**BE IT ENACTED** by the Senate and General Assembly of the State of New Jersey:

1. (New section) This act shall be known and may be cited as the "Earn Your Way Out Act."

2. (New section) As used in this act:

"Administrative parole release" means the release of an adult inmate who has met the criteria set forth in section 4 of P.L. , c. (C. ) (pending before the Legislature as this bill) at the time of primary or subsequent parole eligibility. Administrative parole release occurs after a hearing officer reviews the preparole report and the inmate is certified for release by an assigned member of the board panel. Administrative parole release shall not require a parole consideration hearing.

"Reentry plan" means a plan prepared by appropriate staff within the Department of Corrections Division of Reentry and Rehabilitative Services designed to prepare an inmate for successful integration as a productive, law-abiding citizen upon release from incarceration.

3. (New section) a. The Commissioner of Corrections shall establish a Division of Reentry and Rehabilitative Services to coordinate reentry preparation and other rehabilitative services within all State correctional facilities, and act as a liaison to the State Parole Board, pursuant to P.L. , c. (C. ) (pending before the Legislature as this bill).

Appropriate staff within the division shall be responsible for engaging with each inmate to develop and implement an individualized, comprehensive reentry plan for services during the inmate's incarceration. This plan may be refined and updated during incarceration as needed, and shall include recommendations for community services prior to the inmate's actual return to the community. <sup>1</sup>[The comprehensive reentry plan shall be designed to prepare an inmate for successful integration as a productive, law-abiding citizen upon release from incarceration.]<sup>1</sup> Appropriate staff within the division shall coordinate with appropriate departments within the Department of Corrections, the State Parole Board, and the community, to determine what medical, psychiatric, psychological, educational, vocational, substance abuse, and social rehabilitative services shall be incorporated into a comprehensive reentry plan in order to prepare each inmate for successful integration upon release. The Department of Corrections shall establish guidelines, timelines, and procedures to govern the institutional reentry plan process.

b. The division, in coordination with the State Parole Board and the community, shall compile and disseminate to inmates information concerning organizations and programs, whether faith-based or secular programs, which provide assistance and services to inmates reentering society after a period of incarceration. In compiling this information, the coordinator shall consult with non-profit entities, including but not limited to the New Jersey Institute for Social Justice, that provide informational services concerning reentry, and the Executive Director of the Office of Faith-based Initiatives in the Department of State, and the Corrections Ombudsperson in, but not of, the Department of the Treasury.

c. The division shall ensure that all inmates are made aware of and referred to organizations which provide services in the county where the inmate is to reside after being released from incarceration. The division shall assist inmates in gaining access to programs and procuring the appropriate services.

d. The Department of Corrections may employ professional and clerical staff as necessary within the limits of available appropriations.

4. (New section) a. Notwithstanding the provisions of subsection a. of section 9 of P.L.1979, c.441 (C.30:4-123.53), an adult inmate shall be administratively released on parole at the time of primary or subsequent parole eligibility provided that:

(cf: P.L.2001, c.141, s.3)

10. Section 11 of P.L.1979, c.441 (C.30:4-123.55) is amended to read as follows:

11. a. Prior to the parole eligibility date of each adult inmate, a designated hearing officer shall review the reports required by section 10 of P.L.1979, c.441 (C.30:4-123.54), and shall determine whether:

(1) the inmate is eligible for administrative parole release pursuant to section 4 of P.L. c. (C. ) (pending before the Legislature as this bill). If an inmate is eligible for administrative parole release, the hearing officer shall at least 60 days prior to the inmate's parole eligibility date recommend in writing to the assigned member of the board panel that administrative parole release be granted pursuant to section 4 of P.L. c. (C. ) (pending before the Legislature as this bill); or

(2) there is a basis for denial of parole in the preparole report, any risk assessment prepared in accordance with the provisions of subsection e. of section 8 of P.L.1979, c.441 (C.30:4-123.52), or the inmate's statement, or an indication, reduced to writing, that additional information providing a basis for denial of parole would be developed or produced at a hearing. If the hearing officer determines that there is no basis in the preparole report, the risk assessment, or the inmate's statement for denial of parole and that there is no additional relevant information to be developed or produced at a hearing, he shall at least 60 days prior to the inmate's parole eligibility date recommend in writing to the assigned member of the board panel that parole release be granted.

