82.28 (b) If the address is changed to another address in this state, the secretary of state shall

99.7 performing the duties in this section must be of different major political parties, unless they
99.8 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,
99.9 subdivision 2.

99.10 (b) The members of the ballot board shall mark the signature envelope "Accepted" and
99.11 initial or sign the signature envelope below the word "Accepted" if a majority of the members
99.12 of the ballot board examining the envelope are satisfied that:

99.13 (1) the voter's name and address on the signature envelope are the same as the information
99.14 provided on the absentee ballot application;

99.15 (2) the voter signed the certification on the envelope;

99.16 (3) the voter's Minnesota driver's license, state identification number, or the last four
99.17 digits of the voter's Social Security number are the same as a number on the voter's absentee
99.18 ballot application or voter record. If the number does not match, the election judges must
99.19 compare the signature provided by the applicant to determine whether the ballots were

99.33 "Rejected," list the reason for the rejection on the envelope, and return it to the county

auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by this section. Failure to place the ballot within the secrecy envelope before placing it in the outer white envelope is not a reason to reject an absentee ballot.

(2) If an envelope has been rejected at least five days before the election, the envelope must remain sealed and the official in charge of the ballot board shall provide the voter with a replacement absentee ballot and signature envelope in place of the rejected ballot.

(3) If an envelope is rejected within five days of the election, the envelope must remain sealed and the official in charge of the ballot board must attempt to contact the voter by telephone or email to notify the voter that the voter's ballot has been rejected. The official must document the attempts made to contact the voter.

(d) The official in charge of the absentee ballot board must mail the voter a written notice of absentee ballot rejection between six and ten weeks following the election. If the official determines that the voter has otherwise cast a ballot in the election, no notice is required. If an absentee ballot arrives after the deadline for submission provided by this chapter, the notice must be provided between six to ten weeks after receipt of the ballot. A notice of absentee ballot rejection must contain the following information:

(1) the date on which the absentee ballot was rejected or, if the ballot was received after the required deadline for submission, the date on which the ballot was received;

(2) the reason for rejection; and

(3) the name of the appropriate election official to whom the voter may direct further questions, along with appropriate contact information.

(e) An absentee ballot signature envelope marked "Rejected" may not be opened or subject to further review except in an election contest filed pursuant to chapter 209.

Subd. 3. **Record of voting.** (a) When applicable, the county auditor or municipal clerk must immediately record that a voter's absentee ballot has been accepted or that the voter has cast a ballot pursuant to the early voting procedures provided in this chapter. In a state primary, general, or state special election for federal ~~or~~ state, or county office, the auditor or clerk must also record this information in the statewide voter registration system.

(b) The roster must be marked, and a supplemental report of absentee and early voters who submitted a voter registration application with their ballot must be created, no later than the start of voting on election day to indicate the voters that have already cast a ballot at the election. The roster may be marked either:

(1) by the county auditor or municipal clerk before election day;

(2) by the ballot board before election day; or

(3) by the election judges at the polling place on election day.

~~The record of a voter whose absentee ballot was received after the close of business on the seventh day before the election is not required to be marked on the roster or contained in a supplemental report as required by this paragraph.~~

In a state primary, general, or state special election for federal or state office, the auditor or clerk must also record this information in the statewide voter registration system.

(b) The roster must be marked, and a supplemental report of absentee voters who submitted a voter registration application with their ballot must be created, no later than the start of voting on election day to indicate the voters that have already cast a ballot at the election. The roster may be marked either:

(1) by the county auditor or municipal clerk before election day;

(2) by the ballot board before election day; or

102.28 within the United States may request that ballots, instructions, and a certificate of voter
102.29 eligibility be transmitted to the voter electronically. Upon receipt of a properly completed
102.30 application requesting electronic transmission, the county auditor shall electronically transmit
102.31 the requested materials to the voter. The county auditor is not required to provide return

115.10 Subd. 2. **Procedure; voting prior to election day.** Notice of the election and the special
115.11 mail procedure must be given at least ten weeks prior to the election. Not more than 46 days
115.12 nor later than 14 days before a regularly scheduled election and not more than 30 days nor
115.13 later than 14 days before any other election, the auditor shall mail ballots by nonforwardable
115.14 mail to all voters registered in the city, town, or unorganized territory. No later than 14 days
115.15 before the election, the auditor must make a subsequent mailing of ballots to those voters
115.16 who register to vote after the initial mailing but before the 20th day before the election.
115.17 Eligible voters not registered at the time the ballots are mailed may apply for ballots as
115.18 provided in chapter 203B. Ballot return envelopes, with return postage provided, must be
115.19 preaddressed to the auditor or clerk and the voter may return the ballot by mail or in person
115.20 to the office of the auditor or clerk. The auditor or clerk must appoint a ballot board to
115.21 examine the mail and absentee ballot return envelopes and mark them "accepted" or "rejected"
115.22 within three days of receipt if there are 14 or fewer days before election day, or within five
115.23 days of receipt if there are more than 14 days before election day. The board may consist
115.24 of deputy county auditors or deputy municipal clerks who have received training in the
115.25 processing and counting of mail ballots, who need not be affiliated with a major political
115.26 party. Election judges performing the duties in this section must be of different major
115.27 political parties, unless they are exempt from that requirement under section 205.075,
115.28 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
115.29 the election, the ballots in the envelope must remain sealed and the auditor or clerk shall
115.30 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
115.31 If the ballot is rejected within five days of the election, the envelope must remain sealed
115.32 and the official in charge of the ballot board must attempt to contact the voter by telephone
115.33 or email to notify the voter that the voter's ballot has been rejected. The official must
115.34 document the attempts made to contact the voter.

