15 (70 ILCS 530/7) (from Ch. 85, par. 7157)

16 Sec. 7. Bonds.

17 (a) The Authority, with the written approval of the
18 Governor, shall have the continuing power to issue bonds,
19 notes, or other evidences of indebtedness in an aggregate
20 amount outstanding not to exceed \$500,000,000 for the purpose
21 of developing, constructing, acquiring or improving projects,
22 including those established by business entities locating or
23 expanding property within the territorial jurisdiction of the
24 Authority, for entering into venture capital agreements with
25 businesses locating or expanding within the territorial

1 jurisdiction of the Authority, for acquiring and improving any
2 property necessary and useful in connection therewith and for
3 the purposes of the Employee Ownership Assistance Act. For the
4 purpose of evidencing the obligations of the Authority to repay
5 any money borrowed, the Authority may, pursuant to resolution,
6 from time to time issue and dispose of its interest bearing
7 revenue bonds, notes or other evidences of indebtedness and may
8 also from time to time issue and dispose of such bonds, notes
9 or other evidences of indebtedness to refund, at maturity, at a
10 redemption date or in advance of either, any bonds, notes or
11 other evidences of indebtedness pursuant to redemption
12 provisions or at any time before maturity. All such bonds,
13 notes or other evidences of indebtedness shall be payable
14 solely and only from the revenues or income to be derived from
15 loans made with respect to projects, from the leasing or sale
16 of the projects or from any other funds available to the
17 Authority for such purposes. The bonds, notes or other
18 evidences of indebtedness may bear such date or dates, may
19 mature at such time or times not exceeding 40 years from their
20 respective dates, may bear interest at such rate or rates not
21 exceeding the maximum rate permitted by "An Act to authorize
22 public corporations to issue bonds, other evidences of
23 indebtedness and tax anticipation warrants subject to interest
24 rate limitations set forth therein", approved May 26, 1970, as
25 amended, may be in such form, may carry such registration
26 privileges, may be executed in such manner, may be payable at

1 such place or places, may be made subject to redemption in such
2 manner and upon such terms, with or without premium as is
3 stated on the face thereof, may be authenticated in such manner
4 and may contain such terms and covenants as may be provided by
5 an applicable resolution.

6 (b-1) The holder or holders of any bonds, notes or other
7 evidences of indebtedness issued by the Authority may bring
8 suits at law or proceedings in equity to compel the performance
9 and observance by any corporation or person or by the Authority
10 or any of its agents or employees of any contract or covenant
11 made with the holders of such bonds, notes or other evidences
12 of indebtedness, to compel such corporation, person, the
13 Authority and any of its agents or employees to perform any
14 duties required to be performed for the benefit of the holders
15 of any such bonds, notes or other evidences of indebtedness by
16 the provision of the resolution authorizing their issuance and
17 to enjoin such corporation, person, the Authority and any of
18 its agents or employees from taking any action in conflict with
19 any such contract or covenant.

20 (b-2) If the Authority fails to pay the principal of or
21 interest on any of the bonds or premium, if any, as the same
22 become due, a civil action to compel payment may be instituted
23 in the appropriate circuit court by the holder or holders of
24 the bonds on which such default of payment exists or by an
25 indenture trustee acting on behalf of such holders. Delivery of
26 a summons and a copy of the complaint to the Chairman of the

1 Board shall constitute sufficient service to give the circuit
2 court jurisdiction of the subject matter of such a suit and
3 jurisdiction over the Authority and its officers named as
4 defendants for the purpose of compelling such payment. Any
5 case, controversy or cause of action concerning the validity of
6 this Act relates to the revenue of the State of Illinois.

7 (c) Notwithstanding the form and tenor of any such bonds,
8 notes or other evidences of indebtedness and in the absence of
9 any express recital on the face thereof that it is
10 non-negotiable, all such bonds, notes and other evidences of
11 indebtedness shall be negotiable instruments. Pending the
12 preparation and execution of any such bonds, notes or other
13 evidences of indebtedness, temporary bonds, notes or evidences
14 of indebtedness may be issued as provided by ordinance.

15 (d) To secure the payment of any or all of such bonds,
16 notes or other evidences of indebtedness, the revenues to be
17 received by the Authority from a lease agreement or loan
18 agreement shall be pledged, and, for the purpose of setting
19 forth the covenants and undertakings of the Authority in
20 connection with the issuance thereof and the issuance of any
21 additional bonds, notes or other evidences of indebtedness
22 payable from such revenues, income or other funds to be derived
23 from projects, the Authority may execute and deliver a mortgage
24 or trust agreement. A remedy for any breach or default of the
25 terms of any such mortgage or trust agreement by the Authority
26 may be by mandamus proceedings in the appropriate circuit court

1 to compel the performance and compliance therewith, but the
2 trust agreement may prescribe by whom or on whose behalf such
3 action may be instituted.

4 (e) Such bonds or notes shall be secured as provided in the
5 authorizing ordinance which may, notwithstanding any other
6 provision of this Act, include in addition to any other
7 security a specific pledge or assignment of and lien on or
8 security interest in any or all revenues or money of the
9 Authority from whatever source which may by law be used for
10 debt service purposes and a specific pledge or assignment of
11 and lien on or security interest in any funds or accounts
12 established or provided for by ordinance of the Authority
13 authorizing the issuance of such bonds or notes.

