31 SUMMARY

32 This bill amends the municipal general assistance laws to provide a different method
33 of determining the residence of an applicant and the municipality responsible for
34 providing general assistance to that applicant, including an applicant relocating from
35 another municipality. The bill provides that the municipality of record, which is defined
36 as the municipality in which the applicant resided immediately prior to applying for
37 assistance, is the responsible municipality.
