PHARMACISTS. Provides relative to prescribed marijuana for therapeutic uses and the development of rules and regulations by the Louisiana Board of Pharmacy and the Louisiana State Board of Medical Examiners. (gov sig)

AN ACT

To amend and reenact R.S. 40:1046, relative to the therapeutic use of marijuana; to provide for the adoption of rules and regulations relating to the prescribing, dispensing, and producing of marijuana for therapeutic use; to provide for a deadline to adopt rules and regulations; to provide for a report to the legislature; to provide for the location of the place of dispensing; to provide for the use of the Prescription Monitoring Program; to provide for licensure of a production facility; to provide for an effective date; to provide for a termination date; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 40:1046 is hereby amended and reenacted to read as follows:

§1046. Prescription of marijuana for therapeutic use; rules and regulations; secretary of health and hospitals Louisiana Board of Pharmacy and the adoption of rules and regulations relating to the dispensing of prescribed marijuana for therapeutic use; the Department of Agriculture and Forestry and the licensure of a production facility

A. Notwithstanding any other provision of this Part, a physician licensed to
practice medicine in this state and who is also registered to prescribe Schedule I substances with the Drug Enforcement Administration may prescribe, in any form as permitted by the rules and regulations of the Louisiana Board of Pharmacy except for inhalation, and raw or crude marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols for therapeutic use by patients clinically diagnosed as suffering from glaucoma, symptoms resulting from the administration of chemotherapy cancer treatment, and spastic quadriplegia in accordance with rules and regulations promulgated by the secretary of health and hospitals and in accordance with FDA and DEA administrative guidelines for procurement of the controlled substance from the National Institute on Drug Abuse.

Louisiana State Board of Medical Examiners. The Louisiana State Board of Medical Examiners shall submit to the Senate and House committees on health and welfare on an annual basis not less than sixty days prior to the beginning of the regular session of the legislature a report as to any additional diseases or medical conditions that should be added to the list of eligible diseases and conditions for prescription.

B. The secretary of health and hospitals, by January 1, 1992 Louisiana State Board of Medical Examiners shall promulgate rules and regulations, authorizing physicians licensed to practice in this state to prescribe marijuana for therapeutic use by patients as described in Subsection A of this Section no later than January 1, 2016.

C.(1) The Louisiana Board of Pharmacy shall adopt rules relating to the dispensing of prescribed marijuana for therapeutic use no later than December 1, 2016. The Louisiana Board of Pharmacy shall seek input from groups including but not limited to the following:

(a) The Louisiana District Attorneys Association,

(b) Professional law enforcement associations, organizations, and commissions,

(2) The rules shall include but not be limited to:
(a) Standards, procedures, and protocols for the effective use of prescribed marijuana for therapeutic use as authorized by state law and related rules and regulations.

(b) Standards, procedures, and protocols for the dispensing and tracking of prescribed therapeutic marijuana in Louisiana.

(c) Procedures and protocols to provide that no prescribed therapeutic marijuana may be dispensed from, produced from, obtained from, sold to, or transferred to a location outside of this state.

(d) The establishment of standards, procedures, and protocols for determining the amount of usable prescribed therapeutic marijuana that is necessary to constitute an adequate supply to ensure uninterrupted availability for a period of one month, including amounts for topical treatments.

(e) The establishment of standards, procedures, and protocols to ensure that all prescribed therapeutic marijuana dispensed is consistently pharmaceutical grade.

(f) The establishment of standards and procedures for the revocation, suspension, and nonrenewal of licenses.

(g) The establishment of other licensing, renewal, and operational standards which are deemed necessary by the Louisiana Board of Pharmacy.

(h) The establishment of standards and procedures for testing prescribed therapeutic marijuana samples for levels of tetrahydrocannabinol (THC) or other testing parameters deemed appropriate by the Louisiana Board of Pharmacy.

(i) The establishment of health, safety, and security requirements for dispensers of prescribed therapeutic marijuana.

(j) Licensure of dispensers of prescribed therapeutic marijuana.

(k) The establishment of financial requirements for applicants of therapeutic marijuana dispensing pharmacy license under which each applicant demonstrates the following:
(i) The financial capacity to operate a therapeutic marijuana dispensing pharmacy.

(ii) The ability to maintain an escrow account in a financial institution in Louisiana in an amount of two million dollars, if required by the Louisiana Board of Pharmacy.

D. The Louisiana Board of Pharmacy shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts relative to the provisions of this Section.

E. All rules shall be adopted in accordance with the provisions of the Administrative Procedure Act.

F. Nothing in this Section shall be construed to prohibit the Louisiana State Board of Medical Examiners or the Louisiana Pharmacy Board from adopting emergency rules as otherwise provided for in the Administrative Procedure Act.

G. Marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols prescribed pursuant to this Section shall be dispensed in person from a licensed pharmacy in good standing located in Louisiana.

H. A prescriber and dispenser of marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols pursuant to this Section shall review the patient’s information in the Prescription Monitoring Program database prior to the prescribing and dispensing thereof.

I. The Louisiana Board of Pharmacy shall develop an annual, nontransferable specialty license for a pharmacy to dispense prescribed marijuana for therapeutic use and shall limit the number of such licenses granted in the state to no more than ten licensees. The Louisiana Board of Pharmacy shall develop rules and regulations regarding the geographical locations of dispensing pharmacies in Louisiana.

