Subd. 4. License and rules. (a) The board must adopt rules to license public school
teachers and interns subject to chapter 14.
(b) The board must adopt rules requiring a person to pass a college-level skills
examination in reading, writing, and mathematics or attain either a composite score
composed of the average of the essentially equivalent passing scores in English and
writing, reading, and mathematics on the ACT Plus Writing recommended by the board,
or an equivalent composite score composed of the average of the essentially equivalent
passing scores in critical reading, mathematics, and writing on the SAT recommended
by the board, as a requirement for initial teacher licensure, except that the board may
issue up to two temporary, one-year teaching licenses to an otherwise qualified candidate
who has not yet passed the college-level skills exam or attained the requisite composite
score essentially equivalent passing scores on the ACT Plus Writing or SAT. Such rules
must require college and universities offering a board-approved teacher preparation

Section 1. 1
program to provide remedial assistance to persons who did not achieve a qualifying
score on the college-level skills examination or attain the requisite composite score
essentially equivalent passing scores on the ACT Plus Writing or SAT, including those
for whom English is a second language. The requirement to pass a reading, writing,
and mathematics college-level skills examination or attain the requisite composite score
essentially equivalent passing scores on the ACT Plus Writing or SAT does not apply to
nonnative English speakers, as verified by qualified Minnesota school district personnel
or Minnesota higher education faculty, who, after meeting the content and pedagogy
requirements under this subdivision, apply for a teaching license to provide direct
instruction in their native language or world language instruction under section 120B.022,
subdivision 1. A teacher candidate's official ACT Plus Writing or SAT composite score
report to the board must not be more than ten years old at the time of licensure.

(c) The board must adopt rules to approve teacher preparation programs. The board,
upon the request of a postsecondary student preparing for teacher licensure or a licensed
graduate of a teacher preparation program, shall assist in resolving a dispute between the
person and a postsecondary institution providing a teacher preparation program when the
dispute involves an institution's recommendation for licensure affecting the person or the
person's credentials. At the board's discretion, assistance may include the application
of chapter 14.

(d) The board must provide the leadership and adopt rules for the redesign of teacher
education programs to implement a research based, results-oriented curriculum that
focuses on the skills teachers need in order to be effective. The board shall implement new
systems of teacher preparation program evaluation to assure program effectiveness based
on proficiency of graduates in demonstrating attainment of program outcomes. Teacher
preparation programs including alternative teacher preparation programs under section
122A.245, among other programs, must include a content-specific, board-approved,
performance-based assessment that measures teacher candidates in three areas: planning
for instruction and assessment; engaging students and supporting learning; and assessing
student learning. The board's redesign rules must include creating flexible, specialized
teaching licenses, credentials, and other endorsement forms to increase students'
participation in language immersion programs, world language instruction, career
development opportunities, work-based learning, early college courses and careers, career
and technical programs, Montessori schools, and project and place-based learning, among
other career and college ready learning offerings.

(e) The board must adopt rules requiring candidates for initial licenses to pass an
examination of general pedagogical knowledge and examinations of licensure-specific
teaching skills. The rules shall be effective by September 1, 2001. The rules under this paragraph also must require candidates for initial licenses to teach prekindergarten or elementary students to pass, as part of the examination of licensure-specific teaching skills, test items assessing the candidates' knowledge, skill, and ability in comprehensive, scientifically based reading instruction under section 122A.06, subdivision 4, and their knowledge and understanding of the foundations of reading development, the development of reading comprehension, and reading assessment and instruction, and their ability to integrate that knowledge and understanding.

(f) The board must adopt rules requiring teacher educators to work directly with elementary or secondary school teachers in elementary or secondary schools to obtain periodic exposure to the elementary or secondary teaching environment.

(g) The board must grant licenses to interns and to candidates for initial licenses based on appropriate professional competencies that are aligned with the board's licensing system and students' diverse learning needs. All teacher candidates must have preparation in English language development and content instruction for English learners in order to be able to effectively instruct the English learners in their classrooms. The board must include these licenses in a statewide differentiated licensing system that creates new leadership roles for successful experienced teachers premised on a collaborative professional culture dedicated to meeting students' diverse learning needs in the 21st century, recognizes the importance of cultural and linguistic competencies, including the ability to teach and communicate in culturally competent and aware ways, and formalizes mentoring and induction for newly licensed teachers provided through a teacher support framework.

