A BILL FOR

An Act relating to health care, health care providers, and health care coverage, providing penalties, and providing retroactive and other effective dates.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

Division I

IOWA CHOICE INSURANCE EXCHANGE

Section 1. NEW SECTION. 514M.1 SHORT TITLE.
This chapter shall be known and may be cited as the "Iowa Choice Insurance Exchange Act".

Sec. 2. NEW SECTION. 514M.2 PURPOSE.
It is the purpose of this chapter to:

1. Ensure that all children in the state who are not eligible for public programs have affordable, quality health care coverage with the following priorities:
   a. As funding becomes available, provide subsidized coverage which meets certain standards of quality and affordability to the remaining uninsured children less than nineteen years of age under a sliding scale based on family income.
   b. Move towards a future requirement that all parents of children must provide proof of qualified health care coverage for their children which meets certain standards of quality and affordability.

2. Ensure that all Iowans have qualified health care coverage which meets certain standards of quality and affordability with the following priorities:
   a. Continue to expand options for individuals who are dually eligible for Medicare and Medicaid, typically the chronically disabled, by utilizing evidence-based medical treatments.
   b. Ensure that all health and long-term care workers have qualified health care coverage which meets certain standards of quality and affordability.
   c. Maximize eligibility of low-income adults nineteen

3. Ensure that all Iowans have qualified health care...
31 years of age and older for public health care coverage.
32 d. As funding becomes available, provide subsidized
33 coverage which meets certain standards of quality and
34 affordability to the remaining low-income adults.
35 e. Move towards a future requirement that all Iowans must
36 provide proof of qualified health care coverage which meets
37 certain standards of quality and affordability.
38 3. Decrease health care costs and health care coverage
39 costs by:
40 a. Instituting insurance reforms that assure the
41 availability of private insurance coverage for all Iowans by
42 addressing issues involving guaranteed availability and issue
43 of insurance to applicants; preexisting condition exclusions;
44 portability; and allowable or required pooling and rating
45 classifications.
46 b. Requiring every child who has public health care
47 coverage or is insured by a plan created by the Iowa health
48 care coverage exchange to have a medical home as defined in
49 section 135.157.
50 4. Develop a program to offer health care coverage under
51 the state health or medical group insurance plan to nonstate
52 public employees, including employees of counties, cities,
53 schools, and community colleges, and employees of nonprofit
54 employers and small employers and to pool such employees with
55 the state plan.
56 Sec. 3. NEW SECTION. 514M.3 DEFINITIONS.
57 As used in this chapter, unless the context otherwise
58 requires:
59 1. "Board" means the board of directors of the Iowa choice
60 insurance exchange.
61 2. "Carrier" means an insurer providing accident and
62 sickness insurance under chapter 509, 514, or 514A and

19. "Qualified health care coverage" means creditable coverage which meets minimum standards of quality and affordability as determined by the board by rule.

20. "Resident" means a person who is a resident of this state for state income tax purposes.

Sec. 4. NEW SECTION. 514M.4 IOWA CHOICE INSURANCE EXCHANGE CREATED == BOARD OF DIRECTORS.

1. The Iowa choice insurance exchange is created as a nonprofit corporation under the purview of the insurance division of the department of commerce.

a. All carriers and all organized delivery systems licensed by the director of public health providing health insurance or health care services in Iowa, whether on an individual or group basis, and all other insurers designated by the exchange's board of directors and approved by the commissioner shall be members of the exchange.

b. The exchange shall operate under a plan of operation established and approved under section 514M.5 and shall exercise its powers through a board of directors established under this section.

2. The board of directors of the exchange shall consist of the following members:

a. Persons who are voting members of the board appointed by the governor and subject to confirmation by the senate:

(1) A practicing physician licensed to practice medicine and surgery or osteopathic medicine and surgery.

(2) A practicing nurse licensed as a registered nurse or a licensed practical nurse or vocational nurse.

(3) A representative of the federation of Iowa insurers.

(4) A health economist who resides in Iowa.

(5) A health benefit manager.

(6) A consumer who is a representative of a children's
advocacy organization.

(7) A consumer who is a representative of the state's adult uninsured population.

(8) A consumer who is a member of a racial or ethnic minority group.

(9) A representative of organized labor.

(10) A representative of an organization of small businesses.

(11) A representative of the alliance of nonprofit agencies.

b. Persons who are ex officio, nonvoting members of the board:

(1) The commissioner of insurance, or a designee.

(2) The director of human services, or a designee.

(3) The director of public health, or a designee.

(4) The director of the department of administrative services, or a designee.

(5) Four members of the general assembly, one appointed by the speaker of the house of representatives, one appointed by the minority leader of the house of representatives, one appointed by the majority leader of the senate, and one appointed by the minority leader of the senate.

c. Each member of the board appointed by the governor shall be a resident of this state and the composition of voting members of the board shall be in compliance with sections 69.16, 69.16A, and 69.16C.

d. The voting members of the board shall be appointed for terms of six years within thirty days after the effective date of this division of this Act and by December 15 of each year thereafter. A member of the board is eligible for reappointment. The governor shall fill a vacancy for the remainder of the unexpired term. A member of the board may be removed by the governor for misfeasance, malfeasance, or willful neglect of duty or other cause after notice and a public hearing unless the notice and hearing are waived by the member in writing.

e. The voting members of the board shall annually elect one of the members as chairperson and one as vice chairperson.

f. A majority of the voting members of the board constitutes a quorum. The affirmative vote of a majority of the voting members is necessary for any action taken by the board. The majority shall not include a member who has a conflict of interest and a statement by a member of a conflict of interest is conclusive for this purpose. A vacancy in the voting membership of the board does not impair the right of a quorum to exercise the rights and perform the duties of the board. An action taken by the board under this chapter may be authorized by resolution at a regular or special meeting and each resolution shall take effect immediately and need not be published or posted. Meetings of the board shall be held at the call of the chairperson or at the request of a majority of
6 the voting members.
7 g. Members of the board may be reimbursed from the moneys
8 of the exchange for expenses incurred by them as members, but
9 shall not be otherwise compensated by the exchange for their
10 services.
11 h. The voting members of the board shall give bond as
12 required for public officers in chapter 64.
13 i. The members of the board are subject to and are
14 officials within the meaning of chapter 68B.
15 j. All employees of the exchange are exempt from chapter
16 8A, subchapter IV, and chapter 97B.
17 3. The voting members of the board shall appoint an
18 executive director to supervise the administrative affairs and
19 general management and operations of the exchange. The
20 executive director shall not be a member of the board, shall
21 serve at the pleasure of the board, and shall receive
22 compensation as fixed by the board. The executive director of
23 the board shall keep a record of the proceedings of the board
24 and shall be custodian of all books, documents, and papers
25 filed with the board, the minute book or journal of the board,
26 and the official seal of the board. The executive director
27 may cause copies to be made of minutes and other records and
28 documents of the board and may give certificates under the
29 official seal of the board that the copies are true copies,
30 and persons dealing with the board may rely upon the
31 certificates.
32 4. The exchange shall be considered a governmental body
33 for the purposes of chapter 21 and a government body for the
34 purposes of chapter 22.
35 5. The voting members of the board may hire independent
36 consultants, as they deem necessary, to assist them in
37 carrying out the provisions of this chapter.
38 Sec. 5. NEW SECTION. 514M.5 PLAN OF OPERATION ==
39 4 ASSESSMENTS.
40 1. The exchange shall be organized as a nonprofit
41 corporation and shall submit to the commissioner a plan of
42 operation for the exchange and any amendments necessary or
43 suitable to assure the fair, reasonable, and equitable
44 administration of the exchange within ninety days after the
45 appointment of the board of directors. The plan of operation
46 shall include provisions for the development of a
47 comprehensive health care coverage plan as provided in section
48 514M.6. After notice and hearing, the commissioner shall
49 approve the plan of operation if the plan is determined to be
50 suitable to assure the fair, reasonable, and equitable
51 administration of the exchange, and provides for the sharing
52 of exchange losses, if any, on an equitable and proportionate
53 basis among the member carriers. In addition to other
54 requirements, the plan of operation shall provide for all of
55 the following:
56 a. The handling and accounting of assets and moneys of the
b. The amount and method of reimbursing members of the board.

c. Regular times and places for meetings of the board.

d. Records to be kept of all financial transactions, and the annual fiscal reporting to the commissioner.

e. The periodic advertising of the general availability of health insurance coverage from the exchange.

f. Additional provisions necessary or proper for the execution of the powers and duties of the exchange.

