LEGISLATORS' SALARIES - SENATE

	<i>FY 2015-2016 Appropriation</i>	<i>FY 2016-2017 Appropriation</i>	<i>Biennial Appropriation</i>
Total Operating Expense	2,305,318	2,305,318	
SENATE EXPENSES			
Total Operating Expense	10,043,710	11,442,593	

Included in the above appropriations for house and senate expenses are funds for a legislative business per diem allowance, meals, and other usual and customary expenses associated with legislative affairs. Except as provided below, this allowance is to be paid to each member of the general assembly for every day, including Sundays, during which the general assembly is convened in regular or special session, commencing with the day the session is officially convened and concluding with the day the session is adjourned sine die. However, after five (5) consecutive days of recess, the legislative business per diem allowance is to be made on an individual voucher basis until the recess concludes.

Each member of the general assembly is entitled, when authorized by the speaker of the house or the president pro tempore of the senate, to the legislative business per diem allowance for every day the member is engaged in official business.

The legislative business per diem allowance that each member of the general assembly is entitled to receive equals the maximum daily amount allowable to employees of the executive branch of the federal government for subsistence expenses while away from home in travel status in the Indianapolis area. The legislative business per diem changes each time there is a change in that maximum daily amount.

In addition to the legislative business per diem allowance, each member of the general assembly shall receive the mileage allowance in an amount equal to the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service for each mile necessarily traveled from the member's usual place of residence to the state capitol. However, if the member traveled by a means other than by motor vehicle, and the member's usual place of residence is more than one hundred (100) miles from the state capitol, the member is entitled to reimbursement in an amount equal to the lowest air travel cost incurred in traveling from the usual place of residence to the state capitol. During the period the general assembly is convened in regular or special session, the mileage allowance shall be limited to one (1) round trip each week per member.

Any member of the general assembly who is appointed by the governor, speaker of the house, president or president pro tempore of the senate, house or senate minority floor leader, or Indiana legislative council to serve on any research, study, or survey committee or commission, or who attends any meetings authorized or convened under the auspices of the Indiana legislative council, including pre-session conferences and

federal-state relations conferences, is entitled, when authorized by the legislative council, to receive the legislative business per diem allowance for each day the member is in actual attendance and is also entitled to a mileage allowance, at the rate specified above, for each mile necessarily traveled from the member's usual place of residence to the state capitol, or other in-state site of the committee, commission, or conference. The per diem allowance and the mileage allowance permitted under this paragraph shall be paid from the legislative council appropriation for legislator and lay member travel unless the member is attending an out-of-state meeting, as authorized by the speaker of the house of representatives or the president pro tempore of the senate, in which case the member is entitled to receive:

- (1) the legislative business per diem allowance for each day the member is engaged in approved out-of-state travel; and
- (2) reimbursement for traveling expenses actually incurred in connection with the member's duties, as provided in the state travel policies and procedures established by the legislative council.

Notwithstanding the provisions of this or any other statute, the legislative council may adopt, by resolution, travel policies and procedures that apply only to members of the general assembly or to the staffs of the house of representatives, senate, and legislative services agency, or both members and staffs. The legislative council may apply these travel policies and procedures to lay members serving on research, study, or survey committees or commissions that are under the jurisdiction of the legislative council. Notwithstanding any other law, rule, or policy, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency do not apply to members of the general assembly, to the staffs of the house of representatives, senate, or legislative services agency, or to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council (if the legislative council applies its travel policies and procedures to lay members under the authority of this SECTION), except that, until the legislative council adopts travel policies and procedures, the state travel policies and procedures established by the Indiana department of administration and approved by the budget agency apply to members of the general assembly, to the staffs of the house of representatives, senate, and legislative services agency, and to lay members serving on research, study, or survey committees or commissions under the jurisdiction of the legislative council. The executive director of the legislative services agency is responsible for the administration of travel policies and procedures adopted by the legislative council. The auditor of state shall approve and process claims for reimbursement of travel related expenses under this paragraph based upon the written affirmation of the speaker of the house of representatives, the president pro tempore of the senate, or the executive director of the legislative services agency that those claims comply with the travel policies and procedures adopted by the legislative council. If the funds appropriated

for the house and senate expenses and legislative salaries are insufficient to pay all the necessary expenses incurred, including the cost of printing the journals of the house and senate, there is appropriated such further sums as may be necessary to pay such expenses.

