pricing proposals and may hold discussions with individual 1780
construction managers at risk to explore their proposals 1781
further, including the scope and nature of the proposed services 1782
and potential technical approaches. 1783

(E) After evaluating the pricing proposals, the public 1784
authority shall rank the selected construction managers at risk 1785
based on its evaluation of the value of each pricing proposal, 1786
with such evaluation considering the proposed cost and 1787
qualifications. 1788

be the best value under division (E) of this section, the public 1829
authority may select additional construction managers at risk to 1830
provide pricing proposals to the public authority pursuant to 1831
this section or may select an alternative delivery method for 1832
the project. 1833

(H) If the public authority and construction manager at 1834

risk fail to agree on a guaranteed maximum price, nothing in 1835
this section shall prohibit the public authority from allowing 1836
the construction manager at risk to provide the management 1837
services that a construction manager is authorized to provide. 1838

shall cease playing most of its home games at the tax-supported 2011
facility and begin playing most of its home games elsewhere at a 2012
facility located outside of the state unless the owner 2013
either does one of the following: 2014

~~(A)~~ (1) Enters into an agreement with the political 2015
subdivision permitting the team to play most of its home games 2016
elsewhere at a facility located outside of the state; 2017

~~(B)~~ (2) Gives the political subdivision in which the tax- 2018
supported facility is located not less than six months' advance 2019

agreement with the political subdivision permitting the team to 2043
play most of its home games at a different facility, in 2044
satisfaction of division (A) (1) of this section, if the 2045
different facility is located outside of the state. 2046

Sec. 9.681. (A) As used in this section, "tobacco product" 2047
and "alternative nicotine product" have the same meanings as in 2048
section 2927.02 of the Revised Code. 2049

(B) The regulation of tobacco products and alternative 2050
nicotine products is a matter of general statewide concern that 2051
requires statewide regulation. The state has adopted a 2052
comprehensive plan with respect to all aspects of the giveaway, 2053
sale, purchase, distribution, manufacture, use, possession, 2054
licensing, taxation, inspection, and marketing of tobacco 2055
products and alternative nicotine products. No political 2056
subdivision may enact, adopt, renew, maintain, enforce, or 2057
continue in existence any charter provision, ordinance, 2058
resolution, rule, or other measure that conflicts with or 2059
preempts any policy of the state regarding the regulation of 2060
tobacco products or alternative nicotine products, including, 2061
without limitation, by: 2062

(1) Setting or imposing standards, requirements, taxes, 2063
fees, assessments, or charges of any kind regarding tobacco 2064
products or alternative nicotine products that are the same as 2065
or similar to, that conflict with, that are different from, or 2066

that are in addition to, any standard, requirement, tax, fee, 2067
assessment, or other charge established or authorized by state 2068
law; 2069

(2) Lowering or raising an age requirement provided for in 2070
state law in connection with the giveaway, sale, purchase, 2071
distribution, manufacture, use, possession, licensing, taxation, 2072
inspection, and marketing of tobacco products or alternative 2073
nicotine products; 2074

(3) Prohibiting an employee eighteen years of age or older 2075
of a manufacturer, producer, distributor, wholesaler, or 2076
retailer of tobacco products or alternative nicotine products 2077
from selling tobacco products or alternative nicotine products; 2078

(4) Prohibiting an employee eighteen years of age or older 2079
of a manufacturer, producer, distributor, wholesaler, or 2080
retailer of tobacco products or alternative nicotine products 2081
from handling tobacco products or alternative nicotine products 2082
in sealed containers in connection with manufacturing, storage, 2083
warehousing, placement, stocking, bagging, loading, or 2084
unloading. 2085

(C) In addition to any other relief provided, the court 2086
shall award costs and reasonable ~~attorney~~attorney's fees to any 2087
person, group, or entity that prevails in a challenge to an 2088
ordinance, resolution, regulation, local law, or other action as 2089
being in conflict with this section. 2090

(D) The general assembly finds and declares that this 2091
section is part of a statewide and comprehensive legislative 2092
enactment regulating all aspects of the giveaway, sale, 2093
purchase, distribution, manufacture, use, possession, licensing, 2094
taxation, inspection, and marketing of tobacco products and 2095

alternative nicotine products. The general assembly further 2096
finds and declares that the imposition of tobacco product and 2097
alternative nicotine product regulation by any political 2098
subdivision is a matter of statewide concern and would be 2099
inconsistent with that statewide, comprehensive enactment. 2100
Therefore, regulation of the giveaway, sale, purchase, 2101
distribution, manufacture, use, possession, licensing, taxation, 2102
inspection, and marketing of tobacco products and alternative 2103
nicotine products is a matter of general statewide concern that 2104
requires uniform statewide regulation. By the enactment of this 2105
section, it is the intent of the general assembly to preempt 2106
political subdivisions from the regulation of tobacco products 2107
and alternative nicotine products. 2108

(E) This section does not prohibit a political subdivision 2109
from levying a tax expressly authorized by state law, including 2110
the taxes authorized under Chapters 5739. and 5741. or sections 2111
5743.021, 5743.024, 5743.026, 5743.321, 5743.323, ~~and 5743.324,~~ 2112
5743.511, 5743.521, 5743.621, and 5743.631 of the Revised Code. 2113

Sec. 9.691. (A) The general assembly and executive 2114
department officers elected under Ohio Constitution, Article III 2115
may establish, implement, and fund through public resources, 2116
security provisions for the protection of the members of the 2117
general assembly and executive department officers covered under 2118
this section. 2119

(B) (1) The authority to determine and administer 2120
appropriate security provisions for the general assembly is 2121
vested in the presiding officer of each house. 2122

(2) The authority to determine and administer security 2123
provisions for executive department officers covered by this 2124
section is vested in each respective officer. 2125

(3) The supreme court has the authority to adopt rules 2126
under its general superintending power that governs security 2127
provisions, including establishing, implementing, and funding 2128
through public resources, those provisions, for justices, 2129
judges, and the judiciary as established by Ohio Constitution, 2130
Article IV and the laws of this state. 2131

(C) (1) In addition to the sergeant at arms and any 2132
assistant sergeants at arms, each house of the general assembly 2133
may appoint, employ, contract with, and fix the compensation of 2134
law enforcement officers, as defined in section 9.69 of the 2135
Revised Code, or other persons to provide or coordinate security 2136
for the members of the general assembly. 2137

(2) Each executive department officer covered by this 2138
section may appoint, employ, contract with, and fix the 2139
compensation of law enforcement officers, as defined in section 2140
9.69 of the Revised Code, or other persons to provide or 2141
coordinate security for the officer. 2142

(3) Any law enforcement officer, as defined in section 2143
9.69 of the Revised Code, who is authorized to provide or 2144
coordinate security for the general assembly or the executive 2145
department officers covered by this section has the same arrest 2146
powers as other peace officers and law enforcement officers to 2147
apprehend offenders against the criminal laws who endanger or 2148
threaten the security of any person being protected, no matter 2149
where the offense occurs. This jurisdiction is concurrent with 2150
that of peace officers and law enforcement officers of the 2151
county, township, or municipal corporation in which the 2152
violation occurs and with the state highway patrol. 2153

(D) This section is in addition to, independent of, and 2154
operates concurrently with, any security provided by the state 2155

highway patrol under section 5503.02 of the Revised Code. 2156

Sec. 9.821. (A) The department of administrative services 2157
shall direct and manage for state agencies all risk management 2158
and insurance programs authorized under section 9.822 of the 2159
Revised Code. 2160

(B) The office of risk management is hereby established 2161
within the department of administrative services. The director 2162
of administrative services, or a deputy director appointed by 2163
the director, shall control and supervise the office. 2164

(C) The office may take any of the following actions that 2165
it determines to be in the best interests of the state: 2166

(1) Provide all insurance coverages for the state, 2167
including, but not limited to, vehicle liability, casualty, 2168
property, public liability, and fidelity bonding. The cost of 2169
insurance coverage shall be paid from appropriations made to the 2170
state agencies that the office has designated to receive the 2171
coverage. 2172

(2) Provide coverage of legal expenses that are necessary 2173
and related to the legal defense of claims against the state; 2174

(3) Purchase insurance policies consistent with sections 2175
125.01 to 125.111 of the Revised Code, develop and administer 2176

the administration of the state's insurance and risk management 2183

activities. 2184

(D) No state agency, except a state agency exempted under 2185
section 125.02 or 125.04 of the Revised Code from the 2186
department's purchasing authority, shall purchase any insurance 2187
described in this section except as authorized by the 2188
department, when the office of risk management determines that 2189

floor session, as applicable. 2240

(2) "Legislative staff" means the staff of the legislative 2241

Ohio Constitution, Article II, Section 12. 2302

Sec. 101.352. If the joint committee on agency rule review 2303
becomes aware that an agency subject to its jurisdiction is 2304
relying upon a principle of law or policy that, under section 2305
121.93 of the Revised Code, should have been supplanted by its 2306
restatement in a rule, the chairperson of the joint committee 2307
responsible for calling and conducting meetings under section 2308
101.35 of the Revised Code, in that chairperson's sole 2309
discretion, may request the agency to appear before the joint 2310
committee to address why, notwithstanding section 121.93 of the 2311
Revised Code, it is so relying. The request shall specify the 2312
time and place at which a designee of the agency is to appear 2313
before the joint committee to address, and to answer the joint 2314
committee's questions concerning, the agency's reliance. The 2315
date set for the appearance shall be not earlier than thirty 2316
days after the joint committee transmits the request to the 2317
agency. The joint committee shall transmit the request to the 2318
agency electronically. The joint committee also shall publish 2319
the request on its web site, as part of the relevant meeting 2320
agenda, and shall indicate in conjunction with the published 2321
request that any person is invited to appear before the joint 2322
committee when the agency appears to offer and make comments to 2323
the joint committee concerning the agency's reliance. 2324

Upon receiving the request, the agency shall designate a 2325
suitable agency officer or employee to appear on behalf of the 2326
agency before the joint committee as directed in the request. 2327
The agency electronically shall notify the joint committee of 2328
the name, title, telephone number, and electronic mail address 2329
of the officer or employee who has been designated to appear 2330
before the joint committee in response to the request. 2331

Upon appearing before the joint committee, the agency's
designee shall address why the agency is relying upon a
principle of law or policy that, notwithstanding section 121.93
of the Revised Code, has not been supplanted by its restatement
in a rule. The members of the joint committee may question the
agency's designee concerning the agency's reliance. Any person
may offer and make comments to the joint committee concerning
the agency's reliance.

After the appearance has concluded, the joint committee,
by vote of a majority of its members, in writing may recommend
to the agency that it supplant the principle of law or policy
that it is relying upon by its restatement in a rule. The joint
committee shall support its recommendation with a brief
rationale of why, under section 121.93 of the Revised Code, the
principle of law or policy should be supplanted by its
restatement in a rule. The joint committee shall transmit the
recommendation electronically to the agency.

After receiving the recommendation from the joint
committee, the agency shall commence the rule-making process as
soon as it is reasonably feasible to do so, but not later than
the date that is ~~six~~three months after the recommendation was
received. The principle of law or policy as it is restated in a
rule does not need to be wholly congruent with the supplanted
principle of law or policy. The agency lawfully may improve or
develop further the supplanted principle of law or policy as it
is restated in a rule.

The agency may continue to rely upon the principle of law
or policy, but only while it is complying with the preceding
paragraph. The agency may not rely upon the principle of law or
policy in advising with regard to or in determining the rights

or liabilities of a person if ~~the~~ any of the following apply: 2362

(A) The agency fails to commence the rule-making process 2363
by the deadline specified in the preceding paragraph, ~~or if,~~ 2364
~~after.~~ 2365

(B) After commencing the rule-making process, the agency 2366
neglects or abandons the rule-making process before it is 2367
completed. 2368

(C) The agency fails to file a rule recommended under this 2369
section in final form within one year of receiving a written 2370
recommendation from the joint committee in accordance with this 2371
section. 2372

(D) After filing a proposed rule and rule summary and 2373
fiscal analysis with the joint committee, the agency notifies 2374
the joint committee of the agency's intention to file a revised 2375
proposed rule as described in division (B) of section 106.02 of 2376
the Revised Code. 2377

Sec. 101.53. (A) A legislative action to amend or enact a 2378
codified or uncodified statutory section shall be indicated in 2379
bills and enrolled acts according to the following principles: 2380

codified or uncodified section shall be indicated by inserting 2382
the new matter, underlined, into the section at the appropriate 2383
place, in the same form as it is to appear in the resulting law. 2384

(2) Old matter that is to be omitted from an existing 2385
codified or uncodified section shall be indicated by retaining 2386

with a horizontal line. 2388

law shall be indicated by presenting the section, without 2393
underlining, in the same form as it is to appear in the 2394
resulting law. 2395

(B) (1) A legislative proposal to amend or enact a section 2396
of the Ohio Constitution shall be indicated in a joint 2397
resolution the same as an amendment to or an enactment of a 2398
codified statutory section in a bill. 2399

(2) A legislative proposal of a schedule or of an 2400
amending, enacting, repeal, effective date, or other special 2401
clause applying to a proposed amendment of the Ohio Constitution 2402
shall be indicated in a joint resolution the same as an 2403
enactment of a new uncodified statutory section in a bill. 2404

(C) Bills shall be printed in the exact language in which 2405
they were passed, under the supervision of the clerk of the 2406
house in which they originated. ~~The legislative service-~~ 2407
~~commission, by rule adopted under section 111.15 of the Revised~~ 2408
~~Code, shall direct how new matter shall be indicated and old~~ 2409

and provides the least restrictive form of regulation that	2552
adequately protects the public interest;	2553
(25) The extent to which licensing ensures that	2554
practitioners have occupational skill sets or competencies that	2555
are substantially related to protecting consumers from present,	2556
significant, and substantiated harms that threaten public	2557
health, safety, or welfare, and the impact that those criteria	2558
have on applicants for a license, particularly those with	2559
moderate or low incomes, seeking to enter the occupation or	2560

Sec. 106.021. If, upon reviewing a proposed rule or 3646
revised proposed rule, the joint committee on agency rule review 3647
makes any of the following findings with regard to the proposed 3648
rule or revised proposed rule, the joint committee may recommend 3649
to the senate and house of representatives the adoption of a 3650
concurrent resolution to invalidate the proposed rule or revised 3651
proposed rule or a part thereof: 3652

(A) The proposed rule or revised proposed rule exceeds the 3653
scope of its statutory authority. 3654

(B) The proposed rule or revised proposed rule conflicts 3655
with the legislative intent of the statute under which it was 3656
proposed. 3657

(C) The proposed rule or revised proposed rule conflicts 3658

with another proposed or existing rule. 3659

(D) The proposed rule or revised proposed rule 3660
incorporates a text or other material by reference and: 3661

(1) The accompanying citation is not such as reasonably 3662
would enable a reasonable person to whom the proposed rule or 3663
revised proposed rule applies readily and without charge to find 3664
and inspect the incorporated text or other material; 3665

(2) The accompanying citation is not such as reasonably 3666
would enable the joint committee readily and without charge to 3667
find and inspect the incorporated text or other material, and 3668
the agency did not file or otherwise make the incorporated text 3669
or other material available without charge to the joint 3670
committee; or 3671

(3) The agency has treated the proposed rule or revised 3672
proposed rule in whole or in part as exempt from sections 121.71 3673
to 121.74 of the Revised Code on grounds the incorporated text 3674
or other material has one or more of the characteristics 3675
described in division (B) of section 121.75 of the Revised Code, 3676
but the incorporated text or other material actually does not 3677
have any of those characteristics. 3678

(E) The agency has failed to prepare a complete and 3679
accurate rule summary and fiscal analysis of the proposed rule 3680

Revised Code. 3682

(F) The agency has failed to demonstrate through the 3683
business impact analysis, recommendations from the common sense 3684
initiative office, and the memorandum of response that the 3685
regulatory intent of the proposed rule or revised proposed rule 3686
justifies its adverse impact on businesses in this state. 3687

(G) If the state agency is subject to sections 121.95, 3688
121.951, 121.952, and 121.953 of the Revised Code, the agency 3689

a federal law or rule in a manner that is more stringent or 3693
burdensome than the federal law or rule requires. 3694

(I) If the state agency is subject to sections 121.95, 3695
121.951, 121.952, and 121.953 of the Revised Code, for purposes 3696
of those sections, the proposed rule or revised proposed rule 3697
removes or replaces "shall," "must," "require," "shall not," 3698
"may not," "prohibit," or similar words in a portion of a rule 3699
but does not remove a regulatory restriction as defined in 3700
section 121.95 of the Revised Code. 3701

(J) The proposed rule or revised proposed rule is subject 3702
to section 106.025 of the Revised Code, and the joint committee 3703
has complied with division (B) of that section. 3704

Sec. 106.023. (A) An agency may not adopt a proposed rule 3705
or revised proposed rule or file it in final form unless the 3706
proposed rule has been filed with the joint committee on agency 3707
rule review under division (D) of section 111.15 or division (C) 3708
of section 119.03 of the Revised Code and ~~the one of the~~ 3709
following applies: 3710

(1) The time for the joint committee to review the 3711
proposed rule and for the adoption of an invalidating concurrent 3712
resolution has expired without adoption of a concurrent 3713
resolution to invalidate the proposed rule; 3714

(2) The rule or revised proposed rule is subject to 3715
section 106.026 of the Revised Code, and a law authorizing its 3716

adoption has been enacted in accordance with Ohio Constitution, 3717
Article II, Sections 15 and 16. 3718

(B) If, before the time for its review of a proposed rule 3719
or revised proposed rule expires, the joint committee recommends 3720
adoption of a concurrent resolution invalidating the proposed 3721
rule or revised proposed rule, and the senate and house of 3722
representatives does not, within the time remaining for adoption 3723
of the concurrent resolution, hold five sessions at which its 3724
journal records a roll call vote disclosing a sufficient number 3725
of members in attendance to pass a bill, the time within which 3726
that house may adopt the concurrent resolution is extended until 3727
it has held five such sessions. 3728

(2) "Rule" includes the adoption, amendment, or rescission 3732
of a rule. 3733

(3) "Proposed rule" means the original version of a 3734

section 119.03 of the Revised Code. 3738

(B) An agency shall prepare, on the form designed by the 3739
joint committee on agency rule review, a complete and accurate 3740
rule summary and fiscal analysis of each proposed rule that it 3741
files under division (D) of section 111.15 or division (C) of 3742
section 119.03 of the Revised Code. 3743

The joint committee on agency rule review shall design a 3744
form for the rule summary and fiscal analysis. In the form, the 3745

joint committee shall include a space where an agency shall 3746
explain the reasoning for any proposed rescission of a rule, 3747
including a statement as to whether the agency intends to 3748
continue relying on a principle of law or policy stated in the 3749
rule when conducting adjudications or other determinations of 3750
rights and liabilities or in issuing writings and other 3751
materials. 3752

The form also may solicit information such as the 3753
following information: 3754

(1) The name, address, and telephone number of the agency, 3755
and the name, telephone number, and electronic mail address of 3756
an individual or office within the agency designated by that 3757

the agency to adopt the proposed rule, and the statute that the 3767
agency intends to amplify or implement by adopting the proposed 3768
rule; 3769

(4) An estimate, in dollars, of the amount by which the 3770
proposed rule would increase or decrease revenues or 3771
expenditures during the current biennium; 3772

authorizes each expenditure that would be necessitated by the 3774

proposed rule; 3775

(6) A summary of the estimated cost of compliance with the 3776
rule to all directly affected persons; 3777

(7) The reasons why the rule is being proposed; 3778

(8) If the rule has a fiscal effect on school districts, 3779
counties, townships, or municipal corporations, an estimate in 3780
dollars of the cost of compliance with the rule, or, if dollar 3781
amounts cannot be determined, a written explanation of why it 3782
was not possible to ascertain dollar amounts; 3783

(9) If the rule has a fiscal effect on school districts, 3784
counties, townships, or municipal corporations and is the result 3785
of a federal requirement, a clear explanation that the proposed 3786
state rule does not exceed the scope and intent of the 3787
requirement, or, if the state rule does exceed the minimum 3788
necessary federal requirement, a justification of the excess 3789
cost, and an estimate of the costs, including those costs for 3790

costs related to the rule. The fiscal analysis shall also 3798
include a written explanation of the agency's and the affected 3799
local government's ability to pay for the new requirements and a 3800
statement of any impact the rule will have on economic 3801
development. 3802

(11) If the rule incorporates a text or other material by 3803

reference, and the agency claims the incorporation by reference 3804
is exempt from compliance with sections 121.71 to 121.74 of the 3805
Revised Code on grounds the incorporated text or other material 3806
has one or more of the characteristics described in division (B) 3807
of section 121.75 of the Revised Code, an explanation of how the 3808
incorporated text or other material is exempted under that 3809
division; 3810

(12) If the rule imposes a fee, an explanation of how the 3811
fee directly relates to the cost actually incurred by the agency 3812
in performing the function for which the fee is charged. 3813

The rule summary and fiscal analysis form, instead of or 3814
in addition to the foregoing, may solicit any other information 3815
the joint committee on agency rule review considers necessary to 3816
make the proposed rule or the fiscal effect of the proposed rule 3817
fully understandable. 3818

(C) The agency shall file the rule summary and fiscal 3819
analysis in electronic form along with the proposed rule that it 3820
files under division (D) of section 111.15 or divisions (B) and 3821
(C) of section 119.03 of the Revised Code. The joint committee 3822
on agency rule review shall not accept any proposed rule for 3823
filing unless a copy of the rule summary and fiscal analysis of 3824
the proposed rule, completely and accurately prepared, is filed 3825
along with the proposed rule. 3826

(D) The joint committee on agency rule review shall review 3827
the fiscal effect of each proposed rule that is filed under 3828
division (D) of section 111.15 or division (C) of section 119.03 3829
of the Revised Code. 3830

Sec. 106.025. (A) Except as provided in division (C) of 3831

accordance with division (B) of this section if it makes any of 3834
the following findings with respect to the rule's summary and 3835
fiscal analysis: 3836

(1) The proposed rule or revised proposed rule will 3837
increase the agency's expenditures during the current biennium 3838
by one hundred thousand dollars or more. 3839

proposed rule for a directly affected person will be one hundred 3841

(3) The proposed rule or revised proposed rule will impose 3843
an annual effect on this state's economy of one million dollars 3844
or more. 3845

(B) If the joint committee makes one or more of the 3846
findings listed in division (A) of this section, the chairperson 3847
of the joint committee responsible for calling and conducting 3848
meetings under section 101.35 of the Revised Code may request a 3849
designee of the filing agency to appear before the joint 3850
committee to answer questions about the fiscal effect of the 3851
proposed rule or revised proposed rule. The request shall be 3852
transmitted to the agency electronically and specify the time 3853
and place at which a designee is to appear before the joint 3854
committee to answer the joint committee's questions. 3855

On receiving the request, the agency shall designate a 3856
suitable agency officer or employee to appear on behalf of the 3857
agency before the joint committee as directed in the request. 3858
The agency electronically shall notify the joint committee of 3859
the name, title, telephone number, and electronic mail address 3860
of the officer or employee who has been designated to appear 3861

before the joint committee in response to the request. 3862

designee fails to appear, the joint committee may do any of the 3864
following: 3865

Revised Code; 3869

(3) By vote of a majority of its members, refer the rule 3870
for consideration by the full general assembly in accordance 3871
with section 106.026 of the Revised Code. 3872

(C) This section does not apply to a proposed rule or 3873
revised proposed rule if the rule is based on specific statutory 3874
language authorizing or requiring an agency to adopt the rule as 3875
opposed to a general grant of authority to adopt rules 3876
implementing a law. 3877

Sec. 106.026. (A) This section applies to a proposed rule 3878
or revised proposed rule that the joint committee on agency rule 3879

Code, referred for consideration by the full general assembly. 3881

(B) If a proposed rule or revised proposed rule is subject 3882
to this section, the chairperson of the joint committee on 3883
agency rule review responsible for calling and conducting 3884

immediately transmit the proposed rule or revised proposed rule 3886
and rule summary and fiscal analysis to the clerk of the senate 3887
and the clerk of the house of representatives. After the 3888

summary and fiscal analysis under this division, all of the 3890

following apply: 3891

respect to the proposed rule until after it is adopted or 3893
refiled in accordance with division (D) of this section. 3894

(2) The agency shall not file a revised proposed version 3895
of the rule. 3896

(3) The agency shall not adopt the proposed rule unless 3897

Constitution, Article II, Sections 15 and 16 after the 3899
chairperson transmits the rule and rule summary and fiscal 3900
analysis under this division. 3901

(C) As soon as practicable after receiving a proposed rule 3902
or revised proposed rule transmitted under division (B) of this 3903
section: 3904

(1) The clerk of the senate shall make the proposed rule 3905
or revised proposed rule and rule summary and fiscal analysis 3906

(2) The clerk of the house of representatives shall make 3908
the proposed rule or revised proposed rule and rule summary and 3909
fiscal analysis available to all members of the house of 3910
representatives. 3911

Any member of the general assembly may introduce 3912
legislation authorizing the agency to adopt the proposed rule or 3913
revised proposed rule. 3914

(D) If a law authorizing the proposed rule or revised 3915
proposed rule is enacted before the general assembly adjourns 3916
sine die, legislative review under this chapter ends and the 3917
agency may, on or after the law's effective date, file the rule 3918

in compliance with section 111.15 or 119.04 of the Revised Code, 3919
as applicable. If a law authorizing the rule is not enacted 3920
before the general assembly adjourns sine die, the proposed rule 3921
or revised proposed rule is invalidated. The agency may refile 3922
the rule and rule summary and fiscal analysis with the joint 3923
committee. 3924

(E) This section does not apply to any rule that is exempt 3925
from legislative review under division (D) of section 111.15 of 3926
the Revised Code or division (C) of section 119.03 of the 3927
Revised Code. 3928

(F) The enactment of a law in accordance with Ohio 3929
Constitution, Article II, Sections 15 and 16, authorizing an 3930
agency to adopt a proposed rule or revised proposed rule to 3931
which this section applies, does not do either of the following: 3932

(1) Grant an agency additional rulemaking authority or 3933
modify the agency's existing rulemaking authority; 3934

(2) Extinguish or modify any claim against an agency 3935

Constitution, Article II, Sections 15 and 16, authorizing an 3938
agency to adopt a proposed rule or revised proposed rule to 3939
which this section applies, shall not be used as evidence in any 3940
proceeding concerning the rule except for the purpose of 3941
determining whether the rule is in effect. 3942

Sec. 106.031. If an agency, on the basis of its review of 3943
a rule under section 106.03 of the Revised Code, determines that 3944
the rule does not need to be amended or rescinded, proceedings 3945
shall be had as follows: 3946

(A) (1) If, considering only the standard of review 3947

specified in division (A) (7) of section 106.03 of the Revised 3948
Code, the rule has an adverse impact on businesses, the agency 3949
shall prepare a business impact analysis that describes its 3950
review of the rule under that division and that explains why the 3951
regulatory intent of the rule justifies its adverse impact on 3952
businesses. If the rule does not have an adverse impact on 3953
businesses, the agency may proceed under division (B) of this 3954
section. 3955

(2) The agency shall transmit a copy of the full text of 3956
the rule and the business impact analysis electronically to the 3957
common sense initiative office. The office shall make the rule 3958
and analysis available to the public on its web site under 3959
section 107.62 of the Revised Code. 3960

(3) The agency shall consider any recommendations made by 3961
the office. 3962

(4) Not earlier than the sixteenth business day after 3963
transmitting the rule and analysis to the office, the agency 3964
shall either (a) proceed under divisions (A) (5) and (B) of this 3965
section or (b) commence, under division (B) (1) of section 106.03 3966
of the Revised Code, the process of rescinding the rule or of 3967
amending the rule to incorporate into the rule features the 3968
recommendations suggest will eliminate or reduce the adverse 3969
impact the rule has on businesses. If the agency determines to 3970
amend or rescind the rule, the agency is not subject to the time 3971
limit specified in division (B) (1) of section 106.03 of the 3972
Revised Code. 3973

(5) If the agency receives recommendations from the 3974
office, and determines not to amend or rescind the rule, the 3975
agency shall prepare a memorandum of response that explains why 3976
the rule is not being rescinded or why the recommendations are 3977

not being incorporated into the rule. 3978

(B) The agency shall assign a new review date to the rule. 3979
The review date assigned shall be not later than five years 3980
after the immediately preceding review date pertaining to the 3981
rule. If the agency assigns a review date that exceeds the five- 3982
year maximum, the review date is five years after the 3983
immediately preceding review date. The immediately preceding 3984
review date includes the date of the review of a rule under 3985
section 106.032 of the Revised Code. 3986

(C) The agency shall file all the following, in electronic 3987
form, with the joint committee on agency rule review, the 3988
secretary of state, and the director of the legislative service 3989
commission: a copy of the rule specifying its new review date, a 3990
complete and accurate rule summary and fiscal analysis, and, if 3991
relevant, a business impact analysis of the rule, any 3992
recommendations received from the common sense initiative 3993
office, and any memorandum of response. 3994

(D) The joint committee shall publish notice of the 3995
agency's determination not to amend or rescind the rule in the 3996
register of Ohio for four consecutive weeks after the rule is 3997
filed under division (C) of this section. 3998

(E) During the ninety-day period after a rule is filed 3999
under division (C) of this section, but after the four-week 4000
notice period required by division (D) of this section has 4001
ended, the joint committee may recommend to the senate and house 4002
of representatives the adoption of a concurrent resolution 4003
invalidating the rule if the joint committee finds any of the 4004
following: 4005

(1) The agency improperly applied the standards in 4006

division (A) of section 106.03 of the Revised Code in reviewing 4007
the rule and in determining that the rule did not need amendment 4008
or rescission. 4009

(2) The rule has an adverse impact on businesses, and the 4010
agency has failed to demonstrate through a business impact 4011
analysis, recommendations from the common sense initiative 4012
office, and a memorandum of response that the regulatory intent 4013
of the rule justifies its adverse impact on businesses. 4014

(3) If the rule incorporates a text or other material by 4015
reference, any of the following applies: 4016

(a) The citation accompanying the incorporation by 4017
reference is not such as reasonably would enable a reasonable 4018
person to whom the rule applies readily and without charge to 4019
find and inspect the incorporated text or other material; 4020

(b) The citation accompanying the incorporation by 4021
reference is not such as reasonably would enable the joint 4022
committee readily and without charge to find and inspect the 4023
incorporated text or other material; or 4024

(c) The rule has been exempted in whole or in part from 4025
sections 121.71 to 121.74 of the Revised Code on grounds the 4026
incorporated text or other material has one or more of the 4027
characteristics described in division (B) of section 121.75 of 4028
the Revised Code, but the incorporated text or other material 4029
actually does not have any of those characteristics. 4030

(4) If the agency is subject to sections 121.95, 121.951, 4031
121.952, and 121.953 of the Revised Code, the agency has failed 4032
to justify the retention of a rule containing a regulatory 4033
restriction. 4034

(5) The rule implements a federal law or rule in a manner 4035

that is more stringent or burdensome than the federal law or 4036
rule requires. 4037

(F) If the agency fails to comply with section 106.03 or 4038
106.031 of the Revised Code, the joint committee shall afford 4039
the agency an opportunity to appear before the joint committee 4040
to show cause why the agency has not complied with either or 4041
both of those sections. If the agency appears before the joint 4042
committee at the time scheduled for the agency to show cause, 4043
and fails to do so, the joint committee, by vote of a majority 4044
of its members present, may recommend the adoption of a 4045
concurrent resolution invalidating the rule for the agency's 4046
failure to show cause. Or if the agency fails to appear before 4047
the joint committee at the time scheduled for the agency to show 4048
cause, the joint committee, by vote of a majority of its members 4049
present, may recommend adoption of a concurrent resolution 4050
invalidating the rule for the agency's default. 4051

(G) (1) When the joint committee recommends that a rule be 4052
invalidated for the agency's failure to show cause at an 4053
appearance before the joint committee, the recommendation does 4054
not suspend operation of the rule, and the rule remains 4055
operational pending action by the senate and house of 4056
representatives on the concurrent resolution embodying the 4057
recommendation. If the senate and house of representatives adopt 4058
the concurrent resolution, the rule is invalid. If, however, the 4059
senate and house of representatives do not adopt the resolution, 4060
the rule continues in effect, and shall next be reviewed 4061
according to the new review date assigned to the rule. 4062

(2) When the joint committee recommends that a rule be 4063
invalidated for the agency's failure to appear before the joint 4064
committee, the recommendation does not suspend operation of the 4065

rule, and the rule remains operational pending action by the 4066
senate and house of representatives on the concurrent resolution 4067
embodying the recommendation. If the senate and house of 4068
representatives adopt the concurrent resolution, the rule is 4069
invalid. If, however, the senate and house of representatives do 4070
not adopt the resolution, the rule expires in accordance with 4071
section 106.033 of the Revised Code. 4072

Sec. 106.033. Notwithstanding any provision of section 4073
106.031 of the Revised Code to the contrary, if an agency fails 4074
to perform a review of an existing rule in accordance with 4075
section 106.03 of the Revised Code for one year after the rule's 4076
review date, the rule is invalid. The agency shall cease 4077
enforcing the rule and shall not rely on a principle of law or 4078
policy stated in the rule when conducting adjudications or other 4079
determinations of rights and liabilities or in issuing writings 4080
and other materials. The agency may institute rulemaking 4081
proceedings with regard to a rule that is invalid under this 4082
section. 4083

Sec. 107.03. (A) As used in this section, "transportation 4084
budget" means the biennial budget that primarily includes the 4085
following: 4086

(1) Motor fuel excise tax-related appropriations for the 4087
department of transportation, public works commission, and 4088
department of development; 4089

(2) Other appropriations that pertain to transportation 4090
and infrastructure related to transportation. 4091

(B) The governor shall submit a transportation budget to 4092
the general assembly not later than four weeks after the general 4093
assembly's organization. 4094

(C) The governor shall submit to the general assembly, not 4095
later than four weeks after its organization, a state budget 4096
containing a complete financial plan for the ensuing fiscal 4097
biennium, excluding items of revenue and expenditure described 4098
in section 126.022 of the Revised Code. However, in years of a 4099
new governor's inauguration, this budget shall be submitted not 4100
later than the fifteenth day of March. 4101

(D) In years of a new governor's inauguration, only the 4102
new governor shall submit a budget to the general assembly. In 4103
addition to other things required by law, each of the governor's 4104
budgets shall contain: 4105

(1) A general budget summary by function and agency 4106
setting forth the proposed total expenses from each and all 4107
funds and the anticipated resources for meeting such expenses; 4108
such resources to include any available balances in the several 4109
funds at the beginning of the biennium and a classification by 4110
totals of all revenue receipts estimated to accrue during the 4111
biennium under existing law and proposed legislation. 4112

(2) A detailed statement showing the amounts recommended 4113
to be appropriated from each fund for each fiscal year of the 4114
biennium for current expenses, including, but not limited to, 4115
personal services, supplies and materials, equipment, subsidies 4116
and revenue distribution, merchandise for resale, transfers, and 4117
nonexpense disbursements, obligations, interest on debt, and 4118
retirement of debt, and for the biennium for capital outlay, to 4119
the respective departments, offices, institutions, as defined in 4120
section 121.01 of the Revised Code, and all other public 4121
purposes; and, in comparative form, the actual expenses by 4122
source of funds during each fiscal year of the previous two 4123
bienniums for each such purpose. No alterations shall be made in 4124

the requests for the legislative and judicial branches of the 4125
state filed with the director of budget and management under 4126
section 126.02 of the Revised Code. If any amount of federal 4127
money is recommended to be appropriated or has been expended for 4128
a purpose for which state money also is recommended to be 4129
appropriated or has been expended, the amounts of federal money 4130
and state money involved shall be separately identified. 4131

(3) A detailed estimate of the revenue receipts in each 4132
fund from each source under existing laws during each year of 4133
the biennium; and, in comparative form, actual revenue receipts 4134
in each fund from each source for each year of the two previous 4135
bienniums; 4136

(4) The estimated cash balance in each fund at the 4137
beginning of the biennium covered by the budget; the estimated 4138
liabilities outstanding against each such balance; and the 4139
estimated net balance remaining and available for new 4140
appropriations; 4141

(5) A detailed estimate of the additional revenue receipts 4142
in each fund from each source under proposed legislation, if 4143
enacted, during each year of the biennium; 4144

(6) The most recent report prepared by the department of 4145
taxation under section 5703.48 of the Revised Code, which shall 4146
be submitted to the general assembly as an appendix to the 4147
governor's budget; 4148

(7) The most recent TANF spending plan prepared by the 4149
department of job and family services under section 5101.806 of 4150
the Revised Code, which shall be submitted to the general 4151
assembly as an appendix to the governor's budget; 4152

(8) The medicaid caseload and expenditure forecast report 4153

prepared by the office of budget and management, in consultation 4154
with the department of medicaid, under section 126.021 of the 4155
Revised Code. The report shall be submitted to the general 4156
assembly as a supplemental budget document to provide an in- 4157
depth analysis of the governor's budget recommendations for the 4158
medicaid budget as a whole and for each of the major medicaid 4159
appropriation items. The report shall clearly distinguish a 4160
proposed policy change from continuing law or administrative 4161
policy and indicate whether the data used throughout the report 4162
is proposed, estimated, or actual data for the current or 4163
proposed budget biennium. At a minimum, the report shall 4164
delineate a part-to-whole mapping of the state and federal 4165
shares of the general revenue fund appropriation item 651525, 4166
medicaid health care services, or any other equivalent general 4167
revenue fund appropriation item, by eligibility group and 4168
subgroup, service delivery system, delivery system, medicaid 4169
provider, and program. 4170

(E) The governor shall not submit to the general assembly 4171
a state budget that suspends the operation of section 131.44 of 4172
the Revised Code for the fiscal year immediately prior to the 4173
biennium covered by the budget resulting in a beginning cash 4174
balance for the general revenue fund for the biennium covered by 4175
the budget that is greater than the ending fund balance required 4176
by section 131.44 of the Revised Code, excluding any encumbered 4177
funds that are to be disbursed in the biennium covered by the 4178
budget. 4179

Revised Code, the governor shall include the state appropriation 4211
limitations the general assembly shall not exceed when making 4212

aggregate general revenue fund appropriations for each 4213
respective fiscal year of the biennium covered by that budget. 4214
The aggregate general revenue fund appropriations the governor 4215

covered by that budget. Also as part of this submission, the 4226
governor shall include a table listing any remaining nongeneral 4227

fund appropriation: 4261

after the effective date of this section, any tax revenue 4272
credited to the general revenue fund under section 113.09 of the 4273
Revised Code any time during fiscal years 2026 and 2027 shall be 4274
considered a general revenue fund tax source to fund general 4275
revenue fund appropriations for each succeeding fiscal year with 4276
respect to the determination of the state appropriation 4277
limitations under section 107.033 of the Revised Code, even if 4278
that tax revenue is subsequently credited to a nongeneral 4279
revenue fund account. An appropriation made from that nongeneral 4280
revenue fund account shall be considered as if it were made from 4281
the general revenue fund. 4282

Sec. 107.12. (A) As used in this section, "organization" 4283
means a faith-based or other organization that is exempt from 4284

advisory board of the governor's office of faith-based and 4302

other members of the advisory board shall be one year. Any 4331
vacancy that occurs on the board shall be filled in the same 4332
manner as the original appointment. 4333

approval of the advisory board chairperson, the executive 4362
director shall lead a strategic plan discussion at the first 4363
board meeting following the distribution of the strategic plan. 4364

unreasonable or unlawful. An agency may permit persons affected 6616
by the proposed rule, amendment, or rescission to present their 6617
positions, arguments, or contentions in writing, not only at the 6618
hearing, but also for a reasonable period before, after, or both 6619
before and after the hearing. A person who presents a position 6620
or arguments or contentions in writing before or after the 6621
hearing is not required to appear at the hearing. 6622

At the hearing, the testimony shall be recorded. Such 6623
record shall be made at the expense of the agency. The agency is 6624
required to transcribe a record that is not sight readable only 6625
if a person requests transcription of all or part of the record 6626
and agrees to reimburse the agency for the costs of the 6627
transcription. An agency may require the person to pay in 6628
advance all or part of the cost of the transcription. 6629

In any hearing under this section the agency may 6630
administer oaths or affirmations. 6631

The agency shall consider the positions, arguments, or 6632
contentions presented at, or before or after, the hearing. The 6633
agency shall prepare a hearing summary of the positions, 6634
arguments, or contentions, and of the issues raised by the 6635
positions, arguments, or contentions. The agency then shall 6636
prepare a hearing report explaining, with regard to each issue, 6637
how it is reflected in the rule, amendment, or rescission. If an 6638
issue is not reflected in the rule, amendment, or rescission, 6639
the hearing report shall explain why the issue is not reflected. 6640
The agency shall include the hearing summary in the hearing 6641
report as an appendix thereto. And, in the hearing report, the 6642
agency shall identify the proposed rule, amendment, or 6643
rescission to which the hearing report relates. 6644

~~(E) After~~ (E) (1) Subject to division (E) (2) of this 6645
section, after divisions (A), (B), (C), and (D) of this section 6646
have been complied with, and when the time for legislative 6647
review under sections 106.02, 106.022, ~~and~~ 106.023, and 106.025 6648
of the Revised Code has expired without adoption of a concurrent 6649
resolution to invalidate the proposed rule, amendment, or 6650
rescission, the agency may issue an order adopting the proposed 6651
rule or the proposed amendment or rescission of the rule, 6652
consistent with the synopsis or general statement included in 6653
the public notice. At that time the agency shall designate the 6654
effective date of the rule, amendment, or rescission, which 6655
shall not be earlier than the tenth day after the rule, 6656
amendment, or rescission has been filed in its final form as 6657
provided in section 119.04 of the Revised Code. 6658

(2) If a proposed rule, amendment, or rescission is 6659
subject to section 106.026 of the Revised Code, the agency may 6660
issue an order adopting the proposed rule or the proposed 6661
amendment or rescission of the rule on or after the effective 6662
date of the law authorizing adoption enacted in accordance with 6663
Ohio Constitution, Article II, Sections 15 and 16. At that time 6664
the agency shall designate the effective date of the rule, 6665
amendment, or rescission, which shall not be earlier than the 6666
tenth day after the rule, amendment, or rescission has been 6667
filed in its final form as provided in section 119.04 of the 6668
Revised Code. 6669

(F) Prior to the effective date of a rule, amendment, or 6670
rescission, the agency shall make a reasonable effort to inform 6671
those affected by the rule, amendment, or rescission and to have 6672
available for distribution to those requesting it the full text 6673
of the rule as adopted or as amended. 6674

(G) (1) If the governor, upon the request of an agency, determines that an emergency requires the immediate adoption, amendment, or rescission of a rule, the governor shall issue an order, the text of which shall be filed in electronic form with the agency, the secretary of state, the director of the legislative service commission, and the joint committee on agency rule review, that the procedure prescribed by this section with respect to the adoption, amendment, or rescission of a specified rule is suspended. The agency may then adopt immediately the emergency rule, amendment, or rescission and it becomes effective on the date the rule, amendment, or rescission, in final form and in compliance with division (A) (2) of section 119.04 of the Revised Code, is filed in electronic form with the secretary of state, the director of the legislative service commission, and the joint committee on agency rule review. The director shall publish the full text of the emergency rule, amendment, or rescission in the register of Ohio.

