It is enacted by the General Assembly as follows:

21-28.6-3. Definitions. -- For the purposes of this chapter:

(1) "Cardholder" means a qualifying patient, a primary caregiver, or a principal officer, board member, employee, volunteer, or agent of a compassion center who has been issued and possesses a valid registry identification card.

(2) "Compassion center" means a not-for-profit entity corporation subject to the provisions of chapter 7-6, and registered under § 21-28.6-12 that acquires, possesses, cultivates, manufactures, delivers, transfers, transports, supplies or dispenses marijuana, and/or related supplies and educational materials, to registered qualifying patients and/or their registered primary caregivers who have designated it as one of their primary caregivers.

(3) "Debilitating medical condition" means:

(i) Cancer, glaucoma, positive status for human immunodeficiency virus, acquired immune deficiency syndrome, Hepatitis C, or the treatment of these conditions;

(ii) A chronic or debilitating disease or medical condition or its treatment that produces one or more of the following: cachexia or wasting syndrome; severe, debilitating, chronic pain; severe nausea; seizures, including but not limited to, those characteristic of epilepsy; or severe
and persistent muscle spasms, including but not limited to, those characteristic of multiple sclerosis or Crohn's disease; or agitation of Alzheimer's Disease; or

(iii) Any other medical condition or its treatment approved by the department, as provided for in § 21-28.6-5.

(4) "Department" means the Rhode Island department of health or its successor agency.

(5) "Marijuana" has the meaning given that term in § 21-28-1.02(26).

(6) "Mature marijuana plant" means a marijuana plant which has flowers or buds that are readily observable by an unaided visual examination.

(7) "Medical use" means the acquisition, possession, cultivation, manufacture, use, delivery, transfer, or transportation of marijuana or paraphernalia relating to the consumption of marijuana to alleviate a registered qualifying patient's debilitating medical condition or symptoms associated with the medical condition.

(8) "Practitioner" means a person who is licensed with authority to prescribe drugs pursuant to chapter 37 of title 5 or a physician licensed with authority to prescribe drugs in Massachusetts or Connecticut.

(9) "Primary caregiver" means either a natural person who is at least twenty-one (21) years old or a compassion center. Unless the primary caregiver is a compassion center, a natural person primary caregiver may assist no more than five (5) qualifying patients with their medical use of marijuana.

(10) "Qualifying patient" means a person who has been diagnosed by a practitioner as having a debilitating medical condition and is a resident of Rhode Island.

(11) "Registry identification card" means a document issued by the department that identifies a person as a registered qualifying patient, a registered primary caregiver, or a registered principal officer, board member, employee, volunteer, or agent of a compassion center.

(12) "Unusable marijuana" means marijuana seeds, stalks, seedlings, and unusable roots. "Seedling" means a marijuana plant with no observable flowers or buds.

(13) "Usable marijuana" means the dried leaves and flowers of the marijuana plant, and any mixture or preparation thereof, but does not include the seeds, stalks, and roots of the plant.

(14) "Written certification" means the qualifying patient's medical records, and a statement signed by a practitioner, stating that in the practitioner's professional opinion the potential benefits of the medical use of marijuana would likely outweigh the health risks for the qualifying patient. A written certification shall be made only in the course of a bona fide practitioner-patient relationship after the practitioner has completed a full assessment of the qualifying patient's medical history. The written certification shall specify the qualifying patient's
debilitating medical condition or conditions.

21-28.6-4. Protections for the medical use of marijuana. – (a) A qualifying patient who has in his or her possession a registry identification card shall not be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or bureau, for the medical use of marijuana; provided, that the qualifying patient possesses an amount of marijuana that does not exceed twelve (12) mature marijuana plants and two and one-half (2.5) ounces of usable marijuana. Said plants shall be stored in an indoor facility.

(b) A registered qualifying patient, who has in his or her possession a registry identification card, shall not be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or bureau, for selling, giving, or distributing marijuana of the type and in an amount not to exceed that set forth in subsection (a) above, that he or she has cultivated or manufactured pursuant to this chapter, to a registered compassion center.

(c) No school, employer or landlord may refuse to enroll, employ or lease to or otherwise penalize a person solely for his or her status as a cardholder.