2. The exchange has the general powers and authority enumerated by this section and executed in accordance with the plan of operation approved by the commissioner under subsection 1. The exchange has the general powers and authority granted under the laws of this state to carriers licensed to issue health insurance coverage.

3. Following the close of each calendar year, the exchange shall determine the net premiums and payments, the expenses of administration, and the incurred losses of the exchange for the year. The exchange shall certify the amount of any net loss for the preceding calendar year to the commissioner and director of revenue. Any loss shall be assessed by the exchange to all members of the exchange in proportion to their respective shares of total health insurance premiums or payments for subscriber contracts received in Iowa during the second preceding calendar year, or with paid losses in the year, coinciding with or ending during the calendar year or on any other equitable basis as provided in the plan of operation. In sharing losses, the exchange may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The exchange may also provide for an initial or interim assessment against members of the exchange if necessary to assure the financial capability of the exchange to meet the incurred or estimated claims expenses or operating expenses of the exchange until the next calendar year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums.

a. For purposes of this subsection, "total health insurance premiums" and "payments for subscriber contracts" include, without limitation, premiums or other amounts paid to or received by a member for individual and group health plan coverage provided under any chapter of the Code or Acts, and "paid losses" includes, without limitation, claims paid by a member operating on a self-funded basis for individual and group health plan coverage provided under any chapter of the Code or Acts.

b. For purposes of calculating and conducting the assessment under this subsection, the exchange shall have the express authority to require members to report on an annual
3 basis each member's total health insurance premiums and
4 payments for subscriber contracts and paid losses. A member
5 is liable for its share of the assessment calculated in
6 accordance with this section regardless of whether it
7 participates in the individual insurance market.
8
4. The exchange shall conduct annual audits to assure the
9 general accuracy of the financial data submitted to the
10 exchange, and the exchange shall have an annual audit of its
11 operations, made by an independent certified public
12 accountant.
13
5. The exchange is subject to examination by the
14 commissioner. Not later than April 30 of each year, the board
15 shall submit to the commissioner a financial report for the
16 preceding calendar year in a form approved by the
17 commissioner.
18
6. The exchange is subject to oversight by the legislative
19 fiscal committee of the legislative council. Not later than
20 April 30 of each year, the board shall submit to the governor,
21 the speaker of the house of representatives, the majority
22 leader of the senate, and the legislative fiscal committee a
23 financial report, including enrollment information, for the
24 preceding year in a form approved by the committee.
25
7. All policy forms issued by the exchange must be filed
26 with and approved by the commissioner before their use.
27
8. The exchange is exempt from payment of all fees and all
28 taxes levied by this state or any of its political
29 subdivisions.
30
9. The exchange shall develop and implement a plan of
31 operation and corresponding timeline detailing action steps
32 toward implementing this chapter, by rules adopted pursuant to
33 chapter 17A as provided in section 514M.7.
34
Sec. 6. NEW SECTION. 514M.6 IOWA CHOICE INSURANCE
35 EXCHANGE COMPREHENSIVE HEALTH CARE COVERAGE PLAN.
36
1. The exchange, in collaboration with the Iowa Medicaid
2 enterprise and the hawk-i board, shall develop a comprehensive
3 health care coverage plan to provide health care coverage to
4 all children without such coverage, that utilizes and modifies
5 existing public programs including the medical assistance
6 program and hawk-i program and maximizes the ability of the
7 state to obtain federal funding and reimbursement for such
8 programs. The comprehensive health care coverage plan shall
9 provide for the coordination of a children's health care
10 network in the state that acts as a resource for consumers to
11 transition seamlessly among public and private health care
12 coverage options, including but not limited to medical
13 assistance, hawk-i, and Iowa choice care programs. The plan
14 shall also provide access to private unsubsidized, affordable,
15 qualified health care coverage to children who are not
16 otherwise eligible for health care coverage through public
17 programs.
18
2. The comprehensive health care coverage plan developed
by the exchange shall also consider and recommend options to provide access to private, affordable, qualified health care coverage to all Iowa children less than nineteen years of age with a family income that is more than three hundred percent of the federal poverty level and to adults and families with a family income that is up to four hundred percent of the federal poverty level who are not otherwise eligible for health care coverage through public programs. As part of the comprehensive plan, the exchange shall design and implement a health care coverage program called Iowa choice which offers private qualified health care coverage through the exchange with options to purchase at least three levels of benefits including a gold plan which offers a comprehensive benefits package, a silver plan which offers a medium benefits package, and a bronze plan which offers a basic benefits package. The Iowa choice care plans shall be available for purchase by individuals and families. The purchase of Iowa choice health care coverage may be publicly subsidized for low-income individuals and families who do not meet eligibility guidelines for any other public program. The subsidy program may include subsidizing an employee's purchase of health insurance offered by that person's employer.

3. The comprehensive health care coverage plan developed by the exchange shall also consider and recommend options to offer a program to provide coverage under the state health or medical group insurance plan to nonstate public employees, including employees of counties, cities, schools, and community colleges, and employees of nonprofit employers and small employers and to pool such employees with the state plan. The program developed shall allow employees and officials of such employers who apply for coverage to be covered under the state plan under the same conditions that state employees are covered under the state plan and not be denied coverage on the basis of risk, cost, preexisting conditions, or other factors not applicable to state employees. The plan may include options for the coverage of such employees and officials under the state plan that include but are not limited to the following:

a. Criteria for participation in and withdrawal from the program.

b. Minimum participation intervals.

c. Collaboration with the department of administrative services to develop coverage options for coverage from vendors other than those providing coverage to state employees and under plans different from those available to state employees, that meet minimum standards of quality and affordability.

d. Application and enrollment procedures.

e. Premium rates and procedures for the payment of premiums by participants.

4. The exchange shall have broad authority to accomplish the purposes of this chapter, including but not limited to:
a. Establishing, by rule, what constitutes qualified health care coverage within parameters set by statute which may include consideration of the following factors:

1. Setting parameters for what is affordable by creating an affordability schedule that is conservative to prevent harm to people who are struggling financially and that utilizes a progressive scale of subsidization by the state that decreases as incomes increase and requires people with very low incomes to pay only small amounts for health care coverage with no financial penalties.

2. Setting the maximum limit for affordability of coverage at approximately six and one-half percent of an individual's or family's income, including consideration of assets held.

b. Establishing what constitutes qualified health care coverage which meets certain standards of quality and affordability. For purposes of defining qualified health care coverage, the board may consider requirements for coverage and benefits that include but are not limited to:

1. No underwriting requirements and no preexisting condition exclusions.

2. Portability.

3. Coverage of physical, behavioral, and dental health services, vision services, and prescription drugs.

4. Copayments and deductibles that do not exceed specified amounts, with no copayments or deductibles for wellness, prevention, disease, and chronic care management services.