14 (f) (Blank). ~~In the event that the Authority determines~~
15 ~~that monies of the Authority will not be sufficient for the~~
16 ~~payment of the principal of and interest on its bonds during~~
17 ~~the next State fiscal year, the Chairman, as soon as~~
18 ~~practicable, shall certify to the Governor the amount required~~
19 ~~by the Authority to enable it to pay such principal of and~~
20 ~~interest on the bonds. The Governor shall submit the amount so~~
21 ~~certified to the General Assembly as soon as practicable, but~~
22 ~~no later than the end of the current State fiscal year. This~~
23 ~~Section shall not apply to any bonds or notes as to which the~~
24 ~~Authority shall have determined, in the resolution authorizing~~
25 ~~the issuance of the bonds or notes, that this Section shall not~~
26 ~~apply. Whenever the Authority makes such a determination, that~~

1 ~~fact shall be plainly stated on the face of the bonds or notes~~
2 ~~and that fact shall also be reported to the Governor.~~

3 ~~In the event of a withdrawal of moneys from a reserve fund~~
4 ~~established with respect to any issue or issues of bonds of the~~
5 ~~Authority to pay principal or interest on those bonds, the~~
6 ~~Chairman of the Authority, as soon as practicable, shall~~
7 ~~certify to the Governor the amount required to restore the~~
8 ~~reserve fund to the level required in the resolution or~~
9 ~~indenture securing those bonds. The Governor shall submit the~~
10 ~~amount so certified to the General Assembly as soon as~~
11 ~~practicable, but no later than the end of the current State~~
12 ~~fiscal year. This subsection (f) shall not apply to any bond~~
13 ~~issued on or after the effective date of this amendatory Act of~~
14 ~~the 97th General Assembly.~~

15 (g) The State of Illinois pledges to and agrees with the
16 holders of the bonds and notes of the Authority issued pursuant
17 to this Section that the State will not limit or alter the
18 rights and powers vested in the Authority by this Act so as to
19 impair the terms of any contract made by the Authority with
20 such holders or in any way impair the rights and remedies of
21 such holders until such bonds and notes, together with interest
22 thereon, with interest on any unpaid installments of interest,
23 and all costs and expenses in connection with any action or
24 proceedings by or on behalf of such holders, are fully met and
25 discharged. In addition, the State pledges to and agrees with
26 the holders of the bonds and notes of the Authority issued

1 pursuant to this Section that the State will not limit or alter
2 the basis on which State funds are to be paid to the Authority
3 as provided in this Act, or the use of such funds, so as to
4 impair the terms of any such contract. The Authority is
5 authorized to include these pledges and agreements of the State
6 in any contract with the holders of bonds or notes issued
7 pursuant to this Section.

20 (Source: P.A. 77-699.)

21 (70 ILCS 2305/0.5 new)

22 Sec. 0.5. Sanitary district references. On and after the

1 date the sanitary district renames itself under Section 4 of
2 this Act, any references to "sanitary district" in this Act
3 shall mean "water reclamation district". Any references to
4 "North Shore Sanitary District" in this Act shall mean "North
5 Shore Water Reclamation District".

6 (70 ILCS 2305/4) (from Ch. 42, par. 280)

7 Sec. 4. Board of trustees; powers; compensation. The
8 trustees shall constitute a board of trustees for the district.
9 The board of trustees is the corporate authority of the
10 district, and shall exercise all the powers and manage and
11 control all the affairs and property of the district. The board
12 shall elect a president and vice-president from among their own
13 number. In case of the death, resignation, absence from the
14 state, or other disability of the president, the powers, duties
15 and emoluments of the office of the president shall devolve
16 upon the vice-president, until the disability is removed or
17 until a successor to the president is appointed and chosen in
18 the manner provided in this Act. The board may select a
19 secretary, treasurer, executive director, and attorney, and
20 may provide by ordinance for the employment of other employees
21 as the board may deem necessary for the municipality. The board
22 may appoint such other officers and hire such employees to
23 manage and control the operations of the district as it deems
24 necessary; provided, however, that the board shall not employ
25 an individual as a wastewater operator whose Certificate of

1 Technical Competency is suspended or revoked under rules
2 adopted by the Pollution Control Board under item (4) of
3 subsection (a) of Section 13 of the Environmental Protection
4 Act. All employees selected by the board shall hold their
5 respective offices during the pleasure of the board, and give
6 such bond as may be required by the board. The board may
7 prescribe the duties and fix the compensation of all the
8 officers and employees of the sanitary district. However, the
9 president of the board of trustees shall not receive more than
10 \$10,000 per year and the other members of the board shall not
11 receive more than \$7,000 per year. However, beginning with the
12 commencement of the new term of each board member in 1993, the
13 president shall not receive more than \$11,000 per year and each
14 other member of the board shall not receive more than \$8,000
15 per year. Beginning with the commencement of the first new term
16 after the effective date of this amendatory Act of the 95th
17 General Assembly, the president of the board shall not receive
18 more than \$14,000 per year, and each other member of the board
19 shall not receive more than \$11,000 per year. Notwithstanding
20 any other provision of this Section, the board of trustees may
21 increase the annual rate of compensation at a separate flat
22 amount for the president and the other members with a vote by
23 at least 4 of the 5 trustees, and the increased annual rate of
24 compensation shall apply to the president and the other members
25 whose terms as members of the board commence after the increase
26 in compensation is adopted by the board. The board of trustees

1 has full power to pass all necessary ordinances, rules and
2 regulations for the proper management and conduct of the
3 business of the board and of the corporation, and for carrying
4 into effect the objects for which the sanitary district was
5 formed. The ordinances may provide for a fine for each offense
6 of not less than \$100 or more than \$1,000. Each day's
7 continuance of a violation shall be a separate offense. Fines
8 under this Section are recoverable by the sanitary district in
9 a civil action. The sanitary district is authorized to apply to
10 the circuit court for injunctive relief or mandamus when, in
11 the opinion of the chief administrative officer, the relief is
12 necessary to protect the sewerage system of the sanitary
13 district.