(d) A primary caregiver, who has in his or her possession, a registry identification card shall not be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or bureau, for assisting a qualifying patient to whom he or she is connected through the department's registration process with the medical use of marijuana; provided, that the primary caregiver possesses an amount of marijuana which does not exceed twelve (12) mature marijuana plants and two and one-half (2.5) ounces of usable marijuana for each qualifying patient to whom he or she is connected through the department's registration process.

(e) Registered primary caregivers and registered qualifying patients shall be allowed to possess a reasonable amount of unusable marijuana, including up to twelve (12) seedlings, which shall not be counted toward the limits in this section.

(f) There shall exist a presumption that a qualifying patient or primary caregiver is engaged in the medical use of marijuana if the qualifying patient or primary caregiver:

(1) Is in possession of a registry identification card; and

(2) Is in possession of an amount of marijuana that does not exceed the amount permitted under this chapter. Such presumption may be rebutted by evidence that conduct related to
marijuana was not for the purpose of alleviating the qualifying patient's debilitating medical condition or symptoms associated with the medical condition.

(g) A primary caregiver may receive reimbursement for costs associated with assisting a registered qualifying patient's medical use of marijuana. Compensation shall not constitute sale of controlled substances.

(h) A natural person registered as a primary caregiver who has in his or her possession a registry identification card shall not be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or bureau, for selling, giving, or distributing marijuana, of the type and in an amount not to exceed that set forth in subsection (d) above, to a registered compassion center if:

(1) The registered natural person primary caregiver cultivated the marijuana pursuant to this chapter, not to exceed the limits of paragraph (d) above; and

(2) Each qualified patient the caregiver is connected with through the department’s registration process has been provided an adequate amount of the marijuana to meet his or her medical needs, not to exceed the limits of subsection (a) above.

(i) A practitioner shall not be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by the Rhode Island Board of Medical Licensure and Discipline or by any another business or occupational or professional licensing board or bureau solely for providing written certifications or for otherwise stating that, in the practitioner's professional opinion, the potential benefits of the medical marijuana would likely outweigh the health risks for a patient.

(j) Any interest in or right to property that is possessed, owned, or used in connection with the medical use of marijuana, or acts incidental to such use, shall not be forfeited.

(k) No person shall be subject to arrest or prosecution for constructive possession, conspiracy, aiding and abetting, being an accessory, or any other offense for simply being in the presence or vicinity of the medical use of marijuana as permitted under this chapter or for assisting a registered qualifying patient with using or administering marijuana.

(l) A practitioner nurse or pharmacist shall not be subject to arrest, prosecution or penalty in any manner, or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a business or occupational or professional licensing board or bureau solely for discussing the benefits or health risks of medical marijuana or its interaction with other substances with a patient.

(m) A registry identification card, or its equivalent, issued under the laws of another
state, U.S. territory, or the District of Columbia to permit the medical use of marijuana by a patient with a debilitating medical condition, or to permit a person to assist with the medical use of marijuana by a patient with a debilitating medical condition, shall have the same force and effect as a registry identification card issued by the department.

Notwithstanding the provisions of subsection 21-28.6-3(6) or subsection 21-28.6-4(c), no primary caregiver other than a compassion center shall possess an amount of marijuana in excess of twenty-four (24) marijuana plants and five (5) ounces of usable marijuana for qualifying patients to whom he or she is connected through the department's registration process.

A registered qualifying patient or registered primary caregiver may give marijuana to another registered qualifying patient or registered primary caregiver to whom they are not connected by the department's registration process, provided that no consideration is paid for the marijuana, and that the recipient does not exceed the limits specified in § 21-28.6-4.

For the purposes of medical care, including organ transplants, a registered qualifying patient's authorized use of marijuana shall be considered the equivalent of the authorized use of any other medication used at the direction of a physician, and shall not constitute the use of an illicit substance.

21-28.6-5. Department to issue regulations. -- (a) Not later than ninety (90) days after the effective date of this chapter, the department shall promulgate regulations governing the manner in which it shall consider petitions from the public to add debilitating medical conditions to those included in this chapter. In considering such petitions, the department shall include public notice of, and an opportunity to comment in a public hearing, upon such petitions. The department shall, after hearing, approve or deny such petitions within one hundred eighty (180) days of submission. The approval or denial of such a petition shall be considered a final department action, subject to judicial review. Jurisdiction and venue for judicial review are vested in the superior court. The denial of a petition shall not disqualify qualifying patients with that condition, if they have a debilitating medical condition as defined in subdivision 21-28.6-3(3). The denial of a petition shall not prevent a person with the denied condition from raising an affirmative defense.