5. No reimbursement of providers for an otherwise covered service if the service is required solely on account of the provider's avoidable medical error.

6. A requirement that all insureds have a medical home.

7. Coverage of wellness, prevention, disease management, and chronic care management services including, without limitation, physical and psycho-social screenings for children which satisfy the Medicaid early periodic screening, diagnosis, and treatment standards.

8. Coverage of emergency mental health services when provided by a state-certified emergency mental health services provider.

9. Incentives for participating health care providers who:

   a. Utilize electronic prescriptions.

   b. Utilize electronic medical records.

   c. Provide rate schedules to the board of all services provided.

c. Establishing threshold requirements for a future mandate to provide health care coverage that must be met by parents of children less than nineteen years of age with family incomes greater than three hundred percent of the federal poverty level.
d. Establishing criteria for determining each applicant's eligibility to purchase health insurance offered by the exchange, including eligibility for premium assistance payments.

e. Collaborating with carriers to do the following, including but not limited to:
   (1) Assuring the availability of private health insurance coverage to all Iowans by designing solutions to issues related to guaranteed issuance of insurance, preexisting condition exclusions, portability, and allowable pooling and rating classifications.
   (2) Formulating principles that ensure fair and appropriate practices related to issues involving individual health insurance policies such as recision and preexisting condition clauses, and that provide for a binding third-party review process to resolve disputes related to such issues.
   (3) Designing affordable, portable health insurance plans that meet the needs of low-income populations.

5. The exchange shall conduct a study of pharmacy benefits managers in the state to review all of the following:
   a. Transparency and disclosure arrangements between pharmacy benefits managers and covered entities.
   b. Confidentiality protections for information disclosed to covered entities and remedies for unauthorized disclosure.
   c. The ability of covered entities to audit pharmacy benefits managers.
   d. Appropriate remedies for covered entities to enforce a provision of or for a violation of a provision of chapter 510B.

6. The exchange shall make recommendations for uniform insurance applications, uniform billing and coding procedures in Iowa choice plans, and other standardized administrative procedures that make the purchase of insurance easier and lower administrative costs for all health insurance that is sold in the state.

7. The exchange shall study the ramifications of requiring each employer with more than ten employees in the state to adopt and maintain a cafeteria plan that satisfies section 125 of the federal Internal Revenue Code of 1986, and the rules adopted by the exchange.

8. The exchange shall operate a health insurance service center that collects and distributes information to consumers about all health insurance policies, contracts, and plans available in the state and provides information to eligible Iowans about the exchange.

9. The exchange shall establish criteria for insurance producers licensed under chapter 522B to sell private health care coverage offered through the exchange, including the amount of commission which may be earned for sales of such coverage.

10. The exchange shall provide for an exemption from any
health benefit coverage requirements of this chapter that conflict with a person's genuine and sincerely held religious belief.

Sec. 7. NEW SECTION. 514M.7 RULES.
1 The commissioner and the board shall adopt rules pursuant to chapter 17A, to implement the provisions of this chapter.

Sec. 8. NEW SECTION. 514M.8 IOWA CHOICE INSURANCE EXCHANGE FUND ESTABLISHED.
1 The Iowa choice insurance exchange fund is created in
2 the state treasury as a separate fund under the control of the exchange. There shall be credited to the fund all moneys
3 collected from premiums paid for health care plans offered by
4 the exchange, and any other funds that are appropriated or transferred to the fund. All moneys deposited or paid into
5 the fund shall only be appropriated to the exchange to be used for the purposes set forth in this chapter.
6 Notwithstanding section 8.33, any balance in the fund on June 30 of each fiscal year shall not revert to the general fund of the state, but shall be available for purposes of this chapter in subsequent fiscal years.

Sec. 9. NEW SECTION. 514M.9 COLLECTIVE ACTION == IMMUNITY.
1 Neither the participation by carriers or members in the exchange, the establishment of rates, forms, or procedures for
2 coverage issued by the exchange, nor any joint or collective action required by this chapter shall be the basis of any
3 legal civil action, or criminal liability against the exchange or members of it either jointly or separately.

Sec. 10. NEW SECTION. 514M.10 COMPREHENSIVE HEALTH CARE COVERAGE PLAN == IMPLEMENTATION.
1 The comprehensive health care coverage plan developed by the exchange pursuant to section 514M.6 shall be provided to the commissioner for review and recommendations and shall then be forwarded along with such recommendations to the general assembly no later than February 15, 2010.
2 The comprehensive health care coverage plan shall become effective upon approval by the general assembly.
3 Upon approval by the general assembly, the comprehensive health care coverage plan shall be implemented by the board by rules adopted pursuant to chapter 17A. The administrative rules review committee shall provide oversight of the rules through the administrative rulemaking process.

COORDINATING AMENDMENTS
Sec. 11. Section 21.2, subsection 1, Code 2009, is amended by adding the following new paragraph:
NEW PARAGRAPH. i. A nonprofit corporation established pursuant to chapter 514M.

Sec. 12. Section 22.1, subsection 1, Code 2009, is amended to read as follows:
1. The term "government body" means this state, or any county, city, township, school corporation, political
subdivision, tax-supported district, nonprofit corporation
other than a fair conducting a fair event as provided in
chapter 174, whose facilities or indebtedness are supported in
whole or in part with property tax revenue and which is
licensed to conduct pari-mutuel wagering pursuant to chapter
99D, nonprofit corporation established pursuant to chapter 514M, or other entity of this state, or any branch,
department, board, bureau, commission, council, committee,
official, or officer of any of the foregoing or any employee
delegated the responsibility for implementing the requirements
of this chapter.

Sec. 13. Section 514E.1, subsections 15 and 22, Code 2009,
are amended by striking the subsections.
Sec. 14. Section 514E.2, subsection 3, unnumbered
paragraph 1, Code 2009, is amended to read as follows:
The association shall submit to the commissioner a plan of
operation for the association and any amendments necessary or
suitable to assure the fair, reasonable, and equitable
administration of the association. The plan of operation
shall include provisions for the development of a
comprehensive health care coverage plan as provided in section
514E.5. In developing the comprehensive plan the association
shall give deference to the recommendations made by the
advisory council as provided in section 514E.6, subsection 1.
The association shall approve or disapprove but shall not
modify recommendations made by the advisory council.
Recommendations that are approved shall be included in the
plan of operation submitted to the commissioner.
Recommendations that are disapproved shall be submitted to the
commissioner with reasons for the disapproval. The plan of
operation becomes effective upon approval in writing by the
commissioner prior to the date on which the coverage under
this chapter must be made available. After notice and
hearing, the commissioner shall approve the plan of operation
if the plan is determined to be suitable to assure the fair,
reasonable, and equitable administration of the association,
and provides for the sharing of association losses, if any, on
an equitable and proportionate basis among the member
 carriers. If the association fails to submit a suitable plan
of operation within one hundred eighty days after the
appointment of the board of directors, or if at any later time
the association fails to submit suitable amendments to the
plan, the commissioner shall adopt, pursuant to chapter 17A,
rules necessary to implement this section. The rules shall
continue in force until modified by the commissioner or
superseded by a plan submitted by the association and approved
by the commissioner. In addition to other requirements, the
plan of operation shall provide for all of the following:
Sec. 15. Sections 514E.5 and 514E.6, Code 2009, are
repealed.
Sec. 16. EFFECTIVE DATE. This division of this Act, being
deemed of immediate importance, takes effect upon enactment.