14 The board of trustees shall have the authority to change
15 the name of the District, by ordinance, to the North Shore
16 Water Reclamation District. Any such name change shall not
17 impair the legal status of any act by the sanitary district. If
18 an ordinance is passed pursuant to this paragraph, all
19 provisions of this Act shall apply to the newly renamed
20 district. No rights, duties, or privilege of such sanitary
21 district or of any person existing before the change of name
22 shall be affected by the change in the name of the sanitary
23 district. All proceedings pending in any court relating to such
24 sanitary district may continue to final consummation under the
25 name in which they were commenced.

26 (Source: P.A. 98-162, eff. 8-2-13.)

1 (70 ILCS 2305/7.6 new)

2 Sec. 7.6. Rates for treatment and disposal of sewage and
3 surface or ground water. The board of trustees shall have the
4 authority by ordinance to establish, revise, and maintain rates
5 or charges for the treatment and disposal of sewage and surface
6 or ground water. Any user charge, industrial waste surcharge,
7 or industrial cost recovery charge imposed by the sanitary
8 district, together with all penalties, interest, and costs
9 imposed in connection therewith, shall be liens against the
10 real estate which receives the service or benefit for which the
11 charges are being imposed; provided, however, such liens shall
12 not attach to such real estate until such charges or rates have
13 become delinquent as provided by the ordinance of the sanitary
14 district and provided further, that nothing in this Section
15 shall be construed to give the sanitary district a preference
16 over the rights of any purchaser, mortgagee, judgment creditor,
17 or other lien holder arising prior to the filing in the office
18 of the recorder of the county in which real estate is located
19 of notice of the lien, which notice shall consist of a sworn
20 statement setting out (1) a description of the real estate for
21 which the service or the benefit was rendered sufficient to
22 identify the real estate, (2) the amount or amounts of money
23 due for such service or benefit, and (3) the date or dates when
24 such amount or amounts became delinquent. The sanitary district
25 shall have the power to foreclose such lien in the same manner

1 and with the same effect as in the foreclosure of mortgages on
2 real estate.

3 The assertion of liens against real estate by the sanitary
4 district to secure payment of user charges, industrial waste
5 surcharges, or industrial cost recovery charges imposed by the
6 sanitary district as indicated in the previous paragraph shall
7 be in addition to any other remedy or right of recovery which
8 the sanitary district may have with respect to the collection
9 or recovery of such charges imposed by the sanitary district.

10 Judgment in a civil action brought by the sanitary district to
11 recover or collect such charges shall not operate as a release
12 and waiver of the lien upon the real estate for the amount of
13 the judgment. Only satisfaction of the judgment or the filing
14 of a release or satisfaction of lien shall release said lien.
15 The lien for charges on account of services or benefits
16 provided for in this Section and the rights created hereunder
17 shall be in addition to the lien upon real estate created by
18 and imposed for general real estate taxes.

19 (70 ILCS 2305/7.7 new)

20 Sec. 7.7. Discharge into sewers of the sanitary district.

21 (a) As used in this Section:

22 "Executive director" means the executive director of the
23 sanitary district.

24 "Industrial wastes" means all solids, liquids, or gaseous

1 manufacturing, agricultural, trade, or business operation or
2 process, or from the development, recovery, or processing of
3 natural resources.

4 "Other wastes" means decayed wood, sawdust, shavings,
5 bark, lime, refuse, ashes, garbage, offal, oil, tar, chemicals,
6 and all other substances except sewage and industrial wastes.

8 venture, sole proprietorship, company, partnership, estate
9 copartnership, corporation, joint stock company, trust, school

11 organized or existing under the laws of this or any other state
12 or country.

13 "Sewage" means water-carried human wastes or a combination
14 of water-carried wastes from residences, buildings,
15 businesses, industrial establishments, institutions, or other
16 places together with any ground, surface, storm, or other water
17 that may be present.

18 (b) It shall be unlawful for any person to discharge
19 sewage, industrial waste, or other wastes into the sewerage
20 system of the sanitary district or into any sewer tributary
21 therewith, except upon the terms and conditions that the
22 sanitary district might reasonably impose by way of ordinance,
23 permit, rule, or regulation.

24 The sanitary district, in addition to all other powers
25 vested in it and in the interest of public health and safety,
26 or as authorized by subsections (b) and (c) of Section 46 of

1 the Environmental Protection Act, is hereby empowered to pass
2 all ordinances, rules, or regulations necessary to implement
3 this Section, including, but not limited to, the imposition of
4 charges based on factors that influence the cost of treatment,
5 including strength and volume, and including the right of
6 access during reasonable hours to the premises of a person for
7 enforcement of adopted ordinances, rules, or regulations.