All such income and all such fees, earnings, and receipts on hand June 30, 2015, and all such income and fees, earnings, and receipts accruing thereafter are hereby appropriated to the boards of trustees or directors of the aforementioned institutions and may be expended for any necessary expenses of the respective institutions, including university hospitals, schools of medicine, nurses' training schools, schools of dentistry, and agricultural extension and experimental stations. The reports of the treasurer also shall contain in such form and in such detail as the governor and the budget agency may specify, complete information concerning receipts from all sources, together with any contracts, agreements, or arrangements with any federal agency, private foundation, corporation, or other entity from which such receipts accrue.

All such treasurers' reports are matters of public record and shall include without limitation a record of the purposes of any and all gifts and trusts with the sole exception of the names of those donors who request to remain anonymous.

Notwithstanding IC 4-10-11, the auditor of state shall draw warrants to the treasurers of Indiana University, Purdue University, Indiana State University, University of Southern Indiana, Ball State University, Vincennes University, and Ivy Tech Community College on the basis of vouchers stating the total amount claimed against each fund or account, or both, but not to exceed the legally made appropriations.

Funds shall be allocated to these agencies in accordance with the allocations specified below:

SECTION 12. [EFFECTIVE JULY 1, 2015]

In accordance with IC 20-20-38, the budget agency, with the advice of the board of education and the budget committee, may proportionately augment or reduce an allocation of federal funds made under SECTION 11 of this act.

SECTION 13. [EFFECTIVE JULY 1, 2015]

Utility bills for the month of June, travel claims covering the period June 16 to June 30, payroll for the period of the last half of June, any interdepartmental bills for supplies or services for the month of June, and any other miscellaneous expenses incurred during the period June 16 to June 30 shall be charged to the appropriation for the succeeding year. No interdepartmental bill shall be recorded as a refund of expenditure to any current year allotment account for supplies or services rendered or delivered at any time during the preceding June period.

SECTION 14. [EFFECTIVE JULY 1, 2015]

The budget agency, under IC 4-10-11, IC 4-12-1-13, and IC 4-13-1, in cooperation with the Indiana department of administration, may fix the amount of reimbursement for traveling expenses (other than transportation) for travel within the limits of Indiana. This amount may not exceed actual lodging and miscellaneous expenses incurred. A person in travel status, as defined by the state travel policies and procedures established by the Indiana department of administration and the budget agency, is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service.

All appropriations provided by this act or any other statute, for traveling and hotel expenses for any department, officer, agent, employee, person, trustee, or commissioner, are to be used only for travel within the state of Indiana, unless those expenses are incurred in traveling outside the state of Indiana on trips that previously have received approval as required by the state travel policies and procedures established by the Indiana department of administration and the budget agency. With the required approval, a reimbursement for out-of-state travel expenses

may be granted in an amount not to exceed actual lodging and miscellaneous expenses incurred. A person in travel status is entitled to a meal allowance not to exceed during any twenty-four (24) hour period the standard meal allowances established by the federal Internal Revenue Service for properly approved travel within the continental United States and a minimum of \$50 during any twenty-four (24) hour period for properly approved travel outside the continental United States. However, while traveling in Japan, the minimum meal allowance shall not be less than \$90 for any twenty-four (24) hour period. While traveling in Korea and Taiwan, the minimum meal allowance shall not be less than \$85 for any twenty-four (24) hour period. While traveling in Singapore, China, Great Britain, Germany, the Netherlands, and France, the minimum meal allowance shall not be less than \$65 for any twenty-four (24) hour period.

In the case of the state supported institutions of postsecondary education, approval for out-of-state travel may be given by the chief executive officer of the institution, or the chief executive officer's authorized designee, for the chief executive officer's respective personnel.

Before reimbursing overnight travel expenses, the auditor of state shall require documentation as prescribed in the state travel policies and procedures established by the Indiana department of administration and the budget agency. No appropriation from any fund may be construed as authorizing the payment of any sum in excess of the standard mileage rates for personally owned transportation equipment established by the federal Internal Revenue Service when used in the discharge of state business. The Indiana department of administration and the budget agency may adopt policies and procedures relative to the reimbursement of travel and moving expenses of new state employees and the reimbursement of travel expenses of prospective employees who are invited to interview with the state.

