LEGISLATIVE COUNSEL'S DIGEST

SB 16, as amended, Ducheny. Budget Act of 2008 2009: revisions.

~~This bill would express the intent of the Legislature to make statutory changes relating to the Budget Act of 2008.~~

The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. The Governor issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 19, 2008.

This bill would state that it addresses the fiscal emergency declared by the Governor by proclamation issued on December 19, 2008, pursuant to the California Constitution.

Evidence-based programs for adult offenders include, but are not limited to, risk and needs assessments, graduated sanctions for probation violators, substance abuse and mental health treatment, employment and training assistance, case management, intensive supervision for high-risk offenders coupled with treatment services, and program evaluation. A total of \$424,000 of the \$45,000,000 funded for this program shall be awarded to the Administrative Office of the Courts for the purpose of providing technical assistance to recipient counties in implementing these grants, including, but not limited to, developing, tracking, and reporting on outcome-based measurements to evaluate the program.

31 trict.
- 32 7. The funds appropriated to the Controller in this item
33 may not be expended for any performance review or

16. The Controller shall deliver yearend financial data as specified by the Department of Finance, for the fiscal year just ended, in hard copy and electronic format, by October 15 of each year and periodically as requested by the Department of Finance. This information is necessary for the Department of Finance to determine the proper beginning balance of the current fiscal year for budgetary purposes. To ensure timely completion of the yearend financial data, the Controller should enforce provisions in Section 12461.2 of the Government Code and emphasize in its regulation the deadline the yearend financial statements are due from the operating departments to the Controller.

36	2. Notwithstanding any other provision of law, if the	
37	Director of General Services determines in writing	
38	that there is insufficient cash in a special fund under	
39	his or her authority to make one or more payments	
40	currently due and payable, he or she may order the	

1 transfer of moneys to that special fund in the amount
2 necessary to make payment or payments, as a loan
3 from the Service Revolving Fund. That loan shall be

- 21 3. The Director of General Services may augment this
22 item or any of Items 1760-001-0002, 1760-001-0003,
23 1760-001-0026, and 1760-001-0602, by up to an ag-
24 gregate of 10 percent in cases where (a) the Legislature
25 has approved funds for a customer for the purchase of
26 services or equipment through the Department of
27 General Services (DGS) and the corresponding expen-
28 diture authority has not been provided in this item or
29 (b) a local government entity or the federal government
30 has requested services from the DGS. Any augmenta-
31 tion that is deemed to be necessary on a permanent
32 basis shall be submitted for review as part of the nor-
33 mal budget development process. If the Director of
34 General Services augments this item or Item 1760-
35 001-0002, 1760-001-0003, 1760-001-0026, or 1760-
36 001-0602, the DGS shall notify the Department of Fi-
37 nance within 30 days after that augmentation is made
38 as to the amount, justification, and the program aug-
39 mented. Any augmentation made in accordance with
40 this provision shall not result in an increase in any rate

charged to other departments for services or the purchase of goods without the prior written consent of the Department of Finance. The Director of General Services shall not use this provision to augment this item or Item 1760-001-0002, 1760-001-0003, 1760-001-0026, or 1760-001-0602 for costs that the Department of General Services had knowledge of in time to include in the May Revision.

4. If this item or Item 1760-001-0002, 1760-001-0003, 1760-001-0026, or 1760-001-0602 is augmented pursuant to Provision 3 by the maximum allowed under that provision, the Director of Finance may further augment the item or items in cases where (a) the Legislature has approved funds for a customer for the purchase of services or equipment through the Department of General Services (DGS) and the corresponding expenditure authority has not been provided in these items, or (b) a local government entity or the federal government has requested services from the DGS. Any augmentation that is deemed to be necessary on a permanent basis shall be submitted for review as part of the normal budget development process. The Director of Finance shall not use this provision to augment this item or Item 1760-001-0002, 1760-001-0003, 1760-001-0026, or 1760-001-0602 for costs of which the Departments of Finance or General Services had knowledge in time to include in the May Revision.

