BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

PART I

Intent and Tax Preference Performance Statement

NEW SECTION. Sec. 101. (1)(a) The legislature finds the implementation of Initiative Measure No. 502 has established a clearly disadvantaged regulated legal market with respect to prices and the ability to compete with the unregulated medical dispensary market and the illicit market. The legislature further finds that it is crucial that the state continues to ensure a safe, highly regulated system in Washington that protects valuable state revenues.
while continuing efforts towards disbanding the unregulated marijuana markets. The legislature further finds that ongoing evaluation on the impact of meaningful marijuana tax reform for the purpose of stabilizing revenues is crucial to the overall effort of protecting the citizens and resources of this state. The legislature further finds that a partnership with local jurisdictions in this effort is imperative to the success of the legislature's policy objective. The legislature further finds that sharing revenues to promote a successful partnership in achieving the legislature's intent should be transparent and hold local jurisdictions accountable for their use of state shared revenues. Therefore, the legislature intends to reform the current tax structure for the regulated legal marijuana system to create price parity with the large medical and illicit markets with the specific objective of increasing the market share of the legal and highly regulated marijuana market. The legislature further intends to share marijuana tax revenues with local jurisdictions for public safety purposes and to facilitate the ongoing process of ensuring a safe regulated marijuana market in all communities across the state.

(b) The legislature further finds marijuana use for qualifying patients is a valid and necessary option health care professionals may recommend for their patients. The legislature further finds that while recognizing the difference between recreational and medical use of marijuana, it is also imperative to distinguish that the authorization for medical use of marijuana is different from a valid prescription provided by a doctor to a patient. The legislature further finds the authorization for medical use of marijuana is unlike over-the-counter medications that require no oversight by a health care professional. The legislature further finds that due to the unique characterization of authorizations for the medical use of marijuana, the policy of providing a tax preference benefit for patients using an authorization should in no way be construed as precedent for changes in the treatment of prescription medications or over-the-counter medications. Therefore, the legislature intends to provide qualifying patients and their designated providers a retail sales and use tax exemption on marijuana purchased or obtained for medical use when authorized by a health care professional.

(2)(a) This subsection is the tax preference performance statement for the retail sales and use tax exemption for marijuana purchased or obtained by qualifying patients or their designated
providers provided in sections 207(1) and 208(1) of this act. The performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(b) The legislature categorizes the tax preference as one intended to accomplish the general purposes indicated in RCW 82.32.808(2)(e).

(c) It is the legislature's specific public policy objective to provide qualifying patients and their designated providers a retail sales and use tax exemption on marijuana purchased or obtained for medical use when authorized by a health care professional.

(d) To measure the effectiveness of the exemption provided in this act in achieving the specific public policy objective described in (c) of this subsection, the department of revenue must provide the necessary data and assistance to the state liquor and cannabis board for the report required in RCW 69.50.535.

PART II
Marijuana Excise Tax, Exemptions, and Distribution of Revenues

Sec. 201. RCW 69.50.334 and 2013 c 3 s 7 are each amended to read as follows:

(1) The action, order, or decision of the state liquor and cannabis board as to any denial of an application for the reissuance of a license to produce, process, or sell marijuana, or as to any revocation, suspension, or modification of any license to produce, process, or sell marijuana, or as to the administrative review of a notice of unpaid trust fund taxes under section 202 of this act, must be an adjudicative proceeding and subject to the applicable provisions of chapter 34.05 RCW.

(2) An opportunity for a hearing may be provided to an applicant for the reissuance of a license prior to the disposition of the application, and if no opportunity for a prior hearing is provided then an opportunity for a hearing to reconsider the application must be provided the applicant.

(3) An opportunity for a hearing must be provided to a licensee prior to a revocation or modification of any license and, except as provided in subsection (4) of this section, prior to the suspension of any license.
An opportunity for a hearing must be provided to any person issued a notice of unpaid trust fund taxes under section 202 of this act.

