## CONCURRENT RESOLUTION PROPOSING CONSITUTIONAL AMENDMENT

RELATING TO: use of money raised by taxation for education.

PROVIDING THAT: money raised by taxation may be applied for the use of religious educational institutions.

*Be it Resolved by the House of Representatives, the Senate concurring, that the  
Constitution of New Hampshire be amended as follows:*

I. That article 83 of the second part of the constitution be amended to read as follows:

[Art.] 83. [Encouragement of Literature, etc.; Control of Corporations, Monopolies, etc.] Knowledge and learning, generally diffused through a community, being essential to the preservation of a free government; and spreading the opportunities and advantages of education through the various parts of the country, being highly conducive to promote this end; it shall be the duty of the legislators and magistrates, in all future periods of this government, to cherish the interest of literature and the sciences, and all seminaries and public schools, to encourage private and public institutions, rewards, and immunities for the promotion of agriculture, arts, sciences, commerce, trades, manufactures, and natural history of the country; to countenance and inculcate the principles of humanity and general benevolence, public and private charity, industry and economy, honesty and punctuality, sincerity, sobriety, and all social affections, and generous sentiments, among the people[~~: Provided, nevertheless, that no money raised by taxation shall ever be granted or applied for the use of the schools of institutions of any religious sect or denomination~~]. Free and fair competition in the trades and

industries is an inherent and essential right of the people and should be protected against all monopolies and conspiracies which tend to hinder or destroy it. The size and functions of all corporations should be so limited and regulated as to prohibit fictitious capitalization and provision should be made for the supervision and government thereof. Therefore, all just power possessed by the state is hereby granted to the general court to enact laws to prevent the operations within the state of all persons and associations, and all trusts and corporations, foreign or domestic, and the officers thereof, who endeavor to raise the price of any article of commerce or to destroy free and fair competition in the trades and industries through combination, conspiracy, monopoly, or any other unfair means; to control and regulate the acts of all such persons, associations, corporations, trusts, and officials doing business within the state; to prevent fictitious capitalization; and to authorize civil and criminal proceedings in respect to all the wrongs herein declared against.

II. That the above amendment proposed to the constitution be submitted to the qualified voters of the state at the state general election to be held in November, 2022.

III. That the selectmen of all towns, cities, wards and places in the state are directed to insert in their warrants for the said 2022 election an article to the following effect: To decide whether the amendments of the constitution proposed by the 2021 session of the general court shall be approved.

IV. That the wording of the question put to the qualified voters shall be:

"Are you in favor of amending article 83 of the second part of the constitution to read as follows:

V. That the secretary of state shall print the question to be submitted on a separate ballot or on the same ballot with other constitutional questions. The ballot containing the question shall include 2 squares next to the question allowing the voter to vote "Yes" or "No." If no cross is made in either of the squares, the ballot shall not be counted on the question.