5. The Director of General Services may augment this item and Items 1760-001-0003 and 1760-001-0026 to increase authorized expenditures by the Office of State Publishing, the Office of Risk and Insurance Management, the Office of Fleet Administration, and the Office of Public Safety Radio Services. The augmentation shall be for the specific purpose of enabling the Office of State Publishing, the Office of Risk and Insurance Management, the Office of Fleet Administration, and the Office of Public Safety Radio Services to provide competitive services to their customers (including local government entities or the federal government) and may be made only if the office has sufficient operating

1 reserves available to fund the augmentation. If the
2 Director of General Services proposes to augment any
3 of the items in this provision, the director shall notify
4 the Department of Finance, the chairpersons of the
5 fiscal committees of each house of the Legislature,
6 and the Chairperson of the Joint Legislative Budget
7 Committee 30 days prior to making the augmentation,
8 including the amount, justification, and the office
9 augmented. Any augmentation that is deemed to be
10 necessary on a permanent basis shall be submitted for
11 review as part of the normal budget development
12 process.

13 6. Any augmentation made pursuant to Provisions 3 and
14 4 shall be reported in writing to the chairpersons of
15 the fiscal committees of each house of the Legislature
16 and the Chairperson of the Joint Legislative Budget
17 Committee within 30 days of the date the augmentation
18 is approved. This notification shall be provided in a
19 format consistent with normal budget change requests,
20 including identification of the amount of, and justifi-
21 cation for, the augmentation, and the program that has
22 been augmented. Copies of the notification shall be
23 provided to the Department of Finance.

24 7. Notwithstanding any other provision of law, the Direc-
25 tor of General Services or his or her designee, in lieu
26 of the Director of Finance, is authorized to approve
27 Budget Revision, Standard Form 26, subject to a copy
28 being provided to the Department of Finance.

29 8. Notwithstanding any other provision of law, due to
30 the inability to issue energy efficiency revenue bonds
31 pursuant to Chapter 2.7 (commencing with Section
32 15814.10) of Part 10b of Division 3 of Title 2 of the
33 Government Code, in order to repay the General Fund
34 for the cost of completing energy efficiency projects
35 on specified buildings, the Department of General
36 Services shall, within 10 fiscal years, recover an
37 amount sufficient to repay the costs associated with
38 completed energy efficiency projects plus 5-percent
39 interest, through utility rates charged to tenants. On
40 August 1 of each fiscal year beginning with the

2005–06 fiscal year, the Department of General Services shall transfer that amount to the General Fund. Once the General Fund has been fully repaid, the Department of General Services shall adjust utility rates for all tenants to accurately reflect the current rates.

9. The Director of Finance is authorized to increase this item for purposes of funding tenant improvement projects to facilitate the backfill of vacant space within stand-alone Department of General Services (DGS) bond-funded office buildings. This provision shall only be used to augment expenditure authority for DGS stand-alone individual rate office buildings where a \$.03 tenant improvement surcharge has been approved by the Department of Finance and is included in the monthly rental rate. Department of Finance approval is contingent upon justification for the proposed tenant improvement projects to be provided by the DGS including an analysis of cost impacts and how the tenant improvements will improve the state’s utilization of the facility. Any augmentation made in accordance with this provision shall not result in an increase in any rate charged to other departments for services without the prior written consent of the Department of Finance. Any augmentation made pursuant to this provision may be authorized not sooner than 30 days after notification in writing to the chairpersons of the fiscal committees of each house of the Legislature and the Chairperson of the Joint Legislative Budget Committee.

(13,693,000)

Provisions:

1. Notwithstanding any other provision of law, the Board of Administration of the Public Employees' Retirement System (PERS), in accordance with all applicable provisions of the California Constitution, shall submit to the Controller, the Department of Finance, the Joint Legislative Budget Committee, and the fiscal committees of the Legislature all of the following:
 - (a) No later than May 15, 2010, a copy of the proposed budget for PERS for the 2010–11 fiscal year as approved by the Board of Administration.

