20 (b) The information required in subsection (a) shall be
21 provided to the customer in written form by the pet shop
22 operator and shall have an acknowledgement of disclosures form,
23 which must be signed by the customer and the pet shop operator
24 at the time of sale. The acknowledgement of disclosures form
25 shall include the following:

26 (1) A blank space for the dated signature and printed

1 name of the pet shop operator, which shall be immediately
2 beneath the following statement: "I hereby attest that all
3 of the above information is true and correct to the best of
4 my knowledge."

5 (2) A blank space for the customer to sign and print
6 his or her name and the date, which shall be immediately
7 beneath the following statement: "I hereby attest that this
8 disclosure was posted on or near the cage of the dog or cat
9 for sale and that I have read all of the disclosures. I
10 further understand that I am entitled to keep a signed copy
11 of this disclosure."

12 (c) A copy of the disclosures and the signed
13 acknowledgement of disclosures form shall be provided to the
14 customer at the time of sale and the original copy shall be
15 maintained by the pet shop operator for a period of 2 years
16 from the date of sale. A copy of the pet store operator's
17 policy regarding warranties, refunds, or returns shall be
18 provided to the customer.

19 (d) A pet shop operator shall post in a conspicuous place
20 in writing on or near the cage of any dog or cat available for
21 sale the information required by subsection (a) of this Section
22 3.15.

23 (e) If there is an outbreak of distemper, parvovirus, or
24 any other contagious and potentially life-threatening disease,
25 the pet shop operator shall notify the Department immediately
26 upon becoming aware of the disease. If the Department issues a

1 quarantine, the pet shop operator shall notify, in writing and
2 within 2 business days of the quarantine, each customer who
3 purchased a dog or cat during the 2-week period prior to the
4 outbreak and quarantine.

5 (f) A customer who purchased a dog or cat from a pet shop
6 is entitled to a remedy under this Section if:

7 (1) within 21 days after the date of sale, a licensed
8 veterinarian states in writing that at the time of sale (A)
9 the dog or cat was unfit for purchase due to illness or
10 disease, the presence of symptoms of a contagious or
11 infectious disease, or obvious signs of severe parasitism
12 that are extreme enough to influence the general health of
13 the animal, excluding fleas or ticks, or (B) the dog or cat
14 has died from a disease that existed in the dog or cat on
15 or before the date of delivery to the customer; or

16 (2) within one year after the date of sale, a licensed
17 veterinarian states in writing that the dog or cat
18 possesses a congenital or hereditary condition that
19 adversely affects the health of the dog or cat or requires
20 either hospitalization or a non-elective surgical
21 procedure or has died of a congenital or hereditary
22 condition. Internal or external parasites may not be
23 considered to adversely affect the health of the dog unless
24 the presence of the parasites makes the dog or cat
25 clinically ill. The veterinarian's statement shall
26 include:

(A) the customer's name and address;

(B) a statement that the veterinarian examined the
dog or cat;

(C) the date or dates that the dog or cat was
examined;

(D) the breed and age of the dog or cat, if known;

(E) a statement that the dog or cat has or had a disease, illness, or congenital or hereditary condition that is subject to remedy; and

(F) the findings of the examination or necropsy,
including any lab results or copies of the results.

(g) A customer entitled to a remedy under subsection (f) of
this Section may:

```
(1) return the dog or cat to the pet shop for a full  
refund of the purchase price;
```

(2) exchange the dog or cat for another dog or cat of comparable value chosen by the customer;

(3) retain the dog or cat and be reimbursed for
reasonable veterinary fees for diagnosis and treatment of
the dog or cat, not to exceed the purchase price of the dog
or cat; or

(4) if the dog or cat is deceased, be reimbursed for the full purchase price of the dog or cat plus reasonable veterinary fees associated with the diagnosis and treatment of the dog or cat, not to exceed 2 times the purchase price of the dog or cat.

1 For the purposes of this subsection (g), veterinary fees
2 shall be considered reasonable if (i) the services provided are
3 appropriate for the diagnosis and treatment of the disease,
4 illness, or congenital or hereditary condition and (ii) the
5 cost of the services is comparable to that charged for similar
6 services by other licensed veterinarians located in close
7 proximity to the treating veterinarian.

8 (h) Unless the pet shop contests a reimbursement required
9 under subsection (g) of this Section, the reimbursement shall
10 be made to the customer no later than 10 business days after
11 the pet shop operator receives the veterinarian's statement
12 under subsection (f) of this Section.