(b) Not later than ninety (90) days after the effective date of this chapter, the department shall promulgate regulations governing the manner in which it shall consider applications for and renewals of registry identification cards for qualifying patients and primary caregivers. The department's regulations shall establish application and renewal fees that generate revenues sufficient to offset all expenses of implementing and administering this chapter. The department
may vary the application and renewal fees along a sliding scale that accounts for a qualifying patient's or caregiver's income. The department may accept donations from private sources in order to reduce the application and renewal fees.

21-28.6-6. Administration of regulations. -- (a) The department shall issue registry identification cards to qualifying patients who submit the following, in accordance with the department's regulations:

1. Written certification as defined in § 21-28.6-3(14) of this chapter;
2. Application or renewal fee;
3. Name, address, and date of birth of the qualifying patient; provided, however, that if the patient is homeless, no address is required;
4. Name, address, and telephone number of the qualifying patient's practitioner; and
5. Name, address, and date of birth of each primary caregiver of the qualifying patient, if any.

(b) The department shall not issue a registry identification card to a qualifying patient under the age of eighteen (18) unless:
1. The qualifying patient's practitioner has explained the potential risks and benefits of the medical use of marijuana to the qualifying patient and to a parent, guardian or person having legal custody of the qualifying patient; and
2. A parent, guardian or person having legal custody consents in writing to:
   i. Allow the qualifying patient's medical use of marijuana;
   ii. Serve as one of the qualifying patient's primary caregivers; and
   iii. Control the acquisition of the marijuana, the dosage, and the frequency of the medical use of marijuana by the qualifying patient.

(c) The department shall verify the information contained in an application or renewal submitted pursuant to this section, and shall approve or deny an application or renewal within fifteen (15) days of receiving it. The department may deny an application or renewal only if the applicant did not provide the information required pursuant to this section, or if the department determines that the information provided was falsified. Rejection of an application or renewal is considered a final department action, subject to judicial review. Jurisdiction and venue for judicial review are vested in the superior court.

(d) The department shall issue a registry identification card to each primary caregiver, if any, who is named in a qualifying patient's approved application, up to a maximum of two (2) primary caregivers per qualifying patient. A person may not serve as a primary caregiver if he or she has a felony drug conviction, unless the department waives this restriction in respect to a
specific individual at the department's discretion. Additionally, the department shall allow the
person to serve as a primary caregiver if the department determines that the offense was for
conduct that occurred prior to the enactment of the Edward O. Hawkins and Thomas C. Slater
Medical Marijuana Act or that was prosecuted by an authority other than the state of Rhode
Island and for which the Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act
would otherwise have prevented a conviction.

(e) The department shall issue registry identification cards within five (5) days of
approving an application or renewal, which shall expire two (2) years after the date of issuance.
Registry identification cards shall contain:

(1) The date of issuance and expiration date of the registry identification card;
(2) A random registry identification number; and
(3) A photograph; and
(4) Any additional information as required by regulation or the department.

(f) Persons issued registry identification cards shall be subject to the following:

(1) A qualifying patient who has been issued a registry identification card shall notify the
department of any change in the qualifying patient's name, address, or primary caregiver; or if the
qualifying patient ceases to have his or her debilitating medical condition, within ten (10) days of
such change.

(2) A registered qualifying patient who fails to notify the department of any of these
changes is responsible for a civil infraction, punishable by a fine of no more than one hundred
fifty dollars ($150). If the person has ceased to suffer from a debilitating medical condition, the
card shall be deemed null and void and the person shall be liable for any other penalties that may
apply to the person's nonmedical use of marijuana.

(3) A registered primary caregiver, principal officer, board member, employee, volunteer,
or agent of a compassion center shall notify the department of any change in his or her name or
address within ten (10) days of such change. A primary caregiver, principal officer, board
member, employee, volunteer, or agent of a compassion center who fails to notify the department
of any of these changes is responsible for a civil infraction, punishable by a fine of no more than
one hundred fifty dollars ($150).

(4) When a qualifying patient or primary caregiver notifies the department of any
changes listed in this subsection, the department shall issue the registered qualifying patient and
each primary caregiver a new registry identification card within ten (10) days of receiving the
updated information and a ten dollar ($10.00) fee. When a principal officer, board member,
employee, volunteer, or agent of a compassion center notifies the department of any changes
listed in this subsection, the department shall issue the cardholder a new registry identification card within ten (10) days of receiving the updated information and a ten dollar ($10.00) fee.