 - (c) Commencing October 1, 2009, all expenditures and performance workload data provided to the Board of Administration, as updated on a quarterly basis. This quarterly update information is to be submitted to the Joint Legislative Budget Committee and fiscal committees of the Legislature, and shall be in sufficient detail to be useful for legislative oversight purposes and to sustain a thorough ongoing review of Public Employees' Retirement System expenditures.
2. The Legislature finds and declares that the Public Employees' Retirement System (PERS) is accountable to members, governmental entities, and taxpayers with respect to the annual health premium increases that its

1 board of administration adopts. The Board of Admin-
2 istration is encouraged to use the means at its disposal
3 under law, consistent with requirements to provide
4 benefits to public employees and others, to achieve
5 low annual premium increases. To facilitate legislative
6 oversight, the Board of Administration shall submit
7 an annual report within 100 days of its adoption of

9 describes the methods it employed to moderate annual
10 increases in premiums when taking that action. In years

12 mium increases in excess of those assumed in the most
13 recent state retiree health program actuarial valuation,
14 the report shall include a discussion of actions that the
15 Board of Administration plans to take, if any, to at-
16 tempt to reduce the rate of annual premium growth to
17 levels below those assumed in this valuation for the
18 next three years. This reporting requirement applies
19 to the Board of Administration's action in 2009 to
20 adopt premium rates for 2010 and all Board of Admin-
21 istration actions to increase or decrease annual health
22 premiums adopted thereafter. This reporting require-
23 ment does not obligate the Board of Administration
24 to adopt any specific level of premium for any given
25 year or to change any action it otherwise determines
26 is necessary under state law. The Board of Administra-
27 tion may state in the report that it is unable to commit
28 to specific actions to reduce the rate of health premium
29 growth or does not know if future reductions in the
30 rate of health premium growth can be achieved. PERS
31 is requested to complete these reports with existing
32 budgetary and staffing resources. The report shall be
33 submitted to the Chairperson of the Joint Legislative

Provisions:

1. No funds appropriated in this item shall be encumbered
unless every rule or regulation adopted and every child
support services letter or similar instruction issued by
the Department of Child Support Services that adds
to the costs of the child support program is approved
by the Department of Finance as to the availability of

funds before it becomes effective. In making the determination as to availability of funds to meet the expenditures of a rule, regulation, or child support services letter that would increase the costs of the program, the Department of Finance shall consider the amount of the proposed increase on an annualized basis, the effect the change would have on the expenditure limitations for the program set forth in this act, the extent to which the rule, regulation, or child support services letter constitutes a deviation from the premises under which the expenditure limitations were prepared, and any additional factors relating to the fiscal integrity of the program or the state's fiscal situation.

Notwithstanding Section 28.00, the availability of funds contained in this item for child support program rules, regulations, or child support services letters that add to program costs funded from the General Fund in excess of \$500,000 on an annual basis, including those that are the result of federal regulations but excluding those that are (a) specifically required as a result of the enactment of a federal or state law, or (b) included in the appropriation made by this act, shall not be approved by the Department of Finance sooner than 30 days after notification in writing of the necessity therefor to the chairpersons of the committees in each house of the Legislature that consider appropriations and the Chairperson of the Joint Legislative Budget Committee, or such lesser time as the chairperson of the joint committee, or his or her designee, may in each instance determine. Funds appropriated in this item are for the child support program consisting of state and federal statutory law, regulations, and court decisions, if funds necessary to carry out those decisions are specifically appropriated in this act.

2. Notwithstanding any other provision of law, a loan not to exceed \$136,000,000 shall be made available from the General Fund, from funds not otherwise appropriated, to cover the federal share of costs of the program when the federal funds have not been received by this state prior to the usual time for transmitting

1 that federal share to the counties of this state or to
2 cover the federal share of child support collections for
3 which the federal funds have been reduced prior to the
4 collections being received from the counties. This loan
5 from the General Fund shall be repaid when the federal
6 share of costs for the program becomes available or
7 when the collections are received from the counties.

- 8 3. The Department of Finance may authorize the estab-
9 lishment of positions and transfer of amounts from
10 this item to Item 5175-001-0001 in order to allow the
11 state to perform the functions or oversee the functions
12 of the local child support agency in the event a county
13 fails to perform that function or is out of compliance
14 with state performance standards.

