(b) Data on applicants, family members, or employers under chapter 268B are private or nonpublic data, provided that the department may share data collected from applicants with employers or health care providers to the extent necessary to meet the requirements of chapter 268B or other applicable law.

(c) The department and the Department of Labor and Industry may share data classified under paragraph (b) to the extent necessary to meet the requirements of chapter 268B or the Department of Labor and Industry's enforcement authority over chapter 268B, as provided in section 177.27.
Sec. 2. Minnesota Statutes 2018, section 177.27, subdivision 4, is amended to read:

The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

the certification requirement deadline in the event that a serious health condition of the
applicant prevents the applicant from providing the required certification within the 90
calendar days.

Subd. 2. Certification. (a) Certification for an applicant taking leave related to the
applicant's serious health condition shall be sufficient if the certification states the date on
which the serious health condition began, the probable duration of the condition, and the

certificate or a document issued by the health care provider of the child or the health care
provider of the person who gave birth, stating the child's birth date.

child with the applicant for adoption or foster care shall be sufficient if the applicant provides
a document issued by the health care provider of the child, an adoption or foster care agency
involved in the placement, or by other individuals as determined by the commissioner that

as an adoptive or foster parent changes while an application for benefits is pending, or while
the covered individual is receiving benefits, the applicant must notify the department of
such change in status in writing.

(f) Certification for an applicant taking leave because of a qualifying exigency shall be

weeks. If the application is determined to be valid, the commissioner shall promptly notify
the applicant and any other interested party as to the week when benefits commence, the
weekly benefit amount payable, and the maximum duration of those benefits. If the
application is determined to be invalid, the commissioner shall notify the applicant and any
other interested party of that determination and the reasons for it. If the processing of the
application is delayed for any reason, the commissioner shall notify the applicant, in writing,
within two weeks of the date the application for benefits is filed of the reason for the delay.
Unless the applicant or any other interested party, within 30 calendar days, requests a hearing
before a benefit judge, the determination is final. For good cause shown, the 30-day period
may be extended. At any time within one year from the date of a monetary determination,
the commissioner, upon request of the applicant or on the commissioner's own initiative,
may reconsider the determination if it is found that an error in computation or identity has
occurred in connection with the determination or that additional wages pertinent to the
applicant's status have become available, or if that determination has been made as a result
of a nondisclosure or misrepresentation of a material fact.

Sec. 10. [268B.06] EMPLOYER NOTIFICATION.

(a) Upon a determination under section 268B.05 that an applicant is entitled to benefits,
the commissioner must promptly send a notification to each current employer of the applicant,
if any, in accordance with paragraph (b).

(b) The notification under paragraph (a) must include, at a minimum:

(1) the name of the applicant;
(2) that the applicant has applied for and received benefits;
(3) the week the benefits commence;
(4) the weekly benefit amount payable;
(5) the maximum duration of benefits; and
(6) descriptions of the employer's right to participate in a hearing under section 268B.05,
and appeal process under section 268B.07.

Sec. 11. [268B.07] APPEAL PROCESS.

Subdivision 1. Hearing. (a) The commissioner shall designate a chief benefit judge.
(b) Upon a timely appeal to a determination having been filed or upon a referral for
direct hearing, the chief benefit judge must set a time and date for a de novo due-process
hearing and send notice to an applicant and an employer, by mail or electronic transmission,
not less than ten calendar days before the date of the hearing.
(c) The commissioner may adopt rules on procedures for hearings. The rules need not conform to common law or statutory rules of evidence and other technical rules of procedure.

(d) The chief benefit judge has discretion regarding the method by which the hearing is conducted.

Subd. 2. Decision. (a) After the conclusion of the hearing, upon the evidence obtained, the benefit judge must serve by mail or electronic transmission to all parties, the decision, reasons for the decision, and written findings of fact.

(b) Decisions of a benefit judge are not precedential.

Subd. 3. Request for reconsideration. Any party, or the commissioner, may, within 30 calendar days after service of the benefit judge's decision, file a request for reconsideration asking the judge to reconsider that decision.

Subd. 4. Appeal to court of appeals. Any final determination on a request for reconsideration may be appealed by any party directly to the Minnesota Court of Appeals.

Subd. 5. Benefit judges. (a) Only employees of the department who are attorneys licensed to practice law in Minnesota may serve as a chief benefit judge, senior benefit judges who are supervisors, or benefit judges.

(b) The chief benefit judge must assign a benefit judge to conduct a hearing and may transfer to another benefit judge any proceedings pending before another benefit judge.

Sec. 12. [268B.08] BENEFITS.

