795
that case, the certificate shall be signed by a member of the 137796
district's financial planning and supervision commission who is 137797
designated by the commission for this purpose. 137798

(2) In lieu of the certificate required under division (B) 137799

of this section, an alternative certificate stating the 137800
following may be attached: 137801

(a) The contract is a multi-year contract for materials, 137802
equipment, or nonpayroll services essential to the education 137803
program of the district; 137804

(b) The multi-year contract demonstrates savings over the 137805
duration of the contract as compared to costs that otherwise 137806
would have been demonstrated in a single year contract, and the 137807
terms will allow the district to reduce the deficit it is 137808
currently facing in future years as demonstrated in its ~~five-~~ 137809
year-three-year forecast adopted in accordance with section 137810
5705.391 of the Revised Code. 137811

The certificate shall be signed by the treasurer and 137812
president of the board of education and the superintendent of 137813
the school district, unless the district is in a state of fiscal 137814
emergency declared under Chapter 3316. of the Revised Code. In 137815
that case, the certificate shall be signed by a member of the 137816
district's financial planning and supervision commission who is 137817
designated by the commission for this purpose. 137818

(C) Every qualifying contract made or wage or salary 137819
schedule adopted or put into effect without such a certificate 137820
shall be void, and no payment of any amount due thereon shall be 137821
made. 137822

(D) The department of education and workforce and the 137823
auditor of state jointly shall adopt rules governing the methods 137824
by which treasurers, presidents of boards of education, 137825
superintendents, and members of financial planning and 137826
supervision commissions shall estimate revenue and determine 137827
whether such revenue is sufficient to provide necessary 137828

operating revenue for the purpose of making certifications 137829
required by this section. 137830

(E) The auditor of state shall be responsible for 137831
determining whether school districts are in compliance with this 137832
section. At the time a school district is audited pursuant to 137833
section 117.11 of the Revised Code, the auditor of state shall 137834
review each certificate issued under this section since the 137835
district's last audit, and the appropriation measure, contract, 137836
or wage and salary schedule to which such certificate was 137837
attached. If the auditor of state determines that a school 137838
district has not complied with this section with respect to any 137839
qualifying contract or wage or salary schedule, the auditor of 137840
state shall notify the prosecuting attorney for the county, the 137841
city director of law, or other chief law officer of the school 137842
district. That officer may file a civil action in any court of 137843
appropriate jurisdiction to seek a declaration that the contract 137844
or wage or salary schedule is void, to recover for the school 137845
district from the payee the amount of payments already made 137846
under it, or both, except that the officer shall not seek to 137847
recover payments made under any collective bargaining agreement 137848
entered into under Chapter 4117. of the Revised Code. If the 137849
officer does not file such an action within one hundred twenty 137850
days after receiving notice of noncompliance from the auditor of 137851
state, any taxpayer may institute the action in the taxpayer's 137852
own name on behalf of the school district. 137853

(F) This section does not apply to any contract or 137854
increase in any wage or salary schedule that is necessary in 137855
order to enable a board of education to comply with division (B) 137856
of section 3317.13 of the Revised Code, provided the contract or 137857
increase does not exceed the amount required to be paid to be in 137858
compliance with such division. 137859

(G) Any officer, employee, or other person who expends or 137860
authorizes the expenditure of any public funds or authorizes or 137861
executes any contract or schedule contrary to this section, 137862

void contract or schedule, or issues a certificate under this 137864
section which contains any false statements is liable to the 137865
school district for the full amount paid from the district's 137866
funds on the contract or schedule. The officer, employee, or 137867
other person is jointly and severally liable in person and upon 137868
any official bond that the officer, employee, or other person 137869
has given to the school district to the extent of any payments 137870
on the void claim, not to exceed ten thousand dollars. However, 137871
no officer, employee, or other person shall be liable for a 137872
mistaken estimate of available resources made in good faith and 137873
based upon reasonable grounds. If an officer, employee, or other 137874
person is found to have complied with rules jointly adopted by 137875
the department of education and workforce and the auditor of 137876
state under this section governing methods by which revenue 137877
shall be estimated and determined sufficient to provide 137878
necessary operating revenue for the purpose of making 137879
certifications required by this section, the officer, employee, 137880
or other person shall not be liable under this section if the 137881
estimates and determinations made according to those rules do 137882
not, in fact, conform with actual revenue. The prosecuting 137883
attorney of the county, the city director of law, or other chief 137884
law officer of the district shall enforce this liability by 137885
civil action brought in any court of appropriate jurisdiction in 137886
the name of and on behalf of the school district. If the 137887
prosecuting attorney, city director of law, or other chief law 137888
officer of the district fails, upon the written request of any 137889
taxpayer, to institute action for the enforcement of the 137890
liability, the attorney general, or the taxpayer in the 137891

taxpayer's own name, may institute the action on behalf of the 137892
subdivision. 137893

(H) This section does not require the attachment of an 137894
additional certificate beyond that required by section 5705.41 137895
of the Revised Code for current payrolls of, or contracts of 137896
employment with, any employees or officers of the school 137897
district. 137898

This section does not require the attachment of a 137899
certificate to a temporary appropriation measure if all of the 137900
following apply: 137901

(1) The amount appropriated does not exceed twenty-five 137902
per cent of the total amount from all sources available for 137903
expenditure from any fund during the preceding fiscal year; 137904

(2) The measure will not be in effect on or after the 137905
thirtieth day following the earliest date on which the district 137906
may pass an annual appropriation measure; 137907

(3) An amended official certificate of estimated resources 137908
for the current year, if required, has not been certified to the 137909
board of education under division (B) of section 5705.36 of the 137910
Revised Code. 137911

Sec. 5705.55. (A) The board of directors of a lake 137912
facilities authority, by a vote of two-thirds of all its 137913
members, may at any time declare by resolution that the amount 137914
of taxes which may be raised within the ten-mill limitation by 137915
levies on the current tax duplicate will be insufficient to 137916
provide an adequate amount for the necessary requirements of the 137917
authority, that it is necessary to levy a tax in excess of such 137918
limitation for any of the purposes specified in divisions (A), 137919
(B), (F), and (H) of section 5705.19 of the Revised Code, and 137920

that the question of such additional tax levy shall be submitted 137921
by the board to the electors residing within the boundaries of 137922
the impacted lake district on the day of a primary or general 137923
election. The resolution shall conform to section 5705.19 of the 137924

levy is for the payment of debt charges, and the total number of 137927
mills levied for each dollar of taxable valuation that may be 137928
levied under this section for any tax year shall not exceed one 137929
mill. If the levy is for the payment of debt charges, the levy 137930
shall be for the life of the bond indebtedness. 137931

The resolution shall specify the date of holding the 137932
election, which shall not be earlier than ninety days after the 137933
adoption and certification of the resolution to the board of 137934
elections. The resolution shall not include a levy on the 137935
current tax list and duplicate unless the election is to be held 137936
at or prior to the first Tuesday after the first Monday in 137937
November of the current tax year. 137938

The resolution shall be certified to the board of 137939
elections of the proper county or counties not less than ninety 137940
days before the date of the election. The resolution shall go 137941
into immediate effect upon its passage, and no publication of 137942
the resolution shall be necessary other than that provided in 137943
the notice of election. Section 5705.25 of the Revised Code 137944
shall govern the arrangements for the submission of such 137945
question and other matters concerning the election, to which 137946
that section refers, except that the election shall be held on 137947
the date specified in the resolution. If a majority of the 137948
electors voting on the question so submitted in an election vote 137949
in favor of the levy, the board of directors may forthwith make 137950
the necessary levy within the boundaries of the impacted lake 137951

district at the additional rate in excess of the ten-mill 137952
limitation on the tax list, for the purpose stated in the 137953
resolution. The tax levy shall be included in the next annual 137954
tax budget that is certified to the county budget commission. 137955

(C) On approval of the levy, notes may be issued in 137971

development loan is fully repaid, including any applicable 138237
interest. The indebted subdivision shall notify the parcel's 138238
owner, the county auditor, and the county treasurer immediately 138239

(3) If a county board of revision, the board of tax 139041
appeals, or any court dismisses a complaint filed under this 139042
section or section 5715.13 of the Revised Code for the reason 139043
that the act of filing the complaint was the unauthorized 139044

in the unauthorized practice of law, the party affected by a 139046
decrease in valuation or the party's agent, or the person owning 139047

(b) If a complaint fails to accurately identify the owner 139055
of the property that is the subject of the complaint, the board 139056
of revision shall exercise due diligence to ensure the correct 139057

of this section. 139059

(5) Notwithstanding division (A) (2) of this section, a person, legislative authority, or officer may file a complaint against the valuation or assessment of any parcel that appears on the tax list if it filed a complaint against the valuation or assessment of that parcel for any prior tax year in the same interim period if the person, legislative authority, or officer withdrew the complaint before the complaint was heard by the board.

(6) The legislative authority of a subdivision, the mayor of a municipal corporation, or a third party complainant shall not file an original complaint with respect to property the subdivision or complainant does not own or lease unless both of the following conditions are met:

(a) If the complaint is based on a determination described in division (A) (1) (d) or (e) of this section, ~~the property was~~ (i) sold all of the following requirements are met:

(i) The complaint seeks an increase in the valuation of the property based upon the sale of the property in an arm's length transaction, as described in section 5713.03 of the Revised Code, ~~before, but not after,~~

(ii) Either of the following conditions apply to that sale during the two years preceding the tax lien date for the tax year for which the complaint is to be filed, ~~and (ii) the~~:

(iii) That sale price exceeds the true value of the 139090
property appearing on the tax list for that tax year by both ten 139091
per cent and the amount of the filing threshold determined under 139092
division (J) of this section~~+~~. 139093

(b) If the complaint is filed by a legislative authority- 139094
~~or, mayor, or third party complainant acting on behalf of a~~ 139095
legislative authority or mayor, the legislative authority or, in 139096
the case of a mayor, the legislative authority of the municipal 139097
corporation, first adopts a resolution authorizing the filing of 139098
the original complaint at a public meeting of the legislative 139099
authority. 139100

(7) A resolution adopted under division (A) (6) (b) of this 139101
section shall include all of the following information: 139102

(a) Identification of the parcel or parcels that are the 139103
subject of the original complaint by street address, if 139104
available from online records of the county auditor, and by 139105

(b) The name of at least one of the record owners of the 139107

(c) The basis for the complaint under divisions (A) (1) (a) 139109
to (f) of this section relative to each parcel identified in the 139110
resolution; 139111

(d) The tax year for which the complaint will be filed, 139112
which shall be a year for which a complaint may be timely filed 139113
under this section at the time of the resolution's adoption. 139114

A legislative authority shall not adopt a resolution 139115
required under division (A) (6) (b) of this section that 139116

identifies more than one parcel under division (A) (7) (a) of this 139117
section, except that a single resolution may identify more than 139118
one parcel under that division if each parcel has the same 139119
record owner or the same record owners, as applicable. A 139120
legislative authority may adopt multiple resolutions required 139121
under division (A) (6) (b) of this section by a single vote, 139122
provided that the vote is separate from the question of whether 139123
to adopt any resolution that is not adopted under division (A) 139124
(6) (b) of this section. 139125

Before adopting a resolution required by division (A) (6) 139126
(b) of this section, the legislative authority shall mail a 139127
written notice to at least one of the record owners of the 139128
parcel or parcels identified in the resolution stating the 139129
intent of the legislative authority in adopting the resolution, 139130
the proposed date of adoption, and the basis for the complaint 139131
under divisions (A) (1) (a) to (f) of this section relative to 139132
each parcel identified in the resolution. The notice shall be 139133
sent by certified mail to the last known tax-mailing address of 139134
at least one of the record owners and, if different from that 139135
tax-mailing address, to the street address of the parcel or 139136
parcels identified in the resolution. Alternatively, if the 139137
legislative authority has record of an internet identifier of 139138
record associated with at least one of the record owners, the 139139
legislative authority may send the notice by ordinary mail and 139140
by that internet identifier of record. The notice shall be 139141
postmarked or, if sent by internet identifier of record, sent at 139142
least seven calendar days before the legislative authority 139143
adopts the resolution. 139144

A board of revision has jurisdiction to consider a 139145
complaint filed pursuant to a resolution adopted under division 139146
(A) (6) (b) of this section only if the legislative authority 139147

notifies the board of revision of the resolution in the manner 139148
prescribed in division ~~(A) (8)~~ (A) (8) (a) of this section. The 139149
failure to accurately identify the street address or the name of 139150
the record owners of the parcel in the resolution does not 139151
invalidate the resolution nor is it a cause for dismissal of the 139152
complaint. 139153

~~(8)~~ (8) (a) A complaint form prescribed by a board of 139154
revision or the tax commissioner for the purpose of this section 139155
shall include a box that must be checked, when a legislative 139156
authority, mayor, or third party complainant acting on behalf of 139157
either files an original complaint, to indicate that a 139158
resolution authorizing the complaint was adopted in accordance 139159
with divisions (A) (6) (b) and (7) of this section and that notice 139160
was mailed or sent in accordance with division (A) (7) of this 139161
section before adoption of the resolution to at least one of the 139162
record owners of the property that is the subject of the 139163
complaint. 139164

(b) Any third party complainant shall submit, with the 139165
complaint, a sworn affidavit stating whether the third party 139166
complainant is or is not acting on behalf of a legislative 139167
authority or mayor. 139168

~~(B)~~ (B) (1) Within thirty days after the last date such 139169
complaints may be filed, the auditor shall give notice of each 139170
complaint in which the stated amount of overvaluation, 139171
undervaluation, discriminatory valuation, illegal valuation, or 139172
incorrect determination is at least seventeen thousand five 139173
hundred dollars in taxable value to each property owner whose 139174
property is the subject of the complaint, if the complaint was 139175
not filed by the owner or the owner's spouse. A board of 139176
education, subject to this division; a property owner; the 139177

owner's spouse; a tenant of the owner, if that tenant would be 139178
eligible to file a complaint under division (A) of this section 139179
with respect to the property; an individual who is retained by 139180
such an owner or tenant and who holds a designation from a 139181
professional assessment organization, such as the institute for 139182
professionals in taxation, the national council of property 139183
taxation, or the international association of assessing 139184
officers; a public accountant who holds a permit under section 139185
4701.10 of the Revised Code, a general or residential real 139186
estate appraiser licensed or certified under Chapter 4763. of 139187
the Revised Code, or a real estate broker licensed under Chapter 139188
4735. of the Revised Code, who is retained by such an owner or 139189
tenant; or, if the owner or tenant is a firm, company, 139190
association, partnership, limited liability company, 139191
corporation, or trust, an officer, a salaried employee, a 139192
partner, a member, or trustee of that owner or tenant, may file 139193
a counter-complaint in support of or objecting to the amount of 139194
alleged overvaluation, undervaluation, discriminatory valuation, 139195
illegal valuation, or incorrect determination stated in a 139196
previously filed original complaint or objecting to the current 139197
valuation. 139198

(2) A board of education may file a counter-complaint only 139199
if the original complaint (a) was filed by the owner of the 139200
property that is the subject of the complaint, a tenant of that 139201
property owner, or any person acting on behalf of such owner or 139202
tenant, and (b) states an amount of overvaluation, 139203
undervaluation, discriminatory valuation, illegal valuation, or 139204
incorrect determination of at least seventeen thousand five 139205
hundred dollars in taxable value. 139206

The board shall file the counter-complaint within thirty 139207
days after the original complaint is filed or after the last day 139208

such complaints may be filed, whichever is later, and any other 139209
person shall file the counter-complaint within thirty days after 139210
receiving the notice required under this division. 139211

(3) Upon the filing of a counter-complaint, the board of 139212
education, property owner, or tenant shall be made a party to 139213
the action. 139214

(C) Each board of revision shall notify any complainant 139215
and counter-complainant, and also the property owner, if the 139216
property owner's address is known, and the complaint is filed by 139217
one other than the property owner, not less than ten days prior 139218
to the hearing, either by certified mail or, if the board has 139219
record of an internet identifier of record associated with the 139220
owner, by ordinary mail and by that internet identifier of 139221
record of the time and place the same will be heard. The board 139222
of revision shall hear and render its decision on an original 139223
complaint within one hundred eighty days after the last day such 139224
a complaint may be filed with the board under division (A) (1) of 139225
this section or, if a counter-complaint is filed, within one 139226
hundred eighty days after such filing. If the original complaint 139227
is filed by the legislative authority of a subdivision, the 139228
mayor of a municipal corporation with territory in the county, 139229
or a third party complainant, and if the board of revision has 139230
not rendered its decision on the complaint within one year after 139231
the date the complaint was filed, the board may dismiss the 139232
complaint. 139233

(D) The determination of any such original complaint or 139234
counter-complaint shall relate back to the date when the lien 139235
for taxes or recoupment charges for the current year attached or 139236
the date as of which liability for such year was determined. 139237
Liability for taxes and recoupment charges for such year and 139238

each succeeding year until the complaint is finally determined 139239
and for any penalty and interest for nonpayment thereof within 139240
the time required by law shall be based upon the determination, 139241
valuation, or assessment as finally determined. Each complaint 139242
shall state the amount of overvaluation, undervaluation, 139243
discriminatory valuation, illegal valuation, or incorrect 139244
classification or determination upon which the complaint is 139245
based. The treasurer shall accept any amount tendered as taxes 139246
or recoupment charge upon property concerning which a complaint 139247
is then pending, computed upon the claimed valuation as set 139248
forth in the complaint. Unless dismissal is required under 139249
division (C) of this section, if an original complaint or 139250
counter-complaint filed for the current year is not determined 139251
by the board within the time prescribed for such determination, 139252
the complaint and any proceedings in relation thereto shall be 139253
continued by the board as a valid complaint for any ensuing year 139254
until that original complaint or counter-complaint is finally 139255
determined by the board or upon any appeal from a decision of 139256
the board. In such case, the original complaint and counter- 139257
complaint shall continue in effect without further filing by the 139258
original taxpayer, the original taxpayer's assignee, or any 139259
other person or entity authorized to file a complaint under this 139260
section. 139261

(E) If a taxpayer files a complaint as to the 139262
classification, valuation, assessment, or any determination 139263
affecting the taxpayer's own property and tenders less than the 139264
full amount of taxes or recoupment charges as finally 139265
determined, an interest charge shall accrue as follows: 139266

(1) If the amount finally determined is less than the 139267
amount billed but more than the amount tendered, the taxpayer 139268
shall pay interest at the rate per annum prescribed by section 139269

5703.47 of the Revised Code, computed from the date that the 139270
taxes were due on the difference between the amount finally 139271
determined and the amount tendered. This interest charge shall 139272
be in lieu of any penalty or interest charge under section 139273
323.121 of the Revised Code unless the taxpayer failed to file a 139274
complaint and tender an amount as taxes or recoupment charges 139275
within the time required by this section, in which case section 139276
323.121 of the Revised Code applies. 139277

(2) If the amount of taxes finally determined is equal to 139278
or greater than the amount billed and more than the amount 139279
tendered, the taxpayer shall pay interest at the rate prescribed 139280
by section 5703.47 of the Revised Code from the date the taxes 139281
were due on the difference between the amount finally determined 139282
and the amount tendered, such interest to be in lieu of any 139283
interest charge but in addition to any penalty prescribed by 139284
section 323.121 of the Revised Code. 139285

(F) Upon request of a complainant, the tax commissioner 139286
shall determine the common level of assessment of real property 139287
in the county for the year stated in the request that is not 139288
valued under section 5713.31 of the Revised Code, which common 139289
level of assessment shall be expressed as a percentage of true 139290
value and the common level of assessment of lands valued under 139291
such section, which common level of assessment shall also be 139292
expressed as a percentage of the current agricultural use value 139293
of such lands. Such determination shall be made on the basis of 139294
the most recent available sales ratio studies of the 139295
commissioner and such other factual data as the commissioner 139296
deems pertinent. 139297

(G) A complainant shall provide to the board of revision 139298
all information or evidence within the complainant's knowledge 139299

or possession that affects the real property that is the subject 139300
of the complaint. A complainant who fails to provide such 139301
information or evidence is precluded from introducing it on 139302
appeal to the board of tax appeals or the court of common pleas, 139303
except that the board of tax appeals or court may admit and 139304
consider the evidence if the complainant shows good cause for 139305
the complainant's failure to provide the information or evidence 139306
to the board of revision. 139307

(H) In case of the pendency of any proceeding in court 139308
based upon an alleged excessive, discriminatory, or illegal 139309
valuation or incorrect classification or determination, the 139310
taxpayer may tender to the treasurer an amount as taxes upon 139311
property computed upon the claimed valuation as set forth in the 139312
complaint to the court. The treasurer may accept the tender. If 139313
the tender is not accepted, no penalty shall be assessed because 139314
of the nonpayment of the full taxes assessed. 139315

(I) A legislative authority, or any person acting on 139316
behalf of a legislative authority, may not enter into a private 139317
payment agreement with respect to any complaint filed or 139318
contemplated under this section or section 5715.13 of the 139319
Revised Code, and any such agreement is void and unenforceable. 139320
As used in this division, "private payment agreement" means any 139321
type of agreement in which a property owner, a tenant authorized 139322
to file a complaint under division (A) of this section, or any 139323
person acting on behalf of a property owner or such a tenant 139324
agrees to make one or more payments to a subdivision in exchange 139325
for the legislative authority of that subdivision, or any person 139326
acting on behalf of that subdivision, doing any of the 139327
following: 139328

(1) Refraining from filing a complaint or counter- 139329

complaint under this section; 139330

(2) Dismissing a complaint or counter-complaint filed 139331
under this section by the legislative authority ~~under this~~ 139332
~~section~~ or any person acting on behalf of the legislative 139333
authority; 139334

(3) Resolving a claim under this section by settlement 139335
agreement. 139336

A "private payment agreement" does not include any 139337
agreement to resolve a claim under this section pursuant to 139338
which an agreed-upon valuation for the property that is the 139339
subject of the claim is approved by the county auditor and 139340
reflected on the tax list, provided that agreement does not 139341
require any payments described in this division. 139342

(J) For the purpose of division (A) (6) (a) of this section, 139343
the filing threshold for tax year 2022 equals five hundred 139344
thousand dollars. For tax year 2023 and each tax year 139345
thereafter, the tax commissioner shall adjust the filing 139346
threshold used in that division by completing the following 139347
calculations in September of each year: 139348

(1) Determine the percentage increase in the gross 139349
domestic product deflator determined by the bureau of economic 139350
analysis of the United States department of commerce from the 139351
first day of January of the preceding year to the last day of 139352
December of the preceding year; 139353

(2) Multiply that percentage increase by the filing 139354
threshold for the current year; 139355

(3) Add the resulting product to the filing threshold for 139356
the current year; 139357

(4) Round the resulting sum to the nearest multiple of one 139358
thousand dollars. 139359

The commissioner shall certify the amount resulting from 139360
the adjustment to each county auditor not later than the first 139361
day of October each year. The certified amount applies to 139362
complaints filed for the tax year in which the amount is 139363
certified. The commissioner shall not make the adjustment for 139364

2921.13 of the Revised Code. 139371

Sec. 5717.01. An appeal from a decision of a county board 139372
of revision may be taken to the board of tax appeals within 139373

authority, public official, or taxpayer authorized by section 139378
5715.19 of the Revised Code to file complaints against 139379
valuations or assessments with the auditor, except that a 139380
subdivision ~~that files an original complaint or counter-~~ 139381
~~complaint under that section with respect to property the~~ 139382
~~subdivision does not own or lease may not appeal the decision of~~ 139383
~~the board of revision with respect to that original complaint or~~ 139384
~~counter-complaint~~ or the legislative authority or mayor of a 139385
subdivision may file such an appeal only if the subdivision owns 139386
or leases the property that is the subject of the board of 139387

revision's decision, and except that no such appeal may be taken 139388
by a third party complainant, as defined in that section. Such 139389
appeal shall be taken by the filing of a notice of appeal, in 139390
person or by certified mail, express mail, facsimile 139391

section 5703.056 of the Revised Code, the date of the United 139396
States postmark placed on the sender's receipt by the postal 139397
service or the date of receipt recorded by the authorized 139398
delivery service shall be treated as the date of filing. If 139399
notice of appeal is filed by facsimile transmission or 139400
electronic transmission, the date and time the notice is 139401
received by the board shall be the date and time reflected on a 139402
timestamp provided by the board's electronic system, and the 139403
appeal shall be considered filed with the board on the date 139404
reflected on that timestamp. Any timestamp provided by another 139405
computer system or electronic submission device shall not affect 139406
the time and date the notice is received by the board. Upon 139407
receipt of such notice of appeal such county board of revision 139408
shall notify all persons thereof who were parties to the 139409
proceeding before such county board of revision by either 139410

proof of such notice or, in the case of ordinary mail, an 139414
affidavit attesting that the board sent the notice with the 139415
board of tax appeals. The county board of revision shall 139416
thereupon certify to the board of tax appeals a transcript of 139417
the record of the proceedings of the county board of revision 139418
pertaining to the original complaint, and all evidence offered 139419

in connection therewith. Such appeal may be heard by the board 139420
of tax appeals at its offices in Columbus or in the county where 139421
the property is listed for taxation, or the board of tax appeals 139422
may cause its examiners to conduct such hearing and to report to 139423
it their findings for affirmation or rejection. An appeal may 139424
proceed pursuant to section 5703.021 of the Revised Code on the 139425
small claims docket if the appeal qualifies under that section. 139426

The board of tax appeals may order the appeal to be heard 139427
on the record and the evidence certified to it by the county 139428
board of revision, or it may order the hearing of additional 139429
evidence, and it may make such investigation concerning the 139430
appeal as it deems proper. 139431

As used in this section, "internet identifier of record" 139432
has the same meaning as in section 9.312 of the Revised Code. 139433

specified in the certificate or the ensuing calendar year and in 139536
the order required under section 5725.98 of the Revised Code. If 139537

the credit exceeds the amount of tax otherwise due in that year, 139538
the company may carry forward the excess for not more than five 139539
ensuing years, but the amount of the excess credit claimed 139540
against the tax for any year shall be deducted from the balance 139541
carried forward to the next year. 139542

No credit shall be claimed under this section to the 139543
extent the certificate was used to claim a credit under section 139544
5726.62, 5729.18, or 5747.87 of the Revised Code. 139545

Sec. 5725.38. Terms used in this section have the same 139546

taxpayer's original return, for that year. 139560

The credit authorized in this section shall be claimed in 139561
the order required under section 5725.98 of the Revised Code. If 139562
the amount of a credit exceeds the tax otherwise due under 139563
section 5725.18 of the Revised Code after deducting all other 139564
credits preceding the credit in that order, the excess may be 139565
carried forward for not more than five ensuing calendar years. 139566
The amount of the excess credit claimed in any such year shall 139567

be deducted from the balance carried forward to the next 139568

day of October, the reporting person for each taxpayer shall 139574
make a report in writing to the tax commissioner, in such form 139575
as the commissioner prescribes, and shall remit to the 139576
commissioner the amount of tax shown to be due on the report. 139577
The remittance shall be made payable to the treasurer of state. 139578
~~The commissioner shall make available, on the official internet-~~ 139579
~~web site of the department of taxation, copies of the forms-~~ 139580
~~prescribed by the commissioner for the purpose of making the-~~ 139581
~~annual report.~~ 139582

(2) An annual report shall be signed by the president, 139583
vice-president, secretary, treasurer, general manager, 139584
superintendent, or managing agent in this state of the reporting 139585
person. 139586

(3) An annual report shall contain the facts, figures, 139587
computations, and attachments that result in the determination 139588
of the amount of tax due from a taxpayer under this chapter. 139589

(B) (1) In the case of a financial institution described in 139590
division (H) (1) of section 5726.01 of the Revised Code, the 139591
annual report filed for a taxable year shall list, and include 139592
information related to, each person includable in an FR Y-9 139593
filed by the reporting person for that taxable year. 139594

(2) In the case of a financial institution described in 139595
division (H) (2) or (3) of section 5726.01 of the Revised Code, 139596

the annual report for a taxable year shall list, and include 139597
information related to, each person includable in a call report 139598
filed by the reporting person for that taxable year. 139599

(C) (1) The reporting person for a taxpayer shall remit 139600
each tax payment and, if required by the commissioner, file each 139601
annual or estimated tax report electronically. The commissioner 139602
may require reporting persons to use the Ohio business gateway 139603
as defined in section 718.01 of the Revised Code to file reports 139604
and remit the tax, or may provide another means for reporting 139605
persons to file and remit the tax electronically. 139606

(2) The payment of taxes as provided in division (C) of 139607
this section shall not affect a taxpayer's obligation to file an 139608
annual report required under division (A) of this section. 139609

(3) The reporting person for a taxpayer that is required 139610
to remit tax payments electronically under this section may 139611
apply to the tax commissioner, in the manner prescribed by the 139612
commissioner, to be excused from that requirement. The 139613
commissioner may excuse the taxpayer from the requirements of 139614
division (C) of this section for good cause. 139615

(4) If the reporting person for a taxpayer that is 139616
required to remit tax payments or file reports electronically 139617
under this section fails to do so, the commissioner may impose a 139618
penalty not to exceed the following: 139619

(a) For either of the first two reports the person so 139620
fails, five per cent of the amount of the payment that was 139621
required to be remitted; 139622

(b) For the third and any subsequent reports the person so 139623
fails, ten per cent of the amount of the payment that was 139624
required to be remitted. 139625

The penalty imposed under this section is in addition to 139626
any other penalty or charge imposed under this chapter and shall 139627
be considered as revenue arising from the tax levied under this 139628
chapter. A penalty may be collected by assessment in the manner 139629
prescribed by section 5726.20 of the Revised Code. The tax 139630
commissioner may abate all or a portion of such a penalty and 139631
may adopt rules governing such abatements. 139632

Sec. 5726.20. (A) The tax commissioner may make an 139633
assessment, based on any information in the commissioner's 139634
possession, against any person that fails to file a return or 139635
report or pay any tax as required by this chapter. The reporting 139636
person for a taxpayer shall file the annual report required 139637
under section 5726.03 of the Revised Code and remit the tax 139638
imposed by this chapter. Each person included in the annual 139639
report of the taxpayer is jointly and severally liable for the 139640
tax imposed by this chapter and any penalties and interest 139641
thereon. If the reporting person fails, for any reason, to file 139642
and remit any tax, the amount due may be collected by assessment 139643
against the reporting person and against any or all other 139644
persons required to be included in the annual report of the 139645
taxpayer as provided in section 5703.90 of the Revised Code. The 139646
commissioner shall make the assessment in the manner provided in 139647
this section. The commissioner shall give the person assessed 139648
written notice of the assessment as provided in section 5703.37 139649
of the Revised Code. With the notice, the commissioner shall 139650
provide instructions on the manner in which to petition for 139651
reassessment and request a hearing with respect to the petition. 139652

(B) No assessment shall be made or issued against a person 139653
under this section more than four years after the later of the 139654
final date the report subject to assessment was required to be 139655
filed or the date such report was filed. Such time limit may be 139656

extended if both the person and the commissioner consent in 139657
writing to the extension or if an agreement waiving or extending 139658
the time limit has been entered into pursuant to section 122.171 139659
of the Revised Code. Any such extension shall extend the four- 139660
year time limit prescribed in division (A) of section 5726.30 of 139661
the Revised Code for the same period of time. There shall be no 139662
bar or limit to an assessment against a person that fails to 139663
file a report subject to assessment as required by this chapter, 139664
or that files a fraudulent report. 139665

(C) Unless the person assessed, within sixty days after 139666
service of the notice of assessment, files with the tax 139667
commissioner, ~~either in person or by certified mail,~~ a written 139668
petition for reassessment signed by the person or the person's 139669
authorized agent having knowledge of the facts, the assessment 139670
shall become final, and the amount of the assessment is due and 139671
payable from the person assessed to the treasurer of state. A 139672
petition shall indicate the objections of the person assessed, 139673
but additional objections may be raised in writing if received 139674
by the commissioner prior to the date shown on the final 139675
determination. If a petition for reassessment has been properly 139676
filed, the commissioner shall proceed under section 5703.60 of 139677
the Revised Code. 139678

(D) (1) After an assessment becomes final, if any portion 139679
of the assessment, including any accrued interest, remains 139680
unpaid, a certified copy of the tax commissioner's entry making 139681
the assessment final may be filed in the office of the clerk of 139682
the court of common pleas in the county in which the person 139683
resides or has its principal place of business in this state, or 139684
in the office of the clerk of court of common pleas of Franklin 139685
county. 139686

(2) Immediately upon the filing of the entry, the clerk 139687
shall enter judgment for the state against the person assessed 139688
in the amount shown on the entry. The judgment may be filed by 139689
the clerk in a loose-leaf book entitled, "special judgments for 139690
the financial institution tax" and shall have the same effect as 139691
other judgments. Execution shall issue upon the judgment at the 139692
request of the tax commissioner, and all laws applicable to 139693
sales on execution shall apply to sales made under the judgment. 139694

(3) If the assessment is not paid in its entirety within 139695
sixty days after the day the assessment was issued, the portion 139696
of the assessment consisting of tax due shall bear interest at 139697
the rate per annum prescribed by section 5703.47 of the Revised 139698
Code from the date the tax commissioner issues the assessment 139699
until the date the assessment is paid or until it is certified 139700
to the attorney general for collection under section 131.02 of 139701
the Revised Code, whichever comes first. If the unpaid portion 139702
of the assessment is certified to the attorney general for 139703
collection, the entire unpaid portion of the assessment shall 139704
bear interest at the rate per annum prescribed by section 139705
5703.47 of the Revised Code from the date of certification until 139706
the date it is paid in its entirety. Interest shall be paid in 139707
the same manner as the tax and may be collected by the issuance 139708
of an assessment under this section. 139709

(E) If the tax commissioner believes that collection of 139710
the tax imposed by this chapter will be jeopardized unless 139711
proceedings to collect or secure collection of the tax are 139712
instituted without delay, the commissioner may issue a jeopardy 139713
assessment against the person liable for the tax. Immediately 139714
upon the issuance of the jeopardy assessment, the commissioner 139715
shall file an entry with the clerk of the court of common pleas 139716
in the manner prescribed by division (D) of this section. Notice 139717

of the jeopardy assessment shall be served on the person 139718
assessed or the person's authorized agent in the manner provided 139719
in section 5703.37 of the Revised Code within five days of the 139720
filing of the entry with the clerk. The total amount assessed 139721
shall be immediately due and payable, unless the person assessed 139722
files a petition for reassessment in accordance with division 139723
(C) of this section and provides security in a form satisfactory 139724
to the commissioner and in an amount sufficient to satisfy the 139725
unpaid balance of the assessment. Full or partial payment of the 139726
assessment shall not prejudice the commissioner's consideration 139727
of the petition for reassessment. 139728

(F) The tax commissioner shall immediately forward to the 139729
treasurer of state all amounts the commissioner receives under 139730
this section. Such amounts shall be considered as revenue 139731
arising from the tax imposed by this chapter. 139732

(G) If the tax commissioner possesses information 139733
indicating that the amount of tax a taxpayer is required to pay 139734
under this chapter exceeds the amount the reporting person for 139735
the taxpayer paid, the tax commissioner may audit a sample of 139736
the taxpayer's gross receipts over a representative period of 139737
time to ascertain the amount of tax due, and may issue an 139738
assessment based on the audit. The tax commissioner shall make a 139739
good faith effort to reach agreement with the taxpayer in 139740
selecting a representative sample. The tax commissioner may 139741
apply a sampling method only if the commissioner has prescribed 139742
the method by rule. 139743

(H) If the whereabouts of a person subject to this chapter 139744
is not known to the tax commissioner, the secretary of state is 139745
hereby deemed to be that person's agent for purposes of service 139746
of process or notice of any assessment, action, or proceedings 139747

instituted in this state against the person under this chapter. 139748
Such process or notice shall be served on such person by the 139749
commissioner or by an agent of the commissioner by leaving a 139750
true and attested copy of the process or notice at the office of 139751
the secretary of state at least fifteen days before the return 139752
day of such process or notice, and by sending a copy of the 139753
process or notice to such person by ordinary mail, with an 139754
endorsement thereon of the service upon the secretary of state, 139755
addressed to such person at the person's last known address. 139756

Sec. 5726.61. Terms used in this section have the same 139757
meanings as in section 122.84 of the Revised Code. 139758

A taxpayer may claim a nonrefundable credit against the 139759
tax imposed under section 5726.02 of the Revised Code for each 139760
person included in the annual report of the taxpayer to whom a 139761
certificate is issued under section 122.84 of the Revised Code 139762
or is transferred pursuant to that section. The credit equals 139763
the amount stated on the certificate and may be claimed for the 139764
taxable year that aligns with the calendar year that includes 139765
the investment period that was the subject of the application 139766
for the certificate under that section or for the ensuing 139767
calendar year. For a credit issued during the July application 139768
round each year, the credit may also be claimed for the 139769
preceding taxable year. A taxpayer applying a credit for the 139770
preceding taxable year shall file an amended report or apply 139771
that amendment on the taxpayer's original report, for that year. 139772

The credit authorized in this section shall be claimed in 139773
the order required under section 5726.98 of the Revised Code. If 139774
the amount of a credit exceeds the tax otherwise due under 139775
section 5726.02 of the Revised Code after deducting all other 139776
credits preceding the credit in that order, the excess may be 139777

carried forward for not more than five ensuing taxable years. 139778
The amount of the excess credit claimed in any such year shall 139779
be deducted from the balance carried forward to the next taxable 139780
year. 139781

No credit shall be claimed under this section to the 139782
extent the credit was claimed under section 5725.38, 5729.21, or 139783
5747.86 of the Revised Code. 139784

Sec. 5726.62. A taxpayer may claim a nonrefundable credit 139785
against the tax imposed under this chapter for each person 139786
included in the annual report of the taxpayer that holds the 139787
rights to a tax credit certificate that is issued on or after 139788
the effective date of this section under section 122.09 of the 139789
Revised Code. The credit shall equal the dollar amount indicated 139790
on the certificate and may be claimed for the taxable year that 139791
aligns with the calendar year specified in the certificate or 139792
with the ensuing calendar year and in the order required under 139793
section 5726.98 of the Revised Code. If the credit amount 139794
exceeds the tax otherwise due under section 5726.02 of the 139795
Revised Code after deducting all other credits preceding the 139796
credit in the order prescribed in section 5726.98 of the Revised 139797
Code, the excess may be carried forward for not more than five 139798
ensuing taxable years, but the amount of the excess credit 139799
claimed against the tax for any year shall be deducted from the 139800
balance carried forward to the next year. 139801

No credit shall be claimed under this section to the 139802
extent the certificate was used to claim a credit under section 139803
5725.35, 5729.18, or 5747.87 of the Revised Code. 139804

Sec. 5726.98. (A) To provide a uniform procedure for 139805
calculating the amount of tax due under section 5726.02 of the 139806
Revised Code, a taxpayer shall claim any credits to which the 139807

taxpayer is entitled under this chapter in the following order:	139808
The nonrefundable job retention credit under division (B)	139809
of section 5726.50 of the Revised Code;	139810

(B) For any credit except the refundable credits 139840
enumerated in this section, the amount of the credit for a 139841
taxable year shall not exceed the tax due after allowing for any 139842
other credit that precedes it in the order required under this 139843
section. Any excess amount of a particular credit may be carried 139844
forward if authorized under the section creating that credit. 139845
Nothing in this chapter shall be construed to allow a taxpayer 139846
to claim, directly or indirectly, a credit more than once for a 139847
taxable year. 139848

Sec. 5727.111. As used in this section, "convert" means to 139849
switch fuel input from one energy source to another and 139850
"repower" means to replace enough of the original taxable 139851
production equipment to make an original production facility 139852
equivalent to a new facility, such that at least eighty per cent 139853
of the true value of the taxable production equipment is derived 139854
from new taxable production equipment installed as part of the 139855
replacement project. The taxable property of each public 139856

Sec. 5727.26. (A) The tax commissioner may make an 139931
assessment, based on any information in the commissioner's 139932
possession, against any natural gas company or combined company 139933
that fails to file a return or pay any tax, interest, or 139934
additional charge as required by sections 5727.24 to 5727.29 of 139935
the Revised Code. The commissioner shall give the company 139936
assessed written notice of the assessment as provided in section 139937
5703.37 of the Revised Code. With the notice, the commissioner 139938
shall provide instructions on how to petition for reassessment 139939
and request a hearing on the petition. A penalty of up to 139940
fifteen per cent may be added to all amounts assessed under this 139941
section. The tax commissioner may adopt rules providing for the 139942
imposition and remission of the penalty. 139943

(B) Unless the company assessed, within sixty days after 139944
service of the notice of assessment, files with the tax 139945
commissioner, ~~either personally or by certified mail,~~ a written 139946

petition signed by the company's authorized agent having 139947
knowledge of the facts, the assessment becomes final, and the 139948
amount of the assessment is due and payable from the company 139949
assessed to the commissioner. The petition shall indicate the 139950
objections of the company assessed, but additional objections 139951
may be raised in writing if received by the commissioner prior 139952
to the date shown on the final determination. 139953

If a petition for reassessment has been properly filed, 139954
the commissioner shall proceed under section 5703.60 of the 139955
Revised Code. 139956

(C) After an assessment becomes final, if any portion of 139957
the assessment, including accrued interest, remains unpaid, a 139958
certified copy of the tax commissioner's entry making the 139959
assessment final may be filed in the office of the clerk of the 139960
court of common pleas in the county in which the natural gas 139961
company's or combined company's principal place of business is 139962
located, or in the office of the clerk of court of common pleas 139963
of Franklin county. 139964

Immediately on the filing of the entry, the clerk shall 139965
enter judgment for the state against the company assessed in the 139966
amount shown on the entry. The judgment may be filed by the 139967
clerk in a loose-leaf book entitled, "special judgments for the 139968
public utility excise tax on natural gas and combined 139969
companies," and shall have the same effect as other judgments. 139970
Execution shall issue upon the judgment at the request of the 139971
tax commissioner, and all laws applicable to sales on execution 139972
shall apply to sales made under the judgment. 139973

If the assessment is not paid in its entirety within sixty 139974
days after the day the assessment was issued, the portion of the 139975
assessment consisting of tax due shall bear interest at the rate 139976

per annum prescribed by section 5703.47 of the Revised Code from 139977
the day the tax commissioner issues the assessment until it is 139978
paid or until it is certified to the attorney general for 139979
collection under section 131.02 of the Revised Code, whichever 139980
comes first. If the unpaid portion of the assessment is 139981
certified to the attorney general for collection, the entire 139982
unpaid portion of the assessment shall bear interest at the rate 139983
per annum prescribed by section 5703.47 of the Revised Code from 139984
the date of certification until the date it is paid in its 139985
entirety. Interest shall be paid in the same manner as the tax 139986
and may be collected by the issuance of an assessment under this 139987
section. 139988

(D) If the tax commissioner believes that collection of 139989
the tax will be jeopardized unless proceedings to collect or 139990
secure collection of the tax are instituted without delay, the 139991
commissioner may issue a jeopardy assessment against the company 139992
liable for the tax. Immediately upon the issuance of the 139993
jeopardy assessment, the commissioner shall file an entry with 139994
the clerk of the court of common pleas in the manner prescribed 139995
by division (C) of this section. Notice of the jeopardy 139996
assessment shall be served on the company assessed or the 139997
company's authorized agent in the manner provided in section 139998
5703.37 of the Revised Code within five days of the filing of 139999
the entry with the clerk. The total amount assessed is 140000
immediately due and payable, unless the company assessed files a 140001
petition for reassessment in accordance with division (B) of 140002
this section and provides security in a form satisfactory to the 140003
commissioner and in an amount sufficient to satisfy the unpaid 140004
balance of the assessment. Full or partial payment of the 140005
assessment does not prejudice the commissioner's consideration 140006
of the petition for reassessment. 140007

(E) The tax commissioner shall immediately forward to the 140008
treasurer of state all amounts that the tax commissioner 140009
receives under this section, and such amounts shall be 140010
considered revenue arising from the tax imposed by section 140011
5727.24 of the Revised Code. 140012

(F) No assessment shall be made or issued against a 140013
natural gas company or combined company for the tax imposed by 140014
section 5727.24 of the Revised Code more than four years after 140015
the return date for the period in which the tax was reported, or 140016
more than four years after the return for the period was filed, 140017
whichever is later. 140018

Sec. 5727.38. On or before the first Monday of November, 140019
annually, the tax commissioner may assess an excise tax against 140020
a public utility subject to the excise tax under section 5727.30 140021
of the Revised Code. The tax shall be computed by multiplying 140022
the taxable gross receipts as determined by the commissioner 140023
under section 5727.33 of the Revised Code by six and three- 140024
fourths per cent in the case of pipe-line companies, and four 140025
and three-fourths per cent in the case of all other companies. 140026
The minimum tax for any such company for owning property or 140027
doing business in this state shall be fifty dollars. The 140028
assessment shall be ~~mailed to the taxpayer~~ served on the public 140029
utility in the manner prescribed by section 5703.37 of the 140030
Revised Code. 140031

Sec. 5727.42. (A) The tax commissioner shall collect the 140032
excise tax imposed by section 5727.30 of the Revised Code and 140033
the taxpayer shall pay all taxes and any penalties thereon. 140034
Payments of the tax may be made by mail, in person, 140035
electronically if required to do so by section 5727.311 of the 140036
Revised Code, or by any other means authorized by the 140037

commissioner. The commissioner may adopt rules concerning the 140038
methods and timeliness of payment. 140039

(B) Each tax assessment issued pursuant to this section 140040
shall separately reflect the taxes and any penalty due, and any 140041
other information considered necessary. ~~The commissioner shall~~ 140042
~~mail the assessment to the taxpayer, and the mailing of it shall~~ 140043
~~be prima facie evidence of receipt thereof by the taxpayer.~~ 140044
The assessment shall be served on the taxpayer in the manner 140045
prescribed by section 5703.37 of the Revised Code. 140046

(C) The commissioner shall refund taxes levied and 140047
payments made for the tax imposed by section 5727.30 of the 140048
Revised Code as provided in this section, ~~but no refund shall be~~ 140049
~~made to a taxpayer having a delinquent claim certified pursuant~~ 140050
~~to this section that remains unpaid. The commissioner may~~ 140051
~~consult the attorney general regarding such claims.~~ 140052

(D) After receiving any excise tax annual statement for 140053
the tax imposed by section 5727.30 of the Revised Code, the 140054
commissioner shall: 140055

(1) Ascertain the difference between the total taxes owed 140056
and the sum of all payments made for that year. 140057

(2) If the difference is a deficiency, the commissioner 140058
shall issue an assessment. 140059

(3) If the difference is an excess, the commissioner shall 140060
issue a refund of that amount to the taxpayer. If the amount of 140061
the refund is less than that claimed by the taxpayer, the 140062
taxpayer, within sixty days of the issuance of the refund, may 140063
provide to the commissioner additional information to support 140064
the claim or may request a hearing. Upon receiving such 140065
information or request within that time, the commissioner shall 140066

follow the same procedures set forth in divisions (C) and (D) of 140067
section 5703.70 of the Revised Code for the determination of 140068
refund applications. 140069

If the taxpayer has a deficiency for one tax year and an 140070
excess for another tax year, or any combination thereof for more 140071
than two years, the commissioner may determine the net result 140072
and, depending on such result, proceed to issue an assessment or 140073
certify a refund. 140074

(E) If a taxpayer fails to pay the amount of taxes 140075
required to be paid, or fails to make an estimated payment on or 140076
before the due date prescribed in division (B) of section 140077
5727.31 of the Revised Code, the commissioner shall impose a 140078
penalty in the amount of fifteen per cent of the unpaid amount, 140079
and the commissioner shall issue an assessment for the unpaid 140080
amount and penalty. Unless a timely petition for reassessment is 140081
filed under section 5727.47 of the Revised Code, the attorney 140082
general shall proceed to collect the delinquent taxes and 140083
penalties thereon in the manner prescribed by law and notify the 140084
commissioner of all collections. 140085

(F) If a taxpayer entitled to a refund under this section 140086
is indebted to the state for any tax or fee administered by the 140087
tax commissioner, or any charge, penalty, or interest arising 140088
from such a tax or fee, the amount refundable may be applied in 140089
satisfaction of that debt. If the amount refundable is less than 140090
the amount of the debt, it may be applied in partial 140091
satisfaction of the debt. If the amount refundable is greater 140092
than the amount of the debt, the amount remaining after 140093
satisfaction of the debt shall be refunded. 140094

Sec. 5727.47. (A) Notice of each assessment certified or 140095
issued pursuant to section 5727.23 or 5727.38 of the Revised 140096

Code shall be ~~mailed to the public utility, and its mailing~~ 140097
~~shall be prima-facie evidence of its receipt by the public~~ 140098
~~utility to which it is addressed~~served on the public utility or 140099
public utility property lessor in the manner prescribed by 140100
section 5703.37 of the Revised Code. With the notice, the tax 140101
commissioner shall provide instructions on how to petition for 140102
reassessment and request a hearing on the petition. If a public 140103
utility objects to such an assessment, it may file with the 140104
commissioner,~~either personally or by certified mail,~~ within 140105
sixty days after the mailing of the notice of assessment a 140106
written petition for reassessment signed by the utility's 140107
authorized agent having knowledge of the facts. The date the 140108
commissioner receives the petition shall be considered the date 140109
of filing. The petition shall indicate the utility's objections, 140110
but additional objections may be raised in writing if received 140111
by the commissioner prior to the date shown on the final 140112
determination. 140113

In the case of a petition seeking a reduction in taxable 140114
value filed with respect to an assessment certified under 140115
section 5727.23 of the Revised Code, the petitioner shall state 140116
in the petition the total amount of reduction in taxable value 140117
sought by the petitioner. If the petitioner objects to the 140118
percentage of true value at which taxable property is assessed 140119
by the commissioner, the petitioner shall state in the petition 140120
the total amount of reduction in taxable value sought both with 140121
and without regard to the objection pertaining to the percentage 140122
of true value at which its taxable property is assessed. If a 140123
petitioner objects to the commissioner's apportionment of the 140124
taxable value of the petitioner's taxable property, the 140125
petitioner shall distinctly state in the petition that the 140126
petitioner objects to the commissioner's apportionment, and, 140127

within forty-five days after filing the petition for 140128
reassessment, shall submit the petitioner's proposed 140129
apportionment of the taxable value of its taxable property among 140130
taxing districts. If a petitioner that objects to the 140131
commissioner's apportionment fails to state its objections to 140132
that apportionment in its petition for reassessment or fails to 140133
submit its proposed apportionment within forty-five days after 140134
filing the petition for reassessment, the commissioner shall 140135
dismiss the petitioner's objection to the commissioner's 140136
apportionment, and the taxable value of the petitioner's taxable 140137
property, subject to any adjustment to taxable value pursuant to 140138
the petition or appeal, shall be apportioned in the manner used 140139
by the commissioner in the preliminary or amended preliminary 140140
assessment certified under section 5727.23 of the Revised Code. 140141

