9 to value the riverboat license that is being proposed to be relocated
10 to Vigo County:

11 (1) The commission shall retain three (3) appraisers to

36 of the riverboat license to be relocated to Vigo County. If an
37 appraisal is ten percent (10%) less than the average of the two
38 (2) other appraisals, it shall not be used and the remaining
39 two (2) appraisals shall be added together and the total shall
40 be divided by two (2) to determine the fair market value of the
41 license being relocated to Vigo County.

42 (d) Upon the completion of the process described in subsection

(c), the commission may determine whether the holder of the riverboat license described in section 1(a)(1) of this chapter may be relocated to Vigo County or be required to sell its license to a license holder that filed a declaration of interest. In making this determination, the commission shall consider:

- (1) economic benefits;

 9 to the South Central Indiana Regional Economic Development
 10 Corporation and Radius Indiana or their successor entities or
 11 partnerships. The amount paid to the Orange County
 12 development commission shall proportionally reduce the
 13 amount payable to the South Central Indiana Regional
 14 Economic Development Corporation and Radius Indiana or
 15 their successor entities or partnerships.

16 (c) For each city and county receiving money under subsection
 17 (a)(2), the treasurer of state shall determine the total amount of money
 18 paid by the treasurer of state to the city or county during the state fiscal
 19 year 2002. The amount determined is the base year revenue for the city
 20 or county. The treasurer of state shall certify the base year revenue
 21 determined under this subsection to the city or county. The total
 22 amount of money distributed to a city or county under this section
 23 during a state fiscal year may not exceed the entity's base year revenue.
 24 For each state fiscal year, the treasurer of state shall pay that part of the
 25 riverboat wagering taxes that:

- 26 (1) exceeds a particular city's or county's base year revenue; and
- 27 (2) would otherwise be due to the city or county under this
- 28 section;

29 to the state general fund instead of to the city or county.

30 (d) Each state fiscal year the treasurer of state shall transfer from the
 31 tax revenue remitted to the state general fund under subsection (a)(3)
 32 to the build Indiana fund an amount that when added to the following
 33 may not exceed two hundred fifty million dollars (\$250,000,000):

- 34 (1) Surplus lottery revenues under IC 4-30-17-3.
- 35 (2) Surplus revenue from the charity gaming enforcement fund
- 36 under IC 4-32.2-7-7.
- 37 (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

38 The treasurer of state shall make transfers on a monthly basis as needed
 39 to meet the obligations of the build Indiana fund. If in any state fiscal
 40 year insufficient money is transferred to the state general fund under
 41 subsection (a)(3) to comply with this subsection, the treasurer of state
 42 shall reduce the amount transferred to the build Indiana fund to the

1 amount available in the state general fund from the transfers under
2 subsection (a)(3) for the state fiscal year.

3 (e) Except as provided in subsections (l) and (m), before August 15
4 of each year, the treasurer of state shall distribute the wagering taxes
5 set aside for revenue sharing under subsection (a)(1) to the county
6 treasurer of each county that does not have a riverboat according to the
7 ratio that the county's population bears to the total population of the
8 counties that do not have a riverboat. Except as provided in subsection
9 (h), the county auditor shall distribute the money received by the
10 county under this subsection as follows:

11 (1) To each city located in the county according to the ratio the
12 city's population bears to the total population of the county.

13 (2) To each town located in the county according to the ratio the
14 town's population bears to the total population of the county.

15 (3) After the distributions required in subdivisions (1) and (2) are
16 made, the remainder shall be retained by the county.

17 (f) Money received by a city, town, or county under subsection (e)
18 or (h) may be used for any of the following purposes:

19 (1) To reduce the property tax levy of the city, town, or county for
20 a particular year (a property tax reduction under this subdivision
21 does not reduce the maximum levy of the city, town, or county
22 under IC 6-1.1-18.5).

23 (2) For deposit in a special fund or allocation fund created under
24 IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and
25 IC 36-7-30 to provide funding for debt repayment.

26 (3) To fund sewer and water projects, including storm water
27 management projects.

28 (4) For police and fire pensions.

29 (5) To carry out any governmental purpose for which the money
30 is appropriated by the fiscal body of the city, town, or county.
31 Money used under this subdivision does not reduce the property
32 tax levy of the city, town, or county for a particular year or reduce
33 the maximum levy of the city, town, or county under
34 IC 6-1.1-18.5.