DIVISION II

40 30 payment program and the nursing workforce shortage initiative.
40 31 Sec. 59. Section 261.23, subsection 1, Code 2009, is
40 32 amended to read as follows:
40 33 1. A registered nurse and nurse educator loan forgiveness
40 34 program is established to be administered by the commission.
40 35 The program shall consist of loan forgiveness for eligible
40 1 federally guaranteed loans for registered nurses and nurse
40 2 educators who practice or teach in this state. For purposes
40 3 of this section, unless the context otherwise requires, "nurse
40 4 educator" means a registered nurse who holds a master's degree
40 5 or doctorate degree and is employed as a faculty member who
40 6 teaches nursing as provided in 655 IAC 2.6(152) at a community
40 7 college, an accredited private institution, or an institution
Sec. 60. Section 261.23, subsection 2, paragraph c, Code 2009, is amended to read as follows:
c. Complete and return, on a form approved by the commission, an affidavit of practice verifying that the applicant is a registered nurse practicing in this state or a nurse educator teaching at a community college, an accredited private institution, or an institution of higher learning governed by the state board of regents.

Sec. 61. NEW SECTION. 261.128 HEALTH CARE WORKFORCE SUPPORT INITIATIVE == WORKFORCE SHORTAGE FUND.

1. HEALTH CARE WORKFORCE SHORTAGE FUND == ACCOUNTS.
a. (1) A health care workforce shortage fund is created in the state treasury as a separate fund under the control of the department of public health, in cooperation with the entities identified in this section as having control over the accounts within the fund. The fund and the accounts within the fund shall be controlled and managed in a manner consistent with the principles specified and the strategic plan developed pursuant to sections 135.163 and 135.164.

(2) The fund and the accounts within the fund shall consist of moneys appropriated from the general fund of the state for the health care workforce support initiative; moneys received from the federal government for the purposes of addressing the health care workforce shortage; contributions, grants, and other moneys from communities and health care employers; and moneys from any other public or private source available.

(3) The department of public health and any entity identified in this section as having control over any of the accounts within the fund may receive contributions, grants, and in-kind contributions to support the purposes of the fund and the accounts within the fund.

b. The fund and the accounts within the fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. The moneys in the fund and the accounts within the fund shall not be considered revenue of the state, but rather shall be moneys of the fund or the accounts. The moneys in the fund and the accounts within the fund are not subject to section 8.33 and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except to provide for the purposes of this section. Notwithstanding section 12C.7, subsection 2, interest or earnings on moneys deposited in the fund shall be credited to the fund and the accounts within the fund.

c. The fund shall consist of the following accounts:

(1) The medical residency training account. The medical residency training account shall be under the control of the department of public health and the moneys in the account shall be used for the purposes of the medical residency training state matching grants program as specified in this
section. Moneys in the account shall consist of moneys received by the fund or the account and specifically dedicated to the medical residency training account and for the purposes of such account.

(2) The health care professional and nurse workforce shortage initiative account. The health care professional and nurse workforce shortage initiative account shall be under the control of the commission and the moneys in the account shall be used for the purposes of the health care professional incentive payment program and the nurse workforce shortage initiative as specified in this section. Moneys in the account shall consist of moneys received by the fund or the account and specifically dedicated to the health care professional and nurse workforce shortage initiative account and for the purposes of the account.

(3) The safety net provider network workforce shortage account. The safety net provider network workforce shortage account shall be under the control of the Iowa collaborative safety net provider network and the moneys in the account shall be used for the purposes of the safety net provider recruitment and retention initiatives program as specified in this section. Moneys in the account shall consist of moneys received by the fund or the account and specifically dedicated to the safety net provider network workforce shortage account and for the purposes of the account.

(4) The health care workforce shortage national initiatives account. The health care workforce shortage national initiatives account shall be under the control of the state entity identified for receipt of the federal funds by the federal government entity through which the federal funding is available for a specified health care workforce shortage initiative. Moneys in the account shall consist of moneys received by the fund or the account and specifically dedicated to the health care workforce shortage national initiatives account and for a specified health care workforce shortage initiative.

d. (1) Moneys in the fund and the accounts in the fund shall only be appropriated in a manner consistent with the principles specified and the strategic plan developed pursuant to sections 135.163 and 135.164 to support the medical residency training state matching grants program, the health care professional incentive payment program, the nurse educator incentive payment and nursing faculty fellowship programs, the safety net recruitment and retention initiatives program, for national health care workforce shortage initiatives, and to provide funding for state health care workforce shortage programs as provided in this section.

(2) State programs that may receive funding from the fund and the accounts in the fund, if specifically designated for the purpose of drawing down federal funding, are the primary
5 care recruitment and retention endeavor (PRIMECARRE), the Iowa
6 affiliate of the national rural recruitment and retention
7 network, the primary care office shortage designation program,
8 the state office of rural health, and the Iowa health
9 workforce center, administered through the bureau of health
10 care access of the department of public health; the area
11 health education centers programs at Des Moines university ==
12 osteopathic medical center and the university of Iowa; the
13 Iowa collaborative safety net provider network established
14 pursuant to section 135.153; any entity identified by the
15 federal government entity through which federal funding for a
16 specified health care workforce shortage initiative is
17 received; and a program developed in accordance with the
18 strategic plan developed by the department of public health in
19 accordance with sections 135.163 and 135.164.
20 (3) State appropriations to the fund shall be allocated in
21 equal amounts to each of the accounts within the fund, unless
22 otherwise specified in the appropriation or allocation. Any
23 federal funding received for the purposes of addressing state
24 health care workforce shortages shall be deposited in the
25 health care workforce shortage national initiatives account,
26 unless otherwise specified by the source of the funds, and
27 shall be used as required by the source of the funds. If use
28 of the federal funding is not designated, twenty-five percent
29 of such funding shall be deposited in the safety net provider
30 network workforce shortage account to be used for the purposes
31 of the account and the remainder of the funds shall be used in
32 accordance with the strategic plan developed by the department
33 of public health in accordance with sections 135.163 and
34 135.164, or to address workforce shortages as otherwise
35 designated by the department of public health. Other sources
1 of funding shall be deposited in the fund or account and used
2 as specified by the source of the funding.
3 e. No more than five percent of the moneys in any of the
4 accounts within the fund, not to exceed one hundred thousand
5 dollars in each account, shall be used for administrative
6 purposes, unless otherwise provided by the source of the
7 funds.
8 2. MEDICAL RESIDENCY TRAINING STATE MATCHING GRANTS
9 PROGRAM.
10 a. The department of public health shall establish a
11 medical residency training state matching grants program to
12 provide matching state funding to sponsors of accredited
13 graduate medical education residency programs in this state to
14 establish, expand, or support medical residency training
15 programs. For the purposes of this section, unless the
16 context otherwise requires, "accredited" means a graduate
17 medical education program approved by the accreditation
18 council for graduate medical education or the American
19 osteopathic association. The grant funds may be used to
20 support medical residency programs through any of the
(1) The establishment of new or alternative campus accredited medical residency training programs. For the purposes of this subparagraph, "new or alternative campus accredited medical residency training program" means a program that is accredited by a recognized entity approved for such purpose by the accreditation council for graduate medical education or the American osteopathic association with the exception that a new medical residency training program that, by reason of an insufficient period of operation is not eligible for accreditation on or before the date of submission of an application for a grant, may be deemed accredited if the accreditation council for graduate medical education or the American osteopathic association finds, after consultation with the appropriate accreditation entity, that there is reasonable assurance that the program will meet the accreditation standards of the entity prior to the date of graduation of the initial class in the program.