If the ballot is accepted, the county auditor or municipal clerk must mark the roster to indicate that the voter has already cast a ballot in that election. ~~After the close of business~~ On the ~~seventh~~ 18th day before the election, the ballots from return envelopes marked "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86, subdivision 5, initialed by the members of the ballot board, and deposited in the ballot box.

In all other respects, the provisions of the Minnesota Election Law governing deposit and counting of ballots apply.

The mail and absentee ballots for a precinct must be counted together and reported as one vote total. No vote totals from mail or absentee ballots may be made public before the close of voting on election day.

The costs of the mailing shall be paid by the election jurisdiction in which the voter ~~resides~~ maintains residence. Any ballot received by 8:00 p.m. on the day of the election must be counted.

Sec. 70. Minnesota Statutes 2022, section 204B.45, is amended by adding a subdivision to read:

Subd. 2a. **Procedure; voting on election day.** (a) The county auditor may make available a ballot counter and ballot box for use during voting hours on election day by the voters voting under this section. If a ballot counter and ballot box is provided on election day, a voter must be given the option to either:

(1) vote using the procedures provided in subdivision 2; or

(2) vote in the manner provided in this subdivision.

(b) When a voter appears in the designated polling place, the voter must state the voter's name, address, and, if requested, the voter's date of birth to the mail ballot voting official. The mail ballot voting official must confirm that the voter's registration is current in the statewide voter registration system and that the voter has not already cast a ballot in the election. If the voter's status is challenged, the voter may resolve the challenge as provided in section 204C.12. An individual who is not registered to vote or whose name or address has changed must register in the manner provided in section 201.061, subdivision 3. A voter who has already cast a ballot in the election must not be provided with a ballot.

(c) Each voter must sign the certification provided in section 204C.10. The signature of an individual on the voter's certificate and the issuance of a ballot to the individual is evidence of the intent of the individual to vote at that election. After signing the voter certification, two mail ballot voting officials must initial the ballot and issue it to the voter, and the voter

117.1 must immediately retire to a voting station or other designated location in the polling place
117.2 to mark the ballot. The voter must not take the ballot from the polling place. If the voter
117.3 spoils the ballot, the voter may return it to the mail ballot voting official in exchange for a
117.4 new ballot. After completing the ballot, the voter must deposit the ballot into the ballot
117.5 counter and ballot box. The mail ballot voting official must immediately record that the
117.6 voter has voted in the manner provided in section 203B.121, subdivision 3.

117.7 (d) The mail ballot voting official must remove and secure the ballots following the
117.8 procedures in section 203B.121, subdivision 5, paragraph (a). The absentee ballot board
117.9 must count the ballots after the polls have closed on election day following the procedures
117.10 in section 203B.121, subdivision 5, paragraph (b).

117.11 (e) For purposes of this subdivision, "mail ballot voting official" means the county
117.12 auditor, the city clerk, a deputy of the auditor or clerk, or an election judge assigned by the
117.13 auditor or clerk.

117.14 Sec. 71. Minnesota Statutes 2022, section 204B.46, is amended to read:

117.15 **204B.46 MAIL ELECTIONS; QUESTIONS.**

117.18 auditor or clerk. No offices may be voted on at a mail election~~;~~ except in overlapping school
117.19 and municipality jurisdictions, where a mail election may include an office when one of the
117.20 jurisdictions also has a question on the ballot. Notice of the election must be given to the

117.24 prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all
117.25 voters registered in the county, municipality, or school district. No later than 14 days before
117.26 the election, the auditor or clerk must make a subsequent mailing of ballots to those voters
117.27 who register to vote after the initial mailing but before the 20th day before the election.
117.28 Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant
117.29 to chapter 203B. The auditor or clerk must appoint a ballot board to examine the mail and
117.30 absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days
117.31 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
117.32 there are more than 14 days before election day. The board may consist of deputy county
117.33 auditors, deputy municipal clerks, or deputy school district clerks who have received training
117.34 in the processing and counting of mail ballots, who need not be affiliated with a major

118.1 political party. Election judges performing the duties in this section must be of different
118.2 major political parties, unless they are exempt from that requirement under section 205.075,
118.3 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
118.4 the election, the ballots in the envelope must remain sealed and the auditor or clerk must
118.5 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
118.6 If the ballot is rejected within five days of the election, the envelope must remain sealed
118.7 and the official in charge of the ballot board must attempt to contact the voter by telephone
118.8 or email to notify the voter that the voter's ballot has been rejected. The official must
118.9 document the attempts made to contact the voter.

