A BILL FOR AN ACT ENTITLED: "AN ACT GENERALLY AFFIRMING AN INDIVIDUAL'S CONSTITUTIONAL
GUARANTEES; CREATING THE HIGHER EDUCATION RIGHTS RESTORATION ACT; PROHIBITING THE
BOARD OF REGENTS AND UNIVERSITY SYSTEM EMPLOYEES FROM INFRINGING ON AN INDIVIDUAL'S
CONSTITUTIONAL RIGHTS; PROHIBITING THE BOARD OF REGENTS AND UNITS OF THE UNIVERSITY
SYSTEM FROM REGULATING OR RESTRICTING THE POSSESSION OF FIREARMS ON UNIVERSITY
PROPERTY WITH CERTAIN EXCEPTIONS; ALLOWING THE AWARD OF TREBLE DAMAGES FOR CERTAIN
VIOLATIONS; AMENDING SECTIONS 45-3-111 AND 45-8-351, MCA; AND PROVIDING A DELAYED
EFFECTIVE DATE."

WHEREAS, the Board of Regents is given significant authority to manage the affairs of the Montana
University System in Article X, section 9, of the Montana Constitution; and
WHEREAS, the people of Montana have reserved certain rights to themselves in Article II of the Montana
Constitution; and
WHEREAS, although the Board of Regents is given considerable authority to manage the Montana
University System, it is not given the power to amend, suspend, or abrogate any part of the Montana Constitution
or to deny individuals the rights that the people have reserved to protect themselves from government
interference under the Montana Constitution; and
WHEREAS, in District of Columbia v. Heller, 554 U.S. 570 (2008), the United State Supreme Court
affirmed that the Second Amendment to the United States Constitution reserves to individuals the fundamental
right to keep and bear arms for self-defense and that infringement upon this fundamental right may no longer be
justified by a rational basis level of judicial scrutiny; and
WHEREAS, in McDonald v. City of Chicago, 561 U.S. 3025 (2010), the United States Supreme Court affirmed that the Second Amendment to the United States Constitution is applicable as a restriction upon state and local governments and all political subsets of state and local government through the Fourteenth Amendment; and

WHEREAS, while the Board of Regents is given considerable authority to manage the Montana University System, it is not given the power to amend, suspend, or abrogate any part of the United States Constitution or to deny individuals the rights they have reserved to protect themselves from government interference under the United States Constitution; and

WHEREAS, the Board of Regents and the Montana University System, being created by the Montana Constitution and the laws of Montana, are government institutions, and the employees of the Board of Regents and those subject to the authority of the Board are government agents and employees; and

WHEREAS, the Legislature finds that "shall not be called into question", "shall not be infringed", and "no law shall be passed" establish a standard of judicial review for any government curtailment of the rights that the people have reserved to themselves under the Montana and United States Constitutions.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Short title. [Sections 1 through 5] may be cited as the "Higher Education Rights Restoration Act".

NEW SECTION. Section 2. Legislative authority and findings. (1) The legislature finds that any significant prohibition on the possession of firearms at or on the various campuses of the Montana university system is an infringement on the rights that the people have reserved to protect themselves from government interference under the second amendment to the United States constitution.

(2) The legislature finds that any significant prohibition on the possession of firearms at or on the various campuses of the Montana university system calls into question the rights that the people have reserved to protect themselves from government interference under Article II, section 12, of the Montana constitution.

(3) The legislature finds that purported "gun-free zones" are dangerous to the health and safety of citizens because these zones create an unreasonable expectation of government-provided safety in these zones, while that safety cannot be provided or ensured.
(4) The legislature wishes to allow university system prerogatives by asserting new legislative policy supporting the university system's use of carefully crafted supervisory policy designed to withstand a constitutional challenge.

NEW SECTION. Section 3. Prohibition on infringement of constitutional rights. The board of regents and all university system employees subject to the authority of the board of regents are prohibited from enforcing or coercing compliance with any rule or regulation that diminishes or restricts the rights the people have reserved to protect themselves from government interference in Article II of the Montana constitution, especially those rights reserved in Article II, sections 4 through 12.

NEW SECTION. Section 4. Regulation of firearms prohibited for certain individuals -- exceptions. (1) Except as provided in subsection (2), the board of regents and units of the university system may not regulate or restrict the possession, transportation, or storage of firearms on or within university system property by a person with a permit issued pursuant to 45-8-321 or recognized pursuant to 45-8-329.

