or order issued under it. The director may levy against the 34062
owner or operator any civil penalties authorized by division (B) 34063
of section 921.16 of the Revised Code for any violation of this 34064
chapter or any rule adopted or order issued under it that is 34065
committed by the owner or operator or by the owner's or 34066

chapter. The fee for each license shall be established by rule. 34118
Licenses shall be issued for a period of time established by 34119
rule and shall be renewed in accordance with deadlines 34120

(2) The director shall issue a private applicator license 34124
in accordance with Chapter 4796. of the Revised Code to an 34125

the applicant has applied. 34156

(2) An applicant shall pay an examination fee of thirty 34157
dollars. 34158

(B) Each application for renewal of a license provided for 34159
in section 921.06 of the Revised Code shall be filed prior to 34160
the deadline established by rule. If filed after the deadline, a 34161
penalty of fifty per cent shall be assessed and added to the 34162

renewal license is issued. However, if a license issued under 34164
section 921.06 or 921.11 of the Revised Code is not renewed 34165
within one hundred eighty days after the date of expiration, the 34166

licensee shall be required to take another examination on this 34167
chapter and rules adopted under it and on the proper use, 34168

(D) The holder of a commercial applicator license may 34176
renew the license within one hundred eighty days after the date 34177
of expiration without re-examination unless the director 34178
determines that a new examination is necessary to insure that 34179
the holder continues to meet the requirements of changing 34180
technology and to assure a continuing level of competence and 34181
ability to use pesticides safely and properly. 34182

(E) The holder of a private applicator license may renew 34183
the license within one hundred eighty days after the date of 34184
expiration without re-examination unless the director determines 34185
that a new examination is necessary to insure that the holder 34186
continues to meet the requirements of changing technology and to 34187
assure a continuing level of competence and ability to use 34188
pesticides safely and properly. 34189

(F) Instead of requiring a commercial applicator or 34190
private applicator to complete re-examination successfully under 34191
division (D) or (E) of this section, the director may require, 34192
in accordance with criteria established by rule, the commercial 34193
applicator or private applicator to participate in training 34194
programs that are designed to foster knowledge of new technology 34195
and to ensure a continuing level of competence and ability to 34196

use pesticides safely and properly. The director or the 34197

issued for a period of time established by rule and shall be 34207
renewed in accordance with deadlines established by rule. A 34208
license is required for each location or outlet within this 34209
state from which the person distributes pesticides. 34210

Any pesticide dealer who has no pesticide dealer outlets 34211
in this state and who distributes restricted use pesticides 34212
directly into this state shall obtain a pesticide dealer license 34213
from the director for the pesticide dealer's principal out-of- 34214
state location or outlet and for each sales person operating in 34215
the state. 34216

The applicant shall include a license fee established by 34217
rule with the application for a license. The application shall 34218
be made on a form prescribed by the director. 34219

Each pesticide dealer shall ~~submit~~ maintain records ~~to the~~ 34220
~~director~~ of all of the restricted use pesticides the pesticide 34221
dealer has distributed, as specified by the director, and 34222
~~duplicate the~~ records shall be retained by the pesticide dealer 34223
for a period of time established by rules. 34224

(B) This section does not apply to any federal, state, 34225

county, or municipal agency that provides pesticides for its own 34226
programs. 34227

(C) Each licensed pesticide dealer is responsible for the 34228
acts of each employee in the solicitation and sale of pesticides 34229
and all claims and recommendations for use of pesticides. The 34230
pesticide dealer's license is subject to denial, suspension, or 34231

whether committed by the pesticide dealer or by the pesticide 34233
dealer's officer, agent, or employee. 34234

(D) All money collected under this section shall be 34235
credited to the pesticide, fertilizer, and lime program fund 34236
created in section 921.22 of the Revised Code. 34237

Sec. 921.14. (A) Each commercial applicator shall keep a 34238
record of both of the following: 34239

(1) All diagnostic inspections conducted to determine 34240
infestations of pests as required by rules adopted under 34241
division (C) of section 921.16 of the Revised Code; 34242

(2) All pesticide applications made by the applicator and 34243
by any trained serviceperson ~~acting under the applicator's~~ 34244
~~direct supervision~~ as required by rules adopted under division 34245
(C) of section 921.16 of the Revised Code. 34246

Each commercial applicator shall submit copies of the 34247
records required under division (A) of this section to the 34248
pesticide business, other business, state agency, or political 34249
subdivision that employs the commercial applicator. 34250

(B) Each pesticide business, other business, state agency, 34251
or political subdivision that receives copies of records under 34252
division (A) of this section shall retain them for a period of 34253
time established by rule. 34254

(C) Each private applicator shall keep a record of all 34255
restricted use pesticide applications made by the applicator or 34256
under the applicator's direct supervision as required by rules 34257
adopted under division (C) of section 921.16 of the Revised 34258
Code. In addition, each private applicator shall maintain the 34259
record for a period of three years from the date of the 34260
restricted use pesticide application to which that record refers 34261
or for any longer period that the director of agriculture 34262
determines necessary. 34263

Sec. 921.16. (A) The director of agriculture shall adopt 34264
rules the director determines necessary for the effective 34265
enforcement and administration of this chapter. The rules may 34266
relate to, but are not limited to, the time, place, manner, and 34267
methods of application, materials, and amounts and 34268
concentrations of application of pesticides, may restrict or 34269
prohibit the use of pesticides in designated areas during 34270
specified periods of time, and shall encompass all reasonable 34271
factors that the director determines necessary to minimize or 34272
prevent damage to the environment. In addition, the rules shall 34273
establish the deadlines and time periods for registration, 34274
registration renewal, late registration renewal, and failure to 34275
register under section 921.02 of the Revised Code; the fees for 34276
registration, registration renewal, late registration renewal, 34277
and failure to register under section 921.02 of the Revised Code 34278
that shall apply until the fees that are established under that 34279
section take effect on January 1, 2007; and the fees, deadlines, 34280
and time periods for licensure and license renewal under 34281
sections 921.06, 921.09, 921.11, and 921.13 of the Revised Code. 34282

(B) The director shall adopt rules that establish a 34283
schedule of civil penalties for violations of this chapter, or 34284
any rule or order adopted or issued under it, provided that the 34285

civil penalty for a first violation shall not exceed five 34286
thousand dollars and the civil penalty for each subsequent 34287
violation shall not exceed ten thousand dollars. In determining 34288
the amount of a civil penalty for a violation, the director 34289
shall consider factors relevant to the severity of the 34290
violation, including past violations and the amount of actual or 34291
potential damage to the environment or to human beings. All 34292
money collected under this division shall be credited to the 34293
pesticide, fertilizer, and lime program fund created in section 34294
921.22 of the Revised Code. 34295

(C) The director shall adopt rules that set forth the 34296
conditions under which the director: 34297

(1) Requires that notice or posting be given of a proposed 34298
application of a pesticide; 34299

(2) Requires inspection, condemnation, or repair of 34300
equipment used to apply a pesticide; 34301

(3) Will suspend, revoke, or refuse to issue any pesticide 34302
registration for a violation of this chapter; 34303

(4) Requires safe handling, transportation, storage, 34304
display, distribution, and disposal of pesticides and their 34305
containers; 34306

(5) Ensures the protection of the health and safety of 34307
agricultural workers storing, handling, or applying pesticides, 34308
and all residents of agricultural labor camps, as that term is 34309
defined in section 3733.41 of the Revised Code, who are living 34310
or working in the vicinity of pesticide-treated areas; 34311

(6) Requires a record to be kept of all pesticide 34312
applications made by each commercial applicator and of all 34313
general use applications made by any trained serviceperson 34314

acting under the commercial applicator's direct supervision and 34315
of all restricted use pesticide applications made by each 34316
private applicator ~~and by any immediate family member or~~ 34317
~~subordinate employee of that private applicator who is acting~~ 34318
~~under the private applicator's direct supervision as required~~ 34319
under section 921.14 of the Revised Code; 34320

(7) Determines the pesticide-use categories of diagnostic 34321
inspections that must be conducted by a commercial applicator; 34322

(8) Requires a record to be kept of all diagnostic 34323
inspections conducted by each commercial applicator and by any 34324
trained service person. 34325

(D) The director shall prescribe standards for the 34326
licensure of applicators of pesticides consistent with those 34327
prescribed by the federal act and the regulations adopted under 34328
it or prescribe standards that are more restrictive than those 34329
prescribed by the federal act and the regulations adopted under 34330
it. The standards may relate to the use of a pesticide or to an 34331
individual's pesticide-use category. 34332

The director shall take into consideration standards of 34333
the United States environmental protection agency. 34334

(E) The director may adopt rules setting forth the 34335
conditions under which the director will: 34336

(1) Collect and examine samples of pesticides or devices; 34337

(2) Specify classes of devices that shall be subject to 34338
this chapter; 34339

(3) Prescribe other necessary registration information. 34340

(F) The director may adopt rules that do either or both of 34341
the following: 34342

(1) Designate, in addition to those restricted uses so 34343
classified by the administrator of the United States 34344
environmental protection agency, restricted uses of pesticides 34345
for the state or for designated areas within the state and, if 34346
the director considers it necessary, to further restrict such 34347
use; 34348

(2) Define what constitutes "acting under the instructions 34349
and control of a commercial applicator" as used in the 34350
definition of "direct supervision" in division ~~(Q) (1)~~ (Q) of 34351
section 921.01 of the Revised Code. In adopting a rule under 34352
division (F) (2) of this section, the director shall consider the 34353
factors associated with the use of pesticide in the various 34354
pesticide-use categories. Based on consideration of the factors, 34355
the director may define "acting under the instructions and 34356
control of a commercial applicator" to include communications 34357
between a commercial applicator and a trained serviceperson that 34358
are conducted via landline telephone or a means of wireless 34359
communication. Any rules adopted under division (F) (2) of this 34360

Any lien claimant who has included incorrect information 36206
in the claimant's affidavit for a lien under section 1311.06 of 36207

continues in effect under section 1311.13 of the Revised Code. 36217
In no event shall the amended affidavit extend such time period. 36218
The filing of an amended affidavit does not constitute a waiver 36219
of the rights granted by this division. 36220

(D) Within ten days after the date a subcontractor, 36221
material supplier, or laborer serves a written request upon the 36222

a copy of the notice of commencement upon the original 36256
contractor. If the owner, part owner, lessee, or designee fails 36257

owner, part owner, or lessee, such fact must be included on the 36362
notice or amended notice. 36363

(O) This section does not apply to a home construction 36364
contract as defined in section 1311.011 of the Revised Code, 36365
except that when a lending institution as defined in division 36366

A debt cancellation or debt suspension product, and an 36543

providing for principal balances less than, nor not in multiples 36572
of one hundred dollars, or for installment payments extending 36573

charge shall be computed proportionately. In addition to the 36575
base finance charge, the retail seller may charge and contract 36576
for a service charge of fifty cents per month for the first 36577
fifty dollar unit or fraction thereof, of the principal balance 36578

the principal balance for each month of the term of the 36582
installment contract. This paragraph applies only to retail 36583
installment contracts with a principal balance of seven hundred 36584
dollars or less. 36585

(2) A pre-computed base finance charge not in excess of 36586
the amount obtained by applying the rate of one and one-half per 36587
cent per month to the unpaid portion of the unpaid principal 36588
balance determined to be outstanding from time to time according 36589
to the terms and schedule of payments of the retail installment 36590
contract executed in connection with such retail installment 36591
sale. 36592

Such base finance charge and service charges may be 36593
computed on a basis of a full month for any fractional period in 36594

excess of ten days, there shall be no base finance charge or 36596
service charge. 36597

Sections 1317.01 to 1317.11 of the Revised Code do not 36598
apply to any sale in which the base finance and service charge 36599
does not exceed the sum of fifteen dollars. 36600

not to exceed one and one-half per cent interest per month is 36612
not a delinquent charge and is expressly authorized. 36613

~~(C)~~ (C) (1) No retail installment contract arising out of a 36614
consumer transaction and requiring the payment of the charges 36615
authorized by this section shall be executed unless the combined 36616

surface location of a well on behalf of the division. Such 37052
cooperative agreements do not confer on other state agencies any 37053
authority to administer or enforce this chapter and rules 37054
adopted under it. In addition, such cooperative agreements shall 37055
not be construed to dilute or diminish the division's sole and 37056

under those sections shall not be exercised in a manner that 37061

gas activities and operations regulated under this chapter. 37063

The chief shall not hold any other public office, nor 37064
shall the chief be engaged in any occupation or business that 37065

violations prosecuted by prosecuting attorneys that do not 37078
involve the transportation of brine by vehicle shall be 37079
deposited into the state treasury to the credit of the oil and 37080
gas well fund, which is hereby created. Fines imposed under 37081
divisions (C) and (D) of section 1509.99 of the Revised Code for 37082
violations prosecuted by prosecuting attorneys that involve the 37083
transportation of brine by vehicle and penalties associated with 37084
a compliance agreement entered into pursuant to this chapter 37085
shall be paid to the county treasury of the county where the 37086
violation occurred. 37087

The fund shall be used solely and exclusively for the 37088
purposes enumerated in division (B) of section 1509.071 of the 37089
Revised Code, payments to the oil and gas resolution and 37090

this state. The expenses of the division in excess of the moneys 37097
available in the fund shall be paid from general revenue fund 37098
appropriations to the department. 37099

(1) (b) or (A) (2) of this section, an owner of any well, except 37101
an exempt Mississippian well or an exempt domestic well, shall 37102
obtain liability insurance coverage from a company authorized or 37103
approved to do business in this state in an amount of not less 37104
than one million dollars bodily injury coverage and property 37105

located within an urbanized area, the owner shall obtain 37109
liability insurance coverage in an amount of not less than three 37110
million dollars for bodily injury coverage and property damage 37111
coverage to pay damages for injury to persons or damage to 37112
property caused by the drilling, operation, or plugging of all 37113
of the owner's wells in this state. 37114

(b) A board of county commissioners of a county that is an 37115
owner of a well or a board of township trustees of a township 37116
that is an owner of a well may elect to satisfy the liability 37117
coverage requirements specified in division (A) (1) (a) of this 37118
section by participating in a joint self-insurance pool in 37119
accordance with the requirements established under section 37120
2744.081 of the Revised Code. Nothing in division (A) (1) (b) of 37121
this section shall be construed to allow an entity, other than a 37122
county or township, to participate in a joint self-insurance 37123
pool to satisfy the liability coverage requirements specified in 37124
division (A) (1) (a) of this section. 37125

(2) An owner of a horizontal well shall obtain liability 37126
insurance coverage from an insurer authorized to write such 37127
insurance in this state or from an insurer approved to write 37128
such insurance in this state under section 3905.33 of the 37129
Revised Code in an amount of not less than five million dollars 37130

the production operations of all the owner's wells in this 37133
state. The insurance policy shall include a reasonable level of 37134
coverage available for an environmental endorsement. 37135

(3) An owner shall maintain the coverage required under 37136
division (A)(1) or (2) of this section until all the owner's 37137
wells are plugged and abandoned or are transferred to an owner 37138
who has obtained insurance as required under this section and 37139
who is not under a notice of material and substantial violation 37140
or under a suspension order. The owner shall provide proof of 37141
liability insurance coverage to the chief of the division of oil 37142
and gas resources management upon request. Upon failure of the 37143
owner to provide that proof when requested, the chief may order 37144
the suspension of any outstanding permits and operations of the 37145
owner until the owner provides proof of the required insurance 37146
coverage. 37147

(B)(1) Except as otherwise provided in this section, an 37148
owner of any well, before being issued a permit under section 37149
1509.06 of the Revised Code or before operating or producing 37150
from a well, shall execute and file with the division of oil and 37151
gas resources management a surety bond conditioned on compliance 37152
with the restoration requirements of section 1509.072, the 37153

of section 1509.13 of the Revised Code, and all rules and orders 37155
of the chief relating thereto, in an amount set by rule of the 37156

chief. 37157

(2) The owner may deposit with the chief, instead of a 37158
surety bond, cash in an amount equal to the surety bond as 37159

prescribed pursuant to this section. Cash or certificates of 37164
deposit shall be deposited upon the same terms as those upon 37165
which surety bonds may be deposited. If the owner deposits cash, 37166
the cash shall be credited to the performance cash bond refunds 37167
fund created in section 1501.16 of the Revised Code. If the 37168
owner deposits certificates of deposit, the chief shall require 37169
the bank that issued any such certificate to pledge securities 37170
of a cash value equal to the amount of the certificate that is 37171

Upon a deposit of cash, certificates of deposit, or 37175
letters of credit with the chief, the chief shall hold them in 37176
trust for the purposes for which they have been deposited. 37177

(3) Instead of a surety bond, the chief may accept proof 37178
of financial responsibility consisting of a sworn financial 37179
statement showing a net financial worth within this state equal 37180
to twice the amount of the bond for which it substitutes and, as 37181
may be required by the chief, a list of producing properties of 37182
the owner within this state or other evidence showing ability 37183
and intent to comply with the law and rules concerning 37184
restoration and plugging that may be required by rule of the 37185
chief. The owner of an exempt Mississippian well is not required 37186

to file scheduled updates of the financial documents, but shall 37187
file updates of those documents if requested to do so by the 37188
chief. The owner of a nonexempt Mississippian well shall file 37189
updates of the financial documents in accordance with a schedule 37190
established by rule of the chief. The chief, upon determining 37191
that an owner for whom the chief has accepted proof of financial 37192
responsibility instead of bond cannot demonstrate financial 37193
responsibility, shall order that the owner execute and file a 37194
bond or deposit cash, certificates of deposit, or irrevocable 37195
letters of credit as required by this section for the wells 37196
specified in the order within ten days of receipt of the order. 37197
If the order is not complied with, all wells of the owner that 37198
are specified in the order and for which no bond is filed or 37199
cash, certificates of deposit, or letters of credit are 37200
deposited shall be plugged. No owner shall fail or refuse to 37201
plug such a well. Each day on which such a well remains 37202
unplugged thereafter constitutes a separate offense. 37203

(4) The surety bond provided for in this section shall be 37204
executed by a surety company authorized to do business in this 37205
state. 37206

The chief shall not approve any bond until it is 37207
personally signed and acknowledged by both principal and surety, 37208
or as to either by the principal's or surety's attorney in fact, 37209
with a certified copy of the power of attorney attached thereto. 37210
The chief shall not approve a bond unless there is attached a 37211
certificate of the superintendent of insurance that the company 37212
is authorized to transact a fidelity and surety business in this 37213
state. 37214

All bonds shall be given in a form to be prescribed by the 37215
chief and shall run to the state as obligee. 37216

(5) An owner of an exempt Mississippian well or an exempt domestic well, in lieu of filing a surety bond, cash in an amount equal to the surety bond, certificates of deposit, irrevocable letters of credit, or a sworn financial statement, may file a one-time fee of fifty dollars, which shall be deposited in the oil and gas ~~well plugging~~ resolution and remediation fund created in section ~~1509.071~~ 1509.075 of the Revised Code.

(C) An owner, operator, producer, or other person shall not operate a well or produce from a well at any time if the owner, operator, producer, or other person has not satisfied the requirements established in this section.

The chief thereupon shall certify the total forfeiture to the attorney general, who shall proceed to collect the amount of the forfeiture. In addition, the chief may require an owner, operator, producer, or other person who forfeited a surety bond to post a new surety bond in the amount of fifteen thousand dollars for a single well, thirty thousand dollars for two wells, or fifty thousand dollars for three or more wells.

In lieu of total forfeiture, the surety or owner, at the

surety's or owner's option, may cause the well to be properly plugged and abandoned and the area properly restored or pay to the treasurer of state the cost of plugging and abandonment.

(B) (1) All moneys collected because of forfeitures of bonds as provided in this section shall be deposited in the state treasury to the credit of the oil and gas well fund created in section 1509.02 of the Revised Code.

For purposes of promoting the competent management and conservation of the state's oil and natural gas resources and the proper and lawful plugging of historic oil and gas wells for which there is no known responsible owner, the chief annually shall spend not less than thirty per cent of the revenue credited to the oil and gas well fund during the previous fiscal year for both of the following purposes:

(a) In accordance with division (E) of this section, to plug orphaned wells or to restore the land surface properly as required in section 1509.072 of the Revised Code;

access a well. 37277

~~The director of budget and management, in consultation 37278~~
~~with the chief, shall establish an accounting code for purposes 37279~~
~~of tracking expenditures made as required under this division. 37280~~

(C) (1) If a landowner discovers a well on the landowner's 37281
real property and the landowner is not the owner of the well, 37282
the landowner may report the existence of the well in writing to 37283
the chief. 37284

(2) If the chief receives a written report from a 37285
landowner of the discovery of a well previously unknown to the 37286
division, the chief shall inspect the well not later than thirty 37287
days after the date of receipt of the landowner's report. 37288

(3) The chief shall establish a scoring matrix for use in 37289
determining the priority of plugging wells or restoring land 37290
surfaces at orphaned well sites for purposes of this section. 37291
The matrix shall include a classification system that 37292
categorizes orphaned wells as high priority, medium priority, 37293
and low priority. 37294

(4) The chief shall use the matrix developed under 37295
division (C) (3) of this section to prioritize plugging and land 37296
restoration projects under this section. The chief may add 37297
additional orphaned wells to a project regardless of 37298
classification. 37299

the land on which the well is located, the identity of each 37305
person owning a right or interest in the oil or gas mineral 37306
interests, and the identities of the persons having a lien upon 37307
any of the equipment appurtenant to the well. For purposes of 37308
division (D)(1)(a) of this section, the chief is not required to 37309
review records in the office of the county recorder that are 37310
older than forty years from the date on which the chief made the 37311
determination that the well is an orphaned well. 37312

(b) Mail notice to each person identified in division (D) 37313
(1)(a) of this section; 37314

(c) Include in the notice to each person having a lien 37315
upon any equipment appurtenant to the well, a statement 37316
informing the person that the well is to be plugged and offering 37317
the person the opportunity to remove that equipment from the 37318
well site at the person's own expense in order to avoid 37319
forfeiture of the equipment to this state; 37320

(d) Publish notice in a newspaper of general circulation 37321
in the county where the well is located that the well is to be 37322
plugged or post the notice on the department of natural 37323
resources web site. 37324

(2) If the current address of a person identified in 37325
division (D)(1)(a) of this section cannot be determined, or if a 37326
notice provided by mail to a person under division (D)(1)(b) of 37327
this section is returned undeliverable, the notice published 37328
under division (D)(1)(d) of this section constitutes sufficient 37329
notice to the person. 37330

(3) If none of the persons described in division (D)(1)(a) 37331
of this section removes equipment from the well within thirty 37332
days after the mailing of the notice or publication or posting 37333

of notice described in division (D) (1) (d) of this section, 37334
whichever is later, all equipment appurtenant to the well is 37335
hereby declared to be forfeited to this state without 37336
compensation and without the necessity for any action by the 37337
state for use to defray the cost of plugging the well and 37338
restoring the land surface at the well site. 37339

(E) The chief may expend money from the oil and gas well 37340
fund and the oil and gas resolution and remediation fund for the 37341
purpose of division (B) (1) (a) of this section, and such 37342
expenditures shall be made in accordance with either of the 37343
following: 37344

(1) The chief may make expenditures pursuant to contracts 37345
entered into by either the chief or another agency of the state 37346
with persons who agree to furnish the materials, equipment, 37347
work, and labor as specified and provided in such a contract for 37348
activities associated with the restoration or plugging of an 37349
orphaned well as determined by the chief. If another agency of 37350
the state enters into the contract, the chief shall prepare the 37351
scope of work for the restoration or plugging of the well. The 37352
activities may include excavation to uncover a well, methods to 37353
locate a well, analyzing the well, stabilizing or other work 37354
conducted prior to plugging the well, drilling out or cleanout 37355
of wellbores to remove material from a well, plugging 37356
operations, installation of vault and vent systems, including 37357
associated engineering certifications and permits, removal of 37358
associated equipment, restoration of property, replugging of 37359
previously plugged orphaned wells or wells for which final 37360
restoration was completed under section 1509.072 of the Revised 37361
Code and rules adopted under it, and repair of damage to 37362
property that is caused by such activities. The chief may make 37363
expenditures for salaries, maintenance, equipment, or other 37364

administrative purposes, for costs directly attributed to 37365
locating, analyzing, stabilizing, designing, plugging, 37366
remediating, or restoring an orphaned well, and for determining 37367
if a well is an orphaned well. 37368

Agents or employees of persons contracting with the chief 37369
to locate, analyze, stabilize, design, plug, remediate, or 37370
restore a well may enter upon any land, public or private, on 37371
which the well is located, or on adjacent parcels needed for 37372
access, for the purpose of performing the work. Prior to such 37373
entry, the chief shall give to the following persons written 37374
notice of the existence of a contract to locate, analyze, 37375
stabilize, design, plug, remediate, or restore a well, the names 37376
of the persons with whom the contract is made, and the date that 37377
the project will commence: the owner of the well, the owner of 37378
the land upon which the well is located, the owner of the land 37379
of an adjacent parcel that will be entered upon, and, if the 37380
well is located in the same township as or in a township 37381
adjacent to the excavations and workings of a mine and the owner 37382
or lessee of that mine has provided written notice identifying 37383
those townships to the chief at any time during the immediately 37384
preceding three years, the owner or lessee of the mine. The 37385
chief may include in the notice to the owner or lessee of the 37386
mine additional information, such as authorization to plug an 37387
orphaned well under section 1509.151 of the Revised Code. 37388

(2) (a) The owner of the land on which at least one 37389
orphaned well is located who has received notice under division 37390
(D) (1) (b) of this section may plug any such orphaned well and be 37391
reimbursed by the division of oil and gas resources management 37392
for the reasonable cost of plugging such wells. In order to plug 37393
the orphaned wells, the landowner shall submit an application to 37394
the chief on a form prescribed by the chief and approved by the 37395

technical advisory council on oil and gas created in section 37396
1509.38 of the Revised Code. The application, at a minimum, 37397
shall require the landowner to provide the same information as 37398
is required to be included in the application for a permit to 37399
plug and abandon under section 1509.13 of the Revised Code. 37400

The application shall be accompanied by a copy of a 37401
proposed contract to plug and abandon the orphaned wells 37402
prepared by a contractor regularly engaged in the business of 37403
plugging oil and gas wells. The proposed contract shall require 37404
the contractor to furnish all of the materials, equipment, work, 37405
and labor necessary to plug the orphaned wells properly and 37406
restore the site including the removal of all associated 37407
equipment and shall specify the price for doing the work. The 37408
contractor shall be insured. 37409

Expenditures made under division (E) (2) (a) of this section 37410
shall be consistent with the expenditures for activities 37411
described in division (E) (1) of this section. In addition, 37412
expenditures made under division (E) (2) of this section are not 37413
subject to section 127.16 of the Revised Code. The application 37414
constitutes an application for a permit to plug the well for the 37415
purposes of section 1509.13 of the Revised Code ~~and the~~ 37416
~~applicant is not required to submit the fee otherwise required~~ 37417
~~under that section.~~ 37418

(b) Within thirty days after receiving an application and 37419
accompanying proposed contract under division (E) (2) (a) of this 37420
section, the chief shall determine whether the plugging would 37421
comply with the applicable requirements of this chapter and 37422
applicable rules adopted and orders issued under it and whether 37423
the cost of the plugging under the proposed contract is 37424
reasonable. If the chief determines that the proposed plugging 37425

would comply with those requirements and that the proposed cost 37426
of the plugging is reasonable, the chief shall notify the 37427
landowner of that determination and issue to the landowner a 37428
permit to plug the well under section 1509.13 of the Revised 37429
Code. The chief may disapprove an application submitted under 37430
division (E)(2)(a) of this section if the chief determines that 37431
the proposed plugging would not comply with the applicable 37432
requirements of this chapter and applicable rules adopted and 37433
orders issued under it, that the cost of the plugging under the 37434
proposed contract is unreasonable, or that the proposed contract 37435
is not a bona fide, arm's length contract. 37436

(c) After receiving the chief's notice of the approval of 37437
the application and permit to plug and abandon a well under 37438
division (E)(2)(b) of this section, the landowner may enter into 37439
the proposed contract to plug the well. 37440

(d) Upon determining that the plugging has been completed 37441
in compliance with the applicable requirements of this chapter 37442
and applicable rules adopted and orders issued under it, the 37443
chief shall pay the contractor for the cost of the plugging and 37444
restoration as set forth in the proposed contract approved by 37445
the chief and changes or costs approved by the chief. The 37446
payment shall be paid from the oil and gas well fund or the oil 37447
and gas resolution and remediation fund. The chief shall only 37448
make payments for purposes of division (E)(2) of this section 37449
pursuant to a proper invoice as defined under section 125.01 of 37450
the Revised Code. 37451

(e) If the chief determines that the plugging was not 37452
completed in accordance with the applicable requirements, the 37453
chief shall not pay the contractor or landowner for the cost of 37454
the plugging. 37455

(f) If any equipment was removed from the well during the 37456
plugging and sold, the chief shall deduct the sale amount of the 37457
equipment from the payment to the contractor. 37458

(g) Changes made to a contract executed under division (E) 37459
(2) of this section due to unanticipated conditions may be 37460
presented to the chief in the form of a written request for 37461
approval of the additional costs prior to completion of the 37462
work. The chief shall determine if the changes are necessary to 37463
comply with this chapter and rules adopted and orders issued 37464
under it and if the cost of the changes are reasonable. The 37465
chief shall provide to the contractor a written decision 37466
regarding the proposed changes. If the chief determines that the 37467
changes are not necessary or that the costs are not reasonable, 37468
the chief may either deny the request or establish the amount of 37469
the cost that the chief approves. Work completed prior to 37470
receipt of written approval from the chief is not eligible for 37471
payment, unless waived by the chief. 37472

(3) The chief may establish an annual limit on the number 37473
of wells that may be plugged under division (E) (2) of this 37474
section or an annual limit on the expenditures to be made under 37475
that division. The chief may reject an application submitted 37476
under division (E) (2) of this section if the chief determines 37477
that the plugging of other wells take priority. 37478

(4) As used in division (E) (2) of this section, "plug" and 37479
"plugging" include the plugging of the well, replugging of a 37480
previously plugged orphaned well or a well for which final 37481
restoration was completed under section 1509.072 of the Revised 37482
Code and rules adopted under it, drilling out or cleanout of a 37483
well bore to remove material from a well, installation of 37484
casings, installation of a vault and vent, restoration, and the 37485

restoration of the land surface disturbed by the plugging. 37486

(F) (1) Expenditures from the oil and gas well fund or the 37487
oil and gas resolution and remediation fund for the purpose of 37488
division (B) (1) (b) of this section may be made pursuant to 37489
contracts entered into by either the chief or another agency of 37490
the state with persons who agree to furnish the materials, 37491
equipment, work, and labor as specified and provided in such a 37492
contract. The competitive bidding requirements of Chapter 153. 37493
of the Revised Code do not apply if the chief reasonably 37494
determines that a situation exists requiring immediate action 37495
for the correction of the applicable health or safety risk. A 37496
contract or purchase of materials for purposes of addressing the 37497
emergency situation is not subject to division (B) of section 37498
127.16 of the Revised Code. The chief, designated 37499
representatives of the chief, and agents or employees of persons 37500
contracting with the chief to locate, analyze, stabilize, 37501
design, plug, remediate, or restore a well under this division 37502
may enter upon any land, public or private, on which the well is 37503
located, or on parcels needed for access, for the purpose of 37504
performing the work. 37505

(2) The chief shall issue an order that requires the owner 37506
of a well to pay the actual documented costs of a corrective 37507
action that is described in division (B) (1) (b) of this section 37508
concerning the well. The chief shall transmit the money so 37509
recovered to the treasurer of state who shall deposit the money 37510
in the ~~state treasury to the credit of the oil and gas well~~ 37511
resolution and remediation fund. 37512

(G) Contracts entered into by either the chief or another 37513
agency of the state under this section are not subject to any of 37514
the following: 37515

(1) Chapter 4115. of the Revised Code;	37516
(2) Chapter 153. of the Revised Code;	37517
(3) Section 4733.17 of the Revised Code.	37518
(H) The owner of land on which a well is located who has received notice under division (D) (1) (b) of this section, in lieu of plugging the well in accordance with division (E) (2) of this section, may cause ownership of the well to be transferred in accordance with section 1509.31 of the Revised Code.	37519 37520 37521 37522 37523
If a well is transferred, the owner to whom it is transferred shall comply with this chapter and rules adopted under it and shall take title to and possession of the equipment appurtenant to the well that has been identified by the chief as having been abandoned by the former owner of the well.	37524 37525 37526 37527 37528
(I) The chief may engage in cooperative projects under this section with any agency of this state, another state, or the United States; any other governmental agencies; any state university or college as defined in section 3345.27 of the Revised Code; or a nonprofit corporation that is exempt from federal income taxation under section 501(c) (3) of the "Internal Revenue Code of 1986," 26 U.S.C. 1, as amended. A contract entered into for purposes of a cooperative project is not subject to division (B) of section 127.16 of the Revised Code.	37529 37530 37531 37532 37533 37534 37535 37536 37537
(J) (1) On or before the close of each calendar quarter, the chief shall submit a written report to the technical advisory council established under section 1509.38 of the Revised Code describing the efforts of the division of oil and gas resources management to plug orphaned wells during the immediately preceding calendar quarter. this section and the estimated average and indirect costs of	37552
plugging activities conducted under this section prior to the	37553
date of the report;	37554
(e) The number of wells approved for plugging in	37555
accordance with this section and the estimated average and	37556

(2) Not later than the thirty-first day of March of each	37559
year, the chief and the technical advisory council shall jointly	37560
provide a report containing, at a minimum, the information	37561

for energy and natural resources issues.	37570
<u>Sec. 1509.075.</u> (A) The oil and gas resolution and	37571

remediation fund is created in the state treasury. The fund 37572
shall consist of moneys transferred to it from the oil and gas 37573
well fund and any money deposited into it under sections 1509.07 37574
and 1509.071 of the Revised Code. Notwithstanding any provision 37575
of law to the contrary, at the beginning of each fiscal year, 37576
the treasurer of state shall transfer to the oil and gas 37577
resolution and remediation fund the amount of money in the oil 37578
and gas well fund that is in excess of the total amount 37579
appropriated to the oil and gas well fund for that fiscal year. 37580

(B) (1) Money in the oil and gas resolution and remediation 37581
fund shall be used by the chief of the division of oil and gas 37582
resources management for the plugging of orphaned wells under 37583
this chapter. 37584

(2) The chief may use money in the fund for expenses that 37585
are critical and necessary for the protection of human health 37586
and safety and the environment related to oil and gas production 37587
in this state. 37588

(3) The treasurer of state shall disburse moneys from the 37589
fund quarterly on order of the chief. 37590

(C) The treasurer of state may invest any portion of the 37591

The director may order the treasurer of state to disburse 37598
interest from the fund for any purpose of the department of 37599
natural resources, subject to the approval of the technical 37600

advisory council on oil and gas, as provided in section 1509.38 37601
of the Revised Code. The director shall provide the treasurer of 37602
state with written notice of the council's approval before the 37603
treasurer of state may disburse money from the fund. 37604

(E) Notwithstanding any other provision of law to the 37605
contrary, no money shall be transferred out of the fund by the 37606
director of budget and management or the controlling board to 37607
any other fund, including the general revenue fund. The fund 37608
shall not be used for any purpose not specified in law. 37609

Sec. 1509.13. (A) (1) Except as otherwise provided in 37610
division (A) (2) of this section and division (E) (1) of section 37611
1509.071 of the Revised Code, no person shall plug and abandon a 37612
well without having a permit to do so issued by the chief of the 37613
division of oil and gas resources management. The permit shall 37614
be issued by the chief in accordance with this chapter and shall 37615
be valid for a period of twenty-four months from the date of 37616
issue. 37617

(2) The holder of a valid permit issued under section 37618
1509.06 of the Revised Code may receive approval from an oil and 37619
gas resources inspector to plug and abandon the well associated 37620
with that permit, without obtaining the permit required under 37621
division (A) of this section, if either of the following apply: 37622

(a) The well was drilled to total depth and the well 37623
cannot or will not be completed. 37624

(b) The well is a lost hole or dry hole. 37625

(3) A permit holder plugging a well pursuant to division 37626
(A) (2) (a) of this section shall plug the well within thirty days 37627
of receipt of approval from the oil and gas resources inspector. 37628

(4) A permit holder plugging a well pursuant to division 37629

(A) (2) (b) of this section shall plug the well immediately after 37630
determining that the well is a lost hole or dry hole in 37631
accordance with rules adopted under this chapter. 37632

(B) The application for a permit to plug and abandon shall 37633
be filed as many days in advance as will be necessary for an oil 37634
and gas resources inspector or, if the well is located in a coal 37635
bearing township, both a deputy mine inspector and an oil and 37636
gas resources inspector to be present at the plugging. The 37637
application shall be filed with the chief upon a form that the 37638
chief prescribes and shall contain the following information: 37639

(1) The name and address of the applicant; 37640

(2) The signature of the applicant or the applicant's 37641
authorized agent. When an authorized agent signs an application, 37642
it shall be accompanied by a certified copy of the appointment 37643
as that agent. 37644

(3) The location of the well identified by section or lot 37645
number, city, village, township, and county; 37646

(4) Designation of well by name and number; 37647

(5) The total depth of the well to be plugged; 37648

(6) The date and amount of last production from the well; 37649

(7) Other information that the chief may require. 37650

(C) ~~Except as otherwise provided in division (E) (2) (a) of~~ 37651
~~section 1509.071 of the Revised Code, the application shall be~~ 37652
~~accompanied by a nonrefundable fee of two hundred fifty dollars.~~ 37653
Unless waived by an oil and gas resources inspector, the owner 37654
of a well or the owner's authorized representative shall notify 37655
an oil and gas resources inspector at least twenty-four hours 37656
prior to the commencement of the plugging of a well. No well 37657

shall be plugged and abandoned without an oil and gas resources 37658
inspector present unless permission has been granted by the 37659
chief. The owner of a well that has produced oil or gas shall 37660
give written notice at the same time to the owner of the land 37661
upon which the well is located and to all lessors that receive 37662
gas from the well pursuant to an agreement. If the well 37663
penetrates or passes within one hundred feet of the excavations 37664
and workings of a mine, the owner of the well shall give written 37665
notice to the owner or lessee of that mine of the intention to 37666
abandon the well and of the time when the owner of the well will 37667
be prepared to commence plugging it. 37668

(D) An applicant may file a request with the chief for 37669
expedited review of an application for a permit to plug and 37670
abandon a well. The chief may refuse to accept a request for 37671
expedited review if, in the chief's judgment, acceptance of the 37672
request will prevent the issuance, within twenty-one days of 37673
filing, of permits for which applications filed under section 37674
1509.06 of the Revised Code are pending. In addition to a 37675
complete application for a permit that meets the requirements of 37676
this section ~~and the permit fee prescribed by this section, if~~ 37677
~~applicable~~, a request for expedited review shall be accompanied 37678
by a nonrefundable filing fee of five hundred dollars unless the 37679
chief has ordered the applicant to plug and abandon the well. 37680
When a request for expedited review is filed, the chief shall 37681
immediately begin to process the application and shall issue a 37682
permit within seven days of the filing of the request unless the 37683
chief, by order, denies the application. 37684

(E) (1) Except as otherwise provided in division (E) (2) of 37685
this section, any person undertaking the plugging of a well for 37686
which a permit has been issued under this section shall obtain 37687
insurance for bodily injury coverage and property damage 37688

coverage in the amount established under section 1509.07 of the Revised Code to pay for damages or injury to property or person, including damages caused by the plugging of the well. The person shall electronically submit proof of insurance to the chief upon the chief's request.

(2) Division (E)(1) of this section does not apply to a person already required to maintain an insurance policy under section 1509.07 of the Revised Code.

(F) This section does not apply to a well plugged or abandoned in compliance with section 1571.05 of the Revised Code.

Sec. 1509.36. Any person adversely affected by an order by the chief of the division of oil and gas resources management may appeal to the oil and gas commission for an order vacating or modifying the order.

The person so appealing to the commission shall be known as appellant and the chief shall be known as appellee. Appellant and appellee shall be deemed to be parties to the appeal.

The appeal shall be in writing and shall set forth the order complained of and the grounds upon which the appeal is based. The appeal shall be filed with the commission within thirty days after the date upon which the person to whom the order was issued received the order and, for all other persons adversely affected by the order, within thirty days after the date of the order complained of. Notice of the filing of the appeal shall be filed with the chief within three days after the appeal is filed with the commission.