118.10 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
118.11 indicate that the voter has already cast a ballot in that election. ~~After the close of business~~
118.12 On the ~~seventh~~ 18th day before the election, the ballots from return envelopes marked
118.13 "Accepted" may be opened, duplicated as needed in the manner provided by section 206.86,
118.14 subdivision 5, initialed by the ballot board, and deposited in the appropriate ballot box.

118.15 In all other respects, the provisions of the Minnesota Election Law governing deposit
118.16 and counting of ballots apply.

118.17 The mail and absentee ballots for a precinct must be counted together and reported as
118.18 one vote total. No vote totals from ballots may be made public before the close of voting
118.19 on election day.

118.20 Sec. 72. Minnesota Statutes 2022, section 204B.49, is amended to read:

118.21 **204B.49 "I VOTED" STICKERS.**

118.22 The secretary of state, county auditor, municipal clerk, school district clerk, or an election
118.23 judge may provide a sticker containing the words "I VOTED," and nothing more, to an
118.24 individual who:

119.5 period allowed under section 203B.081 for voting in person before election day, without
119.6 penalty or deduction from salary or wages because of the absence. An employer or other
119.7 person may not directly or indirectly refuse, abridge, or interfere with this right or any other
119.8 election right of an employee.

119.9 Sec. 74. Minnesota Statutes 2022, section 204C.07, subdivision 4, is amended to read:

119.10 Subd. 4. **Restrictions on conduct.** An election judge ~~may~~ must not be appointed as a
119.11 challenger. The election judges ~~shall~~ must permit challengers appointed pursuant to this
119.12 section to be present in the polling place during the hours of voting and to remain there until
119.13 the votes are counted and the results declared. ~~No~~ A challenger ~~shall~~ must not handle or
119.14 inspect registration cards, files, or lists. Challengers ~~shall~~ must not prepare in any manner

119.19 Sec. 75. Minnesota Statutes 2022, section 204C.15, subdivision 1, is amended to read:

119.20 Subdivision 1. **Physical assistance in marking ballots.** A voter who claims a need for
119.21 assistance because of inability to read English or physical inability to mark a ballot may
119.22 obtain the aid of two election judges who are members of different major political parties.
119.23 The election judges shall mark the ballots as directed by the voter and in as secret a manner
119.24 as circumstances permit. A voter in need of assistance may alternatively obtain the assistance
119.25 of any individual the voter chooses. Only the following persons may not provide assistance
119.26 to a voter: the voter's employer, an agent of the voter's employer, or an officer or agent of
119.27 the voter's union, ~~or a candidate for election.~~ The person who assists the voter shall,
119.28 unaccompanied by an election judge, retire with that voter to a booth and mark the ballot

120.6 shall be disclosed by any election judge or other individual until all count results from that
120.7 precinct are available, nor shall the public media disclose any count results from any precinct
120.8 before the time when voting is scheduled to end in the state. Count results from absentee
120.9 ballots received by the county after 3:00 p.m. on election day may be added to the total
120.10 count results after the initial results reporting of the precinct. If the precinct results do not
120.11 include all absentee ballots, the county must report to the secretary of state and on the
120.12 county's website the number of absentee ballots remaining to be processed.

120.13 Sec. 77. Minnesota Statutes 2022, section 204C.24, subdivision 1, is amended to read:

120.14 Subdivision 1. **Information requirements.** Precinct summary statements shall be
120.15 submitted by the election judges in every precinct. For all elections, the election judges
120.16 shall complete three or more copies of the summary statements, and each copy shall contain
120.17 the following information for each kind of ballot:

120.18 (1) the number of ballots delivered to the precinct as adjusted by the actual count made
120.19 by the election judges, the number of unofficial ballots made, and the number of absentee
120.20 ballots delivered to the precinct;

120.21 (2) the number of votes each candidate received or the number of yes and no votes on
120.22 each question, the number of undervotes, the number of overvotes, and the number of
120.23 defective ballots with respect to each office or question;

120.24 (3) the number of spoiled ballots, the number of duplicate ballots made, the number of
120.25 absentee ballots rejected, and the number of unused ballots, presuming that the total count
120.26 provided on each package of unopened prepackaged ballots is correct;

120.27 (4) the number of voted ballots indicating only a voter's choices as provided by section
120.28 206.80, paragraph (b), clause (2), item (ii);

120.29 (5) the number of individuals who voted at the election in the precinct which must equal
120.30 the total number of ballots cast in the precinct, as required by sections 204C.20 and 206.86,
120.31 subdivision 1;

120.32 ~~(5)~~ (6) the number of voters registering on election day in that precinct; ~~and~~

121.1 ~~(6)~~ (7) the signatures of the election judges who counted the ballots certifying that all
121.2 of the ballots cast were properly piled, checked, and counted; and that the numbers entered
121.3 by the election judges on the summary statements correctly show the number of votes cast
121.4 for each candidate and for and against each question;

121.5 (8) the number of election judges that worked in that precinct on election day; and

121.6 (9) the number of voting booths used in that precinct on election day.