If an additional objection seeking a reduction in taxable 140142
value in excess of the reduction stated in the original petition 140143
is properly and timely raised with respect to an assessment 140144
issued under section 5727.23 of the Revised Code, the petitioner 140145
shall state the total amount of the reduction in taxable value 140146
sought in the additional objection both with and without regard 140147
to any reduction in taxable value pertaining to the percentage 140148
of true value at which taxable property is assessed. If a 140149
petitioner fails to state the reduction in taxable value sought 140150
in the original petition or in additional objections properly 140151
raised after the petition is filed, the commissioner shall 140152
notify the petitioner of the failure in the manner provided in 140153
section 5703.37 of the Revised Code. If the petitioner fails to 140154
notify the commissioner in writing of the reduction in taxable 140155
value sought in the petition or in an additional objection 140156
within thirty days after receiving the commissioner's notice, 140157
the commissioner shall dismiss the petition or the additional 140158

objection in which that reduction is sought. 140159

(B) (1) Subject to divisions (B) (2) and (3) of this 140160
section, a public utility filing a petition for reassessment 140161
regarding an assessment certified or issued under section 140162
5727.23 or 5727.38 of the Revised Code shall pay the tax with 140163
respect to the assessment objected to as required by law. The 140164
acceptance of any tax payment by the tax commissioner or any 140165
county treasurer shall not prejudice any claim for taxes on 140166
final determination by the commissioner or final decision by the 140167
board of tax appeals or any court. 140168

(2) If a public utility properly and timely files a 140169
petition for reassessment regarding an assessment certified 140170
under section 5727.23 of the Revised Code, the petitioner shall 140171
pay the tax as prescribed by divisions (B) (2) (a), (b), and (c) 140172
of this section: 140173

(a) If the petitioner does not object to the 140174
commissioner's apportionment of the taxable value of the 140175
petitioner's taxable property, the petitioner is not required to 140176
pay the part of the tax otherwise due on the taxable value that 140177
the petitioner seeks to have reduced, subject to division (B) (2) 140178
(c) of this section. 140179

(b) If the petitioner objects to the commissioner's 140180
apportionment of the taxable value of the petitioner's taxable 140181
property, the petitioner is not required to pay the tax 140182
otherwise due on the part of the taxable value apportioned to 140183
any taxing district that the petitioner objects to, subject to 140184
division (B) (2) (c) of this section. If, pursuant to division (A) 140185
of this section, the petitioner has, in a proper and timely 140186
manner, apportioned taxable value to a taxing district to which 140187
the commissioner did not apportion the petitioner's taxable 140188

value, the petitioner shall pay the tax due on the taxable value 140189
that the petitioner has apportioned to the taxing district, 140190
subject to division (B) (2) (c) of this section. 140191

(c) If a petitioner objects to the percentage of true 140192
value at which taxable property is assessed by the commissioner, 140193
the petitioner shall pay the tax due on the basis of the 140194
percentage of true value at which the public utility's taxable 140195
property is assessed by the commissioner. In any case, the 140196
petitioner's payment of tax shall not be less than the amount of 140197
tax due based on the taxable value reflected on the last appeal 140198
notice issued by the commissioner under division (C) of this 140199
section. Until the county auditor receives notification under 140200
division (E) of this section and proceeds under section 5727.471 140201
of the Revised Code to issue any refund that is found to be due, 140202
the county auditor shall not issue a refund for any increase in 140203
the reduction in taxable value that is sought by a petitioner 140204
later than forty-five days after the petitioner files the 140205
original petition as required under division (A) of this 140206
section. 140207

(3) Any part of the tax that, under division (B) (2) (a) or 140208
(b) of this section, is not paid shall be collected upon receipt 140209
of the notification as provided in section 5727.471 of the 140210
Revised Code with interest thereon computed in the same manner 140211
as interest is computed under division (E) of section 5715.19 of 140212
the Revised Code, subject to any correction of the assessment by 140213
the commissioner under division (E) of this section or the final 140214
judgment of the board of tax appeals or a court to which the 140215
board's final judgment is appealed. The penalty imposed under 140216
section 323.121 of the Revised Code shall apply only to the 140217
unpaid portion of the tax if the petitioner's tax payment is 140218
less than the amount of tax due based on the taxable value 140219

reflected on the last appeal notice issued by the commissioner 140220
under division (C) of this section. 140221

(C) Upon receipt of a properly filed petition for 140222
reassessment with respect to an assessment certified under 140223
section 5727.23 of the Revised Code, the tax commissioner shall 140224
notify the treasurer of state or the auditor of each county to 140225
which the assessment objected to has been certified. In the case 140226
of a petition with respect to an assessment certified under 140227
section 5727.23 of the Revised Code, the commissioner shall 140228
issue an appeal notice within thirty days after receiving the 140229
amount of the taxable value reduction and apportionment changes 140230
sought by the petitioner in the original petition or in any 140231
additional objections properly and timely raised by the 140232
petitioner. The appeal notice shall indicate the amount of the 140233
reduction in taxable value sought in the petition or in the 140234
additional objections and the extent to which the reduction in 140235
taxable value and any change in apportionment requested by the 140236
petitioner would affect the commissioner's apportionment of the 140237
taxable value among taxing districts in the county as shown in 140238
the assessment. If a petitioner is seeking a reduction in 140239
taxable value on the basis of a lower percentage of true value 140240
than the percentage at which the commissioner assessed the 140241
petitioner's taxable property, the appeal notice shall indicate 140242
the reduction in taxable value sought by the petitioner without 140243
regard to the reduction sought on the basis of the lower 140244
percentage and shall indicate that the petitioner is required to 140245
pay tax on the reduced taxable value determined without regard 140246
to the reduction sought on the basis of a lower percentage of 140247
true value, as provided under division (B)(2)(c) of this 140248
section. The appeal notice shall include a statement that the 140249
reduced taxable value and the apportionment indicated in the 140250

notice are not final and are subject to adjustment by the 140251
commissioner or by the board of tax appeals or a court on 140252
appeal. If the commissioner finds an error in the appeal notice, 140253
the commissioner may amend the notice, but the notice is only 140254
for informational and tax payment purposes; the notice is not 140255
subject to appeal by any person. The commissioner also shall 140256
~~mail~~provide a copy of the appeal notice to the petitioner. Upon 140257
the request of a taxing authority, the county auditor may 140258
disclose to the taxing authority the extent to which a reduction 140259
in taxable value sought by a petitioner would affect the 140260
apportionment of taxable value to the taxing district or 140261
districts under the taxing authority's jurisdiction, but such a 140262
disclosure does not constitute a notice required by law to be 140263
given for the purpose of section 5717.02 of the Revised Code. 140264

(D) If the petitioner requests a hearing on the petition, 140265
the tax commissioner shall assign a time and place for the 140266
hearing on the petition and notify the petitioner of such time 140267
and place, but the commissioner may continue the hearing from 140268
time to time as necessary. 140269

(E) The tax commissioner may make corrections to the 140270
assessment as the commissioner finds proper. The commissioner 140271
shall serve a copy of the commissioner's final determination on 140272
the petitioner in the manner provided in section 5703.37 of the 140273
Revised Code. The commissioner's decision in the matter shall be 140274
final, subject to appeal under section 5717.02 of the Revised 140275
Code. With respect to a final determination issued for an 140276
assessment certified under section 5727.23 of the Revised Code, 140277
the commissioner also shall transmit a copy of the final 140278
determination to the applicable county auditor. In the absence 140279
of any further appeal, or when a decision of the board of tax 140280
appeals or of any court to which the decision has been appealed 140281

becomes final, the commissioner shall notify the public utility 140282
and, as appropriate, shall proceed under section 5727.42 of the 140283
Revised Code, or notify the applicable county auditor, who shall 140284
proceed under section 5727.471 of the Revised Code. 140285

The notification made under this division is not subject 140286
to further appeal. 140287

(F) On appeal, no adjustment shall be made in the tax 140288
commissioner's assessment certified under section 5727.23 of the 140289
Revised Code that reduces the taxable value of a petitioner's 140290
taxable property by an amount that exceeds the reduction sought 140291
by the petitioner in its petition for reassessment or in any 140292
additional objections properly and timely raised after the 140293
petition is filed with the commissioner. 140294

Sec. 5727.48. The tax commissioner, ~~on application by a~~ 140295
~~public utility,~~ may extend to ~~the a~~ public utility a further 140296
specified time, not to exceed thirty days, within which to file 140297
any report or statement required by this chapter to be filed 140298
with the commissioner, except reports required by sections 140299
5727.24 to 5727.29 of the Revised Code. A public utility ~~must~~ 140300
~~file such an application, in writing, with the commissioner~~ 140301
shall request this extension, in the form and manner prescribed 140302
by the commissioner, on or before the date that the report or 140303
statement is otherwise required to be filed. 140304

Sec. 5727.89. (A) The tax commissioner may make an 140305
assessment, based on any information in the commissioner's 140306
possession, against any natural gas distribution company, 140307
electric distribution company, self-assessing purchaser, or 140308
qualified end user that fails to file a return or pay any tax, 140309
interest, or additional charge as required by sections 5727.80 140310
to 5727.95 of the Revised Code. 140311

When information in the possession of the tax commissioner 140312
indicates that a person liable for the tax imposed by section 140313
5727.81 or 5727.811 of the Revised Code has not paid the full 140314
amount of tax due, the commissioner may audit a representative 140315
sample of the person's business and may issue an assessment 140316
based on the audit. The commissioner shall give the person 140317
assessed written notice of the assessment in the manner provided 140318
in section 5703.37 of the Revised Code. With the notice, the 140319
commissioner shall provide instructions on how to petition for 140320
reassessment and request a hearing on the petition. 140321

The tax commissioner may issue an assessment for which the 140322
tax imposed by section 5727.81 or 5727.811 of the Revised Code 140323
was due and unpaid on the date the person was informed by an 140324
agent of the tax commissioner of an investigation or audit of 140325
the person. Any payment of the tax for the period covered by the 140326
assessment, after the person is so informed, shall be credited 140327
against the assessment. 140328

A penalty of up to fifteen per cent may be added to all 140329
amounts assessed under this section. The commissioner may adopt 140330
rules providing for the imposition and remission of penalties. 140331

(B) Unless the party assessed files with the tax 140332
commissioner within sixty days after service of the notice of 140333
assessment, ~~either personally or by certified mail,~~ a written 140334
petition for reassessment signed by the party assessed or that 140335
party's authorized agent having knowledge of the facts, the 140336
assessment becomes final and the amount of the assessment is due 140337
and payable from the party assessed to the treasurer of state. 140338
The petition shall indicate the objections of the party 140339
assessed, but additional objections may be raised in writing if 140340
received by the commissioner prior to the date shown on the 140341

final determination. If the petition has been properly filed, 140342
the commissioner shall proceed under section 5703.60 of the 140343
Revised Code. 140344

(C) After an assessment becomes final, if any portion of 140345
the assessment, including accrued interest, remains unpaid, a 140346
certified copy of the tax commissioner's entry making the 140347
assessment final may be filed in the office of the clerk of the 140348
court of common pleas in the county in which the party assessed 140349
resides or in which the party's business is conducted. If the 140350
party assessed maintains no place of business in this state and 140351
is not a resident of this state, the certified copy of the entry 140352
may be filed in the office of the clerk of the court of common 140353
pleas of Franklin county. 140354

Immediately upon the filing of the entry, the clerk shall 140355
enter a judgment for the state against the person assessed in 140356
the amount shown on the entry. The judgment may be filed by the 140357
clerk in a loose-leaf book entitled "special judgments for the 140358
distribution excise taxes," and shall have the same effect as 140359
other judgments. Execution shall issue upon the judgment at the 140360
request of the tax commissioner, and all laws applicable to 140361
sales on execution shall apply to sales made under the judgment. 140362

If the assessment is not paid in its entirety within sixty 140363
days after the day the assessment was issued, the portion of the 140364
assessment consisting of tax due shall bear interest at the rate 140365
per annum prescribed by section 5703.47 of the Revised Code from 140366
the day the tax commissioner issues the assessment until the day 140367
the assessment is paid or until it is certified to the attorney 140368
general for collection under section 131.02 of the Revised Code, 140369
whichever comes first. If the unpaid portion of the assessment 140370
is certified to the attorney general for collection, the entire 140371

unpaid portion of the assessment shall bear interest at the rate 140372
per annum prescribed by section 5703.47 of the Revised Code from 140373
the date of certification until the date it is paid in its 140374
entirety. Interest shall be paid in the same manner as the tax 140375
and may be collected by the issuance of an assessment under this 140376
section. 140377

(D) If the tax commissioner believes that collection of 140378
the tax imposed by section 5727.81 or 5727.811 of the Revised 140379
Code will be jeopardized unless proceedings to collect or secure 140380
collection of the tax are instituted without delay, the 140381
commissioner may issue a jeopardy assessment against the person 140382
liable for the tax. Immediately upon the issuance of the 140383
jeopardy assessment, the commissioner shall file an entry with 140384
the clerk of the court of common pleas in the manner prescribed 140385
by division (C) of this section. Notice of the jeopardy 140386
assessment shall be served on the party assessed or the party's 140387
legal representative within five days of the filing of the entry 140388
with the clerk. The total amount assessed is immediately due and 140389
payable, unless the party assessed files a petition for 140390
reassessment in accordance with division (B) of this section and 140391
provides security in a form satisfactory to the commissioner and 140392
in an amount sufficient to satisfy the unpaid balance of the 140393
assessment. Full or partial payment of the assessment does not 140394
prejudice the commissioner's consideration of the petition for 140395
reassessment. 140396

(E) All money collected by the tax commissioner under this 140397
section shall be paid to the treasurer of state, and when paid 140398
shall be considered as revenue arising from the taxes imposed by 140399
sections 5727.81 and 5727.811 of the Revised Code. 140400

Sec. 5728.10. (A) If any person required to file a fuel 140401

use tax return by sections 5728.01 to 5728.14 of the Revised 140402
Code, fails to file the return within the time prescribed by 140403
those sections, files an incomplete return, files an incorrect 140404
return, or fails to remit the full amount of the tax due for the 140405
period covered by the return, the tax commissioner may make an 140406
assessment against the person, based upon any information in the 140407
commissioner's possession, for the period for which the tax was 140408
due. 140409

No assessment shall be made against any person for any tax 140410
imposed by this chapter more than four years after the return 140411
date for the period for which the tax was due or more than four 140412
years after the return for the period was filed, whichever is 140413
later. This section does not bar an assessment against any 140414
person who fails to file a fuel use tax return as required by 140415
this chapter, or who files a fraudulent fuel use tax return. 140416

A penalty of up to fifteen per cent may be added to the 140417
amount of every assessment made pursuant to this section. The 140418
commissioner may adopt rules providing for the imposition and 140419
remission of penalties added to assessments made under this 140420
section. 140421

The commissioner shall give the party assessed written 140422
notice of the assessment in the manner provided in section 140423
5703.37 of the Revised Code. With the notice, the commissioner 140424
shall provide instructions on how to petition for reassessment 140425
and request a hearing on the petition. 140426

(B) Unless the party assessed files with the tax 140427
commissioner within sixty days after service of the notice of 140428
assessment, ~~either personally or by certified mail,~~ a written 140429
petition for reassessment, signed by the party assessed, or by 140430
the party's authorized agent having knowledge of the facts, the 140431

assessment becomes final and the amount of the assessment is due 140432
and payable from the party assessed to the treasurer of state. 140433
The petition shall indicate the objections of the party 140434
assessed, but additional objections may be raised in writing if 140435
received by the commissioner prior to the date shown on the 140436
final determination. If the petition has been properly filed, 140437
the commissioner shall proceed under section 5703.60 of the 140438
Revised Code. 140439

(C) After an assessment becomes final, if any portion of 140440
the assessment remains unpaid, including accrued interest, a 140441
certified copy of the tax commissioner's entry making the 140442
assessment final may be filed in the office of the clerk of the 140443
court of common pleas in the county in which the party's place 140444
of business is located or the county in which the party assessed 140445
resides. If the party maintains no office in this state and is 140446
not a resident of this state, the certified copy of the entry 140447
may be filed in the office of the clerk of the court of common 140448
pleas of Franklin county. 140449

Immediately upon the filing of the entry, the clerk shall 140450
enter a judgment for the state of Ohio against the party 140451
assessed in the amount shown on the entry. The judgment may be 140452
filed by the clerk in a loose-leaf book entitled "special 140453
judgments for state fuel use tax," and shall have the same 140454
effect as other judgments. Execution shall issue upon the 140455
judgment upon the request of the commissioner, and all laws 140456
applicable to sales on execution shall apply to sales made under 140457
the judgment. 140458

If the assessment is not paid within sixty days after the 140459
day the assessment was issued, the portion of the assessment 140460
consisting of tax due shall bear interest at the rate per annum 140461

prescribed by section 5703.47 of the Revised Code from the day 140462
the commissioner issues the assessment until it is paid or until 140463
it is certified to the attorney general for collection under 140464
section 131.02 of the Revised Code, whichever comes first. If 140465
the unpaid portion of the assessment is certified to the 140466
attorney general for collection, the entire unpaid portion of 140467
the assessment shall bear interest at the rate per annum 140468
prescribed by section 5703.47 of the Revised Code from the date 140469
of certification until the date it is paid in its entirety. 140470
Interest shall be paid in the same manner as the tax and may be 140471
collected by the issuance of an assessment under this section. 140472

(D) All money collected by the tax commissioner under this 140473
section shall be paid into the state treasury in the same manner 140474
as the revenues deriving from the taxes imposed by section 140475
5728.06 of the Revised Code. 140476

Sec. 5729.10. If a company fails to pay the tax levied by 140477
section 5729.03 of the Revised Code, or to make any partial 140478
payment thereof as required by law after a statement thereof has 140479
been made and mailed to it, or if the annual statement required 140480
by law to be made by it is false or incorrect, the 140481
superintendent of insurance may revoke the license of such 140482
company doing business in this state. Upon failure to pay the 140483
tax or to make partial payment thereof according to law, the 140484
~~superintendent~~ treasurer of state shall certify that fact to the 140485
attorney general, who shall thereupon begin an action against 140486
the company in the court of common pleas of Franklin county, or 140487
any other county ~~he~~ the attorney general elects, to recover the 140488
amount of the tax. If such company ceases to do business in this 140489
state, it shall thereupon make a report to the superintendent of 140490
the gross amount of premiums not theretofore reported as 140491
provided in section 5729.02 or 5729.04 of the Revised Code 140492

received by it from policies covering risks within this state 140493
prior to such discontinuance of business, after deducting return 140494
premiums and considerations received for reinsurance not 140495
theretofore so reported, and shall forthwith pay to the 140496
~~superintendent~~treasurer of state a like per cent of tax 140497
thereon. 140498

Sec. 5729.18. There is allowed a credit against the tax 140499
imposed by section 5729.03 of the Revised Code for an insurance 140500
company subject to that tax that holds the rights to a tax 140501
credit certificate issued under section 122.09 of the Revised 140502
Code. The credit shall equal the dollar amount indicated on the 140503
certificate or the ensuing calendar year. The credit shall be 140504
claimed in the calendar year specified in the certificate and in 140505
the order required under section 5729.98 of the Revised Code. If 140506
the credit exceeds the amount of tax otherwise due in that year, 140507
the company may carry forward the excess for not more than five 140508
ensuing years, but the amount of the excess credit claimed 140509
against the tax for any year shall be deducted from the balance 140510
carried forward to the next year. 140511

No credit shall be claimed under this section to the 140512
extent the certificate was used to claim a credit under section 140513
5725.35, 5726.62, or 5747.87 of the Revised Code. 140514

Sec. 5729.21. Terms used in this section have the same 140515
meanings as in section 122.84 of the Revised Code. 140516

There is allowed a ~~non-refundable~~nonrefundable credit 140517
against the tax imposed by section 5729.03 of the Revised Code 140518
for a foreign insurance company that is issued, or to which is 140519
transferred, a tax credit certificate under section 122.84 of 140520
the Revised Code. The credit equals the amount stated on the 140521
certificate and may be claimed for the calendar year that 140522

includes the investment period that was the subject of the 140523
application for the certificate under that section or for the 140524
ensuing calendar year. For a credit issued during the July 140525
application round each year, the credit may also be claimed for 140526
the preceding calendar year. A taxpayer applying a credit for 140527
the preceding calendar year shall file an amended return or 140528
apply that amendment on the taxpayer's original return, for that 140529
year. 140530

The credit authorized in this section shall be claimed in 140531
the order required under section 5729.98 of the Revised Code. If 140532
the amount of a credit exceeds the tax otherwise due under 140533
section 5729.03 of the Revised Code after deducting all other 140534
credits preceding the credit in that order, the excess may be 140535
carried forward for not more than five ensuing calendar years. 140536
The amount of the excess credit claimed in any such year shall 140537
be deducted from the balance carried forward to the next 140538
calendar year. 140539

No credit shall be claimed under this section to the 140540
extent the credit was claimed under section 5725.38, 5726.61, or 140541
5747.86 of the Revised Code. 140542

A foreign insurance company shall not be required to pay 140543
any additional tax levied under section 5729.06 of the Revised 140544
Code as a result of claiming the tax credit authorized by this 140545
section. 140546

Sec. 5735.12. (A) Any person required by this chapter to 140547
file reports or pay the tax levied by this chapter who fails to 140548
do so within the time prescribed may be liable for an additional 140549
charge not exceeding the greater of ten per cent of the person's 140550
tax liability for that month or fifty dollars. The tax 140551
commissioner may remit all or a portion of the additional charge 140552

and may adopt rules relating to the remission of all or a 140553
portion of the charge. 140554

If any person required by this chapter to file reports or 140555
pay the taxes, interest, or additional charge levied by this 140556
chapter fails to file the report, files an incomplete or 140557
incorrect report, or fails to remit the full amount of the tax, 140558
interest, or additional charge due for the period covered by the 140559
report, the commissioner may make an assessment against the 140560
person based upon any information in the commissioner's 140561
possession. 140562

No assessment shall be made against any motor fuel dealer 140563
for taxes imposed by this chapter more than four years after the 140564
date on which the report on which the assessment was based was 140565
due or was filed, whichever is later. This section does not bar 140566
an assessment against any motor fuel dealer who fails to file a 140567
report required by section 5735.06 of the Revised Code, or who 140568
files a fraudulent motor fuel tax report. 140569

A penalty of up to fifteen per cent may be added to the 140570
amount of every assessment made under this section. The 140571
commissioner may adopt rules providing for the imposition and 140572
remission of penalties added to assessments made under this 140573
section. 140574

The commissioner shall give the party assessed written 140575
notice of the assessment in the manner provided in section 140576
5703.37 of the Revised Code. With the notice, the commissioner 140577
shall provide instructions on how to petition for reassessment 140578
and request a hearing on the petition. 140579

(B) Unless the party assessed files with the tax 140580
commissioner within sixty days after service of the notice of 140581

assessment, ~~either personally or by certified mail~~, a written 140582
petition for reassessment in writing, signed by the party 140583
assessed or that party's authorized agent having knowledge of 140584
the facts, the assessment becomes final and the amount of the 140585
assessment is due and payable from the party assessed to the 140586
treasurer of state. The petition shall indicate the objections 140587
of the party assessed, but additional objections may be raised 140588
in writing if received by the commissioner prior to the date 140589
shown on the final determination. If the petition has been 140590
properly filed, the commissioner shall proceed under section 140591
5703.60 of the Revised Code. 140592

(C) After an assessment becomes final, if any portion of 140593
the assessment remains unpaid, including accrued interest, a 140594
certified copy of the tax commissioner's entry making the 140595
assessment final may be filed in the office of the clerk of the 140596
court of common pleas in the county in which the party assessed 140597
resides or in which the business of the party assessed is 140598
conducted. If the party assessed maintains no place of business 140599
in this state and is not a resident of this state, the certified 140600
copy of the entry may be filed in the office of the clerk of the 140601
court of common pleas of Franklin county. 140602

Immediately upon the filing of the entry, the clerk shall 140603
enter a judgment for the state against the party assessed in the 140604
amount shown on the entry. The judgment may be filed by the 140605
clerk in a loose-leaf book entitled "special judgments for state 140606
motor fuel tax," and shall have the same effect as other 140607
judgments. Execution shall issue upon the judgment upon the 140608
request of the tax commissioner, and all laws applicable to 140609
sales on execution shall apply to sales made under the judgment. 140610

If the assessment is not paid in its entirety within sixty 140611

days after the day the assessment was issued, the portion of the 140612
assessment consisting of tax due shall bear interest at the rate 140613
per annum prescribed by section 5703.47 of the Revised Code from 140614
the day the commissioner issues the assessment until it is paid 140615
or until it is certified to the attorney general for collection 140616
under section 131.02 of the Revised Code, whichever comes first. 140617
If the unpaid portion of the assessment is certified to the 140618
attorney general for collection, the entire unpaid portion of 140619
the assessment shall bear interest at the rate per annum 140620
prescribed by section 5703.47 of the Revised Code from the date 140621
of certification until the date it is paid in its entirety. 140622
Interest shall be paid in the same manner as the tax and may be 140623
collected by the issuance of an assessment under this section. 140624

(D) All money collected by the tax commissioner under this 140625
section shall be paid to the treasurer of state, and when paid 140626
shall be considered as revenue arising from the tax imposed by 140627
this chapter. 140628

(E) If the tax commissioner determines that the 140629
commissioner has erroneously refunded motor fuel tax to any 140630
person, the commissioner may make an assessment against the 140631
person for recovery of the erroneously refunded tax. 140632

Sec. 5736.09. (A) The tax commissioner may make an 140633
assessment, based on any information in the commissioner's 140634
possession, against any person that fails to file a return or 140635
pay any ~~tax~~amounts as required by this chapter. The 140636
commissioner shall give the person assessed written notice of 140637
the assessment as provided in section 5703.37 of the Revised 140638
Code. With the notice, the commissioner shall provide 140639
instructions on the manner in which to petition for reassessment 140640
and request a hearing with respect to the petition. 140641

(B) Unless the person assessed, within sixty days after
service of the notice of assessment, files with the
commissioner, ~~either personally or by certified mail,~~ a written
petition signed by the person or the person's authorized agent
having knowledge of the facts, the assessment becomes final, and
the amount of the assessment is due and payable from the person
assessed to the treasurer of state. The petition shall indicate
the objections of the person assessed, but additional objections
may be raised in writing if received by the commissioner prior
to the date shown on the final determination.

If a petition for reassessment has been properly filed,
the commissioner shall proceed under section 5703.60 of the
Revised Code.

(C) (1) After an assessment becomes final, if any portion
of the assessment, including accrued interest, remains unpaid, a
certified copy of the commissioner's entry making the assessment
final may be filed in the office of the clerk of the court of
common pleas in the county in which the person resides or has
its principal place of business in this state, or in the office
of the clerk of court of common pleas of Franklin county.

(2) Immediately upon the filing of the entry, the clerk
shall enter judgment for the state against the person assessed
in the amount shown on the entry. The judgment may be filed by
the clerk in a loose-leaf book entitled, "special judgments for
the petroleum activity tax" and shall have the same effect as
other judgments. Execution shall issue upon the judgment at the
request of the commissioner, and all laws applicable to sales on
execution shall apply to sales made under the judgment.

(3) If the assessment is not paid in its entirety within
sixty days after the day the assessment was issued, the portion

of the assessment consisting of tax due shall bear interest at 140672
the rate per annum prescribed by section 5703.47 of the Revised 140673
Code from the day the commissioner issues the assessment until 140674
it is paid or until it is certified to the attorney general for 140675
collection under section 131.02 of the Revised Code, whichever 140676
comes first. If the unpaid portion of the assessment is 140677
certified to the attorney general for collection, the entire 140678
unpaid portion of the assessment shall bear interest at the rate 140679
per annum prescribed by section 5703.47 of the Revised Code from 140680
the date of certification until the date it is paid in its 140681
entirety. Interest shall be paid in the same manner as the tax 140682
and may be collected by the issuance of an assessment under this 140683
section. 140684

(D) If the commissioner believes that collection of the 140685
tax will be jeopardized unless proceedings to collect or secure 140686
collection of the tax are instituted without delay, the 140687
commissioner may issue a jeopardy assessment against the person 140688
liable for the tax. Immediately upon the issuance of the 140689
jeopardy assessment, the commissioner shall file an entry with 140690
the clerk of the court of common pleas in the manner prescribed 140691
by division (C) of this section. Notice of the jeopardy 140692
assessment shall be served on the person assessed or the 140693
person's authorized agent in the manner provided in section 140694
5703.37 of the Revised Code within five days of the filing of 140695
the entry with the clerk. The total amount assessed is 140696
immediately due and payable, unless the person assessed files a 140697
petition for reassessment in accordance with division (B) of 140698
this section and provides security in a form satisfactory to the 140699
commissioner and in an amount sufficient to satisfy the unpaid 140700
balance of the assessment. Full or partial payment of the 140701
assessment does not prejudice the commissioner's consideration 140702

of the petition for reassessment. 140703

(E) The commissioner shall immediately forward to the 140704
treasurer of state all amounts the commissioner receives under 140705
this section, and such amounts shall be considered as revenue 140706
arising from the tax imposed under this chapter. 140707

(F) Except as otherwise provided in this division, no 140708
assessment shall be made or issued against a taxpayer for ~~the~~ 140709
~~tax amounts~~ imposed under this chapter more than four years 140710
after the due date for the filing of the return or application 140711
for the tax period for which the ~~tax amount~~ was reported, or 140712
more than four years after the return or application for the tax 140713
period was filed, whichever is later. The time limit may be 140714
extended if both the taxpayer and the commissioner consent in 140715
writing to the extension or enter into an agreement waiving or 140716
extending the time limit. Any such extension shall extend the 140717
four-year time limit in division (A) of section 5736.08 of the 140718
Revised Code for the same period of time. Nothing in this 140719
division bars an assessment against a taxpayer that fails to 140720
file a return required by this chapter or that files a 140721
fraudulent return. 140722

(G) If the commissioner possesses information that 140723
indicates that the amount of tax a taxpayer is required to pay 140724
under this chapter exceeds the amount the taxpayer paid, the 140725
commissioner may audit a sample of the taxpayer's calculated 140726
gross receipts over a representative period of time to ascertain 140727
the amount of tax due, and may issue an assessment based on the 140728
audit. The commissioner shall make a good faith effort to reach 140729
agreement with the taxpayer in selecting a representative 140730
sample. The commissioner may apply a sampling method only if the 140731
commissioner has prescribed the method by rule. 140732

(H) If the whereabouts of a person subject to this chapter 140733
is not known to the commissioner, the commissioner shall follow 140734
the procedures under section 5703.37 of the Revised Code. 140735

(B) "Sale" and "selling" include all of the following 140742
transactions for a consideration in any manner, whether 140743
absolutely or conditionally, whether for a price or rental, in 140744
money or by exchange, and by any means whatsoever: 140745

(1) All transactions by which title or possession, or 140746

Code; 140756

services, or electronic information services rather than the 140772
receipt of personal or professional services to which automatic 140773
data processing, computer services, or electronic information 140774
services are incidental or supplemental. Notwithstanding any 140775
other provision of this chapter, such transactions that occur 140776

"affiliated group" means two or more persons related in such a 140778

(r) Snow removal service is or is to be provided. As used 140823
in this division, "snow removal service" means the removal of 140824
snow by any mechanized means, but does not include the providing 140825
of such service by a person that has less than five thousand 140826
dollars in sales of such service during the calendar year. 140827

(s) Electronic publishing service is or is to be provided 140828
to a consumer for use in business, except that such transactions 140829

section 5739.03 of the Revised Code, a construction contract 140843
pursuant to which tangible personal property is or is to be 140844
incorporated into a structure or improvement on and becoming a 140845
part of real property is not a sale of such tangible personal 140846

property. The construction contractor is the consumer of such 140847
tangible personal property, provided that the sale and 140848
installation of carpeting, the sale and installation of 140849
agricultural land tile, the sale and erection or installation of 140850
portable grain bins, or the provision of landscaping and lawn 140851
care service and the transfer of property as part of such 140852
service is never a construction contract. 140853

production by farming, agriculture, horticulture, or 140859
floriculture. The term does not include such materials when they 140860

used or to be used in such production. 140863

(b) "Portable grain bin" means a structure that is used or 140864

(6) All transactions in which all of the shares of stock 140868
of a closely held corporation are transferred, or an ownership 140869
interest in a pass-through entity, as defined in section 5733.04 140870
of the Revised Code, is transferred, if the corporation or pass- 140871
through entity is not engaging in business and its entire assets 140872
consist of boats, planes, motor vehicles, or other tangible 140873
personal property operated primarily for the use and enjoyment 140874
of the shareholders or owners; 140875

(7) All transactions in which a warranty, maintenance or 140876
service contract, or similar agreement by which the vendor of 140877
the warranty, contract, or agreement agrees to repair or 140878
maintain the tangible personal property of the consumer is or is 140879
to be provided; 140880

(8) The transfer of copyrighted motion picture films—used— 140881

is or is to be stored, except such property that the consumer of 140885
the storage holds for sale in the regular course of business; 140886

(10) All transactions in which "guaranteed auto 140887
protection" is provided whereby a person promises to pay to the 140888
consumer the difference between the amount the consumer receives 140889
from motor vehicle insurance and the amount the consumer owes to 140890
a person holding title to or a lien on the consumer's motor 140891
vehicle in the event the consumer's motor vehicle suffers a 140892
total loss under the terms of the motor vehicle insurance policy 140893
or is stolen and not recovered, if the protection and its price 140894
are included in the purchase or lease agreement; 140895

(11) (a) Except as provided in division (B) (11) (b) of this 140896
section, all transactions by which health care services are paid 140897
for, reimbursed, provided, delivered, arranged for, or otherwise 140898
made available by a medicaid health insuring corporation 140899
pursuant to the corporation's contract with the state. 140900

(b) If the centers for medicare and medicaid services of 140901
the United States department of health and human services 140902
determines that the taxation of transactions described in 140903
division (B) (11) (a) of this section constitutes an impermissible 140904

health care-related tax under the "Social Security Act," section 140905
1903(w), 42 U.S.C. 1396b(w), and regulations adopted thereunder, 140906
the medicaid director shall notify the tax commissioner of that 140907
determination. Beginning with the first day of the month 140908
following that notification, the transactions described in 140909
division (B)(11)(a) of this section are not sales for the 140910
purposes of this chapter or Chapter 5741. of the Revised Code. 140911
The tax commissioner shall order that the collection of taxes 140912
under sections 5739.02, 5739.021, 5739.023, 5739.026, 5741.02, 140913
5741.021, 5741.022, and 5741.023 of the Revised Code shall cease 140914
for transactions occurring on or after that date. 140915

(12) All transactions by which a specified digital product 140916
is provided for permanent use or less than permanent use, 140917
regardless of whether continued payment is required. 140918

(13) All transactions by a delivery network company for 140919
the company's delivery network services, provided the company 140920
has a waiver issued under section 5741.072 of the Revised Code. 140921

Except as provided in this section, "sale" and "selling" 140922
do not include transfers of interest in leased property where 140923
the original lessee and the terms of the original lease 140924

(1) If the price is, at or prior to the provision of the 142978
service or the delivery of possession of the thing sold to the 142979
consumer, paid in currency passed from hand to hand by the 142980
consumer or the consumer's agent to the vendor or the vendor's 142981
agent, the vendor or the vendor's agent shall collect the tax 142982
with and at the same time as the price; 142983

(2) If the price is otherwise paid or to be paid, the 142984
vendor or the vendor's agent shall, at or prior to the provision 142985
of the service or the delivery of possession of the thing sold 142986
to the consumer, charge the tax imposed by or pursuant to 142987
section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised 142988
Code to the account of the consumer, which amount shall be 142989
collected by the vendor from the consumer in addition to the 142990
price. Such sale shall be reported on and the amount of the tax 142991
applicable thereto shall be remitted with the return for the 142992
period in which the sale is made, and the amount of the tax 142993
shall become a legal charge in favor of the vendor and against 142994
the consumer. 142995

(B) (1) (a) If any sale is claimed to be exempt under 142996
division (E) of section 5739.01 of the Revised Code or under 142997
section 5739.02 of the Revised Code, with the exception of 142998
divisions (B) (1) to (11), (28), (48), (55), (59), or ~~(66)~~ (62) of 142999
section 5739.02 of the Revised Code, the consumer must provide 143000
to the vendor, and the vendor must obtain from the consumer, a 143001
certificate specifying the reason that the sale is not legally 143002
subject to the tax. The certificate shall be in such form, and 143003
shall be provided either in a hard copy form or electronic form, 143004
as the tax commissioner prescribes. 143005

(b) A vendor that obtains a fully completed exemption 143006
certificate from a consumer is relieved of liability for 143007

collecting and remitting tax on any sale covered by that 143008
certificate. If it is determined the exemption was improperly 143009
claimed, the consumer shall be liable for any tax due on that 143010
sale under section 5739.02, 5739.021, 5739.023, or 5739.026 or 143011
Chapter 5741. of the Revised Code. Relief under this division 143012
from liability does not apply to any of the following: 143013

(i) A vendor that fraudulently fails to collect tax; 143014

(ii) A vendor that solicits consumers to participate in 143015
the unlawful claim of an exemption; 143016

(iii) A vendor that accepts an exemption certificate from 143017
a consumer that claims an exemption based on who purchases or 143018
who sells property or a service, when the subject of the 143019
transaction sought to be covered by the exemption certificate is 143020
actually received by the consumer at a location operated by the 143021
vendor in this state, and this state has posted to its web site 143022
an exemption certificate form that clearly and affirmatively 143023
indicates that the claimed exemption is not available in this 143024
state; 143025

(iv) A vendor that accepts an exemption certificate from a 143026
consumer who claims a multiple points of use exemption under 143027
division (D) of section 5739.033 of the Revised Code, if the 143028
item purchased is tangible personal property, other than 143029
prewritten computer software. 143030

(2) The vendor shall maintain records, including exemption 143031
certificates, of all sales on which a consumer has claimed an 143032
exemption, and provide them to the tax commissioner on request. 143033

(3) The tax commissioner may establish an identification 143034
system whereby the commissioner issues an identification number 143035
to a consumer that is exempt from payment of the tax. The 143036

consumer must present the number to the vendor, if any sale is 143037
claimed to be exempt as provided in this section. 143038

(4) If no certificate is provided or obtained within 143039
ninety days after the date on which such sale is consummated, it 143040
shall be presumed that the tax applies. Failure to have so 143041
provided or obtained a certificate shall not preclude a vendor, 143042
within one hundred twenty days after the tax commissioner gives 143043
written notice of intent to levy an assessment, from either 143044
establishing that the sale is not subject to the tax, or 143045
obtaining, in good faith, a fully completed exemption 143046
certificate. 143047

(5) Certificates need not be obtained nor provided where 143048
the identity of the consumer is such that the transaction is 143049
never subject to the tax imposed or where the item of tangible 143050
personal property sold or the service provided is never subject 143051
to the tax imposed, regardless of use, or when the sale is in 143052
interstate commerce. 143053

(6) If a transaction is claimed to be exempt under 143054
division (B)(13) of section 5739.02 of the Revised Code, the 143055
contractor shall obtain certification of the claimed exemption 143056
from the contractee. This certification shall be in addition to 143057
an exemption certificate provided by the contractor to the 143058
vendor. A contractee that provides a certification under this 143059
division shall be deemed to be the consumer of all items 143060
purchased by the contractor under the claim of exemption, if it 143061
is subsequently determined that the exemption is not properly 143062
claimed. The certification shall be in such form as the tax 143063
commissioner prescribes. 143064

(7) If a transaction is claimed to be exempt under 143065
division (B)(13) of section 5739.02 of the Revised Code, the 143066

person that leases a sports facility, as defined in section 143067
307.696 of the Revised Code, wholly owned by a county may 143068
provide and sign, on behalf of the county, an exemption 143069
certificate required under this section for that exemption. 143070

(C) As used in this division, "contractee" means a person 143071
who seeks to enter or enters into a contract or agreement with a 143072
contractor or vendor for the construction of real property or 143073
for the sale and installation onto real property of tangible 143074
personal property. 143075

Any contractor or vendor may request from any contractee a 143076
certification of what portion of the property to be transferred 143077
under such contract or agreement is to be incorporated into the 143078
realty and what portion will retain its status as tangible 143079
personal property after installation is completed. The 143080
contractor or vendor shall request the certification by 143081
certified mail delivered to the contractee, return receipt 143082
requested. Upon receipt of such request and prior to entering 143083
into the contract or agreement, the contractee shall provide to 143084
the contractor or vendor a certification sufficiently detailed 143085
to enable the contractor or vendor to ascertain the resulting 143086
classification of all materials purchased or fabricated by the 143087
contractor or vendor and transferred to the contractee. This 143088
requirement applies to a contractee regardless of whether the 143089
contractee holds a direct payment permit under section 5739.031 143090
of the Revised Code or provides to the contractor or vendor an 143091
exemption certificate as provided under this section. 143092

For the purposes of the taxes levied by this chapter and 143093
Chapter 5741. of the Revised Code, the contractor or vendor may 143094
in good faith rely on the contractee's certification. 143095
Notwithstanding division (B) of section 5739.01 of the Revised 143096

Code, if the tax commissioner determines that certain property 143097
certified by the contractee as tangible personal property 143098
pursuant to this division is, in fact, real property, the 143099
contractee shall be considered to be the consumer of all 143100
materials so incorporated into that real property and shall be 143101
liable for the applicable tax, and the contractor or vendor 143102
shall be excused from any liability on those materials. 143103

If a contractee fails to provide such certification upon 143104
the request of the contractor or vendor, the contractor or 143105
vendor shall comply with the provisions of this chapter and 143106
Chapter 5741. of the Revised Code without the certification. If 143107
the tax commissioner determines that such compliance has been 143108
performed in good faith and that certain property treated as 143109
tangible personal property by the contractor or vendor is, in 143110
fact, real property, the contractee shall be considered to be 143111
the consumer of all materials so incorporated into that real 143112
property and shall be liable for the applicable tax, and the 143113
construction contractor or vendor shall be excused from any 143114
liability on those materials. 143115

This division does not apply to any contract or agreement 143116
where the tax commissioner determines as a fact that a 143117
certification under this division was made solely on the 143118
decision or advice of the contractor or vendor. 143119

(D) Notwithstanding division (B) of section 5739.01 of the 143120
Revised Code, whenever the total rate of tax imposed under this 143121
chapter is increased after the date after a construction 143122
contract is entered into, the contractee shall reimburse the 143123
construction contractor for any additional tax paid on tangible 143124
property consumed or services received pursuant to the contract. 143125

(E) A vendor who files a petition for reassessment 143126

contesting the assessment of tax on sales for which the vendor 143127
obtained no valid exemption certificates and for which the 143128
vendor failed to establish that the sales were properly not 143129
subject to the tax during the one-hundred-twenty-day period 143130
allowed under division (B) of this section, may present to the 143131
tax commissioner additional evidence to prove that the sales 143132
were properly subject to a claim of exception or exemption. The 143133
vendor shall file such evidence within ninety days of the 143134
receipt by the vendor of the notice of assessment, except that, 143135
upon application and for reasonable cause, the period for 143136
submitting such evidence shall be extended thirty days. 143137

The commissioner shall consider such additional evidence 143138
in reaching the final determination on the assessment and 143139
petition for reassessment. 143140

(F) Whenever a vendor refunds the price, minus any 143141
separately stated delivery charge, of an item of tangible 143142
personal property on which the tax imposed under this chapter 143143
has been paid, the vendor shall also refund the amount of tax 143144
paid, minus the amount of tax attributable to the delivery 143145
charge. 143146

Sec. 5739.07. (A) When, pursuant to this chapter, a vendor 143147
has paid taxes to the tax commissioner or the commissioner's 143148
agent, the commissioner shall refund to the vendor the amount of 143149
taxes paid, and any penalties assessed with respect to such 143150
taxes, if the vendor has refunded to the consumer the full 143151
amount of taxes the consumer paid illegally or erroneously or if 143152
the vendor has illegally or erroneously billed the consumer but 143153
has not collected the taxes from the consumer. 143154

(B) When, pursuant to this chapter, a consumer has paid 143155
taxes directly to the tax commissioner or the commissioner's 143156

agent, and the payment or assessment was illegal or erroneous, 143157
the commissioner shall refund to the consumer the full amount of 143158
illegal or erroneous taxes paid and any penalties assessed with 143159
respect to such taxes. 143160

(C) The commissioner shall refund to the consumer amounts 143161
paid illegally or erroneously to a vendor only if: 143162

(1) The commissioner has not refunded the tax to the 143163
vendor and the vendor has not refunded the tax to the consumer; 143164
or 143165

(2) The consumer has received a refund from a manufacturer 143166
or other person, other than the vendor, of the full purchase 143167
price, but not the tax, paid to the vendor in settlement of a 143168
complaint by the consumer about the property or service 143169
purchased. 143170

The commissioner may require the consumer to obtain or the 143171
vendor to provide a written statement confirming that the vendor 143172
has not refunded the tax to the consumer and has not filed an 143173
application for refund of the tax with the commissioner. 143174

(D) Subject to division (E) of this section, an 143175
application for refund shall be filed with the tax commissioner 143176
on the form prescribed by the commissioner within four years 143177
from the date of the illegal or erroneous payment, unless the 143178
vendor or consumer waives the time limitation under division (A) 143179
(3) of section 5739.16 of the Revised Code. If the time 143180
limitation is waived, the refund application period shall be 143181
extended for the same period as the waiver. 143182

(E) An application for refund shall be filed in accordance 143183
with division (D) of this section unless a person is subject to 143184
an assessment that is subject to the time limit of division (B) 143185

of section 5703.58 of the Revised Code for amounts not reported 143186
and paid between the four-year time limit described in division 143187
(D) of this section and the seven-year limit described in 143188
division (B) of section 5703.58 of the Revised Code, in which 143189
case the person may file an application within six months after 143190
the date the assessment is issued. Any refund allowed under this 143191
division shall not exceed the amount of the assessment due for 143192
the same period. 143193

(F) On the filing of an application for a refund, the 143194
commissioner shall determine the amount of refund to which the 143195
applicant is entitled. If the amount is not less than that 143196
claimed, the commissioner shall certify that amount to the 143197
director of budget and management and the treasurer of state for 143198
payment from the tax refund fund created by section 5703.052 of 143199
the Revised Code. If the amount is less than that claimed, the 143200
commissioner shall proceed in accordance with section 5703.70 of 143201
the Revised Code. 143202

(G) When a refund is granted under this section, it shall 143203
include interest thereon as provided by section 5739.132 of the 143204
Revised Code, except that no such interest shall be granted when 143205
a refund is granted for illegal or erroneous payments made 143206
pursuant to a direct payment permit issued under section 143207
5739.031 of the Revised Code or division (I) of section 122.175 143208
of the Revised Code. 143209

Sec. 5739.09. (A) (1) A board of county commissioners may, 143210
by resolution adopted by a majority of the members of the board, 143211
levy an excise tax not to exceed three per cent on transactions 143212
by which lodging by a hotel is or is to be furnished to 143213
transient guests. The board shall establish all regulations 143214
necessary to provide for the administration and allocation of 143215

the tax. The regulations may prescribe the time for payment of 143216
the tax, and may provide for the imposition of a penalty or 143217
interest, or both, for late payments, provided that the penalty 143218
does not exceed ten per cent of the amount of tax due, and the 143219
rate at which interest accrues does not exceed the rate per 143220
annum prescribed pursuant to section 5703.47 of the Revised 143221
Code. Except as otherwise provided in this section, the 143222
regulations shall provide, after deducting the real and actual 143223
costs of administering the tax, for the return to each municipal 143224
corporation or township that does not levy an excise tax on the 143225
transactions, a uniform percentage of the tax collected in the 143226
municipal corporation or in the unincorporated portion of the 143227
township from each transaction, not to exceed thirty-three and 143228
one-third per cent. Except as provided in this section, the 143229
remainder of the revenue arising from the tax shall be deposited 143230
in a separate fund and shall be spent either (a) to make 143231
contributions to the convention and visitors' bureau operating 143232
within the county, including a pledge and contribution of any 143233
portion of the remainder pursuant to an agreement authorized by 143234
section 307.678 or 307.695 of the Revised Code or (b) to pay, if 143235
authorized in the regulations, for public safety services in a 143236
resort area designated under section 5739.101 of the Revised 143237
Code. 143238

(2) If the board of county commissioners of an eligible 143239
county as defined in section 307.678 or 307.695 of the Revised 143240
Code adopts a resolution amending a resolution levying a tax 143241
under division (A) of this section to provide that revenue from 143242
the tax shall be used by the board as described in either 143243
division (D) of section 307.678 or division (H) of section 143244
307.695 of the Revised Code, the remainder of the revenue shall 143245
be used as described in the resolution making that amendment. 143246

(3) Except as provided in division (B), (C), (D), (E), 143247
(F), (G), (H), (I), (J), (K), or (Q) of this section, on and 143248
after May 10, 1994, a board of county commissioners may not levy 143249
an excise tax pursuant to division (A) of this section in any 143250
municipal corporation or township located wholly or partly 143251
within the county that has in effect an ordinance or resolution 143252
levying an excise tax pursuant to division (B) of section 143253
5739.08 of the Revised Code. 143254

(4) The board of a county that has levied a tax under 143255
division (M) of this section may, by resolution adopted within 143256
ninety days after July 15, 1985, by a majority of the members of 143257
the board, amend the resolution levying a tax under division (A) 143258
of this section to provide for a portion of that tax to be 143259
pledged and contributed in accordance with an agreement entered 143260
into under section 307.695 of the Revised Code. A tax, any 143261
revenue from which is pledged pursuant to such an agreement, 143262
shall remain in effect at the rate at which it is imposed for 143263
the duration of the period for which the revenue from the tax 143264
has been so pledged. 143265

(5) The board of county commissioners of an eligible 143266
county as defined in section 307.695 of the Revised Code may, by 143267
resolution adopted by a majority of the members of the board, 143268
amend a resolution levying a tax under division (A) of this 143269
section to provide that the revenue from the tax shall be used 143270
by the board as described in division (H) of section 307.695 of 143271
the Revised Code, in which case the tax shall remain in effect 143272
at the rate at which it was imposed for the duration of any 143273
agreement entered into by the board under section 307.695 of the 143274
Revised Code, the duration during which any securities issued by 143275
the board under that section are outstanding, or the duration of 143276
the period during which the board owns a project as defined in 143277

section 307.695 of the Revised Code, whichever duration is 143278
longest. 143279

(6) The board of county commissioners of an eligible 143280
county as defined in section 307.678 of the Revised Code may, by 143281
resolution, amend a resolution levying a tax under division (A) 143282
of this section to provide that revenue from the tax, not to 143283
exceed five hundred thousand dollars each year, may be used as 143284
described in division (E) of section 307.678 of the Revised 143285
Code. 143286

(7) Notwithstanding division (A) of this section, the 143287
board of county commissioners of a county described in division 143288
(H) (1) of this section may, by resolution, amend a resolution 143289
levying a tax under division (A) of this section to provide that 143290
all or a portion of the revenue from the tax, including any 143291
revenue otherwise required to be returned to townships or 143292
municipal corporations under that division, may be used or 143293
pledged for the payment of debt service on securities issued to 143294
pay the costs of constructing, operating, and maintaining sports 143295
facilities described in division (H) (2) of this section. 143296

(8) The board of county commissioners of a county 143297
described in division (I) of this section may, by resolution, 143298
amend a resolution levying a tax under division (A) of this 143299
section to provide that all or a portion of the revenue from the 143300
tax may be used for the purposes described in section 307.679 of 143301
the Revised Code. 143302

