

AMENDED IN ASSEMBLY MAY 16, 2019

CALIFORNIA LEGISLATURE— 2019–2020 REGULAR SESSION

ASSEMBLY BILL

No. 454

Introduced by Assembly Member Kalra

February 11, 2019

An act to ~~amend~~ *amend, repeal, and add* Section 3513 of the Fish and Game Code, relating to migratory birds.

## LEGISLATIVE COUNSEL'S DIGEST

AB 454, as amended, Kalra. Migratory birds: ~~Migratory Bird Treaty Act~~. *California Migratory Bird Protection Act*.

Existing federal law, the Migratory Bird Treaty Act, provides for the protection of migratory birds, as specified. The federal act also authorizes states and territories of the United States to make and enforce laws or regulations that give further protection to migratory birds, their nests, and eggs. Existing state law makes unlawful the taking or possession of any migratory nongame bird, or part of any migratory nongame bird, as designated in the federal act, except as provided by rules and regulations adopted by the United States Secretary of the Interior under provisions of the federal act.

This ~~bill~~ *bill, the California Migratory Bird Protection Act*, would ~~instead~~ *instead, until January 20, 2025*, make unlawful the taking or possession of any migratory nongame bird designated in the federal act ~~as of before~~ *as of before* January 1, 2017, any additional migratory nongame bird that may be designated in the federal act after that date, or any part of those migratory nongame birds, except as provided by ~~any provision of the Fish and Game Code, or any rule, regulation, or order made or adopted pursuant to the code, that is consistent with, or more protective than,~~ *rules and regulations adopted by the United States Secretary of the Interior under the federal act. Under act before January 1, 2017, or subsequent rules or regulations adopted pursuant to the federal act, unless those rules or regulations are inconsistent with the Fish and Game Code.*

*The bill would also reenact, operative January 20, 2025, the existing provisions of law regarding the taking or possession of any migratory nongame bird as designated in the federal act, or any part of such migratory nongame bird, except as specified.*

*Under* existing law, a violation of the Fish and Game Code is a crime. By narrowing the exception to a crime defined in existing law, the bill would expand the scope of a crime, thus imposing a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.