8 (c) Whenever the sanitary district, acting through the
9 executive director, determines that sewage, industrial wastes,
10 or other wastes are being discharged into the sewerage system
11 and when, in the opinion of the executive director, the
12 discharge is in violation of an ordinance, rules, or
13 regulations adopted by the board of trustees under this Section
14 governing industrial wastes or other wastes, the executive
15 director shall order the offending party to cease and desist.
16 The order shall be served by certified mail or personally on
17 the owner, officer, registered agent, or individual designated
18 by permit.

19 In the event the offending party fails or refuses to
20 discontinue the discharge within 90 days after notification of
21 the cease and desist order, the executive director may order
22 the offending party to show cause before the board of trustees
23 of the sanitary district why the discharge should not be
24 discontinued. A notice shall be served on the offending party
25 directing him, her, or it to show cause before the board of
26 trustees why an order should not be entered directing the

1 discontinuance of the discharge. The notice shall specify the
2 time and place where a hearing will be held and shall be served
3 personally or by registered or certified mail at least 10 days
4 before the hearing; and, in the case of a unit of local
5 government or a corporation, the service shall be upon an
6 officer or agent thereof. After reviewing the evidence, the
7 board of trustees may issue an order to the party responsible
8 for the discharge, directing that within a specified period of
9 time the discharge be discontinued. The board of trustees may
10 also order the party responsible for the discharge to pay a
11 civil penalty in an amount specified by the board of trustees
12 that is not less than \$1,000 nor more than \$2,000 per day for
13 each day of discharge of effluent in violation of this Act as
14 provided in subsection (d). The board of trustees may also
15 order the party responsible for the violation to pay court
16 reporter costs and hearing officer fees in an amount not
17 exceeding \$3,000.

18 (d) The board of trustees shall establish procedures for
19 assessing civil penalties and issuing orders under subsection
20 (c) as follows:

21 (1) In making its orders and determinations, the board
22 of trustees shall take into consideration all the facts and
23 circumstances bearing on the activities involved and the
24 assessment of civil penalties as shown by the record
25 produced at the hearing.

26 (2) The board of trustees shall establish a panel of

1 one or more independent hearing officers to conduct all
2 hearings on the assessment of civil penalties and issuance
3 of orders under subsection (c). All hearing officers shall
4 be attorneys licensed to practice law in this State.

5 (3) The board of trustees shall promulgate procedural
6 rules governing the proceedings, the assessment of civil
7 penalties, and the issuance of orders.

8 (4) All hearings shall be on the record, and testimony
9 taken must be under oath and recorded stenographically.
10 Transcripts so recorded must be made available to any
11 member of the public or any party to the hearing upon
12 payment of the usual charges for transcripts. At the
13 hearing, the hearing officer may issue, in the name of the
14 board of trustees, notices of hearing requesting the
15 attendance and testimony of witnesses, the production of
16 evidence relevant to any matter involved in the hearing,
17 and may examine witnesses.

18 (5) The hearing officer shall conduct a full and
19 impartial hearing on the record, with an opportunity for
20 the presentation of evidence and cross-examination of the
21 witnesses. The hearing officer shall issue findings of
22 fact, conclusions of law, a recommended civil penalty, and
23 an order based solely on the record. The hearing officer
24 may also recommend, as part of the order, that the
25 discharge of industrial waste be discontinued within a
26 specified time.

1 (6) The findings of fact, conclusions of law,
2 recommended civil penalty, and order shall be transmitted
3 to the board of trustees along with a complete record of
4 the hearing.

5 (7) The board of trustees shall either approve or
6 disapprove the findings of fact, conclusions of law,
7 recommended civil penalty, and order. If the findings of
8 fact, conclusions of law, recommended civil penalty, or
9 order are rejected, the board of trustees shall remand the
10 matter to the hearing officer for further proceedings. If
11 the order is accepted by the board of trustees, it shall
12 constitute the final order of the board of trustees.

13 (8) The civil penalty specified by the board of
14 trustees shall be paid within 35 days after the party on
15 whom it is imposed receives a written copy of the order of
16 the board of trustees, unless the person or persons to whom
17 the order is issued seeks judicial review.

18 (9) If a person seeks judicial review of the order
19 assessing civil penalties, the person shall, within 35 days
20 after the date of the final order, pay the amount of the
21 civil penalties into an escrow account maintained by the
22 sanitary district for that purpose or file a bond
23 guaranteeing payment of the civil penalties if the civil
24 penalties are upheld on review.

25 (10) Civil penalties not paid by the times specified
26 above shall be delinquent and subject to a lien recorded

1 against the property of the person ordered to pay the
2 penalty. The foregoing provisions for asserting liens
3 against real estate by the sanitary district shall be in
4 addition to any other remedy or right of recovery that the
5 sanitary district may have with respect to the collection
6 or recovery of penalties and charges imposed by the
7 sanitary district. Judgment in a civil action brought by
8 the sanitary district to recover or collect the charges
9 shall not operate as a release and waiver of the lien upon
10 the real estate for the amount of the judgment. Only
11 satisfaction of the judgment or the filing of a release or
12 satisfaction of lien shall release the lien.