(h) The board must design and implement an assessment system which requires a candidate for an initial license and first continuing license to demonstrate the abilities necessary to perform selected, representative teaching tasks at appropriate levels.

(i) The board must receive recommendations from local committees as established by the board for the renewal of teaching licenses. The board must require licensed teachers who are renewing a continuing license to include in the renewal requirements further preparation in English language development and specially designed content instruction in English for English learners.

(j) The board must grant life licenses to those who qualify according to requirements established by the board, and suspend or revoke licenses pursuant to sections 122A.20 and 214.10. The board must not establish any expiration date for application for life licenses.

(k) The board must adopt rules that require all licensed teachers who are renewing their continuing license to include in their renewal requirements further preparation in the areas of using positive behavior interventions and in accommodating, modifying, and
adapting curricula, materials, and strategies to appropriately meet the needs of individual
students and ensure adequate progress toward the state's graduation rule.

(I) In adopting rules to license public school teachers who provide health-related
services for disabled children, the board shall adopt rules consistent with license or
registration requirements of the commissioner of health and the health-related boards who
license personnel who perform similar services outside of the school.

(m) The board must adopt rules that require all licensed teachers who are renewing
their continuing license to include in their renewal requirements further reading
preparation, consistent with section 122A.06, subdivision 4. The rules do not take effect
until they are approved by law. Teachers who do not provide direct instruction including, at
least, counselors, school psychologists, school nurses, school social workers, audiovisual
directors and coordinators, and recreation personnel are exempt from this section.

(n) The board must adopt rules that require all licensed teachers who are renewing
their continuing license to include in their renewal requirements further preparation,
first, in understanding the key warning signs of early-onset mental illness in children
and adolescents and then, during subsequent licensure renewal periods, preparation may
include providing a more in-depth understanding of students' mental illness trauma,
accommodations for students' mental illness, parents' role in addressing students' mental
illness, Fetal Alcohol Spectrum Disorders, autism, the requirements of section 125A.0942
governing restrictive procedures, and de-escalation methods, among other similar topics.

(o) The board must adopt rules by January 1, 2016, to license applicants under
sections 122A.23 and 122A.245. The rules must permit applicants to demonstrate their
qualifications through the board's recognition of a teaching license from another state
in a similar content field, completion of a state-approved teacher preparation program,
teaching experience as the teacher of record in a similar licensure field, depth of content
knowledge, depth of content methods or general pedagogy, subject-specific professional
development and contribution to the field, or classroom performance as determined by
documented student growth on normed assessments or documented effectiveness on
evaluations. The rules must adopt criteria for determining a "similar content field" and
"similar licensure area."

**EFFECTIVE DATE.** This section is effective the day following final enactment
and applies to all candidates seeking initial teacher licensure, including those holding a
temporary, one-year teaching license.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to all nonlicensed community experts hired after that date.

Sec. 10. Minnesota Statutes 2014, section 122A.30, is amended to read:

**122A.30 EXEMPTION FOR TECHNICAL COLLEGE EDUCATION INSTRUCTORS.**

Notwithstanding section 122A.15, subdivision 1, and upon approval of the local employer school board, a person who teaches in a part-time vocational or career and technical education program not more than 61 hours per fiscal year is exempt from a license requirement.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to all technical education instructors hired after that date.

Sec. 11. Minnesota Statutes 2014, section 122A.40, subdivision 5, is amended to read:

Subd. 5. Probationary period. (a) The first three consecutive years of a teacher's first teaching experience in Minnesota in a single district is deemed to be a probationary period of employment, and, the probationary period in each district in which the teacher is thereafter employed shall be one year. The school board must adopt a plan for written evaluation of teachers during the probationary period that is consistent with subdivision 8. Evaluation must occur at least three times periodically throughout each school year for a teacher performing services during that school year; the first evaluation must occur within the first 90 days of teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school must not be included in determining the number of school days on which a teacher performs services. Except as otherwise provided in paragraph (b), during the probationary period any annual contract with any teacher may or may not be renewed (1) as the school board shall see fit, or (2) consistent with the negotiated unrequested leave of absence plan in effect under subdivision 10. However, the board must give any such teacher whose contract it declines to renew for the following school
year written notice to that effect before July 1. If the teacher requests reasons for any nonrenewal of a teaching contract, the board must give the teacher its reason in writing, including a statement that appropriate supervision was furnished describing the nature and the extent of such supervision furnished the teacher during the employment by the board, within ten days after receiving such request. The school board may, after a hearing held upon due notice, discharge a teacher during the probationary period for cause, effective immediately, under section 122A.44.