37 *security staff under the direction of the DCR and the*
38 *Office of the Receiver. This report shall (a) identify*
39 *the total budgeted resources available to DCR and*
40 *the Office of the Receiver for security staff overtime*

(including funding for correctional relief officers and overtime funding for medical guarding and transportation), (b) compare the total budgeted resources to actual overtime expenditures and describe how DCR and the Office of the Receiver accommodated any identified funding shortfall, (c) identify the estimated amount by which different factors (such as vacancy rates) drive overtime costs, (d) provide an estimate of the DCR's and the Office of the Receiver's actual need for overtime funding, and (e) include a plan for how DCR and the Office of the Receiver will control overtime expenditures in the future.

8. Notwithstanding any other provision of law, and no sooner than 30 days after notifying the Joint Legislative Budget Committee and the chairpersons of the fiscal committees in each house of the Legislature, the Department of Finance may reduce the amount appropriated in this item commensurate with savings identified by the Department of Corrections and Rehabilitation related to the implementation of reforms to the Division of Juvenile Justice during the 2009–10 fiscal year. Program reductions may be made to Programs 20, 21, 22, and 23. Reductions shall not be made below funding levels needed to maintain compliance with the Farrell Remedial Plans.

The first report shall be due February 1, 2010, and shall separately detail the activities of the first two quarters of the 2009–10 fiscal year. 2 Report of the Budget Act of 2009 shall be utilized
3 for the purposes specified, and any unspent funds
4 shall revert to the General Fund.
- 5 (b) In situations where fluctuations in population re-
6 sult in lower expenditure levels as identified in
7 the department's population budget change pro-
8 posals, these savings shall be captured in the
9 population funding estimates and may be used to
10 offset other population-related expenditure in-
11 creases.
- 12 (c) After providing a 30-day notification period to
13 the Joint Legislative Budget Committee, the de-
14 partment may expend funds identified in the Sup-

16 other identified needs.
- 17 10. The Department of Corrections and Rehabilitation
18 (DCR) shall continue its efforts in consultation with
19 legislative staff and the Department of Finance to
20 create a more accurate and transparent population
21 budget request for caseload-related funding. In partic-
22 ular, DCR shall identify appropriate funding formulas
23 to use to estimate staffing levels and funding associat-
24 ed with changes in the projected inmate, parolee, and
25 ward populations. These formulas shall be presented
26 to the Legislature no later than January 10, 2010, so
27 as to be considered during budget deliberations. If
28 approved, these formulas shall be incorporated into
29 DCR's budget request the following year.
- 30 11. The Budget Act of 2009 reflects a \$249,510,000 reduc-
31 tion in inmate and parolee programs designed to re-
32 duce recidivism. The Department of Corrections and
33 Rehabilitation shall implement these reductions con-
34 sistent with the following requirements: (a) the depart-
35 ment shall prioritize the preservation of programs for
36 which there is evidence-based on studies of the pro-
37 grams operated by the department or in the national
38 literature—that they are effective at reducing recidi-
39 vism, (b) the department shall seek to achieve savings
40 through more efficient operations in the delivery of

these programs, (c) the department shall seek to place inmates and parolees into programs for which they are best suited by prioritizing the placement of offenders who are assessed as higher risk to reoffend, demonstrate a significant need for the services provided for a particular program, and who have a sufficient amount of time left to serve in prison to reasonably complete the program or, at a minimum, make a reasonable amount of progress that it is possible to have an impact on their likelihood of recidivating, (d) the department shall seek to prioritize the elimination of vacant positions over laying off existing staff, (e) the department shall seek to use available resources to maximize the number of inmates and parolees who have access to and complete programs, and (f) the department shall seek to maximize the use of federal or other funds to maintain or enhance inmate and parolee programs. No later than August 15, 2009, the department shall report to the Joint Legislative Budget Committee a detailed plan as to how it will achieve \$249,510,000 in savings from inmate and parolee programs, as well as how that plan is consistent with the requirements of this provision. No later than April 15, 2010, the department shall report to the joint committee regarding its progress in achieving these savings.