121.7 At least two copies of the summary statement must be prepared for elections not held

121.9 Sec. 78. Minnesota Statutes 2022, section 204C.28, subdivision 1, is amended to read:

121.10 Subdivision 1. **County auditor.** (a) Every county auditor ~~shall~~ must remain at the
121.11 auditor's office to receive delivery of the returns, to permit public inspection of the summary
121.12 statements, and to tabulate the votes ~~until all have been tabulated and the results made~~
121.13 ~~known, or until 24 hours have elapsed since the end of the hours for voting, whichever~~
121.14 ~~occurs first,~~ unless the county auditor adjourns absentee ballot counting. Every county
121.15 auditor ~~shall~~ must, in the presence of the municipal clerk or the election judges who deliver
121.16 the returns, make a record of all materials delivered, the time of delivery, and the names of
121.17 the municipal clerk or election judges who made delivery. The record must include the
121.18 number of ballots delivered to the precinct, as certified by section 204B.28, and the total
121.19 number of ballots returned, as certified by the election judges under section 204C.24. A
121.20 discrepancy between the number of ballots delivered to the precinct and the number of total
121.21 ballots returned by election judges that cannot be reconciled by taking into account the
121.22 adjustments made by the election judge counts and any unofficial ballots must be noted,
121.23 but does not necessarily require disqualification of the votes from that precinct or invalidation
121.24 of the election. The county auditor ~~shall~~ must file the record and all envelopes containing
121.25 ballots in a safe and secure place with envelope seals unbroken. Access to the record and
121.26 ballots ~~shall~~ must be strictly controlled. Accountability and a record of access ~~shall~~ must
121.27 be maintained by the county auditor during the period for contesting elections or, if a contest
121.28 is filed, until the contest has been finally determined. Thereafter, the record ~~shall~~ must be
121.29 retained in the auditor's office for the same period as the ballots as provided in section
121.30 204B.40.

121.31 (b) The county auditor ~~shall~~ must file all envelopes containing ballots in a safe place
121.32 with seals unbroken. If the envelopes ~~were previously~~ are opened by proper authority for
121.33 examination or recount as specifically authorized by a court or statute, the county auditor
121.34 ~~shall~~ must have the envelopes sealed again and signed by the individuals who made the

122.1 inspection or recount. The envelopes may be opened by the county ~~canvassing board~~ auditor
122.2 if necessary to procure election returns that the election judges inadvertently may have
122.3 sealed in the envelopes with the ballots. In that case, the envelopes ~~shall~~ must be sealed
122.4 again and signed in the same manner as otherwise provided in this subdivision.

122.6 Subd. 3. **State canvass.** The State Canvassing Board shall meet at a public meeting
122.7 space located in the Capitol complex area on the third Tuesday following the state general
122.8 election to canvass the certified copies of the county canvassing board reports received from
122.9 the county auditors and shall prepare a report that states:

122.10 (1) the number of individuals voting in the state and in each county;

122.11 (2) the number of votes received by each of the candidates, specifying the counties in
122.12 which they were cast; and

122.13 (3) the number of votes counted for and against each constitutional amendment, specifying
122.14 the counties in which they were cast.

122.15 Upon completion of the canvass, the State Canvassing Board shall declare the candidates
122.16 duly elected who received the highest number of votes for each federal and state office. All
122.17 members of the State Canvassing Board shall sign the report and certify its correctness. The
122.18 State Canvassing Board shall declare the result within three days after completing the
122.19 canvass.

122.20 Sec. 80. Minnesota Statutes 2022, section 204C.35, is amended by adding a subdivision
122.21 to read:

122.22 Subd. 5. **Challenged ballots.** Notwithstanding any law to the contrary, a canvassing
122.23 board may direct a recount official to make images of ballots challenged by a candidate in
122.24 a recount available to the public.