(b) A board must discharge a probationary teacher, effective immediately, upon receipt of notice under section 122A.20, subdivision 1, paragraph (b), that the teacher's license has been revoked due to a conviction for child abuse or sexual abuse.

c) A probationary teacher whose first three years of consecutive employment are interrupted for active military service and who promptly resumes teaching consistent with federal reemployment timelines for uniformed service personnel under United States Code, title 38, section 4312(e), is considered to have a consecutive teaching experience for purposes of paragraph (a).

d) A probationary teacher whose first three years of consecutive employment are interrupted for maternity, paternity, or medical leave and who resumes teaching within 12 months of when the leave began is considered to have a consecutive teaching experience for purposes of paragraph (a) if the probationary teacher completes a combined total of three years of teaching service immediately before and after the leave.

e) A probationary teacher must complete at least 120 days of teaching service each year during the probationary period. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school do not count as days of teaching service under this paragraph.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 12. Minnesota Statutes 2014, section 122A.40, subdivision 8, is amended to read:

Subd. 8. **Development, evaluation, and peer coaching for continuing contract teachers.** (a) To improve student learning and success, a school board and an exclusive representative of the teachers in the district, consistent with paragraph (b), may develop a teacher evaluation and peer review process for probationary and continuing contract teachers through joint agreement. If a school board and the exclusive representative of the teachers do not agree to an annual teacher evaluation and peer review process, then the school board and the exclusive representative of the teachers must implement the state teacher evaluation plan under paragraph (c). The process must include having trained
observers serve as peer coaches or having teachers participate in professional learning communities, consistent with paragraph (b).

(b) To develop, improve, and support qualified teachers and effective teaching practices and improve student learning and success, the annual evaluation process for teachers:

(1) must, for probationary teachers, provide for all evaluations required under subdivision 5;

(2) must establish a three-year professional review cycle for each teacher that includes an individual growth and development plan, a peer review process, and at least one summative evaluation performed by a qualified and trained evaluator such as a school administrator. For the years when a tenured teacher is not evaluated by a qualified and trained evaluator, the teacher must be evaluated by a peer review;

(3) must be based on professional teaching standards established in rule;

(4) must coordinate staff development activities under sections 122A.60 and 122A.61 with this evaluation process and teachers' evaluation outcomes;

(5) may provide time during the school day and school year for peer coaching and teacher collaboration;

(6) may include job-embedded learning opportunities such as professional learning communities;

(7) may include mentoring and induction programs;

(8) must include an option for teachers to develop and present a portfolio demonstrating evidence of reflection and professional growth, consistent with section 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment based on student work samples and examples of teachers' work, which may include video among other activities for the summative evaluation;

(9) must use data from valid and reliable assessments aligned to state and local academic standards and must use state and local measures of student growth and literacy that may include value-added models or student learning goals to determine 35 percent of teacher evaluation results;

(10) must use longitudinal data on student engagement and connection, and other student outcome measures explicitly aligned with the elements of curriculum for which teachers are responsible, including academic literacy, oral academic language, and achievement of content areas of English learners;

(11) must require qualified and trained evaluators such as school administrators to perform summative evaluations and ensure school districts and charter schools provide for effective evaluator training specific to teacher development and evaluation;
(12) must give teachers not meeting professional teaching standards under clauses
(3) through (11) support to improve through a teacher improvement process that includes
established goals and timelines; and
(13) must discipline a teacher for not making adequate progress in the teacher
improvement process under clause (12) that may include a last chance warning,
termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or
other discipline a school administrator determines is appropriate.

Data on individual teachers generated under this subdivision are personnel data
under section 13.43. The observation and interview notes of peer coaches may only be
disclosed to other school officials with the consent of the teacher being coached.