J.(1) The Department of Agriculture and Forestry shall develop the rules and regulations regarding the production of prescribed therapeutic marijuana
and the facility producing therapeutic marijuana.

(2) The Department of Agriculture and Forestry shall develop an annual, nontransferable specialty license for the production of prescribed marijuana for therapeutic use and shall limit the number of such licenses granted in the state to no more than one licensee. Such a license shall be limited to one geographic location as provided by the Department of Agriculture and Forestry.

(3) The Department of Agriculture and Forestry shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts relative to the provisions of this Section.

K. The provisions of this Section shall terminate on January 1, 2020.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.

DIGEST
SB 143 Reengrossed 2015 Regular Session Mills

Present law provides that a physician licensed to practice medicine in this state and who is also registered to prescribe Schedule I substances with the Drug Enforcement Administration (DEA) may prescribe marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols for therapeutic use by patients clinically diagnosed as suffering from glaucoma, symptoms resulting from the administration of chemotherapy cancer treatment, and spastic quadriplegia in accordance with rules and regulations promulgated by the secretary of health and hospitals and in accordance with FDA (Food and Drug Administration) and DEA administrative guidelines for procurement of the controlled substance from the National Institute on Drug Abuse.

Proposed law authorizes a physician licensed to practice medicine in this state to prescribe marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols in any form except for inhalation and raw or crude for therapeutic use by patients.

Proposed law provides the Louisiana State Board of Medical Examiners (LSBME) submit an annual report to the legislature regarding recommendations as to additional diseases or medical conditions to be added to the eligible list of diseases and conditions for prescription.

Present law provides the secretary of health and hospitals, by January 1, 1992, shall promulgate rules and regulations authorizing physicians licensed to practice in this state to
Proposed law amends present law by removing the secretary of health and hospitals as the party promulgating the rules and regulations and placing the responsibility of promulgating the rules and regulations with the LSBME. Proposed law gives LSBME until January 1, 2016, to promulgate the rules and regulations.

Proposed law provides the Louisiana Board of Pharmacy (LBP) shall adopt rules relating to the dispensing of prescribed marijuana for therapeutic use no later than December 1, 2016, and LBP shall seek input from groups including but not limited to the following:

1. The Louisiana District Attorneys Association.
2. Professional law enforcement associations organizations and commissions.
3. The Department of Agriculture and Forestry.

Proposed law provides the rules shall include but not be limited to:

1. Standards, procedures, and protocols for the effective use of prescribed marijuana for therapeutic use as authorized by state law and related rules and regulations.
2. Standards, procedures, and protocols for the dispensing of prescribed therapeutic marijuana in Louisiana.
3. Procedures and protocols to provide that no prescribed therapeutic marijuana may be dispensed from, produced from, obtained from, sold to, or transferred to a location outside of this state.
4. The establishment of standards, procedures, and protocols for determining the amount of usable prescribed therapeutic marijuana that is necessary to constitute an adequate supply to ensure uninterrupted availability for a period of one month, including amounts for topical treatments.
5. The establishment of standards, procedures, and protocols to ensure that all prescribed therapeutic marijuana dispensed is consistently pharmaceutical grade.
6. The establishment of standards and procedures for the revocation, suspension, and nonrenewal of licenses.
7. The establishment of other licensing, renewal, and operational standards which are deemed necessary by the LBP.
8. The establishment of standards and procedures for testing prescribed therapeutic marijuana samples for levels of tetrahydrocannabinol (THC) or other testing parameters deemed appropriate by the board.
9. The establishment of health, safety, and security requirements for dispensers of prescribed therapeutic marijuana.
10. Create licenses for dispensers of prescribed therapeutic marijuana.
11. Establish financial requirements demonstrating financial capacity to operate a dispensing pharmacy and, if required by LBP, the ability to maintain a $2.0 million escrow account in a Louisiana bank.

Proposed law provides LBP shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts to provide for the provisions of the
proposed law.

Proposed law provides the all rules and regulations promulgated pursuant to proposed law shall be adopted in accordance with the provisions of the Administrative Procedure Act.

Proposed law provides nothing in the proposed shall be construed to prohibit LSBME or LBP from adopting emergency rules as otherwise provided for in the Administrative Procedure Act.

Proposed law provides marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols prescribed pursuant to present law shall be dispensed in person from a licensed pharmacy in good standing located in Louisiana.

Proposed law provides a prescriber and dispenser of marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols pursuant to present law shall review the patient's information in the Prescription Monitoring Program database prior to the prescribing and dispensing thereof.

Proposed law provides LBP shall develop an annual, nontransferable specialty license for a pharmacy to dispense prescribed marijuana for therapeutic use and shall limit the number of such licenses granted in the state to no more than ten licensees. Requires LBP to develop rules and regulations regarding the geographical locations of such pharmacies.

Proposed law provides The Department of Agriculture and Forestry shall develop the rules and regulations regarding the production of prescribed therapeutic marijuana and the facility producing therapeutic marijuana.

Proposed law provides the Department of Agriculture and Forestry shall develop an annual, nontransferable specialty license for the production of prescribed marijuana for therapeutic use and shall limit the number of such licenses granted in the state to no more than one licensee and to no more than one geographic location.

Proposed law provides the Department of Agriculture and Forestry shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts relative to the provisions of proposed law.

Provides for the termination of proposed law on January 1, 2020.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 40:1046)

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Health and Welfare to the original bill