SECTION 15. [EFFECTIVE JULY 1, 2015]

Notwithstanding IC 4-10-11-2.1, the salary per diem of members of boards, commissions, and councils who are entitled to a salary per diem is equal to \$100 per day. However, members of boards, commissions, or councils who receive an annual or a monthly salary paid by the state are not entitled to the salary per diem provided in IC 4-10-11-2.1.

SECTION 16. [EFFECTIVE JULY 1, 2015]

No payment for personal services shall be made by the auditor of state unless the payment has been approved by the budget agency or the designee of the budget agency.

SECTION 17. [EFFECTIVE JULY 1, 2015]

No warrant for operating expenses, capital outlay, or fixed charges shall be issued to any department or an institution unless the receipts of the department or institution have been deposited into the state treasury for the month. However, if a department or an institution has more than \$10,000 in daily receipts, the receipts shall be deposited into the state treasury daily.

SECTION 18. [EFFECTIVE JULY 1, 2015]

In case of loss by fire or any other cause involving any state institution or department, the proceeds derived from the settlement of any claim for the loss shall be deposited in the state treasury, and the amount deposited is hereby reappropriated to the institution or department for the purpose of replacing the loss. If it is determined that the loss shall not be replaced, any funds received from the settlement of a claim shall be deposited into the state general fund.

SECTION 19. [EFFECTIVE JULY 1, 2015]

If an agency has computer equipment in excess of the needs of that agency, then the excess computer equipment may be sold under the provisions of surplus property sales, and the proceeds of the sale or sales shall be deposited in the state treasury. The amount so deposited is hereby reappropriated to that agency for other operating expenses of the then current year, if approved by the director of the budget agency.

SECTION 20. [EFFECTIVE JULY 1, 2015]

This act does not authorize any rehabilitation and repairs to any state buildings, nor does it allow that any obligations be incurred for lands and structures, without the prior approval of the budget director or the director's designee. This SECTION does not apply to contracts for the state universities supported in whole or in part by state funds.

SECTION 21. [EFFECTIVE JULY 1, 2015]

If an agency has an annual appropriation fixed by law, and if the agency also receives an appropriation in this act for the same function or program, the appropriation in this act supersedes any other appropriations and is the total appropriation for the agency for that program or function.

SECTION 22. [EFFECTIVE JULY 1, 2015]

The balance of any appropriation or funds heretofore placed or remaining to the credit of any division of the state of Indiana, and any appropriation or funds provided in this act placed to the credit of any division of the state of Indiana, the powers, duties, and functions whereof are assigned and transferred to any department for salaries, maintenance, operation, construction, or other expenses in the exercise of such powers, duties, and functions, shall be transferred to the credit of the department to which such assignment and transfer is made, and the same shall be available for the objects and purposes for which appropriated originally.

SECTION 23. [EFFECTIVE JULY 1, 2015]

The director of the division of procurement of the Indiana department of administration, or any other person or agency authorized to make purchases of equipment, shall not honor any requisition for the purchase of an automobile that is to be paid for from any appropriation made by this act or any other act, unless the following facts are shown to the satisfaction of the commissioner of the Indiana department of administration or the commissioner's designee:

- (1) In the case of an elected state officer, it shall be shown that the duties of the office require driving about the state of Indiana in the performance of official duty.
- (2) In the case of department or commission heads, it shall be shown that the statutory duties imposed in the discharge of the office require traveling a greater distance than one thousand (1,000) miles each month or that they are subject to official duty call at all times.
- (3) In the case of employees, it shall be shown that the major portion of the duties assigned to the employee require travel on state business in excess of one thousand (1,000) miles each month, or that the vehicle is identified by the agency as an integral part of the job assignment.

In computing the number of miles required to be driven by a department head or an employee, the distance between the individual's home and office or designated official station is not to be considered as a part of the total. Department heads shall annually submit justification for the continued assignment of each vehicle in their department, which shall be reviewed by the commissioner of the Indiana department of administration, or the commissioner's designee. There shall be an insignia permanently affixed on each side of all state owned cars, designating the cars as being state owned. However, this requirement does not apply to state owned cars driven by elected state officials or to cases where the commissioner of the Indiana department of administration or the commissioner's designee determines that affixing insignia on state owned cars would hinder or handicap the persons driving the cars in the performance of their official duties.

SECTION 24. [EFFECTIVE JULY 1, 2015]

When budget agency approval or review is required under this act, the budget agency may refer to the budget committee any budgetary or fiscal matter for an advisory recommendation. The budget committee may hold hearings and take any actions authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget agency.