Subdivision 1. Weekly benefit amount. (a) Subject to the maximum weekly benefit amount, an applicant's weekly benefit is calculated by adding the amounts obtained by applying the following percentage to an applicant's average weekly wage:

(1) 90 percent of wages that do not exceed 50 percent of the state's average weekly wage;

plus

(2) 66 percent of wages that exceed 50 percent of the state's average weekly wage but not 100 percent; plus

(3) 55 percent of wages that exceed 100 percent of the state's average weekly wage.

(b) The state's average weekly wage is the average wage as calculated under section 268.035, subdivision 23, at the time a benefit amount is first determined.

(c) Notwithstanding any other provision in this section, weekly benefits must not exceed the maximum weekly benefit amount applicable at the time benefit payments commence.
Subd. 2. **Timing of payment.** Except as otherwise provided for in this chapter, benefits must be paid weekly.

Subd. 3. **Maximum length of benefits.** (a) Except as provided in paragraph (b), in a single benefit year, an applicant may receive up to 12 weeks of benefits under this chapter related to the applicant's serious health condition or pregnancy and up to 12 weeks of benefits under this chapter for bonding, safety leave, or family care. 

(b) An applicant may receive up to 12 weeks of benefits in a single benefit year for leave related to one or more qualifying exigencies.

Subd. 4. **Minimum period for which benefits payable.** Except for a claim for benefits for bonding leave, any claim for benefits must be based on a single-qualifying event of at least seven calendar days. Benefits may be paid for a minimum increment of one day. The minimum increment of one day may consist of multiple, nonconsecutive portions of a day totaling eight hours.

Subd. 5. **Withholding of federal tax.** If the Internal Revenue Service determines that benefits are subject to federal income tax, and an applicant elects to have federal income tax deducted and withheld from the applicant's benefits, the commissioner must deduct and withhold the amount specified in the Internal Revenue Code in a manner consistent with state law.

Sec. 13. [268B.085] LEAVE.

Subdivision 1. **Right to leave.** Ninety calendar days from the date of hire, an employee has a right to leave from employment for any day, or portion of a day, for which the employee would be eligible for benefits under this chapter, regardless of whether the employee actually applied for benefits and regardless of whether the employee is covered under a private plan or the public program under this chapter.

Subd. 2. **Notice to employer.** (a) If the need for leave is foreseeable, an employee must provide the employer at least 30 days' advance notice before leave under this chapter is to begin. If 30 days' notice is not practicable because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as practicable. Whether leave is to be continuous or is to be taken intermittently or on a reduced schedule basis, notice need only be given one time, but the employee must advise the employer as soon as practicable if dates of scheduled leave change or are extended, or were initially unknown. In those cases where the employee is required to provide at least 30 days' notice of foreseeable leave and does not do so, the
employee must explain the reasons why such notice was not practicable upon a request from
the employer for such information.

(b) "As soon as practicable" means as soon as both possible and practical, taking into
account all of the facts and circumstances in the individual case. When an employee becomes
aware of a need for leave under this chapter less than 30 days in advance, it should be
practicable for the employee to provide notice of the need for leave either the same day or
the next day, unless the need for leave is based on a medical emergency. In all cases,
however, the determination of when an employee could practicably provide notice must
take into account the individual facts and circumstances.

(c) An employee shall provide at least verbal notice sufficient to make the employer
aware that the employee needs leave allowed under this chapter and the anticipated timing
and duration of the leave. An employer may require an employee giving notice of leave to
include a certification for the leave as described in section 268B.04, subdivision 2. Such
certification, if required by an employer, is timely when the employee delivers it as soon
as practicable given the circumstances requiring the need for leave, and the required contents
of the certification.

(d) An employer may require an employee to comply with the employer's usual and
customary notice and procedural requirements for requesting leave, absent unusual
circumstances or other circumstances caused by the reason for the employee's need for
leave. Leave under this chapter must not be delayed or denied where an employer's usual
and customary notice or procedural requirements require notice to be given sooner than set
forth in this subdivision.

(e) If an employer has failed to provide notice to the employee as required under section
268B.22, paragraph (a), (b), or (e), the employee is not required to comply with the notice
requirements of this subdivision.

Subd. 3. Bonding leave. Bonding leave taken under this chapter begins at a time requested
by the employee. Bonding leave must begin within 12 months of the birth, adoption, or
placement of a foster child, except that, in the case where the child must remain in the
hospital longer than the mother, the leave must begin within 12 months after the child leaves
the hospital.