Upon the filing of the appeal, the commission may decide the appeal, in whole or in part, without a hearing when, in its

judgment, it is appropriate to do so. If the commission decides 37718
to hold a hearing, the commission promptly shall fix the time 37719
and place at which the hearing on the appeal will be held, and 37720
shall give the appellant and the chief at least ten days' 37721
written notice thereof by mail. The commission may postpone or 37722
continue any hearing upon its own motion or upon application of 37723
the appellant or of the chief. 37724

The filing of an appeal provided for in this section does 37725
not automatically suspend or stay execution of the order 37726
appealed from, but upon application by the appellant the 37727
commission may suspend or stay the execution pending 37728
determination of the appeal upon such terms as the commission 37729
considers proper. 37730

Either party to the appeal or any interested person who, 37731
pursuant to commission rules has been granted permission to 37732
appear, may submit such evidence as the commission considers 37733
admissible. 37734

For the purpose of conducting a hearing on an appeal, the 37735

of taxes as provided in such resolution shall be submitted to 38922
the electors of the district at a special election to be held on 38923
whichever of the following occurs first: 38924

(1) The day of the next general election; 38925

(2) The first Tuesday after the first Monday in May in any 38926
calendar year, except that if a presidential primary election is 38927
held in that calendar year, then the day of that election. 38928

A resolution to renew, renew and increase, or renew and 38929
decrease any existing levy shall not be placed on the ballot 38930
unless the question is submitted at the general election held 38931
during the last year the tax to be renewed may be extended on 38932
the tax list, or at any election described in division (A)(1) or 38933
(2) of this section in the ensuing year. Such a resolution may 38934
specify that the renewal, increase, or decrease of the existing 38935
levy shall be extended on the tax list for the tax year 38936
specified in the resolution, which may be the last year the 38937
existing levy may be extended on the list for the ensuing year. 38938
If the renewal, increase, or decrease is to be extended on the 38939
tax list for the last tax year the existing levy would otherwise 38940
be extended, the existing levy shall not be extended on the tax 38941
list for that last year unless the question of the renewal, 38942
increase, or decrease is not approved by a majority of electors 38943
voting on the question, in which case the existing levy shall be 38944

extended on the tax list for that last year. 38945

Except as otherwise prescribed in division (B) of this 38946
section, the ballot shall set forth the purpose for which the 38947
taxes shall be levied, the levy's estimated annual collections, 38948
the annual rate of levy, expressed in mills for each dollar of 38949
taxable value and in dollars for each one hundred thousand 38950
dollars of the county auditor's ~~appraised~~ market value, and the 38951
number of years of such levy. If the tax is to be placed on the 38952
current tax list, the form of the ballot shall state that the 38953
tax will be levied in the current tax year and shall indicate 38954
the first calendar year the tax will be due. 38955

~~(B)(1)~~ (B) If the resolution of the board of park 38956
commissioners provides that an existing levy will be renewed, 38957
increased, or decreased upon the passage of the ballot question, 38958
the form of the ballot shall be the same as prescribed for such 38959
levies in divisions (B) and (C) of section 5705.25 of the 38960
Revised Code. 38961

~~(2) If the resolution of the board of park commissioners~~ 38962
~~provides that an existing levy will be canceled upon the passage~~ 38963
~~of the new levy, the board shall request that the county~~ 38964
~~auditor, in addition to the information the auditor is required~~ 38965
~~to certify under section 5705.03 of the Revised Code, certify~~ 38966
~~the effective rate of the existing levy. In such an instance,~~ 38967
~~the ballot must include a statement that: "an existing levy of~~ 38968
~~_____ mills (stating the original levy millage) for each \$1 of~~ 38969
~~taxable value, which amounts to \$_____ (effective rate) for each~~ 38970
~~\$100,000 of the county auditor's appraised value, having _____~~ 38971
~~years remaining, will be canceled and replaced upon the passage~~ 38972
~~of this levy." In such case, the ballot may refer to the new~~ 38973
~~levy as a "replacement levy" if the new millage does not exceed~~ 38974

~~the original millage of the levy being canceled or as a~~ 38975
~~"replacement and additional levy" if the new millage exceeds the~~ 38976
~~original millage of the levy being canceled.~~ 38977

(C) If a majority of the electors voting upon the question 38978
of such levy vote in favor thereof, such taxes shall be levied 38979
and shall be in addition to the taxes authorized by section 38980
1545.20 of the Revised Code, and all other taxes authorized by 38981
law. The rate submitted to the electors at any one time shall 38982
not exceed two mills annually upon each dollar of taxable value 38983
unless the purpose of the levy includes providing operating 38984
revenues for one of Ohio's major metropolitan zoos, as defined 38985
in section 4503.74 of the Revised Code, in which case the rate 38986
shall not exceed three mills annually upon each dollar of 38987
taxable value. When a tax levy has been authorized as provided 38988
in this section or in section 1545.041 of the Revised Code, the 38989
board of park commissioners may issue bonds pursuant to section 38990
133.24 of the Revised Code in anticipation of the collection of 38991
such levy, provided that such bonds shall be issued only for the 38992
purpose of acquiring and improving lands. Such levy, when 38993
collected, shall be applied in payment of the bonds so issued 38994
and the interest thereon. The amount of bonds so issued and 38995
outstanding at any time shall not exceed one per cent of the 38996
total taxable value in such district. Such bonds shall bear 38997
interest at a rate not to exceed the rate determined as provided 38998
in section 9.95 of the Revised Code. 38999

(D) As used in this section, "the county auditor's 39000
~~appraised market value~~" and "effective rate" have the same 39001
meanings as in section 5705.01 of the Revised Code. 39002

corrected certificate to the owner without charge. 39288

(N) No authorized agent shall issue and no person shall 39289
receive or accept from an authorized agent a registration 39290

active duty with one of the branches of the armed forces of the 39334
United States, or was a prisoner of war and was honorably 39335
discharged or received an equivalent discharge or release from 39336
one of the armed forces of a country listed in division (P) (2) 39337
of this section. 39338

(R) Annually by the fifteenth day of January, the director 39339
of natural resources shall determine the amount of fees that 39340
would have been collected in the prior calendar year for each 39341
certificate of registration issued or renewed pursuant to 39342
division (Q) of this section and shall certify the total amount 39343
of foregone revenue to the director of budget and management for 39344
reimbursement. The director of budget and management shall 39345
transfer the amount certified from the general revenue fund to 39346
the waterways safety fund. 39347

Sec. 1548.06. (A) (1) Application for a certificate of 39348
title for a watercraft or outboard motor shall be made upon a 39349
form prescribed by the chief of the division of parks and 39350
watercraft and shall be sworn to before a notary public or other 39351
officer empowered to administer oaths. The application shall be 39352
filed with the clerk of any court of common pleas. An 39353
application for a certificate of title may be filed 39354
electronically by any electronic means approved by the chief in 39355
any county with the clerk of the court of common pleas of that 39356
county. The application shall be accompanied by the fee 39357

prescribed in section 1548.10 of the Revised Code. The fee shall 39358
be retained by the clerk who issues the certificate of title and 39359
shall be distributed in accordance with that section. If a clerk 39360
of a court of common pleas, other than the clerk of the court of 39361
common pleas of an applicant's county of residence, issues a 39362
certificate of title to the applicant, the clerk shall transmit 39363
data related to the transaction to the automated title 39364
processing system. 39365

(2) If a certificate of title previously has been issued 39366
for the watercraft or outboard motor, the application for a 39367
certificate of title also shall be accompanied by the 39368
certificate of title duly assigned unless otherwise provided in 39369
this chapter. If a certificate of title previously has not been 39370
issued for the watercraft or outboard motor in this state, the 39371
application, unless otherwise provided in this chapter, shall be 39372
accompanied by a manufacturer's or importer's certificate; by a 39373
sworn statement of ownership if the watercraft or outboard motor 39374
was purchased by the applicant on or before October 9, 1963, or 39375
if the watercraft is less than fourteen feet long with a 39376
permanently affixed mechanical means of propulsion and was 39377
purchased by the applicant on or before January 1, 2000; or by a 39378
certificate of title, bill of sale, or other evidence of 39379
ownership required by the law of another state from which the 39380
watercraft or outboard motor was brought into this state. 39381
Evidence of ownership of a watercraft or outboard motor for 39382
which an Ohio certificate of title previously has not been 39383
issued and which watercraft or outboard motor does not have 39384
permanently affixed to it a manufacturer's serial number shall 39385
be accompanied by the certificate of assignment of a hull 39386
identification number assigned by the chief as provided in 39387
section 1548.07 of the Revised Code. 39388

(3) The clerk shall retain the evidence of title presented 39389
by the applicant and on which the certificate of title is 39390
issued, except that, if an application for a certificate of 39391
title is filed electronically, by a vendor on behalf of a 39392
purchaser of a watercraft or outboard motor, the clerk shall 39393
retain the completed electronic record to which the vendor 39394
converted the certificate of title application and other 39395
required documents. The chief, after consultation with the 39396
attorney general, shall adopt rules that govern the location at 39397
which, and the manner in which, are stored the actual 39398
application and all other documents relating to the sale of a 39399
watercraft or outboard motor when a vendor files the application 39400
for a certificate of title electronically on behalf of a 39401
purchaser. 39402

(B) The clerk shall use reasonable diligence in 39403
ascertaining whether the facts in the application are true by 39404
checking the application and documents accompanying it or the 39405
electronic record to which a vendor converted the application 39406
and accompanying documents with the records of watercraft and 39407
outboard motors in the clerk's office. If the clerk is satisfied 39408
that the applicant is the owner of the watercraft or outboard 39409
motor and that the application is in the proper form, the clerk 39410
shall issue a physical certificate of title over the clerk's 39411
signature and sealed with the clerk's seal unless the applicant 39412
specifically requests the clerk not to issue a physical 39413
certificate of title and instead to issue an electronic 39414
certificate of title. However, if the evidence indicates and an 39415
investigation shows that one or more Ohio titles already exist 39416
for the watercraft or outboard motor, the chief may cause the 39417
redundant title or titles to be canceled. 39418

(C) In the case of the sale of a watercraft or outboard 39419

motor by a vendor to a general purchaser or user, the 39420
certificate of title shall be obtained in the name of the 39421
purchaser by the vendor upon application signed by the 39422
purchaser. In all other cases, the certificate shall be obtained 39423
by the purchaser. In all cases of transfer of watercraft or 39424
outboard motors, the application for certificate of title shall 39425
be filed within thirty days after the later of the date of 39426
purchase or assignment of ownership of the watercraft or 39427
outboard motor. If the application for certificate of title is 39428
not filed within thirty days after the later of the date of 39429
purchase or assignment of ownership of the watercraft or 39430
outboard motor, the clerk shall charge a late penalty fee of 39431
five dollars in addition to the fee prescribed by section 39432
1548.10 of the Revised Code. The clerk shall retain the entire 39433
amount of each late penalty fee. 39434

(D) The clerk shall refuse to accept an application for 39435
certificate of title unless the applicant either tenders with 39436
the application payment of all taxes levied by or pursuant to 39437
Chapter 5739. or 5741. of the Revised Code based on the 39438
applicant's county of residence less, in the case of a sale by a 39439
vendor, any discount to which the vendor is entitled under 39440
section 5739.12 of the Revised Code, or submits any of the 39441
following: 39442

(1) A receipt issued by the tax commissioner or a clerk of 39443
courts showing payment of the tax; 39444

(2) A copy of the unit certificate of exemption completed 39445
by the purchaser at the time of sale as provided in section 39446
5739.03 of the Revised Code; 39447

(3) An exemption certificate, in a form prescribed by the 39448
tax commissioner, that specifies why the purchase is not subject 39449

to the tax imposed by Chapter 5739. or 5741. of the Revised 39450
Code. 39451

Payment of the tax shall be in accordance with rules 39452
issued by the tax commissioner, and the clerk shall issue a 39453
receipt in the form prescribed by the tax commissioner to any 39454
applicant who tenders payment of the tax with the application 39455
for the certificate of title. 39456

(E) (1) For receiving and disbursing the taxes paid to the 39457
clerk by a resident of the clerk's county, the clerk may retain 39458
a poundage fee of one and one one-hundredth per cent of the 39459
taxes collected, which shall be paid into the certificate of 39460
title administration fund created by section 325.33 of the 39461
Revised Code. The clerk shall not retain a poundage fee from 39462
payments of taxes by persons who do not reside in the clerk's 39463
county. 39464

(2) A clerk, however, may retain from the taxes paid to 39465
the clerk an amount equal to the poundage fees associated with 39466
certificates of title issued by other clerks of courts of common 39467
pleas to applicants who reside in the first clerk's county. The 39468
chief of the division of parks and watercraft, in consultation 39469
with the tax commissioner and the clerks of the courts of common 39470
pleas, shall develop a report from the automated title 39471
processing system that informs each clerk of the amount of the 39472
poundage fees that the clerk is permitted to retain from those 39473
taxes because of certificates of title issued by the clerks of 39474
other counties to applicants who reside in the first clerk's 39475
county. 39476

(F) In the case of casual sales of watercraft or outboard 39477
motors that are subject to the tax imposed by Chapter 5739. or 39478
5741. of the Revised Code, the purchase price for the purpose of 39479

determining the tax shall be the purchase price on an affidavit 39480
executed and filed with the clerk by the vendor on a form to be 39481
prescribed by the chief, which shall be prima-facie evidence of 39482
the price for the determination of the tax. In addition to the 39483
information required by section 1548.08 of the Revised Code, 39484
each certificate of title shall contain in bold lettering the 39485
following notification and statements: "WARNING TO TRANSFEROR 39486
AND TRANSFEREE (SELLER AND BUYER). You are required by law to 39487
state the true selling price. A false statement is a violation 39488
of section 2921.13 of the Revised Code and is punishable by six 39489
months imprisonment or a fine of up to one thousand dollars, or 39490
both. All transfers are audited by the department of taxation. 39491
The seller and buyer must provide any information requested by 39492
the department of taxation. The buyer may be assessed any 39493
additional tax found to be due." 39494

(G) Each county clerk of courts shall forward to the ~~tax-~~ 39495
~~commissioner-registrar~~ of motor vehicles, in a manner prescribed 39496
by the tax commissioner, all sales and use tax collections 39497
resulting from sales of titled watercraft and outboard motors 39498
during a calendar week on or before the Friday following the 39499
close of that week. If, on any Friday, the offices of the clerk 39500
of courts or the state are not open for business, the tax shall 39501
be forwarded to the ~~commissioner-registrar~~ on or before the next 39502
day on which the offices are open. Every remittance of tax under 39503
this division shall be accompanied by a remittance report in 39504
such form as the commissioner, in consultation with the director 39505
of public safety, prescribes. If the tax due for any week is not 39506
remitted by a clerk of courts as required under this division, 39507
the clerk shall forfeit the poundage fees for the sales made 39508
during that week. The commissioner may require the clerks of 39509
courts to transmit tax collections and remittance reports 39510

electronically. 39511

(H) For purposes of a transfer of a certificate of title, 39512
if the clerk is satisfied that a secured party has discharged a 39513
lien but has not canceled the lien notation with a clerk, the 39514
clerk may cancel the lien notation on the automated title 39515
processing system and notify the clerk of the county of origin. 39516

(I) Every clerk shall have the capability to transact by 39517
electronic means all procedures and transactions relating to the 39518
issuance of watercraft or outboard motor certificates of title 39519
that are described in the Revised Code as being accomplished by 39520
electronic means. 39521

(8) Any additional provision permitted by this chapter. 39753

(C) A written appointment of a statutory agent for the 39754
purposes set forth in section 1701.07 of the Revised Code shall 39755
be filed with the articles, unless the corporation belongs to 39756
one of the classes mentioned in division ~~(O)~~(N) of that section. 39757

(D) The legal existence of the corporation begins upon the 39758
filing of the articles or on a later date specified in the 39759
articles that is not more than ninety days after filing, and, 39760
unless the articles otherwise provide, its period of existence 39761
shall be perpetual. 39762

Sec. 1701.07. (A) Every corporation shall have and 39763

maintain an agent, sometimes referred to as the "statutory agent," upon whom any process, notice, or demand required or permitted by statute to be served upon a corporation may be served. The agent shall be one of the following:

(1) A natural person who is a resident of this state;

(2) A domestic or foreign corporation, nonprofit corporation, limited liability company, partnership, limited partnership, limited liability partnership, limited partnership association, professional association, business trust, or unincorporated nonprofit association that has a business address in this state. If the agent is an entity other than a domestic corporation, the agent shall meet the requirements of Title XVII of the Revised Code for an entity of the agent's type to transact business or exercise privileges in this state.

(B) The secretary of state shall not accept original articles for filing unless there is filed with the articles a written appointment of an agent that is signed by the incorporators of the corporation or a majority of them and a written acceptance of the appointment that is signed by the agent. In all other cases, the corporation shall appoint the agent and shall file in the office of the secretary of state a written appointment of the agent that is signed by any authorized officer of the corporation and a written acceptance of the appointment that is either the original acceptance signed by the agent or a photocopy, facsimile, or similar reproduction of the original acceptance signed by the agent.

(C) (1) The written appointment of an agent shall set forth the name and address in this state of the agent, including the street and number of the agent's primary residence in this state or, if the agent is not a natural person, the agent's usual

place of business in this state, and shall otherwise be in such 39794
form as the secretary of state prescribes. The secretary of 39795
state shall keep a record of the names of corporations, and the 39796
names and addresses of their respective agents. 39797

(2) As used in division (C)(1) of this section, "usual 39798
place of business" means a place in this state that is 39799
customarily open during normal business hours and where an 39800
individual is generally present who is authorized to perform the 39801
services of a registered agent, including accepting service of 39802
process and other notifications for the person serving as a 39803
statutory agent. "Usual place of business" does not include a 39804
post office box, regardless of whether that post office box has 39805
an associated street address. 39806

(D) If any agent dies, removes from the state, or resigns, 39807
the corporation shall forthwith appoint another agent and file 39808
with the secretary of state, on a form prescribed by the 39809
secretary of state, a written appointment of the agent. 39810

(E) If the agent changes the agent's address from that 39811
appearing upon the record in the office of the secretary of 39812
state, the corporation or the agent shall forthwith file with 39813
the secretary of state, on a form prescribed by the secretary of 39814
state, a written statement setting forth the new address. 39815

(F) An agent may resign by filing with the secretary of 39816
state, on a form prescribed by the secretary of state, a written 39817
notice to that effect that is signed by the agent and by sending 39818
a copy of the notice to the corporation at the current or last 39819
known address of its principal office on or prior to the date 39820
the notice is filed with the secretary of state. The notice 39821
shall set forth the name of the corporation, the name and 39822
current address of the agent, the current or last known address, 39823

including the street and number or other particular description, 39824
of the corporation's principal office, the resignation of the 39825
agent, and a statement that a copy of the notice has been sent 39826
to the corporation within the time and in the manner prescribed 39827
by this division. Upon the expiration of thirty days after the 39828
filing, the authority of the agent shall terminate. 39829

(G) A corporation may revoke the appointment of an agent 39830
by filing with the secretary of state, on a form prescribed by 39831
the secretary of state, a written appointment of another agent 39832
and a statement that the appointment of the former agent is 39833
revoked. 39834

(H) Any process, notice, or demand required or permitted 39835
by statute to be served upon a corporation may be served upon 39836
the corporation by delivering a copy of it to its agent, if a 39837
natural person, or by delivering a copy of it at the address of 39838
its agent in this state, as the address appears upon the record 39839
in the office of the secretary of state. If (1) the agent cannot 39840
be found, or (2) the agent no longer has that address, or (3) 39841
the corporation has failed to maintain an agent as required by 39842
this section, and if in any such case the party desiring that 39843
the process, notice, or demand be served, or the agent or 39844
representative of the party, shall have filed with the secretary 39845
of state an affidavit stating that one of the foregoing 39846
conditions exists and stating the most recent address of the 39847
corporation that the party after diligent search has been able 39848
to ascertain, then service of process, notice, or demand upon 39849
the secretary of state, as the agent of the corporation, may be 39850
initiated by delivering to the secretary of state or at the 39851
secretary of state's office quadruplicate copies of such 39852
process, notice, or demand and by paying to the secretary of 39853
state a fee of five dollars. The secretary of state shall 39854

forthwith give notice of the delivery to the corporation at its 39855
principal office as shown upon the record in the secretary of 39856
state's office and at any different address shown on its last 39857
franchise tax report filed in this state, or to the corporation 39858
at any different address set forth in the above mentioned 39859
affidavit, and shall forward to the corporation at said 39860
addresses, by certified mail, with request for return receipt, a 39861
copy of the process, notice, or demand; and thereupon service 39862
upon the corporation shall be deemed to have been made. 39863

(I) The secretary of state shall keep a record of each 39864
process, notice, and demand delivered to the secretary of state 39865
or at the secretary of state's office under this section or any 39866
other law of this state that authorizes service upon the 39867
secretary of state, and shall record the time of the delivery 39868
and the action thereafter with respect thereto. 39869

(J) This section does not limit or affect the right to 39870
serve any process, notice, or demand upon a corporation in any 39871
other manner permitted by law. 39872

(K) ~~Every corporation shall state in each annual report~~ 39873
~~filed by it with the department of taxation the name and address~~ 39874
~~of its statutory agent.~~ 39875

~~(I)~~ Except when an original appointment of an agent is 39876
filed with the original articles, a written appointment of an 39877
agent or a written statement filed by a corporation with the 39878
secretary of state shall be signed by any authorized officer of 39879
the corporation or by the incorporators of the corporation or a 39880
majority of them if no directors have been elected. 39881

~~(M)~~ (L) For filing a written appointment of an agent other 39882
than one filed with original articles, and for filing a 39883

statement of change of address of an agent, the secretary of 39884
state shall charge and collect the fee specified in division (R) 39885
of section 111.16 of the Revised Code. 39886

~~(N)~~ (M) Upon the failure of a corporation to appoint 39887
another agent or to file a statement of change of address of an 39888
agent, the secretary of state shall give notice thereof by 39889
ordinary or electronic mail to the corporation at the electronic 39890
mail address provided to the secretary of state, or at the 39891
address set forth in the notice of resignation or on the last 39892
franchise tax return filed in this state by the corporation. 39893
Unless the default is cured within thirty days after the mailing 39894
by the secretary of state of the notice or within any further 39895
period of time that the secretary of state grants, upon the 39896
expiration of that period of time from the date of the mailing, 39897
the articles of the corporation shall be canceled without 39898
further notice or action by the secretary of state. The 39899
secretary of state shall make a notation of the cancellation on 39900
the secretary of state's records. 39901

A corporation whose articles have been canceled may be 39902
reinstated by filing, within two years of the cancellation, on a 39903
form prescribed by the secretary of state, an application for 39904
reinstatement and the required appointment of agent or required 39905
statement, and by paying the filing fee specified in division 39906
(Q) of section 111.16 of the Revised Code. The rights, 39907
privileges, and franchises of a corporation whose articles have 39908
been reinstated are subject to section 1701.922 of the Revised 39909
Code. The secretary of state shall furnish the tax commissioner 39910
a monthly list of all corporations canceled and reinstated under 39911
this division. 39912

~~(O)~~ (N) This section does not apply to banks, trust 39913

companies, insurance companies, or any corporation defined under 39914
the laws of this state as a public utility for taxation 39915
purposes. 39916

form as the secretary of state prescribes. The secretary of 39939
state shall keep a record of the names of such foreign 39940
corporations and the names and addresses of their respective 39941
agents. 39942

(2) As used in division (B)(1) of this section, "usual place of business" means a place in this state that is customarily open during normal business hours and where an individual is generally present who is authorized to perform the services of a registered agent, including accepting service of process and other notifications for the person serving as a statutory agent. "Usual place of business" does not include a post office box, regardless of whether that post office box has an associated street address.

(C) If the designated agent dies, removes from the state, or resigns, the foreign corporation shall forthwith appoint another agent and file in the office of the secretary of state, on a form prescribed by the secretary of state, a written appointment of the new agent.

(D) If the designated agent changes the agent's address from that appearing upon the record in the office of the secretary of state, the foreign corporation or the designated agent in its behalf shall forthwith file with the secretary of state, on a form prescribed by the secretary of state, a written statement setting forth the agent's new address.

an advance deposit as fixed by rule of court, unless the court 41022
determines that the party qualifies as an indigent litigant as 41023
set forth in section 2323.311 of the Revised Code. If a jury is 41024
called, the fees of a jury shall be taxed as costs. 41025

municipal court also shall receive fifty and one-half cents for 41030
each mile necessarily traveled to and from the witness's place 41031

custodian of any chattel property so stored shall not be 41042
required to part with the possession of the property until a 41043
reasonable charge, to be fixed by the court, is paid. 41044

a specific special project. Moneys from a fund of that nature 41086
shall be disbursed upon an order of the court in an amount no 41087
greater than the actual cost to the court of a project. If a 41088
specific fund is terminated because of the discontinuance of a 41089
program or service established under division (B) of this 41090

be found guilty, whether filed as part of a multiple charge on a 41099
single summons, citation, or complaint or as a separate charge 41100
on a single summons, citation, or complaint. "Criminal cause" 41101
does not include separate violations of the same statute or 41102

fees required to be collected under this division shall be in 41122
addition to any other court costs imposed in the action or 41123
proceeding and shall be collected at the time of the filing of 41124
the action or proceeding. The court shall not waive the payment 41125
of the additional filing fees in a new civil action or 41126
proceeding unless the court waives the advanced payment of all 41127
filing fees in the action or proceeding for the party that the 41128
court determines is qualified as an indigent litigant as set 41129
forth in section 2323.311 of the Revised Code. All such moneys 41130
collected during a month except for an amount equal to up to one 41131
per cent of those moneys retained to cover administrative costs 41132
shall be transmitted on or before the twentieth day of the 41133
following month by the clerk of the court to the treasurer of 41134
state in a manner prescribed by the treasurer of state or by the 41135
Ohio access to justice foundation. The treasurer of state shall 41136
deposit four per cent of the funds collected under this division 41137

to the credit of the civil case filing fee fund established 41138
under section 120.07 of the Revised Code and ninety-six per cent 41139
of the funds collected under this division to the credit of the 41140
legal aid fund established under section 120.52 of the Revised 41141

The court may retain up to one per cent of the moneys it 41143
collects under this division to cover administrative costs, 41144
including the hiring of any additional personnel necessary to 41145
implement this division. If the court fails to transmit to the 41146
treasurer of state the moneys the court collects under this 41147
division in a manner prescribed by the treasurer of state or by 41148
the Ohio access to justice foundation, the court shall forfeit 41149
the moneys the court retains under this division to cover 41150
administrative costs, including the hiring of any additional 41151
personnel necessary to implement this division, and shall 41152
transmit to the treasurer of state all moneys collected under 41153
this division, including the forfeited amount retained for 41154
administrative costs, for deposit in the legal aid fund. 41155

for investigating titles of real estate to be sold or disposed 41157
of under any writ or process of the court may be taxed as part 41158
of the costs. 41159

(E) Under the circumstances described in sections 2969.21 41160

the person is performing the duties established under the 41457
Revised Code or by the probate judge for a probate court 41458
investigator. 41459

(3) (a) The probate judge may provide for one or more 41460
persons to perform the duties of an assessor under sections 41461
3107.031, 3107.032, 3107.082, 3107.09, 3107.101, and 3107.12 of 41462
the Revised Code or may enter into agreements with public 41463
children services agencies, private child placing agencies, or 41464

private noncustodial agencies under which the agency provides 41465
for one or more persons to perform the duties of an assessor. A 41466
probate judge who provides for an assessor shall do so in either 41467
of the following manners, as the judge considers appropriate: 41468

(i) By appointing a person as a full-time or part-time 41469
employee of the probate court to serve as assessor, or by 41470
designating a current full-time or part-time employee of the 41471
probate court to serve as assessor; 41472

(ii) By contracting with a person to serve and be 41473
compensated as assessor only when needed by the probate court, 41474
as determined by the court, and by designating that person as an 41475
assessor during the times when the person is performing the 41476
duties of an assessor for the court. 41477

(b) Each person appointed or designated as a probate court 41478
assessor shall take an oath of office before entering on the 41479
duties of the person's appointment. 41480

(c) A probate court assessor must meet the qualifications 41481
for an assessor established by section 3107.014 of the Revised 41482
Code. 41483

(d) A probate court assessor shall perform additional 41484
duties, including duties of an investigator under division (A) 41485
(2) of this section, when the probate judge assigns additional 41486
duties to the assessor. 41487

(e) For purposes of divisions (A) (4), (B), and (C) of this 41488
section, a person designated as a probate court assessor shall 41489
be considered an appointee of the probate court at any time that 41490
the person is performing assessor duties. 41491

(4) Each appointee of the probate judge may administer 41492
oaths in all cases when necessary, in the discharge of official 41493

duties. 41494

(B) (1) (a) Subject to the appropriation made by the board 41495
of county commissioners pursuant to this division, each 41496
appointee of a probate judge under division (A) of this section 41497
shall receive such compensation and expenses as the judge 41498
determines and shall serve during the pleasure of the judge. The 41499
compensation of each appointee shall be paid in semimonthly 41500
installments by the county treasurer from the county treasury, 41501
upon the warrants of the county auditor, certified to by the 41502
judge. 41503

(b) Except as otherwise provided in the Revised Code, the 41504
total compensation paid to all appointees of the probate judge 41505
in any calendar year shall not exceed the total fees earned by 41506
the probate court during the preceding calendar year, unless the 41507
board of county commissioners approves otherwise. 41508

(2) The probate judge annually shall submit a written 41509
request for an appropriation to the board of county 41510
commissioners that shall set forth estimated administrative 41511
expenses of the court, including the salaries of appointees as 41512
determined by the judge and any other costs, fees, and expenses, 41513
including, but not limited to, those enumerated in section 41514
5123.96 of the Revised Code, that the judge considers reasonably 41515
necessary for the operation of the court. The board shall 41516
conduct a public hearing with respect to the written request 41517
submitted by the judge and shall appropriate such sum of money 41518
each year as it determines, after conducting the public hearing 41519
and considering the written request of the judge, is reasonably 41520
necessary to meet all the administrative expenses of the court, 41521
including the salaries of appointees as determined by the judge 41522
and any other costs, fees, and expenses, including, but not 41523

limited to, the costs, fees, and expenses enumerated in section 41524
5123.96 of the Revised Code. 41525

If the judge considers the appropriation made by the board 41526
pursuant to this division insufficient to meet all the 41527
administrative expenses of the court, the judge shall commence 41528
an action under Chapter 2731. of the Revised Code in the court 41529
of appeals for the judicial district for a determination of the 41530
duty of the board of county commissioners to appropriate the 41531
amount of money in dispute. The court of appeals shall give 41532
priority to the action filed by the probate judge over all cases 41533
pending on its docket. The burden shall be on the probate judge 41534
to prove that the appropriation requested is reasonably 41535
necessary to meet all administrative expenses of the court. If, 41536
prior to the filing of an action under Chapter 2731. of the 41537
Revised Code or during the pendency of the action, the judge 41538
exercises the judge's contempt power in order to obtain the sum 41539
of money in dispute, the judge shall not order the imprisonment 41540
of any member of the board of county commissioners 41541
notwithstanding sections 2705.02 to 2705.06 of the Revised Code. 41542

(C) The probate judge may require any of the judge's 41543
appointees to give bond in the sum of not less than one thousand 41544
dollars, conditioned for the honest and faithful performance of 41545
the appointee's duties. The sureties on the bonds shall be 41546
approved in the manner provided in section 2101.03 of the 41547
Revised Code. 41548

The judge shall not be personally liable for the default, 41549
malfeasance, or nonfeasance of any appointee. 41550

All bonds required to be given in the probate court, on 41551
being accepted and approved by the probate judge, shall be filed 41552
in the judge's office. 41553

Sec. 2101.16. (A) Except as provided in section 2101.164 41554
of the Revised Code, the fees enumerated in this division shall 41555
be charged and collected, if possible, by the probate judge and 41556
shall be in full for all services rendered in the respective 41557
proceedings: 41558

legal aid fund established under section 120.52 of the Revised 43372
Code. 43373

The court may retain up to one per cent of the moneys it 43374
collects under this division to cover administrative costs, 43375
including the hiring of any additional personnel necessary to 43376
implement this division. If the court fails to transmit to the 43377
treasurer of state the moneys the court collects under this 43378
division in a manner prescribed by the treasurer of state or by 43379
the Ohio access to justice foundation, the court shall forfeit 43380
the moneys the court retains under this division to cover 43381
administrative costs, including the hiring of any additional 43382
personnel necessary to implement this division, and shall 43383
transmit to the treasurer of state all moneys collected under 43384
this division, including the forfeited amount retained for 43385
administrative costs, for deposit in the legal aid fund. 43386

(D) On and after the thirtieth day after December 9, 1994, 43387
the court of common pleas shall collect the sum of thirty-two 43388
dollars as additional filing fees in each new action or 43389

proceeding for annulment, divorce, or dissolution of marriage 43390
for the purpose of funding shelters for victims of domestic 43391

Code. The filing fees required to be collected under this 43393
division shall be in addition to any other filing fees imposed 43394
in the action or proceeding and shall be collected at the time 43395
of the filing of the action or proceeding. The court shall not 43396
waive the payment of the additional filing fees in a new action 43397
or proceeding for annulment, divorce, or dissolution of marriage 43398
unless the court waives the advanced payment of all filing fees 43399
in the action or proceeding. On or before the twentieth day of 43400
each month, all moneys collected during the immediately 43401
preceding month pursuant to this division shall be deposited by 43402
the clerk of the court into the county treasury in the special 43403
fund used for deposit of additional marriage license fees as 43404
described in section 3113.34 of the Revised Code. Upon their 43405
deposit into the fund, the moneys shall be retained in the fund 43406
and expended only as described in section 3113.34 of the Revised 43407
Code. 43408

(E) (1) The court of common pleas may determine that, for 43409
the efficient operation of the court, additional funds are 43410
necessary to acquire and pay for special projects of the court, 43411
including, but not limited to, the acquisition of additional 43412
facilities or the rehabilitation of existing facilities, the 43413
acquisition of equipment, the hiring and training of staff, 43414
community service programs, mediation or dispute resolution 43415
services, the employment of magistrates, the training and 43416
education of judges, acting judges, and magistrates, and other 43417
related services. Upon that determination, the court by rule may 43418
charge a fee, in addition to all other court costs, on the 43419
filing of each criminal cause, civil action or proceeding, or 43420

judgment by confession. Fees collected by a court for special 43421
projects of the court under this division shall not be used for 43422
training or education that takes place outside of the state. 43423

If the court of common pleas offers or requires a special 43424
program or additional services in cases of a specific type, the 43425
court by rule may assess an additional charge in a case of that 43426
type, over and above court costs, to cover the special program 43427
or service. The court shall adjust the special assessment 43428
periodically, but not retroactively, so that the amount assessed 43429
in those cases does not exceed the actual cost of providing the 43430
service or program. 43431

All moneys collected under division (E) of this section 43432
shall be paid to the county treasurer for deposit into either a 43433
general special projects fund or a fund established for a 43434
specific special project. Moneys from a fund of that nature 43435
shall be disbursed upon an order of the court, subject to an 43436
appropriation by the board of county commissioners, in an amount 43437
no greater than the actual cost to the court of a project. If a 43438
specific fund is terminated because of the discontinuance of a 43439
program or service established under division (E) of this 43440
section, the court may order, subject to an appropriation by the 43441
board of county commissioners, that moneys remaining in the fund 43442
be transferred to an account established under this division for 43443
a similar purpose. 43444

direction of the court. The clerk shall not restrict, prohibit, 43463
or otherwise modify the rights of parties to seek service on 43464
party defendants allowed by the Rules of Civil Procedure, either 43465
singularly or concurrently. 43466

In furtherance of the performance of the duties enjoined 43467
upon the clerk by statute, common law, and the Rules of 43468
Superintendence for the Courts of Ohio, the clerk of the court 43469
of common pleas shall be responsible for determining the best 43470
means and methods for storing, maintaining, and retrieving all 43471
papers delivered to the clerk, whether delivered in writing or 43472

shall be paid to the county treasurer of the county selected as 43907

greater than the actual cost to the court of a project. If a 43912
specific fund is terminated because of the discontinuance of a 43913
program or service established under division (B) of this 43914
section, the court may order that moneys remaining in the fund 43915
be transferred to an account established under this division for 43916

Sec. 2743.03. (A) (1) There is hereby created a court of 43918

claims. Except as provided under section 107.43 of the Revised 43919
Code, the court of claims is a court of record and has 43920
exclusive, original jurisdiction of all civil actions against 43921
the state permitted by the waiver of immunity contained in 43922
section 2743.02 of the Revised Code and exclusive jurisdiction 43923
of the causes of action of all parties in civil actions that are 43924
removed to the court of claims. The court shall have full equity 43925
powers in all actions within its jurisdiction and may entertain 43926
and determine all counterclaims, cross-claims, and third-party 43927
claims. 43928

(2) If the claimant in a civil action as described in 43929
division (A)(1) of this section also files a claim for a 43930
declaratory judgment, injunctive relief, or other equitable 43931
relief against the state that arises out of the same 43932
circumstances that gave rise to the civil action described in 43933
division (A)(1) of this section, the court of claims has 43934
exclusive, original jurisdiction to hear and determine that 43935
claim in that civil action. This division does not affect, and 43936
shall not be construed as affecting, the original jurisdiction 43937
of another court of this state to hear and determine a civil 43938
action in which the sole relief that the claimant seeks against 43939
the state is a declaratory judgment, injunctive relief, or other 43940
equitable relief. 43941

(3) In addition to its exclusive, original jurisdiction as 43942
conferred by divisions (A)(1) and (2) of this section, the court 43943
of claims has exclusive, original jurisdiction as follows: 43944

(a) As described in division (F) of section 2743.02, 43945
division (B) of section 3335.03, and division (C) of section 43946
5903.02 of the Revised Code; 43947

(b) Under section 2743.75 of the Revised Code to hear 43948

complaints alleging a denial of access to public records in 43949
violation of division (B) of section 149.43 of the Revised Code, 43950
regardless of whether the public office or person responsible 43951
for public records is an office or employee of the state or of a 43952
political subdivision; 43953

(c) Under section 118.29 of the Revised Code to appoint a 43954
receiver. 43955

(B) The court of claims shall sit in Franklin county, its 43956
hearings shall be public, and it shall consist of incumbent 43957
justices or judges of the supreme court, courts of appeals, or 43958
courts of common pleas, or retired justices or judges eligible 43959
for active duty pursuant to division (C) of Section 6 of Article 43960
IV, Ohio Constitution, sitting by temporary assignment of the 43961
chief justice of the supreme court. The chief justice may direct 43962
the court to sit in any county for cases on removal upon a 43963
showing of substantial hardship and whenever justice dictates. 43964

(C) (1) A civil action against the state shall be heard and 43965
determined by a single judge. Upon application by the claimant 43966
or the state, the chief justice of the supreme court may assign 43967
a panel of three judges to hear and determine a civil action 43968
presenting novel or complex issues of law or fact. Concurrence 43969
of two members of the panel is necessary for any judgment or 43970
order. 43971

(2) Whenever the chief justice of the supreme court 43972
believes an equitable resolution of a case will be expedited, 43973
the chief justice may appoint magistrates in accordance with 43974
Civil Rule 53 to hear the case. 43975

(3) When any dispute under division (B) of section 153.12 43976
of the Revised Code is brought to the court of claims, upon 43977

request of either party to the dispute, the chief justice of the 43978
supreme court shall appoint a single referee or a panel of three 43979
referees. The referees need not be attorneys, but shall be 43980
persons knowledgeable about construction contract law, a member 43981
of the construction industry panel of the American arbitration 43982
association, or an individual or individuals deemed qualified by 43983
the chief justice to serve. No person shall serve as a referee 43984
if that person has been employed by an affected state agency or 43985
a contractor or subcontractor involved in the dispute at any 43986
time in the preceding five years. Proceedings governing referees 43987
shall be in accordance with Civil Rule 53, except as modified by 43988
this division. The referee or panel of referees shall submit its 43989
report, which shall include a recommendation and finding of 43990
fact, to the judge assigned to the case by the chief justice, 43991
within thirty days of the conclusion of the hearings. Referees 43992
appointed pursuant to this division shall be compensated on a 43993
per diem basis at the same rate as is paid to judges of the 43994
court and also shall be paid their expenses. If a single referee 43995
is appointed or a panel of three referees is appointed, then, 43996
with respect to one referee of the panel, the compensation and 43997
expenses of the referee shall not be taxed as part of the costs 43998
in the case but shall be included in the budget of the court. If 43999
a panel of three referees is appointed, the compensation and 44000
expenses of the two remaining referees shall be taxed as costs 44001
of the case. 44002

All costs of a case shall be apportioned among the 44003
parties. The court may not require that any party deposit with 44004
the court cash, bonds, or other security in excess of two 44005
hundred dollars to guarantee payment of costs without the prior 44006
approval in each case of the chief justice. 44007

(4) An appeal from a decision of the attorney general 44008

pursuant to sections 2743.51 to 2743.72 of the Revised Code 44009
shall be heard and determined by the court of claims. 44010

(D) The Rules of Civil Procedure shall govern practice and 44011
procedure in all actions in the court of claims, except insofar 44012
as inconsistent with this chapter. The supreme court may 44013
promulgate rules governing practice and procedure in actions in 44014
the court as provided in Section 5 of Article IV, Ohio 44015
Constitution. 44016

(E) (1) A party who files a counterclaim against the state 44017
or makes the state a third-party defendant in an action 44018
commenced in any court, other than the court of claims, shall 44019
file a petition for removal in the court of claims. The petition 44020
shall state the basis for removal, be accompanied by a copy of 44021
all process, pleadings, and other papers served upon the 44022
petitioner, and shall be signed in accordance with Civil Rule 44023
11. A petition for removal based on a counterclaim shall be 44024
filed within twenty-eight days after service of the counterclaim 44025
of the petitioner. A petition for removal based on third-party 44026
practice shall be filed within twenty-eight days after the 44027
filing of the third-party complaint of the petitioner. 44028

(2) Within seven days after filing a petition for removal, 44029
the petitioner shall give written notice to the parties, and 44030
shall file a copy of the petition with the clerk of the court in 44031
which the action was brought originally. The filing effects the 44032
removal of the action to the court of claims, and the clerk of 44033
the court where the action was brought shall forward all papers 44034
in the case to the court of claims. The court of claims shall 44035
adjudicate all civil actions removed. The court may remand a 44036
civil action to the court in which it originated upon a finding 44037
that the removal petition does not justify removal, or upon a 44038

finding that the state is no longer a party. 44039

(3) Bonds, undertakings, or security and injunctions, 44040
attachments, sequestrations, or other orders issued prior to 44041
removal remain in effect until dissolved or modified by the 44042
court of claims. 44043

offender, that there is good cause for the order not to be 44112
issued; that the court will issue the order if a hearing is not 44113

or permit was suspended under this section shall not file such a 45899
motion. 45900

Upon the filing of a motion under division (G) (2) of this 45901

the offense with which the searched person is charged, and the 45985
circumstances of ~~his~~ the person's arrest, ~~and, if known, his~~ 45986
~~prior conviction record;~~ 45987

(f) If the body cavity search was conducted before or 45988
without the issuance of a search warrant pursuant to division 45989
(B) (4) of this section, or if the body cavity or strip search 45990
was conducted before or without the granting of written 45991
authorization pursuant to division (B) (5) of this section, the 45992
legitimate medical reason or medical emergency that justified 45993
the warrantless search or made obtaining written authorization 45994
impracticable. 45995

(2) A copy of the written report required by division (C) 45996
(1) of this section shall be kept on file in the law enforcement 45997
agency, and another copy of it shall be given to the person who 45998
was searched. 45999

(D) (1) This section does not preclude the prosecution of a 46000
law enforcement officer or employee of a law enforcement agency 46001
for the violation of any other section of the Revised Code. 46002

(2) This section does not limit, and shall not be 46003
construed to limit, any statutory or common law rights of a 46004

civil action. 46006

(3) If a person is subjected to a body cavity search or 46007
strip search in violation of this section, any person may 46008
commence a civil action to recover compensatory damages for any 46009

injury, death, or loss to person or property or any indignity 46010
arising from the violation. In the civil action, the court may 46011
award punitive damages to the plaintiffs if they prevail in the 46012
action, and it may award reasonable attorney's fees to the 46013
parties who prevail in the action. 46014

(4) This section does not apply to body cavity searches or 46015
strip searches of persons who have been sentenced to serve a 46016
term of imprisonment and who are serving that term in a 46017
detention facility, as defined in section 2921.01 of the Revised 46018
Code. 46019

(E) (1) Whoever violates division (B) of this section is 46020
guilty of conducting an unauthorized search, a misdemeanor of 46021
the first degree. 46022

(2) Whoever violates division (C) of this section is 46023
guilty of failure to prepare a proper search report, a 46024
misdemeanor of the fourth degree. 46025

(F) A medical practitioner is not required, and a court or 46026
other person shall not order a medical practitioner, to perform 46027
any medical procedure that is inconsistent with the medical 46028
practitioner's expert medical opinion. 46029

Sec. 2949.12. (A) Unless the execution of sentence is 46030
suspended or, the convicted felon has less than thirty days to 46031

the reception facility and, at that time, unless the department 46044
and the sheriff have agreed to electronically processed prisoner 46045

the convicted felon's sentence that clearly describes each 46047
offense for which the felon was sentenced to a correctional 46048
institution, designates each section of the Revised Code that 46049
the felon violated and that resulted in the felon's conviction 46050
and sentence to a correctional institution, designates the 46051
sentence imposed for each offense for which the felon was 46052
sentenced to a correctional institution, and, pursuant to 46053
section 2967.191 of the Revised Code, specifies the total number 46054

court of common pleas by the juvenile court, the clerk of the 46061
court of common pleas also shall attach a copy of the 46062
certification to the copy of the indictment. 46063

The convicted felon shall be assigned to an institution or 46064

transfer of prisoners. If the execution of the felon's sentence 46073
is suspended, and the judgment thereafter affirmed, the felon 46074
shall be conveyed, in the same manner as if the execution of the 46075
felon's sentence had not been suspended, to the reception 46076
facility as soon as practicable after the judge directs the 46077
execution of sentence. The trial judge or other judge of the 46078
court, in the judge's discretion and for good cause shown, may 46079
extend the time of the conveyance. 46080

(B) (1) A convicted felon who is under eighteen years old 46081
at the execution of sentence shall be committed to the 46082
department of youth services and assigned to an institution 46083
within the department of youth services and, within five days 46084
after sentencing, excluding Saturdays, Sundays, and legal 46085

youth services until the felon is eighteen years of age, until 46093
the term of the felon's imprisonment expires, until the felon is 46094

sanction, until the department of youth services, in the 46096
discretion of the director of youth services, lacks capacity to 46097
house the felon, or until the felon is transferred under laws 46098
permitting the transfer of prisoners. 46099

(2) A convicted felon who is committed to the department 46100

of youth services under division (B) (1) of this section shall be 46101

Sec. 2951.041. (A) (1) If an offender is charged with a 46112
criminal offense, including but not limited to a violation of 46113
section 2913.02, 2913.03, 2913.11, 2913.21, 2913.31, or 2919.21 46114
of the Revised Code, and the court has reason to believe that 46115
drug or alcohol usage by the offender was a factor leading to 46116
the criminal offense with which the offender is charged or that, 46117
at the time of committing that offense, the offender had a 46118
mental illness, was a person with an intellectual disability, or 46119
was a victim of a violation of section 2905.32 or 2907.21 of the 46120
Revised Code and that the mental illness, status as a person 46121
with an intellectual disability, or fact that the offender was a 46122
victim of a violation of section 2905.32 or 2907.21 of the 46123
Revised Code was a factor leading to the offender's criminal 46124
behavior, the court may accept, prior to the entry of a guilty 46125
plea, the offender's request for intervention in lieu of 46126
conviction. The request shall include a statement from the 46127
offender as to whether the offender is alleging that drug or 46128
alcohol usage by the offender was a factor leading to the 46129
criminal offense with which the offender is charged or is 46130
alleging that, at the time of committing that offense, the 46131

offender had a mental illness, was a person with an intellectual disability, or was a victim of a violation of section 2905.32 or 2907.21 of the Revised Code and that the mental illness, status as a person with an intellectual disability, or fact that the offender was a victim of a violation of section 2905.32 or 2907.21 of the Revised Code was a factor leading to the criminal offense with which the offender is charged. The request also shall include a waiver of the defendant's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the offender, and arraignment, unless the hearing, indictment, or arraignment has already occurred. Unless an offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court may reject an offender's request without a hearing. If the court elects to consider an offender's request or the offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court shall conduct a hearing to determine whether the offender is eligible under this section for intervention in lieu of conviction and shall stay all criminal proceedings pending the outcome of the hearing. If the court schedules a hearing, the court shall order an assessment of the offender for the purpose of determining the offender's program eligibility for intervention in lieu of conviction and recommending an appropriate intervention plan.