(2) The provision of new residency positions within existing accredited medical residency or fellowship training programs.

(3) The funding of residency positions which are in excess of the federal residency cap. For the purposes of this subparagraph, "in excess of the federal residency cap" means a residency position for which no federal Medicare funding is available because the residency position is a position beyond the cap for residency positions established by the federal Balanced Budget Act of 1997, Pub. L. No. 105-33.

b. The department of public health shall adopt rules pursuant to chapter 17A to provide for all of the following:

(1) Eligibility requirements for and qualifications of a sponsor of an accredited graduate medical education residency program to receive a grant. The requirements and qualifications shall include but are not limited to all of the following:

(a) Only a sponsor that establishes a dedicated fund to support a residency program that meets the specifications of this subsection shall be eligible to receive a matching grant.

(b) A sponsor shall demonstrate through documented financial information as prescribed by rule of the department of public health, that funds have been reserved by the sponsor in the amount required to provide matching funds for each residency proposed in the request for state matching funds.

(c) A sponsor shall demonstrate through objective evidence as prescribed by rule of the department of public health, a need for such residency program in the state.

(2) The application process for the grant.

(3) Criteria for preference in awarding of the grants, including preference in the residency specialty.

(4) Determination of the amount of a grant. The total amount of a grant awarded to a sponsor shall be limited to no
more than twenty-five percent of the amount that the sponsor has demonstrated through documented financial information has been reserved by the sponsor for each residency sponsored for the purpose of the residency program.

(5) The maximum award of grant funds to a particular individual sponsor per year. An individual sponsor shall not receive more than twenty-five percent of the state matching funds available each year to support the program.

(6) Use of the funds awarded. Funds may be used to pay the costs of establishing, expanding, or supporting an accredited graduate medical education program as specified in this section, including but not limited to the costs associated with residency stipends and physician faculty stipends.

3. HEALTH CARE PROFESSIONAL INCENTIVE PAYMENT PROGRAM.

a. The commission shall establish a health care professional incentive payment program to recruit and retain health care professionals in this state.

b. The commission shall administer the incentive payment program with the assistance of Des Moines university osteopathic medical center. From funds appropriated from the health care professional and nurse workforce shortage initiative account of the health care workforce shortage fund for the purposes of the program, the commission shall pay a fee to Des Moines university osteopathic medical center for the administration of the program.

c. The commission, with the assistance of Des Moines university osteopathic medical center, shall adopt rules pursuant to chapter 17A, relating to the establishment and administration of the health care professional incentive payment program. The rules adopted shall address all of the following:

(1) Eligibility and qualification requirements for a health care professional, a community, and a health care employer to participate in the incentive payment program. Any community in the state and all health care specialties shall be considered for participation. However, health care employers located in and communities that are designated as medically underserved areas or populations or that are designated as health professional shortage areas by the health resources and services administration of the United States department of health and human services shall have first priority in the awarding of incentive payments.

(a) To be eligible, a health care professional at a minimum must not have any unserved obligations to a federal, state, or local government or other entity that would prevent compliance with obligations under the agreement for the incentive payment; must have a current and unrestricted license to practice the professional's respective profession; and must be able to begin full-time clinical practice upon signing an agreement for an incentive payment.
(b) To be eligible, a community must provide a clinical setting for full-time practice of a health care professional and must provide a fifty thousand dollar matching contribution for a physician and a fifteen thousand dollar matching contribution for any other health care professional to receive an equal amount of state matching funds.

(c) To be eligible, a health care employer must provide a clinical setting for a full-time practice of a health care professional and must provide a fifty thousand dollar matching contribution for a physician and a fifteen thousand dollar matching contribution for any other health care professional to receive an equal amount of state matching funds.

(2) The process for awarding incentive payments. The commission shall receive recommendations from the department of public health regarding selection of incentive payment recipients. The process shall require each recipient to enter into an agreement with the commission that specifies the obligations of the recipient and the commission prior to receiving the incentive payment.

(3) Public awareness regarding the program including notification of potential health care professionals, communities, and health care employers about the program and dissemination of applications to appropriate entities.

(4) Measures regarding all of the following:

(a) The amount of the incentive payment and the specifics of obligated service for an incentive payment recipient. An incentive payment recipient shall agree to provide service in full-time clinical practice for a minimum of four years. If an incentive payment recipient is sponsored by a community or health care employer, the obligated service shall be provided in the sponsoring community or health care employer location. An incentive payment recipient sponsored by a health care employer shall agree to provide health care services as specified in an employment agreement with the sponsoring health care employer.

(b) Determination of the conditions of the incentive payment applicable to an incentive payment recipient. At the time of approval for participation in the program, an incentive payment recipient shall be required to submit proof of indebtedness incurred as the result of obtaining loans to pay for educational costs resulting in a degree in health sciences. For the purposes of this subparagraph division, "indebtedness" means debt incurred from obtaining a government or commercial loan for actual costs paid for tuition, reasonable education expenses, and reasonable living expenses related to the graduate, undergraduate, or associate education of a health care professional.

(c) Enforcement of the state's rights under an incentive payment agreement, including the commencement of any court action. A recipient who fails to fulfill the requirements of the incentive payment agreement is subject to repayment of the
incentive payment in an amount equal to the amount of the incentive payment. A recipient who fails to meet the requirements of the incentive payment agreement may also be subject to repayment of moneys advanced by a community or health care employer as provided in any agreement with the community or employer.

(d) A process for monitoring compliance with eligibility requirements, obligated service provisions, and use of funds by recipients to verify eligibility of recipients and to ensure that state, federal, and other matching funds are used in accordance with program requirements.

(e) The use of the funds received. Any portion of the incentive payment that is attributable to federal funds shall be used as required by the federal entity providing the funds. Any portion of the incentive payment that is attributable to state funds shall first be used toward payment of any outstanding loan indebtedness of the recipient. The remaining portion of the incentive payment shall be used as specified in the incentive payment agreement.

d. A recipient is responsible for reporting on federal income tax forms any amount received through the program, to the extent required by federal law. Incentive payments received through the program by a recipient in compliance with the requirements of the incentive payment program are exempt from state income taxation.

5. NURSING WORKFORCE SHORTAGE INITIATIVE.

a. NURSE EDUCATOR INCENTIVE PAYMENT PROGRAM.

(1) The commission shall establish a nurse educator incentive payment program. For the purposes of this paragraph, "nurse educator" means a registered nurse who holds a master's degree or doctorate degree and is employed as a faculty member who teaches nursing in a nursing education program as provided in 655 IAC 2.6 at a community college, an accredited private institution, or an institution of higher education governed by the state board of regents.

(2) The program shall consist of incentive payments to recruit and retain nurse educators. The program shall provide for incentive payments of up to twenty thousand dollars for a nurse educator who remains teaching in a qualifying teaching position for a period of not less than four consecutive academic years.

(3) The nurse educator and the commission shall enter into an agreement specifying the obligations of the nurse educator and the commission. If the nurse educator leaves the qualifying teaching position prior to teaching for four consecutive academic years, the nurse educator shall be liable to repay the incentive payment amount to the state, plus interest as specified by rule. However, if the nurse educator leaves the qualifying teaching position involuntarily, the nurse educator shall be liable to repay only a pro rata amount of the incentive payment based on incompleted years of
(4) The commission, in consultation with the department of public health, shall adopt rules pursuant to chapter 17A relating to the establishment and administration of the nurse educator incentive payment program. The rules shall include provisions specifying what constitutes a qualifying teaching position.

b. NURSING FACULTY FELLOWSHIP PROGRAM.