Subd. 4. Intermittent or reduced leave schedule. (a) Leave under this chapter, based
on a serious health condition, may be taken intermittently or on a reduced leave schedule
if such leave would be medically beneficial to the individual with the serious health condition.
For all other leaves under this chapter, leave may be taken intermittently or on a reduced
leave schedule. Intermittent leave is leave taken in separate blocks of time due to a single, seven-day qualifying event. A reduced leave schedule is a leave schedule that reduces an employee's usual number of working hours per workweek or hours per workday.

(b) Leave taken intermittently or on a reduced schedule basis counts toward the maximums described in section 268B.08, subdivision 3.

Sec. 14. [268B.09] EMPLOYMENT PROTECTIONS.

Subdivision 1. Retaliation prohibited. An employer must not retaliate against an employee for requesting or obtaining benefits, or for exercising any other right under this chapter.

Subd. 2. Interference prohibited. An employer must not obstruct or impede an application for leave or benefits or the exercise of any other right under this chapter.

Subd. 3. Waiver of rights void. Any agreement to waive, release, or commute rights to benefits or any other right under this chapter is void.

Subd. 4. No assignment of benefits. Any assignment, pledge, or encumbrance of benefits is void. Benefits are exempt from levy, execution, attachment, or any other remedy provided for the collection of debt. Any waiver of this subdivision is void.

Subd. 5. Continued insurance. During any leave for which an employee is entitled to benefits under this chapter, the employer must maintain coverage under any group insurance policy, group subscriber contract, or health care plan for the employee and any dependents as if the employee was not on leave, provided, however, that the employee must continue to pay any employee share of the cost of such benefits.

Subd. 6. Employee right to reinstatement. (a) On return from leave under this chapter, an employee is entitled to be returned to the same position the employee held when leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to such reinstatement even if the employee has been replaced or the employee's position has been restructured to accommodate the employee's absence.

(b)(1) An equivalent position is one that is virtually identical to the employee's former position in terms of pay, benefits, and working conditions, including privileges, prerequisites, and status. It must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority.
(2) If an employee is no longer qualified for the position because of the employee's inability to attend a necessary course, renew a license, fly a minimum number of hours, or the like, as a result of the leave, the employee must be given a reasonable opportunity to fulfill those conditions upon return from leave.

(c)(1) An employee is entitled to any unconditional pay increases which may have occurred during the leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with the employer's policy or practice with respect to other employees on an equivalent leave status for a reason that does not qualify for leave under this chapter. An employee is entitled to be restored to a position with the same or equivalent pay premiums, such as a shift differential. If an employee departed from a position averaging ten hours of overtime, and corresponding overtime pay, each week an employee is ordinarily entitled to such a position on return from leave under this chapter.

(2) Equivalent pay includes any bonus or payment, whether it is discretionary or nondiscretionary, made to employees consistent with the provisions of clause (1). However, if a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to leave under this chapter, the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify for leave under this chapter.

(d) Benefits under this section include all benefits provided or made available to employees by an employer, including group life insurance, health insurance, disability insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether such benefits are provided by a practice or written policy of an employer through an employee benefit plan as defined in section 3(3) of United States Code, title 29, section 1002(3).

(1) At the end of an employee's leave under this chapter, benefits must be resumed in the same manner and at the same levels as provided when the leave began, and subject to any changes in benefit levels that may have taken place during the period of leave affecting the entire workforce, unless otherwise elected by the employee. Upon return from a leave under this chapter, an employee cannot be required to requalify for any benefits the employee enjoyed before leave began, including family or dependent coverages.

(2) An employee may, but is not entitled to, accrue any additional benefits or seniority during a leave under this chapter. Benefits accrued at the time leave began, however, must be available to an employee upon return from leave.
With respect to pension and other retirement plans, leave under this chapter must not be treated as or counted toward a break in service for purposes of vesting and eligibility to participate. Also, if the plan requires an employee to be employed on a specific date in order to be credited with a year of service for vesting, contributions, or participation purposes, an employee on leave under this chapter must be treated as employed on that date. However, periods of leave under this chapter need not be treated as credited service for purposes of benefit accrual, vesting, and eligibility to participate.

Employees on leave under this chapter must be treated as if they continued to work for purposes of changes to benefit plans. Employees on leave under this chapter are entitled to changes in benefit plans, except those which may be dependent upon seniority or accrual during the leave period, immediately upon return from leave or to the same extent they would have qualified if no leave had been taken.

An equivalent position must have substantially similar duties, conditions, responsibilities, privileges, and status as the employee's original position.

An employee must be reinstated to the same or a geographically proximate worksite from where the employee had previously been employed. If the employee's original worksite has been closed, the employee is entitled to the same rights as if the employee had not been on leave when the worksite closed.