35 (g) Before July 15 of each year, the treasurer of state shall determine
36 the total amount of money distributed to an entity under IC 4-33-12-6
37 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer
38 of state determines that the total amount of money distributed to an
39 entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state
40 fiscal year was less than the entity's base year revenue (as determined
41 under IC 4-33-12-9), the treasurer of state shall make a supplemental
42 distribution to the entity from taxes collected under this chapter and

deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus

(2) the sum of:

(A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus

(B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

(1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).

(2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars (\$48,000,000).

(3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

(A) forty-eight million dollars (\$48,000,000); multiplied by

(B) the result of:

(i) the total adjusted gross receipts received by licensees

1 from gambling games authorized under this article during
 2 the preceding state fiscal year; divided by
 3 (ii) the total adjusted gross receipts received by licensees
 4 from gambling games authorized under this article during
 5 the state fiscal year ending June 30, 2020.

6 If the total amount determined under subsection (g) exceeds the
 7 maximum amount determined under this subsection, the amount
 8 distributed to an entity under subsection (g) must be reduced according
 9 to the ratio that the amount distributed to the entity under IC 4-33-12-6
 10 or IC 4-33-12-8 bears to the total amount distributed under
 11 IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental
 12 distribution.

13 (j) This subsection applies to a supplemental distribution, if any,
 14 payable to Lake County, Hammond, Gary, or East Chicago under
 15 subsections (g) and (i). Beginning in July 2016, the treasurer of state
 16 shall, after making any deductions from the supplemental distribution
 17 required by IC 6-3.1-20-7, deduct from the remainder of the
 18 supplemental distribution otherwise payable to the unit under this
 19 section the lesser of:

- 20 (1) the remaining amount of the supplemental distribution; or
- 21 (2) the difference, if any, between:
 - 22 (A) three million five hundred thousand dollars (\$3,500,000);
 - 23 minus
 - 24 (B) the amount of admissions taxes constructively received by
 - 25 the unit in the previous state fiscal year.

26 The treasurer of state shall distribute the amounts deducted under this
 27 subsection to the northwest Indiana redevelopment authority
 28 established under IC 36-7.5-2-1 for deposit in the development
 29 authority revenue fund established under IC 36-7.5-4-1.

30 (k) Money distributed to a political subdivision under subsection
 31 (b):

- 32 (1) must be paid to the fiscal officer of the political subdivision
- 33 and may be deposited in the political subdivision's general fund
- 34 or riverboat fund established under IC 36-1-8-9, or both;
- 35 (2) may not be used to reduce the maximum levy under
- 36 IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate
- 37 of a school corporation, but, except as provided in subsection
- 38 (b)(2)(B), may be used at the discretion of the political
- 39 subdivision to reduce the property tax levy of the county, city, or
- 40 town for a particular year;
- 41 (3) except as provided in subsection (b)(2)(B), may be used for
- 42 any legal or corporate purpose of the political subdivision,

including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and

(4) is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

(l) After June 30, 2020, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be deposited as being received from all riverboats whose supplemental wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and five-tenths percent (3.5%). The amount deposited under this subsection, in each riverboat's account, is proportionate to the supplemental wagering tax received from that riverboat under IC 4-33-12-1.5 in the month of July. The amount deposited under this subsection must be distributed in the same manner as the supplemental wagering tax collected under IC 4-33-12-1.5. This subsection expires June 30, 2021.

(m) After June 30, 2021, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund.

The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

(e) Except as provided in subsections (l) and (m), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the

city's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-9); minus

(2) the sum of:

(A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus

(B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a

consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

- (1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

- (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).
- (2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars (\$48,000,000).
- (3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

(A) forty-eight million dollars (\$48,000,000); multiplied by

(B) the result of:

- (i) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year; divided by
- (ii) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020.

If the total amount determined under subsection (g) exceeds the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental

distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

- (1) the remaining amount of the supplemental distribution; or
- (2) the difference, if any, between:
 - (A) three million five hundred thousand dollars (\$3,500,000); minus

"SECTION 43. IC 36-7.5-4-2, AS AMENDED BY P.L.189-2018, SECTION 172, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2019]: Sec. 2. (a) Except as provided in subsections (b) and (d), the fiscal officer of each city and county described in IC 36-7.5-2-3(b) shall each transfer three million five hundred thousand dollars (\$3,500,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter. However, if a county having a population of more than one hundred fifty thousand (150,000) but less than one hundred seventy thousand (170,000) ceases to be a member of the development authority and two (2) or more municipalities in the county have become members of the development authority as authorized by IC 36-7.5-2-3(i), the transfer of the local income tax revenue that is dedicated to economic development purposes that is required to be transferred under IC 6-3.6-11-6 is the contribution of the municipalities in the county that have become members of the development authority.