SECTION 25. [EFFECTIVE JULY 1, 2015]

The governor of the state of Indiana is solely authorized to accept on behalf of the state any and all federal funds available to the state of Indiana. Federal funds received under this SECTION are appropriated for purposes specified by the federal government, subject to allotment by the budget agency. The provisions of this SECTION and all other SECTIONS concerning the acceptance, disbursement, review, and approval of any grant, loan, or gift made by the federal government or any other source to the state or its agencies and political subdivisions shall apply, notwithstanding any other law.

SECTION 26. [EFFECTIVE JULY 1, 2015]

Federal funds received as revenue by a state agency or department are not available to the agency or department for expenditure until allotment has been made by the budget agency under IC 4-12-1-12(d).

SECTION 27. [EFFECTIVE JULY 1, 2015]

A contract or an agreement for personal services or other services may not be entered into by any agency or department of state government without the approval of the budget agency or the designee of the budget director.

SECTION 28. [EFFECTIVE JULY 1, 2015]

Except in those cases where a specific appropriation has been made to cover the payments for any of the following, the auditor of state shall transfer, from the personal services appropriations for each of the various agencies and departments, necessary payments for Social Security, public employees' retirement, health insurance, life insurance, and any other similar payments directed by the budget agency.

SECTION 29. [EFFECTIVE JULY 1, 2015]

Subject to SECTION 24 of this act as it relates to the budget committee, the budget agency with the approval of the governor may withhold allotments of any or all appropriations contained in this act for the 2015-2017 biennium, if it is considered necessary to do so in order to prevent a deficit financial situation.

Notwithstanding IC 6-8.1-7-1(a), the terms of a settlement under this subsection are available for public inspection.

(c) The department shall establish an amnesty program for taxpayers having an unpaid tax liability for a listed tax that was due and payable for a tax period ending before ~~July 1, 2004~~. **January 1, 2013**. A taxpayer is not eligible for the amnesty program:

- (1) for any tax liability resulting from the taxpayer's failure to comply with IC 6-3-1-3.5(b)(3) with regard to the tax imposed by IC 4-33-13 **or IC 4-35-8; or**
- (2) **if the taxpayer participated in any previous amnesty program under:**

for listed taxes due from the taxpayer for the tax period for which amnesty has been granted to the taxpayer. Amnesty granted under this subsection is binding on the state and its agents. The department shall conduct an assessment of the impact of the tax amnesty program on tax collections and an analysis of the costs of administering the tax amnesty program. As soon as practicable after the end of the tax amnesty period, the department shall submit a copy of the assessment and analysis to the legislative council in an electronic format under IC 5-14-6. SECTION 211. IC 20-43-3-4, AS AMENDED BY P.L.205-2013, SECTION 273, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 30, 2015]: Sec. 4. (a) This subsection applies to the determination of a school corporation's previous year's revenue for purposes of determining distributions under this article. before July 1, 2013: A school corporation's previous year revenue equals the amount determined under STEP TWO of the following formula:

STEP ONE: Determine the school corporation's basic tuition support actually received for the year that precedes the current year.

STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (d) or IC 20-30-2-4.

(b) This subsection applies to the determination of a school corporation's previous year's revenue for purposes of determining distributions under this article after June 30, 2013, but before July 1, 2014: A

school corporation's previous year revenue equals the amount determined under STEP THREE of the following formula:

STEP ONE: Determine the school corporation's basic tuition support actually received for the state fiscal year that precedes the current state fiscal year.

STEP TWO: After making the following calculations; subtract the amount determined under clause (H) from the STEP ONE result:

(A) Subtract one (1) from the school corporation's 2012 complexity index:

(B) Multiply the clause (A) result by the school corporation's 2012 ADM:

(C) Multiply the clause (B) result by four thousand two hundred eighty dollars (\$4,280):

(D) Subtract one (1) from the school corporation's 2013 complexity index:

(E) Multiply the clause (D) result by the school corporation's 2013 ADM:

(F) Multiply the clause (E) result by four thousand four hundred five dollars (\$4,405):

(G) Determine the sum of the clause (C) and clause (F) results:

(H) Divide the clause (G) result by two (2):

STEP THREE: Subtract from the STEP TWO result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection (d) or IC 20-30-2-4:

(c) This subsection applies to the determination of a school corporation's previous year's revenue for purposes of determining distributions under this article after June 30, 2014. A school corporation's previous year revenue equals the amount determined under STEP TWO of **using** the following formula:

STEP ONE: Determine the school corporation's basic tuition support actually received for the state fiscal year that immediately precedes the current state fiscal year.

