- (3) Procedures and protocols to provide that no prescribed therapeutic marijuana may be dispensed from, produced from, obtained from, sold to, or transferred to a location outside of this state.
- (4) The establishment of standards, procedures, and protocols for determining the amount of usable prescribed therapeutic marijuana that is necessary to constitute an adequate supply to ensure uninterrupted availability for a period of one month, including amounts for topical treatments.
- (5) The establishment of standards, procedures, and protocols to ensure that all prescribed therapeutic marijuana dispensed is consistently pharmaceutical grade.
- (6) The establishment of standards and procedures for the revocation, suspension, and nonrenewal of licenses.
- (7) The establishment of other licensing, renewal, and operational standards which are deemed necessary by the LBP.
- (8) The establishment of standards and procedures for testing prescribed therapeutic marijuana samples for levels of tetrahydrocannabinol (THC) or other testing parameters deemed appropriate by the board.
- (9) The establishment of health, safety, and security requirements for dispensers of prescribed therapeutic marijuana.
- (10) Create licenses for dispensers of prescribed therapeutic marijuana.
- (11) Establish financial requirements demonstrating financial capacity to operate a dispensing pharmacy and, if required by LBP, the ability to maintain a \$2.0 million escrow account in a Louisiana bank.

Proposed law provides LBP shall submit a report to the legislature no later than January 1, 2016, with recommendations on possible fee amounts to provide for the provisions of the

proposed law.

Proposed law provides the all rules and regulations promulgated pursuant to proposed law shall be adopted in accordance with the provisions of the Administrative Procedure Act.

Proposed law provides nothing in the proposed law shall be construed to prohibit LSBME or LBP from adopting emergency rules as otherwise provided for in the Administrative Procedure Act.

Proposed law provides marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols prescribed pursuant to present law shall be dispensed in person from a licensed pharmacy in good standing located in Louisiana.

Proposed law provides a prescriber and dispenser of marijuana, tetrahydrocannabinols, or a chemical derivative of tetrahydrocannabinols pursuant to present law shall review the patient's information in the Prescription Monitoring Program database prior to the prescribing and dispensing thereof.

Proposed law provides LBP shall develop an annual, nontransferable specialty license for a pharmacy to dispense prescribed marijuana for therapeutic use and shall limit the number of such licenses granted in the state to no more than ten licensees. Requires LBP to develop rules and regulations regarding the geographical locations of such pharmacies.

Proposed law provides The Department of Agriculture and Forestry shall develop the rules and regulations regarding the production of prescribed therapeutic marijuana and the facility producing therapeutic marijuana.