(b) This subsection applies only if:

(1) the fiscal body of the county described in IC 36-7.5-2-3(e) has adopted an ordinance under IC 36-7.5-2-3(e) providing that the county is joining the development authority;

(2) the fiscal body of the city described in IC 36-7.5-2-3(e) has adopted an ordinance under IC 36-7.5-2-3(e) providing that the city is joining the development authority; and

(3) the county described in IC 36-7.5-2-3(e) is an eligible county participating in the development authority.

The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer two million six hundred twenty-five thousand dollars

(\$2,625,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter. The fiscal officer of the city described in IC 36-7.5-2-3(e) shall transfer eight hundred seventy-five thousand dollars (\$875,000) each year to the development authority for deposit in the development authority revenue fund established under section 1 of this chapter.

(c) This subsection does not apply to Lake County, Hammond, Gary, or East Chicago. The following apply to the remaining transfers required by subsections (a) and (b):

(1) Except for transfers of money described in subdivision (4)(D), the transfers shall be made without appropriation by the city or county fiscal body or approval by any other entity.

(2) Except as provided in subdivision (3), each fiscal officer shall transfer eight hundred seventy-five thousand dollars (\$875,000) to the development authority revenue fund before the last business day of January, April, July, and October of each year. Food and beverage tax revenue deposited in the fund under IC 6-9-36-8 is in addition to the transfers required by this section.

(3) The fiscal officer of the county described in IC 36-7.5-2-3(e) shall transfer six hundred fifty-six thousand two hundred fifty dollars (\$656,250) to the development authority revenue fund before the last business day of January, April, July, and October of each year. The county is not required to make any payments or transfers to the development authority covering any time before January 1, 2017. The fiscal officer of a city described in IC 36-7.5-2-3(e) shall transfer two hundred eighteen thousand seven hundred fifty dollars (\$218,750) to the development authority revenue fund before the last business day of January, April, July, and October of each year. The city is not required to make any payments or transfers to the development authority covering any time before January 1, 2017.

(4) The transfers shall be made from one (1) or more of the following:

(A) Riverboat admissions tax revenue received by the city or county, riverboat wagering tax revenue received by the city or county, or riverboat incentive payments received from a riverboat licensee by the city or county.

(B) Any local income tax revenue that is dedicated to economic development purposes under IC 6-3.6-6 and received under IC 6-3.6-9 by the city or county.

(C) Any other local revenue other than property tax revenue received by the city or county.

(D) In the case of a county described in IC 36-7.5-2-3(e) or a city described in IC 36-7.5-2-3(e), any money from the major moves construction fund that is distributed to the county or city under IC 8-14-16.

(d) This subsection applies only to Lake County, Hammond, Gary, and East Chicago. The obligations of each city and the county under subsection (a) are satisfied by the distributions made by the auditor of state on behalf of each unit under ~~IC 4-33-12-6(d)~~ **IC 4-33-12-8** and IC 4-33-13-5(j). However, if the total amount distributed under IC 4-33 on behalf of a unit with respect to a particular state fiscal year is less than the amount required by subsection (a), the fiscal officer of the unit shall transfer the amount of the shortfall to the authority from any source of revenue available to the unit other than property taxes. The auditor of state shall certify the amount of any shortfall to the fiscal officer of the unit after making the distribution required by IC 4-33-13-5(j) on behalf of the unit with respect to a particular state fiscal year.

(e) A transfer made on behalf of a county, city, or town under this section after December 31, 2018:

- (1) is considered to be a payment for services provided to residents by a rail project as those services are rendered; and
- (2) does not impair any pledge of revenues under this article because a pledge by the development authority of transferred revenue under this section to the payment of bonds, leases, or obligations under this article or IC 5-1.3:

(A) constitutes the obligations of the northwest Indiana regional development authority; and

(B) does not constitute an indebtedness of a county, city, or town described in this section or of the state within the meaning or application of any constitutional or statutory provision or limitation.

(f) Neither the transfer of revenue as provided in this section nor the pledge of revenue transferred under this section is an impairment of contract within the meaning or application of any constitutional provision or limitation because of the following:

- (1) The statutes governing local taxes, including the transferred revenue, have been the subject of legislation annually since 1973, and during that time the statutes have been revised, amended, expanded, limited, and recodified dozens of times.
- (2) Owners of bonds, leases, or other obligations to which local tax revenues have been pledged recognize that the regulation of local taxes has been extensive and consistent.