13 (e) The executive director may order a person to cease the
14 discharge of industrial waste upon a finding by the executive
15 director that the final order of the board of trustees entered
16 after a hearing to show cause has been violated. The executive
17 director shall serve the person with a copy of his or her order
18 either by certified mail or personally by serving the owner,
19 officer, registered agent, or individual designated by permit.
20 The order of the executive director shall also schedule an
21 expedited hearing before a hearing officer designated by the
22 board of trustees for the purpose of determining whether the
23 person has violated the final order of the board of trustees.
24 The board of trustees shall adopt rules of procedure governing
25 expedited hearings. In no event shall the hearing be conducted
26 less than 7 days after service of the executive director's

1 order.

2 At the conclusion of the expedited hearing, the hearing
3 officer shall prepare a report with his or her findings and
4 recommendations and transmit it to the board of trustees. If
5 the board of trustees, after reviewing the findings and
6 recommendations, and the record produced at the hearing,
7 determines that the person has violated the board of trustees'
8 final order, the board of trustees may authorize the plugging
9 of the sewer. The executive director shall give not less than
10 10 days' written notice of the board of trustees' order to the
11 owner, officer, registered agent, or individual designated by
12 permit, as well as the owner of record of the real estate and
13 other parties known to be affected, that the sewer will be
14 plugged.

15 The foregoing provision for plugging a sewer shall be in
16 addition to any other remedy that the sanitary district may
17 have to prevent violation of its ordinances and orders of its
18 board of trustees.

19 (f) A violation of the final order of the board of trustees
20 shall be considered a nuisance. If any person discharges
21 sewage, industrial wastes, or other wastes into any waters
22 contrary to the final order of the board of trustees, the
23 sanitary district, acting through the executive director, has
24 the power to commence an action or proceeding in the circuit
25 court in and for the county in which the sanitary district is
26 located for the purpose of having the discharge stopped either

1 by mandamus or injunction, or to remedy the violation in any
2 manner provided for in this Section.

3 The court shall specify a time, not exceeding 20 days after
4 the service of the copy of the complaint, in which the party
5 complained of must plead to the complaint, and in the meantime,
6 the party may be restrained. In case of default or after
7 pleading, the court shall immediately inquire into the facts
8 and circumstances of the case and enter an appropriate judgment
9 in respect to the matters complained of. Appeals may be taken
10 as in other civil cases.

11 (g) The sanitary district, acting through the executive
12 director, has the power to commence an action or proceeding for
13 mandamus or injunction in the circuit court ordering a person
14 to cease its discharge, when, in the opinion of the executive
15 director, the person's discharge presents an imminent danger to
16 the public health, welfare, or safety; presents or may present
17 an endangerment to the environment; or threatens to interfere
18 with the operation of the sewerage system or a water
19 reclamation plant under the jurisdiction of the sanitary
20 district. The initiation of a show cause hearing is not a
21 prerequisite to the commencement by the sanitary district of an
22 action or proceeding for mandamus or injunction in the circuit
23 court. The court shall specify a time, not exceeding 20 days
24 after the service of a copy of the petition, in which the party
25 complained of must answer the petition, and in the meantime,
26 the party may be restrained. In case of default in answer or

1 after answer, the court shall immediately inquire into the
2 facts and circumstances of the case and enter an appropriate
3 judgment order in respect to the matters complained of. An
4 appeal may be taken from the final judgment in the same manner
5 and with the same effect as appeals are taken from judgment of
6 the circuit court in other actions for mandamus or injunction.

7 (h) Whenever the sanitary district commences an action
8 under subsection (f) of this Section, the court shall assess a
9 civil penalty of not less than \$1,000 nor more than \$10,000 for
10 each day the person violates the board of trustees' order.
11 Whenever the sanitary district commences an action under
12 subsection (g) of this Section, the court shall assess a civil
13 penalty of not less than \$1,000 nor more than \$10,000 for each
14 day the person violates the ordinance. Each day's continuance
15 of the violation is a separate offense. The penalties provided
16 in this Section plus interest at the rate set forth in the
17 Interest Act on unpaid penalties, costs, and fees, imposed by
18 the board of trustees under subsection (d); the reasonable
19 costs to the sanitary district of removal or other remedial
20 action caused by discharges in violation of this Act;
21 reasonable attorney's fees; court costs; other expenses of
22 litigation; and costs for inspection, sampling, analysis, and
23 administration related to the enforcement action against the
24 offending party are recoverable by the sanitary district in a
25 civil action.

26 (i) The board of trustees may establish fees for late

1 filing of reports with the sanitary district required by an
2 ordinance governing discharges. The sanitary district shall
3 provide by certified mail a written notice of the fee
4 assessment that states the person has 30 days after the receipt
5 of the notice to request a conference with the executive
6 director's designee to discuss or dispute the appropriateness
7 of the assessed fee. Unless a person objects to paying the fee
8 for filing a report late by timely requesting in writing a
9 conference with a designee of the executive director, that
10 person waives his or her right to a conference and the sanitary
11 district may impose a lien recorded against the property of the
12 person for the amount of the unpaid fee.

13 If a person requests a conference and the matter is not
14 resolved at the conference, the person subject to the fee may
15 request an administrative hearing before an impartial hearing
16 officer appointed under subsection (d) to determine the
17 person's liability for and the amount of the fee. If the
18 hearing officer finds that the late filing fees are owed to the
19 sanitary district, the sanitary district shall notify the
20 responsible person or persons of the hearing officer's
21 decision. If payment is not made within 30 days after the
22 notice, the sanitary district may impose a lien on the property
23 of the person or persons.