If the offender alleges that drug or alcohol usage by the offender was a factor leading to the criminal offense with which the offender is charged, the court may order that the offender be assessed by a community addiction services provider or a properly credentialed professional for the purpose of

determining the offender's program eligibility for intervention 46163
in lieu of conviction and recommending an appropriate 46164
intervention plan. The community addiction services provider or 46165
the properly credentialed professional shall provide a written 46166
assessment of the offender to the court. 46167

(2) The victim notification provisions of division (E) of 46168
section 2930.06 of the Revised Code apply in relation to any 46169
hearing held under division (A)(1) of this section. 46170

(B) An offender is eligible for intervention in lieu of 46171
conviction if the court finds all of the following: 46172

(1) The offender previously has not been convicted of or 46173
pleaded guilty to any felony offense of violence. 46174

(2) The offense is not a felony of the first, second, or 46175
third degree, is not an offense of violence, is not a felony sex 46176
offense, is not a violation of division (A)(1) or (2) of section 46177
2903.06 of the Revised Code, is not a violation of division (A) 46178
(1) of section 2903.08 of the Revised Code, is not a violation 46179
of division (A) of section 4511.19 of the Revised Code or a 46180
municipal ordinance that is substantially similar to that 46181
division, and is not an offense for which a sentencing court is 46182
required to impose a mandatory prison term. 46183

(3) The offender is not charged with a violation of 46184
section 2925.02, 2925.04, or 2925.06 of the Revised Code, is not 46185
charged with a violation of section 2925.03 of the Revised Code 46186
that is a felony of the first, second, third, or fourth degree, 46187
and is not charged with a violation of section 2925.11 of the 46188
Revised Code that is a felony of the first or second degree. 46189

(4) If an offender alleges that drug or alcohol usage by 46190
the offender was a factor leading to the criminal offense with 46191

which the offender is charged, the court has ordered that the 46192
offender be assessed by a community addiction services provider 46193
or a properly credentialed professional for the purpose of 46194
determining the offender's program eligibility for intervention 46195
in lieu of conviction and recommending an appropriate 46196
intervention plan, the offender has been assessed by a community 46197
addiction services provider of that nature or a properly 46198
credentialed professional in accordance with the court's order, 46199
and the community addiction services provider or properly 46200
credentialed professional has filed the written assessment of 46201
the offender with the court. 46202

(5) If an offender alleges that, at the time of committing 46203
the criminal offense with which the offender is charged, the 46204
offender had a mental illness, was a person with an intellectual 46205
disability, or was a victim of a violation of section 2905.32 or 46206
2907.21 of the Revised Code and that the mental illness, status 46207
as a person with an intellectual disability, or fact that the 46208
offender was a victim of a violation of section 2905.32 or 46209
2907.21 of the Revised Code was a factor leading to that 46210
offense, the offender has been assessed by a psychiatrist, 46211
psychologist, independent social worker, licensed professional 46212
clinical counselor, or independent marriage and family therapist 46213
for the purpose of determining the offender's program 46214
eligibility for intervention in lieu of conviction and 46215
recommending an appropriate intervention plan. 46216

(6) The offender's drug usage, alcohol usage, mental 46217
illness, or intellectual disability, or the fact that the 46218
offender was a victim of a violation of section 2905.32 or 46219
2907.21 of the Revised Code, whichever is applicable, was a 46220
factor leading to the criminal offense with which the offender 46221
is charged, intervention in lieu of conviction would not demean 46222

the seriousness of the offense, and intervention would 46223
substantially reduce the likelihood of any future criminal 46224
activity. 46225

(7) The alleged victim of the offense was not sixty-five 46226
years of age or older, permanently and totally disabled, under 46227
thirteen years of age, or a peace officer engaged in the 46228
officer's official duties at the time of the alleged offense. 46229

(8) If the offender is charged with a violation of section 46230
2925.24 of the Revised Code, the alleged violation did not 46231
result in physical harm to any person. 46232

(9) The offender is willing to comply with all terms and 46233
conditions imposed by the court pursuant to division (D) of this 46234
section. 46235

(10) The offender is not charged with an offense that 46236
would result in the offender being disqualified under Chapter 46237
4506. of the Revised Code from operating a commercial motor 46238
vehicle or would subject the offender to any other sanction 46239
under that chapter. 46240

(C) At the conclusion of a hearing held pursuant to 46241
division (A) of this section, the court shall determine whether 46242
the offender will be granted intervention in lieu of conviction. 46243
In making this determination, the court shall presume that 46244
intervention in lieu of conviction is appropriate. If the court 46245
finds under this division and division (B) of this section that 46246
the offender is eligible for intervention in lieu of conviction, 46247
the court shall grant the offender's request unless the court 46248
finds specific reasons to believe that the candidate's 46249
participation in intervention in lieu of conviction would be 46250
inappropriate. 46251

If the court denies an eligible offender's request for intervention in lieu of conviction, the court shall state the reasons for the denial, with particularity, in a written entry.

If the court grants the offender's request, the court shall accept the offender's plea of guilty and waiver of the defendant's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the offender, and arraignment, unless the hearing, indictment, or arraignment has already occurred. In addition, the court then may stay all criminal proceedings and order the offender to comply with all terms and conditions imposed by the court pursuant to division (D) of this section. If the court finds that the offender is not eligible or does not grant the offender's request, the criminal proceedings against the offender shall proceed as if the offender's request for intervention in lieu of conviction had not been made.

(D) If the court grants an offender's request for intervention in lieu of conviction, all of the following apply:

(1) The court shall place the offender under the general control and supervision of one of the following, as if the offender was subject to a community control sanction imposed under section 2929.15, 2929.18, or 2929.25 of the Revised Code:

(a) The county probation department, the adult parole authority, or another appropriate local probation or court services agency, if one exists;

(b) If the court grants the request for intervention in lieu of conviction during the period commencing on April 4, 2023, and ending on October 15, 2025, a community-based correctional facility.

(2) The court shall establish an intervention plan for the 46281
offender. 46282

(3) The terms and conditions of the intervention plan 46283
required under division (D)(2) of this section shall require the 46284
offender, for at least one year, but not more than five years, 46285
from the date on which the court grants the order of 46286
intervention in lieu of conviction, to abstain from the use of 46287
illegal drugs and alcohol, to participate in treatment and 46288
recovery support services, and to submit to regular random 46289
testing for drug and alcohol use and may include any other 46290
treatment terms and conditions, or terms and conditions similar 46291
to community control sanctions, which may include community 46292
service or restitution, that are ordered by the court. 46293

(E) If the court grants an offender's request for 46294
intervention in lieu of conviction and the court finds that the 46295
offender has successfully completed the intervention plan for 46296
the offender, including the requirement that the offender 46297
abstain from using illegal drugs and alcohol for a period of at 46298
least one year, but not more than five years, from the date on 46299
which the court granted the order of intervention in lieu of 46300
conviction, the requirement that the offender participate in 46301
treatment and recovery support services, and all other terms and 46302
conditions ordered by the court, the court shall dismiss the 46303
proceedings against the offender. Successful completion of the 46304
intervention plan and period of abstinence under this section 46305
shall be without adjudication of guilt and is not a criminal 46306
conviction for purposes of any disqualification or disability 46307
imposed by law and upon conviction of a crime, and the court may 46308
order the sealing or expungement of records related to the 46309
offense in question, as a dismissal of the charges, in the 46310
manner provided in sections 2953.31, 2953.33, 2953.37, and 46311

2953.521 of the Revised Code and divisions (H), (K), and (L) of 46312

the court shall set a date for a hearing and shall notify the 46482
prosecutor for the case of the hearing on the application not 46483

application and the date and time of the hearing to a victim and 46486
victim's representative, if applicable, if the victim or 46487
victim's representative requested notice of the proceedings in 46488
the underlying case. The court shall hold the hearing not less 46489
than forty-five days and not more than ninety days from the date 46490
of the filing of the application. The prosecutor may object to 46491
the granting of the application by filing a written objection 46492
with the court not later than thirty days prior to the date set 46493

writing, or both at any hearing under this section. The court 46498
shall direct its regular probation officer, a state probation 46499
officer, or the department of probation of the county in which 46500
the applicant resides to make inquiries and written reports as 46501
the court requires concerning the applicant. The probation 46502
officer or county department of probation that the court directs 46503
to make inquiries and written reports as the court requires 46504
concerning the applicant shall determine whether or not the 46505
applicant was fingerprinted at the time of arrest or under 46506
section 109.60 of the Revised Code. If the applicant was so 46507
fingerprinted, the probation officer or county department of 46508
probation shall include with the written report a record of the 46509
applicant's fingerprints. If the applicant was convicted of or 46510
pleaded guilty to a violation of division (A) (2) or (B) of 46511
section 2919.21 of the Revised Code, the probation officer or 46512
county department of probation that the court directed to make 46513
inquiries concerning the applicant shall contact the child 46514
support enforcement agency enforcing the applicant's obligations 46515

under the child support order to inquire about the offender's 46516
compliance with the child support order. 46517

(D) (1) At the hearing held under division (C) of this 46518
section, the court shall do each of the following: 46519

(a) Determine whether the applicant is pursuing sealing or 46520
expunging a conviction of an offense that is prohibited under 46521
division (A) of this section or whether the forfeiture of bail 46522
was agreed to by the applicant and the prosecutor in the case, 46523
and determine whether the application was made at the time 46524
specified in division (B) (1) (a) or (b) or division (B) (2) (a) or 46525
(b) of this section that is applicable with respect to the 46526
application and the subject offense; 46527

(b) Determine whether criminal proceedings are pending 46528
against the applicant; 46529

(c) Determine whether the applicant has been rehabilitated 46530
to the satisfaction of the court; 46531

(d) If the prosecutor has filed an objection in accordance 46532
with division (C) of this section, consider the reasons against 46533
granting the application specified by the prosecutor in the 46534
objection; 46535

(e) If the victim objected, pursuant to the Ohio 46536
Constitution, consider the reasons against granting the 46537
application specified by the victim in the objection; 46538

(f) Weigh the interests of the applicant in having the 46539
records pertaining to the applicant's conviction or bail 46540
forfeiture sealed or expunged against the legitimate needs, if 46541
any, of the government to maintain those records; 46542

(g) Consider the oral or written statement of any victim, 46543

victim's representative, and victim's attorney, if applicable; 46544

(h) If the applicant was an eligible offender of the type 46545
described in division (A) (3) of section 2953.36 of the Revised 46546
Code as it existed prior to April 4, 2023, determine whether the 46547
offender has been rehabilitated to a satisfactory degree. In 46548
making the determination, the court may consider all of the 46549
following: 46550

(i) The age of the offender; 46551

(ii) The facts and circumstances of the offense; 46552

(iii) The cessation or continuation of criminal behavior; 46553

(iv) The education and employment of the offender; 46554

(v) Any other circumstances that may relate to the 46555
offender's rehabilitation. 46556

(i) If the court is required to determine whether an 46557
applicant for sealing or expungement has two or three 46558
convictions that result from the same indictment, information, 46559
or complaint, from the same plea of guilty, or from the same 46560
official proceeding, and result from related criminal acts that 46561
were committed within a three-month period but do not result 46562
from the same act or from offenses committed at the same time, 46563
in making its determination, the court initially shall determine 46564
whether it is not in the public interest for the two or three 46565
convictions to be counted as one conviction. If the court 46566
determines that it is not in the public interest for the two or 46567
three convictions to be counted as one conviction, the court 46568
shall determine whether, when counting the convictions 46569
individually, the applicant is pursuing sealing or expunging a 46570
conviction that is prohibited under division (A) of this 46571
section. 46572

(2) If the court determines, after complying with division 46573
(D) (1) of this section, that the offender is not pursuing 46574
sealing or expunging a conviction of an offense that is 46575
prohibited under division (A) of this section or that the 46576
forfeiture of bail was agreed to by the applicant and the 46577
prosecutor in the case, that the application was made at the 46578
time specified in division (B) (1) (a) or (b) or division (B) (2) 46579
(a) or (b) of this section that is applicable with respect to 46580
the application and the subject offense, that no criminal 46581
proceeding is pending against the applicant, that the interests 46582
of the applicant in having the records pertaining to the 46583
applicant's conviction or bail forfeiture sealed or expunged are 46584
not outweighed by any legitimate governmental needs to maintain 46585
those records, and that the rehabilitation of the applicant has 46586
been attained to the satisfaction of the court, both of the 46587
following apply: 46588

(a) The court, except as provided in division (D) (4) or 46589
(5) of this section or division (D), (F), or (G) of section 46590
2953.34 of the Revised Code, shall order all official records of 46591
the case that pertain to the conviction or bail forfeiture 46592
sealed if the application was for sealing or expunged if the 46593
application was for expungement and, except as provided in 46594
division (C) of section 2953.34 of the Revised Code, all index 46595
references to the case that pertain to the conviction or bail 46596
forfeiture deleted and, in the case of bail forfeitures, shall 46597
dismiss the charges in the case. 46598

(b) The proceedings in the case that pertain to the 46599
conviction or bail forfeiture shall be considered not to have 46600
occurred and the conviction or bail forfeiture of the person who 46601
is the subject of the proceedings shall be sealed if the 46602
application was for sealing or expunged if the application was 46603

for expungement, except that upon conviction of a subsequent 46604
offense, a sealed record of prior conviction or bail forfeiture 46605
may be considered by the court in determining the sentence or 46606
other appropriate disposition, including the relief provided for 46607
in sections 2953.31, 2953.32, and 2953.34 of the Revised Code. 46608

(3) An applicant may request the sealing or expungement of 46609
the records of more than one case in a single application under 46610
this section. Upon the filing of an application under this 46611
section, the applicant, unless the applicant presents a poverty 46612
affidavit showing that the applicant is indigent, shall pay an 46613
application fee of fifty dollars and may pay a local court fee 46614
of not more than fifty dollars, regardless of the number of 46615
records the application requests to have sealed or expunged. If 46616
the applicant pays a fee, the court shall pay three-fifths of 46617
the fee collected into the state treasury, with half of that 46618
amount credited to the attorney general reimbursement fund 46619
created by section 109.11 of the Revised Code. If the applicant 46620
pays a fee, the court shall pay two-fifths of the fee collected 46621
into the county general revenue fund if the sealed or expunged 46622
conviction or bail forfeiture was pursuant to a state statute, 46623
or into the general revenue fund of the municipal corporation 46624
involved if the sealed or expunged conviction or bail forfeiture 46625
was pursuant to a municipal ordinance. 46626

(4) If the court orders the official records pertaining to 46627
the case sealed or expunged, the court shall do one of the 46628
following: 46629

(a) If the applicant was fingerprinted at the time of 46630
arrest or under section 109.60 of the Revised Code and the 46631
record of the applicant's fingerprints was provided to the court 46632
under division (C) of this section, forward a copy of the 46633

sealing or expungement order and the record of the applicant's 46634
fingerprints to the bureau of criminal identification and 46635
investigation. 46636

(b) If the applicant was not fingerprinted at the time of 46637
arrest or under section 109.60 of the Revised Code, or the 46638
record of the applicant's fingerprints was not provided to the 46639
court under division (C) of this section, but fingerprinting was 46640
required for the offense, order the applicant to appear before a 46641
sheriff to have the applicant's fingerprints taken according to 46642
the fingerprint system of identification on the forms furnished 46643
by the superintendent of the bureau of criminal identification 46644
and investigation. The sheriff shall forward the applicant's 46645
fingerprints to the court. The court shall forward the 46646
applicant's fingerprints and a copy of the sealing or 46647
expungement order to the bureau of criminal identification and 46648
investigation. 46649

Failure of the court to order fingerprints at the time of 46650
sealing or expungement does not constitute a reversible error. 46651

(5) Notwithstanding any other provision of the Revised 46652
Code to the contrary, when the bureau of criminal identification 46653
and investigation receives notice from a court that the record 46654
of a conviction or bail forfeiture has been expunged under this 46655
section, the bureau of criminal identification and investigation 46656
shall maintain a record of the expunged conviction record for 46657
the limited purpose of determining an individual's qualification 46658
or disqualification for employment in law enforcement. The 46659
bureau of criminal identification and investigation shall not be 46660
compelled by the court to destroy, delete, or erase those 46661
records so that the records are permanently irretrievable. These 46662
records may only be disclosed or provided to law enforcement for 46663

the limited purpose of determining an individual's qualification 46664
or disqualification for employment in law enforcement. 46665

When any other entity other than the bureau of criminal 46666
identification and investigation receives notice from a court 46667
that the record of a conviction or bail forfeiture has been 46668
expunged under this section, the entity shall destroy, delete, 46669
and erase the record as appropriate for the record's physical or 46670
electronic form or characteristic so that the record is 46671
permanently irretrievable. 46672

releasee, or a prisoner otherwise released from a state 46680
correctional institution to reside in a halfway house or other 46681
suitable community residential center that has been licensed by 46682

division ~~(C)~~ (D) of this section during a part or for the entire 46684
period of the offender's or parolee's conditional release or of 46685

pleas that placed an offender under a sanction consisting of a 46687
term in a halfway house or in an alternative residential 46688
sanction may require the offender to reside in a halfway house 46689
or other suitable community residential center that is 46690
designated by the court and that has been licensed by the 46691
division pursuant to division ~~(C)~~ (D) of this section during a 46692

part or for the entire period of the offender's residential 46693
sanction. 46694

negotiate and enter into agreements with any public or private 46696
agency or a department or political subdivision of the state 46697
that operates a halfway house, reentry center, or community 46698
residential center that has been licensed by the division 46699
pursuant to division ~~(C)~~ (D) of this section. An agreement under 46700
this division shall provide for the purchase of beds, shall set 46701
limits of supervision and levels of occupancy, and shall 46702
determine the scope of services for all eligible offenders, 46703
including those subject to a residential sanction, as defined in 46704
rules adopted by the director of rehabilitation and correction 46705
in accordance with Chapter 119. of the Revised Code, or those 46706
released from prison without supervision. The payments for beds 46707
and services shall not exceed the total operating costs of the 46708
halfway house, reentry center, or community residential center 46709
during the term of an agreement. The director of rehabilitation 46710
and correction shall adopt rules in accordance with Chapter 119. 46711
of the Revised Code for determining includable and excludable 46712
costs and income to be used in computing the agency's average 46713
daily per capita costs with its facility at full occupancy. 46714

The director of rehabilitation and correction shall adopt 46715
rules providing for the use of no more than fifteen per cent of 46716
the amount appropriated to the department each fiscal year for 46717
the halfway house, reentry center, and community residential 46718
center program to pay for contracts with licensed halfway houses 46719
for nonresidential services for offenders under the supervision 46720
of the adult parole authority, including but not limited to, 46721

~~(C)~~—(D) The division of parole and community services may 46729
license a halfway house, reentry center, or community 46730
residential center as a suitable facility for the care and 46731
treatment of adult offenders, including offenders sentenced 46732
under section 2929.16 or 2929.26 of the Revised Code, only if 46733
the halfway house, reentry center, or community residential 46734
center does not operate within five hundred feet of a school or 46735
child care center, except as provided in division (F) of this 46736
section, and complies with the standards that the division 46737
adopts in accordance with Chapter 119. of the Revised Code for 46738
the licensure of halfway houses, reentry centers, and community 46739
residential centers. The division shall annually inspect each 46740
licensed halfway house, licensed reentry center, and licensed 46741
community residential center to determine if it is in compliance 46742
with the licensure standards. 46743

~~(D)~~—(E) The division of parole and community services may 46744
expend up to one-half per cent of the annual appropriation made 46745
for halfway house programs, for goods or services that benefit 46746
those programs. 46747

(F) The requirement in division (D) of this section that a 46748
halfway house, reentry center, or community residential center 46749
not operate within five hundred feet of a school or child care 46750
center does not apply to either of the following: 46751

the halfway house, reentry center, or community residential 46759
center. 46760

Sec. 2967.18. (A) Whenever the director of rehabilitation 46761
and correction determines that the total population of the state 46762
correctional institutions for males and females, the total 46763
population of the state correctional institutions for males, or 46764
the total population of the state correctional institutions for 46765
females exceeds the capacity of those institutions and that an 46766
overcrowding emergency exists, the director shall notify the 46767
~~correctional institution inspection committee~~ attorney general 46768
of the emergency and provide the ~~committee~~ attorney general with 46769
information in support of the director's determination. The 46770
director shall not notify the ~~committee~~ attorney general that an 46771
overcrowding emergency exists unless the director determines 46772
that no other reasonable method is available to resolve the 46773
overcrowding emergency. 46774

(B) On receipt of the notice given pursuant to division 46775
(A) of this section, the ~~correctional institution inspection~~ 46776
~~committee~~ attorney general promptly shall review the 46777
determination of the director of rehabilitation and correction. 46778
Notwithstanding any other provision of the Revised Code or the 46779
Administrative Code that governs the lengths of criminal 46780
sentences, sets forth the time within which a prisoner is 46781
eligible for parole or within which a prisoner may apply for 46782
release, or regulates the procedure for granting parole or 46783

release to prisoners confined in state correctional 46784
institutions, the ~~committee~~attorney general may recommend to 46785
the governor that the prison terms of eligible male, female, or 46786
all prisoners, as determined under division (E) of this section, 46787
be reduced by thirty, sixty, or ninety days, in the manner 46788
prescribed in that division. 46789

(C) If the ~~correctional institution inspection committee~~ 46790
attorney general disagrees with the determination of the 46791
director of rehabilitation and correction that an overcrowding 46792
emergency exists, if the ~~committee~~attorney general finds that 46793
an overcrowding emergency exists but does not make a 46794
recommendation pursuant to division (B) of this section, or if 46795
the ~~committee~~attorney general does not make a finding or a 46796
recommendation pursuant to that division within thirty days of 46797
receipt of the notice given pursuant to division (A) of this 46798
section, the director may recommend to the governor that the 46799
action set forth in division (B) of this section be taken. 46800

(D) Upon receipt of a recommendation from the ~~correctional~~ 46801
~~institution inspection committee~~attorney general or the 46802
director of rehabilitation and correction made pursuant to this 46803
section, the governor may declare in writing that an 46804
overcrowding emergency exists in all of the institutions within 46805
the control of the department in which men are confined, in 46806
which women are confined, or both. The declaration shall state 46807
that the adult parole authority shall take the action set forth 46808
in division (B) of this section. After the governor makes the 46809
declaration, the director shall file a copy of it with the 46810
secretary of state, and the copy is a public record. 46811

The department may begin to implement the declaration of 46812
the governor made pursuant to this section on the date that it 46813

is filed with the secretary of state. The department shall begin 46814
to implement the declaration within thirty days after the date 46815
of filing. The declaration shall be implemented in accordance 46816
with division (E) of this section. 46817

(E) (1) No reduction of sentence pursuant to division (B) 46818
of this section shall be granted to any of the following: 46819

(b) A person who is serving a term of imprisonment for any 46827
felony other than carrying a concealed weapon that was committed 46828
while the person had a firearm, as defined in section 2923.11 of 46829
the Revised Code, on or about the offender's person or under the 46830
offender's control; 46831

(c) A person who is serving a term of imprisonment for a 46832

(f) A person who was denied parole or release pursuant to 46839
section 2929.20 of the Revised Code during the term of 46840
imprisonment the person currently is serving. 46841

(2) A declaration of the governor that requires the adult
parole authority to take the action set forth in division (B) of
this section shall be implemented only by reducing the prison
terms of prisoners who are not in any of the categories set
forth in division (E)(1) of this section, and only by granting
reductions of prison terms in the following order:

(a) Under any such declaration, prison terms initially
shall be reduced only for persons who are not in any of the
categories set forth in division (E)(1) of this section and who
are not serving a term of imprisonment for any of the following
offenses:

(i) An offense of violence that is a felony of the first,
second, or third degree or that, under the law in existence

Code that is a felony of the first or second degree.

(b) If every person serving a term of imprisonment at the
time of the implementation of any such declaration who is in the
class of persons eligible for the initial reduction of prison
terms, as described in division (E)(2)(a) of this section, has
received a total of ninety days of term reduction for each three

reduced for all other persons serving a term of imprisonment at
that time who are not in any of the categories set forth in
division (E)(1) of this section.

(F) An offender who is released from a state correctional
institution pursuant to this section is subject to post-release

the offender was a prisoner described in division (B) of section 46872
2967.28 of the Revised Code who was being released from 46873
imprisonment. 46874

(G) If more than one overcrowding emergency is declared 46875
while a prisoner is serving a prison term, the total term 46876
reduction for that prisoner as the result of multiple 46877
declarations shall not exceed ninety days for each three years 46878
of imprisonment actually served. 46879

Sec. 2967.26. (A) (1) The department of rehabilitation and 46880
correction, by rule, may establish a transitional control 46881
program for the purpose of closely monitoring a prisoner's 46882
adjustment to community supervision during the final one hundred 46883
eighty days of the prisoner's confinement. If the department 46884
establishes a transitional control program under this division, 46885
the division of parole and community services of the department 46886
of rehabilitation and correction may transfer eligible prisoners 46887
to transitional control status under the program during the 46888
final one hundred eighty days of their confinement and under the 46889
terms and conditions established by the department, shall 46890
provide for the confinement as provided in this division of each 46891
eligible prisoner so transferred, and shall supervise each 46892
eligible prisoner so transferred in one or more community 46893
control sanctions. Each eligible prisoner who is transferred to 46894
transitional control status under the program shall be confined 46895
in a suitable facility that is licensed pursuant to division ~~(C)~~ 46896
(D) of section 2967.14 of the Revised Code, or shall be confined 46897
in a residence the department has approved for this purpose and 46898
be monitored pursuant to an electronic monitoring device, as 46899
defined in section 2929.01 of the Revised Code. If the 46900
department establishes a transitional control program under this 46901

division, the rules establishing the program shall include 46902
criteria that define which prisoners are eligible for the 46903
program, criteria that must be satisfied to be approved as a 46904
residence that may be used for confinement under the program of 46905
a prisoner that is transferred to it and procedures for the 46906
department to approve residences that satisfy those criteria, 46907
and provisions of the type described in division (C) of this 46908
section. At a minimum, the criteria that define which prisoners 46909
are eligible for the program shall provide all of the following: 46910

(a) That a prisoner is eligible for the program if the 46911
prisoner is serving a prison term or term of imprisonment for an 46912
offense committed prior to March 17, 1998, and if, at the time 46913
at which eligibility is being determined, the prisoner would 46914
have been eligible for a furlough under this section as it 46915
existed immediately prior to March 17, 1998, or would have been 46916
eligible for conditional release under former section 2967.23 of 46917
the Revised Code as that section existed immediately prior to 46918
March 17, 1998; 46919

(b) That no prisoner who is serving a mandatory prison 46920
term is eligible for the program until after expiration of the 46921
mandatory term; 46922

(c) That no prisoner who is serving a prison term or term 46923
of life imprisonment without parole imposed pursuant to section 46924
2971.03 of the Revised Code is eligible for the program. 46925

(2) At least sixty days prior to transferring to 46926
transitional control under this section a prisoner who is 46927
serving a definite term of imprisonment or definite prison term 46928
of less than one year for an offense committed on or after July 46929
1, 1996, or who is serving a minimum term of less than one year 46930
under a non-life felony indefinite prison term, on or after 46931

April 4, 2023, the division of parole and community services of 46932
the department of rehabilitation and correction shall give 46933
notice of the pendency of the transfer to transitional control 46934
to the court of common pleas of the county in which the 46935
indictment against the prisoner was found and of the fact that 46936
the court may disapprove the transfer of the prisoner to 46937
transitional control and shall include the institutional summary 46938
report prepared by the head of the state correctional 46939
institution in which the prisoner is confined. The head of the 46940
state correctional institution in which the prisoner is 46941
confined, upon the request of the division of parole and 46942
community services, shall provide to the division for inclusion 46943
in the notice sent to the court under this division an 46944
institutional summary report on the prisoner's conduct in the 46945
institution and in any institution from which the prisoner may 46946
have been transferred. The institutional summary report shall 46947
cover the prisoner's participation in school, vocational 46948
training, work, treatment, and other rehabilitative activities 46949
and any disciplinary action taken against the prisoner. If the 46950
court disapproves of the transfer of the prisoner to 46951
transitional control, the court shall notify the division of the 46952
disapproval within thirty days after receipt of the notice. If 46953
the court timely disapproves the transfer of the prisoner to 46954
transitional control, the division shall not proceed with the 46955
transfer. If the court does not timely disapprove the transfer 46956
of the prisoner to transitional control, the division may 46957
transfer the prisoner to transitional control. 46958

(3) (a) If the victim of an offense for which a prisoner 46959
was sentenced to a prison term or term of imprisonment has 46960
requested notification under section 2930.16 of the Revised Code 46961
and has provided the department of rehabilitation and correction 46962

with the victim's name and address or if division (A) (3) (b) of 46963
this section applies, the division of parole and community 46964
services, at least sixty days prior to transferring the prisoner 46965
to transitional control pursuant to this section, shall notify 46966
the victim and the victim's representative, if applicable, of 46967
the pendency of the transfer and of the victim's and victim's 46968
representative's right to submit a statement to the division 46969
regarding the impact of the transfer of the prisoner to 46970
transitional control. If the victim or victim's representative's 46971
subsequently submits a statement of that nature to the division, 46972
the division shall consider the statement in deciding whether to 46973
transfer the prisoner to transitional control. 46974

(b) If a prisoner is incarcerated for the commission of 46975
aggravated murder, murder, or an offense of violence that is a 46976
felony of the first, second, or third degree or under a sentence 46977
of life imprisonment, except as otherwise provided in this 46978
division, the notice described in division (A) (3) (a) of this 46979
section shall be given regardless of whether the victim has 46980
requested the notification. The notice described in division (A) 46981
(3) (a) of this section shall not be given under this division to 46982
a victim if the victim has requested pursuant to division (B) (2) 46983
of section 2930.03 of the Revised Code that the victim not be 46984
provided the notice. If notice is to be provided to a victim 46985
under this division, the authority may give the notice by any 46986
reasonable means, including regular mail, telephone, and 46987
electronic mail, in accordance with division (D) (1) of section 46988
2930.16 of the Revised Code. If the notice is based on an 46989
offense committed prior to March 22, 2013, the notice also shall 46990
include the opt-out information described in division (D) (1) of 46991
section 2930.16 of the Revised Code. The authority, in 46992
accordance with division (D) (2) of section 2930.16 of the 46993

Revised Code, shall keep a record of all attempts to provide the 46994
notice, and of all notices provided, under this division. 46995

Division (A) (3) (b) of this section, and the notice-related 46996
provisions of divisions (E) (2) and (K) of section 2929.20, 46997
division (D) (1) of section 2930.16, division (H) of section 46998
2967.12, division (E) (1) (b) of section 2967.19 as it existed 46999
prior to April 4, 2023, division (D) (1) of section 2967.28, and 47000
division (A) (2) of section 5149.101 of the Revised Code enacted 47001
in the act in which division (A) (3) (b) of this section was 47002
enacted, shall be known as "Roberta's Law." 47003

(4) The department of rehabilitation and correction, at 47004
least sixty days prior to transferring a prisoner to 47005
transitional control pursuant to this section, shall post on the 47006
database it maintains pursuant to section 5120.66 of the Revised 47007
Code the prisoner's name and all of the information specified in 47008
division (A) (1) (c) (iv) of that section. In addition to and 47009
independent of the right of a victim to submit a statement as 47010
described in division (A) (3) of this section or to otherwise 47011
make a statement and in addition to and independent of any other 47012
right or duty of a person to present information or make a 47013
statement, any person may send to the division of parole and 47014
community services at any time prior to the division's transfer 47015
of the prisoner to transitional control a written statement 47016
regarding the transfer of the prisoner to transitional control. 47017
In addition to the information, reports, and statements it 47018
considers under divisions (A) (2) and (3) of this section or that 47019
it otherwise considers, the division shall consider each 47020
statement submitted in accordance with this division in deciding 47021
whether to transfer the prisoner to transitional control. 47022

(B) Each prisoner transferred to transitional control 47023

under this section shall be confined in the manner described in 47024
division (A) of this section during any period of time that the 47025
prisoner is not actually working at the prisoner's approved 47026
employment, engaged in a vocational training or another 47027
educational program, engaged in another program designated by 47028
the director, or engaged in other activities approved by the 47029
department. 47030

(C) The department of rehabilitation and correction shall 47031
adopt rules for transferring eligible prisoners to transitional 47032
control, supervising and confining prisoners so transferred, 47033
administering the transitional control program in accordance 47034
with this section, and using the moneys deposited into the 47035
transitional control fund established under division (E) of this 47036
section. 47037

(D) The department of rehabilitation and correction may 47038
adopt rules for the issuance of passes for the limited purposes 47039
described in this division to prisoners who are transferred to 47040
transitional control under this section. If the department 47041
adopts rules of that nature, the rules shall govern the granting 47042
of the passes and shall provide for the supervision of prisoners 47043
who are temporarily released pursuant to one of those passes. 47044
Upon the adoption of rules under this division, the department 47045
may issue passes to prisoners who are transferred to 47046
transitional control status under this section in accordance 47047
with the rules and the provisions of this division. All passes 47048
issued under this division shall be for a maximum of forty-eight 47049
hours and may be issued only for the following purposes: 47050

(1) To visit a relative in imminent danger of death; 47051

(2) To have a private viewing of the body of a deceased 47052
relative; 47053

(3) To visit with family; 47054

(4) To otherwise aid in the rehabilitation of the 47055
prisoner. 47056

(E) The division of parole and community services may 47057
require a prisoner who is transferred to transitional control to 47058
pay to the division the reasonable expenses incurred by the 47059
division in supervising or confining the prisoner while under 47060
transitional control. Inability to pay those reasonable expenses 47061
shall not be grounds for refusing to transfer an otherwise 47062
eligible prisoner to transitional control. Amounts received by 47063
the division of parole and community services under this 47064
division shall be deposited into the transitional control fund, 47065
which is hereby created in the state treasury and which hereby 47066
replaces and succeeds the furlough services fund that formerly 47067
existed in the state treasury. All moneys that remain in the 47068
furlough services fund on March 17, 1998, shall be transferred 47069
on that date to the transitional control fund. The transitional 47070
control fund shall be used solely to pay costs related to the 47071
operation of the transitional control program established under 47072
this section. The director of rehabilitation and correction 47073
shall adopt rules in accordance with section 111.15 of the 47074
Revised Code for the use of the fund. 47075

(F) A prisoner who violates any rule established by the 47076
department of rehabilitation and correction under division (A), 47077
(C), or (D) of this section may be transferred to a state 47078
correctional institution pursuant to rules adopted under 47079
division (A), (C), or (D) of this section, but the prisoner 47080
shall receive credit towards completing the prisoner's sentence 47081
for the time spent under transitional control. 47082

If a prisoner is transferred to transitional control under 47083

this section, upon successful completion of the period of 47084
transitional control, the prisoner may be released on parole or 47085
under post-release control pursuant to section 2967.13 or 47086
2967.28 of the Revised Code and rules adopted by the department 47087
of rehabilitation and correction. If the prisoner is released 47088
under post-release control, the duration of the post-release 47089
control, the type of post-release control sanctions that may be 47090
imposed, the enforcement of the sanctions, and the treatment of 47091
prisoners who violate any sanction applicable to the prisoner 47092
are governed by section 2967.28 of the Revised Code. 47093

Sec. 2967.271. (A) As used in this section: 47094

(1) "Offender's minimum prison term" means the minimum 47095
prison term imposed on an offender under a non-life felony 47096
indefinite prison term, diminished as provided in section 47097
2967.191 or 2967.193 of the Revised Code or in any other 47098
provision of the Revised Code, other than division (F) of this 47099
section, that provides for diminution or reduction of an 47100
offender's sentence. 47101

(2) "Offender's presumptive earned early release date" 47102
means the date that is determined under the procedures described 47103
in division (F) of this section by the reduction, if any, of an 47104
offender's minimum prison term by the sentencing court and the 47105
crediting of that reduction toward the satisfaction of the 47106
minimum term. 47107

(3) "Rehabilitative programs and activities" means 47108
education programs, vocational training, employment in prison 47109
industries, treatment for substance abuse, or other constructive 47110
programs developed by the department of rehabilitation and 47111
correction with specific standards for performance by prisoners. 47112

(4) "Security level" means the security level in which an offender is classified under the inmate classification level system of the department of rehabilitation and correction that then is in effect.

(5) "Sexually oriented offense" has the same meaning as in section 2950.01 of the Revised Code.

(B) When an offender is sentenced to a non-life felony indefinite prison term, there shall be a presumption that the person shall be released from service of the sentence on the expiration of the offender's minimum prison term or on the offender's presumptive earned early release date, whichever is earlier.