Except as provided in division (G) (2) of this section, or section 107.43 of the Revised Code, the emergency rule, amendment, or rescission shall become invalid at the end of the one hundred twentieth day it is in effect. Prior to that date the agency may adopt the emergency rule, amendment, or rescission as a nonemergency rule, amendment, or rescission by complying with the procedure prescribed by this section for the adoption, amendment, and rescission of nonemergency rules. The agency shall not use the procedure of division (G) (1) of this section to readopt the emergency rule, amendment, or rescission so that, upon the emergency rule, amendment, or rescission becoming invalid under division (G) (1) of this section, the emergency rule, amendment, or rescission will continue in effect

without interruption for another one-hundred-twenty-day period, 6706
except when section 106.02 of the Revised Code prevents the 6707
agency from adopting the emergency rule, amendment, or 6708
rescission as a nonemergency rule, amendment, or rescission 6709
within the one-hundred-twenty-day period. 6710

controlled substance schedule shall become invalid at the end of 6716
the one hundred eightieth day it is in effect. Prior to that 6717
date, the state board of pharmacy may adopt the emergency rule 6718
or amendment as a nonemergency rule or amendment by complying 6719
with the procedure prescribed by this section for adoption and 6720
amendment of nonemergency rules. The board shall not use the 6721
procedure of division (G) (1) of this section to readopt the 6722
emergency rule or amendment so that, upon the emergency rule or 6723
amendment becoming invalid under division (G) (2) of this 6724
section, the emergency rule or amendment will continue in effect 6725
beyond the one-hundred-eighty-day period. 6726

(3) The general assembly, by adopting a concurrent 6727
resolution, and in accordance with section 107.43 of the Revised 6728
Code, may do either of the following: 6729

(a) Invalidate, in whole or in part, an emergency rule 6730
adopted or amended by an agency in response to a state of 6731

job and family services for the administration or enforcement of 6738
Chapter 4141. of the Revised Code or of the department of 6739
taxation shall be effective without a hearing as provided by 6740
this section if the statutes pertaining to such agency 6741
specifically give a right of appeal to the board of tax appeals 6742
or to a higher authority within the agency or to a court, and 6743
also give the appellant a right to a hearing on such appeal. 6744
This division does not apply to the adoption of any rule, 6745
amendment, or rescission by the tax commissioner under division 6746
(C) (1) or (2) of section 5117.02 of the Revised Code, or deny 6747
the right to file an action for declaratory judgment as provided 6748
in Chapter 2721. of the Revised Code from the decision of the 6749
board of tax appeals or of the higher authority within such 6750
agency. 6751

section 119.03 of the Revised Code does not apply. 6762

If an agency in adopting a rule designates an effective 6763

date that is later than the effective date provided for by this 6764
division, the rule if filed as required by this division shall 6765
become effective on the later date designated by the agency. 6766

An agency that adopts or amends a rule that is subject to 6767
section 106.03 of the Revised Code shall assign a review date to 6768
the rule that is not later than five years after its effective 6769
date. If a review date assigned to a rule exceeds the five-year 6770
maximum, the review date for the rule is five years after its 6771
effective date. A rule with a review date is subject to review 6772
under section 106.03 of the Revised Code. 6773

(2) The agency shall file the rule in compliance with the 6774

to be effective and the date on which it will expire, if known. 6783

(d) Each rule that amends or rescinds another rule shall 6784
clearly refer to the rule that is amended or rescinded. Each 6785
amendment shall fully restate the rule as amended. 6786

If the director of the legislative service commission or 6787
the director's designee gives an agency notice pursuant to 6788
section 103.05 of the Revised Code that a rule filed by the 6789
agency is not in compliance with ~~the rules~~ section 103.05 of the
Revised Code and the rule drafting manual of the commission, the 6790
agency shall within thirty days after receipt of the notice 6791
6792

offense or act for which the penalty or any possible 6807
adjudication includes the potential loss of liberty. 6808

(2) The state public defender may provide legal 6809
representation to any indigent person who, while incarcerated in 6810
any state correctional institution, is charged with a felony 6811

loss of liberty. 6814

(3) The state public defender may provide legal 6815
representation to any person incarcerated in any correctional 6816

state public defender has provided legal representation or is 6820
requested to do so by a county public defender or joint county 6821

correction, shall provide legal representation in parole and 6827
probation revocation matters or matters relating to the 6828
revocation of community control or post-release control under a 6829
community control sanction or post-release control sanction, 6830

sanction or post-release control sanction has the financial 6833
capacity to retain the alleged violator's own counsel. 6834

(b) If the state public defender determines that the state 6835
public defender does not have the capacity to provide the legal 6836
representation described in division (A) (5) (a) of this section, 6837
the state public defender may contract with private legal 6838
counsel to provide the legal representation described in that 6839
division. 6840

(6) If the state public defender contracts with a county 6841
public defender commission, a joint county public defender 6842

pursuant to division (A) (3), (4), or (5) of this section, unless 6849
the state public defender first is satisfied that there is 6850
arguable merit to the proceeding. 6851

(C) A court may appoint counsel or allow an indigent 6852
person to select the indigent's own personal counsel to assist 6853
the state public defender as co-counsel when the interests of 6854

state public defender, the co-counsel shall receive any 6856
compensation that the court may approve, not to exceed the 6857
amounts provided for in section 2941.51 of the Revised Code. 6858

(D) (1) When the state public defender is designated by the 6859
court or requested by a county public defender or joint county 6860
public defender to provide legal representation for an indigent 6861
person in any case, other than pursuant to a contract entered 6862

Revised Code, the state public defender shall send to the county 6864
in which the case is filed a bill detailing the actual cost of 6865
the representation that separately itemizes legal fees and 6866

state public defender pursuant to this division, shall pay the 6868
state public defender one hundred per cent of the amount 6869
identified as legal fees and expenses in the itemized bill. 6870

(2) Upon payment of the itemized bill under division (D) 6871
(1) of this section, the county may submit the cost of the legal 6872
fees and expenses to the state public defender for reimbursement 6873
pursuant to section 120.33 of the Revised Code. 6874

(3) When the state public defender provides investigation 6875
or mitigation services to private appointed counsel or to a 6876

(5) If the state public defender determines that the state 6900
public defender does not have the capacity to provide the legal 6901
representation described in division (A) (5) (a) of this section 6902
and the state public defender contracts with private legal 6903

to responsibilities derived pursuant to this chapter, or in a 6922
civil action that is based upon alleged violations of the 6923
constitution or statutes of the United States, including section 6924
1983 of Title 42 of the United States Code, 93 Stat. 1284 6925
(1979), 42 U.S.C.A. 1983, as amended, and that arises from 6926
alleged actions or omissions related to responsibilities derived 6927
pursuant to this chapter, if the state public defender 6928
determines, in good faith, that the defendant in the civil 6929
action or proceeding did not act manifestly outside the scope of 6930
the defendant's employment or official responsibilities, with 6931
malicious purpose, in bad faith, or in a wanton or reckless 6932
manner. If the state public defender elects not to contract 6933
pursuant to this division for private legal counsel in a civil 6934
action or proceeding, then, in accordance with sections 109.02, 6935
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 6936
attorney general shall represent or provide for the 6937

employees of the commission or the state public defender, or 6940
attorneys described in division (C) of section 120.41 of the 6941
Revised Code in the civil action or proceeding. 6942

(2) (a) Subject to division (E) (2) (b) of this section, 6943
payment from the state treasury for the services of private 6944
legal counsel with whom the state public defender has contracted 6945
pursuant to division (E) (1) of this section shall be 6946
accomplished only through the following procedure: 6947

(i) The private legal counsel shall file with the attorney 6948
general a copy of the contract; a request for an award of legal 6949
fees, court costs, and expenses earned or incurred in connection 6950
with the defense of the Ohio public defender commission, the 6951
state public defender, an assistant state public defender, an 6952
employee, or an attorney in a specified civil action or 6953
proceeding; a written itemization of those fees, costs, and 6954
expenses, including the signature of the state public defender 6955
and the state public defender's attestation that the fees, 6956
costs, and expenses were earned or incurred pursuant to division 6957
(E) (1) of this section to the best of the state public 6958
defender's knowledge and information; a written statement 6959
whether the fees, costs, and expenses are for all legal services 6960
to be rendered in connection with that defense, are only for 6961
legal services rendered to the date of the request and 6962
additional legal services likely will have to be provided in 6963
connection with that defense, or are for the final legal 6964
services rendered in connection with that defense; a written 6965
statement indicating whether the private legal counsel 6966
previously submitted a request for an award under division (E) 6967
(2) of this section in connection with that defense and, if so, 6968
the date and the amount of each award granted; and, if the fees, 6969
costs, and expenses are for all legal services to be rendered in 6970
connection with that defense or are for the final legal services 6971
rendered in connection with that defense, a certified copy of 6972
any judgment entry in the civil action or proceeding or a signed 6973

copy of any settlement agreement entered into between the 6974
parties to the civil action or proceeding. 6975

(ii) Upon receipt of a request for an award of legal fees, 6976
court costs, and expenses and the requisite supportive 6977
documentation described in division (E)(2)(a)(i) of this 6978
section, the attorney general shall review the request and 6979
documentation; determine whether any of the limitations 6980
specified in division (E)(2)(b) of this section apply to the 6981
request; and, if an award of legal fees, court costs, or 6982
expenses is permissible after applying the limitations, prepare 6983
a document awarding legal fees, court costs, or expenses to the 6984
private legal counsel. The document shall name the private legal 6985
counsel as the recipient of the award; specify the total amount 6986
of the award as determined by the attorney general; itemize the 6987
portions of the award that represent legal fees, court costs, 6988
and expenses; specify any limitation applied pursuant to 6989
division (E)(2)(b) of this section to reduce the amount of the 6990
award sought by the private legal counsel; state that the award 6991
is payable from the state treasury pursuant to division (E)(2) 6992
(a)(iii) of this section; and be approved by the inclusion of 6993
the signatures of the attorney general, the state public 6994
defender, and the private legal counsel. 6995

(iii) The attorney general shall forward a copy of the 6996
document prepared pursuant to division (E)(2)(a)(ii) of this 6997
section to the director of budget and management. The award of 6998
legal fees, court costs, or expenses shall be paid out of the 6999
state public defender's appropriations, to the extent there is a 7000
sufficient available balance in those appropriations. If the 7001
state public defender does not have a sufficient available 7002
balance in the state public defender's appropriations to pay the 7003
entire award of legal fees, court costs, or expenses, the 7004

director shall make application for a transfer of appropriations 7005
out of the emergency purposes account or any other appropriation 7006
for emergencies or contingencies in an amount equal to the 7007
portion of the award that exceeds the sufficient available 7008
balance in the state public defender's appropriations. A 7009
transfer of appropriations out of the emergency purposes account 7010
or any other appropriation for emergencies or contingencies 7011
shall be authorized if there are sufficient moneys greater than 7012
the sum total of then pending emergency purposes account 7013
requests, or requests for releases from the other appropriation. 7014
If a transfer of appropriations out of the emergency purposes 7015
account or other appropriation for emergencies or contingencies 7016
is made to pay an amount equal to the portion of the award that 7017
exceeds the sufficient available balance in the state public 7018
defender's appropriations, the director shall cause the payment 7019
to be made to the private legal counsel. If sufficient moneys do 7020
not exist in the emergency purposes account or other 7021
appropriation for emergencies or contingencies to pay an amount 7022
equal to the portion of the award that exceeds the sufficient 7023
available balance in the state public defender's appropriations, 7024
the private legal counsel shall request the general assembly to 7025
make an appropriation sufficient to pay an amount equal to the 7026
portion of the award that exceeds the sufficient available 7027
balance in the state public defender's appropriations, and no 7028
payment in that amount shall be made until the appropriation has 7029
been made. The private legal counsel shall make the request 7030
during the current biennium and during each succeeding biennium 7031
until a sufficient appropriation is made. 7032

(b) An award of legal fees, court costs, and expenses 7033
pursuant to division (E) of this section is subject to the 7034
following limitations: 7035

(i) The maximum award or maximum aggregate of a series of
awards of legal fees, court costs, and expenses to the private
legal counsel in connection with the defense of the Ohio public
defender commission, the state public defender, an assistant
state public defender, an employee, or an attorney in a
specified civil action or proceeding shall not exceed fifty
thousand dollars.

(ii) The private legal counsel shall not be awarded legal
fees, court costs, or expenses to the extent the fees, costs, or
expenses are covered by a policy of malpractice or other
insurance.

(iii) The private legal counsel shall be awarded legal
fees and expenses only to the extent that the fees and expenses
are reasonable in light of the legal services rendered by the
private legal counsel in connection with the defense of the Ohio
public defender commission, the state public defender, an
assistant state public defender, an employee, or an attorney in
a specified civil action or proceeding.

requests for economic development assistance, provided that both 7524
of the following conditions apply: 7525

(a) The information is directly related to a request for 7526
economic development assistance that is to be provided or 7527
administered under any provision of Chapter 715., 725., 1724., 7528
or 1728. or sections 701.07, 3735.67 to 3735.70, 5709.40 to 7529

(b) A unanimous quorum of the public body determines, by a 7534
roll call vote, that the executive session is necessary to 7535

connection with the economic development project. 7538

If a public body holds an executive session to consider 7539
any of the matters listed in divisions (G)(2) to (8) of this 7540
section, the motion and vote to hold that executive session 7541
shall state which one or more of the approved matters listed in 7542
those divisions are to be considered at the executive session. 7543

A public body specified in division (B)(1)(c) of this 7544
section shall not hold an executive session when meeting for the 7545
purposes specified in that division. 7546

(H) A resolution, rule, or formal action of any kind is 7547
invalid unless adopted in an open meeting of the public body. A 7548
resolution, rule, or formal action adopted in an open meeting 7549
that results from deliberations in a meeting not open to the 7550

public is invalid unless the deliberations were for a purpose 7551
specifically authorized in division (G) or (J) of this section 7552
and conducted at an executive session held in compliance with 7553
this section. A resolution, rule, or formal action adopted in an 7554
open meeting is invalid if the public body that adopted the 7555
resolution, rule, or formal action violated division (F) of this 7556
section. 7557

pursuant to division (I) (1) of this section, the court shall 7567
order the public body that it enjoins to pay a civil forfeiture 7568

and shall award to that party all court costs and, subject to 7570
reduction as described in division (I) (2) of this section, 7571
reasonable attorney's fees. The court, in its discretion, may 7572
reduce an award of attorney's fees to the party that sought the 7573
injunction or not award attorney's fees to that party if the 7574
court determines both of the following: 7575

(i) That, based on the ordinary application of statutory 7576
law and case law as it existed at the time of violation or 7577
threatened violation that was the basis of the injunction, a 7578
well-informed public body reasonably would believe that the 7579
public body was not violating or threatening to violate this 7580

section; 7581

(ii) That a well-informed public body reasonably would 7582
believe that the conduct or threatened conduct that was the 7583
basis of the injunction would serve the public policy that 7584
underlies the authority that is asserted as permitting that 7585
conduct or threatened conduct. 7586

(b) If the court of common pleas does not issue an 7587
injunction pursuant to division (I)(1) of this section and the 7588
court determines at that time that the bringing of the action 7589
was frivolous conduct, as defined in division (A) of section 7590
2323.51 of the Revised Code, the court shall award to the public 7591
body all court costs and reasonable attorney's fees, as 7592
determined by the court. 7593

(3) Irreparable harm and prejudice to the party that 7594
sought the injunction shall be conclusively and irrebuttably 7595
presumed upon proof of a violation or threatened violation of 7596
this section. 7597

(4) A member of a public body who knowingly violates an 7598
injunction issued pursuant to division (I)(1) of this section 7599

common pleas for that purpose by the prosecuting attorney or the 7601
attorney general. 7602

(J)(1) Pursuant to division (C) of section 5901.09 of the 7603

the commission conducts as an executive session that pertains to 7620
the applicant's, recipient's, or former recipient's application 7621
for financial assistance. 7622

(3) A veterans service commission shall vote on the grant 7623
or denial of financial assistance under sections 5901.01 to 7624
5901.15 of the Revised Code only in an open meeting of the 7625
commission. The minutes of the meeting shall indicate the name, 7626
address, and occupation of the applicant, whether the assistance 7627
was granted or denied, the amount of the assistance if 7628
assistance is granted, and the votes for and against the 7629
granting of assistance. 7630

authorized by state and federal law, the revisions may provide 7652
for the state agencies to share administrative operations. 7653
- Sec. 121.36.** (A) As used in this section, "home care 7654
dependent adult" means an individual who resides in a private 7655

other living arrangement because one of the following is the 7660
case: 7661

boards of developmental disabilities, area agencies on aging, 7681

(C) ~~Beginning one year after September 26, 2003, each~~ Each 7684
contract subject to this section shall include terms requiring 7685
that the provider of home care services to home care dependent 7686

delivery of the services by its employees. To be considered an 7688
effective monitoring system for purposes of the contract, the 7689
system established by a provider must include at least the 7690
following components: 7691

(1) When providing home care services to home care 7692
dependent adults who have a mental impairment or life- 7693

accuracy of the monitoring system. For purposes of conducting 7715
these checks, a random check is considered to be a check of not 7716

employees make to different home care dependent adults within a 7718
particular work shift. 7719

(D) In implementing this section, the departments shall 7720

(b) On application of a county council, the cabinet 7994

council's appointing authority for any employees of the council. 8024
The council shall file an annual budget with its administrative 8025

by state departments in rules, grant agreements, or interagency 8031
agreements that are applicable to the council's functions. 8032

The administrative agent of a county council ~~shall~~may 8033

county commissioners as its administrative agent, the board may, 8076

agent. 8098

~~(6)~~ (8) Two or more county councils may enter into an 8099
agreement to administer their county councils jointly by 8100
creating a regional family and children first council. A 8101
regional council possesses the same duties and authority 8102
possessed by a county council, except that the duties and 8103
authority apply regionally rather than to individual counties. 8104

Prior to entering into an agreement to create a regional 8105
council, the members of each county council to be part of the 8106
regional council shall meet to determine whether all or part of 8107
the members of each county council will serve as members of the 8108
regional council. 8109

~~(7)~~ (9) A board of county commissioners may approve a 8110
resolution by a majority vote of the board's members that 8111
requires the county council to submit a statement to the board 8112
each time the council proposes to enter into an agreement, adopt 8113
a plan, or make a decision, other than a decision pursuant to 8114
section 121.38 of the Revised Code, that requires the 8115
expenditure of funds for two or more families. The statement 8116
shall describe the proposed agreement, plan, or decision. 8117

Not later than fifteen days after the board receives the 8118
statement, it shall, by resolution approved by a majority of its 8119
members, approve or disapprove the agreement, plan, or decision. 8120
Failure of the board to pass a resolution during that time 8121
period shall be considered approval of the agreement, plan, or 8122
decision. 8123

An agreement, plan, or decision for which a statement is 8124
required to be submitted to the board shall be implemented only 8125
if it is approved by the board. 8126

(C) Each county shall develop a county service 8127
coordination mechanism. The county service coordination 8128
mechanism shall serve as the guiding document for coordination 8129
of services in the county. For children who also receive 8130
services under the early intervention program, the main provider 8131
of service coordination shall be an early intervention service 8132
coordinator to ensure compliance with section ~~5123.02~~ 5180.30 of 8133
the Revised Code. All family service coordination plans shall be 8134

developed in accordance with the county service coordination 8135
mechanism. The mechanism shall be developed and approved with 8136
the participation of the county entities representing child 8137
welfare; developmental disabilities; alcohol, drug addiction, 8138
and mental health services; health; juvenile judges; education; 8139
the county family and children first council; and the county 8140
early intervention collaborative established pursuant to the 8141
federal early intervention program operated under the 8142
"Individuals with Disabilities Education Act of 2004." The 8143
county shall establish an implementation schedule for the 8144
mechanism. The cabinet council may monitor the implementation 8145
and administration of each county's service coordination 8146
mechanism. 8147

Each mechanism shall include all of the following: 8148

or a family voluntarily seeking service coordination, to refer 8150
the child and family to the county council for service 8151
coordination in accordance with the mechanism; 8152

(2) A procedure ensuring that a family and all appropriate 8153
staff from involved agencies, including a representative from 8154
the appropriate school district, are notified of and invited to 8155
participate in all family service coordination plan meetings; 8156

(3) A procedure that permits a family to initiate a 8157
meeting to develop or review the family's service coordination 8158
plan and allows the family to invite a family advocate, mentor, 8159
or support person of the family's choice to participate in any 8160
such meeting; 8161

(4) A procedure for ensuring that a family service 8162
coordination plan meeting is conducted for each child who 8163

receives service coordination under the mechanism and for whom 8164
an emergency out-of-home placement has been made or for whom a 8165
nonemergency out-of-home placement is being considered. The 8166
meeting shall be conducted within ten days of an emergency out- 8167
of-home placement. The meeting shall be conducted before a 8168
nonemergency out-of-home placement. The family service 8169
coordination plan shall outline how the county council members 8170
will jointly pay for services, where applicable, and provide 8171
services in the least restrictive environment. 8172

(5) A procedure for monitoring the progress and tracking 8173
the outcomes of each service coordination plan requested in the 8174
county including monitoring and tracking children in out-of-home 8175
placements to assure continued progress, appropriateness of 8176
placement, and continuity of care after discharge from placement 8177
with appropriate arrangements for housing, treatment, and 8178
education; 8179

(6) A procedure for protecting the confidentiality of all 8180
personal family information disclosed during service 8181
coordination meetings or contained in the comprehensive family 8182
service coordination plan; 8183

(7) A procedure for assessing the needs and strengths of 8184
any child or family that has been referred to the council for 8185
service coordination, including a child whose parent or 8186
custodian is voluntarily seeking services, and for ensuring that 8187
parents and custodians are afforded the opportunity to 8188
participate; 8189

(8) A procedure for development of a family service 8190
coordination plan described in division (D) of this section; 8191

(9) A local dispute resolution process to serve as the 8192

process that must be used first to resolve disputes among the 8193
agencies represented on the county council concerning the 8194
provision of services to children, including children who are 8195
abused, neglected, dependent, unruly, alleged unruly, or 8196
delinquent children and under the jurisdiction of the juvenile 8197
court and children whose parents or custodians are voluntarily 8198
seeking services. The local dispute resolution process shall 8199
comply with sections 121.38, 121.381, and 121.382 of the Revised 8200
Code. The local dispute resolution process shall be used to 8201
resolve disputes between a child's parents or custodians and the 8202
county council regarding service coordination. The county 8203
council shall inform the parents or custodians of their right to 8204
use the dispute resolution process. Parents or custodians shall 8205
use existing local agency grievance procedures to address 8206
disputes not involving service coordination. The dispute 8207
resolution process is in addition to and does not replace other 8208
rights or procedures that parents or custodians may have under 8209
other sections of the Revised Code. 8210

The cabinet council shall adopt rules in accordance with 8211
Chapter 119. of the Revised Code establishing an administrative 8212
review process to address problems that arise concerning the 8213
operation of a local dispute resolution process. 8214

Nothing in division (C) (4) of this section shall be 8215
interpreted as overriding or affecting decisions of a juvenile 8216
court or public children services agency regarding an out-of- 8217
home placement, long-term placement, or emergency out-of-home 8218
placement. 8219

(D) Each county shall develop a family service 8220
coordination plan that does all of the following: 8221

jurisdiction of the juvenile court and children whose parents or 8226
custodians are voluntarily seeking services; 8227

(2) Designates an individual, approved by the family, to 8228
track the progress of the family service coordination plan, 8229
schedule reviews as necessary, and facilitate the family service 8230
coordination plan meeting process; 8231

(3) Ensures that assistance and services to be provided 8232
are responsive to the strengths and needs of the family, as well 8233

family to offer information and suggestions and participate in 8235
decisions. Identified assistance and services shall be provided 8236
in the least restrictive environment possible. 8237

(4) Includes a process for dealing with a child who is 8238
alleged to be an unruly child. The process shall include methods 8239

in the plan with regular reviews scheduled to monitor progress 8242
toward those goals; 8243

(E) (1) The process provided for under division (D) (4) of 8246
this section may include, but is not limited to, the following: 8247

(a) Designation of the person or agency to conduct the 8248
assessment of the child and the child's family as described in 8249
division (C) (7) of this section and designation of the 8250

(b) An emphasis on the personal responsibilities of the 8252
child and the parental responsibilities of the parents, 8253
guardian, or custodian of the child; 8254

(c) Involvement of local law enforcement agencies and 8255
officials. 8256

(g) Other appropriate measures, including, but not limited 8281
to, any alternative methods to divert a child from the juvenile 8282
court system that are identified by the Ohio family and children 8283

(F) Each county may review and revise the service 8285
coordination process described in division (D) of this section 8286
based on the availability of funds under Title IV-A of the 8287
"Social Security Act," 110 Stat. 2113 (1996), 42 U.S.C.A. 601, 8288
as amended, or to the extent resources are available from any 8289
other federal, state, or local funds. 8290

(G) As used in this section, "early intervention service 8291
coordinator" means a person who holds an early intervention 8292
service coordinator credential or an early intervention service 8293
coordination supervisor credential issued by the department of 8294
~~developmental disabilities~~ children and youth and who assists 8295

rights, including procedural safeguards, required under part C 8298
of the "Individuals with Disabilities Education Act of 2004," 20 8299
U.S.C. 1400, as amended. 8300

Sec. 121.93. (A) Except as provided in division (E) of 8301
this section, an agency shall review its operations to identify 8302
principles of law or policy that have not been stated in a rule 8303
and that the agency is relying upon in conducting adjudications 8304
or other determinations of rights and liabilities or in issuing 8305
writings and other materials, such as instructions, directives, 8306
policy statements, guidelines, handbooks, manuals, advisories, 8307
notices, circulars, advertisements, forms, letters, and 8308
opinions. An agency is not required to identify principles of 8309

law or policy relied upon in issuing internal management rules 8310
as defined in section 111.15 of the Revised Code. The agency 8311
shall complete at least one of the reviews during a governor's 8312
term. 8313

Within six months after the expiration of a governor's 8314
term, the agency electronically shall transmit a report to the 8315
joint committee on agency rule review containing the following: 8316

(1) A statement that the agency has completed one or more 8317
of the reviews, specifying the exact number of reviews completed 8318
during the governor's expired term; 8319

(2) The principles of law or policies identified under 8320
this division; 8321

(3) The agency's considerations regarding the identified 8322
principles of law or policies under division (B) of this 8323
section; 8324

(4) Any principles of law or policies for which the agency 8325
determines rulemaking is indicated or for which the agency has 8326
commenced the rule-making process under division (C) of this 8327
section. 8328

The joint committee on agency rule review shall make the 8329
reports available on its web site. 8330

(B) The agency shall determine whether a principle of law 8331
or policy thus identified has a general and uniform operation 8332
and establishes a legal regulation or standard that would not 8333
exist in its absence. If the principle of law or policy has 8334
these characteristics, the agency shall determine whether the 8335
principle of law or policy should be supplanted by its 8336
restatement in a rule to achieve one or more of the following as 8337
they are relevant to the principle of law or policy: 8338

- (1) Assert the general and uniform operation of the principle of law or policy; 8339
8340
- (2) Make the principle of law or policy more readily available to the public; 8341
8342
- (3) Make the principle of law or policy more readily available to persons who specifically are affected by the principle of law or policy; 8343
8344
8345
- (4) Enable the principle of law or policy to be better known in advance of its application; 8346
8347
- (5) Enable greater public participation in improvement and further development of the principle of law or policy; 8348
8349
- (6) Enable greater participation by persons specifically affected by the principle of law or policy in the improvement and further development of the principle of law or policy; 8350
8351
8352
- (7) Make the principle of law or policy more easily understandable; or 8353
8354
- (8) Make the principle of law or policy more readily available to those legally charged with monitoring or reviewing the agency's operations. 8355
8356
8357
- If a principle of law or policy aids in the interpretation of an existing rule or statute, the agency shall consider whether the aiding effect clarifies or otherwise resolves an uncertainty in the existing rule or statute. If the principle of law or policy can be so characterized, the agency shall consider whether the principle of law or policy should be supplanted by its restatement in an interpretive rule. The agency may not presume that a principle of law or policy that aids in the interpretation of an existing rule or statute is simply a 8358
8359
8360
8361
8362
8363
8364
8365
8366

reiteration of the existing rule or statute.

8367

(C) If the agency determines, in light of the foregoing standards, that rulemaking is indicated, the agency shall commence the rule-making process as soon as it is reasonably feasible to do so, but not later than the date that is ~~six~~three months after the determination was made. The principle of law or policy as it is restated in a rule does not need to be wholly congruent with the supplanted principle of law or policy. The agency lawfully may improve or develop further the supplanted principle of law or policy as it is restated in a rule.

the person was a party to an adjudication or other determination 8411
before an agency that has resulted in an order or other 8412
disposition or was a party to a civil action in which judgment 8413
has been entered, and (2) the adjudication or other 8414
determination, or the civil action, involved a principle of law 8415
or policy relied upon by the agency that, under section 121.93 8416
of the Revised Code, should have been supplanted by its 8417
restatement in a rule but has not been so supplanted. The 8418
petition shall briefly explain why the principle of law or 8419
policy should, under section 121.93 of the Revised Code, be 8420
supplanted by its restatement in a rule. The person shall send 8421
the petition to the agency not later than the ninetieth day 8422
after the order or other disposition was issued or the judgment 8423

was entered. The person also shall send a copy of the petition 8424
to the joint committee on agency rule review. 8425

(B) The agency, not later than the thirtieth day after 8426
receiving a timely petition, shall consider the petition in 8427
light of section 121.93 of the Revised Code, and shall notify 8428
the petitioner in writing, by certified mail, return receipt 8429
requested, whether it grants or intends to deny the petition. 8430

(1) If the agency grants the petition, it shall commence 8431
the rule-making process as soon as it is reasonably feasible to 8432
do so, but not later than the date that is ~~six~~three months 8433
after the petition was granted. The principle of law or policy 8434
as it is restated in a rule does not need to be wholly congruent 8435
with the supplanted principle of law or policy. The agency 8436
lawfully may improve or develop further the supplanted principle 8437
of law or policy. 8438

The agency may continue to rely upon the principle of law 8439
or policy, but only while it is complying with the preceding 8440
paragraph. The agency may not rely upon the principle of law or 8441
policy in advising with regard to or in determining the rights 8442
or liabilities of a person if ~~the~~any of the following apply: 8443

(a) The agency fails to commence the rule-making process 8444
by the deadline specified in the preceding paragraph,~~or if,~~ 8445
~~after.~~ 8446

(b) After commencing the rule-making process, the agency 8447
neglects or abandons the rule-making process before it is 8448
completed. 8449

(c) The agency fails to file a rule for which rulemaking 8450
is required under this section in final form within one year of 8451
the agency granting a petition under this division. 8452

(d) After filing a proposed rule and rule summary and 8453
fiscal analysis with the joint committee, the agency notifies 8454
the joint committee of the agency's intention to file a revised 8455
proposed rule as described in division (B) of section 106.02 of 8456
the Revised Code. 8457

(2) If the agency intends to deny the petition, it shall 8458
send the petitioner a notice affording the petitioner an 8459
opportunity for a hearing on the petition and briefly explaining 8460
why the agency intends to deny the petition. If the petitioner 8461
does not in writing request a hearing within fifteen days after 8462
receiving the notice, the agency shall deny the petition and 8463
notify the petitioner in writing. If the petitioner responds in 8464
writing within the fifteen-day period requesting a hearing, the 8465
agency, by certified mail, return receipt requested, promptly 8466
shall notify the petitioner of the time and place for the 8467
hearing, which shall be not earlier than the thirtieth day after 8468
the notice was sent to the petitioner. 8469

(C) At the hearing, the agency shall explain why, 8470
notwithstanding section 121.93 of the Revised Code, it intends 8471
to deny the petition, and the petitioner shall explain why under 8472
that section the petitioner believes the agency's intention to 8473
be erroneous. The hearing shall be informal. The petitioner may 8474
be assisted by counsel at the hearing. 8475

(D) Not later than the thirtieth day after the hearing 8476
concludes, the agency shall grant or deny the petition. 8477

(1) If the agency grants the petition, it shall commence 8478
the rule-making process as soon as it is reasonably feasible to 8479
do so, but not later than the date that is ~~six~~three months 8480
after the determination was made. The principle of law or policy 8481
as it is restated in a rule does not need to be wholly congruent 8482

with the supplanted principle of law or policy. The agency 8483
lawfully may improve or develop further the supplanted principle 8484
of law or policy as it is restated in a rule. 8485

The agency may continue to rely upon the principle of law 8486
or policy, but only while it is complying with the preceding 8487
paragraph. The agency may not rely upon the principle of law or 8488
policy in advising with regard to or in determining the rights 8489
or liabilities of a person if ~~the~~ any of the following apply: 8490

(a) The agency fails to commence the rule-making process 8491
by the deadline specified in the preceding paragraph,~~or if,~~ 8492
~~after.~~ 8493

(b) After commencing the rule-making process, the agency 8494
neglects or abandons the rule-making process before it is 8495
completed. 8496

(c) The agency fails to file a rule for which rulemaking 8497
is required under this section in final form within one year of 8498
the agency granting a petition under this division. 8499

(d) After filing a proposed rule and rule summary and 8500
fiscal analysis with the joint committee, the agency notifies 8501
the joint committee of the agency's intention to file a revised 8502
proposed rule as described in division (B) of section 106.02 of 8503
the Revised Code. 8504

(2) If the petitioner failed to appear at the hearing, or 8505
if the petitioner failed to persuade the agency that its 8506
intention to deny the petition is erroneous, the agency shall 8507
deny the petition. 8508

The agency shall send notice in writing to the petitioner 8509
of the outcome. If the outcome is denial of the petition, the 8510
notice shall explain briefly why the agency is denying the 8511

petition. The petitioner is not entitled to appeal the outcome.

Sec. 121.95. (A) As used in sections 121.95, 121.951,

administrative department or administrative department head.
"State agency" also includes the department of education and
workforce, the state lottery commission, the Ohio casino control
commission, the state racing commission, and the public
utilities commission of Ohio. Rules adopted by an otherwise
independent official or entity organized under a state agency
shall be attributed to the agency under which the official or
entity is organized for the purposes of sections 121.95,

(2) "Regulatory restriction" means any part of a rule that
requires or prohibits an action.

8528

8529

(B) Not later than December 31, 2019, a state agency shall
review its existing rules to identify rules having one or more
regulatory restrictions ~~that require or prohibit an action and~~
prepare a base inventory of the regulatory restrictions in its
existing rules. ~~Rules that include the words "shall," "must,"~~

8535

8536

(C) In the base inventory, the state agency shall indicate
all of the following concerning each regulatory restriction:

8537

8538

(1) A description of the regulatory restriction;

8539

(2) The rule number of the rule in which the regulatory

8540

restriction appears; 8541

(3) The statute under which the regulatory restriction was 8542
adopted; 8543

(4) Whether state or federal law expressly and 8544
specifically requires the agency to adopt the regulatory 8545
restriction or the agency adopted the regulatory restriction 8546
under the agency's general authority; 8547

(5) Whether removing the regulatory restriction would 8548
require a change to state or federal law, provided that removing 8549
a regulatory restriction adopted under a law granting the agency 8550
general authority shall be presumed not to require a change to 8551
state or federal law; 8552

(6) Any other information the joint committee on agency 8553
rule review considers necessary. 8554

(D) The state agency shall compute and state the total 8555
number of regulatory restrictions indicated in the base 8556
inventory, shall post the base inventory on its web site, and 8557
shall electronically transmit a copy of the inventory to the 8558
joint committee. The joint committee shall review the base 8559
inventory, then transmit it electronically to the speaker of the 8560
house of representatives and the president of the senate. 8561

(E) The following types of rules or regulatory 8562
restrictions are not required to be included in a state agency's 8563
inventory of regulatory restrictions: 8564

(1) An internal management rule; 8565

(2) An emergency rule; 8566

(3) A rule that state or federal law requires the state 8567
agency to adopt verbatim; 8568

(4) A regulatory restriction contained in materials or 8569
documents incorporated by reference into a rule pursuant to 8570
sections 121.71 to 121.75 of the Revised Code; 8571

(5) A rule adopted pursuant to section 1347.15 of the 8572
Revised Code; 8573

(6) A rule concerning instant lottery games; 8574

(7) A rule adopted by the Ohio casino control commission 8575
or the state lottery commission concerning sports gaming; 8576

(8) Any other rule that is not subject to review under 8577
Chapter 106. of the Revised Code; 8578

(9) Any rule that is adopted as a requirement for the 8579
state agency to obtain or maintain accreditation or 8580
certification from a multistate organization consisting of at 8581
least forty-five participating states. 8582

(F) Beginning on October 17, 2019, and ending on June 30, 8583
2025, a state agency may not adopt a new regulatory restriction 8584
unless it simultaneously removes two or more other existing 8585
regulatory restrictions. The state agency may not satisfy this 8586
section by merging two or more existing regulatory restrictions 8587
into a single surviving regulatory restriction. 8588

Sec. 121.951. (A) (1) Using the criteria listed in division 8589
(A) of section 106.03 of the Revised Code, a state agency shall 8590
amend or rescind rules identified in its base inventory of 8591
regulatory restrictions prepared under section 121.95 of the 8592
Revised Code as necessary to reduce the total number of 8593
regulatory restrictions by thirty per cent, according to the 8594
following schedule: 8595

(a) A ten per cent reduction not later than June 30, 2023; 8596

(b) A twenty per cent reduction not later than June 30, 8597
2024; and 8598

(c) The thirty per cent reduction not later than June 30, 8599
2025. 8600

When a state agency has achieved a reduction of any 8601
percentage in regulatory restrictions, whether or not as 8602
specified in this section, the state agency may not adopt or 8603
maintain regulatory restrictions that would negate the 8604
reduction. 8605

(2) Beginning July 1, 2025, a state agency that has not 8606
achieved the specified thirty per cent reduction may not adopt a 8607
new regulatory restriction unless it simultaneously removes two 8608
or more other existing regulatory restrictions, until the 8609
specified thirty per cent reduction has been achieved. The state 8610
agency may not fulfill this requirement by merging two or more 8611
existing regulatory restrictions into a single surviving 8612
regulatory restriction. Removing or replacing "shall," "must," 8613
"require," "shall not," "may not," "prohibit," or similar words 8614
in a portion of a rule does not remove a regulatory restriction 8615
from a rule unless the removal eliminates a requirement or 8616
prohibition from the rule. 8617

(3) A state agency that has achieved the specified thirty 8618
per cent reduction may not adopt a new regulatory restriction 8619
unless it simultaneously removes one or more other existing 8620
regulatory restrictions. The state agency may not fulfill this 8621
requirement by merging two or more existing regulatory 8622
restrictions into a single surviving regulatory restriction. 8623

(4) A state agency is encouraged to continue to reduce 8624
regulatory restrictions after it has achieved the specified 8625

thirty per cent reduction. 8626

(B) (1) Not later than September 15, 2022, a state agency 8627
shall prepare an historical report of its progress in reducing 8628
regulatory restrictions over the period of time beginning when 8629
the agency prepared its base inventory under section 121.95 of 8630
the Revised Code and ending on June 30, 2022. Annually 8631
thereafter, a state agency shall prepare an historical report of 8632
its progress in reducing regulatory restrictions over the 8633
preceding fiscal year. The state agency shall explain in the 8634
report how it applied the criteria described in division (A) of 8635
section 106.03 of the Revised Code to its determinations as to 8636
which regulatory restrictions to amend or rescind. The state 8637
agency shall include a revised inventory of regulatory 8638
restrictions with the report. 8639

(2) In the revised inventory, in addition to the 8640
information required by section 121.95 of the Revised Code, the 8641
state agency shall compute the percentage net reduction in 8642
regulatory restrictions by subtracting the current number of 8643
regulatory restrictions from the number of regulatory 8644
restrictions identified in the base inventory and then dividing 8645
the resulting number by the number of regulatory restrictions in 8646
the base inventory. 8647

(3) The state agency shall transmit the report 8648
electronically to the joint committee on agency rule review. The 8649
joint committee shall review the report and shall transmit it 8650
electronically to the speaker of the house of representatives 8651
and the president of the senate. The state agency shall continue 8652
preparing and transmitting annual reports until it has reported 8653
that it has achieved the required reduction in regulatory 8654
restrictions. 8655

Sec. 121.953. (A) ~~Effective~~ Except as provided in division 8656
(C) of this section, effective July 1, 2025, the number of 8657
regulatory restrictions in this state shall not exceed a number 8658
of regulatory restrictions determined by the joint committee on 8659
agency rule review in accordance with this section. The joint 8660
committee shall determine that number by calculating, for each 8661
agency, the number of regulatory restrictions identified by the 8662
agency in the base inventory prepared under section 121.95 of 8663
the Revised Code, minus the number of regulatory restrictions 8664
that represents the percentage reduction the state agency is 8665
required to achieve, and then totaling the resulting numbers for 8666
all state agencies. The joint committee shall consider any 8667
lessened required reductions under section 121.952 of the 8668
Revised Code. 8669

(B) ~~A state agency shall contact the joint committee~~ 8670
~~before submitting a proposed rule containing a regulatory~~ 8671
~~restriction, and the joint committee shall determine whether~~ 8672
~~adopting the regulatory restriction would cause the state to~~ 8673
~~exceed the number of regulatory restrictions permitted under~~ 8674
~~this section. A~~ Except as provided in division (C) of this 8675
section, a state agency may not adopt a rule if by adopting the 8676
rule the state agency would cause the number of regulatory 8677
restrictions to exceed the state limit as determined by the 8678
joint committee. 8679

(C) Beginning on the effective date of this amendment, a 8680
state agency may appear before the joint committee to show cause 8681
why the agency should be permitted to adopt a rule that would 8682
cause the number of regulatory restrictions to exceed the state 8683
limit as determined by the joint committee. If the joint 8684
committee determines that the state agency has shown cause, the 8685
joint committee may, by a vote of a majority of its members, 8686

permit the state agency to adopt the rule notwithstanding the 8687
state limit on regulatory restrictions determined by the joint 8688
committee. The joint committee shall prepare a report 8689
summarizing all the rules it has authorized a state agency to 8690
adopt notwithstanding the state limit on regulatory 8691
restrictions. The joint committee shall transmit the report 8692
electronically to the speaker of the house of representatives 8693
and the president of the senate not later than the thirty-first 8694
day of December of each year. 8695

Sec. 122.09. (A) As used in this section: 8696

(1) "Development costs" means all expenditures paid or 8697

"Owner" does not include the state or a state agency, or any 8724
political subdivision as defined in section 9.23 of the Revised 8725

employment accounting for at least ~~four~~-five million dollars in 8751
annual payroll, or includes two or more buildings that are 8752
connected to each other, are located on the same parcel or on 8753
contiguous parcels, and that collectively have a floor area of 8754
at least three hundred fifty thousand square feet; 8755

(ii) If the ~~development-project~~ site is not located within 8756
ten miles of a major city, the project includes at least one new 8757

~~(4)~~(5) "Increase in tax collections" means the difference, 8771

economic impact of and from the project ~~on~~ based upon the 8856
projected increase in tax collections during the completion 8857
period at the ~~development project~~ site and the surrounding area, 8858
excluding economic activity existing at the time of or before 8859
certification of the development project and preliminary 8860
approval of a tax credit, prepared by an economic impact 8861

consultant with experience performing economic impact studies in 8862
Ohio and reviewed by an independent third party reviewer 8863
retained by the director of development to ensure accuracy, 8864
uniformity, consistency, and fairness; 8865

~~(6)~~ (7) Evidence that the increase in tax collections 8866
during the completion period will exceed ten per cent of the 8867
estimated ~~development costs~~ eligible expenditures reported under 8868
division (B) (3) of this section; 8869

~~(7)~~ (8) The portion of any tax credit issued that 8870
the applicant is ~~would like~~ issued to the property owner or to 8871
an insurance company that is not the property owner, the amount 8872
of the insurance company's, financial institution, or other 8873
person based upon capital ~~contribution~~ contributions that have 8874
been made or will be made to the development and the date on 8875
which it was or will be made project; 8876

~~(8)~~ (9) Evidence that ~~the project will not be completed~~ 8877
~~unless the applicant receives the credit, but for the~~ 8878
applicant's receipt of the credit, the project will not be 8879
completed. If any portion of the project the applicant seeks 8880
certification and preliminary approval for has commenced 8881
construction, excluding brownfield remediation and demolition, 8882
or the project has closed on construction financing, this 8883
division's standard is not met and the project is not eligible 8884
for certification and preliminary approval. 8885

(C) (1) In determining whether to certify a project that is 8886
the subject of an application submitted under division (B) of 8887
this section, the ~~tax credit authority~~ director of development 8888
shall consider the potential impact of the transformational 8889
mixed use development on the ~~development project site and the~~ 8890
~~surrounding area~~ in terms of architecture, accessibility to 8891

pedestrians, retail entertainment and dining sales, job 8892
creation, ~~property values, connectivity,~~ and revenue from sales, 8893
income, lodging, and property taxes. The ~~tax credit authority~~ 8894
director shall not certify a project unless it satisfies the 8895
following conditions: 8896

(a) The project qualifies as a transformational mixed use 8897
development project and satisfies all other criteria prescribed 8898
by this section or by rule of the ~~director of development~~; 8899

(b) The estimated increase in tax collections from the 8900
project site during the completion period exceeds ten per cent 8901
of the ~~estimated development costs~~ eligible expenditures for the 8902
project reported under division (B) (3) of this section; 8903

(c) The applicant will not be able to (i) close on 8904
construction financing, (ii) commence construction, excluding 8905
any brownfield remediation or demolition that may have already 8906
been performed, and (iii) complete the project will not be 8907
~~completed~~ unless the applicant receives the credit; 8908

(d) If the ~~development project~~ site is located within ten 8909
miles of a major city, the estimated ~~development costs~~ eligible 8910
expenditures to complete the project ~~plus, if applicable, the~~ 8911
~~estimated expenditures that have been or will be incurred to~~ 8912
~~complete all other contiguous phases of the project,~~ exceed 8913
fifty million dollars. 8914

In making ~~its a~~ a determination of whether or not to approve 8915
an application, the ~~tax credit authority~~ director may conduct an 8916
interview of the applicant. 8917

(2) If the ~~tax credit authority~~ director of development 8918
approves an application, the ~~authority~~ director shall issue a 8919
statement certifying the associated transformational mixed use 8920

development project and preliminarily approving a tax credit. 8921
The statement shall stipulate that ~~receipt-issuance~~ of a tax 8922
credit certificate is contingent upon completion of the 8923
transformational mixed use development project as described in 8924
the development plan for the project. The statement shall 8925
specify the estimated amount of the tax credit preliminarily 8926
approved and the amount of credit preliminarily approved for 8927
each person identified in the application pursuant to division 8928
(B) (8) of this section, but state that the amount of the credit 8929
is dependent upon determination of the actual ~~development-~~ 8930
~~costs~~eligible expenditures attributed to the project ~~and, unless~~ 8931
~~the tax credit authority grants a request by the property owner-~~ 8932
~~under division (F) of this section, of the increase in tax-~~ 8933
~~collections during the completion period.~~ 8934

The amount of the credit shall not exceed the amount 8935
applied for in the application approved by the director. 8936

(3) ~~Except as otherwise provided in this division, if the~~ 8937
~~applicant is an insurance company that is not the property-~~ 8938
~~owner, the estimated amount of the tax credit shall equal ten-~~ 8939
~~per cent of the insurance company's capital contribution to the-~~ 8940
~~project as reported in the development plan pursuant to division~~ 8941
~~(B) (7) of this section. Except as otherwise provided in this-~~ 8942
~~division, if the applicant is the property owner, the~~ The total 8943
estimated amount of the tax credit shall equal up to ten per 8944
cent of the estimated ~~development costs~~ eligible expenditures 8945
for the project as reported in the project development plan 8946
pursuant to division ~~(B) (3) (B)~~ of this section ~~minus any~~ 8947
~~estimated credit amounts that have been preliminarily approved-~~ 8948
~~for insurance companies contributing capital to the project. The~~ 8949
estimated credit amounts may be reduced by the ~~tax credit-~~ 8950
~~authority~~ director of development as a condition of certifying 8951

the project if such a reduction is necessary to comply with the 8952
limitations on the amount of credits that may be preliminarily 8953
approved as prescribed by division (C) (5) of this section. The 8954
estimated credit amounts shall not be adjusted after the 8955
statement described in division (C) (2) of this section has been 8956
issued, except as provided by division (G) of this section. 8957

(4) If the ~~tax credit authority~~ director of development 8958
denies an application, the ~~authority~~ director shall notify the 8959
applicant of the reason or reasons for such determination. The 8960
~~authority's~~ director's determination is final, but an applicant 8961
may revise and resubmit a previously denied application in a 8962
future year. 8963

(5) (a) ~~The tax credit authority shall not certify any~~ 8964
~~transformational mixed use development projects after June 30,~~ 8965
~~2025.~~ 8966

~~(b) The tax credit authority~~ director of development may 8967
not preliminarily approve more than one hundred twenty-five 8968
million dollars of new estimated tax credits in each of fiscal 8969
years ~~2022, 2023, 2024, and 2025~~ 2026 and 2027. The director 8970
shall not preliminarily approve any dollar amount of new 8971
estimated tax credits under this section in any fiscal year 8972
after fiscal year 2027 unless specifically authorized by an act 8973
of the general assembly. 8974

Tax credits preliminarily approved under this section in 8975
preceding fiscal years and for which preliminary approval was 8976
rescinded in the fiscal year immediately preceding the current 8977
fiscal year shall be available for preliminary approval under 8978
this section in the current fiscal year. Credit amounts 8979
available due to such rescission do not apply towards the one 8980
hundred twenty-five million dollar limit prescribed in this 8981

division. 8982

~~(e) Not~~ (b) Except as provided in division (C) (6) of this 8983
section, not more than eighty-eighty-five million dollars of 8984
estimated new tax credits in each such, plus an amount equal to 8985
two-thirds of any credits for which preliminary approval was 8986
rescinded in the preceding fiscal year, may be preliminarily 8987
approved in connection with projects that are located within ten 8988
miles of a major city in the current fiscal year. 8989

~~(d)~~ (c) Not more than ~~forty~~ twenty million dollars of 8990
estimated tax credits may be preliminarily approved in 8991
connection with the same transformational mixed use development 8992
project. 8993

(6) If, for the current fiscal year, the dollar amount of 8994
tax credits applied for under division (B) of this section in 8995
connection with projects that are not located within ten miles 8996
of a major city exceeds ~~eighty~~ forty million dollars ~~for a~~ 8997
~~fiscal year,~~ plus an amount equal to one-third of any credits 8998
for which preliminary approval was rescinded in the preceding 8999
fiscal year, the tax credit authority director of development 9000
shall rank those applications and certify and preliminarily 9001
approve tax credits for the associated projects in order, 9002
~~starting with the project that presents the best combination of~~ 9003
~~economic value and transformational impact~~ pursuant to division 9004
(C) (7) of this section. If the dollar amount of tax credits 9005
applied for under division (B) of this section in connection 9006
with such projects is less than that amount, the difference 9007
shall be available for projects within ten miles of a major 9008
city. 9009

If, for the current fiscal year, the dollar amount of tax 9010
credits applied for in connection with projects ~~not~~ located 9011

within ten miles of a major city exceeds ~~twenty million dollars~~ 9012
~~for a fiscal year~~eighty-five million dollars, plus an amount 9013
equal to two-thirds of any credits for which preliminary 9014
approval was rescinded in the previous fiscal year and the 9015
amount of funds initially reserved for projects more than ten 9016
miles from a major city but unawarded to such projects, the tax- 9017
credit authority director shall rank those applications and 9018
certify the associated projects in order, ~~starting with the~~ 9019
~~project that presents the best combination of economic value and~~ 9020
~~transformational impact~~pursuant to division (C) (7) of this 9021
section. In either case, the authority shall consider the 9022
following factors in ranking the applications:- 9023

~~(a) The projected increase in tax collections during the~~ 9024
~~completion period as a percentage of the total amount of~~ 9025
~~estimated tax credits that would be preliminarily approved in~~ 9026
~~connection with the project;-~~ 9027

~~(b) The economic impact of the project on the development~~ 9028
~~site and the surrounding area and the impact of the project in~~ 9029
~~terms of architecture, accessibility to pedestrians, retail-~~ 9030
~~entertainment and dining sales, job creation, property values,~~ 9031
~~and connectivity;-~~ 9032

~~(c) The expeditiousness of the schedule for completing the~~ 9033
~~project, realizing the increase in tax collections, and~~ 9034
~~attaining the economic and other impacts on the development site~~ 9035
~~and the surrounding area.~~ 9036

(7) When ranking is required under division (C) (6) of this 9037
section, the director of development shall compare applicant 9038
projects that are within ten miles of a major city to other 9039
applicant projects that are within ten miles of a major city, 9040
and the director shall compare applicant projects that are more 9041

than ten miles outside of a major city with other applicant 9042
projects that are more than ten miles outside of a major city. 9043
The director shall apply a point value to applications according 9044
to the following criteria: 9045

(a) Up to ten points based on comparative measurement of 9046
physical scope of the projects as measured by gross square 9047
footage of vertical improvements including new construction and 9048
renovated space. The largest project in terms of physical scope 9049
shall receive ten points and the remaining projects shall 9050
receive points based on a percentage basis in proportion to each 9051
project's relative size as compared to the largest project in 9052
that location category, by gross square footage; 9053

(b) Up to five points based on a comparative measurement 9054
of the density of the new project as measured by a building to 9055
land ratio using the gross square footage of new construction 9056
and renovated space and the gross land square footage of the 9057
project parcels excluding submerged land. The highest ratio in 9058
terms of building to land ratio shall receive five points and 9059
the remaining projects shall receive points based on a 9060
percentage basis in proportion to each project's relative ratio 9061
as compared to the highest project ratio; 9062

(c) Up to ten points based on an evaluation of the 9063
distribution of project end uses, with preference given to 9064
projects with greater variety and distribution of uses; 9065

(d) Up to fourteen points based on the project's receipt 9066
of necessary government approvals and local support, available 9067
as follows: 9068

(i) Two points for zoning approval or evidence, in the 9069
form of a letter from the governmental body with jurisdiction 9070

over the zoning of the project site, that the project site 9071
already has the necessary zoning for the project; 9072

(ii) Two points for planning commission approval or 9073
evidence that planning commission approval is not required; 9074

(iii) Two points available for existing utility 9075
connections or commitments to establish utility connections 9076
including water, sewer, sanitary storm, and electric documented 9077
by utility service letters; 9078

(iv) Two points for an approved and executed development 9079
agreement with each municipal corporation or township in which 9080
the development project is proposed; 9081

(v) Two points for approved construction drawings and 9082
issuance of construction permits for the entirety of the scope 9083
of work set forth in the application; 9084

(vi) Up to two points available for letters in support of 9085
the project and the application. One point is available for a 9086
letter in support of the project and the application from the 9087
mayor, city manager, or other chief executive of each municipal 9088
corporation or township, and one point is available for a letter 9089
in support of the project and the application from the chief 9090
executive of each county, where the development project is to be 9091
located; 9092

(vii) Two points available for documented financial 9093
support for the project from each municipal corporation or 9094
township in which the project is located, which may include tax 9095
increment financing or creation of a community reinvestment area 9096
under section 3735.66 of the Revised Code. 9097

(e) Up to ten points based on the committed funding 9098
sources as a percentage of total development costs. A project 9099

that has funding commitments for all projected development costs 9100
shall receive ten points, and projects with funding commitments 9101
for less than all projected development costs shall receive a 9102
number of points based on the relative amount of committed 9103
funding compared to total development costs of the given 9104
project. 9105

The funding commitments may take into account the 9106
monetized value of the certificate applied for under this 9107
section so long as the applicant provides a letter of intent or 9108
commitment to purchase that certificate if issued. Letters of 9109
intent or loan commitments are required to earn points for any 9110
financing that is a funding source in this category and any such 9111
letter of intent or loan commitment may be subject to the 9112
receipt of an award under this section. 9113

(f) Up to five points based on purchase or lease 9114
commitments from end users for the space created by the project. 9115
Projects that have received commitments for all space shall 9116
receive five points, and projects with less than all end users 9117
committed shall be allocated points based on the relative square 9118
footage of committed space compared to total project square 9119
footage. 9120

(g) Up to ten points for projects in areas of higher 9121
relative walkability as measured by the United States 9122
environmental protection agency's walkability index for the 9123
project's census tract with projects in areas designated as the 9124
highest level of walkability receiving ten points and projects 9125
in areas with lower levels of walkability receiving proportional 9126
points; 9127

(h) Up to five points based on a comparative measurement 9128
of total retail, entertainment, and dining sales to be generated 9129

by the project. Projects generating the largest return on 9130
investment shall receive five points, and the remaining projects 9131
shall be allocated points based on relative return on investment 9132
in comparison to the highest scoring project in this category. 9133

(i) Up to five points based on a comparative measurement 9134
of the total new payroll to be generated by the project. 9135
Projects generating the largest return on investment shall 9136
receive five points, and remaining projects shall be allocated 9137
points based on relative return on investment in comparison to 9138
the highest scoring project in this category. 9139

(j) Up to twenty points based on a comparative measurement 9140
of the total sales, income, lodging, and property taxes to be 9141
generated by the project. Projects generating the largest return 9142
on investment shall receive twenty points, and remaining 9143
projects shall be allocated points based on relative return on 9144
investment in comparison to the highest scoring project in this 9145
category. 9146

(k) Up to six points for community impacts, available as 9147
follows: 9148

(i) Two points for evidence that the project supports the 9149
vision and goals stated in the local master plan or other 9150
economic development strategy adopted by the local jurisdiction. 9151

(ii) Two points for the projects that provide community 9152
gathering, event, park, or other similar space open to the 9153
public. Projects that incorporate public space that accounts for 9154
ten per cent or more public space relative to the total square 9155
footage of all project end uses will receive two points. 9156
Projects that incorporate public space that accounts for less 9157
than ten per cent but greater than zero per cent public space 9158

relative to the total square footage of all project end uses 9159
will receive one point. 9160

(iii) Two points for projects that include remediation of 9161
a brownfield or the rehabilitation of a building or structure 9162
that is one hundred per cent vacant for the twelve months 9163
immediately preceding the date of application. As used in this 9164
division "brownfield" has the same meaning as in section 9165
122.6511 of the Revised Code. 9166

(8) When calculating the economic impact of a project 9167
previously completed and future phases of a phased development 9168
are not permitted to be included in the economic impact analysis 9169
or scoring. 9170

(D) Within twelve months of the date a project is 9171
certified, the property owner shall provide the ~~tax credit~~ 9172
~~authority director of development~~ with an updated schedule for 9173
the progression and completion of the project and documentation 9174
sufficient to demonstrate that construction of the project has 9175
begun. If the property owner does not provide the schedule and 9176
documentation or if construction of the project has not begun 9177
within the time prescribed by this division, the ~~tax credit~~ 9178
~~authority director~~ shall rescind certification of the project 9179
and send notice of the rescission to the property owner ~~and each~~ 9180
~~insurance company that is preliminarily approved for a tax~~ 9181
~~credit in connection with the project.~~ A property owner that 9182
receives notice of rescission may submit a new application 9183
concerning the same project under division (B) of this section. 9184

(E) An applicant that ~~is the property owner and is~~ 9185
preliminarily approved for a tax credit under this section may 9186
sell or transfer the rights to all or a portion of that credit 9187
to one or more persons ~~for the purpose of raising capital for~~ 9188

~~the certified project. The applicant shall notify the tax credit~~ 9189
~~authority upon selling or transferring the rights to the credit.~~ 9190
~~The notice shall identify the person or persons to which the~~ 9191
~~credit was sold or transferred and the credit amount sold or~~ 9192
~~transferred to each such person. Only an applicant that owns the~~ 9193
~~property may sell or transfer a credit under this division. A~~ 9194
~~credit may be divided among multiple purchasers through more~~ 9195
~~than one transaction but once a particular credit amount is~~ 9196
~~acquired by a person other than the applicant it may not be sold~~ 9197
~~or transferred again~~and any person to whom the right to claim 9198
all or a portion of a credit was transferred may transfer that 9199
right, in whole or in part, to another person. 9200

~~(F) After a transformational mixed use development project~~ 9201
~~is certified and before it is completed, the property owner may~~ 9202
~~request that the value of the tax credit certificates awarded in~~ 9203
~~connection with the project be computed using the alternative~~ 9204
~~method described in division (I) of this section. The tax credit~~ 9205
~~authority shall grant the request if the authority determines,~~ 9206
~~and a third party engaged by the authority at the expense of the~~ 9207
~~property owner affirms, that it is reasonably certain that the~~ 9208
~~increase in tax collections will exceed ten per cent of the~~ 9209
~~estimated development costs within one year after the project is~~ 9210
~~completed. Otherwise, the authority shall deny the request and~~ 9211
~~the amount of each credit awarded in connection with the project~~ 9212
~~shall be computed under division (H) of this section. The~~ 9213
~~authority's determination under this division shall be delivered~~ 9214
~~in writing and is final and not appealable.~~ 9215

~~(G) (1) (F) (1)~~ The property owner shall notify the tax 9216
credit authority director of development upon completion of a 9217
certified transformational mixed use development project. The 9218
notification shall include a report prepared by a third-party 9219

certified public accountant that contains a detailed accounting 9220
of the actual development costs and eligible expenditures 9221
attributed to the project. 9222

(2) Upon receiving such a notice, ~~unless the tax credit~~ 9223
~~authority has previously granted a request by the property owner~~ 9224
~~under division (F) of this section, the authority shall~~ 9225
~~determine the increase in tax collections since the date the~~ 9226
~~project was certified by consulting with the tax commissioner~~ 9227
~~and with the tax administrator of any municipal corporation that~~ 9228
~~levies an income tax within the project site and the surrounding~~ 9229
~~area. The tax commissioner and the tax administrators that are~~ 9230
~~consulted pursuant to this division shall provide the tax credit~~ 9231
~~authority with any information that is necessary to determine~~ 9232
~~the increase in tax collections.~~ 9233

~~(3) After determining the increase in tax collections~~ 9234
~~under division (G) (2) of this section, if required, and~~ 9235
~~computing the value of the tax credit under division (H) or (I)~~ 9236
~~of this section, as applicable, the tax credit authority~~ 9237
~~director of development shall issue a tax credit certificate to~~ 9238
~~each applicant, or other person identified in the application~~ 9239
~~pursuant to division (B) (8) of this section, that is~~ 9240
~~preliminarily approved for a credit associated with the project~~ 9241
~~or to the person or persons to which such an applicant sold or~~ 9242
~~transferred the rights to the credit under division (E) of this~~ 9243
~~section. If the amount of the tax credit awarded to the property~~ 9244
~~owner is less than the credit amount estimated under division~~ 9245
~~(C) of this section and the property owner sold or transferred~~ 9246
~~the rights to the credit, the tax credit authority shall reduce~~ 9247
~~the amount of each tax credit certificate issued to each~~ 9248
~~purchaser or recipient on a pro rata basis unless the property~~ 9249
~~owner requests an alternative allocation of the credit.~~ 9250

~~(H) (1) Unless the tax credit authority granted a request~~ 9251
~~by the property owner under division (F) of this section, the~~ 9252
~~aggregate value of the tax credit certificates issued under~~ 9253
~~division (C) of this section to the property owner and to any~~ 9254
~~persons to whom the property owner sold or transferred the~~ 9255
~~rights to the credit shall equal the lesser of the following:—~~ 9256

~~(a) Ten per cent of the adjusted development costs;—~~ 9257

~~(b) Five per cent of the adjusted development costs plus~~ 9258
~~any amount by which the property owner's share of the increase~~ 9259
~~in tax collections since the date the project was certified~~ 9260
~~exceeds five per cent of the adjusted development costs;—~~ 9261

~~(c) The estimated credit amount specified in the tax~~ 9262
~~credit authority's statement certifying the project and~~ 9263
~~preliminarily approving the tax credit under division (C) of~~ 9264
~~this section.—~~ 9265

~~(2) The value of a tax credit certificate issued under~~ 9266
~~division (C) of this section to an insurance company that~~ 9267
~~contributed capital to the project shall equal the lesser of the~~ 9268
~~following:—~~ 9269

~~(a) Ten per cent of the insurance company's actual capital~~ 9270
~~contribution;—~~ 9271

~~(b) Five per cent of such capital contribution plus any~~ 9272
~~amount by which the insurance company's share of the increase in~~ 9273
~~tax collections since the date the project was certified exceeds~~ 9274
~~five per cent of the insurance company's capital contribution;—~~ 9275

~~(c) The estimated credit amount specified in the tax~~ 9276
~~credit authority's statement certifying the project and~~ 9277
~~preliminarily approving the tax credit under division (C) of~~ 9278
~~this section.—~~ 9279

~~(I) If the tax credit authority granted a request by the~~ 9280
~~property owner under division (F) of this section, the~~ 9281
~~(G) The~~ 9282
value of the tax credit certificates issued in connection with 9283
the transformational mixed use development project shall be 9284
computed as follows:—

~~(1) For the property owner or any person to which the~~ 9285
~~property owner sold or transferred the rights to the credit, the~~ 9286
~~lesser of the amount preliminarily approved for the tax credit~~ 9287
~~or ten per cent of the actual development costs eligible~~ 9288
~~expenditures attributed to the project. If the amount of the~~ 9289
~~credit is less than the credit amount estimated under division~~ 9290
~~(C) of this section and the property owner sold or transferred~~ 9291
~~the rights to the credit to more than one person, the authority~~ 9292
~~shall reduce the amount of each tax credit certificate on a pro~~ 9293
~~rata basis unless the property owner requests an alternative~~ 9294
~~allocation of the credit.~~ 9295

~~(2) For an insurance company that contributed capital to~~ 9296
~~the project, ten per cent of the insurance company's actual~~ 9297
~~capital contribution.~~ 9298

section if the applicant ceases operations at the eligible 9570

(6) A requirement that the director of development 9594
~~services~~—annually review the annual reports of each taxpayer 9595
subject to the agreement to verify the information reported 9596
under division (E)(5) of this section and compliance with the 9597
agreement. Upon verification, the director shall issue a 9598
certificate to each such taxpayer stating that the information 9599

(7) A provision providing that the taxpayers subject to 9602
the agreement may not relocate a substantial number of 9603
employment positions from elsewhere in this state to the project 9604
site unless the director of development ~~services~~ determines that 9605
the appropriate taxpayer notified the legislative authority of 9606
the county, township, or municipal corporation from which the 9607
employment positions would be relocated. For purposes of this 9608
paragraph, the movement of an employment position from one 9609
political subdivision to another political subdivision shall be 9610
considered a relocation of an employment position unless the 9611
movement is confined to the project site. The transfer of an 9612
employment position from one political subdivision to another 9613
political subdivision shall not be considered a relocation of an 9614
employment position if the employment position in the first 9615
political subdivision is replaced by another employment 9616
position. 9617

(8) A waiver by each taxpayer subject to the agreement of 9618

resulting from the taxpayer's failure to comply with the 9620
agreement. 9621

(F) The term of an agreement under this section shall be 9622
determined by the tax credit authority, and the amount of the 9623
exemption shall not exceed one hundred per cent of such taxes 9624
that would otherwise be owed in respect to the exempted computer 9625
data center equipment. 9626

(G) If any taxpayer subject to an agreement under this 9627
section fails to meet or comply with any condition or 9628
requirement set forth in the agreement, the tax credit authority 9629

may amend the agreement to reduce the percentage of the 9630
exemption or term during which the exemption applies to the 9631
computer data center equipment used or to be used by the 9632
noncompliant taxpayer at an eligible computer data center. The 9633
reduction of the percentage or term may take effect in the 9634
current calendar year. 9635

(H) Financial statements and other information submitted 9636
to the department of development ~~services~~ or the tax credit 9637
authority by an applicant for or recipient of an exemption under 9638
this section, and any information taken for any purpose from 9639
such statements or information, are not public records subject 9640
to section 149.43 of the Revised Code. However, the chairperson 9641
of the authority may make use of the statements and other 9642
information for purposes of issuing public reports or in 9643
connection with court proceedings concerning tax exemption 9644
agreements under this section. Upon the request of the tax 9645
commissioner, the chairperson of the authority shall provide to 9646
the tax commissioner any statement or other information 9647
submitted by an applicant for or recipient of an exemption under 9648
this section. The tax commissioner shall preserve the 9649
confidentiality of the statement or other information. 9650

(I) The tax commissioner shall issue a direct payment 9651
permit under section 5739.031 of the Revised Code to each 9652
taxpayer subject to an agreement under this section. Such direct 9653
payment permit shall authorize the taxpayer to pay any sales and 9654
use taxes due on purchases of computer data center equipment 9655
used or to be used in an eligible computer data center and to 9656
pay any sales and use taxes due on purchases of tangible 9657
personal property or taxable services other than computer data 9658
center equipment used or to be used in an eligible computer data 9659
center directly to the tax commissioner. Each such taxpayer 9660

shall pay pursuant to such direct payment permit all sales tax 9661
levied on such purchases under sections 5739.02, 5739.021, 9662
5739.023, and 5739.026 of the Revised Code and all use tax 9663
levied on such purchases under sections 5741.02, 5741.021, 9664
5741.022, and 5741.023 of the Revised Code, consistent with the 9665
terms of the agreement entered into under this section. 9666

During the term of an agreement under this section each 9667
taxpayer subject to the agreement shall submit to the tax 9668
commissioner a return that shows the amount of computer data 9669
center equipment purchased for use at the eligible computer data 9670
center, the amount of tangible personal property and taxable 9671
services other than computer data center equipment purchased for 9672
use at the eligible computer data center, the amount of tax 9673
under Chapter 5739. or 5741. of the Revised Code that would be 9674
due in the absence of the agreement under this section, the 9675
exemption percentage for computer data center equipment 9676
specified in the agreement, and the amount of tax due under 9677
Chapter 5739. or 5741. of the Revised Code as a result of the 9678
agreement under this section. Each such taxpayer shall pay the 9679
tax shown on the return to be due in the manner and at the times 9680
as may be further prescribed by the tax commissioner. Each such 9681
taxpayer shall include a copy of the director of ~~development-~~ 9682
~~services'~~development's certificate of verification issued under 9683
division (E)(6) of this section. Failure to submit a copy of the 9684
certificate with the return does not invalidate the claim for 9685
exemption if the taxpayer submits a copy of the certificate to 9686
the tax commissioner within the time prescribed by section 9687
5703.0510 of the Revised Code. 9688

(J) If the director of development ~~services~~-determines 9689
that one or more taxpayers received an exemption from taxes due 9690
on the purchase of computer data center equipment purchased for 9691

use at a computer data center that no longer complies with the 9692
requirement under division (E) (3) of this section, the director 9693
shall notify the tax credit authority and, if applicable, the 9694
taxpayer that applied to enter the agreement for the exemption 9695
under division (C) of this section of the noncompliance. After 9696
receiving such a notice, and after giving each taxpayer subject 9697
to the agreement an opportunity to explain the noncompliance, 9698
the authority may terminate the agreement and require each such 9699
taxpayer to pay to the state all or a portion of the taxes that 9700
would have been owed in regards to the exempt equipment in 9701
previous years, all as determined under rules adopted pursuant 9702
to division (K) of this section. In determining the portion of 9703
the taxes that would have been owed on the previously exempted 9704
equipment to be paid to this state by a taxpayer, the authority 9705
shall consider the effect of market conditions on the eligible 9706
computer data center, whether the taxpayer continues to maintain 9707
other operations in this state, and, with respect to agreements 9708
involving multiple taxpayers, the taxpayer's level of 9709
responsibility for the noncompliance. After making the 9710
determination, the authority shall certify to the tax 9711
commissioner the amount to be paid by each taxpayer subject to 9712
the agreement. The tax commissioner shall make an assessment for 9713
that amount against each such taxpayer under Chapter 5739. or 9714
5741. of the Revised Code. The time limitations on assessments 9715
under those chapters do not apply to an assessment under this 9716
division, but the tax commissioner shall make the assessment 9717
within one year after the date the authority certifies to the 9718
tax commissioner the amount to be paid by the taxpayer. 9719

(K) The director of development~~services~~, after 9720
consultation with the tax commissioner and in accordance with 9721
Chapter 119. of the Revised Code, shall adopt rules necessary to 9722

implement this section. The rules may provide for recipients of 9723
tax exemptions under this section to be charged fees to cover 9724
administrative costs incurred in the administration of this 9725
section. The fees collected shall be credited to the tax 9726
incentives operating fund created in section 122.174 of the 9727
Revised Code. At the time the director gives public notice under 9728
division (A) of section 119.03 of the Revised Code of the 9729
adoption of the rules, the director shall submit copies of the 9730
proposed rules to the chairpersons of the standing committees on 9731
economic development in the senate and the house of 9732
representatives. 9733

(L) On or before the first day of August of each year, the 9734
director of development ~~services~~ shall submit a report to the 9735
governor, the president of the senate, and the speaker of the 9736
house of representatives on the tax exemption authorized under 9737
this section. The report shall include information on the number 9738
of agreements that were entered into under this section during 9739
the preceding calendar year, a description of the eligible 9740
computer data center that is the subject of each such agreement, 9741
and an update on the status of eligible computer data centers 9742
under agreements entered into before the preceding calendar 9743
year. 9744

(M) A taxpayer may be made a party to an existing 9745
agreement entered into under this section by the tax credit 9746
authority and another taxpayer or group of taxpayers. In such a 9747
case, the taxpayer shall be entitled to all benefits and bound 9748
by all obligations contained in the agreement and all 9749
requirements described in this section. When an agreement 9750
includes multiple taxpayers, each taxpayer shall be entitled to 9751

section 5703.19 of the Revised Code and any other applicable 11634
law. Once the eligible expenditures are finally determined under 11635
section 5703.19 of the Revised Code and division (D) of this 11636

sum, five million dollars shall be reserved for Broadway 11651
theatrical productions, and the balance may be allowed for any 11652
tax credit-eligible production. For any fiscal year in which 11653
less than five million dollars of tax credits are allowed for 11654
Broadway theatrical productions, the amount of the five million 11655
dollars not allowed and added to the maximum annual amount for 11656
the following fiscal year shall be reserved for Broadway 11657

year 2027 unless specifically authorized by an act of the 11660

associated with such productions.~~The economic impact ranking~~ 11680
~~shall be based on the production company's total expenditures in~~ 11681
~~this state directly associated with the tax credit-eligible~~ 11682
~~production. The effect on developing a permanent workforce in~~ 11683
~~the motion picture or theatrical production industries shall be~~ 11684
~~evaluated first by the number of new jobs created and second by~~ 11685
~~amount of payroll added with respect to employees in this state.~~ 11686

as eligible expenditures. The certified public accountant shall 11697
issue a report to the company and to the director of development 11698
certifying the company's eligible expenditures and any other 11699

or determining the feasibility of or need for the major sports 12599
facility as a cost of constructing the major sports facility. 12600
The performance grant is not subject to the review or 12601
authorization of the controlling board, and upon the office of 12602
budget and management's receipt of the escrow amount and of a 12603

project district state tax revenues have achieved all required 12628
target amounts as described in division (H) (5) of this section. 12629

(b) The professional sports franchise planning to use the 12630
facility, or the owner or an authorized affiliate, shall 12631

(ii) For the second four-year period, twenty-six per cent 12657
of the total appropriated amount; 12658

(iii) For the third four-year period, thirty-two per cent 12659

project district state tax revenues do not achieve target 12667
amounts at the end of each four-year period as determined by the 12668
office of budget and management, in consultation with the 12669
department of taxation, the deficit shall be offset by any 12670

office of budget and management shall take a nonrefundable 12677
amount of money equal to the remaining deficit amount for that 12678
period from the supplemental reserve established pursuant to 12679
division (H) (4) (b) of this section, to the extent available, and 12680
deposit the money into the general revenue fund. Beginning in 12681

for disbursement, and once annually thereafter until completion 12683
of the sixteenth year, the professional sports franchise, or the 12684
owner or an authorized affiliate, may request a determination by 12685
the office of budget and management, in consultation with the 12686
department of taxation, that the total incremental major sports 12687
facility mixed-use project district state tax revenues equals or 12688
exceeds the amount of the performance grant appropriated to the 12689
project. Once the total incremental major sports facility mixed- 12690

the amount in escrow, principal and interest, as provided for 12697

under division (H) (4) (a) of this section. 12698

period described in division (H) (5) (a) of this section, the 12700

interest, all rights, privileges, responsibilities, and 12703
obligations of the owner provided under this section and the 12704

(E) (1) If the tax commissioner has reason to believe that 14624
an entity required to collect a wireless 9-1-1 charge under 14625
section 128.40 of the Revised Code or the next generation 9-1-1 14626
access fee under section 128.414 or 128.421 of the Revised Code 14627
has failed to bill, collect, or remit the charge or fee as 14628
required by this section and sections 128.40 to 128.422 of the 14629
Revised Code or has retained more than the amount authorized 14630
under division (B) of this section, and after written notice to 14631
the entity, the tax commissioner may audit the entity for the 14632
sole purpose of making such a determination. The audit may 14633

128.40 to 128.422 of the Revised Code or has retained more than 14644
the amount authorized under division (B) of this section. The 14645
assessment shall be in the amount of any remittance that was due 14646
and unpaid on the date notice of the audit was sent by the tax 14647
commissioner to the entity or, as applicable, in the amount of 14648
the excess amount under division (B) of this section retained by 14649

the entity as of that date. 14650

(3) The portion of any assessment consisting of charges or 14651

bear interest from that date until paid at the rate per annum 14654
prescribed by section 5703.47 of the Revised Code. That interest 14655
may be collected by making an assessment under division (E) (2) 14656

(4) Unless the entity assessed files with the tax 14658

assessment shall become final and the amount of the assessment 14663
shall be due and payable from the entity assessed to the 14664
treasurer of state, for deposit to the next generation 9-1-1 14665

received by the commissioner prior to the date shown on the 14669
final determination. If the petition has been properly filed, 14670
the commissioner shall proceed under section 5703.60 of the 14671
Revised Code. 14672

(5) After an assessment becomes final, if any portion of 14673
the assessment remains unpaid, including accrued interest, a 14674
certified copy of the final assessment may be filed in the 14675
office of the clerk of the court of common pleas in the county 14676
in which the business of the assessed entity is conducted. If 14677
the entity assessed maintains no place of business in this 14678

enter a judgment for the state against the assessed entity in 14682
the amount shown on the final assessment. The judgment may be 14683

effect as other judgments. The judgment shall be executed upon 14686
the request of the tax commissioner. 14687

(6) If the commissioner determines that the commissioner 14688
erroneously has refunded a 9-1-1 charge or fee to any person, 14689
the commissioner may make an assessment against that person for 14690
recovery of the erroneously refunded charge. 14691

(7) An assessment under division (E) of this section does 14692
not discharge a subscriber's or consumer's liability to 14693
reimburse the entity for a 9-1-1 charge or fee. If, after the 14694
date of service of the audit notice under division (E)(1) of 14695
this section, a subscriber or consumer pays a 9-1-1 charge or 14696
fee for the period covered by the assessment, the payment shall 14697
be credited against the assessment. 14698

is located in more than one county, the board shall inform the 15322
boards of elections of the other counties of the filings with 15323

the public depositor sending to the trustee a written notice 16129
stating that substitution may be effected on a continuing basis 16130
during a specified period which shall not extend beyond the end 16131
of the period of designation during which the notice is given. 16132
The trustee may rely upon this notice and upon the period of 16133
authorization stated therein and upon the period of designation 16134
stated therein. 16135

(2) The public depository notifies the public depositor 16136
and the trustee of an intended substitution or exchange, and the 16137

public depositor does not object to the trustee as to the 16138
eligibility or market value of the securities being substituted 16139
within three business days after the date appearing on the 16140
notice of proposed substitution. The notice to the public 16141
depositor and to the trustee shall be given in writing and 16142
delivered electronically. The trustee may assume in any case 16143
that the notice has been delivered to the public depositor. In 16144
order for objections of the public depositor to be effective, 16145
receipt of the objections must be acknowledged in writing by the 16146
trustee. 16147

Notwithstanding the fact that a public depository is 16167

required to pledge eligible securities in certain amounts to 16168
secure deposits of public moneys, a trustee has no duty or 16169
obligation to determine the eligibility, market value, or face 16170
value of any securities deposited with the trustee by a public 16171
depository. This applies in all situations including, without 16172
limitation, a substitution or exchange of securities. 16173

Any charges or compensation of a designated trustee for 16174
acting as such under this section shall be paid by the public 16175
depository and in no event shall be chargeable to the state or 16176
the subdivision or to any officer of the state or subdivision. 16177

rehabilitate the building. "Qualified rehabilitation 17700

incurred in connection with the rehabilitation, and expenses 17702
incurred in the preparation of nomination forms for listing on 17703
the national register of historic places. "Qualified 17704

may apply to the director of development for a rehabilitation 17754
tax credit certificate for qualified rehabilitation expenditures 17755
paid or incurred by such owner or qualified lessee after April 17756
4, 2007, for rehabilitation of an historic building. If the 17757

with a qualified lessee for the purposes of the federal 17759
rehabilitation tax credit under 26 U.S.C. 47, the qualified 17760
rehabilitation expenditures paid or incurred by the owner after 17761
April 4, 2007, may be attributed to the qualified lessee. 17762

The form and manner of filing such applications shall be 17763
prescribed by rule of the director. Each application shall state 17764
the amount of qualified rehabilitation expenditures the 17765
applicant estimates will be paid or incurred and shall indicate 17766
whether the historic building was used as a theater before, and 17767
is intended to be used as a theater after, the rehabilitation. 17768
The director may require applicants to furnish documentation of 17769
such estimates. 17770

The director, after consultation with the tax commissioner 17771
and in accordance with Chapter 119. of the Revised Code, shall 17772
adopt rules that establish all of the following: 17773

(1) Forms and procedures by which applicants may apply for 17774
rehabilitation tax credit certificates; 17775

(2) Criteria for reviewing, evaluating, and approving 17776
applications for certificates within the limitations under 17777
division (D) of this section, criteria for assuring that the 17778
certificates issued encompass a mixture of high and low 17779

qualified rehabilitation expenditures, and criteria for issuing

under this section;

(4) The form of rehabilitation tax credit certificates;

(5) Reporting requirements and monitoring procedures;

(6) Procedures and criteria for conducting cost-benefit

applications filed under this section. The purpose of a cost-
benefit analysis shall be to determine whether rehabilitation of
the historic building will result in a net revenue gain in state
and local taxes once the building is used.

(7) Any other rules necessary to implement and administer
this section.

(C) The director shall review the applications with the
assistance of the state historic preservation officer and
determine whether all of the following criteria are met:

(1) That the building that is the subject of the
application is an historic building and the applicant is the
owner or qualified lessee of the building;

(2) That the rehabilitation will satisfy standards
prescribed by the United States secretary of the interior under
16 U.S.C. 470, et seq., as amended, and 36 C.F.R. 67.7 or a
successor to that section;

(3) That receiving a rehabilitation tax credit certificate
under this section is a major factor in:

(a) The applicant's decision to rehabilitate the historic

building; or 17807

(b) To increase the level of investment in such 17808
rehabilitation. 17809

(4) The historic building that is the subject of the 17810
application is not, and will not upon completion of the 17811
rehabilitation project be, part of a qualified low-income 17812
housing project allocated a tax credit pursuant to section 42 of 17813
the Internal Revenue Code. 17814

An applicant shall demonstrate to the satisfaction of the 17815
state historic preservation officer and director that the 17816
rehabilitation will satisfy the standards described in division 17817
(C) (2) of this section before the applicant begins the physical 17818
rehabilitation of the historic building. 17819

(D) (1) If the director determines that an application 17820
meets the criteria in division (C) of this section, the director 17821
shall conduct a cost-benefit analysis for the historic building 17822
that is the subject of the application to determine whether 17823
rehabilitation of the historic building will result in a net 17824
revenue gain in state and local taxes once the building is used. 17825
The director shall consider the results of the cost-benefit 17826
analysis in determining whether to approve the application. The 17827
director shall also consider the potential economic impact and 17828
the regional distributive balance of the credits throughout the 17829
state. The director shall not consider whether the historic 17830
building is located in or will benefit an economically 17831
distressed area, including by weighting preference based on the 17832
poverty rate in the jurisdiction or census tract in which the 17833
building is located, nor shall the director consider or give 17834
weighted preference based on vacancy or underutilization of the 17835
building. The director may approve an application only after 17836

completion of the cost-benefit analysis. 17837

(2) A rehabilitation tax credit certificate shall not be 17838
issued for an amount greater than the estimated amount furnished 17839
by the applicant on the application for such certificate and 17840
approved by the director. The director shall not approve more 17841
than a total of ~~one hundred twenty seven~~ seventy-five million dollars 17842
of rehabilitation tax credits for each of fiscal years ~~2023 and~~ 17843
~~2024, and sixty million dollars of rehabilitation tax credits~~ 17844
~~for each fiscal year thereafter~~ 2026 and 2027, but the director 17845
may reallocate unused tax credits from a prior fiscal year for 17846
new applicants and such reallocated credits shall not apply 17847
toward the dollar limit of this division. The director shall not 17848
approve any amount of rehabilitation tax credits after fiscal 17849
year 2027 unless specifically approved by an act of the general 17850
assembly. 17851

(3) For rehabilitations with a rehabilitation period not 17852
exceeding twenty-four months as provided in division (A) (8) (a) 17853
of this section, a rehabilitation tax credit certificate shall 17854
not be issued before the rehabilitation of the historic building 17855
is completed. 17856

(4) For rehabilitations with a rehabilitation period not 17857
exceeding sixty months as provided in division (A) (8) (b) of this 17858
section, a rehabilitation tax credit certificate shall not be 17859
issued before a stage of rehabilitation is completed. After all 17860
stages of rehabilitation are completed, if the director cannot 17861
determine that the criteria in division (C) of this section are 17862
satisfied for all stages of rehabilitations, the director shall 17863
certify this finding to the tax commissioner, and any 17864
rehabilitation tax credits received by the applicant shall be 17865
repaid by the applicant and may be collected by assessment as 17866

unpaid tax by the commissioner. 17867

(5) The director shall require the applicant to provide a 17868
third-party cost certification by a certified public accountant 17869
of the actual costs attributed to the rehabilitation of the 17870
historic building when qualified rehabilitation expenditures 17871
exceed two hundred thousand dollars. 17872

If an applicant whose application is approved for receipt 17873
of a rehabilitation tax credit certificate fails to provide to 17874
the director sufficient evidence of reviewable progress, 17875
including a viable financial plan, copies of final construction 17876
drawings, and evidence that the applicant has obtained all 17877
historic approvals within twelve months after the date the 17878
applicant received notification of approval, and if the 17879
applicant fails to provide evidence to the director that the 17880
applicant has secured and closed on financing for the 17881
rehabilitation within eighteen months after receiving 17882
notification of approval, the director may rescind the approval 17883
of the application. The director shall notify the applicant if 17884
the approval has been rescinded. Credits that would have been 17885
available to an applicant whose approval was rescinded shall be 17886
available for other qualified applicants. Nothing in this 17887
division prohibits an applicant whose approval has been 17888
rescinded from submitting a new application for a rehabilitation 17889
tax credit certificate. 17890

(6) The director may approve the application of, and issue 17891
a rehabilitation tax credit certificate to, the owner of a 17892
catalytic project, provided the application otherwise meets the 17893
criteria described in divisions (C) and (D) of this section. The 17894
director may not approve more than one application for a 17895
rehabilitation tax credit certificate under division (D) (6) of 17896

this section during each state fiscal biennium. The director 17897
shall not approve an application for a rehabilitation tax credit 17898
certificate under division (D) (6) of this section during the 17899
state fiscal biennium beginning July 1, 2017, or during any 17900
state fiscal biennium thereafter. The director shall consider 17901
the following criteria in determining whether to approve an 17902
application for a certificate under division (D) (6) of this 17903
section: 17904

(a) Whether the historic building is a catalytic project; 17905

(b) The effect issuance of the certificate would have on 17906
the availability of credits for other applicants that qualify 17907
for a credit certificate within the credit dollar limit 17908
described in division (D) (2) of this section; 17909

(c) The number of jobs, if any, the catalytic project will 17910
create. 17911

(7) (a) The owner or qualified lessee of a historic 17912
building may apply for a rehabilitation tax credit certificate 17913
under both divisions (B) and (D) (6) of this section. In such a 17914
case, the director shall consider each application at the time 17915
the application is submitted. 17916

(b) The director shall not issue more than one certificate 17917
under this section with respect to the same qualified 17918
rehabilitation expenditures. 17919

(8) The director shall give consideration for tax credits 17920
awarded under this section to rehabilitations of historic 17921
buildings used as a theater before, and intended to be used as a 17922
theater after, the rehabilitation. In determining whether to 17923
approve an application for such a rehabilitation, the director 17924
shall consider the extent to which the rehabilitation will 17925

increase attendance at the theater and increase the theater's gross revenue. 17926
17927

(9) The director shall rescind the approval of any application if the building that is the subject of the application is part of a qualified low-income housing project allocated a tax credit pursuant to section 42 of the Internal Revenue Code at any time before the building's rehabilitation is complete. 17928
17929
17930
17931
17932
17933

(E) Issuance of a certificate represents a finding by the director of the matters described in divisions (C) (1), (2), and (3) of this section only; issuance of a certificate does not represent a verification or certification by the director of the amount of qualified rehabilitation expenditures for which a tax credit may be claimed under section 5725.151, 5725.34, 5726.52, 5729.17, 5733.47, or 5747.76 of the Revised Code. The amount of qualified rehabilitation expenditures for which a tax credit may be claimed is subject to inspection and examination by the tax commissioner or employees of the commissioner under section 5703.19 of the Revised Code and any other applicable law. Upon the issuance of a certificate, the director shall certify to the tax commissioner, in the form and manner requested by the tax commissioner, the name of the applicant, the amount of qualified rehabilitation expenditures shown on the certificate, and any other information required by the rules adopted under this section. 17934

produced, staff time, and any other relevant overhead necessary 18784
to comply with the request. A state or local law enforcement 18785
agency or a prosecuting attorney's office may include in its 18786
public records policy the requirement that a requester pay the 18787
estimated actual cost before beginning the process of preparing 18788
a video record for inspection or production. Where a state or 18789
local law enforcement agency or a prosecuting attorney's office 18790
imposes such a requirement, its obligation to produce a video or 18791
make it available for inspection begins once the estimated 18792
actual cost is paid in full by the requester. A state or local 18793
law enforcement agency or a prosecuting attorney's office shall 18794
provide the requester with the estimated actual cost within five 18795
business days of receipt of the public records request. If the 18796
actual cost exceeds the estimated actual cost, a state or local 18797
law enforcement agency or a prosecuting attorney's office may 18798
charge a requester for the difference upon fulfilling a request 18799
for video records if the requester is notified in advance that 18800
the actual cost may be up to twenty per cent higher than the 18801
estimated actual cost. A state or local law enforcement agency 18802
or a prosecuting attorney's office shall not charge a requester 18803

a difference that exceeds twenty per cent of the estimated 18804
actual cost. 18805

If a public record contains information that is exempt 18806
from the duty to permit public inspection or to copy the public 18807
record, the public office or the person responsible for the 18808
public record shall make available all of the information within 18809
the public record that is not exempt. When making that public 18810
record available for public inspection or copying that public 18811
record, the public office or the person responsible for the 18812
public record shall notify the requester of any redaction or 18813
make the redaction plainly visible. A redaction shall be deemed 18814
a denial of a request to inspect or copy the redacted 18815
information, except if federal or state law authorizes or 18816
requires a public office to make the redaction. When the auditor 18817
of state receives a request to inspect or to make a copy of a 18818
record that was provided to the auditor of state for purposes of 18819
an audit, but the original public office has asserted to the 18820
auditor of state that the record is not a public record, the 18821
auditor of state may handle the requests by directing the 18822
requestor to the original public office that provided the record 18823
to the auditor of state. 18824

(2) To facilitate broader access to public records, a 18825
public office or the person responsible for public records shall 18826
organize and maintain public records in a manner that they can 18827
be made available for inspection or copying in accordance with 18828
division (B) of this section. A public office also shall have 18829
available a copy of its current records retention schedule at a 18830
location readily available to the public. If a requester makes 18831
an ambiguous or overly broad request or has difficulty in making 18832
a request for copies or inspection of public records under this 18833
section such that the public office or the person responsible 18834

for the requested public record cannot reasonably identify what 18835
public records are being requested, the public office or the 18836
person responsible for the requested public record may deny the 18837
request but shall provide the requester with an opportunity to 18838
revise the request by informing the requester of the manner in 18839
which records are maintained by the public office and accessed 18840
in the ordinary course of the public office's or person's 18841
duties. 18842

(3) If a request is ultimately denied, in part or in 18843
whole, the public office or the person responsible for the 18844
requested public record shall provide the requester with an 18845
explanation, including legal authority, setting forth why the 18846
request was denied. If the initial request was provided in 18847
writing, the explanation also shall be provided to the requester 18848
in writing. The explanation shall not preclude the public office 18849
or the person responsible for the requested public record from 18850
relying upon additional reasons or legal authority in defending 18851
an action commenced under division (C) of this section. 18852

(4) Unless specifically required or authorized by state or 18853
federal law or in accordance with division (B) of this section, 18854
no public office or person responsible for public records may 18855
limit or condition the availability of public records by 18856
requiring disclosure of the requester's identity or the intended 18857
use of the requested public record. Any requirement that the 18858
requester disclose the requester's identity or the intended use 18859
of the requested public record constitutes a denial of the 18860
request. 18861

(5) A public office or person responsible for public 18862
records may ask a requester to make the request in writing, may 18863
ask for the requester's identity, and may inquire about the 18864

intended use of the information requested, but may do so only 18865
after disclosing to the requester that a written request is not 18866
mandatory, that the requester may decline to reveal the 18867
requester's identity or the intended use, and when a written 18868
request or disclosure of the identity or intended use would 18869
benefit the requester by enhancing the ability of the public 18870
office or person responsible for public records to identify, 18871
locate, or deliver the public records sought by the requester. 18872

(6) If any person requests a copy of a public record in 18873
accordance with division (B) of this section, the public office 18874
or person responsible for the public record may require the 18875
requester to pay in advance the cost involved in providing the 18876
copy of the public record in accordance with the choice made by 18877
the requester under this division. The public office or the 18878
person responsible for the public record shall permit the 18879
requester to choose to have the public record duplicated upon 18880
paper, upon the same medium upon which the public office or 18881
person responsible for the public record keeps it, or upon any 18882
other medium upon which the public office or person responsible 18883
for the public record determines that it reasonably can be 18884
duplicated as an integral part of the normal operations of the 18885
public office or person responsible for the public record. When 18886
the requester makes a choice under this division, the public 18887
office or person responsible for the public record shall provide 18888
a copy of it in accordance with the choice made by the 18889
requester. Nothing in this section requires a public office or 18890
person responsible for the public record to allow the requester 18891
of a copy of the public record to make the copies of the public 18892
record. 18893

(7) (a) Upon a request made in accordance with division (B) 18894
of this section and subject to division (B) (6) of this section, 18895

a public office or person responsible for public records shall 18896
transmit a copy of a public record to any person by United 18897
States mail or by any other means of delivery or transmission 18898
within a reasonable period of time after receiving the request 18899
for the copy. The public office or person responsible for the 18900
public record may require the person making the request to pay 18901
in advance the cost of postage if the copy is transmitted by 18902
United States mail or the cost of delivery if the copy is 18903
transmitted other than by United States mail, and to pay in 18904
advance the costs incurred for other supplies used in the 18905
mailing, delivery, or transmission. 18906

(b) Any public office may adopt a policy and procedures 18907
that it will follow in transmitting, within a reasonable period 18908
of time after receiving a request, copies of public records by 18909
United States mail or by any other means of delivery or 18910
transmission pursuant to division (B) (7) of this section. A 18911
public office that adopts a policy and procedures under division 18912
(B) (7) of this section shall comply with them in performing its 18913
duties under that division. 18914

(c) In any policy and procedures adopted under division 18915
(B) (7) of this section: 18916

(i) A public office may limit the number of records 18917
requested by a person that the office will physically deliver by 18918
United States mail or by another delivery service to ten per 18919
month, unless the person certifies to the office in writing that 18920
the person does not intend to use or forward the requested 18921
records, or the information contained in them, for commercial 18922
purposes; 18923

(ii) A public office that chooses to provide some or all 18924
of its public records on a web site that is fully accessible to 18925

and searchable by members of the public at all times, other than 18926
during acts of God outside the public office's control or 18927
maintenance, and that charges no fee to search, access, 18928
download, or otherwise receive records provided on the web site, 18929
may limit to ten per month the number of records requested by a 18930
person that the office will deliver in a digital format, unless 18931
the requested records are not provided on the web site and 18932
unless the person certifies to the office in writing that the 18933
person does not intend to use or forward the requested records, 18934
or the information contained in them, for commercial purposes. 18935

(iii) For purposes of division (B) (7) of this section, 18936
"commercial" shall be narrowly construed and does not include 18937
reporting or gathering news, reporting or gathering information 18938
to assist citizen oversight or understanding of the operation or 18939
activities of government, or nonprofit educational research. 18940

(8) A public office or person responsible for public 18941
records is not required to permit a person who is incarcerated 18942
pursuant to a criminal conviction or a juvenile adjudication to 18943
inspect or to obtain a copy of any public record concerning a 18944
criminal investigation or prosecution or concerning what would 18945
be a criminal investigation or prosecution if the subject of the 18946
investigation or prosecution were an adult, unless the request 18947
to inspect or to obtain a copy of the record is for the purpose 18948
of acquiring information that is subject to release as a public 18949
record under this section and the judge who imposed the sentence 18950
or made the adjudication with respect to the person, or the 18951
judge's successor in office, finds that the information sought 18952
in the public record is necessary to support what appears to be 18953
a justiciable claim of the person. As used in this division, 18954
"public record concerning a criminal investigation or 18955
prosecution or concerning what would be a criminal investigation 18956

or prosecution if the subject of the investigation were an adult" includes, but is not limited to, personnel files and payroll and attendance records of designated public service workers.

(9) (a) Upon written request made and signed by a journalist, a public office, or person responsible for public records, having custody of the records of the agency employing a specified designated public service worker shall disclose to the journalist the address of the actual personal residence of the designated public service worker and, if the designated public service worker's spouse, former spouse, or child is employed by a public office, the name and address of the employer of the designated public service worker's spouse, former spouse, or child, and any past, current, and future work schedules of the designated public service worker. The request shall include the journalist's name and title and the name and address of the journalist's employer and shall state that disclosure of the information sought would be in the public interest.

(b) Division (B) (9) (a) of this section also applies to journalist requests for:

(i) Customer information maintained by a municipally owned or operated public utility, other than social security numbers and any private financial information such as credit reports, payment methods, credit card numbers, and bank account information;

(ii) Information about minors involved in a school vehicle accident as provided in division (A) (1) (gg) of this section, other than personal information as defined in section 149.45 of the Revised Code;

(iii) A request form submitted to a public office under 18986
section 149.45 of the Revised Code; 18987

(iv) An affidavit submitted under section 319.28 of the 18988
Revised Code. 18989

(c) As used in division (B)(9) of this section, 18990
"journalist" means a person engaged in, connected with, or 18991
employed by any news medium, including a newspaper, magazine, 18992
press association, news agency, or wire service, a radio or 18993
television station, or a similar medium, for the purpose of 18994
gathering, processing, transmitting, compiling, editing, or 18995
disseminating information for the general public. 18996

(10) Upon a request made by a victim, victim's attorney, 18997
or victim's representative, as that term is used in section 18998
2930.02 of the Revised Code, a public office or person 18999
responsible for public records shall transmit a copy of a 19000
depiction of the victim as described in division (A)(1)(ii) of 19001
this section to the victim, victim's attorney, or victim's 19002
representative. 19003

(11) A state or local law enforcement agency or a 19004
prosecuting attorney's office shall not charge a fee for 19005
preparing a video record for inspection, or producing a copy of 19006
a video record, when the requester of the video record is a 19007
victim, as defined in Ohio Constitution, Article I, Section 10a, 19008
or who is a victim who suffered loss and could seek remedy 19009
through a tort action as defined by section 2307.011 of the 19010
Revised Code, who reasonably asserts that the video recording 19011
relates to the act or omission that caused the victim's harm or 19012
loss, or who is the legal counsel or insurer of the victim. A 19013
fee under this section may only be waived upon the receipt of an 19014
affidavit by the victim or the victim's legal counsel 19015

identifying that the use of the video is to investigate harm or 19016
damages that may have been captured on the video. 19017

As used in this division, "legal counsel of the victim" 19018
means an attorney who, at the time of making the request, 19019
produces to the state or local law enforcement agency or a 19020
prosecuting attorney's office a signed retention agreement or 19021
letter of representation that establishes that the attorney is 19022
representing the victim. 19023

(C) (1) If a person allegedly is aggrieved by the failure 19024
of a public office or the person responsible for public records 19025
to promptly prepare a public record and to make it available to 19026
the person for inspection in accordance with division (B) of 19027
this section or by any other failure of a public office or the 19028
person responsible for public records to comply with an 19029
obligation in accordance with division (B) of this section, the 19030
person allegedly aggrieved may serve pursuant to Rule 4 of the 19031
Ohio Rules of Civil Procedure a complaint, on a form prescribed 19032
by the clerk of the court of claims, to the public office or 19033
person responsible for public records allegedly responsible for 19034
the alleged failure. Upon receipt of the complaint of the person 19035
allegedly aggrieved, the public office or person responsible for 19036
public records has three business days to cure or otherwise 19037
address the failure alleged in the complaint. The person 19038
allegedly aggrieved shall not file a complaint with a court or 19039
commence a mandamus action under this section within the three- 19040
day period. Upon the expiration of the three-day period, the 19041
person allegedly aggrieved may, subject to the requirements of 19042
division (C) (2) of this section, do only one of the following, 19043
and not both: 19044

(a) File a complaint with the clerk of the court of claims 19045

or the clerk of the court of common pleas under section 2743.75 19046
of the Revised Code; 19047

(b) Commence a mandamus action to obtain a judgment that 19048
orders the public office or the person responsible for the 19049
public record to comply with division (B) of this section, that 19050
awards court costs and reasonable attorney's fees to the person 19051
that instituted the mandamus action, and, if applicable, that 19052
includes an order fixing statutory damages under division (C) (3) 19053
of this section. The mandamus action may be commenced in the 19054
court of common pleas of the county in which division (B) of 19055
this section allegedly was not complied with, in the supreme 19056
court pursuant to its original jurisdiction under Section 2 of 19057
Article IV, Ohio Constitution, or in the court of appeals for 19058
the appellate district in which division (B) of this section 19059
allegedly was not complied with pursuant to its original 19060
jurisdiction under Section 3 of Article IV, Ohio Constitution. 19061

(2) Upon filing a complaint or mandamus action with a 19062
court under divisions (C) (1) (a) or (b) of this section, a person 19063
allegedly aggrieved shall file with the court, in conjunction 19064
with the person's complaint or petition, a written affirmation 19065
stating that the person properly transmitted a complaint to the 19066
public office or person responsible for public records, the 19067
failure alleged in the complaint has not been cured or otherwise 19068
resolved to the person's satisfaction, and that the complaint 19069
was transmitted to the public office or person responsible for 19070
public records at least three business days before the filing of 19071
the suit. If the person fails to file an affirmation pursuant to 19072
this division, the suit shall be dismissed. 19073

(3) If a requester transmits a written request by hand 19074
delivery, electronic submission, or certified mail to inspect or 19075

receive copies of any public record in a manner that fairly 19076
describes the public record or class of public records to the 19077
public office or person responsible for the requested public 19078
records, except as otherwise provided in this section, the 19079
requester shall be entitled to recover the amount of statutory 19080
damages set forth in this division if a court determines that 19081
the public office or the person responsible for public records 19082
failed to comply with an obligation in accordance with division 19083
(B) of this section. Statutory damages are not available 19084
pursuant to this section to a person committed to the custody of 19085
the department of rehabilitation and correction or the United 19086
States bureau of prisons, or a child committed to the department 19087
of youth services as permitted in Chapter 2152. of the Revised 19088
Code. 19089

The amount of statutory damages shall be fixed at one 19090
hundred dollars for each business day during which the public 19091
office or person responsible for the requested public records 19092
failed to comply with an obligation in accordance with division 19093
(B) of this section, beginning with the day on which the 19094
requester files a mandamus action to recover statutory damages, 19095
up to a maximum of one thousand dollars. The award of statutory 19096
damages shall not be construed as a penalty, but as compensation 19097
for injury arising from lost use of the requested information. 19098
The existence of this injury shall be conclusively presumed. The 19099
award of statutory damages shall be in addition to all other 19100
remedies authorized by this section. 19101

The court may reduce an award of statutory damages or not 19102
award statutory damages if the court determines both of the 19103
following: 19104

(a) That, based on the ordinary application of statutory 19105

law and case law as it existed at the time of the conduct or 19106
threatened conduct of the public office or person responsible 19107
for the requested public records that allegedly constitutes a 19108
failure to comply with an obligation in accordance with division 19109
(B) of this section and that was the basis of the mandamus 19110
action, a well-informed public office or person responsible for 19111
the requested public records reasonably would believe that the 19112
conduct or threatened conduct of the public office or person 19113
responsible for the requested public records did not constitute 19114
a failure to comply with an obligation in accordance with 19115
division (B) of this section; 19116

(b) That a well-informed public office or person 19117
responsible for the requested public records reasonably would 19118
believe that the conduct or threatened conduct of the public 19119
office or person responsible for the requested public records 19120
would serve the public policy that underlies the authority that 19121
is asserted as permitting that conduct or threatened conduct. 19122

(4) In a mandamus action filed under division (C) (1) of 19123
this section, the following apply: 19124

(a) (i) If the court orders the public office or the person 19125
responsible for the public record to comply with division (B) of 19126
this section, the court shall determine and award to the relator 19127
all court costs, which shall be construed as remedial and not 19128
punitive. 19129

(ii) If the court makes a determination described in 19130
division (C) (4) (b) (iii) of this section, the court shall 19131
determine and award to the relator all court costs, which shall 19132
be construed as remedial and not punitive. 19133

(b) If the court renders a judgment that orders the public 19134

office or the person responsible for the public record to comply 19135
with division (B) of this section or if the court determines any 19136
of the following, the court may award reasonable attorney's fees 19137
to the relator, subject to division (C) (5) of this section: 19138

(i) The public office or the person responsible for the 19139
public records failed to respond affirmatively or negatively to 19140
the public records request in accordance with the time allowed 19141
under division (B) of this section. 19142

(ii) The public office or the person responsible for the 19143
public records promised to permit the relator to inspect or 19144
receive copies of the public records requested within a 19145
specified period of time but failed to fulfill that promise 19146
within that specified period of time. 19147

(iii) The public office or the person responsible for the 19148
public records acted in bad faith when the office or person 19149
voluntarily made the public records available to the relator for 19150
the first time after the relator commenced the mandamus action, 19151
but before the court issued any order concluding whether or not 19152
the public office or person was required to comply with division 19153
(B) of this section. No discovery may be conducted on the issue 19154
of the alleged bad faith of the public office or person 19155
responsible for the public records. This division shall not be 19156
construed as creating a presumption that the public office or 19157
the person responsible for the public records acted in bad faith 19158
when the office or person voluntarily made the public records 19159
available to the relator for the first time after the relator 19160
commenced the mandamus action, but before the court issued any 19161
order described in this division. 19162

(c) The court shall not award attorney's fees to the 19163
relator if the court determines both of the following: 19164

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of the conduct or threatened conduct of the public office or person responsible for the requested public records that allegedly constitutes a failure to comply with an obligation in accordance with division (B) of this section and that was the basis of the mandamus action, a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records did not constitute a failure to comply with an obligation in accordance with division (B) of this section;

(ii) That a well-informed public office or person responsible for the requested public records reasonably would believe that the conduct or threatened conduct of the public office or person responsible for the requested public records would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(5) All of the following apply to any award of reasonable attorney's fees awarded under division (C) (4) (b) of this section:

(a) The fees shall be construed as remedial and not punitive.

(b) The fees awarded shall not exceed the total of the reasonable attorney's fees incurred before the public record was made available to the relator and the fees described in division (C) (5) (c) of this section.

(c) Reasonable attorney's fees shall include reasonable fees incurred to produce proof of the reasonableness and amount

of the fees and to otherwise litigate entitlement to the fees. 19194

(d) The court may reduce the amount of fees awarded if the 19195
court determines that, given the factual circumstances involved 19196
with the specific public records request, an alternative means 19197
should have been pursued to more effectively and efficiently 19198
resolve the dispute that was subject to the mandamus action 19199
filed under division (C) (1) of this section. 19200

(6) If the court does not issue a writ of mandamus under 19201
division (C) of this section and the court determines at that 19202
time that the bringing of the mandamus action was frivolous 19203
conduct as defined in division (A) of section 2323.51 of the 19204
Revised Code, the court may award to the public office all court 19205
costs, expenses, and reasonable attorney's fees, as determined 19206
by the court. 19207

(D) Chapter 1347. of the Revised Code does not limit the 19208
provisions of this section. 19209

(E) (1) To ensure that all employees of public offices are 19210
appropriately educated about a public office's obligations under 19211
division (B) of this section, all elected officials or their 19212
appropriate designees shall attend training approved by the 19213
attorney general as provided in section 109.43 of the Revised 19214
Code. A future official may satisfy the requirements of this 19215
division by attending the training before taking office, 19216
provided that the future official may not send a designee in the 19217
future official's place. 19218

(2) All public offices shall adopt a public records policy 19219
in compliance with this section for responding to public records 19220
requests. In adopting a public records policy under this 19221
division, a public office may obtain guidance from the model 19222

public records policy developed and provided to the public 19223
office by the attorney general under section 109.43 of the 19224
Revised Code. Except as otherwise provided in this section, the 19225
policy may not limit the number of public records that the 19226
public office will make available to a single person, may not 19227
limit the number of public records that it will make available 19228
during a fixed period of time, and may not establish a fixed 19229
period of time before it will respond to a request for 19230
inspection or copying of public records, unless that period is 19231

calendar year. The rules may include provisions for charges to 19253

be made for bulk commercial special extraction requests for the 19254
actual cost of the bureau, plus special extraction costs, plus 19255
ten per cent. The bureau may charge for expenses for redacting 19256
information, the release of which is prohibited by law. 19257

(2) As used in division (F)(1) of this section: 19258

(a) "Actual cost" means the cost of depleted supplies, 19259
records storage media costs, actual mailing and alternative 19260

class of records, or database by a person who intends to use or 19268
forward the copies for surveys, marketing, solicitation, or 19269
resale for commercial purposes. "Bulk commercial special 19270
extraction request" does not include a request by a person who 19271
gives assurance to the bureau that the person making the request 19272
does not intend to use or forward the requested copies for 19273
surveys, marketing, solicitation, or resale for commercial 19274

by the bureau, or the actual cost incurred to create computer 19281
programs to make the special extraction. "Special extraction 19282

costs" include any charges paid to a public agency for computer 19283

(3) For purposes of divisions (F) (1) and (2) of this 19285
section, "surveys, marketing, solicitation, or resale for 19286
commercial purposes" shall be narrowly construed and does not 19287
include reporting or gathering news, reporting or gathering 19288
information to assist citizen oversight or understanding of the 19289
operation or activities of government, or nonprofit educational 19290
research. 19291

(G) A request by a defendant, counsel of a defendant, or 19292
any agent of a defendant in a criminal action that public 19293
records related to that action be made available under this 19294
section shall be considered a demand for discovery pursuant to 19295
the Criminal Rules, except to the extent that the Criminal Rules 19296
plainly indicate a contrary intent. The defendant, counsel of 19297
the defendant, or agent of the defendant making a request under 19298
this division shall serve a copy of the request on the 19299
prosecuting attorney, director of law, or other chief legal 19300
officer responsible for prosecuting the action. 19301

(H) (1) Any portion of a body-worn camera or dashboard 19302

probable or pending criminal proceedings. 19313

(2) If a public office denies a request to release a 19314
restricted portion of a body-worn camera or dashboard camera 19315
recording, as defined in division (A)(17) of this section, any 19316
person may file a mandamus action pursuant to this section or a 19317
complaint with the clerk of the court of claims pursuant to 19318
section 2743.75 of the Revised Code, requesting the court to 19319
order the release of all or portions of the recording. If the 19320
court considering the request determines that the filing 19321
articulates by clear and convincing evidence that the public 19322
interest in the recording substantially outweighs privacy 19323
interests and other interests asserted to deny release, the 19324
court shall order the public office to release the recording. 19325

Sec. 153.01. (A) Whenever any building or structure for 19326

educational institution listed in section 3345.50 of the Revised 19332
Code, is to be erected or constructed, whenever additions, 19333
alterations, or structural or other improvements are to be made, 19334

estimated cost of which amounts to two hundred thousand dollars 19337
or more, or the amount determined pursuant to section 153.53 of 19338
the Revised Code or more, each officer, board, or other 19339

whose contract of employment shall be prepared and approved by 19344
the attorney general, the following: 19345

mechanics and other builders in the construction, improvement, 19347
addition, alteration, or installation; 19348

(2) Details to scale and full-sized, so drawn and 19349
represented as to be easily understood; 19350

(3) Definite and complete specifications of the work to be 19351
performed, together with directions that will enable a competent 19352
mechanic or other builder to carry them out and afford bidders 19353
all needful information; 19354

(4) A full and accurate estimate of each item of expense 19355
and the aggregate cost of those items of expense; 19356

(5) A life-cycle cost analysis; 19357

construction commission. 19359

In preparing these plans, details, specifications, 19360
estimates, analyses, or other data, the public authority may 19361
require the architect or engineer to use a building information 19362
model system, as long as the system is based on a nationally 19363
recognized standard for building information models. As used in 19364
this division, "building information model" means a digital 19365
representation of physical and functional characteristics of a 19366
facility, and electronic files used to design and coordinate the 19367
project, whether it is a single model or multiple models used in 19368
the aggregate. 19369

(B) (1) Division (A) of this section shall not be required 19370

with respect to a construction management contract entered into 19371
with a construction manager at risk as described in section 19372
9.334 of the Revised Code or a design-build contract entered 19373
into with a design-build firm as described in section 153.693 of 19374

If the bid and bid guaranty are filed electronically, they must be received electronically before the deadline published pursuant to section 153.06 of the Revised Code. Sec. 153.09. If in the opinion of the owner referred to in 19442
section 153.01 of the Revised Code, the award of a contract to 19443
the lowest responsive and responsible bidder is not in the best 19444

the award, and execution of the contract, shall be made within 19461

sixty days after the date on which the bids are opened. The 19462
failure to award and execute the contract within sixty days 19463
invalidates the entire bid proceedings and all bids submitted, 19464
unless the time for awarding and executing the contract is 19465
extended by mutual consent of the owner or its representatives 19466
and the bidder whose bid the owner accepts and with respect to 19467
whom the owner subsequently awards and executes a contract. The 19468
public owners referred to in this section shall include, in the 19469
plans and specifications for the project for which bids are 19470
solicited, the estimate of cost. The bid for which the award is 19471
to be made shall be opened at the time and place named in the 19472
advertisement for bids, unless extended by the owner or its 19473
representative or unless, within seventy-two hours prior to the 19474
published time for the opening of bids, excluding Saturdays, 19475
Sundays, and legal holidays, any modification of the plans or 19476
specifications and estimates of cost for the project for which 19477

extended one week, with no further advertising of bids required. 19481
The contractor, upon request, is entitled to a notice to proceed 19482
with the work by the owner or its representative upon execution 19483
of the contract. No contract to which this section applies shall 19484
be entered into if the price of the contract, or, if the project 19485
involves multiple contracts where the total price of all 19486
contracts for the project, is in excess of ten per cent, in the 19487
case of a contract made by the state or a public board, 19488
commission, authority, or instrumentality of the state, or 19489
twenty per cent, in the case of a contract made by a county, 19490
township, municipal corporation, school district, special 19491
purpose district, or other political subdivision or a public 19492
board, commission, authority, or instrumentality of the 19493

political subdivision, above the entire estimate thereof, nor 19494
shall the entire cost of the construction, reconstruction, 19495
repair, painting, decorating, improvement, alteration, addition, 19496

architects or engineers, exceed in the aggregate the amount 19498
authorized by law. 19499

The unit or lump sum price stated in the contract shall be 19500

the lump sum price shall be based on a schedule prepared by the 19504
contractor and approved by the architect or engineer who shall 19505
apportion the lump sum price to the major components entering 19506

Partial payments to the contractor for labor performed 19508
under either a unit or lump sum price contract shall be made at 19509
~~the a rate of ninety-two not less than ninety-six per cent of~~ 19510
the estimates prepared by the contractor and approved by the 19511
architect or engineer. ~~All labor performed after the job is~~ 19512
~~fifty per cent completed shall be paid for at the rate of one~~ 19513
~~hundred per cent of the estimates submitted by the contractor~~ 19514
~~and approved by the architect or engineer. No subcontract shall~~ 19515
be paid at a rate lower than the rate being paid to the 19516
contractor by the public authority. 19517

The amounts and time of payments of any public 19518
improvements contract made by the state or any county, township, 19519
municipal corporation, school district, or other political 19520
subdivision, or any public board, commission, authority, 19521
instrumentality, or special purpose district of or in the state 19522
or a political subdivision or that is authorized by state law, 19523

except as provided in section 5525.19 of the Revised Code, shall 19524
be governed by this section and sections 153.13 and 153.14 of 19525
the Revised Code. If the time for awarding the contract is 19526
extended by mutual consent, or if the owner or its 19527
representative fails to issue a timely notice to proceed as 19528
required by this section, the owner or its representative shall 19529
issue a change order authorizing delay costs to the contractor, 19530
which does not invalidate the contract. The amount of such a 19531
change order to the owner shall be determined in accordance with 19532
the provisions of the contract for change orders or force 19533
accounts or, if no such provision is set forth in the contract, 19534
the cost to the owner shall be the contractor's actual costs 19535
including wages, labor costs other than wages, wage taxes, 19536
materials, equipment costs and rentals, insurance, and 19537
subcontracts attributable to the delay, plus a reasonable sum 19538
for overhead. In the event of a dispute between the owner and 19539
the contractor concerning such change order, procedures shall be 19540
commenced under the applicable terms of the contract, or, if the 19541
contract contains no provision for resolving the dispute, it 19542
shall be resolved pursuant to the procedures for arbitration in 19543
Chapter 2711. of the Revised Code, except as provided in 19544
division (B) of this section. Nothing in this division shall be 19545
construed as a limitation upon the authority of the director of 19546
transportation granted in Chapter 5525. of the Revised Code. 19547

(B) If a dispute arises between the state and a contractor 19548
concerning the terms of a public improvement contract let by the 19549
state or concerning a breach of the contract, and after 19550
administrative remedies provided for in such contract and any 19551
alternative dispute resolution procedures provided in accordance 19552
with guidelines established by the executive director of the 19553
Ohio facilities construction commission are exhausted, the 19554

contractor may bring an action to the court of claims in 19555
accordance with Chapter 2743. of the Revised Code. The state or 19556
the contractor may request the chief justice of the supreme 19557
court to appoint a referee or panel of referees in accordance 19558
with division (C) (3) of section 2743.03 of the Revised Code. As 19559
used in this division, "dispute" means a disagreement between 19560
the state and the contractor concerning a public improvement 19561
contract let by the state. 19562

Sec. 153.13. At the time named in the contract for payment 19563
to the person with whom it is made, the owner referred to in 19564
section 153.01 or 153.12 of the Revised Code shall approve a 19565
full, accurate, and detailed estimate of the various kinds of 19566
labor performed and material furnished under the contract, with 19567
the amount due for each kind of labor and material and the 19568
materials and amount due in the aggregate, which estimate shall 19569
be based upon actual measurement of such labor and materials, 19570
and shall give the amounts of the preceding estimate, and the 19571
amount of labor performed and materials furnished since the last 19572
estimate. ~~From the date the contract is fifty per cent complete,~~ 19573
~~as evidenced by payments in the amount of at least fifty per~~ 19574
~~cent of the contract to the person with whom the owner has~~ 19575
~~contracted, except in the case of contracts the total cost of~~ 19576
~~which is less than fifteen thousand dollars, all funds retained~~ 19577
~~pursuant to sections 153.12 and 153.14 of the Revised Code for~~ 19578
~~the faithful performance of work shall be deposited in the~~ 19579
~~escrow account designated in section 153.63 of the Revised Code.~~ 19580
~~After the contract is fifty per cent complete, no further funds~~ 19581
~~shall be retained.~~ When the major portion of the project is 19582
substantially completed and occupied, or in use, or otherwise 19583
accepted, and there exists no other reason to withhold 19584
retainage, the retained percentages held in connection with such 19585

portion and interest thereon accrued shall, within thirty days 19586
of substantial completion of, occupation of, use of, or 19587
acceptance of the project, ~~be released from escrow and paid to~~ 19588
the primary contractor, withholding only that amount reasonably 19589
necessary to assure final completion of the project. ~~Funds in~~ 19590
~~the escrow account not heretofore paid, with accumulated~~ 19591
~~interest, shall be paid to the person with whom the owner has~~ 19592
~~contracted thirty days from the date of completion or either~~ 19593
~~acceptance or occupancy by the owner. Such payments shall be in~~ 19594
~~accordance with division (A) (2) of section 153.63 of the Revised~~ 19595
~~Code.~~ Any retained funds withheld after substantial completion 19596
of, occupation of, use of, or acceptance of the project, and 19597
pending final completion of the project, and interest thereon 19598
accrued shall be paid to the primary contractor not later than 19599
thirty days after the date of final completion of the project. 19600
Nothing in this section shall be construed as a limitation upon 19601
the authority of the director of transportation granted in 19602
Chapter 5525. of the Revised Code. 19603

Sec. 153.14. For the construction of those projects, 19604
improvements, and public buildings over which the Ohio 19605
facilities construction commission has general supervision 19606
pursuant to section 123.21 of the Revised Code, the estimates 19607
referred to in section 153.13 of the Revised Code shall be filed 19608
with the executive director by the owner referred to in section 19609
153.01 or 153.12 of the Revised Code. Upon completion of a 19610
project referred to in section 153.13 of the Revised Code or any 19611
divisible part thereof, the maintenance and repair of such 19612
project or divisible part shall be assumed by the owner referred 19613
to in section 153.01 or 153.12 of the Revised Code. 19614

In addition to all other payments on account of work 19615
performed, there shall be allowed by the owner referred to in 19616

section 153.01 or 153.12 of the Revised Code and paid to the 19617
contractor a sum at the rate of ninety-two per cent of the 19618
invoice costs, not to exceed the bid price in a unit price 19619
contract, of material delivered on the site of the work, or a 19620
railroad station, siding, or other point in the vicinity of the 19621
work, or other approved storage site, provided such materials 19622
have been inspected and found to meet the specifications. The 19623
balance of such invoiced value shall be paid when such material 19624
is incorporated into and becomes a part of such building, 19625
construction, addition, improvement, alteration, or 19626
installation. When an estimate is allowed on account of material 19627
delivered on the site of the work or in the vicinity thereof or 19628
under the possession and control of the contractor but not yet 19629
incorporated therein, such material shall become the property of 19630
the owner under the contract, but if such material is stolen, 19631
destroyed, or damaged by casualty before being used, the 19632
contractor shall be required to replace it at the contractor's 19633
own expense. 19634

When the rate of work and amounts involved are so large 19635
that it is considered advisable by the owner or contractor, 19636
estimates and payments shall be made twice each month. 19637

Payment on approved estimates filed with the owner or its 19638
representative shall be made within thirty days. Upon the 19639
failure of the owner or its representative to make such payments 19640
within thirty days, or upon an unauthorized withholding of 19641
retainage, there shall be allowed to the contractor, in addition 19642
to any other remedies allowed by law, interest on such moneys 19643
not paid within thirty days. Interest on the unauthorized 19644
withholding of retainage shall be in addition to any interest 19645
earned ~~in the escrow account set forth as described in~~ section 19646
153.13 of the Revised Code. The rate of such interest shall be 19647

the average of the prime rate established at the commercial 19648
banks in the city of over one hundred thousand population that 19649
is nearest the construction project. Nothing in this section 19650
shall be construed as a limitation upon the authority of the 19651
director of transportation granted in Chapter 5525. of the 19652
Revised Code. 19653

Sec. 153.501. (A) A public authority may accept a 19654
subcontract awarded by a construction manager at risk, a design- 19655
build firm, or a general contracting firm, or may reject any 19656
such subcontract if the public authority determines that the 19657
bidder is not responsible. 19658

(B) A public authority may authorize a construction 19659
manager at risk or design-build firm to utilize a design-assist 19660
firm on any public improvement project without transferring any 19661
design liability to the design-assist firm. 19662

(C) If the construction manager at risk or design-build 19663
firm intends and is permitted by the public authority to self- 19664
perform a portion of the work to be performed, the construction 19665
manager at risk or design-build firm shall submit a sealed bid 19666
to the public authority for the portion of the work prior to 19667
accepting and opening any bids for the same work, except when 19668
the public authority requests a guaranteed maximum price 19669
proposal due at the time of selection. 19670

Sec. 153.502. (A) Each construction manager at risk and 19671
design-build firm shall establish criteria by which it will 19672
prequalify prospective bidders on subcontracts awarded for work 19673
to be performed under the construction management or design- 19674
build contract. The criteria established by a construction 19675
manager at risk or design-build firm shall be subject to the 19676
approval of the public authority involved in the project and 19677

shall be consistent with the rules adopted by the Ohio 19678
facilities construction commission pursuant to section 153.503 19679
of the Revised Code. 19680

(B) For each subcontract to be awarded, the construction 19681
manager at risk or design-build firm shall identify at least 19682
three prospective bidders that are prequalified to bid on that 19683
subcontract, except that the construction manager at risk or 19684
design-build firm shall identify fewer than three if the 19685
construction manager at risk or design-build firm establishes to 19686
the satisfaction of the public authority that fewer than three 19687
prequalified bidders are available. The public authority shall 19688
verify that each prospective bidder meets the prequalification 19689
criteria and, subject to division (E) of this section, may 19690
eliminate any bidder it determines is not qualified. 19691

(C) Once the prospective bidders are prequalified and 19692
found acceptable by the public authority, the construction 19693
manager at risk or design-build firm shall solicit proposals 19694
from each of those bidders. The solicitation and selection of a 19695
subcontractor shall be conducted under an open book pricing 19696
method. As used in this division, "open book pricing method" has 19697
the same meaning as in section 9.33 of the Revised Code, in the 19698
case of a construction manager at risk, and the same meaning as 19699
in section 153.65 of the Revised Code, in the case of a design- 19700
build firm. 19701

(D) A construction manager at risk or design-build firm 19702
shall not be required to award a subcontract to a low bidder. 19703

(E) Except as provided in section 307.921 of the Revised 19704
Code, no public authority shall eliminate a bidder as 19705
unqualified on the basis that the bidder has not complied with 19706
an affirmative action program or a diversity, equity, and 19707

inclusion program. This division shall not be construed to 19708
affect any set-aside programs for minority business enterprises 19709
or EDGE business enterprises, as defined in sections 122.921 and 19710
122.922 of the Revised Code, respectively. 19711

Sec. 153.54. (A) Except with respect to a contract 19712
described in section 9.334 or 153.693 of the Revised Code, each 19713
person bidding for a contract with the state or any political 19714
subdivision, district, institution, or other agency thereof, 19715
excluding therefrom the department of transportation, for any 19716
public improvement shall file with the bid, a bid guaranty in 19717
the form of ~~either~~ any of the following: 19718

(1) A bond in accordance with division (B) of this section 19719
for the full amount of the bid; 19720

(2) A certified check, cashier's check, or letter of 19721
credit pursuant to Chapter 1305. of the Revised Code, in 19722
accordance with division (C) of this section. Any such letter of 19723
credit is revocable only at the option of the beneficiary state, 19724
political subdivision, district, institution, or agency. The 19725
amount of the certified check, cashier's check, or letter of 19726
credit shall be equal to ten per cent of the bid; 19727

(3) An electronic verification through an electronic 19728
verification and security system described in section 153.08 of 19729
the Revised Code, if the state or any political subdivision, 19730
district, institution, or other agency thereof accepts bids 19731
electronically pursuant to section 153.08 of the Revised Code. 19732

(B) A bid guaranty filed pursuant to division (A) (1) of 19733
this section shall be conditioned to: 19734

(1) Provide that, if the bid is accepted, the bidder, 19735
after the awarding or the recommendation for the award of the 19736

contract, whichever the contracting authority designates, will 19737
enter into a proper contract in accordance with the bid, plans, 19738
details, and specifications. If for any reason, other than as 19739
authorized by section 9.31 of the Revised Code or division (G) 19740
of this section, the bidder fails to enter into the contract, 19741
and the contracting authority awards the contract to the next 19742
lowest bidder, the bidder and the surety on the bidder's bond 19743
are liable to the state, political subdivision, district, 19744
institution, or agency for the difference between the bid and 19745
that of the next lowest bidder, or for a penal sum not to exceed 19746
ten per cent of the amount of the bond, whichever is less. If 19747
the state, political subdivision, district, institution, or 19748
agency does not award the contract to the next lowest bidder but 19749
resubmits the project for bidding, the bidder failing to enter 19750
into the contract and the surety on the bidder's bond, except as 19751
provided in division (G) of this section, are liable to the 19752
state, political subdivision, district, institution, or agency 19753
for a penal sum not to exceed ten per cent of the amount of the 19754
bid or the costs in connection with the resubmission of printing 19755
new contract documents, required advertising, and printing and 19756
mailing notices to prospective bidders, whichever is less. 19757

(2) Indemnify the state, political subdivision, district, 19758
institution, or agency against all damage suffered by failure to 19759
perform the contract according to its provisions and in 19760
accordance with the plans, details, and specifications therefor 19761
and to pay all lawful claims of subcontractors, material 19762
suppliers, and laborers for labor performed or material 19763
furnished in carrying forward, performing, or completing the 19764
contract; and agree and assent that this undertaking is for the 19765
benefit of any subcontractor, material supplier, or laborer 19766
having a just claim, as well as for the state, political 19767

subdivision, district, institution, or agency. 19768

(C) (1) A bid guaranty filed pursuant to division (A) (2) of 19769
this section shall be conditioned to provide that if the bid is 19770
accepted, the bidder, after the awarding or the recommendation 19771
for the award of the contract, whichever the contracting 19772
authority designates, will enter into a proper contract in 19773
accordance with the bid, plans, details, specifications, and 19774
bills of material. If for any reason, other than as authorized 19775
by section 9.31 of the Revised Code or division (G) of this 19776
section, the bidder fails to enter into the contract, and the 19777
contracting authority awards the contract to the next lowest 19778
bidder, the bidder is liable to the state, political 19779
subdivision, district, institution, or agency for the difference 19780
between the bidder's bid and that of the next lowest bidder, or 19781
for a penal sum not to exceed ten per cent of the amount of the 19782
bid, whichever is less. If the state, political subdivision, 19783
district, institution, or agency does not award the contract to 19784
the next lowest bidder but resubmits the project for bidding, 19785
the bidder failing to enter into the contract, except as 19786
provided in division (G) of this section, is liable to the 19787
state, political subdivision, district, institution, or agency 19788
for a penal sum not to exceed ten per cent of the amount of the 19789
bid or the costs in connection with the resubmission, of 19790
printing new contract documents, required advertising, and 19791
printing and mailing notices to prospective bidders, whichever 19792
is less. 19793

If the bidder enters into the contract, the bidder, at the 19794
time the contract is entered to, shall file a bond for the 19795
amount of the contract to indemnify the state, political 19796
subdivision, district, institution, or agency against all damage 19797
suffered by failure to perform the contract according to its 19798

provisions and in accordance with the plans, details, and 19799
specifications and to pay all lawful claims of subcontractors, 19800
material suppliers, and laborers for labor performed or material 19801
furnished in carrying forward, performing, or completing the 19802
contract; and agree and assent that this undertaking is for the 19803
benefit of any subcontractor, material supplier, or laborer 19804
having a just claim, as well as for the state, political 19805
subdivision, district, institution, or agency. 19806

(2) A construction manager who enters into a contract 19807
pursuant to sections 9.33 to 9.333 of the Revised Code, if 19808
required by the public authority at the time the construction 19809
manager enters into the contract, shall file a letter of credit 19810
pursuant to Chapter 1305. of the Revised Code, bond, certified 19811
check, or cashier's check, for the value of the construction 19812
management contract to indemnify the state, political 19813
subdivision, district, institution, or agency against all damage 19814
suffered by the construction manager's failure to perform the 19815
contract according to its provisions, and shall agree and assent 19816
that this undertaking is for the benefit of the state, political 19817
subdivision, district, institution, or agency. A letter of 19818
credit provided by the construction manager is revocable only at 19819
the option of the beneficiary state, political subdivision, 19820
district, institution, or agency. 19821

(D) Where the state, political subdivision, district, 19822
institution, or agency accepts a bid but the bidder fails or 19823
refuses to enter into a proper contract in accordance with the 19824
bid, plans, details, and specifications within ten days after 19825
the awarding of the contract, the bidder and the surety on any 19826
bond, except as provided in division (G) of this section, are 19827
liable for the amount of the difference between the bidder's bid 19828
and that of the next lowest bidder, but not in excess of the 19829

liability specified in division (B) (1) or (C) of this section. 19830
Where the state, political subdivision, district, institution, 19831
or agency then awards the bid to such next lowest bidder and 19832
such next lowest bidder also fails or refuses to enter into a 19833
proper contract in accordance with the bid, plans, details, and 19834
specifications within ten days after the awarding of the 19835
contract, the liability of such next lowest bidder, except as 19836
provided in division (G) of this section, is the amount of the 19837
difference between the bids of such next lowest bidder and the 19838
third lowest bidder, but not in excess of the liability 19839
specified in division (B) (1) or (C) of this section. Liability 19840
on account of an award to any lowest bidder beyond the third 19841
lowest bidder shall be determined in like manner. 19842

(E) Notwithstanding division (C) of this section, where 19843
the state, political subdivision, district, institution, or 19844
agency resubmits the project for bidding, each bidder whose bid 19845
was accepted but who failed or refused to enter into a proper 19846
contract, except as provided in division (G) of this section, is 19847
liable for an equal share of a penal sum in connection with the 19848
resubmission, of printing new contract documents, required 19849
advertising, and printing and mailing notices to prospective 19850
bidders, but no bidder's liability shall exceed the amount of 19851
the bidder's bid guaranty. 19852

(F) All bid guaranties filed pursuant to this section 19853
shall be payable to the state, political subdivision, district, 19854
institution, or agency, be for the benefit of the state, 19855
political subdivision, district, institution, or agency or any 19856
person having a right of action thereon, and be deposited with, 19857
and held by, the board, officer, or agent contracting on behalf 19858
of the state, political subdivision, district, institution, or 19859
agency. All bonds filed pursuant to this section shall be issued 19860

by a surety company authorized to do business in this state as 19861
surety approved by the board, officer, or agent awarding the 19862
contract on behalf of the state, political subdivision, 19863
district, institution, or agency. 19864

(G) A bidder for a contract with the state or any 19865
political subdivision, district, institution, or other agency 19866
thereof, excluding therefrom the Ohio department of 19867
transportation, for a public improvement costing less than one- 19868
half million dollars may withdraw the bid from consideration if 19869
the bidder's bid for some other contract with the state or any 19870
political subdivision, district, institution, or other agency 19871
thereof, excluding therefrom the department of transportation, 19872
for the public improvement costing less than one-half million 19873
dollars has already been accepted, if the bidder certifies in 19874
good faith that the total amount of all the bidder's current 19875
contracts is less than one-half million dollars, and if the 19876
surety certifies in good faith that the bidder is unable to 19877
perform the subsequent contract because to do so would exceed 19878
the bidder's bonding capacity. If a bid is withdrawn under 19879
authority of this division, the contracting authority may award 19880
the contract to the next lowest bidder or reject all bids and 19881
resubmit the project for bidding, and neither the bidder nor the 19882
surety on the bidder's bond are liable for the difference 19883
between the bidder's bid and that of the next lowest bidder, for 19884
a penal sum, or for the costs of printing new contract 19885
documents, required advertising, and printing and mailing 19886
notices to prospective bidders. 19887

(H) Bid guaranties filed pursuant to division (A) of this 19888
section shall be returned to all unsuccessful bidders 19889
immediately after the contract is executed. The bid guaranty 19890
filed pursuant to division (A) (2) of this section shall be 19891

returned to the successful bidder upon filing of the bond 19892
required in division (C) of this section. 19893

thereto, made in the bond proceedings may therein be extended to 21597
the benefit of the owners and holders of obligations authorized 21598
by this section, and to any trustee therefor, for the further 21599
security of the payment of the bond service charges. 21600

(E) The bond proceedings may contain additional provisions	21601
as to:	21602

(3) Limitations on the issuance of additional obligations;	21608
(4) The terms of any trust agreement or indenture securing	21609
the obligations or under which the same may be issued;	21610
(5) The deposit, investment and application of special	21611

to particular funds or moneys, provided that any bank or trust	21615
company which acts as depository of any moneys in the special	21616
funds may furnish such indemnifying bonds or may pledge such	21617
securities as required by the issuing authority;	21618
(6) Any or every provision of the bond proceedings being	21619
binding upon such officer, board, commission, authority, agency,	21620
department, or other person or body as may from time to time	21621
have the authority under law to take such actions as may be	21622
necessary to perform all or any part of the duty required by	21623
such provision;	21624
(7) Any provision that may be made in a trust agreement or	21625
indenture;	21626
(8) Any other or additional agreements with the holders of	21627
the obligations, or the trustee therefor, relating to the	21628

obligations or the security therefor, including the assignment 21629
of mortgages or other security obtained or to be obtained for 21630
loans under section 122.43, 166.07, or 166.16 of the Revised 21631
Code. 21632

(F) The obligations may have the great seal of the state 21633
or a facsimile thereof affixed thereto or printed thereon. The 21634
obligations and any coupons pertaining to obligations shall be 21635
signed or bear the facsimile signature of the issuing authority. 21636
Any obligations or coupons may be executed by the person who, on 21637
the date of execution, is the proper issuing authority although 21638
on the date of such bonds or coupons such person was not the 21639
issuing authority. If the issuing authority whose signature or a 21640
facsimile of whose signature appears on any such obligation or 21641
coupon ceases to be the issuing authority before delivery 21642
thereof, such signature or facsimile is nevertheless valid and 21643
sufficient for all purposes as if the former issuing authority 21644
had remained the issuing authority until such delivery; and if 21645
the seal to be affixed to obligations has been changed after a 21646
facsimile of the seal has been imprinted on such obligations, 21647
such facsimile seal shall continue to be sufficient as to such 21648
obligations and obligations issued in substitution or exchange 21649
therefor. 21650

(G) All obligations are negotiable instruments and 21651
securities under Chapter 1308. of the Revised Code, subject to 21652
the provisions of the bond proceedings as to registration. The 21653
obligations may be issued in coupon or in registered form, or 21654
both, as the issuing authority determines. Provision may be made 21655
for the registration of any obligations with coupons attached 21656
thereto as to principal alone or as to both principal and 21657
interest, their exchange for obligations so registered, and for 21658
the conversion or reconversion into obligations with coupons 21659

attached thereto of any obligations registered as to both 21660
principal and interest, and for reasonable charges for such 21661
registration, exchange, conversion, and reconversion. 21662

as determined by the issuing authority, be sold at private sale, 21667
and without publication of a notice of sale. 21668

(I) Pending preparation of definitive obligations, the 21669
issuing authority may issue interim receipts or certificates 21670
which shall be exchanged for such definitive obligations. 21671

(J) In the discretion of the issuing authority, 21672
obligations may be secured additionally by a trust agreement or 21673
indenture between the issuing authority and a corporate trustee 21674
which may be any trust company or bank having a place of 21675
business within the state. Any such agreement or indenture may 21676
contain the resolution or order authorizing the issuance of the 21677
obligations, any provisions that may be contained in any bond 21678
proceedings, and other provisions which are customary or 21679
appropriate in an agreement or indenture of such type, 21680
including, but not limited to: 21681

(1) Maintenance of each pledge, trust agreement, 21682
indenture, or other instrument comprising part of the bond 21683
proceedings until the state has fully paid the bond service 21684
charges on the obligations secured thereby, or provision 21685
therefor has been made; 21686

(2) In the event of default in any payments required to be 21687
made by the bond proceedings, or any other agreement of the 21688

issuing authority made as a part of the contract under which the 21689
obligations were issued, enforcement of such payments or 21690
agreement by mandamus, the appointment of a receiver, suit in 21691
equity, action at law, or any combination of the foregoing; 21692

(3) The rights and remedies of the holders of obligations 21693
and of the trustee, and provisions for protecting and enforcing 21694
them, including limitations on rights of individual holders of 21695
obligations; 21696

(4) The replacement of any obligations that become 21697
mutilated or are destroyed, lost, or stolen; 21698

(5) Such other provisions as the trustee and the issuing 21699
authority agree upon, including limitations, conditions, or 21700
qualifications relating to any of the foregoing. 21701

(K) Any holders of obligations or trustees under the bond 21702
proceedings, except to the extent that their rights are 21703
restricted by the bond proceedings, may by any suitable form of 21704
legal proceedings, protect and enforce any rights under the laws 21705
of this state or granted by such bond proceedings. Such rights 21706
include the right to compel the performance of all duties of the 21707
issuing authority, the director of development, the Ohio air 21708
quality development authority, or the division of liquor control 21709
required by this chapter or the bond proceedings; to enjoin 21710
unlawful activities; and in the event of default with respect to 21711
the payment of any bond service charges on any obligations or in 21712
the performance of any covenant or agreement on the part of the 21713
issuing authority, the director of development, the Ohio air 21714
quality development authority, or the division of liquor control 21715
in the bond proceedings, to apply to a court having jurisdiction 21716
of the cause to appoint a receiver to receive and administer the 21717
pledged receipts and special funds, other than those in the 21718

custody of the treasurer of state, which are pledged to the 21719
payment of the bond service charges on such obligations or which 21720
are the subject of the covenant or agreement, with full power to 21721
pay, and to provide for payment of bond service charges on, such 21722
obligations, and with such powers, subject to the direction of 21723
the court, as are accorded receivers in general equity cases, 21724
excluding any power to pledge additional revenues or receipts or 21725
other income or moneys of the issuing authority or the state or 21726
governmental agencies of the state to the payment of such 21727
principal and interest and excluding the power to take 21728
possession of, mortgage, or cause the sale or otherwise dispose 21729
of any project facilities. 21730

Each duty of the issuing authority and the issuing 21731
authority's officers and employees, and of each governmental 21732
agency and its officers, members, or employees, undertaken 21733
pursuant to the bond proceedings or any agreement or lease, 21734
lease-purchase agreement, or loan made under authority of this 21735
chapter, and in every agreement by or with the issuing 21736
authority, is hereby established as a duty of the issuing 21737
authority, and of each such officer, member, or employee having 21738
authority to perform such duty, specifically enjoined by the law 21739
resulting from an office, trust, or station within the meaning 21740
of section 2731.01 of the Revised Code. 21741

The person who is at the time the issuing authority, or 21742
the issuing authority's officers or employees, are not liable in 21743
their personal capacities on any obligations issued by the 21744
issuing authority or any agreements of or with the issuing 21745
authority. 21746

(L) The issuing authority may authorize and issue 21747
obligations for the refunding, including funding and retirement, 21748

and advance refunding with or without payment or redemption 21749
prior to maturity, of any obligations previously issued by the 21750
issuing authority. Such obligations may be issued in amounts 21751
sufficient for payment of the principal amount of the prior 21752
obligations, any redemption premiums thereon, principal 21753
maturities of any such obligations maturing prior to the 21754
redemption of the remaining obligations on a parity therewith, 21755
interest accrued or to accrue to the maturity dates or dates of 21756
redemption of such obligations, and any allowable costs 21757
including expenses incurred or to be incurred in connection with 21758
such issuance and such refunding, funding, and retirement. 21759
Subject to the bond proceedings therefor, the portion of 21760
proceeds of the sale of obligations issued under this division 21761
to be applied to bond service charges on the prior obligations 21762
shall be credited to an appropriate account held by the trustee 21763
for such prior or new obligations or to the appropriate account 21764
in the bond service fund for such obligations. Obligations 21765
authorized under this division shall be deemed to be issued for 21766
those purposes for which such prior obligations were issued and 21767
are subject to the provisions of this section pertaining to 21768
other obligations, except as otherwise provided in this section; 21769
provided that, unless otherwise authorized by the general 21770
assembly, any limitations imposed by the general assembly 21771
pursuant to this section with respect to bond service charges 21772
applicable to the prior obligations shall be applicable to the 21773
obligations issued under this division to refund, fund, advance 21774
refund or retire such prior obligations. 21775

(M) The authority to issue obligations under this section 21776
includes authority to issue obligations in the form of bond 21777
anticipation notes and to renew the same from time to time by 21778
the issuance of new notes. The holders of such notes or interest 21779

coupons pertaining thereto shall have a right to be paid solely 21780
from the pledged receipts and special funds that may be pledged 21781
to the payment of the bonds anticipated, or from the proceeds of 21782
such bonds or renewal notes, or both, as the issuing authority 21783
provides in the resolution or order authorizing such notes. Such 21784
notes may be additionally secured by covenants of the issuing 21785
authority to the effect that the issuing authority and the state 21786
will do such or all things necessary for the issuance of such 21787
bonds or renewal notes in appropriate amount, and apply the 21788
proceeds thereof to the extent necessary, to make full payment 21789
of the principal of and interest on such notes at the time or 21790
times contemplated, as provided in such resolution or order. For 21791
such purpose, the issuing authority may issue bonds or renewal 21792
notes in such principal amount and upon such terms as may be 21793
necessary to provide funds to pay when required the principal of 21794
and interest on such notes, notwithstanding any limitations 21795
prescribed by or for purposes of this section. Subject to this 21796
division, all provisions for and references to obligations in 21797

fund, shall be deposited and credited to such fund and to any 21903
separate accounts therein, subject to applicable provisions of 21904
the bond proceedings, but without necessity for any act of 21905
appropriation. During the period beginning with the date of the 21906
first issuance of obligations and continuing during such time as 21907
any such obligations are outstanding, and so long as moneys in 21908
the pertinent bond service funds are insufficient to pay all 21909

equitable manner as the director prescribes. In the event that 22370
the amount to be withdrawn from any one holder is less than five 22371
hundred dollars, the amount to be withdrawn is at the director's 22372

discretion. The director shall then transfer to the agency the 22373
amount of funds requested. 22374

other operating and administrative expenses the department of 22380
commerce incurs in the administration and enforcement of this 22381
chapter. 22382

The unclaimed funds trust fund shall be assessed a 22383
proportionate share of the administrative costs of the 22384
department of commerce in accordance with procedures the 22385

the credit of the mortgage funds shall, at the option of the 22390
financial organization, be credited to the accounts at times and 22391
at rates as earnings are paid on other accounts of the same 22392
classification held in the financial organization or paid to the 22393
director. The director shall be notified annually, and at other 22394
times as the director may request, of the amount of the earnings 22395

reported to the director, or equal to the net proceeds if the 22410
securities or other property have been sold, together with 22411

formal hearing if requested or considered necessary and receive 22422
evidence concerning such claim. A finding and decision in 22423
writing on each claim filed shall be prepared, stating the 22424
substance of any evidence received or heard and the reasons for 22425
allowance or disallowance of the claim. The evidence and 22426

(C) For the purpose of conducting any hearing, the 22430
director may require the attendance of such witnesses and the 22431
production of such books, records, and papers as the director 22432

desires, and the director may take the depositions of witnesses 22433
residing within or without this state in the same manner as is 22434
prescribed by law for the taking of depositions in civil actions 22435
in the court of common pleas, and for that purpose the director 22436
may issue a subpoena for any witness or a subpoena duces tecum 22437
to compel the production of any books, records, or papers, 22438
directed to the sheriff of the county where such witness resides 22439
or is found, which shall be served and returned. The fees of the 22440
sheriff shall be the same as that allowed in the court of common 22441
pleas in criminal cases. Witnesses shall be paid the fees and 22442
mileage provided for under section 119.094 of the Revised Code. 22443
Fees and mileage shall be paid from the unclaimed funds trust 22444
fund. 22445

(D) ~~Interest~~ Except as otherwise provided in division (I) 22446
of this section, interest earned by the state shall be payable 22447

after, interest shall be paid at the applicable required rate 22458
per annum for the period held from August 3, 2000, or the date 22459
of receipt, whichever is later, up to and including the date the 22460
claim is paid. 22461

(E) Claims shall be paid from the trust fund. If the 22462
amount available in the trust fund is not sufficient to pay 22463

pending claims, or other amounts disbursable from the trust 22464
fund, the treasurer of state shall certify such fact to the 22465
director, who shall then withdraw such amount of funds from the 22466
mortgage accounts as the director determines necessary to 22467
reestablish the trust fund to a level required to pay 22468
anticipated claims but not more than ten per cent of the net 22469
unclaimed funds reported to date. 22470

The director may withdraw the funds paid to the director 22471
by the holders and deposited by the director with the treasurer 22472
of state or in a financial institution as agent for such funds. 22473

the trust fund, the director shall provide for a withdrawal of 22475
funds, within a reasonable time, in such amount as is necessary 22476
to meet the requirements, from financial institutions in which 22477

prescribed by the director. In the event that the amount to be 22480
withdrawn from any one such holder is less than five hundred 22481
dollars, the amount to be withdrawn shall be at the discretion 22482
of the director. Such funds may be reimbursed in the amounts 22483
withdrawn when the trust fund has a surplus over the amount 22484
required to pay anticipated claims. Whenever the trust fund has 22485
a surplus over the amount required to pay anticipated claims, 22486
the director may transfer such surplus to the mortgage accounts. 22487

relates to funds which have been retained by the reporting 22489
holder, and if the funds, on deposit with the treasurer of state 22490
pursuant to this chapter, are insufficient to pay claims, the 22491
director may notify such holder in writing of the payment of the 22492
claim and such holder shall immediately reimburse the state in 22493
the amount of such claim. The reimbursement shall be credited to 22494

the unclaimed funds trust fund. 22495

(2) If a claim that is allowed under this section relates 22496

of interest as required by division (D) of this section. The 22504
reimbursement shall be credited to the unclaimed funds trust 22505
fund. 22506

(G) Any person, including the office of child support, 22507
adversely affected by a decision of the director may appeal such 22508
decision in the manner provided in Chapter 119. of the Revised 22509
Code. 22510

In the event the claimant prevails, the claimant shall be 22511
reimbursed for reasonable attorney's fees and costs. 22512