(5) No hearing may be required under this section until demanded by the applicant, licensee, or person issued a notice of unpaid trust fund taxes under section 202 of this act.

(6) The state liquor and cannabis board may summarily suspend a license for a period of up to one hundred eighty days without a prior hearing if it finds that public health, safety, or welfare imperatively require emergency action, and it incorporates a finding to that effect in its order. Proceedings for revocation or other action must be promptly instituted and determined. An administrative law judge may extend the summary suspension period for up to one calendar year from the first day of the initial summary suspension in the event the proceedings for revocation or other action cannot be completed during the initial one hundred eighty-day period due to actions by the licensee. The state liquor and cannabis board's enforcement division shall complete a preliminary staff investigation of the violation before requesting an emergency suspension by the state liquor and cannabis board.

NEW SECTION. Sec. 202. A new section is added to chapter 69.50 RCW under the subchapter heading "article V" to read as follows:

(1) Whenever the board determines that a limited liability business entity has collected trust fund taxes and has failed to remit those taxes to the board and that business entity has been terminated, dissolved, or abandoned, or is insolvent, the board may pursue collection of the entity's unpaid trust fund taxes, including penalties on those taxes, against any or all of the responsible individuals. For purposes of this subsection, "insolvent" means the condition that results when the sum of the entity's debts exceeds the fair market value of its assets. The board may presume that an entity is insolvent if the entity refuses to disclose to the board the nature of its assets and liabilities.

(b) All other responsible individuals are liable under this section only for trust fund tax liability that became due during the period he or she had the responsibility or duty to remit payment of the limited liability business entity's taxes to the board.

(4) Persons described in subsection (3)(b) of this section are exempt from liability under this section in situations where nonpayment of the limited liability business entity's trust fund taxes was due to reasons beyond their control as determined by the board by rule.

(5) Any person having been issued a notice of unpaid trust fund taxes under this section is entitled to an administrative hearing under RCW 69.50.334 and any such rules the board may adopt.

(1) For the purpose of considering any application for a license to produce, process, research, transport, or deliver marijuana, useable marijuana, marijuana concentrates, or marijuana-infused products subject to the regulations established under section 502 of this act, or sell marijuana, or for the renewal of a license to produce, process, research, transport, or deliver marijuana, useable marijuana, marijuana concentrates, or marijuana-infused products subject to the regulations established under section 502 of this act, or sell marijuana, the state liquor and cannabis board must conduct a comprehensive, fair, and impartial evaluation of the applications timely received.

(a) The state liquor and cannabis board must develop a competitive, merit-based application process that includes, at a minimum, the opportunity for an applicant to demonstrate experience
and qualifications in the marijuana industry. The state liquor and
cannabis board ((shall)) must give preference between competing
applications in the licensing process to applicants that have the
following experience and qualifications, in the following order of
priority:

(i) First priority is given to applicants who:

(A) Applied to the state liquor and cannabis board for a
marijuana retailer license prior to July 1, 2014;

(B) Operated or were employed by a collective garden before
January 1, 2013;

(C) Have maintained a state business license and a municipal
business license, as applicable in the relevant jurisdiction; and

(D) Have had a history of paying all applicable state taxes and
fees;

(ii) Second priority ((shall)) must be given to applicants who:

(A) Operated or were employed by a collective garden before
January 1, 2013;

connection with the construction and operation of the premises. For
the purpose of reviewing any application for a license and for
considering the denial, suspension, revocation, or renewal or denial
thereof, of any license, the state liquor and cannabis board may
consider any prior criminal conduct of the applicant including an
administrative violation history record with the state liquor and
cannabis board and a criminal history record information check. The
state liquor and cannabis board may submit the criminal history
record information check to the Washington state patrol and to the
identification division of the federal bureau of investigation in
order that these agencies may search their records for prior arrests
and convictions of the individual or individuals who filled out the
forms. The state liquor and cannabis board ((shall)) must require
fingerprinting of any applicant whose criminal history record
information check is submitted to the federal bureau of
investigation. The provisions of RCW 9.95.240 and of chapter 9.96A
RCW (shall) do not apply to these cases. Subject to the provisions
of this section, the state liquor and cannabis board may, in its
discretion, grant or deny the renewal or license applied for. Denial

activity documented in objections submitted pursuant to subsections
(7)(c) and (9)(10) of this section. Authority to approve an
uncontested or unopposed license may be granted by the state liquor
and cannabis board to any staff member the board designates in

