(TEXT OF BILL BEGINS ON NEXT PAGE)
Be it enacted by the Legislature of the State of Arizona:

Section 1. Title 20, chapter 2, article 1, Arizona Revised Statutes, is amended by adding section 20-224.04, to read:

20-224.04. Affordable housing premium tax credit
A. A taxpayer is allowed a credit against the premium tax incurred pursuant to section 20-224, 20-837, 20-1010, 20-1060 or 20-1097.07 if the Arizona Department of Housing issues an eligibility statement for a qualified project pursuant to section 41-3954. The amount of the credit:

1. Is equal to at least fifty percent of the amount of the federal low-income housing credit for the qualified project.

2. On notice to the Department of Insurance and Financial Institutions, may be allocated among the partners or members, as defined in Title 29, or shareholders, as they may agree among themselves, regardless of the size of such participant's ownership interest. The total of the allocated credits among all such participants may not exceed the amount of the credit approved by the Arizona Department of Housing. This paragraph does not prohibit a partner or member, as defined in Title 29, or shareholder from holding an investment exclusively in either the state credits or federal credits allocated to the qualified project.

B. To claim the credit under this section, the taxpayer must submit the eligibility statement provided by the Arizona Department of Housing under section 41-3954 to the Department of Insurance and Financial Institutions with the taxpayer's premium tax return. A credit under this section is not allowed until the taxpayer furnishes the required documentation.

C. If the amount of the credit under this section exceeds the taxpayer's state premium tax liability, the amount of the claim not used to offset the premium tax liability may be carried forward for not more than five consecutive taxable years' premium tax liability.

D. If all or part of the federal low-income housing tax credit with respect to the qualified project is subject to recapture under section 42 of the internal revenue code during the first ten taxable years after the project is placed in service, the credit under this section is also subject to recapture in a proportional amount from all taxpayers that claimed the credit. The recapture is calculated by increasing the amount of taxes imposed in the following year by the amount recaptured.

E. A taxpayer that claims a tax credit against state premium tax liability is not required to pay any additional retaliatory tax imposed pursuant to section 20-230 as a result of claiming that tax credit. The credit may fully offset any retaliatory tax imposed by section 20-230.

F. The Department of Insurance and Financial Institutions, with the cooperation of the Department of Revenue and the Arizona Department of Housing, shall adopt rules and publish and prescribe forms and procedures as necessary to administer this section.
Sec. 2. Title 41, chapter 37, article 2, Arizona Revised Statutes, is amended by adding section 41-3954, to read:

41-3954. Affordable housing tax credit; limit; eligibility statement; rules; public hearing; definitions

A. The affordable housing tax credit is established. The department shall administer the credit as provided by this section.

B. On application, the department shall allocate tax credits under this section for projects in this state that qualify for the federal low-income housing tax credit under section 42 of the internal revenue code and that are placed in service, for purposes of the federal credit, from and after June 30, 2021, in an amount equal to at least fifty percent of the amount of the federal credit allowed in each taxable year during the federal credit period. The department shall allocate tax credits under this section according to the department's current qualified allocation plan adopted pursuant to section 42(m) of the internal revenue code.

C. The department shall prescribe forms, procedures and criteria for applying, evaluating and qualifying for the credit under this section. The department shall issue an eligibility statement for each qualified project that identifies the qualified project, the allocation year and the amount of the credits allocated to the project.

D. The department shall allocate a total of $8,000,000 of tax credits under this section in any calendar year, according to the date of the allocation of the credit. An approved amount applies against the dollar limit for the year in which the application is submitted. If, at the end of any year, an unused balance occurs under the dollar limit prescribed by this subsection, the balance shall be reallocated for the purposes of this subsection in the following year.

E. Any taxpayer that owns an interest in an investment in a qualified project that receives an eligibility statement from the department is allowed a tax credit under this section for taxable years beginning from and after December 31, 2020 if the taxpayer acquires the interest before filing a tax return claiming the tax credit. The taxpayer shall apply the credit against the taxpayer's insurance premium or income tax liability as provided and subject to the procedures, terms and conditions prescribed by section 20-224.04, 43-1075 or 43-1163, as applicable.

F. A qualified project that is approved for the purposes of the credit under this section is not eligible for any abatement, exemption or other reduction in state or local ad valorem property taxes otherwise allowed by statute.

G. The Arizona department of housing, with the cooperation of the department of insurance and financial institutions and the department of revenue, shall adopt rules and publish and prescribe forms and procedures
AS NECESSARY TO ADMINISTER THIS SECTION, INCLUDING CRITERIA ON WHICH ELIGIBILITY STATEMENTS ARE ISSUED UNDER THIS SECTION.