17. It is the intent of the Legislature that to the greatest extent possible the University of California limit any reductions to student support services and that the university examine the possibility of increases to the student-faculty ratio and phase out support of excess course units.
18. On or before April 1, 2009, the Director of Finance and the Treasurer shall determine whether the provisions of Section 99030 of the Government Code have been met.

19. 28 for the prospective budget year. This report shall also
29 detail the specific funding adjustments provided for

7 *for this program utilize, to the extent possible,*
8 *data available as part of the accountability system*
9 *developed pursuant to Section 84754.5 of the*
10 *Education Code. By November 1, 2010; Septem-*
11 *ber 1, 2009, the chancellor shall submit a report*
12 *the first in a series of reports to the Governor and*
13 *Legislature on the annual accountability measures*

22 paragraph (2) of subdivision (m) of Section 76300
23 of the Education Code.
- 24 (b) Of the funds appropriated in Schedule (5), not
25 less than ~~\$4,642,000~~ *\$4,850,000* is available to
26 provide reimbursement of 2 percent of total
27 waiver value to community college districts for
28 the provision of BOG fee waiver awards pursuant
29 to paragraph (2) of subdivision (m) of Section
30 76300 of the Education Code.
- 31 (c) Funding provided to community college districts
32 in subdivisions (a) and (b) ~~of this provision~~ is
33 provided to directly offset any mandated costs

Any funds used from this source to produce radio, television, or mail campaigns must emphasize the availability of financial aid, the easiest and most reliable method of accessing the aid, a contact telephone number, an Internet Web site address, where applicable, and the physical location of a financial aid office. Any mail campaign must give priority to existing pupils, recent high school graduates, and 12th graders. The outreach and information campaign should target its efforts in high schools, welfare offices, unemployment offices, churches, community centers, and any other location that will most effectively reach low-income and disadvantaged students who must overcome barriers in accessing postsecondary education. The community college district awarded the contract shall consult with the Chancellor of the California Community Colleges and the Student Aid Commission prior to performing any activities to ensure appropriate coordination with any other state efforts in this area and ensure compliance with this provision.

- (2) Of the amount appropriated in Schedule (5), not more than \$34,200,000 shall be for direct contact with potential and current financial aid applicants. Each CCC campus shall receive a minimum allocation of \$50,000. The remainder of the funding shall be allocated to campuses based upon a formula reflecting

1 full-time equivalent students (FTES)

4 program participation within a district. It is
5 the intent of the Legislature, to the extent that
6 funds are provided in this item, that all cam-
7 puses provide additional staff resources to
8 increase both financial aid participation and
9 student access to low-income and disadvan-
10 tagged students who must overcome barriers
11 in accessing postsecondary education. Funds
12 may be used for screening current students
13 for possible financial aid eligibility and offer-
14 ing personal assistance to these students in
15 accessing financial aid, providing individual
16 help in multiple languages for families and
17 students in filling out the necessary paper-
18 work to apply for financial aid, and increas-

28 21 (*Tuition Fee Waivers*).

30 trict for financial aid personnel, outreach de-
31 termination of financial need, and delivery
32 of student financial aid services shall supple-
33 ment, and shall not supplant, the level of
34 funds allocated for the administration of stu-
35 dent financial aid programs during the
36 2001–02 fiscal year or 2006–07, whichever
37 is greater.

38 (5) It is the intent of the Legislature that the Of-
39 fice of the Chancellor of the California
40 Community Colleges provide the Legislature

with a report not later than April 1, 2010, on the use of the funds allocated pursuant to paragraphs (1) and (2) of this subdivision (d), including the distribution of the funds, specific uses of the funds, strategies employed to reach low-income and disadvantaged students potentially eligible for financial aid, and the extent to which districts were successful in increasing the number of students accessing financial aid, particularly the maximum Pell Grant award.

(6) It is the intent of the Legislature that the chancellor report by May 15, 2010, in the manner and using the factors set forth in paragraph (5) of subdivision (c) of Provision 11 of Item 6870-101-0001 of the Budget Act of 2007, on the impact of outreach efforts on student headcount and FTES enrollment for the 2006–07 and 2007–08 academic years.