24 Any liens filed under this subsection shall apply only to
25 the property to which the late filing fees are related. A claim
26 for lien shall be filed in the office of the recorder of the

1 county in which the property is located. The filing of a claim
2 for lien by the sanitary district does not prevent the sanitary
3 district from pursuing other means for collecting late filing
4 fees. If a claim for lien is filed, the sanitary district shall
5 notify the person whose property is subject to the lien, and
6 the person may challenge the lien by filing an action in the
7 circuit court. The action shall be filed within 90 days after
8 the person receives the notice of the filing of the claim for
9 lien. The court shall hear evidence concerning the underlying
10 reasons for the lien only if an administrative hearing has not
11 been held under this subsection.

12 (j) To be effective service under this Section, a demand or
13 order sent by certified or registered mail to the last known
14 address need not be received by the offending party. Service of
15 the demand or order by registered or certified mail shall be
16 deemed effective upon deposit in the United States mail with
17 proper postage prepaid and addressed as provided in this
18 Section.

19 (k) The provisions of the Administrative Review Law and all
20 amendments and rules adopted pursuant to that Law apply to and
21 govern all proceedings for the judicial review of final
22 administrative decisions of the board of trustees in the
23 enforcement of any ordinance, rule, or regulation adopted under
24 this Act. The cost of preparing the record on appeal shall be
25 paid by the person seeking a review of an order or action
26 pursuant to the Administrative Review Law.

1 (1) The provisions of this Section are severable under
2 Section 1.31 of the Statute on Statutes.

3 (70 ILCS 2305/11) (from Ch. 42, par. 287)

4 Sec. 11. Except as otherwise provided in this Section, all
5 contracts for purchases or sales by the municipality, the
6 expense of which will exceed the mandatory competitive bid
7 threshold, shall be let to the lowest responsible bidder
8 therefor upon not less than 14 days' public notice of the terms
9 and conditions upon which the contract is to be let, having
10 been given by publication in a newspaper of general circulation
11 published in the district, and the board may reject any and all
12 bids and readvertise. In determining the lowest responsible
13 bidder, the board shall take into consideration the qualities
14 and serviceability of the articles supplied, their conformity
15 with specifications, their suitability to the requirements of
16 the district, the availability of support services, the
17 uniqueness of the service, materials, equipment, or supplies as
18 it applies to network integrated computer systems, the
19 compatibility of the service, materials, equipment or supplies
20 with existing equipment, and the delivery terms. Contracts for
21 services in excess of the mandatory competitive bid threshold
22 may, subject to the provisions of this Section, be let by
23 competitive bidding at the discretion of the district board of
24 trustees. All contracts for purchases or sales that will not
25 exceed the mandatory competitive bid threshold may be made in

1 the open market without publication in a newspaper as above
2 provided, but whenever practical shall be based on at least 3
3 competitive bids. For purposes of this Section, the "mandatory
4 competitive bid threshold" is a dollar amount equal to 0.1% of
5 the total general fixed assets of the district as reported in
6 the most recent required audit report. In no event, however,
7 shall the mandatory competitive bid threshold dollar amount be
8 less than \$10,000, nor more than \$40,000.

9 Cash, a cashier's check, a certified check, or a bid bond
10 with adequate surety approved by the board of trustees as a
11 deposit of good faith, in a reasonable amount, but not in
12 excess of 10% of the contract amount, may be required of each
13 bidder by the district on all bids involving amounts in excess
14 of the mandatory competitive bid threshold and, if so required,
15 the advertisement for bids shall so specify.

16 Contracts which by their nature are not adapted to award by
17 competitive bidding, including, without limitation, contracts
18 for the services of individuals, groups or firms possessing a
19 high degree of professional skill where the ability or fitness
20 of the individual or organization plays an important part,
21 contracts for financial management services undertaken
22 pursuant to "An Act relating to certain investments of public
23 funds by public agencies", approved July 23, 1943, as now or
24 hereafter amended, contracts for the purchase or sale of
25 utilities, contracts for commodities including supply
26 contracts for natural gas and electricity, contracts for

1 materials economically procurable only from a single source of
2 supply, contracts for services, supplies, materials, parts, or
3 equipment which are available only from a single source or
4 contracts for maintenance, repairs, OEM supplies, or OEM parts
5 from the manufacturer or from a source authorized by the
6 manufacturer, contracts for the use, purchase, delivery,
7 movement, or installation of data processing equipment,
8 software, or services and telecommunications and interconnect
9 equipment, software, or services, contracts for duplicating
10 machines and supplies, contracts for goods or services procured
11 from another governmental agency, purchases of equipment
12 previously owned by an entity other than the district itself,
13 purchases of used equipment, purchases at auction or similar
14 transactions which by their very nature are not suitable to
15 competitive bids, and leases of real property where the
16 sanitary district is the lessee shall not be subject to the
17 competitive bidding requirements of this Section.

18 The District may use a design-build procurement method for
19 any public project which shall not be subject to the
20 competitive bidding requirements of this Section provided the
21 Board of Trustees approves the contract for the public project
22 by a vote of 4 of the 5 trustees. For the purposes of this
23 Section, "design-build" means a delivery system that provides
24 responsibility within a single contract for the furnishing of
25 architecture, engineering, land surveying and related services
26 as required, and the labor, materials, equipment, and other

1 construction services for the project.