(B) A board of county commissioners that levies an excise 143303
tax under division (A) of this section on June 30, 1997, at a 143304
rate of three per cent, and that has pledged revenue from the 143305
tax to an agreement entered into under section 307.695 of the 143306
Revised Code or, in the case of the board of county 143307

commissioners of an eligible county as defined in section 143308
307.695 of the Revised Code, has amended a resolution levying a 143309
tax under division (M) of this section to provide that proceeds 143310
from the tax shall be used by the board as described in division 143311
(H) of section 307.695 of the Revised Code, may, at any time by 143312
a resolution adopted by a majority of the members of the board, 143313
amend the resolution levying a tax under division (A) of this 143314
section to provide for an increase in the rate of that tax up to 143315
seven per cent on each transaction; to provide that revenue from 143316
the increase in the rate shall be used as described in division 143317
(H) of section 307.695 of the Revised Code or be spent solely to 143318
make contributions to the convention and visitors' bureau 143319
operating within the county to be used specifically for 143320
promotion, advertising, and marketing of the region in which the 143321
county is located; and to provide that the rate in excess of the 143322
three per cent levied under division (A) of this section shall 143323
remain in effect at the rate at which it is imposed for the 143324
duration of the period during which any agreement is in effect 143325
that was entered into under section 307.695 of the Revised Code 143326
by the board of county commissioners levying a tax under 143327
division (A) of this section, the duration of the period during 143328
which any securities issued by the board under division (I) of 143329
section 307.695 of the Revised Code are outstanding, or the 143330
duration of the period during which the board owns a project as 143331
defined in section 307.695 of the Revised Code, whichever 143332
duration is longest. The amendment also shall provide that no 143333
portion of that revenue need be returned to townships or 143334
municipal corporations as would otherwise be required under 143335
division (A) of this section. 143336

(C) (1) As used in division (C) of this section, "cost" and 143337
"facility" have the same meanings as in section 351.01 of the 143338

Revised Code, and "convention center" has the same meaning as in 143339
section 307.695 of the Revised Code. 143340

(2) A board of county commissioners that levies a tax 143341
under division (A) of this section on March 18, 1999, at a rate 143342
of three per cent may, by resolution adopted not later than 143343
forty-five days after March 18, 1999, amend the resolution 143344
levying the tax to provide for all of the following: 143345

(a) That the rate of the tax shall be increased by not 143346
more than an additional four per cent on each transaction; 143347

(b) That all of the revenue from the increase in the rate 143348
shall be pledged and contributed to a convention facilities 143349
authority established by the board of county commissioners under 143350
Chapter 351. of the Revised Code on or before November 15, 1998, 143351
and used to pay costs of constructing, maintaining, operating, 143352
and promoting a facility in the county, including paying bonds, 143353
or notes issued in anticipation of bonds, as provided by that 143354
chapter; 143355

(c) That no portion of the revenue arising from the 143356
increase in rate need be returned to municipal corporations or 143357
townships as otherwise required under division (A) of this 143358

division (H) of this section applies, by resolution adopted by a 143533
majority of the members of the board, may increase the rate of 143534
the tax by not more than one per cent on transactions by which 143535

resolution is adopted by the board before September 29, 2015, 143575
but after that enactment becomes law, the increase in rate shall 143576

pledged to the payment of such debt, the increase in rate is not 143580
subject to diminution by initiative or referendum or by law for 143581
so long as the securities are outstanding, unless provision is 143582
made by law or by the board of county commissioners for an 143583

(2) The board of county commissioners of a county to which 143603
division (J) of this section applies, by resolution adopted by a 143604
majority of the members of the board, may levy an excise tax at 143605

specified in the resolution. If revenue from the increase in 143626
rate is pledged to the payment of debt charges on securities, 143627

(K) (1) The board of county commissioners of an eligible 143634
county, as defined in section 307.678 of the Revised Code, that 143635

levying the tax to increase the rate of the tax by not more than 143639
an additional three per cent on each transaction. 143640

(2) No portion of the revenue shall be returned to 143641
townships or municipal corporations in the county unless 143642
otherwise provided by resolution of the board. Otherwise, the 143643
revenue from the increase in the rate shall be distributed and 143644
used in the same manner described under division (A) of this 143645
section or distributed or used to provide credit enhancement 143646
facilities as authorized under section 307.678 of the Revised 143647
Code. 143648

(3) The increase in rate shall remain in effect for the 143649
period specified in the resolution. If revenue from the increase 143650
in rate is pledged to the payment of debt charges on securities, 143651
the increase in rate is not subject to diminution by initiative 143652
or referendum or by law for so long as the securities are 143653
outstanding unless provision is made by law or by the board for 143654

operation of the facility. 143670

(2) Subject to division (L)(3) of this section, the board 143671
of county commissioners of an eligible county, by resolution 143672
adopted by a majority of the members of the board, may increase 143673
the rate of the tax by not more than one per cent on 143674
transactions by which lodging by a hotel is or is to be 143675

to the trustee if a trust agreement secures payment of the debt 143694
charges. The increase in rate shall be subject to the 143695
regulations adopted under division (A) of this section, except 143696
that the resolution may provide that no portion of the revenue 143697

resolution adopted within ninety days after July 15, 1985, by a 143712
majority of the members of the board, levy an additional excise 143713

lodging by a hotel is or is to be furnished to transient guests. 143715
The tax authorized by division (M) of this section shall be in 143716
addition to any tax that is levied pursuant to divisions (A) to 143717
(L) of this section, but it shall not apply to transactions 143718
subject to a tax levied by a municipal corporation or township 143719
pursuant to section 5739.08 of the Revised Code. 143720

provide for the administration and allocation of the tax. The 143722

regulations may prescribe the time for payment of the tax, and 143723

levying a tax under this division to provide that the revenue 143734
from the tax shall be used by the board as described in division 143735
(H) of section 307.695 of the Revised Code. 143736

(4) A tax imposed under this division shall remain in 143737
effect at the rate at which it is imposed for the duration of 143738
the period during which any agreement entered into by the board 143739
under section 307.695 of the Revised Code is in effect, the 143740
duration of the period during which any securities issued by the 143741
board under division (I) of section 307.695 of the Revised Code 143742
are outstanding, or the duration of the period during which the 143743
board owns a project as defined in section 307.695 of the 143744
Revised Code, whichever duration is longest. 143745

(N) (1) For the purpose of providing contributions under 143746
division (B) (1) of section 307.671 of the Revised Code to enable 143747
the acquisition, construction, and equipping of a port authority 143748
educational and cultural facility in the county and, to the 143749
extent provided for in the cooperative agreement authorized by 143750
that section, for the purpose of paying debt service charges on 143751
bonds, or notes in anticipation of bonds, described in division 143752

(B) (1) (b) of that section, a board of county commissioners, by 143753
resolution adopted within ninety days after December 22, 1992, 143754
by a majority of the members of the board, may levy an 143755
additional excise tax not to exceed one and one-half per cent on 143756
transactions by which lodging by a hotel is or is to be 143757
furnished to transient guests. The excise tax authorized by 143758
division (N) of this section shall be in addition to any tax 143759
that is levied pursuant to divisions (A) to (M) of this section, 143760
to any excise tax levied pursuant to section 5739.08 of the 143761
Revised Code, and to any excise tax levied pursuant to section 143762
351.021 of the Revised Code. 143763

(2) The board of county commissioners shall establish all 143764
regulations necessary to provide for the administration and 143765
allocation of the tax that are not inconsistent with this 143766
section or section 307.671 of the Revised Code. The regulations 143767
may prescribe the time for payment of the tax, and may provide 143768
for the imposition of a penalty or interest, or both, for late 143769
payments, provided that the penalty does not exceed ten per cent 143770
of the amount of tax due, and the rate at which interest accrues 143771
does not exceed the rate per annum prescribed pursuant to 143772
section 5703.47 of the Revised Code. 143773

(3) All revenues arising from the tax shall be expended in 143774
accordance with section 307.671 of the Revised Code and division 143775
(N) of this section. The levy of a tax imposed under division 143776
(N) of this section may not commence prior to the first day of 143777
the month next following the execution of the cooperative 143778
agreement authorized by section 307.671 of the Revised Code by 143779
all parties to that agreement. 143780

(4) The tax shall remain in effect at the rate at which it 143781
is imposed for the period of time described in division (C) of 143782

section 307.671 of the Revised Code for which the revenue from 143783
the tax has been pledged by the county to the corporation 143784
pursuant to that section, but, to any extent provided for in the 143785
cooperative agreement, for no lesser period than the period of 143786
time required for payment of the debt service charges on bonds, 143787
or notes in anticipation of bonds, described in division (B)(1) 143788
(b) of that section. 143789

(O) (1) For the purpose of paying the costs of acquiring, 143790
constructing, equipping, and improving a municipal educational 143791
and cultural facility, including debt service charges on bonds 143792
provided for in division (B) of section 307.672 of the Revised 143793
Code, and for any additional purposes determined by the county 143794
in the resolution levying the tax or amendments to the 143795
resolution, including subsequent amendments providing for paying 143796
costs of acquiring, constructing, renovating, rehabilitating, 143797
equipping, and improving a port authority educational and 143798
cultural performing arts facility, as defined in section 307.674 143799
of the Revised Code, and including debt service charges on bonds 143800
provided for in division (B) of section 307.674 of the Revised 143801
Code, the legislative authority of a county, by resolution 143802
adopted within ninety days after June 30, 1993, by a majority of 143803
the members of the legislative authority, may levy an additional 143804
excise tax not to exceed one and one-half per cent on 143805
transactions by which lodging by a hotel is or is to be 143806
furnished to transient guests. The excise tax authorized by 143807
division (O) of this section shall be in addition to any tax 143808
that is levied pursuant to divisions (A) to (N) of this section, 143809
to any excise tax levied pursuant to section 5739.08 of the 143810
Revised Code, and to any excise tax levied pursuant to section 143811
351.021 of the Revised Code. 143812

(2) The legislative authority of the county shall 143813

establish all regulations necessary to provide for the 143814
administration and allocation of the tax. The regulations may 143815
prescribe the time for payment of the tax, and may provide for 143816
the imposition of a penalty or interest, or both, for late 143817
payments, provided that the penalty does not exceed ten per cent 143818
of the amount of tax due, and the rate at which interest accrues 143819
does not exceed the rate per annum prescribed pursuant to 143820
section 5703.47 of the Revised Code. 143821

(3) All revenues arising from the tax shall be expended in 143822
accordance with section 307.672 of the Revised Code and this 143823
division. The levy of a tax imposed under this division shall 143824
not commence prior to the first day of the month next following 143825
the execution of the cooperative agreement authorized by section 143826
307.672 of the Revised Code by all parties to that agreement. 143827
The tax shall remain in effect at the rate at which it is 143828
imposed for the period of time determined by the legislative 143829
authority of the county. That period of time shall not exceed 143830
fifteen years, except that the legislative authority of a county 143831
with a population of less than two hundred fifty thousand 143832
according to the most recent federal decennial census, by 143833
resolution adopted by a majority of its members before the 143834
original tax or any extension thereof expires, may extend the 143835
duration of the tax for an additional period of time. The 143836
additional period of time by which a legislative authority 143837
extends a tax levied under division (O) of this section shall 143838
not exceed fifteen years. 143839

(P) (1) The legislative authority of a county that has 143840
levied a tax under division (O) of this section may, by 143841
resolution adopted within one hundred eighty days after January 143842
4, 2001, by a majority of the members of the legislative 143843
authority, amend the resolution levying a tax under that 143844

division to provide for the use of the proceeds of that tax, to 143845
the extent that it is no longer needed for its original purpose 143846
as determined by the parties to a cooperative agreement 143847
amendment pursuant to division (D) of section 307.672 of the 143848
Revised Code, to pay costs of acquiring, constructing, 143849
renovating, rehabilitating, equipping, and improving a port 143850
authority educational and cultural performing arts facility, 143851
including debt service charges on bonds provided for in division 143852
(B) of section 307.674 of the Revised Code, and to pay all 143853
obligations under any guaranty agreements, reimbursement 143854
agreements, or other credit enhancement agreements described in 143855
division (C) of section 307.674 of the Revised Code. 143856

(2) The resolution may also provide for the extension of 143857
the tax at the same rate for the longer of the period of time 143858
determined by the legislative authority of the county, but not 143859
to exceed an additional twenty-five years, or the period of time 143860
required to pay all debt service charges on bonds provided for 143861
in division (B) of section 307.672 of the Revised Code and on 143862
port authority revenue bonds provided for in division (B) of 143863
section 307.674 of the Revised Code. 143864

(3) All revenues arising from the amendment and extension 143865
of the tax shall be expended in accordance with section 307.674 143866
of the Revised Code and divisions (O) and (P) of this section. 143867

(Q) (1) As used in division (Q) of this section: 143868

(a) "Convention facilities authority" has the same meaning 143869
as in section 351.01 of the Revised Code. 143870

(b) "Convention center" has the same meaning as in section 143871
307.695 of the Revised Code. 143872

(2) Notwithstanding any contrary provision of division (N) 143873

of this section, the legislative authority of a county with a 143874
population of one million or more according to the most recent 143875
federal decennial census that has levied a tax under division 143876
(N) of this section may, by resolution adopted by a majority of 143877
the members of the legislative authority, provide for the 143878
extension of such levy and may provide that the proceeds of that 143879
tax, to the extent that they are no longer needed for their 143880
original purpose as defined by a cooperative agreement entered 143881
into under section 307.671 of the Revised Code, shall be 143882
deposited into the county general revenue fund. The resolution 143883
shall provide for the extension of the tax at a rate not to 143884
exceed the rate specified in division (N) of this section for a 143885
period of time determined by the legislative authority of the 143886
county, but not to exceed an additional forty years. 143887

(3) The legislative authority of a county with a 143888
population of one million or more that has levied a tax under 143889
division (A) of this section may, by resolution adopted by a 143890
majority of the members of the legislative authority, increase 143891
the rate of the tax levied by such county under division (A) of 143892
this section to a rate not to exceed five per cent on 143893
transactions by which lodging by a hotel is or is to be 143894
furnished to transient guests. Notwithstanding any contrary 143895
provision of division (A) of this section, the resolution may 143896
provide that all collections resulting from the rate levied in 143897
excess of three per cent, after deducting the real and actual 143898
costs of administering the tax, shall be deposited in the county 143899
general fund. 143900

(4) The legislative authority of a county with a 143901
population of one million or more that has levied a tax under 143902
division (A) of this section may, by resolution adopted on or 143903
before August 30, 2004, by a majority of the members of the 143904

legislative authority, provide that all or a portion of the 143905
proceeds of the tax levied under division (A) of this section, 143906
after deducting the real and actual costs of administering the 143907
tax and the amounts required to be returned to townships and 143908
municipal corporations with respect to the first three per cent 143909
levied under division (A) of this section, shall be deposited in 143910
the county general fund, provided that such proceeds shall be 143911
used to satisfy any pledges made in connection with an agreement 143912
entered into under section 307.695 of the Revised Code. 143913

(5) No amount collected from a tax levied, extended, or 143914
required to be deposited in the county general fund under 143915
division (Q) of this section shall be contributed to a 143916
convention facilities authority, corporation, or other entity 143917
created after July 1, 2003, for the principal purpose of 143918
constructing, improving, expanding, equipping, financing, or 143919
operating a convention center unless the mayor of the municipal 143920
corporation in which the convention center is to be operated by 143921
that convention facilities authority, corporation, or other 143922
entity has consented to the creation of that convention 143923
facilities authority, corporation, or entity. Notwithstanding 143924
any contrary provision of section 351.04 of the Revised Code, if 143925
a tax is levied by a county under division (Q) of this section, 143926
the board of county commissioners of that county may determine 143927
the manner of selection, the qualifications, the number, and 143928
terms of office of the members of the board of directors of any 143929
convention facilities authority, corporation, or other entity 143930
described in division (Q) (5) of this section. 143931

(6) (a) No amount collected from a tax levied, extended, or 143932
required to be deposited in the county general fund under 143933
division (Q) of this section may be used for any purpose other 143934
than paying the direct and indirect costs of constructing, 143935

improving, expanding, equipping, financing, or operating a 143936
convention center and for the real and actual costs of 143937
administering the tax, unless, prior to the adoption of the 143938
resolution of the legislative authority of the county 143939
authorizing the levy, extension, increase, or deposit, the 143940
county and the mayor of the most populous municipal corporation 143941
in that county have entered into an agreement as to the use of 143942
such amounts, provided that such agreement has been approved by 143943
a majority of the mayors of the other municipal corporations in 143944
that county. The agreement shall provide that the amounts to be 143945
used for purposes other than paying the convention center or 143946
administrative costs described in division (Q) (6) (a) of this 143947
section be used only for the direct and indirect costs of 143948
capital improvements, including the financing of capital 143949
improvements, except that the agreement may subsequently be 143950
amended by the parties that have entered into that agreement to 143951
authorize such amounts to instead be used for any costs related 143952
to the promotion or support of tourism or tourism-related 143953
programs. 143954

(b) If the county in which the tax is levied has an 143955
association of mayors and city managers, the approval of that 143956
association of an agreement described in division (Q) (6) (a) of 143957
this section shall be considered to be the approval of the 143958
majority of the mayors of the other municipal corporations for 143959
purposes of that division. 143960

(7) Each year, the auditor of state shall conduct an audit 143961
of the uses of any amounts collected from taxes levied, 143962
extended, or deposited under division (Q) of this section and 143963
shall prepare a report of the auditor of state's findings. The 143964
auditor of state shall submit the report to the legislative 143965
authority of the county that has levied, extended, or deposited 143966

the tax, the speaker of the house of representatives, the 143967
president of the senate, and the leaders of the minority parties 143968
of the house of representatives and the senate. 143969

(R) (1) As used in division (R) of this section: 143970

(a) "Convention facilities authority" has the same meaning 143971
as in section 351.01 of the Revised Code. 143972

(b) "Convention center" has the same meaning as in section 143973
307.695 of the Revised Code. 143974

(2) Notwithstanding any contrary provision of division (N) 143975
of this section, the legislative authority of a county with a 143976
population of one million two hundred thousand or more according 143977
to the most recent federal decennial census or the most recent 143978
annual population estimate published or released by the United 143979
States census bureau at the time the resolution is adopted 143980
placing the levy on the ballot, that has levied a tax under 143981
division (N) of this section may, by resolution adopted by a 143982
majority of the members of the legislative authority, provide 143983
for the extension of such levy and may provide that the proceeds 143984
of that tax, to the extent that the proceeds are no longer 143985
needed for their original purpose as defined by a cooperative 143986
agreement entered into under section 307.671 of the Revised Code 143987
and after deducting the real and actual costs of administering 143988
the tax, shall be used for paying the direct and indirect costs 143989
of constructing, improving, expanding, equipping, financing, or 143990
operating a convention center. The resolution shall provide for 143991
the extension of the tax at a rate not to exceed the rate 143992
specified in division (N) of this section for a period of time 143993
determined by the legislative authority of the county, but not 143994
to exceed an additional forty years. 143995

(3) The legislative authority of a county with a 143996
population of one million two hundred thousand or more that has 143997
levied a tax under division (A) of this section may, by 143998
resolution adopted by a majority of the members of the 143999
legislative authority, increase the rate of the tax levied by 144000
such county under division (A) of this section to a rate not to 144001
exceed five per cent on transactions by which lodging by a hotel 144002
is or is to be furnished to transient guests. Notwithstanding 144003
any contrary provision of division (A) of this section, the 144004
resolution shall provide that all collections resulting from the 144005
rate levied in excess of three per cent, after deducting the 144006
real and actual costs of administering the tax, shall be used 144007
for paying the direct and indirect costs of constructing, 144008
improving, expanding, equipping, financing, or operating a 144009
convention center. 144010

(4) The legislative authority of a county with a 144011
population of one million two hundred thousand or more that has 144012
levied a tax under division (A) of this section may, by 144013
resolution adopted on or before July 1, 2008, by a majority of 144014
the members of the legislative authority, provide that all or a 144015
portion of the proceeds of the tax levied under division (A) of 144016
this section, after deducting the real and actual costs of 144017
administering the tax and the amounts required to be returned to 144018
townships and municipal corporations with respect to the first 144019
three per cent levied under division (A) of this section, shall 144020
be used to satisfy any pledges made in connection with an 144021
agreement entered into under section 307.695 of the Revised Code 144022
or shall otherwise be used for paying the direct and indirect 144023
costs of constructing, improving, expanding, equipping, 144024
financing, or operating a convention center. 144025

(5) Any amount collected from a tax levied or extended 144026

under division (R) of this section may be contributed to a 144027
convention facilities authority created before July 1, 2005, but 144028
no amount collected from a tax levied or extended under division 144029
(R) of this section may be contributed to a convention 144030
facilities authority, corporation, or other entity created after 144031
July 1, 2005, unless the mayor of the municipal corporation in 144032
which the convention center is to be operated by that convention 144033
facilities authority, corporation, or other entity has consented 144034
to the creation of that convention facilities authority, 144035
corporation, or entity. 144036

(S) As used in division (S) of this section, "soldiers' 144037
memorial" means a memorial constructed and funded under Chapter 144038
345. of the Revised Code. 144039

The board of county commissioners of a county with a 144040
population between one hundred three thousand and one hundred 144041
seven thousand according to the most recent federal decennial 144042
census, by resolution adopted by a majority of the members of 144043
the board within six months after September 15, 2014, may levy a 144044
tax not to exceed three per cent on transactions by which a 144045
hotel is or is to be furnished to transient guests. The purpose 144046
of the tax shall be to pay the costs of expanding, maintaining, 144047
or operating a soldiers' memorial and the costs of administering 144048
the tax. All revenue arising from the tax shall be credited to 144049
one or more special funds in the county treasury and shall be 144050
spent solely for the purposes of paying those costs. 144051

The board of county commissioners shall adopt all rules 144052
necessary to provide for the administration of the tax subject 144053
to the same limitations on imposing penalty or interest under 144054
division (A) of this section. 144055

(T) As used in division (T) of this section: 144056

(1) "Eligible county" means a county in which a county 144057
agricultural society or independent agricultural society is 144058
organized under section 1711.01 or 1711.02 of the Revised Code, 144059
provided the agricultural society owns a facility or site in the 144060
county at which an annual harness horse race is conducted where 144061
one-day attendance equals at least forty thousand attendees. 144062

(2) "Permanent improvements," "debt charges," and 144063
"financing costs" have the same meanings as in section 133.01 of 144064
the Revised Code. 144065

(3) "Costs of permanent improvements" include all costs 144066
allowed in section 133.15 of the Revised Code. 144067

A board of county commissioners of an eligible county, by 144068
resolution adopted by a majority of the members of the board, 144069
may levy an excise tax at the rate of up to three per cent on 144070
transactions by which lodging by a hotel is or is to be 144071
furnished to transient guests for the purpose of paying the 144072
costs of permanent improvements at sites at which one or more 144073
agricultural societies conduct fairs or exhibits, including 144074
paying financing costs and debt charges on bonds, or notes in 144075
anticipation of bonds, paying the costs of maintaining or 144076
operating such permanent improvements, and paying the costs of 144077
administering the tax. 144078

A resolution adopted under division (T) of this section, 144079
other than a resolution that only extends the period of time for 144080
which the tax is levied, shall direct the board of elections to 144081
submit the question of the proposed lodging tax to the electors 144082
of the county at a special election held on the date specified 144083
by the board in the resolution, provided that the election 144084
occurs not less than ninety days after a certified copy of the 144085
resolution is transmitted to the board of elections. A 144086

resolution submitted to the electors under division (T) of this 144087
section shall not go into effect unless it is approved by a 144088
majority of those voting upon it. The resolution takes effect on 144089
the date the board of county commissioners receives notification 144090
from the board of elections of an affirmative vote. 144091

The tax shall remain in effect for the period specified in 144092
the resolution, not to exceed five years, and may be extended 144093
for an additional period of years that is at least the number of 144094
years required for payment of the debt charges on bonds or notes 144095
in anticipation of bonds authorized under this division but not 144096
in excess of fifteen years thereafter by a resolution adopted by 144097
a majority of the members of the board. A resolution extending 144098
the period of time for which the tax is in effect is not subject 144099
to approval of the electors of the county, but is subject to 144100
referendum under sections 305.31 to 305.99 of the Revised Code. 144101
All revenue arising from the tax shall be credited to one or 144102
more special funds in the county treasury and shall be spent 144103
solely for the purposes of paying the costs of such permanent 144104
improvements, including paying financing costs and debt charges 144105
on bonds, or notes in anticipation of bonds, and maintaining or 144106
operating the improvements. Revenue allocated for the use of a 144107
county agricultural society may be credited to the county 144108
agricultural society fund created in section 1711.16 of the 144109
Revised Code upon appropriation by the board. If revenue is 144110
credited to that fund, it shall be expended only as provided in 144111
that section. 144112

The board of county commissioners shall adopt all rules 144113
necessary to provide for the administration of the tax. The 144114
rules may prescribe the time for payment of the tax, and may 144115
provide for the imposition or penalty or interest, or both, for 144116
late payments, provided that the penalty does not exceed ten per 144117

cent of the amount of tax due, and the rate at which interest 144118
accrues does not exceed the rate per annum prescribed in section 144119
5703.47 of the Revised Code. 144120

The board of county commissioners may issue bonds, or 144121
notes in anticipation thereof, pursuant to Chapter 133. of the 144122
Revised Code, for the purpose of paying the costs of permanent 144123
improvements as authorized in this division and pledge the 144124
revenue arising from the tax for that purpose. The board of 144125
county commissioners may pledge or contribute the revenue 144126
arising from the tax levied under this division to a port 144127
authority created under Chapter 4582. of the Revised Code, and 144128
the port authority may issue bonds, or notes in anticipation 144129
thereof, pursuant to that chapter, for the purpose of paying the 144130
costs of permanent improvements as authorized in this division. 144131

provider as its agent shall not be entitled to the discount if 144527
the certified service provider receives a monetary allowance 144528
pursuant to section 5739.06 of the Revised Code for performing 144529

the vendor's sales and use tax functions in this state. Amounts 144530
paid to the clerk of courts pursuant to section 4505.06 of the 144531
Revised Code shall be subject to the applicable discount. The 144532
discount shall be in consideration for prompt payment to the 144533
clerk of courts and for other services performed by the vendor 144534
in the collection of the tax. 144535

(C) (1) Upon application to the tax commissioner, a vendor 144536
who is required to file monthly returns may be relieved of the 144537
requirement to report and pay the actual tax due, provided that 144538
the vendor agrees to remit to the commissioner payment of not 144539
less than an amount determined by the commissioner to be the 144540
average monthly tax liability of the vendor, based upon a review 144541
of the returns or other information pertaining to such vendor 144542
for a period of not less than six months nor more than two years 144543
immediately preceding the filing of the application. Vendors who 144544
agree to the above conditions shall make and file an annual or 144545
semiannual reconciliation return, as prescribed by the 144546
commissioner. The reconciliation return shall be filed 144547
electronically as directed by the tax commissioner, and payment 144548
of the amount of tax shown to be due thereon, after deduction of 144549
any discount provided in this section, shall be made 144550
electronically in a manner approved by the commissioner. Failure 144551
of a vendor to comply with any of the above conditions may 144552
result in immediate reinstatement of the requirement of 144553
reporting and paying the actual tax liability on each monthly 144554
return, and the commissioner may at the commissioner's 144555
discretion deny the vendor the right to report and pay based 144556
upon the average monthly liability for a period not to exceed 144557
two years. The amount ascertained by the commissioner to be the 144558
average monthly tax liability of a vendor may be adjusted, based 144559
upon a review of the returns or other information pertaining to 144560

the vendor for a period of not less than six months nor more 144561
than two years preceding such adjustment. 144562

(2) The commissioner may authorize vendors whose tax 144563
liability is not such as to merit monthly returns, as 144564
ascertained by the commissioner upon the basis of administrative 144565
costs to the state, to make and file returns at less frequent 144566
intervals. When returns are filed at less frequent intervals in 144567
accordance with such authorization, the vendor shall be allowed 144568
the discount provided in this section in consideration for 144569
prompt payment with the return, provided the return is filed and 144570
payment is made of the amount of tax shown to be due thereon, at 144571
the time specified by the commissioner, but a vendor that has 144572
selected a certified service provider as its agent shall not be 144573
entitled to the discount. 144574

(D) Any vendor who fails to file a return or to pay the 144575
full amount of the tax shown on the return to be due in the 144576
manner prescribed under this section and the rules of the 144577
commissioner may, for each such return, be required to forfeit 144578
and pay into the state treasury an additional charge not 144579
exceeding fifty dollars or ten per cent of the tax required to 144580
be paid for the reporting period, whichever is greater, as 144581
revenue arising from the tax imposed by this chapter, and such 144582
sum may be collected by assessment in the manner provided in 144583
section 5739.13 of the Revised Code. The commissioner may remit 144584
all or a portion of the additional charge and may adopt rules 144585
relating to the imposition and remission of the additional 144586
charge. 144587

(E) If the amount required to be collected by a vendor 144588
from consumers is in excess of the applicable percentage of the 144589
vendor's receipts from sales that are taxable under section 144590

5739.02 of the Revised Code, or in the case of sales subject to 144591
a tax levied pursuant to section 5739.021, 5739.023, or 5739.026 144592
of the Revised Code, in excess of the percentage equal to the 144593
aggregate rate of such taxes and the tax levied by section 144594
5739.02 of the Revised Code, such excess shall be remitted along 144595
with the remittance of the amount of tax due under section 144596
5739.10 of the Revised Code. 144597

(F) The commissioner, if the commissioner deems it 144598
necessary in order to insure the payment of the tax imposed by 144599
this chapter, may require returns and payments to be made for 144600
other than monthly periods. 144601

(G) Any vendor required to file a return and pay the tax 144602
under this section whose total payment for a year equals or 144603
exceeds the amount shown in division (A) of section 5739.122 of 144604
the Revised Code is subject to the accelerated tax payment 144605
requirements in divisions (B) and (C) of that section. For a 144606
vendor that operates from multiple locations or has multiple 144607
vendor's licenses, in determining whether the vendor's total 144608
payment equals or exceeds the amount shown in division (A) of 144609
that section, the vendor's total payment amount shall be the 144610
amount of the vendor's total tax liability for the previous 144611
calendar year for all of the vendor's locations or licenses. 144612

Sec. 5739.13. (A) If any vendor collects the tax imposed 144613
by or pursuant to section 5739.02, 5739.021, 5739.023, or 144614
5739.026 of the Revised Code, and fails to remit the tax to the 144615
state as prescribed, or on the sale of a motor vehicle, 144616
watercraft, or outboard motor required to be titled, fails to 144617
remit payment to a clerk of a court of common pleas as provided 144618
in section 1548.06 or 4505.06 of the Revised Code, the vendor 144619
shall be personally liable for any tax collected and not 144620

remitted. The tax commissioner may make an assessment against 144621
such vendor based upon any information in the commissioner's 144622
possession. 144623

If any vendor fails to collect the tax or any consumer 144624
fails to pay the tax imposed by or pursuant to section 5739.02, 144625
5739.021, 5739.023, or 5739.026 of the Revised Code, on any 144626
transaction subject to the tax, the vendor or consumer shall be 144627
personally liable for the amount of the tax applicable to the 144628
transaction. The commissioner may make an assessment against 144629
either the vendor or consumer, as the facts may require, based 144630
upon any information in the commissioner's possession. 144631

An assessment against a vendor when the tax imposed by or 144632
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 144633
the Revised Code has not been collected or paid, shall not 144634
discharge the purchaser's or consumer's liability to reimburse 144635
the vendor for the tax applicable to such transaction. 144636

An assessment issued against either, pursuant to this 144637
section, shall not be considered an election of remedies, nor a 144638
bar to an assessment against the other for the tax applicable to 144639
the same transaction, provided that no assessment shall be 144640
issued against any person for the tax due on a particular 144641
transaction if the tax on that transaction actually has been 144642
paid by another. 144643

The commissioner may make an assessment against any vendor 144644
who fails to file a return or remit the proper amount of tax 144645
required by this chapter, or against any consumer who fails to 144646
pay the proper amount of tax required by this chapter. When 144647
information in the possession of the commissioner indicates that 144648
the amount required to be collected or paid under this chapter 144649
is greater than the amount remitted by the vendor or paid by the 144650

consumer, the commissioner may audit a sample of the vendor's 144651
sales or the consumer's purchases for a representative period, 144652
to ascertain the per cent of exempt or taxable transactions or 144653
the effective tax rate and may issue an assessment based on the 144654
audit. The commissioner shall make a good faith effort to reach 144655
agreement with the vendor or consumer in selecting a 144656
representative sample. 144657

The commissioner may make an assessment, based on any 144658
information in the commissioner's possession, against any person 144659
who fails to file a return or remit the proper amount of tax 144660
required by section 5739.102 of the Revised Code. 144661

The commissioner may issue an assessment on any 144662
transaction for which any tax imposed under this chapter or 144663
Chapter 5741. of the Revised Code was due and unpaid on the date 144664
the vendor or consumer was informed by an agent of the tax 144665
commissioner of an investigation or audit. If the vendor or 144666
consumer remits any payment of the tax for the period covered by 144667
the assessment after the vendor or consumer was informed of the 144668
investigation or audit, the payment shall be credited against 144669
the amount of the assessment. 144670

The commissioner shall give the party assessed written 144671
notice of the assessment in the manner provided in section 144672
5703.37 of the Revised Code. With the notice, the commissioner 144673
shall provide instructions on how to petition for reassessment 144674
and request a hearing on the petition. 144675

(B) Unless the party assessed files with the commissioner 144676
within sixty days after service of the notice of assessment,— 144677
~~either personally or by certified mail,~~ a written petition for 144678
reassessment, signed by the party assessed or that party's 144679
authorized agent having knowledge of the facts, the assessment 144680

becomes final and the amount of the assessment is due from the 144681
party assessed and payable to the treasurer of state and 144682
remitted to the tax commissioner. The petition shall indicate 144683
the objections of the party assessed, but additional objections 144684
may be raised in writing if received by the commissioner prior 144685
to the date shown on the final determination. If the petition 144686
has been properly filed, the commissioner shall proceed under 144687
section 5703.60 of the Revised Code. 144688

(C) After an assessment becomes final, if any portion of 144689
the assessment remains unpaid, including accrued interest, a 144690
certified copy of the commissioner's entry making the assessment 144691
final may be filed in the office of the clerk of the court of 144692
common pleas in the county in which the place of business of the 144693
party assessed is located or the county in which the party 144694
assessed resides. If the party assessed maintains no place of 144695
business in this state and is not a resident of this state, the 144696
certified copy of the entry may be filed in the office of the 144697
clerk of the court of common pleas of Franklin county. 144698

Immediately upon the filing of the entry, the clerk shall 144699
enter a judgment for the state against the party assessed in the 144700
amount shown on the entry. The judgment may be filed by the 144701
clerk in a loose-leaf book entitled "special judgments for 144702
state, county, and transit authority retail sales tax" or, if 144703
appropriate, "special judgments for resort area excise tax," and 144704
shall have the same effect as other judgments. Execution shall 144705
issue upon the judgment upon the request of the tax 144706
commissioner, and all laws applicable to sales on execution 144707
shall apply to sales made under the judgment except as otherwise 144708
provided in this chapter. 144709

If the assessment is not paid in its entirety within sixty 144710

days after the date the assessment was issued, the portion of 144711
the assessment consisting of tax due shall bear interest at the 144712
rate per annum prescribed by section 5703.47 of the Revised Code 144713
from the day the tax commissioner issues the assessment until 144714
the assessment is paid or until it is certified to the attorney 144715
general for collection under section 131.02 of the Revised Code, 144716
whichever comes first. If the unpaid portion of the assessment 144717
is certified to the attorney general for collection, the entire 144718
unpaid portion of the assessment shall bear interest at the rate 144719
per annum prescribed by section 5703.47 of the Revised Code from 144720
the date of certification until the date it is paid in its 144721
entirety. Interest shall be paid in the same manner as the tax 144722
and may be collected by issuing an assessment under this 144723
section. 144724

(D) All money collected by the tax commissioner under this 144725
section shall be paid to the treasurer of state, and when paid 144726
shall be considered as revenue arising from the taxes imposed by 144727
or pursuant to sections 5739.01 to 5739.31 of the Revised Code. 144728

Sec. 5739.132. (A) If a tax, fee, or charge due under this 144729
chapter or Chapter 128. or 5741. of the Revised Code is not paid 144730
on or before the day the payment is required to be paid, 144731
interest shall accrue on the unpaid tax, fee, or charge at the 144732
rate per annum prescribed by section 5703.47 of the Revised Code 144733
from the day the tax, fee, or charge was required to be paid 144734
until the tax, fee, or charge is paid or until the day an 144735
assessment is issued under section 5739.13 or 5739.15 of the 144736
Revised Code, whichever occurs first. Interest shall be paid in 144737
the same manner as the tax, fee, or charge, and may be collected 144738
by assessment. 144739

~~(B) Interest~~ (B) (1) Except as provided in division (B) (2) 144740

of this section, interest shall be allowed and paid on any 144741
refund granted pursuant to section 128.47, 5739.07, or 5741.10 144742
of the Revised Code from the date of the overpayment. The 144743
interest shall be computed at the rate per annum prescribed by 144744
section 5703.47 of the Revised Code. 144745

(2) No interest shall be allowed or paid on a refund of a 144746
tax levied pursuant to section 5739.021, 5739.026, 5741.021, or 144747
5741.023 of the Revised Code. 144748

Sec. 5739.31. (A) (1) No person shall engage in the 144749
business of selling at retail or sell at retail incidental to 144750
any other regularly conducted business without having a license 144751
therefor, as required by sections 5739.01 to 5739.31 of the 144752
Revised Code. 144753

(2) No person shall engage in the business of selling at 144754
retail as a transient vendor, as defined in section 5739.17 of 144755
the Revised Code, without first having obtained a license as 144756
required by that section. 144757

(B) No person shall continue to engage in the business of 144758
selling at retail or sell at retail incidental to any other 144759
regularly conducted business after the license issued to that 144760
person pursuant to section 5739.17 of the Revised Code has been 144761
suspended by the tax commissioner under division (B) (2) of 144762
section 5739.30 of the Revised Code, nor shall any person obtain 144763
a new license from ~~the~~ any county auditor or the tax 144764
commissioner while such suspension is in effect. If a 144765
corporation's license has been suspended, none of its officers, 144766
or employees having control or supervision of or charged with 144767
the responsibility of filing returns and making payments of tax 144768
due, shall obtain a license from ~~the~~ any county auditor or the 144769
tax commissioner during the period of such suspension. The tax 144770

commissioner may cancel any licenses granted while the 144771
suspension is in effect. 144772

Sec. 5743.021. (A) As used in this section, "qualifying 144773
regional arts and cultural district" means a regional arts and 144774
cultural district created under section 3381.04 of the Revised 144775
Code in a county ~~having that either has a population of one-~~ 144776
~~million two hundred thousand or more according to the 2000-~~ 144777
~~federal decennial census~~ at least eight hundred thousand or has 144778
adopted a charter under Ohio Constitution, Article X, Section 3. 144779

(B) For one or more of the purposes for which a tax may be 144780
levied under section 3381.16 of the Revised Code and for the 144781
purposes of paying the expenses of administering the tax and the 144782
expenses charged by a board of elections to hold an election on 144783
a question submitted under this section, the board of county 144784
commissioners of a county that has within its territorial 144785
boundaries a qualifying regional arts and cultural district may 144786
levy a tax on the sale of cigarettes sold for resale at retail 144787
in the county composing the district computed on each cigarette 144788
sold. The rate of the tax, when added to the rate of any other 144789
tax concurrently levied by the board under this section, shall 144790
equal one of the following: 144791

(1) If the tax begins to apply before May 1, 2023, up to 144792
fifteen mills per cigarette; 144793

(2) If the tax begins to apply on or after ~~the first day-~~ 144794
~~of the first month after the effective date of this amendment~~ May 144795

resolution levying the tax. 144797

Only one sale of the same article shall be used in 144798
computing the amount of tax due. The tax may be levied for any 144799

number of years not exceeding ten years. 144800

The tax shall be levied pursuant to a resolution of the 144801
board of county commissioners approved by a majority of the 144802
electors in the county voting on the question of levying the 144803
tax. The resolution shall specify the rate of the tax, the 144804
number of years the tax will be levied, and the purposes for 144805
which the tax is levied. The election may be held on the date of 144806
a general, primary, or special election held not sooner than 144807
ninety days after the date the board certifies its resolution to 144808
the board of elections. If approved by the electors, the tax 144809
shall take effect on the first day of the month specified in the 144810
resolution but not sooner than the first day of the month that 144811
is at least sixty days after the certification of the election 144812
results by the board of elections. A copy of the resolution 144813
levying the tax shall be certified to the tax commissioner at 144814
least sixty days prior to the date on which the tax is to become 144815
effective. 144816

A board of county commissioners may adopt a resolution 144817
under this division proposing to replace a tax levied under 144818
division (B) (1) of this section with a tax levied under division 144819
(B) (2) of this section. Such a resolution shall state, in 144820
addition to other information required under this division, that 144821
the existing levy or levies terminate upon the passage of the 144822
replacement levy. The failure of the electors to approve a 144823
replacement levy does not terminate the existing levy or levies. 144824

(C) (1) The form of the ballot in an election held to 144825
propose a tax under division (B) (1) of this section shall be as 144826

(2) The form of the ballot in an election held to propose 144836

144845

	For the tax
	Against the tax

"

" 144846

If the resolution of the board of county commissioners 144847
provides that an existing levy or levies will be terminated upon 144848
the passage of a replacement levy, the ballot must, for each 144849
levy that will be terminated, include a statement that: "An 144850
existing tax of ____ mills (stating the millage of the existing 144851
tax) per cigarette, having ____ years remaining, will be 144852

terminated and replaced upon the passage of this tax." 144853

(D) All money arising from taxes levied on behalf of each 144854
district under this section and section 5743.321 of the Revised 144855
Code shall be credited as follows: 144856

(1) To the tax refund fund created by section 5703.052 of 144857
the Revised Code, amounts equal to the refunds from each tax 144858
levied under this section and section 5743.321 of the Revised 144859
Code and certified by the tax commissioner pursuant to section 144860
5743.05 of the Revised Code; 144861

(2) Following the crediting of amounts pursuant to 144862
division (D) (1) of this section: 144863

(a) To the permissive tax distribution fund created under 144864
section 4301.423 of the Revised Code, an amount equal to ninety- 144865
eight per cent of the remainder collected; 144866

(b) To the local excise tax administrative fund, which is 144867
hereby created in the state treasury, an amount equal to two per 144868
cent of such remainder, for use by the tax commissioner in 144869
defraying costs incurred in administering the tax. 144870

On or before the tenth day of each month, the tax 144871
commissioner shall distribute the amount credited to the 144872
permissive tax distribution fund during the preceding month by 144873
providing for payment of the appropriate amount to the county 144874
treasurer of the county in which the tax is levied. 144875

(E) No tax shall be levied under divisions (B) (1) and (2) 144876
of this section during the same month. 144877

Sec. 5743.024. (A) For the purposes of section 307.696 of 144878
the Revised Code, to pay the expenses of administering the tax, 144879
and to pay any or all of the charge the board of elections makes 144880

against the county to hold the election on the question of 144881
levying the tax, or for such purposes and to provide revenues to 144882
the county for permanent improvements, the board of county 144883
commissioners may levy a tax on sales of cigarettes sold for 144884
resale at retail in the county. The tax shall not exceed two and 144885
twenty-five hundredths of a mill per cigarette, and shall be 144886
computed on each cigarette sold. The tax may be levied for any 144887
number of years not exceeding twenty. Only one sale of the same 144888
article shall be used in computing the amount of tax due. 144889

The tax shall be levied pursuant to a resolution of the 144890
county commissioners approved by a majority of the electors in 144891
the county voting on the question of levying the tax. The 144892
resolution shall specify the rate of the tax, the number of 144893
years the tax will be levied, and the purposes for which the tax 144894
is levied. Such election may be held on the date of a general or 144895
special election held not sooner than ninety days after the date 144896
the board certifies its resolution to the board of elections. If 144897
approved by the electors, the tax shall take effect on the first 144898
day of the month specified in the resolution but not sooner than 144899
the first day of the month that is at least sixty days after the 144900
certification of the election results by the board of elections. 144901
A copy of the resolution levying the tax shall be certified to 144902
the tax commissioner at least sixty days prior to the date on 144903
which the tax is to become effective. 144904

A resolution under this section may be joined on the 144905
ballot as a single question with a resolution adopted under 144906

The commissioner may make an assessment against any 145078
wholesale or retail dealer who fails to file a return required 145079

The petition shall indicate the objections of the party 145111

court of common pleas in the county in which the wholesale or 145121
retail dealer's place of business is located or the county in 145122

same effect as other judgments. Execution shall issue upon the 145133
judgment upon the request of the tax commissioner, and all laws 145134
applicable to sales on execution shall apply to sales made under 145135
the judgment, except as otherwise provided in sections 5743.01 145136
to 5743.20 of the Revised Code. 145137

If the assessment is not paid in its entirety within sixty 145138
days after the assessment was issued, the portion of the 145139
assessment consisting of tax due shall bear interest at the rate 145140
per annum prescribed by section 5703.47 of the Revised Code from 145141
the day the commissioner issues the assessment until it is paid 145142
or until it is certified to the attorney general for collection 145143
under section 131.02 of the Revised Code, whichever comes first. 145144
If the unpaid portion of the assessment is certified to the 145145
attorney general for collection, the entire unpaid portion of 145146
the assessment shall bear interest at the rate per annum 145147
prescribed by section 5703.47 of the Revised Code from the date 145148

of certification until the date it is paid in its entirety. 145149
Interest shall be paid in the same manner as the tax and may be 145150
collected by the issuance of an assessment under this section. 145151

(D) All money collected by the tax commissioner under this 145152
section shall be paid to the treasurer of state, and when paid 145153
shall be considered as revenue arising from the taxes imposed by 145154
sections 5743.01 to 5743.20 of the Revised Code. 145155

under such division remains effective. 145169

No tax shall be levied under division (A) of this section 145170

Sec. 5743.52. (A) Each distributor of tobacco products or 145276
vapor distributor subject to the tax levied by section 5743.51 145277
or 5743.511 of the Revised Code, on or before the twenty-third 145278
day of each month, shall file with the tax commissioner a return 145279
for the preceding month showing any information the tax 145280
commissioner finds necessary for the proper administration of 145281
this chapter, together with remittance of the tax due. The 145282
return and payment of the tax required by this section shall be 145283
filed and made electronically on or before the twenty-third day 145284
of the month following the reporting period. If the return is 145285
filed and the amount of tax shown on the return to be due is 145286
paid on or before the date the return is required to be filed, 145287
the distributor or vapor distributor is entitled to a discount 145288
equal to two and five-tenths per cent of the amount shown on the 145289
return to be due. 145290

(B) Any person who fails to timely file the return and 145291
make payment of taxes as required under this section, section 145292
5743.62, or section 5743.63 of the Revised Code may be required 145293
to pay an additional charge not exceeding the greater of fifty 145294
dollars or ten per cent of the tax due. Any additional charge 145295

imposed under this section may be collected by assessment as 145296
provided in section 5743.56 of the Revised Code. 145297

(C) If any tax due is not paid timely in accordance with 145298
this section or section 5743.62 or 5743.63 of the Revised Code, 145299
the person liable for the tax shall pay interest, calculated at 145300
the rate per annum as prescribed by section 5703.47 of the 145301
Revised Code, from the date the tax payment was due to the date 145302
of payment or to the date an assessment is issued under section 145303
5743.56 of the Revised Code, whichever occurs first. The 145304
commissioner may collect such interest by assessment pursuant to 145305
section 5743.56 of the Revised Code. 145306

(D) The commissioner may authorize the filing of returns 145307
and the payment of the tax required by this section, section 145308
5743.62, or section 5743.63 of the Revised Code for periods 145309
longer than a calendar month. 145310

(E) The commissioner may order any taxpayer to file with 145311
the commissioner security to the satisfaction of the 145312
commissioner conditioned upon filing the return and paying the 145313
taxes required under this section, section 5743.62, or section 145314
5743.63 of the Revised Code if the commissioner believes that 145315
the collection of the tax may be in jeopardy. 145316

Sec. 5743.521. In addition to the return required by 145317
section 5743.52 of the Revised Code, each retail dealer of 145318
tobacco products or vapor products in a county in which a tax is 145319
levied under section 5743.511 of the Revised Code shall, within 145320
thirty days after the date on which the tax takes effect, make 145321
and file a return, on a form prescribed by the tax commissioner, 145322
showing the total number of tobacco products or vapor products 145323
which such retail dealer had on hand as of the beginning of 145324
business on the date on which the tax takes effect and such 145325

other information as the commissioner deems necessary for the 145326
administration of that section. Each such retail dealer shall 145327
deliver the return together with a remittance of the additional 145328
amount of tax due on the tobacco products or the vapor products 145329
shown on such return to the commissioner. Any retail dealer of 145330
tobacco products or vapor products who fails to file a return 145331
under this section shall, for each day the retail dealer so 145332
fails, forfeit and pay into the state treasury the sum of one 145333
dollar as revenue arising from the tax imposed by section 145334
5743.511 of the Revised Code, and such sum may be collected by 145335
assessment in the manner provided in section 5743.56 of the 145336
Revised Code. For thirty days after the effective date of a tax 145337
imposed by section 5743.511 of the Revised Code, a retail dealer 145338
may possess for sale or sell in the county in which the tax is 145339
levied tobacco products or vapor products if the tax has or will 145340
be paid. 145341

Sec. 5743.54. (A) Each distributor of tobacco products and 145342
each vapor distributor of vapor products shall maintain complete 145343
and accurate records of all purchases and sales of tobacco 145344
products or vapor products, and shall procure and retain all 145345
invoices, bills of lading, and other documents relating to the 145346
purchases and sales of those products. The distributor or vapor 145347
distributor shall keep open records and documents during 145348
business hours for the inspection of the tax commissioner, and 145349
shall preserve them for a period of three years from the date 145350
the return was due or was filed, whichever is later, unless the 145351
commissioner, in writing, consents to their destruction within 145352
that period, or orders that they be kept for a longer period of 145353
time. 145354

(B) (1) Each distributor of tobacco products and each vapor 145355
distributor of vapor products subject to the tax levied by 145356

section 5743.51 or 5743.511 of the Revised Code shall mark on 145357
the invoices of tobacco products or vapor products sold that the 145358
tax levied by that section has been paid and shall indicate the 145359
distributor's or vapor distributor's account number as assigned 145360
by the commissioner. 145361

(2) Each vapor distributor subject to the tax imposed by 145362
section 5743.51 of the Revised Code shall mark on all invoices 145363
the total weight of the vapor product, rounded to the nearest 145364
one-tenth of one gram, if the vapor product is not sold in 145365
liquid form. If the vapor product is sold in liquid form, the 145366
invoice shall instead indicate the total volume of the vapor 145367
product, rounded to the nearest one-tenth of one milliliter. 145368

(C) No person shall make a false entry upon any invoice or 145369
record upon which an entry is required by this section and no 145370
person shall present any false entry for the inspection of the 145371
commissioner with the intent to evade the tax levied under 145372
section 5743.51, 5743.511, 5743.62, ~~or 5743.621~~, 5743.63, or 145373
5743.631 of the Revised Code. 145374

