1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 21-A MRSA c. 17** is enacted to read:

3 **CHAPTER 17**

4 **INTERSTATE COMPACT: AGREEMENT AMONG THE STATES TO ELECT**
5 **THE PRESIDENT OF THE UNITED STATES BY NATIONAL POPULAR VOTE**

6 **§1301. Membership - Article 1**

7 Any state of the United States and the District of Columbia may become a member of
8 this agreement by enacting this agreement.

9 **§1302. Right of people in member states to vote for President and Vice President -**
10 **Article 2**

11 Each member state shall conduct a statewide popular election for President and Vice
12 President of the United States.

13 **§1303. Manner of appointing presidential electors in member states - Article 3**

14 Prior to the time set by law for the meeting of and voting by the presidential electors,
15 the chief election official of each member state shall determine the number of votes for
16 each presidential slate in each state of the United States and in the District of Columbia in
17 which votes have been cast in a statewide popular election and shall add such votes
18 together to produce a national popular vote total for each presidential slate.

19 The chief election official of each member state shall designate the presidential slate
20 with the largest national popular vote total as the national popular vote winner.

21 The presidential elector certifying official of each member state shall certify the
22 appointment in that official's own state of the elector slate nominated in that state in
23 association with the national popular vote winner.

24 At least 6 days before the day fixed by law for the meeting of and voting by the
25 presidential electors, each member state shall make a final determination of the number of
26 popular votes cast in the state for each presidential slate and shall communicate an
27 official statement of such determination within 24 hours to the chief election official of
28 each other member state.

29 The chief election official of each member state shall treat as conclusive an official
30 statement containing the number of popular votes in a state for each presidential slate
31 made by the day established by federal law for making a state's final determination
32 conclusive as to the counting of electoral votes by Congress.

33 In the event of a tie for the national popular vote winner, the presidential elector
34 certifying official of each member state shall certify the appointment of the elector slate
35 nominated in association with the presidential slate receiving the largest number of
36 popular votes within that official's own state.

1 If, for any reason, the number of presidential electors nominated in a member state in
2 association with the national popular vote winner is less than or greater than that state's
3 number of electoral votes, the presidential candidate on the presidential slate that has
4 been designated as the national popular vote winner may nominate the presidential
5 electors for that state and that state's presidential elector certifying official shall certify
6 the appointment of such nominees.

7 The chief election official of each member state shall immediately release to the
8 public all vote counts or statements of votes as they are determined or obtained.

9 This article governs the appointment of presidential electors in each member state in
10 any year in which this agreement is, on July 20th, in effect in states cumulatively
11 possessing a majority of the electoral votes.

12 **§1304. Other provisions - Article 4**

13 This agreement takes effect when states cumulatively possessing a majority of the
14 electoral votes have enacted this agreement in substantially the same form and the
15 enactments by such states have taken effect in each state.

16 Any member state may withdraw from this agreement, except that a withdrawal
17 occurring 6 months or less before the end of a President's term does not become effective
18 until a President or Vice President has been qualified to serve the next term. The chief
19 executive of each member state shall promptly notify the chief executive of all other
20 states when this agreement has been enacted and has taken effect in that official's state,
21 when the state has withdrawn from this agreement and when this agreement takes effect
22 generally.

23 This agreement terminates if the electoral college is abolished.

24 If any provision of this agreement is held invalid, the remaining provisions are not
25 affected.

17 interpreted as substantively the same as the original interstate compact.

18 **SUMMARY**

19 This bill proposes to adopt the interstate compact that is the agreement among the
20 states to elect the President of the United States by national popular vote. Under the
21 compact and the bill, the presidential candidate who receives the most popular votes in all
22 50 states and the District of Columbia will win the presidency. Under this bill, all of the
23 State's electoral votes would be awarded to the presidential candidate who receives the
24 most popular votes in all 50 states and the District of Columbia. This bill would take
25 effect only when enacted by states possessing a majority of the electoral votes, that is,
26 enough electoral votes to elect a President, which is 270 of 538.