(C) The presumption established under division (B) of this section is a rebuttable presumption that the department of rehabilitation and correction may rebut as provided in this division. Unless the department rebuts the presumption, the offender shall be released from service of the sentence on the expiration of the offender's minimum prison term or on the offender's presumptive earned early release date, whichever is earlier. The department may rebut the presumption only if the department determines, at a hearing, that one or more of the following applies:

(1) Regardless of the security level in which the offender is classified at the time of the hearing, both of the following apply:

(a) During the offender's incarceration, the offender committed institutional rule infractions that involved compromising the security of a state correctional institution, compromising the safety of the staff of a state correctional

institution or its inmates, or physical harm or the threat of 47142
physical harm to the staff of a state correctional institution 47143
or its inmates, or committed a violation of law that was not 47144
prosecuted, and the infractions or violations demonstrate that 47145
the offender has not been rehabilitated. 47146

(b) The offender's behavior while incarcerated, including, 47147
but not limited to the infractions and violations specified in 47148
division (C) (1) (a) of this section, demonstrate that the 47149
offender continues to pose a threat to society. 47150

(2) Regardless of the security level in which the offender 47151
is classified at the time of the hearing, the offender has been 47152
placed by the department in extended restrictive housing at any 47153
time within the year preceding the date of the hearing. 47154

(3) At the time of the hearing, the offender is classified 47155
by the department as a security level three, four, or five, or 47156
at a higher security level. 47157

(D) (1) If the department of rehabilitation and correction, 47158
pursuant to division (C) of this section, rebuts the presumption 47159
established under division (B) of this section, the department 47160
may maintain the offender's incarceration in a state 47161
correctional institution under the sentence after the expiration 47162
of the offender's minimum prison term or, for offenders who have 47163
a presumptive earned early release date, after the offender's 47164
presumptive earned early release date. The department may 47165
maintain the offender's incarceration under this division for an 47166
additional period of incarceration determined by the department. 47167
The additional period of incarceration shall be a reasonable 47168
period determined by the department, shall be specified by the 47169
department, and shall not exceed the offender's maximum prison 47170
term. 47171

(2) If the department maintains an offender's 47172
incarceration for an additional period under division (D)(1) of 47173
this section, there shall be a presumption that the offender 47174
shall be released on the expiration of the offender's minimum 47175
prison term plus the additional period of incarceration 47176
specified by the department as provided under that division or, 47177
for offenders who have a presumptive earned early release date, 47178
on the expiration of the additional period of incarceration to 47179
be served after the offender's presumptive earned early release 47180
date that is specified by the department as provided under that 47181
division. The presumption is a rebuttable presumption that the 47182
department may rebut, but only if it conducts a hearing and 47183
makes the determinations specified in division (C) of this 47184
section, and if the department rebuts the presumption, it may 47185
maintain the offender's incarceration in a state correctional 47186
institution for an additional period determined as specified in 47187
division (D)(1) of this section. Unless the department rebuts 47188
the presumption at the hearing, the offender shall be released 47189
from service of the sentence on the expiration of the offender's 47190
minimum prison term plus the additional period of incarceration 47191
specified by the department or, for offenders who have a 47192
presumptive earned early release date, on the expiration of the 47193
additional period of incarceration to be served after the 47194
offender's presumptive earned early release date as specified by 47195
the department. 47196

The provisions of this division regarding the 47197
establishment of a rebuttable presumption, the department's 47198
rebuttal of the presumption, and the department's maintenance of 47199
an offender's incarceration for an additional period of 47200
incarceration apply, and may be utilized more than one time, 47201
during the remainder of the offender's incarceration. If the 47202

offender has not been released under division (C) of this 47203
section or this division prior to the expiration of the 47204
offender's maximum prison term imposed as part of the offender's 47205
non-life felony indefinite prison term, the offender shall be 47206
released upon the expiration of that maximum term. 47207

(E) The department shall provide notices of hearings to be 47208
conducted under division (C) or (D) of this section in the same 47209
manner, and to the same persons, as specified in section 2967.12 47210
and Chapter 2930. of the Revised Code with respect to hearings 47211
to be conducted regarding the possible release on parole of an 47212
inmate. 47213

(F) (1) The director of the department of rehabilitation 47214
and correction may notify the sentencing court in writing that 47215
the director is recommending that the court grant a reduction in 47216
the minimum prison term imposed on a specified offender who is 47217
serving a non-life felony indefinite prison term and who is 47218
eligible under division (F) (8) of this section for such a 47219
reduction, due to the offender's exceptional conduct while 47220
incarcerated or the offender's adjustment to incarceration. If 47221
the director wishes to recommend such a reduction for an 47222
offender, the director shall send the notice to the court not 47223
earlier than ninety days prior to the date on which the director 47224
wishes to credit the reduction toward the satisfaction of the 47225
offender's minimum prison term. If the director recommends such 47226
a reduction for an offender, there shall be a presumption that 47227
the court shall grant the recommended reduction to the offender. 47228
The presumption established under this division is a rebuttable 47229
presumption that may be rebutted as provided in division (F) (4) 47230
of this section. 47231

The director shall include with the notice sent to a court 47232

under this division an institutional summary report that covers 47233
the offender's participation while confined in a state 47234
correctional institution in rehabilitative programs and 47235
activities and any disciplinary action taken against the 47236
offender while so confined, and any other documentation 47237
requested by the court, if available. 47238

The notice the director sends to a court under this 47239
division shall do all of the following: 47240

(a) Identify the offender; 47241

(b) Specify the length of the recommended reduction, which 47242
shall be for five to fifteen per cent of the offender's minimum 47243
term determined in accordance with rules adopted by the 47244
department under division (F) (7) of this section; 47245

(c) Specify the reason or reasons that qualify the 47246
offender for the recommended reduction; 47247

(d) Inform the court of the rebuttable presumption and 47248
that the court must either approve or, if the court finds that 47249
the presumption has been rebutted, disapprove of the recommended 47250
reduction, and that if it approves of the recommended reduction, 47251
it must grant the reduction; 47252

(e) Inform the court that it must notify the department of 47253
its decision as to approval or disapproval not later than sixty 47254
days after receipt of the notice from the director. 47255

(2) When the director, under division (F) (1) of this 47256
section, submits a notice to a sentencing court that the 47257
director is recommending that the court grant a reduction in the 47258
minimum prison term imposed on an offender serving a non-life 47259
felony indefinite prison term, the department promptly shall 47260
provide to the prosecuting attorney of the county in which the 47261

offender was indicted a copy of the written notice, a copy of 47262
the institutional summary report described in that division, and 47263
any other information provided to the court. 47264

(3) Upon receipt of a notice submitted by the director 47265
under division (F)(1) of this section, the court shall schedule 47266
a hearing to consider whether to grant the reduction in the 47267
minimum prison term imposed on the specified offender that was 47268
recommended by the director or to find that the presumption has 47269
been rebutted and disapprove the recommended reduction. Upon 47270
scheduling the hearing, the court promptly shall give notice of 47271
the hearing to the prosecuting attorney of the county in which 47272
the offender was indicted and to the department. The notice 47273
shall inform the prosecuting attorney that the prosecuting 47274
attorney may submit to the court, prior to the date of the 47275
hearing, written information relevant to the recommendation and 47276
may present at the hearing written information and oral 47277
information relevant to the recommendation. 47278

Upon receipt of the notice from the court, the prosecuting 47279
attorney shall notify the victim of the offender or the victim's 47280
representative of the recommendation by the director, the date, 47281
time, and place of the hearing, the fact that the victim may 47282
submit to the court, prior to the date of the hearing, written 47283
information relevant to the recommendation, and the address and 47284
procedure for submitting the information. 47285

(4) At the hearing scheduled under division (F)(3) of this 47286
section, the court shall afford the prosecuting attorney an 47287
opportunity to present written information and oral information 47288
relevant to the director's recommendation. In making its 47289
determination as to whether to grant or disapprove the reduction 47290
in the minimum prison term imposed on the specified offender 47291

that was recommended by the director, the court shall consider 47292
any report and other documentation submitted by the director, 47293
any information submitted by a victim, any information submitted 47294
or presented at the hearing by the prosecuting attorney, and all 47295
of the factors set forth in divisions (B) to (D) of section 47296
2929.12 of the Revised Code that are relevant to the offender's 47297
offense and to the offender. 47298

Unless the court, after considering at the hearing the 47299
specified reports, documentation, information, and relevant 47300
factors, finds that the presumption that the recommended 47301
reduction shall be granted has been rebutted and disapproves the 47302
recommended reduction, the court shall grant the recommended 47303
reduction. The court may disapprove the recommended reduction 47304
only if, after considering at the hearing the specified reports, 47305
documentation, information, and relevant factors, it finds that 47306
the presumption that the reduction shall be granted has been 47307
rebutted. The court may find that the presumption has been 47308
rebutted and disapprove the recommended reduction only if it 47309
determines at the hearing that one or more of the following 47310
applies: 47311

(a) Regardless of the security level in which the offender 47312
is classified at the time of the hearing, during the offender's 47313
incarceration, the offender committed institutional rule 47314
infractions that involved compromising the security of a state 47315
correctional institution, compromising the safety of the staff 47316
of a state correctional institution or its inmates, or physical 47317
harm or the threat of physical harm to the staff of a state 47318
correctional institution or its inmates, or committed a 47319
violation of law that was not prosecuted, and the infractions or 47320
violations demonstrate that the offender has not been 47321
rehabilitated. 47322

(b) The offender's behavior while incarcerated, including, 47323
but not limited to, the infractions and violations specified in 47324
division (F) (4) (a) of this section, demonstrates that the 47325
offender continues to pose a threat to society. 47326

(c) At the time of the hearing, the offender is classified 47327
by the department as a security level three, four, or five, or 47328
at a higher security level. 47329

(d) During the offender's incarceration, the offender did 47330
not productively participate in a majority of the rehabilitative 47331
programs and activities recommended by the department for the 47332
offender, or the offender participated in a majority of such 47333
recommended programs or activities but did not successfully 47334
complete a reasonable number of the programs or activities in 47335
which the offender participated. 47336

(e) After release, the offender will not be residing in a 47337
halfway house, reentry center, or community residential center 47338
licensed under division ~~(C)~~ (D) of section 2967.14 of the 47339
Revised Code and, after release, does not have any other place 47340
to reside at a fixed residence address. 47341

(5) If the court pursuant to division (F) (4) of this 47342
section finds that the presumption that the recommended 47343
reduction in the offender's minimum prison term has been 47344
rebutted and disapproves the recommended reduction, the court 47345
shall notify the department of the disapproval not later than 47346
sixty days after receipt of the notice from the director. The 47347
court shall specify in the notification the reason or reasons 47348
for which it found that the presumption was rebutted and 47349
disapproved the recommended reduction. The court shall not 47350
reduce the offender's minimum prison term, and the department 47351
shall not credit the amount of the disapproved reduction toward 47352

satisfaction of the offender's minimum prison term. 47353

If the court pursuant to division (F)(4) of this section 47354
grants the recommended reduction of the offender's minimum 47355
prison term, the court shall notify the department of the grant 47356
of the reduction not later than sixty days after receipt of the 47357
notice from the director, the court shall reduce the offender's 47358
minimum prison term in accordance with the recommendation 47359
submitted by the director, and the department shall credit the 47360
amount of the reduction toward satisfaction of the offender's 47361
minimum prison term. 47362

Upon deciding whether to disapprove or grant the 47363
recommended reduction of the offender's minimum prison term, the 47364
court shall notify the prosecuting attorney of the decision and 47365
the prosecuting attorney shall notify the victim or victim's 47366
representative of the court's decision. 47367

(6) If the court under division (F)(5) of this section 47368
grants the reduction in the minimum prison term imposed on an 47369
offender that was recommended by the director and reduces the 47370
offender's minimum prison term, the date determined by the 47371
department's crediting of the reduction toward satisfaction of 47372
the offender's minimum prison term is the offender's presumptive 47373
earned early release date. 47374

(7) The department of rehabilitation and correction by 47375
rule shall specify both of the following for offenders serving a 47376
non-life felony indefinite prison term: 47377

(a) The type of exceptional conduct while incarcerated and 47378
the type of adjustment to incarceration that will qualify an 47379
offender serving such a prison term for a reduction under 47380
divisions (F)(1) to (6) of this section of the minimum prison 47381

term imposed on the offender under the non-life felony 47382
indefinite prison term. 47383

(b) The per cent of reduction that it may recommend for, 47384
and that may be granted to, an offender serving such a prison 47385
term under divisions (F)(1) to (6) of this section, based on the 47386
offense level of the offense for which the prison term was 47387
imposed, with the department specifying the offense levels used 47388
for purposes of this division and assigning a specific 47389
percentage reduction within the range of five to fifteen per 47390
cent for each such offense level. 47391

(8) Divisions (F)(1) to (6) of this section do not apply 47392
with respect to an offender serving a non-life felony indefinite 47393
prison term for a sexually oriented offense, and no offender 47394
serving such a prison term for a sexually oriented offense is 47395
eligible to be recommended for or granted, or may be recommended 47396
for or granted, a reduction under those divisions in the 47397
offender's minimum prison term imposed under that non-life 47398
felony indefinite prison term. 47399

(G) If an offender is sentenced to a non-life felony 47400
indefinite prison term, any reference in a section of the 47401
Revised Code to a definite prison term shall be construed as 47402
referring to the offender's minimum term under that sentence 47403
plus any additional period of time of incarceration specified by 47404
the department under division (D)(1) or (2) of this section, 47405
except to the extent otherwise specified in the section or to 47406
the extent that that construction clearly would be 47407
inappropriate. 47408

Sec. 2967.28. (A) As used in this section: 47409

(1) "Monitored time" means the monitored time sanction 47410

specified in section 2929.17 and defined in section 2929.01 of 47411
the Revised Code. 47412

(2) "Deadly weapon" and "dangerous ordnance" have the same 47413
meanings as in section 2923.11 of the Revised Code. 47414

(3) "Felony sex offense" means a violation of a section 47415
contained in Chapter 2907. of the Revised Code that is a felony. 47416

(4) "Risk reduction sentence" means a prison term imposed 47417
by a court, when the court recommends pursuant to section 47418
2929.143 of the Revised Code that the offender serve the 47419
sentence under section 5120.036 of the Revised Code, and the 47420
offender may potentially be released from imprisonment prior to 47421
the expiration of the prison term if the offender successfully 47422
completes all assessment and treatment or programming required 47423
by the department of rehabilitation and correction under section 47424
5120.036 of the Revised Code. 47425

(5) "Victim's immediate family" has the same meaning as in 47426
section 2967.12 of the Revised Code. 47427

(6) "Minor drug possession offense" has the same meaning 47428
as in section 2925.11 of the Revised Code. 47429

(7) "Single validated risk assessment tool" means the 47430
single validated risk assessment tool selected by the department 47431
of rehabilitation and correction under section 5120.114 of the 47432
Revised Code. 47433

(B) Each sentence to a prison term, other than a term of 47434
life imprisonment, for a felony of the first degree, for a 47435
felony of the second degree, for a felony sex offense, or for a 47436
felony of the third degree that is an offense of violence and is 47437
not a felony sex offense shall include a requirement that the 47438
offender be subject to a period of post-release control imposed 47439

by the parole board after the offender's release from 47440
imprisonment. For post-release control to be imposed, the 47441
offender must be committed to the department of rehabilitation 47442
and correction as set forth in section 5120.16 of the Revised 47443
Code. This division applies with respect to all prison terms of 47444
a type described in this division, including a term of any such 47445
type that is a risk reduction sentence. If a court imposes a 47446
sentence including a prison term of a type described in this 47447
division on or after July 11, 2006, the failure of a sentencing 47448
court to notify the offender pursuant to division (B) (2) (d) of 47449
section 2929.19 of the Revised Code of this requirement or to 47450
include in the judgment of conviction entered on the journal a 47451
statement that the offender's sentence includes this requirement 47452
does not negate, limit, or otherwise affect the mandatory period 47453
of supervision that is required for the offender under this 47454
division. This division applies with respect to all prison terms 47455
of a type described in this division, including a non-life 47456
felony indefinite prison term. Section 2929.191 of the Revised 47457
Code applies if, prior to July 11, 2006, a court imposed a 47458
sentence including a prison term of a type described in this 47459
division and failed to notify the offender pursuant to division 47460
(B) (2) (d) of section 2929.19 of the Revised Code regarding post- 47461
release control or to include in the judgment of conviction 47462
entered on the journal or in the sentence pursuant to division 47463
(D) (1) of section 2929.14 of the Revised Code a statement 47464
regarding post-release control. Unless reduced by the parole 47465
board pursuant to division (D) of this section when authorized 47466
under that division, a period of post-release control required 47467
by this division for an offender shall be of one of the 47468
following periods: 47469

(1) For a felony sex offense, five years; 47470

(2) For a felony of the first degree that is not a felony 47471
sex offense, up to five years, but not less than two years; 47472

(3) For a felony of the second degree that is not a felony 47473
sex offense, up to three years, but not less than eighteen 47474
months; 47475

(4) For a felony of the third degree that is an offense of 47476
violence and is not a felony sex offense, up to three years, but 47477
not less than one year. 47478

(C) Any sentence to a prison term for a felony of the 47479
third, fourth, or fifth degree that is not subject to division 47480
(B) (1) or (4) of this section shall include a requirement that 47481
the offender be subject to a period of post-release control of 47482
up to two years after the offender's release from imprisonment, 47483
if the parole board, in accordance with division (D) of this 47484
section, determines that a period of post-release control is 47485
necessary for that offender. For post-release control to be 47486
imposed, the offender must be committed to the department of 47487
rehabilitation and correction as set forth in section 5120.16 of 47488
the Revised Code. This division applies with respect to all 47489
prison terms of a type described in this division, including a 47490
term of any such type that is a risk reduction sentence. Section 47491
2929.191 of the Revised Code applies if, prior to July 11, 2006, 47492
a court imposed a sentence including a prison term of a type 47493
described in this division and failed to notify the offender 47494
pursuant to division (B) (2) (e) of section 2929.19 of the Revised 47495
Code regarding post-release control or to include in the 47496
judgment of conviction entered on the journal or in the sentence 47497
pursuant to division (D) (2) of section 2929.14 of the Revised 47498
Code a statement regarding post-release control. Pursuant to an 47499
agreement entered into under section 2967.29 of the Revised 47500

Code, a court of common pleas or parole board may impose 47501
sanctions or conditions on an offender who is placed on post- 47502
release control under this division. 47503

(D) (1) Before the prisoner is released from imprisonment, 47504
the parole board or, pursuant to an agreement under section 47505
2967.29 of the Revised Code, the court shall impose on a 47506
prisoner described in division (B) of this section, shall impose 47507
on a prisoner described in division (C) of this section who is 47508
to be released before the expiration of the prisoner's stated 47509
prison term under a risk reduction sentence, may impose on a 47510
prisoner described in division (C) of this section who is not to 47511
be released before the expiration of the prisoner's stated 47512
prison term under a risk reduction sentence, and shall impose on 47513
a prisoner described in division (B) (2) (b) of section 5120.031 47514
or in division (B) (1) of section 5120.032 of the Revised Code, 47515
one or more post-release control sanctions to apply during the 47516
prisoner's period of post-release control. Whenever the board or 47517
court imposes one or more post-release control sanctions on a 47518
prisoner, the board or court, in addition to imposing the 47519
sanctions, also shall include as a condition of the post-release 47520
control that the offender not leave the state without permission 47521
of the court or the offender's parole or probation officer and 47522
that the offender abide by the law. The board or court may 47523
impose any other conditions of release under a post-release 47524
control sanction that the board or court considers appropriate, 47525
and the conditions of release may include any community 47526
residential sanction, community nonresidential sanction, or 47527
financial sanction that the sentencing court was authorized to 47528
impose pursuant to sections 2929.16, 2929.17, and 2929.18 of the 47529
Revised Code. Prior to the release of a prisoner for whom it 47530
will impose one or more post-release control sanctions under 47531

this division, the parole board or court shall review the 47532
prisoner's criminal history, results from the single validated 47533
risk assessment tool, and the record of the prisoner's conduct 47534
while imprisoned. The parole board or court shall consider any 47535
recommendation regarding post-release control sanctions for the 47536
prisoner made by the office of victims' services. After 47537
considering those materials, the board or court shall determine, 47538
for a prisoner described in division (B) of this section, 47539
division (B) (2) (b) of section 5120.031, or division (B) (1) of 47540
section 5120.032 of the Revised Code and for a prisoner 47541
described in division (C) of this section who is to be released 47542
before the expiration of the prisoner's stated prison term under 47543
a risk reduction sentence, which post-release control sanction 47544
or combination of post-release control sanctions is reasonable 47545
under the circumstances or, for a prisoner described in division 47546
(C) of this section who is not to be released before the 47547
expiration of the prisoner's stated prison term under a risk 47548
reduction sentence, whether a post-release control sanction is 47549
necessary and, if so, which post-release control sanction or 47550
combination of post-release control sanctions is reasonable 47551
under the circumstances. In the case of a prisoner convicted of 47552
a felony of the fourth or fifth degree other than a felony sex 47553
offense, the board or court shall presume that monitored time is 47554
the appropriate post-release control sanction unless the board 47555
or court determines that a more restrictive sanction is 47556
warranted. A post-release control sanction imposed under this 47557
division takes effect upon the prisoner's release from 47558
imprisonment. 47559

Regardless of whether the prisoner was sentenced to the 47560
prison term prior to, on, or after July 11, 2006, prior to the 47561
release of a prisoner for whom it will impose one or more post- 47562

release control sanctions under this division, the parole board 47563
shall notify the prisoner that, if the prisoner violates any 47564
sanction so imposed or any condition of post-release control 47565
described in division (B) of section 2967.131 of the Revised 47566
Code that is imposed on the prisoner, the parole board may 47567
impose a prison term of up to one-half of the stated prison term 47568
originally imposed on the prisoner. 47569

At least thirty days before the prisoner is released from 47570
imprisonment under post-release control, except as otherwise 47571
provided in this paragraph, the department of rehabilitation and 47572
correction shall notify the victim and the victim's immediate 47573
family of the date on which the prisoner will be released, the 47574
period for which the prisoner will be under post-release control 47575
supervision, and the terms and conditions of the prisoner's 47576
post-release control regardless of whether the victim or 47577
victim's immediate family has requested the notification. The 47578
notice described in this paragraph shall not be given to a 47579
victim or victim's immediate family if the victim or the 47580
victim's immediate family has requested pursuant to division (B) 47581
(2) of section 2930.03 of the Revised Code that the notice not 47582
be provided to the victim or the victim's immediate family. At 47583
least thirty days before the prisoner is released from 47584
imprisonment and regardless of whether the victim or victim's 47585
immediate family has requested that the notice described in this 47586
paragraph be provided or not be provided to the victim or the 47587
victim's immediate family, the department also shall provide 47588
notice of that nature to the prosecuting attorney in the case 47589
and the law enforcement agency that arrested the prisoner if any 47590
officer of that agency was a victim of the offense. 47591

If the notice given under the preceding paragraph to the 47592
victim or the victim's immediate family is based on an offense 47593

committed prior to March 22, 2013, and if the department of 47594
rehabilitation and correction has not previously successfully 47595
provided any notice to the victim or the victim's immediate 47596
family under division (B), (C), or (D) of section 2930.16 of the 47597
Revised Code with respect to that offense and the offender who 47598
committed it, the notice also shall inform the victim or the 47599
victim's immediate family that the victim or the victim's 47600
immediate family may request that the victim or the victim's 47601
immediate family not be provided any further notices with 47602
respect to that offense and the offender who committed it and 47603
shall describe the procedure for making that request. The 47604
department may give the notices to which the preceding paragraph 47605
applies by any reasonable means, including regular mail, 47606
telephone, and electronic mail. If the department attempts to 47607
provide notice to any specified person under the preceding 47608
paragraph but the attempt is unsuccessful because the department 47609
is unable to locate the specified person, is unable to provide 47610
the notice by its chosen method because it cannot determine the 47611
mailing address, electronic mail address, or telephone number at 47612
which to provide the notice, or, if the notice is sent by mail, 47613
the notice is returned, the department shall make another 47614
attempt to provide the notice to the specified person. If the 47615
second attempt is unsuccessful, the department shall make at 47616
least one more attempt to provide the notice. If the notice is 47617
based on an offense committed prior to March 22, 2013, in each 47618
attempt to provide the notice to the victim or victim's 47619
immediate family, the notice shall include the opt-out 47620
information described in this paragraph. The department, in the 47621
manner described in division (D) (2) of section 2930.16 of the 47622
Revised Code, shall keep a record of all attempts to provide the 47623
notice, and of all notices provided, under this paragraph and 47624
the preceding paragraph. The record shall be considered as if it 47625

was kept under division (D) (2) of section 2930.16 of the Revised 47626
Code. This paragraph, the preceding paragraph, and the notice- 47627
related provisions of divisions (E) (2) and (K) of section 47628
2929.20, division (D) (1) of section 2930.16, division (H) of 47629
section 2967.12, division (E) (1) (b) of section 2967.19 as it 47630
existed prior to ~~the effective date of this amendment~~ April 4, 47631
2023, division (A) (3) (b) of section 2967.26, and division (A) (2) 47632
of section 5149.101 of the Revised Code enacted in the act in 47633
which this paragraph and the preceding paragraph were enacted, 47634
shall be known as "Roberta's Law." 47635

(2) If a prisoner who is placed on post-release control 47636
under this section is released before the expiration of the 47637
definite term that is the prisoner's stated prison term or the 47638
expiration of the minimum term that is part of the prisoner's 47639
indefinite prison term imposed under a non-life felony 47640
indefinite prison term by reason of credit earned under section 47641
2967.193 or 2967.194 or a reduction under division (F) of 47642
section 2967.271 of the Revised Code and if the prisoner earned 47643
sixty or more days of credit, the adult parole authority may 47644
supervise the offender with an active global positioning system 47645
device for the first fourteen days after the offender's release 47646
from imprisonment. This division does not prohibit or limit the 47647
imposition of any post-release control sanction otherwise 47648
authorized by this section. 47649

(3) After a prisoner is released from imprisonment and 47650
during the period of post-release control applicable to the 47651
releasee, the adult parole authority or, pursuant to an 47652
agreement under section 2967.29 of the Revised Code, the court 47653
may review the releasee's behavior under the post-release 47654
control sanctions imposed upon the releasee under this section. 47655
The authority or court may determine, based upon the review and 47656

in accordance with the standards established under division (E) 47657
of this section, that the releasee has satisfactorily complied 47658
with the sanctions imposed, and if such a determination is made, 47659
the authority may recommend a less restrictive sanction, reduce 47660
the period of post-release control, or, no sooner than the 47661
minimum period of time required under section 2967.16 of the 47662
Revised Code, recommend that the parole board or court terminate 47663
the duration of the period of post-release control. In no case 47664
shall the board or court reduce the duration of the period of 47665
control imposed for a felony sex offense described in division 47666
(B) (1) of this section. 47667

(4) The department of rehabilitation and correction shall 47668
develop factors that the parole board or court shall consider in 47669
determining under division (D) (3) of this section whether to 47670
terminate the period of control imposed on a releasee. 47671

(E) The department of rehabilitation and correction, in 47672
accordance with Chapter 119. of the Revised Code, shall adopt 47673
rules that do all of the following: 47674

(1) Establish standards for the imposition by the parole 47675
board of post-release control sanctions under this section that 47676
are consistent with the overriding purposes and sentencing 47677
principles set forth in section 2929.11 of the Revised Code and 47678
that are appropriate to the needs of releasees; 47679

(2) Establish standards that provide for a period of post- 47680
release control of up to two years for all prisoners described 47681
in division (C) of this section who are to be released before 47682
the expiration of their stated prison term under a risk 47683
reduction sentence and standards by which the parole board can 47684
determine which prisoners described in division (C) of this 47685
section who are not to be released before the expiration of 47686

their stated prison term under a risk reduction sentence should 47687
be placed under a period of post-release control; 47688

(3) Establish standards to be used by the parole board in 47689
reducing or terminating the duration of the period of post- 47690
release control imposed by the court when authorized under 47691
division (D) of this section, in imposing a more restrictive 47692
post-release control sanction than monitored time on a prisoner 47693
convicted of a felony of the fourth or fifth degree other than a 47694
felony sex offense, or in imposing a less restrictive control 47695
sanction on a releasee based on results from the single 47696
validated risk assessment tool and on the releasee's activities 47697
including, but not limited to, remaining free from criminal 47698
activity and from the abuse of alcohol or other drugs, 47699
successfully participating in approved rehabilitation programs, 47700
maintaining employment, and paying restitution to the victim or 47701
meeting the terms of other financial sanctions; 47702

(4) Establish standards to be used by the adult parole 47703
authority in modifying a releasee's post-release control 47704
sanctions pursuant to division (D)(2) of this section; 47705

(5) Establish standards to be used by the adult parole 47706
authority or parole board in imposing further sanctions under 47707
division (F) of this section on releasees who violate post- 47708
release control sanctions, including standards that do the 47709
following: 47710

(a) Classify violations according to the degree of 47711
seriousness; 47712

(b) Define the circumstances under which formal action by 47713
the parole board is warranted; 47714

(c) Govern the use of evidence at violation hearings; 47715

(d) Ensure procedural due process to an alleged violator; 47716

(e) Prescribe nonresidential community control sanctions 47717
for most misdemeanor and technical violations; 47718

(f) Provide procedures for the return of a releasee to 47719
imprisonment for violations of post-release control. 47720

(F) (1) Whenever the parole board imposes one or more post- 47721
release control sanctions on an offender under this section, the 47722
offender upon release from imprisonment shall be under the 47723
general jurisdiction of the adult parole authority and generally 47724
shall be supervised by the field services section through its 47725
staff of parole and field officers as described in section 47726
5149.04 of the Revised Code, as if the offender had been placed 47727
on parole. If the offender upon release from imprisonment 47728
violates the post-release control sanction or any conditions 47729
described in division (A) of section 2967.131 of the Revised 47730
Code that are imposed on the offender, the public or private 47731
person or entity that operates or administers the sanction or 47732
the program or activity that comprises the sanction shall report 47733
the violation directly to the adult parole authority or to the 47734
officer of the authority who supervises the offender. The 47735
authority's officers may treat the offender as if the offender 47736
were on parole and in violation of the parole, and otherwise 47737
shall comply with this section. 47738

(2) If the adult parole authority or, pursuant to an 47739
agreement under section 2967.29 of the Revised Code, the court 47740
determines that a releasee has violated a post-release control 47741
sanction or any conditions described in division (A) of section 47742
2967.131 of the Revised Code imposed on the releasee and that a 47743
more restrictive sanction is appropriate, the authority or court 47744
may impose a more restrictive sanction on the releasee, in 47745

accordance with the standards established under division (E) of 47746
this section or in accordance with the agreement made under 47747
section 2967.29 of the Revised Code, or may report the violation 47748
to the parole board for a hearing pursuant to division (F) (3) of 47749
this section. The authority or court may not, pursuant to this 47750
division, increase the duration of the releasee's post-release 47751
control or impose as a post-release control sanction a 47752
residential sanction that includes a prison term, but the 47753
authority or court may impose on the releasee any other 47754
residential sanction, nonresidential sanction, or financial 47755
sanction that the sentencing court was authorized to impose 47756
pursuant to sections 2929.16, 2929.17, and 2929.18 of the 47757
Revised Code. 47758

(3) The parole board or, pursuant to an agreement under 47759
section 2967.29 of the Revised Code, the court may hold a 47760
hearing on any alleged violation by a releasee of a post-release 47761
control sanction or any conditions described in division (A) of 47762
section 2967.131 of the Revised Code that are imposed upon the 47763
releasee. Except as otherwise provided in this division, if 47764
after the hearing the board or court finds that the releasee 47765
violated the sanction or condition, the board or court may 47766
increase the duration of the releasee's post-release control up 47767
to the maximum duration authorized by division (B) or (C) of 47768
this section or impose a more restrictive post-release control 47769
sanction. If a releasee was acting pursuant to division (B) (2) 47770
(b) of section 2925.11 or a related provision of section 47771
2925.12, 2925.14, or 2925.141 of the Revised Code and in so 47772
doing violated the conditions of a post-release control sanction 47773
based on a minor drug possession offense, as defined in that 47774
section, or violated section 2925.12, division (C) (1) of section 47775
2925.14, or section 2925.141 of the Revised Code, the board or 47776

the court shall not impose any of the penalties described in 47777
this division based on the violation. When appropriate, the 47778
board or court may impose as a post-release control sanction a 47779
residential sanction that includes a prison term. The board or 47780
court shall consider a prison term as a post-release control 47781
sanction imposed for a violation of post-release control when 47782
the violation involves a deadly weapon or dangerous ordnance, 47783
physical harm or attempted serious physical harm to a person, or 47784
sexual misconduct. Unless a releasee's stated prison term was 47785
reduced pursuant to section 5120.032 of the Revised Code, the 47786
period of a prison term that is imposed as a post-release 47787
control sanction under this division shall not exceed nine 47788
months, and the maximum cumulative prison term for all 47789
violations under this division shall not exceed one-half of the 47790
definite prison term that was the stated prison term originally 47791
imposed on the offender as part of this sentence or, with 47792
respect to a stated non-life felony indefinite prison term, one- 47793
half of the minimum prison term that was imposed as part of that 47794
stated prison term originally imposed on the offender. If a 47795
releasee's stated prison term was reduced pursuant to section 47796
5120.032 of the Revised Code, the period of a prison term that 47797
is imposed as a post-release control sanction under this 47798
division and the maximum cumulative prison term for all 47799
violations under this division shall not exceed the period of 47800
time not served in prison under the sentence imposed by the 47801
court. The period of a prison term that is imposed as a post- 47802
release control sanction under this division shall not count as, 47803
or be credited toward, the remaining period of post-release 47804
control. If, during the period of the releasee's post-release 47805
control, the releasee serves as a post-release control sanction 47806
the maximum prison time available as a sanction, the post- 47807
release control shall terminate. 47808

If an offender is imprisoned for a felony committed while 47809
under post-release control supervision and is again released on 47810
post-release control for a period of time, the maximum 47811
cumulative prison term for all violations under this division 47812
shall not exceed one-half of the total stated prison terms of 47813
the earlier felony, reduced by any prison term administratively 47814
imposed by the parole board or court, plus one-half of the total 47815
stated prison term of the new felony. 47816

(G) (1) If an offender is simultaneously subject to a 47817
period of parole under an indefinite or life sentence and a 47818
period of post-release control, or is simultaneously subject to 47819
two periods of post-release control, the period of supervision 47820
that expires last shall determine the length and form of 47821
supervision for all the periods and the related sentences. 47822

(2) An offender shall receive credit for post-release 47823
control supervision during the period of parole, and shall not 47824
be eligible for final release under section 2967.16 of the 47825
Revised Code until the post-release control period otherwise 47826
would have ended. 47827

(3) If the period of parole ends prior to the end of the 47828
period of post-release control, the requirements of parole 47829
supervision shall be satisfied during the post-release control 47830
period. 47831

(H) (1) A period of post-release control shall not be 47832
imposed consecutively to any other post-release control period. 47833

(2) The period of post-release control for a releasee who 47834
commits a felony while under post-release control for an earlier 47835
felony shall be the longer of the period of post-release control 47836
specified for the new felony under division (B) or (C) of this 47837

section or the time remaining under the period of post-release 47838
control imposed for the earlier felony as determined by the 47839
parole board or court. 47840

Sec. 2969.13. All moneys that are collected pursuant to 47841
section 2929.32 of the Revised Code and required to be deposited 47842
in the crime victims recovery fund shall be credited ~~by the~~ 47843
~~treasurer of state~~ to the fund. Any interest earned on the money 47844
in the fund shall be credited to the fund. 47845

Sec. 2981.02. (A) (1) The following property is subject to 47846
forfeiture to the state or a political subdivision under either 47847
the criminal or delinquency process in section 2981.04 of the 47848
Revised Code or the civil process in section 2981.05 of the 47849
Revised Code: 47850

(a) Contraband involved in an offense; 47851

(b) Proceeds derived from or acquired through the 47852
commission of an offense; 47853

(c) An instrumentality that is used in or intended to be 47854
used in the commission or facilitation of any of the following 47855
offenses when the use or intended use, consistent with division 47856
(B) of this section, is sufficient to warrant forfeiture under 47857
this chapter: 47858

(i) A felony; 47859

(ii) A misdemeanor, when forfeiture is specifically 47860
authorized by a section of the Revised Code or by a municipal 47861
ordinance that creates the offense or sets forth its penalties; 47862

(iii) An attempt to commit, complicity in committing, or a 47863
conspiracy to commit an offense of the type described in 47864
divisions (A) (3) (a) and (b) of this section. 47865

(2) In determining whether an alleged instrumentality was used in or was intended to be used in the commission or facilitation of an offense or an attempt, complicity, or conspiracy to commit an offense in a manner sufficient to warrant its forfeiture, the trier of fact shall consider the following factors the trier of fact determines are relevant:

(a) Whether the offense could not have been committed or attempted but for the presence of the instrumentality;

(b) Whether the primary purpose in using the instrumentality was to commit or attempt to commit the offense;

(c) The extent to which the instrumentality furthered the commission of, or attempt to commit, the offense.

(B) The property described in division ~~(F) (2)~~ (H) (4) of section 2917.211 of the Revised Code is subject to forfeiture under the criminal or delinquency process in section 2981.04 of the Revised Code, if the forfeiture is ordered by the court imposing sentence or an order of disposition.

(C) This chapter does not apply to or limit forfeitures under Title XLV of the Revised Code, including forfeitures relating to section 2903.06 or 2903.08 of the Revised Code.

Sec. 3101.08. An ordained or licensed minister of any religious society or congregation within this state who is licensed to solemnize marriages, the governor or a former governor of this state, a judge of a county court in accordance with section 1907.18 of the Revised Code, a judge of a municipal court in accordance with section 1901.14 of the Revised Code, a probate judge in accordance with section 2101.27 of the Revised Code, the mayor of a municipal corporation anywhere within this state, the superintendent of Ohio deaf and blind education

Sec. 3105.171. (A) As used in this section: 47898

(1) "Distributive award" means any payment or payments, in 47899
real or personal property, that are payable in a lump sum or 47900

(b) If the court determines that the use of either or both 47911
of the dates specified in division (A) (2) (a) of this section 47912
would be inequitable, the court may select dates that it 47913
considers equitable in determining marital property. If the 47914

property of any type does not destroy the identity of the 47983
separate property as separate property, except when the separate 47984
property is not traceable. 47985

(B) In divorce proceedings, the court shall, and in legal 47986
separation proceedings upon the request of either spouse, the 47987
court may, determine what constitutes marital property and what 47988
constitutes separate property. In either case, upon making such 47989
a determination, the court shall divide the marital and separate 47990
property equitably between the spouses, in accordance with this 47991
section. For purposes of this section, the court has 47992
jurisdiction over all property, excluding the social security 47993
benefits of a spouse other than as set forth in division (F) (9) 47994
of this section, in which one or both spouses have an interest. 47995

(C) (1) Except as provided in this division or division (E) 47996
of this section, the division of marital property shall be 47997
equal. If an equal division of marital property would be 47998
inequitable, the court shall not divide the marital property 47999
equally but instead shall divide it between the spouses in the 48000
manner the court determines equitable. In making a division of 48001
marital property, the court shall consider all relevant factors, 48002
including those set forth in division (F) of this section. 48003

(2) Each spouse shall be considered to have contributed 48004
equally to the production and acquisition of marital property. 48005

(3) The court shall provide for an equitable division of 48006
marital property under this section prior to making any award of 48007
spousal support to either spouse under section 3105.18 of the 48008
Revised Code and without regard to any spousal support so 48009
awarded. 48010

(4) If the marital property includes a participant 48011
account, as defined in section 148.01 of the Revised Code, the 48012
court shall not order the division or disbursement of the moneys 48013
and income described in division (A) (3) (a) (iv) of this section 48014
to occur in a manner that is inconsistent with the law, rules, 48015
or plan governing the deferred compensation program involved or 48016
prior to the time that the spouse in whose name the participant 48017
account is maintained commences receipt of the moneys and income 48018
credited to the account in accordance with that law, rules, and 48019
plan. 48020

(D) Except as otherwise provided in division (E) of this 48021
section or by another provision of this section, the court shall 48022
disburse a spouse's separate property to that spouse. If a court 48023
does not disburse a spouse's separate property to that spouse, 48024
the court shall make written findings of fact that explain the 48025
factors that it considered in making its determination that the 48026
spouse's separate property should not be disbursed to that 48027
spouse. 48028

(E) (1) The court may make a distributive award to 48029
facilitate, effectuate, or supplement a division of marital 48030
property. The court may require any distributive award to be 48031
secured by a lien on the payor's specific marital property or 48032
separate property. 48033

(2) The court may make a distributive award in lieu of a 48034
division of marital property in order to achieve equity between 48035
the spouses, if the court determines that a division of the 48036
marital property in kind or in money would be impractical or 48037
burdensome. 48038

(3) The court shall require each spouse to disclose in a 48039
full and complete manner all marital property, separate 48040

property, and other assets, debts, income, and expenses of the 48041
spouse. 48042

(4) If a spouse has engaged in financial misconduct, 48043
including, but not limited to, the dissipation, destruction, 48044
concealment, nondisclosure, or fraudulent disposition of assets, 48045
the court may compensate the offended spouse with a distributive 48046
award or with a greater award of marital property. 48047

(5) If a spouse has substantially and willfully failed to 48048
disclose marital property, separate property, or other assets, 48049
debts, income, or expenses as required under division (E) (3) of 48050
this section, the court may compensate the offended spouse with 48051
a distributive award or with a greater award of marital property 48052
not to exceed three times the value of the marital property, 48053
separate property, or other assets, debts, income, or expenses 48054
that are not disclosed by the other spouse. 48055

(F) In making a division of marital property and in 48056
determining whether to make and the amount of any distributive 48057
award under this section, the court shall consider all of the 48058
following factors: 48059

(1) The duration of the marriage; 48060

(2) The assets and liabilities of the spouses; 48061

(3) The desirability of awarding the family home, or the 48062
right to reside in the family home for reasonable periods of 48063
time, to the spouse with custody of the children of the 48064
marriage; 48065

(4) The liquidity of the property to be distributed; 48066

(5) The economic desirability of retaining intact an asset 48067
or an interest in an asset; 48068

(6) The tax consequences of the property division upon the
respective awards to be made to each spouse;

(7) The costs of sale, if it is necessary that an asset be
sold to effectuate an equitable distribution of property;

(8) Any division or disbursement of property made in a
separation agreement that was voluntarily entered into by the
spouses;

(9) Any retirement benefits of the spouses, excluding the
social security benefits of a spouse except as may be relevant
for purposes of dividing a public pension;

(10) Any other factor that the court expressly finds to be
relevant and equitable.

(G) In any order for the division or disbursement of
property or a distributive award made pursuant to this section,
the court shall make written findings of fact that support the
determination that the marital property has been equitably
divided and shall specify the dates it used in determining the
meaning of "during the marriage."

(H) Except as otherwise provided in this section, the
holding of title to property by one spouse individually or by
both spouses in a form of co-ownership does not determine
whether the property is marital property or separate property.

(I) A division or disbursement of property or a
distributive award made under this section is not subject to
future modification by the court except upon the express written
consent or agreement to the modification by both spouses.