12. (a) The funds appropriated in Schedule (6) for the Disabled Students Program are for assisting districts in funding the excess direct instructional cost of providing special support services or instruction, or both, to disabled students enrolled at community colleges, and for state hospital programs, as mandated by federal law.

(c) Of the amount appropriated in Schedule (6), at least ~~\$943,000~~ \$757,000 shall be used for support of the High Tech Centers for activities including, but not limited to, training of district employees, staff, and students in the use of specialized computer equipment for the disabled. All High Tech Centers shall meet standards developed by the Office of the Chancellor. Colleges that receive

- 1 these augmentations shall not supplant existing
2 resources provided to the centers.
- 3 (d) Notwithstanding any other provision of law, of
4 the funds appropriated in Schedule (6), ~~\$1,246,000~~
5 \$1,000,000 shall be for state hospital adult educa-
6 tion programs at the hospitals served by the Coast
7 and Kern Community College Districts since the
8 1986–87 fiscal year. If adult education services
9 at any of the three hospitals are not supported by
10 the community colleges in any portion of the
11 2009–10 fiscal year, remaining funds shall, upon
12 order of the Department of Finance, after 30 days’
13 notice to the Chairperson of the Joint Legislative
14 Budget Committee, be transferred to the State
15 Department of Developmental Services (DDS).
16 For any transfer of funds to DDS during the
17 2009–10 fiscal year, the Proposition 98 base
18 funding levels for community colleges and DDS
19 shall be adjusted accordingly.
- 20 (e) Of the funds appropriated in Schedule (6) for the
21 Disabled Student Services, no less than
22 ~~\$9,600,000~~ \$7,704,000 shall be allocated to sup-
23 port high-cost sign language interpreter services
24 and real-time captioning equipment or other
25 communication accommodations for hearing-im-
26 paired students based on a 4-to-1 state-to-local
27 district match.
- 28 13. The funds appropriated in Schedule (7), Special Ser-
29 vices for CalWORKs Recipients, are for the purpose
30 of assisting welfare recipient students and those in
31 transition off of welfare to achieve long-term self-
32 sufficiency through coordinated student services of-
33 fered at community colleges, including workstudy,
34 other educational related work experience, job place-
35 ment services, child care services, and coordination
36 with county welfare offices to determine eligibility
37 and availability of services. All services funded in
38 Schedule (7) shall be for current CalWORKs recipients
39 or prior CalWORKs recipients who are in transition
40 off of cash assistance for no more than two years.

Current cash-assistance recipients may utilize these services until their initial educational objectives are met. Former recipients in transition off of cash assistance may utilize these services for a period of up to two years after leaving cash assistance subject to the conditions of this provision. These funds shall be used to supplement and not supplant existing funds and services provided for CalWORKs recipients attending community colleges. The Chancellor of the California Community Colleges shall develop an equitable method for allocating funds to all districts and colleges based on the relative numbers of CalWORKs recipients in attendance and shall allocate funds for the following purposes:

- (a) Job placement.
- (b) Coordination with county welfare offices and other local agencies, including local workforce investment boards.
- (c) Curriculum development and redesign.
- (d) Child care and workstudy.
- (e) Instruction.

Of the amount appropriated in Schedule (7), ~~\$15,000,000~~ \$12,750,000 is for child care and does not require a district match. For the remaining funds, districts shall, as a condition of receipt of these funds, provide a \$1 match for every \$1 provided by the state.

Funds utilized for subsidized child care shall be for children of CalWORKs recipients through campus-based centers or parental choice vouchers at rates and with rules consistent with those applied to related programs operated by the State Department of Education in the 2009–10 fiscal year, including eligibility, reimbursement rates, and parental contribution

1 schedules. Subsidized campus child care for Cal-
2 WORKs recipients may be provided during the period
3 they are engaged in qualifying state and federal work
4 activities through attainment of their initial education
5 and training plan and for up to three months thereafter
6 or until the end of the academic year, whichever period
7 of time is greater.