STEP TWO: Subtract from the STEP ONE result an amount equal to the reduction in the school corporation's state tuition support under any combination of subsection ~~(d)~~ **(b)** or IC 20-30-2-4.

~~(d)~~ **(b)** A school corporation's previous year revenue must be reduced if:

(1) the school corporation's state tuition support for special education or career and technical education is reduced as a result of a complaint being filed with the department after December 31, 1988, because the school program overstated the number of children enrolled in special education programs or career and technical education programs; and

(2) the school corporation's previous year revenue has not been reduced under this subsection more than one (1) time because of a given overstatement.

The amount of the reduction equals the amount the school corporation would have received in state tuition support for special education and career and technical education because of the overstatement.

SECTION 212. IC 20-43-3-7, AS ADDED BY P.L.205-2013, SECTION 274, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 30, 2015]: Sec. 7. (a) This section applies to distributions under this article that

For purposes of this article, a school corporation's "adjusted ADM" for the current year is the school corporation's current ADM. ~~However, for purposes of determining the adjusted ADM for distributions in the state fiscal year beginning July 1, 2013; and in the state fiscal year beginning July 1, 2014, the school corporation's February count of ADM may not be less than ninety percent (90%) of the school corporation's September count of ADM; regardless of the actual amount of the February count of ADM.~~

SECTION 215. IC 20-43-4-9, AS ADDED BY P.L.205-2013, SECTION 280, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 30, 2015]: Sec. 9. ~~(a) This subsection applies to the calculation of state tuition support distributions that are:~~

- ~~(1) made before July 1, 2013; and~~
- ~~(2) based on the current ADM of a school corporation.~~

~~The fall count of ADM for the school year ending June 30, 2013, as adjusted by the state board under section 2 of this chapter, shall be used to compute state tuition support distributions:~~

~~(b) (a) Subject to subsection (c); (b), this subsection applies to the calculation of state tuition support distributions that are~~

~~(c) (b) If the state board adjusts a count of ADM after a distribution is made under this article, the adjusted count retroactively applies to the amount of state tuition support distributed to a school corporation affected by the adjusted count. The department shall settle any overpayment or underpayment of state tuition support resulting from an adjusted count of ADM on the schedule determined by the department and approved by the budget agency.~~

SECTION 226. IC 20-43-10-3, AS ADDED BY P.L.205-2013, SECTION 300, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JUNE 29, 2015]: Sec. 3. (a) As used in this section, "achievement test" means a:

(1) test required by the ISTEP program; or

(2) Core 40 end of course assessment for the following:

(A) Algebra I.

(B) English 10.

(C) Biology I.

(b) As used in this section, "graduation rate" means the percentage graduation rate for a high school in a school corporation as determined under IC 20-26-13-10 but adjusted to reflect the pupils who meet the requirements of graduation under subsection ~~(d)~~: (c).

(c) As used in this section, "test" means either:

(1) a test required by the ISTEP program; or

(2) a Core 40 end of course assessment;

in the school year ending in the immediately preceding state fiscal year or, for purposes of a school year to school year comparison, in the school year immediately preceding that school year.

(d) A pupil meets the requirements of graduation for purposes of this section if the pupil successfully completed:

(1) a sufficient number of academic credits, or the equivalent of academic credits; and

(2) the graduation examination required under IC 20-32-3 through ~~IC 20-32-6~~; **IC 20-32-5**;

that resulted in the awarding of a high school diploma or an academic honors diploma to the pupil for the school year ending in the immediately preceding state fiscal year.

