STATEMENT

This bill makes a supplemental appropriation of $10,000,000 from the General Fund to the Department of Transportation to fund the State’s contribution towards the improvement, including but not limited to the resolution of any flooding issues around the Marsellus Street Bridge, located at the origin of Saddle River Avenue in the city of Garfield. This legislation is intended to provide relief to residents of Bergen County who are subject to flooding and associated issues due to debris that becomes trapped at the Marsellus Street Bridge, which is owned by Bergen County. The county may identify and execute the most appropriate solution to address the flooding issues near the bridge.