b. If the assigned member of the board panel or in the case of an inmate sentenced to a county penal institution, the assigned member concurs in the hearing officer's recommendation, he shall certify parole release pursuant to section 15 of P.L.1979, c.441 (C.30:4-123.59) as soon as practicable after the eligibility date and so notify the inmate and the board. In the case of an inmate recommended for administrative parole release by the hearing officer pursuant to section 4 P.L. , c. (pending before the Legislature as this bill), the assigned member shall review the reports required by section 10 of P.L.1979, c.441 (C.30:4-123.54) to confirm eligibility and if the inmate is eligible, shall certify parole release pursuant to section 15 of P.L.1979, c.441 (C.30:4-123.59) as soon as practicable after the eligibility date and notify the inmate and the board. In the case of an inmate sentenced to a county penal institution the board shall certify parole release or deny parole as provided by this section, except with regard to time periods for notice and parole processing which are authorized by or otherwise adopted pursuant to subsection g. of section 7 of P.L.1979, c.441 (C.30:4-123.51). If the designated hearing officer does not recommend release on parole or if the assigned member does not concur in a recommendation of the designated hearing officer in favor of release, then the parole release of an inmate in a county penal institution shall be treated under the provisions of law otherwise applicable to an adult inmate. In the case of an inmate sentenced to a county penal institution, the performance of public service for the remainder of the term of the sentence shall be a required condition of parole, where appropriate.

c. If the hearing officer or the assigned member determines that there is a basis for denial of parole, or that a hearing is otherwise necessary, the hearing officer or assigned member shall notify the appropriate board panel and the inmate in writing of his determination, and of a date for a parole consideration hearing. The board panel shall notify the victim of the crime, if the crime for which the inmate is incarcerated was a crime of the first or second degree, or the victim's nearest relative if the crime was murder, as appropriate, who was previously contacted by the board and who has indicated his intention to the board to testify at the hearing, of the opportunity to testify or submit written or videotaped statements at the hearing. Said hearing

shall be conducted by the appropriate board panel at least 30 days prior to the eligibility date. At the hearing, which shall be informal, the board panel shall receive as evidence any relevant and reliable documents or videotaped or in person testimony, including that of the victim of the crime or the members of the family of a murder victim if the victim or a family member so desires. If a victim of a crime or the relative of a murder victim chooses not to testify personally at the hearing, the victim or relative may elect to present testimony to a senior hearing officer designated by the board panel. The senior hearing officer shall notify the victim of the right to have this testimony videotaped. The senior hearing officer shall prepare a report, transcript or videotape, if applicable, of the testimony for presentation to the board panel at the hearing. All such evidence not classified as confidential pursuant to rules and regulations of the board or the Department of Corrections shall be disclosed to the inmate and the inmate shall be permitted to rebut such evidence and to present evidence on his own behalf. The decision of the board panel shall be based solely on the evidence presented at the hearing.

d. At the conclusion of the parole consideration hearing, the board panel shall either (1) certify the parole release of the inmate pursuant to section 15 of this act. as soon as practicable after the eligibility date and so notify the inmate and the board, or (2) deny parole and file with the board within 30 days of the hearing a statement setting forth the decision, the particular reasons therefor, except information classified as confidential pursuant to rules and regulations of the board or the Department of Corrections, a copy of which statement shall be served upon the inmate together with notice of his right to appeal to the board.

e. Upon request by the hearing officer or the inmate, the time limitations contained in section 10 of P.L.1979, c.441 (C.30:4-123.54) and this section may be waived by the appropriate board panel for good cause.

f. Notwithstanding the provision of any other law to the contrary, if an inmate incarcerated for murder is recommended for parole by the assigned board member or the appropriate board panel, parole shall not be certified until a majority of the full parole board, after conducting a hearing, concurs in that recommendation. The board shall notify the victim's family of that hearing and family members shall be afforded the opportunity to testify in person or to submit written or videotaped statements. The provisions of this subsection shall not apply to an inmate who has his parole revoked and is returned to custody pursuant to the provisions of section 19 of P.L.1979, c.441 (C.30:4-123.63).

g. Notwithstanding the provision of any other law or regulation to the contrary, the board may promulgate rules and regulations for the processing of any inmate whose parole eligibility date is accelerated. For purposes of this section, a parole eligibility date is accelerated when an inmate becomes eligible for parole at the time of or within 120 days of an event or circumstance beyond the control of the parole board, such as sentencing, resentencing or other amendment, including the awarding of additional credit to the original sentence, restoration of authorized institutional time credits or the application of authorized institutional time credits on a future eligibility date established pursuant to subsection a. of section 12 of P.L.1979, c.441 (C.30:4-123.56) or subsection a. of section 20 of P.L.1979, c.441 (C.30:4-123.64). The rules and regulations shall provide for the preparation and review of a preparole report and shall require that a parole consideration hearing be held not more than 120 days after the board has received notice that an accelerated parole eligibility date has been established.

(cf: P.L.2001, c.141, s.4)