(c) The department, in consultation with parents who may represent parent
organizations and teacher and administrator representatives appointed by their respective
organizations, representing the Board of Teaching, the Minnesota Association of School
Administrators, the Minnesota School Boards Association, the Minnesota Elementary
and Secondary Principals Associations, Education Minnesota, and representatives of
the Minnesota Assessment Group, the Minnesota Business Partnership, the Minnesota
Chamber of Commerce, and Minnesota postsecondary institutions with research expertise
in teacher evaluation, must create and publish a teacher evaluation process that complies
with the requirements in paragraph (b) and applies to all teachers under this section and
section 122A.41 for whom no agreement exists under paragraph (a) for an annual teacher
evaluation and peer review process. The teacher evaluation process created under this
subdivision does not create additional due process rights for probationary teachers under
subdivision 5.

(d) Consistent with the measures of teacher effectiveness under this subdivision:
(1) for students in kindergarten through grade 4, a school administrator must not
place a student in consecutive school years in the classroom of a teacher with the lowest
evaluation rating in the previous school year unless no other teacher at the school teaches
that grade; and
(2) for students in grades 5 through 12, a school administrator must not place
students in consecutive school years in the classroom of a teacher with the lowest
evaluation rating in the previous school year unless no other teacher at the school teaches
that subject area and grade.

**EFFECTIVE DATE.** This section is effective for the 2017-2018 school year and
later.

Sec. 13. Minnesota Statutes 2014, section 122A.40, subdivision 10, is amended to read:
Subd. 10. Negotiated unrequested leave of absence. (a) The school board
and the exclusive bargaining representative of the teachers may negotiate a plan,
consistent with subdivision 8, providing for unrequested leave of absence without pay or
fringe benefits for as many teachers as may be necessary because of discontinuance of
position, lack of pupils, financial limitations, or merger of classes caused by consolidation
of districts. Failing to successfully negotiate such a plan, the provisions of subdivision
11 shall apply. The negotiated plan must not include provisions which would result in
the exercise of seniority by a teacher holding only a provisional license, other than a
vocational education license, contrary to the provisions of subdivision 11, paragraph (e)
if required for the position, or the reinstatement of a teacher holding only a provisional
license, other than a vocational education license, contrary to the provisions of subdivision
11, paragraph (e) required for the position. The provisions of section 179A.16 do not
apply for the purposes of this subdivision.

(b) Beginning in the 2017-2018 school year and later, and notwithstanding any law
to the contrary, a school board must place teachers on unrequested leave of absence based
on their subject matter licensure fields, most recent evaluation outcomes and effectiveness
category or rating under subdivision 8, and other, locally determined criteria such as
teacher seniority, and may include both probationary teachers and continuing contract
teachers within an effectiveness category or rating. For purposes of placing a teacher on
unrequested leave of absence or recalling a teacher from unrequested leave of absence, a
school board is not required to reassign a teacher with more seniority to accommodate the
seniority claims of a teacher who is similarly licensed and effective but with less seniority.
Nothing in this paragraph permits a school board to use a teacher's remuneration as a basis
for making unrequested leave of absence decisions. Any executed employment contract
between the school board and the exclusive representative of the teachers must contain the
negotiated unrequested leave of absence plan. The school board must publish in a readily
accessible format the unrequested leave of absence plan it negotiates under this paragraph.

(c) A teacher who receives notice of being placed on unrequested leave of absence
under paragraph (b) may submit to the board, within 14 days of receiving the notice, a
written request for a hearing before a neutral hearing officer to establish whether the
district met the following teacher evaluation requirements under subdivision 8: if the
teacher is a probationary teacher, all evaluations required under subdivision 5 were
provided; a three-year professional review cycle was established for the teacher; any
summative evaluation of the teacher was performed by a qualified and trained evaluator;
a peer review evaluation occurred in any year when the teacher was not evaluated by a
qualified and trained evaluator; and if the teacher did not meet professional teaching
standards, a teacher improvement process with goals and timelines was established. The
school board and the exclusive representative of the teachers must agree on a panel of
people and a process to select the person to hear the matter. The hearing officer must issue
a decision within 14 days of the request for the hearing. Nothing in this subdivision
prevents a school board and the exclusive representative of the teachers from negotiating a
different process for determining whether the teacher evaluation requirements listed in
this subdivision were met.

