An act to amend Section 554 of, and to add Chapter 6 (commencing with Section 857) to Part 2 of Division 2 of, the Labor Code, relating to employment.

LEGISLATIVE COUNSEL'S DIGEST

AB 2757, as amended, Gonzalez. Agricultural workers: wages, hours, and working conditions.

Existing law sets wage, hour, meal break requirements, and other working conditions for employees and requires an employer to pay overtime wages as specified to an employee who works in excess of a workday or workweek, as defined, and imposes criminal penalties for the violation of these requirements. Existing law exempts agricultural employees from these requirements. Under existing law, the function of the Department of Industrial Relations is to, among other things,

foster, promote, and develop the welfare of the wage earners of California, to improve their working conditions, and to advance their opportunities for profitable employment.

This bill would remove the exemption for agricultural employees regarding hours, meal breaks, and other working conditions, including specified wage requirements, and would create a schedule that would phase in overtime requirements for agricultural workers, as defined, over the course of 4 years, from ~~2017 to 2020~~, ~~2019 to 2022~~, inclusive. Beginning January 1, ~~2020~~, ~~2022~~, the bill would require any work performed by a person, employed in an agricultural occupation, in excess of 12 hours in one day to be compensated at the rate of no less than twice the employee’s regular rate of pay. ~~Under the bill, these overtime pay provisions would be phased in from 2019 to 2022, inclusive, for employers who employ 25 or fewer employees.~~ The bill would authorize the Governor to delay the implementation of these overtime pay provisions if the Governor also suspends the implementation of a scheduled state minimum wage increase, as specified. The bill would require the Department of Industrial Relations to update a specified wage order for consistency with these provisions.

The bill would create a state-mandated local program by including agricultural employees as a class of employees protected by criminal penalties under existing law.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
 State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 554 of the Labor Code is amended to
- 2 read:
- 3 554. (a) Sections 551 and 552 do not apply to cases of
- 4 emergency or to work performed in the protection of life or
- 5 property from loss or destruction, or to any common carrier
- 6 engaged in or connected with the movement of trains. Nothing in
- 7 this chapter shall be construed to prevent an accumulation of days
- 8 of rest when the nature of the employment reasonably requires

1 that the employee work seven or more consecutive days, if in each  
2 calendar month the employee receives days of rest equivalent to  
3 one day’s rest in seven. The requirement respecting the equivalent  
4 of one day’s rest in seven shall apply, notwithstanding the other  
5 provisions of this chapter relating to collective bargaining  
6 agreements, where the employer and a labor organization  
7 representing employees of the employer have entered into a valid  
8 collective bargaining agreement respecting the hours of work of  
9 the employees, unless the agreement expressly provides otherwise.

10 (b) In addition to the exceptions specified in subdivision (a),  
11 the Chief of the Division of Labor Standards Enforcement may,  
12 when in his or her judgment hardship will result, exempt any  
13 employer or employees from the provisions of Sections 551 and  
14 552.

15 SEC. 2. Chapter 6 (commencing with Section 857) is added  
16 to Part 2 of Division 2 of the Labor Code, to read:

17

20 857. This chapter shall be known and may be cited as the  
21 Phase-In Overtime for Agricultural Workers Act of 2016.

22 858. The Legislature finds and declares all of the following:

23 (a) Agricultural employees engage in back-breaking work every  
24 day.

25 (b) Few occupations in today’s America are as physically  
26 demanding and exhausting as agricultural work.

27 (c) In 1938, the United States Congress enacted the federal Fair

29 excluded agricultural workers from wage protections and overtime  
30 compensation requirements.

31 (d) It is the intent of the Legislature to enact the Phase-In  
32 Overtime for Agricultural Workers Act of 2016 to provide any  
33 person employed in an agricultural occupation in California, as  
34 defined in Order No. 14-2001 of the Industrial Welfare  
35 Commission (revised 07-2014) with an opportunity to earn  
36 overtime compensation under the same standards as millions of  
37 other Californians.

38 859. For purposes of this chapter, “employed in an agricultural