2 In the case of an emergency affecting the public health or
3 safety so declared by the Board of Trustees of the municipality
4 at a meeting thereof duly convened, which declaration shall
5 require the affirmative vote of four of the five Trustees, and
6 shall set forth the nature of the danger to the public health
7 or safety, contracts totaling not more than the emergency
8 contract cap may be let to the extent necessary to resolve such
9 emergency without public advertisement or competitive bidding.
10 For purposes of this Section, the dollar amount of an emergency
11 contract shall not be less than \$40,000, nor more than
12 \$350,000. The Resolution or Ordinance in which such declaration
13 is embodied shall fix the date upon which such emergency shall
14 terminate which date may be extended or abridged by the Board
15 of Trustees as in their judgment the circumstances require. A
16 full written account of any such emergency, together with a
17 requisition for the materials, supplies, labor or equipment
18 required therefor shall be submitted immediately upon
19 completion and shall be open to public inspection for a period
20 of at least one year subsequent to the date of such emergency
21 purchase. ~~Within 30 days after the passage of the resolution or~~
22 ~~ordinance declaring an emergency affecting the public health or~~
23 ~~safety, the municipality shall submit to the Illinois~~
24 ~~Environmental Protection Agency the full written account of any~~
25 ~~such emergency along with a copy of the resolution or ordinance~~
26 ~~declaring the emergency, in accordance with requirements as may~~

1 ~~be provided by rule.~~

2 To address operating emergencies not affecting the public
3 health or safety, the Board of Trustees shall authorize, in
4 writing, officials or employees of the sanitary district to
5 purchase in the open market and without advertisement any
6 supplies, materials, equipment, or services for immediate
7 delivery to meet the bona fide operating emergency, without
8 filing a requisition or estimate therefor, in an amount not in
9 excess of \$100,000; provided that the Board of Trustees must be
10 notified of the operating emergency. A full, written account of
11 each operating emergency and a requisition for the materials,
12 supplies, equipment, and services required to meet the
13 operating emergency must be immediately submitted by the
14 officials or employees authorized to make purchases to the
15 Board of Trustees. The account must be available for public
16 inspection for a period of at least one year after the date of
17 the operating emergency purchase. The exercise of authority
18 with respect to purchases for a bona fide operating emergency
19 is not dependent on a declaration of an operating emergency by
20 the Board of Trustees.

21 The competitive bidding requirements of this Section do not
22 apply to contracts, including contracts for both materials and
23 services incidental thereto, for the repair or replacement of a
24 sanitary district's treatment plant, sewers, equipment, or
25 facilities damaged or destroyed as the result of a sudden or
26 unexpected occurrence, including, but not limited to, a flood,

1 fire, tornado, earthquake, storm, or other natural or man-made
2 disaster, if the board of trustees determines in writing that
3 the awarding of those contracts without competitive bidding is
4 reasonably necessary for the sanitary district to maintain
5 compliance with a permit issued under the National Pollution
6 Discharge Elimination System (NPDES) or any successor system or
7 with any outstanding order relating to that compliance issued
8 by the United States Environmental Protection Agency, the
9 Illinois Environmental Protection Agency, or the Illinois
10 Pollution Control Board. The authority to issue contracts
11 without competitive bidding pursuant to this paragraph expires
12 6 months after the date of the writing determining that the
13 awarding of contracts without competitive bidding is
14 reasonably necessary.

15 No Trustee shall be interested, directly or indirectly, in
16 any contract, work or business of the municipality, or in the
17 sale of any article, whenever the expense, price or
18 consideration of the contract work, business or sale is paid
19 either from the treasury or by any assessment levied by any
20 Statute or Ordinance. No Trustee shall be interested, directly
21 or indirectly, in the purchase of any property which (1)
22 belongs to the municipality, or (2) is sold for taxes or
23 assessments of the municipality, or (3) is sold by virtue of
24 legal process in the suit of the municipality.

25 A contract for any work or other public improvement, to be
26 paid for in whole or in part by special assessment or special

1 taxation, shall be entered into and the performance thereof
2 controlled by the provisions of Division 2 of Article 9 of the
3 "Illinois Municipal Code", approved May 29, 1961, as heretofore
4 or hereafter amended, as near as may be. However, contracts may
5 be let for making proper and suitable connections between the
6 mains and outlets of the respective sanitary sewers in the
7 district with any conduit, conduits, main pipe or pipes that
8 may be constructed by such sanitary district.

10 (70 ILCS 2305/18.5 new)

11 Sec. 18.5. Contracts. The sanitary district may enter into
12 contracts with municipalities or other parties outside the
13 sanitary district that may request service from the sanitary
14 district at higher rates than the existing rates for like
15 consumers within the sanitary district to allow the sanitary
16 district to obtain a fair return to cover the costs of
17 financing, constructing, operating, and maintaining its
18 facilities. In the event that thereafter such rates are not
19 agreed upon by the parties or are not otherwise provided for by
20 contract, such rates shall be fixed and determined by the
21 circuit court of Lake County after a petition has been filed
22 with that court.