(e) Determinations for a school for a state fiscal year must be made using:

(1) the count of tests passed compared to the count of tests taken throughout the school;

- (2) the graduation rate in the high school; and
- (3) the count of pupils graduating in the high school.
- (f) In determining grants under this section, a school corporation may qualify for the following **two (2) grants** each year:
 - (1) One (1) grant under subsection (h), (i), or (j).
 - (2) One (1) grant under subsection (k), (l), or (m).
- (g) The sum of the **two (2)** grant amounts **described in subsection (f), as** determined for a school corporation under this section, constitutes an annual performance grant that is in addition to state tuition support. The annual performance grant for a state fiscal year shall be distributed to the school corporation before December 5 of that state fiscal year. **If the:**

(1) total amount to be distributed as performance grants for a particular state fiscal year exceeds the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations shall be proportionately reduced so that the total reduction equals the amount of the excess. The amount of the reduction for a particular school corporation is equal to the total amount of the excess multiplied by a fraction. The numerator of the fraction is the amount of the performance grant that the school corporation would have received if a reduction were not made under this section. The denominator of the fraction is the total amount that would be distributed as performance grants to all school corporations if a reduction were not made under this section; and

(2) total amount to be distributed as performance grants for a particular state fiscal year is less than the amount appropriated by the general assembly for performance grants for that state fiscal year, the total amount to be distributed as performance grants to school corporations for that particular state fiscal year shall be proportionately increased so that the total amount to be distributed equals the amount of the appropriation for that particular state fiscal year.

The performance grant received by a school corporation ~~may~~ **shall** be **allocated among and** used only to pay cash ~~awards~~ **stipends** to **all** teachers who are rated as effective or as highly effective **and employed by the school corporation as of December 1. The lead school corporation or interlocal cooperative administering a cooperative or other special education program or administering a career and technical education program, including programs managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award performance stipends to and carry out the other responsibilities of an employing school corporation under this section for the teachers in the special education program or career and technical education program. The amount of the distribution from an annual performance grant to an individual teacher is determined at the discretion of the governing body of the school corporation. The governing body shall differentiate between the amount of the stipend awarded to a teacher rated as a highly effective teacher and a teacher rated as an effective teacher and may differentiate between school buildings. A stipend to an individual teacher in a particular year is not subject to collective bargaining and is in addition to the minimum salary or increases in salary set under IC 20-28-9-1.5. In addition, an amount determined under the policies adopted by the governing body but not exceeding fifty percent (50%) of the amount of a stipend to an individual teacher in a particular state fiscal year beginning after June 30, 2015, becomes a permanent part of and increases the base salary of the teacher receiving the stipend for school years beginning after the state fiscal year in which the stipend is received. The addition to base salary under this section is not subject to collective bargaining, is payable from funds other than the**

performance grant, and is in addition to the minimum salary and increases in salary set under IC 20-28-9-1.5. The school corporation shall complete the appropriation process for all stipends from a performance grant to individual teachers before December 31 of the state fiscal year in which the performance grant is distributed to the school corporation and distribute all stipends from a performance grant to individual teachers before the immediately following January 31. Any part of the performance grant not distributed as stipends to teachers before February must be returned to the department on the earlier of the date set by the department or June 30 of that state fiscal year.

(h) A school qualifies for a grant under this subsection if the school has more than ~~seventy-two and five-tenths percent (72.5%)~~ **seventy-five percent (75%)** but less than ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) twenty-three dollars and fifty cents (\$23.50).

(i) A school qualifies for a grant under this subsection if the school has at least ninety percent (90%) of the tests taken in the school year ending in the immediately preceding state fiscal year that receive passing scores. The grant amount for the state fiscal year is:

- (1) the count of the school's passing scores on tests in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) forty-seven dollars (\$47).

(j) This subsection does not apply to a school corporation in its first year of operation **or to a school corporation that is entitled to a distribution under subsection (h) or (i).** A school qualifies for a grant under this subsection if the school's school year over school year percentage growth rate of achievement tests receiving passing scores was at least ~~five one percent (5%); (1%)~~, comparing the school year ending in the immediately preceding state fiscal year to the school year immediately preceding that school year. The grant amount for the state fiscal year is:

- (1) the count of the school corporation's pupils who had a passing score on their achievement test in the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) ~~forty-seven dollars (\$47);~~ **one hundred sixty dollars (\$160).**

(k) A school qualifies for a grant under this subsection if the school had a graduation rate of ninety percent (90%) or more for the school year ending in the immediately preceding state fiscal year. The grant amount for the state fiscal year is:

- (1) the count of the school corporation's pupils who met the requirements for graduation for the school year ending in the immediately preceding state fiscal year; multiplied by
- (2) one hundred seventy-six dollars (\$176).