(3) All bonds, leases, or other obligations, due to their essential contractual nature, are subject to relevant state and federal law that is enacted after the date of a contract.

(4) The state of Indiana has a legitimate interest in assisting the development authority in financing rail projects.

(g) All proceedings had and actions described in this section are valid pledges under IC 5-1-14-4 as of the date of those proceedings or actions and are hereby legalized and declared valid if taken before March 15, 2018."

Page 9, line 36, delete "If gaming operations are relocated within the city" and insert "(a) If a licensed owner holding a license under section 1(a)(1) of this chapter applies to the commission to relocate gaming operations to a location in Vigo County, the licensed owner shall provide notice of the filing of the application to all of the owners of riverboats licensed to operate under this article by certified mail, return receipt requested.

(b) Any licensed owner may, within thirty (30) days of receipt of a notice under subsection (a), file a declaration of interest to compete for ownership of the riverboat license that is proposed to be relocated to Vigo County.

(c) Upon the receipt of any declaration of interest described in subsection (b), the commission shall initiate the following process

to value the riverboat license that is being proposed to be relocated to Vigo County:

- (1) The commission shall retain three (3) appraisers to determine the fair market value of the riverboat license proposed to be relocated to Vigo County. Any licensed owner that filed a declaration of interest shall promptly reimburse the commission for the appraiser's fees.
 - (2) The commission shall select appraisers that have at least five (5) years experience of determining the value of gaming licenses.
 - (3) Each appraiser shall certify to the commission in writing and under oath that the appraiser does not have any conflicts of interest in appraising the value of the riverboat license.
 - (4) Each appraiser shall independently determine the fair market value of the riverboat license that is the subject of the application for relocation of the date of the appraisal. The determination of fair market value shall be based on the riverboat being sited within the city of Gary and shall not include the value of the land the riverboat is located on within the city of Gary.
 - (5) Each appraiser shall submit a report to the commission describing in detail the facts, conclusion, and methodology used by the appraiser to determine the fair market value of the riverboat license.
 - (6) Upon receipt of the appraisals, the commission shall add the fair market value determined by each appraiser and divide the total by three (3) to determine the fair market value of the riverboat license to be relocated to Vigo County. If an appraisal is ten percent (10%) less than the average of the two (2) other appraisals, it shall not be used and the remaining two (2) appraisals shall be added together and the total shall be divided by two (2) to determine the fair market value of the license being relocated to Vigo County.
- (d) Upon the completion of the process described in subsection (c), the commission may determine whether the holder of the riverboat license described in section 1(a)(1) of this chapter may be relocated to Vigo County or be required to sell its license to a license holder that filed a declaration of interest. In making this determination, the commission shall consider:
- (1) economic benefits;
 - (2) tax revenue;
 - (3) the number of new jobs;

- (4) whether the applicant plans to make at least fifty percent (50%) of the owner's proposed investment in the Vigo County casino for the development of nongaming amenities;
- (5) whether the applicant has a resolution of support from the legislative body of the unit in Vigo County where it seeks to relocate;
- (6) the financial stability of the applicant;
- (7) the applicant's history of community involvement; and
- (8) any other factor that the commission considers appropriate.

(e) If the commission determines that a license holder that has filed a declaration of interest may purchase the license of the license holder described in section 1(a)(1) of this chapter for the fair market value as determined under subsection (c) and relocate the gaming operation to Vigo County, the commission shall:

- (1) require the license holder that filed the successful declaration of interest to promptly deliver to the commission, not later than ten (10) days after the commission's determination, an irrevocable letter of credit, issued by a bank acceptable to the commission, in the amount of the fair market value in favor of the license holder described in section 1(a)(1) of this chapter to secure payment for the purchase price;
- (2) fix a date certain for the sale of the license; and
- (3) impose other requirements that the commission deems necessary and appropriate to protect the interest of the state, the license holder under section 1(a)(1) of this chapter, and the license holder that filed the successful declaration of interest."

- (1) Economically depressed areas of Indiana.
- (2) Areas of Indiana with an undue economic concentration.**

- (1) the city; and
- (2) the person transferring the controlling interest in the owner's license;

that is in effect as of the date the controlling interest is transferred. The ordinance may provide for any payments made under the redevelopment agreement, including those held in escrow, to be redirected to the City of East Chicago for use as directed by ordinance of the city fiscal body. A requirement to redirect a payment is valid to the same extent as if the requirement had been part of the original agreement. If the ordinance provides for the voiding and renegotiation of any part of a redevelopment agreement, the mayor of the City of East Chicago may negotiate with the person acquiring a controlling interest in the owner's license to replace any terms voided by the ordinance. Terms negotiated under this subsection must be ratified in an ordinance adopted by the city legislative body."