Sec. 5743.55. Whenever the tax commissioner discovers any 145375
tobacco products or vapor products, subject to the tax levied 145376
under section 5743.51, 5743.511, 5743.62, ~~or 5743.621~~, 5743.63, 145377
or 5743.631 of the Revised Code upon which the tax has not been 145378
paid or the commissioner has reason to believe the tax is being 145379
avoided, the commissioner may seize and take possession of the 145380
tobacco products or vapor products, which, upon seizure, shall 145381
be forfeited to the state. Within a reasonable time after 145382
seizure, the commissioner may sell the forfeited products. From 145383
the proceeds of this sale, the commissioner shall pay the costs 145384
incurred in the seizure and sale, and any proceeds remaining 145385
after the sale shall be considered as revenue arising from the 145386

tax. The seizure and sale shall not relieve any person from the 145387
fine or imprisonment provided for violation of sections 5743.51 145388
to 5743.66 of the Revised Code. The commissioner shall make the 145389
sale where it is most convenient and economical, but may order 145390
the destruction of the forfeited products if the quantity or 145391
quality is not sufficient to warrant their sale. 145392

Sec. 5743.56. (A) Any person required to pay the tax 145393
imposed by section 5743.51, 5743.511, 5743.62, ~~or~~ 5743.621, 145394
5743.63, or 5743.631 of the Revised Code is personally liable 145395
for the tax. The tax commissioner may make an assessment, based 145396
upon any information in the commissioner's possession, against 145397
any person who fails to file a return or pay any tax, interest, 145398
or additional charge as required by this chapter. The 145399
commissioner shall give the person assessed written notice of 145400
such assessment in the manner provided in section 5703.37 of the 145401
Revised Code. With the notice, the commissioner shall provide 145402
instructions on how to petition for reassessment and request a 145403
hearing on the petition. 145404

(B) When the information in the possession of the tax 145405
commissioner indicates that a person liable for the tax imposed 145406
by section 5743.51, 5743.511, 5743.62, ~~or~~ 5743.621, 5743.63, or 145407
5743.631 of the Revised Code has not paid the full amount of tax 145408
due, the commissioner may audit a representative sample of the 145409
person's business and may issue an assessment based on such 145410
audit. 145411

(C) A penalty of up to fifteen per cent may be added to 145412
all amounts assessed under this section. The tax commissioner 145413
may adopt rules providing for the imposition and remission of 145414
such penalties. 145415

(D) Unless the person assessed files with the tax 145416

commissioner within sixty days after service of the notice of 145417
assessment, ~~either personally or by certified mail,~~ a written 145418
petition for reassessment signed by the person assessed or that 145419
person's authorized agent having knowledge of the facts, the 145420
assessment becomes final and the amount of the assessment is due 145421
and payable from the person assessed to the treasurer of state. 145422
A petition shall indicate the objections of the person assessed, 145423
but additional objections may be raised in writing if received 145424
by the commissioner prior to the date shown on the final 145425
determination. If the petition has been properly filed, the 145426
commissioner shall proceed under section 5703.60 of the Revised 145427
Code. 145428

(E) After an assessment becomes final, if any portion of 145429
the assessment, including accrued interest, remains unpaid, a 145430
certified copy of the tax commissioner's entry making the 145431
assessment final may be filed in the office of the clerk of the 145432
court of common pleas in the county in which the person assessed 145433
resides or in which the person assessed conducts business. If 145434
the person assessed maintains no place of business in this state 145435
and is not a resident of this state, the certified copy of the 145436
entry may be filed in the office of the clerk of the court of 145437
common pleas of Franklin county. 145438

Immediately upon the filing of the entry, the clerk shall 145439
enter a judgment for the state against the person assessed in 145440
the amount shown on the entry. The judgment may be filed by the 145441
clerk in a loose-leaf book entitled "special judgments for state 145442
tobacco products tax," and shall have the same effect as other 145443
judgments. Execution shall issue upon the judgment upon the 145444
request of the commissioner, and all laws applicable to sales on 145445
execution shall apply to sales made under the judgment. 145446

If the assessment is not paid in its entirety within sixty 145447
days after the day the assessment is issued, the portion of the 145448
assessment consisting of tax due shall bear interest at the rate 145449
per annum prescribed by section 5703.47 of the Revised Code from 145450
the day the commissioner issues the assessment until the 145451
assessment is paid or until it is certified to the attorney 145452
general for collection under section 131.02 of the Revised Code, 145453
whichever comes first. If the unpaid portion of the assessment 145454
is certified to the attorney general for collection, the entire 145455
unpaid portion of the assessment shall bear interest at the rate 145456
per annum prescribed by section 5703.47 of the Revised Code from 145457
the date of certification until the date it is paid in its 145458
entirety. Interest shall be paid in the same manner as the tax 145459
and may be collected by issuing an assessment under this 145460
section. 145461

(F) If the tax commissioner believes that collection of 145462
the tax will be jeopardized unless proceedings to collect or 145463
secure collection of the tax are instituted without delay, the 145464
commissioner may issue a jeopardy assessment against the person 145465
liable for the tax. Immediately upon the issuance of the 145466
jeopardy assessment, the commissioner shall file an entry with 145467
the clerk of the court of common pleas in the manner prescribed 145468
by division (E) of this section. Notice of the jeopardy 145469
assessment shall be served on the person assessed or the legal 145470
representative of the person assessed, as provided in section 145471
5703.37 of the Revised Code, within five days of the filing of 145472
the entry with the clerk. The total amount assessed is 145473
immediately due and payable, unless the person assessed files a 145474
petition for reassessment in accordance with division (D) of 145475
this section and provides security in a form satisfactory to the 145476
commissioner and in an amount sufficient to satisfy the unpaid 145477

balance of the assessment. Full or partial payment of the 145478
assessment does not prejudice the commissioner's consideration 145479
of the petition for reassessment. 145480

(G) All money collected by the tax commissioner under this 145481
section shall be paid to the treasurer of state as revenue 145482
arising from the tax imposed by sections 5743.51, 5743.62, and 145483
5743.63 of the Revised Code. 145484

Sec. 5743.57. (A) If any corporation, limited liability 145485
company, or business trust required to file returns pursuant to 145486
section 5743.52, 5743.62, or 5743.63 of the Revised Code fails 145487
to remit to the state any tax due under section 5743.51, 145488
5743.511, 5743.62, or 5743.621, 5743.63, or 5743.631 of the 145489
Revised Code, any of its employees having control or supervision 145490
of or charged with the responsibility of filing returns and 145491
making payments, and any of its officers, members, managers, 145492
trustees, or other persons who are responsible for the execution 145493
of the corporation's, limited liability company's, or business 145494
trust's fiscal responsibilities, is personally liable for the 145495
failure to remit the tax. The dissolution, termination, or 145496
bankruptcy of the corporation, limited liability company, or 145497
business trust does not discharge a responsible person's 145498
liability for the corporation's, limited liability company's, or 145499
business trust's failure to remit the tax due. The tax 145500
commissioner may assess a responsible person under section 145501
5743.56 of the Revised Code. 145502

(B) Except for assessments against responsible persons 145503
under division (A) of this section, no assessment of the tax 145504
imposed by section 5743.51, 5743.511, 5743.62, or 5743.621, 145505
5743.63, or 5743.631 of the Revised Code shall be made by the 145506
tax commissioner more than three years after the date on which 145507

the return for the period assessed was due or was filed, 145508
whichever date is later. This section does not bar an assessment 145509
when any of the following occurs: 145510

(1) The person assessed failed to file a return required 145511
by section 5743.52, 5743.62, or 5743.63 of the Revised Code; 145512

(2) The person assessed knowingly filed a false or 145513
fraudulent return; 145514

(3) The person assessed and the tax commissioner have 145515
waived in writing the time limitation. 145516

Sec. 5743.59. (A) No retail dealer of tobacco products or 145517
vapor products shall have in the retail dealer's possession 145518
tobacco products or vapor products on which the tax imposed by 145519
section 5743.51 and, if applicable, section 5743.511 of the 145520
Revised Code has not been paid unless the retail dealer is 145521
licensed under section 5743.61 of the Revised Code. Payment may 145522
be evidenced by invoices from distributors or vapor distributors 145523
stating the tax has been paid. 145524

(B) The tax commissioner may inspect any place where 145525
tobacco products or vapor products subject to the tax levied 145526
under section 5743.51 or 5743.511 of the Revised Code are sold 145527
or stored. 145528

(C) No person shall prevent or hinder the commissioner 145529
from making a full inspection of any place where tobacco 145530
products or vapor products subject to the tax imposed by section 145531
5743.51 or 5743.511 of the Revised Code are sold or stored, or 145532
prevent or hinder the full inspection of invoices, books, or 145533
records required to be kept by section 5743.54 of the Revised 145534
Code. 145535

Sec. 5743.60. No person shall prepare for shipment, ship, 145536

transport, deliver, prepare for distribution, or distribute 145537
tobacco products or vapor products, or otherwise engage or 145538
participate in the business of distributing tobacco products or 145539
vapor products, with the intent to avoid payment of the tax 145540
levied by section 5743.51, 5743.511, 5743.62, or 5743.621, 145541
5743.63, or 5743.631 of the Revised Code, when the wholesale 145542
price of the tobacco products or, in the case of a tax levied 145543
under section 5743.511, 5743.621, or 5743.631 of the Revised 145544
Code, the vapor products exceeds three hundred dollars, or when 145545
the vapor volume of the vapor products exceeds five hundred 145546
milliliters or five hundred grams, as applicable, during any 145547
twelve-month period. 145548

Sec. 5743.62. (A) To provide revenue for the general 145549
revenue fund of the state, an excise tax is hereby levied on the 145550
seller of tobacco products or vapor products in this state at 145551
one of the following rates: 145552

(1) For tobacco products other than little cigars or 145553
premium cigars, seventeen per cent of the wholesale price of the 145554
tobacco product whenever the tobacco product is delivered to a 145555
consumer in this state for the storage, use, or other 145556
consumption of such tobacco products. 145557

(2) For little cigars, thirty-seven per cent of the 145558
wholesale price of the little cigars whenever the little cigars 145559
are delivered to a consumer in this state for the storage, use, 145560
or other consumption of the little cigars. 145561

(3) For premium cigars, whenever the premium cigars are 145562
delivered to a consumer in this state for the storage, use, or 145563
other consumption of the premium cigars, the lesser of seventeen 145564
per cent of the wholesale price of such premium cigars or the 145565
maximum tax amount per each such premium cigar. 145566

(4) For vapor products, one cent multiplied by the vapor 145567
volume of vapor products when the vapor products are delivered 145568
to a consumer in this state for the storage, use, or other 145569
consumption of the vapor products. 145570

The tax imposed by this section applies only to sellers 145571
having substantial nexus with this state, as defined in section 145572
5741.01 of the Revised Code. 145573

(B) A seller of tobacco products or vapor products who has 145574
substantial nexus with this state as defined in section 5741.01 145575
of the Revised Code shall register with the tax commissioner and 145576
supply any information concerning the seller's contacts with 145577
this state as may be required by the tax commissioner. A seller 145578
who does not have substantial nexus with this state may 145579
voluntarily register with the tax commissioner. A seller who 145580
voluntarily registers with the tax commissioner is entitled to 145581
the same benefits and is subject to the same duties and 145582
requirements as a seller required to be registered with the tax 145583
commissioner under this division. 145584

(C) Each seller of tobacco products or vapor products 145585
subject to the tax levied by this section or section 5743.621 of 145586
the Revised Code, on or before the twenty-third day of each 145587
month, shall file with the tax commissioner a return for the 145588
preceding month showing any information the tax commissioner 145589
finds necessary for the proper administration of sections 145590
5743.51 to 5743.66 of the Revised Code, together with remittance 145591
of the tax due, payable to the treasurer of state. The return 145592
and payment of the tax required by this section shall be filed 145593
in such a manner that it is received by the tax commissioner on 145594
or before the twenty-third day of the month following the 145595
reporting period. If the return is filed and the amount of the 145596

tax shown on the return to be due is paid on or before the date 145597
the return is required to be filed, the seller is entitled to a 145598
discount equal to two and five-tenths per cent of the amount 145599
shown on the return to be due. 145600

(D) The tax commissioner shall immediately forward to the 145601
treasurer of state all money received from the tax levied by 145602
this section, and the treasurer shall credit the amount to the 145603
general revenue fund. 145604

(E) Each seller of tobacco products or vapor products 145605
subject to the tax levied by this section or section 5743.621 of 145606
the Revised Code shall mark on the invoices of tobacco products 145607
or vapor products sold that the tax levied by that section has 145608
been paid and shall indicate the seller's account number as 145609
assigned by the tax commissioner. 145610

Sec. 5743.621. For the same purposes for which it levies a 145611
tax under section 5743.511 of the Revised Code, the board of 145612
county commissioners of a county that levies a tax under that 145613
section shall adopt a resolution levying a tax at the same rate 145614
on the sellers of tobacco products or vapor products, as 145615
applicable, whenever the tobacco product or vapor product is 145616
delivered to a consumer in the county in which that tax is 145617
levied for the storage, use, or other consumption of such 145618
product. The tax shall take effect on the date that the tax 145619
levied under section 5743.511 of the Revised Code takes effect, 145620
and shall remain in effect as long as the tax levied under that 145621
section remains in effect. The tax imposed by this section 145622
applies only to sellers having substantial nexus with this 145623
state, as defined in section 5741.01 of the Revised Code. The 145624
tax levied under this section shall be in addition to the tax 145625
levied under section 5743.62 of the Revised Code. 145626

Sec. 5743.63. (A) To provide revenue for the general 145627
revenue fund of the state, an excise tax is hereby levied on the 145628
storage, use, or other consumption of tobacco products or vapor 145629
products at one of the following rates: 145630

(1) For tobacco products other than little cigars or 145631
premium cigars, seventeen per cent of the wholesale price of the 145632
tobacco product. 145633

(2) For little cigars, thirty-seven per cent of the 145634
wholesale price of the little cigars. 145635

(3) For premium cigars, the lesser of seventeen per cent 145636
of the wholesale price of the premium cigars or the maximum tax 145637
amount per each premium cigar. 145638

(4) For vapor products, one cent multiplied by the vapor 145639
volume of the vapor products. 145640

The tax levied under division (A) of this section is 145641
imposed only if the tax has not been paid by the seller as 145642
provided in section 5743.62 of the Revised Code, or by the 145643

Sec. 5745.03. (A) For each taxable year, each taxpayer 145700
shall file an annual report with the tax commissioner not later 145701
than the fifteenth day of the fourth month after the end of the 145702
taxpayer's taxable year, and shall remit with that report the 145703
amount of tax due as shown on the report less the amount paid 145704
for the year under section 5745.04 of the Revised Code. The 145705
~~remittance shall be made in the form prescribed by the~~ 145706
~~commissioner. If the amount payable with the report exceeds one~~ 145707
~~thousand dollars, the taxpayer shall remit the any amount due~~ 145708
with the report electronically in a manner prescribed by the 145709

commissioner shall extend the last day for filing the return 145723
required under this section ~~for the same period for which the~~ 145724
~~federal filing extension was granted. The commissioner may deny~~ 145725
~~the filing extension request only if the taxpayer fails to~~ 145726

~~extension request, owes past due taxes, interest, or penalty~~ 145728
~~under this chapter, or has failed to file a required report or~~ 145729
~~other document for a prior taxable year~~ to the fifteenth day of 145730
the eleventh month after the last day of the taxable year to 145731
which the return relates. The granting of an extension under 145732
this section does not extend the last day for paying taxes 145733
without penalty pursuant to this chapter unless the commissioner 145734
extends the payment date. 145735

(C) A taxpayer that has not requested or received an 145736
extension for filing the taxpayer's federal income tax return 145737

~~(7)~~ (4) Any other information the tax commissioner requires 145761

~~(D)~~ (E) The tax commissioner may require any reports 145763
required under this chapter to be filed in an electronic format. 145764

~~(E)~~ (F) A municipal corporation may not require a taxpayer 145765
required to file a report under this section to file a report of 145766
the taxpayer's income, but a municipal corporation may require a 145767
taxpayer to report to the municipal corporation the value of the 145768
taxpayer's real and tangible personal property situated in the 145769
municipal corporation, compensation paid by the taxpayer to its 145770

municipal corporation by the taxpayer, to the extent necessary 145772
for the municipal corporation to compute the taxpayer's 145773

~~(F)~~ (G) On or before the thirty-first day of January each 145776
year, each municipal corporation imposing a tax on income shall 145777
certify to the tax commissioner the rate of the tax in effect on 145778
the first day of January of that year. If any municipal 145779
corporation fails to certify its income tax rate as required by 145780
this division, the commissioner shall notify the director of 145781
budget and management, who, upon receiving such notification, 145782
shall withhold from each payment made to the municipal 145783
corporation under section 5745.05 of the Revised Code fifty per 145784
cent of the amount of the payment otherwise due the municipal 145785
corporation under that section as computed on the basis of the 145786
tax rate most recently certified until the municipal corporation 145787
certifies the tax rate in effect on the first day of January of 145788
that year. 145789

The tax rate used to determine the tax payable to a 145790
municipal corporation under this section for a taxpayer's 145791
taxable year shall be the tax rate in effect in a municipal 145792
corporation on the first day of January in that taxable year. If 145793
a taxpayer's taxable year is for a period less than twelve 145794
months that does not include the first day of January, the tax 145795
rate used to determine the tax payable to a municipal 145796
corporation under this section for the taxpayer's taxable year 145797
shall be the tax rate in effect in a municipal corporation on 145798
the first day of January in the preceding taxable year. 145799

Sec. 5745.04. (A) As used in this section, "combined tax 145800
liability" means the total of a taxpayer's income tax 145801
liabilities to all municipal corporations in this state for a 145802
taxable year. 145803

(B) Each taxpayer shall file a declaration of estimated tax report with, and remit estimated taxes to, the tax commissioner, payable to the treasurer of state, at the times and in the amounts prescribed in divisions (B) (1) to (4) of this section. The first taxable year a taxpayer is subject to this chapter, the estimated taxes the taxpayer is required to remit under this section shall be based solely on the current taxable year and not on the liability for the preceding taxable year.

(1) Not less than twenty-five per cent of the combined tax liability for the preceding taxable year or twenty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the fourth month after the end of the preceding taxable year.

(2) Not less than fifty per cent of the combined tax liability for the preceding taxable year or forty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the sixth month after the end of the preceding taxable year.

(3) Not less than seventy-five per cent of the combined tax liability for the preceding taxable year or sixty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the ninth month after the end of the preceding taxable year.

(4) Not less than one hundred per cent of the combined tax liability for the preceding taxable year or eighty per cent of the combined tax liability for the current taxable year shall have been remitted not later than the fifteenth day of the twelfth month after the end of the preceding taxable year.

(C) Each taxpayer shall report on the declaration of

estimated tax report the portion of the remittance that the 145833
taxpayer estimates that it owes to each municipal corporation 145834
for the taxable year. 145835

(D) Upon receiving a declaration of estimated tax report 145836
and remittance of estimated taxes under this section, the tax 145837
commissioner shall credit ninety-eight and one-half per cent of 145838
the remittance to the municipal income tax fund and credit the 145839
remainder to the municipal income tax administrative fund. 145840

(E) ~~If any remittance of estimated taxes is for one~~ 145841
~~thousand dollars or more, the~~ The taxpayer shall make the 145842
remittance of estimated taxes electronically as prescribed by 145843
section 5745.041 of the Revised Code. 145844

(F) Notwithstanding section 5745.08 or 5745.09 of the 145845
Revised Code, no penalty or interest shall be imposed on a 145846
taxpayer if the declaration of estimated tax report is properly 145847
filed, and the estimated tax is paid, within the time prescribed 145848
by division (B) of this section. 145849

Sec. 5745.09. (A) In case of any underpayment of the 145850
estimated tax under section 5745.04 of the Revised Code, ~~there~~ 145851
~~shall be added~~ the tax commissioner may add to the tax an amount 145852
determined at the rate per annum prescribed by section 5703.47 145853
of the Revised Code upon the amount of underpayment for the 145854
period of underpayment. 145855

(B) The amount of the underpayment shall be the excess of 145856
division (B) (1) over division (B) (2) of this section: 145857

(1) The amount of the estimated tax payment that would be 145858
required to be paid for the taxable year if the total estimated 145859
tax were equal to the total tax shown to be due on the annual 145860
report, or if no report was filed, the tax for such year; 145861

(2) The amount, if any, of the estimated tax paid on or 145862
before the last day prescribed for such payment. 145863

(C) The period of the underpayment shall run from the date 145864
the estimated tax payment was required to be made to the date on 145865
which such payment is made. For purposes of this section, a 145866
payment of estimated tax on any payment date shall be considered 145867
a payment of any previous underpayment only to the extent such 145868
payment exceeds the amount of the payment presently due. 145869

(D) All amounts collected under this section shall be 145870
considered as taxes collected under this chapter and shall be 145871
credited and distributed to municipal corporations in the same 145872
proportions as the taxpayer's taxes are distributed for the 145873
reporting period under section 5745.05 of the Revised Code or, 145874
if the taxpayer has filed the annual report for the year under 145875
section 5745.03 of the Revised Code, in the amounts found to be 145876
due to such municipal corporations on the basis of the annual 145877
report. 145878

Sec. 5745.12. (A) If any taxpayer required to file a 145879
report under this chapter fails to file the report within the 145880
time prescribed, files an incorrect report, or fails to remit 145881
the full amount of the tax due for the period covered by the 145882
report, the tax commissioner may make an assessment against the 145883
taxpayer for any deficiency for the period for which the report 145884
or tax is due, based upon any information in the commissioner's 145885
possession. 145886

The tax commissioner shall not make or issue an assessment 145887
against a taxpayer more than three years after the later of the 145888
final date the report subject to assessment was required to be 145889
filed or the date the report was filed. Such time limit may be 145890
extended if both the taxpayer and the commissioner consent in 145891

writing to the extension. Any such extension shall extend the 145892
three-year time limit in section 5745.11 of the Revised Code for 145893
the same period of time. There shall be no bar or limit to an 145894
assessment against a taxpayer that fails to file a report 145895
subject to assessment as required by this chapter, or that files 145896
a fraudulent report. The commissioner shall give the taxpayer 145897
assessed written notice of the assessment as provided in section 145898
5703.37 of the Revised Code. With the notice, the commissioner 145899
shall provide instructions on how to petition for reassessment 145900
and request a hearing on the petition. 145901

(B) Unless the taxpayer assessed files with the tax 145902
commissioner within sixty days after service of the notice of 145903
assessment, ~~either personally or by certified mail,~~ a written 145904
petition for reassessment signed by the authorized agent of the 145905
taxpayer assessed having knowledge of the facts, the assessment 145906
becomes final, and the amount of the assessment is due and 145907
payable from the taxpayer to the treasurer of state. The 145908
petition shall indicate the taxpayer's objections, but 145909
additional objections may be raised in writing if received by 145910
the commissioner prior to the date shown on the final 145911
determination. If the petition has been properly filed, the 145912
commissioner shall proceed under section 5703.60 of the Revised 145913
Code. 145914

(C) After an assessment becomes final, if any portion of 145915
the assessment remains unpaid, including accrued interest, a 145916
certified copy of the tax commissioner's entry making the 145917
assessment final may be filed in the office of the clerk of the 145918
court of common pleas in the county in which the taxpayer has an 145919
office or place of business in this state, the county in which 145920
the taxpayer's statutory agent is located, or Franklin county. 145921

Immediately upon the filing of the entry, the clerk shall 145922
enter a judgment against the taxpayer assessed in the amount 145923
shown on the entry. The judgment may be filed by the clerk in a 145924
loose-leaf book entitled "special judgments for municipal income 145925
taxes," and shall have the same effect as other judgments. 145926
Execution shall issue upon the judgment upon the request of the 145927
tax commissioner, and all laws applicable to sales on execution 145928
shall apply to sales made under the judgment. 145929

If the assessment is not paid in its entirety within sixty 145930
days after the day the assessment was issued, the portion of the 145931
assessment consisting of tax due shall bear interest at the rate 145932
per annum prescribed by section 5703.47 of the Revised Code from 145933
the day the commissioner issues the assessment until the 145934
assessment is paid or until it is certified to the attorney 145935
general for collection under section 131.02 of the Revised Code, 145936
whichever comes first. If the unpaid portion of the assessment 145937
is certified to the attorney general for collection, the entire 145938
unpaid portion of the assessment shall bear interest at the rate 145939
per annum prescribed by section 5703.47 of the Revised Code from 145940
the date of certification until the date it is paid in its 145941
entirety. Interest shall be paid in the same manner as the tax 145942
and may be collected by issuing an assessment under this 145943
section. 145944

(D) All money collected under this section shall be 145945
credited and distributed to the municipal corporation to which 145946
the money is owed based on the assessment issued under this 145947
section. 145948

(E) If the tax commissioner believes that collection of 145949
the tax imposed by this chapter will be jeopardized unless 145950
proceedings to collect or secure collection of the tax are 145951

instituted without delay, the commissioner may issue a jeopardy 145952
assessment against the taxpayer liable for the tax. Immediately 145953
upon the issuance of the jeopardy assessment, the commissioner 145954
shall file an entry with the clerk of the court of common pleas 145955
in the manner prescribed by division (C) of this section. Notice 145956
of the jeopardy assessment shall be served on the taxpayer 145957
assessed or the taxpayer's legal representative in the manner 145958
provided in section 5703.37 of the Revised Code within five days 145959
of the filing of the entry with the clerk. The total amount 145960
assessed is immediately due and payable, unless the taxpayer 145961
assessed files a petition for reassessment in accordance with 145962
division (B) of this section and provides security in a form 145963
satisfactory to the commissioner and in an amount sufficient to 145964
satisfy the unpaid balance of the assessment. Full or partial 145965
payment of the assessment does not prejudice the commissioner's 145966
consideration of the petition for reassessment. 145967

(F) Notwithstanding the fact that a petition for 145968
reassessment is pending, the taxpayer may pay all or a portion 145969
of the assessment that is the subject of the petition. The 145970
acceptance of a payment by the treasurer of state does not 145971
prejudice any claim for refund upon final determination of the 145972
petition. 145973

If upon final determination of the petition an error in 145974
the assessment is corrected by the tax commissioner, upon 145975
petition so filed or pursuant to a decision of the board of tax 145976
appeals or any court to which the determination or decision has 145977
been appealed, so that the amount due from the taxpayer under 145978
the corrected assessment is less than the portion paid, there 145979
shall be issued to the taxpayer, its assigns, or legal 145980
representative a refund in the amount of the overpayment as 145981
provided by section 5745.11 of the Revised Code, with interest 145982

on that amount as provided by section 5745.11 of the Revised 145983
Code. 145984

Sec. 5747.01. Except as otherwise expressly provided or 145985
clearly appearing from the context, any term used in this 145986
chapter that is not otherwise defined in this section has the 145987
same meaning as when used in a comparable context in the laws of 145988
the United States relating to federal income taxes or if not 145989

the extent that the loss has been deducted or the gain has been	146036
included in computing federal adjusted gross income.	146037
(9) Deduct or add amounts, as provided under section	146038
5747.70 of the Revised Code, related to contributions made to or	146039

tuition units purchased under a qualified tuition program 146040
established pursuant to section 529 of the Internal Revenue 146041
Code. 146042

(10) (a) Deduct, to the extent not otherwise allowable as a 146043
deduction or exclusion in computing federal or Ohio adjusted 146044
gross income for the taxable year, the amount the taxpayer paid 146045
during the taxable year for medical care insurance and qualified 146046
long-term care insurance for the taxpayer, the taxpayer's 146047
spouse, and dependents. No deduction for medical care insurance 146048
under division (A) (10) (a) of this section shall be allowed 146049
either to any taxpayer who is eligible to participate in any 146050
subsidized health plan maintained by any employer of the 146051
taxpayer or of the taxpayer's spouse, or to any taxpayer who is 146052
entitled to, or on application would be entitled to, benefits 146053
under part A of Title XVIII of the "Social Security Act," 49 146054
Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of 146055
division (A) (10) (a) of this section, "subsidized health plan" 146056
means a health plan for which the employer pays any portion of 146057
the plan's cost. The deduction allowed under division (A) (10) (a) 146058
of this section shall be the net of any related premium refunds, 146059
related premium reimbursements, or related insurance premium 146060
dividends received during the taxable year. 146061

(b) Deduct, to the extent not otherwise deducted or 146062
excluded in computing federal or Ohio adjusted gross income 146063
during the taxable year, the amount the taxpayer paid during the 146064
taxable year, not compensated for by any insurance or otherwise, 146065
for medical care of the taxpayer, the taxpayer's spouse, and 146066
dependents, to the extent the expenses exceed seven and one-half 146067
per cent of the taxpayer's federal adjusted gross income. 146068

(c) For purposes of division (A) (10) of this section, 146069

"medical care" has the meaning given in section 213 of the Internal Revenue Code, subject to the special rules, limitations, and exclusions set forth therein, and "qualified long-term care" has the same meaning given in section 7702B(c) of the Internal Revenue Code. Solely for purposes of division (A)(10)(a) of this section, "dependent" includes a person who otherwise would be a "qualifying relative" and thus a "dependent" under section 152 of the Internal Revenue Code but for the fact that the person fails to meet the income and support limitations under section 152(d)(1)(B) and (C) of the Internal Revenue Code.

(11)(a) Deduct any amount included in federal adjusted gross income solely because the amount represents a reimbursement or refund of expenses that in any year the taxpayer had deducted as an itemized deduction pursuant to section 63 of the Internal Revenue Code and applicable United States department of the treasury regulations. The deduction otherwise allowed under division (A)(11)(a) of this section shall be reduced to the extent the reimbursement is attributable to an amount the taxpayer deducted under this section in any taxable year.

(b) Add any amount not otherwise included in Ohio adjusted gross income for any taxable year to the extent that the amount is attributable to the recovery during the taxable year of any amount deducted or excluded in computing federal or Ohio adjusted gross income in any taxable year.

(12) Deduct any portion of the deduction described in section 1341(a)(2) of the Internal Revenue Code, for repaying previously reported income received under a claim of right, that meets both of the following requirements:

(a) It is allowable for repayment of an item that was 146100
included in the taxpayer's adjusted gross income for a prior 146101
taxable year and did not qualify for a credit under division (A) 146102
or (B) of section 5747.05 of the Revised Code for that year; 146103

(b) It does not otherwise reduce the taxpayer's adjusted 146104
gross income for the current or any other taxable year. 146105

(13) Deduct an amount equal to the deposits made to, and 146106
net investment earnings of, a medical savings account during the 146107
taxable year, in accordance with section 3924.66 of the Revised 146108
Code. The deduction allowed by division (A) (13) of this section 146109
does not apply to medical savings account deposits and earnings 146110
otherwise deducted or excluded for the current or any other 146111
taxable year from the taxpayer's federal adjusted gross income. 146112

(14) (a) Add an amount equal to the funds withdrawn from a 146113
medical savings account during the taxable year, and the net 146114
investment earnings on those funds, when the funds withdrawn 146115
were used for any purpose other than to reimburse an account 146116
holder for, or to pay, eligible medical expenses, in accordance 146117
with section 3924.66 of the Revised Code; 146118

(b) Add the amounts distributed from a medical savings 146119
account under division (A) (2) of section 3924.68 of the Revised 146120
Code during the taxable year. 146121

(15) Add any amount claimed as a credit under section 146122
5747.059 of the Revised Code to the extent that such amount 146123
satisfies either of the following: 146124

(a) The amount was deducted or excluded from the 146125
computation of the taxpayer's federal adjusted gross income as 146126
required to be reported for the taxpayer's taxable year under 146127
the Internal Revenue Code; 146128

(b) The amount resulted in a reduction of the taxpayer's 146129
federal adjusted gross income as required to be reported for any 146130
of the taxpayer's taxable years under the Internal Revenue Code. 146131

(16) Deduct the amount contributed by the taxpayer to an 146132
individual development account program established by a county 146133
department of job and family services pursuant to sections 146134
329.11 to 329.14 of the Revised Code for the purpose of matching 146135
funds deposited by program participants. On request of the tax 146136
commissioner, the taxpayer shall provide any information that, 146137
in the tax commissioner's opinion, is necessary to establish the 146138
amount deducted under division (A) (16) of this section. 146139

(17) (a) (i) Subject to divisions (A) (17) (a) (iii), (iv), and 146140
(v) of this section, add five-sixths of the amount of 146141
depreciation expense allowed by subsection (k) of section 168 of 146142
the Internal Revenue Code, including the taxpayer's 146143
proportionate or distributive share of the amount of 146144
depreciation expense allowed by that subsection to a pass- 146145
through entity in which the taxpayer has a direct or indirect 146146
ownership interest. 146147

(ii) Subject to divisions (A) (17) (a) (iii), (iv), and (v) 146148
of this section, add five-sixths of the amount of qualifying 146149
section 179 depreciation expense, including the taxpayer's 146150
proportionate or distributive share of the amount of qualifying 146151
section 179 depreciation expense allowed to any pass-through 146152
entity in which the taxpayer has a direct or indirect ownership 146153
interest. 146154

(iii) Subject to division (A) (17) (a) (v) of this section, 146155
for taxable years beginning in 2012 or thereafter, if the 146156
increase in income taxes withheld by the taxpayer is equal to or 146157
greater than ten per cent of income taxes withheld by the 146158

taxpayer during the taxpayer's immediately preceding taxable 146159
year, "two-thirds" shall be substituted for "five-sixths" for 146160
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 146161

(iv) Subject to division (A) (17) (a) (v) of this section, 146162
for taxable years beginning in 2012 or thereafter, a taxpayer is 146163
not required to add an amount under division (A) (17) of this 146164
section if the increase in income taxes withheld by the taxpayer 146165
and by any pass-through entity in which the taxpayer has a 146166
direct or indirect ownership interest is equal to or greater 146167
than the sum of (I) the amount of qualifying section 179 146168
depreciation expense and (II) the amount of depreciation expense 146169
allowed to the taxpayer by subsection (k) of section 168 of the 146170
Internal Revenue Code, and including the taxpayer's 146171
proportionate or distributive shares of such amounts allowed to 146172
any such pass-through entities. 146173

(v) If a taxpayer directly or indirectly incurs a net 146174
operating loss for the taxable year for federal income tax 146175
purposes, to the extent such loss resulted from depreciation 146176
expense allowed by subsection (k) of section 168 of the Internal 146177
Revenue Code and by qualifying section 179 depreciation expense, 146178
"the entire" shall be substituted for "five-sixths of the" for 146179
the purpose of divisions (A) (17) (a) (i) and (ii) of this section. 146180

The tax commissioner, under procedures established by the 146181
commissioner, may waive the add-backs related to a pass-through 146182
entity if the taxpayer owns, directly or indirectly, less than 146183
five per cent of the pass-through entity. 146184

(b) Nothing in division (A) (17) of this section shall be 146185
construed to adjust or modify the adjusted basis of any asset. 146186

(c) To the extent the add-back required under division (A) 146187

(17) (a) of this section is attributable to property generating 146188
nonbusiness income or loss allocated under section 5747.20 of 146189
the Revised Code, the add-back shall be situated to the same 146190
location as the nonbusiness income or loss generated by the 146191
property for the purpose of determining the credit under 146192
division (A) of section 5747.05 of the Revised Code. Otherwise, 146193
the add-back shall be apportioned, subject to one or more of the 146194
four alternative methods of apportionment enumerated in section 146195
5747.21 of the Revised Code. 146196

(d) For the purposes of division (A) (17) (a) (v) of this 146197
section, net operating loss carryback and carryforward shall not 146198
include the allowance of any net operating loss deduction 146199
carryback or carryforward to the taxable year to the extent such 146200
loss resulted from depreciation allowed by section 168(k) of the 146201
Internal Revenue Code and by the qualifying section 179 146202
depreciation expense amount. 146203

(e) For the purposes of divisions (A) (17) and (18) of this 146204
section: 146205

(i) "Income taxes withheld" means the total amount 146206
withheld and remitted under sections 5747.06 and 5747.07 of the 146207
Revised Code by an employer during the employer's taxable year. 146208

(ii) "Increase in income taxes withheld" means the amount 146209
by which the amount of income taxes withheld by an employer 146210
during the employer's current taxable year exceeds the amount of 146211
income taxes withheld by that employer during the employer's 146212
immediately preceding taxable year. 146213

(iii) "Qualifying section 179 depreciation expense" means 146214
the difference between (I) the amount of depreciation expense 146215
directly or indirectly allowed to a taxpayer under section 179 146216

of the Internal Revised Code, and (II) the amount of 146217
depreciation expense directly or indirectly allowed to the 146218
taxpayer under section 179 of the Internal Revenue Code as that 146219
section existed on December 31, 2002. 146220

(18) (a) If the taxpayer was required to add an amount 146221
under division (A) (17) (a) of this section for a taxable year, 146222
deduct one of the following: 146223

(i) One-fifth of the amount so added for each of the five 146224
succeeding taxable years if the amount so added was five-sixths 146225

expense allowed by subsection (k) of section 168 of the Internal 146227
Revenue Code; 146228

(ii) One-half of the amount so added for each of the two 146229
succeeding taxable years if the amount so added was two-thirds 146230
of such depreciation expense; 146231

(iii) One-sixth of the amount so added for each of the six 146232
succeeding taxable years if the entire amount of such 146233
depreciation expense was so added. 146234

(b) If the amount deducted under division (A) (18) (a) of 146235
this section is attributable to an add-back allocated under 146236
division (A) (17) (c) of this section, the amount deducted shall 146237
be situated to the same location. Otherwise, the ~~add-back~~ 146238
deduction shall be apportioned using the apportionment factors 146239
for the taxable year in which the deduction is taken, subject to 146240
one or more of the four alternative methods of apportionment 146241
enumerated in section 5747.21 of the Revised Code. 146242

(c) No deduction is available under division (A) (18) (a) of 146243
this section with regard to any depreciation allowed by section 146244
168(k) of the Internal Revenue Code and by the qualifying 146245

section 179 depreciation expense amount to the extent that such 146246
depreciation results in or increases a federal net operating 146247
loss carryback or carryforward. If no such deduction is 146248
available for a taxable year, the taxpayer may carry forward the 146249
amount not deducted in such taxable year to the next taxable 146250
year and add that amount to any deduction otherwise available 146251
under division (A) (18) (a) of this section for that next taxable 146252
year. The carryforward of amounts not so deducted shall continue 146253
until the entire addition required by division (A) (17) (a) of 146254
this section has been deducted. 146255

under section 5919.33 of the Revised Code. 146265

(21) Deduct, to the extent included in federal adjusted 146266
gross income and not otherwise allowable as a deduction or 146267

report as farm income on its federal income tax return, but only 146845
if the assets of the trust include at least ten acres of land 146846
satisfying the definition of "land devoted exclusively to 146847
agricultural use" under section 5713.30 of the Revised Code, 146848

(15) Add, to the extent not otherwise included in 146868
computing taxable income or Ohio taxable income for any taxable 146869
year, the taxpayer's proportionate share of the amount of the 146870
tax levied under section 5747.38 of the Revised Code and paid by 146871
an electing pass-through entity for the taxable year. 146872

(16) Add any income taxes deducted in computing federal 146873

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the qualifying trust amount, and other than qualifying investment income, as defined in section 5747.012 of the Revised Code, to the extent such qualifying investment income is not otherwise part of modified business income.

(4) "Modified Ohio taxable income" applies only to trusts, and means the sum of the amounts described in divisions (AA) (4) (a) to (c) of this section:

(a) The fraction, calculated under section 5747.013, and applying section 5747.231 of the Revised Code, multiplied by the sum of the following amounts:

assets everywhere on the last day of the qualifying investee's 146947
fiscal or calendar year ending immediately prior to the day on 146948
which the trust recognizes the qualifying trust amount. If, for 146949
a taxable year, the trust recognizes a qualifying trust amount 146950
with respect to more than one qualifying investee, the amount 146951
described in division (AA) (4) (b) of this section shall equal the 146952

investee. 146954

(c) (i) With respect to a trust or portion of a trust that 146955

(ii) With respect to a trust or portion of a trust that is 146958
not a resident as ascertained in accordance with division (I) (3) 146959

respect to a trust or portion of a trust that is not a resident 146964
as ascertained in accordance with division (I) (3) (d) of this 146965
section, the trust's portion of modified nonbusiness income 146966
recognized from the sale, exchange, or other disposition of a 146967
debt interest in or equity interest in a section 5747.212 146968
entity, as defined in section 5747.212 of the Revised Code, 146969

allocated to this state in accordance with section 5747.20 of 146971
the Revised Code but shall be apportioned to this state in 146972
accordance with division (B) of section 5747.212 of the Revised 146973
Code without regard to division (A) of that section. 146974

If the allocation and apportionment of a trust's income 146975
under divisions (AA) (4) (a) and (c) of this section do not fairly 146976
represent the modified Ohio taxable income of the trust in this 146977
state, the alternative methods described in division (C) of 146978
section 5747.21 of the Revised Code may be applied in the manner 146979
and to the same extent provided in that section. 146980

(5) (a) Except as set forth in division (AA) (5) (b) of this 146981
section, "qualifying investee" means a person in which a trust 146982
has an equity or ownership interest, or a person or unit of 146983
government the debt obligations of either of which are owned by 146984
a trust. For the purposes of division (AA) (2) (a) of this section 146985
and for the purpose of computing the fraction described in 146986
division (AA) (4) (b) of this section, all of the following apply: 146987

(i) If the qualifying investee is a member of a qualifying 146988
controlled group on the last day of the qualifying investee's 146989
fiscal or calendar year ending immediately prior to the date on 146990
which the trust recognizes the gain or loss, then "qualifying 146991
investee" includes all persons in the qualifying controlled 146992
group on such last day. 146993

(ii) If the qualifying investee, or if the qualifying 146994
investee and any members of the qualifying controlled group of 146995
which the qualifying investee is a member on the last day of the 146996
qualifying investee's fiscal or calendar year ending immediately 146997
prior to the date on which the trust recognizes the gain or 146998
loss, separately or cumulatively own, directly or indirectly, on 146999
the last day of the qualifying investee's fiscal or calendar 147000
year ending immediately prior to the date on which the trust 147001
recognizes the qualifying trust amount, more than fifty per cent 147002
of the equity of a pass-through entity, then the qualifying 147003
investee and the other members are deemed to own the 147004

proportionate share of the pass-through entity's physical assets 147005
which the pass-through entity directly or indirectly owns on the 147006
last day of the pass-through entity's calendar or fiscal year 147007
ending within or with the last day of the qualifying investee's 147008
fiscal or calendar year ending immediately prior to the date on 147009
which the trust recognizes the qualifying trust amount. 147010

(iii) For the purposes of division (AA) (5) (a) (iii) of this 147011
section, "upper level pass-through entity" means a pass-through 147012
entity directly or indirectly owning any equity of another pass- 147013
through entity, and "lower level pass-through entity" means that 147014
other pass-through entity. 147015

An upper level pass-through entity, whether or not it is 147016
also a qualifying investee, is deemed to own, on the last day of 147017
the upper level pass-through entity's calendar or fiscal year, 147018
the proportionate share of the lower level pass-through entity's 147019
physical assets that the lower level pass-through entity 147020
directly or indirectly owns on the last day of the lower level 147021
pass-through entity's calendar or fiscal year ending within or 147022
with the last day of the upper level pass-through entity's 147023
fiscal or calendar year. If the upper level pass-through entity 147024
directly and indirectly owns less than fifty per cent of the 147025
equity of the lower level pass-through entity on each day of the 147026
upper level pass-through entity's calendar or fiscal year in 147027
which or with which ends the calendar or fiscal year of the 147028
lower level pass-through entity and if, based upon clear and 147029
convincing evidence, complete information about the location and 147030
cost of the physical assets of the lower pass-through entity is 147031
not available to the upper level pass-through entity, then 147032
solely for purposes of ascertaining if a gain or loss 147033
constitutes a qualifying trust amount, the upper level pass- 147034
through entity shall be deemed as owning no equity of the lower 147035

level pass-through entity for each day during the upper level 147036
pass-through entity's calendar or fiscal year in which or with 147037
which ends the lower level pass-through entity's calendar or 147038
fiscal year. Nothing in division (AA) (5) (a) (iii) of this section 147039
shall be construed to provide for any deduction or exclusion in 147040
computing any trust's Ohio taxable income. 147041

(b) With respect to a trust that is not a resident for the 147042
taxable year and with respect to a part of a trust that is not a 147043
resident for the taxable year, "qualifying investee" for that 147044
taxable year does not include a C corporation if both of the 147045
following apply: 147046

recognizes a gain or loss from the sale, exchange, or other 147048
disposition of equity or ownership interests in, or debt 147049
obligations of, the C corporation. 147050

(ii) Such gain or loss constitutes nonbusiness income. 147051

(6) "Available" means information is such that a person is 147052
able to learn of the information by the due date plus 147053
extensions, if any, for filing the return for the taxable year 147054

year. 147074

(2) For the purposes of this chapter, unless expressly 147075
stated otherwise, no qualifying person indirectly owns any asset 147076

\$332.00 plus 2.75% of the amount in excess of \$26,050. 147194

(4) (a) In the case of individuals, the tax imposed by this 147195
section on taxable business income shall equal three per cent of 147196
the result obtained by subtracting any amount allowed under 147197
division (A) (4) (b) of this section from the individual's taxable 147198
business income. 147199

(b) If the exemptions allowed to an individual under 147200

shall be deducted from taxable business income before computing 147203
the tax under division (A) (4) (a) of this section. 147204

(5) Except as otherwise provided in this division, in 147205
August of each year, the tax commissioner shall make a new 147206
adjustment to the income amounts prescribed in divisions (A) (2) 147207
and (3) of this section by multiplying the percentage increase 147208
in the gross domestic product deflator computed that year under 147209
section 5747.025 of the Revised Code by each of the income 147210
amounts resulting from the adjustment under this division in the 147211
preceding year, adding the resulting product to the 147212
corresponding income amount resulting from the adjustment in the 147213
preceding year, and rounding the resulting sum to the nearest 147214
multiple of fifty dollars. The tax commissioner also shall 147215
recompute each of the tax dollar amounts to the extent necessary 147216
to reflect the new adjustment of the income amounts. To 147217
recompute the tax dollar amount corresponding to the lowest tax 147218
rate in division (A) (3) of this section, the commissioner shall 147219
multiply the tax rate prescribed in division (A) (2) of this 147220
section by the income amount specified in that division and as 147221
adjusted according to this paragraph. The rates of taxation 147222
shall not be adjusted. 147223

The adjusted amounts apply to taxable years beginning in 147224

the calendar year in which the adjustments are made and to 147225
taxable years beginning in each ensuing calendar year until a 147226
calendar year in which a new adjustment is made pursuant to this 147227
division. The tax commissioner shall not make a new adjustment 147228
in any year in which the amount resulting from the adjustment 147229
would be less than the amount resulting from the adjustment in 147230
the preceding year. 147231

~~(B) If the director of budget and management makes a 147232~~
~~certification to the tax commissioner under division (B) of 147233~~
~~section 131.44 of the Revised Code, the amount of tax as 147234~~
~~determined under divisions (A) (1) to (3) of this section shall 147235~~
~~be reduced by the percentage prescribed in that certification 147236~~
~~for taxable years beginning in the calendar year in which that 147237~~
~~certification is made. 147238~~

~~(C) (1)~~ (B) (1) The tax imposed by this section on a trust 147239
shall be computed by multiplying the Ohio modified taxable 147240
income of the trust by the rates prescribed by division (A) of 147241
this section. 147242

(2) A resident trust may claim a credit against the tax 147243
computed under division ~~(C)~~ (B) of this section equal to the 147244
lesser of (a) the tax paid to another state or the District of 147245
Columbia on the resident trust's modified nonbusiness income, 147246
other than the portion of the resident trust's nonbusiness 147247
income that is qualifying investment income as defined in 147248
section 5747.012 of the Revised Code, or (b) the effective tax 147249
rate, based on modified Ohio taxable income, multiplied by the 147250
resident trust's modified nonbusiness income other than the 147251
portion of the resident trust's nonbusiness income that is 147252
qualifying investment income. The credit applies before any 147253
other applicable credits. 147254

(3) Any credit authorized against the tax imposed by this 147255
section applies to a trust subject to division ~~(C)~~ (B) of this 147256
section only if the trust otherwise qualifies for the credit. To 147257
the extent that the trust distributes income for the taxable 147258
year for which a credit is available to the trust, the credit 147259
shall be shared by the trust and its beneficiaries. The tax 147260
commissioner and the trust shall be guided by applicable 147261
regulations of the United States treasury regarding the sharing 147262
of credits. 147263

~~(D)~~ (C) For the purposes of this section, "trust" means any 147264
trust described in Subchapter J of Chapter 1 of the Internal 147265
Revenue Code, excluding trusts that are not irrevocable as 147266
defined in division (I) (3) (b) of section 5747.01 of the Revised 147267
Code and that have no modified Ohio taxable income for the 147268
taxable year, charitable remainder trusts, qualified funeral 147269
trusts and preneed funeral contract trusts established pursuant 147270
to sections 4717.31 to 4717.38 of the Revised Code that are not 147271
qualified funeral trusts, endowment and perpetual care trusts, 147272
qualified settlement trusts and funds, designated settlement 147273
trusts and funds, and trusts exempted from taxation under 147274
section 501(a) of the Internal Revenue Code. 147275

~~(E)~~ (D) Nothing in division (A) (3) of this section shall 147276
prohibit an individual with an Ohio adjusted gross income, less 147277
taxable business income and exemptions, of twenty-six thousand 147278
fifty dollars or less from filing a return under this chapter to 147279
receive a refund of taxes withheld or to claim any refundable 147280
credit allowed under this chapter. 147281

Sec. 5747.021. In addition to the tax levied under section 147282
5747.02 of the Revised Code, the tax commissioner shall charge 147283
the tax imposed on the school district income of an individual 147284

~~or estate~~ by a school district under Chapter 5748. of the 147285
Revised Code by multiplying the rate certified to be charged 147286
under such chapter by the taxpayer's school district income with 147287
respect to that district. 147288

Sec. 5747.025. (A) The personal exemption for the 147289
taxpayer, the taxpayer's spouse, and each dependent shall be one 147290
of the following amounts, provided the taxpayer's modified 147291
adjusted gross income is less than seven hundred fifty thousand 147292
dollars for taxable years beginning in 2025 or five hundred 147293
thousand dollars for taxable years beginning in 2026 or 147294
thereafter: 147295

(1) Two thousand three hundred fifty dollars if the 147296
taxpayer's modified adjusted gross income for the taxable year 147297
as shown on an individual or joint annual return is less than or 147298
equal to forty thousand dollars; 147299

(2) Two thousand one hundred dollars if the taxpayer's 147300
modified adjusted gross income for the taxable year as shown on 147301
an individual or joint annual return is greater than forty 147302
thousand dollars but less than or equal to eighty thousand 147303
dollars; 147304

(3) One thousand eight hundred fifty dollars if the 147305
taxpayer's modified adjusted gross income for the taxable year 147306
as shown on an individual or joint annual return is greater than 147307
eighty thousand dollars. 147308

(B) For taxable years beginning in 2020 and thereafter, 147309
the personal exemption amounts prescribed in division (A) of 147310
this section shall be adjusted each year in the manner 147311
prescribed in division (C) of this section. In the case of an 147312
individual with respect to whom an exemption under section 147313

5747.02 of the Revised Code is allowable to another taxpayer for 147314
a taxable year beginning in the calendar year in which the 147315
individual's taxable year begins, the exemption amount 147316
applicable to such individual for such individual's taxable year 147317
shall be zero. 147318

