93 which a handicapped person is registered to vote is not handicap accessible, to transfer that
94 person's registration to the nearest polling place in the county which is handicap accessible. A
95 request by a handicapped person for a transfer of registration must be received by the county
96 clerk no later than thirty days prior to the date of the election. ~~Any~~ A handicapped person who has
97 not made a request for a transfer of registration at least thirty days prior to the date of the election
98 may vote a provisional ballot at a handicap accessible polling place in the county of his or her

100 registered in a precinct that is not handicap accessible, the voted ballot, if otherwise valid, shall

108 from the unmarked envelope.

109 (c) When the voter's signature is properly marked and the voter has presented a valid
110 identifying document, the two poll clerks shall sign their names in the places indicated on the back
111 of the official ballot and deliver the ballot to the voter to be voted by him or her without leaving the
112 election room. If he or she returns the ballot spoiled to the clerks, they shall immediately mark the
113 ballot "spoiled" and it shall be preserved and placed in a spoiled ballot envelope together with
114 other spoiled ballots to be delivered to the board of canvassers and deliver to the voter another
115 official ballot, signed by the clerks on the reverse side. The voter shall thereupon retire alone to
116 the booth or compartment prepared within the election room for voting purposes and there
117 prepare his or her ballot. In voting for candidates in general and special elections, the voter shall
118 comply with the rules and procedures prescribed in section five, article six of this chapter.

119 (d) It is the duty of a poll clerk, in the presence of the other poll clerk, to indicate by a check

130 ~~section~~ may:

178 blindness as defined in section three, article fifteen, chapter five of this code and the inability to
179 vote without assistance because of blindness is certified in writing by a physician of the voter's
180 choice and is on file in the office of the clerk of the county commission.

186 voter. If no voter has been assisted in voting, the commissioners shall ~~likewise~~ make and

187 subscribe to an oath of that fact on the list.

188 (f) After preparing the ballot, the voter shall fold the ballot so that the face is not exposed

21 (d) Before an individual casts a provisional ballot, the poll clerk shall provide the individual
 22 written instructions, supplied by the board of ballot commissioners, stating that if the voter is

23 casting a ballot in the incorrect precinct, the ballot cast may not be counted for that election:
24 *Provided*, That if the voter is found to be in the incorrect precinct, then the poll worker shall attempt
