(a) A resident individual or part-year resident individual who is entitled to a child tax credit under the laws of the United States shall be entitled to a refundable credit against the tax imposed by section 5822 of this title for the taxable year. The total credit per taxable year shall be in the amount of \$1,000.00 per qualifying child, as defined under 26 U.S.C. § 152(c), who is five years of age or younger as of the close of the calendar year in which the taxable year of the taxpayer begins. (b) Notwithstanding subsection (a) of this section, the amount of the credit per child under this section shall be reduced, but not below zero, by \$20.00 for each \$1,000.00, or fraction thereof, by which the individual's adjusted gross income exceeds \$125,000.00, irrespective of the individual's filing status. For purposes of this subsection, spouses filing jointly shall be considered an individual.

(c) Notwithstanding any provision of law to the contrary, the refundable credit and its payment authorized under this section shall be treated in the same manner as the federal Earned Income Tax Credit and shall not be considered as assets, income, or resources to the same extent the credit and its payment would be disregarded pursuant to 26 U.S.C. § 6409 and the general welfare doctrine for purposes of determining eligibility for benefits or assistance, or the amount or extent of those benefits or assistance, under any State or local program, including programs established under 33 V.S.A. § 3512 and chapters 11, 17, 19, 21, 25, and 26.