The employee is ordinarily entitled to return to the same shift or the same or an equivalent work schedule.

The employee must have the same or an equivalent opportunity for bonuses, profit-sharing, and other similar discretionary and nondiscretionary payments.

This chapter does not prohibit an employer from accommodating an employee's request to be restored to a different shift, schedule, or position which better suits the employee's personal needs on return from leave, or to offer a promotion to a better position. However, an employee must not be induced by the employer to accept a different position against the employee's wishes.

The requirement that an employee be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.

Subd. 7. Limitations on an employee's right to reinstatement. An employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the period of leave under this chapter.
An employer must be able to show that an employee would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.

(1) If an employee is laid off during the course of taking a leave under this chapter and employment is terminated, the employer's responsibility to continue the leave, maintain group health plan benefits, and restore the employee cease at the time the employee is laid off, provided the employer has no continuing obligations under a collective bargaining agreement or otherwise. An employer would have the burden of proving that an employee would have been laid off during the period of leave under this chapter and, therefore, would not be entitled to restoration. Restoration to a job slated for layoff when the employee's original position would not meet the requirements of an equivalent position.

(2) If a shift has been eliminated or overtime has been decreased, an employee would not be entitled to return to work that shift or the original overtime hours upon restoration. However, if a position on, for example, a night shift has been filled by another employee, the employee is entitled to return to the same shift on which employed before taking leave under this chapter.

(3) If an employee was hired for a specific term or only to perform work on a discrete project, the employer has no obligation to restore the employee if the employment term or project is over and the employer would not otherwise have continued to employ the employee.

Subd. 8. Remedies. (a) In addition to any other remedies available to an employee in law or equity, an employer who violates the provisions of this section is liable to any employee affected for:

(1) damages equal to the amount of:

(i) any wages, salary, employment benefits, or other compensation denied or lost to such employee by reason of the violation, or, in cases in which wages, salary, employment benefits, or other compensation have not been denied or lost to the employee, any actual monetary losses sustained by the employee as a direct result of the violation; and

(ii) reasonable interest on the amount described in item (i); and

(2) such equitable relief as may be appropriate, including employment, reinstatement, and promotion.

(b) An action to recover damages or equitable relief prescribed in paragraph (a) may be maintained against any employer in any federal or state court of competent jurisdiction by any one or more employees for and on behalf of:

(1) the employees; or
(2) the employees and other employees similarly situated.

c) The court in an action under this section must, in addition to any judgment awarded
to the plaintiff or plaintiffs, allow reasonable attorney fees, reasonable expert witness fees,
and other costs of the action to be paid by the defendant.

d) Nothing in this section shall be construed to allow an employee to recover damages
from an employer for the denial of benefits under this chapter by the department, unless the
employer unlawfully interfered with the application for benefits under subdivision 2.

Sec. 15. [268B.10] SUBSTITUTION OF A PRIVATE PLAN.

Subdivision 1. Application for substitution. Employers may apply to the commissioner
for approval to meet their obligations under this chapter through the substitution of a private
plan that provides paid family, paid medical, or paid family and medical benefits. In order
to be approved as meeting an employer's obligations under this chapter, a private plan must
confer all of the same rights, protections, and benefits provided to employees under this
chapter, including but not limited to benefits under section 268B.08 and employment
protections under section 268B.09. An employee covered by a private plan under this section
retains all applicable rights and remedies under section 268B.09.

Subd. 2. Private plan requirements; medical benefit program. (a) The commissioner
must approve an application for private provision of the medical benefit program if the
commissioner determines:

1. all of the employees of the employer are to be covered under the provisions of the
employer plan;

2. eligibility requirements for benefits and leave are no more restrictive than as provided
under this chapter;

3. the weekly benefits payable under the private plan for any week are at least equal to
the weekly benefit amount payable under this chapter, taking into consideration any coverage
with respect to concurrent employment by another employer;

4. the total number of weeks for which benefits are payable under the private plan is
at least equal to the total number of weeks for which benefits would have been payable
under this chapter;

5. no greater amount is required to be paid by employees toward the cost of benefits
under the employer plan than by this chapter;
(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any serious health condition or pregnancy for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of medical benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will be continued under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 3. Private plan requirements; family benefit program. (a) The commissioner must approve an application for private provision of the family benefit program if the commissioner determines:

(1) all of the employees of the employer are to be covered under the provisions of the employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to the weekly benefit amount payable under this chapter, taking into consideration any coverage with respect to concurrent employment by another employer;

(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;
(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any care for a family member with a serious health condition, bonding with a child, qualifying exigency, or safety leave event for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of family benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will be continued under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 4. Use of private insurance products. Nothing in this section prohibits an employer from meeting the requirements of a private plan through a private insurance product. If the employer plan involves a private insurance product, that insurance product must conform to any applicable law or rule.