(1) The commission shall establish a nursing faculty fellowship program to provide funds to nursing schools in the state, including but not limited to nursing schools located at community colleges, for fellowships for individuals employed in qualifying positions on the nursing faculty. The program shall be designed to assist nursing schools in filling vacancies in qualifying positions throughout the state.

(2) The commission, in consultation with the department of public health and in cooperation with nursing schools throughout the state, shall develop a distribution formula which shall provide that no more than thirty percent of the available moneys are awarded to a single nursing school. Additionally, the program shall limit funding for a qualifying position in a nursing school to no more than ten thousand dollars per year for up to three years. The commission shall consider all of the following:

(a) The length of time a qualifying position has gone unfilled at a nursing school.
(b) Documented recruiting efforts by a nursing school.
(c) The geographic location of a nursing school.
(d) The type of nursing program offered at the nursing school, including associate, bachelor's, master's, or doctoral degrees in nursing, and the need for the specific nursing program in the state.

6. SAFETY NET PROVIDER RECRUITMENT AND RETENTION INITIATIVES PROGRAM. The department of public health in accordance with efforts pursuant to sections 135.163 and 135.164 and in cooperation with the Iowa collaborative safety net provider network governing group as described in section 135.153, shall establish and administer a safety net provider recruitment and retention initiatives program to address the health care workforce shortage relative to safety net providers. The department of public health in cooperation with the governing group shall adopt rules pursuant to chapter 17A to implement and administer such program.

7. ANNUAL REPORT. The department of public health, in cooperation with the entities identified in this section as
having control over any of the accounts within the fund shall submit an annual report to the governor and the general assembly regarding the status of the health care workforce support initiative, including the balance remaining in and appropriations from the health care workforce shortage fund and the accounts within the fund.

Sec. 62. HEALTH CARE WORKFORCE INITIATIVES == FEDERAL FUNDING. The department of public health shall work with the department of workforce development and health care stakeholders to apply for federal moneys allocated in the federal American Recovery and Reinvestment Act of 2009 for health care workforce initiatives that are available through a competitive grant process administered by the health resources and services administration of the United States department of health and human services or the United States department of health and human services. Any federal moneys received shall be deposited in the health care workforce shortage fund created in section 261.128 of this Act and shall be used for the purposes specified in the federal American Recovery and Reinvestment Act of 2009.

Sec. 63. Sections 261.19 and 261.19B, Code 2009, are repealed.

Sec. 64. CODE EDITOR DIRECTIVE. The Code editor shall create a new division in chapter 261 codifying section 261.128, as enacted in this Act, as the health care workforce support initiative.

DIVISION VI
PHARMACEUTICAL-RELATED INITIATIVES
MEDICATION THERAPY MANAGEMENT

Sec. 65. MEDICATION THERAPY MANAGEMENT == FINDINGS, DIRECTIVE, REPORT.

1. The general assembly finds all of the following:
   a. The utilization and reimbursement of pharmaceutical case management services under the medical assistance program has resulted in the successful management of chronic disease states of medical assistance program recipients in a cost-effective manner.
   b. The utilization of pharmaceutical case management or medication therapy management is consistent with the concept of a medical home, as defined in section 135.157.
   c. The success and cost-effectiveness of medication therapy management in public programs such as the medical assistance and federal Medicare programs could also be realized through private health care coverage and should be a covered benefit under individual and group health insurance policies, contracts, and plans.

2. Based upon these findings, the general assembly directs all health insurers in the state subject to regulation by the commissioner of insurance to examine the feasibility and efficacy of including medication therapy management as a
covered benefit under individual and group health insurance policies, contracts, and plans.

a. If the health insurer determines the inclusion of medication therapy management as a covered benefit to be feasible and efficacious, the general assembly encourages the insurer to provide such coverage by January 1, 2010.

b. If the health insurer determines that inclusion of medication therapy management as a covered benefit is not feasible and efficacious, and does not provide coverage under the health insurer's policies, contracts, or plans by January 1, 2010, the health insurer shall submit, to the chairpersons of the committees on human resources of the senate and house of representatives by January 1, 2010, a written report detailing the health insurer's examination and analysis of the issue and any reasons and supporting data for not including medication therapy management as a covered benefit.

3. For the purposes of this section, "medication therapy management" means pharmaceutical case management services as provided under the medical assistance program in accordance with 441 IAC 78.47.

EVIDENCE-BASED PRESCRIPTION DRUG EDUCATION PROGRAM

Sec. 66. NEW SECTION. 155B.1 DEFINITIONS.

As used in this chapter, unless the context otherwise requires:

1. "Board" means the board of pharmacy.
2. "Department" means the department of public health.

Sec. 67. NEW SECTION. 155B.2 EVIDENCE-BASED PRESCRIPTION DRUG EDUCATION PROGRAM.

1. The board shall establish and administer an evidence-based prescription drug education program designed to provide health care professionals who are licensed to prescribe or dispense prescription drugs with information and education regarding the therapeutic and cost-effective utilization of prescription drugs.

2. a. In establishing and administering the program, the board shall request input and collaboration from physicians, pharmacists, private insurers, hospitals, pharmacy benefits managers, the medical assistance drug utilization review commission, medical and pharmacy schools, and other entities providing evidence-based education to health care professionals that are licensed to prescribe or dispense prescription drugs. To the greatest extent possible, the information regarding the therapeutic and cost-effective utilization of prescription drugs shall be gender, race, ethnicity, and age specific.

b. The board may contract with an Iowa-based college of pharmacy to provide technical and clinical support to the board in establishing and administering the program.

3. The department shall seek funding from nongovernmental
health foundations or other nonprofit charitable foundations to establish and administer the program. Implementation of the program is subject to receipt of such funding. The department shall establish and collect fees from private payors for participation in the program. Fees received from private payors shall be deposited in the general fund of the state and the amounts received shall be appropriated to the department for the purposes of administering the program.

GIFTS TO HEALTH CARE PRACTITIONERS

Sec. 68. NEW SECTION. 155C.1 PURPOSES.

The purposes of this chapter are to improve the public health and the quality of prescribing and medical decision making; promote consumer access to information relating to medical care and gifts; reduce the inappropriate influence of gifts and payments on provider medical decisions; limit annual increases in the cost of health care; and assist the state in determining the effect of gifts on the cost, utilization, and delivery of health care services.

Sec. 69. NEW SECTION. 155C.2 DEFINITIONS.

As used in this chapter, unless the context otherwise requires:

2. "Bona fide clinical trial" means any research project that prospectively assigns human subjects to intervention and comparison groups to study the cause and effect relationship between a medical intervention and a health outcome.
3. "Department" means the department of administrative services.
4. "Gift" means a payment, fee, food, entertainment, travel, honorarium, subscription, advance, service, subsidy, economic benefit, or anything of value provided, unless consideration of equal or greater value is received, and includes anything of value provided to a health care practitioner for less than market value. "Gift" does not include product samples or negotiated rebates or discounts.
5. "Health care practitioner" means a health care professional who is licensed to prescribe prescription drugs, biologics, or medical devices, or a partnership or corporation consisting of such health care professionals, or an officer, employee, agent, or contractor of such a health care professional acting in the course of employment, agency, or contract related to or supportive of the provision of health care by the health care professional.
6. "Manufacturer" means a person engaged in the manufacturing, preparing, propagating, compounding, processing, packaging, repackaging, distributing, or labeling of prescription drugs, biologics, or medical devices.
7. "Medical device" means device as defined in section
9. "Significant educational, scientific, or policy-making conference or seminar" means an educational, scientific, or policy-making conference or seminar that meets both of the following requirements:
   a. Is accredited by the accreditation council for continuing medical education or a comparable organization.
   b. Offers continuing medical education credit, features multiple presenters on scientific research, or is authorized by the sponsoring association to recommend or make policy.