(C) Except as otherwise provided in this division, in 147319
August of each year, the tax commissioner shall determine the 147320
percentage increase in the gross domestic product deflator 147321
determined by the bureau of economic analysis of the United 147322
States department of commerce from the first day of January of 147323
the preceding calendar year to the last day of December of the 147324
preceding year, and make a new adjustment to the personal 147325
exemption amount for taxable years beginning in the current 147326
calendar year by multiplying that amount by the percentage 147327
increase in the gross domestic product deflator for that period; 147328
adding the resulting product to the personal exemption amount 147329
for taxable years beginning in the preceding calendar year; and 147330
rounding the resulting sum upward to the nearest multiple of 147331
fifty dollars. The adjusted amount applies to taxable years 147332
beginning in the calendar year in which the adjustment is made 147333
and to taxable years beginning in each ensuing calendar year 147334
until a calendar year in which a new adjustment is made pursuant 147335
to this division. The commissioner shall not make a new 147336
adjustment in any calendar year in which the amount resulting 147337
from the adjustment would be less than the amount resulting from 147338
the adjustment in the preceding calendar year. 147339

Sec. 5747.05. As used in this section, "income tax" 147340
includes both a tax on net income and a tax measured by net 147341
income. 147342

The following credits shall be allowed against the 147343

aggregate income tax liability imposed by section 5747.02 of the 147344
Revised Code on individuals and estates: 147345

(A) (1) The amount of tax otherwise due under section 147346
5747.02 of the Revised Code on such portion of the combined 147347
adjusted gross income and taxable business income of any 147348
nonresident taxpayer that is not allocable or apportionable to 147349
this state pursuant to sections 5747.20 to 5747.23 of the 147350
Revised Code. The credit provided under this division shall not 147351
exceed the total tax due under section 5747.02 of the Revised 147352
Code. 147353

(2) The tax commissioner may enter into an agreement with 147354
the taxing authorities of any state or of the District of 147355
Columbia that imposes an income tax to provide that compensation 147356
paid in this state to a nonresident taxpayer shall not be 147357
subject to the tax levied in section 5747.02 of the Revised Code 147358
so long as compensation paid in such other state or in the 147359
District of Columbia to a resident taxpayer shall likewise not 147360
be subject to the income tax of such other state or of the 147361
District of Columbia. 147362

(B) The lesser of division (B) (1) or (2) of this section: 147363

(1) The aggregate amount of tax otherwise due under 147364
section 5747.02 of the Revised Code on such portion of the 147365
combined adjusted gross income and taxable business income of a 147366
resident taxpayer that in another state or in the District of 147367
Columbia is subjected to an income tax. The credit provided 147368
under division (B) (1) of this section shall not exceed the total 147369
tax due under section 5747.02 of the Revised Code. 147370

(2) The amount of income tax liability to another state or 147371
the District of Columbia on the portion of the combined adjusted 147372

gross income and taxable business income of a resident taxpayer 147373
that in another state or in the District of Columbia is 147374
subjected to an income tax. The credit provided under division 147375
(B) (2) of this section shall not exceed the total amount of tax 147376
otherwise due under section 5747.02 of the Revised Code. 147377

(3) For the purpose of divisions (B) (1) and (2) of this 147378
section, a resident taxpayer's combined adjusted gross income 147379
and taxable business income that is subject to an income tax 147380
levied in another state or in the District of Columbia includes 147381
income that is subject to either (a) a tax similar to the tax 147382
imposed by division (D) (1) (a) of section 5747.08 of the Revised 147383
Code or (b) a tax enacted for purposes of complying with 147384
internal revenue service notice 2020-75. In computing a resident 147385
taxpayer's income tax paid or accrued to another state or the 147386
District of Columbia, the deduction authorized by division (A) 147387
(28) of section 5747.01 of the Revised Code shall first be 147388
deducted against business income apportioned to this state. 147389

(4) If the credit provided under division (B) of this 147390
section is affected by a change in either the portion of the 147391
combined adjusted gross income and taxable business income of a 147392
resident taxpayer subjected to an income tax in another state or 147393
the District of Columbia or the amount of income tax liability 147394
that has been paid to another state or the District of Columbia, 147395
the taxpayer shall report the change to the tax commissioner 147396
within ninety days of the change in such form as the 147397
commissioner requires. 147398

(a) In the case of an underpayment, the report shall be 147399
accompanied by payment of any additional tax due as a result of 147400
the reduction in credit together with interest on the additional 147401
tax and is a return subject to assessment under section 5747.13 147402

of the Revised Code solely for the purpose of assessing any 147403
additional tax due under this division, together with any 147404
applicable penalty and interest. It shall not reopen the 147405
computation of the taxpayer's tax liability under this chapter 147406
from a previously filed return no longer subject to assessment 147407
except to the extent that such liability is affected by an 147408
adjustment to the credit allowed by division (B) of this 147409
section. 147410

(b) In the case of an overpayment, an application for 147411
refund may be filed under this division within the ninety-day 147412
period prescribed for filing the report even if it is beyond the 147413
period prescribed in section 5747.11 of the Revised Code if it 147414
otherwise conforms to the requirements of such section. An 147415
application filed under this division shall only claim refund of 147416
overpayments resulting from an adjustment to the credit allowed 147417
by division (B) of this section unless it is also filed within 147418
the time prescribed in section 5747.11 of the Revised Code. It 147419
shall not reopen the computation of the taxpayer's tax liability 147420
except to the extent that such liability is affected by an 147421
adjustment to the credit allowed by division (B) of this 147422
section. 147423

(5) No credit shall be allowed under division (B) of this 147424
section: 147425

(a) For income tax paid or accrued to another state or to 147426
the District of Columbia if the taxpayer, when computing federal 147427
adjusted gross income, has directly or indirectly deducted, or 147428
was required to directly or indirectly deduct, the amount of 147429
that income tax; 147430

Division (B) (5) (a) of this section does not apply to 147431
income taxes included in the computation of Ohio adjusted gross 147432

income under division (A) (41) of section 5747.01 of the Revised 147433
Code and not deducted from Ohio adjusted gross income under 147434
division (A) (28) of that section or to income taxes included in 147435
Ohio taxable income under division (S) (16) of section 5747.01 of 147436
the Revised Code. 147437

(b) For compensation that is not subject to the income tax 147438
of another state or the District of Columbia as the result of an 147439
agreement entered into by the tax commissioner under division 147440
(A) (3) of this section; or 147441

(c) For income tax paid or accrued to another state or the 147442
District of Columbia if the taxpayer fails to furnish such proof 147443
as the tax commissioner shall require that such income tax 147444
liability has been paid. 147445

(C) An individual who is a resident for part of a taxable 147446
year and a nonresident for the remainder of the taxable year is 147447
allowed the credits under divisions (A) and (B) of this section 147448
in accordance with rules prescribed by the tax commissioner. In 147449
no event shall the same income be subject to both credits. 147450

(D) The credit allowed under division (A) of this section 147451
shall be calculated based upon the amount of tax due under 147452
section 5747.02 of the Revised Code after subtracting any other 147453
credits that precede the credit under that division in the order 147454
required under section 5747.98 of the Revised Code. The credit 147455
allowed under division (B) of this section shall be calculated 147456
based upon the amount of tax due under section 5747.02 of the 147457
Revised Code after subtracting any other credits that precede 147458
the credit under that division in the order required under 147459
section 5747.98 of the Revised Code. 147460

(E) (1) On a joint return filed by a husband and wife, each 147461

income, less exemptions for the taxable year, of the total 147467
amount of tax due after allowing for any other credit that 147468
precedes this credit as required under section 5747.98 of the 147469
Revised Code, subject to division (E) (2) of this section: 147470

(2) The credit shall be claimed in the order required 147472
under section 5747.98 of the Revised Code.—No taxpayer shall 147473
claim this credit unless the taxpayer's modified adjusted gross 147474
income is less than seven hundred fifty thousand dollars for 147475
taxable years beginning in 2025 or less than five hundred 147476

thousand dollars for taxable years beginning in 2026 or 147477

(2) On or before the tenth day of each month, the state 147502
lottery commission, and each transferee required to deduct and 147503

the amount withheld. 147559

(3) Nothing in division (B)(1) or (2) of this section 147560
shall be construed to allow more than one person to claim the 147561
credit for any portion of each amount deducted and withheld. 147562

(C) Failure of the commission or any transferee to deduct 147563
and withhold the required amounts from lottery prize awards or 147564
to remit amounts withheld as required by this section and 147565

section 3770.072 of the Revised Code shall not relieve a 147566
taxpayer described in division (B) of this section from 147567
liability for the tax imposed by section 5733.06 or 5747.02 of 147568
the Revised Code. 147569

Sec. 5747.063. The requirements imposed under this section 147570
are in addition to the municipal income tax withholding 147571
requirements under section 718.031 of the Revised Code. As used 147572
in this section, "sports gaming proprietor" and "sports gaming 147573
facility" have the same meanings as in section 3775.01 of the 147574

(A) (1) If Subject to division (F) of this section, if a 147576
person's winnings from casino gaming or from sports gaming are 147577
an amount for which reporting to the internal revenue service of 147578

winnings at a rate of four-three and one-eighth per cent for 147582
calendar year 2025, after the effective date of this amendment, 147583
and two and three-quarters per cent for calendar year 2026 and 147584
thereafter of the amount won. A person's amount of winnings from 147585
casino gaming shall be determined each time the person exchanges 147586
amounts won in tokens, chips, casino credit, or other prepaid 147587
representations of value for cash or a cash equivalent. The 147588
casino operator or sports gaming proprietor shall issue, to a 147589
person from whose winnings an amount has been deducted and 147590
withheld, a receipt for the amount deducted and withheld, and 147591
also shall obtain from the person additional information that 147592
will be necessary for the casino operator or sports gaming 147593
proprietor to prepare the returns required by this section. 147594

(2) If a person's winnings from casino gaming or sports 147595

gaming require reporting to the internal revenue service under 147596
division (A) (1) of this section, the casino operator or sports 147597
gaming proprietor also shall require the person to state in 147598
writing, under penalty of falsification, whether the person is 147599
in default under a support order. 147600

(B) Amounts deducted and withheld by a casino operator or 147601
sports gaming proprietor are held in trust for the benefit of 147602
the state. 147603

(1) On or before the tenth day of each month, the casino 147604
operator or sports gaming proprietor shall file a return 147605
electronically with the tax commissioner identifying the persons 147606
from whose winnings amounts were deducted and withheld, the 147607
amount of each such deduction and withholding during the 147608
preceding calendar month, the amount of the winnings from which 147609
each such amount was withheld, the type of casino gaming or 147610
sports gaming that resulted in such winnings, and any other 147611
information required by the tax commissioner. With the return, 147612
the casino operator or sports gaming proprietor shall remit 147613
electronically to the commissioner all the amounts deducted and 147614
withheld during the preceding month. 147615

(2) (a) A casino operator or sports gaming proprietor shall 147616
maintain a record of each written statement provided under 147617
division (A) (2) of this section in which a person admits to 147618
being in default under a support order. The casino operator or 147619
sports gaming proprietor shall make these records available to 147620
the director of job and family services upon request. 147621

(b) A casino operator or sports gaming proprietor shall 147622
maintain copies of receipts issued under division (A) (1) of this 147623
section and of written statements provided under division (A) (2) 147624
of this section and shall make these copies available to the tax 147625

commissioner upon request. 147626

(c) A casino operator or sports gaming proprietor shall 147627
maintain the information described in divisions (B) (2) (a) and 147628
(b) of this section in accordance with section 5747.17 of the 147629
Revised Code and any rules adopted pursuant thereto. 147630

(3) Annually, on or before the thirty-first day of 147631
January, a casino operator or sports gaming proprietor shall 147632
file an annual return electronically with the tax commissioner 147633
indicating the total amount deducted and withheld during the 147634
preceding calendar year. The casino operator or sports gaming 147635
proprietor shall remit electronically with the annual return any 147636
amount that was deducted and withheld and that was not 147637
previously remitted. If the identity of a person and the amount 147638
deducted and withheld with respect to that person were omitted 147639
on a monthly return, that information shall be indicated on the 147640
annual return. 147641

(4) (a) A casino operator or sports gaming proprietor who 147642
fails to file a return and remit the amounts deducted and 147643
withheld is personally liable for the amount deducted and 147644
withheld and not remitted. The commissioner may impose a penalty 147645
up to one thousand dollars if a return is filed late, if amounts 147646
deducted and withheld are remitted late, if a return is not 147647
filed, or if amounts deducted and withheld are not remitted. 147648
Interest accrues on past due amounts deducted and withheld at 147649
the rate prescribed in section 5703.47 of the Revised Code. The 147650
commissioner may collect past due amounts deducted and withheld 147651
and penalties and interest thereon by assessment under section 147652
5747.13 of the Revised Code as if they were income taxes 147653
collected by an employer. 147654

(b) If a casino operator or sports gaming proprietor sells 147655

the casino facility or sports gaming facility, or otherwise 147656
quits the casino or sports gaming business, the amounts deducted 147657
and withheld and any penalties and interest thereon are 147658
immediately due and payable. The successor shall withhold an 147659
amount of the purchase money that is sufficient to cover the 147660
amounts deducted and withheld and penalties and interest thereon 147661
until the predecessor casino operator or sports gaming 147662
proprietor produces either a receipt from the commissioner 147663
showing that the amounts deducted and withheld and penalties and 147664
interest thereon have been paid or a certificate from the 147665
commissioner indicating that no amounts deducted and withheld or 147666
penalties and interest thereon are due. If the successor fails 147667
to withhold purchase money, the successor is personally liable 147668
for payment of the amounts deducted and withheld and penalties 147669
and interest thereon, up to the amount of the purchase money. 147670

~~(C) (1)~~ (C) Annually, on or before the thirty-first day of 147671
January, a casino operator or sports gaming proprietor shall 147672
issue an information return to each person with respect to whom 147673

calendar year. The information return shall show the total 147675
amount deducted from the person's winnings by the casino 147676
operator or sports gaming proprietor during the preceding 147677
calendar year. 147678

~~(2) Annually, on or before the thirty-first day of~~ 147679

~~provide to the commissioner a copy of each information return~~ 147681
~~issued under division (C) (1) of this section for the preceding~~ 147682
~~calendar year. The commissioner may require that the copies be~~ 147683
~~transmitted electronically.~~ 147684

(D) Amounts deducted and withheld shall be allowed as a 147685

credit against payment of the tax imposed by section 5747.02 of 147686
the Revised Code and shall be treated as taxes paid for purposes 147687
of section 5747.09 of the Revised Code. This division applies 147688
only to the person for whom the amount is deducted and withheld. 147689

(E) The failure of a casino operator or sports gaming 147690
proprietor to deduct and withhold the required amount from a 147691
person's winnings does not relieve the person from liability for 147692
the tax imposed by section 5747.02 of the Revised Code with 147693
respect to those winnings. And compliance with this section does 147694
not relieve a casino operator or sports gaming proprietor or a 147695
person who has winnings from casino gaming or sports gaming from 147696
compliance with relevant provisions of federal tax laws. 147697

(F) A sports gaming proprietor that offers lottery sports 147698
gaming through a terminal described in division (B) (3) of 147699
section 3770.24 of the Revised Code shall not withhold amounts 147700
under this section from winnings from wagers placed through that 147701
terminal. The state lottery commission shall withhold amounts 147702
from those winnings under section 5747.062 of the Revised Code. 147703

(G) The commissioner shall prescribe the form of the 147704

job and family services shall prescribe the form of the 147706
statement required by this section. 147707

~~(G)~~ (H) The commissioner may adopt rules that are necessary 147708
to administer this section. 147709

Sec. 5747.064. The requirements imposed under this section 147710
are in addition to the municipal income tax withholding 147711
requirements under section 718.031 of the Revised Code. 147712

(A) As used in this section: 147713

~~(1) "Video lottery terminal", "video lottery sales agent"~~ 147714

(B) If a person's prize award from a video lottery 147719
terminal ~~or from lottery sports gaming offered in a video~~ 147720
~~lottery terminal facility~~ is an amount for which reporting to 147721
the internal revenue service of the amount is required by 147722

from the person's prize award at a rate of ~~four~~three and one- 147725
eighth per cent for calendar year 2025, after the effective date 147726
of this amendment, and two and three-quarters per cent for 147727
calendar year 2026 and thereafter of the amount won. The video 147728
lottery sales agent shall issue, to a person from whose prize 147729
award an amount has been deducted or withheld, a receipt for the 147730
amount deducted and withheld, and also shall obtain from the 147731
person additional information that will be necessary for the 147732
video lottery sales agent to prepare the returns required by 147733
this section. 147734

(C) Amounts deducted and withheld by a video lottery sales 147735
agent are held in trust for the benefit of the state. 147736

(1) On or before the tenth day of each month, the video 147737
lottery sales agent shall file a return electronically with the 147738
tax commissioner identifying the persons from whose prize awards 147739
amounts were deducted and withheld, the amount of each such 147740
deduction and withholding during the preceding month, the amount 147741
of the prize award from which each such amount was withheld, and 147742

to the commissioner all the amounts deducted and withheld during 147745
the preceding month. 147746

all receipts issued under division (B) of this section and shall 147748
make those records available to the commissioner upon request. 147749

5747.17 of the Revised Code and any rules adopted pursuant 147751
thereto. 147752

(3) Annually, on or before the thirty-first day of 147753
January, a video lottery sales agent shall file an annual return 147754
electronically with the tax commissioner indicating the total 147755
amount deducted and withheld during the preceding calendar year. 147756
The video lottery sales agent shall remit electronically with 147757
the annual return any amount that was deducted and withheld and 147758
that was not previously remitted. If the identity of a person 147759
and the amount deducted and withheld with respect to that person 147760
were omitted on a monthly return, that information shall be 147761
indicated on the annual return. 147762

(4) (a) A video lottery sales agent who fails to file a 147763
return and remit the amounts deducted and withheld is personally 147764
liable for the amount deducted and withheld and not remitted. 147765
The commissioner may impose a penalty of up to one thousand 147766
dollars if a return is filed late, if amounts deducted and 147767
withheld are remitted late, if a return is not filed, or if 147768
amounts deducted and withheld are not remitted. Interest accrues 147769
on past due amounts deducted and withheld at the rate prescribed 147770
in section 5703.47 of the Revised Code. The commissioner may 147771
collect past due amounts deducted and withheld and penalties and 147772
interest thereon by assessment under section 5747.13 of the 147773
Revised Code as if they were income taxes collected by an 147774

employer. 147775

(b) If a video lottery sales agent ceases to operate video 147776
lottery terminals, the amounts deducted and withheld and any 147777
penalties and interest thereon are immediately due and payable. 147778
A successor of the video lottery sales agent that purchases the 147779
video lottery terminals from the agent shall withhold an amount 147780
of the purchase money that is sufficient to cover the amounts 147781
deducted and withheld and penalties and interest thereon until 147782

receipt from the tax commissioner showing that the amounts 147784
deducted and withheld and penalties and interest thereon have 147785
been paid or a certificate from the commissioner indicating that 147786
no amounts deducted and withheld or penalties and interest 147787
thereon are due. If the successor fails to withhold purchase 147788

amounts deducted and withheld and penalties and interest 147790
thereon, up to the amount of the purchase money. 147791

~~(D) (1)~~ (D) Annually, on or before the thirty-first day of 147792
January, a video lottery sales agent shall issue an information 147793

(B) Except as provided in divisions (C) and (D) of this 147853
section and in division (A) of section 5747.072 of the Revised 147854
Code, every employer required to deduct and withhold any amount 147855
under section 5747.06 of the Revised Code shall file a return 147856
and shall pay the amount required by law as follows: 147857

(1) An employer who accumulates or is required to 147858
accumulate undeposited taxes of one hundred thousand dollars or 147859
more during a partial weekly withholding period shall make the 147860
payment of the undeposited taxes by the close of the first 147861
banking day after the day on which the accumulation reaches one 147862

(2) Except as required by division (B)(1) of this section, an employer whose actual or required payments under this section were at least eighty-four thousand dollars during the twelve-month period ending on the thirtieth day of June of the preceding calendar year shall make the payment of undeposited taxes within three banking days after the close of a partial weekly withholding period during which the employer was required to deduct and withhold any amount under this chapter. If required under division (I) of this section, the payment shall be made electronically under section 5747.072 of the Revised Code.

(3) Except as required by divisions (B)(1) and (2) of this section, if an employer's actual or required payments were more than two thousand dollars during the twelve-month period ending on the thirtieth day of June of the preceding calendar year, the employer shall make the payment of undeposited taxes for each month during which they were required to be withheld no later than fifteen days following the last day of that month. The employer shall file the return prescribed by the tax commissioner with the payment.

(4) Except as required by divisions (B)(1), (2), and (3) of this section, an employer shall make the payment of undeposited taxes for each calendar quarter during which they were required to be withheld no later than the last day of the month following the last day of March, June, September, and December each year. The employer shall file the return prescribed by the tax commissioner with the payment.

(C) The return and payment schedules prescribed by 147893
divisions (B) (1) and (2) of this section do not apply to the 147894

Revised Code. Undeposited school district income taxes shall be 147897
returned and paid pursuant to divisions (B) (3) and (4) of this 147898
section, as applicable. 147899

(D) (1) The requirements of division (B) of this section 147900
are met if the amount paid is not less than ninety-five per cent 147901
of the actual tax withheld or required to be withheld for the 147902
prior quarterly, monthly, or partial weekly withholding period, 147903
and the underpayment is not due to willful neglect. Any 147904
underpayment of withheld tax shall be paid within thirty days of 147905
the date on which the withheld tax was due without regard to 147906
division (D) (1) of this section. An employer described in 147907
division (B) (1) or (2) of this section shall make the payment 147908
electronically under section 5747.072 of the Revised Code. 147909

(2) If the tax commissioner believes that quarterly or 147910
monthly payments would result in a delay that might jeopardize 147911
the remittance of withholding payments, the commissioner may 147912
order that the payments be made weekly, or more frequently if 147913
necessary, and the payments shall be made no later than three 147914

frequent payments shall be delivered to the employer in the 147917
manner provided in section 5703.37 of the Revised Code and 147918
remains in effect until the commissioner notifies the employer 147919
to the contrary. 147920

(3) If compelling circumstances exist concerning the 147921
remittance of undeposited taxes, the commissioner may order the 147922

employer to make payments under any of the payment schedules 147923
under division (B) of this section. The order shall be delivered 147924
to the employer in the manner provided in section 5703.37 of the 147925
Revised Code and shall remain in effect until the commissioner 147926
notifies the employer to the contrary. For purposes of division 147927
(D) (3) of this section, "compelling circumstances" exist if 147928
either or both of the following are true: 147929

(a) Based upon annualization of payments made or required 147930
to be made during the preceding calendar year and during the 147931
current calendar year, the employer would be required for the 147932
next calendar year to make payments under division (B) (2) of 147933
this section. 147934

(b) Based upon annualization of payments made or required 147935
to be made during the current calendar year, the employer would 147936
be required for the next calendar year to make payments under 147937
division (B) (2) of this section. 147938

(E) (1) In addition to other returns required to be filed 147939
and payments required to be made under this section, every 147940
employer required to deduct and withhold taxes shall file, not 147941
later than the thirty-first day of January of each year, an 147942
annual return covering, but not limited to, both the aggregate 147943
amount deducted and withheld and the aggregate amount required 147944
to be deducted and withheld during the entire preceding year for 147945
the tax imposed under section 5747.02 of the Revised Code and 147946
for each tax imposed under Chapter 5748. of the Revised Code. At 147947
the time of filing that return, the employer shall pay over any 147948
amounts of undeposited taxes for the preceding year, whether 147949
actually deducted and withheld or required to be deducted and 147950
withheld, that have not been previously paid. The employer shall 147951
make the annual report, to each employee and to the tax 147952

commissioner, of the compensation paid and each tax withheld, as 147953
the commissioner by rule may prescribe. 147954

(2) Each employer required to deduct and withhold any tax 147955
is liable for the payment of that amount required to be deducted 147956
and withheld, whether or not the tax has in fact been withheld, 147957
unless the failure to withhold was based upon the employer's 147958
good faith in reliance upon the statement of the employee as to 147959
liability, and the amount shall be deemed to be a special fund 147960
in trust for the general revenue fund. 147961

(F) Each employer shall file with the employer's annual 147962
return the following items of information on employees for whom 147963
withholding is required under section 5747.06 of the Revised 147964
Code: 147965

(1) The full name of each employee, the employee's 147966
address, the employee's school district of residence, and in the 147967
case of a nonresident employee, the employee's principal county 147968
of employment; 147969

(2) The social security number of each employee; 147970

(3) The total amount of compensation paid before any 147971
deductions to each employee for the period for which the annual 147972
return is made; 147973

(4) The amount of the tax imposed by section 5747.02 of 147974
the Revised Code and the amount of each tax imposed under 147975
Chapter 5748. of the Revised Code withheld from the compensation 147976
of the employee for the period for which the annual return is 147977

the amounts withheld with respect to which the return is filed, 147982
the employer shall pay, at the time the amount withheld is paid, 147983
an amount of interest computed at the rate per annum prescribed 147984

paid by the pass-through entity on behalf of the investor under 148320

is made by the pass-through entity. Unless the tax commissioner 148369
provides otherwise, this election, once made, is binding and 148370
irrevocable for the taxable year for which the election is made. 148371
Nothing in this division shall be construed to provide for any 148372
deduction or credit that would not be allowable if a nonresident 148373
pass-through entity investor were to file an annual return. 148374

(4) If a pass-through entity makes the election provided 148375
for under division (D) of this section, the pass-through entity 148376
shall be liable for any additional taxes, interest, interest 148377
penalty, or penalties imposed by this chapter if the tax 148378
commissioner finds that the single return does not reflect the 148379
correct tax due by the pass-through entity investors covered by 148380
that return. Nothing in this division shall be construed to 148381
limit or alter the liability, if any, imposed on pass-through 148382
entity investors for unpaid or underpaid taxes, interest, 148383
interest penalty, or penalties as a result of the pass-through 148384
entity's making the election provided for under division (D) of 148385
this section. For the purposes of division (D) of this section, 148386
"correct tax due" means the tax that would have been paid by the 148387
pass-through entity had the single return been filed in a manner 148388
reflecting the commissioner's findings. Nothing in division (D) 148389
of this section shall be construed to make or hold a pass- 148390
through entity liable for tax attributable to a pass-through 148391

entity investor's income from a source other than the pass- 148392
through entity electing to file the single return. 148393

(E) If a husband and wife file a joint federal income tax 148394
return for a taxable year, they shall file a joint return under 148395
this section for that taxable year, and their liabilities are 148396
joint and several, but, if the federal income tax liability of 148397
either spouse is determined on a separate federal income tax 148398
return, they shall file separate returns under this section. 148399

If either spouse is not required to file a federal income 148400
tax return and either or both are required to file a return 148401
pursuant to this chapter, they may elect to file separate or 148402
joint returns, and, pursuant to that election, their liabilities 148403
are separate or joint and several. If a husband and wife file 148404
separate returns pursuant to this chapter, each must claim the 148405
taxpayer's own exemption, but not both, as authorized under 148406
section 5747.02 of the Revised Code on the taxpayer's own 148407
return. 148408

(F) Each return or notice required to be filed under this 148409
section shall contain the signature of the taxpayer or the 148410
taxpayer's duly authorized agent and of the person who prepared 148411
the return for the taxpayer, and shall include the taxpayer's 148412
social security number. Each return shall be verified by a 148413
declaration under the penalties of perjury. The tax commissioner 148414
shall prescribe the form that the signature and declaration 148415
shall take. 148416

(G) Each return or notice required to be filed under this 148417
section shall be made and filed as required by section 5747.04 148418
of the Revised Code, on or before the fifteenth day of April of 148419
each year, on forms that the tax commissioner shall prescribe, 148420
together with remittance made payable to the treasurer of state 148421

in the combined amount of the state and all school district 148422
income taxes shown to be due on the form. 148423

Upon good cause shown, the commissioner may extend the 148424
period for filing any notice or return required to be filed 148425
under this section and may adopt rules relating to extensions. 148426
If the extension results in an extension of time for the payment 148427
of any state or school district income tax liability with 148428
respect to which the return is filed, the taxpayer shall pay at 148429
the time the tax liability is paid an amount of interest 148430
computed at the rate per annum prescribed by section 5703.47 of 148431
the Revised Code on that liability from the time that payment is 148432
due without extension to the time of actual payment. Except as 148433
provided in section 5747.132 of the Revised Code, in addition to 148434
all other interest charges and penalties, all taxes imposed 148435
under this chapter or Chapter 5748. of the Revised Code and 148436
remaining unpaid after they become due, except combined amounts 148437
due of one dollar or less, bear interest at the rate per annum 148438
prescribed by section 5703.47 of the Revised Code until paid or 148439
until the day an assessment is issued under section 5747.13 of 148440
the Revised Code, whichever occurs first. 148441

If the commissioner considers it necessary in order to 148442
ensure the payment of the tax imposed by section 5747.02 of the 148443
Revised Code or any tax imposed under Chapter 5748. of the 148444
Revised Code, the commissioner may require returns and payments 148445
to be made otherwise than as provided in this section. 148446

To the extent that any provision in this division 148447
conflicts with any provision in section 5747.026 of the Revised 148448
Code, the provision in that section prevails. 148449

(H) The amounts withheld pursuant to section 5747.06, 148450
5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of the 148451

Revised Code shall be allowed to the ultimate recipient of the 148452
income as credits against payment of the appropriate taxes 148453
imposed on the ultimate recipient by section 5747.02 and under 148454
Chapter 5748. of the Revised Code. As used in this division, 148455
"ultimate recipient" means the person who is required to report 148456
income from which amounts are withheld pursuant to section 148457
5747.06, 5747.062, 5747.063, 5747.064, 5747.065, or 5747.071 of 148458
the Revised Code on the annual return required to be filed under 148459
this section. 148460

(I) If a pass-through entity elects to file a single 148461
return under division (D) of this section and if any investor is 148462
required to file the annual return and make the payment of taxes 148463
required by this chapter on account of the investor's other 148464
income that is not included in a single return filed by a pass- 148465
through entity or any other investor elects to file the annual 148466
return, the investor is entitled to a refundable credit equal to 148467
the investor's proportionate share of the lesser of the tax due 148468
or the tax paid by the pass-through entity on behalf of the 148469
investor. The investor shall claim the credit for the investor's 148470
taxable year in which or with which ends the taxable year of the 148471
pass-through entity. Nothing in this chapter shall be construed 148472
to allow any credit provided in this chapter to be claimed more 148473
than once. For the purpose of computing any interest, penalty, 148474
or interest penalty, the investor shall be deemed to have paid 148475
the refundable credit provided by this division on the day that 148476
the pass-through entity paid the estimated tax or the tax giving 148477
rise to the credit. 148478

(J) The tax commissioner shall ensure that each return 148479
required to be filed under this section includes a box that the 148480
taxpayer may check to authorize a paid tax preparer who prepared 148481
the return to communicate with the department of taxation about 148482

matters pertaining to the return. The return or instructions 148483
accompanying the return shall indicate that by checking the box 148484
the taxpayer authorizes the department of taxation to contact 148485
the preparer concerning questions that arise during the 148486
processing of the return and authorizes the preparer only to 148487
provide the department with information that is missing from the 148488
return, to contact the department for information about the 148489
processing of the return or the status of the taxpayer's refund 148490
or payments, and to respond to notices about mathematical 148491
errors, offsets, or return preparation that the taxpayer has 148492
received from the department and has shown to the preparer. 148493

(K) The tax commissioner shall permit individual taxpayers 148494
to instruct the department of taxation to cause any refund of 148495
overpaid taxes to be deposited directly into a checking account, 148496
savings account, or an individual retirement account or 148497
individual retirement annuity, or preexisting college savings 148498
plan or program account offered by the Ohio tuition trust 148499
authority under Chapter 3334. of the Revised Code, as designated 148500
by the taxpayer, when the taxpayer files the annual return 148501
required by this section electronically. 148502

(L) If, for the taxable year, a nonresident or trust that 148503
is the owner of an electing pass-through entity, as defined in 148504
section 5747.38 of the Revised Code, does not have Ohio adjusted 148505
gross income or, in the case of a trust, modified Ohio taxable 148506
income other than from one or more electing pass-through 148507
entities, the nonresident or trust shall not be required to file 148508
an annual return under this section. Nothing in this division 148509
precludes such an owner from filing the annual return under this 148510
section, utilizing the refundable credit under section 5747.39 148511
of the Revised Code equal to the owner's proportionate share of 148512
the tax levied under section 5747.38 of the Revised Code and 148513

paid by the electing pass-through entity, and making the payment 148514
of taxes imposed under section 5747.02 of the Revised Code. 148515

(M) The tax commissioner may adopt rules to administer 148516
this section. 148517

Sec. 5747.09. (A) As used in this section: 148518

(1) "Estimated taxes" means the amount that the taxpayer 148519
estimates to be the taxpayer's combined tax liability under this 148520
chapter and Chapter 5748. of the Revised Code for the current 148521
taxable year. 148522

(2) "Tax liability" means the total taxes due for the 148523
taxable year, after allowing any credit to which the taxpayer is 148524
entitled, but prior to applying any estimated tax payment, 148525
withholding payment, or refund from another tax year. 148526

(3) "Taxes paid" include payments of estimated taxes made 148527
under division (C) of this section, taxes withheld from the 148528
taxpayer's compensation, and tax refunds applied by the taxpayer 148529
in payment of estimated taxes. 148530

(4) "Required installment" means a payment equal to 148531
twenty-five per cent of the lesser of the following: 148532

(a) Ninety per cent of the tax liability for the taxable 148533
year; 148534

(b) One hundred per cent of the tax liability shown on the 148535
return of a taxpayer for the preceding taxable year. 148536

Division (A) (4) (b) of this section applies only if the 148537
taxpayer filed a return under section 5747.08 of the Revised 148538
Code for the preceding taxable year and if the preceding taxable 148539
year was a twelve-month taxable year. 148540

(B) Every taxpayer shall make declaration of estimated 148541
taxes for the current taxable year, in the form that the tax 148542
commissioner shall prescribe, if the amount payable as estimated 148543
taxes, less the amount to be withheld from the taxpayer's 148544
compensation, is more than five hundred dollars. For purposes of 148545
this section, taxes withheld from compensation shall be 148546
considered as paid in equal amounts on each payment date unless 148547
the taxpayer establishes the dates on which all amounts were 148548
actually withheld, in which case the amounts withheld shall be 148549
considered as paid on the dates on which the amounts were 148550
actually withheld. Taxpayers filing joint returns pursuant to 148551
section 5747.08 of the Revised Code shall file joint 148552
declarations of estimated taxes. A taxpayer may amend a 148553
declaration under rules prescribed by the commissioner. A 148554
taxpayer having a taxable year of less than twelve months shall 148555
make a declaration under rules prescribed by the commissioner. 148556
The declaration of estimated taxes for an individual under a 148557
disability shall be made and filed by the person who is required 148558
to file the income tax return. 148559

The declaration of estimated taxes shall be filed on or 148560
before the fifteenth day of April of each year or on or before 148561
the fifteenth day of the fourth month after the taxpayer becomes 148562
subject to tax for the first time. 148563

Taxpayers reporting on a fiscal year basis shall file a 148564
declaration on or before the fifteenth day of the fourth month 148565
after the beginning of each fiscal year or period. 148566

The declaration shall be filed upon a form prescribed by 148567
the commissioner and furnished by or obtainable from the 148568
commissioner. 148569

The original declaration or any subsequent amendment may 148570

be increased or decreased on or before any subsequent quarterly
payment day as provided in this section.

(C) The required portion of the tax liability for the
taxable year that shall be paid through estimated taxes made
payable to the treasurer of state, including the application of
tax refunds to estimated taxes, and withholding on or before the
applicable payment date shall be as follows:

(1) On or before the fifteenth day of the fourth month
after the beginning of the taxable year, twenty-two and one-half
per cent of the tax liability for the taxable year;

(2) On or before the fifteenth day of the sixth month
after the beginning of the taxable year, forty-five per cent of
the tax liability for the taxable year;

(3) On or before the fifteenth day of the ninth month
after the beginning of the taxable year, sixty-seven and one-
half per cent of the tax liability for the taxable year;

(4) On or before the fifteenth day of the first month of
the following taxable year, ninety per cent of the tax liability
for the taxable year.

When an amended return has been filed, the unpaid balance
shown due on the amended return shall be paid in equal
installments on or before the remaining payment dates.

On or before the fifteenth day of the fourth month of the
year following that for which the declaration or amended
declaration was filed, an annual return shall be filed and any
balance which may be due shall be paid with the return in
accordance with section 5747.08 of the Revised Code.

(D) In the case of any underpayment of estimated taxes, an

interest penalty ~~shall~~may be added to the taxes for the tax 148599
year at the rate per annum prescribed by section 5703.47 of the 148600
Revised Code upon the amount of underpayment for the period of 148601
underpayment, unless the underpayment is due to reasonable cause 148602
as described in division (E) of this section. The amount of the 148603
underpayment shall be determined as follows: 148604

(1) For the first payment of estimated taxes each year, 148605
the required installment less the amount of taxes paid by the 148606
date prescribed for that payment; 148607

(2) For the second payment of estimated taxes each year, 148608
the required installment less the amount of taxes paid by the 148609
date prescribed for that payment; 148610

(3) For the third payment of estimated taxes each year, 148611
the required installment less the amount of taxes paid by the 148612
date prescribed for that payment; 148613

(4) For the fourth payment of estimated taxes each year, 148614
the required installment less the amount of taxes paid by the 148615
date prescribed for that payment. 148616

The period of the underpayment shall run from the day the 148617
estimated payment was required to be made to the date on which 148618
the payment is made. For purposes of this section, a payment of 148619
estimated taxes on or before any payment date shall be 148620
considered a payment of any previous underpayment only to the 148621
extent the payment of estimated taxes exceeds the amount of the 148622
payment presently required to be paid to avoid any penalty. 148623

The tax commissioner may abate, in whole or in part, the 148624
interest penalty imposed under division (D) of this section. Any 148625
such penalty imposed shall be in lieu of any other interest 148626
charge or penalty imposed for failure to file an estimated 148627

return and make estimated payments as required by this section. 148628

(E) An underpayment of estimated taxes determined under 148629
division (D) of this section shall be due to reasonable cause 148630
and the interest penalty imposed by this section shall not be 148631
added to the taxes for the tax year if either of the following 148632
apply: 148633

(1) The amount of tax that was paid equals at least ninety 148634
per cent of the tax liability for the current taxable year, 148635
determined by annualizing the income received during the year up 148636
to the end of the month immediately preceding the month in which 148637
the payment is due; 148638

(2) The amount of tax that was paid equals at least one 148639
hundred per cent of the tax liability shown on the return of the 148640
taxpayer for the preceding taxable year, provided that the 148641
immediately preceding taxable year reflected a period of twelve 148642
months and the taxpayer filed a return under section 5747.08 of 148643
the Revised Code for that year. 148644

The tax commissioner may waive the requirement for filing 148645
a declaration of estimated taxes for any class of taxpayers 148646
after finding that the waiver is reasonable and proper in view 148647
of administrative costs and other factors. 148648

Sec. 5747.10. (A) As used in this section: 148649

(1) "Audited partnership" means a partnership subject to 148650

section 6227 of the Internal Revenue Code.

(5) "Federal adjustments return" means the form or other

attachments required in a taxpayer's annual return to determine 148698
the tax charged by this chapter or Chapter 5748. of the Revised 148699
Code must be altered as the result of a final federal 148700
adjustment, and the federal adjustment is not required to be 148701
reported under division (C) of this section, the taxpayer shall 148702
file an amended return with the tax commissioner in such form as 148703
the commissioner requires. The amended return shall be filed not 148704
later than ninety days after the federal adjustment has been 148705
agreed to or finally determined for federal income tax purposes. 148706

(2) "One hundred eighty" shall be substituted for "ninety" 148707
in divisions (B) (1) and (E) (1) of this section if, for any 148708
taxable year, the final federal adjustment results from taxes 148709
paid by the taxpayer on an amount described in division (A) (32) 148710
of section 5747.01 of the Revised Code. 148711

(C) Except for adjustments required to be reported for 148712
federal purposes pursuant to section 6225(a) (2) of the Internal 148713

Revenue Code and adjustments that are taken into account on a 148714
federal amended return or similar report filed pursuant to 148715
section 6225(c)(2) of the Internal Revenue Code, partnerships 148716
and partners shall report final federal adjustments and make 148717
payments as required under division (C) of this section. 148718

(1) With respect to an action required or permitted to be 148719
taken by a partnership under this section, and any petition for 148720
reassessment or appeal to the board of tax appeals or any court 148721
with respect to such an action, the state partnership 148722
representative shall have the sole authority to act on behalf of 148723
the audited partnership, and the partnership's direct and 148724
indirect investors shall be bound by those actions. 148725

(2) Unless an audited partnership makes the election under 148726
division (C)(3) of this section: 148727

(a) The audited partnership, through its state partnership 148728
representative, shall do all of the following within ninety days 148729

respect to those direct investors had the final federal 148741

(b) Each direct investor that is subject to the tax 148743
imposed by section 5747.02 of the Revised Code shall file an 148744
original or amended tax return to include the investor's 148745
distributive share of the adjustments reported to the direct 148746
investor under division (C)(2)(a) of this section, and pay any 148747

partnership files its federal adjustments return with the 148749
commissioner. 148750

(c)(i) Each direct and indirect investor of an audited 148751
partnership that is a pass-through entity and all investors in 148752
such a pass-through entity that are subject to the filing and 148753
payment requirements of Chapters 5733. and 5747. of the Revised 148754
Code are subject to the reporting and payment requirements of 148755
division (C)(2) or, upon a timely election, division (C)(3) of 148756
this section. 148757

(ii) Such direct and indirect investors shall make the 148758

(4) (a) A direct investor of an audited partnership is not required to file an amended return or pay tax otherwise due under section 5747.02 of the Revised Code if the audited partnership properly reports and pays the tax under division (C) (3) of this section.

(b) (i) Nothing in division (C) of this section precludes a direct or indirect investor in the audited partnership from filing a return to report the investor's share of the final federal adjustments. Such an investor who files a return and reports the income related to the final federal adjustments is entitled to a refundable credit for taxes paid by the audited partnership under division (C) (3) (b) of this section. The credit shall be computed and claimed in the same manner as the credit allowed under division (I) of section 5747.08 of the Revised Code.

(ii) Notwithstanding division (C) (4) (b) (i) of this section, an exempt partner, whether a direct or indirect

investor, may file an application for refund of its 148801
proportionate share of the amounts erroneously paid by the 148802
audited partnership pursuant to division (C) (3) (b) of this 148803
section on the exempt partner's behalf. 148804

(5) Upon request by an audited partnership, the tax 148805
commissioner may agree, in writing, to allow an alternative 148806
method of reporting and payment than required by division (C) (2) 148807
or (3) of this section. The request must be submitted to the 148808
commissioner in writing before the applicable deadline for 148809
filing a return under division (C) (2) (a) or (3) of this section. 148810
The commissioner's decision on whether to enter into an 148811
agreement under this division is not subject to further 148812
administrative review or appeal. 148813

(6) Nothing in division (C) of this section precludes 148814
either of the following: 148815

(a) A resident taxpayer from filing a return to claim the 148816
credit under division (B) of section 5747.05 or division ~~(D) (2)~~ 148817
(B) (2) of section 5747.02 of the Revised Code based upon any 148818
amounts paid by the audited partnership on such investor's 148819
behalf to another state. 148820

(b) The tax commissioner from issuing an assessment under 148821
this chapter against any direct or indirect investor for taxes 148822
due from the investor if an audited partnership, or direct and 148823
indirect investor of an audited partnership that is a pass- 148824
through entity, fails to timely file any return or remit any 148825
payment required by this section or underreports income or 148826
underpays tax on behalf of an indirect investor who is a 148827
resident taxpayer. 148828

(D) In the case of an underpayment, and unless otherwise 148829

agreed to in writing by the tax commissioner: 148830

(1) The taxpayer's amended return shall be accompanied by 148831
payment of any combined additional tax due together with 148832
interest thereon. An amended return required by this section is 148833
a return subject to assessment under section 5747.13 of the 148834
Revised Code for the purpose of assessing any additional tax due 148835
under this section, together with any applicable penalty and 148836
interest. It shall not reopen those facts, figures, 148837
computations, or attachments from a previously filed return no 148838
longer subject to assessment that are not affected, either 148839
directly or indirectly, by the final federal adjustment to the 148840
taxpayer's federal income tax return. 148841

(2) The audited partnership's federal adjustments return 148842
shall be accompanied by payment of any combined additional tax 148843
due together with interest thereon. The federal adjustments 148844
return required by this section is a return subject to 148845
assessment under section 5747.13 of the Revised Code for the 148846
purpose of assessing any additional tax due under this section, 148847
together with any applicable penalty and interest. It shall not 148848
reopen those facts, figures, computations, or attachments from a 148849
previously filed return no longer subject to assessment that are 148850
not affected, either directly or indirectly, by the final 148851
federal adjustment. 148852

(3) The tax commissioner may accept estimated payments of 148853
the tax arising from pending federal adjustments before the date 148854
for filing a federal adjustments return. The commissioner may 148855
adopt rules for the payment of such estimated taxes. 148856

(E) In the case of an overpayment, and unless otherwise 148857
agreed to in writing by the tax commissioner: 148858

(1) A taxpayer may file an application for refund under 148859
this division within the ninety-day period prescribed for filing 148860
the amended return even if it is filed beyond the period 148861
prescribed in section 5747.11 of the Revised Code if it 148862
otherwise conforms to the requirements of such section. An 148863
application filed under this division shall claim refund of 148864
overpayments resulting from alterations to only those facts, 148865
figures, computations, or attachments required in the taxpayer's 148866
annual return that are affected, either directly or indirectly, 148867
by the final federal adjustment to the taxpayer's federal income 148868
tax return unless it is also filed within the time prescribed in 148869
section 5747.11 of the Revised Code. It shall not reopen those 148870
facts, figures, computations, or attachments that are not 148871
affected, either directly or indirectly, by the adjustment to 148872
the taxpayer's federal income tax return. 148873

(2) (a) Except as otherwise provided in division (E) (2) (b) 148874
of this section, an audited partnership may file an application 148875
for a refund under this division within the ninety-day period 148876
prescribed for filing the federal adjustments return, even if it 148877
is filed beyond the period prescribed by section 5747.11 of the 148878
Revised Code, if it otherwise conforms to the requirements of 148879
that section. An application filed under this division may claim 148880
a refund of overpayments resulting only from final federal 148881
adjustments unless it is also filed within the time prescribed 148882
by section 5747.11 of the Revised Code. It shall not reopen 148883
those facts, figures, computations, or attachments that are not 148884
affected, either directly or indirectly, by the federal 148885
adjustment. 148886

(b) An audited partnership may not file an application for 148887
refund under division (E) of this section based on final federal 148888
adjustments described in section 6225(a) (2) of the Internal 148889

Revenue Code. 148890

(3) Any refund granted to a pass-through entity filing an 148891
application for refund under division (E) of this section shall 148892
be reduced by amounts previously claimed as a credit under 148893
section 5747.059 or division (I) of section 5747.08 of the 148894
Revised Code by the pass-through entity's direct or indirect 148895
investors. 148896

(F) Excluding the deadline in division (C) (2) (c) (ii) of 148897
this section, an audited partnership, or a direct or indirect 148898
investor of an audited partnership that is a pass-through 148899
entity, may automatically extend the deadline for reporting, 148900
payments, and refunds under this section by sixty days if the 148901
entity has ten thousand or more direct investors and notifies 148902
the commissioner of such extension, in writing, before the 148903
unextended deadline. 148904

Sec. 5747.124. (A) As used in this section, "judgment 148905
creditor" excludes all state and federal agencies, 148906
instrumentalities, and political subdivisions. 148907

(B) If a person entitled to a refund under this chapter is 148908
a judgment debtor indebted to a judgment creditor, as defined in 148909
section 2716.01 of the Revised Code, the amount refundable shall 148910
be subject to an order of garnishment of property, other than 148911
personal earnings, issued under sections 2716.11 and 2716.13 of 148912
the Revised Code. Upon receipt of such an order, the tax 148913
commissioner shall pay the amount of the refund not already paid 148914
to the person entitled to the refund to the clerk of court that 148915
issued the order, unless otherwise payable in accordance with 148916
section 5747.12, 5747.121, 5747.122, or 5747.123 of the Revised 148917
Code, provided all of the following are true: 148918

(1) The judgment creditor has made reasonable efforts to 148919
collect the debt before submitting the garnishment order to the 148920
tax commissioners; 148921

(2) The principal balance of the judgment, excluding 148922
interest and post-judgment fees, is greater than two hundred 148923
fifty dollars; 148924

(3) The judgment underlying the garnishment order was 148925
issued not less than one and not more than seven years before it 148926
is submitted to the tax commissioner. 148927

(C) Any order of garnishment submitted under this section 148928
shall be satisfied after overdue child support subject to 148929
section 5747.121 of the Revised Code and debts described in 148930
division (A) of section 5747.12 of the Revised Code. 148931

(D) If the amount refundable is less than the amount 148932
stated on the order of garnishment, it may be applied in partial 148933
satisfaction of that amount. If the amount refundable is greater 148934
than the amount stated on the order, the amount remaining after 148935
satisfaction of the order shall be refunded. 148936

(E) The tax commissioner shall charge each respective 148937
judgment creditor a fee of fifteen dollars for the 148938
commissioner's cost in applying refunds to satisfy an order of 148939
garnishment. 148940

(F) If the tax commissioner receives multiple orders of 148941
garnishment of property, other than personal earnings for 148942
amounts owed by the same person, the commissioner shall satisfy 148943
the orders in the sequence they were received. 148944

(G) The tax commissioner may adopt rules to implement this 148945
section, including rules to apportion the amount of a tax return 148946
available to satisfy an order of garnishment in the case of 148947

persons filing a joint return who do not jointly owe the debt or 148948
certified claim. 148949

Sec. 5747.13. (A) If any employer collects the tax imposed 148950
by section 5747.02 or under Chapter 5748. of the Revised Code 148951
and fails to remit the tax as required by law, or fails to 148952
collect the tax, the employer is personally liable for any 148953
amount collected that the employer fails to remit, or any amount 148954
that the employer fails to collect. If any taxpayer fails to 148955
file a return or fails to pay the tax imposed by section 5747.02 148956
or under Chapter 5748. of the Revised Code, the taxpayer is 148957
personally liable for the amount of the tax. 148958

If any employer, taxpayer, qualifying entity, or electing 148959
pass-through entity required to file a return under this chapter 148960
fails to file the return within the time prescribed, files an 148961
incorrect return, fails to remit the full amount of the taxes 148962
due for the period covered by the return, or fails to remit any 148963
additional tax due as a result of a reduction in the amount of 148964
the credit allowed under division (B) of section 5747.05 of the 148965
Revised Code together with interest on the additional tax within 148966
the time prescribed by that division, the tax commissioner may 148967
make an assessment against any person liable for any deficiency 148968
for the period for which the return is or taxes are due, based 148969
upon any information in the commissioner's possession. 148970

An assessment issued against either the employer or the 148971
taxpayer pursuant to this section shall not be considered an 148972
election of remedies or a bar to an assessment against the other 148973
for failure to report or pay the same tax. No assessment shall 148974
be issued against any person if the tax actually has been paid 148975
by another. 148976