Subd. 5. Private plan approval and oversight fee. An employer with an approved private plan will not be required to pay premiums established under section 268B.12. An employer with an approved private plan will be responsible for a private plan approval and oversight fee equal to $250 for employers with fewer than 50 employees, $500 for employers with 50 to 499 employees, and $1,000 for employers with 500 or more employees. The employer must pay this fee (1) upon initial application for private plan approval and (2) any time the employer applies to amend the private plan. The commissioner will review and report on the adequacy of this fee to cover private plan administrative costs annually beginning October 1, 2021, as part of the annual report established in section 268B.21.

Subd. 6. Plan duration. A private plan under this section must be in effect for a period of at least one year and, thereafter, continuously unless the commissioner finds that the employer has given notice of withdrawal from the plan in a manner specified by the
commissioner in this section or rule. The plan may be withdrawn by the employer within
30 days of the effective date of any law increasing the benefit amounts or within 30 days
of the date of any change in the rate of premiums. If the plan is not withdrawn, it must be
amended to conform to provide the increased benefit amount or change in the rate of the
employee's premium on the date of the increase or change.

Subd. 7. Appeals. An employer may appeal any adverse action regarding that employer's
private plan to the commissioner, in a manner specified by the commissioner.

Subd. 8. Employees no longer covered. (a) An employee is no longer covered by an
approved private plan if a leave under this chapter occurs after the employment relationship
with the private plan employer ends, or if the commissioner revokes the approval of the
private plan.

(b) An employee no longer covered by an approved private plan is, if otherwise eligible,
immediately entitled to benefits under this chapter to the same extent as though there had
been no approval of the private plan.

Subd. 9. Posting of notice regarding private plan. An employer with a private plan
must provide a notice prepared by or approved by the commissioner regarding the private
plan consistent with the provisions of section 268B.22.

Subd. 10. Amendment. (a) The commissioner must approve any amendment to a private
plan adjusting the provisions thereof, if the commissioner determines:

(1) that the plan, as amended, will conform to the standards set forth in this chapter; and

(2) that notice of the amendment has been delivered to all affected employees at least
ten days before the submission of the amendment.

(b) Any amendments approved under this subdivision are effective on the date of the
commissioner's approval, unless the commissioner and the employer agree on a later date.

Subd. 11. Successor employer. A private plan in effect at the time a successor acquires
the employer organization, trade, or business, or substantially all the assets thereof, or a
distinct and severable portion of the organization, trade, or business, and continues its
operation without substantial reduction of personnel resulting from the acquisition, must
continue the approved private plan and must not withdraw the plan without a specific request
for withdrawal in a manner and at a time specified by the commissioner. A successor may
terminate a private plan with notice to the commissioner and within 90 days from the date
of the acquisition.
Subd. 12. Reversion of approval by commissioner. (a) The commissioner may terminate any private plan if the commissioner determines the employer:

(1) failed to pay benefits;

(2) failed to pay benefits in a timely manner, consistent with the requirements of this chapter;

(3) failed to submit reports as required by this chapter or rule adopted under this chapter; or

(4) otherwise failed to comply with this chapter or rule adopted under this chapter.

(b) The commissioner must give notice of the intention to terminate a plan to the employer at least ten days before taking any final action. The notice must state the effective date and the reason for the termination.

(c) The employer may, within ten days from mailing or personal service of the notice, file an appeal to the commissioner in the time, manner, method, and procedure provided by the commissioner under subdivision 7.

(d) The payment of benefits must not be delayed during an employer's appeal of the revocation of approval of a private plan.

(e) If the commissioner revokes approval of an employer's private plan, that employer is ineligible to apply for approval of another private plan for a period of three years, beginning on the date of revocation.

Subd. 13. Employer penalties. (a) The commissioner may assess the following monetary penalties against an employer with an approved private plan found to have violated this chapter:

(1) $1,000 for the first violation; and

(2) $2,000 for the second, and each successive violation.

(b) The commissioner must waive collection of any penalty if the employer corrects the violation within 30 days of receiving a notice of the violation and the notice is for a first violation.

(c) The commissioner may waive collection of any penalty if the commissioner determines the violation to be an inadvertent error by the employer.

(d) Monetary penalties collected under this section shall be deposited in the account.
(e) Assessment of penalties under this subdivision may be appealed as provided by the commissioner under subdivision 7.

