An act to amend Sections 27205, 27210, 27220, 27225, 27235, 27240, 27305, 27310, 27315, 27320, 27340, 27345, 28225, 28235, and 28240 of, and to add Section 28233 to, the Penal Code, relating to firearms.
of ammunition at gun shows and events as authorized by the Safety For All Act of 2016.

By updating the provisions relating to guns shows and events, any violation of which is a crime, this bill would expand the applicability of an existing crime, thus creating a state-mandated local program.

Existing law authorizes the Department of Justice to charge a fee, as specified, to fund several enforcement and administrative programs relating to firearms. Existing law authorizes the department to charge this fee to cover the regulatory cost of processing firearms transactions, as specified.

This bill would reduce the amount of the fee to $1 and remove the authority of the department to spend the proceeds from the fee on specified regulatory costs related to the purchase, sale, and transfer of firearms, as specified. The bill would also authorize the Department of Justice to charge an additional fee in the amount of $13.19 per firearms-related transaction to cover the costs of its firearms-related regulatory and enforcement activities, as specified.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

The people of the State of California do enact as follows:
