Assembly Bill No. 951

CHAPTER 84

An act to amend Section 1374.73 of the Health and Safety Code, and to amend Section 10144.51 of the Insurance Code, relating to health care coverage.

[Approved by Governor July 30, 2025. Filed with Secretary of State July 30, 2025.]

LEGISLATIVE COUNSEL'S DIGEST

AB 951, Ta. Health care coverage: behavioral diagnoses.

Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a health care service plan contract or health insurance policy to provide coverage for behavioral health treatment for pervasive developmental disorder or autism.

This bill would prohibit a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2026, from requiring an enrollee or insured previously diagnosed with pervasive developmental disorder or autism to receive a rediagnosis to maintain coverage for behavioral health treatment for their condition. The bill would require a treatment plan to be made available to the plan or insurer upon request. Because a willful violation of this provision by a health care service plan would be a crime, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 1374.73 of the Health and Safety Code is amended to read:

1374.73. (a) (1) Every health care service plan contract that provides hospital, medical, or surgical coverage shall also provide coverage for behavioral health treatment for pervasive developmental disorder or autism no later than July 1, 2012. The coverage shall be provided in the same manner and shall be subject to the same requirements as provided in Section 1374.72.

(2) Notwithstanding paragraph (1), as of the date that the proposed final rulemaking for essential health benefits is issued, this section does not require any benefits to be provided that exceed the essential health benefits that all health plans will be required by federal regulations to provide under Section 1302(b) of the federal Patient Protection and Affordable Care Act (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152).

(3) This section shall not affect services for which an individual is eligible pursuant to Division 4.5 (commencing with Section 4500) of the Welfare and Institutions Code or Title 14 (commencing with Section 95000) of the Government Code.