(d) Evaluation outcomes and effectiveness categories under paragraph (b) must not
be used to place a teacher on unrequested leave of absence if the principal evaluating the
teacher is on an improvement plan under section 123B.147, subdivision 3, paragraph
(b), clause (8).

(e) For purposes of this subdivision, a provisional license is a license to teach issued
by the Board of Teaching under a waiver or variance.

EFFECTIVE DATE. This section is effective the day following final enactment and
applies to negotiated plans for unrequested leave of absence agreed to on or after that date.

Sec. 14. Minnesota Statutes 2014, section 122A.40, subdivision 11, is amended to read:

Subd. 11. Unrequested leave of absence. (a) The board may place on unrequested
leave of absence, without pay or fringe benefits, as many teachers as may be necessary
because of discontinuance of position, lack of pupils, financial limitations, or merger of
classes caused by consolidation or reorganization of districts under chapter 123A. The
unrequested leave is effective at the close of the school year.

(b) In placing teachers on unrequested leave in the 2014-2015 through 2016-2017
school years only, the board is governed by the following provisions in this subdivision.

(a) (c) The board may place probationary teachers on unrequested leave first in the
inverse order of their employment. A teacher who has acquired continuing contract rights
must not be placed on unrequested leave of absence while probationary teachers are retained
in positions for which the teacher who has acquired continuing contract rights is licensed.

(b) (d) Teachers who have acquired continuing contract rights shall be placed on
unrequested leave of absence in fields in which they are licensed in the inverse order
in which they were employed by the school district. In the case of equal seniority, the
order in which teachers who have acquired continuing contract rights shall be placed on
unrequested leave of absence in fields in which they are licensed is negotiable.

(e) (e) Notwithstanding the provisions of paragraph (b) (d), a teacher is not entitled
to exercise any seniority when that exercise results in that teacher being retained by the
district in a field for which the teacher holds only a provisional license, as defined by the
board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field.

The provisions of this paragraph do not apply to vocational education licenses required for the available positions.

1) Notwithstanding paragraphs (a), (b), and (c), (d), and (e), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of paragraph (e) (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher.

2) For purposes of placing a teacher on unrequested leave of absence or recalling a teacher from unrequested leave of absence, nothing in this subdivision requires a school board to reassign a teacher to accommodate the seniority claims of a teacher who is similarly licensed and effective but with less seniority.

3) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is negotiable.

4) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board.

5) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave.

6) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service.

7) Consistent with subdivision 10, the unrequested leave of absence of a teacher who is categorized as effective or better under subdivision 8, who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of five years,
after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any each year a written statement requesting reinstatement.

(m) Consistent with subdivision 10, the unrequested leave of absence of a teacher who is categorized as ineffective or less under subdivision 8, who is placed on unrequested leave of absence, and who is not reinstated continues for the following school year only, after which the teacher's right to reinstatement terminates. The teacher's right to reinstatement also terminates if the teacher fails to file with the board by April 1 in that following school year a written statement requesting reinstatement.

(1) (n) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence.

(k) (o) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 15. Minnesota Statutes 2014, section 122A.41, subdivision 2, is amended to read:

Subd. 2. **Probationary period; discharge or demotion.** (a) All teachers in the public schools in cities of the first class during the first three years of consecutive employment shall be deemed to be in a probationary period of employment during which period any annual contract with any teacher may, or may not, be renewed (1) as the school board, after consulting with the peer review committee charged with evaluating the probationary teachers under subdivision 3, shall see fit, or (2) consistent with the negotiated plan for discontinuing or terminating teachers in effect under subdivision 14. The school site management team or the school board if there is no school site management team, shall adopt a plan for a written evaluation of teachers during the probationary period according to subdivisions 3 and 5. Evaluation by the peer review committee charged with evaluating probationary teachers under subdivision 3 shall occur at least three times periodically throughout each school year for a teacher performing services during that school year; the first evaluation must occur within the first 90 days of teaching service. Days devoted to parent-teacher conferences, teachers' workshops, and other staff development opportunities and days on which a teacher is absent from school shall not be included in determining the number of school days on which a teacher performs services. The school board may, during such probationary period, discharge or demote a teacher for any of the causes as specified in this code. A written statement of the cause of such discharge or demotion shall be given
to the teacher by the school board at least 30 days before such removal or demotion shall
become effective, and the teacher so notified shall have no right of appeal therefrom.