(5) When a qualifying patient who possesses a registry identification card changes his or her primary caregiver, the department shall notify the primary caregiver within ten (10) days. The primary caregiver's protections as provided in this chapter as to that patient shall expire ten (10) days after notification by the department.

(6) If a cardholder loses his or her registry identification card, he or she shall notify the department and submit a ten dollar ($10.00) fee within ten (10) days of losing the card. Within five (5) days, the department shall issue a new registry identification card with new random identification number.

(7) If a cardholder willfully violates any provision of this chapter as determined by the department, his or her registry identification card may be revoked.

(g) Possession of, or application for, a registry identification card shall not constitute probable cause or reasonable suspicion, nor shall it be used to support the search of the person or property of the person possessing or applying for the registry identification card, or otherwise subject the person or property of the person to inspection by any governmental agency.

(h) (1) Applications and supporting information submitted by qualifying patients, including information regarding their primary caregivers and practitioners, are confidential and protected under the federal Health Insurance Portability and Accountability Act of 1996, and shall be exempt from the provisions of the RIGL chapter 38-2 et seq. the Rhode Island access to public records act and not subject to disclosure, except to authorized employees of the department as necessary to perform official duties of the department.

(2) The application for qualifying patient’s registry identification card shall include a question asking whether the patient would like the department to notify him or her of any clinical studies about marijuana's risk or efficacy. The department shall inform those patients who answer in the affirmative of any such studies it is notified of, that will be conducted in Rhode Island. The department may also notify those patients of medical studies conducted outside of Rhode Island.

(3) The department shall maintain a confidential list of the persons to whom the department has issued registry identification cards. Individual names and other identifying information on the list shall be confidential, exempt from the provisions of Rhode Island Access to Public Information, chapter 2 of title 38, and not subject to disclosure, except to authorized employees of the department as necessary to perform official duties of the department.

(i) The department shall verify to law enforcement personnel whether a registry identification card is valid solely by confirming the random registry identification number.
(j) It shall be a crime, punishable by up to one hundred eighty (180) days in jail and a one thousand dollar ($1,000) fine, for any person, including an employee or official of the department or another state agency or local government, to breach the confidentiality of information obtained pursuant to this chapter. Notwithstanding this provision, the department employees may notify law enforcement about falsified or fraudulent information submitted to the department.

(k) On or before January 1 of each odd numbered year, the department shall report to the House Committee on Health, Education and Welfare and to the Senate Committee on Health and Human Services on the use of marijuana for symptom relief. The report shall provide:

1. The number of applications for registry identification cards, the number of qualifying patients and primary caregivers approved, the nature of the debilitating medical conditions of the qualifying patients, the number of registry identification cards revoked, and the number of practitioners providing written certification for qualifying patients;
2. An evaluation of the costs permitting the use of marijuana for symptom relief, including any costs to law enforcement agencies and costs of any litigation;
3. Statistics regarding the number of marijuana-related prosecutions against registered patients and caregivers, and an analysis of the facts underlying those prosecutions;
4. Statistics regarding the number of prosecutions against physicians for violations of this chapter; and
5. Whether the United States Food and Drug Administration has altered its position regarding the use of marijuana for medical purposes or has approved alternative delivery systems for marijuana.

(6) The application for qualifying patients' registry identification card shall include a question asking whether the patient would like the department to notify him or her of any clinical studies about marijuana's risk or efficacy. The department shall inform those patients who answer in the affirmative of any such studies it is notified of, that will be conducted in Rhode Island. The department may also notify those patients of medical studies conducted outside of Rhode Island.

21-28.6-10. Severability. -- Any section of this act being held invalid as to any person or circumstances shall not affect the application of any other section of this act that can be given full effect without the invalid section or application. If any provision of this chapter or its application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this chapter, which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

21-28.6-12. Compassion centers. -- (a) A compassion center registered under this section may acquire, possess, cultivate, manufacture, deliver, transfer, transport, supply, or
dispense marijuana, or related supplies and educational materials, to registered qualifying patients and their registered primary caregivers who have designated it as one of their primary caregivers. A compassion center is a primary caregiver. Except as specifically provided to the contrary, all provisions of the Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act, sections 21-28.6-1 -- 21-28.6-11, apply to a compassion center unless they conflict with a provision contained in section 21-28.6-12.

