Introduced by M. of A. DINOWITZ, BOYLAND -- read once and referred to the Committee on Aging

AN ACT to amend the public health law, in relation to requiring the commissioner of health to create a list of long-term care contact information for the NY Connects: Choices for Long Term Care program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The public health law is amended by adding a new section  
2 2997-e to read as follows:  
3 § 2997-e. Provision of contact information relating to long term care.  
4 1. The commissioner shall, in conjunction with the state office for the  
5 aging, create a list of information by means of which to contact the NY  
6 Connects: Choices for Long Term Care program established pursuant to  
7 subdivision eight of section two hundred three of the elder law, local  
8 area agencies on aging, local departments of social services, and local  
9 departments of health to be organized by county, provided that in a city  
10 with a population of one million or more, such contact information for  
11 local agencies may be the government information and non-emergency  
12 services citizen service center in such city. This list shall be updated  
13 periodically as needed. The commissioner shall provide such list to  
14 health care practitioners certified or licensed under this chapter and,  
15 in conjunction with the commissioner of education, to all health care  
16 providers and health care practitioners licensed under the education  
17 law.  
18 2. Whenever a health care provider or practitioner makes a recommenda-  
19 tion regarding the necessity of long term care services or a referral  
20 for the receipt of long term care services to a patient, the patient or  
21 patient's designated representative shall be provided by the health care  
22 provider or practitioner the contact information from the list created  
23 pursuant to subdivision one of this section that corresponds to the