10. "State health care program" means a program for which the state purchases prescription drugs, biologics, or medical devices, including but not limited to the medical assistance program, or a state employee, corrections, or retirement system program.

11. "Wholesaler" means wholesaler as defined in section 155A.3.

Sec. 70. NEW SECTION. 155C.3 GIFTS TO HEALTH CARE PRACTITIONERS PROHIBITED.

1. A manufacturer or wholesaler, or a manufacturer's or wholesaler's agent, who participates in a state health care program shall not offer or give any gift to a health care practitioner.

2. Notwithstanding subsection 1, the following gifts are not prohibited but shall be disclosed pursuant to section 155C.4:
   a. Payment to the sponsor of a significant educational, scientific, or policy-making conference or seminar if the payment is not made directly to a health care practitioner; the payment is used solely for bona fide educational purposes; and all conference or seminar activities are objective, free from industry influence, and do not promote specific products.
   b. Reasonable honoraria and payment of the reasonable expenses of a health care practitioner who serves on the faculty at a significant educational, scientific, or policy-making conference or seminar pursuant to an explicit contract with specific deliverables which are restricted to scientific issues, not marketing efforts, and the content of any presentation, including slides and written materials, are determined by the health care practitioners.
   c. Compensation for the substantial professional or consulting services of a health care practitioner in connection with a bona fide clinical trial pursuant to an explicit contract with specific deliverables which are restricted to scientific issues, not marketing efforts.

Sec. 71. NEW SECTION. 155C.4 DISCLOSURE OF EXEMPTED GIFTS.

1. a. Annually, on or before December 1, every manufacturer or wholesaler of prescription drugs, biologics,
or medical devices that participates in a state health care
program shall disclose to the department, the value, nature,
purpose, and recipient of any gift not prohibited in section
155C.3, which is provided by the manufacturer or wholesaler,
directly or through its agents, to any health care
practitioner or any other person in this state authorized to
prescribe, dispense, or purchase prescription drugs,
biologics, or medical devices in this state.
b. For each expenditure, the manufacturer or wholesaler
shall also identify the recipient and the recipient's address,
credentials, institutional affiliation, and state board or
1 drug enforcement agency numbers.
2 2. Each manufacturer or wholesaler subject to the
provisions of this section shall also disclose to the
department the name and address of the individual responsible
for the manufacturer's or wholesaler's compliance with this
section, or if this information has been previously reported,
any changes in the name or address of the individual
responsible for the manufacturer's or wholesaler's compliance
with this section.
3. The report shall be accompanied by payment of a fee, to
be established by rule of the department, to defray
administrative costs.
4. The department shall make all disclosed data publicly
available and easily searchable on its internet site.
Sec. 72. NEW SECTION. 155C.5 DEPARTMENTAL REPORTS.
The department shall provide an annual report to the
governor and the general assembly on or before January 15,
containing an analysis of the data submitted to the department
under section 155C.4. The report shall include all of the
following:
1. Information on gifts required to be disclosed under
section 155C.4, which shall be presented in aggregate form and
by selected types of health care practitioners or individual
health care practitioners, as prioritized each year by the
department and analyzed to determine whether prescribing
patterns by these health care practitioners reimbursed by the
state health care programs may reflect manufacturer's or
wholesaler's influence.
2. Information on violations and enforcement actions
brought pursuant to this chapter.
Sec. 73. NEW SECTION. 155C.6 PUBLIC RECORDS.
1. The information required to be submitted pursuant to
section 155C.4, and the data and reports compiled by the
department pursuant to section 155C.5, are public records.
2. Notwithstanding any other provision of law to the
contrary, the identity of health care practitioners and other
recipients of gifts, payments, and materials required to be
reported in this section do not constitute confidential
information or trade secrets.
Sec. 74. NEW SECTION. 155C.7 ENFORCEMENT == RULES.
1. The department may bring an action for injunctive relief, costs, and attorneys fees, and to impose a civil penalty of no more than ten thousand dollars per violation on a manufacturer or wholesaler that fails to comply with any provision of this chapter.

2. The department shall adopt rules as necessary to administer this chapter.

DATA MINING

Sec. 75. NEW SECTION. 155D.1 PURPOSES.

The purposes of this chapter are the following:

1. To safeguard the confidentiality of prescribing information, protect the integrity of the doctor-patient relationship, maintain the integrity and public trust in the medical profession, combat vexatious and harassing sales practices, restrain undue influence exerted by pharmaceutical industry marketing representatives over prescribing decisions, and further the state interest in improving the quality and lowering the cost of health care.

2. To ensure the confidentiality of data held by a state agency which could be used directly or indirectly to identify a patient or a health care professional licensed to prescribe drugs, biologics, or medical devices.

3. To ensure compliance with federal Medicaid law and regulations prohibiting the disclosure and use of Medicaid data except to administer the Medicaid program, and to ensure that data held by the department of human services or its agents that could directly or indirectly identify patients or health care professionals licensed to prescribe products be kept confidential.

4. To regulate the monitoring of prescribing practices solely for commercial marketing purposes by entities selling prescribed products, and not to regulate monitoring for other uses, such as quality control, research unrelated to marketing, or use by governments or other entities not in the business of selling health care products.

Sec. 76. NEW SECTION. 155D.2 DEFINITIONS.

As used in this chapter, unless the context otherwise requires:

10. "Regulated record" means information or documentation from a prescription written by a prescriber doing business in this state or a prescription dispensed in this state.

11. "State health care program" means a program for which the state purchases prescribed products, including but not limited to a state employee, corrections, or retirement system program, but does not include the medical assistance program.

Sec. 77. NEW SECTION. 155D.3 PRIVACY PROVISIONS.

1. a. A person, including a state health care program, shall not knowingly disclose or use regulated records that include individual identifying information for the marketing of a prescribed product.

b. The department of human services shall ensure that the department, its employees, and agents, comply with the limitations on redisclosure or use of medical assistance program prescription information as provided for under state and federal law and applicable federal regulations, and shall have policies and procedures to ensure compliance with such state and federal laws and federal regulations.

2. a. Regulated records containing individual identifying information may be disclosed, sold, transferred, exchanged, or used only for nonmarketing purposes including but not limited to:

(1) Activities related to filling a valid prescription,
including but not limited to the dispensing of a prescribed product to a patient or to the patient's authorized representative; the transmission of regulated record information between an authorized prescriber and a pharmacy; the transfer of regulated record information between pharmacies; the transfer of regulated records that may occur if pharmacy ownership is changed or transferred; and pharmacy reimbursement.

(2) Law enforcement purposes as otherwise authorized or required by statute or court order.

(3) Research including but not limited to bona fide clinical trials, postmarketing surveillance research, product safety studies, population-based public health research, and research regarding the effects of health care practitioner prescribing practices, and statistical reports if individual identifying information is not published, redisclosed, or used to identify or contact individuals.

(4) Product safety evaluations, product recalls and specific risk management plans, as identified or requested by the federal food and drug administration, or its successor agency.

(5) Pharmacy reimbursement, formulary compliance, case management related to the diagnosis, treatment, or management of illness for a specific patient, including but not limited to care management educational communications provided to a patient about the patient's health condition, adherence to a prescribed course of therapy, or other information about the product being dispensed, treatment options, or clinical trials.