Subd. 14. Reports, information, and records. Employers with an approved private plan must maintain all reports, information, and records as relating to the private plan and claims for a period of six years from creation and provide to the commissioner upon request.

Subd. 15. Audit and investigation. The commissioner may investigate and audit plans approved under this section both before and after the plans are approved.

Sec. 16. [268B.11] SELF-EMPLOYED AND INDEPENDENT CONTRACTOR ELECTION OF COVERAGE.

Subdivision 1. Election of coverage. (a) A self-employed individual or independent contractor may file with the commissioner by electronic transmission in a format prescribed by the commissioner an application to be entitled to benefits under this chapter for a period not less than 104 consecutive calendar weeks. Upon the approval of the commissioner, sent by United States mail or electronic transmission, the individual is entitled to benefits under this chapter beginning the calendar quarter after the date of approval or beginning in a later calendar quarter if requested by the self-employed individual or independent contractor. The individual ceases to be entitled to benefits as of the first day of January of any calendar year only if, at least 30 calendar days before the first day of January, the individual has filed with the commissioner by electronic transmission in a format prescribed by the commissioner a notice to that effect.

(b) The commissioner may terminate any application approved under this section with 30 calendar days' notice sent by United States mail or electronic transmission if the self-employed individual is delinquent on any premiums due under this chapter an election agreement. If an approved application is terminated in this manner during the first 104 consecutive calendar weeks of election, the self-employed individual remains obligated to pay the premium under subdivision 3 for the remainder of that 104-week period.

Subd. 2. Application A self-employed individual who applies for coverage under this section must provide the commissioner with (1) the amount of the individual's net earnings from self-employment, if any, from the two most recent taxable years and all tax documents necessary to prove the accuracy of the amounts reported and (2) any other documentation the commissioner requires. A self-employed individual who is covered under this chapter must annually provide the commissioner with the amount of the individual's net earnings from self-employment within 30 days of filing a federal income tax return.
Subd. 3. **Premium.** A self-employed individual who elects to receive coverage under this chapter must annually pay a premium equal to one-half the percentage in section 268B.12, subdivision 4, clause (1), times the lesser of:

1. the individual's self-employment premium base; or
2. the maximum earnings subject to the FICA Old-Age, Survivors, and Disability Insurance tax.

Subd. 4. **Benefits.** Notwithstanding anything to the contrary, a self-employed individual who has applied to and been approved for coverage by the commissioner under this section is entitled to benefits on the same basis as an employee under this chapter, except that a self-employed individual's weekly benefit amount under section 268B.08, subdivision 1, must calculated as a percentage of the self-employed individual's self-employment premium base, rather than wages.

Sec. 17. [268B.12] PREMIUMS.

Subdivision 1. **Employer.** (a) Each person or entity required, or who elected, to register for a tax account under sections 268.042, 268.045, and 268.046 must pay a premium on the wages paid to employees in covered employment for each calendar year. The premium must be paid on all wages up to the maximum specified by this section.

(b) Each person or entity required, or who elected, to register for a reimbursable account under sections 268.042, 268.045, and 268.046 must pay a premium on the wages paid to employees in covered employment in the same amount and manner as provided by paragraph (a).

Subd. 2. **Employee charge back.** Notwithstanding section 177.24, subdivision 4, or 181.06, subdivision 1, employers and covered business entities may deduct up to 50 percent of annual premiums paid under this section from employee wages. Such deductions for any given employee must be in equal proportion to the premiums paid based on the wages of that employee, and all employees of an employer must be subject to the same percentage deduction. Deductions under this section must not cause an employee's wage, after the deduction, to fall below the rate required to be paid to the worker by law, including any applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or other legal authority, whichever rate of pay is greater.

Subd. 3. **Wages and payments subject to premium.** (a) The maximum wages subject to premium in a calendar year is equal to the maximum earnings in that year subject to the FICA Old-Age, Survivors, and Disability Insurance tax.
(b) The maximum payment amount subject to premium in a calendar year, under subdivision 1, paragraph (c), is equal to the maximum earnings in that year subject to the FICA Old-Age, Survivors, and Disability Insurance tax.

Subd. 4. Annual premium rates. The employer premium rates for the calendar year beginning January 1, 2022, shall be as follows:

(1) for employers participating in both family and medical benefit programs, 0.6 percent;

(2) for an employer participating in only the medical benefit program and with an approved private plan for the family benefit program, 0.486 percent; and

(3) for an employer participating in only the family benefit program and with an approved private plan for the medical benefit program, 0.114 percent.