(H) Notwithstanding anything to the contrary in this 22513
chapter, any holder who has paid moneys to or entered into an 22514
agreement with the director pursuant to section 169.05 of the 22515
Revised Code on certified checks, cashiers' checks, bills of 22516
exchange, letters of credit, drafts, money orders, or travelers' 22517
checks, may make payment to any person entitled thereto, 22518
including the office of child support, and upon surrender of the 22519
document, except in the case of travelers' checks, and proof of 22520

Revised Code on or before January 1, 2016, are deemed abandoned 22525

payment of the claim. 22552

(d) The director shall pay claims under division (I) (3) (b) 22553
of this section from the unclaimed funds trust fund and shall 22554
not seek reimbursement for such claims from the Ohio cultural 22555
and sports facility performance grant fund created under section 22556
123.282 of the Revised Code or deduct the amount of such claims 22557
from future remissions to that fund required by division (I) (4) 22558
of this section. 22559

(e) Any claim filed after the date the unclaimed funds and 22560
interest are deemed abandoned and escheat to the state and after 22561
January 1, 2036, is void. 22562

grant fund created under section 123.282 of the Revised Code. 22568
The director shall notify the director of budget and management 22569
of all funds and interest remitted under this division. 22570

abandoned and escheat to the state are retained or invested by a 22572
holder pursuant to an agreement under division (A) of section 22573

and the holder shall pay the funds and interest to the director 22575
in a form and manner determined by the director. 22576

provider, the department of aging or its designee shall request 23275
that the superintendent of the bureau of criminal identification 23276

criminal records check, the department or its designee shall 23301
request that the superintendent obtain information from the 23302
federal bureau of investigation as part of the criminal records 23303
check. Even if a self-employed provider for whom a criminal 23304
records check request is required by this section presents proof 23305
of having been a resident of this state for the five-year 23306
period, the department or its designee may request that the 23307

pursuant to division (C)(3) of section 109.572 of the Revised 23323
Code for each criminal records check of a self-employed provider 23324
the department or its designee requests under this section. The 23325

department or its designee may charge the self-employed provider 23326
a fee that does not exceed the amount the department or its 23327
designee pays to the bureau. 23328

(G) The report of any criminal records check of a self- 23329
employed provider conducted pursuant to a request made under 23330

provider's community-based long-term care services certificate 23350
or community-based long-term care services contract or grant; 23351

(c) A civil or criminal action regarding a program the 23352
department of aging administers. 23353

(5) Pursuant to a lawful subpoena or valid court order, 23354
any necessary individual not identified in division (G) (4) of 23355
this section who is involved in a case dealing with any issue, 23356
matter, or action described in division (G) (4) (a), (b), or (c) 23357
of this section. 23358

(H) In a tort or other civil action for damages that is 23359
brought as the result of an injury, death, or loss to person or 23360
property caused by a self-employed provider, both of the 23361

(2) If the department or its designee in good faith issued 23374

self-employed provider's certificate or contract or grant 23378
because the self-employed provider meets standards specified in 23379
rules adopted under this section, the department and its 23380
designee shall not be found negligent solely because the self- 23381
employed provider has been convicted of, pleaded guilty to, or 23382

(D) Immediately after approving the final cost 23741

eligibility certificate and any information described in 23767
division (I) of this section to each equity owner that has been 23768
allocated a credit under division (F) (2) of this section, if 23769
requested. 23770

(F) (1) For each year of a qualified project's credit 23771
period, the project owner or an equity owner may claim a 23772
nonrefundable credit against the tax imposed by section 5725.18, 23773
5726.02, 5729.03, 5729.06, or 5747.02 of the Revised Code equal 23774

annual credit amount for any year of a qualified project's 23780
credit period may be allocated by the project owner among one or 23781
more equity owners and may be applied by those equity owners 23782
against more than one tax, but the total credits claimed in 23783
connection with that year of the qualified project's credit 23784
period by all project owners and equity owners against all taxes 23785

shall not exceed the annual credit amount stated on the 23786
eligibility certificate. 23787

(3) A project owner or equity owner may claim the credit 23788
authorized by this section after the date the qualified project 23789
is placed into service but not before the director issues the 23790
project owner an eligibility certificate under division (D) of 23791
this section and the applicable report required by division (I) 23792
of this section is filed by the designated reporter. 23793

(4) A project owner or equity owner that claims a tax 23794
credit under division (F)(1) of this section shall submit a copy 23795
of the eligibility certificate with the project owner's or 23796
equity owner's tax return or report. Upon request of the tax 23797
commissioner or the superintendent of insurance, any project 23798
owner or equity owner claiming a tax credit under this section 23799
shall provide the commissioner or superintendent other 23800
documentation that may be necessary to verify that the project 23801
owner or equity owner is entitled to claim the credit. 23802

(5) A project owner that is a pass-through entity may 23803
allocate the credit authorized by this section to its equity 23804
owners under division (F)(2) of this section in any manner 23805
agreed to by such persons regardless of whether such equity 23806
owners are eligible for an allocation of the federal credit, 23807
whether the allocation of the credit under the terms of the 23808
agreement has substantial economic effect within the meaning of 23809
section 704(b) of the Internal Revenue Code, and whether any 23810
such person is deemed a partner of the project owner or equity 23811
owner for federal income tax purposes as long as the equity 23812
owner acquired its ownership interest prior to claiming the 23813
credit. The allocation shall be allowed without regard to any 23814
provision of the Internal Revenue Code, or regulation 23815

promulgated pursuant to it, that may be interpreted as contrary 23816
to the allocation, including, without limitation, the treatment 23817
of the allocation as a disguised sale. 23818

An equity owner may assign all or any part of its interest 23819
in a qualified project, including its interest in the tax 23820
credits authorized by this section, to one or more other equity 23821
owners, and each assignee shall be able to claim the credit so 23822
long as its interest is acquired prior to the filing of its tax 23823
return or report or amended tax return or report claiming the 23824
credit and the assignee's ownership interest is identified in 23825
the report required by division (I) of this section. 23826

(6) Nothing in this section or section 5725.36, 5726.58, 23827
5729.19, or 5747.83 of the Revised Code allows the assignment or 23828
transfer of any carryforward of the credit authorized under this 23829
section once the annual credit amount is claimed. 23830

(G) If any portion of the federal credit allocated to a 23831
qualified project is recaptured under section 42(j) of the 23832
Internal Revenue Code or is otherwise disallowed, the director 23833
shall recapture a proportionate amount of the tax credit claimed 23834
pursuant to this section in connection with the same qualified 23835
project. 23836

If the director determines to recapture such a tax credit, 23837
the director shall certify the name of each project owner and 23838
the amount to be recaptured to the tax commissioner and to the 23839
superintendent of insurance. The commissioner or superintendent 23840
shall determine the taxpayer or taxpayers that claimed the 23841
credit, the tax against which the credit was claimed, and the 23842
amount to be recaptured and make an assessment against the 23843
taxpayer or taxpayers under Chapter 5725., 5726., 5729., or 23844
5747. of the Revised Code, as applicable, for the amount of the 23845

tax credit to be recaptured. The time limitations on assessments 23846
under those chapters do not bar an assessment made under this 23847
division. 23848

(H) The director, in consultation with the tax 23849
commissioner and superintendent of insurance, shall adopt any 23850
rules necessary to implement this section in accordance with 23851

portion of the annual credit awarded on the eligibility 23860
certificate for that year; 23861

(b) The amount of the annual credit allocated to each such 23862
project owner and equity owner for such year and the tax against 23863
which the credit will be claimed; 23864

(c) The total of the amounts listed for each project owner 23865
and equity owner under division (I) (1) (b) of this section, 23866
demonstrating that the total does not exceed the amount listed 23867
on the eligibility certificate for that year. 23868

(2) A designated reporter shall notify the tax 23869
commissioner ~~and the superintendent of insurance~~ of any changes 23870
to the information reported in division (I) (1) of this section 23871
in the time and manner prescribed by the commissioner ~~and~~ 23872
~~superintendent~~. 23873

(3) No credit allocated under this section may be claimed 23874

by a project owner or equity owner for a year unless that owner 23875

The director shall competitively evaluate and approve 23943
applications and award tax credit reservations under this 23944
section for a qualified project in accordance with the plan 23945
adopted under division (I) (1) of this section. The director 23946
shall determine the credit amount reserved for each qualified 23947
project, which shall not exceed the difference between the total 23948
estimated development costs included with the application and 23949
the appraised market value of all homes in the finished project, 23950
as estimated by the director. The director shall not reserve a 23951
credit under this section if doing so would exceed the annual 23952
limit prescribed by division (B) (3) of this section. 23953

(2) The director shall send written notice of the tax 23954
credit reservation to the project development owner of an 23955
approved qualified project. The notice shall state the aggregate 23956
credit amount reserved for all years of the qualified project's 23957
credit period and stipulate that receipt of the credit is 23958
contingent upon issuance of an eligibility certificate and 23959

filing the information required by division (H) of this section. 23960

(3) The amount of credits reserved by the director under 23961
division (B) of this section in a fiscal year shall not exceed 23962
the sum of (a) fifty million dollars, (b) the amount, if any, by 23963
which the credit allocation prescribed by this division for the 23964
preceding fiscal year exceeds the credits reserved by the 23965
director in that year, and (c) the amount of tax credits 23966
recaptured, assessed, and collected by the tax commissioner or 23967
superintendent of insurance, and disallowed or subject to 23968
reduction under this section in the preceding fiscal year. For 23969
the purpose of computing and determining compliance with the 23970
credit allocation prescribed by division (B)(3) of this section, 23971
the credit amount reserved for the project development owner is 23972
the full amount for all years of the qualified project's credit 23973
period. 23974

(4) The director shall not reserve a tax credit under this 23975
section after June 30, 2027. 23976

(C) The project development owner shall maintain ownership 23977
of a qualified project and associated single-family dwellings 23978
until the dwellings are sold to qualified buyers. The project 23979
development team shall service the associated properties of a 23980
qualified project for the duration of the applicable 23981
affordability period. 23982

The qualified buyer of a single-family home constructed as 23983
part of a qualified project for which a tax credit was reserved 23984
under this section shall occupy the home as the buyer's primary 23985
residence during the affordability period. 23986

(D) Upon completion of a qualified project for which a tax 23987
credit was reserved under this section, the project development 23988

owner shall notify the director and provide a final development 23989
cost certification for approval. After receipt of this notice, 23990
the director shall appraise the project's dwellings. Immediately 23991
after approving the final cost certification, the director shall 23992
compute the amount of the tax credit that may be claimed in each 23993
year and issue an eligibility certificate to the project 23994
development owner. That annual amount, which shall be stated on 23995
the certificate, shall equal one-tenth of the reserved credit 23996
amount stated in the notice issued under division (B) of this 23997
section, subject to any reduction or increase as the result of 23998
the approval of the final cost certification and the appraisal 23999
conducted under this division. 24000

(E) Each eligibility certificate shall state the annual 24001
credit amount, the years that comprise the credit period, the 24002
name, address, and the taxpayer identification number of the 24003
project development owner, the project development owner's 24004
designated reporter, and all members of the project development 24005
team along with the date the certificate is issued, a unique 24006
identifying number, and any additional information the director 24007
may require by rule. The director shall certify a copy of each 24008
eligibility certificate to the tax commissioner and the 24009
superintendent of insurance. 24010

(F) (1) For each year of a qualified project's credit 24011
period, a project development owner may claim a nonrefundable 24012
credit against the tax imposed by section 5725.18, 5726.02, 24013
5729.03, 5729.06, or 5747.02 of the Revised Code equal to all or 24014
a portion of the annual credit amount listed on the eligibility 24015
certificate. The credit shall be claimed in the manner 24016
prescribed by section 5725.37, 5726.60, 5729.20, or 5747.84 of 24017
the Revised Code. 24018

(2) A project development owner may or, if the owner is 24019
not subject to any tax against which the credit authorized under 24020
this section may be claimed, shall allocate all or a portion of 24021
the annual credit amount for any year of a qualified project's 24022
credit period among one or more project development investors. 24023
Such allocated credits may be applied by those project 24024
development investors or the equity owners of such an investor 24025
that is a pass-through entity against more than one tax, as 24026
applicable, but the total credits claimed for that year of the 24027
qualified project's credit period by all project development 24028
investors and equity owners shall not exceed the annual credit 24029
amount stated on the eligibility certificate. 24030

(3) A project development investor or the equity owner of 24031
such an investor that is a pass-through entity may claim the 24032
credit authorized by this section after the date the director 24033
issues an eligibility certificate under division (D) of this 24034
section and the applicable annual report required by division 24035
(H) of this section is filed by the designated reporter. 24036

(4) A project development investor or equity owner that 24037
claims a tax credit under division (F)(2) of this section shall 24038
submit a copy of the eligibility certificate with the investor's 24039
or equity owner's tax return. Upon request of the tax 24040
commissioner or the superintendent of insurance, any project 24041
development investor or equity owner claiming a tax credit under 24042
that division shall provide the tax commissioner or 24043
superintendent other documentation that may be necessary to 24044
verify that the project development investor or equity owner is 24045
entitled to claim the credit. 24046

(G) The director may disallow or recapture any portion of 24047
a credit if the project development owner or the project 24048

development owner's qualified project does not or ceases to 24049
qualify for the credit. If the director determines to recapture 24050
such a tax credit, the director shall certify the name of the 24051
project development owner, and the amount to be recaptured to 24052
the tax commissioner and to the superintendent of insurance. The 24053

or taxpayers that claimed the credit, the tax against which the 24055

5725., 5726., 5729., or 5747. of the Revised Code, as 24058
applicable, for the amount to be recaptured. The time 24059
limitations on assessments under those chapters do not bar an 24060
assessment made under this division. 24061

(2) The board of elections shall determine the sufficiency 24399
and validity of the petition not later than thirty days after 24400
the petition is certified to the board of elections by the board 24401

insufficient number of valid signatures, the board immediately 24404
shall notify the person who presented the petition. The person 24405
may submit additional signatures not later than ten days after 24406
the notification. 24407

Sec. 305.021. (A) When there is a vacancy in the county 24408
engineer's office as a result of death or resignation and the 24409
vacancy cannot be filled by election or appointment as provided 24410
in section 305.02 of the Revised Code, or if no one runs for the 24411
office of county engineer and, for that reason, the office is 24412
vacant, the board of county commissioners may contract with 24413
another county's county engineer to exercise the powers and 24414
perform the acts, duties, or functions of the county engineer. 24415
Notwithstanding any contrary provision of the Revised Code or 24416
the common law, the same person may serve as the county engineer 24417
of more than one county, including adjacent counties, under this 24418
section. 24419

(B) A county engineer with whom the board contracts shall 24420
receive supplemental compensation for services rendered under 24421

specified in sections 325.14 and 325.18 of the Revised Code for 24424
the population range of the county in which the engineer is 24425
contracted to perform services, prorated for the duration of the 24426
contract. The supplemental compensation shall have no effect on 24427
the compensation a county engineer receives for serving as 24428
county engineer in the county in which the engineer holds 24429
office. The duration of the contract shall not extend beyond the 24430
last day of the term for which there was a vacancy. 24431

Sec. 305.03. ~~(A)(1)~~ (A) Whenever any county officer, ~~except~~ 24432
~~the county auditor or county treasurer,~~ fails to perform the 24433
duties of office for ~~ninety~~ thirty consecutive days, except in 24434
case of sickness or injury as provided in divisions (B) and (C) 24435
of this section, the office shall be deemed vacant. Performing 24436
the duties of office includes a county officer appearing in 24437
person at the officer's principal office location on at least 24438
one out of thirty consecutive days. 24439

~~(2) Whenever any county auditor or county treasurer fails~~ 24440
~~to perform the duties of office for thirty consecutive days,~~ 24441
~~except in case of sickness or injury as provided in divisions~~ 24442
~~(B) and (C) of this section, the office shall be deemed vacant.~~ 24443

(B) Whenever any county officer is absent because of 24444

board of county commissioners a certificate from a physician, 24446
certified nurse-midwife, clinical nurse specialist, or certified 24447
nurse practitioner of the officer's sickness or injury. If the 24448
certificate is not filed with the board within ten days after 24449
the expiration of thirty consecutive days, ~~in the case of a~~ 24450
~~county auditor or county treasurer, or within ten days after the~~ 24451
~~expiration of ninety consecutive days of absence, in the case of~~ 24452

~~all other county officers,~~ the office shall be deemed vacant. 24453

(C) Whenever a county officer files a certificate under 24454
division (B) of this section, but continues to be absent for an 24455
additional thirty days commencing immediately after the last day 24456
on which this certificate may be filed under division (B) of 24457
this section, the office shall be deemed vacant. 24458

(D) If at any time two county commissioners in a county 24459
are absent and have filed a certificate under division (B) of 24460
this section, the county coroner, in addition to performing the 24461
duties of coroner, shall serve as county commissioner until at 24462
least one of the absent commissioners returns to office or until 24463
the office of at least one of the absent commissioners is deemed 24464
vacant under this section and the vacancy is filled. If the 24465
coroner so requests, the coroner shall be paid a per diem rate 24466
for the coroner's service as a commissioner. That per diem rate 24467
shall be the annual salary specified by law for a county 24468
commissioner of that county whose term of office began in the 24469
same year as the coroner's term of office began, divided by the 24470
number of days in the year. 24471

While the coroner is serving as a county commissioner, the 24472
coroner shall be considered an acting county commissioner and 24473
shall perform the duties of the office of county commissioner 24474
until at least one of the absent commissioners returns to office 24475

is deemed vacant. Before assuming the office of acting county 24477
commissioner, the coroner shall take an oath of office as 24478
provided in sections 3.22 and 3.23 of the Revised Code. The 24479
coroner's service as an acting county commissioner does not 24480
constitute the holding of an incompatible public office or 24481
employment in violation of any statutory or common law 24482

prohibition against the simultaneous holding of more than one 24483
public office or employment. 24484

The coroner shall give a new bond in the same amount and 24485
signed and approved as provided in section 305.04 of the Revised 24486
Code. The bond shall be conditioned for the faithful discharge 24487
of the coroner's duties as acting county commissioner and for 24488
the payment of any loss or damage that the county may sustain by 24489
reason of the coroner's failure in those duties. The bond, along 24490
with the oath of office and approval of the probate judge 24491
indorsed on it, shall be deposited and paid for as provided for 24492
the bonds in section 305.04 of the Revised Code. 24493

(E) Any vacancy declared under this section shall be 24494
filled in the manner provided by section 305.02 of the Revised 24495
Code. 24496

(F) This section shall not apply to a county officer while 24497
in the active military service of the United States. 24498

Sec. 306.32. Any county, or any two or more counties, 24499
municipal corporations, or townships, or any combination of 24500
these, may create a regional transit authority by the adoption 24501
of a resolution or ordinance by the board of county 24502
commissioners of each county, the legislative authority of each 24503
municipal corporation, and the board of township trustees of 24504
each township which is to create or to join in the creation of 24505
the regional transit authority. The resolution or ordinance 24506
shall state: 24507

(A) The necessity for the creation of a regional transit 24508
authority; 24509

(B) The counties, municipal corporations, or townships 24510
which are to create or to join in the creation of the regional 24511

transit authority; 24512

(C) The official name by which the regional transit 24513
authority shall be known; 24514

(D) The place in which the principal office of the 24515
regional transit authority will be located or the manner in 24516
which it may be selected; 24517

(E) The number, term, and compensation, or method for 24518
establishing compensation, of the members of the board of 24519
trustees of the regional transit authority. Compensation shall 24520
not exceed fifty dollars for each board and committee meeting 24521
attended by a member, except that if compensation is provided 24522
annually it shall not exceed six thousand dollars for the 24523
president of the board or four thousand eight hundred dollars 24524
for each other board member. 24525

(F) The manner in which vacancies on the board of trustees 24526
of the regional transit authority shall be filled; 24527

(G) The manner and to what extent the expenses of the 24528
regional transit authority shall be apportioned among the 24529
counties, municipal corporations, and townships creating it; 24530

(H) The purposes, including the kinds of transit 24531
facilities, for which the regional transit authority is 24532
organized. 24533

The regional transit authority provided for in the 24534
resolution or ordinance shall be deemed to be created upon the 24535
adoption of the resolution or ordinance by the board of county 24536
commissioners of each county, the legislative authority of each 24537
municipal corporation, and the board of township trustees of 24538
each township enumerated in the resolution or ordinance. 24539

The resolution or ordinance creating a regional transit authority may be amended to include additional counties, municipal corporations, or townships or for any other purpose, by the adoption of the amendment by the board of county commissioners of each county, the legislative authority of each municipal corporation, and the board of township trustees of each township which has created or joined or proposes to join the regional transit authority.

After each county, municipal corporation, and township which has created or joined or proposes to join the regional transit authority has adopted its resolution or ordinance approving inclusion of additional counties, municipal corporations, or townships in the regional transit authority, a copy of each resolution or ordinance shall be filed with the clerk of the board of the county commissioners of each county, the clerk of the legislative authority of each municipal corporation, and the fiscal officer of the board of trustees of each township proposed to be included in the regional transit authority. The inclusion is effective when all such filing has been completed, unless the regional transit authority to which territory is to be added has authority to levy an ad valorem tax on property, or a sales tax, within its territorial boundaries, in which event the inclusion shall become effective on the sixtieth day after the last such filing is accomplished, unless, prior to the expiration of the sixty-day period, qualified electors residing in the area proposed to be added to the regional transit authority, equal in number to at least ten per cent of the qualified electors from the area who voted for governor at the last gubernatorial election, file a petition of referendum against the inclusion. Any petition of referendum filed under this section shall be filed at the office of the

secretary of the board of trustees of the regional transit 24571
authority. The person presenting the petition shall be given a 24572
receipt containing on it the time of the day, the date, and the 24573
purpose of the petition. The secretary of the board of trustees 24574
of the regional transit authority shall cause the appropriate 24575
board or boards of elections to check the sufficiency of 24576
signatures on any petition of referendum filed under this 24577
section and, if found to be sufficient, shall present the 24578
petition to the board of trustees at a meeting of said board 24579
which occurs not later than thirty days following the filing of 24580
said petition. Upon presentation to the board of trustees of a 24581
petition of referendum against the proposed inclusion, the board 24582
of trustees shall promptly certify the proposal to the board or 24583
boards of elections for the purpose of having the proposal 24584
placed on the ballot at the next general or primary election 24585
which occurs not less than ninety days after the date of the 24586
meeting of said board, or at a special election, the date of 24587
which shall be specified in the certification, which date shall 24588
be not less than ninety days after the date of such meeting of 24589
the board. Signatures on a petition of referendum may be 24590
withdrawn up to and including the meeting of the board of 24591
trustees certifying the proposal to the appropriate board or 24592
boards of elections. If territory of more than one county, 24593
municipal corporation, or township is to be added to the 24594
regional transit authority, the electors of the territories of 24595
the counties, municipal corporations, or townships which are to 24596
be added shall vote as a district, and the majority affirmative 24597
vote shall be determined by the vote cast in the district as a 24598
whole. 24599

If the proposal would extend the levy of an existing 24600
property tax to the territory to be added to the regional 24601

transit authority, the board of trustees of the regional transit 24602
authority and the county auditor shall proceed in the same 24603
manner as required for a tax levy under section 5705.03 of the 24604
Revised Code, except that the levy's annual collections shall be 24605
estimated assuming that the additional territory has been added 24606
to the regional transit authority. 24607

Upon certification of a proposal to the appropriate board 24608
or boards of elections pursuant to this section, the board or 24609
boards of election shall make the necessary arrangements for the 24610
submission of the question to the electors of the territory to 24611
be added to the regional transit authority qualified to vote on 24612
the question, and the election shall be held, canvassed, and 24613
certified in the manner provided for the submission of tax 24614
levies under section 5705.191 of the Revised Code, except that 24615
the question appearing on the ballot shall read: 24616

"Shall the territory within the _____ 24617
(Name or names of political subdivisions to be joined) be added 24618
to _____ (Name) regional transit 24619
authority?" and shall a(n) _____ (here insert type of tax 24620
or taxes) at a rate not to exceed _____ (here insert maximum tax 24621
rate or rates) be levied for all transit purposes?" 24622

If the tax is a tax on property, the ballot shall express 24623
the levy's estimated annual collections, and the rate shall be 24624
expressed numerically in mills for each one dollar of taxable 24625
value and the effective rate shall be expressed numerically in 24626
dollars for each one hundred thousand dollars of the county 24627
auditor's ~~appraised~~ market value. 24628

If the question is approved by at least a majority of the 24629
electors voting on the question, the joinder is immediately 24630
effective, and the regional transit authority may extend the 24631

levy of the tax against all the taxable property within the 24632
territory which has been added. If the question is approved at a 24633
general election or at a special election occurring prior to the 24634
general election but after the fifteenth day of July, the 24635
regional transit authority may amend its budget and resolution 24636
adopted pursuant to section 5705.34 of the Revised Code, and the 24637
levy shall be placed on the current tax list and duplicate and 24638
collected as other taxes are collected from all taxable property 24639
within the territorial boundaries of the regional transit 24640
authority, including the territory within each political 24641
subdivision added as a result of the election. 24642

The territorial boundaries of a regional transit authority 24643
shall be coextensive with the territorial boundaries of the 24644
counties, municipal corporations, and townships included within 24645
the regional transit authority, provided that the same area may 24646
be included in more than one regional transit authority so long 24647
as the regional transit authorities are not organized for 24648
purposes as provided for in the resolutions or ordinances 24649
creating the same, and any amendments to them, relating to the 24650
same kinds of transit facilities; and provided further, that if 24651
a regional transit authority includes only a portion of an 24652
entire county, a regional transit authority for the same 24653
purposes may be created in the remaining portion of the same 24654
county by resolution of the board of county commissioners acting 24655
alone or in conjunction with municipal corporations and 24656
townships as provided in this section. 24657

No regional transit authority shall be organized after 24658
January 1, 1975, to include any area already included in a 24659
regional transit authority, except that any regional transit 24660
authority organized after June 29, 1974, and having territorial 24661
boundaries entirely within a single county shall, upon adoption 24662

by the board of county commissioners of the county of a 24663
resolution creating a regional transit authority including 24664
within its territorial jurisdiction the existing regional 24665
transit authority and for purposes including the purposes for 24666
which the existing regional transit authority was created, be 24667
dissolved and its territory included in such new regional 24668
transit authority. Any resolution creating such a new regional 24669
transit authority shall make adequate provision for satisfaction 24670
of the obligations of the dissolved regional transit authority. 24671

As used in this section, "the county auditor's ~~appraised-~~ 24672
market value" and "effective rate" have the same meanings as in 24673
section 5705.01 of the Revised Code. 24674

Sec. 306.322. (A) As used in this section: 24675

(1) "Political subdivision" means a county, a municipal 24676
corporation, or a township. 24677

(2) "Governing body" means a board of county commissioners 24678
of a county, a legislative authority of a municipal corporation, 24679
or a board of trustees of a township. 24680

(B) For any regional transit authority that levies a 24681
property tax and that includes in its membership political 24682
subdivisions that are located in a county having a population of 24683
at least four hundred thousand according to the most recent 24684
federal census, the procedures of this section apply until 24685
December 31, 2022, and are in addition to and an alternative to 24686
those established in sections 306.32, 306.321, and 306.54 of the 24687
Revised Code for joining to the regional transit authority 24688
additional political subdivisions. 24689

(C) Any political subdivision may adopt a resolution or 24690
ordinance proposing to join a regional transit authority 24691

described in division (B) of this section. In its resolution or
ordinance, the political subdivision may propose joining the
regional transit authority for a limited period of three years
or without a time limit.

(D) The political subdivision proposing to join the
regional transit authority shall submit a copy of its resolution
or ordinance to the governing body of each political subdivision
comprising the regional transit authority. Within thirty days of
receiving the resolution or ordinance for inclusion in the
regional transit authority, the governing body of each political
subdivision shall consider the question of whether to include
the additional political subdivision in the regional transit
authority, shall adopt a resolution or ordinance approving or
rejecting the inclusion of the additional political subdivision,
and shall present its resolution or ordinance to the board of
trustees of the regional transit authority.

If the board of trustees of the regional transit authority
proposes to extend the levy of an existing property tax to the
territory to be added to the regional transit authority, the
board and the county auditor shall proceed in the same manner as
required for a tax levy under section 5705.03 of the Revised
Code, except that the levy's annual collections shall be
estimated assuming that the additional territory has been added
to the regional transit authority.

(E) If a majority of the political subdivisions comprising
the regional transit authority approve the inclusion of the
additional political subdivision under division (D) of this
section, the board of trustees of the regional transit authority
may proceed as provided in division (K) of this section or as
provided in divisions (F) to (J) of this section, as applicable.

(F) Not later than the tenth day following the day on 24722
which the last ordinance or resolution is presented under 24723
division (D) of this section, the board of trustees of the 24724
regional transit authority shall notify the political 24725
subdivision proposing to join the regional transit authority 24726
that it may certify the proposal to the board of elections for 24727
the purpose of having the proposal placed on the ballot at the 24728
next general election or at a special election conducted on the 24729
day of the next primary election that occurs not less than 24730
ninety days after the resolution or ordinance is certified to 24731
the board of elections. 24732

(G) Upon certification of a proposal to the board of 24733
elections pursuant to division (F) of this section, the board of 24734
elections shall make the necessary arrangements for the 24735
submission of the question to the electors of the territory to 24736
be included in the regional transit authority qualified to vote 24737
on the question, and the election shall be held, canvassed, and 24738
certified in the same manner as regular elections for the 24739
election of officers of the political subdivision proposing to 24740
join the regional transit authority, except that, if the 24741
resolution proposed the inclusion without a time limitation the 24742
question appearing on the ballot shall read: 24743

"Shall the territory within the _____ 24744
(Name or names of political subdivisions to be joined) be added 24745
to _____ (Name) regional transit 24746
authority and shall a(n) _____ (here insert type of tax or 24747
taxes) at a rate of taxation not to exceed _____ (here insert 24748
maximum tax rate or rates) be levied for all transit purposes?" 24749

If the resolution proposed the inclusion with a three-year 24750
time limitation, the question appearing on the ballot shall 24751

read: 24752

"Shall the territory within the _____ 24753
(Name or names of political subdivisions to be joined) be added 24754
to _____ (Name) regional transit 24755
authority for three years and shall a(n) _____ (here insert 24756
type of tax or taxes) at a rate of taxation not to exceed _____ 24757
(here insert maximum tax rate or rates) be levied for all 24758
transit purposes for three years?" 24759

In either case, if the tax is a tax on property, the 24760
ballot shall express the levy's estimated annual collections, 24761
and the rate shall be expressed numerically in mills for each 24762
one dollar of taxable value and the effective rate shall be 24763
expressed numerically in dollars for each one hundred thousand 24764
dollars of the county auditor's ~~appraised~~ market value. 24765

(H) If the question is approved by at least a majority of 24766
the electors voting on the question, the addition of the new 24767
territory is effective six months from the date of the 24768
certification of its passage, and the regional transit authority 24769
may extend the levy of the tax against all the taxable property 24770
within the territory that was added. If the question is approved 24771
at a general election or at a special election occurring prior 24772
to the general election but after the fifteenth day of July, the 24773
regional transit authority may amend its budget and resolution 24774
adopted pursuant to section 5705.34 of the Revised Code, and the 24775
levy shall be placed on the current tax list and duplicate and 24776
collected as other taxes are collected from all taxable property 24777
within the territorial boundaries of the regional transit 24778
authority, including the territory within the political 24779
subdivision added as a result of the election. If the budget of 24780
the regional transit authority is amended pursuant to this 24781

paragraph, the county auditor shall prepare and deliver an 24782
amended certificate of estimated resources to reflect the change 24783
in anticipated revenues of the regional transit authority. 24784

(I) If the question is approved by at least a majority of 24785
the electors voting on the question, the board of trustees of 24786
the regional transit authority immediately shall amend the 24787
resolution or ordinance creating the regional transit authority 24788
to include the additional political subdivision. 24789

(J) If the question approved by a majority of the electors 24790
voting on the question added the political subdivision for three 24791
years, the territory of the additional political subdivision in 24792
the regional transit authority shall be removed from the 24793
territory of the regional transit authority three years after 24794
the date the territory was added, as determined in the effective 24795
date of the election, and shall no longer be a part of that 24796
authority without any further action by either the political 24797
subdivisions that were included in the authority prior to 24798
submitting the question to the electors or of the political 24799
subdivision added to the authority as a result of the election. 24800
The regional transit authority reduced to its territory as it 24801
existed prior to the inclusion of the additional political 24802
subdivision shall be entitled to levy and collect any property 24803
taxes that it was authorized to levy and collect prior to the 24804
enlargement of its territory and for which authorization has not 24805
expired, as if the enlargement had not occurred. 24806

(K) (1) If a majority of the political subdivisions 24807
comprising the regional transit authority approve the inclusion 24808
of the additional political subdivision without a time limit 24809
under division (D) of this section, the board of trustees of the 24810
regional transit authority may adopt a resolution to submit to 24811

the electors of the regional transit authority, as it would be 24812
enlarged by the inclusion, the question of including the 24813
political subdivision in the regional transit authority, of 24814
levying a tax under sections 5739.023 and 5741.022 of the 24815
Revised Code throughout the territorial boundaries of the 24816
regional transit authority as so enlarged, and of repealing the 24817
property tax levied by the regional transit authority under 24818
section 306.49 of the Revised Code. 24819

The resolution shall state all of the following: 24820

(a) The date on which the political subdivision is to be 24821
included in the regional transit authority; 24822

(b) The rate of the tax to be levied under sections 24823
5739.023 and 5741.022 of the Revised Code, the number of years 24824
it is to be levied or that it is to be levied for a continuing 24825
period of time, and the date on which it shall first be levied, 24826
all as provided under section 5739.023 of the Revised Code; 24827

(c) The last tax year that the property tax is to be 24828
levied under section 306.49 of the Revised Code. 24829

(2) Except as otherwise provided in division (K) (5) of 24830
this section, the political subdivision shall not be joined to 24831
the regional transit authority before the first day sales and 24832
use tax is levied by the regional transit authority under 24833
sections 5739.023 and 5741.022 of the Revised Code. Sales and 24834
use tax shall not be levied under those sections on or before 24835
the last day of the last tax year the regional transit authority 24836
levies property tax under section 306.49 of the Revised Code. 24837

(3) The board of trustees of the regional transit 24838
authority shall certify the resolution to the board of elections 24839
for the purpose of having the proposal placed on the ballot at 24840

the next general election or at a special election conducted on 24841
the day of the next primary election that occurs not less than 24842
ninety days after the resolution is certified to the board of 24843
elections. The election shall be held, canvassed, and certified, 24844
as provided in section 306.70 of the Revised Code, except that 24845
the question appearing on the ballot shall read: 24846

names of political subdivisions to be joined) be added to 24848
_____ (Name) regional transit authority, shall sales 24849
and use tax at a rate not exceeding _____ (Insert tax rate) 24850
be levied for all transit purposes throughout the territory of 24851
the regional transit authority, and shall the existing property 24852
tax levied for transit purposes be repealed?" 24853

(4) If the question is approved, the sales and use tax may 24854
be levied and collected as is otherwise provided under sections 24855
5739.023 and 5741.022 of the Revised Code on and after the date 24856
stated in the resolution. 24857

(5) The board of trustees shall appropriate from the first 24858
moneys received from the sales and use tax in each year the full 24859
amount required in order to pay the principal of and interest on 24860
any notes of the regional transit authority issued pursuant to 24861
section 306.49 of the Revised Code in anticipation of the 24862
collection of the property tax. The board of trustees shall not 24863
thereafter levy and collect the property tax unless and to the 24864
extent that the levy and collection is necessary to pay the 24865
principal of and interest on notes issued in anticipation of the 24866
property tax in order to avoid impairing the obligation of the 24867
contract between the regional transit authority and the note 24868
holders. Such property tax shall be levied only in the territory 24869
of the authority as it existed before the political subdivision 24870

was joined to the authority. 24871

(6) If the question is approved after the fifteenth day of 24872
July in any calendar year, the regional transit authority may 24873
amend its budget for the current and next fiscal year, and any 24874
resolution adopted pursuant to section 5705.34 of the Revised 24875
Code, to reflect the imposition of the sales and use tax, and 24876
shall amend its budget for the next fiscal year, and any 24877
resolution adopted pursuant to section 5705.34 of the Revised 24878
Code, to comply with division (K) (5) of this section. If the 24879
budget of the regional transit authority is amended pursuant to 24880
this division, the county auditor shall prepare and deliver an 24881
amended certificate of estimated resources to reflect the change 24882
in anticipated revenues of the regional transit authority. 24883

(7) If the question is approved, the board of trustees of 24884
the regional transit authority immediately shall amend the 24885
resolution or ordinance creating the regional transit authority 24886
to include the additional political subdivision. 24887

(L) As used in this section, "the county auditor's 24888
~~appraised~~ market value" and "effective rate" have the same 24889
meanings as in section 5705.01 of the Revised Code. 24890

Sec. 306.43. (A) The board of trustees of a regional 24891
transit authority or any officer or employee designated by such 24892
board may make any contract for the purchase of goods or 24893
services, the cost of which does not exceed one hundred thousand 24894
dollars. When an expenditure, other than for the acquisition of 24895
real estate, the discharge of claims, or the acquisition of 24896
goods or services under the circumstances described in division 24897
(H) of this section, is expected to exceed one hundred thousand 24898
dollars, such expenditure shall be made through full and open 24899
competition by the use of competitive procedures. The regional 24900

transit authority shall use the competitive procedure, as set 24901
forth in divisions (B), (C), (D), and (E) of this section, that 24902
is most appropriate under the circumstances of the procurement. 24903

(B) Competitive sealed bidding is the preferred method of 24904
procurement and a regional transit authority shall use that 24905
method if all of the following conditions exist: 24906

(1) A clear, complete, and adequate description of the 24907
goods, services, or work is available; 24908

(2) Time permits the solicitation, submission, and 24909
evaluation of sealed bids; 24910

(3) The award will be made on the basis of price and other 24911
price-related factors; 24912

(4) It is not necessary to conduct discussions with 24913
responding offerors about their bids; 24914

(5) There is a reasonable expectation of receiving more 24915
than one sealed bid. 24916

A regional transit authority shall publish a notice 24917
calling for bids once a week for no less than two consecutive 24918
weeks in a newspaper of general circulation within the 24919
territorial boundaries of the regional transit authority, or as 24920
provided in section 7.16 of the Revised Code. A regional transit 24921
authority may require that a bidder for any contract other than 24922
a construction contract provide a bid guaranty in the form, 24923
quality, and amount considered appropriate by the regional 24924
transit authority. The board may let the contract to the lowest 24925
responsive and responsible bidder. Where fewer than two 24926
responsive bids are received, a regional transit authority may 24927
negotiate price with the sole responsive bidder or may rescind 24928
the solicitation and procure under division (H) (2) of this 24929

section. 24930

(C) A regional transit authority may use two-step 24931
competitive bidding, consisting of a technical proposal and a 24932
separate, subsequent sealed price bid from those submitting 24933
acceptable technical proposals, if both of the following 24934
conditions exist: 24935

(1) A clear, complete, and adequate description of the 24936
goods, services, or work is not available, but definite criteria 24937
exist for the evaluation of technical proposals; 24938

(2) It is necessary to conduct discussions with responding 24939
offerors. 24940

A regional transit authority shall publish a notice 24941
calling for technical proposals once a week for no less than two 24942
consecutive weeks in a newspaper of general circulation within 24943
the territorial boundaries of the regional transit authority, or 24944
as provided in section 7.16 of the Revised Code. A regional 24945
transit authority may require a bid guaranty in the form, 24946
quality, and amount the regional transit authority considers 24947
appropriate. The board may let the contract to the lowest 24948
responsive and responsible bidder. Where fewer than two 24949
responsive and responsible bids are received, a regional transit 24950
authority may negotiate price with the sole responsive and 24951
responsible bidder or may rescind the solicitation and procure 24952
under division (H) (2) of this section. 24953

(D) A regional transit authority shall make a procurement 24954
by competitive proposals if competitive sealed bidding or two- 24955
step competitive bidding is not appropriate. 24956

A regional transit authority shall publish a notice 24957
calling for proposals once a week for no less than two 24958

consecutive weeks in a newspaper of general circulation within 24959
the territorial boundaries of the regional transit authority, or 24960
as provided in section 7.16 of the Revised Code. A regional 24961
transit authority may require a proposal guaranty in the form, 24962
quality, and amount considered appropriate by the regional 24963
transit authority. The board may let the contract to the 24964
proposer making the offer considered most advantageous to the 24965
authority. Where fewer than two competent proposals are 24966
received, a regional transit authority may negotiate price and 24967
terms with the sole proposer or may rescind the solicitation and 24968
procure under division (H) (2) of this section. 24969

(E) (1) A regional transit authority shall procure the 24970
services of an architect or engineer in the manner prescribed by 24971
the "Federal Mass Transportation Act of 1987," Public Law No. 24972
100-17, section 316, 101 Stat. 227, 232-234, 49 U.S.C.A. app. 24973
1608 and the services of a construction manager in the manner 24974
prescribed by sections 9.33 to 9.332 of the Revised Code. 24975

(2) A regional transit authority may procure revenue 24976
rolling stock in the manner prescribed by division (B), (C), or 24977
(D) of this section. 24978

(3) All contracts for construction in excess of one 24979
hundred thousand dollars shall be made only after the regional 24980
transit authority has published a notice calling for bids once a 24981
week for two consecutive weeks in a newspaper of general 24982
circulation within the territorial boundaries of the regional 24983
transit authority, or as provided in section 7.16 of the Revised 24984
Code. The board may award a contract to the lowest responsive 24985
and responsible bidder. Where only one responsive and 24986
responsible bid is received, the regional transit authority may 24987
negotiate price with the sole responsive bidder or may rescind 24988

the solicitation. The regional transit authority shall award 24989
construction contracts in accordance with sections 153.12 to 24990
153.14 and 153.54 of the Revised Code. Divisions (B) and (C) of 24991
this section shall not apply to the award of contracts for 24992
construction. 24993

(F) (1) As used in division (F) (2) of this section, 24994
"simplified acquisition threshold" means the amount set forth in 24995
41 U.S.C. 134. 24996

(2) The board may adopt a policy on whether board approval 24997
is required to enter into a contract involving expenditures 24998
below the simplified acquisition threshold. The board shall 24999
approve all contracts involving expenditures at or above the 25000
simplified acquisition threshold. 25001

(3) All contracts involving expenditures in excess of the 25002
amount for which board approval is required shall be in writing 25003
and shall be accompanied by or shall refer to plans and 25004
specifications for the work to be done. The plans and 25005
specifications shall at all times be made and considered part of 25006
the contract. For all contracts other than construction 25007
contracts, a regional transit authority may require performance, 25008
payment, or maintenance guaranties or any combination of such 25009
guaranties in the form, quality, and amount it considers 25010
appropriate. The contract shall be approved by the board and 25011
signed on behalf of the regional transit authority and by the 25012
contractor. 25013

(G) In making a contract, a regional transit authority may 25014
give preference to goods produced in the United States in 25015
accordance with the Buy America requirements in the "Surface 25016
Transportation Assistance Act of 1982," Public Law No. 97-424, 25017
section 165, 96 Stat. 2097, 23 U.S.C.A. 101 note, as amended, 25018

and the rules adopted thereunder. The regional transit authority 25019
also may give preference to providers of goods produced in and 25020
services provided in labor surplus areas as defined by the 25021
United States department of labor in 41 U.S.C.A. 401 note, 25022
Executive Order No. 12073, August 16, 1978, 43 Fed. Reg. 36873, 25023
as amended. 25024

(H) Competitive procedures under this section are not 25025
required in any of the following circumstances: 25026

(1) The board of trustees of a regional transit authority, 25027
by a two-thirds affirmative vote of its members, determines that 25028
a real and present emergency exists under any of the following 25029
conditions, and the board enters its determination and the 25030

(3) The expenditure is for a renewal or renegotiation of a 25042
lease or license for telecommunications or electronic data 25043
processing equipment, services, or systems, or for the upgrade 25044
of such equipment, services, or systems, or for the maintenance 25045
thereof as supplied by the original source or its successors or 25046
assigns. 25047

(4) The purchase of goods or services is made from another 25048
political subdivision, public agency, public transit system, 25049

individuals with disabilities, whether or not that corporation 25075

certificate of transition, the auditor of state shall solicit 26097
input from county sheriffs. 26098

Sec. 317.20. (A) When, in the opinion of the board of 26099
county commissioners, sectional indexes are needed and it so 26100
directs, in addition to the indexes provided for in section 26101
317.18 of the Revised Code, the board may provide for making, in 26102
books prepared for that purpose, sectional indexes to the 26103

records of all real estate in the county beginning with some 26104
designated year and continuing through the period of years that 26105
the board specifies. The sectional indexes shall place under the 26106
heads of the original surveyed sections or surveys, parts of a 26107
section or survey, squares, subdivisions, permanent parcel 26108
numbers provided for under section 319.28 of the Revised Code, 26109
or lots, on the left-hand page or on the upper portion of that 26110
page of the index book, the name of the grantor, then the name 26111
of the grantee, then the number and page of the record in which 26112
the instrument is found recorded, then the character of the 26113
instrument, and then a pertinent description of the interest in 26114
property conveyed by the deed, lease, or assignment of lease, 26115
and shall place under similar headings on the right-hand page or 26116
on the lower portion of that page of the index book, beginning 26117
at the bottom, all the mortgages, liens, notices provided for in 26118
sections 5301.51, 5301.52, and 5301.56 of the Revised Code, or 26119
other encumbrances affecting the real estate. 26120

(B) The compensation for the services rendered under this 26121
section shall be paid from the general revenue fund of the 26122
county, and no additional levy shall be made in consequence of 26123
the services. 26124

(C) If the board of county commissioners decides to have 26125
sectional indexes made, it shall advertise for three consecutive 26126
weeks for sealed proposals to do the work provided for in this 26127
section, using at least one of the following methods: 26128

(1) In the print or digital edition of a newspaper of 26129
general circulation within the county; 26130

(2) On the official public notice web site established 26131
under section 125.182 of the Revised Code; 26132

(3) On the web site and social media account of the 26133
county. 26134

The board shall contract with the lowest and best bidder, 26135
and shall require the successful bidder to give a bond for the 26136
faithful performance of the contract in the sum that the board 26137
fixes. ~~The work shall be done to the acceptance of the auditor~~ 26138
~~of state upon allowance by the board.~~ The board may reject any 26139
and all bids for the work, provided that no more than five cents 26140
shall be paid for each entry of each tract or lot of land. 26141

(D) When the sectional indexes are brought up and 26142
completed, the county recorder shall maintain the indexes and 26143
comply with division (E) of this section in connection with 26144
registered land. 26145

(E) (1) As used in division (E) of this section, "housing 26146
accommodations" and "restrictive covenant" have the same 26147
meanings as in section 4112.01 of the Revised Code. 26148

(2) In connection with any transfer of registered land 26149
that occurs on and after March 30, 1999, in accordance with 26150
Chapters 5309. and 5310. of the Revised Code, the county 26151
recorder shall delete from the sectional indexes maintained 26152
under this section all references to any restrictive covenant 26153
that appears to apply to the transferred registered land, if any 26154
inclusion of the restrictive covenant in a transfer, rental, or 26155
lease of housing accommodations, any honoring or exercising of 26156
the restrictive covenant, or any attempt to honor or exercise 26157
the restrictive covenant constitutes an unlawful discriminatory 26158
practice under division (H) (9) of section 4112.02 of the Revised 26159
Code. 26160

Sec. 319.04. (A) Each county auditor who is elected to a 26161

full term of office shall attend and successfully complete at 26162
least sixteen hours of continuing education courses during the 26163
first year of the auditor's term of office, and complete at 26164
least another eight hours of such courses by the end of that 26165
term. Each such county auditor shall include at least two hours 26166
of ethics and substance-abuse training in the total twenty-four 26167
hours of required courses. To be counted toward the twenty-four 26168
hours required by this section, a course must be approved by the 26169
county auditors association of Ohio. Any county auditor who 26170
teaches an approved course shall be entitled to credit for the 26171
course in the same manner as if the county auditor had attended 26172
the course. 26173

That association shall record and, upon request, verify 26174
the completion of required course work for each county auditor, 26175
and issue a statement to each county auditor of the number of 26176
hours of continuing education the county auditor has 26177
successfully completed. Each year the association shall send a 26178
list of the continuing education courses, and the number of 26179
hours each county auditor has successfully completed, to the 26180
auditor of state and the tax commissioner, and shall provide a 26181
copy of this list to any other individual who requests it. 26182

