SECTION 1. Section 9 of chapter 15A of the General Laws, as most recently amended by section 52 of chapter 26 of the Acts of 2003, is hereby further amended by adding the following paragraph:—

Notwithstanding any general or special law to the contrary, for the purpose of determining eligibility for in-state tuition rates and fees at public institutions of higher education, except the University of Massachusetts Medical School, any individual, other than a non-immigrant alien within the meaning of paragraph 15 of subsection (a) of Section 1101 of Title 8 of the United States Code, who has attended high school in the commonwealth for 3 or more years and has achieved graduation from a high school in the commonwealth or attained the equivalent thereof, shall be eligible for in-state tuition rates and fees at the University of Massachusetts, or any state or community college.