(l) A school qualifies for a grant under this subsection if the school had a graduation rate greater than seventy-five percent (75%) but less than ninety percent (90%) for the school year ending in the immediately preceding state fiscal year. The grant amount for the state fiscal year is:

Unless the context clearly requires otherwise, a reference to a school corporation in this chapter includes a school corporation career and technical education school described in IC 20-37-1-1. However, an advance to a school corporation career and technical education school described in IC 20-37-1-1 is not considered an advance to a school corporation for purposes of determining if the school corporation career and technical education school described in IC 20-37-1-1 qualifies for an advance.

SECTION 232. IC 20-49-9 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]:

Chapter 9. Charter and Innovation School Advance Program

Sec. 1. (a) This chapter applies to the following:

- (1) A charter school that does not receive a pro rata share of local property tax revenue.
- (2) An innovation network school located in a school city, as defined in IC 20-25-2-12, that existed on January 1, 2015, that does not receive a pro rata share of local property tax revenue (referred to as an innovation network school in this chapter).

Sec. 2. As used in this chapter, "advance" refers to an advance under this chapter.

Sec. 3. As used in this chapter, "charter school" refers to a school established under IC 20-24. However, the term does not include a virtual charter school or an adult high school (as defined in IC 20-24-1-2.3).

Sec. 4. As used in this chapter, "school" refers to a charter school or an innovation network school described in section 1(a)(2) of this chapter.

Sec. 5. (a) The charter and innovation network school advance program is established. The purpose of the program is to make advances to schools.

(b) The state board shall administer the program.

(c) The total amount of advances that the state board may make under this chapter during the state biennium beginning July 1, 2015, and ending June 30, 2017, may not exceed fifty million dollars (\$50,000,000).

Sec. 6. (a) The state board shall establish a written application procedure for providing advances to schools.

(b) To apply for an advance, a school must submit an application that contains the information required by the state board.

Sec. 7. If a school files an application for an advance as required by the state board, and the state board finds that the school:

- (1) qualifies for an advance under section 8 of this chapter; and
- (2) will use the advance proceeds for educational purposes;

the state board shall make the advance to the school.

Sec. 8. (a) A school qualifies for an advance under this chapter if the school is one (1) of the following:

- (1) A charter school in its first or second year of operation.
- (2) A charter school that was placed in the "A", "B", or "C" category or designation of performance established under IC 20-31-8-3 for the most recently completed school year.

- (4) A school that has a majority of students with developmental, intellectual, or behavioral challenges.

Except as provided in subsection (c), if the charter school has been placed

in the same or a better category or designation of performance, the state board shall make the advance to the charter school.

(c) If a charter school:

- (1) does not qualify for an advance under subsection (a); and
- (2) for two (2) consecutive years the charter school has not been placed in the same or a better category or designation of performance established under IC 20-31-8-3 for the most recently completed school year than the nearest noncharter public school that is configured to teach the same grades of students as the charter school teaches;

the charter school is not eligible for an advance, unless the charter school is placed in the "C" category or designation of performance or better established under IC 20-31-8-3 for the most recently completed school year.

Sec. 9. The state board may make advances under this chapter on a per student basis.

Sec. 10. The following apply to an advance under this chapter:

- (5) A school may receive multiple advances from the fund as long as the total amount outstanding on all advances to the school from the fund does not exceed the maximum amount set forth in subdivision (2).
- (6) If advance proceeds are to be used by a school to construct or purchase a school facility, the school shall provide the state board with an adequate security interest for the repayment of the advance, in the form and amount determined by the Indiana department of administration. If the school operator sells its equity interest in the school facility, the state board shall redetermine the adequacy of its security interest and may hold a public hearing to determine whether any tax dollar equity funded with the advance should be paid to the state.

Sec. 11. To ensure timely payment of an advance according to the terms of the advance, the state board may withhold from funds due to the charter school to which the advance is made in the amount necessary to pay the advance.

Sec. 12. If the state board withholds funds under this chapter, the state board first shall withhold funds from the distribution of state tuition support to the school to which the advance is made. If the state tuition support distribution is unavailable or inadequate, the state board may withhold funds from any other distribution of state funds to the charter school.

Sec. 13. An advance under this chapter to a school is not an obligation of the school within the meaning of a constitutional limitation on or prohibition against indebtedness. This chapter does not relieve the organizer of the charter school of the duty to qualify the charter school for state tuition support.