(b) Registration of compassion centers--department authority:

(1) Not later than ninety (90) days after the effective date of this act, the department shall promulgate regulations governing the manner in which it shall consider applications for registration certificates for compassion centers, including regulations governing:

(i) The form and content of registration and renewal applications;
(ii) The maximum amount of marijuana, in whatever form, a compassion center may possess;
(iii) Minimum oversight requirements for compassion centers;
(iv) Minimum record-keeping requirements for compassion centers;
(v) Minimum security requirements for compassion centers; and
(vi) Procedures for suspending, revoking or terminating the registration of compassion centers that violate the provisions of this section or the regulations promulgated pursuant to this subsection.

(2) Within ninety (90) days of the effective date of this chapter, the department shall begin accepting applications for the operation of a single compassion center.

(3) Within one hundred fifty (150) days of the effective date of this chapter, the department shall provide for at least one public hearing on the granting of an application to a single compassion center.

(4) Within one hundred ninety (190) days of the effective date of this chapter, the department shall grant a single registration certificate to a single compassion center, providing at least one applicant has applied who meets the requirements of this act.

(5) If at any time after fifteen (15) months after the effective date of this chapter, there is no operational compassion center in Rhode Island, the department shall accept applications, provide for input from the public, and issue a registration certificate for a compassion center if a qualified applicant exists.

(6) Within two (2) years of the effective date of this chapter, the department shall begin accepting applications to provide registration certificates for two (2) additional compassion centers. The department shall solicit input from the public, and issue registration certificates if
qualified applicants exist.

(7) Any time a compassion center registration certificate is revoked, is relinquished, or expires, the department shall accept applications for a new compassion center.

(8) If at any time after three (3) years after the effective date of this chapter, fewer than three (3) compassion centers are holding valid registration certificates in Rhode Island, the department shall accept applications for a new compassion center. No more than three (3) compassion centers may hold valid registration certificates at one time.

(9) Any compassion center application granted and approved by the department prior to January 1, 2012, shall remain in full force and effect, notwithstanding any provisions of this chapter to the contrary, but shall be subject to state law adopted herein and rules and regulations adopted by the department subsequent to passage of this legislation.

(10) All compassion center applications granted and approved by the department on or after January 1, 2012 must be located beyond the distance of the property line of a preexisting public or private school as identified in 21 U.S.C. 860, notwithstanding any provisions of this chapter to the contrary.

(c) Compassion center and agent applications and registration:

(1) Each application for a compassion center shall include:

(i) A non-refundable application fee paid to the department in the amount of two hundred fifty dollars ($250);

(ii) The proposed legal name and proposed articles of incorporation of the compassion center;

(iii) The proposed physical address of the compassion center, if a precise address has been determined, or, if not, the general location where it would be located. This may include a second location for the cultivation of medical marijuana;

(iv) A description of the enclosed, locked facility that would be used in the cultivation of marijuana;

(v) The name, address, and date of birth of each principal officer and board member of the compassion center;

(vi) Proposed security and safety measures which shall include at least one security alarm system for each location, planned measures to deter and prevent the unauthorized entrance into areas containing marijuana and the theft of marijuana, as well as a draft employee instruction manual including security policies, safety and security procedures, personal safety and crime prevention techniques; and

(vii) Proposed procedures to ensure accurate record keeping;
(2) Any time one or more compassion center registration applications are being considered, the department shall also allow for comment by the public and shall solicit input from registered qualifying patients, registered primary caregivers; and the towns or cities where the applicants would be located;

(3) Each time a compassion center certificate is granted, the decision shall be based upon the overall health needs of qualified patients and the safety of the public, including, but not limited to, the following factors:

(i) Convenience to patients from throughout the state of Rhode Island to the compassion centers if the applicant were approved;

(ii) The applicants' ability to provide a steady supply to the registered qualifying patients in the state;

(iii) The applicants' experience running a non-profit or business;

(iv) The wishes interests of qualifying patients regarding which applicant be granted a registration certificate;

(v) The wishes interests of the city or town where the dispensary would be located;

(vi) The sufficiency of the applicant's plans for record keeping and security, which records shall be considered confidential health care information under Rhode Island law and are intended to be deemed protected health care information for purposes of the Federal Health Insurance Portability and Accountability Act of 1996, as amended; and

(vii) The sufficiency of the applicant's plans for safety and security, including proposed location, security devices employed, and staffing;

