It is the intent of this General Assembly that the following provisions apply:

a.) In order to meet the requirements for projects on the Interstate System, the Office of Planning and Budget is hereby authorized and directed to give advanced budgetary authorization for letting and execution of Interstate Highway Contracts not to exceed the amount of Motor Fuel Tax Revenues actually paid into the Fiscal Division of the Department of Administrative Services.

b.) Programs financed by Motor Fuel Tax Funds may be adjusted for additional appropriation or balances brought forward from previous years with prior approval by the Office of Planning and Budget.

c.) Interstate rehabilitation funds may be used for four-laning and passing lanes. Funds appropriated for system resurfacing, four-laning and passing lanes may be used to match additional Federal aid.

d.) The Fiscal Officers of the State are hereby directed as of July 1st of each fiscal year to determine the collection of Motor Fuel Tax in the immediately preceding year less refunds, rebates and collection costs and enter this amount as being the appropriation payable in lieu of the Motor Fuel Tax Funds appropriated in this Bill, in the event such collections, less refunds, rebates and collection costs, exceed such Motor Fuel Tax Appropriation.

e.) Functions financed with General Fund appropriations shall be accounted for separately and shall be in addition to appropriations of Motor Fuel Tax revenues required under Article III, Section IX, Paragraph VI, Subsection (b) of the State Constitution.

f.) Bus rental income may be retained to operate, maintain and upgrade department-owned buses, and air transportation service income may be retained to maintain and upgrade the quality of air transportation equipment.

g.) No State Funds or proceeds of General Obligation Debt shall be utilized for the acquisition, construction, development, extension, enlargement, rehabilitation or improvement of any commuter rail passenger facilities unless otherwise specifically appropriated thereby herein.

**4754 Section 51: Refunds**

In addition to all other appropriations, there is hereby appropriated as needed, a specific sum of money equal to each refund authorized by law, which is required to make refund of taxes and other monies collected in error, farmer gasoline tax refund and any other refunds specifically authorized by law.

**4755 Section 52: Leases**

In accordance with the requirements of Article IX, Section VI, Paragraph Ia of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year, under existing lease contracts between any department, agency, or institution of the State, and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State fiscal year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, there shall be taken from other funds appropriated to the department, agency or institution involved, an amount sufficient to satisfy such deficiency in full and the lease payment constitutes a first charge on all such appropriations.

**4756 Section 53: Flex**

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation, Intra-State Government Transfers. This paragraph does not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

**4757 Section 54: Budgetary Control and Interpretation**

The appropriations of State Funds in this Act consist of the amount stated, for each line at the lowest level of detail, associated with the statement of Program Name and Program Purpose. The appropriations of Federal Funds and of Other Funds in this Act consist of the amount stated at the highest or summary level of detail associated with the statement of Program Name and Program Purpose, and the lower levels of detail are for information only. In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds and Federal Funds, including in Other Funds without limitation all Intra-State Government Transfers. Regardless of placement on the page, both the highest or summary level of detail and the lower detail of appropriations of Intra-State Government Transfers will be deemed lower levels of detail of Other Funds, and the highest or summary amount will be deemed added to the highest or summary amount of the appropriation of Other Funds for the program.

Program Names appear as underlined captions, and Program Purpose appears immediately below as italicized text. Text within a box is not an appropriation and is for information only. The lowest level of detail for authorizations for general obligation debt in Section 50 are the authorizing paragraphs.

**4758 Section 55: Effective Date**

This Act shall become effective upon its approval by the Governor or upon its becoming law without his approval.

**4759 Section 56: Repeal Conflicting Laws**

All laws and parts of laws in conflict with this act are repealed.