(J) The court may issue any orders under this section that
it determines equitable, including, but not limited to, either

of the following types of orders: 48097

(1) An order granting a spouse the right to use the 48098
marital dwelling or any other marital property or separate 48099
property for any reasonable period of time; 48100

(2) An order requiring the sale or encumbrancing of any 48101
real or personal property, with the proceeds from the sale and 48102
the funds from any loan secured by the encumbrance to be applied 48103
as determined by the court. 48104

Sec. 3105.63. (A) (1) A petition for dissolution of 48105
marriage shall be signed by both spouses and shall have attached 48106
and incorporated a separation agreement agreed to by both 48107
spouses. The separation agreement shall provide for a division 48108
of all property; spousal support; if there are minor children of 48109
the marriage, the allocation of parental rights and 48110
responsibilities for the care of the minor children, the 48111
designation of a residential parent and legal custodian of the 48112
minor children, child support, and parenting time rights; and, 48113
if the spouses so desire, an authorization for the court to 48114
modify the amount or terms of spousal support, or the division 48115
of property, provided in the separation agreement. If there are 48116
minor children of the marriage, the spouses may address the 48117
allocation of the parental rights and responsibilities for the 48118
care of the minor children by including in the separation 48119
agreement a plan under which both parents will have shared 48120
rights and responsibilities for the care of the minor children. 48121
The spouses shall file the plan with the petition for 48122
dissolution of marriage and shall include in the plan the 48123
provisions described in division (G) of section 3109.04 of the 48124
Revised Code. 48125

(2) The division of property in the separation agreement 48126

148.01 of the Revised Code, of either of the spouses, to the 48128
extent of the following: 48129

member or participating employee, as defined in that section, 48131

any income that is derived from the investment of those moneys 48134
during the marriage; 48135

(b) The moneys that have been deferred by an officer or 48136
employee of a municipal corporation and that have been 48137
transmitted to the governing board, administrator, depository, 48138
or trustee of the deferred compensation program of the municipal 48139
corporation during the marriage and any income that is derived 48140
from the investment of those moneys during the marriage; 48141

(c) The moneys that have been deferred by an officer or 48142
employee of a government unit, as defined in section 148.06 of 48143
the Revised Code, and that have been transmitted to the 48144
governing board, as defined in that section, during the marriage 48145
and any income that is derived from the investment of those 48146
moneys during the marriage. 48147

(3) The separation agreement shall not require or permit 48148
the division or disbursement of the moneys and income described 48149
in division (A) (2) of this section to occur in a manner that is 48150
inconsistent with the law, rules, or plan governing the deferred 48151
compensation program involved or prior to the time that the 48152
spouse in whose name the participant account is maintained 48153
commences receipt of the moneys and income credited to the 48154
account in accordance with that law, rules, and plan. 48155

(B) An amended separation agreement may be filed at any 48156
time prior to or during the hearing on the petition for 48157
dissolution of marriage. Upon receipt of a petition for 48158
dissolution of marriage, the court may cause an investigation to 48159
be made pursuant to the Rules of Civil Procedure. 48160

(C) (1) If a petition for dissolution of marriage contains 48161
an authorization for the court to modify the amount or terms of 48162
spousal support provided in the separation agreement, the 48163
modification shall be in accordance with section 3105.18 of the 48164
Revised Code. 48165

(2) If a petition for dissolution of marriage contains an 48166
authorization for the court to modify the division of property 48167
provided in the separation agreement, the modification shall be 48168
made with the express written consent or agreement of both 48169
spouses. 48170

promote to the next grade level any student who does not take an 50085
assessment administered under this section or make up an 50086

However, any assessment that a student takes during the 50112
make-up period described in division (C) (2) of this section 50113
shall be submitted not later than the Friday following the day 50114

administration of the writing component, but in no case shall 50135

also send to each city, local, or exempted village school 50140
district a list of the individual scores of any students of such 50141
city, local, or exempted village school district who are 50142
attending school in the joint vocational school district. 50143

(4) Beginning with the 2019-2020 school year, a school 50144
district, other public school, or chartered nonpublic school may 50145
administer the third-grade English language arts or mathematics 50146
assessment, or both, in a paper format in any school year for 50147

(H) Individual scores on any assessments administered under this section shall be released by a district board only in accordance with section 3319.321 of the Revised Code and the rules adopted under division (A) of this section. No district board or its employees shall utilize individual or aggregate results in any manner that conflicts with rules for the ethical use of assessments adopted pursuant to division (A) of this section.

(I) Except as provided in division (G) of this section, the department or an entity with which the department contracts for the scoring of the assessment shall not release any individual scores on any assessment administered under this section. The department shall adopt rules to ensure the protection of student confidentiality at all times. The rules may require the use of the data verification codes assigned to students pursuant to division (D)(2) of section 3301.0714 of the Revised Code to protect the confidentiality of student scores.

(J) Notwithstanding division (D) of section 3311.52 of the

adopt, the board of education of any city, exempted village, or 50201
local school district with territory in a cooperative education 50202
school district established pursuant to section 3311.521 of the 50203
Revised Code shall enter into an agreement with the cooperative 50204
district that provides for the administration of any assessment 50205

Each chartered nonpublic school subject to division (K) (1) 50240
(a) or (b) of this section shall report the results of each 50241
assessment administered under those divisions to the department. 50242

(2) A chartered nonpublic school may submit to the 50243
director of education and workforce a request for a waiver from 50244

(A) of section 3301.0710 of the Revised Code. The director shall 50246
approve or disapprove a request for a waiver submitted under 50247
division (K) (2) of this section. 50248

To be eligible to submit a request for a waiver, a 50249
chartered nonpublic school shall meet the following conditions: 50250

(a) At least ninety-five per cent of the students enrolled 50251
in the school are children with disabilities, as defined under 50252
section 3323.01 of the Revised Code, or have received a 50253

neuropsychiatrist or psychiatrist, or a psychologist who is 50255
authorized to practice in this or another state as having a 50256
condition that impairs academic performance, such as dyslexia, 50257
dyscalculia, attention deficit hyperactivity disorder, or 50258
Asperger's syndrome. 50259

(b) The school has solely served a student population 50260
described in division (K) (1) (a) of this section for at least ten 50261

years of records of internal testing conducted by the school 50264
that affords the department data required for accountability 50265
purposes, including diagnostic assessments and nationally 50266
standardized norm-referenced achievement assessments that 50267
measure reading and math skills. 50268

(3) Any chartered nonpublic school that is not subject to 50269
division (K) (1) of this section may participate in the 50270
assessment program by administering any of the assessments 50271
prescribed by division (A) of section 3301.0710 of the Revised 50272
Code. The chief administrator of the school shall specify which 50273
assessments the school will administer. Such specification shall 50274

be made in writing to the director prior to the first day of 50275
August of any school year in which assessments are administered 50276
and shall include a pledge that the nonpublic school will 50277

However, a student who is excused from taking an assessment 50296
under division (C) of this section or has presented evidence to 50297
the chartered nonpublic school of having satisfied the condition 50298
prescribed by division (A) (1) of section 3313.618 of the Revised 50299
Code to qualify for a high school diploma prior to the date of 50300
the administration of the assessment prescribed under division 50301
(B) (1) of section 3301.0712 of the Revised Code shall not be 50302
required to take that assessment. No governing authority of a 50303
chartered nonpublic school shall prohibit a student who is not 50304

required to take such assessment from taking the assessment. 50305

(2) For a student who is enrolled in a chartered nonpublic 50306
school that is accredited through the independent schools 50307

(3) (a) Except as provided in divisions (L) (3) (b) and (4) 50312
of this section, for a student who is enrolled in a chartered 50313

(ii) Take only the assessment prescribed by division (B) 50321
(1) of section 3301.0712 of the Revised Code, provided that the 50322
student's school publishes the results of that assessment for 50323
each graduating class. The published results of that assessment 50324

each subject area of the assessment. 50327

(iii) Take an alternative assessment approved by the 50328
department under section 3313.619 of the Revised Code. 50329

(b) A student who is excused from taking an assessment 50330
under division (C) of this section or has presented evidence to 50331

the administration of the assessment prescribed under division 50335
(B) (1) of section 3301.0712 of the Revised Code shall not be 50336
required to take that assessment. No governing authority of a 50337
chartered nonpublic school shall prohibit a student who is not 50338
required to take such assessment from taking the assessment. 50339

(4) The assessments prescribed by sections 3301.0712 and 50340

in the school are children with disabilities, as defined under 50345
section 3323.01 of the Revised Code, or have received a 50346
diagnosis by a school district or from a physician, including a 50347

dyscalculia, attention deficit hyperactivity disorder, or 50351
Asperger's syndrome. 50352

in reading or mathematics, or both, as measured by nationally 50360
norm-referenced assessments that have developed appropriate 50361
standards for students. 50362

Division (L) (4) of this section applies to any student 50363
attending such school regardless of whether the student receives 50364
special education or related services and regardless of whether 50365
the student is attending the school under a state scholarship 50366
program. 50367

(M) (1) The superintendent of Ohio deaf and blind education 50368
services shall administer the assessments described by sections 50369
3301.0710 and 3301.0712 of the Revised Code for the state school 50370

superintendent of Ohio deaf and blind education services shall 50372
administer the assessments in the same manner as district boards 50373
are required to do under this section and rules adopted by the 50374
department and in conformity with division (C) (1) (a) of this 50375
section. 50376

(2) The department shall furnish the assessments described 50377

(2) The department may field test proposed questions with 50394
samples of students to determine the validity, reliability, or 50395
appropriateness of questions for possible inclusion in a future 50396
year's assessment. The department also may use anchor questions 50397
on assessments to ensure that different versions of the same 50398
assessment are of comparable difficulty. 50399

Field test questions and anchor questions shall not be 50400
considered in computing scores for individual students. Field 50401
test questions and anchor questions may be included as part of 50402

grade four years earlier. Students who transfer into the 50491
district are added to the calculation. Students who transfer out 50492
of the district for reasons other than dropout are subtracted 50493
from the calculation. If a student who was a dropout in any 50494
previous year returns to the same school district, that student 50495
shall be entered into the calculation as if the student had 50496
entered ninth grade four years before the graduation year of the 50497
graduating class that the student joins. 50498

established under Chapter 3328. of the Revised Code. 50510

(6) "English learner" has the same meaning as in section 50511
3301.0731 of the Revised Code. 50512

(7) "Classical school" means a community school 50513
established under Chapter 3314. of the Revised Code that is a 50514

network. 50518

Sec. 3301.0712. (A) The department of education and 50519
workforce and the chancellor of higher education shall develop a 50520
system of college and work ready assessments as described in 50521
division (B) of this section to assess whether each student upon 50522
graduating from high school is ready to enter college or the 50523
workforce. Beginning with students who enter the ninth grade for 50524
the first time on or after July 1, 2014, the system shall 50525
replace the Ohio graduation tests prescribed in division (B)(1) 50526
of section 3301.0710 of the Revised Code as a measure of student 50527
academic performance and one determinant of eligibility for a 50528
high school diploma in the manner prescribed by rule adopted 50529
under division (D) of this section. 50530

(B) The college and work ready assessment system shall 50531
consist of the following: 50532

(1) (a) Except as provided in division (B)(1)(b) of this 50533
section, nationally standardized assessments that measure 50534
college and career readiness and are used for college admission. 50535
The assessments shall be selected jointly by the department and 50536
the chancellor, and one of which shall be selected by each 50537

school district or school to administer to its students. The 50538
assessments prescribed under division (B) (1) of this section 50539
shall be administered to all eleventh-grade students in the 50540
spring of the school year. 50541

(b) Beginning with students who enter the ninth grade for 50542
the first time on or after July 1, 2022, the parent or guardian 50543
of a student may elect not to have a nationally standardized 50544

areas of English language arts I, English language arts II, 50550
science, Algebra I, geometry, American history, and American 50551
government. The end-of-course examinations shall be selected 50552
jointly by the department and the chancellor in consultation 50553
with faculty in the appropriate subject areas at institutions of 50554
higher education of the university system of Ohio. Advanced 50555
placement examinations and international baccalaureate 50556
examinations, as prescribed under section 3313.6013 of the 50557
Revised Code, in the areas of science, American history, and 50558
American government may be used as end-of-course examinations in 50559
accordance with division (B) (4) (a) (i) of this section. Final 50560
course grades for courses taken under any other advanced 50561
standing program, as prescribed under section 3313.6013 of the 50562
Revised Code, in the areas of science, American history, and 50563
American government may be used in lieu of end-of-course 50564
examinations in accordance with division (B) (4) (a) (ii) of this 50565
section. 50566

(b) Beginning with students who enter ninth grade for the 50567

first time on or after July 1, 2019, five end-of-course 50568
examinations, one in each areas of English language arts II, 50569
science, Algebra I, American history, and American government. 50570
However, only the end-of-course examinations in English language 50571
arts II and Algebra I shall be required for graduation. 50572

The department shall, as necessary to implement division 50573
(B) (2) (b) of this section, seek a waiver from the United States 50574
secretary of education for testing requirements prescribed under 50575
federal law to allow for the use and implementation of Algebra I 50576
as the primary assessment of high school mathematics. If the 50577
department does not receive a waiver under this division, the 50578
end-of-course examinations for students described in division 50579
(B) (2) (b) of this section also shall include an end-of-course 50580
examination in the area of geometry. However, the geometry end- 50581
of-course examination shall not be required for graduation. 50582

(3) The end-of-course examinations in American history and 50583
American government shall require demonstration of mastery of 50584
the American history and American government content for social 50585
studies standards adopted under division (A) (1) (b) of section 50586
3301.079 of the Revised Code and the topics required under 50587
division (M) of section 3313.603 of the Revised Code. 50588

At least twenty per cent of the end-of-course examination 50589
in American government shall address the topics on American 50590
history and American government described in division (M) of 50591
section 3313.603 of the Revised Code. 50592

(4) (a) Notwithstanding anything to the contrary in this 50593
section, both of the following shall apply: 50594

(i) If a student is enrolled in an appropriate advanced 50595
placement or international baccalaureate course, that student 50596

shall take the advanced placement or international baccalaureate 50597
examination in lieu of the science, American history, or 50598
American government end-of-course examinations prescribed under 50599
division (B) (2) of this section. The department shall specify 50600
the score levels for each advanced placement examination and 50601
international baccalaureate examination for purposes of 50602
calculating the minimum cumulative performance score that 50603
demonstrates the level of academic achievement necessary to earn 50604
a high school diploma. 50605

(ii) If a student is enrolled in an appropriate course 50606
under any other advanced standing program, as described in 50607
section 3313.6013 of the Revised Code, that student shall not be 50608
required to take the science, American history, or American 50609
government end-of-course examination, whichever is applicable, 50610
prescribed under division (B) (2) of this section. Instead, that 50611
student's final course grade shall be used in lieu of the 50612
applicable end-of-course examination prescribed under that 50613
section. The department, in consultation with the chancellor, 50614
shall adopt guidelines for purposes of calculating the 50615
corresponding final course grades that demonstrate the level of 50616
academic achievement necessary to earn a high school diploma. 50617

Division (B) (4) (a) (ii) of this section shall apply only to 50618
courses for which students receive transcribed credit, as 50619
defined in section 3365.01 of the Revised Code. It shall not 50620
apply to remedial or developmental courses. 50621

(b) No student shall take a substitute examination or 50622
examination prescribed under division (B) (4) (a) of this section 50623
in place of the end-of-course examinations in English language 50624
arts I, English language arts II, Algebra I, or geometry 50625
prescribed under division (B) (2) of this section. 50626

(c) The department shall consider additional assessments 50627
that may be used as substitute examinations in lieu of the end- 50628
of-course examinations prescribed under division (B) (2) of this 50629
section. 50630

(5) The department shall do all of the following: 50631

(a) Determine and designate at least five ranges of scores 50632
on each of the end-of-course examinations prescribed under 50633
division (B) (2) of this section, and substitute examinations 50634
prescribed under division (B) (4) of this section. Not later than 50635
sixty days after the designation of ranges of scores, the 50636
director of education and workforce shall conduct a public 50637
presentation before the standing committees of the house of 50638
representatives and the senate that consider primary and 50639
secondary education legislation regarding the designated range 50640
of scores. Each range of scores shall be considered to 50641
demonstrate a level of achievement so that any student attaining 50642
a score within such range has achieved one of the following: 50643

(i) An advanced level of skill; 50644

(ii) An accomplished level of skill; 50645

(iii) A proficient level of skill; 50646

(iv) A basic level of skill; 50647

(v) A limited level of skill. 50648

(b) Determine a method by which to calculate a cumulative 50649
performance score based on the results of a student's end-of- 50650
course examinations or substitute examinations; 50651

(c) Determine the minimum cumulative performance score 50652
that demonstrates the level of academic achievement necessary to 50653
earn a high school diploma under division (A) (2) of section 50654

3313.618 of the Revised Code. However, no new minimum cumulative performance score shall be determined after October 17, 2019.

(d) Develop a table of corresponding score equivalents for the end-of-course examinations and substitute examinations in order to calculate student performance consistently across the different examinations.

A score of two on an advanced placement examination or a score of two or three on an international baccalaureate examination shall be considered equivalent to a proficient level of skill as specified under division (B) (5) (a) (iii) of this section.

(6) (a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:

(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.

(ii) The examination was not available for administration prior to July 1, 2015.

Receipt of credit for the course described in division (B) (6) (a) (i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B) (6) (a) of this section may take the applicable end-of-course examination at a later date.

(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B) (6) (a) of this section has attained the cumulative score prescribed by division (B) (5) (c) of this section, such student shall select either of the following:

(i) The student is considered to have attained a 50684
proficient score on the end-of-course examination from which the 50685
student is exempt; 50686

(ii) The student's final course grade shall be used in 50687
lieu of a score on the end-of-course examination from which the 50688
student is exempt. 50689

The department, in consultation with the chancellor, shall 50690
adopt guidelines for purposes of calculating the corresponding 50691
final course grades and the minimum cumulative performance score 50692
that demonstrates the level of academic achievement necessary to 50693
earn a high school diploma. 50694

(7) (a) Notwithstanding anything to the contrary in this 50695
section, the department may replace the algebra I end-of-course 50696
examination prescribed under division (B) (2) of this section 50697
with an algebra II end-of-course examination, beginning with the 50698
2016-2017 school year for students who enter ninth grade on or 50699
after July 1, 2016. 50700

(b) If the department replaces the algebra I end-of-course 50701
examination with an algebra II end-of-course examination as 50702
authorized under division (B) (7) (a) of this section, both of the 50703
following shall apply: 50704

(i) A student who is enrolled in an advanced placement or 50705
international baccalaureate course in algebra II shall take the 50706
advanced placement or international baccalaureate examination in 50707
lieu of the algebra II end-of-course examination. 50708

(ii) A student who is enrolled in an algebra II course 50709
under any other advanced standing program, as described in 50710
section 3313.6013 of the Revised Code, shall not be required to 50711
take the algebra II end-of-course examination. Instead, that 50712

student's final course grade shall be used in lieu of the 50713
examination. 50714

(c) If a school district or school utilizes an integrated 50715
approach to mathematics instruction, the district or school may 50716
do either or both of the following: 50717

(i) Administer an integrated mathematics I end-of-course 50718
examination in lieu of the prescribed algebra I end-of-course 50719
examination; 50720

(ii) Administer an integrated mathematics II end-of-course 50721
examination in lieu of the prescribed geometry end-of-course 50722
examination. 50723

(8) (a) For students entering the ninth grade for the first 50724
time on or after July 1, 2014, but prior to July 1, 2015, the 50725
assessment in the area of science shall be physical science or 50726
biology. For students entering the ninth grade for the first 50727
time on or after July 1, 2015, the assessment in the area of 50728
science shall be biology. 50729

(b) Until July 1, 2019, the department shall make 50730
available the end-of-course examination in physical science for 50731
students who entered the ninth grade for the first time on or 50732
after July 1, 2014, but prior to July 1, 2015, and who wish to 50733
retake the examination. 50734

(c) The department shall adopt rules prescribing the 50735
requirements for the end-of-course examination in science for 50736
students who entered the ninth grade for the first time on or 50737
after July 1, 2014, but prior to July 1, 2015, and who have not 50738
met the requirement prescribed by section 3313.618 of the 50739
Revised Code by July 1, 2019, due to a student's failure to 50740
satisfy division (A) (2) of section 3313.618 of the Revised Code. 50741

(9) The department shall not develop or administer an end-of-course examination in the area of world history. 50742
50743

(10) The department, in consultation with the chancellor 50744
and the governor's office of workforce transformation, shall 50745
determine a competency score for both of the Algebra I and 50746
English language arts II end-of-course examinations for the 50747
purpose of graduation eligibility. 50748

(C) The department shall convene a group of national 50749
experts, state experts, and local practitioners to provide 50750
advice, guidance, and recommendations for the alignment of 50751
standards and model curricula to the assessments and in the 50752
design of the end-of-course examinations prescribed by this 50753
section. 50754

(D) Upon completion of the development of the assessment 50755
system, the department shall adopt rules prescribing all of the 50756

assessment system, including a phased implementation if the 50759

(4) The date after which a person who has fulfilled the 50770

curriculum requirement for a diploma but has not passed one or 50771
more of the required assessments at the time the person 50772
fulfilled the curriculum requirement shall meet the requirements 50773

school diploma under division (B) of section 3313.614 of the 50775
Revised Code; 50776

(5) The extent to which the assessment system applies to 50777
students enrolled in a dropout ~~recovery and prevention and~~ 50778

skills assessment to a student under this division shall not 50800

exempt a school district from administering the assessments 50801
prescribed in division (B) of this section to that student. 50802

division (C) (4) of this section to be designed so that each of 51007
them may be compiled and reported in terms of average 51008
expenditure per pupil receiving the service in the school 51009
district as a whole and average expenditure per pupil receiving 51010
the service in each building in the school district and in terms 51011

(D) (1) The guidelines adopted under this section shall 51030
require school districts to collect information about individual 51031

reporting requirements established in the Revised Code. The 51034
guidelines may also require school districts to report 51035
information about individual staff members in connection with 51036
any data required by division (B) or (C) of this section or 51037

except for the purpose of assigning the data verification code 51045
required by division (D) (2) of this section, to any other person 51046
unless such person is employed by the school district or the 51047

the development of state assessments. The guidelines may require 51052
school districts to provide the social security numbers of 51053
individual staff members and the county of residence for a 51054
student. Nothing in this section prohibits the department from 51055
providing a student's county of residence to the department of 51056
taxation to facilitate the distribution of tax revenue. 51057

(2) (a) The guidelines shall provide for each school 51058
district or community school to assign a data verification code 51059
that is unique on a statewide basis over time to each student 51060
whose initial Ohio enrollment is in that district or school and 51061
to report all required individual student data for that student 51062
utilizing such code. The guidelines shall also provide for 51063
assigning data verification codes to all students enrolled in 51064

districts or community schools on the effective date of the 51065
guidelines established under this section. The assignment of 51066
data verification codes for other entities, as described in 51067
division (D) (2) (d) of this section, the use of those codes, and 51068
the reporting and use of associated individual student data 51069
shall be coordinated by the department of education and 51070
workforce in accordance with state and federal law. 51071

School districts shall report individual student data to 51072
the department through the information technology centers 51073
utilizing the code. The entities described in division (D) (2) (d) 51074

3310.42, 3310.63, 3313.978, 3317.20, and 5747.057 of the Revised 51078
Code, and in division (D) (2) (b) (ii) of this section, at no time 51079
shall the department have access to information that would 51080
enable any data verification code to be matched to personally 51081
identifiable student data. 51082

(ii) For the purpose of making per-pupil payments to 51083
community schools under section 3317.022 of the Revised Code, 51084
the department shall have access to information that would 51085
enable any data verification code to be matched to personally 51086
identifiable student data. 51087

(c) Each school district and community school shall ensure 51088
that the data verification code is included in the student's 51089
records reported to any subsequent school district, community 51090
school, or state institution of higher education, as defined in 51091
section 3345.011 of the Revised Code, in which the student 51092
enrolls. Any such subsequent district or school shall utilize 51093
the same identifier in its reporting of data under this section. 51094

(d) (i) The director of any state agency that administers a publicly funded program providing services to children who are younger than compulsory school age, as defined in section 3321.01 of the Revised Code, including the directors of health, job and family services, mental health and addiction services, children and youth, and developmental disabilities, shall request and receive, pursuant to sections 3301.0723 and 5180.33 of the Revised Code, a data verification code for a child who is receiving those services.

(E) The guidelines adopted under this section may require school districts to collect and report data, information, or reports other than that described in divisions (A), (B), and (C) of this section for the purpose of complying with other reporting requirements established in the Revised Code. The other data, information, or reports may be maintained in the education management information system but are not required to be compiled as part of the profile formats required under division (G) of this section or the annual statewide report required under division (H) of this section.

(F) The board of education of each school district shall 51125
annually collect and report to the department, in accordance 51126
with the guidelines established by the department, the data 51127
required pursuant to this section. A school district may collect 51128
and report these data notwithstanding section 2151.357 or 51129
3319.321 of the Revised Code. 51130

(G) The department shall, in accordance with the 51131
procedures it adopts, annually compile the data reported by each 51132
school district pursuant to division (D) of this section. The 51133
department shall design formats for profiling each school 51134
district as a whole and each school building within each 51135
district and shall compile the data in accordance with these 51136
formats. These profile formats shall: 51137

(1) Include all of the data gathered under this section in 51138
a manner that facilitates comparison among school districts and 51139
among school buildings within each school district; 51140

(2) Present the data on academic achievement levels as 51141
assessed by the testing of student achievement maintained 51142
pursuant to division (B)(1)(d) of this section. 51143

(H)(1) The department shall, in accordance with the 51144
procedures it adopts, annually prepare a statewide report for 51145
all school districts and the general public that includes the 51146
profile of each of the school districts developed pursuant to 51147
division (G) of this section. Copies of the report shall be sent 51148
to each school district. 51149

(2) The department shall, in accordance with the 51150
procedures it adopts, annually prepare an individual report for 51151
each school district and the general public that includes the 51152
profiles of each of the school buildings in that school district 51153

developed pursuant to division (G) of this section. 51154

(I) Any data that is collected or maintained pursuant to 51155
this section and that identifies an individual pupil is not a 51156
public record for the purposes of section 149.43 of the Revised 51157
Code. 51158

(J) As used in this section: 51159

(1) "School district" means any city, local, exempted 51160
village, or joint vocational school district and, in accordance 51161
with section 3314.17 of the Revised Code, any community school. 51162
As used in division (L) of this section, "school district" also 51163
includes any educational service center or other educational 51164
entity required to submit data using the system established 51165
under this section. 51166

(2) "Cost" means any expenditure for operating expenses 51167
made by a school district excluding any expenditures for debt 51168

of the Revised Code. 51171

(K) Any person who removes data from the information 51172
system established under this section for the purpose of 51173
releasing it to any person not entitled under law to have access 51174
to such information is subject to section 2913.42 of the Revised 51175
Code prohibiting tampering with data. 51176

(L) (1) In accordance with division (L) (2) of this section 51177
and the rules adopted under division (L) (10) of this section, 51178
the department may sanction any school district that reports 51179
incomplete or inaccurate data, reports data that does not 51180
conform to data requirements and descriptions published by the 51181
department, fails to report data in a timely manner, or 51182

otherwise does not make a good faith effort to report data as 51183
required by this section. 51184

(2) If the department decides to sanction a school 51185
district under this division, the department shall take the 51186
following sequential actions: 51187

(a) Notify the district in writing that the department has 51188
determined that data has not been reported as required under 51189
this section and require the district to review its data 51190
submission and submit corrected data by a deadline established 51191
by the department. The department also may require the district 51192
to develop a corrective action plan, which shall include 51193
provisions for the district to provide mandatory staff training 51194
on data reporting procedures. 51195

(b) Withhold up to ten per cent of the total amount of 51196
state funds due to the district for the current fiscal year and, 51197

section, require the district to develop a corrective action 51199
plan in accordance with that division; 51200

(c) Withhold an additional amount of up to twenty per cent 51201
of the total amount of state funds due to the district for the 51202
current fiscal year; 51203

(d) Direct department staff or an outside entity to 51204
investigate the district's data reporting practices and make 51205
recommendations for subsequent actions. The recommendations may 51206
include one or more of the following actions: 51207

(i) Arrange for an audit of the district's data reporting 51208
practices by department staff or an outside entity; 51209

(ii) Conduct a site visit and evaluation of the district; 51210

cent of the total amount of state funds due to the district for	51212
the current fiscal year;	51213
(iv) Continue monitoring the district's data reporting;	51214
(v) Assign department staff to supervise the district's	51215

(vi) Conduct an investigation to determine whether to	51217
suspend or revoke the license of any district employee in	51218
accordance with division (N) of this section;	51219
(vii) If the district is issued a report card under	51220
section 3302.03 of the Revised Code, indicate on the report card	51221
that the district has been sanctioned for failing to report data	51222
as required by this section;	51223
(viii) If the district is issued a report card under	51224
section 3302.03 of the Revised Code and incomplete or inaccurate	51225
data submitted by the district likely caused the district to	51226
receive a higher performance rating than it deserved under that	51227
section, issue a revised report card for the district;	51228
(ix) Any other action designed to correct the district's	51229
data reporting problems.	51230
(3) Any time the department takes an action against a	51231
school district under division (L)(2) of this section, the	51232
department shall make a report of the circumstances that	51233
prompted the action. The department shall send a copy of the	51234
report to the district superintendent or chief administrator and	51235
maintain a copy of the report in its files.	51236
(4) If any action taken under division (L)(2) of this	51237
section resolves a school district's data reporting problems to	51238

the department's satisfaction, the department shall not take any 51239
further actions described by that division. If the department 51240
withheld funds from the district under that division, the 51241
department may release those funds to the district, except that 51242
if the department withheld funding under division (L) (2) (c) of 51243
this section, the department shall not release the funds 51244
withheld under division (L) (2) (b) of this section and, if the 51245
department withheld funding under division (L) (2) (d) of this 51246
section, the department shall not release the funds withheld 51247
under division (L) (2) (b) or (c) of this section. 51248

(5) Notwithstanding anything in this section to the 51249
contrary, the department may use its own staff or an outside 51250
entity to conduct an audit of a school district's data reporting 51251
practices any time the department has reason to believe the 51252
district has not made a good faith effort to report data as 51253
required by this section. If any audit conducted by an outside 51254
entity under division (L) (2) (d) (i) or (5) of this section 51255
confirms that a district has not made a good faith effort to 51256
report data as required by this section, the district shall 51257
reimburse the department for the full cost of the audit. The 51258
department may withhold state funds due to the district for this 51259
purpose. 51260

(6) Prior to issuing a revised report card for a school 51261
district under division (L) (2) (d) (viii) of this section, the 51262
department may hold a hearing to provide the district with an 51263
opportunity to demonstrate that it made a good faith effort to 51264
report data as required by this section. The hearing shall be 51265
conducted by a referee appointed by the department. Based on the 51266
information provided in the hearing, the referee shall recommend 51267
whether the department should issue a revised report card for 51268
the district. If the referee affirms the department's contention 51269

that the district did not make a good faith effort to report 51270
data as required by this section, the district shall bear the 51271
full cost of conducting the hearing and of issuing any revised 51272
report card. 51273

(7) If the department determines that any inaccurate data 51274
reported under this section caused a school district to receive 51275
excess state funds in any fiscal year, the district shall 51276
reimburse the department an amount equal to the excess funds, in 51277
accordance with a payment schedule determined by the department. 51278
The department may withhold state funds due to the district for 51279
this purpose. 51280

(8) Any school district that has funds withheld under 51281
division (L)(2) of this section may appeal the withholding in 51282
accordance with Chapter 119. of the Revised Code. 51283

(9) In all cases of a disagreement between the department 51284
and a school district regarding the appropriateness of an action 51285
taken under division (L)(2) of this section, the burden of proof 51286
shall be on the district to demonstrate that it made a good 51287
faith effort to report data as required by this section. 51288

(10) The director of education and workforce shall adopt 51289
rules under Chapter 119. of the Revised Code to implement 51290
division (L) of this section. 51291

(M) No information technology center or school district 51292
shall acquire, change, or update its student administration 51293
software package to manage and report data required to be 51294
reported to the department unless it converts to a student 51295
software package that is certified by the department. 51296

(N) The state board of education, in accordance with 51297
sections 3319.31 and 3319.311 of the Revised Code, may suspend 51298

or revoke a license as defined under division (A) of section 51299
3319.31 of the Revised Code that has been issued to any school 51300
district employee found to have willfully reported erroneous, 51301
inaccurate, or incomplete data to the education management 51302
information system. 51303

(O) No person shall release or maintain any information 51304
about any student in violation of this section. Whoever violates 51305
this division is guilty of a misdemeanor of the fourth degree. 51306

~~(P) The department shall disaggregate the data collected~~ 51307
~~under division (B)(1)(n) of this section according to the race~~ 51308
~~and socioeconomic status of the students assessed.~~ 51309

~~(Q)~~ If the department cannot compile any of the 51310
information required by division (I) of section 3302.03 of the 51311
Revised Code based upon the data collected under this section, 51312
the department shall develop a plan and a reasonable timeline 51313
for the collection of any data necessary to comply with that 51314
division. 51315

different school within the district if each applicable 51327

diagnostic assessment was not administered by the district or 51328
school the student previously attended in the current school 51329
year, within thirty days after the date of transfer. If the 51330
district or school into which the student transfers cannot 51331
determine whether the student has taken any applicable 51332
diagnostic assessment in the current school year, the district 51333
or school may administer the diagnostic assessment to the 51334
student. However, if a student transfers into the district prior 51335
to the administration of the diagnostic assessments to all 51336
students under division (B) of this section, the district may 51337
administer the diagnostic assessments to that student on the 51338
date or dates determined under that division. 51339

kindergarten and not later than the twentieth day of instruction 51348
of that school year. In no case shall the results of the 51349

assigned for each component. The method the department adopts 52324
for assigning an overall grade shall give equal weight to the 52325
components in divisions (C)(3)(b) and (c) of this section. 52326

At least forty-five days prior to the department's 52327
adoption of rules to prescribe the methods for calculating the 52328

to calculate the measure. 52373

(ii) If two consecutive years of value-added data is 52374
available, the department shall use two consecutive years of 52375
value-added data to calculate the measure. In using two years of 52376
value-added data to calculate the measure, the department shall 52377
assign a weight of sixty-seven per cent to the most recent 52378
year's data and a weight of thirty-three per cent to the data of 52379
the other year. 52380

the total percentage of students scoring below grade level, or 52396
below proficient, compared from year to year on the reading 52397
segments of the diagnostic assessments administered under_ 52398
division (A) (1) of section 3301.0715 of the Revised Code, 52399

only those students who were continuously enrolled in the same 52634
district or building for grades nine through twelve. 52635

~~(k)~~ (j) Whether the district or building provides 52636
information about and promotes the college credit plus program 52637
established under Chapter 3365. of the Revised Code to students 52638
in accordance with section 3365.04 of the Revised Code, notated 52639
with a "yes" or "no"; 52640

~~(i)~~ (k) The percentage of students in the district or 52641
building to whom both of the following apply: 52642

(i) The students are promoted to fourth grade and not 52643
subject to retention under division (A) (2) of section 3313.608 52644
of the Revised Code. 52645

(ii) The students completed all of the grade levels 52646
offered prior to the fourth grade in the district or building. 52647

(3) Except as provided in division (D) (3) (f) of this 52648
section, the department shall use the method prescribed under 52649
rules adopted under division (D) (4) of this section to assign 52650
performance ratings of "one star," "two stars," "three stars," 52651
"four stars," or "five stars," as described in division (F) of 52652
this section, for a district or building for the individual 52653
components prescribed under division (D) (3) of this section. The 52654
department also shall assign an overall performance rating for a 52655
district or building in accordance with division (D) (3) (g) of 52656
this section. The method shall use the performance measures 52657
prescribed under division (D) (1) of this section to calculate 52658
performance ratings for components. The method may report data 52659
under division (D) (2) of this section with corresponding 52660
components, but shall not use the data to calculate performance 52661
ratings for that component. The performance measures and 52662
reported data shall be grouped together into components as 52663
follows: 52664

(a) Gap closing. In addition to other criteria determined 52665
appropriate by the department, performance ratings for the gap 52666
closing component shall reflect whether each of the following 52667
performance measures are met or not met: 52668

(i) The gifted performance indicator as described in 52669
division (D) (1) (a) of this section; 52670

(ii) The chronic absenteeism indicator as described in 52671

division (D) (1) (b) of this section; 52672

(iii) For English learners, an English language 52673
proficiency improvement indicator established by the department; 52674

(iv) The subgroup graduation targets; 52675

(v) The subgroup achievement targets in both mathematics 52676
and English language arts; 52677

(vi) The subgroup progress targets in both mathematics and 52678
English language arts. 52679

Achievement and progress targets under division (D) (3) (a) 52680
of this section shall be calculated individually, and districts 52681
and buildings shall receive a status of met or not met on each 52682
measure. The department shall not require a subgroup of a 52683
district or building to meet both the achievement and progress 52684
targets at the same time to receive a status of met. 52685

The department shall not include any subgroup data in this 52686
measure that includes data from fewer than fifteen students. Any 52687
penalty for failing to meet the required assessment 52688
participation rate must be partially in proportion to how close 52689
the district or building was to meeting the rate requirement. 52690

(b) Achievement, which shall include the performance 52691
measure in division (D) (1) (c) of this section and the reported 52692
data in division (D) (2) (a) of this section. Performance ratings 52693
for the achievement component shall be awarded as a percentage 52694
of the maximum performance index score described in division (D) 52695
(1) (c) of this section. 52696

(c) Progress, which shall include the performance measure 52697
in division (D) (1) (d) of this section and the reported data in 52698
divisions (D) (2) (b) and (c) of this section; 52699

(d) Graduation, which shall include the performance 52700
measures in divisions (D) (1) (e) and (f) of this section and the 52701
reported data in divisions (D) (2) (d) and (j) of this section. 52702
The four-year adjusted cohort graduation rate shall be assigned 52703
a weight of sixty per cent and the five-year adjusted cohort 52704
graduation rate shall be assigned a weight of forty per cent~~+~~. 52705

(e) Early literacy, which shall include the performance 52706
measures in divisions (D) (1) (g), (h), and (i) of this section 52707
and the reported data in ~~divisions (D) (2) (e) and (1)~~ division (D) 52708
(2) (k) of this section. 52709

If the measure prescribed under division (D) (1) (h) of this 52710
section is included in a report card, performance ratings for 52711
the early literacy component shall give a weight of forty per 52712
cent to the measure prescribed under division (D) (1) (g) of this 52713
section, a weight of thirty-five per cent to the measure 52714
prescribed under division (D) (1) (i) of this section, and a 52715
weight of twenty-five per cent to the measure prescribed under 52716
division (D) (1) (h) of this section. 52717

If the measure prescribed under division (D) (1) (h) of this 52718
section is not included in a report card of a district or 52719
building, performance ratings for the early literacy component 52720
shall give a weight of sixty per cent to the measure prescribed 52721
under division (D) (1) (g) of this section and a weight of forty 52722
per cent to the measure prescribed under division (D) (1) (i) of 52723
this section. 52724

(f) College, career, workforce, and military readiness, 52725
which shall include the performance measure in division (D) (1) 52726
(j) of this section and the reported data in division ~~(D) (2) (f)~~ 52727
(D) (2) (e) of this section. 52728

For the 2021-2022, 2022-2023, and 2023-2024 school years, 52729
the department only shall report the data for, and not assign a 52730
performance rating to, the college, career, workforce, and 52731
military readiness component. The reported data shall include 52732
the percentage of students who demonstrate post-secondary 52733
readiness using any of the options described in division (D)(1) 52734
(j) of this section. 52735

The department shall analyze the data included in the 52736
performance measure prescribed in division (D)(1)(j) of this 52737
section for the 2021-2022, 2022-2023, and 2023-2024 school 52738
years. Using that data, the department shall develop and propose 52739
rules for a method to assign a performance rating to the 52740
college, career, workforce, and military readiness component 52741
based on that measure. The method to assign a performance rating 52742
shall not include a tiered structure or per student bonuses. The 52743
rules shall specify that a district or building shall not 52744
receive lower than a performance rating of three stars for the 52745
component if the district's or building's performance on the 52746
component meets or exceeds a level of improvement set by the 52747
department. Notwithstanding division (D)(4)(b) of this section, 52748
more than half of the total districts and buildings may earn a 52749
performance rating of three stars on this component to account 52750
for the districts and buildings that earned a performance rating 52751
of three stars because they met or exceeded the level of 52752
improvement set by the department. 52753

The department shall submit the rules to the joint 52754
committee on agency rule review. The committee shall conduct at 52755
least one public hearing on the proposed rules and approve or 52756
disapprove the rules. If the committee approves the rules, the 52757
department shall adopt the rules in accordance with Chapter 119. 52758
of the Revised Code. If the rules are adopted, the department 52759

shall assign a performance rating to the college, career, 52760
workforce, and military readiness component under the rules 52761
beginning with the 2024-2025 school year, and for each school 52762
year thereafter. If the committee disapproves the rules, the 52763
component shall be included in the report card only as reported 52764
data for the 2024-2025 school year, and each school year 52765
thereafter. 52766

(g) (i) Except as provided for in division (D) (3) (g) (ii) of 52767
this section, beginning with the 2022-2023 school year, under 52768
the method prescribed under rules adopted in division (D) (4) of 52769
this section, the department shall use the performance ratings 52770
assigned for the components prescribed in divisions (D) (3) (a) to 52771
(e) of this section to determine and assign an overall 52772
performance rating of "one star," "one and one-half stars," "two 52773
stars," "two and one-half stars," "three stars," "three and one- 52774
half stars," "four stars," "four and one-half stars," or "five 52775
stars" for a district or building. The method shall give equal 52776
weight to the components in divisions (D) (3) (b) and (c) of this 52777
section. The method shall give equal weight to the components in 52778
divisions (D) (3) (a), (d), and (e) of this section. The 52779
individual weights of each of the components prescribed in 52780
divisions (D) (3) (a), (d), and (e) of this section shall be equal 52781
to one-half of the weight given to the component prescribed in 52782
division (D) (3) (b) of this section. 52783

(ii) If the joint committee on agency rule review approves 52784
the department's rules regarding the college, career, workforce, 52785
and military readiness component as described in division (D) (3) 52786
(f) of this section, for the 2024-2025 school year, and each 52787
school year thereafter, the department's method shall use the 52788
components in divisions (D) (3) (a), (b), (c), (d), (e), and (f) 52789
of this section to calculate the overall performance rating. The 52790

method shall give equal weight to the components in divisions (D) (3) (b) and (c) of this section. The method shall give equal weight to the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section. The individual weights of each of the components prescribed in divisions (D) (3) (a), (d), (e), and (f) of this section shall be equal to one-half the weight given to the component prescribed in division (D) (3) (b) of this section.