(4) After a compassion center is approved, but before it begins operations, it shall submit the following to the department:

(i) A fee paid to the department in the amount of five thousand dollars ($5,000);

(ii) The legal name and articles of incorporation of the compassion center;

(iii) The physical address of the compassion center; this may include a second address for the secure cultivation of marijuana;

(iv) The name, address, and date of birth, and criminal background check if ordered by the department, of each principal officer and board member of the compassion center;

(v) The name, address, and date of birth, and criminal background check if ordered by the department, of any person who will be an agent of, employee or volunteer of the compassion center at its inception;

(5) The department shall track the number of registered qualifying patients who designate each compassion center as a primary caregiver, and issue a written statement to the
compassion center of the number of qualifying patients who have designated the compassion
center to serve as a primary caregiver for them. This statement shall be updated each time a new
registered qualifying patient designates the compassion center or ceases to designate the
compassion center and may be transmitted electronically if the department's regulations so
provide. The department may provide by regulation that the updated written statements will not
be issued more frequently than twice each week;

(6) Except as provided in subdivision (7), the department shall issue each principal
officer, board member, agent, volunteer and employee of a compassion center a registry
identification card or renewal card within ten (10) days of receipt of the person's name, address,
date of birth, and criminal background check if ordered by the department, and a fee in an amount
established by the department. Each card shall specify that the cardholder is a principal officer,
board member, agent, volunteer, or employee of a compassion center and shall contain the
following:

(i) The name, address, and date of birth of the principal officer, board member, agent,
volunteer or employee;

(ii) The legal name of the compassion center to which the principal officer, board
member, agent, volunteer or employee is affiliated;

(iii) A random identification number that is unique to the cardholder;

(iv) The date of issuance and expiration date of the registry identification card; and

(v) A photograph, if the department decides to require one;

(7) Except as provided in this subsection, the department shall not issue a registry
identification card to any principal officer, board member, agent, volunteer, or employee of a
compassion center who has been convicted of a felony drug offense. The department may
conduct a background check of each principal officer, board member, agent, volunteer, or
employee in order to carry out this provision. The department shall notify the compassion center
in writing of the purpose for denying the registry identification card. The department may grant
such person a registry identification card if the department determines that the offense was for
conduct that occurred prior to the enactment of the Edward O. Hawkins and Thomas C. Slater
Medical Marijuana Act or that was prosecuted by an authority other than the state of Rhode
Island and for which the Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act
would otherwise have prevented a conviction;

(8) A registry identification card of a principal officer, board member, agent, volunteer,
or employee shall expire one year after its issuance, or upon the expiration of the registered
organization's registration certificate, or upon the termination of the principal officer, board
member, agent, volunteer or employee’s relationship with the compassion center, whichever occurs first.

(d) Expiration or termination of compassion center:

(1) A compassion center's registration shall expire two (2) years after its registration certificate is issued. The compassion center may submit a renewal application beginning sixty (60) days prior to the expiration of its registration certificate;

(2) The department shall grant a compassion center's renewal application within thirty (30) days of its submission if the following conditions are all satisfied:

(i) The compassion center submits the materials required under subdivision (c)(4), including a five thousand dollar ($5,000) fee;

(ii) The department has never suspended the compassion center's registration for violations of this chapter or regulations issued pursuant to this chapter;

(iii) The legislative oversight committee's report, issued pursuant to subsection (j), indicates that the compassion center is adequately providing patients with access to medical marijuana at reasonable rates; and

(iv) The legislative oversight committee's report, issued pursuant to subsection (j), does not raise serious concerns about the continued operation of the compassion center applying for renewal.

(3) If the department determines that any of the conditions listed in paragraphs (d)(2)(i) - (iv) exist, the department shall begin an open application process for the operation of a compassion center. In granting a new registration certificate, the department shall consider factors listed in subdivision (c)(3) of this section:

(4) The department shall issue a compassion center one or more thirty (30) day temporary registration certificates after that compassion center's registration would otherwise expire if the following conditions are all satisfied:

(i) The compassion center previously applied for a renewal, but the department had not yet come to a decision;

(ii) The compassion center requested a temporary registration certificate; and

(iii) The compassion center has not had its registration certificate revoked due to violations of this chapter or regulations issued pursuant to this chapter.