No assessment shall be made or issued against an employer, 148977

a taxpayer, a qualifying entity, or an electing pass-through 148978
entity more than four years after the final date the return 148979
subject to assessment was required to be filed or the date the 148980
return was filed, whichever is later. However, the commissioner 148981
may assess any balance due as the result of a reduction in the 148982
credit allowed under division (B) of section 5747.05 of the 148983
Revised Code, including applicable penalty and interest, within 148984
four years of the date on which the taxpayer reports a change in 148985
either the portion of the taxpayer's adjusted gross income 148986
subjected to an income tax or tax measured by income in another 148987
state or the District of Columbia, or the amount of liability 148988
for an income tax or tax measured by income to another state or 148989
the District of Columbia, as required by division (B) (4) of 148990
section 5747.05 of the Revised Code. Such time limits may be 148991
extended if both the employer, taxpayer, qualifying entity, or 148992
electing pass-through entity and the commissioner consent in 148993
writing to the extension or if an agreement waiving or extending 148994
the time limits has been entered into pursuant to section 148995
122.171 of the Revised Code. Any such extension shall extend the 148996
four-year time limit in division (B) of section 5747.11 of the 148997
Revised Code for the same period of time. There shall be no bar 148998
or limit to an assessment against an employer for taxes withheld 148999
from employees and not remitted to the state, against an 149000
employer, a taxpayer, a qualifying entity, or an electing pass- 149001
through entity that fails to file a return subject to assessment 149002
as required by this chapter, or against an employer, a taxpayer, 149003
a qualifying entity, or an electing pass-through entity that 149004
files a fraudulent return. 149005

The commissioner shall give the party assessed written 149006
notice of the assessment in the manner provided in section 149007
5703.37 of the Revised Code. With the notice, the commissioner 149008

shall provide instructions on how to petition for reassessment 149009
and request a hearing on the petition. 149010

(B) Unless the party assessed files with the tax 149011
commissioner within sixty days after service of the notice of 149012
assessment, ~~either personally or by certified mail,~~ a written 149013
petition for reassessment, signed by the party assessed or that 149014
party's authorized agent having knowledge of the facts, the 149015
assessment becomes final, and the amount of the assessment is 149016
due and payable from the party assessed to the commissioner with 149017
remittance made payable to the treasurer of state. The petition 149018
shall indicate the objections of the party assessed, but 149019
additional objections may be raised in writing if received by 149020
the commissioner prior to the date shown on the final 149021
determination. If the petition has been properly filed, the 149022
commissioner shall proceed under section 5703.60 of the Revised 149023
Code. 149024

(C) After an assessment becomes final, if any portion of 149025
the assessment remains unpaid, including accrued interest, a 149026
certified copy of the tax commissioner's entry making the 149027
assessment final may be filed in the office of the clerk of the 149028
court of common pleas in the county in which the employer's, 149029
taxpayer's, qualifying entity's, or electing pass-through 149030
entity's place of business is located or the county in which the 149031
party assessed resides. If the party assessed is not a resident 149032
of this state, the certified copy of the entry may be filed in 149033
the office of the clerk of the court of common pleas of Franklin 149034
county. 149035

Immediately upon the filing of the entry, the clerk shall 149036
enter a judgment against the party assessed in the amount shown 149037
on the entry. The judgment shall be filed by the clerk in one of 149038

two loose-leaf books, one entitled "special judgments for state 149039
and school district income taxes," and the other entitled 149040
"special judgments for qualifying entity and electing pass- 149041
through entity taxes." The judgment shall have the same effect 149042
as other judgments. Execution shall issue upon the judgment upon 149043
the request of the tax commissioner, and all laws applicable to 149044
sales on execution shall apply to sales made under the judgment. 149045

If the assessment is not paid in its entirety within sixty 149046
days after the assessment was issued, the portion of the 149047
assessment consisting of tax due shall bear interest at the rate 149048
per annum prescribed by section 5703.47 of the Revised Code from 149049
the day the tax commissioner issues the assessment until it is 149050
paid or until it is certified to the attorney general for 149051
collection under section 131.02 of the Revised Code, whichever 149052
comes first. If the unpaid portion of the assessment is 149053
certified to the attorney general for collection, the entire 149054
unpaid portion of the assessment shall bear interest at the rate 149055
per annum prescribed by section 5703.47 of the Revised Code from 149056
the date of certification until the date it is paid in its 149057
entirety. Interest shall be paid in the same manner as the tax 149058
and may be collected by the issuance of an assessment under this 149059
section. 149060

(D) All money collected under this section shall be 149061
considered as revenue arising from the taxes imposed by this 149062
chapter or Chapter 5733. or 5748. of the Revised Code, as 149063
appropriate. 149064

(E) If the party assessed files a petition for 149065
reassessment under division (B) of this section, the person, on 149066
or before the last day the petition may be filed, shall pay the 149067
assessed amount, including assessed interest and assessed 149068

penalties, if any of the following conditions exists: 149069

(1) The person files a tax return reporting Ohio adjusted 149070
gross income, less the exemptions allowed by section 5747.025 of 149071
the Revised Code, in an amount less than one cent, and the 149072
reported amount is not based on the computations required under 149073
division (A) of section 5747.01 or section 5747.025 of the 149074
Revised Code. 149075

(2) The person files a tax return that the tax 149076
commissioner determines to be incomplete, false, fraudulent, or 149077
frivolous. 149078

(3) The person fails to file a tax return, and the basis 149079
for this failure is not either of the following: 149080

(a) An assertion that the person has no nexus with this 149081
state; 149082

(b) The computations required under division (A) of 149083
section 5747.01 of the Revised Code or the application of 149084
credits allowed under this chapter has the result that the 149085
person's tax liability is less than one dollar and one cent. 149086

(F) Notwithstanding the fact that a petition for 149087
reassessment is pending, the petitioner may pay all or a portion 149088
of the assessment that is the subject of the petition. The 149089
acceptance of a payment by the treasurer of state does not 149090
prejudice any claim for refund upon final determination of the 149091
petition. 149092

If upon final determination of the petition an error in 149093
the assessment is corrected by the tax commissioner, upon 149094
petition so filed or pursuant to a decision of the board of tax 149095
appeals or any court to which the determination or decision has 149096
been appealed, so that the amount due from the party assessed 149097

under the corrected assessment is less than the portion paid, 149098
there shall be issued to the petitioner or to the petitioner's 149099
assigns or legal representative a refund in the amount of the 149100
overpayment as provided by section 5747.11 of the Revised Code, 149101
with interest on that amount as provided by such section, 149102
subject to section 5747.12 of the Revised Code. 149103

section is not a regulatory restriction for the purpose of 149173
section 121.95 of the Revised Code. 149174

Sec. 5747.39. There is hereby allowed a refundable credit 149175
against a taxpayer's aggregate tax liability under section 149176
5747.02 of the Revised Code for a taxpayer who is an owner of an 149177
electing pass-through entity. The credit shall equal the owner's 149178
proportionate share of the lesser of the tax levied due or paid 149179
under section 5747.38 of the Revised Code ~~remitted by the~~ 149180
~~owner's~~ for the taxable year of the electing pass-through entity 149181
~~for that ends in the~~ the taxable year of the taxpayer. 149182

The credit shall be claimed for the taxpayer's taxable 149183
year that includes the last day of the electing pass-through 149184
entity's taxable year for which the tax levied under that 149185

section was paid and in the order required under section 5747.98 149186
of the Revised Code. If the credit exceeds the aggregate amount 149187
of tax otherwise due, the excess shall be refunded to the 149188
taxpayer. 149189

The tax commissioner may request that a taxpayer claiming 149190
a credit under this section furnish information as is necessary 149191
to support the claim for the credit under this section, and no 149192
credit shall be allowed unless the requested information is 149193
provided. 149194

Sec. 5747.40. Any term used in sections 5747.40 to 5747.43 149195
of the Revised Code has the same meaning as defined in section 149196
5733.40 of the Revised Code. 149197

The purpose of sections 5747.40 to 5747.43 of the Revised 149198
Code is to complement and to reinforce the tax levied under 149199
section 5747.02 of the Revised Code. Those sections do not apply 149200
to a pass-through entity if all of the investors of the pass- 149201
through entity are resident taxpayers for the purposes of this 149202
chapter for the entire qualifying taxable year of the pass- 149203
through entity, or to a trust if all of the beneficiaries of the 149204
trust are resident taxpayers for the purposes of this chapter 149205
for the entire qualifying taxable year of the trust, except that 149206
sections 5747.42 and 5747.43 of the Revised Code apply to all 149207
pass-through entities that elect to be subject to the tax levied 149208
under section 5747.38 of the Revised Code. 149209

Sec. 5747.43. (A) As used in this section: 149210

(1) "Estimated taxes" means the amount that a qualifying 149211
entity or electing pass-through entity estimates to be the sum 149212
of its liability under sections 5733.41 and 5747.41 or section 149213
5747.38 of the Revised Code for its current qualifying taxable 149214

year or taxable year, as applicable. 149215

(2) "Tax liability" means the total of the taxes and 149216
withholding taxes due under sections 5733.41 and 5747.41 of the 149217
Revised Code or the tax due under section 5747.38 of the Revised 149218
Code for the applicable taxable year prior to applying any 149219
estimated tax payment or refund from another year. 149220

(3) "Taxes paid" includes payments of estimated taxes made 149221
under division (C) of this section and tax refunds applied by 149222
the qualifying entity or electing pass-through entity in payment 149223
of estimated taxes. 149224

(4) "Required installment" means a payment equal to 149225
twenty-five per cent of the lesser of the following: 149226

(a) Ninety per cent of the tax liability for the 149227
qualifying taxable year; 149228

(b) One hundred per cent of the tax liability shown on the 149229
return of a qualifying entity or an electing pass-through entity 149230
for the preceding taxable year. 149231

Division (A) (4) (b) of this section applies only if the 149232
entity filed a return under section 5747.42 of the Revised Code 149233
for the preceding taxable year and if the preceding taxable year 149234
was a twelve-month taxable year. 149235

(B) In addition to the return required to be filed 149236
pursuant to section 5747.42 of the Revised Code, each qualifying 149237
entity or electing pass-through entity that is subject to the 149238
tax imposed under section 5733.41 and to the withholding tax 149239
imposed by section 5747.41 of the Revised Code or that is 149240
subject to the tax imposed under section 5747.38 of the Revised 149241
Code shall file an estimated tax return and pay a portion of the 149242
entity's tax liability for its taxable year. The portion of 149243

those taxes required to be paid, and the last day prescribed for 149244
payment thereof, shall be as prescribed by divisions (B) (1), 149245
(2), (3), and (4) of this section: 149246

(1) On or before the fifteenth day of the fourth month 149247
~~following after the last day of the first quarter of beginning~~ 149248
of the entity's taxable year, twenty-two and one-half per cent 149249
of the entity's estimated tax liability for that taxable year; 149250

(2) On or before the fifteenth day of the sixth month 149251
~~following after the last day of the second quarter of beginning~~ 149252
of the entity's taxable year, forty-five per cent of the 149253
entity's estimated tax liability for that taxable year; 149254

(3) On or before the fifteenth day of the ninth month 149255
~~following after the last day of the third quarter of beginning~~ 149256
of the entity's taxable year, sixty-seven and one-half per cent 149257
of the entity's estimated tax liability for that taxable year; 149258

(4) On or before the fifteenth day of the first month 149259
~~following of the last day of the fourth quarter of the entity's~~ 149260
following taxable year, ninety per cent of the entity's 149261
estimated tax liability for that taxable year. 149262

Payments of estimated taxes shall be made payable to the 149263
treasurer of state. 149264

(C) If a payment of estimated taxes is not paid in the 149265
full amount required under division (B) of this section, a 149266
penalty ~~shall~~ may be added to the taxes charged for the 149267
qualifying taxable year or taxable year, as applicable, unless 149268
the underpayment is due to reasonable cause as described in 149269
division (D) of this section. The penalty shall accrue at the 149270
rate per annum prescribed by section 5703.47 of the Revised Code 149271
upon the amount of underpayment from the day the estimated 149272

payment was required to be made to the day the payment is made. 149273

The amount of the underpayment upon which the penalty 149274
shall accrue shall be determined as follows: 149275

(1) For the first payment of estimated taxes each year, 149276
the required installment less the amount of taxes paid by the 149277
date prescribed for that payment; 149278

(2) For the second payment of estimated taxes each year, 149279
the required installment less the amount of taxes paid by the 149280
date prescribed for that payment; 149281

(3) For the third payment of estimated taxes each year, 149282
the required installment less the amount of taxes paid by the 149283
date prescribed for that payment; 149284

(4) For the fourth payment of estimated taxes each year, 149285
the required installment less the amount of taxes paid by the 149286
date prescribed for that payment. 149287

For the purposes of this section, a payment of estimated 149288
taxes on or before any payment date shall be considered a 149289
payment of a previous underpayment only to the extent the 149290
payment of estimated taxes exceeds the amount of the payment 149291
presently required to be paid to avoid any penalty. 149292

The tax commissioner may abate, in whole or in part, the 149293
penalty imposed under division (C) of this section. Any such 149294
penalty is in lieu of any other interest charge or penalty 149295
imposed for failure to file a declaration of estimated tax 149296
report and make estimated payments as required by this section. 149297

(D) An underpayment of estimated taxes determined under 149298
division (C) of this section is due to reasonable cause if any 149299
of the following apply: 149300

(1) The amount of tax that was paid equals at least ninety 149301
per cent of the tax liability for the current taxable year, 149302
determined by annualizing the income received during that year 149303
up to the end of the month immediately preceding the month in 149304
which the payment is due; 149305

(2) The amount of tax liability that was paid equals at 149306
least ninety per cent of the tax liability for the current 149307
taxable year; 149308

(3) The amount of tax liability that was paid equals at 149309
least one hundred per cent of the tax liability shown on the 149310
return of the entity for the preceding taxable year, provided 149311
that the immediately preceding taxable year reflected a period 149312
of twelve months and the entity filed a return under section 149313
5747.42 of the Revised Code for that year. 149314

(E) (1) Divisions (B) and (C) of this section do not apply 149315
for a taxable year if either of the following applies to the 149316
entity: 149317

(a) For the immediately preceding taxable year, the entity 149318
computes in good faith and in a reasonable manner that the sum 149319
of its adjusted qualifying amounts or its qualifying taxable 149320
income, as applicable, is ten thousand dollars or less. 149321

(b) For the taxable year the entity computes in good faith 149322
and in a reasonable manner that the sum of its adjusted 149323
qualifying amounts or its qualifying taxable income, as 149324
applicable, is ten thousand dollars or less. 149325

(2) Notwithstanding any other provision of Title LVII of 149326
the Revised Code to the contrary, the entity shall establish by 149327
a preponderance of the evidence that its computation of the 149328
adjusted qualifying amounts or qualifying taxable income, as 149329

applicable, for the immediately preceding taxable year and the 149330
taxable year was, in fact, made in good faith and in a 149331
reasonable manner. 149332

(F) The tax commissioner may waive the requirement for 149333
filing a declaration of estimated taxes for any class of 149334
qualifying entities if the commissioner finds the waiver is 149335
reasonable and proper in view of administrative costs and other 149336
factors. 149337

(G) Estimated taxes paid by a qualifying entity or an 149338
electing pass-through entity may be applied to satisfy the 149339
entity's tax liability under section 5733.41, 5747.38, or 149340
5747.41 of the Revised Code. Nothing in this section authorizes 149341
such an entity to apply estimated taxes paid against more than 149342
one tax. 149343

Sec. 5747.502. (A) As used in this section: 149344

camera fines and fees paid by a driver. 149357

- (6) "Local government fund adjustment" or "LGF adjustment" 149358
means the sum of: 149359
- (a) The gross amount of all traffic camera fines collected 149360
by a local authority during the preceding fiscal year, as 149361
reported under division (B) (1) of this section, if such a report 149362
is required; plus 149363
- (b) The residual adjustment computed for the local 149364
authority under division (B) (4) of this section, if such an 149365
adjustment applies. 149366
- (7) "Local government fund payments" or "LGF payments" 149367
means the payments a local authority would receive under 149368
sections 5747.503, 5747.51, and 5747.53, and division (C) of 149369
section 5747.50 of the Revised Code, as applicable, if not for 149370

local authority's LGF payments. 149377
- (9) "Traffic camera fines" means civil fines for any 149378

section 5747.503 of the Revised Code. 149382
- (11) "Local authority" means a municipal corporation, 149383
county, or township. 149384
- (B) (1) Annually, on or before the thirty-first day of 149385

July, any local authority that directly or indirectly collected 149386
traffic camera fines during the preceding fiscal year shall file 149387
a report with the tax commissioner that includes a detailed 149388
statement of the gross amount of all traffic camera fines the 149389
local authority collected during that period and the gross 149390
amount of such fines that the local authority collected for 149391
violations that occurred within a school zone. 149392

(2) Annually, on or before the tenth day of August, and 149393
except as otherwise provided in this division, the commissioner 149394
shall compute a local government fund adjustment for each local 149395
authority that files a report under division (B)(1) of this 149396
section or with respect to which a residual adjustment applies. 149397
Subject to division (B)(3) of this section, the LGF adjustment 149398
shall be used by the commissioner to determine the amount of the 149399
reductions required under division (C) of this section for each 149400
of the next twelve months, starting with the month in which the 149401
LGF adjustment is computed. After those twelve months, the LGF 149402
adjustment ceases to apply and, if an LGF adjustment continues 149403
to be required, the amount of the reductions required under 149404
division (C) of this section shall be determined based on an 149405
updated LGF adjustment computed under this division. 149406

After the effective date of this amendment, no LGF 149407
adjustment shall be calculated for a county or township 149408
prohibited from operating a traffic law photo-monitoring device 149409
by section 4511.093 of the Revised Code. An LGF adjustment that 149410
applies to a county or township on the effective date of this 149411
amendment ceases to apply as of that date. 149412

(3) Upon receipt of a report described by division (B)(1) 149413
of this section that is not timely filed, the commissioner shall 149414
do both of the following: 149415

(a) If one or more payments to the local authority has 149416
been withheld under division (D) of this section because of the 149417
local authority's failure to file the report, notify the county 149418
auditor and county treasurer of the appropriate county that the 149419
report has been received and that, subject to division (C) of 149420
this section, payments to the local authority from the undivided 149421
local government fund are to resume. 149422

(b) Compute the local authority's LGF adjustment using the 149423
information in the report. An LGF adjustment computed under this 149424
division shall be used by the commissioner to determine the 149425
amount of the reductions required under division (C) of this 149426
section starting with the next required reduction. The LGF 149427
adjustment ceases to apply on the thirty-first day of the 149428
ensuing July, following which, if an LGF adjustment continues to 149429
be required, the amount of the reductions required under 149430
division (C) of this section shall be determined based on an 149431
updated LGF adjustment computed under division (B) (2) of this 149432
section. 149433

(4) Annually, on or before the tenth day of August, the 149434
commissioner shall compute a residual adjustment for each local 149435
authority whose LGF adjustment for the preceding year exceeds 149436
the amount by which the local authority's LGF payments were 149437
reduced during that year under division (C) of this section. The 149438
residual adjustment shall be used to compute the LGF adjustment 149439
for the ensuing year under division (B) (2) of this section. 149440

(C) The commissioner shall do the following, as 149441
applicable, respecting any local authority to which an LGF 149442
adjustment computed under division (B) of this section applies: 149443

(1) If the local authority is a municipal corporation with 149444
a population of one thousand or more, reduce payments to the 149445

municipal corporation under division (C) of section 5747.50 of 149446
the Revised Code by one-twelfth of the LGF adjustment. If one- 149447
twelfth of the LGF adjustment exceeds the amount of money the 149448
municipal corporation would otherwise receive under division (C) 149449
of section 5747.50 of the Revised Code, the commissioner also 149450
shall reduce payments to the appropriate county undivided local 149451
government fund under division (B) of section 5747.50 of the 149452
Revised Code by an amount equal to the lesser of (a) one-twelfth 149453
of the excess, or (b) the amount of the payment the municipal 149454
corporation would otherwise receive from the fund under section 149455
5747.51 or 5747.53 of the Revised Code. 149456

(2) If the local authority is a township or qualifying 149457
village, reduce the supplemental payments to the appropriate 149458
county undivided local government fund under section 5747.503 of 149459
the Revised Code by the lesser of one-twelfth of the LGF 149460
adjustment, or the amount of money the township or qualifying 149461
village would otherwise receive under that section. If one- 149462
twelfth of the LGF adjustment exceeds the amount of money the 149463
township or qualifying village would otherwise receive under 149464
section 5747.503 of the Revised Code, the commissioner also 149465
shall reduce payments to the appropriate county undivided local 149466
government fund under division (B) of section 5747.50 of the 149467
Revised Code by an amount equal to the lesser of (a) one-twelfth 149468
of the excess, or (b) the amount of the payment the township or 149469
qualifying village would otherwise receive from the fund under 149470
section 5747.51 or 5747.53 of the Revised Code. 149471

(3) If the local authority is a county, reduce payments to 149472
the appropriate county undivided local government fund under 149473
division (B) of section 5747.50 of the Revised Code by an amount 149474
equal to the lesser of (a) one-twelfth of the LGF adjustment, or 149475
(b) the amount of the payment the county would otherwise receive 149476

from the fund under section 5747.51 or 5747.53 of the Revised 149477
Code. 149478

(4) For any local authority, on or before the tenth day of 149479
each month a reduction is made under division (C) (1), (2), or 149480
(3) of this section, make a payment to the local authority in an 149481
amount equal to the lesser of (a) one-twelfth of the gross 149482
amount of traffic camera fines the local authority collected in 149483
the preceding fiscal year for violations that occurred within a 149484
school zone, as indicated on the report filed by the local 149485
authority pursuant to division (B) (1) of this section, or (b) 149486
the amount by which the local authority's LGF payments were 149487
reduced that month pursuant to division (C) (1), (2), or (3) of 149488
this section. Payments received by a local authority under this 149489
division shall be used by the local authority for school safety 149490
purposes. 149491

(D) Upon discovery, based on information in the 149492
commissioner's possession, that a local authority required to 149493
file a report under division (B) (1) of this section has failed 149494
to do so, the commissioner shall do the following, as 149495
applicable: 149496

(1) If the local authority is a municipal corporation with 149497
a population of one thousand or more, cease providing for 149498
payments to the municipal corporation under section 5747.50 of 149499
the Revised Code beginning with the next required payment and 149500
until such time as the report is received by the commissioner; 149501

(2) If the local authority is a township or qualifying 149502
village, reduce the supplemental payments to the appropriate 149503
county undivided local government fund under section 5747.503 of 149504
the Revised Code by an amount equal to the amount of such 149505
payments the local authority would otherwise receive under that 149506

section, beginning with the next required payment and until such 149507
time as the report is received by the commissioner; 149508

(3) For any local authority, reduce payments to the 149509
appropriate county undivided local government fund under 149510
division (B) of section 5747.50 of the Revised Code by an amount 149511
equal to the amount of such payments the local authority would 149512
otherwise receive under section 5747.51 or 5747.53 of the 149513
Revised Code, beginning with the next required payment and until 149514
such time as the report is received by the commissioner; 149515

(4) For any local authority, notify the county auditor and 149516
county treasurer that such payments are to cease until the 149517
commissioner notifies the auditor and treasurer under division 149518
(E) of this section that the payments are to resume. 149519

(E) The commissioner shall notify the county auditor and 149520
county treasurer on or before the day the commissioner first 149521
reduces a county undivided local government fund payment to that 149522
county under division (C) of this section. The notice shall 149523
include the full amount of the reduction, a list of the local 149524
authorities to which the reduction applies, and the amount of 149525
reduction attributed to each such local authority. The 149526
commissioner shall send an updated notice to the county auditor 149527
and county treasurer any time the amount the reduction 149528
attributed to any local authority changes. 149529

A county treasurer that receives a notice from the 149530
commissioner under this division or division (B) (3) (a) or (D) (4) 149531
of this section shall reduce, cease, or resume payments from the 149532
undivided local government fund to the local authority that is 149533
the subject of the notice as specified by the commissioner in 149534
the notice. Unless otherwise specified in the notice, the 149535
payments shall be reduced, ceased, or resumed beginning with the 149536

next required payment. 149537

~~(F)~~ (F) (1) There is hereby created in the state treasury 149538
the Ohio highway and transportation safety fund. On or before 149539
the tenth day of each month, the commissioner shall deposit in 149540
the fund an amount equal to the total amount by which payments 149541
to local authorities were reduced or ceased under division (C) 149542
or (D) of this section minus the total amount of payments made 149543
under division (C) (4) of this section. The Except as provided in 149544
division (F) (2) of this section, the amount deposited with 149545
respect to a local authority shall be credited to an account to 149546
be created in the fund for the transportation district in which 149547
that local authority is located. If the local authority is 149548
located within more than one transportation district, the amount 149549
credited to the account of each such transportation district 149550
shall be prorated on the basis of the number of centerline miles 149551
of public roads and highways in both the local authority and the 149552
respective districts. Amounts credited to a transportation 149553
district's account shall be used by the department of 149554
transportation and the district deputy director exclusively to 149555
enhance public safety on public roads and highways within that 149556
transportation district. 149557

(2) Notwithstanding division (F) (1) of this section, in 149558
fiscal year 2026, six million dollars of the amount in the Ohio 149559
highway and transportation safety fund, including any account 149560
thereof, shall be used for rail development infrastructure 149561
projects pursuant to an appropriation made by the general 149562
assembly. The amounts credited to each account of a 149563
transportation district pursuant to division (F) (1) of this 149564
section shall be reduced in the same proportion that the amount 149565
deposited in each account is of the total fund balance. 149566

Sec. 5747.51. (A) On or before the twenty-fifth day of 149567
July of each year, the tax commissioner shall make and certify 149568
to the county auditor of each county an estimate of the amount 149569
of the local government fund to be allocated to the undivided 149570
local government fund of each county for the ensuing calendar 149571
year, adjusting the total as required to account for 149572
subdivisions receiving local government funds under section 149573
5747.502 of the Revised Code. 149574

(B) At each annual regular session of the county budget 149575
commission convened pursuant to section 5705.27 of the Revised 149576
Code, each auditor shall present to the commission the 149577
certificate of the commissioner, the annual tax budget and 149578
estimates, and the records showing the action of the commission 149579
in its last preceding regular session. The commission, after 149580
extending to the representatives of each subdivision an 149581
opportunity to be heard, under oath administered by any member 149582
of the commission, and considering all the facts and information 149583
presented to it by the auditor, shall determine the amount of 149584
the undivided local government fund needed by and to be 149585
apportioned to each subdivision for current operating expenses, 149586
as shown in the tax budget of the subdivision. This 149587
determination shall be made pursuant to divisions (C) to (I) of 149588
this section, unless the commission has provided for a formula 149589
pursuant to section 5747.53 of the Revised Code. The 149590
commissioner shall reduce the amount of funds from the undivided 149591
local government fund to a subdivision required to receive 149592
reduced funds under section 5747.502 of the Revised Code. 149593

Nothing in this section prevents the budget commission, 149594
for the purpose of apportioning the undivided local government 149595
fund, from inquiring into the claimed needs of any subdivision 149596
as stated in its tax budget, or from adjusting claimed needs to 149597

reflect actual needs. For the purposes of this section, "current 149598
operating expenses" means the lawful expenditures of a 149599
subdivision, except those for permanent improvements and except 149600
payments for interest, sinking fund, and retirement of bonds, 149601
notes, and certificates of indebtedness of the subdivision. 149602

(C) The commission shall determine the combined total of 149603
the estimated expenditures, including transfers, from the 149604
general fund and any special funds other than special funds 149605
established for road and bridge; street construction, 149606
maintenance, and repair; state highway improvement; and gas, 149607
water, sewer, and electric public utilities operated by a 149608
subdivision, as shown in the subdivision's tax budget for the 149609
ensuing calendar year. 149610

(D) From the combined total of expenditures calculated 149611
pursuant to division (C) of this section, the commission shall 149612
deduct the following expenditures, if included in these funds in 149613
the tax budget: 149614

(1) Expenditures for permanent improvements as defined in 149615
division (E) of section 5705.01 of the Revised Code; 149616

(2) In the case of counties and townships, transfers to 149617
the road and bridge fund, and in the case of municipalities, 149618

fund and the state highway improvement fund; 149620

(3) Expenditures for the payment of debt charges; 149621

(4) Expenditures for the payment of judgments. 149622

(E) In addition to the deductions made pursuant to 149623
division (D) of this section, revenues accruing to the general 149624
fund and any special fund considered under division (C) of this 149625
section from the following sources shall be deducted from the 149626

combined total of expenditures calculated pursuant to division 149627
(C) of this section: 149628

(1) Taxes levied within the ten-mill limitation, as 149629
defined in section 5705.02 of the Revised Code; 149630

(2) The budget commission allocation of estimated county 149631
public library fund revenues to be distributed pursuant to 149632
section 5747.48 of the Revised Code; 149633

(3) Estimated unencumbered balances as shown on the tax 149634
budget as of the thirty-first day of December of the current 149635
year in the general fund, but not any estimated balance in any 149636
special fund considered in division (C) of this section; 149637

(4) Revenue, including transfers, shown in the general 149638
fund and any special funds other than special funds established 149639
for road and bridge; street construction, maintenance, and 149640
repair; state highway improvement; and gas, water, sewer, and 149641
electric public utilities, from all other sources except those 149642
that a subdivision receives from an additional tax or service 149643
charge voted by its electorate or receives from special 149644
assessment or revenue bond collection. For the purposes of this 149645
division, where the charter of a municipal corporation prohibits 149646
the levy of an income tax, an income tax levied by the 149647
legislative authority of such municipal corporation pursuant to 149648
an amendment of the charter of that municipal corporation to 149649
authorize such a levy represents an additional tax voted by the 149650
electorate of that municipal corporation. For the purposes of 149651
this division, any measure adopted by a board of county 149652
commissioners pursuant to section 322.02, 4504.02, or 5739.021 149653
of the Revised Code, including those measures upheld by the 149654
electorate in a referendum conducted pursuant to section 149655
322.021, 4504.021, or 5739.022 of the Revised Code, shall not be 149656

considered an additional tax voted by the electorate. 149657

~~Subject to division (F) of section 5705.29 of the Revised~~ 149658
~~Code, money~~ Money in a reserve balance account established by a 149659
county, township, or municipal corporation under section 5705.13 149660
of the Revised Code shall not be considered an unencumbered 149661
balance or revenue under division (E) (3) or (4) of this section. 149662
Money in a reserve balance account established by a township 149663
under section 5705.132 of the Revised Code shall not be 149664
considered an unencumbered balance or revenue under division (E) 149665
(3) or (4) of this section. 149666

If a county, township, or municipal corporation has 149667
created and maintains a nonexpendable trust fund under section 149668
5705.131 of the Revised Code, the principal of the fund, and any 149669
additions to the principal arising from sources other than the 149670
reinvestment of investment earnings arising from such a fund, 149671
shall not be considered an unencumbered balance or revenue under 149672
division (E) (3) or (4) of this section. Only investment earnings 149673
arising from investment of the principal or investment of such 149674
additions to principal may be considered an unencumbered balance 149675
or revenue under those divisions. 149676

(F) The total expenditures calculated pursuant to division 149677
(C) of this section, less the deductions authorized in divisions 149678
(D) and (E) of this section, shall be known as the "relative 149679
need" of the subdivision, for the purposes of this section. 149680

(G) The budget commission shall total the relative need of 149681
all participating subdivisions in the county, and shall compute 149682
a relative need factor by dividing the total estimate of the 149683
undivided local government fund by the total relative need of 149684
all participating subdivisions. 149685

(H) The relative need of each subdivision shall be 149686
multiplied by the relative need factor to determine the 149687
proportionate share of the subdivision in the undivided local 149688
government fund of the county; provided, that the maximum 149689
proportionate share of a county shall not exceed the following 149690
maximum percentages of the total estimate of the undivided local 149691
government fund governed by the relationship of the percentage 149692
of the population of the county that resides within municipal 149693
corporations within the county to the total population of the 149694
county as reported in the reports on population in Ohio by the 149695
department of development as of the twentieth day of July of the 149696
year in which the tax budget is filed with the budget 149697
commission: 149698
149699

A	Percentage of municipal population within the county:	Percentage share of the county shall not exceed:
B	Less than forty-one per cent	Sixty per cent
C	Forty-one per cent or more but less than eighty-one per cent	Fifty per cent
D	Eighty-one per cent or more	Thirty per cent

Where the proportionate share of the county exceeds the 149700
limitations established in this division, the budget commission 149701
shall adjust the proportionate shares determined pursuant to 149702
this division so that the proportionate share of the county does 149703
not exceed these limitations, and it shall increase the 149704
proportionate shares of all other subdivisions on a pro rata 149705
basis. In counties having a population of less than one hundred 149706

thousand, not less than ten per cent shall be distributed to the 149707
townships therein. 149708

(I) The proportionate share of each subdivision in the 149709
undivided local government fund determined pursuant to division 149710
(H) of this section for any calendar year shall not be less than 149711
the product of the average of the percentages of the undivided 149712
local government fund of the county as apportioned to that 149713
subdivision for the calendar years 1968, 1969, and 1970, 149714
multiplied by the total amount of the undivided local government 149715
fund of the county apportioned pursuant to former section 149716
5739.23 of the Revised Code for the calendar year 1970. For the 149717
purposes of this division, the total apportioned amount for the 149718
calendar year 1970 shall be the amount actually allocated to the 149719
county in 1970 from the state collected intangible tax as levied 149720
by section 5707.03 of the Revised Code and distributed pursuant 149721
to section 5725.24 of the Revised Code, plus the amount received 149722
by the county in the calendar year 1970 pursuant to division (B) 149723
(1) of former section 5739.21 of the Revised Code, and 149724
distributed pursuant to former section 5739.22 of the Revised 149725
Code. If the total amount of the undivided local government fund 149726
for any calendar year is less than the amount of the undivided 149727
local government fund apportioned pursuant to former section 149728
5739.23 of the Revised Code for the calendar year 1970, the 149729
minimum amount guaranteed to each subdivision for that calendar 149730
year pursuant to this division shall be reduced on a basis 149731
proportionate to the amount by which the amount of the undivided 149732
local government fund for that calendar year is less than the 149733
amount of the undivided local government fund apportioned for 149734
the calendar year 1970. 149735

(J) On the basis of such apportionment, the county auditor 149736
shall compute the percentage share of each such subdivision in 149737

the undivided local government fund and shall at the same time 149738
certify to the tax commissioner the percentage share of the 149739
county as a subdivision. No payment shall be made from the 149740
undivided local government fund, except in accordance with such 149741
percentage shares. 149742

Within ten days after the budget commission has made its 149743
apportionment, whether conducted pursuant to section 5747.51 or 149744
5747.53 of the Revised Code, the auditor shall publish a list of 149745
the subdivisions and the amount each is to receive from the 149746
undivided local government fund and the percentage share of each 149747
subdivision, in a newspaper or newspapers of countywide 149748
circulation, and send a copy of such allocation to the tax 149749
commissioner. 149750

The county auditor shall also send a copy of such 149751
allocation by ordinary or electronic mail to the fiscal officer 149752
of each subdivision entitled to participate in the allocation of 149753
the undivided local government fund of the county. This copy 149754
shall constitute the official notice of the commission action 149755
referred to in section 5705.37 of the Revised Code. 149756

All money received into the treasury of a subdivision from 149757
the undivided local government fund in a county treasury shall 149758
be paid into the general fund and used for the current operating 149759
expenses of the subdivision. 149760

If a municipal corporation maintains a municipal 149761
university, such municipal university, when the board of 149762
trustees so requests the legislative authority of the municipal 149763
corporation, shall participate in the money apportioned to such 149764
municipal corporation from the total local government fund, 149765
however created and constituted, in such amount as requested by 149766
the board of trustees, provided such sum does not exceed nine 149767

per cent of the total amount paid to the municipal corporation. 149768

If any public official fails to maintain the records 149769
required by sections 5747.50 to 5747.55 of the Revised Code or 149770
by the rules issued by the tax commissioner, the auditor of 149771
state, or the treasurer of state pursuant to such sections, or 149772
fails to comply with any law relating to the enforcement of such 149773
sections, the local government fund money allocated to the 149774
county may be withheld until such time as the public official 149775
has complied with such sections or such law or the rules issued 149776
pursuant thereto. 149777

fifty dollars multiplied by the number of the taxpayer's 149796

qualifying students or the amount of education expenses incurred 149797
by the taxpayer in the taxable year for the benefit of one or 149798
more of the taxpayer's qualifying students. The credit shall be 149799
claimed in the order required under section 5747.98 of the 149800
Revised Code. 149801

The tax commissioner may request that a qualifying 149802
taxpayer claiming a credit under this section furnish 149803
information as is necessary to support the claim for the credit 149804
under this section, and no credit shall be allowed unless the 149805

Sec. 5747.85. (A) As used in this section: 149807

(5) "Eligible expenses" means unreimbursed expenses paid 149822

Sec. 5747.86. Terms used in this section have the same 149884

meanings as in section 122.84 of the Revised Code. 149885

There is hereby allowed a nonrefundable credit against a 149886
taxpayer's aggregate tax liability under section 5747.02 of the 149887
Revised Code for a taxpayer who is issued, or to whom is 149888
transferred, a tax credit certificate under section 122.84 of 149889
the Revised Code. The credit equals the amount stated on the 149890
certificate and may be claimed for the taxable year that 149891
includes the first day of the investment period that was the 149892
subject of the application for the certificate under that 149893
section or for the ensuing taxable year. For a credit issued 149894
during the July application round each year, the credit may also 149895
be claimed for the preceding taxable year. A taxpayer applying a 149896
credit for the preceding taxable year shall file an amended 149897
return or apply that amendment on the taxpayer's original 149898
return, for that year. 149899

If the certificate is held by a pass-through entity, any 149900
taxpayer that is a direct or indirect investor in the pass- 149901
through entity on the last day of the entity's qualifying 149902
taxable year may claim the taxpayer's proportionate or 149903
distributive share of the credit against the taxpayer's 149904
aggregate amount of tax levied under section 5747.02 of the 149905
Revised Code. 149906

The credit shall be claimed in the order required under 149907
section 5747.98 of the Revised Code. If the credit exceeds the 149908
taxpayer's aggregate tax due under section 5747.02 of the 149909
Revised Code for that taxable year after allowing for credits 149910
that precede the credit under this section in that order, such 149911
excess shall be allowed as a credit in each of the ensuing five 149912
taxable years, but the amount of any excess credit allowed in 149913
any such taxable year shall be deducted from the balance carried 149914

forward to the ensuing taxable year. 149915

No credit shall be claimed under this section to the 149916
extent the credit was claimed under section 5725.38, 5726.61, or 149917
5729.21 of the Revised Code. 149918

Sec. 5747.87. There is allowed a nonrefundable credit 149919
against a taxpayer's aggregate tax liability under section 149920
5747.02 of the Revised Code for a taxpayer who holds the rights 149921
to a tax credit certificate that is issued on or after the 149922
effective date of this section under section 122.09 of the 149923
Revised Code. The credit equals the amount stated on the 149924
certificate and may be claimed for the taxable year ending in 149925
the calendar year specified in the certificate or in the ensuing 149926
calendar year. The credit shall be claimed in the order required 149927
under section 5747.98 of the Revised Code. If the credit exceeds 149928
the taxpayer's aggregate tax due under section 5747.02 of the 149929
Revised Code for that taxable year after allowing for credits 149930
that precede the credit under this section in that order, the 149931
excess may be carried forward for five ensuing taxable years, 149932
but the amount of any excess credit allowed in any such taxable 149933
year shall be deducted from the balance carried forward to the 149934
ensuing taxable year. Nothing in this section limits or 149935
disallows pass-through treatment of the credit if the person 149936
holding the rights to a tax credit certificate is a pass-through 149937
entity. 149938

No credit shall be claimed under this section to the 149939
extent the certificate was used to claim a credit under section 149940
5725.35, 5726.62, or 5729.18 of the Revised Code. 149941

Sec. 5747.98. (A) To provide a uniform procedure for 149942
calculating a taxpayer's aggregate tax liability under section 149943
5747.02 of the Revised Code, a taxpayer shall claim any credits 149944

to which the taxpayer is entitled in the following order: 149945

Either the retirement income credit under division (B) of 149946
section 5747.055 of the Revised Code or the lump sum retirement 149947
income credits under divisions (C), (D), and (E) of that 149948
section; 149949

Either the senior citizen credit under division (F) of 149950
section 5747.055 of the Revised Code or the lump sum 149951
distribution credit under division (G) of that section; 149952

The dependent care credit under section 5747.054 of the 149953
Revised Code; 149954

Sec. 5748.02. (A) The board of education of any school 150112
district, except a joint vocational school district, may 150113
declare, by resolution, the necessity of raising annually a 150114
specified amount of money for school district purposes. The 150115
resolution shall specify whether the income that is to be 150116
subject to the tax is taxable income ~~of individuals and estates~~ 150117
as defined in ~~divisions (E) (1) (a) and~~ division (E) (1) or (2) of 150118
section 5748.01 of the Revised Code ~~or taxable income of~~ 150119
~~individuals as defined in division (E) (1) (b) of that section.~~ A 150120
copy of the resolution shall be certified to the tax 150121
commissioner no later than one hundred days prior to the date of 150122
the election at which the board intends to propose a levy under 150123
this section. Upon receipt of the copy of the resolution, the 150124
tax commissioner shall estimate both of the following: 150125

(1) The property tax rate that would have to be imposed in 150126
the current year by the district to produce an equivalent amount 150127
of money; 150128

(2) The income tax rate that would have had to have been 150129
in effect for the current year to produce an equivalent amount 150130
of money from a school district income tax. 150131

Within ten days of receiving the copy of the board's 150132
resolution, the commissioner shall prepare these estimates and 150133
certify them to the board. Upon receipt of the certification, 150134
the board may adopt a resolution proposing an income tax under 150135
division (B) of this section at the estimated rate contained in 150136
the certification rounded to the nearest one-fourth of one per 150137
cent. The commissioner's certification applies only to the 150138

board's proposal to levy an income tax at the election for which 150139
the board requested the certification. If the board intends to 150140
submit a proposal to levy an income tax at any other election, 150141
it shall request another certification for that election in the 150142
manner prescribed in this division. 150143

(B) (1) Upon the receipt of a certification from the tax 150144
commissioner under division (A) of this section, a majority of 150145
the members of a board of education may adopt a resolution 150146
proposing the levy of an annual tax for school district purposes 150147
on school district income. The proposed levy may be for a 150148
continuing period of time or for a specified number of years. 150149
The resolution shall set forth the purpose for which the tax is 150150
to be imposed, the rate of the tax, which shall be the rate set 150151
forth in the commissioner's certification rounded to the nearest 150152
one-fourth of one per cent, the number of years the tax will be 150153
levied or that it will be levied for a continuing period of 150154
time, the date on which the tax shall take effect, which shall 150155
be the first day of January of any year following the year in 150156
which the question is submitted, and the date of the election at 150157
which the proposal shall be submitted to the electors of the 150158
district, which shall be on the date of a primary, general, or 150159
special election the date of which is consistent with section 150160
3501.01 of the Revised Code. The resolution shall specify 150161
whether the income that is to be subject to the tax is taxable 150162
~~income of individuals and estates as defined in divisions (E) (1)~~ 150163
~~(a) and division (E) (1) or (2) of section 5748.01 of the Revised~~ 150164
~~Code or taxable income of individuals as defined in division (E)~~ 150165
~~(1) (b) of that section.~~ The specification shall be the same as 150166
the specification in the resolution adopted and certified under 150167
division (A) of this section. 150168

If the tax is to be levied for current expenses and 150169

permanent improvements, the resolution shall apportion the 150170
annual rate of the tax. The apportionment may be the same or 150171
different for each year the tax is levied, but the respective 150172
portions of the rate actually levied each year for current 150173
expenses and for permanent improvements shall be limited by the 150174
apportionment. 150175

If the board of education currently imposes an income tax 150176
pursuant to this chapter that is due to expire and a question is 150177
submitted under this section for a proposed income tax to take 150178
effect upon the expiration of the existing tax, the board may 150179
specify in the resolution that the proposed tax renews the 150180
expiring tax. Two or more expiring income taxes may be renewed 150181
under this paragraph if the taxes are due to expire on the same 150182
date. If the tax rate being proposed is no higher than the total 150183
tax rate imposed by the expiring tax or taxes, the resolution 150184
may state that the proposed tax is not an additional income tax. 150185

(2) A board of education adopting a resolution under 150186
division (B)(1) of this section proposing a school district 150187
income tax for a continuing period of time and limited to the 150188
purpose of current expenses may propose in that resolution to 150189
reduce the rate or rates of one or more of the school district's 150190
property taxes levied for a continuing period of time in excess 150191
of the ten-mill limitation for the purpose of current expenses. 150192
The reduction in the rate of a property tax may be any amount, 150193
not exceeding the rate at which the tax is authorized to be 150194
levied. The reduction in the rate of a tax shall first take 150195
effect for the tax year that includes the day on which the 150196
school district income tax first takes effect, and shall 150197
continue for each tax year that both the school district income 150198
tax and the property tax levy are in effect. 150199

In addition to the matters required to be set forth in the
resolution under division (B) (1) of this section, a resolution
containing a proposal to reduce the rate of one or more property
taxes shall state for each such tax the maximum rate at which it
currently may be levied and the maximum rate at which the tax
could be levied after the proposed reduction, expressed in mills
for each one dollar of taxable value, and that the tax is levied
for a continuing period of time.

A board proposing to reduce the rate of one or more
property taxes under division (B) (2) of this section shall
comply with division (B) of section 5705.03 of the Revised Code.
In addition to the amounts required in division (B) (2) of that
section, the county auditor shall certify to the board the
levy's effective rate for both the last year before the levy's
proposed reduction and the first year that the reduction
applies, both expressed in dollars for each one hundred thousand
dollars of the county auditor's ~~appraised~~ market value.

If a board of education proposes to reduce the rate of one
or more property taxes under division (B) (2) of this section,
the board, when it makes the certification required under
division (A) of this section, shall designate the specific levy
or levies to be reduced, the maximum rate at which each levy
currently is authorized to be levied, and the rate by which each
levy is proposed to be reduced. The tax commissioner, when
making the certification to the board under division (A) of this
section, also shall certify the reduction in the total effective
tax rate for current expenses for each class of property that
would have resulted if the proposed reduction in the rate or
rates had been in effect the previous tax year. As used in this
paragraph, "effective tax rate" has the same meaning as in
section 323.08 of the Revised Code.

(C) A resolution adopted under division (B) of this 150231
section shall go into immediate effect upon its passage, and no 150232
publication of the resolution shall be necessary other than that 150233
provided for in the notice of election. Immediately after its 150234
adoption and at least ninety days prior to the election at which 150235
the question will appear on the ballot, a copy of the resolution 150236
and, if applicable, the county auditor's certifications under 150237
section 5705.03 of the Revised Code shall be certified to the 150238
board of elections of the proper county, which shall submit the 150239
proposal to the electors on the date specified in the 150240
resolution. The board of education shall send to the tax 150241
commissioner a copy of the resolution certified to the board of 150242
elections. The form of the ballot shall be as provided in 150243
section 5748.03 of the Revised Code. Publication of notice of 150244
the election shall be made in a newspaper of general circulation 150245
in the county once a week for two consecutive weeks, or as 150246
provided in section 7.16 of the Revised Code, prior to the 150247
election. If the board of elections operates and maintains a web 150248
site, the board of elections shall post notice of the election 150249
on its web site for thirty days prior to the election. The 150250
notice shall contain the time and place of the election and the 150251
question to be submitted to the electors. The question covered 150252
by the resolution shall be submitted as a separate proposition, 150253
but may be printed on the same ballot with any other proposition 150254
submitted at the same election, other than the election of 150255
officers. 150256

(D) No board of education shall submit the question of a 150257
tax on school district income to the electors of the district 150258
more than twice in any calendar year. If a board submits the 150259
question twice in any calendar year, one of the elections on the 150260
question shall be held on the date of the general election. 150261

(E) (1) No board of education may submit to the electors of 150262
the district the question of a tax on school district income on 150263
~~the taxable income of individuals as defined in division (E) (1)~~ 150264
~~(b) (E) (2)~~ of section 5748.01 of the Revised Code if that tax 150265
would be in addition to an existing tax on ~~the taxable income of~~ 150266
~~individuals and estates as defined in divisions (E) (1) (a) and~~ 150267
~~(2) division (E) (1)~~ of that section. 150268

(2) No board of education may submit to the electors of 150269
the district the question of a tax on school district income on 150270
~~the taxable income of individuals and estates as defined in~~ 150271
~~divisions (E) (1) (a) and (2) division (E) (1)~~ of section 5748.01 150272
of the Revised Code if that tax would be in addition to an 150273
existing tax on ~~the taxable income of individuals as defined in~~ 150274
division ~~(E) (1) (b) (E) (2)~~ of that section. 150275

Sec. 5748.021. A board of education that levies a tax 150276
under section 5748.02 of the Revised Code on the school district 150277
income of individuals ~~and estates as defined in divisions (G)~~ 150278
and ~~(E) (1) (a) and (2) (E) (1)~~ of section 5748.01 of the Revised 150279
Code may declare, at any time, by a resolution adopted by a 150280
majority of its members, the necessity of raising annually a 150281
specified amount of money for school district purposes by 150282
replacing the existing tax with a tax on ~~the school district~~ 150283
income ~~of individuals as defined in divisions (G) (1) (G) and (E)~~ 150284
~~(1) (b) (E) (2)~~ of section 5748.01 of the Revised Code. The 150285
specified amount of money to be raised annually may be the same 150286
as, or more or less than, the amount of money raised annually by 150287
the existing tax. 150288

The board shall certify a copy of the resolution to the 150289
tax commissioner not later than the eighty-fifth day before the 150290
date of the election at which the board intends to propose the 150291

replacement to the electors of the school district. Not later 150292
than the tenth day after receiving the resolution, the tax 150293
commissioner shall estimate the tax rate that would be required 150294
in the school district annually to raise the amount of money 150295
specified in the resolution. The tax commissioner shall certify 150296
the estimate to the board. 150297

Upon receipt of the tax commissioner's estimate, the board 150298
may propose, by a resolution adopted by a majority of its 150299
members, to replace the existing tax on ~~the~~ school district 150300
income ~~of individuals and estates~~ as defined in divisions (G) 150301
and ~~(E) (1) (a) and (2)~~ (E) (1) of section 5748.01 of the Revised 150302
Code with the levy of an annual tax on ~~the~~ school district 150303
income ~~of individuals~~ as defined in divisions ~~(G) (1)~~ (G) and ~~(E)~~ 150304
~~(1) (b)~~ (E) (2) of section 5748.01 of the Revised Code. In the 150305
resolution, the board shall specify the rate of the replacement 150306
tax, whether the replacement tax is to be levied for a specified 150307
number of years or for a continuing time, the specific school 150308
district purposes for which the replacement tax is to be levied, 150309
the date on which the replacement tax will begin to be levied, 150310
the date of the election at which the question of the 150311
replacement is to be submitted to the electors of the school 150312
district, that the existing tax will cease to be levied and the 150313
replacement tax will begin to be levied if the replacement is 150314
approved by a majority of the electors voting on the 150315
replacement, and that if the replacement is not approved by a 150316
majority of the electors voting on the replacement the existing 150317
tax will remain in effect under its original authority for the 150318
remainder of its previously approved term. The resolution goes 150319
into immediate effect upon its adoption. Publication of the 150320
resolution is not necessary, and the information that will be 150321
provided in the notice of election is sufficient notice. At 150322

least seventy-five days before the date of the election at which 150323
the question of the replacement will be submitted to the 150324
electors of the school district, the board shall certify a copy 150325
of the resolution to the board of elections. The board of 150326
education shall send to the tax commissioner a copy of the 150327
resolution certified to the board of elections. 150328

The replacement tax shall have the same specific school 150329
district purposes as the existing tax, and its rate shall be the 150330
same as the tax commissioner's estimate rounded to the nearest 150331
one-fourth of one per cent. The replacement tax shall begin to 150332
be levied on the first day of January of the year following the 150333
year in which the question of the replacement is submitted to 150334
and approved by the electors of the school district or on the 150335
first day of January of a later year, as specified in the 150336
resolution. The date of the election shall be the date of an 150337
otherwise scheduled primary, general, or special election. 150338

The board of elections shall make arrangements to submit 150339
the question of the replacement to the electors of the school 150340
district on the date specified in the resolution. The board of 150341
elections shall publish notice of the election on the question 150342
of the replacement in one newspaper of general circulation in 150343
the school district once a week for four consecutive weeks or as 150344
provided in section 7.16 of the Revised Code. The notice shall 150345
set forth the question to be submitted to the electors and the 150346
time and place of the election thereon. 150347

The question shall be submitted to the electors of the 150348
school district as a separate proposition, but may be printed on 150349
the same ballot with other propositions that are submitted at 150350
the same election, other than the election of officers. The form 150351
of the ballot shall be substantially as follows: 150352

"Shall the existing tax of _____ (state the rate) on the school district income of individuals ~~and estates~~ imposed by _____ (state the name of the school district) be replaced by a tax of _____ (state the rate) on the earned income of individuals residing in the school district for _____ (state the number of years the tax is to be in effect or that it will be in effect for a continuing time), beginning _____ (state the date the new tax will take effect), for the purpose of _____ (state the specific school district purposes of the tax)? If the new tax is not approved, the existing tax will remain in effect under its original authority, for the remainder of its previously approved term.