122.25 Sec. 81. Minnesota Statutes 2022, section 204C.39, subdivision 1, is amended to read:

122.26 Subdivision 1. **Manner of correction.** A county canvassing board may determine by
122.27 majority vote that the election judges have made an obvious error in counting or recording
122.28 the votes for an office. The county canvassing board shall then promptly notify all candidates
122.29 for that office of the determination, including a description of the error. ~~A candidate who~~
122.30 ~~receives notification pursuant to this subdivision or any candidate who believes that the~~
122.31 ~~election judges in a precinct have made an obvious error in the counting or recording of the~~

123.1 ~~votes for an office may~~ The county canvassing board must also instruct the county auditor
123.2 to apply without unreasonable delay to the district court of the county containing the precinct
123.3 in which the alleged error was made for an order determining whether or not an obvious
123.4 error has been made. The applicant auditor shall describe the alleged error in the application
123.5 and may submit additional evidence as directed by the court. The applicant auditor shall
123.6 notify the county canvassing board and all candidates for the affected office in the manner
123.7 directed by the court. If the court finds that the election judges made an obvious error it
123.8 shall issue an order specifying the error and directing the county canvassing board to inspect
123.9 the ballots and returns of the precinct in order to correct the error and to proceed further in
123.10 accordance with this section or otherwise as the court may direct.

123.11 Sec. 82. Minnesota Statutes 2022, section 204D.08, subdivision 5, is amended to read:

123.12 Subd. 5. **Party columns; arrangement.** The names of candidates for nomination of the
123.13 major political party that received the smallest average vote at the last state general election
123.14 must be placed in the first column on the left side of the ballot. The names of candidates
123.15 for nomination of the major political party that received the next smallest average vote at
123.16 the last state general election must be placed in the second column, and so on. The average
123.17 vote shall be computed ~~in the manner provided in section 204D.13, subdivision 2~~ by dividing
123.18 the total number of votes counted for all of the party's candidates for statewide office at the
123.19 state general election by the number of those candidates at the election.

123.20 Sec. 83. Minnesota Statutes 2022, section 204D.08, subdivision 6, is amended to read:

123.21 Subd. 6. **State and county nonpartisan primary ballot.** The state and county nonpartisan
123.22 primary ballot shall be headed "State and County Nonpartisan Primary Ballot." It shall be
123.23 printed in the manner provided in the rules of the secretary of state. The names of candidates
123.24 for nomination to the supreme court, court of appeals, district court, ~~and~~ all county offices,
123.25 all city offices, and all school district offices shall be placed on this ballot.

123.26 No candidate whose name is placed on the state and county nonpartisan primary ballot
123.27 shall be designated or identified as the candidate of any political party or in any other manner
123.28 except as expressly provided by law.

123.29 Sec. 84. Minnesota Statutes 2022, section 204D.09, subdivision 2, is amended to read:

123.30 Subd. 2. **Sample ballot.** At least 46 days before the state primary the county auditor
123.31 ~~shall~~ must prepare a sample ballot for each precinct for public inspection and transmit an
123.32 electronic copy of these sample ballots to the secretary of state. The names of the candidates

124.1 to be voted for in the county ~~shall~~ must be placed on the sample ballots, with the names of
124.2 the candidates for each office arranged in the base rotation as determined by section 206.61,
124.3 subdivision 5. The county auditor ~~shall~~ must post the sample ballots in a conspicuous place
124.4 in the auditor's office ~~and shall cause them to be published.~~ At least one week before the
124.5 state primary, the county auditor must publish a notice to voters pursuant to section 204D.16

131.3 available for use in any recount.

131.4 (b) An electronic voting system purchased on or after June 4, 2005, may not be employed
131.5 unless it:

131.6 (1) accepts and tabulates, in the polling place or at a counting center, a marked optical
131.7 scan ballot; or

131.8 (2) creates a ~~marked optical scan~~ ballot that can be tabulated in the polling place or at a
131.9 counting center by automatic tabulating equipment certified for use in this state and the

131.24 in charge of elections shall have the voting system tested to ascertain that the system will
131.25 correctly mark ballots using all methods supported by the system, including through assistive
131.26 technology, and count the votes cast for all candidates and on all questions. Public notice
131.27 of the time and place of the test must be given at least two days in advance by publication
131.28 once in official newspapers. The test must be observed by at least two election judges, who
131.29 are not of the same major political party, and must be open to representatives of the political
131.30 parties, candidates, the press, and the public. The test must be conducted by (1) processing
131.31 a preaudited group of ballots punched or marked to record a predetermined number of valid
131.32 votes for each candidate and on each question, and must include for each office one or more
131.33 ballot cards which have votes in excess of the number allowed by law in order to test the

132.1 ability of the voting system tabulator and electronic ballot marker to reject those votes; and
132.2 (2) processing an additional test deck of ballots marked using the electronic ballot marker
132.3 for the precinct, including ballots marked using the electronic ballot display, audio ballot
132.4 reader, and any assistive voting technology used with the electronic ballot marker. If any
132.5 error is detected, the cause must be ascertained and corrected and an errorless count must
132.6 be made before the voting system may be used in the election. After the completion of the
132.7 test, the programs used and ballot cards must be sealed, retained, and disposed of as provided
132.8 for paper ballots.

132.9 Sec. 102. Minnesota Statutes 2022, section 206.845, subdivision 1, is amended to read:

132.13 and tabulating systems must not be connected to or operated on, directly or indirectly, any
132.14 electronic network, including a local area network, a wide-area network, the Internet, or the
132.15 World Wide Web. Wireless communications may not be used in any way in a vote recording
132.16 or vote tabulating system. Wireless, device-to-device capability is not permitted. No
132.17 connection by modem is permitted.