(5) A compassion center’s registry identification card shall be subject to revocation if the compassion center:

(i) Possesses an amount of marijuana, in whatever form, exceeding limits established by
the department;

(ii) Is in violation of the laws of this state;

(iii) Is in violation of other departmental regulations; or

(iv) Employs or enters into a business relationship with a medical practitioner who provides written certification of a qualifying patient’s medical condition.

(e) Inspection. - Compassion centers are subject to reasonable inspection by the department of health, division of facilities regulation. The department shall give reasonable notice of an inspection under this subsection. During an inspection, the department may review the compassion center’s confidential records, including its dispensing records, which shall track transactions according to qualifying patients' registry identification numbers to protect their confidentiality.

(f) Compassion center requirements:

(1) A compassion center shall be operated on a not-for-profit basis for the mutual benefit of its patients. A compassion center need not be recognized as a tax-exempt organization by the Internal Revenue Services;

(2) A compassion center may not be located within five hundred feet (500') of the property line of a preexisting public or private school;

(3) A compassion center shall notify the department within ten (10) days of when a principal officer, board member, agent, volunteer or employee ceases to work at the compassion center. His or her card shall be deemed null and void and the person shall be liable for any penalties that may apply to the person's any nonmedical possession or use of marijuana by the person;

(4) A compassion center shall notify the department in writing of the name, address, and date of birth of any new principal officer, board member, agent, volunteer or employee and shall submit a fee in an amount established by the department for a new registry identification card before a new agent or employee begins working at that person begins his or her relationship with the compassion center;

(5) A compassion center shall implement appropriate security measures to deter and prevent the unauthorized entrance into areas containing marijuana and the theft of marijuana and shall insure that each location has an operational security alarm system.

(6) The operating documents of a compassion center shall include procedures for the oversight of the compassion center and procedures to ensure accurate record keeping;

(7) A compassion center is prohibited from acquiring, possessing, cultivating, manufacturing, delivering, transferring, transporting, supplying, or dispensing marijuana for any
purpose except to assist registered qualifying patients with the medical use of marijuana directly or through the qualifying patient's other primary caregiver;

(8) All principal officers and board members of a compassion center must be residents of the state of Rhode Island;

(9) Each time a new registered qualifying patient visits a compassion center, it shall provide the patient with a frequently asked questions sheet designed by the department, which explains the limitations on the right to use medical marijuana under state law;

(10) Each compassion center shall develop, implement, and maintain on the premises employee, volunteer and agent policies and procedures to address the following requirements:

(i) A job description or employment contract developed for all employees and agents and a volunteer agreement for all volunteers, which includes duties, authority, responsibilities, qualification qualifications, and supervision; and

(ii) Training in and adherence to state confidentiality laws.

(11) Each compassion center shall maintain a personnel record for each employee, agent and each volunteer that includes an application for employment or to volunteer and a record of any disciplinary action taken;

(12) Each compassion center shall develop, implement, and maintain on the premises an on-site training curriculum, or enter into contractual relationships with outside resources capable of meeting employee training needs, which includes, but is not limited to, the following topics:

(i) Professional conduct, ethics, and patient confidentiality; and

(ii) Informational developments in the field of medical use of marijuana.

(13) Each compassion center entity shall provide each employee, agent and each volunteer, at the time of his or her initial appointment, training in the following:

(i) The proper use of security measures and controls that have been adopted; and

(ii) Specific procedural instructions on how to respond to an emergency, including robbery or violent accident;

(14) All compassion centers shall prepare training documentation for each employee and have employees sign a statement indicating the date, time, and place the employee received said training and topics discussed, to include name and title of presenters. The compassion center shall maintain documentation of an employee's and a volunteer's training for a period of at least six (6) months after termination of an employee's employment or the volunteer's volunteering.

(g) Maximum amount of usable marijuana to be dispensed:

(1) A compassion center or principal officer, board member, agent, volunteer or employee of a compassion center may not dispense more than two and one half ounces (2.5 oz) of
usable marijuana to a qualifying patient directly or through a qualifying patient's other primary
caregiver during a fifteen (15) day period;

(2) A compassion center or principal officer, board member, agent, volunteer or
employee of a compassion center may not dispense an amount of usable marijuana or marijuana
plants to a qualifying patient or a qualifying patient's other primary caregiver that the compassion
center, principal officer, board member, agent, volunteer, or employee knows would cause the
recipient to possess more marijuana than is permitted under the Edward O. Hawkins and Thomas
C. Slater Medical Marijuana Act.