If the joint committee on agency rule review disapproves the department's rules regarding the college, career, workforce, and military readiness component as described in division (D) (3) (f) of this section, division (D) (3) (g) (ii) of this section does not apply.

(4) (a) The department shall adopt rules in accordance with Chapter 119. of the Revised Code to establish the performance criteria, benchmarks, and rating system necessary to implement divisions (D) and (F) of this section, including the method for the department to assign performance ratings under division (D) (3) of this section.

(b) In establishing the performance criteria, benchmarks, and rating system, the department shall consult with stakeholder groups and advocates that represent parents, community members, students, business leaders, and educators from different school typology regions. The department shall use data from prior school years and simulations to ensure that there is meaningful differentiation among districts and buildings across all performance ratings and that, except as permitted in division (D) (3) (f) of this section, more than half of all districts or buildings do not earn the same performance rating in any component or overall performance rating.

(c) The department shall adopt the rules prescribed by 52821
division (D) (4) of this section not later than March 31, 2022. 52822
However, the department shall notify districts and buildings of 52823
the changes to the report card prescribed in law not later than 52824
one week after September 30, 2021. 52825

(d) Prior to adopting or updating rules under division (D) 52826
(4) of this section, the director of education and workforce and 52827
the department shall conduct a public presentation before the 52828
standing committees of the house of representatives and the 52829
senate that consider primary and secondary education legislation 52830
describing the format for the report card and the performance 52831
criteria, benchmarks, and rating system, including the method to 52832
assign performance ratings under division (D) (3) of this 52833
section. 52834

(E) The department may develop a measure of student 52835
academic progress for high school students using only data from 52836
assessments in English language arts and mathematics. If the 52837
department develops this measure, each school district and 52838
applicable school building shall be assigned a separate letter 52839
grade for it not sooner than the 2017-2018 school year. The 52840
district's or building's grade for that measure shall not be 52841
included in determining the district's or building's overall 52842
letter grade. 52843

(F) (1) The letter grades assigned to a school district or 52844
building under this section shall be as follows: 52845

(a) "A" for a district or school making excellent 52846
progress; 52847

(b) "B" for a district or school making above average 52848
progress; 52849

(c) "C" for a district or school making average progress;	52850
(d) "D" for a district or school making below average progress;	52851 52852
(e) "F" for a district or school failing to meet minimum progress.	52853 52854
(2) For the overall performance rating under division (D)	52855
(3) of this section, the department shall include a descriptor for each performance rating as follows:	52856 52857
(a) "Significantly exceeds state standards" for a performance rating of five stars;	52858 52859
(b) "Exceeds state standards" for a performance rating of four stars or four and one-half stars;	52860 52861
(c) "Meets state standards" for a performance rating of three stars or three and one-half stars;	52862 52863
(d) "Needs support to meet state standards" for a performance rating of two stars or two and one-half stars;	52864 52865
(e) "Needs significant support to meet state standards" for a performance rating of one star or one and one-half stars.	52866 52867
(3) For performance ratings for each component under divisions (D) (3) (a) to (f) of this section, the department shall include a description of each component and performance rating. The description shall include component-specific context to each performance rating earned, estimated comparisons to other school districts and buildings if appropriate, and any other information determined by the department. The descriptions shall be not longer than twenty-five words in length when possible. In addition to such descriptions, the department shall include the descriptors in division (F) (2) of this section for component	52868 52869 52870 52871 52872 52873 52874 52875 52876 52877

district or school on a color scale. The color associated with a 52882
performance rating of three stars shall be green and the color 52883
associated with a performance rating of one star shall be red. 52884

(b) An arrow graphic that shows data trends for 52885
performance ratings for school districts or buildings. The 52886
department shall determine the data to be used for this graphic, 52887
which shall include at least the three most recent years of 52888
data. 52889

(c) A description regarding the weights that are assigned 52890
to each component and used to determine an overall performance 52891
rating, as prescribed under division (D) (3) (g) of this section, 52892
which shall be included in the presentation of the overall 52893
performance rating on each report card. 52894

(G) When reporting data on student achievement and 52895
progress, the department shall disaggregate that data according 52896
to the following categories: 52897

(1) Performance of students by grade-level; 52898

(2) Performance of students by race and ethnic group; 52899

identified as gifted in superior cognitive ability and the	52920
specific academic ability fields of reading and math pursuant to	52921
Chapter 3324. of the Revised Code. In disaggregating specific	52922
academic ability fields for gifted students, the department	52923
shall use data for those students with specific academic ability	52924
in math and reading. If any other academic field is assessed,	52925
the department shall also include data for students with	52926
specific academic ability in that field as well.	52927

students. For this purpose, the department shall not report 52942
student performance data for any group identified in division 52943
(G) of this section that contains less than ten students. If the 52944
department does not report student performance data for a group 52945
because it contains less than ten students, the department shall 52946
indicate on the report card that is why data was not reported. 52947

(H) The department may include with the report cards any 52948
additional education and fiscal performance data it deems 52949

shall combine data regarding the academic performance of 52968
students enrolled in the community school with comparable data 52969
from the schools of the district for the purpose of determining 52970

issued for the district under this section or section 3302.033 52972
of the Revised Code. 52973

(2) Any district that leases a building to a community 52987
school located in the district or that enters into an agreement 52988
with a community school located in the district whereby the 52989
district and the school endorse each other's programs may elect 52990
to have data regarding the academic performance of students 52991
enrolled in the community school combined with comparable data 52992

from the schools of the district for the purpose of determining 52993
the performance of the district as a whole on the district 52994
report card. Any district that so elects shall annually file a 52995
copy of the lease or agreement with the department. 52996

(3) Any municipal school district, as defined in section 52997

(A) The territory is being transferred to an adjacent 55169
school district. 55170

(B) The district from which the territory is being 55171
transferred has received an overall performance rating of less 55172

Revised Code for two or more consecutive school years. 55174

(C) No party opposing the proposed transfer has presented 55175
to the state board clear and convincing evidence that any 55176

3311.24 of the Revised Code is incorrect or inaccurate. 55178

Sec. 3311.50. (A) As used in this section: 55179

(1) "County school financing district" means a taxing 55180
district consisting of the following territory: 55181

(a) The territory that constitutes the educational service 55182
center on the date that the governing board of that educational 55183
service center adopts a resolution under division (B) of this 55184
section declaring that the territory of the educational service 55185
center is a county school financing district, exclusive of any 55186
territory subsequently withdrawn from the district under 55187
division (D) of this section; 55188

(b) Any territory that has been added to the county school 55189
financing district under this section. 55190

A county school financing district may include the 55191
territory of a city, local, or exempted village school district 55192

whose territory also is included in the territory of one or more 55193
other county school financing districts. 55194

(2) "The county auditor's ~~appraised~~ market value" and 55195
"effective rate" have the same meanings as in section 5705.01 of 55196
the Revised Code. 55197

(B) The governing board of any educational service center 55198
may, by resolution, declare that the territory of the 55199
educational service center is a county school financing 55200
district. The resolution shall state the purpose for which the 55201
county school financing district is created, which may be for 55202
any one or more of the following purposes: 55203

(1) To levy taxes for the provision of special education 55204
by the school districts that are a part of the district, 55205
including taxes for permanent improvements for special 55206
education; 55207

(2) To levy taxes for the provision of specified 55208
educational programs and services by the school districts that 55209
are a part of the district, as identified in the resolution 55210
creating the district, including the levying of taxes for 55211
permanent improvements for those programs and services. Services 55212
financed by the levy may include school safety and security and 55213
mental health services, including training and employment of or 55214
contracting for the services of safety personnel, mental health 55215
personnel, social workers, and counselors. 55216

(3) To levy taxes for permanent improvements of school 55217

The governing board of the educational service center that 55219
creates a county school financing district shall serve as the 55220
taxing authority of the district and may use educational service 55221

center governing board employees to perform any of the functions 55222
necessary in the performance of its duties as a taxing 55223
authority. A county school financing district shall not employ 55224
any personnel. 55225

With the approval of a majority of the members of the 55226
board of education of each school district within the territory 55227
of the county school financing district, the taxing authority of 55228
the financing district may amend the resolution creating the 55229
district to broaden or narrow the purposes for which it was 55230
created. 55231

A governing board of an educational service center may 55232
create more than one county school financing district. If a 55233
governing board of an educational service center creates more 55234
than one such district, it shall clearly distinguish among the 55235
districts it creates by including a designation of each 55236
district's purpose in the district's name. 55237

(C) A majority of the members of a board of education of a 55238
city, local, or exempted village school district may adopt a 55239
resolution requesting that its territory be joined with the 55240
territory of any county school financing district. Copies of the 55241
resolution shall be filed with the state board of education and 55242
the taxing authority of the county school financing district. 55243
Within sixty days of its receipt of such a resolution, the 55244
county school financing district's taxing authority shall vote 55245
on the question of whether to accept the school district's 55246
territory as part of the county school financing district. If a 55247
majority of the members of the taxing authority vote to accept 55248
the territory, the school district's territory shall thereupon 55249
become a part of the county school financing district unless the 55250
county school financing district has in effect a tax imposed 55251

under section 5705.215 of the Revised Code. If the county school 55252
financing district has such a tax in effect, the taxing 55253
authority shall certify a copy of its resolution accepting the 55254
school district's territory to the school district's board of 55255
education. The board of education and the county auditor shall 55256
proceed in the same manner as required for a tax levy under 55257
section 5705.03 of the Revised Code, except that the levy's 55258
annual collections shall be estimated assuming that the school 55259
district's territory has been added to the county school 55260
financing district. After receipt of the auditor's certification 55261
under that section, the board may adopt a resolution, with the 55262
affirmative vote of a majority of its members, proposing the 55263
submission to the electors of the question of whether the 55264
district's territory shall become a part of the county school 55265
financing district and subject to the taxes imposed by the 55266
financing district. The resolution shall set forth the date on 55267
which the question shall be submitted to the electors, which 55268
shall be at a special election held on a date specified in the 55269
resolution, which shall not be earlier than ninety days after 55270
the adoption and certification of the resolution. A copy of the 55271
resolution shall immediately be certified to the board of 55272
elections of the proper county, which shall make arrangements 55273
for the submission of the proposal to the electors of the school 55274
district. The board of the joining district shall publish notice 55275
of the election in a newspaper of general circulation in the 55276
county once a week for two consecutive weeks, or as provided in 55277
section 7.16 of the Revised Code, prior to the election. 55278
Additionally, if the board of elections operates and maintains a 55279
web site, the board of elections shall post notice of the 55280
election on its web site for thirty days prior to the election. 55281
The question appearing on the ballot shall read: 55282

"Shall the territory within _____ (name of the school
district proposing to join the county school financing district)
_____ be added to _____ (name) _____ county
school financing district, and a property tax for the purposes
of _____ (here insert purposes), that the county auditor
estimates will collect \$_____ annually, _____ at a rate not
exceeding _____ mills for each \$1 of taxable value, which
amounts to \$_____ (effective rate) for each \$100,000 of the
county auditor's ~~appraised~~ market value, _____ be in
effect for _____ (here insert the number of years the tax
is to be in effect or "a continuing period of time," as
applicable) _____?"

If the proposal is approved by a majority of the electors
voting on it, the joinder shall take effect on the first day of
July following the date of the election, and the county board of
elections shall notify the county auditor of each county in
which the school district joining its territory to the county
school financing district is located.

(D) The board of any city, local, or exempted village
school district whose territory is part of a county school
financing district may withdraw its territory from the county
school financing district thirty days after submitting to the
governing board that is the taxing authority of the district and
the state board a resolution proclaiming such withdrawal,
adopted by a majority vote of its members, but any county school
financing district tax levied in such territory on the effective
date of the withdrawal shall remain in effect in such territory
until such tax expires or is renewed. No board may adopt a
resolution withdrawing from a county school financing district
that would take effect during the forty-five days preceding the
date of an election at which a levy proposed under section

5705.215 of the Revised Code is to be voted upon. 55314

(E) A city, local, or exempted village school district 55315
does not lose its separate identity or legal existence by reason 55316
of joining its territory to a county school financing district 55317
under this section and an educational service center does not 55318
lose its separate identity or legal existence by reason of 55319
creating a county school financing district that accepts or 55320
loses territory under this section. 55321

Sec. 3313.27. At the expiration of the term of any 55322

amount therein stated was actually in the treasury at that date. 55332

the board determines that such other information is sufficient 55466
for bidding a project, the board shall not engage in the 55467
construction of any such project involving the practice of 55468
professional engineering, professional surveying, or 55469

board in the advertisement for the bids. 55497

(4) Each bid shall contain the name of every person 55498
interested therein. Each bid shall meet the requirements of 55499
section 153.54 of the Revised Code. 55500

(5) When both labor and materials are embraced in the work 55501
bid for, the board may require that each be separately stated in 55502
the bid, with the price thereof, or may require that bids be 55503
submitted without such separation. 55504

(6) None but the lowest responsible bid shall be accepted. 55505
The board may reject all the bids, or accept any bid for both 55506
labor and material for such improvement or repair, which is the 55507

contracts for improvement or repair, but not for purchases made 55509
under section 3327.08 of the Revised Code, shall be pursuant to 55510
section 153.12 of the Revised Code. 55511

(7) The contract shall be between the board and the 55512

board shall approve and retain the estimates referred to in 55515
section 153.13 of the Revised Code and make them available to 55516
the auditor of state upon request. 55517

(8) When two or more bids are equal, in the whole, or in 55518
any part thereof, and are lower than any others, either may be 55519

accepted, but in no case shall the work be divided between such 55520
bidders. 55521

(9) When there is reason to believe there is collusion or 55522
combination among the bidders, or any number of them, the bids 55523
of those concerned therein shall be rejected. 55524

(B) Division (A) of this section does not apply to the 55525
board of education of any school district in any of the 55526
following situations: 55527

(1) The acquisition of educational materials used in 55528

therein, together with any other relevant information, indicates 55554
that the district may be financially unable to operate its 55555
instructional program on all days set forth in its adopted 55556
school calendars and pay all obligated expenses during the 55557
current fiscal year. If a board of education has not adopted a 55558

and determine whether the district may be financially unable to 55563
pay all obligated expenses and operate its instructional program 55564
for the number of days on which instruction was held in the 55565
preceding fiscal year. 55566

(B) If the director of education and workforce determines 55567
pursuant to division (A) of this section that a school district 55568
may be financially unable to operate its instructional program 55569
on all days required by such division and pay all obligated 55570
expenses during the current fiscal year, the director shall 55571
provide written notification of such determination to the 55572
president of the district's board of education and the auditor 55573
of state. 55574

(C) This section does not apply to a school district 55575

on or after July 1, 2015, and who are pursuing a career- 55758
technical instructional track shall not be required to take 55759
algebra II or advanced computer science, and instead may 55760

the department of education and workforce as an alternative. 55762

For students who choose to take advanced computer science 55763
in lieu of algebra II under division (C) (3) of this section, the 55764
school shall communicate to those students that some 55765
institutions of higher education may require algebra II for the 55766
purpose of college admission. Also, the parent, guardian, or 55767
legal custodian of each student who chooses to take advanced 55768
computer science in lieu of algebra II shall sign and submit to 55769
the school a document containing a statement acknowledging that 55770
not taking algebra II may have an adverse effect on college 55771
admission decisions. 55772

A student may fulfill one unit of mathematics under 55773
division (C) (3) of this section by completing one-half unit of 55774
financial literacy instruction to satisfy the requirement 55775

prescribed under division (C) (9) of this section and one-half 55776
unit of a mathematics course. The one-half unit course in 55777
mathematics shall not be in algebra II, or its equivalent, or a 55778

of this section, shall not be permitted to complete one-half 55783
unit of financial literacy instruction to satisfy the 55784
mathematics unit requirements of that division. Instead, those 55785

section. 55788

(4) Physical education, one-half unit; 55789

(a) Physical sciences, one unit; 55794

(b) Life sciences, one unit; 55795

No student shall substitute a computer science course for 55803
a life sciences or biology course under division (C) (5) of this 55804
section. 55805

(6) History and government, one unit, which shall comply 55806
with division (M) of this section and shall include both of the 55807

Beginning with students who enter ninth grade for the 55812
first time on or after July 1, 2017, the two units of 55813
instruction prescribed by division (C) (7) of this section shall 55814
include at least one-half unit of instruction in the study of 55815
world history and civilizations. 55816

(8) Five units consisting of one or any combination of 55817

reserve officer training corps (JROTC) program approved by the 55821
congress of the United States under title 10 of the United 55822
States Code, or English language arts, mathematics, science, or 55823
social studies courses not otherwise required under division (C) 55824
of this section. 55825

One-half unit of instruction under division (C) (8) of this 55826
section may be instruction in financial literacy to satisfy the 55827
requirement under division (C) (9) of this section. 55828

(9) (a) Except as provided in division (C) (9) (b) of this 55829
section, for students who enter ninth grade for the first time 55830

on or after July 1, 2022, financial literacy, one-half unit. 55831
Each student shall elect to complete the one-half unit of 55832
instruction in financial literacy either in lieu of one-half 55833
unit of instruction in mathematics under division (C)(3) of this 55834
section or an elective under division (C)(8) of this section. A 55835
student may fulfill the financial literacy instruction 55836
requirement under division (C)(9) of this section through the 55837
successful completion of an advanced placement course in 55838
microeconomics or macroeconomics. 55839

(b) A student attending a nonpublic school accredited 55840
through the independent schools association of the central 55841
states or any other chartered nonpublic school shall not be 55842
required to complete the one-half unit of financial literacy 55843
instruction prescribed in division (C)(9)(a) of this section, 55844
unless that student is attending the school under a state 55845
scholarship program as defined in section 3301.0711 of the 55846
Revised Code. 55847

The study and instruction of financial literacy required 55848
under division (C)(9) of this section shall align with the 55849
academic content standards for financial literacy and 55850
entrepreneurship adopted under division (A)(2) of section 55851
3301.079 of the Revised Code. The instruction provided under an 55852
advanced placement course in microeconomics or macroeconomics 55853
shall be considered to be aligned with those academic content 55854
standards. In developing the curriculum for the study and 55855
instruction of financial literacy, schools may use available 55856
public-private partnerships and resources and materials that 55857
exist in business, industry, and through the centers for 55858
economics education at institutions of higher education. 55859

Ohioans must be prepared to apply increased knowledge and 55860

skills in the workplace and to adapt their knowledge and skills 55861
quickly to meet the rapidly changing conditions of the twenty- 55862
first century. National studies indicate that all high school 55863
graduates need the same academic foundation, regardless of the 55864
opportunities they pursue after graduation. The goal of Ohio's 55865
system of elementary and secondary education is to prepare all 55866
students for and seamlessly connect all students to success in 55867
life beyond high school graduation, regardless of whether the 55868
next step is entering the workforce, beginning an 55869
apprenticeship, engaging in post-secondary training, serving in 55870
the military, or pursuing a college degree. 55871

The requirements for graduation prescribed in division (C) 55872
of this section are the standard expectation for all students 55873
entering ninth grade for the first time at a public or chartered 55874
nonpublic high school on or after July 1, 2010. A student may 55875
satisfy this expectation through a variety of methods, 55876
including, but not limited to, integrated, applied, career- 55877
technical, and traditional coursework. 55878

Stronger coordination between high schools and 55879
institutions of higher education is necessary to prepare 55880
students for more challenging academic endeavors and to lessen 55881
the need for academic remediation in college, thereby reducing 55882
the costs of higher education for Ohio's students, families, and 55883
the state. The department and the chancellor of higher education 55884
shall develop policies to ensure that only in rare instances 55885
will students who complete the requirements for graduation 55886
prescribed in division (C) of this section require academic 55887
remediation after high school. 55888

School districts, community schools, and chartered 55889
nonpublic schools shall integrate technology into learning 55890

experiences across the curriculum in order to maximize 55891
efficiency, enhance learning, and prepare students for success 55892
in the technology-driven twenty-first century. Districts and 55893
schools shall use distance and web-based course delivery as a 55894
method of providing or augmenting all instruction required under 55895
this division, including laboratory experience in science. 55896
Districts and schools shall utilize technology access and 55897
electronic learning opportunities provided by the broadcast 55898
educational media commission, chancellor, the Ohio learning 55899
network, education technology centers, public television 55900
stations, and other public and private providers. 55901

(D) Except as provided in division (E) of this section, a 55902
student who enters ninth grade on or after July 1, 2010, and 55903
before July 1, 2016, may qualify for graduation from a public or 55904
chartered nonpublic high school even though the student has not 55905
completed the requirements for graduation prescribed in division 55906
(C) of this section if all of the following conditions are 55907
satisfied: 55908

(1) During the student's third year of attending high 55909
school, as determined by the school, the student and the 55910
student's parent, guardian, or custodian sign and file with the 55911
school a written statement asserting the parent's, guardian's, 55912
or custodian's consent to the student's graduating without 55913
completing the requirements for graduation prescribed in 55914
division (C) of this section and acknowledging that one 55915
consequence of not completing those requirements is 55916
ineligibility to enroll in most state universities in Ohio 55917
without further coursework. 55918

(2) The student and parent, guardian, or custodian fulfill 55919
any procedural requirements the school stipulates to ensure the 55920

student's and parent's, guardian's, or custodian's informed 55921
consent and to facilitate orderly filing of statements under 55922
division (D) (1) of this section. Annually, each district or 55923
school shall notify the department of the number of students who 55924
choose to qualify for graduation under division (D) of this 55925
section and the number of students who complete the student's 55926
success plan and graduate from high school. 55927

(3) The student and the student's parent, guardian, or 55928
custodian and a representative of the student's high school 55929
jointly develop a student success plan for the student in the 55930
manner described in division (C) (1) of section 3313.6020 of the 55931
Revised Code that specifies the student matriculating to a two- 55932
year degree program, acquiring a business and industry- 55933
recognized credential, or entering an apprenticeship. 55934

(4) The student's high school provides counseling and 55935
support for the student related to the plan developed under 55936
division (D) (3) of this section during the remainder of the 55937
student's high school experience. 55938

(5) (a) Except as provided in division (D) (5) (b) of this 55939
section, the student successfully completes, at a minimum, the 55940
curriculum prescribed in division (B) of this section. 55941

(b) Beginning with students who enter ninth grade for the 55942
first time on or after July 1, 2014, a student shall be required 55943
to complete successfully, at the minimum, the curriculum 55944
prescribed in division (B) of this section, except as follows: 55945

(i) Mathematics, four units, one unit which shall be one 55946
of the following: 55947

(I) Probability and statistics; 55948

(II) Computer science; 55949

(III) Applied mathematics or quantitative reasoning;	55950
(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.	55951 55952 55953
(ii) Elective units, five units;	55954
(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.	55955 55956 55957 55958
(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:	55959 55960 55961 55962 55963 55964 55965
(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	55966 55967
(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;	55968 55969 55970 55971 55972 55973
(3) That no exception comparable to that provided in division (D) of this section is available.	55974 55975
If a school district or chartered nonpublic school requires a foreign language as an additional graduation	55976 55977

requirement under division (E) of this section, a student may 55978
apply one unit of instruction in computer coding to satisfy one 55979
unit of foreign language. If a student applies more than one 55980
computer coding course to satisfy the foreign language 55981
requirement, the courses shall be sequential and progressively 55982
more difficult. 55983

(F) A student enrolled in a dropout prevention and 55984
recovery program, which program has received a waiver from the 55985
department, may qualify for graduation from high school by 55986
successfully completing a competency-based instructional program 55987
administered by the dropout prevention and recovery program in 55988
lieu of completing the requirements for graduation prescribed in 55989
division (C) of this section. The department shall grant a 55990
waiver to a dropout prevention and recovery program, within 55991
sixty days after the program applies for the waiver, if the 55992
program meets all of the following conditions: 55993

(1) The program serves only students not younger than 55994
sixteen years of age and not older than twenty-one years of age. 55995

(2) The program enrolls students who, at the time of their 55996
initial enrollment, either, or both, are at least one grade 55997
level behind their cohort age groups or experience crises that 55998
significantly interfere with their academic progress such that 55999
they are prevented from continuing their traditional programs. 56000

(3) The program requires students to attain at least the 56001
applicable score designated for each of the assessments 56002
prescribed under division (B)(1) of section 3301.0710 of the 56003
Revised Code or, to the extent prescribed by rule of the 56004
department under division (D)(5) of section 3301.0712 of the 56005
Revised Code, division (B)(2) of that section. 56006

(4) The program develops a student success plan for the 56007
student in the manner described in division (C) (1) of section 56008
3313.6020 of the Revised Code that specifies the student's 56009
matriculating to a two-year degree program, acquiring a business 56010
and industry-recognized credential, or entering an 56011
apprenticeship. 56012

(5) The program provides counseling and support for the 56013
student related to the plan developed under division (F) (4) of 56014
this section during the remainder of the student's high school 56015
experience. 56016

(6) The program requires the student and the student's 56017
parent, guardian, or custodian to sign and file, in accordance 56018
with procedural requirements stipulated by the program, a 56019
written statement asserting the parent's, guardian's, or 56020
custodian's consent to the student's graduating without 56021
completing the requirements for graduation prescribed in 56022
division (C) of this section and acknowledging that one 56023
consequence of not completing those requirements is 56024
ineligibility to enroll in most state universities in Ohio 56025
without further coursework. 56026

(7) Prior to receiving the waiver, the program has 56027
submitted to the department an instructional plan that 56028
demonstrates how the academic content standards adopted by the 56029
department under section 3301.079 of the Revised Code will be 56030
taught and assessed. 56031

(8) Prior to receiving the waiver, the program has 56032
submitted to the department a policy on career advising that 56033
satisfies the requirements of section 3313.6020 of the Revised 56034
Code, with an emphasis on how every student will receive career 56035
advising. 56036

(9) Prior to receiving the waiver, the program has 56037
submitted to the department a written agreement outlining the 56038
future cooperation between the program and any combination of 56039
local job training, postsecondary education, nonprofit, and 56040
health and social service organizations to provide services for 56041
students in the program and their families. 56042

Divisions (F) (8) and (9) of this section apply only to 56043
waivers granted on or after July 1, 2015. 56044

If the department does not act either to grant the waiver 56045
or to reject the program application for the waiver within sixty 56046
days as required under this section, the waiver shall be 56047
considered to be granted. 56048

(G) Every high school may permit students below the ninth 56049
grade to take advanced work. If a high school so permits, it 56050
shall award high school credit for successful completion of the 56051
advanced work and shall count such advanced work toward the 56052
graduation requirements of division (B) or (C) of this section 56053
if the advanced work was both: 56054

(1) Taught by a person who possesses a license or 56055
certificate issued under section 3301.071, 3319.22, or 3319.222 56056
of the Revised Code that is valid for teaching high school; 56057

(2) Designated by the board of education of the city, 56058
local, or exempted village school district, the board of the 56059
cooperative education school district, or the governing 56060
authority of the chartered nonpublic school as meeting the high 56061
school curriculum requirements. 56062

Each high school shall record on the student's high school 56063
transcript all high school credit awarded under division (G) of 56064
this section. In addition, if the student completed a seventh- 56065

or eighth-grade fine arts course described in division (K) of 56066
this section and the course qualified for high school credit 56067
under that division, the high school shall record that course on 56068
the student's high school transcript. 56069

(H) The department shall make its individual academic 56070
career plan available through its Ohio career information system 56071
web site for districts and schools to use as a tool for 56072
communicating with and providing guidance to students and 56073
families in selecting high school courses. 56074

(I) A school district or chartered nonpublic school may 56075
integrate academic content in a subject area for which the 56076
department has adopted standards under section 3301.079 of the 56077
Revised Code into a course in a different subject area, 56078
including a career-technical education course, in accordance 56079
with guidance for integrated coursework developed by the 56080
department. Upon successful completion of an integrated course, 56081
a student may receive credit for both subject areas that were 56082
integrated into the course. Units earned for subject area 56083
content delivered through integrated academic and career- 56084
technical instruction are eligible to meet the graduation 56085
requirements of division (B) or (C) of this section. 56086

For purposes of meeting graduation requirements, if an 56087
end-of-course examination has been prescribed under section 56088
3301.0712 of the Revised Code for the subject area delivered 56089
through integrated instruction, the school district or school 56090
may administer the related subject area examinations upon the 56091
student's completion of the integrated course. 56092

Nothing in division (I) of this section shall be construed 56093
to excuse any school district, chartered nonpublic school, or 56094
student from any requirement in the Revised Code related to 56095

curriculum, assessments, or the awarding of a high school diploma. 56096
56097

(J) (1) The department, in consultation with the 56098
chancellor, shall adopt a statewide plan implementing methods 56099
for students to earn units of high school credit based on a 56100
demonstration of subject area competency, instead of or in 56101
combination with completing hours of classroom instruction. The 56102
plan shall include a standard method for recording demonstrated 56103
proficiency on high school transcripts. Each school district and 56104
community school shall comply with the department's plan adopted 56105
under this division and award units of high school credit in 56106
accordance with the plan. The department may adopt existing 56107
methods for earning high school credit based on a demonstration 56108
of subject area competency as necessary prior to the 2009-2010 56109
school year. 56110

(2) The department shall update the statewide plan adopted 56111
pursuant to division (J) (1) of this section to also include 56112
methods for students enrolled in seventh and eighth grade to 56113
meet curriculum requirements based on a demonstration of subject 56114
area competency, instead of or in combination with completing 56115
hours of classroom instruction. Beginning with the 2017-2018 56116
school year, each school district and community school also 56117
shall comply with the updated plan adopted pursuant to this 56118
division and permit students enrolled in seventh and eighth 56119
grade to meet curriculum requirements based on subject area 56120
competency in accordance with the plan. 56121

(3) The department shall develop a framework for school 56122
districts and community schools to use in granting units of high 56123
school credit to students who demonstrate subject area 56124
competency through work-based learning experiences, internships, 56125

or cooperative education. Beginning with the 2018-2019 school 56126
year, each district and community school shall comply with the 56127
framework. Each district and community school also shall review 56128
any policy it has adopted regarding the demonstration of subject 56129
area competency to identify ways to incorporate work-based 56130
learning experiences, internships, and cooperative education 56131
into the policy in order to increase student engagement and 56132
opportunities to earn units of high school credit. 56133

(K) This division does not apply to students who qualify 56134
for graduation from high school under division (D) or (F) of 56135
this section, or to students pursuing a career-technical 56136
instructional track as determined by the school district board 56137
of education or the chartered nonpublic school's governing 56138
authority. Nevertheless, the general assembly encourages such 56139
students to consider enrolling in a fine arts course as an 56140
elective. 56141

Beginning with students who enter ninth grade for the 56142
first time on or after July 1, 2010, each student enrolled in a 56143
public or chartered nonpublic high school shall complete two 56144
semesters or the equivalent of fine arts to graduate from high 56145
school. The coursework may be completed in any of grades seven 56146
to twelve. Each student who completes a fine arts course in 56147
grade seven or eight may elect to count that course toward the 56148
five units of electives required for graduation under division 56149
(C) (8) of this section, if the course satisfied the requirements 56150
of division (G) of this section. In that case, the high school 56151
shall award the student high school credit for the course and 56152
count the course toward the five units required under division 56153
(C) (8) of this section. If the course in grade seven or eight 56154
did not satisfy the requirements of division (G) of this 56155
section, the high school shall not award the student high school 56156

credit for the course but shall count the course toward the two 56157
semesters or the equivalent of fine arts required by this 56158
division. 56159

(L) Notwithstanding anything to the contrary in this 56160
section, the board of education of each school district and the 56161
governing authority of each chartered nonpublic school may adopt 56162
a policy to excuse from the high school physical education 56163
requirement each student who, during high school, has 56164
participated in interscholastic athletics, marching band, show 56165
choir, or cheerleading for at least two full seasons or in the 56166
junior reserve officer training corps for at least two full 56167
school years. If the board or authority adopts such a policy, 56168
the board or authority shall not require the student to complete 56169
any physical education course as a condition to graduate. 56170
However, the student shall be required to complete one-half 56171
unit, consisting of at least sixty hours of instruction, in 56172
another course of study. In the case of a student who has 56173
participated in the junior reserve officer training corps for at 56174
least two full school years, credit received for that 56175
participation may be used to satisfy the requirement to complete 56176
one-half unit in another course of study. 56177

(M) It is important that high school students learn and 56178
understand United States history and the governments of both the 56179
United States and the state of Ohio. Therefore, beginning with 56180
students who enter ninth grade for the first time on or after 56181
July 1, 2012, the study of American history and American 56182
government required by divisions (B)(6) and (C)(6) of this 56183
section shall include the study of all of the following 56184
documents: 56185

(1) The Declaration of Independence; 56186

(2) The Northwest Ordinance;	56187
(3) The Constitution of the United States with emphasis on the Bill of Rights;	56188 56189
(4) The Ohio Constitution.	56190
The study of each of the documents prescribed in divisions (M) (1) to (4) of this section shall include study of that document in its original context.	56191 56192 56193
The study of American history and government required by divisions (B) (6) and (C) (6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	56194 56195 56196 56197 56198 56199
(N) A student may apply one unit of instruction in computer science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a professional development program determined to be appropriate by the district board.	56200 56201 56202 56203 56204 56205 56206 56207 56208
If a student applies more than one computer science course to satisfy curriculum requirements under that division, the courses shall be sequential and progressively more difficult or cover different subject areas within computer science.	56209 56210 56211 56212
<u>(O) Notwithstanding anything to the contrary in this</u> <u>section, the board of education of each school district and the</u> <u>governing authority of each chartered nonpublic school may adopt</u>	56213 56214 56215

a policy to excuse from the financial literacy instruction 56216
requirement under division (C) (9) of this section each student 56217
who, during high school, participates in a financial literacy 56218
program offered through a student branch, as defined in section 56219
1733.04 of the Revised Code, or by a bank, as defined in section 56220
1101.01 of the Revised Code. The policy shall require the 56221
financial literacy program to meet or exceed the academic 56222
content standards and model curriculum for financial literacy 56223
and entrepreneurship instruction adopted under section 3301.079 56224
of the Revised Code. The policy shall require a student to 56225
participate in the program for the equivalent of at least one- 56226
half unit of instruction to qualify for an exemption under this 56227
division. 56228

Not later than July 1, 2026, the department shall develop 56229
and post on its web site a model policy and guidelines for 56230
districts and schools to use in developing a policy under this 56231
division. 56232

Sec. 3313.608. (A) (1) Beginning with students who enter 56233
third grade in the school year that starts July 1, 2009, and 56234
until June 30, 2013, unless the student is excused under 56235
division (C) of section 3301.0711 of the Revised Code from 56236
taking the assessment described in this section, for any student 56237
who does not attain at least the equivalent level of achievement 56238
designated under division (A) (3) of section 3301.0710 of the 56239
Revised Code on the assessment prescribed under that section to 56240
measure skill in English language arts expected at the end of 56241
third grade, each school district, in accordance with the policy 56242
adopted under section 3313.609 of the Revised Code, shall do one 56243
of the following: 56244

(a) Promote the student to fourth grade if the student's 56245

principal and reading teacher agree that other evaluations of 56246
the student's skill in reading demonstrate that the student is 56247
academically prepared to be promoted to fourth grade; 56248

(b) Promote the student to fourth grade but provide the 56249
student with intensive intervention services in fourth grade; 56250

(c) Retain the student in third grade. 56251

(2) Beginning with students who enter third grade in the 56252
2013-2014 school year, unless the student is excused under 56253
division (C) of section 3301.0711 of the Revised Code from 56254
taking the assessment described in this section, no school 56255
district shall promote to fourth grade any student who does not 56256
attain at least the equivalent level of achievement designated 56257
under division (A) (3) of section 3301.0710 of the Revised Code 56258
on the assessment prescribed under that section to measure skill 56259
in English language arts expected at the end of third grade, 56260
unless one of the following applies: 56261

(a) The student is an English learner who has been 56262
enrolled in United States schools for less than three full 56263
school years and has had less than three years of instruction in 56264
an English as a second language program. 56265

(b) The student is a child with a disability entitled to 56266
special education and related services under Chapter 3323. of 56267
the Revised Code and the student's individualized education 56268
program exempts the student from retention under this division. 56269

(c) The student demonstrates an acceptable level of 56270
performance on an alternative standardized reading assessment as 56271
determined by the department of education and workforce. 56272

(d) All of the following apply: 56273

(i) The student is a child with a disability entitled to 56274
special education and related services under Chapter 3323. of 56275
the Revised Code. 56276

(ii) The student has taken the third grade English 56277
language arts achievement assessment prescribed under section 56278
3301.0710 of the Revised Code. 56279

(iii) The student's individualized education program or 56280
plan under section 504 of the "Rehabilitation Act of 1973," 87 56281
Stat. 355, 29 U.S.C. 794, as amended, shows that the student has 56282
received intensive remediation in reading for two school years 56283
but still demonstrates a deficiency in reading. 56284

(iv) The student previously was retained in any of grades 56285
kindergarten to three. 56286

(e) (i) The student received intensive remediation for 56287
reading for two school years but still demonstrates a deficiency 56288
in reading and was previously retained in any of grades 56289
kindergarten to three. 56290

(ii) A student who is promoted under division (A) (2) (e) (i) 56291
of this section shall continue to receive intensive reading 56292
instruction in grade four. The instruction shall include an 56293
altered instructional day that includes specialized diagnostic 56294
information and specific research-based reading strategies for 56295
the student that have been successful in improving reading among 56296
low-performing readers. 56297

(f) A student's parent or guardian, in consultation with 56298
the student's reading teacher and building principal, requests 56299
that the student, regardless of if the student is reading at 56300
grade level, be promoted to the fourth grade. 56301

A student who is promoted under division (A) (2) (f) of this 56302

section shall continue to receive intensive reading instruction 56303
in the same manner as a student retained under this section 56304
until the student is able to read at grade level. 56305

(B) (1) Beginning in the 2012-2013 school year, to assist 56306
students in meeting the third grade guarantee established by 56307
this section, each school district board of education shall 56308
adopt policies and procedures with which it annually shall 56309
assess the reading skills of each student, ~~except those students~~ 56310
~~with significant cognitive disabilities or other disabilities as~~ 56311
~~authorized by the department on a case-by-case basis,~~ enrolled 56312
in kindergarten to third grade and shall identify students who 56313
are reading below their grade level. The reading skills 56314
assessment shall be completed by the thirtieth day of September- 56315
~~for students in grades one to three, and by the twentieth day of~~ 56316
~~instruction of the school year for students in kindergarten.~~ 56317
Each district shall use ~~the a~~ diagnostic assessment ~~to measure~~ 56318
~~reading ability~~ for the appropriate grade level adopted or 56319
approved under section 3301.079 of the Revised Code, ~~or a~~ 56320
~~comparable tool approved by the department of education and~~ 56321
~~workforce,~~ to identify such students. The policies and 56322
procedures shall require the students' classroom teachers to be 56323
involved in the assessment and the identification of students 56324
reading below grade level. The assessment may be administered 56325
electronically using live, two-way video and audio connections 56326
whereby the teacher administering the assessment may be in a 56327
separate location from the student. 56328

(2) For each student identified by the diagnostic 56329
assessment prescribed under this section as having reading 56330
skills below grade level, the district shall do both of the 56331

The notification shall specify that the assessment under section 3301.0710 of the Revised Code is not the sole determinant of promotion and that additional evaluations and assessments are available to the student to assist parents and the district in knowing when a student is reading at or above grade level and ready for promotion.

(v) A statement that connects the child's proficiency level in reading to long-term outcomes of success related to proficiency in reading.