(b) A probationary teacher whose first three years of consecutive employment are
interrupted for active military service and who promptly resumes teaching consistent with
federal reemployment timelines for uniformed service personnel under United States
Code, title 38, section 4312(e), is considered to have a consecutive teaching experience
for purposes of paragraph (a).

(c) A probationary teacher whose first three years of consecutive employment are
interrupted for maternity, paternity, or medical leave and who resumes teaching within 12
months of when the leave began is considered to have a consecutive teaching experience
for purposes of paragraph (a) if the probationary teacher completes a combined total of
three years of teaching service immediately before and after the leave.

(d) A probationary teacher must complete at least 120 days of teaching service each
year during the probationary period. Days devoted to parent-teacher conferences, teachers'
workshops, and other staff development opportunities and days on which a teacher is
absent from school do not count as days of teaching service under this paragraph.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 16. Minnesota Statutes 2014, section 122A.41, subdivision 5, is amended to read:

Subd. 5. Development, evaluation, and peer coaching for continuing contract
teachers. (a) To improve student learning and success, a school board and an exclusive
representative of the teachers in the district, consistent with paragraph (b), may develop an
annual teacher evaluation and peer review process for probationary and nonprobationary
teachers through joint agreement. If a school board and the exclusive representative of
the teachers in the district do not agree to an annual teacher evaluation and peer review
process, then the school board and the exclusive representative of the teachers must
implement the state teacher evaluation plan developed under paragraph (c). The process
must include having trained observers serve as peer coaches or having teachers participate
in professional learning communities, consistent with paragraph (b).

(b) To develop, improve, and support qualified teachers and effective teaching
practices and improve student learning and success, the annual evaluation process for
teachers:

(1) must, for probationary teachers, provide for all evaluations required under
subdivision 2;

(2) must establish a three-year professional review cycle for each teacher that
includes an individual growth and development plan, a peer review process, and at least
one summative evaluation performed by a qualified and trained evaluator such as a school administrator;

(3) must be based on professional teaching standards established in rule;

(4) must coordinate staff development activities under sections 122A.60 and 122A.61 with this evaluation process and teachers' evaluation outcomes;

(5) may provide time during the school day and school year for peer coaching and teacher collaboration;

(6) may include job-embedded learning opportunities such as professional learning communities;

(7) may include mentoring and induction programs;

(8) must include an option for teachers to develop and present a portfolio demonstrating evidence of reflection and professional growth, consistent with section 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment based on student work samples and examples of teachers' work, which may include video among other activities for the summative evaluation;

(9) must use data from valid and reliable assessments aligned to state and local academic standards and must use state and local measures of student growth and literacy that may include value-added models or student learning goals to determine 35 percent of teacher evaluation results;

(10) must use longitudinal data on student engagement and connection and other student outcome measures explicitly aligned with the elements of curriculum for which teachers are responsible, including academic literacy, oral academic language, and achievement of English learners;

(11) must require qualified and trained evaluators such as school administrators to perform summative evaluations and ensure school districts and charter schools provide for effective evaluator training specific to teacher development and evaluation;

(12) must give teachers not meeting professional teaching standards under clauses (3) through (11) support to improve through a teacher improvement process that includes established goals and timelines; and

(13) must discipline a teacher for not making adequate progress in the teacher improvement process under clause (12) that may include a last chance warning, termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or other discipline a school administrator determines is appropriate.

Data on individual teachers generated under this subdivision are personnel data under section 13.43. The observation and interview notes of peer coaches may only be disclosed to other school officials with the consent of the teacher being coached.
(c) The department, in consultation with parents who may represent parent organizations and teacher and administrator representatives appointed by their respective organizations, representing the Board of Teaching, the Minnesota Association of School Administrators, the Minnesota School Boards Association, the Minnesota Elementary and Secondary Principals Associations, Education Minnesota, and representatives of the Minnesota Assessment Group, the Minnesota Business Partnership, the Minnesota Chamber of Commerce, and Minnesota postsecondary institutions with research expertise in teacher evaluation, must create and publish a teacher evaluation process that complies with the requirements in paragraph (b) and applies to all teachers under this section and section 122A.40 for whom no agreement exists under paragraph (a) for an annual teacher evaluation and peer review process. The teacher evaluation process created under this subdivision does not create additional due process rights for probationary teachers under subdivision 2.