(h) Immunity:

(1) No registered compassion center shall be subject to prosecution; search, except by
the department pursuant to subsection (e); seizure; or penalty in any manner or denied any right
or privilege, including, but not limited to, civil penalty or disciplinary action by a business,
occupational, or professional licensing board or entity, solely for acting in accordance with this
section to assist registered qualifying patients to whom it is connected through the department's
registration process with the medical use of marijuana;

(2) No registered compassion center shall be subject to prosecution; search or penalty in
any manner or denied any right or privilege, including, but not limited to, civil penalty or
disciplinary action by a business, occupational, or professional licensing board or entity, for
selling, giving or distributing marijuana in whatever form and within the limits established by the
department to another registered marijuana;

(3) No principal officers, board members, agents, volunteers, or employees of a
registered compassion center shall be subject to arrest, prosecution, search, seizure, or penalty in
any manner or denied any right or privilege, including, but not limited to, civil penalty or
disciplinary action by a business, occupational, or professional licensing board or entity, solely
for working for or with a compassion center to engage in acts permitted by this section.

(i) Prohibitions:

(1) A compassion center may not possess an amount of marijuana that exceeds the total
of the allowable amount of marijuana in whatever form, as established by the department through
regulation, for the registered qualifying patients for whom the compassion center is a registered
primary caregiver;

(2) A compassion center may not dispense, deliver, or otherwise transfer marijuana to a
person other than a qualifying patient who has designated the compassion center as a primary
caregiver or to such patient's other primary caregiver;

(3) A person found to have violated paragraph (2) of this subsection may not be an
employee, agent, volunteer, principal officer, or board member of any compassion center; and such person’s registry identification card shall be immediately revoked;

(4) An employee, agent, volunteer, principal officer or board member of any compassion center found in violation of paragraph (2) above shall have his or her registry identification revoked immediately; and

(4)/(5) No person who has been convicted of a felony drug offense may be the principal officer, board member, agent, volunteer, or employee of a compassion center unless the department has determined that the person’s conviction was for the medical use of marijuana or assisting with the medical use of marijuana and issued the person a registry identification card as provided under subdivision (c)(2) in accordance with the terms and conditions of this chapter. A person who is employed by or is an agent, volunteer, principal officer, or board member of a compassion center in violation of this section is guilty of a civil violation punishable by a fine of up to one thousand dollars ($1,000). A subsequent violation of this section is a gross misdemeanor:

(j) Legislative oversight committee:

(1) The general assembly shall appoint a nine (9) member oversight committee comprised of: one member of the house of representatives; one member of the senate; one physician to be selected from a list provided by the Rhode Island medical society; one nurse to be selected from a list provided by the Rhode Island state nurses association; two (2) registered qualifying patients; one registered primary caregiver; one patient advocate to be selected from a list provided by the Rhode Island patient advocacy coalition; and one representative of the law enforcement community.

(2) The oversight committee shall meet at least six (6) times per year for the purpose of evaluating and making recommendations to the general assembly regarding:

(i) Patients’ access to medical marijuana;
(ii) Efficacy of compassion center;
(iii) Physician participation in the Medical Marijuana Program;
(iv) The definition of qualifying medical condition;
(v) Research studies regarding health effects of medical marijuana for patients.

(3) On or before January 1 of every even numbered year, the oversight committee shall report to the general assembly on its findings.

SECTION 2. Chapter 21-28.6 of the General Laws entitled “The Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act” is hereby amended by adding thereto the following section:
21-28.6-13. Construction. -- This chapter shall be liberally construed so as to effectuate the purposes thereof.

SECTION 3. This act shall take effect upon passage.
EXPLANATION
BY THE LEGISLATIVE COUNCIL
OF
A N   A C T
RELATING TO FOOD AND DRUGS - THE EDWARD O. HAWKINS AND THOMAS C. SLATER MEDICAL MARIJUANA ACT

***

This act would fine-tune certain provisions of the chapter on medical marijuana such as a clarification that a registered qualifying patient, registered primary caregiver or a registered compassion center will not be subject to arrest or prosecution or denied rights (including disciplinary action by a licensing board) for selling, giving or distributing marijuana of the type and amount permitted by law, the conditions under which a compassion center’s registry identification card can be revoked, and a requirement that all compassion centers approved after January 1, 2012 be located a certain distance from schools.

This act would take effect upon passage.