The report is a public record.

(C) Thirteen and one-tenth percent (13.1%) shall be paid to the county treasurer of Orange County.

(D) Five and three-tenths percent (5.3%) shall be distributed quarterly to the county treasurer of Dubois County for appropriation by the county fiscal body after receiving a recommendation from the county executive. The amount determined is the base year revenue for the city or county. The treasurer of state shall certify the base year revenue determined under this subsection to the city or county. The total amount of money distributed to a city or county under this section during a state fiscal year may not exceed the entity's base year revenue. For each state fiscal year, the treasurer of state shall pay that part of the riverboat wagering taxes that:

- (1) exceeds a particular city's or county's base year revenue; and
- (2) would otherwise be due to the city or county under this section;

to the state general fund instead of to the city or county.

(d) Each state fiscal year the treasurer of state shall transfer from the tax revenue remitted to the state general fund under subsection (a)(3) to the build Indiana fund an amount that when added to the following may not exceed two hundred fifty million dollars (\$250,000,000):

- (1) Surplus lottery revenues under IC 4-30-17-3.
- (2) Surplus revenue from the charity gaming enforcement fund under IC 4-32.2-7-7.
- (3) Tax revenue from pari-mutuel wagering under IC 4-31-9-3.

The treasurer of state shall make transfers on a monthly basis as needed to meet the obligations of the build Indiana fund. If in any state fiscal year insufficient money is transferred to the state general fund under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount transferred to the build Indiana fund to the amount available in the state general fund from the transfers under subsection (a)(3) for the state fiscal year.

(e) Except as provided in subsections (l) and (m), before August 15 of each year, the treasurer of state shall distribute the wagering taxes set aside for revenue sharing under subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the ratio that the county's population bears to the total population of the counties that do not have a riverboat. Except as provided in subsection (h), the county auditor shall distribute the money received by the county under this subsection as follows:

- (1) To each city located in the county according to the ratio the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

- (1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).
- (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.
- (3) To fund sewer and water projects, including storm water management projects.
- (4) For police and fire pensions.
- (5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under

IC 6-1.1-18.5.

(g) Before July 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-9), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

- (1) the entity's base year revenue (as determined under IC 4-33-12-9); minus
- (2) the sum of:
 - (A) the total amount of money distributed to the entity and constructively received by the entity during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
 - (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

- (1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.
- (2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.
- (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2017. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is equal to the following:

- (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).
- (2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year is equal to or greater than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million dollars (\$48,000,000).
- (3) After June 30, 2021, if the total adjusted gross receipts

received by licensees from gambling games authorized under this article during the preceding state fiscal year is less than the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

- (A) forty-eight million dollars (\$48,000,000); multiplied by
- (B) the result of:
 - (i) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the preceding state fiscal year; divided by
 - (ii) the total adjusted gross receipts received by licensees from gambling games authorized under this article during the state fiscal year ending June 30, 2020.

If the total amount determined under subsection (g) exceeds the maximum amount determined under this subsection, the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in July 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

- (1) the remaining amount of the supplemental distribution; or
- (2) the difference, if any, between:
 - (A) three million five hundred thousand dollars (\$3,500,000); minus
 - (B) the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority revenue fund established under IC 36-7.5-4-1.

(k) Money distributed to a political subdivision under subsection (b):

- (1) must be paid to the fiscal officer of the political subdivision and may be deposited in the political subdivision's general fund

or riverboat fund established under IC 36-1-8-9, or both;

(2) may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may be used at the discretion of the political subdivision to reduce the property tax levy of the county, city, or town for a particular year;

(3) except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the political subdivision, including the pledge of money to bonds, leases, or other obligations under IC 5-1-14-4; and

(4) is considered miscellaneous revenue.

Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection (b)(2)(B).

(l) After June 30, 2020, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be deposited as being received from all riverboats whose supplemental wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and five-tenths percent (3.5%). The amount deposited under this subsection, in each riverboat's account, is proportionate to the supplemental wagering tax received from that riverboat under IC 4-33-12-1.5 in the month of July. The amount deposited under this subsection must be distributed in the same manner as the supplemental wagering tax collected under IC 4-33-12-1.5. This subsection expires June 30, 2021.

(m) After June 30, 2021, the amount of wagering taxes that would otherwise be distributed to South Bend under subsection (e) shall be withheld and deposited in the state general fund.