If the person has continued to meet all other requirements for
reinstatement during the suspension, reissuance of the license
(shall be) is automatic upon the state liquor and cannabis board's
receipt of a release issued by the department of social and health
services stating that the licensee is in compliance with the order.
(c) The state liquor and cannabis board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under rules and regulations the state liquor and cannabis board may adopt.

(d) Witnesses ((shall)) must be allowed fees and mileage each way to and from any inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.05.446. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

(e) In case of disobedience of any person to comply with the order of the state liquor and cannabis board or a subpoena issued by the state liquor and cannabis board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he or she may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, ((shall)) compels obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(3) Upon receipt of notice of the suspension or cancellation of a license, the licensee ((shall)) must forthwith deliver up the license to the state liquor and cannabis board. Where the license has been suspended only, the state liquor and cannabis board ((shall)) must return the license to the licensee at the expiration or termination of the period of suspension. The state liquor and cannabis board ((shall)) must notify all other licensees in the county where the subject licensee has its premises of the suspension or cancellation of the license; and no other licensee or employee of another licensee may allow or cause any marijuana, marijuana concentrates, useable marijuana, or marijuana-infused products to be delivered to or for any person at the premises of the subject licensee.

city or town, or to the county legislative authority, if the
application is for a license outside the boundaries of incorporated
cities or towns.

(b) The incorporated city or town through the official or
employee selected by it, or the county legislative authority or the
official or employee selected by it, ((shall have)) has the right to
file with the state liquor and cannabis board within twenty days
after the date of transmittal of the notice for applications, or at
least thirty days prior to the expiration date for renewals, written
objections against the applicant or against the premises for which
the new or renewed license is asked. The state liquor and cannabis
board may extend the time period for submitting written objections.

(c) The written objections ((shall)) must include a statement of
all facts upon which the objections are based, and in case written
objections are filed, the city or town or county legislative
authority may request, and the state liquor and cannabis board may in
its discretion hold, a hearing subject to the applicable provisions
of Title 34 RCW. If the state liquor and cannabis board makes an
initial decision to deny a license or renewal based on the written
objections of an incorporated city or town or county legislative
authority, the applicant may request a hearing subject to the
applicable provisions of Title 34 RCW. If a hearing is held at the
request of the applicant, state liquor and cannabis board
representatives ((shall)) must present and defend the state liquor
and cannabis board's initial decision to deny a license or renewal.

(b) A city, county, or town may permit the licensing of premises within one thousand feet but not less than one hundred feet of the facilities described in (a) of this subsection, except elementary schools, secondary schools, and playgrounds, by enacting an ordinance authorizing such distance reduction, provided that such distance reduction will not negatively impact the jurisdiction’s civil regulatory enforcement, criminal law enforcement interests, public safety, or public health.

(c) A city, county, or town may permit the licensing of research premises allowed under RCW 69.50.--- (section 1, chapter 71, Laws of 2015) within one thousand feet but not less than one hundred feet of the facilities described in (a) of this subsection by enacting an ordinance authorizing such distance reduction, provided that the ordinance will not negatively impact the jurisdiction’s civil regulatory enforcement, criminal law enforcement, public safety, or public health.

"Eligible city" means any city or town in which sales of marijuana products are attributable to a marijuana retailer, as defined in RCW 69.50.101, located within the boundaries of the city or town.

(d) By September 15th of each year, the state liquor and cannabis board must provide the state treasurer the annual distribution amount, if any, for each county and city as determined in subsection (2) of this section.