132.18 Transfer of information from the ballot recording or tabulating system to another system
132.19 for network distribution or broadcast must be made by disk, tape, or other physical means
132.20 of communication, other than direct or indirect electronic connection of the vote recording
132.21 or vote tabulating system. A county auditor or municipal clerk may not create or disclose,
132.22 or permit any other person to create or disclose, an electronic image of the hard drive of
132.23 any vote recording or tabulating system or any other component of an electronic voting
132.24 system, except as authorized in writing by the secretary of state or for the purpose of
132.25 conducting official duties as expressly authorized by law.

132.26 Sec. 103. Minnesota Statutes 2022, section 206.845, is amended by adding a subdivision
132.27 to read:

132.28 Subd. 3. **Cast vote records.** After the municipal clerk or county auditor has received
132.29 data from automatic tabulating equipment, textual data from the file is public, with the
132.30 following exceptions, which are protected nonpublic data under section 13.02:

132.31 (1) data that indicate the date, time, or order in which a voter cast a ballot;

132.32 (2) data that indicate the method with which a voter cast a ballot;

133.1 (3) data files that do not include all ballots cast in a precinct;

133.2 (4) data files that provide data in the order it was generated; and

133.3 (5) data from precincts in which fewer than ten votes were cast.

133.4 Data stored as images are protected nonpublic data under section 13.02.

133.5 Sec. 104. Minnesota Statutes 2022, section 206.86, is amended by adding a subdivision
133.6 to read:

133.7 Subd. 5a. **Ballots in precincts with multiple styles of voting system.** In the event the
133.8 results of a precinct are subject to a recount under section 204C.35 or 204C.36, or are subject
133.9 to a postelection review under section 206.89, and a ballot format as provided in section
133.10 206.80, paragraph (b), clause (2), was used by ten or fewer voters in the precinct, the election
133.11 judges from that precinct are not eligible to participate in conducting a recount or postelection
133.12 review in that precinct.

133.13 Sec. 105. Minnesota Statutes 2022, section 206.90, subdivision 10, is amended to read:

133.14 Subd. 10. **Counting write-in votes.** Notwithstanding section 204C.22, subdivision 4,
133.15 in precincts using optical scan voting systems, the ballot must be marked in the oval or other
133.16 target shape opposite the blank when a voter writes an individual's name on the line provided
133.17 for write-in votes in order to be counted. The judges shall count the write-in votes and enter
133.18 the number of those votes on forms provided for the purpose. When the write-in votes are
133.19 recorded on a medium that cannot be examined for write-in votes by the automatic tabulating
133.20 equipment or the automatic tabulating equipment does not reject, with respect to write-in
133.21 votes, all votes for an office or question when the number of votes cast on it exceeds the
133.22 number which the voter is entitled to count, all ballot envelopes or other medium on which
133.23 write-in votes have been recorded must be serially numbered, starting with the number one
133.24 and the same number must be placed on the ballot card of the voter. The judges shall compare
133.25 the write-in votes with the votes cast on the ballot card. If the total number of votes for any
133.26 office exceeds the number allowed by law, a notation to that effect must be entered on the
133.27 back of the ballot card and the card must be returned to the counting center in an envelope
133.28 marked "defective ballots"; however, valid votes on ballot cards containing invalid votes
133.29 must be counted as provided in section 206.86, subdivision 5.

133.30 When the write-in votes are recorded on ballot cards that can be examined for write-in
133.31 votes by the automatic tabulating equipment and the automatic tabulating equipment rejects
133.32 all votes for an office or question when the number of votes cast on it exceeds the number

134.1 which the voter is entitled to cast, the judges shall examine the ballot cards with write-in
134.2 votes and count the valid write-in votes.

134.3 Sec. 106. Minnesota Statutes 2022, section 207A.12, is amended to read:

134.4 **207A.12 CONDUCTING PRESIDENTIAL NOMINATION PRIMARY.**

134.5 (a) Except as otherwise provided by law, the presidential nomination primary must be
134.6 conducted, and the results canvassed and returned, in the manner provided by law for the
134.7 state primary.

134.8 (b) An individual seeking to vote at the presidential nomination primary must be
134.9 registered to vote pursuant to section 201.054, subdivision 1. The voter must request the
134.10 ballot of the party for whose candidate the individual wishes to vote. Notwithstanding section
134.11 204C.18, subdivision 1, the election judge must record in the polling place roster the name
134.12 of the political party whose ballot the voter requested. When posting voter history pursuant
134.13 to section 201.171, the county auditor must include the name of the political party whose
134.14 ballot the voter requested. The political party ballot selected by a voter is private data on
134.15 individuals as defined under section 13.02, subdivision 12, except as provided in section
134.16 201.091, subdivision 4a. A voter eligible to cast a ballot as provided in section 5B.06 must

Sec. 109. **[208.051] AGREEMENT AMONG THE STATES TO ELECT THE PRESIDENT BY NATIONAL POPULAR VOTE.**

The Agreement Among the States to Elect the President by National Popular Vote is enacted into law and entered into with all other states legally joining in it in substantially the following form:

Article I - Membership

Any state of the United States and the District of Columbia may become a member of this agreement by enacting this agreement.

