2020 South Dakota Legislature

House Bill 1175

ENROLLED

AN ACT

ENTITLED An Act to define dyslexia for the purposes of special education and related services.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

Section 1. That a NEW SECTION be added:

For the purposes of this chapter, dyslexia is a learning disability that is neurological in origin. It is characterized by difficulties with accurate or fluent word recognition and by poor spelling and decoding abilities. These difficulties typically result from a deficit in the phonological component of language that is often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede the growth of vocabulary and background knowledge.
An Act to define dyslexia for the purposes of special education and related services.
