
Existing law requires the driver of any vehicle, including a person riding a bicycle, when approaching a stop sign at the entrance of an intersection, to stop before entering the intersection. A violation of this requirement is an infraction.

This bill would, until January 1, 2028, require a person riding a bicycle, when approaching a stop sign at the entrance of an intersection, to yield the right-of-way to any vehicles that have stopped at the entrance of the intersection, have entered the intersection, or that are approaching on the intersecting highway close enough to constitute an immediate hazard, and shall continue to yield the right-of-way to those vehicles until reasonably safe to proceed. The bill would require other vehicles to yield the right-of-way to a bicycle that, having yielded as prescribed, has entered the intersection.

The bill would also require the Commissioner of the California Highway Patrol to submit a report to the Legislature, as specified, regarding the effects of this bill.

By changing the elements of an existing crime, this bill would impose a state-mandated-cost: local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

SEC. 2. SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.
