Subd. 2. Board of directors; organization. (a) For purposes of this subdivision:
(1) "contributing member" means a contributing member or an eligible health carrier, as defined.
in section 62E.22, subdivision 5; and (2) "plan enrollee" means a plan enrollee or an enrollee
in an individual health plan, as defined in section 62E.22, subdivision 9.
(b) The board of directors of the association shall be made up of eleven members as
follows: six directors selected by contributing members, subject to approval by the
commissioner, one of which must be a health actuary; five public directors selected by the
commissioner, at least two of whom must be plan enrollees, two of whom are covered under
an individual plan subject to assessment under section 62E.11, or group plan offered by an
employer subject to assessment under section 62E.11, and one of whom must be a licensed
insurance agent. At least two of the public directors must reside outside of the seven-county
metropolitan area. In determining voting rights at members' meetings, each member shall
be entitled to vote in person or proxy. The vote shall be a weighted vote based upon the
member's cost of self-insurance, accident and health insurance premium, subscriber contract
charges, health maintenance contract payment, or community integrated service network
payment derived from or on behalf of Minnesota residents in the previous calendar year,
as determined by the commissioner. In approving directors of the board, the commissioner
shall consider, among other things, whether all types of members are fairly represented.
Directors selected by contributing members may be reimbursed from the money of the
association for expenses incurred by them as directors, but shall not otherwise be
compensated by the association for their services. The costs of conducting meetings of the
association and its board of directors shall be borne by members of the association.

Sec. 2. Minnesota Statutes 2016, section 62E.11, subdivision 5, is amended to read:
Subd. 5. Allocation of losses. (a) For purposes of this subdivision:
(1) "contributing member" means a contributing member or an eligible health carrier, as defined.
in section 62E.22, subdivision 5; and (2) "plan enrollee" means a plan enrollee or an enrollee

expenses of the comprehensive health insurance plan for plans issued or approved for
issuance by the association, and
(c) Each contributing member shall share in the operating and administrative expenses
incurred or estimated to be incurred by the association incident to the conduct of its affairs.
Claims expenses of the state plan which exceed the premium payments allocated to the
payment of benefits shall be the liability of the contributing members. Contributing members
shall share in the claims expense of the state plan and operating and administrative expenses
of the association in an amount equal to the ratio of the contributing member's total accident
and health insurance premium, received from or on behalf of Minnesota residents as divided
by the total accident and health insurance premium, received by all contributing members
from or on behalf of Minnesota residents, as determined by the commissioner. Payments
made by the state to a contributing member for medical assistance or MinnesotaCare services
according to chapters 256 and 256B shall be excluded when determining a contributing
member's total premium.

Sec. 3. Minnesota Statutes 2016, section 62E.11, subdivision 6, is amended to read:
Subd. 6. Member assessments. The association shall make an annual determination of
each contributing member's liability, if any, and may make an annual fiscal year end
assessment if necessary. The association may also, subject to the approval of the
commissioner, provide for interim assessments against the contributing members whose
aggregate assessments comprised a minimum of 90 percent of the most recent prior annual
assessment, in the event that the association deems that methodology to be the most
administratively efficient and cost-effective means of assessment, and as may be necessary
to assure the financial capability of the association in meeting the incurred or estimated
claims expenses of the state plan and operating and administrative expenses of the association
until the next annual fiscal year end assessment. Payment of an assessment
shall be due within 30 days of receipt by a contributing member of a written notice of a
fiscal year end or interim assessment. Failure by a contributing member to tender to the
association the assessment within 30 days shall be grounds for termination of the contributing
member's membership and ability to offer, issue, or renew policies of accident and health
or sickness insurance policies in this state. A contributing member which ceases to do
accident and health insurance business within the state shall remain liable for assessments
through the calendar year during which accident and health insurance business ceased. The
association may decline to levy an assessment against a contributing member if the
