

SENATE FILE NO. SF0016

New net metering systems.

Sponsored by: Joint Corporations, Elections & Political
Subdivisions Interim Committee

A BILL

for

1 AN ACT relating to public utilities; amending the
2 governance of net metering systems; providing for a sunset
3 date for the net metering article; and providing for an
4 effective date.

5

6 *Be It Enacted by the Legislature of the State of Wyoming:*

7

8 **Section 1.** W.S. 37-16-105 is created to read:

9

10 **37-16-105. New net metering systems; rates, terms and**
11 **conditions of use; sunset.**

12

13 (a) The public service commission shall conduct
14 public hearings and establish an appropriate system to
15 regulate the rates, terms and conditions of

1 customer-generators by all electric utilities for
2 electricity produced from net metering systems first
3 operational on or after July 1, 2022. In establishing and
4 maintaining the system, the commission shall balance the
5 interests of customer-generators with those of electric
6 utilities and ratepayers to ensure the availability of
7 safe, adequate and reliable electricity service at just and
8 reasonable rates provided that, except on a de minimis
9 basis, other customers are not being subsidized by
10 customer-generators and customer-generators are not being
11 subsidized by other customers. The commission shall
12 establish the system under this subsection by April 1,
13 2022.

14

15 (b) This article is repealed July 1, 2031.

16

17 **Section 2.** This act is effective immediately upon
18 completion of all acts necessary for a bill to become law
19 as provided by Article 4, Section 8 of the Wyoming
20 Constitution.
