13 court shall:

14 (A) Inquire of all the parties to the CHINS case as to what services have been provided

(C) Confirm that all parties to the CHINS case have made reasonable efforts to secure placement of the child other than in the custody of DFCS;

(D) Inquire as to whether a child protective services report was made in accordance with subparagraph (D) of paragraph (3) of this subsection and if not, shall notify DFCS through the county director, the court liaison, or the attorney representing DFCS by phone or email that the court will be considering placing the child into the custody of DFCS. (E) Provide DFCS the opportunity to make reasonable efforts to avoid removal of the child into DFCS custody; and

Where good cause exists, DFCS shall have a minimum of 24 hours, excluding weekends and holidays, to make reasonable efforts to avoid the child entering DFCS custody.

(3) Any order removing a child from his or her home shall be based upon a finding by the court that:

(A) DFCS has been provided the opportunity to make reasonable efforts to avoid the removal of the child from his or her home and whether such reasonable efforts have been made by DFCS;

(B) Continuation of the child in his or her home would be contrary to such child's welfare;

(C) Removal is in such child's best interest; and

(D) In any CHINS case in which DJJ or any county operated probation office serving the court determines that there is a reasonable basis to believe that the child is dependent, it shall make a child protective services report to the Statewide Child Protective Services Communication Center (CICC) and shall notify the county director of the DFCS office in the county in which disposition is to be made in the CHINS case.

(4) Once a child has been ordered into the custody of DFCS, the court shall comply with Article 3 of Chapter 11 of this title, including conducting a preliminary protective hearing not later than 72 hours after the child is placed in DFCS custody as required by Code Section 15-11-145.

(5) All parties to the CHINS case shall provide copies of all medical, psychological, and educational assessments and reports pertaining to the child and the child's parent or guardian in their possession to DFCS no later than 72 hours after a child has been ordered into the custody of DFCS by the court.

(A) The court shall make an inquiry as to whether any parties to the CHINS case or court personnel, including the court clerk's file, have either possession of or immediate access to such records. The parties or personnel in possession of such records or with access to such records shall provide copies of all such records to DFCS;

(B) Each county DFCS office shall designate at least one county DFCS employee to receive such documents via email; and

(C) The court shall also inquire of all parties to the CHINS case as to the existence of assessments, evaluations, and reports pertaining to the child that are not in the possession of the parties. If any such records exist, the court shall immediately order the production of said records to DFCS."
