9 (10 ILCS 5/2B-20 new)

10 Sec. 2B-20. Changes for vote by mail official ballot
11 mailing and processing.

12 (a) Notwithstanding any other provision of law to the
13 contrary, an election authority shall mail official ballots to
14 any elector requesting an official ballot no earlier than
15 September 24, 2020. Except for electors applying under Article
16 20, any elector submitting an application for a vote by mail
17 ballot on or before October 1, 2020 shall receive a ballot no
18 later than October 6, 2020. An election authority shall mail
19 official ballots to any elector requesting an official ballot
20 after October 1, 2020 no later than 2 business days after
21 receipt of the application.

22 (b) Notwithstanding any other provision of law to the
23 contrary, any vote by mail ballot received by an election
24 authority shall be presumed to meet the requirements of
25 Articles 17, 18, and 19 and the voter shall be deemed otherwise

1 qualified to cast a vote by mail ballot unless deemed invalid
2 as provided in this Section.

3 (c) Notwithstanding any other provision of law to the
4 contrary, within 2 days after a vote by mail ballot is
5 received, but in all cases before the close of the period for
6 counting provisional ballots, the election authority shall
7 appoint panels as needed of 3 election judges, of which no more
8 than 2 shall be from the same political party, from the list of
9 election judges submitted by the county parties for this
10 specific purpose to compare the voter's signature on the
11 certification envelope of the vote by mail ballot with the
12 signature of the voter on file in the office of the election
13 authority. The signature shall be presumed to match unless 3
14 out of 3 election judges determine that the 2 signatures do not
15 match. A vote by mail ballot may only be rejected by a vote of 3
16 of 3 election judges and only for the following reasons: (1)
17 the signature on the certification envelope and the signature
18 used by the election authority for verification purposes do not
19 match or the certification envelope contains no signature; (2)
20 the ballot envelope was delivered opened; (3) the voter has
21 already cast a ballot; (4) if the voter voted in person on
22 election day; or (5) the voter is not a duly registered voter
23 in the precinct. If 3 of 3 election judges determine the ballot
24 should be rejected for any reasons stated in this subsection
25 (c), the judges shall mark across the face of the certification
26 envelope the word "rejected" and the date and names of the

1 judges voting to reject the ballot.

2 (d) If a vote by mail ballot is rejected, the election
3 authority shall notify the voter within 2 days after the
4 rejection or within one day if the rejection occurs after
5 election day and in all cases before the close of the period
6 for counting provisional ballots. The voter shall be notified
7 through mail or email, or both, and the notice shall inform the
8 voter of the reason or reasons the ballot was rejected. If the
9 ballot was rejected based on the signature or lack of a
10 signature, the voter shall be permitted to submit a statement
11 the voter cast the ballot, and upon receipt the ballot shall be
12 determined valid and counted before the close of the period for
13 counting provisional ballots. If the ballot was rejected
14 because the envelope was delivered opened, the voter shall be
15 permitted to vote in person or request to receive another vote
16 by mail ballot, provided the voter submits an application and
17 casts a new ballot prior to the close of polls on election day.

18 (e) Election authorities shall accept any vote by mail
19 ballot returned, including ballots returned with insufficient
20 or no postage, and may establish secure collection sites for
21 the postage-free return of vote by mail ballots. Any election
22 authority establishing such a collection site pursuant to this
23 subsection (c) shall collect all ballots submitted each day at
24 close of business and process them as required by this Code,
25 including noting the day on which the ballot was submitted.
26 Ballots submitted to such collection sites after close of

1 business shall be dated as delivered the next day, with the
2 exception of ballots delivered on election day, which shall be
3 dated as received on election day. Election authorities shall
4 permit electors to return vote by mail ballots on election day
5 up until the close of the polls.

6 (f) In accordance with Section 19-7, within one day after
7 receipt of a vote by mail ballot, the election authority shall
8 transmit notification of receipt to the State Board of
9 Elections. If a vote by mail ballot is rejected, the election
10 authority must notify the State Board of Elections within one
11 day. Upon request by a state or local political committee,
12 within 2 days an election authority must electronically provide
13 the names and addresses of any vote by mail ballots received
14 and any vote by mail ballots marked rejected.

15 (10 ILCS 5/2B-25 new)

16 Sec. 2B-25. Changes for first time registrants or change of
17 address registrations.

18 (a) Beginning on the effective date of this amendatory Act
19 of the 101st General Assembly, any person completing a voter
20 registration application or submitting a change of address
21 shall be notified of the option to receive a vote by mail
22 ballot. Upon request of the elector, the registration shall
23 serve as an application to receive an official vote by mail
24 ballot and the individual need not complete an application.
25 Upon processing the registration, the election authority shall

1 provide the individual with an official ballot.

2 (b) Upon request of the registrant, an election authority
3 shall accept a completed voter registration form as a valid
4 application and mail the elector an official ballot.

6 may provide any required documentation online or in person to
7 the election authority prior to applying to vote in order to
8 complete his or her registration.

9 (d) This Section shall not apply to an application
10 processed pursuant to Section 1A-16.1 or an individual

12 early voting site if the elector has the option and chooses to
13 exercise the option to vote in person at the time of
14 registration or in his or her precinct on election day.