	For replacing the existing tax with the new tax
	Against replacing the existing tax with the new tax

The board of elections shall conduct and canvass the election in the same manner as regular elections in the school district for the election of county officers. The board shall certify the results of the election to the board of education and to the tax commissioner. If a majority of the electors voting on the question vote in favor of the replacement, the existing tax shall cease to be levied, and the replacement tax shall begin to be levied, on the date specified in the ballot question. If a majority of the electors voting on the question vote against the replacement, the existing tax shall continue to be levied under its original authority, for the remainder of its previously approved term.

A board of education may not submit the question of replacing a tax more than twice in a calendar year. If a board

submits the question more than once, one of the elections at 150380
which the question is submitted shall be on the date of a 150381
general election. 150382

If a board of education later intends to renew a 150383
replacement tax levied under this section, it shall repeat the 150384
procedure outlined in this section to do so, the replacement tax 150385
then being levied being the "existing tax" and the renewed 150386
replacement tax being the "replacement tax." 150387

Sec. 5748.03. (A) The form of the ballot on a question 150388
submitted to the electors under section 5748.02 of the Revised 150389
Code shall be as follows: 150390

"Shall an annual income tax of _____ (state the proposed 150391
rate of tax) on the school district income of individuals ~~and of~~ 150392
~~estates~~ be imposed by _____ (state the name of the school 150393
district), for _____ (state the number of years the tax would 150394
be levied, or that it would be levied for a continuing period of 150395
time), beginning _____ (state the date the tax would first 150396
take effect), for the purpose of _____ (state the purpose of 150397
the tax)? 150398

	FOR THE TAX	"
	AGAINST THE TAX	

(B) (1) If the question submitted to electors proposes a 150400
school district income tax only on ~~the taxable income of~~ 150401
~~individuals~~ as defined in division ~~(E) (1) (b)~~ (E) (2) of section 150402
5748.01 of the Revised Code, the form of the ballot shall be 150403
modified by stating that the tax is to be levied on the "earned 150404
income of individuals residing in the school district" in lieu 150405

of the "school district income of individuals~~and of estates~~." 150406

(2) If the question submitted to electors proposes to 150407
renew one or more expiring income tax levies, the ballot shall 150408
be modified by adding the following language immediately after 150409
the name of the school district that would impose the tax: "to 150410
renew an income tax (or income taxes) expiring at the end of 150411
_____ (state the last year the existing income tax or taxes 150412
may be levied)." 150413

(3) If the question includes a proposal under division (B) 150414
(2) of section 5748.02 of the Revised Code to reduce the rate of 150415
one or more school district property taxes, the ballot shall 150416
state that the purpose of the school district income tax is for 150417
current expenses, and the form of the ballot shall be modified 150418
by adding the following language immediately after the statement 150419
of the purpose of the proposed income tax: ", and shall the rate 150420
of an existing tax on property, currently levied for the purpose 150421
of current expenses at the rate of _____ mills, be REDUCED to 150422
_____ mills for each \$1 of taxable value, which amounts to a 150423
reduction from \$_____ (effective rate) to \$_____ (effective 150424
rate) for each \$100,000 of the county auditor's ~~appraised-market~~ 150425
value, that the county auditor estimates will collect \$_____ 150426
annually, the reduction continuing until any such time as the 150427
income tax is repealed." In lieu of "for the tax" and "against 150428
the tax," the phrases "for the issue" and "against the issue," 150429
respectively, shall be used. If a board of education proposes a 150430
reduction in the rates of more than one tax, the ballot language 150431
shall be modified accordingly to express the rates at which 150432
those taxes currently are levied and the rates to which the 150433
taxes will be reduced. 150434

(C) The board of elections shall certify the results of 150435

the election to the board of education and to the tax 150436
commissioner. If a majority of the electors voting on the 150437
question vote in favor of it, the income tax, the applicable 150438
provisions of Chapter 5747. of the Revised Code, and the 150439
reduction in the rate or rates of existing property taxes if the 150440
question included such a reduction shall take effect on the date 150441
specified in the resolution. If the question approved by the 150442
voters includes a reduction in the rate of a school district 150443
property tax, the board of education shall not levy the tax at a 150444
rate greater than the rate to which the tax is reduced, unless 150445
the school district income tax is repealed in an election under 150446
section 5748.04 of the Revised Code. 150447

(D) If the rate at which a property tax is levied and 150448
collected is reduced pursuant to a question approved under this 150449
section, the tax commissioner shall compute the percentage 150450
required to be computed for that tax under division (D) of 150451
section 319.301 of the Revised Code each year the rate is 150452
reduced as if the tax had been levied in the preceding year at 150453
the rate at which it has been reduced. If the rate of a property 150454
tax increases due to the repeal of the school district income 150455
tax pursuant to section 5748.04 of the Revised Code, the tax 150456
commissioner, for the first year for which the rate increases, 150457
shall compute the percentage as if the tax in the preceding year 150458
had been levied at the rate at which the tax was authorized to 150459
be levied prior to any rate reduction. 150460

Sec. 5748.04. (A) The question of the repeal of a school 150461
district income tax levied for more than five years may be 150462
initiated not more than once in any five-year period by filing 150463
with the board of elections of the appropriate counties not 150464
later than ninety days before the general election in any year 150465
after the year in which it is approved by the electors a 150466

petition requesting that an election be held on the question. 150467
The petition shall be signed by qualified electors residing in 150468
the school district levying the income tax equal in number to 150469
ten per cent of those voting for governor at the most recent 150470
gubernatorial election. 150471

The board of elections shall determine whether the 150472
petition is valid, and if it so determines, it shall do ~~both~~ all 150473
of the following: 150474

(1) Submit the question to the electors of the district at 150475
the next general election; 150476

(2) Send a copy of the petition to the tax commissioner; 150477

(3) If the rate of one or more property tax levies was 150478
reduced for the duration of the income tax levy pursuant to 150479
division (B) (2) of section 5748.02 of the Revised Code, request 150480
that the county auditor certify to the board, in the same manner 150481
as required for a tax levy under section 5705.03 of the Revised 150482
Code, an estimate of the levies' annual collections for the 150483
first year in which the levies are increased, rounded to the 150484
nearest dollar, and the levies' effective rates for the year 150485
before the proposed increase and the levies' effective rates for 150486
the first year that the increase applies, both of which shall be 150487
expressed in dollars, rounded to the nearest dollar, for each 150488
one hundred thousand dollars of ~~the county auditor's appraised~~ 150489
market value. 150490

The county auditor shall certify such information to the 150491
board of elections within ten days after receiving the board's 150492
request. If a school district is located in more than one 150493
county, the county auditor shall obtain from the county auditor 150494
of each other county in which the district is located the tax 150495

valuation applicable to the portion of the district in that 150496
county. 150497

The election shall be conducted, canvassed, and certified 150498
in the same manner as regular elections for county offices in 150499
the county. Notice of the election shall be published in a 150500
newspaper of general circulation in the district once a week for 150501
two consecutive weeks, or as provided in section 7.16 of the 150502
Revised Code, prior to the election. If the board of elections 150503
operates and maintains a web site, the board of elections shall 150504
post notice of the election on its web site for thirty days 150505
prior to the election. The notice shall state the time and place 150506
of the election and the question to be submitted to the 150507
electors. The form of the ballot cast at the election shall be 150508
as follows: 150509

"Shall the annual income tax of _____ per cent, currently 150510
levied on the school district income of individuals ~~and estates~~ 150511
by _____ (state the name of the school district) for the 150512
purpose of _____ (state purpose of the tax), be repealed? 150513
150514

	For repeal of the income tax
	Against repeal of the income tax

"

(B) (1) If the tax is imposed on taxable income as defined 150515
in division ~~(E) (1) (b)~~ (E) (2) of section 5748.01 of the Revised 150516
Code, the form of the ballot shall be modified by stating that 150517
the tax currently is levied on the "earned income of individuals 150518
residing in the school district" in lieu of the "school district 150519
income of individuals ~~and estates~~." 150520

(2) If the rate of one or more property tax levies was 150521

reduced for the duration of the income tax levy pursuant to 150522
division (B) (2) of section 5748.02 of the Revised Code, the form 150523
of the ballot shall be modified by adding the following language 150524
immediately after "repealed": ", and shall the rate of an 150525
existing tax on property for the purpose of current expenses, 150526
which rate was reduced for the duration of the income tax, be 150527
INCREASED from _____ mills to _____ mills for each \$1 of taxable 150528
value which amounts to an increase from \$_____ (effective rate) 150529
to \$_____ (effective rate) for each \$100,000 of ~~the county~~ 150530
~~auditor's appraised market~~ value, that the county auditor 150531
estimates will collect \$_____ annually, beginning in _____ 150532
(state the first year for which the rate of the property tax 150533
will increase)." In lieu of "for repeal of the income tax" and 150534
"against repeal of the income tax," the phrases "for the issue" 150535
and "against the issue," respectively, shall be substituted. 150536

(3) If the rate of more than one property tax was reduced 150537
for the duration of the income tax, the ballot language shall be 150538
modified accordingly to express the rates at which those taxes 150539
currently are levied and the rates to which the taxes would be 150540
increased. 150541

(C) The question covered by the petition shall be 150542
submitted as a separate proposition, but it may be printed on 150543
the same ballot with any other proposition submitted at the same 150544
election other than the election of officers. If a majority of 150545
the qualified electors voting on the question vote in favor of 150546
it, the result shall be certified immediately after the canvass 150547
by the board of elections to the board of education of the 150548
school district and the tax commissioner, who shall thereupon, 150549
after the current year, cease to levy the tax, except that if 150550
notes have been issued pursuant to section 5748.05 of the 150551
Revised Code the tax commissioner shall continue to levy and 150552

collect under authority of the election authorizing the levy an 150553
annual amount, rounded upward to the nearest one-fourth of one 150554
per cent, as will be sufficient to pay the debt charges on the 150555
notes as they fall due. 150556

(D) If a school district income tax repealed pursuant to 150557
this section was approved in conjunction with a reduction in the 150558
rate of one or more school district property taxes as provided 150559
in division (B) (2) of section 5748.02 of the Revised Code, then 150560
each such property tax may be levied after the current year at 150561
the rate at which it could be levied prior to the reduction, 150562
subject to any adjustments required by the county budget 150563
commission pursuant to Chapter 5705. of the Revised Code. Upon 150564
the repeal of a school district income tax under this section, 150565
the board of education may resume levying a property tax, the 150566
rate of which has been reduced pursuant to a question approved 150567
under section 5748.02 of the Revised Code, at the rate the board 150568
originally was authorized to levy the tax. A reduction in the 150569
rate of a property tax under section 5748.02 of the Revised Code 150570
is a reduction in the rate at which a board of education may 150571
levy that tax only for the period during which a school district 150572
income tax is levied prior to any repeal pursuant to this 150573
section. The resumption of the authority to levy the tax upon 150574
such a repeal does not constitute a tax levied in excess of the 150575
one per cent limitation prescribed by Section 2 of Article XII, 150576
Ohio Constitution, or in excess of the ten-mill limitation. 150577

(E) This section does not apply to school district income 150578
tax levies that are levied for five or fewer years. 150579

Sec. 5748.08. (A) The board of education of a city, local, 150580
or exempted village school district, at any time by a vote of 150581
two-thirds of all its members, may declare by resolution that it 150582

may be necessary for the school district to do all of the 150583
following: 150584

(1) Raise a specified amount of money for school district 150585
purposes by levying an annual tax on school district income; 150586

(2) Issue general obligation bonds for permanent 150587
improvements, stating in the resolution the necessity and 150588
purpose of the bond issue and the amount, approximate date, 150589
estimated rate of interest, and maximum number of years over 150590
which the principal of the bonds may be paid; 150591

(3) Levy a tax outside the ten-mill limitation to pay debt 150592
charges on the bonds and any anticipatory securities; 150593

(4) Submit the question of the school district income tax 150594
and bond issue to the electors of the district at a special 150595
election. 150596

The resolution shall specify whether the income that is to 150597
be subject to the tax is taxable income ~~of individuals and~~ 150598
~~estates as defined in divisions (E) (1) (a) and division (E) (1) or~~ 150599
(2) of section 5748.01 of the Revised Code ~~or taxable income of~~ 150600
~~individuals as defined in division (E) (1) (b) of that section.~~ 150601

On adoption of the resolution, the board shall certify a 150602
copy of it to the tax commissioner and the county auditor no 150603
later than one hundred five days prior to the date of the 150604
special election at which the board intends to propose the 150605
income tax and bond issue. Not later than ten days of receipt of 150606
the resolution, the tax commissioner, in the same manner as 150607
required by division (A) of section 5748.02 of the Revised Code, 150608
shall estimate the rates designated in divisions (A) (1) and (2) 150609
of that section and certify them to the board. Not later than 150610
ten days of receipt of the resolution, the county auditor shall 150611

estimate and certify to the board the average annual property 150612
tax rate required throughout the stated maturity of the bonds to 150613
pay debt charges on the bonds, in the same manner as under 150614
division (C) of section 133.18 of the Revised Code. 150615

(B) On receipt of the tax commissioner's and county 150616
auditor's certifications prepared under division (A) of this 150617
section, the board of education of the city, local, or exempted 150618
village school district, by a vote of two-thirds of all its 150619
members, may adopt a resolution proposing for a specified number 150620
of years or for a continuing period of time the levy of an 150621
annual tax for school district purposes on school district 150622
income and declaring that the amount of taxes that can be raised 150623
within the ten-mill limitation will be insufficient to provide 150624
an adequate amount for the present and future requirements of 150625
the school district; that it is necessary to issue general 150626
obligation bonds of the school district for specified permanent 150627
improvements and to levy an additional tax in excess of the ten- 150628
mill limitation to pay the debt charges on the bonds and any 150629
anticipatory securities; and that the question of the bonds and 150630
taxes shall be submitted to the electors of the school district 150631
at a special election, which shall not be earlier than ninety 150632
days after certification of the resolution to the board of 150633
elections, and the date of which shall be consistent with 150634
section 3501.01 of the Revised Code. The resolution shall 150635
specify all of the following: 150636

(1) The purpose for which the school district income tax 150637
is to be imposed and the rate of the tax, which shall be the 150638
rate set forth in the tax commissioner's certification rounded 150639
to the nearest one-fourth of one per cent; 150640

(2) Whether the income that is to be subject to the tax is 150641

taxable income ~~of individuals and estates as defined in~~ 150642
~~divisions (E) (1) (a) and division (E) (1) or (2) of section~~ 150643
5748.01 of the Revised Code ~~or taxable income of individuals as~~ 150644
~~defined in division (E) (1) (b) of that section.~~ The specification 150645
shall be the same as the specification in the resolution adopted 150646
and certified under division (A) of this section. 150647

(3) The number of years the tax will be levied, or that it 150648
will be levied for a continuing period of time; 150649

(4) The date on which the tax shall take effect, which 150650
shall be the first day of January of any year following the year 150651
in which the question is submitted; 150652

(5) The amount of the estimated average annual property 150653
tax levy, expressed in mills for each one dollar of taxable 150654
value and dollars for each one hundred thousand dollars of the 150655
county auditor's ~~appraised~~ market value, as certified by the 150656
county auditor under division (A) of this section. 150657

(C) A resolution adopted under division (B) of this 150658
section shall go into immediate effect upon its passage, and no 150659
publication of the resolution shall be necessary other than that 150660
provided for in the notice of election. Immediately after its 150661
adoption and at least ninety days prior to the election at which 150662
the question will appear on the ballot, the board of education 150663
shall certify a copy of the resolution, along with copies of the 150664
auditor's estimate and its resolution under division (A) of this 150665
section, to the board of elections of the proper county. The 150666
board of education shall send to the tax commissioner a copy of 150667
the resolution adopted under division (B) of this section and 150668
certified to the board of elections. The board of elections 150669
shall make the arrangements for the submission of the question 150670
to the electors of the school district, and the election shall 150671

be conducted, canvassed, and certified in the same manner as 150672
regular elections in the district for the election of county 150673
officers. 150674

The resolution shall be put before the electors as one 150675
ballot question, with a majority vote indicating approval of the 150676
school district income tax, the bond issue, and the levy to pay 150677
debt charges on the bonds and any anticipatory securities. The 150678
board of elections shall publish the notice of the election in a 150679
newspaper of general circulation in the school district once a 150680
week for two consecutive weeks, or as provided in section 7.16 150681
of the Revised Code, prior to the election. If the board of 150682
elections operates and maintains a web site, it also shall post 150683
notice of the election on its web site for thirty days prior to 150684
the election. The notice of election shall state all of the 150685
following: 150686

- (1) The questions to be submitted to the electors; 150687
- (2) The rate of the school district income tax; 150688
- (3) The principal amount of the proposed bond issue; 150689
- (4) The permanent improvements for which the bonds are to 150690
be issued; 150691
- (5) The maximum number of years over which the principal 150692
of the bonds may be paid; 150693
- (6) The estimated additional average annual property tax 150694
rate to pay the debt charges on the bonds, as certified by the 150695

taxable value and in dollars for each one hundred thousand 150697
dollars of the county auditor's appraised market value; 150698
- (7) The time and place of the special election. 150699

(D) The form of the ballot on a question submitted to the electors under this section shall be as follows:

If a majority of the electors voting on the question vote in 150731
favor of it, the income tax and the applicable provisions of 150732
Chapter 5747. of the Revised Code shall take effect on the date 150733
specified in the resolution, and the board of education may 150734
proceed with issuance of the bonds and with the levy and 150735
collection of the property taxes to pay debt charges on the 150736
bonds, at the additional rate or any lesser rate in excess of 150737
the ten-mill limitation. Any securities issued by the board of 150738
education under this section are Chapter 133. securities, as 150739
that term is defined in section 133.01 of the Revised Code. 150740

(G) After approval of a question under this section, the 150741
board of education may anticipate a fraction of the proceeds of 150742
the school district income tax in accordance with section 150743
5748.05 of the Revised Code. Any anticipation notes under this 150744
division shall be issued as provided in section 133.24 of the 150745
Revised Code, shall have principal payments during each year 150746
after the year of their issuance over a period not to exceed 150747
five years, and may have a principal payment in the year of 150748
their issuance. 150749

(H) The question of repeal of a school district income tax 150750

it, the board of education of the school district may, in 151128
addition to any other authorization in the Revised Code and 151129
prior to the time when the first tax collection from the renewal 151130
tax levy can be made, anticipate a fraction of the proceeds of 151131
the renewal levy described in division (J)(1)(c) of this section 151132

and issue anticipation notes in an amount not exceeding the 151133
total estimated proceeds of the levy to be collected during the 151134
first year of the levy. Any such anticipation notes shall be 151135
issued as provided in section 133.24 of the Revised Code, shall 151136
have principal payments during each year after the year of their 151137
issuance over a period not to exceed five years, and may have a 151138
principal payment in the year of their issuance. 151139

(K) The question of a renewal levy under division (I) or 151140
(J) of this section shall not be placed on the ballot unless the 151141
question is submitted on a date on which a special election may 151142
be held under section 3501.01 of the Revised Code, except for 151143
the first Tuesday after the first Monday in August, during the 151144
last year the existing property tax levy described in division 151145
(J) (1) (b) of this section may be extended on the real and public 151146
utility property tax list and duplicate, or at any election held 151147
in the ensuing year. 151148

The failure by the electors to approve the question of a 151149
renewal levy under division (I) or (J) of this section does not 151150
terminate the authority previously granted by the electors to 151151
levy the taxes proposed to be renewed for their previously 151152
approved duration. 151153

(L) If the electors of the school district approve a 151154
question under this section, the board of education of the 151155
school district may propose to renew any of the existing taxes 151156
as individual ballot questions in accordance with section 151157
5748.02 of the Revised Code, for the school district income tax, 151158
or section 5705.194 of the Revised Code, for the property tax or 151159
taxes. 151160

(C) When, at the close of any fiscal year, the chief finds 151236
that the balance of the reclamation forfeiture fund, plus the 151237

1513.08 of the Revised Code, the purposes for which the tax 151243
under division (A) (8) of this section is levied shall be deemed 151244
accomplished at the end of that calendar year. The chief, within 151245
thirty days after the close of the fiscal year, shall certify 151246
those findings to the tax commissioner, and the tax levied under 151247
division (A) (8) of this section shall cease to be imposed for 151248

the subsequent calendar year after the last day of that calendar 151249
year on coal produced under a coal mining and reclamation permit 151250
issued under Chapter 1513. of the Revised Code if the permittee 151251
has made tax payments under division (A)(8) of this section 151252
during each of the preceding five full calendar years. Not later 151253
than thirty days after the close of a fiscal year, the chief 151254
shall certify to the tax commissioner the identity of any 151255
permittees who accordingly no longer are required to pay the tax 151256
levied under division (A)(8) of this section for the subsequent 151257
calendar year. 151258

Sec. 5749.07. (A) If any severer required by this chapter 151259
to make and file returns and pay the tax levied by section 151260
5749.02 of the Revised Code, or any severer or owner liable for 151261
the amounts due under section 1509.50 of the Revised Code, fails 151262
to make such return or pay such tax or amounts, the tax 151263
commissioner may make an assessment against the severer or owner 151264
based upon any information in the commissioner's possession. 151265

No assessment shall be made or issued against any severer 151266
for any tax imposed by section 5749.02 of the Revised Code or 151267
against any severer or owner for any amount due under section 151268
1509.50 of the Revised Code more than four years after the 151269
return was due or was filed, whichever is later. This section 151270
does not bar an assessment against a severer or owner who fails 151271
to file a return as required by this chapter, or who files a 151272
fraudulent return. 151273

The commissioner shall give the party assessed written 151274
notice of such assessment in the manner provided in section 151275
5703.37 of the Revised Code. With the notice, the commissioner 151276
shall provide instructions on how to petition for reassessment 151277
and request a hearing on the petition. 151278

(B) Unless the party assessed files with the commissioner 151279
within sixty days after service of the notice of assessment, 151280
~~either personally or by certified mail,~~ a written petition for 151281
reassessment signed by the party assessed or that party's 151282
authorized agent having knowledge of the facts, the assessment 151283
becomes final and the amount of the assessment is due and 151284
payable from the party assessed to the treasurer of state. The 151285
petition shall indicate the objections of the party assessed, 151286
but additional objections may be raised in writing if received 151287
by the commissioner prior to the date shown on the final 151288
determination. If the petition has been properly filed, the 151289
commissioner shall proceed under section 5703.60 of the Revised 151290
Code. 151291

(C) After an assessment becomes final, if any portion of 151292
the assessment remains unpaid, including accrued interest, a 151293
certified copy of the commissioner's entry making the assessment 151294
final may be filed in the office of the clerk of the court of 151295
common pleas in the county in which the party assessed resides 151296
or in which the party's business is conducted. If the party 151297
assessed maintains no place of business in this state and is not 151298
a resident of this state, the certified copy of the entry may be 151299
filed in the office of the clerk of the court of common pleas of 151300
Franklin county. 151301

Immediately upon the filing of such entry, the clerk shall 151302
enter a judgment for the state against the party assessed in the 151303
amount shown on the entry. The judgment may be filed by the 151304
clerk in a loose-leaf book entitled "special judgments for state 151305
severance tax," and shall have the same effect as other 151306
judgments. Execution shall issue upon the judgment upon the 151307
request of the commissioner, and all laws applicable to sales on 151308
execution shall apply to sales made under the judgment. 151309

If the assessment is not paid in its entirety within sixty 151310
days after the day the assessment is issued, the portion of the 151311
assessment consisting of tax due or amounts due under section 151312
1509.50 of the Revised Code shall bear interest at the rate per 151313
annum prescribed by section 5703.47 of the Revised Code from the 151314
day the commissioner issues the assessment until it is paid or 151315
until it is certified to the attorney general for collection 151316
under section 131.02 of the Revised Code, whichever comes first. 151317
If the unpaid portion of the assessment is certified to the 151318
attorney general for collection, the entire unpaid portion of 151319
the assessment shall bear interest at the rate per annum 151320
prescribed by section 5703.47 of the Revised Code from the date 151321
of certification until the date it is paid in its entirety. 151322
Interest shall be paid in the same manner as the tax and may be 151323
collected by the issuance of an assessment under this section. 151324

(D) All money collected by the commissioner under this 151325
section shall be paid to the treasurer of state, and when paid 151326
shall be considered as revenue arising from the tax imposed by 151327
section 5749.02 of the Revised Code and the amount due under 151328
section 1509.50 of the Revised Code, as applicable. 151329

Sec. 5751.02. (A) For the purpose of funding the needs of 151330
this state and its local governments, there is hereby levied a 151331
commercial activity tax on each person with taxable gross 151332
receipts for the privilege of doing business in this state. For 151333
the purposes of this chapter, "doing business" means engaging in 151334
any activity, whether legal or illegal, that is conducted for, 151335
or results in, gain, profit, or income, at any time during a 151336
calendar year. Persons on which the commercial activity tax is 151337
levied include, but are not limited to, persons with substantial 151338
nexus with this state. The tax imposed under this section is not 151339
a transactional tax and is not subject to Public Law No. 86-272, 151340

73 Stat. 555. The tax imposed under this section is in addition 151341
to any other taxes or fees imposed under the Revised Code. The 151342
tax levied under this section is imposed on the person receiving 151343
the gross receipts and is not a tax imposed directly on a 151344
purchaser. The tax imposed by this section is an annual 151345
privilege tax for the calendar year that contains all tax 151346
periods in the calendar year. A taxpayer is subject to the 151347
annual privilege tax for doing business during any portion of 151348
such calendar year. 151349

(B) The tax imposed by this section is a tax on the 151350
taxpayer and shall not be billed or invoiced to another person. 151351
Even if the tax or any portion thereof is billed or invoiced and 151352
separately stated, such amounts remain part of the price for 151353
purposes of the sales and use taxes levied under Chapters 5739. 151354
and 5741. of the Revised Code. Nothing in division (B) of this 151355
section prohibits: 151356

(1) A person from including in the price charged for a 151357
good or service an amount sufficient to recover the tax imposed 151358
by this section; or 151359

(2) A lessor from including an amount sufficient to 151360
recover the tax imposed by this section in a lease payment 151361
charged, or from including such an amount on a billing or 151362
invoice pursuant to the terms of a written lease agreement 151363
providing for the recovery of the lessor's tax costs. The 151364
recovery of such costs shall be based on an estimate of the 151365
total tax cost of the lessor during the tax period, as the tax 151366
liability of the lessor cannot be calculated until the end of 151367
that period. 151368

(C) (1) The commercial activities tax receipts fund is 151369
hereby created in the state treasury and shall consist of money 151370

arising from the tax imposed under this chapter. Sixty-five one- 151371
hundredths of one per cent of the money credited to that fund 151372
shall be credited to the revenue enhancement fund and shall be 151373
used to defray the costs incurred by the department of taxation 151374
in administering the tax imposed by this chapter and in 151375
implementing tax reform measures. The remainder of the money in 151376
the commercial activities tax receipts fund shall first be 151377
credited to the ~~funds~~ fund described in division (C) (2) of this 151378
section, as provided in that division, and the remainder shall 151379
be credited to the general revenue fund. 151380

(2) Not later than the twentieth day of February, May, 151381
August, and November of each year, the commissioner shall 151382
provide for payment ~~of the following amounts from the commercial~~ 151383
~~activities tax receipts fund:—~~ 151384

~~(a) To~~ to the commercial activity tax motor fuel receipts 151385
fund, of an amount that bears the same ratio to the balance in 151386
the commercial activities tax receipts fund that (a) the taxable 151387
gross receipts attributed to motor fuel used for propelling 151388
vehicles on public highways as indicated by returns filed by the 151389
tenth day of that month for a liability that is due and payable 151390
on or after July 1, 2013, for a tax period ending before July 1, 151391
2014, bears to (b) all taxable gross receipts as indicated by 151392
those returns for such liabilities. 151393

~~(b) To the school district tangible property tax~~ 151394
~~replacement fund, which is hereby created in the state treasury~~ 151395
~~for the purpose of making the payments described in section~~ 151396
~~5709.92 of the Revised Code, an amount necessary to make those~~ 151397
~~payments;—~~ 151398

~~(c) To the local government tangible property tax~~ 151399
~~replacement fund, which is hereby created in the state treasury~~ 151400

~~for the purpose of making the payments described in section 151401~~
~~5709.93 of the Revised Code, an amount necessary to make those 151402~~
~~payments. 151403~~

~~(D) (1) On or after the first day of June of each year, the 151404~~
~~director of budget and management may transfer any balance in 151405~~
~~the school district tangible property tax replacement fund to 151406~~
~~the general revenue fund. 151407~~

~~(2) On or after the first day of June of each year, the 151408~~
~~director of budget and management may transfer any balance in 151409~~
~~the local government tangible property tax replacement fund to 151410~~
~~the general revenue fund. 151411~~

~~(E) (1)~~ (D) (1) There is hereby created in the state treasury 151412
the commercial activity tax motor fuel receipts fund. 151413

(2) On or before the fifteenth day of June of each fiscal 151414
year beginning with fiscal year 2015, the director of the Ohio 151415
public works commission shall certify to the director of budget 151416
and management the amount of debt service paid from the general 151417
revenue fund in the current fiscal year on bonds issued to 151418
finance or assist in the financing of the cost of local 151419
subdivision public infrastructure capital improvement projects, 151420
as provided for in Sections 2k, 2m, 2p, and 2s of Article VIII, 151421
Ohio Constitution, that are attributable to costs for 151422
construction, reconstruction, maintenance, or repair of public 151423
highways and bridges and other statutory highway purposes. That 151424
certification shall allocate the total amount of debt service 151425
paid from the general revenue fund and attributable to those 151426
costs in the current fiscal year according to the applicable 151427
section of the Ohio Constitution under which the bonds were 151428
originally issued. 151429

(3) On or before the thirtieth day of June of each fiscal year beginning with fiscal year 2015, the director of budget and management shall determine an amount up to but not exceeding the amount certified under division ~~(E) (2)~~ (D) (2) of this section and shall reserve that amount from the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund for transfer to the general revenue fund at times and in amounts to be determined by the director. The director shall transfer the cash balance in the petroleum activity tax public highways fund or the commercial activity tax motor fuel receipts fund in excess of the amount so reserved to the highway operating fund on or before the thirtieth day of June of the current fiscal year.

Sec. 5751.09. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any person that fails to file a return or pay any tax as required by this chapter. The commissioner shall give the person assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on the manner in which to petition for reassessment and request a hearing with respect to the petition. The commissioner shall send any assessments against consolidated elected taxpayer and combined taxpayer groups under section 5751.011 or 5751.012 of the Revised Code to the taxpayer's reporting person. The reporting person shall notify all members of the group of the assessment and all outstanding taxes, interest, and penalties for which the assessment is issued.

(B) Unless the person assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, ~~either personally or by certified mail,~~ a written

petition signed by the person or the person's authorized agent 151461
having knowledge of the facts, the assessment becomes final, and 151462
the amount of the assessment is due and payable from the person 151463
assessed to the treasurer of state. The petition shall indicate 151464
the objections of the person assessed, but additional objections 151465
may be raised in writing if received by the commissioner prior 151466
to the date shown on the final determination. 151467

If a petition for reassessment has been properly filed, 151468
the commissioner shall proceed under section 5703.60 of the 151469
Revised Code. 151470

(C) (1) After an assessment becomes final, if any portion 151471
of the assessment, including accrued interest, remains unpaid, a 151472
certified copy of the tax commissioner's entry making the 151473
assessment final may be filed in the office of the clerk of the 151474
court of common pleas in the county in which the person resides 151475
or has its principal place of business in this state, or in the 151476
office of the clerk of court of common pleas of Franklin county. 151477

(2) Immediately upon the filing of the entry, the clerk 151478
shall enter judgment for the state against the person assessed 151479
in the amount shown on the entry. The judgment may be filed by 151480
the clerk in a loose-leaf book entitled, "special judgments for 151481
the commercial activity tax" and shall have the same effect as 151482
other judgments. Execution shall issue upon the judgment at the 151483
request of the tax commissioner, and all laws applicable to 151484
sales on execution shall apply to sales made under the judgment. 151485

(3) If the assessment is not paid in its entirety within 151486
sixty days after the day the assessment was issued, the portion 151487
of the assessment consisting of tax due shall bear interest at 151488
the rate per annum prescribed by section 5703.47 of the Revised 151489
Code from the day the tax commissioner issues the assessment 151490

until it is paid or until it is certified to the attorney 151491
general for collection under section 131.02 of the Revised Code, 151492
whichever comes first. If the unpaid portion of the assessment 151493
is certified to the attorney general for collection, the entire 151494
unpaid portion of the assessment shall bear interest at the rate 151495
per annum prescribed by section 5703.47 of the Revised Code from 151496
the date of certification until the date it is paid in its 151497
entirety. Interest shall be paid in the same manner as the tax 151498
and may be collected by the issuance of an assessment under this 151499
section. 151500

(D) If the tax commissioner believes that collection of 151501
the tax will be jeopardized unless proceedings to collect or 151502
secure collection of the tax are instituted without delay, the 151503
commissioner may issue a jeopardy assessment against the person 151504
liable for the tax. Immediately upon the issuance of the 151505
jeopardy assessment, the commissioner shall file an entry with 151506
the clerk of the court of common pleas in the manner prescribed 151507
by division (C) of this section. Notice of the jeopardy 151508
assessment shall be served on the person assessed or the 151509
person's authorized agent in the manner provided in section 151510
5703.37 of the Revised Code within five days of the filing of 151511
the entry with the clerk. The total amount assessed is 151512
immediately due and payable, unless the person assessed files a 151513
petition for reassessment in accordance with division (B) of 151514
this section and provides security in a form satisfactory to the 151515
commissioner and in an amount sufficient to satisfy the unpaid 151516
balance of the assessment. Full or partial payment of the 151517
assessment does not prejudice the commissioner's consideration 151518
of the petition for reassessment. 151519

(E) The tax commissioner shall immediately forward to the 151520
treasurer of state all amounts the commissioner receives under 151521

this section, and such amounts shall be considered as revenue 151522
arising from the tax imposed under this chapter. 151523

(F) Except as otherwise provided in this division, no 151524
assessment shall be made or issued against a taxpayer for the 151525
tax imposed under this chapter more than four years after the 151526
due date for the filing of the return for the tax period for 151527
which the tax was reported, or more than four years after the 151528
return for the tax period was filed, whichever is later. The 151529
time limit may be extended if both the taxpayer and the 151530
commissioner consent in writing to the extension or enter into 151531
an agreement waiving or extending the time limit. Any such 151532
extension shall extend the four-year time limit in division (A) 151533
of section 5751.08 of the Revised Code for the same period of 151534
time. Nothing in this division bars an assessment against a 151535
taxpayer that fails to file a return required by this chapter or 151536
that files a fraudulent return. 151537

(G) If the tax commissioner possesses information that 151538
indicates that the amount of tax a taxpayer is required to pay 151539
under this chapter exceeds the amount the taxpayer paid, the tax 151540
commissioner may audit a sample of the taxpayer's gross receipts 151541
over a representative period of time to ascertain the amount of 151542
tax due, and may issue an assessment based on the audit. The tax 151543
commissioner shall make a good faith effort to reach agreement 151544
with the taxpayer in selecting a representative sample. The tax 151545
commissioner may apply a sampling method only if the 151546
commissioner has prescribed the method by rule. 151547

(H) If the whereabouts of a person subject to this chapter 151548
is not known to the tax commissioner, the commissioner shall 151549
follow the procedures under section 5703.37 of the Revised Code. 151550

Sec. 5751.53. (A) As used in this section: 151551

- (1) "Net income" and "taxable year" have the same meanings
as in section 5733.04 of the Revised Code.
- (2) "Franchise tax year" means "tax year" as defined in
section 5733.04 of the Revised Code.
- (3) "Deductible temporary differences" and "taxable
temporary differences" have the same meanings as those terms
have for purposes of paragraph 13 of the statement of financial
accounting standards, number 109.
- (4) "Qualifying taxpayer" means a taxpayer under this
chapter that has a qualifying Ohio net operating loss
carryforward equal to or greater than the qualifying amount.
- (5) "Qualifying Ohio net operating loss carryforward"
means an Ohio net operating loss carryforward that the taxpayer
could deduct in whole or in part for franchise tax year 2006
under section 5733.04 of the Revised Code but for the
application of division (H) of this section. A qualifying Ohio
net operating loss carryforward shall not exceed the amount of
loss carryforward from franchise tax year 2005 as reported by
the taxpayer either on a franchise tax report for franchise tax
year 2005 pursuant to section 5733.02 of the Revised Code or on
an amended franchise tax report prepared in good faith for such
year and filed before July 1, 2006.
- (6) "Disallowed Ohio net operating loss carryforward"
means the lesser of the amounts described in division (A) (6) (a)
or (b) of this section, but the amounts described in divisions
(A) (6) (a) and (b) of this section shall each be reduced by the
qualifying amount.
- (a) The qualifying taxpayer's qualifying Ohio net
operating loss carryforward;

(b) The Ohio net operating loss carryforward amount that 151581
the qualifying taxpayer used to compute the related deferred tax 151582
asset reflected on its books and records on the last day of its 151583
taxable year ending in 2004, adjusted for return to accrual, but 151584
this amount shall be reduced by the qualifying related valuation 151585
allowance amount. For the purposes of this section, the 151586
"qualifying related valuation allowance amount" is the amount of 151587
Ohio net operating loss reflected in the qualifying taxpayer's 151588
computation of the valuation allowance account, as shown on its 151589
books and records on the last day of its taxable year ending in 151590
2004, with respect to the deferred tax asset relating to its 151591
Ohio net operating loss carryforward amount. 151592

(7) "Other net deferred tax items apportioned to this 151593
state" is the product of (a) the amount of other net deferred 151594
tax items and (b) the fraction described in division (B)(2) of 151595
section 5733.05 for the qualifying taxpayer's franchise tax year 151596
2005. 151597

(8) (a) Subject to divisions (A)(8)(b) to (d) of this 151598
section, the "amount of other net deferred tax items" is the 151599
difference between (i) the qualifying taxpayer's deductible 151600
temporary differences, net of related valuation allowance 151601
amounts, shown on the qualifying taxpayer's books and records on 151602
the last day of its taxable year ending in 2004, and (ii) the 151603
qualifying taxpayer's taxable temporary differences as shown on 151604
those books and records on that date. The amount of other net 151605
deferred tax items may be less than zero. 151606

(b) For the purposes of computing the amount of the 151607
qualifying taxpayer's other net deferred tax items described in 151608
division (A)(8)(a) of this section, any credit carryforward 151609
allowed under Chapter 5733. of the Revised Code shall be 151610

excluded from the amount of deductible temporary differences to 151611
the extent such credit carryforward amount, net of any related 151612
valuation allowance amount, is otherwise included in the 151613
qualifying taxpayer's deductible temporary differences, net of 151614
related valuation allowance amounts, shown on the qualifying 151615
taxpayer's books and records on the last day of the qualifying 151616
taxpayer's taxable year ending in 2004. 151617

(c) No portion of the disallowed Ohio net operating loss 151618
carryforward shall be included in the computation of the amount 151619
of the qualifying taxpayer's other net deferred tax items 151620
described in division (A) (8) (a) of this section. 151621

(d) In no event shall the amount of other net deferred tax 151622
items apportioned to this state exceed twenty-five per cent of 151623
the qualifying Ohio net operating loss carryforward. 151624

(9) "Amortizable amount" means: 151625

(a) If the qualifying taxpayer's other net deferred tax 151626
items apportioned to this state is equal to or greater than 151627
zero, eight per cent of the sum of the qualifying taxpayer's 151628
disallowed Ohio net operating loss carryforward and the 151629
qualifying taxpayer's other net deferred tax items apportioned 151630
to this state; 151631

(b) If the amount of the qualifying taxpayer's other net 151632
deferred tax items apportioned to this state is less than zero 151633
and if the absolute value of the amount of qualifying taxpayer's 151634
other net deferred tax items apportioned to this state is less 151635
than the qualifying taxpayer's disallowed net operating loss, 151636
eight per cent of the difference between the qualifying 151637
taxpayer's disallowed net operating loss carryforward and the 151638
absolute value of the qualifying taxpayer's other net deferred 151639

tax items apportioned to this state; 151640

(c) If the amount of the qualifying taxpayer's other net 151641
deferred tax items apportioned to this state is less than zero 151642
and if the absolute value of the amount of qualifying taxpayer's 151643
other net deferred tax items apportioned to this state is equal 151644
to or greater than the qualifying taxpayer's disallowed net 151645
operating loss, zero. 151646

(10) "Books and records" means the qualifying taxpayer's 151647
books, records, and all other information, all of which the 151648
qualifying taxpayer maintains and uses to prepare and issue its 151649
financial statements in accordance with generally accepted 151650
accounting principles. 151651

(11) (a) Except as modified by division (A) (11) (b) of this 151652
section, "qualifying amount" means fifty million dollars per 151653
person. 151654

(b) If for franchise tax year 2005 the person was a member 151655
of a combined franchise tax report, as provided by section 151656
5733.052 of the Revised Code, the "qualifying amount" is, in the 151657
aggregate, fifty million dollars for all members of that 151658
combined franchise tax report, and for purposes of divisions (A) 151659
(6) (a) and (b) of this section, those members shall allocate to 151660
each member any portion of the fifty million dollar amount. The 151661
total amount allocated to the members who are qualifying 151662
taxpayers shall equal fifty million dollars. 151663

(B) For each calendar period beginning prior to January 1, 151664
2030, there is hereby allowed a nonrefundable tax credit against 151665
the tax levied each year by this chapter on each qualifying 151666
taxpayer, on each consolidated elected taxpayer having one or 151667
more qualifying taxpayers as a member, and on each combined 151668

taxpayer having one or more qualifying taxpayers as a member. 151669
The credit shall be claimed in the order specified in section 151670
5751.98 of the Revised Code and is allowed only to reduce the 151671
first one-half of any tax remaining after allowance of the 151672
credits that precede it in section 5751.98 of the Revised Code. 151673
No credit under division (B) of this section shall be allowed 151674
against the second one-half of such remaining tax. 151675

Except as otherwise limited by divisions (C) and (D) of 151676
this section, the maximum amount of the nonrefundable credit 151677
that may be used against the first one-half of the remaining tax 151678
for each calendar year is as follows: 151679

(1) For calendar year 2010, ten per cent of the 151680
amortizable amount; 151681

(2) For calendar year 2011, twenty per cent of the 151682
amortizable amount, less all amounts previously used; 151683

(3) For calendar year 2012, thirty per cent of the 151684
amortizable amount, less all amounts previously used; 151685

(4) For calendar year 2013, forty per cent of the 151686
amortizable amount, less all amounts previously used; 151687

(5) For calendar year 2014, fifty per cent of the 151688
amortizable amount, less all amounts previously used; 151689

(6) For calendar year 2015, sixty per cent of the 151690
amortizable amount, less all amounts previously used; 151691

(7) For calendar year 2016, seventy per cent of the 151692
amortizable amount, less all amounts previously used; 151693

(8) For calendar year 2017, eighty per cent of the 151694
amortizable amount, less all amounts previously used; 151695

(9) For calendar year 2018, ninety per cent of the 151696
amortizable amount, less all amounts previously used; 151697

(10) For each of calendar years 2019 through 2029, one 151698
hundred per cent of the amortizable amount, less all amounts 151699
used in all previous years. 151700

In no event shall the cumulative credit ~~used for calendar~~ 151701
~~years 2010 through 2029~~ claimed under this section exceed one 151702
hundred per cent of the amortizable amount. 151703

~~(C) (1) Except as otherwise set forth in division (C) (2) of~~ 151704
~~this section~~ (C) For tax periods beginning January 1, 2030, and 151705
thereafter, a refundable-nonrefundable credit is allowed in 151706
~~calendar year 2030~~ for any portion of the qualifying taxpayer's 151707
amortizable amount that is not used in accordance with division 151708
(B) of this section against the tax levied by this chapter on 151709
all taxpayers. The credit shall be claimed in the order 151710
prescribed in section 5751.98 of the Revised Code and shall not 151711
exceed the tax due after allowance of any other credits that 151712
precede it in that order. The balance of the qualifying 151713
taxpayer's amortizable amount may be carried forward until fully 151714
used, provided that the amount of the credit claimed against the 151715
tax for any tax period shall be deducted from the balance 151716
carried forward to the next period. 151717

~~(2) Division (C) (1) of this section shall not apply and no~~ 151718
~~refundable credit shall be available to any person if during any~~ 151719
~~portion of the calendar year 2030 the person is not subject to~~ 151720
~~the tax imposed by this chapter.~~ 151721

(D) Not later than June 30, 2006, each qualifying 151722
taxpayer, consolidated elected taxpayer, or combined taxpayer 151723
that will claim for any year the credit allowed in divisions (B) 151724

and (C) of this section shall file with the tax commissioner a 151725
report setting forth the amortizable amount available to such 151726
taxpayer and all other related information that the 151727
commissioner, by rule, requires. If the taxpayer does not timely 151728
file the report or fails to provide timely all information 151729
required by this division, the taxpayer is precluded from 151730
claiming any credit amounts described in divisions (B) and (C) 151731
of this section. Unless extended by mutual consent, the tax 151732
commissioner may, until June 30, 2010, audit the accuracy of the 151733
amortizable amount available to each taxpayer that will claim 151734
the credit, and adjust the amortizable amount or, if 151735
appropriate, issue any assessment or final determination, as 151736
applicable, necessary to correct any errors found upon audit. 151737

(E) For the purpose of calculating the amortizable amount, 151738
if the tax commissioner ascertains that any portion of that 151739
amount is the result of a sham transaction as described in 151740
section 5703.56 of the Revised Code, the commissioner shall 151741
reduce the amortizable amount by two times the adjustment. 151742

(F) If one entity transfers all or a portion of its assets 151743
and equity to another entity as part of an entity organization 151744
or reorganization or subsequent entity organization or 151745
reorganization for which no gain or loss is recognized in whole 151746
or in part for federal income tax purposes under the Internal 151747
Revenue Code, the credits allowed by this section shall be 151748
computed in a manner consistent with that used to compute the 151749
portion, if any, of federal net operating losses allowed to the 151750
respective entities under the Internal Revenue Code. The tax 151751
commissioner may prescribe forms or rules for making the 151752
computations required by this division. 151753

(G) (1) Except as provided in division (F) of this section, 151754

no person shall pledge, collateralize, hypothecate, assign, 151755
convey, sell, exchange, or otherwise dispose of any or all tax 151756
credits, or any portion of any or all tax credits allowed under 151757
this section. 151758

(2) No credit allowed under this section is subject to 151759
execution, attachment, lien, levy, or other judicial proceeding. 151760

(H) (1) (a) Except as set forth in division (H) (1) (b) of 151761
this section and notwithstanding division (I) (1) of section 151762
5733.04 of the Revised Code to the contrary, each person timely 151763
and fully complying with the reporting requirements set forth in 151764
division (D) of this section shall not claim, and shall not be 151765
entitled to claim, any deduction or adjustment for any Ohio net 151766
operating loss carried forward to any one or more franchise tax 151767
years after franchise tax year 2005. 151768

(b) Division (H) (1) (a) of this section applies only to the 151769
portion of the Ohio net operating loss represented by the 151770
disallowed Ohio net operating loss carryforward. 151771

(2) Notwithstanding division (I) of section 5733.04 of the 151772
Revised Code to the contrary, with respect to all franchise tax 151773
years after franchise tax year 2005, each person timely and 151774
fully complying with the reporting requirements set forth in 151775
division (D) of this section shall not claim, and shall not be 151776
entitled to claim, any deduction, exclusion, or adjustment with 151777
respect to deductible temporary differences reflected on the 151778
person's books and records on the last day of its taxable year 151779
ending in 2004. 151780

(3) (a) Except as set forth in division (H) (3) (b) of this 151781
section and notwithstanding division (I) of section 5733.04 of 151782
the Revised Code to the contrary, with respect to all franchise 151783

tax years after franchise tax year 2005, each person timely and 151784
fully complying with the reporting requirements set forth in 151785
division (D) of this section shall exclude from Ohio net income 151786
all taxable temporary differences reflected on the person's 151787
books and records on the last day of its taxable year ending in 151788
2004. 151789

(b) In no event shall the exclusion provided by division 151790
(H) (3) (a) of this section for any franchise tax year exceed the 151791
amount of the taxable temporary differences otherwise included 151792
in Ohio net income for that year. 151793

(4) Divisions (H) (2) and (3) of this section shall apply 151794
only to the extent such items were used in the calculations of 151795
the credit provided by this section. 151796

Sec. 5751.98. (A) To provide a uniform procedure for 151797
calculating the amount of tax due under this chapter, a taxpayer 151798
shall claim any credits to which it is entitled in the following 151799

office of the clerk of the court of common pleas of the county 151913
in which the taxpayer resides, the taxpayer's casino facility or 151914
sports gaming facility is located, or the taxpayer's principal 151915
place of business in this state is located. Immediately upon the 151916
filing of the entry, the clerk shall enter a judgment for the 151917
state against the taxpayer assessed in the amount shown on the 151918
entry. The judgment may be filed by the clerk in a loose-leaf 151919
book entitled, "special judgments for the gross casino revenue 151920
tax and sports gaming receipts tax." The judgment has the same 151921
effect as other judgments. Execution shall issue upon the 151922
judgment at the request of the tax commissioner, and all laws 151923
applicable to sales on execution apply to sales made under the 151924
judgment. 151925

