1
2 Section 14-115.4 A. A registered voter may apply for an in-

4 the county election board from 8 a.m. to 6 p.m. on Friday and Monday
5 immediately preceding any election and from 8 a.m. to 1 p.m. on
6 Saturday immediately preceding a state or federal election. As part
7 of the application for an in-person absentee ballot such registered
8 voter shall swear or affirm that the voter has not voted a regular
9 mail absentee ballot and that the voter will not vote at the regular
10 polling place in the election for which the in-person absentee
11 ballot is requested. The voter also shall provide proof of
12 identity, as provided in subsection A of Section 7-114 of this
13 title. If the person is unable to produce proof of identity, the

20 Monday immediately preceding any election and from 8 a.m. to 1 p.m.
21 on Saturday immediately preceding a state or federal election. If
22 the secretary of a county election board receives an application
23 from a registered voter requesting to vote by in-person absentee
24 ballot the secretary shall cause to be implemented the following
procedures:

1. An absentee voting board shall provide to each registered

voter who applies for an in-person absentee ballot appropriate ballots and materials as may be necessary to vote;

2. The voter must sign an in-person absentee voter record, and the signature of the voter on such record must be certified by both members of the absentee voting board, except that the secretary of the county election board and one other member of the absentee voting board may certify the signature of another member of the absentee voting board;

3. The voter must mark the ballots of the voter in the manner provided by law in the presence of the absentee voting board, but in such a manner as to make it impossible for any person other than the voter to ascertain how said ballots are marked. Insofar as is possible, the voting procedure shall be the same as if the voter were casting a vote in person at a precinct;

4. The voter shall then deposit the ballot in a voting device designated for in-person absentee voting by the secretary of the county election board;

5. When the in-person polling place is closed on each day of in-person absentee voting the in-person absentee voting board shall, without obtaining a printout of results, remove the vote data pack from the voting device and seal ballots counted that day in a transfer case which shall be secured by the sheriff of the county in the same manner as provided in Section 8-110 of this title. The vote data pack shall be sealed in a container prescribed by the Secretary of the State Election Board. The sheriff shall secure the

sealed vote data pack container and return it to the in-person absentee voting board no later than 7:45 a.m. on the next day of in-person absentee voting or to the secretary of the county election board at the time of the county election board meeting to count absentee ballots on election day;

6. The vote data pack or packs used for in-person absentee voting shall be used by the county election board to count absentee ballots on election day as provided in Section 14-125 of this title; and

7. If there is a malfunction in such a way that the vote data pack used for in-person absentee voting will not function, the sheriff is authorized to return the transfer cases containing in-person absentee ballots to the county election board to be recounted as provided in Section 7-134.1 of this title.