(b) Provide intensive reading instruction services and regular diagnostic assessments to the student immediately following identification of a reading deficiency until the development of the reading improvement and monitoring plan

required by division (C) of this section. These intervention 56362
services shall be aligned with the science of reading as defined 56363
under section 3313.6028 of the Revised Code and include 56364

receive applicable services from one or more providers other 56393
than the district. Providers shall be screened and approved by 56394
the district or the department of education and workforce. If 56395
the student participates in the remediation services and 56396
demonstrates reading proficiency in accordance with standards 56397
adopted by the department prior to the start of fourth grade, 56398
the district shall promote the student to that grade. 56399

56435
56436
56437
56438
- (7) ~~High-dosage~~ The provision of high-dosage tutoring opportunities aligned with the student's classroom instruction through a state-approved vendor on the list of high-quality tutoring vendors under section 3301.136 of the Revised Code or a locally approved opportunity program that aligns with high-dosage tutoring best practices identified by the department. 56439

(B) A school district board of education shall adopt a policy that authorizes a student to be excused from school to

least one period per week, provided that each of the following 56737
applies: 56738

(1) The student's parent or guardian gives written 56739
consent. 56740

(2) The sponsoring entity maintains attendance records and 56741
makes them available to the school district the student attends. 56742

(3) Transportation to and from the place of instruction, 56743

(5) No public funds are expended and no public school 56749
personnel are involved in providing the religious instruction. 56750

(6) The student assumes responsibility for any missed 56751
schoolwork. 56752

While in attendance in a released time course in religious 56753

subject course to attend a religious instruction course. 56756

(C) A school district board of education shall collaborate 56757
with a sponsoring entity of a released time course in religious 56758

(D) A policy adopted under division (B) of this section 56761
shall not prohibit students from bringing external educational 56762

may authorize high school students to earn up to two units of 56772
high school credit for the completion of a released time course 56773
in religious instruction. In determining whether to award credit 56774
for completion of such a course, the board shall evaluate the 56775
course based on purely secular criteria that are substantially 56776
the same criteria used to evaluate similar nonpublic high school 56777
courses for purposes of determining whether to award credit for 56778
such courses to a student transferring from a nonpublic high 56779
school to a public high school. However, there shall be no 56780
criteria requiring that released time courses be completed only 56781
at a nonpublic school. The decision to award credit for a 56782
released time course of religious instruction shall be neutral 56783
to, and shall not involve any test for, religious content or 56784
denominational affiliation. 56785

For purposes of this division, secular criteria may 56786

shall be similar to the qualifications of other teachers within 56793
the district. 56794

Notwithstanding division (C) (8) of section 3313.603 of the 56795
Revised Code, high school credit awarded to a student for a 56796

board of education, or school district employee is not liable in 56800
damages in a civil action for injury allegedly arising during a 56801
student's transportation to or from a place of instruction when 56802
private transportation is used under a released time policy 56803
adopted under this section. This division does not eliminate, 56804
limit, or reduce any other immunity or defense that a school 56805
district, member of a school district board of education, or 56806
school district employee may be entitled to under Chapter 2744. 56807
or any other provision of the Revised Code or under the common 56808
law of this state. 56809

Sec. 3313.6028. (A) (1) As used in Title XXXIII of the 56810

effective readers; 56820

(d) Does not rely on any model of teaching students to 56821
read based on meaning, structure and syntax, and visual cues, 56822
including a three-cueing approach. 56823

(2) As used in this section, "three-cueing approach" means 56824
any model of teaching students to read based on meaning, 56825
structure and syntax, and visual cues. 56826

(B) The department of education and workforce shall 56827
establish a list of high-quality core curriculum and 56828
instructional materials in English language arts, _and a list of 56829
evidence-based reading intervention programs, that are aligned 56830
with the science of reading and strategies for effective 56831
literacy instruction. 56832

(C) Beginning not later than the 2024-2025 school year, 56833
each school district, community school established under Chapter 56834

section, no district or school shall use any core curriculum, 56842
instructional materials, or intervention program in grades pre- 56843
kindergarten to five that use the three-cueing approach to teach 56844

waiver on an individual student basis to use curriculum, 56847
instructional materials, or an intervention program in grades 56848
pre-kindergarten through five that uses the three-cueing 56849
approach to teach students to read, except as follows: 56850

(1) No student for whom a reading improvement and 56851
monitoring plan has been developed under division (C) of section 56852
3313.608 of the Revised Code shall be eligible for a waiver. 56853

(2) If a student has an individualized education program 56854
that explicitly indicates the three-cueing approach is 56855
appropriate for the student's learning needs, the student shall 56856
not be required to have a waiver. 56857

In determining whether to approve a waiver requested under 56858
this section, the department shall consider the performance of 56859
the student's district or school on the state report card issued 56860
under section 3302.03 of the Revised Code, including on the 56861
early literacy component prescribed under division (D)(3)(e) of 56862

on the use of high-quality core curriculum and instructional 56867
materials and reading intervention programs on the lists 56868
established under division (B) of this section.— 56869

(2) A professional development committee established under 56870
section 3319.22 of the Revised Code shall qualify any completed 56871
professional development coursework provided by a vendor 56872
described in division (E)(1) of this section to count towards 56873
professional development coursework requirements for teacher 56874
licensure renewal. 56875

(3) A professional development committee shall permit a 56876
teacher to apply any hours earned over the minimum amount of 56877
hours required for professional development coursework for 56878
teacher licensure renewal under division (E)(2) of this section 56879

to the next renewal period for that license. 56880

the Revised Code, that a school district other than the one 57545
named in the court's initial order, or in a prior determination 57546
of the department, is responsible to bear the cost of educating 57547
the child, the district so determined shall be responsible for 57548
that cost. 57549

Revised Code, it shall not receive a tuition payment for that 57574
child under division (C)(4) of this section. 57575

The department shall certify the total educational cost to be paid for the child to both the school district providing the educational services and, if different, the school district that is responsible to pay tuition for the child. The department shall deduct the certified amount from the state basic aid funds payable under Chapter 3317. of the Revised Code to the district responsible to pay tuition and shall pay that amount to the district providing the educational services to the child.

recover in a civil action the tuition and the expenses incurred 57653
in prosecuting the action, including court costs and reasonable 57654
attorney's fees. If the prosecuting attorney or city director of 57655
law represents the board in such action, costs and reasonable 57656
attorney's fees awarded by the court, based upon the prosecuting 57657

who is waiting upon the date of closing of the mortgage loan for 57727
the purchase of such house is entitled to attend school for a 57728
period of time in the district where the house is being 57729
purchased. In order to be entitled to such attendance, the 57730
parent shall provide the district superintendent with the 57731
following: 57732

(a) A sworn statement explaining the situation, revealing 57733
the location of the house being purchased, and stating the 57734
parent's intent to reside there; 57735

(b) A statement from a real estate broker or bank officer 57736
confirming that the parent has a contract to purchase the house, 57737
that the parent is waiting upon the date of closing of the 57738
mortgage loan, and that the house is at the location indicated 57739
in the parent's statement. 57740

The district superintendent shall establish a period of 57741
time not to exceed ninety days during which the child entitled 57742
to attend school under division (F)(6) or (7) of this section 57743
may attend without tuition obligation. A student attending a 57744
school under division (F)(6) or (7) of this section shall be 57745
eligible to participate in interscholastic athletics under the 57746
auspices of that school, provided the board of education of the 57747
school district where the student's parent resides, by a formal 57748
action, releases the student to participate in interscholastic 57749
athletics at the school where the student is attending, and 57750
provided the student receives any authorization required by a 57751
public agency or private organization of which the school 57752
district is a member exercising authority over interscholastic 57753
sports. 57754

(8) A child whose parent is a full-time employee of a 57755
city, local, or exempted village school district, or of an 57756

educational service center, may be admitted to the schools of 57757
the district where the child's parent is employed, or in the 57758
case of a child whose parent is employed by an educational 57759
service center, in the district that serves the location where 57760
the parent's job is primarily located, provided the district 57761
board of education establishes such an admission policy by 57762
resolution adopted by a majority of its members. Any such policy 57763
shall take effect on the first day of the school year and the 57764
effective date of any amendment or repeal may not be prior to 57765
the first day of the subsequent school year. The policy shall be 57766
uniformly applied to all such children and shall provide for the 57767
admission of any such child upon request of the parent. No child 57768
may be admitted under this policy after the first day of classes 57769
of any school year. 57770

(9) A child who is with the child's parent under the care 57771
of a shelter for victims of domestic violence, as defined in 57772
section 3113.33 of the Revised Code, is entitled to attend 57773
school free in the district in which the child is with the 57774
child's parent, and no other school district shall be required 57775
to pay tuition for the child's attendance in that school 57776
district. 57777

The enrollment of a child in a school district under this 57778
division shall not be denied due to a delay in the school 57779
district's receipt of any records required under section 57780
3313.672 of the Revised Code or any other records required for 57781
enrollment. Any days of attendance and any credits earned by a 57782
child while enrolled in a school district under this division 57783
shall be transferred to and accepted by any school district in 57784
which the child subsequently enrolls. The department of 57785
education and workforce shall adopt rules to ensure compliance 57786
with this division. 57787

(10) Any child under the age of twenty-two years whose parent has moved out of the school district after the commencement of classes in the child's senior year of high school is entitled, subject to the approval of that district board, to attend school in the district in which the child attended school at the time of the parental move for the remainder of the school year and for one additional semester or equivalent term. A district board may also adopt a policy specifying extenuating circumstances under which a student may continue to attend school under division (F)(10) of this section for an additional period of time in order to successfully complete the high school curriculum for the individualized education program developed for the student by the high school pursuant to section 3323.08 of the Revised Code.

(11) As used in this division, "grandparent" means a parent of a parent of a child. A child under the age of twenty-two years who is in the custody of the child's parent, resides with a grandparent, and does not require special education is entitled to attend the schools of the district in which the child's grandparent resides, provided that, prior to such attendance in any school year, the board of education of the school district in which the child's grandparent resides and the board of education of the school district in which the child's parent resides enter into a written agreement specifying that good cause exists for such attendance, describing the nature of this good cause, and consenting to such attendance.

In lieu of a consent form signed by a parent, a board of education may request the grandparent of a child attending school in the district in which the grandparent resides pursuant to division (F)(11) of this section to complete any consent form required by the district, including any authorization required

by sections 3313.712, 3313.713, 3313.716, and 3313.718 of the 57819
Revised Code. Upon request, the grandparent shall complete any 57820
consent form required by the district. A school district shall 57821
not incur any liability solely because of its receipt of a 57822
consent form from a grandparent in lieu of a parent. 57823

Division (F) (11) of this section does not create, and 57824
shall not be construed as creating, a new cause of action or 57825
substantive legal right against a school district, a member of a 57826
board of education, or an employee of a school district. This 57827
section does not affect, and shall not be construed as 57828
affecting, any immunities from defenses to tort liability 57829
created or recognized by Chapter 2744. of the Revised Code for a 57830
school district, member, or employee. 57831

(12) A child under the age of twenty-two years is entitled 57832
to attend school in a school district other than the district in 57833
which the child is entitled to attend school under division (B), 57834
(C), or (E) of this section provided that, prior to such 57835
attendance in any school year, both of the following occur: 57836

(a) The superintendent of the district in which the child 57837
is entitled to attend school under division (B), (C), or (E) of 57838
this section contacts the superintendent of another district for 57839
purposes of this division; 57840

(b) The superintendents of both districts enter into a 57841
written agreement that consents to the attendance and specifies 57842
that the purpose of such attendance is to protect the student's 57843
physical or mental well-being or to deal with other extenuating 57844
circumstances deemed appropriate by the superintendents. 57845

While an agreement is in effect under this division for a 57846
student who is not receiving special education under Chapter 57847

3323. of the Revised Code and notwithstanding Chapter 3327. of 57848
the Revised Code, the board of education of neither school 57849
district involved in the agreement is required to provide 57850
transportation for the student to and from the school where the 57851
student attends. 57852

A student attending a school of a district pursuant to 57853
this division shall be allowed to participate in all student 57854
activities, including interscholastic athletics, at the school 57855
where the student is attending on the same basis as any student 57856
who has always attended the schools of that district while of 57857
compulsory school age. 57858

(13) All school districts shall comply with the "McKinney- 57859
Vento Homeless Assistance Act," 42 U.S.C.A. 11431 et seq., for 57860
the education of homeless children. Each city, local, and 57861
exempted village school district shall comply with the 57862
requirements of that act governing the provision of a free, 57863
appropriate public education, including public preschool, to 57864
each homeless child. 57865

When a child loses permanent housing and becomes a 57866
homeless person, as defined in 42 U.S.C.A. 11481(5), or when a 57867
child who is such a homeless person changes temporary living 57868
arrangements, the child's parent or guardian shall have the 57869
option of enrolling the child in either of the following: 57870

(a) The child's school of origin, as defined in 42 57871
U.S.C.A. 11432(g)(3)(C); 57872

(b) The school that is operated by the school district in 57873
which the shelter where the child currently resides is located 57874
and that serves the geographic area in which the shelter is 57875
located. 57876

(14) A child under the age of twenty-two years who resides 57877
with a person other than the child's parent is entitled to 57878
attend school in the school district in which that person 57879
resides if both of the following apply: 57880

(a) That person has been appointed, through a military 57881
power of attorney executed under section 574(a) of the "National 57882
Defense Authorization Act for Fiscal Year 1994," 107 Stat. 1674 57883
(1993), 10 U.S.C. 1044b, or through a comparable document 57884
necessary to complete a family care plan, as the parent's agent 57885
for the care, custody, and control of the child while the parent 57886
is on active duty as a member of the national guard or a reserve 57887
unit of the armed forces of the United States or because the 57888
parent is a member of the armed forces of the United States and 57889
is on a duty assignment away from the parent's residence. 57890

(b) The military power of attorney or comparable document 57891
includes at least the authority to enroll the child in school. 57892

The entitlement to attend school in the district in which 57893
the parent's agent under the military power of attorney or 57894
comparable document resides applies until the end of the school 57895
year in which the military power of attorney or comparable 57896
document expires. 57897

(G) A board of education, after approving admission, may 57898
waive tuition for students who will temporarily reside in the 57899
district and who are either of the following: 57900

(1) Residents or domiciliaries of a foreign nation who 57901
request admission as foreign exchange students; 57902

(2) Residents or domiciliaries of the United States but 57903
not of Ohio who request admission as participants in an exchange 57904
program operated by a student exchange organization. 57905

(H) Pursuant to sections 3311.211, 3313.90, 3319.01, 57906
3323.04, 3327.04, and 3327.06 of the Revised Code, a child may 57907
attend school or participate in a special education program in a 57908
school district other than in the district where the child is 57909
entitled to attend school under division (B) of this section. 57910

(I) (1) Notwithstanding anything to the contrary in this 57911
section or section 3313.65 of the Revised Code, a child under 57912
twenty-two years of age may attend school in the school district 57913
in which the child, at the end of the first full week of October 57914
of the school year, was entitled to attend school as otherwise 57915
provided under this section or section 3313.65 of the Revised 57916
Code, if at that time the child was enrolled in the schools of 57917
the district but since that time the child or the child's parent 57918
has relocated to a new address located outside of that school 57919
district and within the same county as the child's or parent's 57920
address immediately prior to the relocation. The child may 57921
continue to attend school in the district, and at the school to 57922
which the child was assigned at the end of the first full week 57923
of October of the current school year, for the balance of the 57924
school year. Division (I) (1) of this section applies only if 57925
both of the following conditions are satisfied: 57926

(a) The board of education of the school district in which 57927
the child was entitled to attend school at the end of the first 57928
full week in October and of the district to which the child or 57929
child's parent has relocated each has adopted a policy to enroll 57930
children described in division (I) (1) of this section. 57931

(b) The child's parent provides written notification of 57932
the relocation outside of the school district to the 57933
superintendent of each of the two school districts. 57934

(2) At the beginning of the school year following the 57935

school year in which the child or the child's parent relocated 57936
outside of the school district as described in division (I) (1) 57937
of this section, the child is not entitled to attend school in 57938
the school district under that division. 57939

(3) Any person or entity owing tuition to the school 57940
district on behalf of the child at the end of the first full 57941
week in October, as provided in division (C) of this section, 57942
shall continue to owe such tuition to the district for the 57943
child's attendance under division (I) (1) of this section for the 57944
lesser of the balance of the school year or the balance of the 57945
time that the child attends school in the district under 57946
division (I) (1) of this section. 57947

(4) A pupil who may attend school in the district under 57948
division (I) (1) of this section shall be entitled to 57949
transportation services pursuant to an agreement between the 57950
district and the district in which the child or child's parent 57951
has relocated unless the districts have not entered into such 57952
agreement, in which case the child shall be entitled to 57953
transportation services in the same manner as a pupil attending 57954
school in the district under interdistrict open enrollment as 57955
described in division (E) of section 3313.981 of the Revised 57956
Code, regardless of whether the district has adopted an open 57957
enrollment policy as described in division (B) (1) (b) or (c) of 57958
section 3313.98 of the Revised Code. 57959

(J) This division does not apply to a child receiving 57960
special education. 57961

A school district required to pay tuition pursuant to 57962
division (C) (2) or (3) of this section or section 3313.65 of the 57963
Revised Code shall have an amount deducted under division (C) of 57964
section 3317.023 of the Revised Code equal to its own tuition 57965

rate for the same period of attendance. A school district 57966
entitled to receive tuition pursuant to division (C) (2) or (3) 57967
of this section or section 3313.65 of the Revised Code shall 57968
have an amount credited under division (C) of section 3317.023 57969
of the Revised Code equal to its own tuition rate for the same 57970
period of attendance. If the tuition rate credited to the 57971
district of attendance exceeds the rate deducted from the 57972
district required to pay tuition, the department of education 57973
and workforce shall pay the district of attendance the 57974
difference from amounts deducted from all districts' payments 57975
under division (C) of section 3317.023 of the Revised Code but 57976
not credited to other school districts under such division and 57977
from appropriations made for such purpose. The treasurer of each 57978
school district shall, by the fifteenth day of January and July, 57979
furnish the director of education and workforce a report of the 57980
names of each child who attended the district's schools under 57981
divisions (C) (2) and (3) of this section or section 3313.65 of 57982
the Revised Code during the preceding six calendar months, the 57983
duration of the attendance of those children, the school 57984
district responsible for tuition on behalf of the child, and any 57985
other information that the director requires. 57986

Upon receipt of the report the director, pursuant to 57987
division (C) of section 3317.023 of the Revised Code, shall 57988
deduct each district's tuition obligations under divisions (C) 57989
(2) and (3) of this section or section 3313.65 of the Revised 57990
Code and pay to the district of attendance that amount plus any 57991
amount required to be paid by the state. 57992

(K) In the event of a disagreement, the director of 57993
education and workforce shall determine the school district in 57994
which the parent resides. 57995

(L) Nothing in this section requires or authorizes, or 57996
shall be construed to require or authorize, the admission to a 57997
public school in this state of a pupil who has been permanently 57998
excluded from public school attendance by the director pursuant 57999
to sections 3301.121 and 3313.662 of the Revised Code. 58000

(M) In accordance with division (B)(1) of this section, a 58001
child whose parent is a member of the national guard or a 58002
reserve unit of the armed forces of the United States and is 58003
called to active duty, or a child whose parent is a member of 58004
the armed forces of the United States and is ordered to a 58005
temporary duty assignment outside of the district, may continue 58006
to attend school in the district in which the child's parent 58007
lived before being called to active duty or ordered to a 58008
temporary duty assignment outside of the district, as long as 58009
the child's parent continues to be a resident of that district, 58010
and regardless of where the child lives as a result of the 58011
parent's active duty status or temporary duty assignment. 58012
However, the district is not responsible for providing 58013
transportation for the child if the child lives outside of the 58014
district as a result of the parent's active duty status or 58015
temporary duty assignment. 58016

Sec. 3313.7118. Each public school, as defined in section 58017
3301.28 of the Revised Code, and chartered nonpublic school that 58018
serves elementary school students shall provide either an 58019
electronic or paper copy of the informational materials 58020
described in section 3707.61 of the Revised Code to each 58021
student's parent or guardian on the student's enrollment in 58022
elementary school. 58023

provide for exceptions to this prohibition as specified in the 58049
policy. The policy shall specify any disciplinary measures that 58050
will be taken for violation of this prohibition. 58051

Notwithstanding division (D) of section 3311.19 and division (D) 58109

of education and workforce shall determine and certify to the 58136
superintendent of each school district subject to this section 58137
either that the district is in compliance with the requirements 58138

on sparsity of population or other factors indicating that 58166
comprehensive educational and career-technical education 58167
programs as required by this section can be provided through an 58168
alternate plan. 58169

(B) ~~If~~ Until July 1, 2026, the department shall waive the 58170

~~may adopt a resolution objecting to the enrollment of its native 58563~~
~~students in adjacent or other districts if at least ten per cent 58564~~
~~of its students are included in the determination of the United 58565~~
~~States secretary of education made under section 20 U.S.C.A.— 58566~~
~~238(a).— 58567~~

(2) If a board objects to enrollment of native students 58568
under this division, any adjacent or other district shall refuse 58569
to enroll such native students unless tuition is paid for the 58570
students in accordance with section 3317.08 of the Revised Code. 58571
An adjacent or other district enrolling such students may not 58572
receive funding for those students in accordance with section 58573

3313.981 of the Revised Code. 58574

(G) The department of education and workforce shall 58575
monitor school districts to ensure compliance with this section 58576
and the districts' policies. The department may adopt rules 58577
requiring uniform application procedures, deadlines for 58578
application, notification procedures, and record-keeping 58579
requirements for all school boards that adopt policies 58580
permitting the enrollment of adjacent or other district 58581
students, as applicable. If the department adopts such rules, no 58582
school board shall adopt a policy that conflicts with those 58583
rules. 58584

(H) A resolution adopted by a board of education under 58585
this section that entirely prohibits the enrollment of students 58586
from adjacent and from other school districts does not abrogate 58587
any agreement entered into under section 3313.841 or 3313.92 of 58588
the Revised Code or any contract entered into under section 58589
3313.90 of the Revised Code between the board of education 58590
adopting the resolution and the board of education of any 58591
adjacent or other district or prohibit these boards of education 58592
from entering into any such agreement or contract. 58593

(I) Notwithstanding anything to the contrary in this 58594
section or section 3313.981 of the Revised Code, all of the 58595
following apply: 58596

(1) A policy adopted by a city, exempted village, or local 58597
school district board of education under division (B) (1) (a) or 58598
(b) of this section shall permit any student who is not a native 58599
student of the district to enroll in the district if both of the 58600
following apply: 58601

(a) The student's parent is an active duty member of the 58602

armed forces stationed in the state. 58603

(b) The student's parent provides to the district a copy 58604
of the parent's official written order verifying the parent's 58605
status as an active duty member of the armed forces. 58606

(2) In enrolling a student pursuant to division (I) of 58607
this section, a district shall comply with procedures prescribed 58608
under divisions (B) (2) and (C) of this section, except as 58609
provided in division (I) (6) of this section. In addition, the 58610
district shall not require tuition to be paid for the student's 58611
enrollment in the district. 58612

(3) A student who, pursuant to this division, enrolls in a 58613
district that has adopted a policy under division (B) (1) (a) of 58614
this section and who is not a native student of that district 58615
shall, for the purposes of sections 3313.981, 3315.18, 3317.03, 58616
and 3318.011 of the Revised Code, be considered as an "other 58617
district student" who enrolls in a district that has adopted a 58618
policy under division (B) (1) (c) of this section. Such student 58619
also shall receive transportation services under section 58620
3313.981 of the Revised Code in the same manner as an "other 58621
district student." 58622

(4) A student who, pursuant to this division, enrolls in a 58623
district that has adopted a policy under division (B) (1) (b) of 58624
this section and who is not a native student of the district or 58625
an adjacent district shall, nevertheless, be considered an 58626
"adjacent district student" for the purposes of sections 58627
3313.981, 3315.18, and 3317.03 of the Revised Code. 58628

(5) A student who, pursuant to this division, enrolls in a 58629
district that has adopted a policy under division (B) (1) (b) of 58630
this section and whose parent is subsequently discharged or 58631

released from active duty shall be permitted to attend school in 58632
that district and receive transportation services under section 58633
3313.981 of the Revised Code in the same manner as an "other 58634
district student" for the remainder of the school year in which 58635
the parent is discharged or released from active duty. After the 58636
conclusion of that school year, that student shall not be 58637
eligible under this division, as long as the student does not 58638
have a parent on active duty. 58639

(6) A school district that enrolls a student under 58640
division (I) of this section, or that enrolls a student 58641
described in division (I)(1) of this section under division (B) 58642
(1)(c) of this section, shall not require the student to comply 58643
with any application deadline established under division (B)(2) 58644
of this section. 58645

(J) Nothing in this section shall be construed to permit 58646
or require the board of education of a city, exempted village, 58647
or local school district to exclude any native student of the 58648
district from enrolling in the district. 58649

Sec. 3314.011. (A) Every community school established 58650
under this chapter shall have a designated fiscal officer. 58651
Except as provided for in division (C) of this section, the 58652
fiscal officer shall be employed by or engaged under a contract 58653
with the governing authority of the community school. 58654

(B) Except as otherwise provided in section 3.061 of the 58655
Revised Code, the ~~auditor of state~~ department of education and 58656
workforce shall require that the fiscal officer of any community 58657
school, before entering upon duties as fiscal officer of the 58658
school, execute a bond in an amount and with surety to be 58659
approved by the governing authority of the school, payable to 58660
the state, conditioned for the faithful performance of all the 58661

official duties required of the fiscal officer. The bond shall 58662
be deposited with the governing authority of the school, and a 58663
copy thereof, certified by the governing authority, shall be 58664
filed with the county auditor. 58665

(C) Prior to assuming the duties of fiscal officer, the 58666
fiscal officer designated under this section shall be licensed 58667
under section 3301.074 of the Revised Code. Any person serving 58668
as a fiscal officer of a community school on March 22, 2013, who 58669
is not licensed as a treasurer shall be permitted to serve as a 58670
fiscal officer for not more than one year following March 22, 58671
2013. Beginning on that date and thereafter, no community school 58672
shall permit any individual to serve as a fiscal officer without 58673
a license as required by this section. 58674

(D) (1) The governing authority of a community school may 58675
adopt a resolution waiving the requirement that the governing 58676
authority is the party responsible to employ or contract with 58677
the designated fiscal officer, as prescribed by division (A) of 58678
this section, so long as the school's sponsor also approves the 58679
resolution. The resolution shall be valid for one year. A new 58680
resolution shall be adopted for each year that the governing 58681
authority wishes to waive this requirement, so long as the 58682
school's sponsor also approves the resolution. 58683

No resolution adopted pursuant to this division may waive 58684
the requirement for a community school to have a designated 58685
fiscal officer. 58686

(2) If the governing authority adopts a resolution 58687
pursuant to division (D) (1) of this section, the school's 58688
designated fiscal officer annually shall meet with the governing 58689
authority to review the school's financial status. 58690

(3) The governing authority shall submit to the department 58691
of education and workforce a copy of each resolution adopted 58692
pursuant to division (D) (1) of this section. 58693

Sec. 3314.013. (A) Until May 22, 2013, no internet- or 58694
computer-based community school shall operate unless the school 58695
was open for instruction as of May 1, 2005. No entity described 58696
in division (C) (1) of section 3314.02 of the Revised Code shall 58697
enter into a contract to sponsor an internet- or computer-based 58698
community school, including a conversion school, between May 1, 58699
2005, and May 22, 2013, except as follows: 58700

(1) The entity may renew a contract that the entity 58701
entered into with an internet- or computer-based community 58702
school prior to May 1, 2005, if the school was open for 58703
operation as of that date. 58704

(2) The entity may assume sponsorship of an existing 58705
internet- or computer-based community school that was formerly 58706
sponsored by another entity and may enter into a contract with 58707
that community school in accordance with section 3314.03 of the 58708
Revised Code. 58709

If a sponsor entered into a contract with an internet- or 58710
computer-based community school, including a conversion school, 58711
but the school was not open for operation as of May 1, 2005, the 58712
contract shall be void and the entity shall not enter into 58713
another contract with the school until May 22, 2013. 58714

(B) (1) Beginning on July 1, 2013, up to five new internet- 58715
or computer-based community schools may open each year, subject 58716
to approval of the director of education and workforce under 58717
division (B) (2) of this section. 58718

(2) The director shall approve applications for new 58719

internet- or computer-based community schools from only those 58720
applicants demonstrating experience and quality. 58721

The department of education and workforce shall adopt 58722
rules prescribing measures to determine experience and quality 58723
of applicants in accordance with Chapter 119. of the Revised 58724
Code. The measures shall include, but not be limited to, the 58725
following considerations: 58726

(a) The sponsor's experience with online schools; 58727

(b) The operator's experience with online schools; 58728

(c) The sponsor's and operator's previous record for 58729
student performance; 58730

(d) A preference for operators with previous experience in 58731
Ohio. 58732

(3) The department shall notify any new internet- or 58733
computer-based community school governed by division (B) of this 58734
section of whether the director has approved or disapproved the 58735
school's application to open for the 2013-2014 school year not 58736
later than July 1, 2013. Notwithstanding the dates prescribed 58737
for adoption and signing on sponsor contracts in division (D) of 58738
section 3314.02 of the Revised Code, or the date for opening a 58739
school for instruction required by division (A) (25) of section 58740
3314.03 of the Revised Code, a new internet- or computer-based 58741
community school approved for opening for the 2013-2014 school 58742
year under division (B) of this section may open and operate in 58743
that school year regardless of whether it has complied with 58744
those contract and opening dates. For each school year 58745
thereafter, the school shall comply with all applicable 58746
provisions of this chapter. 58747

(4) Notwithstanding divisions (B) (1) and (2) of this 58748

section, a sponsor rated "exemplary" on its most recent 58749
evaluation conducted under section 3314.016 of the Revised Code 58750
is permitted to open up to two new internet- or computer-based 58751
community schools that ~~will primarily serve students enrolled in~~ 58752
~~a~~ are dropout prevention and recovery ~~program~~ community schools 58753
each year, not to exceed six new schools in a five-year period. 58754

(C) Nothing in division (A) or (B) of this section 58755
prohibits an internet- or computer-based community school from 58756
increasing the number of grade levels it offers. 58757

Sec. 3314.015. (A) The department of education and 58758
workforce shall be responsible for the oversight of any and all 58759
sponsors of the community schools established under this chapter 58760
and shall provide technical assistance to schools and sponsors 58761
in their compliance with applicable laws and the terms of the 58762
contracts entered into under section 3314.03 of the Revised Code 58763
and in the development and start-up activities of those schools. 58764
In carrying out its duties under this section, the department 58765
shall do all of the following: 58766

(1) In providing technical assistance to proposing 58767
parties, governing authorities, and sponsors, conduct training 58768
sessions and distribute informational materials; 58769

(2) Approve entities to be sponsors of community schools; 58770

(3) Monitor and evaluate, as required under section 58771
3314.016 of the Revised Code, the effectiveness of any and all 58772
sponsors in their oversight of the schools with which they have 58773
contracted; 58774

(4) By December thirty-first of each year, issue a report 58775
to the governor, the speaker of the house of representatives, 58776
the president of the senate, and the chairpersons of the house 58777

and senate committees principally responsible for education 58778
matters regarding the effectiveness of academic programs, 58779
operations, and legal compliance and of the financial condition 58780
of all community schools established under this chapter and on 58781
the performance of community school sponsors; 58782

(5) From time to time, make legislative recommendations to 58783
the general assembly designed to enhance the operation and 58784
performance of community schools. 58785

(B) (1) Except as provided in sections 3314.021 and 58786
3314.027 of the Revised Code, no entity shall enter into a 58787
preliminary agreement under division (C) (2) of section 3314.02 58788
of the Revised Code or renew an existing contract to sponsor a 58789
community school until it has received approval from the 58790
department to sponsor community schools under this chapter and 58791
has entered into a written agreement with the department 58792
regarding the manner in which the entity will conduct such 58793
sponsorship. 58794

On and after July 1, 2017, each entity that sponsors a 58795
community school in this state, except for an entity described 58796
in sections 3314.021 and 3314.027 of the Revised Code, shall 58797
attain approval from the department in order to continue 58798
sponsoring schools regardless of whether that entity intends to 58799
enter into a preliminary agreement or renew an existing 58800
contract. 58801

All new and renewed agreements between the department and 58802
a sponsor shall contain specific language addressing the 58803
parameters under which the department can intervene and 58804
potentially revoke sponsorship authority in the event that the 58805
sponsor is unwilling or unable to fulfill its obligations. 58806
Additionally, each agreement shall set forth any territorial 58807

restrictions and limits on the number of schools that entity may 58808
sponsor, provide for an annual evaluation process, and include a 58809
stipulation permitting the department to modify the agreement 58810
under the following circumstances: 58811

(a) Poor fiscal management; 58812

(b) Lack of academic progress. 58813

(2) The initial term of a sponsor's agreement with the 58814
department shall be for up to five years. 58815

(a) An agreement entered into with the department pursuant 58816
to this section may be renewed for a term of up to ten years 58817
using the following criteria: 58818

(i) The academic performance of students enrolled in each 58819
community school the entity sponsors, as determined by the 58820
department pursuant to division (B)(1)(a) of section 3314.016 of 58821
the Revised Code; 58822

(ii) The sponsor's adherence to quality practices, as 58823
determined by the department pursuant to division (B)(1)(b) of 58824
section 3314.016 of the Revised Code; 58825

(iii) The sponsor's compliance with all applicable laws 58826
and administrative rules. 58827

(b) Each agreement between the department and a sponsor 58828
shall specify that entities with an overall rating of 58829
"exemplary" for at least two consecutive years shall not be 58830
subject to the limit on the number of community schools the 58831
entity may sponsor or any territorial restrictions on 58832
sponsorship, for so long as that entity continues to be rated 58833
"exemplary." 58834

(c) The department shall adopt in accordance with Chapter 58835

119. of the Revised Code rules containing criteria, procedures, 58836
and deadlines for processing applications for approval of 58837
sponsors, for oversight of sponsors, for notifying a sponsor of 58838
noncompliance with applicable laws and administrative rules 58839
under division (F) of this section, for revocation of the 58840
approval of sponsors under division (C) of this section, and for 58841
entering into written agreements with sponsors. The rules shall 58842
require an entity to submit evidence of the entity's ability and 58843
willingness to comply with the provisions of division ~~(D)~~(C) of 58844
section 3314.03 of the Revised Code. The rules also shall 58845
require all entities approved as sponsors to demonstrate a 58846
record of financial responsibility and successful implementation 58847
of educational programs. If an entity seeking approval to 58848
sponsor community schools in this state sponsors or operates 58849
schools in another state, at least one of the schools sponsored 58850
or operated by the entity must be comparable to or better than 58851
the performance of Ohio schools in need of continuous 58852
improvement under section 3302.03 of the Revised Code, as 58853
determined by the department. 58854

Subject to section 3314.016 of the Revised Code, an entity 58855
that sponsors community schools may enter into preliminary 58856
agreements and sponsor up to one hundred schools, provided each 58857
school and the contract for sponsorship meets the requirements 58858
of this chapter. A sponsor that was rated "exemplary" on its 58859
most recent rating under section 3314.016 of the Revised Code 58860
may sponsor up to two hundred such schools. 58861

(3) The department shall determine, pursuant to criteria 58862
specified in rules adopted in accordance with Chapter 119. of 58863
the Revised Code, whether the mission proposed to be specified 58864
in the contract of a community school to be sponsored by a state 58865
university board of trustees or the board's designee under 58866

division (C) (1) (e) of section 3314.02 of the Revised Code 58867
complies with the requirements of that division. Such 58868
determination of the department is final. 58869

(4) The department shall determine, pursuant to criteria 58870
specified in rules adopted in accordance with Chapter 119. of 58871
the Revised Code, if any tax-exempt entity under section 501(c) 58872
(3) of the Internal Revenue Code that is proposed to be a 58873
sponsor of a community school is an education-oriented entity 58874
for purpose of satisfying the condition prescribed in division 58875
(C) (1) (f) (iii) of section 3314.02 of the Revised Code. Such 58876
determination of the department is final. 58877

(C) If at any time the department finds that a sponsor is 58878
not in compliance or is no longer willing to comply with its 58879
contract with any community school or with the department's 58880
rules for sponsorship, the department shall conduct a hearing in 58881
accordance with Chapter 119. of the Revised Code on that matter. 58882
If after the hearing, the department has confirmed the original 58883
finding, it may revoke the sponsor's approval to sponsor 58884
community schools. In that case, the department's office of Ohio 58885
school sponsorship, established under section 3314.029 of the 58886
Revised Code, may assume the sponsorship of any schools with 58887
which the sponsor has contracted until the earlier of the 58888
expiration of two school years or until a new sponsor as 58889
described in division (C) (1) of section 3314.02 of the Revised 58890
Code is secured by the school's governing authority. The office 58891
of Ohio school sponsorship may extend the term of the contract 58892
in the case of a school for which it has assumed sponsorship 58893
under this division as necessary to accommodate the term of the 58894
department's authorization to sponsor the school specified in 58895
this division. Community schools sponsored under this division 58896
shall not apply to the limit on directly authorized community 58897

schools under division (A) (3) of section 3314.029 of the Revised 58898
Code. However, nothing in this division shall preclude a 58899
community school affected by this division from applying for 58900
sponsorship under that section. 58901

(D) The decision of the department to disapprove an entity 58902
for sponsorship of a community school or to revoke approval for 58903
such sponsorship under division (C) of this section, may be 58904
appealed by the entity in accordance with section 119.12 of the 58905
Revised Code. 58906

(E) The department shall adopt procedures for use by a 58907
community school governing authority and sponsor when the school 58908
permanently closes and ceases operation, which shall include at 58909
least procedures for data reporting to the department, handling 58910
of student records, distribution of assets in accordance with 58911
section 3314.074 of the Revised Code, and other matters related 58912
to ceasing operation of the school. 58913

(F) (1) In lieu of revoking a sponsor's authority to 58914
sponsor community schools under division (C) of this section, if 58915
the department finds that a sponsor is not in compliance with 58916
applicable laws and administrative rules, the department shall 58917
declare in a written notice to the sponsor the specific laws or 58918
rules, or both, for which the sponsor is noncompliant. A sponsor 58919
notified under division (F) (1) of this section shall respond to 58920
the department not later than fourteen days after the 58921
notification with a proposed plan to remedy the conditions for 58922
which the sponsor was found to be noncompliant. The department 58923
shall approve or disapprove the plan not later than fourteen 58924
days after receiving it. If the plan is disapproved, the sponsor 58925
may submit a revised plan to the department not later than 58926
fourteen days after receiving notification of disapproval from 58927

the department or not later than sixty days after the date the 58928
sponsor received notification of noncompliance from the 58929
department, whichever is earlier. The department shall approve 58930
or disapprove the revised plan not later than fourteen days 58931
after receiving it or not later than sixty days after the date 58932
the sponsor received notification of noncompliance from the 58933
department, whichever is earlier. A sponsor may continue to make 58934
revisions by the deadlines prescribed in division (F)(1) of this 58935
section to any revised plan that is disapproved by the 58936
department until the sixtieth day after the date the sponsor 58937
received notification of noncompliance from the department. 58938

If a plan or a revised plan is approved, the sponsor shall 58939
implement it not later than sixty days after the date the 58940
sponsor received notification of noncompliance from the 58941
department or not later than thirty days after the plan is 58942
approved, whichever is later. If a sponsor does not respond to 58943
the department or implement an approved compliance plan by the 58944
deadlines prescribed by division (F)(1) of this section, or if a 58945
sponsor does not receive approval of a compliance plan on or 58946
before the sixtieth day after the date the sponsor received 58947
notification of noncompliance from the department, the 58948
department shall declare in written notice to the sponsor that 58949
the sponsor is in probationary status, and may limit the 58950
sponsor's ability to sponsor additional schools. 58951

(2) A sponsor that has been placed on probationary status 58952
under division (F)(1) of this section may apply to the 58953
department for its probationary status to be lifted. The 58954
application for a sponsor's probationary status to be lifted 58955
shall include evidence, occurring after the initial notification 58956
of noncompliance, of the sponsor's compliance with applicable 58957
laws and administrative rules. Not later than fourteen days 58958

after receiving an application from the sponsor, the department 58959
shall decide whether or not to remove the sponsor's probationary 58960
status. 58961

(G) In carrying out its duties under this chapter, the 58962
department shall not impose requirements on community schools or 58963
their sponsors that are not permitted by law or duly adopted 58964
rules. 58965

(H) This section applies to entities that sponsor 58966
conversion community schools and new start-up schools. 58967

(I) Nothing in divisions (C) to (F) of this section 58968
prohibits the department from taking any action permitted or 58969
required under the written agreement between the department and 58970
a sponsoring entity without a hearing on the matter, in the 58971
event that the sponsor is unwilling or unable to fulfill its 58972
obligations. 58973

Sec. 3314.016. This section applies to any entity that 58974
sponsors a community school, regardless of whether section 58975
3314.021 or 3314.027 of the Revised Code exempts the entity from 58976
the requirement to be approved for sponsorship under divisions 58977
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 58978
office of Ohio school sponsorship established under section 58979
3314.029 of the Revised Code shall be rated under division (B) 58980
of this section, but divisions (A) and (C) of this section do 58981
not apply to the office. 58982

(A) An entity that sponsors a community school shall be 58983
permitted to enter into contracts under section 3314.03 of the 58984
Revised Code to sponsor additional community schools only if the 58985
entity meets all of the following criteria: 58986

(1) The entity is in compliance with all provisions of 58987

this chapter requiring sponsors of community schools to report 58988
data or information to the department of education and 58989
workforce. 58990

(2) The entity is not rated as "ineffective" under 58991
division ~~(B) (6)~~ (B) (5) of this section. 58992

(3) Except as set forth in sections 3314.021 and 3314.027 58993
of the Revised Code, the entity has received approval from and 58994
entered into an agreement with the department pursuant to 58995
section 3314.015 of the Revised Code. 58996

(B) (1) The department shall develop and implement an 58997
evaluation system that annually rates and assigns an overall 58998
rating to each entity that sponsors a community school. The 58999
department, not later than the first day of February of each 59000
year, shall post on the department's web site the framework for 59001
the evaluation system, including technical documentation that 59002
the department intends to use to rate sponsors for the next 59003
school year. The department shall solicit public comment on the 59004
evaluation system for thirty consecutive days. Not later than 59005
the first day of April of each year, the department shall 59006
compile and post on the department's web site all public 59007
comments that were received during the public comment period. 59008
The evaluation system shall be posted on the department's web 59009
site by the fifteenth day of July of each school year. Any 59010
changes to the evaluation system after that date shall take 59011
effect the following year. The evaluation system shall be based 59012
on the following components: 59013

(a) Academic performance of students enrolled in community 59014
schools sponsored by the same entity. The academic performance 59015
component shall be derived from the performance measures 59016
prescribed for the state report cards under section 3302.03 or 59017

3314.017 of the Revised Code, and shall be based on the 59018
performance of the schools for the school year for which the 59019
evaluation is conducted. In addition to the academic performance 59020
for a specific school year, the academic performance component 59021
shall also include year-to-year changes in the overall sponsor 59022
portfolio. For a community school for which no graded 59023
performance measures are applicable or available, the department 59024
shall use nonreport card performance measures specified in the 59025
contract between the community school and the sponsor under 59026
division (A) (4) of section 3314.03 of the Revised Code. 59027

(b) Adherence by a sponsor to the quality practices 59028
prescribed by the department under division (B) (3) of this 59029
section. ~~For a sponsor that was rated "effective" or "exemplary"~~ 59030
~~on its most recent rating, the department may evaluate that~~ 59031
~~sponsor's adherence to quality practices once over a period of~~ 59032
~~three years. If the department elects to evaluate a sponsor once~~ 59033
~~over a period of three years, the most recent rating for a~~ 59034
~~sponsor's adherence to quality practices shall be used when~~ 59035
~~determining an annual overall rating conducted under this~~ 59036
~~section.~~ 59037

(c) Compliance with all applicable laws and administrative 59038
rules by an entity that sponsors a community school. 59039

Under the evaluation system prescribed under division (B) 59040
(1) of this section, the department shall not assign an overall 59041
rating of "ineffective" or lower to an entity that sponsors a 59042
community school solely because that entity received no points 59043
on one of the components prescribed under that division. 59044

(2) In calculating an academic performance component, the 59045
department shall exclude all community schools that have been in 59046
operation for not more than two full school years, all community 59047

schools whose contracts were not renewed or terminated by the 59048
sponsor pursuant to section 3314.07 of the Revised Code before 59049
the evaluation, and all community schools described in division 59050
(B) (2) of section 3314.35 of the Revised Code. However, the 59051
academic performance of the community schools described in 59052
division (B) (2) of section 3314.35 of the Revised Code shall be 59053
reported, but shall not be used as a factor when determining a 59054
sponsoring entity's rating under this section. 59055

(3) The department, in consultation with entities that 59056
sponsor community schools, shall prescribe quality practices for 59057
community school sponsors and develop an instrument to measure 59058
adherence to those quality practices. The quality practices 59059
shall be based on standards developed by the national 59060
association of charter school authorizers or any other 59061
nationally organized community school organization. 59062