Article II - Right of the People in Member States to
Vote for President and Vice President

Each member state shall conduct a statewide popular election for president and vice president of the United States.

Article III - Manner of Appointing Presidential Electors in Member States

Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a national popular vote total for each presidential slate. The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the national popular vote winner. The presidential elector certifying official of each member state shall certify the appointment in that official's own state of the elector slate nominated in that state in association with the national popular vote winner. At least six days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within 24 hours to the chief election official of each other member state. The chief election official of each member state shall treat as conclusive an official statement

137.1 containing the number of popular votes in a state for each presidential slate made by the
137.2 day established by federal law for making a state's final determination conclusive as to the
137.3 counting of electoral votes by Congress. In event of a tie for the national popular vote
137.4 winner, the presidential elector certifying official of each member state shall certify the
137.5 appointment of the elector slate nominated in association with the presidential slate receiving
137.6 the largest number of popular votes within that official's own state. If, for any reason, the
137.7 number of presidential electors nominated in a member state in association with the national
137.8 popular vote winner is less than or greater than that state's number of electoral votes, the
137.9 presidential candidate on the presidential slate that has been designated as the national
137.10 popular vote winner shall have the power to nominate the presidential electors for that state
137.11 and that state's presidential elector certifying official shall certify the appointment of such
137.12 nominees. The chief election official of each member state shall immediately release to the
137.13 public all vote counts or statements of votes as they are determined or obtained. This article
137.14 shall govern the appointment of presidential electors in each member state in any year in
137.15 which this agreement is, on July 20, in effect in states cumulatively possessing a majority
137.16 of the electoral votes.

137.17 Article IV - Other Provisions

137.18 This agreement shall take effect when states cumulatively possessing a majority of the
137.19 electoral votes have enacted this agreement in substantially the same form and the enactments
137.20 by such states have taken effect in each state. Any member state may withdraw from this
137.21 agreement, except that a withdrawal occurring six months or less before the end of a
137.22 president's term shall not become effective until a president or vice president shall have
137.23 been qualified to serve the next term. The chief executive of each member state shall promptly
137.24 notify the chief executive of all other states of when this agreement has been enacted and
137.25 has taken effect in that official's state, when the state has withdrawn from this agreement,
137.26 and when this agreement takes effect generally. This agreement shall terminate if the electoral
137.27 college is abolished. If any provision of this agreement is held invalid, the remaining
137.28 provisions shall not be affected.

(2) in the case of a communication transmitted by an FM radio broadcast station or network, where a portion of the district lies outside of the protected or primary service contour, that the population of the part of the district lying within the station's or network's protected or primary service contour is 10,000 or more;

(5) in the case of a communication appearing on a television broadcast station or network, where the district lies entirely within the station's or network's Grade B broadcast contour, that the population of the district is 10,000 or more;

167.14 (1) one or more cable or satellite systems did not carry the network on which the
167.15 communication was publicly distributed at the time the communication was publicly
167.16 distributed; and

167.17 (2) applying the formula to the remaining cable and satellite systems results in a
167.18 determination that the cable network or systems upon which the communication was publicly
167.19 distributed could not be received by 10,000 individuals or more.

167.20 Subd. 4. **Direct costs of producing or airing electioneering communications.** "Direct

167.30 costs of producing or airing one or more electioneering communications aggregating in
167.31 excess of \$10,000; or

(3) is targeted to the relevant electorate, in the case of a candidate for senate, house of representatives, or other office elected by district.

(2) appears in a news story, commentary, or editorial distributed through the facilities of any broadcast, cable, or satellite television or radio station, unless such facilities are owned or controlled by any political party, political committee, or candidate, provided that a news story distributed through a broadcast, cable, or satellite television or radio station owned or controlled by any political party, political committee, or candidate is not an electioneering communication if the news story meets the requirements described in Code of Federal Regulations, title 11, section 100.132(a) and (b);

(3) constitutes an expenditure or independent expenditure, provided that the expenditure or independent expenditure is required to be reported under this chapter;

175.24 Sec. 38. **REPEALER.**

175.25 Minnesota Rules, part 4511.0600, subpart 5, is repealed.

1.135 STATE SEAL.

Subd. 3. **Design.** The design of the seal is as described in this subdivision.

(a) The seal is composed of two concentric borders. The outside forms the border of the seal and the inside forms the border for the illustrations within the seal. The area between the two borders contains lettering.