(d) Consistent with the measures of teacher effectiveness under this subdivision:

(1) for students in kindergarten through grade 4, a school administrator must not place a student in consecutive school years in the classroom of a teacher with the lowest evaluation rating in the previous school year unless no other teacher at the school teaches that grade; and

(2) for students in grades 5 through 12, a school administrator must not place students in consecutive school years in the classroom of a teacher with the lowest evaluation rating in the previous school year unless no other teacher at the school teaches that subject area and grade.

EFFECTIVE DATE. This section is effective for the 2017-2018 school year and later.

Sec. 17. Minnesota Statutes 2014, section 122A.41, subdivision 14, is amended to read:

Subd. 14. Services terminated by discontinuance or lack of pupils; preference given. (a) A teacher whose services are terminated on account of discontinuance of position or lack of pupils must receive first consideration for other positions in the district for which that teacher is qualified. In the event it becomes necessary to discontinue one or more positions in the 2014-2015 through the 2016-2017 school years, in making such discontinuance, teachers must receive first consideration for other positions in the district for which that teacher is qualified and must be discontinued in any department in the inverse order in which they were employed, unless

(b) Beginning in the 2017-2018 school year and later, a board and the exclusive representative of teachers in the district must negotiate a plan providing otherwise.
consistent with subdivision 5, for discontinuing and terminating teachers under this
subdivision based on their subject matter licensure fields, most recent evaluation outcomes
and effectiveness category or rating under subdivision 5, and other, locally determined
criteria such as teacher seniority, and may include both probationary teachers and
continuing contract teachers within an effectiveness category or rating. For purposes
of discharging, demoting, or recalling a teacher whose services are discontinued or
terminated under this subdivision, a school board is not required to reassign a teacher with
more seniority to accommodate the seniority claims of a teacher who is similarly licensed
and effective but with less seniority. Nothing in this paragraph permits a school board to
use a teacher's remuneration as a basis for discontinuing or terminating a teacher. Any
executed employment contract between the school board and the exclusive representative
of the teachers must contain the negotiated plan for discontinuing or terminating teachers.
The school board must publish in a readily accessible format any plan it negotiates for
discontinuing or terminating teachers under this paragraph.

(c) A teacher who receives notice of discontinuance or termination under paragraph
(b) may submit to the board, within 14 days of receiving the notice, a written request
for a hearing before a neutral hearing officer to establish whether the district met the
following teacher evaluation requirements under subdivision 5: if the teacher is a
probationary teacher, all evaluations required under subdivision 2 were provided; a
three-year professional review cycle was established for the teacher; any summative
evaluation of the teacher was performed by a qualified and trained evaluator; a peer review
evaluation occurred in any year when the teacher was not evaluated by a qualified and
trained evaluator; and if the teacher did not meet professional teaching standards, a teacher
improvement process with goals and timelines was established. The school board and the
exclusive representative of the teachers must agree on a panel of people and a process to
select the person to hear the matter. The hearing officer must issue a decision within 14 days
of the request for the hearing. Nothing in this subdivision prevents a school board and the
exclusive representative of the teachers from negotiating a different process for determining
whether the teacher evaluation requirements listed in this subdivision were met.

(d) Notwithstanding the provisions of clause paragraph (a), for the 2014-2015
through 2016-2017 school years, a teacher is not entitled to exercise any seniority when
that exercise results in that teacher being retained by the district in a field for which the
teacher holds only a provisional license, as defined by the Board of Teaching, unless that
exercise of seniority results in the termination of the services, on account
of discontinuance of position or lack of pupils, of another teacher who also holds a
provisional license in the same field. The provisions of this clause paragraph do not apply to vocational education licenses.

(e) (e) Notwithstanding the provisions of clause paragraph (a), for the 2014-2015 through 2016-2017 school years, a teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field is available for reinstatement.

(f) Evaluation outcomes and effectiveness categories under paragraph (b) must not be used to place a teacher on unrequested leave of absence if the principal evaluating the teacher is on an improvement plan under section 123B.147, subdivision 3, paragraph (b), clause (8).

EFFECTIVE DATE. This section is effective the day following final enactment and applies to negotiated plans for discontinuing or terminating teachers agreed to on or after that date.