Subd. 5. Premium rate adjustments. (a) Each calendar year following the calendar year beginning January 1, 2024, the commissioner must adjust the annual premium rates using the formula in paragraph (b).

(b) To calculate the employer rates for a calendar year, the commissioner must:

(1) multiply 1.45 times the amount disbursed from the account for the 52-week period ending September 30 of the prior year;

(2) subtract the amount in the account on that September 30 from the resulting figure;

(3) divide the resulting figure by twice the total wages in covered employment of employees of employers without approved private plans under section 268B.10 for either the family or medical benefit program. For employers with an approved private plan for either the medical benefit program or the family benefit program, but not both, count only the proportion of wages in covered employment associated with the program for which the employer does not have an approved private plan; and

(4) round the resulting figure down to the nearest one-hundredth of one percent.

(c) The commissioner must apportion the premium rate between the family and medical benefit programs based on the relative proportion of expenditures for each program during the preceding year.

Subd. 6. Deposit of premiums. All premiums collected under this section must be deposited into the account.

Subd. 7. Nonpayment of premiums by employer. The failure of an employer to pay premiums does not impact the right of an employee to benefits, or any other right, under this chapter.
Sec. 18. [268B.13] COLLECTION OF PREMIUMS.

Subdivision 1. Amount computed presumed correct. Any amount due from an employer, as computed by the commissioner, is presumed to be correctly determined and assessed, and the burden is upon the employer to show any error. A statement by the commissioner of the amount due is admissible in evidence in any court or administrative proceeding and is prima facie evidence of the facts in the statement.

Subd. 2. Priority of payments. (a) Any payment received from an employer must be applied in the following order:

1. premiums due under this chapter; then
2. interest on past due premiums; then
3. penalties, late fees, administrative service fees, and costs.

(b) Paragraph (a) is the priority used for all payments received from an employer, regardless of how the employer may designate the payment to be applied, except when:

1. there is an outstanding lien and the employer designates that the payment made should be applied to satisfy the lien;
2. a court or administrative order directs that the payment be applied to a specific obligation;
3. a preexisting payment plan provides for the application of payment; or
4. the commissioner agrees to apply the payment to a different priority.

Subd. 3. Costs. (a) Any employer that fails to pay any amount when due under this chapter is liable for any filing fees, recording fees, sheriff fees, costs incurred by referral to any public or private collection agency, or litigation costs, including attorney fees, incurred in the collection of the amounts due.

(b) If any tendered payment of any amount due is not honored when presented to a financial institution for payment, any costs assessed to the department by the financial institution and a fee of $25 must be assessed to the person.

(c) Costs and fees collected under this subdivision are credited to the account.

Subd. 4. Interest on amounts past due. If any amounts due from an employer under this chapter, except late fees, are not received on the date due, the unpaid balance bears interest at the rate of one percent per month or any part of a month. Interest collected under this subdivision is payable to the account.
Subd. 5. Interest on judgments. Regardless of section 549.09, if judgment is entered upon any past due amounts from an employer under this chapter, the unpaid judgment bears interest at the rate specified in subdivision 4 until the date of payment.

Subd. 6. Credit adjustments; refunds. (a) If an employer makes an application for a credit adjustment of any amount paid under this chapter within four years of the date that the payment was due, in a manner and format prescribed by the commissioner, and the commissioner determines that the payment or any portion thereof was erroneous, the commissioner must make an adjustment and issue a credit without interest. If a credit cannot be used, the commissioner must refund, without interest, the amount erroneously paid. The commissioner, on the commissioner's own motion, may make a credit adjustment or refund under this subdivision.

(b) Any refund returned to the commissioner is considered unclaimed property under chapter 345.

(c) If a credit adjustment or refund is denied in whole or in part, a determination of denial must be sent to the employer by United States mail or electronic transmission. The determination of denial is final unless an employer files an appeal within 20 calendar days after receipt of the determination.

(d) If an employer receives a credit adjustment or refund under this section, the employer must determine the amount of any overpayment attributable to a deduction from employee wages under section 268B.12, subdivision 2, and return any amount erroneously deducted to each affected employee.

Subd. 7. Priorities under legal dissolutions or distributions. In the event of any distribution of an employer's assets according to an order of any court, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceeding, premiums then or thereafter due must be paid in full before all other claims except claims for wages of not more than $1,000 per former employee that are earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy under federal law, premiums then or thereafter due are entitled to the priority provided in that law for taxes due.

Sec. 19. [268B.14] ADMINISTRATIVE COSTS.