8 Funds utilized for workstudy shall be used solely
9 for payments to employers that currently participate
10 in campus-based workstudy programs or are providing
11 work experiences that are directly related to and in
12 furtherance of student educational programs and work
13 participation requirements, provided that those pay-
14 ments may not exceed 75 percent of the wage for the
15 workstudy positions, and the employers shall pay at
16 least 25 percent of the wage for the workstudy posi-
17 tions. These funds may be expended only if the total
18 hours of education, employment, and workstudy for
19 the student are sufficient to meet both state and federal
20 minimum requirements for qualifying work-related
21 activities.

22 Funds may be used to provide credit or noncredit
23 classes for CalWORKs students if a district has com-
24 mitted all of its funded full-time equivalent students
25 (FTES) and is unable to offer the additional instruc-
26 tional services to meet the demand for CalWORKs
27 students. This determination shall be based on fall
28 enrollment information. Districts shall submit applica-
29 tions to the Office of the Chancellor by October 15 of
30 each year. If the chancellor approves the use of funds
31 for direct instructional workload, the Office of the
32 Chancellor shall submit a report to the Department of
33 Finance and the Joint Legislative Budget Committee
34 by November 15, 2009, that (a) identifies the enroll-
35 ment of new CalWORKs students, (b) states whether
36 and why additional classes were needed to accommo-
37 date the needs of CalWORKs students, and (c) sets
38 forth an expenditure plan for the balance of funds.

39 As a condition of receipt of the funds appropriated
40 in Schedule (7), by the fourth week following the end

of the semester or quarter term commencing in January 2010, each participating community college shall submit to the Office of the Chancellor a report, in the format specified by the chancellor in consultation with the State Department of Social Services, that includes, but is not limited to, the funded components, the number of hours of child care provided, the average monthly enrollment of CalWORKs dependents served in child care, the number of workstudy hours provided, the hourly salaries and type of jobs, the number of students being case managed, the short-term programs available, the student participation rates, and other outcome data. It is intended that, to the extent ~~practical~~ *practicable*, reporting from colleges utilize data gathered for federal reporting requirements at the state and local level. Further, it is intended that the Office of the Chancellor compile the information for annual reports to the Legislature, the Governor, the Legislative Analyst, the Department of Finance, and the State Department of Social Services by November 15 of each year.

First priority for expenditures of any funds appropriated in Schedule (7) shall be in support of current CalWORKs recipients. However, if caseloads are insufficient to fully utilize all of the funding in this schedule in a cost-beneficial way, it is intended that up to \$5,000,000 of the funds subject to local matching requirements may be allocated for providing postemployment services to former CalWORKs recipients who have been off of cash assistance for no longer than two years to assist them in upgrading skills, job retention, and advancement. Allowable services include direct instruction that cannot be funded under available growth funding, child care to support attendance in these classes consistent with this provision, job development and placement services, and career counseling and assessment activities which cannot be funded through other programs. Child care services may only be provided for periods commensurate with

1 a student's need for postemployment training within
2 the two-year transitional period.

3 Prior to allocation of funds for postemployment
4 services, the chancellor shall first secure the approval
5 of the Department of Finance for the allocations,
6 complete a cumulative report on the outcomes, activi-
7 ties, and cost-effectiveness of the program no later
8 than November 15, 2009, in compliance with the
9 Budget Acts of 1998 (Ch. 324, Stats. 1998) and 1999
10 (Ch. 50, Stats. 1999) and this act, and shall provide
11 the rationale and justification for the proposed alloca-
12 tion of postemployment services to districts for transi-
13 tional students.

14 If a district is unable to fully expend its share of
15 child care funds, it may request that the Office of the
16 Chancellor approve a reallocation to other CalWORKs
17 purposes authorized by this provision, subject to all
18 pertinent limitations and district match required for
19 these purposes under this provision.

20 Of the funds appropriated in Schedule (7) for the
21 Special Services for CalWORKs Recipients Program,
22 no less than ~~\$8,000,000~~ \$6,800,000 is to provide direct
23 workstudy wage reimbursement for students served
24 under this program, and ~~\$1,000,000~~ \$850,000 is
25 available for campus job development and placement
26 services.