(b) The seal is two inches in diameter. The outside border has a radius of one inch and resembles the serrated edge of a coin. The width of the border is 1/16 of an inch.

(c) The inside border has a radius of three-fourths of an inch and is composed of a series of closely spaced dots measuring 1/32 of an inch in diameter.

(d) Within the area between the borders "The Great Seal of the State of Minnesota" is printed in capital letters. Under that is the date "1858" with two dagger symbols separating the date and the letters. The lettering is 14-point century bold.

(e) In the area within the inside border is the portrayal of an 1858 Minnesota scene made up of various illustrations that serve to depict a settler plowing the ground near the Falls of St. Anthony while he watches an Indian on horseback riding in the distance.

(f) For the purposes of description, when the area within the inside border is divided into quadrants, the following illustrations should be clearly visible in the area described.

(1) In the upper parts of quadrants one and two, the inscription "L'Etoile du Nord" is found on the likeness of a scroll whose length is equal to twice the length of the inscription, but whose ends are twice folded underneath and serve to enhance the inscription. The lettering is 7-point century bold.

(2) In quadrant two is found a likeness of a sun whose ambient rays form a background for a male Indian in loincloth and plume riding on horseback at a gallop. The Indian is sitting erect and is holding a spear in his left hand at an upward 60-degree angle to himself and is looking toward the settler in quadrant four.

(3) In quadrant one, three pine trees form a background for a picturesque resemblance of St. Anthony Falls in 1858.

(4) In quadrants three and four, cultivated ground is found across the lower half of the seal, which provides a background for the scenes in quadrants three and four.

(5) In quadrant three, a tree stump is found with an ax embedded in the stump and a period muzzleloader resting on it. A powder flask is hanging towards the end of the barrel.

(6) In quadrant four, a white barefoot male pioneer wearing clothing and a hat of that period is plowing the earth, using an animal-drawn implement from that period. The animal is not visible. The torso of the man continues into quadrant two, and he has his legs spread apart to simulate movement. He is looking at the Indian.

Subd. 5. **Historical symbolism of seal.** The sun, visible on the western horizon, signifies summer in the northern hemisphere. The horizon's visibility signifies the flat plains covering much of Minnesota. The Indian on horseback is riding due south and represents the great Indian heritage of Minnesota. The Indian's horse and spear and the Pioneer's ax, rifle, and plow represent tools that were used for hunting and labor. The stump symbolizes the importance of the lumber industry in Minnesota's history. The Mississippi River and St. Anthony Falls are depicted to note the importance of these resources in transportation and industry. The cultivated ground and the plow symbolize the importance of agriculture in Minnesota. Beyond the falls three pine trees represent the state tree and the three great pine regions of Minnesota; the St. Croix, Mississippi, and Lake Superior.

1.141 STATE FLAG.

Subd. 3. **Description.** The design of the flag shall conform substantially to the following description: The staff is surmounted by a bronze eagle with outspread wings; the flag is rectangular in shape and is on a medium blue background with a narrow gold border and a golden fringe. A circular emblem is contained in the center of the blue field. The circular emblem is on a general white background with a yellow border. The word MINNESOTA is inscribed in red lettering on the lower part of the white field. The white emblem background surrounding a center design contains 19 five pointed stars arranged symmetrically in four groups of four stars each and one group of three stars. The latter group is in the upper part of the center circular white emblem. The group of stars at the top in the white emblem consists of three stars of which the uppermost star is the largest

and represents the North Star. A center design is contained on the white emblem and is made up of the scenes from the Great Seal of the State of Minnesota, surrounded by a border of intertwining *Cypripedium reginae*, the state flower, on a blue field of the same color as the general flag background. The flower border design contains the figures 1819, 1858, 1893.

The coloring is the same on both sides of the flag, but the lettering and the figures appear reversed on one side.

Subd. 4. **Official flag.** The flag described above is the official flag of the state of Minnesota.

Subd. 6. **Folding of state flag for presentation or display.** The following procedures constitute the proper way to fold the Minnesota State Flag for presentation or display. Fold the flag four times lengthwise so that one section displays the three stars of the state crest and the text "L'Etoile du Nord." Fold each side behind the displayed section at a 90-degree angle so that the display section forms a triangle. Take the section ending with the hoist and fold it at a 90-degree angle across the bottom of the display section and then fold the hoist back over so it is aligned with the middle of the display section. Fold the other protruding section directly upwards so that its edge is flush with the display section and then fold it upwards along a 45-degree angle so that a mirror of the display section triangle is formed. Fold the mirror section in half from the point upwards, then fold the remaining portion upwards, tucking it between the display section and the remainder of the flag.

Sustainable development meets the needs of the present without compromising the ability of future generations to meet their own needs.

Subd. 2. **Planning guide.** The Office of Strategic and Long-Range Planning must develop and publish a planning guide for local units of government to plan for sustainable development, based on the principles of sustainable development adopted by the Environmental Quality Board with advice of the Governor's Round Table on Sustainable Development.