From July 1, 2022, through December 31, 2022, the commissioner may spend up to seven percent of premiums collected under section 268B.13 for administration of this chapter. Beginning January 1, 2023, and each calendar year thereafter, the commissioner may spend...
up to seven percent of projected benefit payments for that calendar year for the administration
of this chapter. The department may enter into interagency agreements with the Department
of Labor and Industry, including agreements to transfer funds, subject to the limit in this
section, for the Department of Labor and Industry to fulfill its enforcement authority of this
chapter.

Sec. 20. [268B.15] PUBLIC OUTREACH.

Beginning in fiscal year 2023, the commissioner must use at least 0.5 percent of revenue
collected under this chapter for the purpose of outreach, education, and technical assistance
for employees, employers, and self-employed individuals eligible to elect coverage under
section 268B.11. The department may enter into interagency agreements with the Department
of Labor and Industry, including agreements to transfer funds, subject to the limit in section
268B.14, to accomplish the requirements of this section. At least one-half of the amount
spent under this section must be used for grants to community-based groups.

Sec. 21. [268B.16] APPLICANT'S FALSE REPRESENTATIONS; CONCEALMENT
OF FACTS; PENALTY.

(a) Any applicant who knowingly makes a false statement or representation, knowingly
fails to disclose a material fact, or makes a false statement or representation without a
good-faith belief as to the correctness of the statement or representation in order to obtain
or in an attempt to obtain benefits may be assessed, in addition to any other penalties, an
administrative penalty of ineligibility of benefits for 13 to 104 weeks.

(b) A determination of ineligibility setting out the weeks the applicant is ineligible must
be sent to the applicant by United States mail or electronic transmission. The determination
is final unless an appeal is filed within 30 calendar days after receipt of the determination.

Sec. 22. [268B.17] EMPLOYER MISCONDUCT; PENALTY.

(a) The commissioner must penalize an employer if that employer or any employee,
officer, or agent of that employer is in collusion with any applicant for the purpose of
assisting the applicant in receiving benefits fraudulently. The penalty is $500 or the amount
of benefits determined to be overpaid, whichever is greater.

(b) The commissioner must penalize an employer if that employer or any employee,
officer, or agent of that employer:

(1) made a false statement or representation knowing it to be false;
(2) made a false statement or representation without a good-faith belief as to the correctness of the statement or representation; or

(3) knowingly failed to disclose a material fact.

(c) The penalty is the greater of $500 or 50 percent of the following resulting from the employer's action:

(1) the amount of any overpaid benefits to an applicant;

(2) the amount of benefits not paid to an applicant that would otherwise have been paid; or

(3) the amount of any payment required from the employer under this chapter that was not paid.

(d) Penalties must be paid within 30 calendar days of issuance of the determination of penalty and credited to the account.

(e) The determination of penalty is final unless the employer files an appeal within 30 calendar days after the sending of the determination of penalty to the employer by United States mail or electronic transmission.

Sec. 23. [268B.18] RECORDS; AUDITS.

(a) Each employer must keep true and accurate records on individuals performing services for the employer, containing the information the commissioner may require under this chapter. The records must be kept for a period of not less than four years in addition to the current calendar year.

(b) For the purpose of administering this chapter, the commissioner has the power to investigate, audit, examine, or cause to be supplied or copied, any books, correspondence, papers, records, or memoranda that are the property of, or in the possession of, an employer or any other person at any reasonable time and as often as may be necessary.

(c) An employer or other person that refuses to allow an audit of its records by the department or that fails to make all necessary records available for audit in the state upon request of the commissioner may be assessed an administrative penalty of $500. The penalty collected is credited to the account.

Sec. 24. [268B.19] SUBPOENAS; OATHS.

(a) The commissioner or benefit judge has authority to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of
individuals and the production of documents and other personal property necessary in connection with the administration of this chapter.

(b) Individuals subpoenaed, other than applicants or officers and employees of an employer that is the subject of the inquiry, must be paid witness fees the same as witness fees in civil actions in district court. The fees need not be paid in advance.

c) The subpoena is enforceable through the district court in Ramsey County.

Sec. 25. [268B.20] CONCILIATION SERVICES.

The Department of Labor and Industry may offer conciliation services to employers and employees to resolve disputes concerning alleged violations of employment protections identified in section 268B.09.

The required workplace notice must be in English and each language other than English which is the primary language of five or more employees or independent contractors of that workplace, if such notice is available from the department.

(b) Each employer must issue to each employee not more than 30 days from the beginning date of the employee's employment, or 30 days before premium collection begins, which ever is later, the following written information provided or approved by the department in the primary language of the employee:
