9 the residential property in the school district or districts by the rate  
10 or rates selected in subsection B, paragraph 1, subdivision (c) and

21 levied for all taxing jurisdictions on each parcel of residential  
22 property, in lieu of this subsection, violate article IX, section 18,  
23 Constitution of Arizona. For those properties that qualify for property  
24 tax exemptions pursuant to article IX, ~~sections~~ SECTION 2, ~~2.1 and 2.2~~,  
25 Constitution of Arizona, eligibility for the credit is determined on the  
26 basis of the limited property value that corresponds to the taxable  
27 assessed value after reduction for the applicable exemption. If the board  
28 of supervisors determines that such a situation exists, the board shall  
29 apply a credit against the primary property taxes due from each such  
30 parcel in the amount in excess of article IX, section 18, Constitution of  
31 Arizona. Such excess amounts shall also be additional state aid for  
32 education for the school district or districts in which the parcel of  
33 property is located.

34 F. The clerk of the board of supervisors shall report to the

41 subsection E of this section.

42 G. The clerk of the board of supervisors shall report to the

7 district of additional state aid for education as provided in this  
8 section. The additional state aid for education provided in this section

10           I. If a parcel of property is owned by a cooperative apartment

12 corporation as tenants in common, the reduction in the property taxes  
13 prescribed in subsection D of this section shall not exceed the amounts  
14 listed in subsection D of this section for each owner-occupied housing  
15 unit on the property. The assessed value used for determining the  
16 reduction in taxes for the property is equal to the total assessed value  
17 of the property times the ratio of the number of owner-occupied housing  
18 units to the total number of housing units on the property. For the

26 a complete or partial liquidation of the corporation, to receive any  
27 distribution not out of earnings and profits of the corporation.

34 amount appropriated or authorized by section 35-173 for that purpose.  
35 This section does not impose a duty on an officer, agent or employee of  
36 this state to discharge a responsibility or create any right in a person  
37 or group if the discharge or right would require an expenditure of state  
38 monies in excess of the expenditure authorized by legislative  
39 appropriation for that specific purpose.

41 of additional state aid for education that will be funded by this state  
42 pursuant to subsection E of this section shall be \$1,000,000 per county.  
43 For any county with a school district or districts that collectively would  
44 otherwise receive more than \$1,000,000 in additional state aid for

2 proportion of the violation of article IX, section 18, Constitution of

6 taxing jurisdiction within the affected school district or districts shall  
7 transfer to the affected school district or districts during the fiscal  
8 year in order to compensate the affected school district or districts for  
9 its pro rata share of the reduction in additional state aid for education  
10 funding required by this subsection. In determining the proportion of the  
11 violation of article IX, section 18, Constitution of Arizona, that is  
12 attributable to each taxing jurisdiction within the affected school  
13 district or districts, the property tax oversight commission shall assume  
14 a proportion of zero for any taxing jurisdiction that has a tax rate for  
15 the fiscal year that is equal to or less than the tax rate of peer  
16 jurisdictions, as determined by the property tax oversight commission.