~~The auditor of state shall issue a certificate of~~ 26183
~~completion to each county auditor who completes the continuing~~ 26184
~~education courses required by this section. The auditor of state~~ 26185
association shall issue a "notice of "failure to complete" to 26186
any county auditor required to complete continuing education 26187
courses under this section who fails to successfully complete at 26188
least sixteen hours of continuing education courses during the 26189
first year of the county auditor's term of office or to complete 26190
a total of at least twenty-four hours of such courses by the end 26191
of that term. This notice is for informational purposes only and 26192

does not affect any individual's ability to hold the office of 26193
county auditor. 26194

The county auditor shall retain the documentation of any 26195
initial or continuing education courses completed. The auditor 26196
of state shall audit for compliance with this section. 26197

(B) Each board of county commissioners shall approve, from 26198
money appropriated to the county auditor, a reasonable amount 26199
requested by the county auditor of its county to cover the costs 26200
the county auditor must incur to meet the requirements of 26201
division (A) of this section, including registration fees, 26202
lodging and meal expenses, and travel expenses. 26203

Sec. 319.202. Before the county auditor indorses any real 26204
property conveyance or manufactured or mobile home conveyance 26205
presented to the auditor pursuant to section 319.20 of the 26206
Revised Code or registers any manufactured or mobile home 26207
conveyance pursuant to section 4503.061 of the Revised Code, the 26208
grantee or the grantee's representative shall submit, either 26209
electronically or three written copies of, a statement, in the 26210
form prescribed by the tax commissioner, and other information 26211
as the county auditor may require, declaring the value of real 26212
property or manufactured or mobile home conveyed, except that 26213
when the transfer is exempt under division (G) (3) of section 26214
319.54 of the Revised Code only a statement of the reason for 26215
the exemption shall be required. Each statement submitted under 26216
this section shall contain the information required under 26217
divisions (A) ~~and~~, (B), and (C) of this section. 26218

(A) Each statement submitted under this section shall 26219
include or otherwise be accompanied by a statement advising the 26220
grantee of the eligibility requirements for the reduction in 26221
taxes authorized under division (B) of section 323.152 of the 26222

Revised Code and of the duty imposed by division (C) (1) of 26223
section 323.153 of the Revised Code on the grantee to notify the 26224
county auditor if the grantee no longer qualifies for the 26225
reduction. 26226

(B) Each statement submitted under this section shall 26227
either: 26228

(1) Contain an affirmation by the grantee that the grantor 26229
has been asked by the grantee or the grantee's representative 26230
whether to the best of the grantor's knowledge either the 26231
preceding or the current year's taxes on the real property or 26232
the current or following year's taxes on the manufactured or 26233
mobile home conveyed will be reduced under division (A) of 26234
section 323.152 or under section 4503.065 of the Revised Code 26235
and that the grantor indicated that to the best of the grantor's 26236
knowledge the taxes will not be so reduced; or 26237

(2) Be accompanied by a sworn or affirmed instrument 26238
stating: 26239

(a) To the best of the grantor's knowledge the real 26240
property or the manufactured or mobile home that is the subject 26241
of the conveyance is eligible for and will receive a reduction 26242
in taxes for or payable in the current year under division (A) 26243
of section 323.152 or under section 4503.065 of the Revised Code 26244
and that the reduction or reductions will be reflected in the 26245
grantee's taxes; 26246

(b) The estimated amount of such reductions that will be 26247
reflected in the grantee's taxes; 26248

(c) That the grantor and the grantee have considered and 26249
accounted for the total estimated amount of such reductions to 26250
the satisfaction of both the grantee and the grantor. The 26251

auditor shall indorse the instrument, return it to the grantee 26252
or the grantee's representative, and provide a copy of the 26253
indorsed instrument to the grantor or the grantor's 26254
representative. 26255

~~(B)~~ (C) Each statement submitted under this section shall 26256
either: 26257

(1) Contain an affirmation by the grantee that the grantor 26258
has been asked by the grantee or the grantee's representative 26259
whether to the best of the grantor's knowledge the real property 26260
conveyed qualified for the current agricultural use valuation 26261
under section 5713.30 of the Revised Code either for the 26262
preceding or the current year and that the grantor indicated 26263
that to the best of the grantor's knowledge the property 26264
conveyed was not so qualified; or 26265

(2) Be accompanied by a sworn or affirmed instrument 26266
stating: 26267

(a) To the best of the grantor's knowledge the real 26268
property conveyed was qualified for the current agricultural use 26269
valuation under section 5713.30 of the Revised Code either for 26270
the preceding or the current year; 26271

(b) To the extent that the property will not continue to 26272
qualify for the current agricultural use valuation either for 26273
the current or the succeeding year, that the property will be 26274
subject to a recoupment charge equal to the tax savings in 26275
accordance with section 5713.34 of the Revised Code; 26276

(c) That the grantor and the grantee have considered and 26277
accounted for the total estimated amount of such recoupment, if 26278
any, to the satisfaction of both the grantee and the grantor. 26279
The auditor shall indorse the instrument, forward it to the 26280

grantee or the grantee's representative, and provide a copy of 26281
the indorsed instrument to the grantor or the grantor's 26282
representative. 26283

~~(G)~~(D) The grantor shall pay the fee required by division 26284
(G) (3) of section 319.54 of the Revised Code; and, in the event 26285
the board of county commissioners of the county has levied a 26286
real property or a manufactured home transfer tax pursuant to 26287
Chapter 322. of the Revised Code, the amount required by the 26288
real property or manufactured home transfer tax so levied. If 26289
the conveyance is exempt from the fee provided for in division 26290
(G) (3) of section 319.54 of the Revised Code and the tax, if 26291
any, levied pursuant to Chapter 322. of the Revised Code, the 26292
reason for such exemption shall be shown on the statement. 26293
"Value" means, in the case of any deed or certificate of title 26294
not a gift in whole or part, the amount of the full 26295
consideration therefor, paid or to be paid for the real estate 26296
or manufactured or mobile home described in the deed or title, 26297
including the amount of any mortgage or vendor's lien thereon. 26298
If property sold under a land installment contract is conveyed 26299
by the seller under such contract to a third party and the 26300
contract has been of record at least twelve months prior to the 26301
date of conveyance, "value" means the unpaid balance owed to the 26302
seller under the contract at the time of the conveyance, but the 26303
statement shall set forth the amount paid under such contract 26304
prior to the date of conveyance. In the case of a gift in whole 26305
or part, "value" means the estimated price the real estate or 26306
manufactured or mobile home described in the deed or certificate 26307
of title would bring in the open market and under the then 26308
existing and prevailing market conditions in a sale between a 26309
willing seller and a willing buyer, both conversant with the 26310
property and with prevailing general price levels. No person 26311

shall willfully falsify the value of property conveyed. 26312

~~(D)~~ (E) The auditor shall indorse each conveyance on its 26313
face to indicate the amount of the conveyance fee and compliance 26314
with this section and if the property is residential rental 26315
property include a statement that the grantee shall file with 26316
the county auditor the information required under division (A) 26317
or (C) of section 5323.02 of the Revised Code. The auditor shall 26318
retain the original copy of the statement of value, forward to 26319
the tax commissioner one copy on which shall be noted the most 26320
recent assessed value of the property, and furnish one copy to 26321
the grantee or the grantee's representative. 26322

~~(E)~~ (F) In order to achieve uniform administration and 26323
collection of the transfer fee required by division (G) (3) of 26324
section 319.54 of the Revised Code, the tax commissioner shall 26325
adopt and promulgate rules for the administration and 26326
enforcement of the levy and collection of such fee. 26327

~~(F)~~ (G) As used in this section, "residential rental 26328
property" has the same meaning as in section 5323.01 of the 26329
Revised Code. 26330

Sec. 319.301. (A) The reductions required by division (D) 26331
of this section do not apply to any of the following: 26332

(1) Taxes levied at whatever rate is required to produce a 26333
specified amount of tax money, including a tax levied under 26334
section 5705.199 or 5748.09 of the Revised Code, or an amount to 26335
pay debt charges; 26336

(2) Taxes levied within the one per cent limitation 26337
imposed by Section 2 of Article XII, Ohio Constitution; 26338

(3) Taxes provided for by the charter of a municipal 26339
corporation. 26340

(B) As used in this section:	26341
(1) "Real property" includes real property owned by a railroad.	26342 26343
(2) "Carryover property" means all real property on the current year's tax list except:	26344 26345
(a) Land and improvements that were not taxed by the district in both the preceding year and the current year;	26346 26347
(b) Land and improvements that were not in the same class in both the preceding year and the current year.	26348 26349
(3) "Effective tax rate" means with respect to each class of property:	26350 26351
(a) The sum of the total taxes that would have been charged and payable for current expenses against real property in that class if each of the district's taxes were reduced for the current year under division (D) (1) of this section without regard to the application of division (E) (3) of this section divided by	26352 26353 26354 26355 26356 26357
(b) The taxable value of all real property in that class.	26358
(4) "Taxes charged and payable" means the taxes charged and payable prior to any reduction required by section 319.302 of the Revised Code.	26359 26360 26361
(C) The tax commissioner shall make the determinations required by this section each year, without regard to whether a taxing district has territory in a county to which section 5715.24 of the Revised Code applies for that year. Separate determinations shall be made for each of the two classes established pursuant to section 5713.041 of the Revised Code.	26362 26363 26364 26365 26366 26367

(D) With respect to each tax authorized to be levied by 26368
each taxing district, the tax commissioner, annually, shall do 26369
both of the following: 26370

(1) Determine by what percentage, if any, the sums levied 26371
by such tax against the carryover property in each class would 26372
have to be reduced for the tax to levy the same number of 26373
dollars against such property in that class in the current year 26374
as were charged against such property by such tax in the 26375
preceding year subsequent to the reduction made under this 26376
section but before the reduction made under section 319.302 of 26377
the Revised Code. In the case of a tax levied for the first time 26378
that is not a renewal of an existing tax, the commissioner shall 26379
determine by what percentage the sums that would otherwise be 26380
levied by such tax against carryover property in each class 26381
would have to be reduced to equal the amount that would have 26382
been levied if the full rate thereof had been imposed against 26383
the total taxable value of such property in the preceding tax 26384
year. ~~A tax or portion of a tax that is designated a replacement~~ 26385
~~levy under section 5705.192 of the Revised Code is not a renewal~~ 26386
~~of an existing tax for purposes of this division.~~ 26387

(2) Certify each percentage determined in division (D) (1) 26388
of this section, as adjusted under division (E) of this section, 26389
and the class of property to which that percentage applies to 26390
the auditor of each county in which the district has territory. 26391
The auditor, after complying with section 319.30 of the Revised 26392
Code, shall reduce the sum to be levied by such tax against each 26393
parcel of real property in the district by the percentage so 26394
certified for its class. Certification shall be made by the 26395
first day of September except in the case of a tax levied for 26396
the first time, in which case certification shall be made within 26397
fifteen days of the date the county auditor submits the 26398

information necessary to make the required determination. 26399

(E) (1) As used in division (E) (2) of this section, "pre- 26400
1982 joint vocational taxes" means, with respect to a class of 26401
property, the difference between the following amounts: 26402

(a) The taxes charged and payable in tax year 1981 against 26403
the property in that class for the current expenses of the joint 26404
vocational school district of which the school district is a 26405
part after making all reductions under this section; 26406

(b) Two-tenths of one per cent of the taxable value of all 26407
real property in that class. 26408

If the amount in division (E) (1) (b) of this section 26409
exceeds the amount in division (E) (1) (a) of this section, the 26410
pre-1982 joint vocational taxes shall be zero. 26411

~~As used in divisions (E) (2) and (3) of this section, 26412
"taxes charged and payable" has the same meaning as in division 26413
(E) (4) of this section and excludes any tax charged and payable 26414
in 1985 or thereafter under sections 5705.194 to 5705.197 or 26415
section 5705.199, 5705.213, 5705.219, or 5748.09 of the Revised 26416
Code. 26417~~

(2) If in the case of a school district other than a joint 26418
vocational or cooperative education school district any 26419
percentage required to be used in division (D) (2) of this 26420
section for either class of property could cause the total taxes 26421
charged and payable for current expenses to be less than two per 26422
cent of the taxable value of all real property in that class 26423
that is subject to taxation by the district, the commissioner 26424
shall determine what percentages would cause the district's 26425
total taxes charged and payable for current expenses against 26426
that class, after all reductions that would otherwise be made 26427

under this section, to equal, when combined with the pre-1982
joint vocational taxes against that class, the lesser of the
following:

(a) The sum of the rates at which those taxes are
authorized to be levied;

(b) Two per cent of the taxable value of the property in
that class. The auditor shall use such percentages in making the
reduction required by this section for that class.

(3) If in the case of a joint vocational school district
any percentage required to be used in division (D) (2) of this
section for either class of property could cause the total taxes
charged and payable for current expenses for that class to be
less than two-tenths of one per cent of the taxable value of
that class, the commissioner shall determine what percentages
would cause the district's total taxes charged and payable for
current expenses for that class, after all reductions that would
otherwise be made under this section, to equal that amount. The
auditor shall use such percentages in making the reductions
required by this section for that class.

(4) If a school district is affected by division (E) (2) or
(3) of this section for either class of property, and additional
current expense taxes are levied or are included in the
definition of taxes charged and payable, then, for the first tax
year those taxes are levied or included, the reduction computed
under division (D) of this section for that district shall be
computed as though the sums of current expenses taxes levied for
the district and charged against that class in the preceding tax
year were equivalent to two per cent or two-tenths of one per
cent, respectively, of the taxable value of all real property in
that class.

(F) No reduction shall be made under this section in the 26458
rate at which any tax is levied. 26459

(G) The commissioner may order a county auditor to furnish 26460
any information the commissioner needs to make the 26461
determinations required under division (D) or (E) of this 26462
section, and the auditor shall supply the information in the 26463
form and by the date specified in the order. If the auditor 26464
fails to comply with an order issued under this division, except 26465
for good cause as determined by the commissioner, the 26466
commissioner shall withhold from such county or taxing district 26467
therein fifty per cent of state revenues to local governments 26468
pursuant to section 5747.50 of the Revised Code or shall direct 26469
the department of education and workforce to withhold therefrom 26470
fifty per cent of state revenues to school districts pursuant to 26471
Chapter 3317. of the Revised Code. The commissioner shall 26472
withhold the distribution of such revenues until the county 26473
auditor has complied with this division, and the department 26474
shall withhold the distribution of such revenues until the 26475
commissioner has notified the department that the county auditor 26476
has complied with this division. 26477

(H) If the commissioner is unable to certify a tax 26478
reduction factor for either class of property in a taxing 26479
district located in more than one county by the last day of 26480
November because information required under division (G) of this 26481
section is unavailable, the commissioner may compute and certify 26482
an estimated tax reduction factor for that district for that 26483
class. The estimated factor shall be based upon an estimate of 26484
the unavailable information. Upon receipt of the actual 26485
information for a taxing district that received an estimated tax 26486
reduction factor, the commissioner shall compute the actual tax 26487
reduction factor and use that factor to compute the taxes that 26488

should have been charged and payable against each parcel of 26489
property for the year for which the estimated reduction factor 26490
was used. The amount by which the estimated factor resulted in 26491
an overpayment or underpayment in taxes on any parcel shall be 26492
added to or subtracted from the amount due on that parcel in the 26493
ensuing tax year. 26494

A percentage or a tax reduction factor determined or 26495
computed by the commissioner under this section shall be used 26496
solely for the purpose of reducing the sums to be levied by the 26497
tax to which it applies for the year for which it was determined 26498
or computed. It shall not be used in making any tax computations 26499
for any ensuing tax year. 26500

(I) In making the determinations under division (D) (1) of 26501
this section, the tax commissioner shall take account of changes 26502
in the taxable value of carryover property resulting from 26503
complaints filed under section 5715.19 of the Revised Code for 26504
determinations made for the tax year in which such changes are 26505
reported to the commissioner. Such changes shall be reported to 26506
the commissioner on the first abstract of real property filed 26507
with the commissioner under section 5715.23 of the Revised Code 26508
following the date on which the complaint is finally determined 26509
by the board of revision or by a court or other authority with 26510
jurisdiction on appeal. The tax commissioner shall account for 26511
such changes in making the determinations only for the tax year 26512
in which the change in valuation is reported. Such a valuation 26513
change shall not be used to recompute the percentages determined 26514
under division (D) (1) of this section for any prior tax year. 26515

Sec. 319.302. (A) (1) Real property that is not intended 26516
primarily for use in a business activity shall qualify for a 26517
partial exemption from real property taxation. For purposes of 26518

this partial exemption, "business activity" includes all uses of 26519
real property, except farming; leasing property for farming; 26520
occupying or holding property improved with single-family, two- 26521
family, or three-family dwellings; leasing property improved 26522
with single-family, two-family, or three-family dwellings; or 26523
holding vacant land that the county auditor determines will be 26524
used for farming or to develop single-family, two-family, or 26525
three-family dwellings. For purposes of this partial exemption, 26526
"farming" does not include land used for the commercial 26527
production of timber that is receiving the tax benefit under 26528
section 5713.23 or 5713.31 of the Revised Code and all 26529
improvements connected with such commercial production of 26530
timber. 26531

(2) Each year, the county auditor shall review each parcel 26532
of real property to determine whether it qualifies for the 26533
partial exemption provided for by this section as of the first 26534
day of January of the current tax year. 26535

(B) After complying with section 319.301 of the Revised 26536
Code, the county auditor shall reduce the remaining sums to be 26537
levied by qualifying levies against each parcel of real property 26538
that is listed on the general tax list and duplicate of real and 26539
public utility property for the current tax year and that 26540
qualifies for partial exemption under division (A) of this 26541
section, and against each manufactured and mobile home that is 26542
taxed pursuant to division (D) (2) of section 4503.06 of the 26543
Revised Code and that is on the manufactured home tax list for 26544
the current tax year, by ten per cent, to provide a partial 26545
exemption for that parcel or home. For the purposes of this 26546
division: 26547

(1) "Qualifying levy" means a levy approved at an election 26548

held before September 29, 2013; a levy within the ten-mill 26549
limitation; a levy provided for by the charter of a municipal 26550
corporation that was levied on the tax list for tax year 2013; a 26551
subsequent renewal of any such levy; or a subsequent substitute 26552
for such a levy under section 5705.199 of the Revised Code. 26553

(2) "Qualifying levy" does not include any replacement 26554
imposed under section 5705.192 of the Revised Code, as it 26555
existed before the effective date of this amendment, of any levy 26556
described in division (B) (1) of this section. 26557

(C) Except as otherwise provided in sections 323.152, 26558
323.158, 323.16, 505.06, and 715.263 of the Revised Code, the 26559
amount of the taxes remaining after any such reduction shall be 26560
the real and public utility property taxes charged and payable 26561
on each parcel of real property, including property that does 26562
not qualify for partial exemption under division (A) of this 26563
section, and the manufactured home tax charged and payable on 26564
each manufactured or mobile home, and shall be the amounts 26565
certified to the county treasurer for collection. Upon receipt 26566
of the real and public utility property tax duplicate, the 26567
treasurer shall certify to the tax commissioner the total amount 26568
by which the real property taxes were reduced under this 26569
section, as shown on the duplicate. Such reduction shall not 26570
directly or indirectly affect the determination of the principal 26571
amount of notes that may be issued in anticipation of any tax 26572
levies or the amount of bonds or notes for any planned 26573
improvements. If after application of sections 5705.31 and 26574
5705.32 of the Revised Code and other applicable provisions of 26575
law, including divisions (F) and (I) of section 321.24 of the 26576
Revised Code, there would be insufficient funds for payment of 26577
debt charges on bonds or notes payable from taxes reduced by 26578
this section, the reduction of taxes provided for in this 26579

section shall be adjusted to the extent necessary to provide 26580
funds from such taxes. 26581

(D) The tax commissioner may adopt rules governing the 26582
administration of the partial exemption provided for by this 26583
section. 26584

(E) The determination of whether property qualifies for 26585
partial exemption under division (A) of this section is solely 26586
for the purpose of allowing the partial exemption under division 26587
(B) of this section. 26588

Sec. 319.304. (A) As used in this section: 26589

(1) "Homestead" has the same meaning as in section 323.151 26590
of the Revised Code and also includes a manufactured or mobile 26591
home that is owned and occupied as a home by an individual whose 26592
domicile is in this state. 26593

(2) "Homestead exemption" means a reduction authorized 26594
under section 4503.065 or division (A) (1), (2), or (3) of 26595
section 323.152 of the Revised Code. 26596

(3) "Income threshold" means the total income threshold 26597
applicable for the tax year under division (A) (1) (b) (iii) of 26598
section 323.152 or division (A) (2) (a) (iii) or (A) (2) (c) (iii) of 26599
section 4503.065 of the Revised Code. 26600

(B) A board of county commissioners, by resolution, may 26601
authorize a reduction in the real property taxes or manufactured 26602
home taxes charged and payable against every homestead in the 26603
county subject to a homestead exemption for the tax year. The 26604
board shall certify a copy of the resolution, or a copy of any 26605
resolution repealing the reduction's authorization, to the 26606
county auditor and tax commissioner within thirty days after its 26607
adoption. If the resolution is adopted on or before the first 26608

day of July of a tax year, the reduction shall first apply or 26609
cease to apply, in the case of real property taxes, to that tax 26610
year or, in the case of manufactured home taxes, the following 26611
tax year. If the resolution is adopted after the first day of 26612
July of a tax year, the reduction shall first apply or cease to 26613
apply, in the case of real property taxes, to the following tax 26614
year or, in the case of manufactured home taxes, the second 26615
succeeding tax year. 26616

(C) The reduction shall equal the same amount as the 26617
homestead's applicable homestead exemption for the tax year and 26618
shall be applied concurrently with the homestead exemption. 26619
Except as otherwise provided in division (D) of this section, no 26620
application shall be required under section 323.153 or 4503.066 26621
of the Revised Code for a homestead to obtain a reduction 26622
authorized by this section, but the reduction is otherwise 26623
subject to the same provisions as provided in sections 323.151 26624
to 323.159 or sections 4503.064 to 4503.069 of the Revised Code 26625
as are applicable to a homestead exemption. The amount of any 26626
reduction authorized under this section shall not be reimbursed 26627
as provided in section 323.156 or 4503.068 of the Revised Code. 26628

(D) A homestead that is subject to the homestead exemption 26629
authorized under division (A) (1) of section 323.152 or division 26630
(A) of section 4503.065 of the Revised Code shall not qualify 26631
for a reduction under this section unless the person owning and 26632
occupying the homestead or occupying the homestead, in the case 26633
of a housing cooperative, has a total income that does not 26634
exceed the income threshold applicable to that tax year. 26635

If the person has not already reported the person's total 26636
income under section 323.153 or 4503.066 of the Revised Code for 26637
the purpose of the homestead exemption, the person shall not be 26638

eligible to receive a reduction under this section unless the 26639
person files an application verifying the person's total income 26640
in accordance with that applicable section. The county auditor 26641
shall furnish such person a continuing application under that 26642
section, which the person shall use to report changes in total 26643
income in accordance with the applicable section. 26644

Sec. 321.03. (A) At the request of the county treasurer, a 26645
board of county commissioners may enter into a contract with any 26646
financial institution under which the financial institution, in 26647
accordance with the terms of the contract, receives at a post 26648
office box any type of payment or fee owed or payable to the 26649
county, opens the mail delivered to that box, processes the 26650
checks and other payments received in such mail and deposits 26651
them into the treasurer's account, and provides the county 26652
treasurer daily receipt information with respect to such 26653
payments. The contract may provide for the financial institution 26654
to receive at the post office box those payments and fees 26655
specifically named in the contract or all payments and fees 26656
payable to the county, including, but not limited to, utility, 26657
sewer, water, refuse collection, waste disposal, and airport 26658
fees, but in any case excluding taxes. The contract shall not be 26659
entered into unless: 26660

~~(A) There is attached to the contract a certification by~~ 26661
~~the auditor of state that the financial institution and the~~ 26662
~~treasurer have given assurances satisfactory to the auditor of~~ 26663
~~state that the records of the financial institution, to the~~ 26664
~~extent that they relate to payments covered by the contract,~~ 26665
~~shall be subject to examination by the auditor of state to the~~ 26666
~~same extent as if the services that the financial institution~~ 26667
~~has agreed to perform were being performed by the treasurer.~~ 26668

~~(B)~~ (1) The contract is awarded in accordance with sections 26669
307.86 to 307.92 of the Revised Code. 26670

~~(C)~~ (2) The treasurer's surety bond includes within its 26671
coverage any loss that might occur as the result of the 26672
contract. 26673

~~(D)~~ (3) The provisions of the contract do not conflict with 26674
accounting and reporting requirements prescribed by the auditor 26675
of state. 26676

(B) The records of the financial institution are subject 26677
to examination by the auditor of state to the same extent as if 26678
the services that the financial institution has agreed to 26679
perform were being performed by the treasurer. 26680

Sec. 323.131. (A) Each tax bill prepared and mailed or 26681
delivered under section 323.13 of the Revised Code shall be in 26682
the form and contain the information required by the tax 26683
commissioner. The commissioner may prescribe different forms for 26684
each county and may authorize the county auditor to make up tax 26685
bills and tax receipts to be used by the county treasurer. For 26686
any county in which the board of county commissioners has 26687
granted a partial property tax exemption on homesteads under 26688
section 323.158 of the Revised Code, the commissioner shall 26689
require that the tax bills for those homesteads include a notice 26690
of the amount of the tax reduction that results from the partial 26691
exemption. In addition to the information required by the 26692
commissioner, each tax bill shall contain the following 26693
information: 26694

(1) The taxes levied and the taxes charged and payable 26695
against the property; 26696

(2) The effective tax rate. The words "effective tax rate" 26697

shall appear in boldface type. 26698

(3) The following notices: 26699

(a) "Notice: If the taxes are not paid within sixty days 26700
from the date they are certified delinquent, the property is 26701
subject to foreclosure for tax delinquency." Failure to provide 26702
such notice has no effect upon the validity of any tax 26703
foreclosure to which a property is subjected. 26704

(b) "Notice: If the taxes charged against this parcel have 26705
been reduced by the 2-1/2 per cent tax reduction for residences 26706
occupied by the owner but the property is not a residence 26707
occupied by the owner, the owner must notify the county 26708
auditor's office not later than March 31 of the year following 26709
the year for which the taxes are due. Failure to do so may 26710
result in the owner being convicted of a fourth degree 26711
misdemeanor, which is punishable by imprisonment up to 30 days, 26712
a fine up to \$250, or both, and in the owner having to repay the 26713
amount by which the taxes were erroneously or illegally reduced, 26714
plus any interest that may apply. 26715

If the taxes charged against this parcel have not been 26716
reduced by the 2-1/2 per cent tax reduction and the parcel 26717
includes a residence occupied by the owner, the parcel may 26718
qualify for the tax reduction. To obtain an application for the 26719
tax reduction or further information, the owner may contact the 26720
county auditor's office at _____ (insert the address and 26721
telephone number of the county auditor's office). 26722

(4) For a tract or lot on the real property tax suspension 26723
list under section 319.48 of the Revised Code, the following 26724
notice: "Notice: The taxes shown due on this bill are for the 26725
current year only. Delinquent taxes, penalties, and interest 26726

also are due on this property. Contact the county treasurer to 26727
learn the total amount due." 26728

(5) For a property, the tax liability of which has been 26729
reduced under section 5705.316 of the Revised Code for the 26730
current tax year, the following notice: "Notice: The school 26731
district taxes shown due on this bill are reduced only for the 26732
current year due to the school district's excess carry-over 26733
balance." 26734

The tax bill shall not contain or be mailed or delivered 26735
with any information or material that is not required by this 26736
section or that is not authorized by section 321.45 of the 26737
Revised Code or by the tax commissioner. 26738

(B) If the property is residential rental property, the 26739
tax bill shall contain a statement that the owner of the 26740
residential rental property shall file with the county auditor 26741
the information required under division (A) or (C) of section 26742
5323.02 of the Revised Code. 26743

(C) Each county auditor and treasurer shall post on their 26744
respective web sites, or on the county's web site, the 26745
percentage of property taxes charged by each taxing unit and, in 26746
the case of the county as a taxing unit, the percentage of taxes 26747
charged by the county for each of the county purposes for which 26748
taxes are charged. 26749

(D) As used in this section, "residential rental property" 26750
has the same meaning as in section 5323.01 of the Revised Code. 26751

Sec. 323.152. In addition to the reduction in taxes 26752
required under ~~section~~ sections 319.302 and 319.304 of the 26753
Revised Code, taxes shall be reduced as provided in divisions 26754
(A) and (B) of this section. 26755

(A) (1) (a) Division (A) (1) of this section applies to any 26756
of the following persons: 26757

(i) A person who is permanently and totally disabled; 26758

(ii) A person who is sixty-five years of age or older; 26759

(iii) A person who is the surviving spouse of a deceased 26760
person who was permanently and totally disabled or sixty-five 26761
years of age or older and who applied and qualified for a 26762

dies. 26766

(b) Real property taxes on a homestead owned and occupied, 26767
or a homestead in a housing cooperative occupied, by a person to 26768
whom division (A) (1) of this section applies shall be reduced 26769
for each year for which an application for the reduction has 26770
been approved. The reduction shall equal one of the following 26771
amounts, as applicable to the person: 26772

(i) If the person received a reduction under division (A) 26773
(1) of this section for tax year 2006, the greater of the 26774

division (A) (1) (c) of this section; 26776

(ii) If the person received, for any homestead, a 26777
reduction under division (A) (1) of this section for tax year 26778
2013 or under division (A) of section 4503.065 of the Revised 26779
Code for tax year 2014 or the person is the surviving spouse of 26780
such a person and the surviving spouse is at least fifty-nine 26781
years of age on the date the deceased spouse dies, the amount 26782
computed under division (A) (1) (c) of this section. 26783

(iii) If the person is not described in division (A) (1) (b) 26784

(i) or (ii) of this section and the person's total income does 26785
not exceed thirty thousand dollars, as adjusted under division 26786
(A) (1) (d) of this section, the amount computed under division 26787
(A) (1) (c) of this section. 26788

(c) The amount of the reduction under division (A) (1) (c) 26789
of this section equals the product of the following: 26790

property in money, as adjusted under division (A) (1) (d) of this 26792
section; 26793

(ii) The assessment percentage established by the tax 26794
commissioner under division (B) of section 5715.01 of the 26795
Revised Code, not to exceed thirty-five per cent; 26796

(iii) The effective tax rate used to calculate the taxes 26797
charged against the property for the current year, where 26798

division (B) of section 323.152 of the Revised Code. 26804

(d) The tax commissioner shall adjust the total income 26805
threshold described in division (A) (1) (b) (iii) and the reduction 26806
amounts described in divisions (A) (1) (c) (i), (A) (2), and (A) (3) 26807
of this section by completing the following calculations in 26808
September of each year: 26809

(i) Determine the percentage increase in the gross 26810
domestic product deflator determined by the bureau of economic 26811
analysis of the United States department of commerce from the 26812
first day of January of the preceding calendar year to the last 26813

day of December of the preceding calendar year; 26814

(ii) Multiply that percentage increase by the total income 26815
threshold or reduction amount for the current tax year, as 26816
applicable; 26817

(iii) Add the resulting product to the total income 26818
threshold or the reduction amount, as applicable, for the 26819
current tax year; 26820

(iv) Round the resulting sum to the nearest multiple of 26821
one hundred dollars. 26822

The commissioner shall certify the amount resulting from 26823
each adjustment to each county auditor not later than the first 26824
day of December each year. The certified total income threshold 26825
amount applies to the following tax year for persons described 26826
in division (A) (1) (b) (iii) of this section. The certified 26827
reduction amount applies to the following tax year. The 26828
commissioner shall not make the applicable adjustment in any 26829
calendar year in which the amount resulting from the adjustment 26830
would be less than the total income threshold or the reduction 26831
amount for the current tax year. 26832

(2) (a) Real property taxes on a homestead owned and 26833
occupied, or a homestead in a housing cooperative occupied, by a 26834
disabled veteran shall be reduced for each year for which an 26835
application for the reduction has been approved. The reduction 26836
shall equal the product obtained by multiplying fifty thousand 26837
dollars of the true value of the property in money, as adjusted 26838
under division (A) (1) (d) of this section, by the amounts 26839
described in divisions (A) (1) (c) (ii) to (iv) of this section. 26840
The reduction is in lieu of any reduction under section 323.158 26841
of the Revised Code or division (A) (1), (2) (b), or (3) of this 26842

section. The reduction applies to only one homestead owned and 26843
occupied by a disabled veteran. 26844

(b) Real property taxes on a homestead owned and occupied, 26845
or a homestead in a housing cooperative occupied, by the 26846
surviving spouse of a disabled veteran shall be reduced for each 26847
year an application for exemption is approved. The reduction 26848
shall equal to the amount of the reduction authorized under 26849
division (A) (2) (a) of this section. 26850

The reduction is in lieu of any reduction under section 26851
323.158 of the Revised Code or division (A) (1), (2) (a), or (3) 26852
of this section. The reduction applies to only one homestead 26853
owned and occupied by the surviving spouse of a disabled 26854
veteran. A homestead qualifies for a reduction in taxes under 26855
division (A) (2) (b) of this section beginning in one of the 26856
following tax years: 26857

(i) For a surviving spouse described in division (L) (1) of 26858
section 323.151 of the Revised Code, the year the disabled 26859
veteran dies; 26860

(ii) For a surviving spouse described in division (L) (2) 26861
of section 323.151 of the Revised Code, the first year on the 26862
first day of January of which the total disability rating 26863
described in division (F) of that section has been received for 26864
the deceased spouse. 26865

In either case, the reduction shall continue through the 26866
tax year in which the surviving spouse dies or remarries. 26867

(3) Real property taxes on a homestead owned and occupied, 26868
or a homestead in a housing cooperative occupied, by the 26869
surviving spouse of a public service officer killed in the line 26870
of duty shall be reduced for each year for which an application 26871

for the reduction has been approved. The reduction shall equal 26872
the product obtained by multiplying fifty thousand dollars of 26873
the true value of the property in money, as adjusted under 26874
division (A) (1) (d) of this section, by the amounts described in 26875
divisions (A) (1) (c) (ii) to (iv) of this section. The reduction 26876
is in lieu of any reduction under section 323.158 of the Revised 26877
Code or division (A) (1) or (2) of this section. The reduction 26878
applies to only one homestead owned and occupied by such a 26879
surviving spouse. A homestead qualifies for a reduction in taxes 26880
under division (A) (3) of this section for the tax year in which 26881
the public service officer dies through the tax year in which 26882
the surviving spouse dies or remarries. 26883

(B) (1) As used in division (B) of this section, 26884
"qualifying levy" has the same meaning as in section 319.302 of 26885
the Revised Code. 26886

(2) To provide a partial exemption, real property taxes on 26887
any homestead, and manufactured home taxes on any manufactured 26888
or mobile home on which a manufactured home tax is assessed 26889
pursuant to division (D) (2) of section 4503.06 of the Revised 26890
Code, shall be reduced for each year for which an application 26891
for the reduction has been approved. The amount of the reduction 26892
shall equal two and one-half per cent of the amount of taxes to 26893
be levied by qualifying levies on the homestead or the 26894
manufactured or mobile home after applying section 319.301 of 26895
the Revised Code. ~~For the purposes of this division, "qualifying~~ 26896
~~levy" has the same meaning as in section 319.302 of the Revised~~ 26897
~~Code.~~ 26898

(3) A board of county commissioners, by resolution, may 26899
authorize a partial exemption from the real property taxes or 26900
manufactured home taxes on any property or manufactured or 26901

mobile home that receives the partial exemption under division 26902
(B) (2) of this section. The resolution shall specify the amount 26903
of the partial exemption, which may equal up to two and one-half 26904
per cent of the amount of taxes to be levied by qualifying 26905
levies on the property or home after applying section 319.301 of 26906
the Revised Code. The partial exemption shall be applied 26907
concurrently with the partial exemption under division (B) (2) of 26908
this section, and no application shall be required under section 26909
323.153 of the Revised Code to obtain the partial exemption 26910
authorized pursuant to this section. 26911

The board shall certify a copy of the resolution, or a 26912
copy of any resolution repealing the partial exemption's 26913
authorization, to the county auditor and tax commissioner within 26914
thirty days after its adoption. If the resolution is adopted on 26915
or before the first day of July of a tax year, the partial 26916
exemption shall first apply or cease to apply, in the case of 26917
real property taxes, to that tax year or, in the case of 26918
manufactured home taxes, the following tax year. If the 26919
resolution is adopted after the first day of July of a tax year, 26920
the partial exemption shall first apply or cease to apply, in 26921
the case of real property taxes, to the following tax year or, 26922
in the case of manufactured home taxes, the second succeeding 26923
tax year. 26924

(C) The reductions granted by this section do not apply to 26925
special assessments or respread of assessments levied against 26926
the homestead, and if there is a transfer of ownership 26927
subsequent to the filing of an application for a reduction in 26928
taxes, such reductions are not forfeited for such year by virtue 26929
of such transfer. 26930

(D) The reductions in taxable value referred to in this 26931

section shall be applied solely as a factor for the purpose of 26932
computing the reduction of taxes under this section and shall 26933
not affect the total value of property in any subdivision or 26934
taxing district as listed and assessed for taxation on the tax 26935
lists and duplicates, or any direct or indirect limitations on 26936
indebtedness of a subdivision or taxing district. If after 26937
application of sections 5705.31 and 5705.32 of the Revised Code, 26938
including the allocation of all levies within the ten-mill 26939
limitation to debt charges to the extent therein provided, there 26940
would be insufficient funds for payment of debt charges not 26941
provided for by levies in excess of the ten-mill limitation, the 26942
reduction of taxes provided for in sections 323.151 to 323.159 26943
of the Revised Code shall be proportionately adjusted to the 26944
extent necessary to provide such funds from levies within the 26945
ten-mill limitation. 26946

(E) No reduction shall be made on the taxes due on the 26947
homestead of any person convicted of violating division (D) or 26948
(E) of section 323.153 of the Revised Code for a period of three 26949
years following the conviction. 26950

Sec. 323.153. (A) To obtain a reduction in real property 26951
taxes under division (A) or ~~(B)~~ (B) (2) of section 323.152 of the 26952
Revised Code or in manufactured home taxes under division ~~(B)~~ (B) 26953
(2) of section 323.152 of the Revised Code, the owner shall file 26954
an application with the county auditor of the county in which 26955
the owner's homestead is located. 26956

To obtain a reduction in real property taxes under 26957
division (A) of section 323.152 of the Revised Code, the 26958
occupant of a homestead in a housing cooperative shall file an 26959
application with the nonprofit corporation that owns and 26960
operates the housing cooperative, in accordance with this 26961

paragraph. Not later than the first day of March each year, the 26962
corporation shall obtain applications from the county auditor's 26963
office and provide one to each new occupant. Not later than the 26964
first day of May, any occupant who may be eligible for a 26965
reduction in taxes under division (A) of section 323.152 of the 26966
Revised Code shall submit the completed application to the 26967
corporation. Not later than the fifteenth day of May, the 26968
corporation shall file all completed applications, and the 26969
information required by division (B) of section 323.159 of the 26970
Revised Code, with the county auditor of the county in which the 26971
occupants' homesteads are located. Continuing applications shall 26972
be furnished to an occupant in the manner provided in division 26973
(C) (4) of this section. 26974

(1) An application for reduction based upon a physical 26975
disability shall be accompanied by a certificate signed by a 26976
physician, and an application for reduction based upon a mental 26977
disability shall be accompanied by a certificate signed by a 26978
physician or psychologist licensed to practice in this state, 26979
attesting to the fact that the applicant is permanently and 26980
totally disabled. The certificate shall be in a form that the 26981
tax commissioner requires and shall include the definition of 26982
permanently and totally disabled as set forth in section 323.151 26983
of the Revised Code. An application for reduction based upon a 26984
disability certified as permanent and total by a state or 26985
federal agency having the function of so classifying persons 26986
shall be accompanied by a certificate from that agency. 26987

An application by a disabled veteran or the surviving 26988
spouse of a disabled veteran for the reduction under division 26989
(A) (2) (a) or (b) of section 323.152 of the Revised Code shall be 26990
accompanied by a letter or other written confirmation from the 26991
United States department of veterans affairs, or its predecessor 26992

or successor agency, showing that the veteran qualifies as a disabled veteran.

An application by the surviving spouse of a public service officer killed in the line of duty for the reduction under division (A) (3) of section 323.152 of the Revised Code shall be accompanied by a letter or other written confirmation from an employee or officer of the board of trustees of a retirement or pension fund in this state or another state or from the chief or other chief executive of the department, agency, or other employer for which the public service officer served when killed in the line of duty affirming that the public service officer was killed in the line of duty.

An application for a reduction under division (A) of section 323.152 of the Revised Code constitutes a continuing application for a reduction in taxes for each year in which the dwelling is the applicant's homestead.

(2) An application for a reduction in taxes under division ~~(B)~~ (B) (2) of section 323.152 of the Revised Code shall be filed only if the homestead or manufactured or mobile home was transferred in the preceding year or did not qualify for and receive the reduction in taxes under that division for the preceding tax year. The application for homesteads transferred in the preceding year shall be incorporated into any form used by the county auditor to administer the tax law in respect to the conveyance of real property pursuant to section 319.20 of the Revised Code or of used manufactured homes or used mobile homes as defined in section 5739.0210 of the Revised Code. The owner of a manufactured or mobile home who has elected under division (D) (4) of section 4503.06 of the Revised Code to be taxed under division (D) (2) of that section for the ensuing year

may file the application at the time of making that election. 27023
The application shall contain a statement that failure by the 27024
applicant to affirm on the application that the dwelling on the 27025
property conveyed is the applicant's homestead prohibits the 27026
owner from receiving the reduction in taxes until a proper 27027
application is filed within the period prescribed by division 27028
(A) (3) of this section. Such an application constitutes a 27029
continuing application for a reduction in taxes for each year in 27030
which the dwelling is the applicant's homestead. 27031

(3) Failure to receive a new application filed under 27032
division (A) (1) or (2) or notification under division (C) of 27033
this section after an application for reduction has been 27034
approved is prima-facie evidence that the original applicant is 27035
entitled to the reduction in taxes calculated on the basis of 27036
the information contained in the original application. The 27037
original application and any subsequent application, including 27038
any late application, shall be in the form of a signed statement 27039
and shall be filed on or before the thirty-first day of December 27040
of the year for which the reduction is sought. The original 27041
application and any subsequent application for a reduction in 27042
manufactured home taxes shall be filed in the year preceding the 27043
year for which the reduction is sought. The statement shall be 27044
on a form, devised and supplied by the tax commissioner, which 27045
shall require no more information than is necessary to establish 27046
the applicant's eligibility for the reduction in taxes and the 27047
amount of the reduction, and, except for homesteads that are 27048
units in a housing cooperative, shall include an affirmation by 27049
the applicant that ownership of the homestead was not acquired 27050
from a person, other than the applicant's spouse, related to the 27051
owner by consanguinity or affinity for the purpose of qualifying 27052
for the real property or manufactured home tax reduction 27053

provided for in division (A) or ~~(B)~~ (B) (2) of section 323.152 of 27054
the Revised Code. The form shall contain a statement that 27055
conviction of willfully falsifying information to obtain a 27056
reduction in taxes or failing to comply with division (C) of 27057
this section results in the revocation of the right to the 27058
reduction for a period of three years. In the case of an 27059
application for a reduction in taxes for persons described in 27060
division (A) (1) (b) (iii) of section 323.152 of the Revised Code, 27061
the form shall contain a statement that signing the application 27062
constitutes a delegation of authority by the applicant to the 27063
tax commissioner or the county auditor, individually or in 27064
consultation with each other, to examine any tax or financial 27065
records relating to the income of the applicant as stated on the 27066
application for the purpose of determining eligibility for the 27067
exemption or a possible violation of division (D) or (E) of this 27068
section. 27069

(B) A late application for a tax reduction for the year 27070
preceding the year in which an original application is filed, or 27071
for a reduction in manufactured home taxes for the year in which 27072
an original application is filed, may be filed with the original 27073
application. If the county auditor determines the information 27074
contained in the late application is correct, the auditor shall 27075
determine the amount of the reduction in taxes to which the 27076
applicant would have been entitled for the preceding tax year 27077
had the applicant's application been timely filed and approved 27078
in that year. 27079

The amount of such reduction shall be treated by the 27080
auditor as an overpayment of taxes by the applicant and shall be 27081
refunded in the manner prescribed in section 5715.22 of the 27082
Revised Code for making refunds of overpayments. The county 27083
auditor shall certify the total amount of the reductions in 27084

taxes made in the current year under this division to the tax 27085
commissioner, who shall treat the full amount thereof as a 27086
reduction in taxes for the preceding tax year and shall make 27087
reimbursement to the county therefor in the manner prescribed by 27088
section 323.156 of the Revised Code, from money appropriated for 27089
that purpose. 27090

(C) (1) If, in any year after an application has been filed 27091
under division (A) (1) or (2) of this section, the owner does not 27092
qualify for a reduction in taxes on the homestead or on the 27093
manufactured or mobile home set forth on such application, the 27094
owner shall notify the county auditor that the owner is not 27095
qualified for a reduction in taxes. 27096

(2) If, in any year after an application has been filed 27097
under division (A) (1) of this section, the occupant of a 27098
homestead in a housing cooperative does not qualify for a 27099
reduction in taxes on the homestead, the occupant shall notify 27100
the county auditor that the occupant is not qualified for a 27101
reduction in taxes or file a new application under division (A) 27102
(1) of this section. 27103

(3) If the county auditor or county treasurer discovers 27104
that an owner of property or occupant of a homestead in a 27105
housing cooperative not entitled to the reduction in taxes under 27106
division (A) or ~~(B)~~ (B) (2) of section 323.152 of the Revised Code 27107
failed to notify the county auditor as required by division (C) 27108
(1) or (2) of this section, a charge shall be imposed against 27109
the property in the amount by which taxes were reduced under 27110
that division for each tax year the county auditor ascertains 27111
that the property was not entitled to the reduction and was 27112
owned by the current owner or, in the case of a homestead in a 27113
housing cooperative, occupied by the current occupant. Interest 27114

shall accrue in the manner prescribed by division (B) of section 27115
323.121 or division (G) (2) of section 4503.06 of the Revised 27116
Code on the amount by which taxes were reduced for each such tax 27117
year as if the reduction became delinquent taxes at the close of 27118
the last day the second installment of taxes for that tax year 27119
could be paid without penalty. The county auditor shall notify 27120
the owner or occupant, by ordinary mail, of the charge, of the 27121
owner's or occupant's right to appeal the charge, and of the 27122
manner in which the owner or occupant may appeal. The owner or 27123
occupant may appeal the imposition of the charge and interest by 27124
filing an appeal with the county board of revision not later 27125
than the last day prescribed for payment of real and public 27126
utility property taxes under section 323.12 of the Revised Code 27127
following receipt of the notice and occurring at least ninety 27128
days after receipt of the notice. The appeal shall be treated in 27129
the same manner as a complaint relating to the valuation or 27130
assessment of real property under Chapter 5715. of the Revised 27131
Code. The charge and any interest shall be collected as other 27132
delinquent taxes. 27133

(4) Each year during January, the county auditor shall 27134
furnish by ordinary mail a continuing application to each person 27135
receiving a reduction under division (A) of section 323.152 of 27136
the Revised Code. The continuing application shall be used to 27137
report changes in total income, ownership, occupancy, 27138
disability, and other information earlier furnished the auditor 27139
relative to the reduction in taxes on the property. The 27140
continuing application shall be returned to the auditor not 27141
later than the thirty-first day of December; provided, that if 27142
such changes do not affect the status of the homestead exemption 27143
or the amount of the reduction to which the owner is entitled 27144
under division (A) of section 323.152 of the Revised Code or to 27145

which the occupant is entitled under section 323.159 of the Revised Code, the application does not need to be returned.

(5) Each year during February, the county auditor, except as otherwise provided in this paragraph, shall furnish by ordinary mail an original application to the owner, as of the first day of January of that year, of a homestead or a manufactured or mobile home that transferred during the preceding calendar year and that qualified for and received a reduction in taxes under division ~~(D)~~ (B) (2) of section 323.152 of the Revised Code for the preceding tax year. In order to receive the reduction under that division, the owner shall file the application with the county auditor not later than the thirty-first day of December. If the application is not timely filed, the auditor shall not grant a reduction in taxes for the homestead for the current year, and shall notify the owner that the reduction in taxes has not been granted, in the same manner prescribed under section 323.154 of the Revised Code for notification of denial of an application. Failure of an owner to receive an application does not excuse the failure of the owner to file an original application. The county auditor is not required to furnish an application under this paragraph for any homestead for which application has previously been made on a form incorporated into any form used by the county auditor to administer the tax law in respect to the conveyance of real property or of used manufactured homes or used mobile homes, and an owner who previously has applied on such a form is not required to return an application furnished under this paragraph.