13 (i) To obtain a remedy under this Section, a customer
14 shall:

15 (1) notify the pet shop as soon as reasonably possible
16 and not to exceed 3 business days after a diagnosis by a
17 licensed veterinarian of a disease, illness, or congenital
18 or hereditary condition of the dog or cat for which the
19 customer is seeking a remedy;

20 (2) provide to the pet shop a written statement
21 provided for under subsection (f) of this Section by a
22 licensed veterinarian within 5 business days after a
23 diagnosis by the veterinarian;

24 (3) upon request of the pet shop, take the dog or cat
25 for an examination by a second licensed veterinarian; the
26 customer may either choose the second licensed

1 veterinarian or allow the pet shop to choose the second
2 veterinarian, if the pet shop agrees to do so. The party
3 choosing the second veterinarian shall assume the cost of
4 the resulting examination; and

5 (4) if the customer requests a reimbursement of
6 veterinary fees, provide to the pet shop an itemized bill
7 for the disease, illness, or congenital or hereditary
8 condition of the dog or cat for which the customer is
9 seeking a remedy.

10 (j) A customer is not entitled to a remedy under this
11 Section if:

12 (1) the illness or death resulted from: (A)
13 maltreatment or neglect by the customer; (B) an injury
14 sustained after the delivery of the dog or cat to the
15 customer; or (C) an illness or disease contracted after the
16 delivery of the dog or cat to the customer;

17 (2) the customer does not carry out the recommended
18 treatment prescribed by the veterinarian who made the
19 diagnosis; or

20 (3) the customer does not return to the pet shop all
21 documents provided to register the dog or cat, unless the
22 documents have already been sent to the registry
23 organization.

24 (k) A pet shop may contest a remedy under this Section by
25 having the dog or cat examined by a second licensed
26 veterinarian pursuant to paragraph (3) of subsection (i) of

1 this Section if the dog or cat is still living. If the dog or
2 cat is deceased, the pet shop may choose to have the second
3 veterinarian review any records provided by the veterinarian
4 who examined or treated the dog or cat for the customer before
5 its death.

6 If the customer and the pet shop have not reached an
7 agreement within 10 business days after the examination of the
8 medical records and the dog or cat, if alive, or the dog's or
9 cat's medical records, if deceased, by the second veterinarian,
10 then:

11 (1) the customer may bring suit in a court of competent
12 jurisdiction to resolve the dispute; or

13 (2) if the customer and the pet shop agree in writing,
14 the parties may submit the dispute to binding arbitration.

15 If the court or arbiter finds that either party acted in
16 bad faith in seeking or denying the requested remedy, then the
17 offending party may be required to pay reasonable attorney's
18 fees and court costs of the adverse party.

19 (l) This Section shall not apply to any adoption of dogs or
20 cats, including those in which a pet shop or other organization
21 rents or donates space to facilitate the adoption.

22 (m) If a pet shop offers its own warranty on a pet, a
23 customer may choose to waive the remedies provided under
24 subsection (f) of this Section in favor of choosing the
25 warranty provided by the pet shop. If a customer waives the
26 rights provided by subsection (f), the only remedies available

1 to the customer are those provided by the pet shop's warranty.
2 For the statement to be an effective waiver of the customer's
3 right to refund or exchange the animal under subsection (f),
4 the pet shop must provide, in writing, a statement of the
5 remedy under subsection (f) that the customer is waiving as
6 well as a written copy of the pet shop's warranty. For the
7 statement to be an effective waiver of the customer's right to
8 refund or exchange the animal under subsection (f), it shall be
9 substantially similar to the following language:

10 "I have agreed to accept the warranty provided by the
11 pet shop in lieu of the remedies under subsection (f) of
12 Section 3.15 of the Animal Welfare Act. I have received a
13 copy of the pet shop's warranty and a statement of the
14 remedies provided under subsection (f) of Section 3.15 of
15 the Animal Welfare Act. This is a waiver pursuant to
16 subsection (m) of Section 3.15 of the Animal Welfare Act
17 whereby I, the customer, relinquish any and all right to
18 return the animal for congenital and hereditary disorders
19 provided by subsection (f) of Section 3.15 of the Animal
20 Welfare Act. I agree that my exclusive remedy is the
21 warranty provided by the pet shop at the time of sale.".