23 (70 ILCS 2305/31 new)

24 Sec. 31. Resource recovery.

1 (a) As used in this Section:

2 "Recovered resources" means any material produced by or
3 extracted from the operation of sanitary district facilities,
4 including, but not limited to:

5 (1) solids, including solids from the digestion
6 process, semi-solids, or liquid materials;

7 (2) gases, including biogas, carbon dioxide, and
8 methane;

9 (3) nutrients;

10 (4) algae;

11 (5) treated effluent; and

12 (6) thermal energy or hydropower.

13 "Renewable energy facility" shall have the same meaning as
14 a facility defined under Section 5 of the Renewable Energy
15 Production District Act.

16 "Renewable energy resources" means resources as defined
17 under Section 1-10 of the Illinois Power Agency Act.

18 "Resource recovery" means the recovery of material or
19 energy from waste as defined under Section 3.435 of the
20 Environmental Protection Act.

21 (b) The General Assembly finds that:

22 (1) technological advancements in wastewater treatment
23 have resulted in the ability to capture recovered resources
24 and produce renewable energy resources from material
25 previously discarded;

26 (2) the capture and beneficial reuse of recovered

1 resources and the production of renewable energy resources
2 serve a wide variety of environmental benefits including,
3 but not limited to, improved water quality, reduction of
4 greenhouse gases, reduction of carbon footprint, reduction
5 of landfill usage, reduced usage of hydrocarbon-based
6 fuels, return of nutrients to the food cycle, and reduced
7 water consumption;

8 (3) the sanitary district is a leader in the field of
9 wastewater treatment and possesses the expertise and
10 experience necessary to capture and beneficially reuse or
11 prepare for beneficial reuse recovered resources,
12 including renewable energy resources; and

13 (4) the sanitary district has the opportunity and
14 ability to change the approach to wastewater treatment from
15 that of a waste material to be disposed of to one of a
16 collection of resources to be recovered, reused, and sold,
17 with the opportunity to provide the sanitary district with
18 additional sources of revenue and reduce operating costs.

19 (c) The sanitary district may sell or otherwise dispose of
20 recovered resources or renewable energy resources resulting
21 from the operation of sanitary district facilities, and may
22 construct, maintain, finance, and operate such activities,
23 facilities, and other works as are necessary for that purpose.

24 (d) The sanitary district may take in materials which are
25 used in the generation of usable products from recovered
26 resources, or which increase the production of renewable energy

1 resources, including but not limited to food waste, organic
2 fraction of solid waste, commercial or industrial organic
3 wastes, fats, oils, greases, and vegetable debris.

4 (e) The authorizations granted to the sanitary district
5 under this Section shall not be construed as modifying or
6 limiting any other law or regulation. Any actions taken
7 pursuant to the authorities granted in this Section must be in
8 compliance with all applicable laws and regulations,
9 including, but not limited to, the Environmental Protection
10 Act, and rules adopted under that Act.

11 Section 15. The Sanitary District Act of 1917 is amended by
12 changing Section 17.1 as follows:

13 (70 ILCS 2405/17.1) (from Ch. 42, par. 316.1)

14 Sec. 17.1. Acquiring district or municipal treatment
15 works.

16 (a) After incorporation, any district organized under this
17 Act may, in accordance with this Act and an intergovernmental
18 agreement with the sanitary district being acquired or the
19 municipality from whom the treatment works and lines are to be
20 acquired, acquire the territory, treatment works, lines,
21 appurtenances, and other property of (i) any sanitary district
22 organized under this Act, the Sanitary District Act of 1907,
23 the North Shore Water Reclamation ~~Sanitary~~ District Act, the
24 Sanitary District Act of 1936, or the Metro-East Sanitary

1 District Act of 1974 or (ii) any municipality whose treatment
2 works were established under the Illinois Municipal Code or the
3 Municipal Wastewater Disposal Zones Act, regardless of whether
4 that district or municipality is contiguous to the acquiring
5 sanitary district. The distance between the sanitary district
6 being acquired or municipality and the acquiring sanitary
7 district, however, as measured between the points on their
8 corporate boundaries that are nearest to each other, shall not
9 exceed 20 miles. In the case of a municipality, only that
10 property used by the municipality for transport, treatment, and
11 discharge of wastewater and for disposal of sewage sludge shall
12 be transferred to the acquiring sanitary district.

13 (b) The board of trustees of the sanitary district being
14 acquired, or the corporate authorities of a municipality whose
15 treatment works is being acquired, shall, jointly with the
16 board of trustees of the acquiring sanitary district, petition
17 the circuit court of the county containing all or the larger
18 portion of the sanitary district being acquired or the
19 municipality to permit the acquisition. The petition shall show
20 the following:

21 (1) The reason for the acquisition.

22 (2) That there are no debts of the sanitary district
23 being acquired or municipality outstanding, or that there
24 are sufficient funds on hand or available to satisfy those
25 debts.

26 (3) That no contract or federal or State permit or

1 grant will be impaired by the acquisition.

2 (4) That all assets and responsibilities of the
3 sanitary district being acquired or municipality, as they
4 relate to wastewater treatment, have been properly
5 assigned to the acquiring sanitary district.

6 (5) That the acquiring sanitary district will pay any
7 court costs incurred in connection with the petition.

8 (6) The boundaries of the acquired sanitary district or
9 municipality as of the date of the petition.

10 (c) Upon adequate notice, including appropriate notice to
11 the Illinois Environmental Protection Agency, the circuit
12 court shall hold a hearing to determine whether there is good
