The People of the State of Michigan enact:

Sec. 1311. (1) Subject to subsection (2), the school board, or the school district superintendent, a school building principal, or another school district official if designated by the school board, may authorize or order the suspension or expulsion from school of a pupil who commits criminal sexual conduct against another pupil enrolled in the same school district or a pupil guilty of gross misdemeanor or persistent disobedience if, in the judgment of the school board or its designee, as applicable, the interest of the school is served by the authorization or order. If there is reasonable cause to believe that the pupil is a student with a disability, and the school district has not evaluated the pupil in accordance with rules of the superintendent of public instruction to

determine if the pupil is a student with a disability, the pupil shall be evaluated immediately by the intermediate school district of which the school district is constituent in accordance with section 1711.

(2) Subject to subsection (3) and section 1310d, if a pupil possesses in a weapon free school zone a weapon that constitutes a dangerous weapon, commits arson in a school building or on school grounds, commits criminal sexual conduct in a school building or on school grounds, or pleads to, is convicted of, or is adjudicated for criminal sexual conduct against another pupil enrolled in the same school district, the school board, or the designee of the school board as described in subsection (1) on behalf of the school board, shall expel the pupil from the school district permanently, subject to possible reinstatement under subsection (6). However, a school board is not required to expel a pupil for possessing a weapon if the pupil establishes in a clear and convincing manner at least 1 of the following:

(a) The object or instrument possessed by the pupil was not possessed by the pupil for use as a weapon, or for direct or indirect delivery to another individual for use as a weapon.

(b) The weapon was not knowingly possessed by the pupil.

(c) The pupil did not know or have reason to know that the object or instrument possessed by the pupil constituted a dangerous weapon.

(d) The weapon was possessed by the pupil at the suggestion, request, or direction of, or with the express permission of, school or police authorities.

(3) There is a rebuttable presumption that expulsion under subsection (2) for possession of a weapon is not justified if both of the following are met:

(a) The school board or its designee determines in writing that at least 1 of the factors listed in subsection (2)(a) to (d) has been established in a clear and convincing manner.

(b) The pupil has no history of suspension or expulsion.

(4) If an individual is expelled under subsection (2), the expelling school district shall enter on the individual's permanent record that he or she has been expelled under subsection (2). Except if a school district operates or participates cooperatively in an alternative education program appropriate for individuals expelled under subsection (2) and in its discretion admits the individual to that program, and except for a strict discipline academy established under sections 1311b to 1311m or a cyber school as defined in section 551, an individual expelled under subsection (2) is expelled from all public schools in this state and the officials of a school district shall not allow the individual to enroll in the school district unless the individual has been

reinstated under subsection (6). Except as otherwise provided by law, a program operated for individuals expelled under subsection (2) shall ensure that those individuals are physically separated at all times during the school day from the general pupil population. If an individual expelled from a school district under subsection (2) is not placed in an alternative education program, strict discipline academy, or cyber school, the school district may provide, or may arrange for the intermediate school district to provide, appropriate instructional services to the individual at home. The type of services provided shall meet the requirements of section 6(4)(u) of the state school aid act of 1979, MCL 388.1606, and the services may be contracted for in the same manner as services for homebound pupils under section 109 of the state school aid act of 1979, MCL 388.1709. This subsection does not require a school district to expend more money for providing services for a pupil expelled under subsection (2) than the amount of the foundation allowance the school district receives for the pupil as calculated under section 20 of the state school aid act of 1979, MCL 388.1620.

(5) If a school board expels an individual under subsection (2), the school board shall ensure that, within 3 days after the expulsion, an official of the school district refers the individual to the appropriate county department of social services or county community mental health agency and notifies the individual's parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, notifies the individual of the referral.

(6) The parent or legal guardian of an individual expelled under subsection (2) or, if the individual is at least age 18 or is an emancipated minor, the individual may petition the expelling school board for reinstatement of the individual to public education in the school district. The committee shall consist of 2 school board members, 1 school administrator, 1 teacher, and 1 parent of a pupil in the school district. The decision of the school board is final.

The conditions may include, but are not limited to, agreement to a behavior contract, which may involve the individual, parent or legal guardian, and an outside agency; participation in or completion of an anger management program or other appropriate counseling; periodic progress reviews; and specified immediate consequences for failure to abide by a condition. A parent or legal guardian or, if the individual is at least age 18 or is an emancipated minor, the individual may include proposed conditions in a petition for reinstatement submitted under this subsection.