- 27 14. Funds appropriated in Schedule (7) for the Special
28 Services for CalWORKs Recipients Program have
29 been budgeted to meet the state's Temporary Assis-
30 tance for Needy Families maintenance-of-effort require-
31 ment pursuant to the federal Personal Responsibility
32 and Work Opportunity Reconciliation Act of 1996
33 (P.L. 104-193) and may not be expended in any way
34 that would cause their disqualification as a federally
35 allowable maintenance-of-effort expenditure.

37 Care Education Program shall be allocated to
38 provide foster and relative/kinship care education

- 1529.2 of the Health and Safety Code and Section 16003 of the Welfare and Institutions Code receive priority. Districts may use any remaining funds for additional parenting skills training.
- (b) Funds provided in Schedule (8) shall be used for foster parent and relative/kinship care provider education training services consistent with the following criteria:
- (1) The Chancellor of the California Community Colleges shall use these funds exclusively for foster parent and relative/kinship care provider education and training, as specified by the chancellor in consultation with an advisory committee that includes foster parents, representatives of statewide foster parent organizations, parent and relative/kinship care providers, and representatives from the State Department of Social Services.
 - (2) Acceptance of funds under this program shall constitute agreement by the district to comply with such reporting requirements, guidelines, and other conditions for receipt of funding as the chancellor may establish.
 - (3) Each college plan for foster and relative/kinship care education programs shall include the provision of training to facilitate the development of foster family homes, small family homes, and relative/kinship homes to care for no more than six children who have special mental, emotional, developmental, or physical needs.

3 community college districts on a one-to-one
4 matching funds basis to provide matriculation
5 services, including, but not limited to, orientation,
6 assessment, and counseling, for students enrolled
7 in designated noncredit classes and programs who

9 lor of the California Community Colleges pur-
10 suant to Sections 78216 to 78218, inclusive, of
11 the Education Code.
- 12 17. The funds in Schedule (13) for the Part-time Faculty
13 Compensation Program shall be allocated solely to
14 increase compensation for part-time faculty from the
15 amounts previously authorized. Funds shall be distribut-
16 ed to districts based on the total actual full-time
17 equivalent students served in the previous fiscal year
18 and include a small district factor as determined by
19 the Chancellor of the California Community Colleges.
20 These funds are to be used to assist districts in making
21 part-time faculty salaries more comparable to full-time
22 salaries for similar work, as determined through each
23 district's local collective bargaining process. These
24 funds shall not supplant the amount of resources each
25 district used to compensate part-time faculty or be
26 used to exceed parity of each part-time faculty em-
27 ployed by each district with regular full-time faculty
28 at the same district, as certified by the chancellor. If
29 a district achieves parity, its allocation may be used
30 for any other educational purpose.
- 31 18. (a) ~~\$24,197,000~~ *\$19,637,380* of the funds provided
32 in Schedule (15) for the Telecommunications and
33 Technology Services Program shall be for the
34 purpose of supporting technical and application
35 innovations and for coordination of activities that

In addition, a portion of the funds provided in this subdivision shall be available for allocations to districts. It is the intent of the Legislature that these funds be used by colleges to maintain the technology capabilities specified in subdivision (a) of Provision 21 of Item 6870-101-0001 of the Budget Act of 2003 (Ch. 157, Stats. 2003). These funds shall not supplant existing funds used for those purposes, and colleges shall match maintenance and ongoing costs with other funds as provided by Provision 21(a) of Item 6870-101-0001 of the Budget Act of 2003 (Ch. 157, Stats. 2003).

The report and audit also shall be submitted to the Legislative Analyst, the Department of Finance, and the appropriate budget subcommittees. It is the intent of the Legislature that all reporting requirements contained in this subdivision shall be completed using funds provided to the grantee.

Such a transfer may be made to fund unanticipated expenses to be incurred for the ~~2008-09~~ *2009-10* fiscal year under an existing program that is funded by that item of appropriation, but only in a case of actual necessity as determined by the Director of Finance. For purposes of this item, an “existing program” is one that is authorized by law.

9 board, commission, or other state entity for a transfer
10 under this item. The submission to the Legislature of
11 a copy of such a request does not constitute approval
12 of the request by the Director of Finance. Within 15
13 days of receipt, the director shall also provide copies
14 to these chairpersons of all other requests received by