(6) Utilization review by the state, by a health care provider, or by the patient's insurance provider for health care services, including but not limited to determining compliance with the terms of coverage or medical necessity.

(7) The collection and analysis of product utilization data for health care quality improvement purposes, including but not limited to development of evidence-based treatment guidelines or health care performance effectiveness and efficiency measures, promoting compliance with evidence-based treatment guidelines or health care performance measures, and providing prescribers with information that details their practices relative to their peers to encourage prescribing consistent with evidence-based practice.

(8) The collection and dissemination of product utilization data to promote transparency in evaluating performance related to the health care quality improvement measures.

(9) The transfer of product utilization data to and through secure electronic health record or personal health record systems.

(10) Use by any government agency or government agency sponsored program in carrying out its functions, or by any
private person acting on behalf of a federal, state, or local agency in carrying out its functions.

(11) Use in connection with any civil, criminal, administrative, or arbitral proceeding in any federal, state, or local court or agency or before any self-regulatory body, including but not limited to the service of process, investigation in anticipation of litigation, and the execution or enforcement of judgments and orders, or pursuant to an order of a federal, state, or local court.

b. An authorized recipient of regulated records containing individual identifying information may resell, reuse, or redisclose the information only as permitted under paragraph "a".

c. An authorized recipient of regulated records that resells, reuses, or rediscloses individual identifying information covered by this chapter shall maintain for a period of five years, records identifying each person or entity that receives the information and the permitted purpose for which the information will be used. The authorized recipient shall make such records available to any person upon request.

3. This section shall not be interpreted to prohibit conduct involving the collection, use, transfer, or sale of regulated records for marketing purposes if all of the following conditions apply:

a. The data is aggregated.

b. The data does not contain individually identifying information.

c. There is no reasonable basis to believe that the data can be used to obtain individually identifying information.

4. This section shall not prevent any person from disclosing individual identifying information to the identified individual if the information does not include protected information pertaining to any other person.

Sec. 78. NEW SECTION. 155D.4 CIVIL PENALTY == ENFORCEMENT == RULEMAKING.

1. Any person who knowingly fails to comply with the requirements of this chapter or rules adopted pursuant to this chapter by using or disclosing regulated records in a manner not authorized by this chapter or rules adopted pursuant to this chapter is subject to a civil penalty of not more than fifty thousand dollars per violation. Each disclosure of a regulated record constitutes a separate violation.

2. The attorney general shall enforce payment of penalties assessed under this section.

3. The board of pharmacy shall adopt rules to administer this chapter including the assessment of penalties under this section.

Sec. 79. NEW SECTION. 155D.5 CONSUMER FRAUD.

A violation of this chapter is an unfair or deceptive act in trade or commerce and an unfair method of competition under
HEALTH CARE TRANSPARENCY

Sec. 80. Section 135.11, Code 2009, is amended by adding the following new subsection:

NEW SUBSECTION. 32. Establish an office of health care reform to coordinate health care reform initiatives and activities related to the medical home system advisory council, the electronic health information advisory council and executive committee, the prevention and chronic care management advisory council, the direct care worker task force, the health and long-term care access technical advisory committee, the clinicians advisory panel, the long-term living initiatives of the department of elder affairs, medical assistance and hawk-i program expansions and initiatives, prevention and wellness initiatives including but not limited to those administered through the Iowa healthy communities initiative pursuant to section 135.27 and through the governor's council on physical fitness and nutrition, health care transparency activities, and other health care reform-related advisory bodies and activities to provide direction and promote collaborative efforts among health care providers involved in the initiatives and activities. The office shall also monitor other state and federal health care reform initiatives to promote further coordination and collaboration of health care reform initiatives and activities.

Sec. 81. Section 135.156, subsection 3, paragraph c, subparagraph (2), Code 2009, is amended to read as follows:

(2) Consult with the Iowa communications network, private fiberoptic networks, and any other communications entity to seek collaboration, avoid duplication, and leverage opportunities in developing a network backbone infrastructure. The public and private entities involved shall structure the public and private networks comprising the backbone infrastructure in a manner that allows for seamless interoperability between the networks.

Sec. 82. Section 135.165, Code 2009, is amended to read as follows:

135.165 HEALTH CARE TRANSPARENCY == REPORTING REQUIREMENTS

1. Each hospital and nursing facility in this state that is recognized by the Internal Revenue Code as a nonprofit organization or entity shall submit to the department of public health and the legislative services agency, annually, a copy of the hospital's internal revenue service form 990, including but not limited to schedule J or any successor schedule that provides compensation information for certain officers, directors, trustees, and key employees, information about the highest compensated employees, and information regarding revenues, expenses, excess or surplus.
revenues, and reserves within ninety days following the due date for filing the hospital's or nursing facility's return for the taxable year.

2. Each nursing facility in this state that is not recognized by the Internal Revenue Code as a nonprofit organization or entity shall submit to the department of public health and the legislative services agency, annually, the information required to be submitted by nonprofit nursing facilities pursuant to subsection 1. The department of public health, in cooperation with representatives of such nursing facilities, shall adopt rules regarding the format for submission of such information.

3. With regard to the collection of information to be submitted pursuant to subsection 1 as applicable to each public hospital in the state, the department of management shall forward to the department of public health and the legislative services agency, annually, the certified budget for each public hospital.

Sec. 83. NEW SECTION. 135.166 HEALTH CARE DATA COLLECTION FROM HOSPITALS.

1. The department of public health shall enter into a memorandum of understanding to utilize the Iowa hospital association to act as the department's intermediary in collecting, maintaining, and disseminating hospital inpatient, outpatient, and ambulatory information, as initially authorized in 1996 Iowa Acts, chapter 1212, section 5, subsection 1, paragraph "a", subparagraph (4) and 641 IAC 177.3.

2. The memorandum of understanding shall include but is not limited to provisions that address the duties of the department and the Iowa hospital association regarding the collection, reporting, disclosure, storage, and confidentiality of the data.

Sec. 84. HEALTH CARE QUALITY AND COST TRANSPARENCY WORKGROUP.

1. The community advisory council established by the Iowa healthcare collaborative referred to in section 135.40 shall convene a health care quality and cost transparency workgroup to develop recommendations for legislation and policies regarding health care quality and cost including measures to be utilized in providing transparency to consumers of health care and health care coverage.

2. The workgroup shall do all of the following:

a. Review the approaches of other states in addressing health care transparency information.

b. Develop and compile recommendations and strategies to lower health care costs and health care coverage costs for consumers and businesses.

c. Review and recommend health care quality and cost measures to be reported by health plans, hospitals, and physicians. Any measure recommended shall be evidence-based
and clinically important, reasonably feasible to implement, and easily understood by the health care consumer.

d. Develop a plan for the collection, analysis, and publishing of clinical data from physicians and health care providers other than hospitals.

e. Develop a plan to collect and publish as a database, consumer health care quality and cost information designed to make available to consumers transparent health care cost information, quality information including but not limited to hospital infection rates, medication and surgical errors, and such other information necessary to empower consumers, including uninsured consumers, to make economically sound and medically appropriate health care decisions.

3. The workgroup shall submit a written report of the workgroup's findings, recommendations, and plans, to the general assembly on or before December 15, 2009.

Sec. 85. MEMORANDUM OF UNDERSTANDING == IOWA HEALTHCARE COLLABORATIVE. The department of public health shall enter into a memorandum of understanding with the Iowa healthcare collaborative referred to in section 135.40. The memorandum of understanding shall include but is not limited to specification of the duties of the Iowa healthcare collaborative with respect to the utilization of funds appropriated by the state.
