Δ	cause exemption is satisfied

- "(7) A statement that while the statewide reading assessment is the initial determinant for promotion, the assessment is not the sole determiner at the end of third grade. Additionally, students shall be provided with a test-based student portfolio option and an alternative reading assessment option to demonstrate sufficient reading skills for promotion to fourth grade.
- "(d) Any K-3 student who exhibits a reading deficiency at any time, as provided in subsection (b), shall receive an individual reading improvement plan no later than 30 days after the identification of the reading deficiency.

- "(2) Funds allocated to the program in excess of the amount needed to fully fund summer programs in public elementary schools that are among the lowest five percent performing schools shall be divided, based on a per pupil allocation, and distributed by the State Superintendent of Education, to support high quality summer camps at elementary schools that are not among the lowest five percent performing elementary schools. The State Superintendent of Education shall award the funds to each local education agency based on the number of students who scored deficient, as determined by the task force established under subsection (a) of Section 16-6G-3, on a state-approved reading assessment used to

2	assessment during the preceding academic year.
