1 2. (a) Except as provided in subdivision three of this section, it
2 shall be unlawful for a long-term care facility or facility staff to
3 discriminate against any resident on the basis of such resident's actual
4 or perceived sexual orientation, gender identity or expression, or human
5 immunodeficiency virus (HIV) status:

6 (i) deny admission to a long-term care facility, transfer or refuse to
7 transfer a resident within a facility or to another facility, or
8 discharge or evict a resident from a facility;

9 (ii) deny a request by residents to share a room;

10 (iii) where rooms are assigned by gender, assigning, reassigning or
11 refusing to assign a room to a transgender resident other than in
12 accordance with the transgender resident's gender identity, unless at
13 the transgender resident's request;

14 (iv) prohibit a resident from using, or harass a resident who seeks to
15 use or does use, a restroom available to other persons of the same
16 gender identity, regardless of whether the resident has taken or is
17 taking hormones, has had transition-related surgery, or is making a
18 gender transition or appears to be gender-nonconforming. Harassment

20 documents in order to gain entrance to a restroom available to other
21 persons of the same gender identity;

23 or pronouns after being clearly informed of the preferred name or
24 pronouns, even if the resident is not present;

25 (vi) deny a resident the right to wear or be dressed in clothing,
26 accessories, or cosmetics that are permitted for any other resident;

27 (vii) restrict a resident's right to associate with other residents or
28 with visitors, including the right to consensual expression of intimacy
29 or sexual relations, unless the restriction is uniformly applied to all
30 residents in a nondiscriminatory manner; and

36 judgment that is based on articulable facts of clinical significance.

37 3. Each facility shall post the following notice alongside its current
38 nondiscrimination policy in all places and on all materials where that
39 policy is posted: "(NAME OF FACILITY) DOES NOT DISCRIMINATE AND DOES
40 NOT PERMIT DISCRIMINATION, INCLUDING, BUT NOT LIMITED TO, BULLYING,
41 ABUSE, HARASSMENT, OR DIFFERENTIAL TREATMENT ON THE BASIS OF ACTUAL OR
42 PERCEIVED SEXUAL ORIENTATION, GENDER IDENTITY OR EXPRESSION, OR HIV
43 STATUS, OR BASED ON ASSOCIATION WITH ANOTHER INDIVIDUAL ON ACCOUNT OF
44 THAT INDIVIDUAL'S ACTUAL OR PERCEIVED SEXUAL ORIENTATION, GENDER IDEN-
45 TY OR EXPRESSION, OR HIV STATUS. YOU MAY FILE A COMPLAINT WITH THE

53 such records shall be kept up to date.

54 (b) The state long-term care ombudsman program shall establish poli-
55 cies and procedures for recording complaints filed from residents of

9 or facility staff, except to the minimum extent necessary for facility
10 staff to perform their duties.

11 6. Long-term care facility staff not directly involved in providing
12 direct care to a resident, including, but not limited to, a transgender
13 or gender-nonconforming resident, shall not be present during physical
14 examination or the provision of personal care to such resident if such
15 resident is partially or fully unclothed without the express permission
16 of such resident, or such resident's legally authorized representative
17 or responsible party. A facility shall use doors, curtains, screens, or
18 other effective visual barriers to provide bodily privacy for all resi-

27 to care for the primary purpose of diagnosis or treatment.

28 7. (a) At least once every two years, a long-term care facility shall
29 ensure that every facility staff member who works directly with resi-
30 dents receives training on cultural competency focusing on residents who
31 identify as lesbian, gay, bisexual or transgender and residents living
32 with HIV. Such training shall be developed by the commissioner, in
33 consultation with the director of the office for the aging and entities
34 with expertise in the legal and social challenges faced by lesbian, gay,
35 bisexual or transgender older adults and people living with HIV as they
36 age and reside in long-term care facilities, and shall include, but not