SECTION 252. IC 27-8-10-5.1, AS AMENDED BY SEA 420-2015, SECTION 39, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 5.1. (a) A person is not eligible for an association policy if the person is eligible for any of the coverage described in subdivisions (1) and (2). A person other than a federally eligible individual may not apply for an association policy unless the person has applied for:

(1) Medicaid; and

(2) coverage under the:

(A) preexisting condition insurance plan program established by the Secretary of Health and Human Services under Section 1101 of Title I of the federal Patient Protection and Affordable Care Act (P.L. 111-148); and

(B) **healthy** Indiana ~~check-up~~ plan under IC 12-15-44.2;

not more than sixty (60) days before applying for the association policy.

(b) Except as provided in subsection (c), a person is not eligible for an association policy if, at the effective date of coverage, the person has or is eligible for coverage under any insurance plan that equals or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana as set forth in IC 27. However, an offer of coverage described in IC 27-8-5-2.5(e) (expired July 1, 2007, and removed), IC 27-8-5-2.7, IC 27-8-5-19.2(e) (expired July 1, 2007, and repealed), or IC 27-8-5-19.3 does not affect an individual's eligibility for an association policy under this subsection. Coverage under any association policy is in excess of, and may not duplicate, coverage under any other form of health insurance.

(c) Except as provided in IC 27-13-16-4 and subsection (a), a person is eligible for an association policy upon a showing that:

- (1) the person has been rejected by one (1) carrier for coverage under any insurance plan that equals or exceeds the minimum requirements for accident and sickness insurance policies issued in Indiana, as set forth in IC 27, without material underwriting restrictions;
- (2) an insurer has refused to issue insurance except at a rate exceeding the association plan rate; or
- (3) the person is a federally eligible individual.

For the purposes of this subsection, eligibility for Medicare coverage does not disqualify a person who is less than sixty-five (65) years of age from eligibility for an association policy.

(d) Coverage under an association policy terminates as follows:

- (1) On the first date on which an insured is no longer a resident of Indiana.
- (2) On the date on which an insured requests cancellation of the association policy.
- (3) On the date of the death of an insured.
- (4) At the end of the policy period for which the premium has been paid.
- (5) On the first date on which the insured no longer meets the eligibility requirements under this section.

(e) An association policy must provide that coverage of a dependent unmarried child terminates when the child becomes nineteen (19) years of age (or twenty-five (25) years of age if the child is enrolled full time in an accredited educational institution). The policy must also provide in substance that attainment of the limiting age does not operate to terminate a dependent unmarried child's coverage while the dependent is and continues to be both:

- (1) incapable of self-sustaining employment by reason of a mental, intellectual, or physical disability; and
- (2) chiefly dependent upon the person in whose name the contract is issued for support and maintenance.

However, proof of such incapacity and dependency must be furnished to the carrier within one hundred twenty (120) days of the child's attainment of the limiting age, and subsequently as may be required by the carrier, but not more frequently than annually after the two (2) year period following the child's attainment of the limiting age.

(f) An association policy that provides coverage for a family member of the person in whose name the contract is issued must, as to the family member's coverage, also provide that the health insurance benefits applicable for children are payable with respect to a newly born child of the person in whose name the contract is issued from the moment of birth. The coverage for newly born children must consist of coverage of injury or illness, including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities. If payment of a specific premium is required to provide coverage for the child, the contract may require that notification of the birth of a child and payment of the required premium must be furnished to the carrier within thirty-one (31) days after the date of birth in order to have the coverage continued beyond the thirty-one (31) day period.

(g) Except as provided in subsection (h), an association policy may contain provisions under which coverage is excluded during a period of three (3) months following the effective date of coverage as to a given covered individual for preexisting conditions, as long as medical advice or treatment was recommended or received within a period of three (3) months before the effective date of coverage. This

subsection may not be construed to prohibit preexisting condition provisions in an insurance policy that are more favorable to the insured.

(h) If a person applies for an association policy within six (6) months after termination of the person's coverage under a health insurance arrangement and the person meets the eligibility requirements of subsection (c), then an association policy may not contain provisions under which:

- (1) coverage as to a given individual is delayed to a date after the effective date or excluded from the policy; or
- (2) coverage as to a given condition is denied;

on the basis of a preexisting health condition. This subsection may not be construed to prohibit preexisting condition provisions in an insurance policy that are more favorable to the insured.

(i) For purposes of this section, coverage under a health insurance arrangement includes, but is not limited to, coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985.