~~(4) (a) The department may permit peer review of a~~ 59063
~~sponsor's adherence to the quality practices prescribed under~~ 59064
~~division (B) (3) of this section. Peer reviewers shall be limited~~ 59065
~~to individuals employed by sponsors rated "effective" or~~ 59066
~~"exemplary" on the most recent ratings conducted under this~~ 59067
~~section.~~ 59068

~~(b) The department shall require individuals participating~~ 59069
~~in peer review under division (B) (4) (a) of this section to~~ 59070
~~complete training approved or established by the department.~~ 59071

~~(c) The department may enter into an agreement with~~ 59072
~~another entity to provide training to individuals conducting~~ 59073
~~peer review of sponsors. Prior to entering into an agreement~~ 59074
~~with an entity, the department shall review and approve of the~~ 59075
~~entity's training program.~~ 59076

~~(5)~~(4) The director of education and workforce shall adopt 59077
rules in accordance with Chapter 119. of the Revised Code 59078
prescribing standards for measuring compliance with applicable 59079
laws and rules under division (B) (1) (c) of this section. 59080

~~(6)~~(5) The department annually shall rate all entities 59081
that sponsor community schools as either "exemplary," 59082
"effective," "ineffective," or "poor," based on the components 59083
prescribed by division (B) of this section, where each component 59084
is weighted equally. A separate rating shall be given by the 59085
department for each component of the evaluation system. 59086

The department shall publish the ratings between the first 59087
day of October and the fifteenth day of November. 59088

Prior to the publication of the final ratings, the 59089
department shall designate and provide notice of a period of at 59090
least ten business days during which each sponsor may review the 59091
information used by the department to determine the sponsor's 59092
rating on the components prescribed by division (B) (1) of this 59093
section. If the sponsor believes there is an error in the 59094
department's evaluation, the sponsor may request adjustments to 59095
the rating of any of those components based on documentation 59096
previously submitted as part of an evaluation. The sponsor shall 59097
provide to the department any necessary evidence or information 59098
to support the requested adjustments. The department shall 59099
review the evidence and information, determine whether an 59100
adjustment is valid, and promptly notify the sponsor of its 59101
determination and reasons. If any adjustments to the data could 59102
result in a change to the rating on the applicable component or 59103
to the overall rating, the department shall recalculate the 59104
ratings prior to publication. 59105

The department shall provide training on an annual basis 59106

regarding the evaluation system prescribed under this section. 59107
The training shall, at a minimum, describe methodology, 59108
timelines, and data required for the evaluation system. The 59109
first training session shall occur not later than March 2, 2016. 59110
Beginning in 2018, the training shall be made available to each 59111
entity that sponsors a community school by the fifteenth day of 59112
July of each year and shall include guidance on any changes made 59113
to the evaluation system. 59114

~~(7)(a)~~ (6)(a) Entities with an overall rating of 59115
"exemplary" ~~for the two most recent years in which the entity~~ 59116
~~was evaluated~~ may take advantage of the following incentives: 59117

(i) Renewal of the written agreement with the department, 59118
not to exceed ten years, provided that the entity consents to 59119
continued evaluation of adherence to quality practices as 59120
described in division (B) (1) (b) of this section; 59121

(ii) The ability to extend the term of the contract 59122
between the sponsoring entity and the community school beyond 59123
the term described in the written agreement with the department; 59124

(iii) An exemption from the preliminary agreement and 59125
contract adoption and execution deadline requirements prescribed 59126
in division (D) of section 3314.02 of the Revised Code; 59127

(iv) An exemption from the automatic contract expiration 59128
requirement, should a new community school fail to open by the 59129
thirtieth day of September of the calendar year in which the 59130
community school contract is executed; 59131

(v) No limit on the number of community schools the entity 59132
may sponsor; 59133

(vi) No territorial restrictions on sponsorship. 59134

An entity may continue to sponsor any community schools 59135
with which it entered into agreements under division ~~(B) (7) (a)~~ 59136
(B) (6) (a) (v) or (vi) of this section while rated "exemplary," 59137
notwithstanding the fact that the entity later receives a lower 59138
overall rating. 59139

(b) Entities with an overall rating of "exemplary" shall 59140
not be evaluated by the department for five full school years 59141
following the school year for which the entity received the 59142
"exemplary" rating. Entities with an overall rating of 59143
~~"exemplary" or "effective" for the three most recent years in~~ 59144
~~which the entity was evaluated shall~~ not be evaluated by the 59145
department ~~once every~~ for three full school years following the 59146
school year for which the entity received the "effective" 59147
rating. 59148

(c) (i) Entities that receive an overall rating of 59149
"ineffective" shall be prohibited from sponsoring any new or 59150
additional community schools during the time in which the 59151
sponsor is rated as "ineffective" and shall be subject to a 59152
quality improvement plan based on correcting the deficiencies 59153
that led to the "ineffective" rating, with timelines and 59154
benchmarks that have been established by the department. 59155

(ii) Entities that receive an overall rating of 59156
"ineffective" on their three most recent ratings shall have all 59157
sponsorship authority revoked. Within thirty days after 59158
receiving its third rating of "ineffective," the entity may 59159
appeal the revocation of its sponsorship authority to the 59160
director, who shall appoint an independent hearing officer to 59161
conduct a hearing in accordance with Chapter 119. of the Revised 59162
Code. The hearing shall be conducted within thirty days after 59163
receipt of the notice of appeal. Within forty-five days after 59164

the hearing is completed, the director shall determine whether 59165
the revocation is appropriate based on the hearing conducted by 59166
the independent hearing officer, and if determined appropriate, 59167
the revocation shall be confirmed. 59168

(d) Entities that receive an overall rating of "poor" 59169
shall have all sponsorship authority revoked. Within thirty days 59170
after receiving a rating of "poor," the entity may appeal the 59171
revocation of its sponsorship authority to the director, who 59172
shall appoint an independent hearing officer to conduct a 59173
hearing in accordance with Chapter 119. of the Revised Code. The 59174
hearing shall be conducted within thirty days after receipt of 59175
the notice of appeal. Within forty-five days after the hearing 59176
is completed, the director shall determine whether the 59177
revocation is appropriate based on the hearing conducted by the 59178
independent hearing officer, and if determined appropriate, the 59179
revocation shall be confirmed. 59180

~~(8)(7)~~ For the 2014-2015 school year and each school year 59181
thereafter, student academic performance prescribed under 59182
division (B)(1)(a) of this section shall include student 59183
academic performance data from dropout prevention and recovery 59184
~~community schools that primarily serve students enrolled in a~~ 59185
~~dropout prevention and recovery program.~~ 59186

(8) The department shall publish annually academic 59187
performance data for each sponsor in accordance with division 59188
(B)(1)(a) of this section, regardless of whether the sponsor is 59189
being evaluated under this section for that school year. 59190

(C) If the governing authority of a community school 59191
enters into a contract with a sponsor prior to the date on which 59192
the sponsor is prohibited from sponsoring additional schools 59193
under division (A) of this section and the school has not opened 59194

for operation as of that date, that contract shall be void and 59195
the school shall not open until the governing authority secures 59196
a new sponsor by entering into a contract with the new sponsor 59197
under section 3314.03 of the Revised Code. However, the 59198
department's office of Ohio school sponsorship, established 59199
under section 3314.029 of the Revised Code, may assume the 59200
sponsorship of the school until the earlier of the expiration of 59201
two school years or until a new sponsor is secured by the 59202
school's governing authority. A community school sponsored by 59203
the department under this division shall not be included when 59204
calculating the maximum number of directly authorized community 59205
schools permitted under division (A) (3) of section 3314.029 of 59206
the Revised Code. 59207

(D) When an entity's authority to sponsor schools is 59208
revoked pursuant to division ~~(B) (7) (e)~~ (B) (6) (c) or (d) of this 59209
section, the office of Ohio school sponsorship shall assume 59210
sponsorship of any schools with which the original sponsor has 59211
contracted for the remainder of that school year. The office may 59212
continue sponsoring those schools until the earlier of: 59213

(1) The expiration of two school years from the time that 59214
sponsorship is revoked; 59215

(2) When a new sponsor is secured by the governing 59216
authority pursuant to division (C) (1) of section 3314.02 of the 59217
Revised Code. 59218

Any community school sponsored under this division shall 59219
not be counted for purposes of directly authorized community 59220
schools under division (A) (3) of section 3314.029 of the Revised 59221
Code. 59222

(E) The department shall recalculate the rating for the 59223

2017-2018 school year for each sponsor of a community school 59224
that receives recalculated ratings pursuant to division (I) of 59225
section 3314.017 of the Revised Code. 59226

Sec. 3314.017. (A) The department of education and 59227
workforce shall prescribe by rules, adopted in accordance with 59228
Chapter 119. of the Revised Code, an academic performance rating 59229
and report card system that satisfies the requirements of this 59230
section for dropout prevention and recovery community schools 59231
~~that primarily serve students enrolled in dropout prevention and~~ 59232
~~recovery programs as described in division (B) (1) of section~~ 59233
~~3314.35 of the Revised Code,~~ to be used in lieu of the system 59234
prescribed under sections 3302.03 and 3314.012 of the Revised 59235
Code beginning with the 2012-2013 school year. Each such school 59236
shall comply with the testing and reporting requirements of the 59237
system as prescribed by the department. 59238

(B) Nothing in this section shall at any time relieve a 59239
school from its obligations under the "No Child Left Behind Act 59240
of 2001" to make "adequate yearly progress," as both that act 59241
and that term are defined in section 3302.01 of the Revised 59242
Code, or a school's amenability to the provisions of section 59243
3302.04 or 3302.041 of the Revised Code. The department shall 59244
continue to report each school's performance as required by the 59245
act and to enforce applicable sanctions under section 3302.04 or 59246
3302.041 of the Revised Code. 59247

(C) The rules adopted by the department shall prescribe 59248
the following performance indicators for the rating and report 59249
card system required by this section: 59250

(1) Graduation rate for each of the following student 59251
cohorts: 59252

(a) The number of students who graduate in four years or less with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class;

(b) The number of students who graduate in five years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(c) The number of students who graduate in six years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate;

(e) The number of students who graduate in eight years with a regular high school diploma divided by the number of students who form the adjusted cohort for the four-year graduation rate.

(2) The percentage of twelfth-grade students currently enrolled in the school who have attained the designated passing score on all of the state high school achievement assessments required under division (B) (1) of section 3301.0710 of the Revised Code or the cumulative performance score on the end-of-course examinations prescribed under division (B) (2) of section 3301.0712 of the Revised Code, whichever applies, and other students enrolled in the school, regardless of grade level, who are within three months of their twenty-second birthday and have attained the designated passing score on all of the state high school achievement assessments or the cumulative performance score on the end-of-course examinations, whichever applies, by

their twenty-second birthday; 59282

(3) Annual measurable objectives as defined in section 59283
3302.01 of the Revised Code; 59284

(4) Growth in student achievement in reading, or 59285

prescribed by division (C) of this section based on the data 59292
gathered by the department under division (G) of this section 59293
and simulations created by the department. Based on a school's 59294
level of attainment or nonattainment of the expected performance 59295
levels and benchmarks for each of the indicators, the department 59296
shall rate each school in one of the following categories: 59297

(a) Exceeds standards; 59298

(b) Meets standards; 59299

(c) Does not meet standards. 59300

(2) The department's rules shall establish all of the 59301

applicable to the school year for which the overall designation 59314
is granted. 59315

(II) Thirty per cent of the score shall be based on the 59316
indicators described in division (C) (4) of this section. 59317

(III) Twenty per cent of the score shall be based on the 59318
indicators described in division (C) (2) of this section. 59319

(IV) Twenty per cent of the score shall be based on the 59320
indicators described in division (C) (3) of this section. 59321

(3) If both of the indicators described in divisions (C) 59322
(1) and (2) of this section improve by ten per cent for two 59323
consecutive years, a school shall be rated not less than "meets 59324
standards." 59325

The rating and the relevant performance data for each 59326
school shall be posted on the department's web site, and a copy 59327
of the rating and data shall be provided to the governing 59328
authority of the community school. 59329

notify the school of the proposed action in writing. The notice 60520
shall include the reasons for the proposed action in detail, the 60521
effective date of the termination or nonrenewal, and a statement 60522
that the school may, within fourteen days of receiving the 60523
notice, request an informal hearing before the sponsor. Such 60524

to meet student performance requirements stated in the contract, 60548
or for failure to meet generally accepted standards of fiscal 60549

with any other sponsor. 60551

(C) A child attending a community school whose contract 60552
has been terminated, nonrenewed, or suspended or that closes for 60553
any reason shall be admitted to the schools of the district in 60554

department shall include only expenses connected to the delivery 60674

(5) The department may waive the requirement in division 60701
(C) (3) of this section for any community school that exclusively 60702
provides one or more career-technical workforce development 60703
programs in arts and communications that are not equipment- 60704

(6) For fiscal years 2024-2026 and 20252027, a community 60706

(D) A board of education sponsoring a community school may 60710
utilize local funds to make enhancement grants to the school or 60711

provide any specific services to the community school at no cost 60713

(G) (1) (a) A community school may borrow money to pay any 60721

necessary and actual expenses of the school in anticipation of 60722
the receipt of any portion of the payments to be received by the 60723
school pursuant to section 3317.022 of the Revised Code. The 60724
school may issue notes to evidence such borrowing. The proceeds 60725
of the notes shall be used only for the purposes for which the 60726
anticipated receipts may be lawfully expended by the school. 60727

(b) A school may also borrow money for a term not to 60728
exceed fifteen years for the purpose of acquiring facilities. 60729

(2) The state is not liable for debt incurred by the 60730
governing authority of a community school. 60731

(H) The department shall adjust the amounts paid under 60732
section 3317.022 of the Revised Code to reflect any enrollment 60733
of students in community schools for less than the equivalent of 60734
a full school year. The department shall adopt in accordance 60735
with Chapter 119. of the Revised Code rules governing the 60736
payments to community schools under section 3317.022 of the 60737
Revised Code including initial payments in a school year and 60738
adjustments and reductions made in subsequent periodic payments 60739
to community schools as provided under section 3317.022 of the 60740
Revised Code. For purposes of this division: 60741

(1) A student shall be considered enrolled in the 60742
community school for any portion of the school year the student 60743
is participating at a college under Chapter 3365. of the Revised 60744
Code. 60745

(2) A student shall be considered to be enrolled in a 60746
community school for the period of time beginning on the later 60747
of the date on which the school both has received documentation 60748
of the student's enrollment from a parent and the student has 60749
commenced participation in learning opportunities as defined in 60750

the contract with the sponsor, or thirty days prior to the date
on which the student is entered into the education management
information system established under section 3301.0714 of the
Revised Code. For purposes of applying this division and
divisions (H) (3) and (4) of this section to a community school
student, "learning opportunities" shall be defined in the
contract, which shall describe both classroom-based and non-
classroom-based learning opportunities and shall be in
compliance with criteria and documentation requirements for
student participation which shall be established by the
department. Any student's instruction time in non-classroom-
based learning opportunities shall be certified by an employee
of the community school. A student's enrollment shall be
considered to cease on the date on which any of the following
occur:

(a) The community school receives documentation from a
parent terminating enrollment of the student.

(b) The community school is provided documentation of a
student's enrollment in another public or private school.

(c) The community school ceases to offer learning
opportunities to the student pursuant to the terms of the
contract with the sponsor or the operation of any provision of
this chapter.

Except as otherwise specified in this paragraph, beginning
in the 2011-2012 school year, any student who completed the
prior school year in an internet- or computer-based community
school shall be considered to be enrolled in the same school in
the subsequent school year until the student's enrollment has
ceased as specified in division (H) (2) of this section. The
department shall continue paying amounts for the student under

section 3317.022 of the Revised Code without interruption at the 60781
start of the subsequent school year. However, if the student 60782
without a legitimate excuse fails to participate in the first 60783
seventy-two consecutive hours of learning opportunities offered 60784
to the student in that subsequent school year, the student shall 60785
be considered not to have re-enrolled in the school for that 60786
school year and the department shall recalculate the payments to 60787
the school for that school year to account for the fact that the 60788
student is not enrolled. 60789

(3) The department shall determine each community school 60790
student's percentage of full-time equivalency based on the 60791
percentage of learning opportunities offered by the community 60792
school to that student, reported either as number of hours or 60793
number of days, is of the total learning opportunities offered 60794
by the community school to a student who attends for the 60795
school's entire school year. However, no internet- or computer- 60796
based community school shall be credited for any time a student 60797
spends participating in learning opportunities beyond ten hours 60798
within any period of twenty-four consecutive hours. Whether it 60799
reports hours or days of learning opportunities, each community 60800
school shall offer not less than nine hundred twenty hours of 60801
learning opportunities during the school year. 60802

(4) With respect to the calculation of full-time 60803
equivalency under division (H) (3) of this section, the 60804
department shall waive the number of hours or days of learning 60805
opportunities not offered to a student because the community 60806
school was closed during the school year due to disease 60807
epidemic, hazardous weather conditions, law enforcement 60808
emergencies, inoperability of school buses or other equipment 60809
necessary to the school's operation, damage to a school 60810
building, or other temporary circumstances due to utility 60811

failure rendering the school building unfit for school use, so 60812
long as the school was actually open for instruction with 60813
students in attendance during that school year for not less than 60814
the minimum number of hours required by this chapter. The 60815
department shall treat the school as if it were open for 60816
instruction with students in attendance during the hours or days 60817
waived under this division. 60818

(I) The department of education and workforce shall reduce 60819
the amounts paid under section 3317.022 of the Revised Code to 60820
reflect payments made to colleges under section 3365.07 of the 60821
Revised Code. 60822

(J) (1) No student shall be considered enrolled in any 60823
internet- or computer-based community school or, if applicable 60824
to the student, in any community school that is required to 60825
provide the student with a computer pursuant to division (C) of 60826
section 3314.22 of the Revised Code, unless both of the 60827
following conditions are satisfied: 60828

(a) The student possesses or has been provided with all 60829
required hardware and software materials and all such materials 60830
are operational so that the student is capable of fully 60831
participating in the learning opportunities specified in the 60832
contract between the school and the school's sponsor as required 60833
by division (A) (23) of section 3314.03 of the Revised Code; 60834

(b) The school is in compliance with division (A) of 60835
section 3314.22 of the Revised Code, relative to such student. 60836

(2) In accordance with policies adopted by the department 60837
of education and workforce, ~~in consultation with the auditor of~~ 60838
~~state~~, the department shall reduce the amounts otherwise payable 60839
under section 3317.022 of the Revised Code to any community 60840

school that includes in its program the provision of computer 60841
hardware and software materials to any student, if such hardware 60842
and software materials have not been delivered, installed, and 60843
activated for each such student in a timely manner or other 60844
educational materials or services have not been provided 60845
according to the contract between the individual community 60846
school and its sponsor. 60847

~~The director and the auditor of state shall jointly 60848~~
~~establish a method for auditing any community school to which 60849~~
~~this division pertains to ensure compliance with this section. 60850~~

~~The director, auditor of state, and the governor shall 60851~~
~~jointly make recommendations to the general assembly for 60852~~
~~legislative changes that may be required to assure fiscal and 60853~~
~~academic accountability for such schools. 60854~~

(K) (1) If the department determines that a review of a 60855
community school's enrollment is necessary, such review shall be 60856
completed and written notice of the findings shall be provided 60857
to the governing authority of the community school and its 60858
sponsor within ninety days of the end of the community school's 60859
fiscal year, unless extended for a period not to exceed thirty 60860
additional days for one of the following reasons: 60861

(a) The department and the community school mutually agree 60862
to the extension. 60863

(b) Delays in data submission caused by either a community 60864
school or its sponsor. 60865

(2) If the review results in a finding that additional 60866
funding is owed to the school, such payment shall be made within 60867
thirty days of the written notice. If the review results in a 60868
finding that the community school owes moneys to the state, the 60869

following procedure shall apply: 60870

(a) Within ten business days of the receipt of the notice 60871
of findings, the community school may appeal the department's 60872
determination to the director. 60873

(b) The director shall conduct an informal hearing on the 60874
matter within thirty days of receipt of such an appeal and shall 60875
issue a decision within fifteen days of the conclusion of the 60876
hearing. 60877

(c) Any decision made by the director under this division 60878
is final. 60879

(3) If it is decided that the community school owes moneys 60880
to the state, the department shall deduct such amount from the 60881
school's future payments in accordance with guidelines issued by 60882
the director. 60883

(L) The department shall not pay to a community school 60884
under section 3317.022 of the Revised Code any amount for any of 60885
the following: 60886

(1) Any student who has graduated from the twelfth grade 60887
of a public or nonpublic high school; 60888

(2) Any student who is not a resident of the state; 60889

(3) Any student who was enrolled in the community school 60890
during the previous school year when assessments were 60891
administered under section 3301.0711 of the Revised Code but did 60892
not take one or more of the assessments required by that section 60893
and was not excused pursuant to division (C) (1) or (3) of that 60894
section, unless the director grants the student a waiver from 60895
the requirement to take the assessment and a parent is not 60896
paying tuition for the student pursuant to section 3314.26 of 60897

the Revised Code. The director may grant a waiver only for good
cause in accordance with rules adopted by the department.

(4) Any student who has attained the age of twenty-two
years, except for veterans of the armed services whose
attendance was interrupted before completing the recognized
twelve-year course of the public schools by reason of induction
or enlistment in the armed forces and who apply for enrollment
in a community school not later than four years after
termination of war or their honorable discharge. If, however,
any such veteran elects to enroll in special courses organized
for veterans for whom tuition is paid under federal law, or
otherwise, the department shall not pay to a community school
under section 3317.022 of the Revised Code any amount for that
veteran.

community school, including sections 3314.091 and 3327.02 of the

Any money in the fund that is not used in any fiscal year shall 61466
carry forward to the next fiscal year. 61467

(B) The director of education and workforce and the 61468
auditor of state jointly shall adopt rules in accordance with 61469
Chapter 119. of the Revised Code defining what constitutes 61470
expenditures permitted by division (A) of this section. ~~The~~ 61471
~~auditor of state may designate a percentage, other than three-~~ 61472
~~per cent, of the statewide average base cost per pupil~~ 61473
~~multiplied by the district's student population that must be~~ 61474
~~deposited into the fund.~~ 61475

(C) Within its capital and maintenance fund, a school district board of education may establish a separate account solely for the purpose of depositing funds transferred from the district's reserve balance account established under former division (H) of section 5705.29 of the Revised Code. After April 10, 2001, a board may deposit all or part of the funds formerly included in such reserve balance account in the separate account established under this section. Funds deposited in this separate account and interest on such funds shall be utilized solely for the purpose of providing the district's portion of the basic project costs of any project undertaken in accordance with Chapter 3318. of the Revised Code.

(D) (1) Notwithstanding division (A) of this section, in any year a district is in fiscal emergency status as declared pursuant to section 3316.03 of the Revised Code, the district may deposit an amount less than required by division (A) of this section, or make no deposit, into the district capital and maintenance fund for that year.

(2) Notwithstanding division (A) of this section, in any fiscal year that a school district is either in fiscal watch status, as declared pursuant to section 3316.03 of the Revised Code, or in fiscal caution status, as declared pursuant to section 3316.031 of the Revised Code, the district may apply to the director of education and workforce for a waiver from the requirements of division (A) of this section, under which the district may be permitted to deposit an amount less than required by that division or permitted to make no deposit into the district capital and maintenance fund for that year. The director may grant a waiver under division (D) (2) of this section if the district demonstrates to the satisfaction of the director that compliance with division (A) of this section that

year will create an undue financial hardship on the district. 61507

(3) Notwithstanding division (A) of this section, not more 61508
often than one fiscal year in every three consecutive fiscal 61509
years, any school district that does not satisfy the conditions 61510
for the exemption described in division (D)(1) of this section 61511
or the conditions to apply for the waiver described in division 61512
(D)(2) of this section may apply to the director for a waiver 61513
from the requirements of division (A) of this section, under 61514
which the district may be permitted to deposit an amount less 61515
than required by that division or permitted to make no deposit 61516
into the district capital and maintenance fund for that year. 61517
The director may grant a waiver under division (D)(3) of this 61518
section if the district demonstrates to the satisfaction of the 61519
director that compliance with division (A) of this section that 61520
year will necessitate the reduction or elimination of a program 61521
currently offered by the district that is critical to the 61522
academic success of students of the district and that no 61523
reasonable alternatives exist for spending reductions in other 61524
areas of operation within the district that negate the necessity 61525
of the reduction or elimination of that program. 61526

(E) Notwithstanding any provision to the contrary in 61527
Chapter 4117. of the Revised Code, the requirements of this 61528
section prevail over any conflicting provisions of agreements 61529
between employee organizations and public employers entered into 61530
after November 21, 1997. 61531

(F) As used in this section, "student population" means 61532
the average, daily, full-time equivalent number of students in 61533
kindergarten through twelfth grade receiving any educational 61534
services from the school district during the first full school 61535
week in October, excluding students enrolled in adult education 61536

classes, but including all of the following: 61537

(1) Adjacent or other district students enrolled in the 61538
district under an open enrollment policy pursuant to section 61539
3313.98 of the Revised Code; 61540

(2) Students receiving services in the district pursuant 61541
to a compact, cooperative education agreement, or a contract, 61542
but who are entitled to attend school in another district 61543
pursuant to section 3313.64 or 3313.65 of the Revised Code; 61544

(3) Students for whom tuition is payable pursuant to 61545
sections 3317.081 and 3323.141 of the Revised Code. 61546

The department of education and workforce shall determine 61547
a district's student population using data reported to it under 61548
section 3317.03 of the Revised Code for the applicable fiscal 61549
year. 61550

Sec. 3315.181. As used in this section, "securities" has 61551
the same meaning as in section 133.01 of the Revised Code. 61552

Notwithstanding division (A) of section 3315.18 of the 61553
Revised Code, the board of education of a city, exempted 61554
village, local, or joint vocational school district, in meeting 61555
the amount required by that division to be deposited in the 61556
district's capital and maintenance fund, may replace general 61557
fund revenues with proceeds received from a permanent 61558
improvement levy authorized by section 5705.21 of the Revised 61559
Code only to the extent the proceeds are available to be used 61560
for the acquisition, replacement, enhancement, maintenance, or 61561
repair of permanent improvements as defined in section 5705.01 61562
of the Revised Code. In addition, the board may replace general 61563
fund revenues with proceeds received from any of the following 61564
sources in meeting the amount required by that division to be 61565

deposited in the fund: 61566

(A) Proceeds received from any securities whose use is 61567
limited to the acquisition, replacement, enhancement, 61568
maintenance, or repair of permanent improvements; 61569

(B) Insurance proceeds received as a result of the damage 61570
to or theft or destruction of a permanent improvement to the 61571
extent a board of education places the proceeds in a separate 61572
fund for the acquisition, replacement, enhancement, maintenance, 61573
or repair of permanent improvements; 61574

(C) Proceeds received from the sale of a permanent 61575
improvement to the extent the proceeds are paid into a separate 61576
fund for the construction or acquisition of permanent 61577
improvements; 61578

(D) Proceeds received from a tax levy authorized by 61579
section 3318.06 of the Revised Code to the extent the proceeds 61580
are available to be used for the maintenance of capital 61581
facilities; 61582

(E) Proceeds of certificates of participation issued as 61583
part of a lease-purchase agreement entered into under section 61584
3313.375 of the Revised Code; 61585

(F) Proceeds of any school district income tax levied 61586
under Chapter 5748. of the Revised Code for permanent 61587
improvements, to the extent the proceeds are available for the 61588
acquisition, replacement, enhancement, maintenance, or repair of 61589
permanent improvements;— 61590

~~(G) Any other revenue source identified by the auditor of~~ 61591
~~state, in consultation with the department of education and~~ 61592
~~workforce, in rules adopted by the auditor of state.~~ 61593

Sec. 3316.031. (A) The director of education and 61594
workforce, in consultation with the auditor of state, shall 61595
develop guidelines for identifying fiscal practices and 61596
budgetary conditions that, if uncorrected, could result in a 61597
future declaration of a fiscal watch or fiscal emergency within 61598
a school district. 61599

The guidelines shall not include a requirement that a 61600
school district submit financial statements according to 61601
generally accepted accounting principles. 61602

(B) (1) If the director determines from a school district's 61603
five-year current budget information and three-year forecast 61604
submitted under section 5705.391 of the Revised Code that a 61605
district is engaging in any of those practices or that any of 61606
those conditions exist within the district, after consulting 61607
with the district board of education concerning the practices or 61608
conditions, the director may declare the district to be under a 61609
fiscal caution. 61610

(2) If the auditor of state finds that a district is 61611
engaging in any of those practices or that any of those 61612
conditions exist within the district, the auditor of state shall 61613
report that finding to the director and, after consulting with 61614
the district board of education concerning the practices or 61615
conditions, the director may declare the district to be under a 61616
fiscal caution. 61617

(3) Unless the auditor of state has elected to declare a 61618
state of fiscal watch under division (A) (4) of section 3316.03 61619
of the Revised Code, the director shall declare a school 61620
district to be under a fiscal caution if the conditions 61621
described in divisions (A) (4) (a) and (b) of that section are 61622
both satisfied with respect to the school district. 61623

(C) When the director declares a district to be under
fiscal caution, the director shall promptly notify the district
board of education of that declaration and shall request the
board to provide written proposals for discontinuing or
correcting the fiscal practices or budgetary conditions that
prompted the declaration and for preventing the district from
experiencing further fiscal difficulties that could result in
the district being declared to be in a state of fiscal watch or
fiscal emergency.

(D) The director, or a designee, may visit and inspect any
district that is declared to be under a fiscal caution. The
department of education and workforce shall provide technical
assistance to the district board in implementing proposals to
eliminate the practices or budgetary conditions that prompted
the declaration of fiscal caution and may make recommendations
concerning the board's proposals.

(E) If the director finds that a school district declared
to be under a fiscal caution has not made reasonable proposals
or otherwise taken action to discontinue or correct the fiscal
practices or budgetary conditions that prompted the declaration
of fiscal caution, and if the director considers it necessary to
prevent further fiscal decline, the director may determine that
the district should be in a state of fiscal watch. As provided
in division (A) (3) of section 3316.03 of the Revised Code, the
auditor of state shall declare the district to be in a state of
fiscal watch if the auditor of state finds the director's
determination to be reasonable.

Sec. 3316.041. (A) Notwithstanding any provision of
Chapter 133. or sections 3313.483 to 3313.4810 of the Revised
Code, and subject to the approval of the director of education

and workforce, a school district that is in a state of fiscal 61654
watch declared under section 3316.03 of the Revised Code may 61655
restructure or refinance loans obtained or in the process of 61656
being obtained under section 3313.483 of the Revised Code if all 61657
of the following requirements are met: 61658

(1) The operating deficit certified for the school 61659
district for the current or preceding fiscal year under section 61660
3313.483 of the Revised Code exceeds fifteen per cent of the 61661
district's general revenue fund for the fiscal year preceding 61662
the year for which the certification of the operating deficit is 61663
made. 61664

(2) The school district voters have, during the period of 61665
the fiscal watch, approved the levy of a tax under section 61666
718.09, 718.10, 5705.194, 5705.21, 5748.02, or 5748.09 of the 61667
Revised Code that is not a renewal ~~or replacement~~ levy, or a 61668
levy under section 5705.199 of the Revised Code, and that will 61669
provide new operating revenue. 61670

(3) The board of education of the school district has 61671
adopted or amended the financial plan required by section 61672
3316.04 of the Revised Code to reflect the restructured or 61673
refinanced loans, and sets forth the means by which the district 61674
will bring projected operating revenues and expenditures, and 61675
projected debt service obligations, into balance for the life of 61676
any such loan. 61677

(B) Subject to the approval of the director, the school 61678
district may issue securities to evidence the restructuring or 61679
refinancing authorized by this section. Such securities may 61680
extend the original period for repayment not to exceed ten 61681
years, and may alter the frequency and amount of repayments, 61682
interest or other financing charges, and other terms or 61683

agreements under which the loans were originally contracted, 61684
provided the loans received under sections 3313.483 of the 61685
Revised Code are repaid from funds the district would otherwise 61686
receive under Chapter 3317. of the Revised Code, as required 61687
under division (E) (3) of section 3313.483 of the Revised Code. 61688
Securities issued for the purpose of restructuring or 61689
refinancing under this section shall be repaid in equal payments 61690
and at equal intervals over the term of the debt and are not 61691
eligible to be included in any subsequent proposal to 61692
restructure or refinance. 61693

(C) Unless the district is declared to be in a state of 61694
fiscal emergency under division (D) of section 3316.04 of the 61695
Revised Code, a school district shall remain in a state of 61696
fiscal watch for the duration of the repayment period of any 61697
loan restructured or refinanced under this section. 61698

Sec. 3316.043. Upon the approval by the director of 61699
education and workforce of an initial financial plan under 61700
section 3316.04 of the Revised Code or a financial recovery plan 61701
under section 3316.06 of the Revised Code, the board of 61702
education of the school district for which the plan was approved 61703
shall revise the district's five-year-current budget information 61704
and three-year projection of revenues and expenditures in 61705
accordance with rules adopted under section 5705.391 of the 61706
Revised Code so that the five-year-current budget information and 61707
three-year projection ~~is~~ are consistent with the financial plan 61708
or financial recovery plan. In the case of a school district 61709
declared to be in a state of fiscal emergency, the ~~five-~~ 61710
~~year~~current budget information and -three-year projection shall 61711
be revised by the financial planning and supervision commission 61712
for that district. 61713

Sec. 3316.06. (A) Within one hundred twenty days after the 61714
first meeting of a school district financial planning and 61715
supervision commission, the commission shall adopt a financial 61716
recovery plan regarding the school district for which the 61717
commission was created. During the formulation of the plan, the 61718
commission shall seek appropriate input from the school district 61719
board and from the community. This plan shall contain the 61720
following: 61721

(1) Actions to be taken to: 61722

(a) Eliminate all fiscal emergency conditions declared to 61723
exist pursuant to division (B) of section 3316.03 of the Revised 61724
Code; 61725

(b) Satisfy any judgments, past-due accounts payable, and 61726
all past-due and payable payroll and fringe benefits; 61727

(c) Eliminate the deficits in all deficit funds, except 61728
that any prior year deficits in the capital and maintenance fund 61729
established pursuant to section 3315.18 of the Revised Code 61730
shall be forgiven; 61731

(d) Restore to special funds any moneys from such funds 61732
that were used for purposes not within the purposes of such 61733
funds, or borrowed from such funds by the purchase of debt 61734
obligations of the school district with the moneys of such 61735
funds, or missing from the special funds and not accounted for, 61736
if any; 61737

(e) Balance the budget, avoid future deficits in any 61738
funds, and maintain on a current basis payments of payroll, 61739
fringe benefits, and all accounts; 61740

(f) Avoid any fiscal emergency condition in the future; 61741

(g) Restore the ability of the school district to market 61742
long-term general obligation bonds under provisions of law 61743
applicable to school districts generally. 61744

(2) The management structure that will enable the school 61745
district to take the actions enumerated in division (A) (1) of 61746
this section. The plan shall specify the level of fiscal and 61747
management control that the commission will exercise within the 61748
school district during the period of fiscal emergency, and shall 61749
enumerate respectively, the powers and duties of the commission 61750
and the powers and duties of the school board during that 61751
period. The commission may elect to assume any of the powers and 61752
duties of the school board it considers necessary, including all 61753
powers related to personnel, curriculum, and legal issues in 61754
order to successfully implement the actions described in 61755
division (A) (1) of this section. 61756

(3) The target dates for the commencement, progress upon, 61757
and completion of the actions enumerated in division (A) (1) of 61758
this section and a reasonable period of time expected to be 61759
required to implement the plan. The commission shall prepare a 61760
reasonable time schedule for progress toward and achievement of 61761
the requirements for the plan, and the plan shall be consistent 61762
with that time schedule. 61763

(4) The amount and purpose of any issue of debt 61764
obligations that will be issued, together with assurances that 61765
any such debt obligations that will be issued will not exceed 61766
debt limits supported by appropriate certifications by the 61767
fiscal officer of the school district and the county auditor. If 61768
the commission considers it necessary in order to maintain or 61769
improve educational opportunities of pupils in the school 61770
district, the plan may include a proposal to restructure or 61771

refinance outstanding debt obligations incurred by the board 61772
under section 3313.483 of the Revised Code contingent upon the 61773
approval, during the period of the fiscal emergency, by district 61774
voters of a tax levied under section 718.09, 718.10, 5705.194, 61775
5705.21, 5748.02, 5748.08, or 5748.09 of the Revised Code that 61776
is not a renewal ~~or replacement~~ levy, or a levy under section 61777
5705.199 of the Revised Code, and that will provide new 61778
operating revenue. Notwithstanding any provision of Chapter 133. 61779
or sections 3313.483 to 3313.4810 of the Revised Code, following 61780
the required approval of the district voters and with the 61781
approval of the commission, the school district may issue 61782
securities to evidence the restructuring or refinancing. Those 61783
securities may extend the original period for repayment, not to 61784
exceed ten years, and may alter the frequency and amount of 61785
repayments, interest or other financing charges, and other terms 61786
of agreements under which the debt originally was contracted, at 61787
the discretion of the commission, provided that any loans 61788
received pursuant to section 3313.483 of the Revised Code shall 61789
be paid from funds the district would otherwise receive under 61790
Chapter 3317. of the Revised Code, as required under division 61791
(E) (3) of section 3313.483 of the Revised Code. The securities 61792
issued for the purpose of restructuring or refinancing the debt 61793
shall be repaid in equal payments and at equal intervals over 61794
the term of the debt and are not eligible to be included in any 61795
subsequent proposal for the purpose of restructuring or 61796
refinancing debt under this section. 61797

(5) An evaluation of the feasibility of entering into 61798
shared services agreements with other political subdivisions for 61799
the joint exercise of any power, performance of any function, or 61800
rendering of any service, if so authorized by statute. 61801

(B) Any financial recovery plan may be amended subsequent 61802

to its adoption. Each financial recovery plan shall be updated 61803
annually. 61804

(C) Each school district financial planning and 61805
supervision commission shall submit the financial recovery plan 61806
it adopts or updates under this section to the director of 61807
education and workforce for approval immediately following its 61808
adoption or updating. The director shall evaluate the plan and 61809
either approve or disapprove it within thirty calendar days from 61810
the date of its submission. If the plan is disapproved, the 61811
director shall recommend modifications that will render it 61812
acceptable. No financial planning and supervision commission 61813
shall implement a financial recovery plan that is adopted or 61814
updated on or after April 10, 2001, unless the director has 61815
approved it. 61816

Sec. 3316.08. During a school district's fiscal emergency 61817
period, the auditor of state shall determine annually, or at any 61818
other time upon request of the financial planning and 61819
supervision commission, whether the school district will incur 61820
an operating deficit. If the auditor of state determines that a 61821
school district will incur an operating deficit, the auditor of 61822
state shall certify that determination to the director of 61823
education and workforce, the financial planning and supervision 61824
commission, and the board of education of the school district. 61825
Upon receiving the auditor of state's certification, the 61826
commission shall adopt a resolution requesting that the board of 61827
education work with the county auditor or tax commissioner to 61828
estimate the amount and rate of a tax levy that is needed under 61829
section 5705.194, 5705.199, or 5705.21 or Chapter 5748. of the 61830
Revised Code to produce a positive fund balance not later than 61831
the fifth-third year of the five-year-three-year forecast 61832
submitted under section 5705.391 of the Revised Code. 61833

The board of education shall recommend to the commission 61834
whether the board supports or opposes a tax levy under section 61835
5705.194, 5705.199, or 5705.21 or Chapter 5748. of the Revised 61836
Code and shall provide supporting documentation to the 61837
commission of its recommendation. 61838

After considering the board of education's recommendation 61839
and supporting documentation, the commission shall adopt a 61840
resolution to either submit a ballot question proposing a tax 61841
levy or not to submit such a question. 61842

Except as otherwise provided in this division, the tax 61843
shall be levied in the manner prescribed for a tax levied under 61844
section 5705.194, 5705.199, or 5705.21 or under Chapter 5748. of 61845
the Revised Code. If the commission decides that a tax should be 61846
levied, the tax shall be levied for the purpose of paying 61847
current operating expenses of the school district. The rate of a 61848
property tax levied under section 5705.194, 5705.199, 5705.21, 61849
or 5748.09 of the Revised Code shall be determined by the county 61850
auditor, and the rate of an income tax levied under section 61851
5748.02, 5748.08, or 5748.09 of the Revised Code shall be 61852
determined by the tax commissioner, upon the request of the 61853
commission. The commission, in consultation with the board of 61854
education, shall determine the election at which the question of 61855
the tax shall appear on the ballot, and the commission shall 61856
submit a copy of its resolution to the board of elections not 61857
later than ninety days prior to the day of that election. The 61858
board of elections conducting the election shall certify the 61859
results of the election to the board of education and to the 61860
financial planning and supervision commission. 61861

Sec. 3316.16. (A) A school district financial planning and 61862
supervision commission, with respect to its functions under this 61863

chapter, shall continue in existence until such time as a 61864
determination is made under division (B) of this section that 61865
all of the following have occurred: 61866

(1) An effective financial accounting and reporting system 61867
in accordance with section 3316.10 of the Revised Code is in the 61868
process of being implemented, and it is reasonably expected that 61869
this implementation will be completed within two years. 61870

(2) All of the fiscal emergency conditions determined 61871
pursuant to division (B) of section 3316.03 of the Revised Code 61872
have been corrected or eliminated, and no new fiscal emergency 61873
conditions have occurred. 61874

(3) The objectives of the financial recovery plan 61875
described in section 3316.06 of the Revised Code are being met. 61876

(4) The school district board has prepared current budget 61877
information and a financial forecast for a ~~five-year~~ three-year 61878
period in accordance with the standards issued by the auditor of 61879
state and an opinion has been rendered by the auditor of state 61880
that the financial forecast is considered to be nonadverse. The 61881
forecast shall display the district's projected compliance with 61882
section 3315.18 of the Revised Code beginning in the year the 61883
commission is proposed for termination. 61884

(B) The determination that all conditions listed in 61885
division (A) of this section for the termination of the 61886
existence of the commission and its functions exist may be made 61887
either by the auditor of state or by the commission and shall be 61888
certified to the commission, the auditor of state, the governor, 61889
the director of budget and management, and the budget 61890
commission, whereupon such commission and its functions under 61891
this chapter shall terminate. This determination shall be made 61892

by the auditor of state upon the filing with the auditor of 61893
state of a written request for such a determination by the 61894