(D) No person shall knowingly make a false statement for the purpose of obtaining a reduction in the person's real property or manufactured home taxes under section 323.152 of the

Revised Code. 27177

(E) No person shall knowingly fail to notify the county auditor of changes required by division (C) of this section that have the effect of maintaining or securing a reduction in taxes under section 323.152 of the Revised Code. 27178
27179
27180
27181

(F) No person shall knowingly make a false statement or certification attesting to any person's physical or mental condition for purposes of qualifying such person for tax relief pursuant to sections 323.151 to 323.159 of the Revised Code. 27182

27187
27188
27189

27193

Sec. 323.156. (A) Within thirty days after a settlement of taxes under divisions (A) and (C) of section 321.24 of the Revised Code, the county treasurer shall certify to the tax commissioner one-half of the total amount of taxes on real property that were reduced pursuant to divisions (A) and (B) (2) of section 323.152 of the Revised Code for the preceding tax year. The commissioner, within thirty days of the receipt of such certifications, shall provide for payment to the county treasurer, from the general revenue fund, of the amount certified, which shall be credited upon receipt to the county's undivided income tax fund, and an amount equal to two per cent 27195

of the amount by which taxes were reduced, which shall be 27206
credited upon receipt to the county general fund as a payment to 27207
the county auditor and treasurer for the costs of administering 27208
the exemption provided under sections 323.151 to 323.159 of the 27209
Revised Code. 27210

(B) On or before the second Monday in September of each 27211
year, the county treasurer shall certify to the tax commissioner 27212
the total amount by which the manufactured home taxes levied in 27213
that year were reduced pursuant to division ~~(B)~~ (B) (2) of section 27214
323.152 of the Revised Code, as evidenced by the certificates of 27215
reduction and the tax duplicate certified to the county 27216
treasurer by the county auditor. The commissioner, within ninety 27217
days after the receipt of such certifications, shall provide for 27218
payment to the county treasurer, from the general revenue fund, 27219
of the amount certified, which shall be credited upon receipt to 27220
the county's undivided income tax fund, and an amount equal to 27221
two per cent of the amount by which taxes were reduced, which 27222
shall be credited upon receipt to the county general fund as a 27223
payment to the county auditor and treasurer for the costs of 27224
administering the exemption provided under sections 323.151 to 27225
323.159 of the Revised Code. 27226

(C) Immediately upon receipt of funds into the county 27227
undivided income tax fund under this section, the auditor shall 27228
distribute the full amount thereof among the taxing districts in 27229
the county as though the total had been paid as taxes by each 27230
person for whom taxes were reduced under sections 323.151 to 27231
323.159 of the Revised Code. 27232

Sec. 323.158. (A) As used in this section, "qualifying 27233
county" means a county to which both of the following apply: 27234

(1) At least one major league professional athletic team 27235

plays its home schedule in the county for the season beginning 27236
in 1996; 27237

(2) The majority of the electors of the county, voting at 27238
an election held in 1996, approved a referendum on a resolution 27239
of the board of county commissioners levying a sales and use tax 27240
under sections 5739.026 and 5741.023 of the Revised Code. 27241

(B) On or before December 31, 1996, the board of county 27242
commissioners of a qualifying county may adopt a resolution 27243
under this section. The resolution shall grant a partial real 27244
property tax exemption to each homestead in the county that also 27245
receives the tax reduction under division ~~(B)~~ (B) (2) of section 27246
323.152 of the Revised Code. The partial exemption shall take 27247
the form of the reduction by a specified percentage each year of 27248
the real property taxes on the homestead. The resolution shall 27249
specify the percentage, which may be any amount. The board may 27250
include in the resolution a condition that the partial exemption 27251
will apply only upon the receipt by the county of additional 27252
revenue from a source specified in the resolution. The 27253
resolution shall specify the tax year in which the partial 27254
exemption first applies, which may be the tax year in which the 27255
resolution takes effect as long as the resolution takes effect 27256
before the county auditor certifies the tax duplicate of real 27257
and public utility property for that tax year to the county 27258
treasurer. Upon adopting the resolution, the board shall certify 27259
copies of it to the county auditor and the tax commissioner. 27260

(C) After complying with sections 319.301, 319.302, 27261
319.304, and 323.152 of the Revised Code, the county auditor 27262
shall reduce the remaining sum to be levied against a homestead 27263
by the percentage called for in the resolution adopted under 27264
division (B) of this section. The auditor shall certify the 27265

amount of taxes remaining after the reduction to the county 27266
treasurer for collection as the real property taxes charged and 27267
payable on the homestead. 27268

(D) For each tax year, the county auditor shall certify to 27269
the board of county commissioners the total amount by which real 27270
property taxes were reduced under this section. At the time of 27271
each semi-annual settlement of real property taxes between the 27272
county auditor and county treasurer, the board of county 27273
commissioners shall pay to the auditor one-half of that total 27274
amount. Upon receipt of the payment, the county auditor shall 27275
distribute it among the various taxing districts in the county 27276
as if it had been levied, collected, and settled as real 27277
property taxes. The board of county commissioners shall make the 27278
payment from the county general fund or from any other county 27279
revenue that may be used for that purpose. In making the 27280
payment, the board may use revenue from taxes levied by the 27281
county to provide additional general revenue under sections 27282
5739.021 and 5741.021 of the Revised Code or to provide 27283
additional revenue for the county general fund under sections 27284
5739.026 and 5741.023 of the Revised Code. 27285

(E) The partial exemption under this section shall not 27286
directly or indirectly affect the determination of the principal 27287
amount of notes that may be issued in anticipation of a tax levy 27288
or the amount of securities that may be issued for any permanent 27289
improvements authorized in conjunction with a tax levy. 27290

(F) At any time, the board of county commissioners may 27291
adopt a resolution amending or repealing the partial exemption 27292
granted under this section. Upon adopting a resolution amending 27293
or repealing the partial exemption, the board shall certify 27294
copies of it to the county auditor and the tax commissioner. The 27295

resolution shall specify the tax year in which the amendment or 27296
repeal first applies, which may be the tax year in which the 27297
resolution takes effect as long as the resolution takes effect 27298
before the county auditor certifies the tax duplicate of real 27299
and public utility property for that tax year to the county 27300
treasurer. 27301

(G) If a person files a late application for a tax 27302
reduction under division ~~(B)~~ (B) (2) of section 323.152 of the 27303
Revised Code for the preceding year, and is granted the 27304
reduction, the person also shall receive the reduction under 27305
this section for the preceding year. The county auditor shall 27306
credit the amount of the reduction against the person's current 27307
year taxes, and shall include the amount of the reduction in the 27308
amount certified to the board of county commissioners under 27309
division (D) of this section. 27310

Sec. 323.611. (A) At the request of the county treasurer, 27311
a board of county commissioners may enter into a contract with 27312
any financial institution under which the financial institution, 27313
in accordance with the terms of the contract, receives real 27314
property and manufactured home tax payments at a post office 27315
box, opens the mail delivered to that box, processes the checks 27316
and other payments received in such mail and deposits them into 27317
the treasurer's account, and provides the county treasurer daily 27318
receipt information with respect to such payments. The contract 27319
shall not be entered into unless: 27320

~~(A) There is attached to the contract a certification by 27321
the auditor of state that the financial institution and the 27322
treasurer have given assurances satisfactory to the auditor of 27323
state that the records of the financial institution, to the 27324
extent that they relate to tax payments covered by the contract, 27325~~

~~shall be subject to audit by the auditor of state to the same~~ 27326
~~extent as if the services for which the financial institution~~ 27327

accounting and reporting requirements prescribed by the auditor 27335

to examination by the auditor of state to the same extent as if 27338
the services that the financial institution has agreed to 27339
perform were being performed by the treasurer of state. 27340

(2) Unless authorized in writing by the board of county 27384
commissioners, the total amount of cash awards shall not exceed, 27385
per employee in any calendar year, ten per cent of the 27386
compensation the employee receives that calendar year. 27387

Sec. 340.01. (A) As used in this chapter: 27388

(1) "Addiction," "addiction services," "alcohol and drug 27389
addiction services," "alcohol use disorder," "certifiable 27390
services and supports," "community addiction services provider," 27391
"community mental health services provider," "drug addiction," 27392
"gambling addiction services," "included opioid and co-occurring 27393
drug addiction services and recovery supports," "mental health 27394
services," "mental illness," "recovery housing residence," and 27395
"recovery supports" have the same meanings as in section 5119.01 27396
of the Revised Code. 27397

(2) "Medication-assisted treatment" means alcohol and drug 27398
addiction services that are accompanied by medication approved 27399
by the United States food and drug administration for the 27400
treatment of alcohol use disorder or drug addiction, prevention 27401
of relapse, or both. 27402

(B) An alcohol, drug addiction, and mental health service 27403
district shall be established in any county or combination of 27404
counties having a population of at least fifty thousand. With 27405
the approval of the director of ~~mental-behavioral health-and-~~ 27406
~~addiction services~~, any county or combination of counties having 27407
a population of less than fifty thousand may establish such a 27408
district. Districts comprising more than one county shall be 27409
known as joint-county districts. 27410

The board of county commissioners of any county 27411
participating in a joint-county district may submit a resolution 27412

requesting withdrawal from the district together with a 27413
comprehensive plan or plans that are in compliance with rules 27414
adopted by the director of ~~mental-behavioral health and~~ 27415

include all of the following: proposed bylaws for the operation 27420
of the newly established district; a list of potential board 27421

no disruption in behavioral health services in the newly 27427
established district; and provision for the employment of an 27428
executive director of the newly established district. 27429

The director shall approve the plan not later than one 27430
year after the date the resolution was adopted by the board of 27431
county commissioners. No county participating in a joint-county 27432
district may withdraw from the district without the consent of 27433
the director of ~~mental-behavioral health and addiction services~~ 27434
nor earlier than one year after the submission of such 27435
resolution unless all of the participating counties agree to an 27436
earlier withdrawal. 27437

Any county withdrawing from a joint-county district shall 27438
continue to have levied against its tax list and duplicate any 27439
tax levied by the district during the period in which the county 27440
was a member of the district until such time as the levy expires 27441
or is renewed or replaced. 27442

(C) For any tax levied under section 5705.19 of the Revised Code by a board of a joint-county district formed on or after April 3, 2023, revenue from the tax shall only be expended for the benefit of the residents of the county from which the revenue is derived. For the purpose of this division, a joint-county district is not formed by virtue of a county joining or withdrawing from a district or if a joint-county service district merges with another joint-county district.

Sec. 340.011. (A) This chapter shall be interpreted to accomplish all of the following:

(1) Establish a unified system of treatment for persons with mental illnesses and persons with addictions;

(2) Establish a community support system available for every alcohol, drug addiction, and mental health service district;

(3) Protect the personal liberty of persons with mental illnesses so that they may be treated in the least restrictive environment;

(4) Encourage the development of high quality, cost effective, and comprehensive services, including culturally sensitive services;

(5) Foster the development of comprehensive community mental health services, based on recognized local needs, especially for persons with severe mental disabilities;

(6) Ensure that services provided meet minimum standards established by the director of ~~mental-behavioral health-and-addiction services~~ mental-behavioral health and ~~addiction services~~;

(7) Promote the delivery of high quality and cost-

effective addiction and mental health services; 27471

(8) Promote the participation of persons receiving mental 27472
health services and addiction services in the planning, 27473
delivery, and evaluation of these services. 27474

(B) Nothing in Chapter 340., 5119., or 5122. of the 27475
Revised Code shall be construed as requiring a board of county 27476
commissioners to provide resources beyond the total amount set 27477
forth in a budget and list of addiction services, mental health 27478
services, and recovery supports required by section 340.08 of 27479
the Revised Code and approved by the department of ~~mental~~ 27480
behavioral health ~~and addiction services~~ under section 5119.22 27481
of the Revised Code. 27482

Sec. 340.02. (A) For each alcohol, drug addiction, and 27483
mental health service district, there shall be appointed a board 27484
of alcohol, drug addiction, and mental health services. As 27485
provided in this section, the board shall consist of eighteen 27486
members, fifteen members, fourteen members, twelve members, or 27487
nine members. 27488

In a single-county district, the size of the board shall 27489
be determined by the board of county commissioners representing 27490
the county that constitutes the district. In a joint-county 27491
district, the size of the board shall be determined jointly by 27492
all of the boards of county commissioners representing the 27493
counties that constitute the district. 27494

The determination of board size shall be made by selecting 27495
one of the options described in division (B) of this section. 27496
After an option is selected and implemented, a subsequent 27497
determination of board size may be made, except that subsequent 27498
determinations shall not occur more frequently than once every 27499

four calendar years. 27500

If a selected option would result in a change in board 27501
size, before the option may be implemented the board of county 27502
commissioners or boards of county commissioners, as the case may 27503
be, shall send a representative to a meeting of the board of 27504
alcohol, drug addiction, and mental health services to solicit 27505
feedback about the matter. After considering any feedback 27506
received, the board or boards of county commissioners may 27507
proceed with implementing the change in board size. If the 27508
change results in a reduction of board members, the reduction 27509
shall be implemented by not filling vacancies as they occur. 27510

To implement a selected option that would result in the 27511
establishment of a new board of alcohol, drug addiction, and 27512
mental health services or in a change in size of an existing 27513
board, the board or boards of county commissioners, as the case 27514
may be, shall adopt a resolution specifying the board size that 27515
has been selected. The board or boards of county commissioners 27516
also shall notify the department of mental-behavioral health and 27517
~~addiction services~~ of the board size that has been selected. 27518

(B) (1) In the case of a board of alcohol, drug addiction, 27519
and mental health services that is established on or after ~~the~~ 27520
~~effective date of this amendment~~ October 3, 2023, any of the 27521
following options may be selected for purposes of division (A) 27522
of this section: 27523

(a) To establish the board as an eighteen-member board; 27524

(b) To establish the board as a fifteen-member board; 27525

(c) To establish the board as a fourteen-member board; 27526

(d) To establish the board as a twelve-member board; 27527

(e) To establish the board as a nine-member board; 27528

(f) To change the board's size after it has been 27529
established by selecting a number of members that is eighteen, 27530
fifteen, fourteen, twelve, or nine, as the case may be. 27531

(2) In the case of a board of alcohol, drug addiction, and 27532
mental health services that existed immediately prior to ~~the~~ 27533
~~effective date of this amendment~~ October 3, 2023, either of the 27534
following options may be selected for purposes of division (A) 27535
of this section: 27536

(a) To continue the board's operation as an eighteen- 27537
member or fourteen-member board, as a board of that size was 27538
authorized prior to ~~the effective date of this amendment~~ October 27539
3, 2023, in which case no further action is required; 27540

(b) To change the board's size by selecting a number of 27541
members that is eighteen, fifteen, fourteen, twelve, or nine as 27542
the case may be. 27543

(C) All members shall be residents of the service 27544
district. The membership shall, as nearly as possible, reflect 27545
the composition of the population of the service district as to 27546
race and sex. 27547

The director of ~~mental-behavioral health and addiction-~~ 27548
~~services~~ shall appoint one-third of the members of the board and 27549
the board of county commissioners shall appoint two-thirds of 27550
the members. In a joint-county district, the board of county 27551
commissioners of each participating county shall appoint members 27552
in as nearly as possible the same proportion as that county's 27553
population bears to the total population of the district, except 27554
that at least one member shall be appointed from each 27555
participating county. 27556

The director of ~~mental-behavioral health and addiction-~~ 27557
~~services~~ shall ensure that at least one member of the board is a 27558
clinician with experience in the delivery of mental health 27559
services, at least one member of the board is a person who has 27560
received or is receiving mental health services, at least one 27561
member of the board is a parent or other relative of such a 27562
person, at least one member of the board is a clinician with 27563
experience in the delivery of addiction services, at least one 27564
member of the board is a person who has received or is receiving 27565
addiction services, and at least one member of the board is a 27566
parent or other relative of such a person. A single member who 27567
meets both qualifications may fulfill the requirement for a 27568
clinician with experience in the delivery of mental health 27569
services and a clinician with experience in the delivery of 27570
addiction services. 27571

No member or employee of a board of alcohol, drug 27572
addiction, and mental health services shall serve as a member of 27573
the board of any provider with which the board of alcohol, drug 27574
addiction, and mental health services has entered into a 27575
contract for the provision of services or facilities. No member 27576
of a board of alcohol, drug addiction, and mental health 27577
services shall be an employee of any provider with which the 27578
board has entered into a contract for the provision of services 27579
or facilities. No person shall be an employee of a board and 27580
such a provider unless the board and provider both agree in 27581
writing. 27582

No person shall serve as a member of the board of alcohol, 27583
drug addiction, and mental health services whose spouse, child, 27584
parent, brother, sister, grandchild, stepparent, stepchild, 27585

a member of the board of any provider with which the board of 27588
alcohol, drug addiction, and mental health services has entered 27589
into a contract for the provision of services or facilities. No 27590
person shall serve as a member or employee of the board whose 27591
spouse, child, parent, brother, sister, stepparent, stepchild, 27592
stepbrother, stepsister, father-in-law, mother-in-law, son-in- 27593
law, daughter-in-law, brother-in-law, or sister-in-law serves as 27594
a county commissioner of a county or counties in the alcohol, 27595
drug addiction, and mental health service district. 27596

Each year each board member shall attend at least one 27597
inservice training session provided or approved by the 27598
department of ~~mental behavioral health and addiction services.~~ 27599

Each member shall be appointed for a term of four years, 27600
commencing the first day of July, except that when a board is 27601
established on or after ~~the effective date of this amendment~~ 27602
October 3, 2023, the initial appointments shall be staggered 27603
among the members as equally as possible with terms of two 27604
years, three years, and four years. 27605

No member shall serve more than two consecutive four-year 27606
terms under the same appointing authority. A member may serve 27607
for three consecutive terms under the same appointing authority 27608
only if one of the terms is for less than two years. A member 27609
who has served two consecutive four-year terms or three 27610
consecutive terms totaling less than ten years is eligible for 27611
reappointment by the same appointing authority one year 27612
following the end of the second or third term, respectively. 27613

When a vacancy occurs, appointment for the expired or 27614
unexpired term shall be made in the same manner as an original 27615
appointment. The board shall notify the appointing authority 27616
either by certified mail or, if the board has record of an 27617

internet identifier of record associated with the authority, by 27618
ordinary mail and by that internet identifier of record of any 27619
vacancy and shall fill the vacancy within sixty days following 27620
that notice. As used in this paragraph, "internet identifier of 27621
record" has the same meaning as in section 9.312 of the Revised 27622
Code. 27623

Any member of the board may be removed from office by the 27624
appointing authority at will. Before a member may be removed at 27625
will, the member shall be informed in writing of the proposed 27626
removal and afforded an opportunity for a public hearing. Upon 27627
the absence of a member within one year from either four board 27628
meetings or from two board meetings without prior notice, the 27629
board shall notify the appointing authority, which may vacate 27630
the appointment and appoint another person to complete the 27631
member's term. 27632

Members of the board shall serve without compensation, but 27633
shall be reimbursed for actual and necessary expenses incurred 27634
in the performance of their official duties, as defined by rules 27635
of the department of ~~mental behavioral health and addiction~~ 27636
~~services~~. 27637

Sec. 340.021. (A) In an alcohol, drug addiction, and 27638
mental health service district where the board of county 27639
commissioners has established an alcohol and drug addiction 27640
services board, the community mental health board established 27641
under former section 340.02 of the Revised Code shall serve as 27642
the entity responsible for providing mental health services in 27643
the county. A community mental health board has all the powers, 27644
duties, and obligations of a board of alcohol, drug addiction, 27645
and mental health services with regard to mental health 27646
services. An alcohol and drug addiction services board has all 27647

the powers, duties, and obligations of a board of alcohol, drug 27648
addiction, and mental health services with regard to addiction 27649
services. Any provision of the Revised Code that refers to a 27650
board of alcohol, drug addiction, and mental health services 27651
with regard to mental health services also refers to a community 27652
mental health board and any provision that refers to a board of 27653
alcohol, drug addiction, and mental health services with regard 27654
to alcohol and drug addiction services also refers to an alcohol 27655
and drug addiction services board. 27656

An alcohol and drug addiction services board shall consist 27657
of eighteen members or fourteen members, at the election of the 27658
board. Not later than January 1, 2014, each alcohol and drug 27659
addiction services board shall notify the department of ~~mental-~~ 27660
behavioral health and addiction services of its election to 27661
operate as an eighteen-member board or to operate as a fourteen- 27662
member board. The election shall be final. Failure to provide 27663
notice of its election to the department on or before January 1, 27664
2014, shall constitute an election to continue to operate as an 27665
eighteen-member board. If an existing board provides timely 27666
notice of its election to operate as a fourteen-member board, 27667
the number of board members may decline from eighteen to 27668
fourteen by attrition as current members' terms expire. However, 27669
the composition of the board must reflect the requirements set 27670
forth in this section and in applicable provisions of section 27671
340.02 of the Revised Code for fourteen-member boards. For 27672
boards operating as eighteen-member boards, six members shall be 27673
appointed by the director of ~~mental-~~behavioral health and 27674
~~addiction services~~ and twelve members shall be appointed by the 27675
board of county commissioners. The director of ~~mental-~~behavioral 27676
~~health and addiction services~~ shall ensure that at least one 27677
member of the board is a person who has received or is receiving 27678

services for alcohol, drug, or gambling addiction, at least one 27679
member is a parent or relative of such a person, and at least 27680
one member is a clinician with experience in the delivery of 27681
addiction services. The membership of the board shall, as nearly 27682
as possible, reflect the composition of the population of the 27683
service district as to race and sex. Members shall be residents 27684
of the service district and shall be interested in alcohol, 27685
drug, or gambling addiction services. Requirements for 27686
membership, including prohibitions against certain family and 27687
business relationships, and terms of office shall be the same as 27688
those for members of boards of alcohol, drug addiction, and 27689
mental health services. 27690

A community mental health board shall consist of eighteen 27691
members or fourteen members, at the election of the board. Not 27692
later than January 1, 2014, each community mental health board 27693
shall notify the department of ~~mental-behavioral health and~~ 27694
~~addiction services~~ of its election to operate as an eighteen- 27695
member board or to operate as a fourteen-member board. The 27696
election shall be final. Failure to provide notice of its 27697
election to the department on or before January 1, 2014, shall 27698
constitute an election to continue to operate as an eighteen- 27699
member board. If an existing board provides timely notice of its 27700
election to operate as a fourteen-member board, the number of 27701
board members may decline from eighteen to fourteen by attrition 27702
as current members' terms expire. However, the composition of 27703
the board must reflect the requirements set forth in this 27704
section and in applicable provisions of section 340.02 of the 27705
Revised Code for fourteen-member boards. For boards operating as 27706
eighteen-member boards, six members shall be appointed by the 27707
director of ~~mental-behavioral health and addiction services~~ and 27708
twelve members shall be appointed by the board of county 27709

commissioners. The director of ~~mental~~-behavioral health and- 27710
~~addiction services~~ shall ensure that at least one member of the 27711
board is a person who has received or is receiving mental health 27712
services, at least one member is a parent or relative of such a 27713
person, and at least one member is a clinician with experience 27714
in the delivery of mental health services. The membership of the 27715
board as nearly as possible shall reflect the composition of the 27716
population of the service district as to race and sex. Members 27717
shall be residents of the service district and shall be 27718
interested in mental health services. Requirements for 27719
membership, including prohibitions against certain family and 27720
business relationships, and terms of office shall be the same as 27721
those for members of boards of alcohol, drug addiction, and 27722
mental health services. 27723

(B) (1) If a board of county commissioners subject to 27724
division (A) of this section did not adopt a final resolution 27725
providing for a board of alcohol, drug addiction, and mental 27726
health services on or before July 1, 2007, the board of county 27727
commissioners may establish a board of alcohol, drug addiction, 27728
and mental health services on or after September 23, 2008. To 27729
establish the board, the board of county commissioners shall 27730
adopt a resolution providing for the board's establishment. The 27731
composition of the board, the procedures for appointing members, 27732
and all other matters related to the board and its members are 27733
subject to section 340.02 of the Revised Code, with the 27734
following exceptions: 27735

(a) For initial appointments to the board, the county's 27736
community mental health board and alcohol and drug addiction 27737
services board shall jointly recommend members of those boards 27738
for reappointment and shall submit the recommendations to the 27739
board of county commissioners and the director of ~~mental~~- 27740

behavioral health and addiction services. 27741

(b) The appointing authorities shall appoint the initial 27742
members from among the members jointly recommended under 27743
division (B) (1) (a) of this section unless the appointment is 27744
otherwise prohibited by law. 27745

(2) If a board of alcohol, drug addiction, and mental 27746

by more than one person during any calendar year, each person 29051
holding the office shall receive payments for only those months, 29052
and any fractions of those months, during which the person holds 29053
the office. The amount of the annual salary approved by the 29054
board shall be no more than the maximum amount that could be 29055
received annually by a trustee if the trustee were paid on a per 29056
diem basis as specified in this division, and shall be paid from 29057
the township general fund or from other township funds in such 29058
proportions as the board may specify by resolution. Each trustee 29059
shall certify the percentage of time spent working on matters to 29060

board of township trustees that has adopted a salary method of 29063
compensation may return to a method of compensation on a per 29064
diem basis as specified in this division by a majority vote. Any 29065
change in the method of compensation shall be effective on the 29066
first day of January of the year following the year during which 29067
the board has voted to change the method of compensation. 29068

Sec. 505.37. (A) The board of township trustees may 29069
establish all necessary rules to guard against the occurrence of 29070
fires and to protect the property and lives of the citizens 29071
against damage and accidents, and may purchase, lease, lease 29072
with an option to purchase, or otherwise provide any fire 29073
apparatus, mechanical resuscitators, underwater rescue and 29074
recovery equipment, or other fire equipment, appliances, 29075

materials, fire hydrants, and water supply for fire-fighting and 29076
fire and rescue purposes that seems advisable to the board. The 29077
board shall provide for the care and maintenance of such fire 29078
equipment, and, for these purposes, may purchase, lease, lease 29079
with an option to purchase, or construct and maintain necessary 29080
buildings, and it may establish and maintain lines of fire-alarm 29081
communications within the limits of the township. The board may 29082
employ one or more persons to maintain and operate such fire 29083
equipment, or it may enter into an agreement with a volunteer 29084
fire company for the use and operation of the equipment. The 29085
board may compensate the members of a volunteer fire company on 29086
any basis and in any amount that it considers equitable. 29087

When the estimated cost to purchase fire apparatus, 29088
mechanical resuscitators, underwater rescue and recovery 29089
equipment, or other fire equipment, appliances, materials, fire 29090
hydrants, buildings, or fire-alarm communications equipment or 29091

Revised Code, the contract shall be let by competitive bidding. 29093
No purchase or other transaction subject to this section shall 29094
be divided into component parts in order to avoid the 29095
requirements of this section. When competitive bidding is 29096
required, the board shall advertise once a week for not less 29097
than two consecutive weeks using at least one of the following 29098
methods: 29099

(1) In the print or digital edition of a newspaper of 29100
general circulation within the township; 29101

under section 125.182 of the Revised Code; 29103

(3) On the web site and social media account of the 29104
township. 29105

The board may also cause notice to be inserted in trade 29106
papers or other publications designated by it or to be 29107
distributed by electronic means, including posting the notice on 29108
the board's internet web site. 29109

The advertisement shall include the time, date, and place 29110
where the clerk of the township, or the clerk's designee, will 29111
read bids publicly. The time, date, and place of bid openings 29112
may be extended to a later date by the board of township 29113
trustees, provided that written or oral notice of the change 29114
shall be given to all persons who have received or requested 29115
specifications not later than ninety-six hours prior to the 29116
original time and date fixed for the opening. The board may 29117
reject all the bids or accept the lowest and best bid, provided 29118
that the successful bidder meets the requirements of section 29119
153.54 of the Revised Code when the contract is for the 29120
construction, demolition, alteration, repair, or reconstruction 29121
of an improvement. 29122

(B) The boards of township trustees of any two or more 29123
townships, or the legislative authorities of any two or more 29124
political subdivisions, or any combination of these, may, 29125
through joint action, unite in the joint purchase, lease, lease 29126
with an option to purchase, maintenance, use, and operation of 29127
fire equipment described in division (A) of this section, or for 29128
any other purpose designated in sections 505.37 to 505.42 of the 29129
Revised Code, and may prorate the expense of the joint action on 29130
any terms that are mutually agreed upon. 29131

(C) The board of township trustees of any township may, by 29132
resolution, whenever it is expedient and necessary to guard 29133
against the occurrence of fires or to protect the property and 29134
lives of the citizens against damages resulting from their 29135

occurrence, create a fire district of any portions of the 29136
township that it considers necessary. The board may purchase, 29137
lease, lease with an option to purchase, or otherwise provide 29138
any fire apparatus, mechanical resuscitators, underwater rescue 29139
and recovery equipment, or other fire equipment, appliances, 29140
materials, fire hydrants, and water supply for fire-fighting and 29141
fire and rescue purposes, or may contract for the fire 29142
protection for the fire district as provided in section 9.60 of 29143
the Revised Code. The fire district so created shall be given a 29144
separate name by which it shall be known. 29145

Additional unincorporated territory of the township may be 29146
added to a fire district upon the board's adoption of a 29147
resolution authorizing the addition. A municipal corporation, or 29148
a portion of a municipal corporation, that is within or 29149
adjoining the township may be added to a fire district upon the 29150
board's adoption of a resolution authorizing the addition and 29151
the municipal legislative authority's adoption of a resolution 29152
or ordinance requesting the addition of the municipal 29153
corporation or a portion of the municipal corporation to the 29154
fire district. 29155

If the township fire district imposes a tax, additional 29156
unincorporated territory of the township or a municipal 29157
corporation or a portion of a municipal corporation that is 29158
within or adjoining the township shall become part of the fire 29159
district only after all of the following have occurred: 29160

(1) Adoption by the board of township trustees of a 29161
resolution approving the expansion of the territorial limits of 29162
the district and, if the resolution proposes to add a municipal 29163
corporation or a portion of a municipal corporation, adoption by 29164
the municipal legislative authority of a resolution or ordinance 29165

requesting the addition of the municipal corporation or a 29166
portion of the municipal corporation to the district; 29167

(2) Adoption by the board of township trustees of a 29168
resolution recommending the extension of the tax to the 29169
additional territory; 29170

(3) The board requests and obtains from the county auditor 29171
the information required for a tax levy under section 5705.03 of 29172
the Revised Code, in the manner prescribed in that section, 29173
except that the levy's annual collections shall be estimated 29174
assuming that the additional territory has been added to the 29175
fire district. 29176

(4) Approval of the tax by the electors of the territory 29177
proposed for addition to the district. 29178

Each resolution of the board adopted under division (C) (2) 29179
of this section shall state the name of the fire district, a 29180
description of the territory to be added, the rate, expressed in 29181
mills for each one dollar of taxable value, the effective rate, 29182
expressed in dollars for each one hundred thousand dollars of 29183
the county auditor's ~~appraised~~ market value, and termination 29184
date of the tax, which shall be the rate, effective rate, and 29185
termination date of the tax currently in effect in the fire 29186
district. 29187

The board of trustees shall certify each resolution 29188
adopted under division (C) (2) of this section and the county 29189
auditor's certification under division (C) (3) of this section to 29190
the board of elections in accordance with section 5705.19 of the 29191
Revised Code. The election required under division (C) (4) of 29192
this section shall be held, canvassed, and certified in the 29193
manner provided for the submission of tax levies under section 29194

5705.25 of the Revised Code, except that the question appearing 29195
on the ballot shall read: 29196

"Shall the territory within _____ 29197
(description of the proposed territory to be added) be added to 29198
_____ (name) fire district, and a property 29199
tax, that the county auditor estimates will collect \$_____ 29200
annually, at a rate not exceeding _____ mills for each \$1 of 29201
taxable value, which amounts to \$_____ (here insert 29202
effective rate) for each \$100,000 of the county auditor's 29203
~~appraised~~ market value, be in effect for _____ (here insert 29204
the number of years the tax is to be in effect or "a continuing 29205
period of time," as applicable)?" 29206

If the question is approved by at least a majority of the 29207
electors voting on it, the joinder shall be effective as of the 29208
first day of July of the year following approval, and on that 29209
date, the township fire district tax shall be extended to the 29210
taxable property within the territory that has been added. If 29211
the territory that has been added is a municipal corporation or 29212
portion thereof and if it had adopted a tax levy for fire 29213
purposes, the levy is terminated on the effective date of the 29214
joinder in the area of the municipal corporation added to the 29215
district. 29216

Any municipal corporation may withdraw from a township 29217
fire district created under division (C) of this section by the 29218
adoption by the municipal legislative authority of a resolution 29219
or ordinance ordering withdrawal. On the first day of July of 29220
the year following the adoption of the resolution or ordinance 29221
of withdrawal, the withdrawing municipal corporation or the 29222
portion thereof ceases to be a part of the district, and the 29223
power of the fire district to levy a tax upon taxable property 29224

in the withdrawing municipal corporation or the portion thereof 29225
terminates, except that the fire district shall continue to levy 29226
and collect taxes for the payment of indebtedness within the 29227
territory of the fire district as it was composed at the time 29228
the indebtedness was incurred. 29229

Upon the withdrawal of any municipal corporation from a 29230
township fire district created under division (C) of this 29231
section, the county auditor shall ascertain, apportion, and 29232
order a division of the funds on hand, moneys and taxes in the 29233
process of collection except for taxes levied for the payment of 29234
indebtedness, credits, and real and personal property, either in 29235
money or in kind, on the basis of the valuation of the 29236
respective tax duplicates of the withdrawing municipal 29237
corporation and the remaining territory of the fire district. 29238

A board of township trustees may remove unincorporated 29239
territory of the township from the fire district upon the 29240
adoption of a resolution authorizing the removal. On the first 29241
day of July of the year following the adoption of the 29242
resolution, the unincorporated township territory described in 29243
the resolution ceases to be a part of the district, and the 29244
power of the fire district to levy a tax upon taxable property 29245
in that territory terminates, except that the fire district 29246
shall continue to levy and collect taxes for the payment of 29247
indebtedness within the territory of the fire district as it was 29248
composed at the time the indebtedness was incurred. 29249

As used in this section, "the county auditor's ~~appraised~~ 29250
market value" and "effective rate" have the same meanings as in 29251
section 5705.01 of the Revised Code. 29252

(D) The board of township trustees of any township, the 29253
board of fire district trustees of a fire district created under 29254

section 505.371 of the Revised Code, or the legislative 29255
authority of any municipal corporation may purchase, lease, or 29256
lease with an option to purchase the necessary fire equipment 29257
described in division (A) of this section, buildings, and sites 29258
for the township, fire district, or municipal corporation and 29259
issue securities for that purpose with maximum maturities as 29260
provided in section 133.20 of the Revised Code. The board of 29261
township trustees, board of fire district trustees, or 29262
legislative authority may also construct any buildings necessary 29263
to house fire equipment and issue securities for that purpose 29264
with maximum maturities as provided in section 133.20 of the 29265
Revised Code. 29266

The board of township trustees, board of fire district 29267
trustees, or legislative authority may issue the securities of 29268
the township, fire district, or municipal corporation, signed by 29269
the board or designated officer of the municipal corporation and 29270
attested by the signature of the township fiscal officer, fire 29271
district clerk, or municipal clerk, covering any deferred 29272
payments and payable at the times provided, which securities 29273
shall bear interest not to exceed the rate determined as 29274
provided in section 9.95 of the Revised Code, and shall not be 29275
subject to Chapter 133. of the Revised Code. The legislation 29276
authorizing the issuance of the securities shall provide for 29277
levying and collecting annually by taxation, amounts sufficient 29278
to pay the interest on and principal of the securities. The 29279
securities shall be offered for sale on the open market or given 29280
to the vendor or contractor if no sale is made. 29281

Section 505.40 of the Revised Code does not apply to any 29282
securities issued, or any lease with an option to purchase 29283
entered into, in accordance with this division. 29284

(E) A board of township trustees of any township or a board of fire district trustees of a fire district created under section 505.371 of the Revised Code may purchase a policy or policies of liability insurance for the officers, employees, and appointees of the fire department, fire district, or joint fire district governed by the board that includes personal injury liability coverage as to the civil liability of those officers, employees, and appointees for false arrest, detention, or imprisonment, malicious prosecution, libel, slander, defamation or other violation of the right of privacy, wrongful entry or eviction, or other invasion of the right of private occupancy, arising out of the performance of their duties.

When a board of township trustees cannot, by deed of gift or by purchase and upon terms it considers reasonable, procure land for a township fire station that is needed in order to respond in reasonable time to a fire or medical emergency, the board may appropriate land for that purpose under sections 163.01 to 163.22 of the Revised Code. If it is necessary to acquire additional adjacent land for enlarging or improving the fire station, the board may purchase, appropriate, or accept a deed of gift for the land for these purposes.

(F) As used in this division, "emergency medical service organization" has the same meaning as in section 4766.01 of the Revised Code.

A board of township trustees, by adoption of an appropriate resolution, may choose to have the state board of emergency medical, fire, and transportation services license any emergency medical service organization it operates. If the board adopts such a resolution, Chapter 4766. of the Revised Code, except for sections 4766.06 and 4766.99 of the Revised Code,

applies to the organization. All rules adopted under the 29315
applicable sections of that chapter also apply to the 29316
organization. A board of township trustees, by adoption of an 29317
appropriate resolution, may remove its emergency medical service 29318
organization from the jurisdiction of the state board of 29319
emergency medical, fire, and transportation services. 29320

Sec. 505.48. (A) The board of township trustees of any 29321
township may, by resolution adopted by two-thirds of the members 29322
of the board, create a township police district comprised of all 29323
or a portion of the unincorporated territory of the township as 29324
the resolution may specify. If the township police district does 29325
not include all of the unincorporated territory of the township, 29326
the resolution creating the district shall contain a complete 29327
and accurate description of the territory of the district and a 29328
separate and distinct name for the district. 29329

At any time not less than one hundred twenty days after a 29330
township police district is created and operative, the 29331
territorial limits of the district may be altered in the manner 29332
provided in division (B) of this section or, if applicable, as 29333
provided in section 505.482 of the Revised Code. 29334

(B) Except as otherwise provided in section 505.481 of the 29335
Revised Code, the territorial limits of a township police 29336
district may be altered by a resolution adopted by a two-thirds 29337
vote of the board of township trustees. If the township police 29338
district imposes a tax, any territory proposed for addition to 29339
the district shall become part of the district only after all of 29340
the following have occurred: 29341

(1) Adoption by two-thirds vote of the board of township 29342
trustees of a resolution approving the expansion of the 29343
territorial limits of the district; 29344

(2) Adoption by a two-thirds vote of the board of township trustees of a resolution recommending the extension of the tax to the additional territory;

(3) The board requests and obtains from the county auditor the information required for a tax levy under section 5705.03 of the Revised Code, in the same manner required under that section, except that the levy's annual collections shall be estimated assuming that the additional territory has been added to the township police district.

(4) Approval of the tax by the electors of the territory proposed for addition to the district.

Each resolution of the board adopted under division (B) (2) of this section shall state the name of the township police district, a description of the territory to be added, the rate, expressed in mills for each one dollar of taxable value, the effective rate, expressed in dollars for each one hundred thousand dollars of the county auditor's ~~appraised~~ market value, and termination date of the tax, which shall be the rate, effective rate, and termination date of the tax currently in effect in the district.

The board of trustees shall certify each resolution adopted under division (B) (2) of this section and the county auditor's certification under division (B) (3) of this section to the board of elections in accordance with section 5705.19 of the Revised Code. The election required under division (B) (4) of this section shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read:

"Shall the territory within _____ 29374
(description of the proposed territory to be added) be added to 29375
_____ (name) township police district, and a property 29376
tax, that the county auditor estimates will collect \$_____ 29377
annually, at a rate not exceeding _____ mills for each \$1 29378
of taxable value, which amounts to \$_____ (here insert 29379
effective rate) for each \$100,000 of the county auditor's 29380
~~appraised~~ market value, be in effect for _____ (here insert 29381
the number of years the tax is to be in effect or "a continuing 29382
period of time," as applicable)?" 29383

If the question is approved by at least a majority of the 29384
electors voting on it, the joinder shall be effective as of the 29385
first day of January of the year following approval, and, on 29386
that date, the township police district tax shall be extended to 29387
the taxable property within the territory that has been added. 29388

As used in this section, "the county auditor's ~~appraised~~ 29389
market value" and "effective rate" have the same meanings as in 29390
section 5705.01 of the Revised Code. 29391

Sec. 505.481. (A) If a township police district does not 29392
include all the unincorporated territory of the township, the 29393
remaining unincorporated territory of the township may be added 29394
to the district by a resolution adopted by a unanimous vote of 29395
the board of township trustees to place the issue of expansion 29396
of the district on the ballot for the electors of the entire 29397
unincorporated territory of the township. The resolution shall 29398
state whether the proposed township police district initially 29399
will hire personnel as provided in section 505.49 of the Revised 29400
Code or contract for the provision of police protection services 29401
or additional police protection services as provided in section 29402
505.43 or 505.50 of the Revised Code. If the board proposes to 29403

levy a tax throughout all of the unincorporated territory of the township, the board shall request and obtain from the county auditor the information required for a tax levy under section 5705.03 of the Revised Code, except that the levy's annual collections shall be estimated assuming that the unincorporated territory has been added to the township police district.

The ballot measure shall provide for the addition into a new district of all the unincorporated territory of the township not already included in the township police district and for the levy of any tax then imposed by the district throughout the unincorporated territory of the township. If the measure includes a tax, the measure shall state the rate of the tax, which need not be the same rate of any tax imposed by the existing district, to be imposed in the district resulting from approval of the measure, expressed in mills for each one dollar of taxable value, the effective rate, expressed in dollars for each one hundred thousand dollars of the county auditor's ~~appraised~~ market value, the last year in which the tax will be levied or that it will be levied for a continuous period of time, and the county auditor's estimate of the levy's annual collections.

(B) The election on the measure shall be held, canvassed, and certified in the manner provided for the submission of tax levies under section 5705.25 of the Revised Code, except that the question appearing on the ballot shall read substantially as follows:

"Shall the unincorporated territory within _____ (name of the township) not already included within the _____ (name of township police district) be added to the township police district to create the _____ (name of new

township police district) township police district?" 29434

The name of the proposed township police district shall be 29435
separate and distinct from the name of the existing township 29436
police district. 29437

If a tax is imposed in the existing township police 29438
district, the question shall be modified by adding, at the end 29439
of the question, the following: ", and shall a property tax be 29440
levied in the new township police district, replacing the tax in 29441
the existing township police district, that the county auditor 29442
estimates will collect \$_____ annually, at a rate not exceeding 29443
_____ mills for each \$1 of taxable value, which amounts to 29444
\$_____ (effective rate) for each \$100,000 of the county 29445
auditor's ~~appraised~~ market value, for _____ (number of years 29446
the tax will be levied, or "a continuing period of time")." 29447

If the measure is not approved by a majority of the 29448
electors voting on it, the township police district shall 29449
continue to occupy its existing territory until altered as 29450
provided in this section or section 505.48 of the Revised Code, 29451
and any existing tax imposed under section 505.51 of the Revised 29452
Code shall remain in effect in the existing district at the 29453
existing rate and for as long as provided in the resolution 29454
under the authority of which the tax is levied. 29455

As used in this section, "the county auditor's ~~appraised~~ 29456
market value" and "effective rate" have the same meanings as in 29457
section 5705.01 of the Revised Code. 29458

general election held during the last year the tax to be renewed 29611
may be extended on the real and public utility property tax list 29612
and duplicate, or at any election held in the ensuing year. The 29613

each one dollar of taxable value, the number of consecutive 29627
years during which the levy shall be in effect, and the time and 29628
place of the election. 29629

The form of the ballots cast at the election shall be: "An 29630

Additionally, the effective rate, in lieu of the rate, shall be expressed for each one hundred thousand dollars of the county auditor's ~~appraised~~ market value.

If the tax is to be placed on the current tax list, the form of the ballot shall be modified by adding, after the statement of the number of years the levy is to run, the phrase ", commencing in _____ (first year the tax is to be levied), first due in calendar year _____ (first calendar year in which the tax shall be due)."

The question covered by the order shall be submitted as a separate proposition, but may be printed on the same ballot with any other proposition submitted at the same election, other than the election of officers. More than one such question may be submitted at the same election.

As used in this section, "the county auditor's ~~appraised~~

market value" and "effective rate" have the same meanings as in 29666
section 5705.01 of the Revised Code. 29667

Sec. 511.34. In townships composed of islands, and on one 29668
of which islands lands have been conveyed in trust for the 29669
benefit of the inhabitants of the island for use as a park, and 29670

no limitation on tax rates except as provided in this division. 29680

The proceeds of the tax levy shall be expended by the 29681
board of township trustees for the purpose of the care and 29682

as a park, the board of township trustees may levy a tax in 29686
excess of the ten-mill limitation on all taxable property in the 29687
district. The tax shall be proposed by resolution adopted by 29688
two-thirds of the members of the board of township trustees. The 29689
resolution shall specify the purpose and rate of the tax and the 29690
number of years the tax will be levied, which shall not exceed 29691
five years, and which may include a levy on the current tax list 29692
and duplicate. The resolution shall go into immediate effect 29693
upon its passage, and no publication of the resolution is 29694
necessary other than that provided for in the notice of 29695

election. The board of township trustees shall certify a copy of 29696
the resolution to the proper board of elections not later than 29697

township, and the board of elections shall submit the question 29699
of the tax to the voters of the district at the succeeding 29700
primary or general election. The board of elections shall make 29701

the electors of the district, and the election shall be 29703
conducted, canvassed, and certified in the same manner as 29704
regular elections in the township for the election of officers. 29705
Notice of the election shall be published in a newspaper of 29706
general circulation in the township once a week for two 29707
consecutive weeks, or as provided in section 7.16 of the Revised 29708
Code prior to the election. If the board of elections operates 29709
and maintains a web site, notice of the election also shall be 29710
posted on that web site for thirty days prior to the election. 29711
The notice shall state the purpose of the tax, the levy's 29712
estimated annual collections, the proposed rate of the tax 29713
expressed in dollars for each one hundred thousand dollars of 29714
the county auditor's ~~appraised~~-market value and mills for each 29715
one dollar of taxable value, the number of years the tax will be 29716
in effect, the first year the tax will be levied, and the time 29717
and place of the election. 29718

The form of the ballots cast at an election held under 29719
this division shall be as follows: 29720

"An additional tax for the benefit of _____ (name of 29721
the township) for the purpose of acquiring additional park land, 29722
that the county auditor estimates will collect \$____ annually, 29723
at a rate of _____ mills for each \$1 of taxable value, which 29724
amounts to \$_____ for each \$100,000 of the county auditor's 29725

the levy, the tax shall be extended on the tax lists after the
February settlement following the election. If the tax is to be

resolution, the board of elections shall certify the result of
the election immediately after the canvass to the board of
township trustees, which shall forthwith make the necessary levy
and certify the levy to the county auditor, who shall extend the

Sec. 513.18. In the event any township, contiguous to a
joint township hospital district, desires to become a part of

29751
29752

such district in existence under sections 513.07 to 513.18 of 29753
the Revised Code, its board of township trustees, by a two- 29754
thirds favorable vote of the members of such board, after the 29755
existing joint township hospital board has, by a majority 29756
favorable vote of the members thereof, approved the terms under 29757
which such township proposes to join the district, shall become 29758
a part of the joint township district hospital board under such 29759
terms and with all the rights, privileges, and responsibilities 29760
enjoyed by and extended to the existing members of the hospital 29761
board under such sections, including representation on the board 29762
of hospital governors by the appointment of an elector of such 29763
township as a member thereof. 29764

If the terms under which such township proposes to join 29765
the hospital district involve a tax levy for the purpose of 29766
sharing the existing obligations, including bonded indebtedness, 29767
of the district or the necessary operating expenses of such 29768
hospital, such township shall not become a part of the district 29769
until its electors have approved such levy as provided in this 29770
section. In such a case, the board of township trustees and the 29771
county auditor shall proceed in the same manner as required for 29772
a tax levy under section 5705.03 of the Revised Code, except 29773
that the levy's annual collections shall be estimated assuming 29774
that the township has been added to the hospital district. 29775

Upon request of the board of township trustees of the 29776
township proposing to join such district, by resolution approved 29777
by a two-thirds vote of its members, the board of elections of 29778
the county in which the township lies shall place upon the 29779
ballot for submission to the electorate of such township at the 29780
next primary or general election occurring not less than ninety 29781
nor more than one hundred thirty-five days after such request is 29782
received from the board of township trustees the question of 29783

levying a tax, not to exceed one mill outside the ten-mill 29784
limitation, for a period of not to exceed five years, to provide 29785
funds for the payment of the township's share of the necessary 29786
expenses incurred in the operation of such hospital, or the 29787
question of levying a tax to pay the township's share of the 29788
existing obligations, including bonded indebtedness, of the 29789
district, or both questions may be submitted at the same primary 29790
or general election. The question appearing on the ballot shall 29791
read: 29792

"Shall _____ (name of township) be added to the _____ 29793
(name of joint township hospital district), and property tax be 29794
levied for the purpose of _____ (purpose of tax), that the 29795
county auditor estimates will collect \$_____ annually, at a 29796
rate not exceeding _____ mills for each \$1 of taxable value, 29797
which amounts to \$_____ (rate or effective rate, as applicable) 29798
for each \$100,000 of the county auditor's ~~appraised-market~~ 29799
value, to be in effect for _____ (number of years the tax is to 29800
be in effect)?" 29801

If a majority of the electors voting on the propositions 29802
vote in favor thereof, the county auditor shall place such 29803
levies on the tax duplicate against the property in the 29804
township, which township shall thereby become a part of said 29805
joint township hospital district. 29806

As used in this section, "the county auditor's ~~appraised-~~ 29807
market value" and "effective rate" have the same meanings as in 29808
section 5705.01 of the Revised Code. 29809

Sec. 519.12. (A) (1) Amendments to the zoning resolution 29810
may be initiated by motion of the township zoning commission, by 29811
the passage of a resolution by the board of township trustees, 29812
or by the filing of an application by one or more of the owners 29813

or lessees of property within the area proposed to be changed or 29814
affected by the proposed amendment with the township zoning 29815
commission. The board of township trustees may require that the 29816
owner or lessee of property filing an application to amend the 29817
zoning resolution pay a fee to defray the cost of advertising, 29818
mailing, filing with the county recorder, and other expenses. If 29819
the board of township trustees requires such a fee, it shall be 29820
required generally, for each application. The board of township 29821

it to the township zoning commission. 29823

(2) Upon the adoption of a motion by the township zoning 29824

division (A)(1) of this section with the commission, the 29828
commission shall set a date for a public hearing, which date 29829
shall not be less than twenty nor more than forty days from the 29830
date of the certification of such a resolution, the date of 29831
adoption of such a motion, or the date of the filing of such an 29832
application. Notice of the hearing shall be given by the 29833
commission by one publication at least ten days before the date 29834
of the hearing using at least one of the following methods: 29835

(a) In the print or digital edition of one or more 29836
newspapers of general circulation in the township; 29837

under section 125.182 of the Revised Code; 29839

(c) On the web site and social media account of the 29840
township. 29841

(B) If the proposed amendment intends to rezone or 29842

redistrict ten or fewer parcels of land, as listed on the county auditor's current tax list, written notice of the hearing shall be mailed by the township zoning commission, by first class mail, at least ten days before the date of the public hearing to all owners of property within and contiguous to and directly across the street from the area proposed to be rezoned or redistricted to the addresses of those owners appearing on the county auditor's current tax list. The failure of delivery of that notice shall not invalidate any such amendment.