(5) If the assessment is not paid in its entirety within 151926
sixty days after the day the assessment was issued, the portion 151927
of the assessment consisting of tax due shall bear interest at 151928
the rate per annum prescribed by section 5703.47 of the Revised 151929
Code from the day the tax commissioner issued the assessment 151930
until the assessment is paid or until it is certified to the 151931
attorney general for collection under section 131.02 of the 151932
Revised Code, whichever comes first. If the unpaid portion of 151933
the assessment is certified to the attorney general for 151934
collection, the entire unpaid portion of the assessment shall 151935
bear interest at the rate per annum prescribed by section 151936
5703.47 of the Revised Code from the date of certification until 151937
the date it is paid in its entirety. Interest shall be paid in 151938
the same manner as the tax levied under section 5753.02 or 151939
5753.021 of the Revised Code, as applicable, and may be 151940
collected by the issuance of an assessment under this section. 151941

(B) If the tax commissioner believes that collection of 151942
the tax levied under section 5753.02 or 5753.021 of the Revised 151943
Code will be jeopardized unless proceedings to collect or secure 151944
collection of the tax are instituted without delay, the 151945
commissioner may issue a jeopardy assessment against the 151946
taxpayer that is liable for the tax. Immediately upon the 151947
issuance of a jeopardy assessment, the tax commissioner shall 151948
file an entry with the clerk of the court of common pleas in the 151949
manner prescribed by division (A)(4) of this section, and the 151950
clerk shall proceed as directed in that division. Notice of the 151951
jeopardy assessment shall be served on the taxpayer or the 151952
taxpayer's authorized agent under section 5703.37 of the Revised 151953
Code within five days after the filing of the entry with the 151954
clerk. The total amount assessed is immediately due and payable, 151955
unless the taxpayer assessed files a petition for reassessment 151956

under division (A) (2) of this section and provides security in a 151957
form satisfactory to the tax commissioner that is in an amount 151958
sufficient to satisfy the unpaid balance of the assessment. If a 151959
petition for reassessment has been filed, and if satisfactory 151960
security has been provided, the tax commissioner shall proceed 151961
under division (A) (3) of this section. Full or partial payment 151962
of the assessment does not prejudice the tax commissioner's 151963
consideration of the petition for reassessment. 151964

(C) The tax commissioner shall immediately forward to the 151965
treasurer of state all amounts the tax commissioner receives 151966
under this section, and the amounts forwarded shall be treated 151967
as if they were revenue arising from the tax levied under 151968
section 5753.02 or 5753.021 of the Revised Code, as applicable. 151969

(D) Except as otherwise provided in this division, no 151970
assessment shall be issued against a taxpayer for the tax levied 151971
under section 5753.02 or 5753.021 of the Revised Code more than 151972
four years after the due date for filing the return for the tax 151973
period for which the tax was reported, or more than four years 151974
after the return for the tax period was filed, whichever is 151975
later. This division does not bar an assessment against a 151976
taxpayer who fails to file a return as required by section 151977
5753.04 of the Revised Code or who files a fraudulent return, or 151978
when the taxpayer and the tax commissioner waive in writing the 151979
time limitation. 151980

(E) If the tax commissioner possesses information that 151981
indicates that the amount of tax a taxpayer is liable to pay 151982
under section 5753.02 or 5753.021 of the Revised Code exceeds 151983
the amount the taxpayer paid, the tax commissioner may audit a 151984
sample of the taxpayer's gross casino revenue or sports gaming 151985
receipts, as applicable, over a representative period of time to 151986

ascertain the amount of tax due, and may issue an assessment 151987
based on the audit. The tax commissioner shall make a good faith 151988
effort to reach agreement with the taxpayer in selecting a 151989
representative sample. The tax commissioner may apply a sampling 151990
method only if the tax commissioner has prescribed the method by 151991
rule. 151992

(F) If the whereabouts of a taxpayer who is liable for the 151993
tax levied under section 5753.02 or 5753.021 of the Revised Code 151994
are unknown to the tax commissioner, the tax commissioner shall 151995
proceed under section 5703.37 of the Revised Code. 151996

Sec. 6101.53. To maintain, operate, and preserve the
reservoirs, ditches, drains, dams, levies, canals, sewers,
pumping stations, treatment and disposal works, or other
properties or improvements acquired or made pursuant to this
chapter, to strengthen, repair, and restore the same, when
needed, and to defray the current expenses of the conservancy
district, the board of directors of the district may, upon the
substantial completion of the improvements and on or before the
thirtieth day of September in each year thereafter, levy an
assessment upon each tract or parcel of land and upon each
public corporation within the district, subject to assessments

under this chapter, to be known as a conservancy maintenance 152132
assessment. No assessment shall be made with respect to works 152133
and improvements acquired or constructed for the purpose of 152134
providing a water supply for domestic, industrial, and public 152135
use within the district, when the water supply can be metered or 152136
measured when furnished to persons or public corporations. If 152137
the district, for the benefit of one or more persons or 152138
political subdivisions, provides a water supply that recharges 152139
underground aquifers and thereby replenishes wells or provides a 152140
source of water for new wells, or increases the natural low flow 152141
of a stream used for water supply, or creates an impoundment, in 152142
such a way that the augmented use of water cannot be metered or 152143
measured for individual or public consumption, the board may 152144
make a maintenance assessment against benefited property and 152145
public corporations in the same manner provided in this section 152146
for maintenance of other properties or improvements. 152147

The maintenance assessment shall be apportioned upon the 152148
basis of the total appraisal of benefits accruing for original 152149
and subsequent construction, shall not exceed one per cent of 152150
the total appraisal of benefits in any one year unless the court 152151
by its order authorizes an assessment of a larger percentage, 152152
~~shall not be less than two dollars,~~ and shall be certified to 152153
the county auditor of each county in which lands of the district 152154
are located in the conservancy assessment record but in a 152155
separate column in like manner and at the same time as the 152156
annual installment of the assessment levied under section 152157
6101.48 of the Revised Code is certified, under the heading 152158
maintenance assessment. The auditor shall certify the same to 152159
the county treasurer of the county at the same time that the 152160
auditor certifies the annual installment of the assessments 152161
levied under that section, and the sum of the levies for any 152162

tract or public corporation may be certified as a single item. 152163
The treasurer shall demand and collect the maintenance 152164
assessment and make return of it, and shall be liable for the 152165
same penalties for failure to do so as are provided for the 152166
annual installment of the assessment levied under section 152167
6101.48 of the Revised Code. 152168

The amount of the maintenance assessment paid by any 152169
parcel of land or public corporation shall not be credited 152170
against the benefits assessed against the parcel of land or 152171
public corporation, but the maintenance assessment shall be in 152172
addition to any assessment that has been or can be levied under 152173
section 6101.48 of the Revised Code. 152174

To maintain, operate, and preserve the works and 152175
improvements of the district acquired or constructed for the 152176
purpose of providing a water supply, to strengthen, repair, and 152177
restore the same, and to defray the current expenses of the 152178
district for this purpose, the board may impose rates for the 152179
sale of water to public corporations and persons within the 152180
district. The rates to be charged for the water shall be fixed 152181
and adjusted by the board at intervals of not less than one 152182
year, so that the income thus produced will be adequate to 152183
provide a maintenance fund for the purpose of water supply. 152184
Contracts for supplying water to public corporations and persons 152185
shall be entered into before the service is rendered by the 152186
district. Contracts shall specify the maximum quantity of water 152187
to be furnished to the public corporation or person, and the 152188
quantity shall be fixed so as equitably to distribute the 152189
supply. Preference shall be given to water supply furnished to 152190
public corporations for domestic and public uses. Bills for 152191
water supplied to public corporations shall be rendered at 152192
regular intervals and shall be payable from the waterworks fund 152193

of the public corporation or, if it is not sufficient, from the 152194
general fund. 152195

For tax years 2020 to 2024, qualifying real property, as 152196
defined in section 727.031 of the Revised Code, is exempt from 152197
special assessments levied under this section, provided no 152198
delinquent special assessments and related interest and 152199
penalties are levied or assessed against any property owned by 152200
the owner and operator of the qualifying real property for that 152201
tax year. 152202

Sec. 6101.54. Whenever the owners or representatives of 152203
twenty-five per cent or more of the acreage or value of the 152204
lands in a conservancy district or the board of directors of a 152205
conservancy district file a petition with the clerk of the court 152206
having jurisdiction in the original case, stating that there has 152207
been a material change in the values of the property in the 152208
district or additional benefits are being derived from the works 152209
and the improvements of the district since the last previous 152210
appraisal of benefits, and praying for a readjustment of the 152211
appraisal of benefits for the purpose of making a more equitable 152212
basis for the levy of the maintenance assessment under section 152213
6101.53 of the Revised Code, the clerk shall give notice of the 152214
filing and of a hearing of the petition by publication. 152215

Upon hearing of the petition, if the court finds there has 152216
been a material change in the values of property in the 152217
district, or that additional benefits are derived from the works 152218
and improvements of the district, or both, since the last 152219
previous appraisal of benefits, the court shall order that there 152220
be a readjustment of the appraisal of benefits for the purpose 152221
of providing a basis upon which to levy the maintenance 152222
assessment of the district. The court then shall direct the 152223

board of appraisers of the conservancy district to make the 152224
readjustment in the manner provided in this chapter, and the 152225
board shall make its report. The same proceedings shall be had 152226
on it, as nearly as may be, as are provided in this chapter for 152227
the appraisal of benefits accruing for original construction. In 152228
making the readjustment of the appraisal of benefits, the 152229
readjusted appraisal shall not be limited to the aggregate 152230
amount of or to the benefits or properties or persons listed in 152231
the original or any previous appraisal of benefits, and, after 152232
the making of the readjustment, the limitation of the annual 152233
maintenance assessment to one per cent of the total appraised 152234
benefits, ~~but not less than two dollars,~~ shall apply to the 152235
amount of the benefits as readjusted. There shall be no 152236
readjustment of benefits more often than once in six years. 152237

Sec. 6101.55. The board of directors of a conservancy 152238
district shall each year after the original assessment has been 152239
levied determine, order, and levy the annual levy, which shall 152240
include all assessments, or installments of assessments, 152241
together with interest, levied under this chapter, which become 152242
due in the ensuing year. The annual levy shall be due and be 152243
collected at the same time that state and county taxes are due 152244
and collected. After bonds have been sold, in the determination 152245
of an annual levy, the rate of interest upon the unpaid 152246
installments of an assessment shall be the rate borne by the 152247
bonds that have been issued and sold pursuant to the assessment. 152248
The annual levy shall be recorded in the conservancy assessment 152249
record, shall be signed and certified by the president of the 152250
board and by the secretary of the conservancy district not later 152251
than the thirtieth day of September each year, and shall 152252
thereafter become a permanent record in the office of the 152253
district. 152254

The certificate of the annual levy shall be substantially 152255
as set forth in section 6101.84 of the Revised Code. Then shall 152256
follow both of the following: 152257

(A) The descriptions of the property opposite the names of 152258
the owners; 152259

(B) The total amount of the annual levy on each piece of 152260
property and on each public corporation for the account of all 152261
funds and the amount of each item making up the total. 152262

The form of the annual levy portion of the conservancy 152263
assessment record as prescribed in this section may be modified 152264
with the approval of the ~~auditor of state~~court. The certificate 152265
of the annual levy and the annual levy portion of the 152266
conservancy assessment record shall be named " Assessment Record 152267
of _____ District, _____ County, Ohio." 152268

One copy of that part of the assessment record affecting 152269
lands and public corporations in any county shall be forwarded 152270
to the county auditor of that county. The auditor of each county 152271
shall set up as a charge upon the county treasurer the total 152272
amount of assessments levied as shown by the assessment record, 152273
and shall certify the record as other tax records to the county 152274
treasurer of the county. The treasurer shall collect the amount 152275
according to law. The assessment record shall be the treasurer's 152276
warrant and authority to demand and receive the assessments due 152277
in the county as found in the record. 152278

In the event of any failure of the board to determine and 152279
order an annual levy for the purpose of paying the interest and 152280
principal of any bonds pursuant to this chapter, the auditor of 152281
the county in which the lands and public corporations subject to 152282
the assessments are situated shall make and complete a levy of 152283

the special assessments necessary for the purpose against the 152284
lands and public corporations in the district, and each piece of 152285
property in that county against which benefits have been 152286
appraised. Any assessment so made and completed by the auditor 152287
shall be made and completed by the auditor in the manner 152288
provided for the making and completion of an assessment by the 152289
board, and shall have the same effect as a levy of assessments 152290
determined and ordered by the board. 152291

specific focus in favor of a statewide methodology supporting 153196
development of enterprise solutions. This appropriation item may 153197
be used to pay the costs of enterprise information technology 153198

improving efficiency, reducing costs, or enhancing capacity of 153220
information technology (IT) services. Such improvements and 153221
efficiencies may result in the consolidation and transfer of 153222
such services. As determined to be necessary for successful 153223
implementation of this section and notwithstanding any provision 153224
of law to the contrary, the Director of Administrative Services 153225
may request the Director of Budget and Management to consolidate 153226
or transfer IT-specific budget authority between agencies or 153227
within an agency as necessary to implement enterprise IT cost 153228

initiative is cost advantageous to the enterprise, the Director 153231
of Budget and Management may request Controlling Board approval 153232
to transfer appropriations, funds, and cash to implement the 153233
proposed initiative. The establishment of any new fund or 153234

in accordance with section 123.282 and division (I)(4) of 153836
section 169.08 of the Revised Code. 153837

There is hereby appropriated \$1,000,000,000 in fiscal year 153838
2026 to appropriation item 042428, Cultural, Sports, and Major 153839
Sports Facilities Performance Grants, from revenues received in 153840
the Ohio Cultural and Sports Facility Performance Grant Fund 153841
(Fund 5CY1). The Office of Budget and Management shall use 153842
\$600,000,000 from appropriation item 042428, Cultural, Sports, 153843
and Major Sports Facilities Performance Grants, to support 153844
construction of a transformational major sports facility mixed- 153845
use project pursuant to section 123.281 of the Revised Code that 153846

Given that the Brook Park economic development project, 153852
which is to be located in the territorial boundary of a 153853
transformational major sports facility mixed-use project 153854
district, will be under construction in calendar years 2026, 153855
2027, and 2028, the General Assembly establishes, in accordance 153856
with section 123.28 of the Revised Code, that the base 153857
professional sports franchise state tax revenues will be 153858
realized and offset by the actual revenues generated each of 153859
those years through the continuing economic activity and state 153860
taxes levied and realized under Chapters 5739., 5741., 5747., 153861
and 5751. of the Revised Code at the stadium in Cleveland. As a 153862
result, the simultaneous economic activity and state tax 153863
revenues levied and realized under Chapters 5739., 5741., 5747., 153864
and 5751. of the Revised Code in the district each of those 153865
three years will exceed the base professional sports franchise 153866
state tax revenues. Thus, for that three-year period only, the 153867
General Assembly establishes, in accordance with section 123.28 153868
of the Revised Code, that the incremental major sports facility 153869
mixed-use project district state tax revenues generated during 153870
each of those years equal the state taxes levied and realized 153871
under Chapters 5739., 5741., 5747., and 5751. of the Revised 153872
Code for the construction of, and the purchasing of or leasing 153873
of materials and items used in the construction of, the project. 153874
For calendar year 2029 and beyond, the base professional sports 153875
franchise state tax revenues and the incremental major sports 153876
facility mixed-use project district state tax revenues shall be 153877
determined as provided in section 123.28 of the Revised Code. 153878
Further, nothing in this section modifies, changes, or otherwise 153879
alters the four-year target amounts described under division (H) 153880
(5) (a) of section 123.281 of the Revised Code. 153881

The Office of Budget and Management shall use \$400,000,000 153882

from appropriation item 042428, Cultural, Sports, and Major 153883
Sports Facilities Performance Grants, to support construction or 153884
renovation of an Ohio cultural or sports facility under section 153885
123.283 of the Revised Code. 153886

An amount equal to the unexpended, unencumbered balance of 153887
the foregoing appropriation item 042428, Cultural, Sports, and 153888
Major Sports Facilities Performance Grants, at the end of fiscal 153889
year 2026 is hereby reappropriated to the same appropriation 153890
item in fiscal year 2027. 153891

FIRE DEPARTMENT GRANTS 154021

(A) The foregoing appropriation item 800639, Fire 154022
Department Grants, shall be used to make annual grants to the 154023
following eligible recipients: volunteer fire departments, fire 154024
departments that serve one or more small municipalities or small 154025
townships, joint fire districts comprised of fire departments 154026
that primarily serve small municipalities or small townships, 154027
local units of government responsible for such fire departments, 154028

and local units of government responsible for the provision of 154029
fire protection services for small municipalities or small 154030
townships. For the purposes of these grants, a private fire 154031
company, as that phrase is defined in section 9.60 of the 154032
Revised Code, that is providing fire protection services under a 154033
contract to a political subdivision of the state, is an 154034
additional eligible recipient for a training grant. 154035

Eligible recipients that consist of small municipalities 154036
or small townships that all intend to contract with the same 154037
fire department or private fire company for fire protection 154038
services may jointly apply and be considered for a grant. If a 154039
joint applicant is awarded a grant, the State Fire Marshal 154040
shall, if feasible, proportionately award the grant and any 154041
equipment purchased with grant funds to each of the joint 154042
applicants based upon each applicant's contribution to and 154043
demonstrated need for fire protection services. For the purpose 154044
of this grant program, an eligible recipient or any firefighting 154045
entity that is contracted to serve an eligible recipient may 154046
only file, be listed as joint applicant, or be designated as a 154047
service provider on one grant application per fiscal year. 154048

If the grant awarded to joint applicants is an equipment 154049
grant and the equipment to be purchased cannot be readily 154050
distributed or possessed by multiple recipients, each of the 154051
joint applicants shall be awarded by the State Fire Marshal an 154052
ownership interest in the equipment so purchased in proportion 154053
to each applicant's contribution to and demonstrated need for 154054
fire protection services. The joint applicants shall then 154055
mutually agree on how the equipment is to be maintained, 154056
operated, stored, or disposed of. If, for any reason, the joint 154057
applicants cannot agree as to how jointly owned equipment is to 154058
be maintained, operated, stored, or disposed of or any of the 154059

joint applicants no longer maintain a contract with the same 154060
fire protection service provider as the other applicants, then 154061
the joint applicants shall, with the assistance of the State 154062
Fire Marshal, mutually agree as to how the jointly owned 154063
equipment is to be maintained, operated, stored, disposed of, or 154064
owned. If the joint applicants cannot agree how the grant 154065
equipment is to be maintained, operated, stored, disposed of, or 154066
owned, the State Fire Marshal may, in its discretion, require 154067
all of the equipment acquired by the joint applicants with grant 154068
funds to be returned to the State Fire Marshal. The State Fire 154069
Marshal may then award the returned equipment to any eligible 154070
recipients. For this paragraph only, an "equipment grant" also 154071
includes a MARCS Grant. 154072

(B) Except as otherwise provided in this section, the 154073
grants shall be used by recipients to purchase firefighting or 154074
rescue equipment or gear or similar items, to provide full or 154075
partial reimbursement for the documented costs of firefighter 154076
training, or, at the discretion of the State Fire Marshal, to 154077
cover fire department costs for providing fire protection 154078
services in that grant recipient's jurisdiction. 154079

(1) Of the foregoing appropriation item 800639, Fire 154080
Department Grants, up to \$1,300,000 per fiscal year may be used 154081
to pay for the State Fire Marshal's costs of providing 154082
firefighter I certification classes or other firefighter classes 154083
approved by the State Fire Marshal at no cost to selected 154084
students attending the Ohio Fire Academy or other class 154085
providers approved by the State Fire Marshal. The State Fire 154086
Marshal may establish the qualifications and selection processes 154087
for students to attend such classes by written policy, and such 154088
students shall be considered eligible recipients of fire 154089
department grants for the purposes of this portion of the grant 154090

program. 154091

(2) Of the foregoing appropriation item 800639, Fire 154092
Department Grants, up to \$4,000,000 in each fiscal year may be 154093
used for MARCS Grants. MARCS Grants may be used for the payment 154094
of user access fees by the eligible recipient to cover costs for 154095
accessing MARCS. 154096

(3) Of the foregoing appropriation item 800639, Fire 154097
Department Grants, \$30,000 in fiscal year 2026 shall be used to 154098
support volunteer firefighter training programs at the 154099
Northwestern Ohio Volunteer Firemen's Association Fire School. 154100

For purposes of this section, a MARCS Grant is a grant for 154101
systems, equipment, or services that are a part of, integrated 154102
into, or otherwise interoperable with the Multi-Agency Radio 154103
Communication System (MARCS) operated by the state. 154104

MARCS Grant awards may be up to \$50,000 in each fiscal 154105
year per eligible recipient. Each eligible recipient may apply, 154106
as a separate entity or as a part of a joint application, for 154107
only one MARCS Grant per fiscal year. The State Fire Marshal may 154108
give a preference to MARCS Grants that will enhance the overall 154109
interoperability and effectiveness of emergency communication 154110
networks in the geographic region that includes and that is 154111
adjacent to the applicant. 154112

Eligible recipients that are or were awarded fire 154113
department grants that are not MARCS Grants may also apply for 154114
and receive MARCS Grants in accordance with criteria for the 154115
awarding of grant funds established by the State Fire Marshal. 154116

(4) Grant awards for firefighting or rescue equipment or 154117
gear or for fire department costs of providing fire protection 154118
services shall be up to \$15,000 per fiscal year, or up to 154119

\$25,000 per fiscal year if an eligible entity serves a 154120
jurisdiction in which the Governor declared a natural disaster 154121
during the preceding or current fiscal year in which the grant 154122
was awarded. In addition to any grant funds awarded for rescue 154123
equipment or gear, or for fire department costs associated with 154124
the provision of fire protection services, an eligible entity 154125
may receive a grant for up to \$15,000 per fiscal year for full 154126
or partial reimbursement of the documented costs of firefighter 154127
training. For each fiscal year, the State Fire Marshal shall 154128
determine the total amounts to be allocated for each eligible 154129
purpose. 154130

(5) Of the foregoing appropriation item 800639, Fire 154131
Department Grants, \$8,000,000 in fiscal year 2026 shall be used 154132
to issue grants to small county volunteer fire departments 154133
located within counties having a total population that is 70,000 154134
or lower as of the most recent decennial census. 154135

Small county volunteer fire department grants may be up to 154136
\$50,000per recipient. Grant awards are to be used for 154137
firefighting or rescue equipment or gear, or for fire department 154138
costs associated with the provision of fire protection services. 154139

(C) The grants shall be administered by the State Fire 154140
Marshal in accordance with rules the State Fire Marshal adopts 154141
as part of the state fire code adopted pursuant to section 154142
3737.82 of the Revised Code that are necessary for the 154143
administration and operation of the grant program. The rules may 154144
further define the entities eligible to receive grants and 154145
establish criteria for the awarding and expenditure of grant 154146
funds, including methods the State Fire Marshal may use to 154147
verify the proper use of grant funds or to obtain reimbursement 154148
for or the return of equipment for improperly used grant funds. 154149

To the extent consistent with this section and until the rules 154150
are updated, the existing rules in the state fire code adopted 154151
pursuant to section 3737.82 of the Revised Code for fire 154152
department grants under this section apply to MARCS Grants. Any 154153
amounts in appropriation item 800639, Fire Department Grants, in 154154
excess of the amount allocated for these grants may be used for 154155
the administration of the grant program. 154156

Reserve Fund (Fund 5SA4) to the General Revenue Fund to fund the 158878
needed increase to the state share of GRF appropriation item 158879

also adjust the federal share of GRF appropriation line item 158883
651525 correspondingly. Any such Controlling Board approved 158884
transfers and adjustments made by the Director of Budget and 158885
Management are hereby appropriated. 158886

total amount of the cash transfer from the Health and Human 158888
Services Reserve Fund (Fund 5SA4) to the General Revenue Fund 158889

shall not exceed \$250,000,000 in either fiscal year 2026 or 158890

and vendor costs, and policies focusing on healthier outcomes. 158896
The Ohio Department of Medicaid shall also endeavor to ensure 158897
Medicaid benefits are received only by eligible recipients. 158898
Should the Director of Budget and Management seek Controlling 158899
Board approval to make the transfers permitted by this section, 158900
the Medicaid Director shall report to the Controlling Board on 158901
the Ohio Department of Medicaid's progress on these savings and 158902

	(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES		160756 160757
	(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for universities, as established in division (B) (1) (b) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2026 AND 2027," in each fiscal year shall be reserved for support of associate, baccalaureate, master's, and professional level degree attainment.		160758 160759 160760 160761 160762 160763 160764
	The degree attainment funding shall be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs. The degree cost calculations shall include the model cost weights for the science, technology, engineering, mathematics, and medicine models as established in division (C) of this section.		160765 160766 160767 160768 160769 160770 160771
	For degrees including credits earned at multiple institutions, degree attainment funding shall be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Each		160772 160773 160774 160775

institution shall receive its prorated share of degree funding 160776
for credits earned at that institution. Cost of credits not 160777
earned at a university main or regional campus shall be credited 160778
to the degree-granting institution for the first degree earned 160779
by a student at each degree level. The cost credited to the 160780
degree-granting institution shall not be eligible for at-risk 160781
weights and shall be limited to 12.5 per cent of the student- 160782
specific degree costs. However, the 12.5 per cent limitation 160783
shall not apply if the student transferred 12 or fewer credits 160784
into the degree granting institution. 160785

In calculating the subsidy entitlements for degree 160786
attainment for universities, the Chancellor shall use the 160787
following count of degrees and degree costs: 160788

(a) The subsidy eligible undergraduate degrees shall be 160789
defined as follows: 160790

(i) The subsidy eligible degrees conferred to students 160791
identified as residents of the state of Ohio in any term of 160792
their studies, as reported through the Higher Education 160793
Information (HEI) system student enrollment file, shall be 160794
weighted by a factor of 1. 160795

(ii) The subsidy eligible degrees conferred to students 160796
identified as out-of-state residents during all terms of their 160797
studies, as reported through the Higher Education Information 160798
(HEI) system student enrollment file, who remain in the state of 160799
Ohio at least one year after graduation, as calculated based on 160800
the three-year average in-state residency rate using the 160801
Unemployment Wage data for out-of-state graduates at each 160802
institution, shall be weighted by a factor of 50 per cent. 160803

(iii) Subsidy eligible associate degrees are defined as 160804

those earned by students attending any state-supported 160805
university main or regional campus. 160806

(b) In calculating each campus's count of degrees, the 160807
Chancellor shall use the three-year average associate, 160808
baccalaureate, master's, and professional degrees awarded for 160809
the most recent completed three-year period that is practicable 160810
as agreed to by the Inter-University Council and the Chancellor. 160811

(i) If a student is awarded an associate degree and, 160812
subsequently, is awarded a baccalaureate degree, the amount 160813
funded for the baccalaureate degree shall be limited to either 160814
the difference in cost between the cost of the baccalaureate 160815
degree and the cost of the associate degree paid previously, or 160816
if the associate degree has a higher cost than the baccalaureate 160817
degree, the cost of the credits earned by the student after the 160818
associate degree was awarded. 160819

(ii) If a student earns an associate degree then, 160820
subsequently, earns a baccalaureate degree, the associate degree 160821
granting institution shall only receive the prorated share of 160822
the baccalaureate degree funding for the credits earned at that 160823
institution after the associate degree is awarded. 160824

(iii) If a student earns more than one degree at the same 160825
institution at the same degree level in the same fiscal year, 160826
the funding for the highest cost degree shall be prorated among 160827
institutions based on where the credits were earned and 160828
additional degrees shall be funded at 25 per cent of the cost of 160829
the degrees. 160830

(c) Associate degrees and baccalaureate degrees earned by 160831
a student defined as at-risk based on academic under- 160832
preparation, age, minority status, financial status, or first 160833

generation post-secondary status based on neither parent 160834
completing any education beyond high school, shall be defined as 160835
degrees earned by an at-risk student and shall be weighted by 160836
the following: 160837

A student-specific degree completion weight, where the 160838
weight is calculated based on the at-risk factors of the 160839
individual student, determined by calculating the difference 160840
between the percentage of students with each risk factor who 160841
earned a degree and the percentage of non-at-risk students who 160842
earned a degree. 160843

(2) Of the foregoing appropriation item 235501, State 160844
Share of Instruction, up to 11.78 per cent of the appropriation 160845
for universities, as established in division (B) (1) (b) of the 160846
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 160847
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be 160848
reserved for support of doctoral programs to implement the 160849
funding recommendations made by representatives of the 160850
universities. The amount so reserved shall be referred to as the 160851
doctoral set-aside. 160852

In each fiscal year, the doctoral set-aside funding 160853
allocation shall be allocated to universities as follows: 160854

(a) 25 per cent of the doctoral set-aside shall be 160855
allocated to universities in proportion to their share of the 160856
statewide total earnings of each state institution's three-year 160857
average course completions. The subsidy eligible enrollments by 160858
model shall equal only those FTE students who successfully 160859
complete the course as defined and reported through the Higher 160860
Education Information (HEI) system course enrollment file. 160861
Course completion earnings shall be determined by multiplying 160862
the amounts listed above in divisions (B) and (C) of this 160863

section by the subsidy-eligible FTEs for the most recent 160864
completed three-year period that is practicable as agreed to by 160865
the Inter-University Council and the Chancellor for all doctoral 160866
enrollments in graduate-level models. 160867

(b) 50 per cent of the doctoral set-aside shall be 160868
allocated to universities in proportion to each campus's share 160869
of the total statewide doctoral degrees, weighted by the cost of 160870
the doctoral discipline. In calculating each campus's doctoral 160871
degrees the Chancellor shall use the three-year average doctoral 160872
degrees awarded for the most recent completed three-year period 160873
that is practicable as agreed to by the Inter-University Council 160874
and the Chancellor. 160875

(c) 25 per cent of the doctoral set-aside shall be 160876
allocated to universities in proportion to their share of 160877
research grant activity. Funding for this component shall be 160878
allocated to eligible universities in proportion to their share 160879
of research grant activity published by the National Science 160880
Foundation. Grant awards from the Department of Health and Human 160881
Services shall be weighted at 50 per cent. 160882

(3) Of the foregoing appropriation item 235501, State 160883
Share of Instruction, 6.41 per cent of the appropriation for 160884
universities, as established in division (B)(1)(b) of the 160885
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 160886
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be 160887
reserved for support of Medical II FTEs. The amount so reserved 160888
shall be referred to as the medical II set-aside. 160889

The medical II set-aside shall be allocated to 160890
universities in proportion to their share of the statewide total 160891
of each state institution's three-year average Medical II FTEs 160892
as calculated in division (A) of this section. 160893

In calculating the core subsidy entitlements for Medical
II models only, students repeating terms may be no more than
five per cent of current year enrollment.

(4) Of the foregoing appropriation item 235501, State
Share of Instruction, 1.69 per cent of the appropriation for
universities, as established in division (B) (1) (b) of the
section of this act entitled "STATE SHARE OF INSTRUCTION FOR
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be
reserved for support of Medical I FTEs. The amount so reserved
shall be referred to as the medical I set-aside.

In each fiscal year, the medical I set-aside shall be
allocated to universities as follows:

(a) 12.34 per cent of the medical I set-aside shall be
allocated to universities in proportion to their share of the
statewide total of each state institution's three-year average
Medical I FTEs, as calculated in division (A) of this section,
enrolled in public colleges of podiatric medicine.

(b) 87.66 per cent of the medical I set-aside shall be
allocated to universities in proportion to their share of the
statewide total of each state institution's three-year average
Medical I FTEs, as calculated in division (A) of this section,
enrolled in public colleges of dentistry and veterinary
medicine.

(5) Of the foregoing appropriation item 235501, State
Share of Instruction, five per cent of the appropriation for
universities, as established in division (B) (1) (b) of the
section of this act entitled "STATE SHARE OF INSTRUCTION FOR
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be
reserved for support of College Credit Plus pathways and

accelerated ninety-hour degree programs as described in section 160923
3345.89 of the Revised Code. The College Credit Plus pathways 160924
and accelerated ninety-hour degree programs funding shall be 160925
allocated to universities in proportion to each campus's share 160926
of the total statewide enrollment in College Credit Plus 160927
pathways and accelerated ninety-hour degree programs. 160928

In calculating the subsidy entitlements for enrollment in 160929
College Credit Plus pathways and accelerated ninety-hour degree 160930
programs, the Chancellor shall use the following: 160931

(a) The subsidy for College Credit Plus pathways and 160932
accelerated ninety-hour degree programs shall be distributed as 160933
follows: 160934

(i) The subsidy enrollment in College Credit Plus pathways 160935
and accelerated ninety-hour degree programs for students 160936
identified as residents of this state in any term of their 160937
studies, as reported through the Higher Education Information 160938
(HEI) system student enrollment file, shall be weighted by a 160939
factor of 1. 160940

(ii) The subsidy enrollment in College Credit Plus 160941
pathways and accelerated ninety-hour degree programs for 160942
students identified as out-of-state residents during all terms 160943
of their studies, as reported through the Higher Education 160944
Information (HEI) system student enrollment file, who remain in 160945
the state of Ohio at least one year after graduation, as 160946
calculated based on the three-year average in-state residency 160947
rate using unemployment wage data for out-of-state graduates at 160948
each institution, shall be weighted by a factor of 50 per cent. 160949

(b) In calculating each campus's enrollment in College 160950
Credit Plus pathways and accelerated ninety-hour degree 160951

programs, the Chancellor shall use the three-year average 160952
enrollment for the most recent completed three-year period that 160953
is practicable as agreed to by the Inter-University Council and 160954
the Chancellor. 160955

(6) In calculating the course completion funding for 160956
universities, the Chancellor shall use the following count of 160957
FTE students: 160958

(a) The subsidy eligible enrollments by model shall equal 160959
only those FTE students who successfully complete the course as 160960
defined and reported through the Higher Education Information 160961
(HEI) system course enrollment file; 160962

(b) Those undergraduate FTE students with successful 160963
course completions, identified in division (D) (6) (a) of this 160964
section, that are defined as at-risk based on academic under- 160965
preparation or financial status shall have their eligible 160966
completions weighted by the following: 160967

(i) Institution-specific course completion indexes, where 160968
the indexes are calculated based upon the number of at-risk 160969
students enrolled during the prior three calendar years; and 160970

(ii) A statewide average at-risk course completion weight 160971
determined for each subsidy model. The statewide average at-risk 160972
course completion weight shall be determined by calculating the 160973
difference between the percentage of traditional students who 160974
complete a course and the percentage of at-risk students who 160975
complete the same course. 160976

(c) The course completion earnings shall be determined by 160977
multiplying the amounts listed above in divisions (B) and (C) of 160978
this section by the subsidy-eligible FTEs for the most recent 160979
completed three-year period that is practicable as agreed to by 160980

the Inter-University Council and the Chancellor for all models 160981
except Medical I and Medical II. 160982

(d) For universities, the Chancellor shall compute the 160983
course completion earnings by dividing the appropriation for 160984
universities, established in division (B)(1)(b) of the section 160985
of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL 160986
YEARS 2026 AND 2027," less the degree attainment funding as 160987
calculated in division (D)(1) of this section, less the doctoral 160988
set-aside, less the medical I set-aside, less the medical II 160989
set-aside,, and less the College Credit Plus pathways and 160990
accelerated ninety-hour degree programs funding as calculated in 160991
division (D)(5) of this section, by the sum of all campuses' 160992
instructional costs as calculated in division (D)(6) of this 160993
section. 160994

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 160995
ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES 160996

(1) Of the foregoing appropriation item 235501, State 160997
Share of Instruction, 50 per cent of the appropriation for 160998
state-supported community colleges, state community colleges, 160999
and technical colleges as established in division (B)(1)(a) of 161000
the section of this act entitled "STATE SHARE OF INSTRUCTION FOR 161001
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be 161002
reserved for course completion FTEs as aggregated by the subsidy 161003
models defined in division (B) of this section. 161004

The course completion funding shall be allocated to 161005
campuses in proportion to each campus's share of the total 161006
sector's course completions, weighted by the instructional cost 161007
of the subsidy models. 161008

To calculate the subsidy entitlements for course 161009

completions at community colleges, state community colleges, and 161010
technical colleges, the Chancellor shall use the following 161011
calculations: 161012

(a) In calculating each campus's count of FTE course 161013
completions, the Chancellor shall use a three-year average for 161014
course completions for the three-year period ending in the prior 161015
year for students identified as residents of the state of Ohio 161016
in any term of their studies, as reported through the Higher 161017
Education Information (HEI) system student enrollment file. 161018

(b) The subsidy eligible enrollments by model shall equal 161019
only those FTE students who successfully complete the course as 161020
defined and reported through the Higher Education Information 161021
(HEI) system course enrollment file. 161022

(c) Those students with successful course completions, 161023
that are defined as access students based on financial status, 161024
minority status, age, or academic under-preparation shall have 161025
their eligible course completions weighted by a statewide access 161026
weight. The weight given to any student that meets any access 161027
factor shall be 15 per cent for all course completions. 161028

(d) The model costs as used in the calculation shall be 161029
augmented by the model weights for science, technology, 161030
engineering, mathematics, and medicine models as established in 161031
division (C) of this section. 161032

(2) Of the foregoing appropriation item 235501, State 161033
Share of Instruction, 25 per cent of the appropriation for 161034
state-supported community colleges, state community colleges, 161035
and technical colleges as established in division (B) (1) (a) of 161036
the section of this act entitled "STATE SHARE OF INSTRUCTION FOR 161037
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be 161038

reserved for colleges in proportion to their share of college 161039
student success factors. 161040

Student success factors shall be awarded at the 161041
institutional level for each subsidy-eligible student that 161042
successfully: 161043

(a) Completes a college-level math course within the first 161044
30 hours of completed coursework. 161045

(b) Completes a college-level English course within the 161046
first 30 hours of completed coursework. 161047

(c) Completes 12 semester credit hours of college-level 161048
coursework. 161049

(d) Completes 24 semester credit hours of college-level 161050
coursework. 161051

(e) Completes 36 semester credit hours of college-level 161052
coursework. 161053

(3) Of the foregoing appropriation item 235501, State 161054
Share of Instruction, 25 per cent of the appropriation for 161055
state-supported community colleges, state community colleges, 161056
and technical colleges as established in division (B) (1) (a) of 161057
the section of this act entitled "STATE SHARE OF INSTRUCTION FOR 161058
FISCAL YEARS 2026 AND 2027," in each fiscal year shall be 161059
reserved for completion milestones. 161060

Completion milestones shall include baccalaureate degrees, 161061
associate degrees, technical certificates over 30 credit hours 161062
as designated by the Department of Higher Education, and 161063
students transferring to any four-year institution with at least 161064
12 credit hours of college-level coursework earned at that 161065
community college, state community college, or technical 161066

college. 161067

The completion milestone funding shall be allocated to 161068
colleges in proportion to each institution's share of the 161069
sector's total completion milestones, weighted by the 161070
instructional cost of the degree, certificate, or transfer 161071
models. Costs for technical certificates over 30 hours shall be 161072
weighted at one-half of the associate degree model costs and 161073
transfers with at least 12 credit hours of college-level 161074
coursework shall be weighted at one-fourth of the average cost 161075
for all associate degree model costs. 161076

(4) To calculate the subsidy entitlements for completions 161077
at community colleges, state community colleges, and technical 161078
colleges, the Chancellor shall use the following calculations: 161079

(a) In calculating each campus's count of completions, the 161080
Chancellor shall use a three-year average for completion 161081
milestones awarded to students identified as subsidy eligible in 161082
any term of their studies, as reported through the Higher 161083
Education Information (HEI) system student enrollment file. 161084

(b) The subsidy eligible completion milestones by model 161085
shall equal only those students who successfully complete a 161086
baccalaureate or an associate degree, or technical certificate 161087
over 30 credit hours, or transfer to any four-year institution 161088
with at least 12 credit hours of college-level coursework as 161089
defined and reported in the Higher Education Information (HEI) 161090
system. Student completions reported in HEI shall have an 161091
accompanying course enrollment record in order to be subsidy 161092
eligible. 161093

(c) Those students with successful completions for 161094
baccalaureate or associate degrees, technical certificates over 161095

30 credit hours, or transfer to any four-year institution with 161096
at least 12 credit hours of college-level coursework, identified 161097
in division (E) (3) of this section, that are defined as access 161098
students based on financial status, minority status, age, or 161099
academic under-preparation shall have their eligible completions 161100
weighted by a statewide access weight. The weight shall be 25 161101
per cent for students with one access factor, 66 per cent for 161102
students with two access factors, 150 per cent for students with 161103
three access factors, and 200 per cent for students with four 161104
access factors. 161105

(d) For those students who complete more than one 161106
completion milestone, funding for each additional degree or 161107
technical certificate over 30 credit hours designated as such by 161108
the Department of Higher Education shall be funded at 50 per 161109
cent of the model costs as defined in division (E) (3) of this 161110
section. 161111

(5) For purposes of the calculations made in division (E) 161112
of this section, the Chancellor shall only include subsidy- 161113
eligible students identified as residents of the state of Ohio 161114
in any term of their studies, as reported through the Higher 161115
Education Information (HEI) system student enrollment file. The 161116
Chancellor shall be prohibited from including nonresident 161117
students as subsidy-eligible except for those students otherwise 161118
identified as subsidy-eligible in division (A) (2) of this 161119
section. 161120

(F) CAPITAL COMPONENT DEDUCTION 161121

After all other adjustments have been made, state share of 161122
instruction earnings shall be reduced for each campus by the 161123
amount, if any, by which debt service charged in H.B. 16 of the 161124
126th General Assembly, H.B. 699 of the 126th General Assembly, 161125

H.B. 496 of the 127th General Assembly, and H.B. 562 of the 161126
127th General Assembly for that campus exceeds that campus's 161127
capital component earnings. The sum of the amounts deducted 161128
shall be transferred to appropriation item 235552, Capital 161129
Component, in each fiscal year. 161130

(G) EXCEPTIONAL CIRCUMSTANCES 161131

Adjustments may be made to the state share of instruction 161132
payments and other subsidies distributed by the Chancellor to 161133
state colleges and universities for exceptional circumstances. 161134
No adjustments for exceptional circumstances may be made without 161135
the recommendation of the Chancellor and the approval of the 161136
Controlling Board. 161137

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 161138
INSTRUCTION 161139

The standard provisions of the state share of instruction 161140
calculation as described in the preceding sections of temporary 161141
law shall apply to any reductions made to appropriation item 161142
235501, State Share of Instruction, before the Chancellor has 161143
formally approved the final allocation of the state share of 161144
instruction funds for any fiscal year. 161145

Any reductions made to appropriation item 235501, State 161146
Share of Instruction, after the Chancellor has formally approved 161147
the final allocation of the state share of instruction funds for 161148
any fiscal year, shall be uniformly applied to each campus in 161149
proportion to its share of the final allocation. 161150

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 161151

The state share of instruction payments to the 161152
institutions shall be in substantially equal monthly amounts 161153
during the fiscal year, unless otherwise determined by the 161154

Director of Budget and Management pursuant to section 126.09 of 161155
the Revised Code. Payments during the first six months of the 161156
fiscal year may be based upon the state share of instruction 161157
appropriation estimates made for the various institutions of 161158
higher education, and payments during the last six months of the 161159
fiscal year may be based on the final data from the Chancellor. 161160
If agreed to by the Chancellor and the Inter-University Council, 161161
payments to universities in each month of a fiscal year shall be 161162
based on final data in the higher education information system 161163
for the selected three-year period that is acceptable to both 161164
parties. 161165

Section 381.250. STATE SHARE OF INSTRUCTION FOR FISCAL 161166
YEARS 2026 AND 2027 161167

(A) (1) Of the foregoing appropriation item 235501, State 161168

above a historical baseline of institutional production, as 161195

employed by an Ohio-based employer. 161200

(1) (b) of this section. No state university shall receive funds 161253
from the amount set aside in division (B) (1) (c) of this section 161254

report to the committee chairs, in a form and manner determined 161262
by the committees, that demonstrates the state university's 161263
compliance with those sections. Not later than March 31, 2026, 161264
each committee shall determine whether each state university has 161265
fully complied with those sections for the previous fiscal year 161266
and report that determination to the Office of Budget and 161267
Management. The Controlling Board shall consider the release of 161268
funds from the amount set aside in division (B) (1) (c) of this 161269
section for fiscal year 2027 only for compliant universities. 161270
The release of funds shall be subject to Controlling Board 161271

compliant universities in monthly payments in the manner 161273

provided in division (I) of the section of this act entitled 161274
"STATE SHARE OF INSTRUCTION FORMULAS." For any university 161275
determined noncompliant, the Chancellor shall reduce payments 161276
for that university by an amount equal to that university's per 161277

(2) Any increases in the amount distributed to an 161280
institution from the funds set aside in division (B) of this 161281
section that are above the prior year may be used by the 161282
institution to provide need-based aid and to provide counseling, 161283
support services, and workforce preparation services to 161284
students. 161285

Section 381.260. RESTRICTION ON FEE INCREASES 161286

(A) In fiscal years 2026 and 2027, the boards of trustees 161287
of state institutions of higher education shall restrain 161288
increases in in-state undergraduate instructional and general 161289
fees. 161290

(1) For the 2025-2026 and 2026-2027 academic years, each 161291
community college established under Chapter 3354., state 161292
community college established under Chapter 3358., or technical 161293
college established under Chapter 3357. of the Revised Code may 161294
increase its in-state undergraduate instructional and general 161295
fees by not more than ten dollars per credit hour over what the 161296
institution charged for the previous academic year. 161297

(2) The limitations under division (A) (1) of this section 161298
do not apply to student health insurance, fees for auxiliary 161299
goods or services provided to students at the cost incurred to 161300
the institution, fees assessed to students as a pass-through for 161301
licensure and certification examinations, fees in elective 161302

courses associated with travel experiences, elective service 161303
charges, fines, and voluntary sales transactions. 161304

(B) The limitations under this section shall not apply to 161305
increases required to comply with institutional covenants 161306
related to their obligations or to meet unfunded legal mandates 161307
or legally binding obligations incurred or commitments made 161308
prior to the effective date of this section with respect to 161309
which the institution had identified such fee increases as the 161310
source of funds. Any increase required by such covenants and any 161311
such mandates, obligations, or commitments shall be reported by 161312
the Chancellor of Higher Education to the Controlling Board. 161313
These limitations may also be modified by the Chancellor, with 161314
the approval of the Controlling Board, to respond to exceptional 161315
circumstances as identified by the Chancellor. 161316

(C) Institutions offering an undergraduate tuition 161317
guarantee pursuant to section 3345.48 of the Revised Code may 161318
increase instructional and general fees pursuant to that 161319
section. 161320

Section 381.270. HIGHER EDUCATION - BOARD OF TRUSTEES 161321

(A) Funds appropriated for instructional subsidies at 161322
colleges and universities may be used to provide such branch or 161323
other off-campus undergraduate courses of study and such 161324
master's degree courses of study as may be approved by the 161325
Chancellor of Higher Education. 161326

(B) In providing instructional and other services to 161327
students, boards of trustees of state institutions of higher 161328
education shall supplement state subsidies with income from 161329
charges to students. Except as otherwise provided in this act, 161330
each board shall establish the fees to be charged to all 161331

students, including an instructional fee for educational and 161332
associated operational support of the institution and a general 161333
fee for noninstructional services, including locally financed 161334
student services facilities used for the benefit of enrolled 161335
students. The instructional fee and the general fee shall 161336
encompass all charges for services assessed uniformly to all 161337
enrolled students. Each board may also establish special purpose 161338
fees, service charges, and fines as required; such special 161339
purpose fees and service charges shall be for services or 161340
benefits furnished individual students or specific categories of 161341
students and shall not be applied uniformly to all enrolled 161342
students. A tuition surcharge shall be paid by all students who 161343
are not residents of Ohio. 161344

The board of trustees of a state institution of higher 161345
education shall not authorize a waiver or nonpayment of 161346
instructional fees or general fees for any particular student or 161347
any class of students other than waivers specifically authorized 161348
by law or approved by the Chancellor. This prohibition is not 161349
intended to limit the authority of boards of trustees to provide 161350
for payments to students for services rendered the institution, 161351
nor to prohibit the budgeting of income for staff benefits or 161352
for student assistance in the form of payment of such 161353
instructional and general fees. 161354

Each board may authorize a lower differential tuition rate 161355
of instructional or general fees equal to the default rate 161356
options provided under the College Credit Plus Program pursuant 161357
to Chapter 3365. of the Revised Code or equal to rates 161358
established pursuant to an agreement for an alternative payment 161359
structure pursuant to section 3365.07 of the Revised Code for 161360
nonpublic and home schooled students participating in that 161361
program that are not publicly funded. Each board may establish a 161362

lower differential tuition rate for in-state undergraduate 161363
instructional fees or general fees for students enrolled 161364
exclusively in online courses, as well as a lower differential 161365
tuition rate for the surcharge for nonresidents enrolled 161366
exclusively in online courses, provided a surcharge is still 161367
assessed. 161368

Each board may authorize a lower tuition rate for courses 161369
taken by high school students that do not qualify for funding 161370
under the College Credit Plus program under section 3365.07 of 161371
the Revised Code. These tuition rates must align with the 161372
institution's tuition rates charged for courses eligible for 161373
funding under the College Credit Plus Program. 161374

Each state institution of higher education in its 161375
statement of charges to students shall separately identify the 161376
instructional fee, the general fee, the tuition charge, and the 161377
tuition surcharge. Fee charges to students for instruction shall 161378
not be considered to be a price of service but shall be 161379
considered to be an integral part of the state government 161380
financing program in support of higher educational opportunity 161381
for students. 161382

(C) The boards of trustees of state institutions of higher 161383
education shall ensure that faculty members devote a proper and 161384
judicious part of their work week to the actual instruction of 161385
students. Total class credit hours of production per academic 161386
term per full-time faculty member is expected to meet the 161387
standards set forth in the budget data submitted by the 161388
Chancellor. 161389

(D) The authority of government vested by law in the 161390
boards of trustees of state institutions of higher education 161391
shall in fact be exercised by those boards. Boards of trustees 161392

may consult extensively with appropriate student and faculty 161393
groups. Administrative decisions about the utilization of 161394
available resources, about organizational structure, about 161395
disciplinary procedure, about the operation and staffing of all 161396
auxiliary facilities, and about administrative personnel shall 161397
be the exclusive prerogative of boards of trustees. Any 161398
delegation of authority by a board of trustees in other areas of 161399
responsibility shall be accompanied by appropriate standards of 161400
guidance concerning expected objectives in the exercise of such 161401
delegated authority and shall be accompanied by periodic review 161402
of the exercise of this delegated authority to the end that the 161403
public interest, in contrast to any institutional or special 161404
interest, shall be served. 161405

provisions of section 5910.04 of the Revised Code, and to fund 161415
additional scholarship benefits provided by section 5910.032 of 161416
the Revised Code. 161417

During each fiscal year, the Chancellor, as soon as 161418
possible after cancellation, may certify to the Director of 161419
Budget and Management the amount of canceled prior-year 161420
encumbrances in appropriation item 235504, War Orphans and 161421

of the certification, the Director of Budget and Management may 161423
transfer cash, up to the certified amount, from the General 161424
Revenue Fund to the War Orphans and Severely Disabled Veterans' 161425

property tax relief screening system that the parcel or home 166350
received one or more reductions for which the parcel or home was 166351
not eligible, except if the county auditor determines that the 166352