Sec. 18. Minnesota Statutes 2014, section 123A.75, subdivision 1, is amended to read:

Subdivision 1. Teacher assignment. (a) As of the effective date of a consolidation in which a district is divided or the dissolution of a district and its attachment to two or more existing districts, each teacher employed by an affected district shall be assigned to the newly created or enlarged district on the basis of a ratio of the pupils assigned to each district according to the new district boundaries. The district receiving the greatest number of pupils must be assigned the most effective teacher under section 122A.40, subdivision 8, with the greatest seniority, and the remaining teachers must be alternately assigned to each district from most to least effective and with most to least seniority within each category or rating of effectiveness until the district receiving the fewest pupils has received its ratio of teachers who will not be retiring before the effective date of the consolidation or dissolution.

(b) Notwithstanding paragraph (a), the board and the exclusive representative of teachers in each district involved in the consolidation or dissolution and attachment may negotiate a plan for assigning teachers to each newly created or enlarged district.

(c) Notwithstanding any other law to the contrary, the provisions of this section apply only to the extent they are consistent with section 122A.40, subdivisions 8, 10, and 11.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 19. Minnesota Statutes 2014, section 179A.20, is amended by adding a subdivision to read:
Subd. 4a. **Unrequested leave of absence for teachers.** A school board and the exclusive representative of the teachers may not execute a contract effective for the 2017-2018 school year or later unless the contract contains a plan for unrequested leave of absence under section 122A.40, subdivision 10, or a plan for discontinuing or terminating teachers under section 122A.41, subdivision 14.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 20. **TEACHER LICENSURE AGREEMENTS WITH ADJOINING STATES.**

The Board of Teaching must prepare and submit a report to the K-12 education committees of the legislature by February 15, 2016, indicating the number, contracting states, and extent of the interstate agreements for teacher licensure under Minnesota Statutes, section 122A.23, subdivision 3, reached between August 1 and December 31, 2015.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 21. **REPEALER.**

Minnesota Statutes 2014, section 122A.40, subdivision 11, is repealed.

**EFFECTIVE DATE.** This section is effective beginning in the 2017-2018 school year and later.
122A.40 EMPLOYMENT; CONTRACTS; TERMINATION.
Subd. 11. Unrequested leave of absence. The board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. The unrequested leave is effective at the close of the school year. In placing teachers on unrequested leave, the board is governed by the following provisions:

(a) The board may place probationary teachers on unrequested leave first in the inverse order of their employment. A teacher who has acquired continuing contract rights must not be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

(b) Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the school district. In the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed is negotiable;

(c) Notwithstanding the provisions of paragraph (b), a teacher is not entitled to exercise any seniority when that exercise results in that teacher being retained by the district in a field for which the teacher holds only a provisional license, as defined by the board of teaching, unless that exercise of seniority results in the placement on unrequested leave of absence of another teacher who also holds a provisional license in the same field. The provisions of this paragraph do not apply to vocational education licenses;

(d) Notwithstanding paragraphs (a), (b), and (c), if the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights, the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority, or the restriction imposed by the provisions of paragraph (c) would place the district in violation of its affirmative action program, the district may retain the probationary teacher, the teacher with less seniority, or the provisionally licensed teacher;

(e) Teachers placed on unrequested leave of absence must be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the school district in fields in which they are licensed. Reinstatement must be in the inverse order of placement on leave of absence. A teacher must not be reinstated to a position in a field in which the teacher holds only a provisional license, other than a vocational education license, while another teacher who holds a nonprovisional license in the same field remains on unrequested leave. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year is negotiable;

(f) Appointment of a new teacher must not be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the school board within 30 days of the date of notification that a position is available to that teacher who may return to employment and assume the duties of the position to which appointed on a future date determined by the board;

(g) A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

(h) The unrequested leave of absence must not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

(i) The unrequested leave of absence of a teacher who is placed on unrequested leave of absence and who is not reinstated shall continue for a period of five years, after which the right to reinstatement shall terminate. The teacher's right to reinstatement shall also terminate if the teacher fails to file with the board by April 1 of any year a written statement requesting reinstatement;

(j) The same provisions applicable to terminations of probationary or continuing contracts in subdivisions 5 and 7 must apply to placement on unrequested leave of absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment benefits if otherwise eligible.