(C) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land as listed on the county auditor's current tax list, the published and mailed notices shall set forth the time, date, and place of the public hearing and include all of the following:

of the hearing by publication, by mail, or by both publication 29873
and mail; 29874

(7) A statement that, after the conclusion of the hearing, 29875
the matter will be submitted to the board of township trustees 29876
for its action; 29877

(8) Any other information requested by the commission. 29878

(D) If the proposed amendment alters the text of the 29879
zoning resolution, or rezones or redistricts more than ten 29880
parcels of land as listed on the county auditor's current tax 29881
list, the published notice shall set forth the time, date, and 29882
place of the public hearing and include all of the following: 29883

(1) The name of the township zoning commission that will 29884
be conducting the hearing on the proposed amendment; 29885

(2) A statement indicating that the motion, application, 29886
or resolution is an amendment to the zoning resolution; 29887

(E) (1) (a) Except as provided in division (E) (1) (b) of this 29897
section, within five days after the adoption of the motion 29898

described in division (A) of this section, the certification of 29899
the resolution described in division (A) of this section, or the 29900
filing of the application described in division (A) of this 29901
section, the township zoning commission shall transmit a copy of 29902
it together with text and map pertaining to it to the county or 29903
regional planning commission, if there is such a commission, for 29904
approval, disapproval, or suggestions. 29905

The county or regional planning commission shall recommend 29906
the approval or denial of the proposed amendment or the approval 29907
of some modification of it and shall submit its recommendation 29908
to the township zoning commission. The recommendation shall be 29909
considered at the public hearing held by the township zoning 29910
commission on the proposed amendment. 29911

(b) The township zoning commission of a township that has 29912
adopted a limited home rule government under Chapter 504. of the 29913
Revised Code is not subject to division (E)(1)(a) of this 29914
section but may choose to comply with division (E)(1)(a) of this 29915

trustees. 29924

(3) The board of township trustees, upon receipt of that 29925
recommendation, shall set a time for a public hearing on the 29926
proposed amendment, which date shall not be more than thirty 29927
days from the date of the receipt of that recommendation. Notice 29928

of the hearing shall be given by the board by one publication at 29929
least ten days before the date of the hearing using at least one 29930
of the following methods: 29931

(a) In the print or digital edition of one or more 29932

of the Revised Code and the use is not consistent, then the use 30407
of the term in the laws of the United States relating to federal 30408

of the Revised Code. 30410

Except as otherwise provided in section 718.81 of the 30411
Revised Code, as used in this chapter: 30412

any pre-2017 net operating loss carryforward available to the 30417
person for the municipal corporation. 30418

(b) (i) For an individual who is a resident of a municipal 30419
corporation other than a qualified municipal corporation, income 30420

reduced by exempt income to the extent otherwise included in 30421

corporation's tax. If a qualified municipal corporation, on or 30430
before December 31, 2013, exempts income earned by individuals 30431
who are not residents of the qualified municipal corporation and 30432
net profit of persons that are not wholly located within the 30433
qualified municipal corporation, such individual or person shall 30434
have no municipal taxable income for the purposes of the tax 30435
levied by the qualified municipal corporation and may be 30436
exempted by the qualified municipal corporation from the 30437
requirements of section 718.03 of the Revised Code. 30438

for the municipal corporation. 30446

(2) In computing the municipal taxable income of a 30447
taxpayer who is an individual, the taxpayer may subtract, as 30448
provided in division (A) (1) (b) (i) or (c) of this section, the 30449
amount of the individual's employee business expenses reported 30450

on the individual's form 2106 that the individual deducted for 30451

For the municipal corporation in which the taxpayer is a 30454
resident, the taxpayer may deduct all such expenses allowed for 30455
federal income tax purposes. For a municipal corporation in 30456
which the taxpayer is not a resident, the taxpayer may deduct 30457
such expenses only to the extent the expenses are related to the 30458
taxpayer's performance of personal services in that nonresident 30459
municipal corporation. 30460

(B) "Income" means the following: 30461

operating loss generated in the same taxable year and 30473
attributable to the resident's ownership interest in a pass- 30474
through entity shall be allowed as a deduction, for that taxable 30475
year and the following five taxable years, against any other net 30476
profit of the resident or the resident's distributive share of 30477
any net profit attributable to the resident's ownership interest 30478
in a pass-through entity until fully utilized, subject to 30479

current taxable year. 30486

(c) Division (B)(1)(b) of this section does not apply with 30487

taxpayer's net profit for a taxable year shall reduce the amount 30494
of net operating loss that may be carried forward to any 30495
subsequent year for use by that taxpayer. In no event shall the 30496
cumulative deductions for all taxable years with respect to a 30497
taxpayer's net operating loss exceed the original amount of that 30498
net operating loss available to that taxpayer. 30499

(2) In the case of nonresidents, all income, salaries, 30500
qualifying wages, commissions, and other compensation from 30501
whatever source earned or received by the nonresident for work 30502
done, services performed or rendered, or activities conducted in 30503
the municipal corporation, including any net profit of the 30504
nonresident, but excluding the nonresident's distributive share 30505
of the net profit or loss of only pass-through entities owned 30506
directly or indirectly by the nonresident. 30507

(3) For taxpayers that are not individuals, net profit of 30508

favor thereof at an election held on November 8, 1988. 30530

information return shall show the total amount of municipal 31388
income tax deducted and withheld from the person's prize award 31389
by the video lottery sales agent during the preceding year. A 31390
video lottery sales agent shall provide to the tax administrator 31391
of the municipal corporation a copy of each information return 31392
issued under this division. The tax administrator may require 31393
that such copies be transmitted electronically. 31394

(6) A video lottery sales agent who fails to file a return 31395
and remit the amounts deducted and withheld is personally liable 31396
for the amount deducted and withheld and not remitted. Such 31397
personal liability extends to any penalty and interest imposed 31398
for the late filing of a return or the late payment of tax 31399
deducted and withheld. 31400

(F) If a video lottery sales agent ceases to operate video 31401
lottery terminals, the amounts deducted and withheld along with 31402
any penalties and interest thereon are immediately due and 31403
payable. The successor of the video lottery sales agent that 31404
purchases the video lottery terminals from the agent shall 31405
withhold an amount from the purchase money that is sufficient to 31406
cover the amounts deducted and withheld and any penalties and 31407
interest thereon until the predecessor video lottery sales agent 31408
operator produces either of the following: 31409

(1) A receipt from the tax administrator showing that the 31410
amounts deducted and withheld and penalties and interest thereon 31411
have been paid; 31412

(2) A certificate from the tax administrator indicating 31413
that no amounts are due. 31414

If the successor fails to withhold purchase money, the 31415
successor is personally liable for the payment of the amounts 31416
deducted and withheld and penalties and interest thereon. 31417

(G) The failure of a video lottery sales agent to deduct 31418
and withhold the required amount from a person's prize award 31419
does not relieve that person from liability for the municipal 31420
income tax with respect to that prize award. 31421

(H) If a casino operator, sports gaming proprietor, or 31422
video lottery sales agent files a return late, fails to file a 31423
return, remits amounts deducted and withheld late, or fails to 31424
remit amounts deducted and withheld as required under this 31425
section, the tax administrator of a municipal corporation may 31426
impose the following applicable penalty: 31427

(1) For the late remittance of, or failure to remit, tax 31428
deducted and withheld under this section, a penalty equal to 31429
fifty per cent of the tax deducted and withheld; 31430

past due amounts deducted and withheld at the rate prescribed in 31434
section 5703.47 of the Revised Code. 31435

(I) Amounts deducted and withheld on behalf of a municipal 31436
corporation shall be allowed as a credit against payment of the 31437
tax imposed by the municipal corporation and shall be treated as 31438
taxes paid for purposes of section 718.08 of the Revised Code. 31439
This division applies only to the person for whom the amount is 31440

of the Revised Code for the year is equal to or exceeds the tax 31449
imposed by the municipal corporation, no return shall be 31450
required unless the municipal ordinance or resolution levying 31451
the tax requires the filing of a return in such circumstances. 31452

required of that individual shall be completed and filed by that 31454

duly authorized agent, guardian, conservator, fiduciary, or 31461
other person charged with the care of the person or property of 31462
that individual. 31463

shall be completed and filed by the fiduciary of the estate or 31465
trust. 31466

(E) No municipal corporation shall deny spouses the 31467
ability to file a joint return. 31468

(F) (1) Each return required to be filed under this section 31469
shall contain the signature of the taxpayer or the taxpayer's 31470
duly authorized agent and of the person who prepared the return 31471
for the taxpayer, and shall include the taxpayer's social 31472

security number or taxpayer identification number. Each return 31473
shall be verified by a declaration under penalty of perjury. 31474

individual to include, with each annual return, amended return, 31476
or request for refund required under this section, copies of 31477

an amended tax return or refund request, any other documentation 31485
necessary to support the refund request or the adjustments made 31486
in the amended return. An individual taxpayer who files the 31487
annual return required by this section electronically is not 31488
required to provide paper copies of any of the foregoing to the 31489
tax administrator unless the tax administrator requests such 31490
copies after the return has been filed. 31491

(3) A tax administrator may require a taxpayer that is not 31492
an individual to include, with each annual net profit return, 31493
amended net profit return, or request for refund required under 31494
this section, copies of only the following documents: the 31495
taxpayer's Internal Revenue Service form 1041, form 1065, form 31496

respect to an amended tax return or refund request, any other 31498
documentation necessary to support the refund request or the 31499
adjustments made in the amended return. 31500

A taxpayer that is not an individual and that files an 31501
annual net profit return electronically through the Ohio 31502

electronically under this division to the appropriate tax 31511

administrator may request, and the taxpayer shall provide, any 31514
information, statements, or documents required by the municipal 31515
corporation to determine and verify the taxpayer's municipal 31516
income tax liability. The requirements imposed under division 31517
(F) of this section apply regardless of whether the taxpayer 31518
files on a generic form or on a form prescribed by the tax 31519
administrator. 31520

(G) (1) (a) Except as otherwise provided in this chapter, 31521
each individual income tax return required to be filed under 31522
this section shall be completed and filed as required by the tax 31523
administrator on or before the date prescribed for the filing of 31524
state individual income tax returns under division (G) of 31525
section 5747.08 of the Revised Code. The taxpayer shall complete 31526
and file the return or notice on forms prescribed by the tax 31527
administrator or on generic forms, together with remittance made 31528
payable to the municipal corporation or tax administrator. No 31529
remittance is required if the amount shown to be due is ten 31530
dollars or less. A municipal corporation shall not require a 31531
qualifying employee whose income consists exclusively of exempt 31532
income described in division (C) (20) (b) or (c) of section 718.01 31533

of the Revised Code to file a return under this section. 31534

(b) Except as otherwise provided in this chapter, each 31535
annual net profit return required to be filed under this section 31536
by a taxpayer that is not an individual shall be completed and 31537
filed as required by the tax administrator on or before the 31538
fifteenth day of the fourth month following the end of the 31539
taxpayer's taxable year unless the taxpayer's unextended federal 31540
income tax return is due after that date, in which case the 31541
annual net profit return shall be completed and filed on or 31542
before the taxpayer's federal income tax return due date. The 31543
taxpayer shall complete and file the return or notice on forms 31544
prescribed by the tax administrator or on generic forms, 31545
together with remittance made payable to the municipal 31546
corporation or tax administrator. No remittance is required if 31547
the amount shown to be due is ten dollars or less. 31548

(2) (a) Any taxpayer that has duly requested an automatic 31549
six-month extension for filing the taxpayer's federal income tax 31550
return shall automatically receive an extension for the filing 31551
of a municipal income tax return. The extended due date of the 31552
municipal income tax return for a taxpayer that is an individual 31553
shall be the fifteenth day of the tenth month after the last day 31554
of the taxable year to which the return relates. The extended 31555
due date of the municipal income tax return for a taxpayer that 31556
is not an individual shall be the fifteenth day of the eleventh 31557
month after the last day of the taxable year to which the return 31558
relates. 31559

(b) A taxpayer that has not requested or received a six- 31560
month extension for filing the taxpayer's federal income tax 31561
return may request that the tax administrator grant the taxpayer 31562
a six-month extension of the date for filing the taxpayer's 31563

municipal income tax return. If the request is received by the 31564
tax administrator on or before the date the municipal income tax 31565
return is due, the tax administrator shall grant the taxpayer's 31566
requested extension. 31567

(c) An extension of time to file under division (G) (2) of 31568
this section is not an extension of the time to pay any tax due 31569
unless the tax administrator grants an extension of that date. 31570

(3) If the tax commissioner extends for all taxpayers the 31571
date for filing state income tax returns under division (G) of 31572
section 5747.08 of the Revised Code, a taxpayer shall 31573
automatically receive an extension for the filing of a municipal 31574
income tax return. The extended due date of the municipal income 31575
tax return shall be the same as the extended due date of the 31576
state income tax return. 31577

(4) If the tax administrator considers it necessary in 31578
order to ensure the payment of the tax imposed by the municipal 31579
corporation in accordance with this chapter, the tax 31580
administrator may require taxpayers to file returns and make 31581
payments otherwise than as provided in this section, including 31582
taxpayers not otherwise required to file annual returns. 31583

(5) If a taxpayer receives an extension for the filing of 31584
a municipal income tax return under division (G) (2), (3), or (4) 31585
of this section, the tax administrator shall not make any 31586
inquiry or send any notice to the taxpayer with regard to the 31587
return on or before the date the taxpayer files the return or on 31588
or before the extended due date to file the return, whichever 31589
occurs first. 31590

If a tax administrator violates division (G) (5) of this 31591
section, the municipal corporation shall reimburse the taxpayer 31592

for any reasonable costs incurred to respond to such inquiry or 31593
notice, up to one hundred fifty dollars. 31594

Division (G) (5) of this section does not apply to an 31595
extension received under division (G) (2) of this section if the 31596
tax administrator has actual knowledge that the taxpayer failed 31597
to file for a federal extension as required to receive the 31598
extension under division (G) (2) (a) of this section or failed to 31599
file for an extension under division (G) (2) (b) of this section. 31600

(6) To the extent that any provision in this division 31601
conflicts with any provision in section 718.052 of the Revised 31602
Code, the provision in that section prevails. 31603

(H) (1) For taxable years beginning after 2015, a municipal 31604
corporation shall not require a taxpayer to remit tax with 31605
respect to net profits if the amount due is less than ten 31606
dollars. 31607

(2) Except as provided in division (H) (3) of this section, 31608
any taxpayer not required to remit tax to a municipal 31609
corporation for a taxable year pursuant to division (H) (1) of 31610
this section shall file with the municipal corporation an annual 31611
net profit return under division (F) (3) of this section. 31612

(3) A municipal corporation shall not require a person to 31613
file a net profit return under this section if the person's 31614
income consists exclusively of exempt income described in 31615
division (C) (20) (a) of section 718.01 of the Revised Code. 31616

(I) (1) If any report, claim, statement, or other document 31617
required to be filed, or any payment required to be made, within 31618
a prescribed period or on or before a prescribed date under this 31619
chapter is delivered after that period or that date by United 31620
States mail to the tax administrator or other municipal official 31621

with which the report, claim, statement, or other document is 31622
required to be filed, or to which the payment is required to be 31623
made, the date of the postmark stamped on the cover in which the 31624
report, claim, statement, or other document, or payment is 31625
mailed shall be deemed to be the date of delivery or the date of 31626
payment. "The date of postmark" means, in the event there is 31627
more than one date on the cover, the earliest date imprinted on 31628
the cover by the postal service. 31629

(2) If a payment under this chapter is made by electronic 31630
funds transfer, the payment shall be considered to be made on 31631
the date of the timestamp assigned by the first electronic 31632
system receiving that payment. 31633

(J) The amounts withheld by an employer, the agent of an 31634
employer, or an other payer as described in section 718.03 of 31635
the Revised Code shall be allowed to the recipient of the 31636
compensation as credits against payment of the tax imposed on 31637
the recipient by the municipal corporation, unless the amounts 31638
withheld were not remitted to the municipal corporation and the 31639
recipient colluded with the employer, agent, or other payer in 31640
connection with the failure to remit the amounts withheld. 31641

(K) Each return required by a municipal corporation to be 31642
filed in accordance with this section shall include a box that 31643
the taxpayer may check to authorize another person, including a 31644
tax return preparer who prepared the return, to communicate with 31645
the tax administrator about matters pertaining to the return. 31646
The return or instructions accompanying the return shall 31647
indicate that by checking the box the taxpayer authorizes the 31648
tax administrator to contact the preparer or other person 31649
concerning questions that arise during the examination or other 31650
review of the return and authorizes the preparer or other person 31651

only to provide the tax administrator with information that is 31652
missing from the return, to contact the tax administrator for 31653
information about the examination or other review of the return 31654
or the status of the taxpayer's refund or payments, and to 31655
respond to notices about mathematical errors, offsets, or return 31656
preparation that the taxpayer has received from the tax 31657
administrator and has shown to the preparer or other person. 31658

(L) The tax administrator of a municipal corporation shall 31659
accept for filing a generic form of any income tax return, 31660
report, or document required by the municipal corporation in 31661
accordance with this chapter, provided that the generic form, 31662
once completed and filed, contains all of the information 31663
required by ordinance, resolution, or rules adopted by the 31664
municipal corporation or tax administrator, and provided that 31665
the taxpayer or tax return preparer filing the generic form 31666
otherwise complies with the provisions of this chapter and of 31667
the municipal corporation ordinance or resolution governing the 31668
filing of returns, reports, or documents. 31669

(M) When income tax returns, reports, or other documents 31670
require the signature of a tax return preparer, the tax 31671
administrator shall accept a facsimile of such a signature in 31672
lieu of a manual signature. 31673

(N) (1) As used in this division, "worksite location" has 31674
the same meaning as in section 718.011 of the Revised Code. 31675

(2) A person may notify a tax administrator that the 31676
person does not expect to be a taxpayer with respect to the 31677
municipal corporation for a taxable year if both of the 31678
following conditions apply: 31679

(a) The person was required to file a tax return with the 31680

municipal corporation for the immediately preceding taxable year 31681
because the person performed services at a worksite location 31682
within that municipal corporation. 31683

(b) The person no longer provides services in the 31684
municipal corporation and does not expect to be subject to the 31685
municipal corporation's income tax for the taxable year. 31686

The person shall provide the notice in a signed affidavit 31687
that briefly explains the person's circumstances, including the 31688
location of the previous worksite location and the last date on 31689
which the person performed services or made any sales within the 31690
municipal corporation. The affidavit also shall include the 31691
following statement: "The affiant has no plans to perform any 31692
services within the municipal corporation, make any sales in the 31693
municipal corporation, or otherwise become subject to the tax 31694
levied by the municipal corporation during the taxable year. If 31695
the affiant does become subject to the tax levied by the 31696
municipal corporation for the taxable year, the affiant agrees 31697
to be considered a taxpayer and to properly register as a 31698
taxpayer with the municipal corporation if such a registration 31699
is required by the municipal corporation's resolutions, 31700
ordinances, or rules." The person shall sign the affidavit under 31701
penalty of perjury. 31702

(c) If a person submits an affidavit described in division 31703
(N) (2) of this section, the tax administrator shall not require 31704
the person to file any tax return for the taxable year unless 31705
the tax administrator possesses information that conflicts with 31706
the affidavit or if the circumstances described in the affidavit 31707
change. Nothing in division (N) of this section prohibits the 31708
tax administrator from performing an audit of the person. 31709

Sec. 718.12. (A) (1) (a) Civil actions to recover municipal 31710

income taxes and penalties and interest on municipal income 31711
taxes shall be brought within the later of: 31712

(i) Three years after the tax return, including any valid 31713
extension, was due or ~~the return was~~ filed, whichever is later; 31714
or 31715

(ii) One year after the conclusion of the qualifying 31716
deferral period, if any. 31717

(b) The time limit described in division (A) (1) (a) of this 31718
section may be extended at any time if both the tax 31719
administrator and the employer, agent of the employer, other 31720
payer, or taxpayer consent in writing to the extension. Any 31721
extension shall also extend for the same period of time the time 31722
limit described in division (C) of this section. 31723

(2) As used in this section, "qualifying deferral period" 31724
means a period of time beginning and ending as follows: 31725

(a) Beginning on the date a person who is aggrieved by an 31726
assessment files with a local board of tax review the request 31727
described in section 718.11 of the Revised Code. That date shall 31728
not be affected by any subsequent decision, finding, or holding 31729
by any administrative body or court that the local board of tax 31730
review with which the aggrieved person filed the request did not 31731
have jurisdiction to affirm, reverse, or modify the assessment 31732
or any part of that assessment. 31733

(b) Ending the later of the sixtieth day after the date on 31734
which the final determination of the local board of tax review 31735
becomes final or, if any party appeals from the determination of 31736
the local board of tax review, the sixtieth day after the date 31737
on which the final determination of the local board of tax 31738
review is either ultimately affirmed in whole or in part or 31739

ultimately reversed and no further appeal of either that 31740
affirmation, in whole or in part, or that reversal is available 31741
or taken. 31742

(B) Prosecutions for an offense made punishable under a 31743
resolution or ordinance imposing an income tax shall be 31744
commenced within three years after the commission of the 31745
offense, provided that in the case of fraud, failure to file a 31746
return, or the omission of twenty-five per cent or more of 31747
income required to be reported, prosecutions may be commenced 31748
within six years after the commission of the offense. 31749

(C) A claim for a refund of municipal income taxes shall 31750
be brought within the time limitation provided in section 718.19 31751
of the Revised Code. 31752

(D) Interest shall be allowed and paid on any overpayment 31753
by a taxpayer of any municipal income tax obligation from the 31754
date of the overpayment until the date of the refund of the 31755
overpayment, except that if any overpayment is refunded within 31756
ninety days after the final filing date of the annual return or 31757
ninety days after the completed return is filed, whichever is 31758
later, no interest shall be allowed on the refund. For the 31759
purpose of computing the payment of interest on amounts 31760
overpaid, no amount of tax for any taxable year shall be 31761
considered to have been paid before the date on which the return 31762
on which the tax is reported is due, without regard to any 31763
extension of time for filing that return. Interest shall be paid 31764
at the interest rate described in division (A) (5) of section 31765
718.27 of the Revised Code. 31766

(E) Within sixty days after the final determination of any 31767
federal or state tax liability affecting the taxpayer's 31768
municipal tax liability, that taxpayer shall make and file an 31769

amended municipal return showing income subject to the municipal 31770
income tax based upon such final determination of federal or 31771
state tax liability, and pay any additional municipal income tax 31772
shown due thereon or make a claim for refund of any overpayment, 31773
unless the tax or overpayment is less than ten dollars. 31774

(F) (1) Notwithstanding the fact that an appeal is pending, 31775
the petitioner may pay all or a portion of the assessment that 31776
is the subject of the appeal. The acceptance of a payment by the 31777
municipal corporation does not prejudice any claim for refund 31778
upon final determination of the appeal. 31779

(2) If upon final determination of the appeal an error in 31780
the assessment is corrected by the tax administrator, upon an 31781
appeal so filed or pursuant to a final determination of the 31782
local board of tax review created under section 718.11 of the 31783
Revised Code, of the Ohio board of tax appeals, or any court to 31784
which the decision of the Ohio board of tax appeals has been 31785
appealed, so that the amount due from the party assessed under 31786
the corrected assessment is less than the amount paid, there 31787
shall be issued to the appellant or to the appellant's assigns 31788
or legal representative a refund in the amount of the 31789
overpayment as provided by section 718.19 of the Revised Code, 31790
with interest on that amount as provided by division (D) of this 31791
section. 31792

(G) No civil action to recover municipal income tax or 31793
related penalties or interest shall be brought during either of 31794
the following time periods: 31795

(1) The period during which a taxpayer has a right to 31796
appeal the imposition of that tax or interest or those 31797
penalties; 31798

(2) The period during which an appeal related to the 31799
imposition of that tax or interest or those penalties is 31800
pending. 31801

Sec. 718.13. (A) Any information gained as a result of 31802
returns, investigations, hearings, or verifications required or 31803
authorized by this chapter or by a charter or ordinance of a 31804
municipal corporation levying an income tax pursuant to this 31805
chapter is confidential, and no person shall access or disclose 31806
such information except in accordance with a proper judicial 31807
order or in connection with the performance of that person's 31808
official duties or the official business of the municipal 31809
corporation as authorized by this chapter or the charter or 31810
ordinance authorizing the levy. The tax administrator of the 31811
municipal corporation or a designee thereof may furnish copies 31812
of returns filed or otherwise received under this chapter and 31813
other related tax information to the internal revenue service, 31814
the tax commissioner, and tax administrators of other municipal 31815
corporations. 31816

(B) This section does not prohibit a municipal corporation 31817
from publishing or disclosing statistics in a form that does not 31818
disclose information with respect to particular taxpayers. 31819

(C) A municipal corporation may provide tax information 31820
related to municipal income tax revenues derived from a 31821
transformational major sports facility mixed-use project 31822
district, as authorized under section 123.281 of the Revised 31823
Code, to the department of taxation and the fiscal officer of a 31824
governmental agency, as defined in division (F) of section 31825
123.28 of the Revised Code, that owns, or holds a sufficient 31826
ownership in, a major sports facility located within the 31827
territorial boundaries of a transformational major sports 31828

facility mixed-use project district. 31829

Sec. 718.19. (A) Upon receipt of a request for a refund, 31830
the tax administrator of a municipal corporation, in accordance 31831
with this section, shall refund to employers, agents of 31832
employers, other payers, or taxpayers, with respect to any 31833
income or withholding tax levied by the municipal corporation: 31834

(1) Overpayments of more than ten dollars; 31835

(2) Amounts paid erroneously if the refund requested 31836
exceeds ten dollars. 31837

(B) (1) Except as otherwise provided in this chapter, 31838
requests for refund shall be filed with the tax administrator, 31839
on the form prescribed by the tax administrator within three 31840
years after the tax return, including any valid extension, was 31841
due or paid, whichever is later. The tax administrator may 31842
require the requestor to file with the request any documentation 31843
that substantiates the requestor's claim for a refund. 31844

(2) On filing of the refund request, the tax administrator 31845
shall determine the amount of refund due and certify such amount 31846
to the appropriate municipal corporation official for payment. 31847
Except as provided in division (B) (3) of this section, the 31848
administrator shall issue an assessment to any taxpayer whose 31849
request for refund is fully or partially denied. The assessment 31850
shall state the amount of the refund that was denied, the 31851
reasons for the denial, and instructions for appealing the 31852
assessment. 31853

(3) If a tax administrator denies in whole or in part a 31854
refund request included within the taxpayer's originally filed 31855
annual income tax return, the tax administrator shall notify the 31856
taxpayer, in writing, of the amount of the refund that was 31857

denied, the reasons for the denial, and instructions for 31858
requesting an assessment that may be appealed under section 31859
718.11 of the Revised Code. 31860

(C) A request for a refund that is received after the last 31861
day for filing specified in division (B) of this section shall 31862
be considered to have been filed in a timely manner if any of 31863
the following situations exist: 31864

(1) The request is delivered by the postal service, and 31865
the earliest postal service postmark on the cover in which the 31866
request is enclosed is not later than the last day for filing 31867
the request. 31868

(2) The request is delivered by the postal service, the 31869
only postmark on the cover in which the request is enclosed was 31870
affixed by a private postal meter, the date of that postmark is 31871
not later than the last day for filing the request, and the 31872
request is received within seven days of such last day. 31873

(3) The request is delivered by the postal service, no 31874
postmark date was affixed to the cover in which the request is 31875
enclosed or the date of the postmark so affixed is not legible, 31876
and the request is received within seven days of the last day 31877
for making the request. 31878

(D) As used in this section, "withholding tax" has the 31879
same meaning as in section 718.27 of the Revised Code. 31880

Sec. 718.85. (A) (1) For each taxable year, every taxpayer 31881
shall file an annual return. Such return, along with the amount 31882
of tax shown to be due on the return less the amount paid for 31883
the taxable year under section 718.88 of the Revised Code, shall 31884
be submitted to the tax commissioner, on a form and in the 31885
manner prescribed by the commissioner, on or before the 31886

fifteenth day of the fourth month following the end of the 31887
taxpayer's taxable year unless a taxpayer's unextended federal 31888
income tax return is due after that date, in which case the 31889
annual return shall be submitted on or before the taxpayer's 31890
federal income tax return due date. 31891

(2) The remittance shall be made payable to the treasurer 31892
of state and in the form prescribed by the tax commissioner. If 31893
the amount payable with the tax return is ten dollars or less, 31894
no remittance is required. 31895

(B) The tax commissioner shall immediately forward to the 31896
treasurer of state all amounts the commissioner receives 31897
pursuant to sections 718.80 to 718.95 of the Revised Code. The 31898
treasurer shall credit such amounts to the municipal net profit 31899
tax fund which is hereby created in the state treasury. 31900

(C) (1) Each return required to be filed under this section 31901
shall contain the signature of the taxpayer or the taxpayer's 31902
duly authorized agent and of the person who prepared the return 31903
for the taxpayer, and shall include the taxpayer's 31904
identification number. Each return shall be verified by a 31905
declaration under penalty of perjury. 31906

(2) (a) The tax commissioner may require a taxpayer to 31907
include, with each annual tax return, amended return, or request 31908
for refund filed with the commissioner under sections 718.80 to 31909
718.95 of the Revised Code, copies of any relevant documents or 31910
other information. 31911

(b) A taxpayer that files an annual tax return 31912
electronically through the Ohio business gateway or in another 31913
manner as prescribed by the tax commissioner shall either submit 31914
the documents required under this division electronically as 31915

prescribed at the time of filing or, if electronic submission is 31916
not available, mail the documents to the tax commissioner. The 31917
department of taxation shall publish a method of electronically 31918
submitting the documents required under this division on or 31919
before January 1, 2019. 31920

(3) After a taxpayer files a tax return, the tax 31921
commissioner may request, and the taxpayer shall provide, any 31922
information, statements, or documents required to determine and 31923
verify the taxpayer's municipal income tax. 31924

(D) (1) (a) Any taxpayer that has duly requested an 31925
automatic extension for filing the taxpayer's federal income tax 31926
return shall automatically receive an extension for the filing 31927
of a tax return with the commissioner under this section. The 31928
extended due date of the return shall be the fifteenth day of 31929
the eleventh month after the last day of the taxable year to 31930
which the return relates. 31931

(b) A taxpayer that has not requested or received a six- 31932
month extension for filing the taxpayer's federal income tax 31933
return may request that the commissioner grant the taxpayer a 31934
~~six-month~~ seven-month extension of the date for filing the 31935
taxpayer's tax return. If the commissioner receives the request 31936
on or before the date the tax return is due, the commissioner 31937
shall grant the taxpayer's extension request. 31938

(c) An extension of time to file under division (D) (1) of 31939
this section is not an extension of the time to pay any tax due 31940
unless the tax commissioner grants an extension of that date. 31941

(2) If the commissioner considers it necessary in order to 31942
ensure payment of a tax imposed in accordance with section 31943
718.04 of the Revised Code, the commissioner may require 31944

taxpayers to file returns and make payments otherwise than as 31945
provided in this section, including taxpayers not otherwise 31946
required to file annual returns. 31947

(3) If a taxpayer receives an extension for the filing of 31948
a tax return under division (D)(1) or (2) of this section, the 31949
commissioner shall not make any inquiry or send any notice to 31950
the taxpayer with regard to the return on or before the date the 31951
taxpayer files the return or on or before the extended due date 31952
to file the return, whichever occurs first. 31953

Division (D)(3) of this section does not apply to an 31954
extension received under division (D)(1) of this section if the 31955
commissioner has actual knowledge that the taxpayer failed to 31956
file for a federal extension as required to receive the 31957
extension under division (D)(1)(a) of this section or failed to 31958
file for an extension under division (D)(1)(b) of this section. 31959

(E) Each return required to be filed in accordance with 31960
this section shall include a box that the taxpayer may check to 31961
authorize another person, including a tax return preparer who 31962
prepared the return, to communicate with the tax commissioner 31963
about matters pertaining to the return. The return or 31964
instructions accompanying the return shall indicate that by 31965
checking the box the taxpayer authorizes the commissioner to 31966
contact the preparer or other person concerning questions that 31967
arise during the examination or other review of the return and 31968
authorizes the preparer or other person only to provide the 31969
commissioner with information that is missing from the return, 31970
to contact the commissioner for information about the 31971
examination or other review of the return or the status of the 31972
taxpayer's refund or payments, and to respond to notices about 31973
mathematical errors, offsets, or return preparation that the 31974

taxpayer has received from the commissioner and has shown to the 31975
preparer or other person. 31976

(F) When income tax returns or other documents require the 31977
signature of a tax return preparer, the tax commissioner shall 31978
accept a facsimile or electronic version of such a signature in 31979
lieu of a manual signature. 31980

Sec. 718.88. (A) As used in this section: 31981

(1) "Combined tax liability" means the total amount of a 31982
taxpayer's income tax liabilities to all municipal corporations 31983
in this state for a taxable year. 31984

(2) "Estimated taxes" means the amount that the taxpayer 31985
reasonably estimates to be the taxpayer's combined tax liability 31986
for the current taxable year. 31987

(B) (1) Except as provided in division (B) (4) of this 31988
section, every taxpayer shall make a declaration of estimated 31989
taxes for the current taxable year, on the form prescribed by 31990
the tax commissioner, if the amount payable as estimated taxes 31991
is at least two hundred dollars. 31992

(2) Except as provided in division (B) (4) of this section, 31993
a taxpayer having a taxable year of less than twelve months 31994
shall make a declaration under rules prescribed by the 31995
commissioner. 31996

(3) The declaration of estimated taxes shall be filed on 31997
or before the fifteenth day of the fourth month after the 31998
beginning of the taxable year or on or before the fifteenth day 31999
of the fourth month after the taxpayer becomes subject to tax 32000
for the first time. 32001

(4) The tax commissioner may waive the requirement for 32002

filing a declaration of estimated taxes for any class of 32003
taxpayers after finding that the waiver is reasonable and proper 32004
in view of administrative costs and other factors. 32005

(C) Each taxpayer shall file the declaration of estimated 32006
taxes with, and remit estimated taxes to, the tax commissioner 32007
at the times and in the amounts prescribed in division (C)(1) of 32008
this section. Remitted taxes shall be made payable to the 32009
treasurer of state. 32010

(1) The required portion of the combined tax liability for 32011
the taxable year that shall be paid through estimated taxes 32012
shall be as follows: 32013

(a) On or before the fifteenth day of the fourth month 32014
after the beginning of the taxable year, twenty-two and one-half 32015
per cent of the combined tax liability for the taxable year; 32016

(b) On or before the fifteenth day of the sixth month 32017
after the beginning of the taxable year, forty-five per cent of 32018
the combined tax liability for the taxable year; 32019

(c) On or before the fifteenth day of the ninth month 32020
after the beginning of the taxable year, sixty-seven and one- 32021
half per cent of the combined tax liability for the taxable 32022
year; 32023

(d) On or before the fifteenth day of the twelfth month of 32024
the taxable year, ninety per cent of the combined tax liability 32025
for the taxable year. 32026

(2) If the taxpayer determines that its declaration of 32027
estimated taxes will not accurately reflect the taxpayer's tax 32028
liability for the taxable year, the taxpayer shall increase or 32029
decrease, as appropriate, its subsequent payments in equal 32030
installments to result in a more accurate payment of estimated 32031

taxes. 32032

(3) (a) Each taxpayer shall report on the declaration of 32033
estimated taxes the portion of the remittance that the taxpayer 32034
estimates that it owes to each municipal corporation for the 32035
taxable year. 32036

(b) Upon receiving a payment of estimated taxes under this 32037
section, the commissioner shall immediately forward the payment 32038
to the treasurer of state. The treasurer shall credit the 32039
payment in the same manner as in division (B) of section 718.85 32040
of the Revised Code. 32041

(D) (1) In the case of any underpayment of estimated taxes, 32042
~~there shall be added~~ the tax commissioner may add to the taxes 32043
an amount determined at the rate per annum prescribed by section 32044
5703.47 of the Revised Code upon the amount of underpayment for 32045
the period of underpayment, unless the underpayment is due to 32046
reasonable cause as described in division (E) of this section. 32047
The amount of the underpayment shall be determined as follows: 32048

(a) For the first payment of estimated taxes each year, 32049
twenty-two and one-half per cent of the combined tax liability, 32050
less the amount of taxes paid by the date prescribed for that 32051
payment; 32052

(b) For the second payment of estimated taxes each year, 32053
forty-five per cent of the combined tax liability, less the 32054
amount of taxes paid by the date prescribed for that payment; 32055

(c) For the third payment of estimated taxes each year, 32056
sixty-seven and one-half per cent of the combined tax liability, 32057
less the amount of taxes paid by the date prescribed for that 32058
payment; 32059

(d) For the fourth payment of estimated taxes each year, 32060

ninety per cent of the combined tax liability, less the amount 32061
of taxes paid by the date prescribed for that payment. 32062

(2) The period of the underpayment shall run from the day 32063
the estimated payment was required to be made to the date on 32064
which the payment is made. For purposes of this section, a 32065
payment of estimated taxes on or before any payment date shall 32066
be considered a payment of any previous underpayment only to the 32067
extent the payment of estimated taxes exceeds the amount of the 32068
payment presently due. 32069

(3) All amounts collected under this section shall be 32070
considered as taxes collected under sections 718.80 to 718.95 of 32071
the Revised Code and shall be credited and distributed to 32072
municipal corporations in accordance with section 718.83 of the 32073
Revised Code. 32074

(E) An underpayment of any portion of a combined tax 32075
liability shall be due to reasonable cause and the penalty 32076
imposed by this section shall not be added to the taxes for the 32077
taxable year if any of the following apply: 32078

(1) The amount of estimated taxes that were paid equals at 32079
least ninety per cent of the combined tax liability for the 32080
current taxable year, determined by annualizing the income 32081
received during the year up to the end of the month immediately 32082
preceding the month in which the payment is due. 32083

(2) The amount of estimated taxes that were paid equals at 32084
least one hundred per cent of the tax liability shown on the 32085
return of the taxpayer for the preceding taxable year, provided 32086
that the immediately preceding taxable year reflected a period 32087
of twelve months and the taxpayer filed a municipal income tax 32088
return for that year. 32089

Sec. 718.90. (A) If any taxpayer required to file a return 32090
under section 718.80 to 718.95 of the Revised Code fails to file 32091
the return within the time prescribed, files an incorrect 32092
return, or fails to remit the full amount of the tax due for the 32093
period covered by the return, the tax commissioner may make an 32094
assessment against the taxpayer for any deficiency for the 32095
period for which the return or tax is due, based upon any 32096
information in the commissioner's possession. 32097

The tax commissioner shall not make or issue an assessment 32098
against a taxpayer more than three years after the later of the 32099
date the return subject to assessment was required to be filed 32100
or the date the return was filed. Such time limit may be 32101
extended if both the taxpayer and the commissioner consent in 32102
writing to the extension. Any such extension shall extend the 32103
three-year time limit in section 718.91 of the Revised Code for 32104
the same period of time. There shall be no bar or limit to an 32105
assessment against a taxpayer that fails to file a return 32106
subject to assessment as required by sections 718.80 to 718.95 32107
of the Revised Code, or that files a fraudulent return. The 32108
commissioner shall give the taxpayer assessed written notice of 32109
the assessment as provided in section 5703.37 of the Revised 32110
Code. With the notice, the commissioner shall provide 32111
instructions on how to petition for reassessment and request a 32112
hearing on the petition. 32113

(B) Unless the taxpayer assessed files with the tax 32114
commissioner within sixty days after service of the notice of 32115
assessment, ~~either personally or by certified mail,~~ a written 32116
petition for reassessment signed by the authorized agent of the 32117
taxpayer assessed having knowledge of the facts, the assessment 32118
becomes final, and the amount of the assessment is due and 32119
payable from the taxpayer to the treasurer of state. The 32120

petition shall indicate the taxpayer's objections, but 32121
additional objections may be raised in writing if received by 32122
the commissioner prior to the date shown on the final 32123
determination. If the petition has been properly filed, the 32124
commissioner shall proceed under section 5703.60 of the Revised 32125
Code. 32126

(C) After an assessment becomes final, if any portion of 32127
the assessment remains unpaid, including accrued interest, a 32128
certified copy of the tax commissioner's entry making the 32129
assessment final may be filed in the office of the clerk of the 32130
court of common pleas in the county in which the taxpayer has an 32131
office or place of business in this state, the county in which 32132
the taxpayer's statutory agent is located, or Franklin county. 32133

Immediately upon the filing of the entry, the clerk shall 32134
enter a judgment against the taxpayer assessed in the amount 32135
shown on the entry. The judgment may be filed by the clerk in a 32136
loose-leaf book entitled "special judgments for municipal income 32137
taxes," and shall have the same effect as other judgments. 32138
Execution shall issue upon the judgment upon the request of the 32139
tax commissioner, and all laws applicable to sales on execution 32140
shall apply to sales made under the judgment. 32141

If the assessment is not paid in its entirety within sixty 32142
days after the day the assessment was issued, the portion of the 32143
assessment consisting of tax due shall bear interest at the rate 32144
per annum prescribed by section 5703.47 of the Revised Code from 32145
the day the commissioner issues the assessment until the 32146
assessment is paid or until it is certified to the attorney 32147
general for collection under section 131.02 of the Revised Code, 32148
whichever comes first. If the unpaid portion of the assessment 32149
is certified to the attorney general for collection, the entire 32150

unpaid portion of the assessment shall bear interest at the rate 32151
per annum prescribed by section 5703.47 of the Revised Code from 32152
the date of certification until the date it is paid in its 32153
entirety. Interest shall be paid in the same manner as the tax 32154
and may be collected by issuing an assessment under this 32155
section. 32156

(D) (1) Except as provided in division (D) (2) of this 32157
section, all money collected under this section shall be 32158
credited to the municipal net profit tax fund and distributed to 32159
the municipal corporation to which the money is owed based on 32160
the assessment issued under this section. 32161

(2) The attorney general may assess collection costs as 32162
authorized under section 109.08, 109.081, or 131.02 of the 32163
Revised Code on amounts collected under this section, which 32164
shall be credited to the attorney general claims fund created 32165
under section 109.081 of the Revised Code. 32166

(E) If the tax commissioner believes that collection of 32167
the tax will be jeopardized unless proceedings to collect or 32168
secure collection of the tax are instituted without delay, the 32169
commissioner may issue a jeopardy assessment against the 32170
taxpayer liable for the tax. Immediately upon the issuance of 32171
the jeopardy assessment, the commissioner shall file an entry 32172
with the clerk of the court of common pleas in the manner 32173
prescribed by division (C) of this section. Notice of the 32174
jeopardy assessment shall be served on the taxpayer assessed or 32175
the taxpayer's legal representative in the manner provided in 32176
section 5703.37 of the Revised Code within five days of the 32177
filing of the entry with the clerk. The total amount assessed is 32178
immediately due and payable, unless the taxpayer assessed files 32179
a petition for reassessment in accordance with division (B) of 32180

this section and provides security in a form satisfactory to the 32181
commissioner and in an amount sufficient to satisfy the unpaid 32182
balance of the assessment. Full or partial payment of the 32183
assessment does not prejudice the commissioner's consideration 32184
of the petition for reassessment. 32185

(F) Notwithstanding the fact that a petition for 32186
reassessment is pending, the taxpayer may pay all or a portion 32187
of the assessment that is the subject of the petition. The 32188
acceptance of a payment by the treasurer of state does not 32189
prejudice any claim for refund upon final determination of the 32190
petition. 32191

If upon final determination of the petition an error in 32192
the assessment is corrected by the tax commissioner, upon 32193
petition so filed or pursuant to a decision of the board of tax 32194
appeals or any court to which the determination or decision has 32195
been appealed, so that the amount due from the taxpayer under 32196
the corrected assessment is less than the portion paid, there 32197
shall be issued to the taxpayer, its assigns, or legal 32198
representative a refund in the amount of the overpayment as 32199
provided by section 718.91 of the Revised Code, with interest on 32200
that amount as provided by that section. 32201

Sec. 718.91. (A) An application to refund to a taxpayer 32202
amounts that were overpaid, paid illegally or erroneously, or 32203
paid on an illegal or erroneous assessment pursuant to sections 32204
718.80 to 718.95 of the Revised Code shall be filed with the tax 32205
commissioner within three years after the date of the illegal, 32206
erroneous, or excessive payment, the date the return to which 32207
the payment relates was due including any valid extension, or 32208
within any additional period allowed by division (A) of section 32209
718.90 of the Revised Code, whichever is later. The application 32210

shall be filed in the form prescribed by the tax commissioner. 32211

(B) (1) On the filing of a refund application, the tax 32212
commissioner shall determine the amount of refund to which the 32213
applicant is entitled. The amount determined shall be based on 32214
the amount overpaid per return or assessment. If the amount is 32215
greater than ten dollars and not less than that claimed, the 32216
commissioner shall certify that amount to the director of budget 32217
and management and the treasurer of state for payment from the 32218
tax refund fund created in section 5703.052 of the Revised Code. 32219
If the amount is greater than ten dollars but less than that 32220
claimed, the commissioner shall proceed in accordance with 32221
section 5703.70 of the Revised Code. 32222

(2) Upon issuance of a refund under this section, the 32223
commissioner shall notify each municipal corporation of the 32224
amount refunded to the taxpayer attributable to that municipal 32225
corporation, which shall be deducted from the municipal 32226
corporation's next distribution under section 718.83 of the 32227
Revised Code. 32228

(C) Any portion of a refund determined under division (B) 32229