(2) The board of regents or a unit of the university system may prohibit or regulate the following:

(a) the discharge of a firearm on or within university system property unless the discharge is done in self-defense;

(b) the removal of a firearm from a gun case or holster unless the removal is done in self-defense or within the domicile on campus of the lawful possessor of the firearm;

(c) the pointing of a firearm at another person unless the lawful possessor is acting in self-defense;

(d) the carrying of a firearm outside of a domicile on campus unless the firearm is within a case or holster;

(e) the failure to secure a firearm with a locking device whenever the firearm is not in the possession of or under the immediate control of the lawful possessor of the firearm;

(f) the possession or storage of a firearm in a dormitory situation without the express permission of any roommate of the lawful possessor of the firearm;

(g) the possession or storage of a firearm by any individual who has been subject to university system discipline or has a history of completed disciplinary action arising out of the individual's interpersonal violence or substance abuse; and

(h) the possession of a firearm at an event on campus where campus authorities have authorized alcohol
NEW SECTION. Section 5. Remedy for violations. Any person whose constitutional rights protected under [sections 1 through 5] are denied, diminished, or delayed has a cause of action against any employee of the university system who denied, diminished, or delayed these rights or who was responsible for the denial, diminishment, or delay. A cause of action must be filed in district court. If a person asserting a denial, diminishment, or delay of rights prevails, that person must be awarded reasonable costs and attorney fees and compensatory damages. If the jury hearing the case, in the sole discretion of the jury, finds that the denial, diminishment, or delay is willful and wanton misconduct or is done with arbitrary and capricious disregard of [sections 1 through 5], the jury may award treble damages.

Section 6. Section 45-3-111, MCA, is amended to read:

"45-3-111. Openly carrying weapon -- display -- exemption. (1) Any person who is not otherwise prohibited from doing so by federal or state law may openly carry a weapon and may communicate to another person the fact that the person has a weapon.

(2) If a person reasonably believes that the person or another person is threatened with bodily harm, the person may warn or threaten the use of force, including deadly force, against the aggressor, including drawing or presenting a weapon.

(3) This section does not limit the authority of the board of regents or other private postsecondary institutions to regulate the carrying of weapons, as defined in 45-8-361(5)(b), on their campuses."

Section 7. Section 45-8-351, MCA, is amended to read:

"45-8-351. Restriction on local government regulation of firearms. (1) Except as provided in subsection (2), a county, city, town, consolidated local government, or other local government unit may not prohibit, register, tax, license, or regulate the purchase, sale or other transfer (including delay in purchase, sale, or other transfer), ownership, possession, transportation, use, or unconcealed carrying of any weapon, including a rifle, shotgun, handgun, or concealed handgun.

(2) (a) For public safety purposes, a city or town may regulate the discharge of rifles, shotguns, and handguns. A county, city, town, consolidated local government, or other local government unit has power to prevent and suppress the carrying of concealed or unconcealed weapons to a public assembly, publicly owned
building, park under its jurisdiction, or school, and the possession of firearms by convicted felons, adjudicated
mental incompetents, illegal aliens, and minors.

(b) Nothing contained in this section allows any government to prohibit the legitimate display of firearms
at shows or other public occasions by collectors and others or to prohibit the legitimate transportation of firearms
through any jurisdiction, whether in airports or otherwise.

(c) A local ordinance enacted pursuant to this section may not prohibit a legislative security officer who
has been issued a concealed weapon permit from carrying a concealed weapon in the state capitol as provided
in 45-8-317.

(d) Any restrictions on the possession of firearms enacted by a county, city, town, consolidated local
government, or other local government unit do not apply to any buildings or property owned by the state that are
part of any unit of the university system."

NEW SECTION. Section 8. Codification instruction. [Sections 1 through 5] are intended to be codified
as an integral part of Title 20, chapter 25, and the provisions of Title 20, chapter 25, apply to [sections 1 through
5].

NEW SECTION. Section 9. Severability. If a part of [this act] is invalid, all valid parts that are severable
from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part
remains in effect in all valid applications that are severable from the invalid applications.

NEW SECTION. Section 10. Effective date. [This act] is effective January 1, 2016.
